Welcome Sonora Race Meet -- Saturday, Sunday!

WESLEY RICHARDSON SET A NEW MEET RECORD OF 50.3 for first place in the 440-yard dash, breaking the old record of 51.3, which he set in the preliminaries at the San Angelo Relays. The Broncos clinched the Division IV crown, 14 points ahead of second place Mason at the relays held March 31. Steve Street won the high hurdles with 15.3, and also won the 100. He set a new mark in the 220-yard dash with a 22.5 time. Wade Richardson took fourth place. John Weston

placed third in the broad jump. The mile relay team, Bruce Kerbow, Weston, Jimmy Galindo and Wesley Richardson, placed second with a time of 3:30.6. The 440-yard relay team placed first with a time of 43.9. Bruce Kerbow captured first place honors in the 120-HH with a time of 15.3. Outstanding performances were turned in by all the Broncos in chalking up the 116 points to win first.

City Ups Garbage Rates

In a meeting Monday members of the City Commission voted to increase garbage collection rates in an effort to offset the loss the department has shown for the past two or three years. New rates are as follows:

One pickup per week, residential, \$1.25 per month; two weekly pickups, \$2 per month; three pickups, commercial, \$3.75; five pickups, commercial, \$6.25 per month — resulting in an additional charge of 25¢ for each pickup. These charges will be billed under the water charge as previous billing.

Some adjustment is also planned in charges to mobile home parks. The commission is making a study of the garbage pickup situation considering standardizing the use of containers. Ample notice of any changeover will be given to the public in order that requirements may be met.

Approval was given by the commission for the purchase of a truck and side loader for use in the sanitation department.

In other city business with Mayor Norman Rousselot presiding, operation of the swimming pool was awarded to Oliver Wuest, the only applicant. The pool opening date will probably be late May.

Swimming charges for children 12 and under was set at 25¢, while those persons over 13 will pay 50¢.

NEW PICKUPS
Bids for two new pickups were received from Sonora Motor Company and Ken Braden Company. The bid of \$4,214 from Sonora Motor Company, low bidder, was accepted.

SEWER EXTENSION
William Fox of San Angelo met with the city council in regards to sewer extension.

WEIGHT WATCHERS CHAPTER
A Weight Watchers Chapter will begin here next Tuesday, at 7 p. m. with the first meeting scheduled at the Sonora Woman's Clubhouse. This organizational meeting is open to all those who are interested in learning more about the chapter. Anyone interested in becoming a member is urged to attend the meeting.

Western Company Opens Office Here

One of the many new companies moving into Sonora in recent months is the Western Company. The company, an oilfield wire line servicing unit, also runs logs and perforating. Offices are being maintained next to Martin Plumbing on Concho Street.

Moving here to work for the company, whose main offices are in Fort Worth, are Dick McCurdy of Odessa and Mike Raper of Big Lake. The McCurdys have three children, 14, 10 and 5, and the Rapers are parents of two children. Both families moved mobile homes here.

Homemakers Plan To Model Clothing

Members of the Homemaking Department plan to model garments they have made this year at the Elementary auditorium Tuesday, April 10, at 7 p. m.

The style show is scheduled to last 35 to 45 minutes, and

all girls and women are invited to attend, according to Mrs. A. E. Prugel, homemaking teacher. "Students who have learned or are learning to sew will enjoy showing you what they have made," she added.

work in the vicinity of IH10 and bids will be taken for the work. Bid opening date has been set for May 3 at 3 p. m.

PLUMBING, ELECTRICAL
The plumbing ordinance was amended to allow a property owner to do work on his own property so long as the work meets the requirements of the city inspection by City Manager Alex Binford. This amendment was also adopted in the electrical ordinance, and the National Electrical Code was adopted as a guide for electrical work.

CITY MARSHAL
In a motion made by commissioner Walter L. Pope, III and seconded by Mrs. T. K. Nevill, the council voted to institute proceeding for the hiring of a City Marshal. Applications are being taken

for the job, and other details will be adopted if and when a city marshal is employed.

Some discussion was held in regards to paving of streets. It is hoped that the work can be contracted, including patching, releasing city employees for other duties. With the arrival of new families almost daily, hookups for mobile homes have created a bigger work load.

New lighting and lowered ceilings have been completed at the City Hall, as well as air conditioning and heating systems.

Meeting briefly with the commission were Tommy Thorp and Clayton Bray. Thorp submitted bids on property adjacent to the Dairy Mart. No definite action was taken.

National Future Homemakers Of America Sponsor Worthwhile Projects

April 1 through April 7 was designated as National Future Homemakers of America Week. Members of FHA have carried out special activities and observances designed to share their experiences and accomplishments with family, friends and neighbors.

Connie Gutierrez, president of Sonora Chapter stated, "FHA plays an effective role in the educational system by keeping us involved in activities that benefit us not only as individuals but as family and community members."

Local members have recently secured and painted two park benches and a litter barrel for the park located where the McDonald Hotel formerly stood. It is hoped this will provide travelers as well as local people, a place to stop and relax.

Last Tuesday all high school teachers were invited to the Homemaking Department during their conference period. Members of FHA were there to visit with faculty members and serve foods from Mexico — bunuelos, empanadas, and cajeta. Faculty members were thus aware of the Mexican

heritage. In other FHA projects, the members checked individual lockers asking owners of untidy ones to restore them to order.

They joined with members of the Industrial Arts Club to clean the school campus and perform odd jobs to make this school a nicer place. This job ended in a fish fry with fish being provided by Industrial Arts Club and FHA members providing the other food.

Other plans for the year include a picnic supper and tea. Earlier in the year the Big Lake FHA Chapter invited the local chapter for a supper and program. Sonora plans to reciprocate with a tour of the Caverns and a hamburger supper.

In May members plan a tea for their mothers. Senior FHA members will also be honored, and next year officers will be installed.

Officers this year include Miss Gutierrez, president; Evangelina Pimentel, vice president; Lilia Castro, secretary; Sally Gonzales, treasurer; Emily Brown, parliamentarian and Irma Velardez, game chairman.

Joe Gutierrez is FHA Beau and Miss Pimentel is Miss FHA. There are 35 local members.

Final Rites Held Pioneer Resident Mrs. Joe F. Logan

Mrs. Joe F. (Hilda Elizabeth) Logan, died March 29, 1973, in Lillian M. Hudspeth Memorial Hospital after an extended illness. She was born April 13, 1885, a daughter of Sophia and Paul F. Moegelin.

Mrs. Logan was a lifetime resident of Sutton County. She married Mr. G. B. Baker, August 19, 1900, and he died May 4, 1957. She married Joe F. Logan June 28, 1958. She was a member of the Methodist Church.

Services were held at the First United Methodist Church, Saturday at 4 p. m. with the Rev. John M. Weston, pastor of the church, officiating. Burial was in Sonora Cemetery under the direction of Ratliff-Kerbow Funeral Home.

Survivors include her husband; a daughter, Mrs. M. F. Wright of Tucson, Arizona; two brothers, C. P. Moegelin of Del Rio, and Alex Moegelin of Brady; three grandchildren, Mrs. Don (Autrey) Elson of Tucson, and Mrs. Turney (Rex Ann) Friess and Jack Baker. She is also survived by five great-grandchildren.

Serving as pallbearers were Curt Schwiening, A. E. Prugel, S. M. Loeffler, Gene Wallace, Vestel Askew and R. L. Hardgrave.

Ranchers Urged To Continue Screwworm Fight

Sheep shearing is in full swing in Sutton County and many late lambs and calves are being marked. Shearing cuts and wounds created from docking and castrating are prime targets for the screwworm fly which poses a constant threat to the livestock industry in this area.

Ranchers are being urged to treat all wounds and cuts on animals with a fly repellent smear and to spray all sheep after shearing with Co-Ral or Korlan insecticides. Ranchers are cautioned to read the label carefully on both drench and spray materials if they plan to drench and spray at the same time because the labels of many sprays and drenches warn against drenching and spraying with a stress producing, organophosphate material such as Co-Ral or Korlan.

A fringe benefit to many Sutton County ranchers from spraying sheep out of the shearing pen will be the control of the "Sheep Biting Louse" which has infested a number of flocks in the County this year. Heavy infestation of lice may cause lambs to

4-H Clothing Project Planned

Jean Holland, CEA-at-Large, has announced that registration for 4-H Clothing Project will be held Monday, April 9, at 3:45 p. m. in the Home Economics Department of Sonora High School. Anyone interested in participating in the project is urged to attend, she added.

Wool Show Plans Set June 12-14

The thirty-sixth annual Wool and Mohair show has been scheduled for June 12, 13 and 14. County Agent D. C. Langford reminds producers who are shearing to save their best fleeces for show entries.

The all-Texas show is for 4-H clubs, FFA Chapters and adult producers, and includes Junior wool, mohair, range, sheep and goat judging. The show features the National 4-H Wool Judging contest.

Local Draft Board No. 110 Re-Locates In San Angelo

In an announcement by Col. Melvin N. Glantz, State Director of Selective Service for Texas, word was received that the local Draft Board will be moved to the San Angelo office, probably no later than September 30 of this year. Mrs. Ed (Frances) Grobe is clerk of the local board, and she will continue to operate the local office until the final move to San Angelo.

Colonel Glantz said the number of local board offices in Texas will be reduced from 107 to 63 by the end of 1973. Prior to the present reorganization, the local board in Eastland was moved to Abilene and the local board in Van Horn was moved to Pecos. Under the present reorganization, the local boards in Anson and Coleman will also be moved to Abilene.

Other local board moves in West Texas will be Jayton to

Sweetwater, Lamesa to Big Spring, McCamey to Midland, and the boards in Brady and Sonora to San Angelo.

Area offices will be located in El Paso, Alpine, Pecos, Del Rio, Odessa, Midland, Big Spring, San Angelo, Sweetwater and Abilene.

Local draft boards in West Texas will continue to function as they have previously with each serving the same counties. Under the standby draft situation, local boards will probably meet quarterly rather than monthly. Board meetings will continue to be conducted in the same town where the board has previously met, such as, Board #110 meets here in the courthouse.

Announcing the reorganization throughout Texas, Colonel Glantz stressed that the local boards themselves will not move, only the employees and records.

There will be a reduction in force of Selective Service employees throughout Texas from the present 342 employees to 193 full time and 27 part time employees.

Colonel Glantz reminded the young men of Texas of their obligation under Federal law to register with Selective Service within 30 days before or 30 days after their eighteenth birthday and any young man who is late in registering is urged to do so immediately to avoid the penalty of Federal law for failure to register. Selective Service maintains registrars in each county in West Texas allowing young men to register without having to go to one of the local board offices.

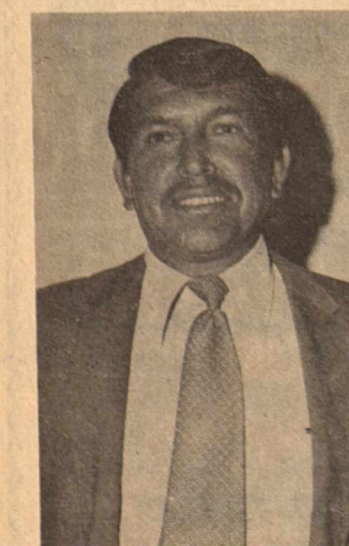

Doyle Morgan of Morgan-Hunt Insurance Agency, serves as registrar for this county.

SCHOOL TRUSTEE ELECTION

In one of our neighboring newspapers we note that the publisher-editor remarked that he has found it difficult to get candidates in his community to relate why they are seeking a certain office.

We agree with him when he says it is an apathetic action of the voters who are not interested in what a voter has in mind in seeking an office. Fortunately, our candidates in the school board election this Saturday have all expressed, at least in part, reasons for seeking a place on the board, other than just what qualification the particular candidate feels he or she might have.

Desire to serve, willingness to

try to fill the duties of the office, an interest in the particular part of local government or supervision, an interest in preserving a status-quo of some sort, an interest in preventing a future rise in taxes, or just plain personal axes to grind—all are motives for many of the local office-seekers, or may be all of them.

In casting your ballot Saturday... some questions to ponder might include... what part of the school system needs changing, if any? If the person you vote for is elected, what will he or she do different from what has been done? Why should you vote for which two school board candidates?

Here we are blessed in having a wide choice without feeling that one person is running against another.

These men and women feel that they have something to offer, or at least are vitally interested in the school system. It is not easy to be a candidate with an opponent... or with several as in Place Four. Someone is going to be defeated, but each person is to be admired for entering the race and, through their entrance expressing an interest in the future of our schools.

These people deserve your support. Take time to go to the polls and vote Saturday. Before

you go it might be well to give sincere, prayerful thought to your selection... these men or women will share in shaping the destiny of your children. The decision is not an easy one... it is possible, however, to be guided by a higher power, helping to make your choice the best for the school, your community, and your child.

VIEWPOINT

It now appears that a national meat boycott is under way. I am a participant strictly from the standpoint of available wherewithal. My consumption has been budgetarily limited to pre-chewed beefsteak (Hamburger) for some time. Looking at the problem objectively, however, the level of all other prices left nothing to be anticipated but rises in meat prices, there are no isolated prices in our economy.

As a young man I was aghast to hear justice defined at the University of Chicago as a totally blind prostitute in a dark room groping madly in the search for a black hat that wasn't there in the first place. Looking at the position of the agriculturist in our economy, some validity of that definition is evident. It would appear that meat prices have advanced to a point where they are apace with other commodities. The general furor certainly indicates that what for one is justice, looks like cheating to another.

What is the point? Sit back and do a little scribbling. Put down, in two columns, the cost of the things an agriculturist must buy. In column one put the price of those items 10 years ago, and in column two put the price of the same items today. A second list should have the selling price of agricultural products (at the producer level) ten years ago and today. A little simple arithmetic will give you the percentage of increase for each list and you have the point—if you happen to be an agriculturist, it is in the pocketbook.

George Meaney (AFL-CIO) sees wage increases if food prices do not come down. It is all right for organized labor's wage increases to continually exceed the limits set by the price and wage boards. The same group screams foul if the food prices go up proportionally—as they must. It is so basically fundamental when you realize our money is not based on gold, but on total production. No product is isolated and none is independent, a situation reminiscent of the proverbial house of cards. Wage increases must mean price rises, triggering more wage increases followed by more price rises ad infinitum. Organized labor seems to be oblivious to this economy destroying treadmill so we gallop on similar to the caged pet squirrel.

Organized labor has thrown the gauntlet on the table, but agricultural leadership either cannot see it, or does not recognize its meaning. Whatever the reason, it is a blessing to those of us caught in the middle neither agriculturists nor organized labor, just eaters and consumers.

One wonders if the gauntlet will be picked up and, if so, when. It certainly offers ground for some speculation. A unionized agriculture offers a power complex with ramifications you can hardly imagine. Ultimately it will occur if organized labor does not show somewhat more astuteness than it has previously demonstrated. Our entire price-wage structure must be stabilized and our concentration shifted to better working conditions, shorter hours, plant modernization, education, social justice (not as previously defined), and a realization of the benefits this system offers us.

Am I optimistic? No, only an idealist looking around with jack rabbits in mind and discovering a dearth of rabbits in the local area. Does anyone have recipes which can be applied to armadillo?

THE DEVILS RIVER PHILOSOPHER SEZ:.....

The Meat Boycotting Housewives Aren't Going Nearly Far Enough

Editor's note: The Devils River Philosopher on his bitter-weed ranch on Dry Devils River may have some housewives mad at him this week, but that's his outlook, not ours.

Dear editor: Excusing the New York Woman who wants to control the price of meat by freezing the price of cattle on the hoof, a job rancher will be glad to turn over to her, considering the fact that on any given day at any cattle auction prices range from maybe 15 cents a pound to 80 cents, depending on the various classes of animals, their size, age, condition, and the shrewdness of the buyers and the willingness of the sellers with or without the prodding of the banker who holds the mortgage, as I say, to pick up this sentence again, excusing that woman, the rest of the housewives who are demanding a boycott on meat till the price comes down are on the right track but they don't go far enough.

For example, the price of lumber has shot up and I'd like to see the women picketing lumber yards and urging everybody to go without 2x4's. Or take gasoline and oil. You know they've gone up and the only answer is to walk to your next boycott assignment, or if you do drive to refuse to change your oil.

And of course with some of the big city banks raising interest rates, everybody ought to stop borrowing money. Farmers aren't the only ones who ought to be taught a lesson. This will put a burden on some people because, with the price of meat as high as it is, it's all they can do to keep up the payments on their campers and speed boats.

In fact, if you think about it, there's nothing whose price hasn't gone up recently,

from hospitals to colleges to tractors to cow feed to eggs to bread to cans to telephones to taxes, and if the housewives of this nation really want to whip inflation they ought to form a line around the entire outer boundaries of the country and declare a national boycott of everything. Yours faithfully, J. A.

"Our Little Miss" Pageant Planned

The "Our Little Miss" pageant will be held Saturday, April 7 at the Rocksprings High School auditorium. The pageant is scheduled to begin at 7:30 p.m.

Contestants from here entered in the "La Petite" division include Stacy Patton, 4-year-old daughter of Mr. and Mrs. David Patton; Bonnie Ellen and Julie Elaine Jackson, ages 4 and 3, daughters of Mr. and Mrs. Jerry Jackson; Anita Balch, 5-year-old daughter of Mr. and Mrs. Jerry Don Balch, and Tessa Waynell Joy, 5, daughter of Mr. and Mrs. Ted Joy.

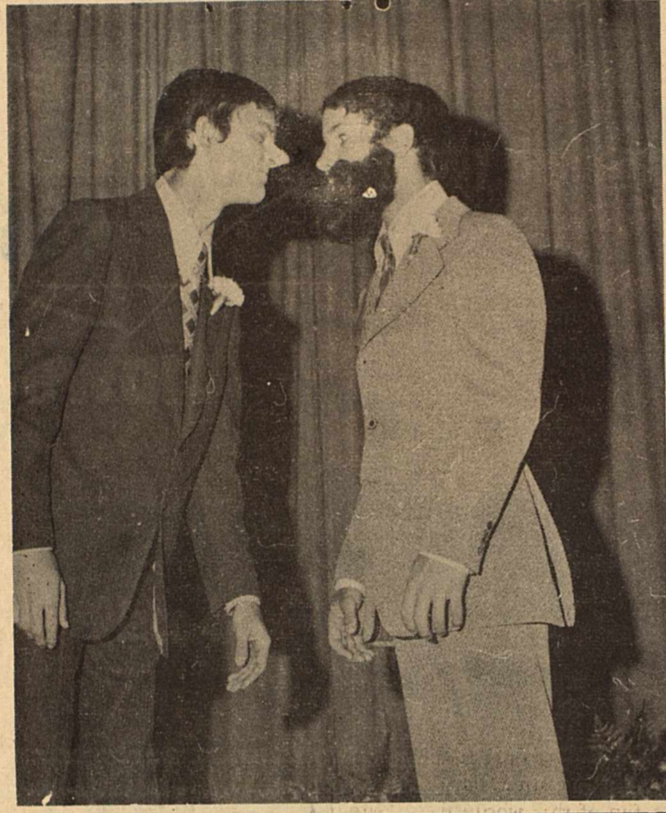

Sonora contestants entered in the "Our Little Miss" division are Paula Friess, 10-year-old daughter of Mr. and Mrs. Turney Friess, and Louise Ingham, 7-year-old daughter of Mr. and Mrs. B. B. Ingham, III.

The pageant is being sponsored by the Rocksprings Woman's Club. The title winners to be crowned Saturday night will go on to represent this preliminary pageant at the State competition to be held in Waco in June. There are 25 contestants vying for the title.

The World's Our Little Miss Pageant was founded in 1963, and is nationally televised. Sponsors say the pageant is more than just a beauty pageant, relating that it is a youth development program offering early goals in good grooming, social graces, talent training, sportsmanship, and scholarship.

SONORA'S ONE ACT PLAY, "THE APOLLO OF BELLAC" won first place honors in Eldorado last Tuesday. Pictured are Michelle Roussetol who was named best actress; Mark Roussetol, named to the All-Star cast; Steve Street was honored as Best Actor. Two other members of the cast shown here are Teddy Coker and David Wallace. Named as members of the All-Star cast also were Terry Mitchell and Karen Hemphill. Claire Lansford was an honorable mention. The play was directed by John Tedford.

Kathy Hardegree Tech Initiatee

Miss Kathy Hardegree recently became an initiate of Zeta Tau Alpha international fraternity for women at Texas Tech University in Lubbock.

Zeta Tau Alpha is a women's social fraternity with approximately 130 collegiate chapters in the United States and Canada. ZTA was founded in 1898.

Miss Hardegree is a 1972 graduate of Sonora High School where she was a member of Drum Major (Junior-Senior), Twirler (Freshman-Sophomore), National Honor Society and named Best Groomed. At Tech, she was selected as the Best Pledge of October and to be the sophomore member of the Zeta Pledge Committee. She is the daughter of Mr. and Mrs. Max G. Hardegree.

FIREMEN'S AUXILIARY

The Sonora Firemen's Auxiliary met March 27 at the Fire Hall enjoying 42 play. Honor guest at the party was Mrs. Richard Franklin, who was presented a "going-away" gift by the Auxiliary. Hosting the party was Mrs. Bill Radtke.

Attending the party were Mmes. Louis Olenick, Joe Ed Harrell, Carl Teaff, Joe Renfro, Franklin, and Mmes. Kyle Donaldson, Gene West, Wayne Bryant, Mollie Hite, Harold Culver and Vernon Humphreys, members. Mrs. J. B. Wright was a club guest.

High score was held by Mrs. Olenick; low, Mrs. Donaldson and 84 prize was won by Mrs. West.

William L. Lehne Honor Student

The University of Texas has named 182 students to the College of Pharmacy honor roll for the 1972 fall semester. Named as one of the honor students was William Louis Lehne, Star Route.

Students qualifying for the honor roll accumulated at least 36 grade points (B average) for the semester. Total grade points are calculated by multiplying the number of semester hours undertaken by the value of each grade.

Coffee Break

by Shirley Hill

I can hardly wait to see my first man in a pair of three-inch heels. Boy, are men ever gonna' be surprised. They are now going to know the meaning of pain endurance.

What we have gone through all these years, gals, we can soon have the pleasure of seeing the men folk enjoy. Fashion for women has always been the subject of conversation, now the male populace is taking the limelight. Not so much in little cities like our own, but really the rage in the larger cities. I heard a little interesting tid bit on television awhile back—the fact that men's hair styles are going back to the flat top, among other shorter cuts. Thank heavens! My hubby is finally going to be in style and maybe I can start telling the boys from the girls without checking out the curves.

Meat prices are the main topic of conversation this week, taking precedent over everything else. Whether we buy beef, pork or lamb this week doesn't seem to make a great deal of difference in the tally of our grocery bill. According to the Tuesday morning news, the chicken industry wants to take up the slack. Oh well, we're going to spend the greater part of our salaries on groceries one way or the other.

Mr. and Mrs. Lonnie Taylor have moved to Silver City, New Mexico, where Lonnie will have a rural mail route. Best of luck to the Taylors.

Mr. and Mrs. Dorothy Taylor who underwent eye surgery in Houston recently, is home. Dorothy will be able to spend a few days before returning to Houston for another short stay. Glad to hear you are doing so well, Dorothy.

Mr. Jack Drennan is in the Clinic Hospital in San Angelo where he underwent surgery Tuesday morning. 42 FUN CLUB

The 42 Fun Club met at the home of Mr. and Mrs. W. O. Crites Thursday night and guests were served apple pie a la mode, tea, coffee, chips and dips.

High score was held by Pete Thompson; men's bingo, Melvin Heam; ladies bingo, Mrs. Heam, and high guest, Vernon Rogers.

Attending the party were Messrs. and Mmes. Rogers, Heam, Thompson, S.M. Loeffler, Tom Nevill, Freeman Mears, J.B. Wright and Ervin Willman.

Lomax-Shroyer Wedding Plans Set

Mr. and Mrs. Joe E. Lomax of Van Horn have announced the engagement of their daughter, Eunice Rebecca of Sweetwater, to Larry Dwight Shroyer of Midland. Parents of the bridegroom-elect are Mr. and Mrs. Lester Shroyer of Roosevelt.

Miss Lomax, a Van Horn native, was Miss Van Horn of 1966 and represented the city as princess at the Southwestern Sun Carnival in El Paso in 1968. She received her bachelor of science degree in Elementary Education at Texas Tech

University, and is a graduate of Jessie Lee's Hair Design Institute in Lubbock. At present, she is a teacher in the Sweetwater schools.

Shroyer, a graduate of Sonora High School, earned his bachelor of science degree in Park Administration at Texas Tech University where he was a member of the Rodeo Club. He is associated with Los Patios Nursery in Midland. The couple plan to marry in the bride's home June 1.

... to see the Truth

"Heather here in Scotland is so common it grows everywhere. Why do you wish to study it?" I asked a botanist.

He then suggested taking a single flower from the cluster and looking at it through his microscope.

I was amazed at the delicate shading and breathtaking design of an individual bloom. I almost wished he hadn't shown it to me. I trample on thousands of them every day.

The beauty and blessings of life are enhanced by observing God's creation through the lens of Truth.

Consider the Church as a spiritual microscope. It helps you see the worth of single souls. It encourages you to call no man common or trample his capacities under the foot of indifference. It helps you discover and appreciate all the wonders of God's marvelous creation.

CREATES 100 MILLION MARKET
OF EAGER PROSPECTS

YOU DO THIS:

HERE'S THE PILL FOR YOUR AUTOMOBILE

MOTOR-ALL DOES THIS:

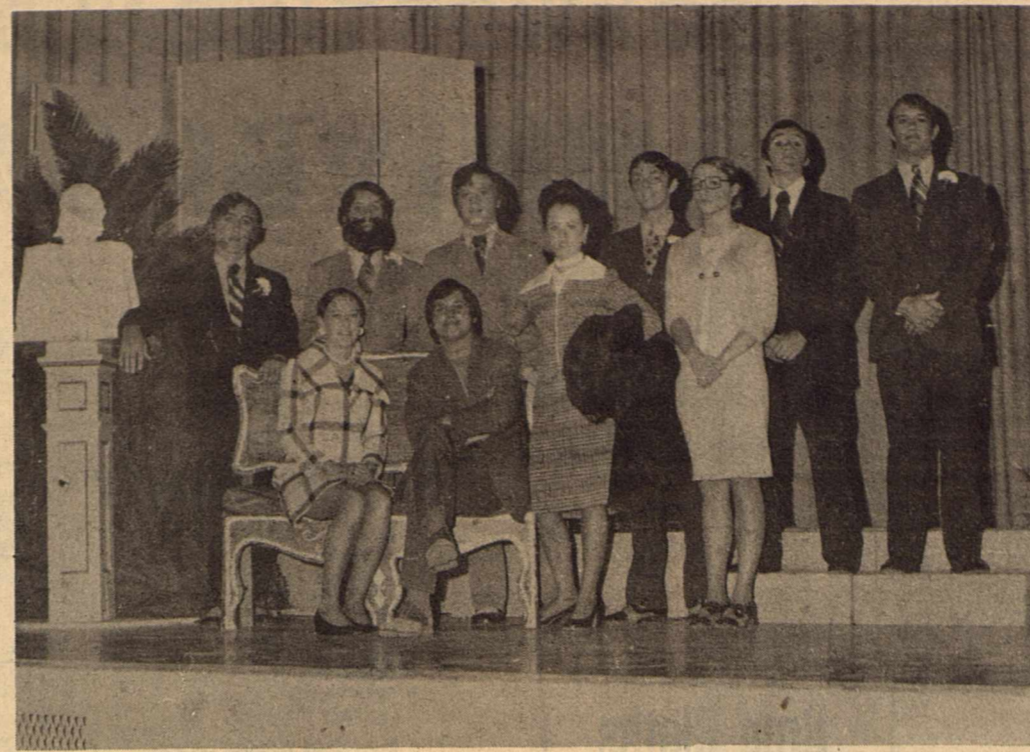

TESTED PRINCIPLE! MOTOR-ALL is a breakthrough product that replaces all STP, Wynn's, Bardahl and automotive chemical additives. Laboratory tests prove that MOTOR-ALL replaces worn and pitted pistons, rings and valves for up to 50,000 miles.

COLOSSAL MARKET! It's true, the market is colossal. Where else could you find one to equal it? There are 100 million cars and trucks and a booming air-cooled engine, motorcycle, lawn mower and boat motor market and all need MOTOR-ALL for top performance.

NO COMPETITION! Not only a huge market, but there's NO COMPETITION! That's right. MOTOR-ALL distributors and sales representatives do business without competition from any product even remotely like MOTOR-ALL. Who can beat that for a sales opportunity? Car owners, fleet operators, truckers, auto accessory outlets, service stations, garages, are ripe and ready prospects for MOTOR-ALL. With a market this big, here's your chance to make BIG MONEY!

MODEST \$5,000 - \$10,000 INVESTMENT (and no franchise fee) SECURES VALUABLE PROTECTED TERRITORY. If you can qualify, now is the time to make the move. Exclusive distributorships are available. THIS GROUP OF SONORA HIGH SCHOOL students captured first place honors with "The Apollo of Bellac", directed by John Tedford, in district competition March 27 at Eldorado. Michelle Rousselot was named Best Actress, and Steve Street was honored as Best Actor. Members of the All-Star Cast included Terry Mitchell, Mark Rousselot, and Karen Hemphill. Claire Langford was an honorable mention. The group will present the play in Regional competition at Stephenville, Thursday, April 12.

Screwworms from page 1
lose condition, fail to develop as they should and rub off or shed their wool in severe cases. If your sheep and lambs have not wintered well, have not responded to drenching and show signs of rubbing sides or biting at sides, there is a good chance they are infested with biting lice and need spraying.

The great financial loss to ranchers in this area because of the screwworm outbreak last year should serve as a constant reminder that we are not immune to reinfestation by the screwworm fly and that each rancher has an obligation to keep his herd or flock as free of sources of infestation as possible, asserted Specialist Jack Groff of the Extension Service.

Samples of all worms infesting animals should be sent to P. O. Box 969, Mission, 78572, at the earliest possible time. Screwworm shipping containers are available at the feed stores, the Sonora Wool and Mohair Company and the County Agent's office. Weather conditions are prime at the present time for a screwworm outbreak, so please check your livestock often, report all worm cases and help the Screwworm Eradication Program be a success.

A Bishop Looks at Life

WHAT ABOUT SIN?

By Everett H. Jones, Retired Bishop of the Episcopal Church

It is possible to think of ourselves as sinners in either a wrong way or a right way. The wrong way leaves us depressed, discouraged, and very low in self-esteem. The right way leaves us aware that God accepts us and believes in us despite our sins.

A good illustration is found in the incident of Jesus with the woman taken in adultery, believed to be Mary Magdalene. (St. John 8:3-11) The scribes and Pharisees saw her, and made her see herself, as a woman of hopeless moral degradation.

Jesus, on the other hand, saw her as a person living far below her potential, alienated from her true self, not living up to God's plan for her. Her sin was simply a mark of her need, and her situation was not hopeless. In loving forgiveness, he turned to her and said: "I do not condemn you; go and sin no more."

The Syrian prose-poet Kahlil Gibran wrote a perceptive book called "Jesus Son of Man." It consists of testimonies by various persons as to the power of Jesus in their lives. Referring to the above incident the author has Mary Magdalene speak in these words:

"He looked at me, and the noontide of his eyes was upon me, and he said, 'You have many lovers, and yet I alone love you. Other men love themselves in your nearness. I love you in your self."

"Other men see a beauty in you that shall fade away sooner than their own years. But I see a beauty in you that shall not fade away, and in the autumn of your days that beauty shall not be afraid to gaze at itself in the mirror, and it shall not be offended."

"I alone love the unseen in you." "Then he stood up and looked at me even as the seasons might look down upon the field, and he smiled. And he said again, 'All men love you for themselves. I love you for yourself."

"I know not how, but on that day the sunset of his eyes slew the dragon in me, and I became a woman."

NEW NATIONAL HONOR SOCIETY members for 1973 of Sonora High School were initiated at an assembly Monday in the high school auditorium, where they heard Rev. I. L. Whittsell, deliver the address welcoming them as members of the society. Seniors honored were Michelle Rousselot, Terry Mitchell, Cathy Boyd and Sarah Allison. Juniors—Patricia Carroll, Cindy

Feagin, Cora Pope, Ray Upton, Viola Virgen, Ruth Ella Wallace and Carol Weston. Sophomore students named as honor students included Sheila Alexander, Blaine Crawford, Margaret Black, Maggie Galbreath, Mary Gamez, Alan Harris, Lindsay Paul Hicks, Carol Anne McAllister, Margarita San Miguel and Anne Marie Villarreal.

Gomez To Head Local Red Cross

The American Red Cross has announced that Pete Gomez is the new American Red Cross representative for the Sutton County Chapter, according to George A. Hill, Capital Area Division manager. His wife, Irene, will act as his assistant.

The Gomezes can be reached at 403 West Main Street, for residents in Sutton County who have emergency needs while a family member is away in the armed forces.

Gomez and his wife will be available to offer free Red Cross services in counseling in personal and family problems; reporting and emergency communications between family and serviceman or woman; assisting in applying for government benefits; referrals to other agencies; financial assistance and emergency disaster assistance.

Mr. and Mrs. Gomez are active in community and church projects, serving in leadership roles. He is an employee of the Texas Highway department. Mrs. Gomez is employed as a Licensed Vocational Nurse at the Lillian M. Hudspeth Memorial Nursing Home.

TS&GRA Members Plan Meet Apr. 5

Texas Sheep and Goat Raisers' Association members in District 5, which is made up of Kimble, Menard, Schleicher and Sutton counties, will meet in Eldorado April 5 at the Eldorado Restaurant. Ford Oglesby, Jr., district chairman, has advised that the meeting will start at 10 a. m. and conclude with the noon meal.

Schleicher County TS&GRA directors are hosts for the meal. John S. Cargile, TS&GRA president, and Bill Sims, executive secretary will be on hand to discuss current legislation in Austin and Washington which will affect the sheep and goat industry.

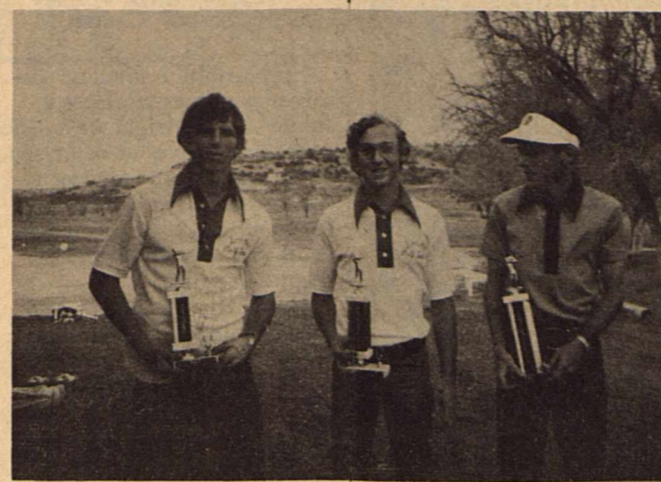

Directors for 1973-74 will also be elected during the meeting.

For those producers under age 40, a Young Ranchers Committee has been formed, and all young men interested in working with this group are urged to attend.

"As the urban areas begin to exert more and more influence over the State and Federal governments, we must all stand up and be counted if agriculture is to make its voice heard," said Cargile, in urging producers to attend the April 5 meeting.

PARTY HONORS TWO
Traci Donaldson, 3, and Jason Donaldson, 1, were birthday party honorees at the Donaldson home March 31. Hostesses were their mother, Mrs. Kyle Donaldson and their grandmother, Mrs. Cullen Luttrell.
