The Devil's River News, Sonora, Texas 76950, Thursday, April 12, 1973

A GOOD CROWD SATURDAY ENJOYED the Spring Race Meet as sunshine and warm weather prevailed. The weather Sunday was a different story as blustery winds brought cold to this area and fans huddled under blankets in the open stands. The race

meet this year was held early in April to avoid conflict with other meets in New Mexico and elsewhere. Racing officials reported gate receipts were good Saturday and fair Sunday, and generally termed the event successful.

Bill Tittle To Head Board of Trustees

Elected as president of the board at the reorganizational meeting of the Board of Trustees, Sonora Independent School District, following the election Saturday, was Bill Tittle, replacing W. L. (Bill) Morris. Reelected to serve as secretary of the board was Mrs. Walter L. (Dorothy) Pope.

The president and secretary were elected following a canvass of the house to be the Monday meeting of the board. Newly elected board members James T. Hunt and Walter L. Whitehead were administered the oath of office by president pro tem, Armer Earwood.

OTHER BUSINESS
In other school business, bids were opened on the house to be moved at 803 Prospect. Two bids were received, one from W.S. Anderson for \$101, and one from Alice Jones in the amount of \$250. The bid of Mrs. Jones was accepted.

Resignation of Rodney Davis was accepted, effective at the end of the current school year. Davis has been teaching high school and junior high history and social studies. In his letter to the board, Davis said he plans to return to school to complete work on a masters degree.

405,915, with \$461,051.38 due in taxes. Of this amount, King said \$446,116 of the 1972 taxes have been collected.

Superintendent of schools, Ken McAllister told board members enrollment is expected to increase at the beginning of the 1973-74 school term with the number of families moving

4-H Ball Scheduled

Plans are for the annual 4-H Ball to be held Tuesday, May 1, at the 4-H Center during the hours of 7 to 10 p. m., according to County Agent D. C. Langford.

Providing music for the dance will be the "Straight Shooter" band, composed of high school students Randy Hill, John Mark Weston, Jack Sykes and Teddy Coker.

All boys and girls enrolled in school between the ages of nine to 18 are invited, Langford said.

Range Judging Practiced by 4-H Members

Seventeen 4-H members from Sutton and Schleicher counties participated in a practice range judging contest sponsored by the Eldorado Divide Soil Conservation District at the Walter Pope ranch Saturday, April 7.

Dr. Bob Ragsdale, Extension Range Specialist, Dalton Metz, D. C. Edwards Plateau Soil Conservation District, and Bill Roundtree, D. C. Eldorado Divide Soil Conservation District supervised the range judging training program.

BUDGET

Some discussion was held in regards to the budget for the 1973-74 school year. The preliminary budget was set at \$847,000, including Federal funds. The final adoption of the budget will be made in June, after the Board of Equalization meets.

In the report of Carroll King, business manager, it was noted that 97.5% of the school taxes have been collected. King reported \$65,000 in delinquent taxes, which amount includes penalty and interest.

The 1972 tax roll was corrected, in so far as duplications and assessments occurred. Total tax evaluation was set at \$33, -

into the county. Discussion was held in regards to new windows for the high school building and renovating of the auditorium.

EXECUTIVE SESSION

Following the superintendent's report, the meeting was closed to visitors and news media.

In executive session, the board accepted resignation of High School principal James Pollard, effective immediately. Smith Neal, assistant high school principal, will serve as principal for the balance of the current school term.

In other business at the closed session the contract of Bill Johns was not renewed, and the application of Mrs. Tom Nevill as cafeteria manager was not approved.

Scott A. Chalk Dies In Georgia

Scott Anders Chalk, eleven-year-old son of Tech. Sgt. and Mrs. Russ Chalk of Omaha, Nebraska, died April 8, 1973, after a lifetime illness. He died in an Atlanta, Georgia hospital.

Memorial services were held Tuesday at 11 a. m. at Georgia Regional Hospital Chapel in Atlanta.

Survivors other than his parents include two sisters, Suzanne and Heather Chalk. He is also survived by his grandparents, Mr. and Mrs. C. M. Davis of Jefferson, Georgia, and George D. Chalk.

Hunt, Whitehead Elected to Board

James T. Hunt and Walter L. (Bud) Whitehead were elected to serve as board members of the Sonora Independent School District in Saturday's April 7 election.

Results were as follows:
Place Three—Hunt, 581 and incumbent, W. L. (Bill) Morris, 147.

Place Four—Whitehead, 284; Pete Gomez, 185; Sammy Stewart, 157 and Mrs. C. F. (Maxine) Browne, 117.

A total of 748 ballots were cast with a sprinkling of write-in votes, according to election judge, Jerry Johnson.

Special Holy Week Services Planned

Among other services planned to observe Holy Week in the several individual churches here, there will be a special presentation of the life of Christ in dramatic poetry and background music presented at the Methodist Church on Thursday night, April 19.

This program entitled "The Nazarene", will be presented at 7:30 and sponsored jointly by the Methodist Church and the Church of the Good Shepherd, Presbyterian.

Friday, April 20, the Ministerial Alliance will present the annual Good Friday service at 12 noon. The service this year will be presented at the Presbyterian Church of the Good Shepherd.

County Attorney Appointed Mon.

County Commissioners Court approved the appointment of Adam Morris III as County Attorney at the Monday meeting of the court. Morris, a recent law graduate, has been associated with a firm of lawyers in San Angelo. He will be moving here in the near future, announced County Judge J. W. Elliott.

In the brief meeting of commissioners Monday, bills payable were approved for payment.

Primera Baptist To Present Easter Cantata Sunday

Primera Baptist Church, located at Chestnut and Santa Clara Streets, will present a special Easter cantata Sunday, April 15, at 7 p. m.

The program will be a live enactment of the crucifixion, death, burial and resurrection of Jesus Christ. From 35 to 45 local children will take part in the presentation, and special music will be provided by Mrs. Dave Locklin and Pat Ragsdale, with congregational singing led by Mrs. Ernest Castro. Costumes and set items have been made by Mrs. Alma LaMothe and other members of the church.

"The public is cordially invited to dress informal, bring a friend, and come and enjoy this hour-long program. It will be an hour that you will remember for a long time to come," said the Rev. Mr. Ray Gamett, pastor of the church.

Spring Race Meet Termed Successful

Warm, sunny weather brought racing fans out Saturday as the Sonora Spring Race Meet opened for a weekend of racing. Cold weather arrived Sunday morning, and only a few persons braved the icy winds in the open bleachers.

Broncos Overpower Field For Championship

The "Big Red Horses" ran away from their district 9-A cousins Friday in the district track meet held in Eldorado. The Broncos rolled up 160½ points to far outdistance second place Mason, who had 114.

This was truly a team victory as every member contributed to his fullest to insure the Bronco victory. Several boys ran outstanding times on a cold night and wet track. This is the kind of effort it takes to produce champions, and this is why Sonora is always on top or mighty close to it.

FIELD EVENTS

The field events produced 44½ points for the fired up Broncos and gave the hosses the lead they never relinquished.

Wade Richardson and Dennis Nance won first and second respectively in the pole vault. Steve Street and John Weston finished first and third in the long jump. John Beckham came in with a fifth place in the discus.

Joe Eustace and Bill Mitchell carved out a fifth and sixth place in the shot put. Bruce Kerbow and Randy Hill picked up fourth and a tie for fifth in the high jump.

The 440 relay team composed of Wade Richardson, Steve Street, John Weston and Wesley Richardson turned in their best time of the year with a fine 43.8. Mason finished second in 44.2.

Jimmy Galindo and David Wallace ran very well in the 880 dash as Jimmy finished in his season best of 2:07.0 for 5th place, and David hustled to a 6th place in his best of 2:12.4.

Kerbow and Hill stepped the tall timbers for 1st and 5th places respectively. Kerbow was timed in 15.2, while Hill had 16.7. Jack Sykes ran well in the prelims, but did not qualify to the finals.

Street, Mitchell and Wade Richardson kept the points coming in as they finished 1st, 5th and 6th. Street was timed in 10.2; Mitchell in 10.6 and Richardson in 10.8.

Wesley Richardson ran a smart race in the prelims and drew the inside lane to the top challenger in the district, Martinez from Mason. In the finals, Martinez went out very fast as did Wesley, but Wesley had too much left for his arch rival and pulled away in the home stretch to take an easy victory in 50.7 to 52.3 for the tiring Martinez.

Kerbow and Tryon Fields came on strong in the 330 intermediate hurdles to take 1st and 4th. Tryon ran his fastest time of the year as the tough senior finished in 42.4 only .3 of a second out of second place.

Street, Weston, and Wade Richardson came on like gang busters in the 220 yard dash as they sealed the championship for the Broncos, scoring 22 points in this event. Street won 1st in 23.0; Weston was 2nd in 23.4 and Wade came in 4th in 23.7.

John Brown, although sick with a cold and respiratory problems ran a very tough mile and finished in 4:57.8. Brown set the pace for the first three laps but faded in the latter stages of the last 440 as his strength ebbed. He did garner two points on his fifth place finish.

The "Big Red" mile relay unit composed of Galindo, Wesley Richardson, Weston and Kerbow ran sensationally in the cold night air to post an 8-yard victory over Mason in

3:30.8 to 3:31.5. Galindo opened out of the blocks and brought the baton in even on the first exchange. Wesley took over and handed Weston a three yard lead in front of the purple bunch from Mason.

The Mason runner overtook Weston on the back stretch but John stayed close and when they rounded the final turn for home, Weston put the Puncher down and handed the stick to Kerbow with Mason 12 yards in the hole. However, Mason still had hopes as their premier quarter miler took the baton and tore out in hot pursuit of the long-striding Kerbow. Kerbow just kept on trucking and Martinez had to settle for second place to the jubilant Broncos who had won the district championship.

The entire team of Sonora Broncos, both A and B have been selected as "Red Horses" of the week for their tremendous effort that produced the district championships.

The Wilderness Cry To Appear Here

A group of five young men, known as "The Wilderness Cry", plan to be here Saturday, April 28, at 7 p. m. at the 4-H Center. They are being sponsored by the Fellowship of Christian Athletes, Sonora Chapter, according to announcement by Mark Rousselot, president of the local association.

All youth in the community and the surrounding area, as well as adults, are invited to hear these young people give their personal testimonies along with the outstanding performances they give in song and music.

The five members of the team are Dave Parker, leader; Tim Patterson, Ross Wilson, Tommy Wilson and Chuck Bridges. They live in Alpine, and attend Alpine High School and Sul Ross University.

The Wilderness Cry started in August of 1972. Parker said, "God has really blessed the ministry of this group. In this short time they've been to many churches in the West Texas area—Baptist, Methodist, Assembly of God and Full Gospel Business Men meetings. They are a group of very dedicated men! Their music has a message for all ages. The music ranges from 'When the Roll is Called up Yonder' to 'Jesus Is Just Alright'."

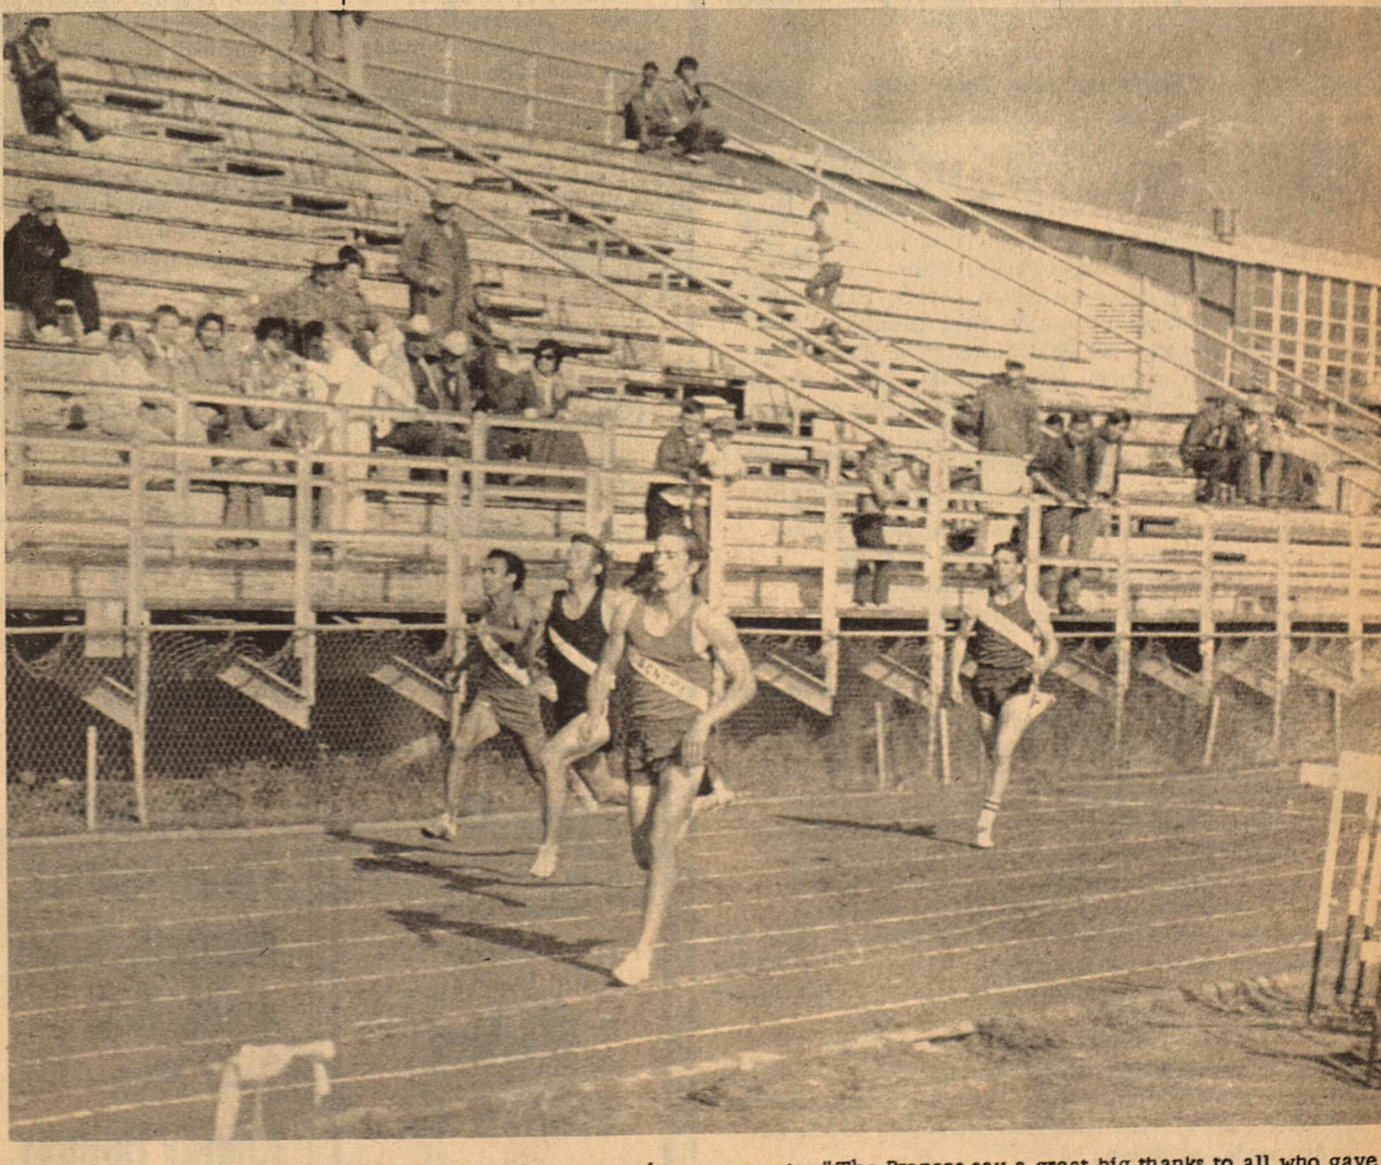

Patterson, a drummer, attended Kermit High School, graduating in 1972. He worked with the youth of the Methodist Church in Kermit, and his plans are to become a minister. Ross Wilson, a junior of Alpine High and Tommy Wilson, are sons of the Rev. Jimmy Wilson, pastor of the First Baptist Church of Alpine. Ross is an Alpine athlete. He played on the fighting Buck football team, and is now on the track team.

Parker was brought up in an Assembly of God Church. He has spent four years in the U. S. Air Force. After his discharge from the service, he attended Sul Ross, where he met his wife, Barbara.

Bridges attended the Methodist Church before coming to Sul Ross. At Sul Ross, he became an active member of the Baptist Student Union and later joined the Baptist Church.

The entire group are looking forward to coming here and sharing their experiences with all who come to hear them. An invitation is extended to everyone to come and hear The Wilderness Cry.

Members of the Fellowship of Christian Athletes and their sponsor, Coach Jerry Phillips, believe this is something you would not want to miss!

GREAT TEAM EFFORT PAID OFF for local track teams as they won district championship bouts in varsity, B team and junior High. The Broncos travel to Stephenville Friday where they will compete for the Regional win, hoping to qualify for state

events. "The Broncos say a great big thanks to all who gave such great support at Eldorado Friday, April 6, and say come on to Stephenville, Saturday, April 14". Nine individual events and two relays will represent Sonora at Stephenville Saturday.

LAKE CRYSTAL, MINN., TRIBUNE: "Parents in Camden, New Jersey, are now responsible for acts of vandalism committed by their children under a measure just signed by Mayor Joseph Nardi, Jr. The parental responsibility ordinance states that parents will be subject to \$500 fine and a maximum 90-day jail sentence if their children 18 and under commit acts of vandalism. Parents receive a warning for the first offense, after that they can be jailed or fined."

FORREST CITY, ARK., CROWLEY RIDGE CHRONICLE: "When the government can no longer trust the citizens with guns, the citizens can no longer trust the government."

SOUTH HILL, VA., ENTERPRISE: "With revenue sharing in the news so much today, our quote of the week goes to Rep. H. R. Gross (R.-Iowa). He said: 'A robber took \$100 from his victim but gave him back 25¢ to catch a bus. That started revenue sharing.'"

CHEROKEE, OKLA., MESS-ENGER: "Now there is talk of doing away with the ad valorem tax for supporting schools because rich districts can afford better schools than the poorer ones... Now, 'ain't'

that a tick... One of the first facts of life that my dad taught me was that 'the rich eat better than the poor--so you'd better get to work and make some money if you want to eat real good'... Sounds sort of old-fashioned today."

ALTOONA, PA., MIRROR: "Is a thief worse than a traitor? Is conflict of interest worse than conflict of loyalty? Is graft worse than sedition? Is disclosure of financial interests more important than disclosure of subversive interests? Is honesty in public office more important than patriotism in public office? Is security of the taxpayers' dollars more important than the security of the taxpayers? Do we really need 'ethics' legislation more than we need loyalty and security legislation? Legislators in Washington and around the country seem to act as if they thought so, promoting 'ethics' bills and opposing loyalty and security measures."

OAKLAND, CALIF., PIED-MONTER: "The lesson of Vietnam has been long, costly and bitter. We must not forget that lesson. The essence of it is this: Never go to war unless you plan to win and never fight with one hand tied behind your back."

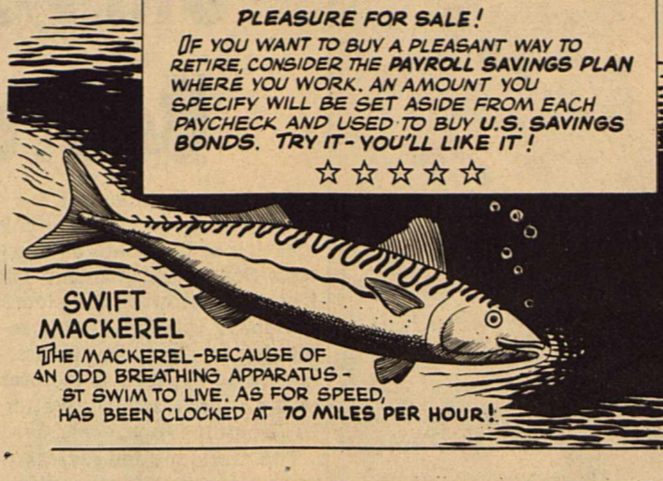

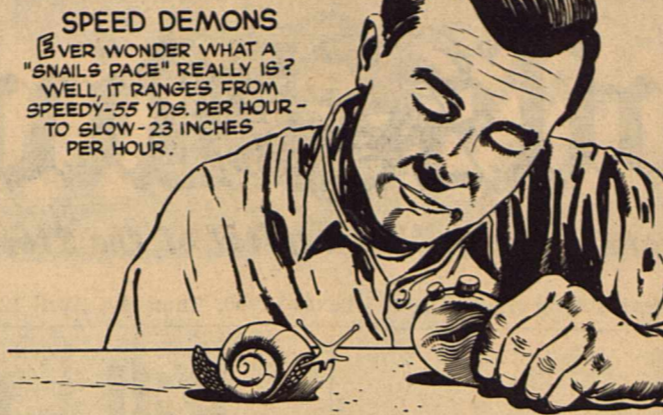

MOVILLE, IOWA, RECORD:

"As January... (closed it brought an end to a number of federal and state tax reports that needed to be filled out and funds sent to state and federal agencies. If the tax bite gets much worse... it will soon be more advantageous to give your income to the government and keep what you normally would send in for taxes. Just to be relieved of the expense of filling out all the necessary forms would mean quite a savings for the average business owner."

NATIONAL LIBRARY WEEK
"Books, the children of the brain," as Jonathan Swift put it, are truly remarkable creations. They reflect the very spirit of man--his triumphs and tragedies, his knowledge and innermost feelings. Too often books are taken for granted, yet without them man is little more than a savage. Step into a library, and you find yourself in the midst of an enchanted world where books wait to whisk you away on a magic carpet of adventure and excitement. There are books to make you laugh and cry, to teach and intrigue. All that is needed is an inquiring mind and a desire for knowledge."

National Library Week, April 8-14, honors the most precious possession of mankind--books and the libraries that house them. And well it should, for literature has perpetuated the philosophies, sciences and artistic endeavors of man down through the ages, making progress and technological advances possible. So whenever you feel the need to expand your horizons or just relax and unwind with a good book, make a trek down to the local library. You'll be glad you did."

He Has Found Out Where All The Inefficient Producers Have Gone

Editor's note: The Dry Devils Philosopher on his bitterweed ranch on Dry Devils River thinks he has discovered something this week, his letter indicates.
Dear editor:
I was in town stocking up on macaroni and cheese before the meat boycotters run the price up clear out of sight and while I was there picked up a 10¢ tractor bolt for a quarter and a city newspaper whose price has jumped 100 percent in the past two years and when I got home sat down and read an interesting article.
It was bragging on the American farmer and his ability to produce so efficiently and abundantly despite the fact there are fewer farmers than ever before, explaining that one reason for this is that "the inefficient farmers have all been driven off the land."
Of course that's not quite right. I'm still here on this bitterweed ranch and I might be able to think of a few more around here like, well, I'd better not mention them, they're probably subscribers of The Devil's River News, but let's assume that most of the inefficient ones have been driven off.
The next thought that occurs to me is, wherd' they go? What're they doing now? In fact, where does an inefficient farmer go when he's driven off the land?
This is a hard question to answer but it's worth speculating on. For example, I'm almost sure a few of them have turned up in the Texas Legislature, and it's possible one or two may have gotten into Congress. Other likely job opportunities for them would be handling luggage for the airlines, or bugging political headquarters so incompetently they're stumbled up on by a night watchman, and some of

them may have gotten into management jobs for now bankrupt railroads or aircraft plants.
But on the whole I'd say a lot of them must have signed up with the new U.S. Postal Service. You can't make me believe that the mail service today isn't run by men at the top who are experts in inefficiency.
Personally, I'd just as soon have those farmers back on the land. They weren't bothering anybody there, and I could get a letter from here to Del Rio in one day.
Yours faithfully,
J.A.

GREEN NEWS

by MONICA DURUSSEL Our Sonora High School A team is really doing great. They played at Riverside in San Angelo last Thursday, and won by a big margin.

The Sonora B team did a heck of a good job by tying Robert Lee for second place, but lost to them in a sudden death play-off.

This Thursday and Friday, the team will be going to Lake Proctor Golf course near Stephenville to play in the Regional Tournament.

Sonora had two tournaments going this past weekend. Saturday, the General Telephone Company Valley Pioneer Club had 23 players to participate in Best Ball Play.

Then on Sunday, a not so beautiful day, the coaches from the surrounding area played. There were 52 players in that tournament.

Jr. High Broncos Blitz 9-A Foes

Anticipating a close track meet, 19 boys from Junior High travelled to Eldorado for district meet Friday, April 6.

Through the field events Sonora enjoyed a slim one point lead over Wall and a four point lead over Menard.

The field events were a great help as Nelson Brown and Greg Salinas started off by placing fourth and sixth in the shot.

The prelims were run under a misty sky and very cool breeze, but fighting the elements and tough competition,

from the chapter who joined in the tournament. Menard, Robert Lee, Junction, and Sonora were the towns represented.

Some of our club members were in Big Lake this past week end for a couples tournament. They had a FIRST---they played in SNOW!

Muriel Brown, Bobbie Fawcett and Edwina Braden are in Gatesville this week at the Cotton Wood Golf Academy where they will be getting "golf smart" from the ninth to the eleventh.

It really is nice having all those new golf ball washers on the tee boxes.

Hospital Auxiliary

The Lillian M. Hudspeh Nursing Home Auxiliary met in the conference room of the Nursing Home Monday April 9.

The Auxiliary drew names of the patients to be special friends to, and cushions for the chapel pews were discussed by the 16 people attending the meeting.

Refreshments consisted of punch, cake, cookies, and sandwiches. The hostesses were Mrs. Edwin Sawyer, Mrs. Bob Vickers, Mrs. Collier Shurley and Mrs. P.J. Taylor.

Award Honors Martha Loeffler

Mrs. Norris (Martha) Loeffler of Austin, is the recipient of the first Sallie Beth Moore Award for the person who has made "significant contributions toward the lives of young children in the Austin area."

Mrs. Loeffler, a Sonora High School graduate, is a daughter of Mrs. Bailey Renfro and the late Mr. Renfro.

She is director-teacher at the University Presbyterian Church Nursery School. She teaches three and four-year-olds. A teachers five years, Mrs. Loeffler, mother of three teenagers, got a degree in child development from the University of Texas after her children started to school.

She helped organize and taught three child care courses of the Austin Association for the Education of Young Children—the organization which established the award.

She also taught summer courses at Central Texas College for the Model Cities Day Care Aid Program.

into the outstretched arms of his happy teammates. Everyone knew what this race meant because Wall finished fourth.

Shower Honors Mrs. J. Fields

Mrs. Johnny Fields was honored April 4 with a baby gift shower at the Wayne Herrmann home. Punch, coffee, mints, nuts, and petit fours decorated with miniature storks were served to the approximately 35 guests attending.

Hostesses for the event were Mmes. Herrman, W.L. Whitehead, Jerry Jackson and Joe David Ross.

JOHN BUTTERFIELD U. I. L. JUDGE

John Butterfield, band director, was in Vernon Tuesday, and in Abilene Wednesday to serve as sight reading judge in University Interscholastic League events scheduled in the two towns.

Track Team To Regional

Nine individual events and two relays will represent Sonora at Stephenville Saturday in the Regional Meet. The Broncos have an excellent chance of winning the Regional Meet, and if they can get enough people qualified out of the Regional, could pick up a State Championship.

The following boys are making the trip to Stephenville Saturday—John Weston, 440 relay, 220 mile relay; Steve Street, long jump, 440 relay,

100, 220; Wesley Richardson, 440 relay, 440, mile relay, and Wade Richardson, pole vault, 440 relay; Bruce Korbow, 120 HH, 330 IH, mile relay; Jimmy Galindo, mile relay; Dennis Nance, pole vault; Bill Mitchell, 440 relay, alternate and John Brown, mile relay alternate.

Face of Christ

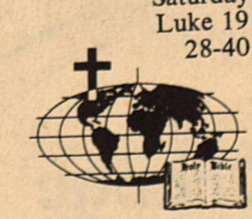

In art or sculpture it is called a Christus, an artist's interpretation of Our Lord.

In a passion play the leading role is the Christus . . . again an artist's interpretation.

Through the centuries there have been many faces, many interpretations. Yet all so easily recognizable . . .

... Because we know Christ not by sight, but by the qualities of His life for us. We are drawn not to a face but to a heart, a Heart that loved and gave and promised and fulfilled.

However simple or crude someone's sketch of the Master . . . in seeing his Lord we see ours. We are not critics, but believers.

4-H Judging Training Program

4-H judging training is in progress for all boys and girls interested in range, grass, wool, mohair, livestock and home judging. About 50 boys and girls are currently participating in one or more of the 4-H judging programs.

If you are between nine and 18 years-of-age, and would like to participate in the judging training program, you may enroll by contacting County Agent D. C. Langford, or you may contact Billie Galbreath for horse judging; Gene Wallace for livestock judging, and Harold (Corky) Schwiening, Jr. for range, grass, wool and mohair judging.

All boys and girls in Sutton County are invited to participate in all phases of the 4-H program, Langford added.

Jane Sawyer Named To Honor

Miss Alice Jane Sawyer is one of 37 Southern Methodist University students selected for listing in the 1972-73 edition of "Who's Who Among Students in American Universities and Colleges". She is a daughter of Mr. and Mrs. Edwin Sawyer.

The students were selected for the honor on the basis of leadership, scholarship, service to the University, and potential after graduation.

THANK YOU for your support in last Saturday's School Board election.

I will do my best to merit your confidence.

The Broncos captured the District title last Friday evening with a total of 160½ points. The 440-yard relay team (Wade and Wesley Richardson, Steve Street, and John Weston) took first place with a time of 43.8.

Bruce Kerbow took first place honors in both the 120-yard high hurdles and the 330-yard intermediate hurdles, while Steve Street placed first in the 100-yard dash, the 220-yard dash, and the broad jump competition.

Wesley Richardson placed first in the 440-yard dash and Wade Richardson took first place in the pole vault, followed by Dennis Nance in second place. John Weston placed second in the 220-yard dash, and third in the broad jump.

The Mile Relay team (Jimmy Glaindo, John Weston, Wesley Richardson, and Bruce Kerbow), also took first place honors with a time of 3:30.8. All of these boys will be competing in the Regional

Meet in Stephenville this Friday and Saturday. John Brown and Bill Mitchell will also be going as alternates.

The Junior Varsity also took their District title with 154 points, and the eighth grade boys took District honors with a 100 point total.

The Golf team dominated District play in San Angelo last week and Eddie Alexander was honored as First Medalist. Mark Rousselot was Second Medalist and Chuck Browne was Third Medalist. Other members of the team are Paul Browne and Alan Harris.

It's a new Land Bank serving a new agriculture in new ways

Over the next ten years, agriculture will require a minimum of \$60 billion in new financing to meet unprecedented changes and challenges. Because there is a Federal Land Bank—created to insure an abundance of capital at reasonable rates—you can have more confidence this need for credit will be met.

The Land Bank will continue to obtain loan funds in the nation's money markets on the very best terms it can. It will continue to make financing available to farmers and ranchers at reasonable cost. And with increased flexibility now permitted by the Farm Credit Act, it will help more people in more ways.

Today, more than ever, you should understand the operation of your Federal Land Bank. If you are not an Association member, let's get acquainted. If you are a member, let's get better acquainted. Let's work together... to build a secure place for you and your family in a viable, prosperous agriculture.

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

NOTICE IS HEREBY GIVEN, THAT METEOROLOGY RESEARCH, INC., OF 464 WEST WOODBURY ROAD, ALTADENA CALIF. 91001 (State of Texas Weather Modification License #73-3), intends to engage in an operation to change or attempt to change by artificial methods the natural development of any and all atmospheric cloud forms or precipitation forms which occur in the troposphere, for and on behalf of Texas Water Development Board located at P.O. Box 13087, Austin, Texas 78711, and will conduct a program of weather modification involving research, development, and associated investigations in atmospheric water resources leading to application of practical procedures for beneficially managing precipitation in Texas and other Southern Plains and Gulf States areas as follows:

1. Area in which equipment will be operated; in the vicinity of San Angelo, Texas, within the area bounded by Ballinger westward along State Highway 158 to the west boundary of Glasscock County; thence southward to the southwest corner of Reagan County; thence eastward to the southeast corner of Sutton County; thence northward to Menard County, then along the south and east boundaries of Menard County; thence northeast to Brady, and along Highway 283 to the Colorado River; thence northwest along the river to Ballinger. The area includes portions of the counties of Runnels, Coke, Sterling, Glasscock, Reagan, Irion, Tom Green, Concho, McCulloch, Menard, Schleicher, Crockett, and Sutton.

2. The primary target will be: Ballinger due west to a point about 12 miles southeast of Garden City (in Glasscock County); thence south to U.S. Highway 67 and south-southeast to Interstate 10 at the west border of Sutton County; thence east to the east border of Sutton County and north-northeast to Eden, Millersview, and the Colorado River; thence north-west along the river to Ballinger.

3. The areas adjacent to target area which may be subject to effects of the operation are: Those lying within 25 miles of the target area described above.

4. The materials and methods to be used in conducting the operation are: A ground network consisting of rain gauges, a weather radar, and a radio-sonde set for taking upper-level atmospheric measurements; a cloud seeding aircraft equipped with a dispenser for seeding small quantities of hygroscopic materials below clouds; and an additional instrumented research aircraft for making meteorological measurements in clouds.

The operation will extend during the period beginning about 15 May 1973 and ending about 30 June 1973.

Individuals who consider that their interests will be adversely affected by the operation proposed in this Notice of Intention may communicate their objections for consideration to: Weather Modification Activities Coordinator Texas Water Development Board P.O. Box 13087, Capitol Sta. Austin, Texas 78711 Dated 2 April 1973 METEOROLOGY RESEARCH, Inc. Signed: Theodore B. Smith Vice President-Research 3c32

These boys will be competing in the Regional Meet in Proctor next Wednesday and Thursday.

The Junior Varsity also did very well in the District meet, and tied for second place with the Robert Lee team. Sonora lost the sudden-death play-off for the Regional trip.

Students who will be particip-

ating in the Regional One-Act Play and Literary Meet are Michelle Rousselot, Steve Street, Terry Mitchell, Mark Rousselot, Karen Hemphill, Claire Langford, David Wallace, and

Joe Eustace, Tryon Fields, Teddy Coker, Molly Sawyer, Larry Berger, Curtis Mooney, Sarah Allison, Carol Weston,

and Blaine Crawford. The group will leave Wednesday afternoon; the One-Act play cast will perform on Thursday and the individual events will be held on Saturday in Stephenville.

Outstanding Bronco Band members of the week are Randy Wuest and Laura Gibbs.

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad. If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "O", give their name and tell our operator where they are and what's wrong. With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tuck up the list near your phone. Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too. Which is also why we're running this ad.
