Rabied Coon Killed In City

Reports received at the Sonora Veterinary Clinic last week regarding a coon killed in the vicinity of the Sam Stewart residence, were positive, according to local veterinarian, Dr. Johnny Fields.

The animal appeared in the yard at the Stewarts and was killed after coming in contact with domestic pets belonging to persons in the area. The Stewart residence is located only two blocks from the public school grounds.

Dr. Fields warns animal owners that even though pets have been vaccinated in the past year, upon coming in contact with an animal suspected of rabies, they should be vaccinated again immediately and confined for a period of three months. The veterinarian added that like all vaccines, the immunizations for rabies may not be totally effective in some animals.

There are still positive cases of rabied animals from all over the county and in the past week a total of three foxes have been confirmed as having the disease.

In the past few weeks, sixteen persons in the county have been forced to take the anti-

rabies serum after coming in contact or being bitten by an animal identified with the disease.

Health officials report that the disease is usually transmitted by the bite or lick of a rabied animal since the virus is carried in the infected animal's saliva. Once in the body, the virus infiltrates the nerve fibers and attacks the nervous system, resulting in death if no treatment is given.

When infected with rabies, wildlife is a threat in areas of human habitation as well as in their native habitat. An infected animal may suddenly become tame and approach persons and their environment in a friendly way. Thus children should be warned to stay away from seemingly tame wildlife, stray pets and all dying animals.

Local health officials advise that precautions be taken as the disease is still very much a major threat in Sutton County.

THE MILE RELAY TEAM composed of David Wallace, Randy Hill, John Brown and Bruce Kerbow came in third in Saturday's track tournament at Robert Lee. Overall the track team compiled a total of 73 points to win first at the event.

Sonora Tracksters Take First At Robert Lee

BY BILL HARLE

The Sonora Broncos scratched their way to the championship in the Robert Lee Invitational Track Meet held Saturday at Robert Lee.

The Broncos scored 73 points over second place Miles. The Broncos had to beat Miles and Eldorado in the mile relay as all three teams had a shot at the title going into this event.

Eldorado had 63 points, Sonora had 61 and Miles had 59 points, but the Red Hosses came through with a third place finish ahead of both Eldorado and Miles to secure the championship.

The highlight of the meet was a new pole vault record established by junior Dennis

Nance, who vaulted 12' to break the old mark record of 11'9".

RESULTS

-120 HH, Bruce Kerbow, first with 15.5, Randy Hill, second, 15.7
-330 IH - Randy Hill, second, 43.0, Bruce Kerbow, third, 43.1
-880 - John Brown, fifth, 2:10.5
-Mile - Johnny Solis, sixth, 5:13.5
-Mile Relay - Third, Bruce Kerbow, Randy Hill, John Brown and David Wallace, 3:45.3
-Pole Vault - Dennis Nance, first, 12' (new record); David Wallace, third, 11'; Robbie

Hard, fourth, 10'
-Broad Jump - David Wallace fourth, 18'11"
-Shot put - Ladd Turner, fourth

The next meet will be held in Eldorado for the varsity tracksters on March 16. The junior varsity will travel to Crane on Friday for a meet there. The team should be pretty strong and could vie for the top honors in the meet.

Local Girls Enter Midland Meet

Five local girls competed in the Midland Invitational tennis tournament this past weekend. They were entered in a division composed of AAA reserve players, AA, A and B schools.

Those making the trip were two doubles teams and one singles entry. Laura Gibbs won her first two matches, defeating Forsan and then the number one seeded player from Fort Stockton. She lost in the quarterfinals to Midland.

Debra Tittle and Melissa Gibbs entered in the doubles bracket, won their first two matches, defeating Monahans and Odessa Ector. They were downed in their semi-finals match by the number one seeded team from Monahans.

The doubles team composed of Cora Pope and Carol McAllister finished second in their division. They made it to the finals by defeating Fort Stockton, Andrews and Monahans, then met the number one seeded team in the finals event and were defeated after splitting sets.

Twelve members of Sonora's tennis team will be going to Iran this weekend. It is an invitational tournament and will be composed of A and AA schools.

J.C. Billingsley Dies In Austin

Funeral services were held Friday, March 8 for James C. Billingsley, Jr., 51, at the Chapel of the Episcopal Theological Seminary of the South-west in Austin. He died March 6 in an Austin hospital.

The Rev. Mr. Billingsley served as rector of St. John's Episcopal Church from 1962-1964 before moving to Austin. Survivors include his wife; a daughter, Carroll; one son, Jim of British Columbia, Canada, and his parents, Mr. and Mrs. James C. Billingsley, Sr. of Pasadena.

Five File For Council Position

Five persons have filed for places on the ballot in the upcoming city election to be held April 6 at the city hall. Voting time will begin at 8 a. m. and continue until the polls close at 7 p. m.

Three places will be filled in that race; those of two city commissioners and a mayor. Mayor Norm an Roussetol will seek re-election as will incumbent Walter C. Pope, city commissioner. Alan W. Saunders, Sr. is opposing Roussetol in the mayor's race.

Those seeking the office of city commissioner along with Pope are J. W. Sutton, Fred A. Adkins, Sonny Anderson and Doyle Morgan.

City voters will also vote at that time for a change of city government. They will have a choice of the present form of two representatives and a mayor or a change to the Aldermanic form of government which means representation of five and a mayor. In the event a majority of votes are cast for the aldermanic form of government, the newly elected two commissioners will be retained in office for the remainder of the term and it will become necessary to hold an election to elect three more to serve as aldermen.

Absentee voting in the city

election will be held at the city hall beginning March 18 and continuing through April 2. Those desiring to vote absentee may do so between the hours of 9 a. m. and 6 p. m. on the afore mentioned dates.

With the March 6 deadline for filing for a position on the local school board, only five persons announced intentions to seek election to one of those three spots. In place 5 now occupied by Bill Tittle, who is not seeking re-election, Sam Stewart is the only candidate. Place 6 is a contested place with Pete Gomez and Mrs. Jerry Don (Mary Adele) Batch in the running. Armer Earwood, board member now holding place 6 is not seeking re-election. In place 7, incumbent, Mrs. Walter (Dorothy) Pope is being opposed by Claude T.

The school board election will be held Saturday, April 6 with voters going to the courthouse to cast their ballots. The polls will be open from 8 a. m. to 7 p. m.

Absentee voting may be done at the tax assessor's office in the school from March 18 through April 2. Miss Vivian Mearns has been appointed absentee clerk.

If you are a newcomer and

have not registered in this county, you will be unable to vote in either of these elections. To vote in the May primaries when county, state and federal offices will be filled, registration must be made 30 days prior to May 4. Those persons moving from one precinct to another within the city have five days prior to any election to register their new address with the tax assessor-collector's office located in the courthouse.

School Board Says "No Change" In School Hour Controversy

The most controversial of school issues at the present, especially of working parents, the present board decision of class schedule time, will remain the same... at least for another month. The board will meet again on April 8. Classes, with the emergency issuance of daylight saving time, were changed to begin at 9:10 a. m. and continue until 4:40 p. m. and board members at the Monday meeting declined to change class schedules back to the regular time.

Also tabled at the meeting was the vocational agricultural program proposed at the February meeting by Turney Fries. Superintendent Ken Mc-

Allister was authorized by board members to contact an architectural firm concerning renovation of the high school auditorium.

The budget was amended for items recently purchased for the cafeteria and to set up new classroom accounts. Final plans for the new classrooms were made with the recommended changes.

Election clerks were approved with Mrs. Joe Hull, Mrs. Warren Hemphill, Mrs. Linda Henderson and Mrs. Gloria Lopez to serve at the April 6 election.

A meeting of the Board of Equalization was set for June 3 at 2 p. m. in the county courthouse.

Textbook committee reports were approved along with the 1974-75 school calendar. In-service workdays for teachers will begin on August 15, 1974 with school scheduled to begin August 19.

TAX REPORT

The 1973 tax roll in the amount of \$637,505.41 was approved. Tax assessor/collector and business manager, Mr. Carroll King reported tax collections have reached 97.66 percent of the total amount due. The board also approved the employment of an additional clerk in the business office.

SCHOOL PERSONNEL

School personnel as recommended by principals, Bill Mayfield, Bill Gosney and Clay Cade was approved for next year. The board also approved the employment of Bill Bundy as athletic director and head coach. Mrs. Bundy will be assigned in a teaching capacity and Mrs. John Butterfield will be placed as teachers aide.

Park Association Meeting Set

A meeting of the Sonora Park Association has been scheduled for 7:30 p. m., Thursday, March 14 at the Powers Stockpens.

The purpose of the meeting is to make final plans for the spring race meet to be held April 6 and 7. Races at the event will include both thoroughbreds and quarter horses.

4-H Party, Ball Set March 18 At 4-H Center

The annual Sutton County 4-H Achievement Party and 4-H Ball will be held at the 4-H Center Monday, March 18 from 6:30 to 10:30 p. m.

4-H members, 4-H parents and 4-H leaders will be honored for their outstanding contributions to the Sutton County 4-H Club during the past year at the awards program starting promptly at 6:30 p. m.

Ruth Ella Wallace, 4-H Sweetheart and Carey Draper, 4-H Beau for the 1973-74 year, will be honored at the 4-H Ball immediately following the awards program. The ball will begin at 7:30 p. m.

Nolan McCleery and his Western Echoes will provide the music for the ball.

All boys and girls in junior high school and high school are invited and all 4-H members in elementary school may bring a guest.

Dress will be informal with boys wearing jeans, etc., and the girls wearing casual dresses.

Refreshments including punch, cookies and sandwiches will be served.

All boys and girls who have participated in the 4-H home economics and agricultural programs in 1973 and 1974 are urged to be present.

Dick Ratliff, Candidate For Representative

Livestock protection and job security for public employees are two points embraced in a campaign platform announced recently by Dick Ratliff, candidate in the May 4 Democratic primary for the State House of Representatives, District 70.

Ratliff, who on February 4 was the fifth candidate to file for the state's largest House district, announced a nine-point platform as a basis of his campaign to succeed Hilary B. Doran, Del Rio attorney, who is vacating the seat.

Former chairman of the department of government at Sul Ross State University, Ratliff is now an author, having produced two books in political science since 1972. He is now writing a college textbook on American national government. His campaign platforms proposes:

1. Use of the new Texas constitution to make state government better serve the needs of all the people.
2. A state program of predator control research.
3. Full support for Sul Ross State University.
4. Establishment of a state ombudsman--a state grievance officer for citizens who feel they have been dealt with arbitrarily by the state.
5. Creation of a state broadcasting authority to bring non-commercial FM broadcasting to all corners of the state.
6. A citizen's commission to help simplify governmental procedures and forms.
7. To relieve public school teachers of non-teaching chores.
8. Notice and hearing for public employees before they may be fired.
9. To upgrade the land surveyors acts.

Ratliff is opposed in the May 4 primary by Susan Gurley McBee and E. L. Davenport, both of Del Rio, and Bill T. Williams of Ozona and Stanley C. Hausman of Eagle Pass.

The nine counties of District 70 include Brewster, Crockett, Edwards, Kinney, Maverick, Sutton, Terrell, Val Verde and Zavala.

SENIOR STUDENTS were honored Saturday night at the school cafeteria with a banquet and dance when the Junior Senior Banquet was held. Decorations in fashion of the Old West accented the dining hall and costumes of those serving. In

typical bar room fashion, assisting in the table serving were Lesa Joy, Gloria Samaniego and Will Wallace along with an unidentified piano player and entertainer.

French's Big Tree Sold To California Couple

After seventeen years of serving breakfast, lunch and dinner along with a few cups of coffee, to Sonorans as well as those passing through, Mr. Frank French says he will retire and probably do a little fishing.

A California couple, Mr. and Mrs. Leon Parks, took over the managership of French's Big Tree Restaurant March 1. "They have been coming through here many years," stated Mr. French, "always trying to buy me out, so this time I just took them up on it."

Mr. and Mrs. French came to Sonora from Buchanan Dam and opened up the then new restaurant on July 1, 1957.

Until a month ago when a shortage of many items, including meat, came about, the restaurant stayed open 24 hours a day.

In August of 1963, an award was presented to the Frenches for "Outstanding Restaurantier."

The "Big Tree" was chosen by the Texas Restaurant Association for their many contributions to the community and their customers and was picked from a group of 85 restaurants in the San Angelo district.

Long famous for its homemade pies, Mrs. French did the pie making up until the time of her death in January, 1972. Her recipes are still being used.

Mr. French spent 37 years working the oilfields of Texas before going into the business and operated eating places in Buchanan and Iraan before moving to Sonora.

With no definite plans, the 73 year old retiree stated that he would have to find something to do as he planned to continue making his home in Sonora.

The new owners have been in the restaurant business before coming here and most of Mr. French's employees plan to stay with the business.

Five Or Two Is The Issue

April 6 the voters of the City of Sonora will have an opportunity to express themselves at the polls. Not only will you vote for the Mayor and Councilmen of your choice, but you will decide whether or not you want to change our city form of government.

The vote will be for or against the Aldermanic form of city government. Under the present system we are represented by two councilmen and a mayor. Under the Aldermanic form of government we will be represented by five aldermen and a mayor. The duties, authority and function of aldermen are the same as those of councilmen.

If the majority of those voting want the Aldermanic form, a special election can be

called after 30 days to fill the three created positions.

You the voter will decide who will represent you and how many, but the most important thing is, if you are an eligible voter, EXERCISE YOUR RIGHT TO VOTE.

Absentee votes can be cast between March 18 and April 2. If you are planning to be out of town election day, Saturday, April 6, go to the City Hall and vote by absentee ballot.

I hope you will agree that five representatives would be better than two on the city council and vote for the Aldermanic form of government. But regardless of how you feel on this issue... PLEASE VOTE. --D. Morgan

Viewpoint

BY T. DRISKELL
After lunching with a ranchman friend of mine in San Angelo recently, I came away with a combination of deep respect and utter consternation.

The respect, I can readily understand, it is plain admiration for the neatness and finesse with which I was out-fumbled for the check, a continuing game of thirty years, going back to World War II.

The consternation I cannot understand because it seems genuinely as alien to me as if it had originated in outer space. It began like this; my friend is considering through the expedient of artificial insemination to stock his ranch with a complicated cross between the "wonder" cow from Slobovia (or somewhere else in Europe), the musk ox from Greenland and a certain camel strain from Oman.

In glowing details the characteristics of the new breed were described, drought resistant, eats mesquite thorns, weather resistant, beautiful steaks and so on. Real "pie in the sky" stuff.

The first question was "What is wrong with the crosses between the black Scot (Angus) and the white "French Wonder Cows" on your range now?"

They do not eat mesquite thorns! Very well, what do you estimate the cost of herd conversion to be? Oh somewhere around \$38,000 (which translates into a little over \$10 per acre spread over a seven year period).

Do you have a clue what your real income per acre is? Oh yes it has a twenty five year average of \$3.70 (and I concluded that there was another \$.75 to \$1.25 well hidden in the basic assumptions and mathematical manipulation.)

So what we have is the sacrifice of roughly 30% of his real income over a seven year period. "How much more beef will the new breed produce? About 3 to 4 percent; which must translate into about 15¢ to 20¢ per acre year. So barring a failure of the mesquite thorn crop, you will break even in 50 years after you establish the new breed."

Oh, but there will be many sales to breeders. Considering the teeming wonder cows which are literally proliferating agriculture, what happens when 80% of the ranchers are selling breeding stock? It will be like the antique business... dealers selling to dealers. Looking at my own records, I find that year before last as a family we consumed 57.8 pounds of beef per month. Last month, under the contingency of economics that consumption dropped to 7.9 pounds of hamburger. Wonder cows be damned, there is a lot of positive evidence that beef as a commodity is already priced beyond its mass market. Remember orlon, dacton and the polyesters versus wool? Could cattle follow chinchillas?

From there the conversation turned to funded debt in a total consideration of the asset picture. He inherited six sections, free of debt, with complete livestock, eleven miles from town. Now he has a big house in town, better livestock, more cars and an approximate funded indebtedness of \$14 an acre (at 8%) roughly the loss of the income off 18% of his property. How well does he do on the rest of his property? The land is selling for \$325 per acre in his area so we look

The Fling Ding Open has come and gone one more year. We had a large crowd and a good time. As usual there was an exciting play-off for first place. The winning teams were

—First - Steve Thorp, Chuck Browne, Buddy Brown, Harold Martinez and Muriel Brown.
—Second - George Johnson, Jodie Finklea, Gary Derrick, James Alexander and Lu Hillmer.

—Third - A.L. Mitchell, Kyle Donaldson, Glen Fisher, Johnny Dublin and Bobbie Fawcett.

—Fourth - Jack Sharp, Bob Reiner, Robert Howard, Herb Wood and Sammie Espy.

There are two tournaments scheduled for this week. The first one will be for the area high schools with the Sonora Bronco's golf team as hosts. This event will take place March 14.

The local A team is as follows: John David Cook, Paul Browne, Larry Finklea, John Elliott and Mark Milliken.

The Sonora B team is Mark Parker, Mark Hemphill, David Snodgrass and Jimmy Black.

Wish the boys good luck when you see them. They are all great sports and golfers.

Our second tournament will be a St. Patrick's Day men's club point system play. A bogey will be one point, two for a par, three for a birdie, four for an eagle and five points for hole in one. No entries will be excepted after 12 noon. Play will begin at 2 p.m. Everyone sign up on the bulletin board or call the pro shop. There will be fun and some good golfing too.

—GN—
Lonnie Taylor is back at the pro shop and he and Patch have things looking great. Our greens are in the best shape ever and the fairways are getting greener due to the beautiful weather.

—GN—
Golf chairman Tommy Thorp explained that any ladies wanting to play on St. Patrick's Day could do so. Ethel Olson is in charge and wants anyone who can play to please get in touch with her. We will have some type of play.

"Not enough insurance?"
In auto deaths that maim and kill, jury awards often go to \$100,000 and over for loss of father's support and companionship. Less than \$100,000 auto liability coverage is unrealistic today.

BLANCA VIRGEN was named nurses aide of the month by residents of the Lillian M. Hudspeth Memorial Nursing Home. Mrs. Virgen was presented an award at ceremonies held recently at the nursing home.

It's Time For A Change

When city officials limit the number of new residents that can tie into the sewer per month, restricting the growth of the city, supposedly due to the work load, but have time and money to clean out the draws, IT'S TIME FOR A CHANGE.

When city officials don't resurface broken city streets due to the cost, but have the funds to clean out the draws, IT'S TIME FOR A CHANGE.

Vote in a complete New City Administration and let's have some changes that are long over due in Sonora. A. W. Saunders, Sr., Candidate for Mayor. (Pd. Pol. Adv. - Pd. for by A. W. Saunders.) 1c28

Delta Kappa Gamma Meeting Held

Gamma Phi Chapter of Delta Kappa Gamma met Saturday in the home of Mrs. Doyle Morgan. Mrs. A. E. Whittle of Rocksprings presided. Mrs. Audrey Bridges presented the program on "Practical Implementation of Education". Hosting the event were Mrs. Fred Campbell, Mrs. Andrew Moore and Mrs. Morgan.

Deep orange coloring in vegetables indicates high vitamin A content. Pumpkins, winter squash, sweet potatoes and carrots have 10 or more times the vitamin A value of paler summer squash and corn, says Mrs. Karen Walker, foods and nutrition specialist, Texas Agricultural Extension Service, Texas A&M University System.

Hospital Auxiliary Meeting Held

BY JAN VANDERSTUCKEN
The Lillian M. Hudspeth Memorial Hospital Auxiliary met March 11 in the conference room at the nursing home. Twenty members were in attendance.

Mrs. J. M. Vander Stucken, vice president, presided. Routine business was transacted with Mrs. Louie Trainer elected to represent the auxiliary at the State Convention convening in Dallas in May.

A film on rabies from the Health Department was shown to the group followed by an open forum on local rabies problems in various communities. The importance of inoculation of pets was stressed.

The sewing committee displayed bibs made from colorful towels, wheel chair caddies and hand crocheted lap robes which will be distributed among the nursing home patients. Many hours of hard work were spent by these women and their handicrafts will fill a great need in making the patients more comfortable.

Refreshments were served by Mmes. A. W. Awalt, Ruby Brotherton, Maggie Glasscock, and Collier Shurley.

The Auxiliary welcomes as new members Mrs. J. R. Turnbull, Mrs. W. L. Kinney and Mrs. A. B. Wagner.

BRIDGE CLUB WINNERS
Mrs. Lottie Puckett and Fred A. Adkins won first place at the Angola Bridge Club game held in Rocksprings last Saturday. Winning second were Mrs. Merlin Davis and Mrs. Jack Whitworth, Jr. of Rocksprings.

Raymond Carver Speaks To Woman's Club

BY MRS. J. F. HOWELL
Dr. Raymond Carver, head of the fine arts department of Angelo State University spoke to members of the Sonora Woman's Club at their March meeting held last Thursday.

In observation of Fine Arts Day, Dr. Carver used the subject "Theatre Architecture" and delighted his audience with a most interesting talk and demonstration. He began with the early stages of man and continued to present day man, noting the many changes taking place during the different ages of history.

A business session was held with club members deciding to place a larger sign denoting the location of the Woman's Club Library which is open to the public two afternoons each week. The house committee was asked to attend the matter of the sign.

The nominating committee made a report and the following slate of officers were elected by acclamation: president, Mrs. Tommy Love; vice president, Mrs. Robert Allison; recording secretary, Mrs. Mickey Powers; treasurer, Mrs. Vestel Askew, corresponding secretary, Mrs. John Weston; auditor, Mrs. P. J. Taylor, and parliamentarian, Mrs. Norman Rousselot.

Hostesses serving the noon luncheon were Mmes. Glen Richardson, Clayton Hamilton, Durwood Neville, Jack Baker and Robert Allison.

The Face of The Times

Wendy is the outdoor type . . . doesn't mind the wind in her face . . . hair blowing in the breeze . . . loves to ski and go mountain climbing. She's the picture of slightly-disheveled beauty. But bring her indoors—the first thing Wendy reaches for is a comb.

Disorder cannot mar beauty when there is a natural or reasonable cause. But the disorder that comes from irresponsibility or violence casts its ugliness over everything it touches.

Doesn't this mean a growing appreciation of the Church's vital role in our society? The dishevelment we see on the face of the times didn't happen with a passing gust of wind. We need—our world needs—the religious foundation on which a stable society must stand.

BY CAROL WESTON

The tennis team, coached by Travis Harkins, competed in the Midland tournament last weekend. Cora Pope and Carol McAllister placed second in the girls' doubles competition; and Melissa Gibbs and Debra Tittle, also in doubles were defeated in their semi-finals match. Laura Gibbs was defeated in the quarter-finals match of girl's singles.

Tuesday afternoon the girls participated in the Ozona tournament and this Friday and Saturday they will attend the Iraan tournament.

The boys' track team, coached by Mr. Bill Harle, participated in the Robert Lee Invitational track meet last Saturday and took first place with a total of 73 points.

Bruce Kerbow captured first place in the 120 yard high hurdles with a time of 15.5 seconds, and Randy Hill placed second with 15.7 seconds. In the 330 yard intermediate hurdles, Randy Hill placed second with a time of 43.0 seconds and was followed by Bruce Kerbow who was in third with a 43.1.

Dennis Nance vaulted 12 feet for first place in the pole vault competition. David Wallace tied for second and Robbie Hard took fourth. The mile relay team composed of Bruce Kerbow, John Brown, David Wallace and Randy Hill placed third with a time of 3:45.2 and John Brown took fifth place in the 880 yard dash.

Ladd Turner placed fourth in the shot put, David Wallace took fifth place in the long

jumps, and Johnny Solis placed sixth in the mile relay. Saturday the boys will participate in the Eldorado meet.

The junior varsity boys track team will compete in Crane and the varsity girls in Eldorado, both on Friday.

—SHS—

The golf team, coached by Mr. Bob Snodgrass, participated in the Brady golf tournament last Saturday and did very well for such early competition. This weekend the team will host the Sonora Tournament.

—SHS—

The Bronco Concert Band attended the "Heart of Texas" band festival in Brady Saturday, March 2. The band, under the direction of John Butterfield, received a first division rating in sight reading and was awarded a trophy as the outstanding sight reading band in the festival. This Tuesday the band will participate in an all-day clinic with Mr. Doug Harna of Fort Stockton and will go to Ballinger March 22 for the regional concert and sight reading contest.

Booster Club Hosts Dr. Kit

Sonora's Bronco Booster Club will present The Great Dr. Kit at the high school auditorium Tuesday, March 19. Show time has been set for 8 p. m.

The Dr. Kit show has smashed box office attendance records in many cities including our own last year. His shows have been acclaimed as the most fascinating, phenomenal, and the funniest seen in many years.

Boys and girls of the athletic department are selling advance tickets at \$1 each. Adult tickets will be \$1.50 at the door.

Exhibitors Place In S A Show

Charlotte Schwiening exhibited the champion pen of 3 Angora Range Does at the San Angelo Livestock Show last weekend. Susan Schwiening showed the reserve champion pen of 3 Angora range does. The stock for both entries was bred by Corky Schwiening. Julie Stewart also exhibited goats in the show.

The champion finewool lamb exhibited in the San Angelo show by Miss Melissa Turner of Ballinger, was bred by the W. L. Davis Estate. A Sutton County team composed of Clay Fries, Ben Ingham and Rex Surber with Mark Van Hoozer as alternate, won second place at the show in the swine judging division. The team had a total of 551 points with Clay Fries holding first place in individual judging.

This team was the only junior team entered in the event. Other towns were represented by senior teams.

Hill, Thompson Named To Yearbook

Two members of the 1973-74 Bronco football team, Randy D. Hill and William B. Thompson, have been chosen to appear in the 1973-74 Prep All-American Football yearbook.

They were nominated last fall by football coaches and athletic directors from area high schools and are among a select group of athletes chosen for this recognition. Criteria by which these local football players were nominated included outstanding athletic ability based on career records, sportsmanship, leadership and service to team and community.

Former Sonoran's Mother Dies

Mrs. Lloyd D. (Clara Jewel Shelton) Ochsner of Eldorado died March 7 in M. D. Anderson Hospital in Houston, following a short illness. Services were held at the Church of Christ in Eldorado March 10 with burial in the Eldorado Cemetery. Ratliff-Kerbow Funeral Home was in charge of the arrangements.

Mrs. Ochsner served as dormitory director at Angelo State University for ten years before a recent retirement.

She is survived by a daughter, Mrs. Harold Schertz of Austin, formerly of Sonora; two sons, John Ochsner and George Ochsner, both of Midland; two sisters, two brothers and seven grandchildren.

DEAR CITIZENS,

"I am delighted that we finally have a full fledged race for every position in the up coming City Election. I hope this means that our citizens are becoming more aware of the many problems that face the City on an ever enlarging scale.

Help us build a better Sonora!"

Norm Rousselot, Mayor
City of Sonora

IS GASOLIN ATIONING CI IL SHORTAC HEATING OI CONSERVATI NERGY-FUE EFFICIENCY IS IMPORTANT TOO!

Efficiency is a very important part of our conservation program. It's defined as getting maximum results for minimum cost. For example: using natural gas for those jobs it does best. Like heating your home, cooking, clothes drying and water heating. You not only use energy more efficiently, but also cut the cost of your utility bills and contribute to energy conservation.

Some other examples of saving energy and cutting costs are: turning down your thermostat to 68 degrees, cutting your shower time down to 5 minutes and fixing a leaky faucet. (A leaky hot water faucet wastes as much as 700 gallons of water a year plus the energy needed to heat it.)
