

Will Wallace, right, receives the E. B. Keng Memorial trophy from Virgil Polock, district conservationist. Wallace, a junior, won the essay contest on conservation at Sonora High School and will advance to the regional tournament.

TS & GRA To Meet Here March 20

Wool and mohair preparation, grading, and marketing problems will be among items to be discussed at the meeting of the Texas Sheep and Goat Raisers' Association of District 5. The meeting will be held March 20 at the 4-H Center in Sonora beginning at 10 a.m. A camp style lunch hosted by Sonora friends of the association in Sonora will be served at noon.

Members and guests will hear Mr. Jack Groff, Extension sheep and goat specialist from Kerrville, and Mr. Fred Campbell of the Sonora Wool and Mohair Company, speak on the problems affecting prices of wool and mohair.

Jack Groff will speak on the preparation of wool and mohair. Wool and mohair grading will be the topic of Mr. George Ahlschwede's speech. He is the extension sheep and goat specialist of the San Angelo Research and Extension Center.

Current activities of the Texas Sheep and Goat Raisers' Association will be explained by association president Mr. Armer Earwood.

In conclusion Milton Caroline, State Supervisor of the Predatory Animal Control Divi-

sion, U. S. Fish and Wildlife Service of San Antonio, will discuss predator control methods and use of equipment. 1975-76 officers will be elected for the district, which is comprised of Kimble, Menard, Schleicher and Sutton Counties. All sheep and goat producers in this four-county area are urged to attend.

Airport Conference To Be Held March 20 In Ozona

A Texas Airport System joint planning conference will be held at the Crockett County Courthouse in Ozona at 10 a.m., Thursday, March 20.

Airport development needs of Crockett, Reagan, Schleicher and Sutton Counties will be discussed.

Participating in the meeting will be representatives of the Concho Valley Council of Governments, city and county elected officials, airport board members, airport managers, and other citizens.

All area citizens with an interest in air transportation and airport development are invited to attend.

Mayor Norman Rousselot introduces Mr. Charles E. Simons, member of the Texa Highway Commission, and guest speaker at the ribbon cutting ceremonies held Tuesday for the official opening of IH 10. Earlier in the day Mr. Simons, and other highway department dignitaries, were honored with a

reception at the Sonora Golf Clubhouse, hosted by the Sonora Jaycees. The Sonora Lion's Club welcomed the visitors at a noon luncheon and they were given a tour of the Sonora Caverns. The Sonora High School Band provided a medley of numbers during the ribbon cutting ceremonies.

Bill Savell Is Candidate For Board Re-Election

"I feel that our young people are our greatest natural resources," stated Bill Savell in announcing his candidacy for re-election to Place 1 on the Sonora Independent School Board of Trustees. "I appreciate the opportunity I have had in helping improve their opportunity for education, thank you!"

"I am a graduate of Sonora High School and Baylor University. This will be my home from now on, so I have a long range interest in our schools. I am a member of the First Baptist Church where I now serve as treasurer.

I am now completing my first term as a school board member, and this has been an active three years. As our school has grown, we have expanded our facilities. We have purchased land adjacent to the school, added nine new classrooms, and expanded our dressing room facilities. All of this has been accomplished without raising taxes and without going into debt.

This board has been directly responsible for filling four key administrative positions. I feel that these men are strong and capable Christian leaders for our young people.

I have worked to make public, not only board decisions, but which board member voted for and against each issue. These are your children, you pay the bills, and you are entitled to know where each board member stands. This information, included in the official minutes, is now available to you in the superintendent's office.

As the school board election approaches, I know that I won't be able to visit with each one of you. Your work and mine prevents this. However, I am always glad to discuss education and school policy. Please call 387-2945 and I will be glad to set a time to visit with any group or individual.

Your vote is very important to the future of our school, so please consider it prayerfully. I ask you to examine my qualifications for this job. Consider the improvements the

Bill Savell

present board has made in our school system. You have evidence of what I stand for. I will appreciate your support and your vote in this school board election. (pd. pol. adv.)

Funeral Services Held March 2 For Jo Beth Blake

Funeral services were held March 2 at Cope Memorial Chapel in Farmington, New Mexico, for Mrs. Jo Beth Blake, The Rev. William H. Hardwick, pastor of First United Methodist Church officiated. Burial was in Memory Gardens.

Mrs. Blake died February 27 in San Juan Hospital from an apparent stroke. She was born in Brownwood June 13, 1925. She graduated from Sonora High School and received her Bachelor of Arts degree from North Texas State, and a Master of Education degree from Sul Ross University. She was married to Jimmy J. Blake on May 29, 1954 and was a teacher in the Apache Street Elementary School, where she had taught for nineteen years.

Survivors include her husband, Jimmy J. Blake; a daughter, Sherry Ann, and her mother, Mrs. Davie H. Taylor of Sonora.

The family requests memorials be made to the Apache Elementary School Library Fund in her name.

Accompanying Mrs. Taylor to New Mexico were Mr. and Mrs. Bob Vicars.

Lin Hicks Seeks Re-Election To School Board

Lin Hicks, resident of Sonora for 16 years and member of the Sonora Independent School Board of Trustees has announced he is seeking re-election and makes the following statement:

"I have been a member of the Board of Trustees of Sonora Independent School District for three years and am proud of that association. I feel that educational improvements have been made. We have had many problems, both with the increased population and new state education programs, and have met most of these problems and realize that we must continue to strive for improvement.

I am interested in the total school program and will support the total program of all students. I strongly feel that equal educational opportunities should be afforded all. We have an outstanding faculty and administration and are fortunate to have this quality of professional people in charge of the educational programs of our children.

I ask for your vote for Place 2 on the board and urge you to vote in the election April 5."

(pd. pol. adv.)

Absentee Voting Begins March 17

Persons desiring to vote by absentee ballot in either or both of the upcoming elections, may do so beginning Monday, March 17. Absentee voting will continue through April 1. Elections are being held to elect three City Aldermen and school board trustees. Election day is Saturday, April 5.

Three ballots may be cast at the school tax office for those eligible to vote absentee in the school board election. Absentee voting in the city

election will be held at the office of the city secretary.

The school office is open from 9 a.m. to 4 p.m., and the city office hours are 8 a.m. to 5 p.m.

Lone Star Gas Company Releases Toll Free Number

Representatives of Lone Star Gas Company have released a toll free telephone number for customers who may desire to speak to the main office regarding billing or other matters. The call number is 800-492-2124.

Aldermen Hear Request For New Airport Hanger

Bill Morriss appeared before City of Sonora Aldermen Monday with a request to build an airport hanger on city-owned property at the airport. The 35'x55' structure is to be built and paid for by Morriss. After twenty years use the ownership of the hanger will revert to the city.

In other city business sales tax for the quarter ending December 31, 1974 was reported in the amount of \$19,988.64.

Oliver Wuest and David Wuest applied for the position of operating the city swimming pool during the summer months. The application was approved.

Recommendations for needed pool maintenance were

considered and city manager Bob Nevill is to have cost estimates ready for the next regular meeting of the council.

Candidates for the April 5 city election drew for places on the ballot. Lemuel Lopez drew place 1; Hershel Davenport, place 2; and Jack Kerbow, place 3.

Aldermen also discussed budget problems of all departments and heard Nevill report the following on a pure cash flow basis for each department. The reporting period was from October 1, 1974 thru February 28, 1975.

In the general fund total receipts of \$110,297 were reported. This represents about 98 percent of expected receipts for the year since most taxes

have been collected. Total expenses for the general fund were \$88,044.

The electrical department shows a loss of \$91,072 with receipts of \$143,361 and expenses of \$234,433. The major expenses in this department being \$75,000 spent on rebuilding the electrical distribution system.

The water department total receipts were \$42,205 with expenses of \$44,560 showing a \$2,355 loss.

The sewer department had receipts of \$29,836 and \$26,745 expenses for a gain of \$3,091. This report shows a net loss on cash flow of \$68,103.00 for the five month period.

Aldermen Jack Kerbow, Lemuel Lopez, Hershel Davenport, Doyle Morgan and Walter Ope were in attendance at the meeting, along with Mayor Norman Rousselot.

Funeral Service Held In Odessa For Ray Parker

Funeral services were held Tuesday in First Baptist Church of Odessa for Mr. Ray L. Parker, 63. Burial was in Sunset Memorial Gardens.

Mr. Parker died early Sunday morning in Baylor Hospital in Dallas following a lengthy illness.

He was born August 29, 1911 in Andrews and was married to Imogene Cox February 10, 1933 in Midland. They moved to Odessa in 1937.

He was a trustee of Baylor University and since 1956 had been a trustee of Baylor University Medical Center in Dallas and Waco. He was also engaged in the ranching industry.

Survivors include his wife; two sons, Jamie Parker of Sonora and Phillip Parker of Odessa; two brothers, two sisters, and six grandchildren.

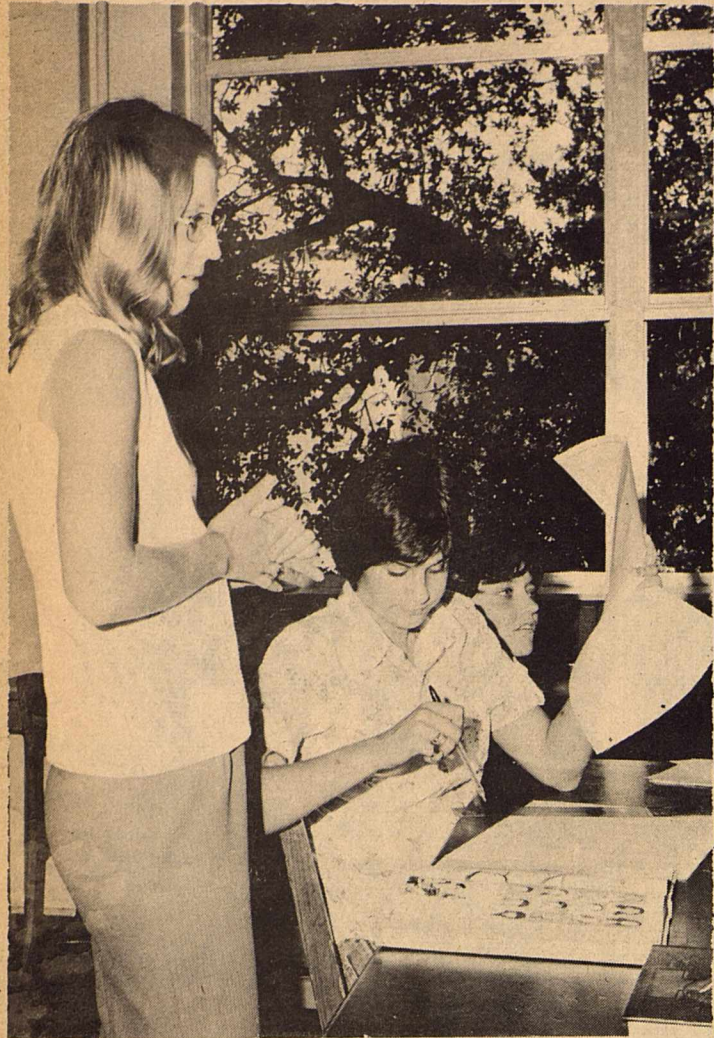

SCOUTS MARCH IN SAN ANGELO PARADE

Forty-four Girl Scouts and Brownies marched in the San Angelo parade last Friday. Mr. Clay Cade, Mrs. Jimmy Cook and Mrs. Jack Skains accompanied the girls on the trip. These scouts passed out balloons and Rebecca Sisk carried the American flag in behalf of the Girl Scout organization. Sonora represented the only out-of-town troop in the parade.

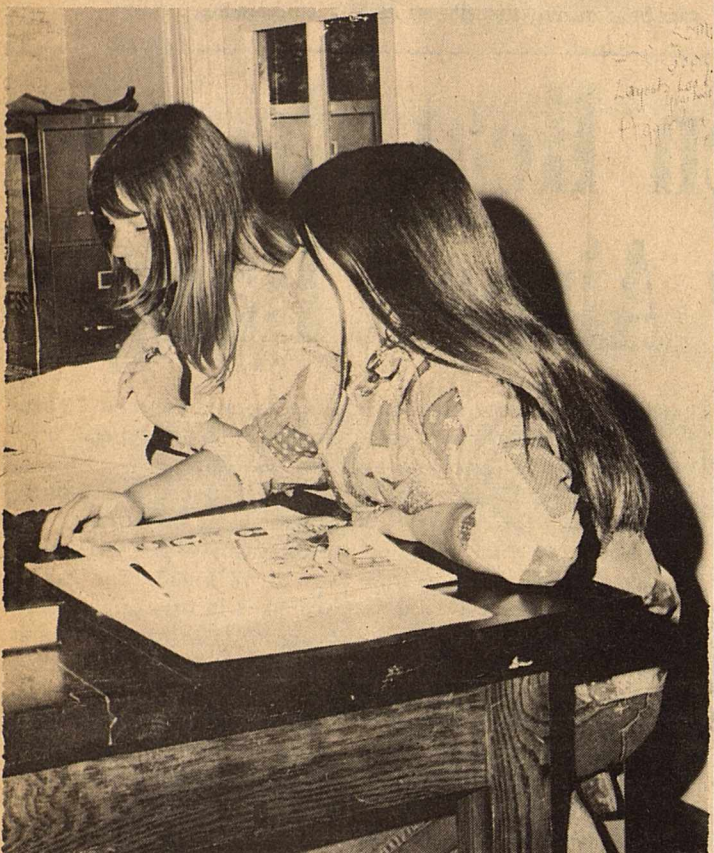

Pet owners were on hand last week signing up their animals for an annual rabies vaccination when a clinic for this purpose was held at the 4-H Center. Dr. Johnny Fields, local veterinarian, stated that less than 100 animals were vaccinated and about half of these were new animals that had not been vaccinated by the clinic before. This leaves a large number of

pets that were vaccinated last year roaming the streets and play areas of town, not vaccinated against rabies. All animals should be given the rabies preventative at least once each year in order to make them immune to the disease from infected wildlife.

Mrs. Donna Benson, co-sponsor of the yearbook staff, gives instructions to Lorie Olson and Becky Bartz concerning the layout of their section of the yearbook. The two Sonora students plan to make this year's annual one of the best ever.

Janna Lawson, foreground, and Suzanne Dillard work together in laying out their section of the yearbook. Miss Lawson is head of the organization while Miss Dillard puts together the personalities section of the yearbook.

Yearbook Publication Is Challenging Job

BY JERRY HAMILTON

Publishing a yearbook for a school is a very challenging job for 13 Sonora High School students. These students give up a free period so that they and their classmates will long remember those days at Sonora High School.

A yearbook today is very valuable and will become more valuable as the years continue to go by. Melinda Earwood, Norma Virgen, Linda Behrens, Tim McGaugh, Becky Bartz, Sharon Culver, Lorie Olson, Flaire Lane, Janna Lawson and Suzanne Dillard put in many long hours in seeing that Sonora Schools will always be remembered by its students. Miss Cindy Kroeger and Mrs. Donna Benson are sponsors for the yearbook and add valuable assistance to each student in publishing the yearbook.

This year's annual will be the largest ever at Sonora High School. Two hundred and sixteen pages, an increase of forty pages over last year, will make the annual this year. The yearbook will include administration and faculty, academics, athletics, student life, junior high, elementary, advertisement, as well as other special features.

Pictures say a thousand words and that's what a yearbook is all about. Over 350 pictures of the "good ole days" bring to life every page. All 1,024 students in the Sonora school system are represented with their class picture. The pictures represent candid shots, those precious moments when a student is him or herself. Sports have always played a big part at Sonora High School and the yearbook is once again very rewarding in the athletic field. Over 100 pictures tell the story of Sonora's winning tradition. Organizations also aid in the betterment of the school and the yearbook honors these clubs with pictures.

Senior student Melinda Earwood, is the editor of the 1974-75 edition of the Bronco yearbook. Melinda is responsible for the title page, table of contents, introduction, dedication, and the student life. She oversees the work of her classmates as well as writing the copy for much of the Bronco. Melinda attended a clinic in San Angelo last summer to gain knowledge in publishing an annual, and many of the ideas she learned will be used this year. Melinda and four other students, Linda Behrens, Sharon Culver,

Suzanne Dillard and Lori Olson, were on the yearbook staff last year. Linda Behrens is the photographer and head of advertising. She lays out all ads and takes all photographs as well as developing and printing pictures. Each student is responsible for a part in the Bronco and does all the work. Lorie Olson is responsible for junior high; Flaire Lane, athletics; Janna Lawson, organizations; Suzanne Dillard, personalities; Norma Virgen, 6th thru high school; Tim McGaugh and Becky Bartz, kindergarten thru fifth grade, and Sharon Culver, is business manager. The student designs each section and lays out the page according to the type of layout that will be used this year. All students sell ads that will be used in the Bronco. The skyline effect, which is used by Texas A&M University, is the layout theme for this year. Other students on the yearbook staff are Cathy Russell, Susan Schwiening and Toyah Jones.

This year's edition is the 56th edition of the Bronco. The first year the annual was published was in 1919 and it has come a long way since. The yearbook staff had their annual sales drive during February and 400 copies were ordered at \$8.40 per copy. The cost to print each yearbook is \$11.50. The staff loses money on the sale of these yearbooks and since it is self supporting, they must make up the deficit with fund raising projects. The staff sponsors an ugly contest each year along with a grab bag booth at the Halloween Carnival. They also sell the pictures that are used in the annual at various prices. These projects make up only a small part of the deficit and it's the loyal merchants who advertise that support the yearbook staff.

The staff does more than just publish the Bronco. They elect the friendliest, most likely to succeed, biggest flirt, and the wittiest students on campus. As tradition has it, the seniors will once again, be featured on the inside of both front and back covers...in a group shot in color.

The Bronco is still on sale, but now at \$10 per copy. Only a limited amount is available so yearbook staff members urge you to order your copy immediately. This year's Bronco should prove to be one the best ever due to the hard work of these students and their sponsors.

The 1975 Bronco yearbook staff is composed of 13 Sonora High School students and their two sponsors. The students are, front row [L to R] Susan Schwiening, Janna Lawson, Linda Behrens, and Melinda Earwood. Second row [L to R] Cathy Russell, Tim McGaugh, and Becky Bartz. Third row [L to R] Sharon Culver and Flaire Lane. Top row, Suzanne Dillard. Not pictured are Toyah Jones, Lorie Olson and Norma Virgen.

Gary McGilvray Named To Engineering Post

W. G. (Gary) McGilvray has been appointed supervising reservoir engineer in the Corpus Christi District of Exxon USA's South Texas Production Division. For the past year, he has been assigned to the division engineering staff in the Corpus Christi office.

A native of Sonora, McGilvray is a 1970 engineering graduate of the University of Texas at Austin. He joined Exxon's production department soon after graduation and has since been on reservoir engineering assignments in the Kingsville and Corpus Christi offices.

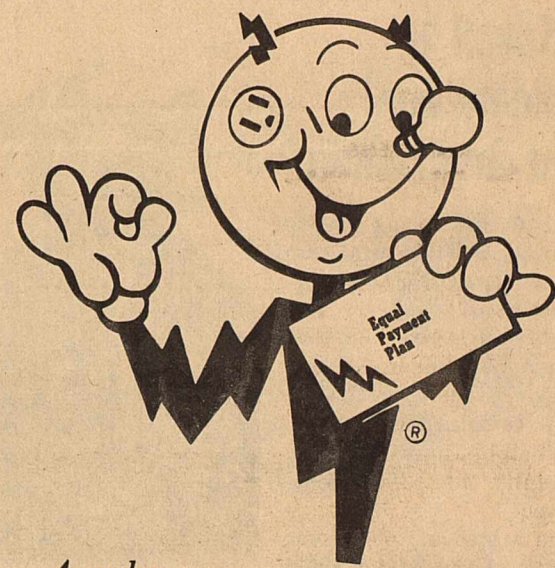

He is the son of Mrs. Mary Ruth McGilvray.

EIGHTH GRADE
All A's - Billy Bob Galbreath, Dan Lawson, R. B. Alexander, Denise Neal, Chase Snodgrass and Pat Street. All

A's and one B - Roy McGaugh, Linda Hamilton, David Jennings, Berta Esquivel and Sharon Coleman.

4-H LEADERS TO MEET
Some 200 4-H adult leaders along with about 26 county extension agents will meet April 2-5 at the Texas 4-H Center at Lake Brownwood for the first event at the newly constructed facility. The occasion will be the Texas 4-H Leader Forum, which is designed to bring leaders and county agents from each Extension Service district together to share ideas and methods in leadership development, according to a state 4-H and youth leader for the Texas Agricultural Extension Service.

Decorating Ideas

by Raymond Cooper

HOME FURNISHING is our business. Like any other specialist, we are familiar with the problems that arise in selecting individual pieces of furniture or achieving a pleasing decor in the entire home. Many of you have come to us with questions about decorating... and the chances are that you have a lot of other questions. That's what gave us the idea of writing this column. We'll take up the questions that are most frequently asked of us, and talk about the various ways in which you can have a home decor which is comfortable to live with and reflects your good taste.

You've probably heard it said that in furniture as in most things "you get what you pay for." There is no substitute for quality. And this is certainly true. A good sofa of quality construction will outlast an inferior one many times, paying for itself in comfort, service, and also in the pride you can have in it. So it is with most furnishings.

However, wise selection and planning can help you create a beautiful interior even with budget limitations. We'll try to help you with that selection and planning in these columns. And whenever you have other questions, feel free to come in and talk them over with us. We'll be glad to help.

Janice Sutton Honored With Bridal Shower

Miss Janice Sutton was honored March 2 at St. Agnes Parish Hall in Fort Stockton with a bridal shower. She is the bride elect of Mr. Simon Franco, Jr.

The bride's chosen colors of yellow, orange and white were used in the decorations and at the serving table. An arrangement of yellow and orange roses centered the serving table which was covered with yellow net. Cake, punch, sandwiches, and tostados were served to the approximately 50 guests attending.

Miss Virginia Franco registered guests. Friends and relatives of the couple were hosts. Special guests were the bridegroom's mother, Mrs. Simon Franco, and his sisters, Misses Linda, Virginia, Mandy and Carol Franco.

VISITING

Mr. and Mrs. W. A. McQuary of Pleasanton visited with his sister, Mrs. A. C. Elliott, over the weekend.

Miss Donna Jan Low Becomes Bride of John Mark Weston

Miss Donna Jan Low and John Mark Weston were married February 15 at the home of the bride's parents, Mr. and Mrs. Don Low of Brownwood. Parents of the bridegroom are the Rev. and Mrs. John Weston of Harlingen, formerly of Sonora.

The Rev. Mr. Weston performed the double ring ceremony before a fireplace flanked by two seven branch candelabras. An arrangement of red and white carnations was centered on the mantle. Preceding the ceremony, candles were lit by Tad Low, brother of the bride, and Jeffery Weston, brother of the bridegroom. Mrs. Thurman Head, organist, provided wedding music.

The bride, given in marriage by her father, wore a long dress of white dacron organza. The sheer bodice and sleeves were trimmed with white cluny lace. She wore a white horse-hair hat trimmed with satin ribbon and feathered carnations and carried a nosegay of

white rosebuds, carnations and baby's breath, atop a white Bible carried by her mother at her wedding.

Gretchen Colyer of Brownwood and Carol Weston, sister of the bridegroom, attended the bride. They wore long navy and white two piece dresses and carried red and white carnations. They wore red carnations in their hair.

Attending the bridegroom was Dean Low, brother of the bride, and Jimmy Weston, brother of the bridegroom.

A reception was held immediately following the ceremony. Miss Susan Weston passed out red and white rice bags.

COMMUNITY CALENDAR

Friday, March 14

Jr. and varsity girls track meet, Eldorado Relays
Saturday, March 15
2-5 p.m., Sonora Women's Club Library open
Brownwood relays, varsity boys

Sunday, March 16

Services at the church of your choice

Monday, March 17

ST. PATRICK'S DAY
Absentee voting begins in city and school elections
7 p.m., Sonora Art Club meeting

Tuesday, March 18

12 noon, Downtown Lions Club luncheon in fellowship hall of First Methodist Church
3-5 p.m., Miers Home Museum open

7:45 p.m., Order Eastern Star meeting at Masonic Hall

Wednesday, March 19

3-5 p.m., Sonora Woman's Club Library open

42 Club Hosted Saturday Night

The Goodtime 42 Club met Saturday night with Walter Dulin winning high for men. Mrs. Dulin won ladies high and Randy Thompson was low.

Others attending were Mrs. Thompson, Mr. and Mrs. Scooter McMinn, Mr. and Mrs. Glen Berry, Mr. and Mrs. Mike Story, and guests, Mr. and Mrs. Ronnie Fitzgerald.

Luncheon Honors Janice Sutton

A bridal gift luncheon was held Saturday, March 8 at the home of Mrs. Joe Lane, to honor Miss Janice Sutton, bride-elect. Hosting were Mmes. Lane, Rip Ward, James Alexander, Wallas Renfro, Margaret Galbreath, Smith Neal and Joe Neil Smith. Also serving as hostess was Miss Marche Lane. Miss Linda Smith served at the guest register.

The bride-elect's chosen colors of white and yellow were used in decorations and floral arrangements.

Approximately 17 guests were in attendance including Miss Sutton's grandmother, Mrs. Jim Sutton of Menard.

Hospital Notes

Patients receiving treatment at Hudspeth Hospital during the period from Tuesday, March 4 thru Monday, March 10 include the following:

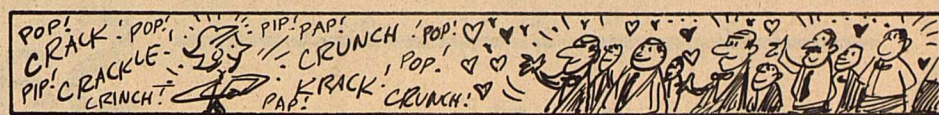

Ann Moss*
Andrew Moore*
Mattie Hicks
Glynden Haney*
Eugene Reyna*
Miss John Alexander
Willie Maness, Ozona*
Milton Cavaness*
Mattie Thornton, Eldorado
Iva Hale*

J. Wray Campbell
Dick Morrison
Connie Virgen
Lisa Mata

*Patients dismissed during the same period.

Miss Shella Alexander was chosen Lions Club Queen at a pageant held recently at the school cafeteria. Melinda Earwood was chosen first runner-up and Lesa Joy, second runner-up. Winners were chosen by Mr. and Mrs. Marvin Allen and Mr. and Mrs. Dean Chenoweth of San Angelo, who served as judges. Eleven girls were vying for the title after being chosen to compete by the junior and senior class. The Sonora Speech Club provided entertainment with a Readers' Theatre.

According to some, the number at times you can pop your knuckle equals the number of young men who now love you.

symbol

Legend has it that, long ago, the dogwood came into bloom on Calvary and that, afterwards, a cross was implanted into the flower itself, to remain for all time. You can see it if you look closely, rust brown against the white of each individual blossom.

Many of us carry crosses, faint like the dogwood's emblem but with us, nevertheless. Somehow, in this Lenten season, we become particularly conscious of them and of our need for help—a certain kind of help, that can be found only through the things we learn in Church.

The Church doesn't pretend to banish our cares and woes. But, its teachings realistically consider the experiences of life itself. No matter what our personal cross may be, we seem able to bear its burden with more strength.

Lent is a wonderful time in which to begin making church-going a regular part of your life—if you haven't already.

FIRST NATIONAL BANK

COMMERCIAL RESTAURANT

Teen Scene

BY LINDA BEHRENS
The junior senior banquet has passed once again. The suspense is over... now everyone knows all of the thoughts of his classmates.
The theme for this year's banquet was "The Circus". Animals were standing at windows, and clowns and pinwheels were used as place cards. An array of colors were draped across the ceiling to give the look of a circus tent. Similar decor was used at the entrance to the three-ring circus. As the banquet progressed one began to wonder if the true animals were peeping from the windows or if they were sitting in the chairs. Only time will tell....
--SHS--

The band has been kept busy with various activities this past week with several irons in the fire at once... with no burns showing of course.
Band candy has been on sale for several days now but the final day to purchase the chocolate bar with almonds is Friday.
The Brady Band Festival was also on the agenda for the Bronco Band. The entire band travelled to Brady Saturday to participate in the contest, and returned with a #2 rating. No #1 ratings were given. The band received a #2 in both contest and sight reading.

Mr. Butterfield feels very proud of the band and was pleased with the excellent performance they gave.
The band also participated in the opening ceremonies of the ribbon-cutting activities at the opening of IH10. They entertained the gathering by playing arrangements including "Free World", "Lexington", and a medley of "America" and "America the Beautiful".
Wherever there is something of importance the band is always there.
--SHS--

Due to the rise in population there is also a rise in the number of students in Sonora High School. Over the next few weeks the new students that have arrived in Sonora since last August will be recognized in Teen Scene.
Starting off the list will be Donna Hall, a senior, who moved here from McCamey. Donna enjoys western music, dancing and working with horses. She is in speech and enjoys Sonora people.
TIM MCGAUGH, a junior classman, is a student who is the pianist for the choir and also is a member of the yearbook staff. He is also a person who is glad to be a part of the Bronco Band.

it leaks, a lot of people in Washington are worrying over the possibility of the Arabs' refusing once more to sell us any.
How can Congressmen, as interested as most of them are in their personal fortunes, think that the Arabs aren't interested in money also? When you can get \$13 a barrel for oil that cost you about 25c to produce with somebody else doing the work, you aren't going to shut the door in the face of your best customer. Oh, you might shut it once just to get the price up from \$6 to \$12, but there's bound to be some Yankee horse-trading or you might say camel-trading sense under those flowing Arab robes.

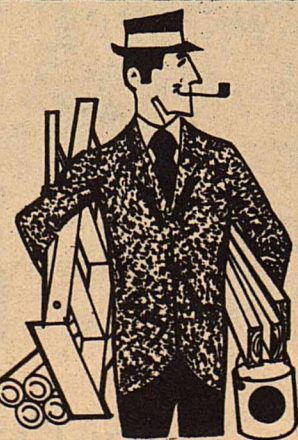

And of course, there's still some old fashioned ingenuity left in the U. S., outside of Washington anyway. Sooner or later somebody is going to work out a useable source of energy not dependent on oil, and the Arab leaders sitting there on their bountiful pools may wind up like a man I knew a long time ago.

This man, when he was young, was told by his father: "Son, you see that wood lot out there? Hold on to it. There's going to come a time when fire wood is gonna get scarce, people will have to have it to stay warm, and a man with a good supply can charge what he wants for it. Son, it'll make you rich!"

Them sheiks better remember that times change.
Yours faithfully,
J. A.

The high school winners of the essay contest on conservation were (left to right) Will Wallace, Rosemary Hernandez, Robbie Hard and Melinda Earwood. Not present was Cathy Ward. Each student, elementary through high school, wrote an essay on "Conservation - Key to the Future". The contest was sponsored by the Fort Worth Press.

THE DEVIL'S RIVER PHILOSOPHER SEZ.....

He Has Some Long Range Advice For Arabs With All That Oil

Editor's note: The Devil's River Philosopher on his bitter-ranch on the Dry Devil's River takes a look at the oil situation this week.

Dear editor:
I don't know what it is about going to Washington that robs a man of his knowledge of human nature, but something does.
Right now, with filling stations selling you all the gasoline you want, with oil companies' storage tanks brimful, with ocean tankers hanging around waiting to find some place to unload, and with the Arab oil countries cutting back on production because there's no place to go with the stuff and you can't store it in a tent,

The Junior High School winners of the essay contest on conservation were (left to right) Dan Lawson, Brett Johnson, David Jennings and Ty Mayfield. Not present was Pam Powers. Standing with the winners is Virgil Poloczek, district conservationist with the Edwards Plateau Soil and Water Conservation District.

Elementary School winners of the essay contest on conservation were (left to right) Poloczek, Todd Mayfield, Bryan Hunt, Clalene Stewart, Jennifer Spencer and Pete Salgado. The winners were honored at a banquet with Dr. Milo Schultz as the guest speaker. Dr. Shult spoke to the students on the "History of Texas Wildlife".

Girl Scout News

Girl Scout leaders held their monthly meeting March 4 at the Scout Hall. Mrs. Claire Powers, neighborhood chairman, presided.

Plans for Girl Scout week were discussed with leaders to have posters and displays in store windows during the week. Most troops plan to attend the church of their choice on Sunday in uniform. A flag ceremony will be held at school during the week.

Scouts marched in the rodeo parade March 7 in San Angelo. This was the first time troops from Sonora have done this.

For all leaders who are interested, there will be an outdoor training weekend at Camp Jo Jan Van April 4 for a weekend of outdoor camp training and living at camp. Leaders interested should contact Mrs. Powers.

Sonora Scouts and their leaders plan to attend the Mason camporee April 18-20. Sonora has been asked to provide some demonstration of their skills. Third grade Brownies are also eligible to attend this event that is to be held at Camp Gene Ashley.

April 26 is "Keep America Beautiful" day and troops will again clean up some spot in town that needs attention.

May 3 will be Brownie Fun Day in Sonora with Brownies from Eldorado, Ozona and several other towns invited to attend. This event has been planned by Mrs. Wanda Halford.

Sonora day camp will be held June 2-6 this year at the Alice Jones Ranch north of town. Folders will be out soon. Fees are the same as last year, \$5 for Brownies, \$10 for juniors and older scouts. If your scouter attends camp and you work the week at camp, her fee is half price. The adult pays nothing. Help is needed again this year. If interested contact Mrs. Halford, day camp director, or your scout leader.

Leaders attending the meeting were Mmes. Mary Skains, Wanda Cook, Shirley Thompson, Glenna Hulsey, Dessie Couch, Wanda Halford, Kathy Spencer of Seminole, Sharon Williams, field advisor; and Mrs. Powers.

Will Your Child Be Hungry In 1985?

Editor's note: The following article will be run in a series of five parts. It was written by Mrs. Jean Thompson for the Independent Cattlemen's Association, and describes the feeling of the association in regard to the beef industry. This article and the ones to follow are believed to be in the public's interest and does not necessarily reflect the views of the editor.

PART I

Food is like sleep--not much reason to think about it as long as one has had enough. Only lack really stimulates thought about it. The American people have grown so accustomed to abundant supplies of food they no longer think about the source of it or wonder if there will be adequate amounts next year.

They have bought more luxuries, comforts, and conveniences than any other people in the world because until recently only around 16 percent of their disposable income was required to buy food while other nationalities had to spend 40 to 80 percent of their income just to eat. Can there be any doubt that much of our nation's affluence has been made possible by American agriculture? It is ironic, indeed, that people enjoying such multitudinous benefits from it will allow irresponsible political interference and economic juggernauts to threaten the survival of our agricultural businesses. For 200 years, America's family farms and ranches have been "the goose that lays the golden egg", and now only an informed and concerned public can save this goose.

Only 2 percent of the population in the United States is in the business of growing food. America's farmers, including those who harvest their crops of grasses with livestock and are called ranchers, have been steadily declining while our population spiraled upward. Yet, our food producers have not only provided lavish food supplies for our own people; they grew enough to save the nation's balance of payments with exports in 1973 and last year provided the strategic bargaining chip for U. S. diplomatic efforts in trying to keep peace in the Mideast and elsewhere. In the 1960's, the average food producer

increased his productivity 8 percent per year. Output per man hour in non-agricultural industry increased 3 percent annually in the same period. For this kind of performance, the average food producer earned an average \$5,250.00 net income per year between 1967 and 1971. This was a 3.6 percent return on his investment. He could have made considerably more from that same investment in tax free municipal bonds and not had to work for it. Costs of production ate up almost 3/4 of his gross income during that period and those costs have skyrocketed in the last three years, while the prices of farm products have fluctuated wildly between boom and bust--beef had a flash boom followed by a still sustained bust, which, sadly has not benefited the consumers because the middle men are making up some of their inflated costs at the expense of the cattle producers.

Union wages, government salaries, and prices of all other products rise to offset cost of living increases and inflated production costs, but when farm prices increase, loud howls of indignation sweep the nation. Apparently, very few Americans realize the goose that lays their golden egg can be starved to death.

The food producer's financial investments and work are always in danger of weather disaster. This they accept as an unavoidable part of their business, but when they have

to mortgage their land and inventory to survive this cost price squeeze, only the very large operations will be able to borrow enough additional money to survive any serious weather calamity. The family farms and ranches that have been the backbone of American agriculture will perish. These are the food producers who with their families do most of their own labor while studying constantly to learn how to apply each technological advance research provides. One of the few places left in America where management and labor are the same man. They have proved themselves to be some of the most efficient and most highly motivated workers in the world. No way has yet been discovered to grow food without lots of often grueling, hard, dirty work which has to be done in its time and season regardless of freezing cold or blistering heat. In our comfort-pleasure oriented society with its emphasis on short hours and five day work weeks, it is ever increasingly difficult to find people willing to do this kind of work. Caring for livestock and planting and harvesting crops cannot be left undone because it is 5 p.m. or Saturday. Our independent food producers are motivated by the challenge of making their financial investments pay off to put in the long hours of hard work required to grow food. WHO is going to replace this labor force?

VISITING

Mr. Harold Briscoe of Tulsa, Oklahoma, visited with his mother, Mrs. George Phillips, and Mr. Phillips over the weekend. Mr. Briscoe is employed by Dowell of Dow Chemical and is being transferred to Midland, where he resided for 8 years. He will serve as sales manager. His wife and children will remain in Tulsa until the end of the school term.

City Police Dept. Reports

City Police Chief Bill Webster stated that thirteen tickets were issued from the City Police Department during a five day period beginning March 6 and continuing through Monday, March 10. Citations were issued for no driver's license, speeding, drunk in public, disorderly conduct, and improper turning involving accident.

In addition to traffic violations, other investigations included various thefts, traffic accidents and dog poisonings.

On Thursday, March 6 city patrolmen investigated two dog poisonings. One dog was found dead on South Main Street and a second dog in the afternoon of the same day on East 2nd Street. Both dogs were poisoned with strychnine, which is an illegal poison. At 4 p.m. of the same afternoon a report of a stolen air compressor, tool box and tools, were reported by the Rev. Paul Gomez, pastor of Primera Baptist Church. In the area of the 1200 block of Martin and Tayloe, numerous thefts of tools and personal belongings have been reported during the past few weeks, and are under investigation by the police department.

Two traffic accidents were investigated on Friday, March 7. At 7 a.m., an accident on U. S. 277 and Cemetery Road involved Clifton D. Hall and

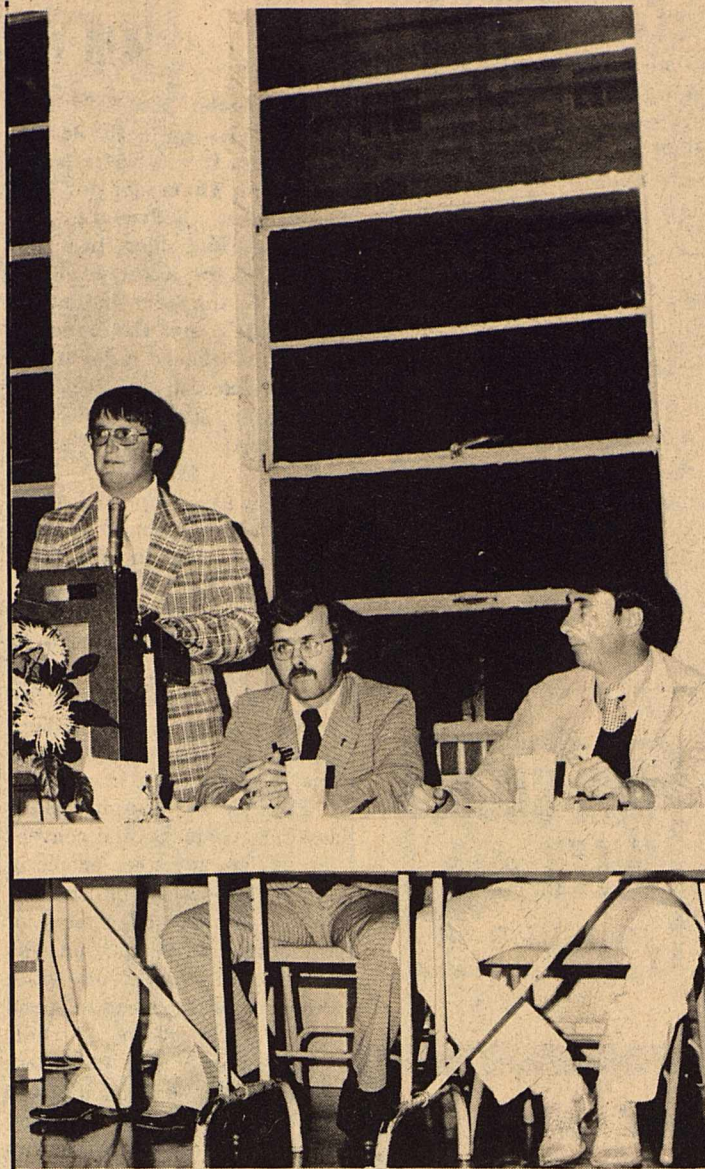

Richard Castaneda. At 4 p.m., Mrs. Jeryl Fields was involved in an accident on Hudspeth Street. Officer Joe Fincher investigated both accidents.

Around 9:15 on that morning Terry Chandler of the Oil Field Answering Service reported to the police department that an unidentified woman was standing on the overpass of the Ozona Highway and was attempting to jump off. No further reports were released on that investigation.

An auto accident on IH 10 Service Road was investigated by Officer Jerry Kemp. Vehicles were driven by John Raymond Prichard and Ernest Herman Hohenberg.

WORLD FOOD SITUATION

There's enough land and raw materials to greatly increase the world's food output, but most of the potential must be realized in the developing countries, according to the USDA's Economic Research Service. Issues needing immediate attention are farm level prices relative to international prices, the optimum grain reserves necessary for world security and reasonable price stability, objectives of food aid programs, and the problem of adequate fertilizer supplies in developing countries.

Mike Sipes, president of the newly organized Jaycees in Sonora, gives his opening remarks at the Jaycee banquet held March 6. To Sipes' left are Mike Faulkner of Abilene, guest speaker, and C. Adam Morris, III.

Julie Stewart Shows Winning Buck

Julie Stewart exhibited the grand champion Angora Buck at the San Angelo Stock Show and Rodeo last week. She also won first and tenth in the buck kid class, and sixth and eighth in the doe kid class. Houston Powers placed eleventh with his buck kid.

Rick Powers placed fifth in the barrels and sixth in the poles in the junior horse show. Other Sutton 4-H members who competed in the horse show included Jamie Condra, Pam Powers, Cathy Ward, Trina Powers and Houston Powers.

The Sutton County No. 1 junior plant judging team placed fifth in the plant judging contest. Team members were Paula Friess, Rex Surber, Brad Johnson and Rick Powers. The Sutton County No. 2 junior team composed of Julie Stewart, Cades Pope, Jaye Herrmann and Tammy Van Hoozer, also participated in the contest.

Sutton County's 4-H junior livestock team, composed of Wesley Barton, Rex Surber, Preston Love and Brett Johnson, participated in the livestock judging contest.

45 Sutton 4-H members received training in livestock, horse and plant judging during the San Angelo Livestock Show.

All boys and girls who are

interested in participating in horse, livestock, plant or wool and mohair judging, should contact the County Extension office in the First National Bank Building or call 387-3101 for further information.

'Riding Range' Saves Energy, Cuts Costs

AUSTIN--With energy supplies dwindling and prices rising, it is more important than ever to conserve energy, according to Agriculture Commissioner John C. White.

Texas Department of Agriculture home economists suggest that a good way to start is in the kitchen. They give the following tips:

-- Don't preheat your oven unless you are baking foods that contain baking powder, cakes, biscuits, and cookies, for example.

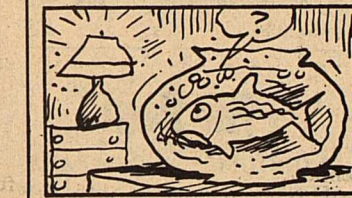

-- When using glass or ceramic baking dishes, lower oven heat by 25 degrees.

-- Keep your oven door closed while the heat is on. Don't constantly peek at foods.

-- If you have an electric range, turn off the oven during the last five minutes of baking time. Reserved oven heat will continue to bake your food.

-- Use your oven to capacity. Prepare several items at a time, either for one meal or for several.

Heating a room with a gas or electric range is not efficient, White said, and the additional cost on utility bills is sizeable. Risk of damage to the stove and to the home is also possible.

Alexander is said to have used a stone he recovered from a fish as a nightlight.

Our News Letter

By Bob Krueger

Few things seem easier in Washington than spending the taxpayer's money or pretending that the government is saving citizens money by passing regulations that will bring about low prices. Both these habits sometimes bring short term rewards, and long-term headaches.

Last week provided two examples. First, Congress passed a tax refund, as the Administration requested. I voted against this bill, because our federal deficit will already be too large, and because I thought it would be inflationary without restimulating the economy effectively. Further, I did not support the bill because it removed the depletion allowance for oil drilling, at a time when we need incentives to discover new oil and gas in the U.S.A.

Similarly, the Energy and Power Subcommittee, on which I serve, reported out a bill continuing our present two-tier price system for "old oil" and "new oil" until January 1, 1976. I was the only member from either party to vote against it. Under this system "Old oil" from fields drilled before January 1, 1973 sells at one price, and "new oil" discovered after January 1, 1973 sells at the world price, which is twice as high. There is no logical defense for selling an identical product at two different prices. This will not encourage domestic drilling and production, nor keep American producers from selling their "old oil" overseas, if they can get higher prices for it there. Uncomfortable as it is, we will have to move to the world price if we are ever going to have incentives to develop enough petroleum at home for our own needs, and then, when the price of oil has found its natural market level, the determination can be made whether coal can be competitive with oil. When it is, people on the east coast and in the far west will have a secure price for coal that will allow them to engage in heavy investment in coal mining for

this country's future. Our government has over-regulated many things, and in doing so, has often achieved short term gains but at the expense of long term goals which are more desirable. Political expediency can be a very strong motive. I'm hopeful that expediency will not win out, and I believe that there are still enough people who will be openminded to the needs for developing a sensible long term energy policy so that we can forge a program genuinely suited to our national needs.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Just For Fun

Squirrel "shooting" is lots of fun — with a camera.

These elusive little nut-gatherers are quite a challenge. They are so agile and so fidgety that they are most difficult to photograph. By the time you have focused your camera on one, he is off and running. As soon as he spies you, he dashes for the nearest tree. He's first on one side, then the other, or on a branch.

One sure way to keep him on your side of the tree is to work with a

helper. Have the aide move quietly around to the other side. Then, when old bushytail sees your partner, he will quickly move to your side of the tree. Have your camera ready to shoot—and you've fooled him. But when he hears the shutter click he's off again.

You can usually tempt them to remain long enough to picture by scattering a few pecans around the area. Usually he will hurry away to bury the good ones as fast as he can. However, if there are many pecans close by he will stay until

he gets his mouth full.

If he's still too fast for you, try cracking a few of the pecans. A squirrel will not bury a cracked nut, but will eat it on the spot. And that's a good picture!

It's great sport to photograph wildlife in their natural habitat. But for the larger animals, such as the deer, it takes a little more technique—and quite a bit more time. They are not easy to fool, even with bait.

If you don't think so, just try it. You'll be surprised how very smart they really are.

Earwood (first runner-up), Patty McFadden, Tammy Brewer, Cindy Favila, Shella Alexander (Lion's Club Queen), Lesa Joy (second runner-up), and Charlotte Berkley.

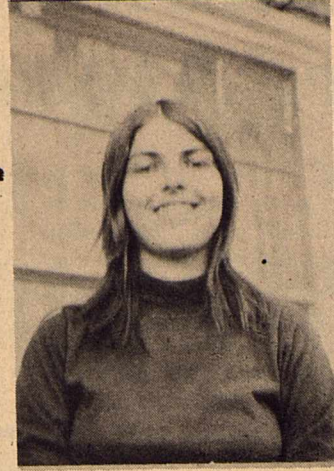

St. Ann's Church Starts Fund Drive

St. Ann's Catholic Church and its parishioners have started a fund-raising campaign in preparation for the Spring Festival to be held May 31 and June 1.

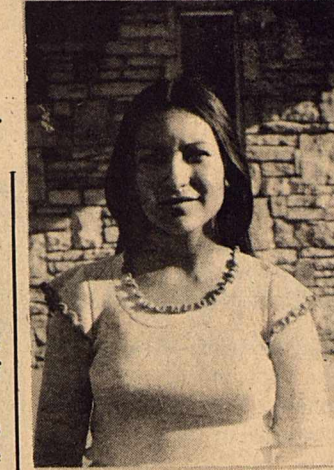

There will be a parade through downtown Sonora May 31 and one of two nominees will be chosen queen of the parish. Miss Patricia Ponsetti is being sponsored by the men of the parish, and Miss Gloria Gomez is being sponsored by the women.

The purpose of this campaign is to raise funds toward eliminating the indebtedness of the new church, which was built five years ago and still has an outstanding debt of \$31,000.

There are many activities planned for these three months including dinners, tamale sales, cake walks and other activities and games every Friday night at 8 p. m.

MISS PATRICIA PONSETTI

MISS GLORIA GOMEZ

Primera Baptist Has New Minister

The Reverend Paul Gomez has accepted the pastorate of the Primera Baptist Church.

The Rev. Mr. Gomez, his wife and six children, are formerly of San Antonio and are residing at the church parsonage.

The Texas Egg Law is administered by the Texas Department of Agriculture. According to Agriculture Commissioner John C. White, enforcement assures purchasers that the eggs are labeled correctly and are of the quality stated on the package.

THE FAMILY LAWYER

Rights Of Grandparents

Do grandparents have a legal right to the companionship of their grandchildren? Consider the tale of woe brought into court by an elderly couple.

"Since our daughter died, relations with our son-in-law have gone from bad to worse. Lately he won't let their little boy come to visit us, or even let us go to visit him. Surely we have a right to see our own grandchild."

But the court refused to come to their aid. The court said that since the father had legal custody, he alone could decide whom the child should see.

This is the usual rule—that grandparents have no independent right, against parental wishes, to spend time with their grandchildren. However, courts have held the other way if the child's own welfare is clearly at stake.

For example: Custody of two little girls in a divorce case was awarded to their mother. At the time, she did not object to giving visitation privileges to the father's parents, since the children had a long and loving relationship with them.

Later, she changed her mind and tried to end these visits with the grandparents. But this time, a court ruled—for the sake of the children—that the contact should not be broken off.

Gibbs Named To 1st Team All District, Browne, Alexander Nab 2nd Team Spots

Laura Gibbs, senior at Sonora High School, was named to the first team 7-AA all district squad this past week. Gibbs was the only Bronco basketball player to be named to the first unit. Sheila Alexander, senior forward, was selected to the girls second team while Paul Browne, senior, was selected to the boys second team. Debbie Howard, senior, and Martha Elliott, junior, received honorable mention. There was not honorable mention team selections for boy's team.

Gibbs closed out her senior year as the leading scorer on the Bronco team. Gibbs poured in 646 points for a 24.8 scoring average. Sheila Alexander won the top free throw and field goal shooter on the team and finished second in scoring with 517 points. Paul Browne was the leading scorer on the boys team with 323 points and led in rebounds with 171. Debbie Howard, guard, led the Broncos in rebounds with 133, while Martha Elliott was second with 80 rebounds. Congratulations to these players and their coaches.

District 7-AA boys champions from McCamey, placed four on the honor team, chosen by league coaches.

Senior J. T. Epley and Bill Lewis headed up the boys' first

team, while Leland Bolen of McCamey, Jim Turner of Reagan County and Richard Sanchez of Ozona also rated first team mention. Turner, Sanchez and Bolen are all seniors. Seniors Arthur Lane of Crane, Eric Tabb of McCamey, Paul Browne of Sonora and David Bean of Ozona were second team selections along with junior George Thompson and sophomore Jennings Teel, both of Reagan County. McCamey placed forwards Carolyn Ridley and Robin Kelton and guards Sarah Valentine and Karen Smith on the seven-player all-district girls team. Ridley is a junior

and the rest seniors. Sophomores Dorothy Phillips of Reagan County and senior Laura Gibbs of Sonora were the other first team forwards and Vicki Lane of Crane, also a sophomore, made the first unit at guard. Second team forward included Debra Clayton, Ozona senior; Sheila Alexander, Sonora senior; Ellen Fullerton, Crane sophomore, and Emma Deanda, McCamey sophomore. Making the second team as guards were Reba Scales, McCamey sophomore; Barbara Kilgore, McCamey junior; Anne Tillam, Ozona senior, and Martha Childs, Reagan County junior.

SPORTS

By Jerry Hamilton

Laura Gibbs drives for the buckets during the 1974-75 basketball season. Miss Gibbs led the Broncos in scoring this season and was named to the first team all-district list. She is a senior at Sonora High School.

Sonora Jr. Hi. Boys Capture Eden Championship

The Sonora Junior High track team, coached by David Patton, brought home the team championship this past weekend from the Eden Relays. The Colts scored 156½ points to down Coleman by 11½ points. Ozona finished third with 102 points followed by Ballinger with 77½ points. The Colts picked up five first place titles in winning their first track meet of the season. Colts showed their tremendous depth as not one individual won two events. The 440 relay team of Eddie Favila, Scott Allison, Billy Bob Galbreath, and Juan Castillo brought home the championship trophy with a 51.0 winning time. Cody Savell took the title in the pole vault with an 8' leap. Rickey Sanchez won the 880 in 2:19.0, while Duray Smith took the 70 yard high hurdles in 11.0. Mark Neitzel was the other Colt winner as he tied for first in the high jump with a 4'11" leap.

Mike Jones picked up points in the shot and discus as he finished fifth and sixth respectively in the two weight events. Manuel Lopez took second in the long jump while Scott Cain finished sixth in the event. Eddie Favila took third in the 880 while Scott Cain finished sixth. Mark Neitzel turned in a fine 11.1 in the 70 yard hurdles to take second behind teammate Duray Smith. Juan Castillo picked up a second in the 100 yard dash while Scott Allison took fourth. Phillip Thurman picked up another second place finish as he ran a 42.8 in the 330 yard dash. In the 220 hurdles, Neitzel won third while Smith took fifth. Kent Cagle took third in the 1320 run and Jesse Gomez finished fourth. Ralph Gonzales finished fifth in the same race. Cagle's winning time was 4:02. Juan Castillo who was high point individual in the meet, finished second in the 220 yard dash with a time of 26.0. He ended the meet with one first and three seconds for 25 points. Scott Allison took fourth in the high jump while Cody Savell finished fifth. The 1320 relay team took second in the final event. The team was composed of Favila, Savell, Allison and Castillo. The junior high track team will be in the Ozona meet on March 22.

People once said that to look directly at a king can cause blindness.

Bronco Golfers Shoot 319 To Open District Play

The Sonora Bronco golf team stayed close after the opening round of the district 7-AA golf tournament held in Big Lake this past weekend. Sonora shot their season low of 319, to trail Crane by nine strokes. Crane took the team lead with a 310 followed by McCamey at 312. Ozona finished fourth at 322 while Big Lake faltered to a 337 on their home course.

After putting together rounds of 336 and 343 at the McCamey Invitational two weeks ago, the opening round of district was very satisfying to Coach Bob Snodgrass. "We just wanted to shoot around 320 and not get knocked out of the race after opening week," stated Snodgrass. "I feel sure we can make up the strokes at Sonora and Ozona and qualify for the regional tournament." The top two teams on the district will advance to Andrews for the regional tournament. Sonora has won 8 straight district championships and three straight regional championships before moving into 2A competition.

John Elliott, sophomore, turned in his finest round of the season as he fired a 77 over the Big Lake layout. Mark Milliken, senior, was the only other Bronco golfer to break 80 as he toured the course in 79. Elliott was only three strokes over par going into the final five holes, but a ball out of bounds cost the Bronco golfers two strokes. Milliken was hit with the same problem that the other three Bronco golfers had, getting off to a bad start. He was five over after 6 holes and then played the final 12 holes at 2 over par. John David

Hillman Brown snared this 128 pound Sallfish recently 35 miles off the coast of Acapulco. The fish was over eight feet in length. Pictured with Brown are other members of his fishing party, Mr. and Mrs. Harvey DuRussel and Mrs. Brown.

Red Hosses Track Team Continues To Improve

"By the time district rolls around, Craig Parker will be the best quarter miler," stated Coach Roland Pfeiffer. Parker, for the second week in a row, was nipped at the finish line as he took second in the Iraan Relays. Last week Parker was edged by an Alpine runner and this week Shaw of Ozona turned the same trick. Parker ran a fine 53.8 to lose by one tenth of a second. Last week Shaw finished third to Parker and this week the Alpine boy finished fourth after winning at McCamey two weeks ago.

A big surprise in the meet was the finer performance by the Bronco sprint relay team. After running a 47.5 last week, the team of David Snodgrass, Craig Parker, Hector Perez and Garry Jones turned in a 45.9 for 4th place. Snodgrass picked up a sixth place finish in the 100 yard dash with an 11.0, while Tony Mathews broke five minutes in the mile with a time of 4:59.5 and fourth place. Jeff Doan won fourth again this week in the 880 with a 2:09.4.

The mile relay team of Perz, Clay Hicks, Jones, and Parker took fifth place after dropping the baton.

The girls track team was entered in the Robert Lee Relays, but only Martha Elliott was able to attend the meet. She finished ninth out of 47 girls in the 220 yard dash.
