The 38th Annual Lions Club Auction held September 23 at the 4-H Center netted a total of \$9,360.00. The proceeds of the sale will go to various Lion-supported activities.

Mrs. Belle Steen was among the large crowd of donors and buyers at the annual barbecue and sale.

City Manager and Mrs. Bob Nevill find activities at the sale amusing.

Harvey DuRussel displays the controversial Mystery Package, purchased by him for \$360.00 at the auction.

After First Defeat Of Season Broncos Travel To Eldorado

By Bob Granger

Using a crunching fourth quarter ground game, the Dilley Wolves overcame a 7-6 Sonora lead to grind out two long touchdown drives, crushing Sonora's hopes of an undefeated season.

Giving up four fumbles, the Wolves managed to hold the Broncos to one touchdown and kept the Sonora offense in check most of the night, ending the game with a 21-7 lead.

Dilley opened the scoring in the first quarter when they drove from their 34 yard line to the Sonora two where Quarterback Mike Urban sneaked in for the first TD. The try for point after was not good and Dilley led 6-0.

In the second quarter Sonora started from their own 39 yard line and from the Dilley 33 yard line Hector Perez fired a 33 yard pass to Jeff Doan for Sonora's only TD of the game. John David Cook booted the PAT to give Sonora a 7-6 lead which held up until halftime.

During the third quarter, each team was unsuccessful in denting the scoreboard and the third quarter ended with

Sonora To Have New Pharmacy

Joe Kiowski has announced his intention to open a new pharmacy in Sonora. The business will be located in the Bud Smith building next door to the C. G. Morrison Variety Store.

According to Kiowski, the pharmacy will open in approximately three weeks after some remodeling is done on the building.

The new business will be called Bronco Pharmacy.

Foster Families Needed In Sonora

Foster families...families who can share their life and love with children other than their own...are needed in Sonora, according to Ms. Susan Hays, Foster Family Caseworker.

Ms. Hays says if you have room in your home and heart and would like to consider becoming a foster parent, contact her at Box 951 in San Angelo, Texas 76901, in care of the Texas Department of Public Welfare.

Sonora still on top 7-6.

In the fourth quarter, Hector Perez punted and the ball rolled dead on the Dilley one yard line. It looked like Sonora was in good shape, but Dilley showed tremendous poise as the Wolves drove the ball 99 yards for the go ahead touchdown. The scoring play was a 29 yard jaunt by Juan Rodriguez to climax the drive. Juan Garcia then passed to Yancy Moore for the two point conversion to send the Wolves out front 14-7.

Later in the fourth quarter

Screwworms Reported

Sutton County's fifth screwworm case of the year was reported by Jerry Don Balch on the Duke Wilson, Stewart Ranch, 24 miles Southeast of Sonora on Ross Road.

The case was in the navel of a calf. With fall calving in full swing and some fall shearing in progress, ranchers are being urged to check all livestock regularly, treat all wounds, spray sheep and goats at shearing and report all worm cases to the Mission Laboratory.

Post Office Issuing New Postage Stamp

The local post office is now issuing the commemorative stamp, "World Peace Through Law" for those collectors who have not already purchased one.

This commemorative stamp thematically highlights the importance of World Peace Through Law. In October, the International Conference on The Law of the World will convene in Washington with more than 4,000 judges, lawyers and law professors from more than 100 nations in attendance.

'76 Fords To Be Introduced

Sonora Motor Company will hold open house Thursday and Friday for the purpose of introducing the 1976 Fords.

Refreshments will be served both days according to Joe Hull, owner.

Dilley marched from their own 43 yard line where Rodriguez plunged in from the one yard line to put the game away. Ricky Carpintero booted the extra point to end the scoring for the night, and give Dilley a 21-7 victory.

Sonora travels to Eldorado this week. Eldorado gained their first victory of the season last Friday by defeating Winters.

Statistics		Dilley

4-H Shearing Date Changed

The Sutton County 4-H Livestock Show committee met Monday and made the following changes concerning the 1976 4-H Livestock Show.

The weighing and shearing date for all market and carcass lambs will be Saturday, October 18, 1975. All lambs must be brought to the 4-H Center by 5 p.m. Friday, October 17, and shearing and weighing will start at 8 a.m. Saturday morning.

There will be a minimum weight limit of 80 pounds for all lambs and there will be no upper weight limit for lambs in the carcass or market lamb classes at the County Show. The final weigh day will be Monday, January 5, 1976.

The live judging of carcass lambs will be Monday, January 5. The judging of all other livestock classes will be Friday, January 9. Lamb carcasses will be displayed at 10:30 a.m. Saturday, January 10.

A barbecue luncheon will be served at 11:30 a.m. and will be followed by the sale of lambs.

White's Auto Leases Space

White's Auto Store has leased the Tom Keilman building on Main Street, downtown, to house their home furnishing displays. All furniture items, carpet samples and other household goods are on display there.

The building formerly housed Jerry Shurley's law firm and later was the office of Pool Company.

Auction Nets \$9,360

Lem Jones of Scotsdale, Arizona opened the 38th annual Lions Club Auction September 23 as he has for so many years in the past, with the familiar words... "What am I bid?"

Auctioneer Jones' questions and the generosity and support of the townspeople had replenished the Lions' treasury to the tune of \$9,360.00 by the close of the auction. These funds will be appropriated to the many regular projects supported by Lions Club.

Festivities got underway with donors and buyers meeting at the 4-H Center for a barbecue supper with all the trimmings. Goats for the barbecue were donated by Willie Miers, the Sonora Fire Department, George Wallace and the Harrison Ranch. Immediately following the

meal, bidding got underway with the auctioning off of something new...a pig... which right away netted the Lions \$70.00. Several goats were auctioned off and donated to other local organizations for future use.

The Mystery Package was re-donated and purchased this year by Harvey DuRussel

for \$360.00.

A complete list of donors, purchasers and prices may be found elsewhere in this newspaper.

Sutton Included In Block Grant

Governor Dolph Briscoe announced his approval recently of two grants, totaling \$75,310 for continued support of probation and police training projects in the Concho Valley area.

The money comes from the Criminal Justice Division of the Governor's Office. CJD administers the state's block grant from the Law Enforcement Assistance Administration under the Crime Control Act of 1973.

A \$46,210 grant to Kimble County will continue funding of a regional probation project, serving Bandera, Kimble, Kerr, Gillespie, Kendall and Sutton counties. Since the project's beginning in 1973, the unit's three officers have served over 565 adult and juvenile probationers.

A second grant to the Concho Valley Council of Governments provides \$29,100 for continuation of the regional police academy. An anticipated 450 police officers will receive basic, intermediate, and/or advanced training through the academy. Selected officers will be sent to specialized training schools approved by the Texas Commission of Law Enforcement Officers Standards and Education.

The grants were among 38 approved by Governor Briscoe, totaling \$2,682,210 for improvements in law enforcement and criminal justice at state, regional and local levels.

Benefit Dance Termed Success

Sonora Jaycees report that their benefit dance held Saturday night at the 4-H Center was a tremendous success. Proceeds from the dance tickets are to be donated to the San Angelo Concho Valley Home For Girls.

Jaycees also remind Bronco supporters that they still have stadium seats and will be selling them at all hometown games. Proceeds from these seats will go to the Bronco Booster Club.

School Offering Adult Classes

Sonora Independent School district is again cooperating with the San Angelo Independent School District in offering Adult Education classes. Classes will be offered two nights per week, from 6:30 to 9:30. Course offerings will again be in English and math. Mrs. Nelda Hernandez and Mrs. Leticia Galindo Reyes will be instructing the classes.

There is no cost at all, and books are furnished without cost to adult students.

Anyone who is eighteen

years of age or older who does not have a high school education, and who is not now enrolled in a public school, is eligible to enroll in the classes. Special emphasis is given to preparing adults to pass the General Educational Development Examination. Many from Sonora have taken the GED tests and have passed the examination, making them eligible to receive a High School Equivalency Certificate from the Texas Education Agency.

Anyone who qualifies and is interested in attending these classes should immediately contact Mrs. Hernandez in person or by telephone at 387-2874 after school or 387-2414 during school hours.

There must be at least fourteen students enrolled for Sonora to be able to offer these classes.

Steak House Plans November Opening Date

A November opening has been planned for the Sutton County Steak House and Lounge located adjacent to the Devil's River Motel. Mr. and Mrs. Bob Pennington will manage the establishment and will employ fifteen to twenty persons. Mrs. Pennington is presently assistant manager at the Zentner's Daughter Steak House in San Angelo.

The decor of the 5000 square foot building will be in red, white and black. Steaks will be featured on the menu along with sea foods.

The building will be separated into four departments including a main dining room that will accommodate eighty persons and a smaller dining room for breakfast and lunch patrons. There will also be a meeting room and a lounge area.

Kimble Schedules '76 Celebration

A tentative schedule has been set for the Kimble County Centennial and American Bicentennial celebrations June 11 through June 20, 1976.

Plans include parades, pageants, barbecues, state and area dignitaries, games and Mexican Fiesta celebration, horse racing, dancing and church services.

years of age or older who does not have a high school education, and who is not now enrolled in a public school, is eligible to enroll in the classes. Special emphasis is given to preparing adults to pass the General Educational Development Examination. Many from Sonora have taken the GED tests and have passed the examination, making them eligible to receive a High School Equivalency Certificate from the Texas Education Agency.

Anyone who qualifies and is interested in attending these classes should immediately contact Mrs. Hernandez in person or by telephone at 387-2874 after school or 387-2414 during school hours.

There must be at least fourteen students enrolled for Sonora to be able to offer these classes.

Horse Clinic Saturday, Oct. 11

B. F. Yeates, Extension Horse Specialist from Texas A&M University, will conduct a 4-H Horse Clinic at the Sonora Park Association Arena Saturday, October 11 at 9 a.m.

The purpose of the Clinic is to give adult leaders and 4-H members training in developing and conducting a county 4-H Horse Program.

Training will be given in basic horsemanship, training horses for special uses and preparing 4-H members to participate in county, district and state 4-H horse events.

Demonstration Classes will be set up to provide training in the different horse show events.

4-H Horse judging will also receive special emphasis with both halter and performance classes being set up to give training in placing classes and presenting oral reasons.

All area 4-H Horse leaders and all boys and girls interested in receiving horsemanship training are invited to attend the clinic.

Anderson Sells To Odessa Firm

G.H.M. Construction Company of Odessa has purchased W. S. Anderson and Son Construction Company, along with all buildings and the ten acre tract of land where the company is located.

The sale was effective September 15.

Ben Montgomery will be the local manager. The new company will be known as W. S. Anderson and Son, Inc., and will provide general oil field construction.

Hospital Auxiliary News

By Jan Vander Stucken
The Lillian M. Hudspeth Memorial Hospital Auxiliary held its first meeting of the year Monday at the Joseph Vander Stucken home.

Mrs. Charles Browne, president, conducted a short business session. Preparations were made to send a delegate to the Texas Association of Hospital Auxiliaries Area meeting in San Angelo. A report will be given at the next meeting.

Mr. Jerral Whitehead, Hospital and Nursing Home Administrator, made a speech on duties of auxiliary members. Dr. and Mrs. David E. Owensby were special guests at the meeting.

Hostesses were Mrs. Louie Trainer, Mrs. Ernest McClelland, Mrs. Dick McCalmont, Mrs. Charles Browne, Mrs. Joseph Vander Stucken, and Miss Jan Vander Stucken.

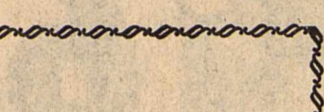

Band News

By Denise Neal
This past week, the SHS Band has been working on their UIL Contest show for November 1. They have been working hard and striving for a "one" this year.

This Friday the band will march against Eldorado in Eldorado.

Bronco Bandsmen for last week were Denita Mobley and John Mormon. Bronco Bandsmen for this week are Donna Schaffner and Ricky Hard.

That day the Lord made a covenant with Abraham, saying: "Unto thy seed have I given this land."

Mrs. Neville Hosts Club 13

Mrs. Durwood Neville was hostess September 25 to members and guests of the Club 13 Bridge Club. Mrs. Ken Braden was high club winner with Mrs. Richard Olson winning high for guests. Second high was won by Mrs. Wayne Herrmann and Mrs. Clay Cade won the bingo prize.

Other members in attendance were Mrs. R. W. Wallace, Glen Richardson, Fred Campbell, Jim Cusenbary, J. W. Neville, Bill Gosney and Doyle Morgan. Mrs. Penn Baggett was also a guest of the club.

Caramel Apples For Family Night Fun

During the fall, plan some family night fun. Spend an evening making one of everybody's favorite treats - Caramel Apples; or shape up some Confetti Mallow Popcorn Balls, delicious crunchy treats studded with chopped gumdrops.

To make Caramel Apples, you'll need a 14-oz. bag of caramels and some water. Just melt caramels with water in a covered saucepan and dip apples into the hot mixture. Invite your family to decorate apples with cereal or miniature marshmallows. Set out raisins, chopped nuts and coconut too; they're all tasty toppings for delicious caramel apples.

Although crisp, juicy apples and creamy caramels are available year 'round, apples are in greatest abundance in autumn. The International Apple Institute reminds you that you can use your favorite harvest-time variety for Caramel Apple-making, making sure that the fruit is firm and vivid in color. They also suggest you wash and dry apples thoroughly for best results.

The apple industry expects a bumper crop this fall, so you'll find plenty of apples in the produce section of your supermarket. You'll find caramels there too, as well as on the candy shelf, with sticks for making Caramel Apples right in the bag.

Caramel Apples

- 49 (14-oz. bag) Kraft caramels
- 2 tablespoons water
- 4 or 5 medium size apples, washed, dried
- Wooden sticks

Melt caramels with water in covered double boiler or in saucepan over low heat. Stir occasionally until sauce is smooth. Insert a wooden stick into stem end of each apple.

Dip into hot caramel sauce; turn until coated. Scrape off excess sauce from bottom of apples. Place on greased waxed paper; chill until firm. Keep in a cool place.

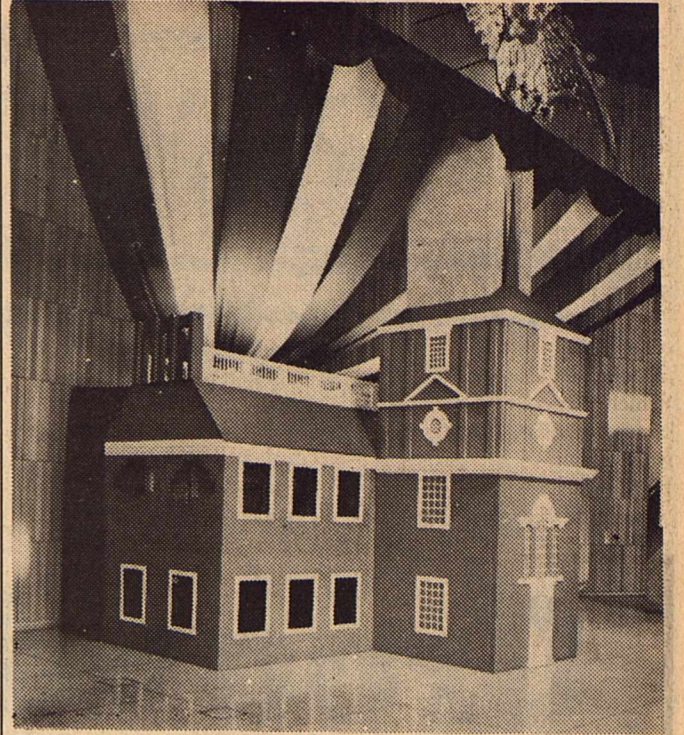

Variation: Before chilling apples, roll in crisp rice cereal or dot with Kraft miniature marshmallows, cut in half.

Confetti Mallow Popcorn Balls

- 4 cups Kraft miniature marshmallows
- 1/2 cup Parkay margarine
- 1/2 teaspoon vanilla
- 1/4 teaspoon salt
- 3 quarts unsalted popped corn
- 1 cup chopped gum drops

Melt marshmallows with margarine in saucepan over low heat; stir occasionally until smooth. Stir in vanilla and salt. Pour mixture over combined popped corn and gum drops; toss lightly until well coated. With hands slightly moistened with water, shape into 1 1/2-inch balls; place on greased baking sheet.

For more information and other mouthwatering recipes featuring caramels and apples send for a free brochure entitled "Sweet Surprises from Caramels and Apples." Write, Caramel Apple Recipes; Box 6768; Chicago, Illinois 60677.

THE DECLARATION OF INDEPENDENCE COMES ALIVE-This 18-foot reproduction of Independence Hall is one of the highlights of the 1975 State Fair Food and Fiber Pavilion, according to Agriculture Commissioner John C. White. Visitors to the Pavilion can see George Washington presiding over the 1787 Federal Convention in the audio-visual diorama. Another diorama depicts the drafting of the Declaration of Independence. The State Fair will be held October 3-19.

Food and Fiber Pavilion Observes Bicentennial

AUSTIN-A sock knitting machine, a chance to win \$25 worth of Texas beef, a replica of a frontier trading post, and free brochures and recipe booklets are only a few of the attractions awaiting visitors to the 1975 State Fair Food and Fiber Pavilion.

This year's Fair, to be held October 3-19, will commemorate the American Bicentennial. This theme will be carried out at the Pavilion with red, white and blue decorations and exhibits emphasizing agricultural highlights of the past 200 years, Agriculture

Commissioner John C. White said.

An 18-foot reproduction of Independence Hall, on loan from Time, Inc., will contain an animated audio-visual diorama of the Federal Convention of 1787 and another diorama of the drafting of the Declaration of Independence.

Free food samples or recipes will be available at every booth.

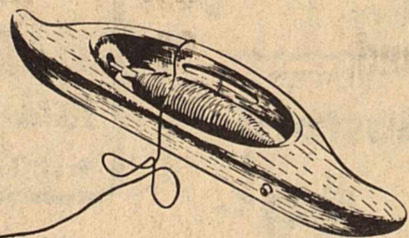

Magnificent tapestries, sometimes taking years to complete, decorated the walls of many homes and churches in the Middle Ages. Woven with richly colored strands of silk and wool, they often pictured scenes from the Bible. To create a beautiful tapestry required patience . . . skill . . . devotion.

Today each of us weaves a tapestry - the fabric of our lives. We sit at a loom, wondering whether the pattern of our lives will be of bright rose, green or golden threads, or whether the events will show as somber, dark colors.

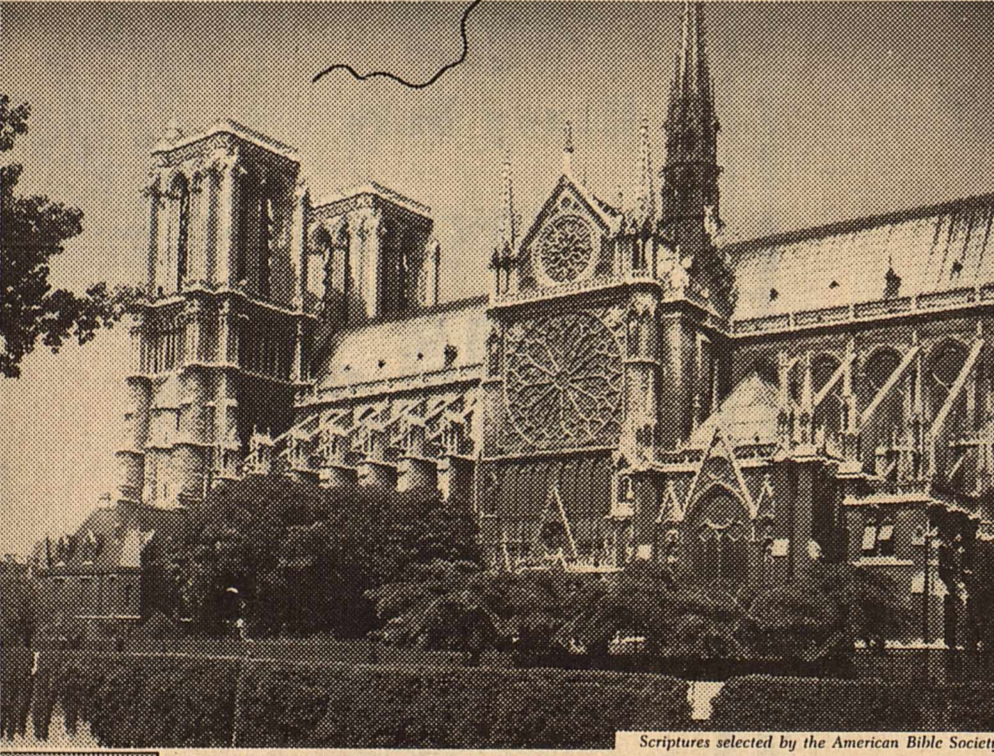

A weaver in the Middle Ages worked on the reverse side of his tapestry. By looking up at a mirror, he could see how the entire design looked on the right side.

When we look up to God in worship, we can see with clarity the pattern of our lives. Attend the church of your choice for perspective on your life's tapestry.

By Rebecca Powers
Brownie Girl Scout Troop 8 met Tuesday with ten girls present. We discussed our campout to be held October 4 and 5 at the Scout Hall. Velma and Connie served refreshments at the meeting and we played games. Mrs. Glenna Hulsey is our leader.

Peach Harvest Shows Decline; Freeze Blamed

AUSTIN-Harvest of the 1975 Texas peach crop is complete and production is expected to drop to only 313,000 bushels as a result of a late freeze that hit much of the state in March, Agriculture Commissioner John C. White said.

"This compares with a harvest of 375,000 bushels last year. In good years, production usually averages between 500,000 and 700,000 bushels," White noted.

Most of this year's peaches came from the Hill Country, where peaches sized well and were of good quality.

Peaches in North Texas and the High Plains were hardest hit by the freeze.

"Righteousness exalteth a nation..."
— Proverbs 14:34

Bob Krueger's Weekly Report

Sometimes the actions taken by Members of Congress are designed more for "home consumption" and for how they hope actions will look to their constituents, rather than for genuine formation of national policy. The passage of a major energy bill (H.R. 7014) by the House of Representatives which it has been working on since July is an example of this attitude.

Although I have been working on this bill in

committee and on the Floor since February, I am frankly deeply disappointed with the final result, and those who voted for many of its objectionable provisions and for final passage did so knowing that the bill cannot become law and is certain to be vetoed. They wanted, however, to be able to tell the people back home that the Congress had passed a major energy bill and then try to blame the President for vetoing it. It is the same

attitude of confrontation politics that many Members elected to Congress said they would try to avoid once they took office. But this attitude exists both in Congress and in the Administration in both Republican and Democrat parties and wherever it occurs, it does not, in my judgment, contribute to good national policy.

The part of the bill to which I take strong objection is the oil pricing provision. The Congress voted to pay producers five different prices ranging from \$5.25 to \$12.50

for the same product. That kind of irrational approach seems to me indefensible and is certain to be vetoed. Nothing in the bill was done to decrease our heavy dependence on foreign imports which now constitute about 40% of the oil we use. Were the bill to become law, it would make our nation weaker rather than stronger. The bill gives the Federal Energy Administration power to require cities, states, and businesses to convert from the use of natural gas to oil or coal as a boiler fuel to produce electricity. Ninety-five percent of the electricity in Texas is produced from natural gas.

The bill requires all cars produced in the country by 1985 to average 28 miles per gallon in country and city driving. Such a provision is clearly unrealistic. On the floor of the House, some of the proponents of that provision argued that cars producing 28 miles per gallon already exist. I, in turn, pointed out that they themselves did not choose to buy them and drive them and I couldn't see why they would require the American people to buy cars which they themselves were unwilling to buy.

The list could go on, but the pattern is clear. Sometimes Members of Congress, like any other group, get tired and, in their fatigue, are willing to support almost any sort of policy just so they can report to others that they have "done something." In this case, the balance of power which our Constitution wisely set up will have to be exercised by the Executive Branch when the bill is vetoed. After that, perhaps there will be a possibility of compromise by the majority of the Congress and the Executive that will lead to an intelligent policy for the nation. I hope so, and will continue to retain my optimism because of the long tradition of good government in America and because of my confidence in the basic good sense of the American people.

Another Fine Texas Recipe

2 Tbsp. peanut butter
2 Tbsp. jelly or jam
1 Tbsp. milk
1 pkg. refrigerated unbaked raisin cinnamon rolls

QUICK COFFEE RING

Combine peanut butter, jelly and milk. Separate rolls and spread one side of each roll generously with peanut butter mixture. On a lightly greased cookie sheet slightly overlap rolls, spread side up, to form a circle. Press rolls together lightly where they overlap. Bake in a preheated 375 degree oven for about 20 minutes. Frost with icing that is included in package. Serve hot.

Pecans Up, Cotton Down In Crop Report

AUSTIN—According to the September crop report released recently, Texas cotton production has dropped almost 75,000 bales while pecan production is expected to increase by 20 million pounds over last year's crop, Agriculture Commissioner John C. White said.

Cotton production, estimated at 3.1 million bales, decreased because of weather and insect damage on the High and Low Plains. A yield of approximately 3,025,000 bales is expected in 1975.

This year's cotton crop still is almost 23 percent above the 2,462,000 bales ginned in 1974, which was one of the smallest crops in 30 years, White noted.

The Texas pecan crop estimate reflects an increase of 53 percent over last year's crop of only 38 million pounds.

Sweet potato production also increased from August and the crop currently is estimated at 950,000 pounds per hundred weight.

Estimates for most crops remained the same as for August. Corn remained a near-record crop at 115.5 million bushels; wheat, 131.1 million bushels; rice, almost 24.9 million pounds per hundred weight; sorghum, 394.4 million bushels; and soybeans, 9.1 million bushels.

Man Is — A creature who lives not upon bread alone, but principally by catch-words.

GOOD PSYCHOLOGY

GOOD NUTRITION IS GOOD PSYCHOLOGY. A HEALTHY DIET CONTRIBUTES TO ALERTNESS, VITALITY AND A GOOD FRAME OF MIND. THERE'S SOUND REASONING IN THE PHRASE: A SOUND MIND IN A SOUND BODY!

IF CLUB MEETINGS ARE HELD AT YOUR HOUSE, AN EASY WAY TO BRING THE SESSION TO AN END IS TO SERVE THE MEMBERS TEA AND A SNACK. HOT TEA CAN SOOTHE AWAY TEMPER AND TIREDNESS AND END THE MEETING ON A PLEASANT NOTE.

A Land Bank loan at work

Once you've decided to make major improvements on rural property, ask your local Land Bank Association about long-term financing. Finding a better way to borrow is as important as finding a better way to farm.

Long-term IMPROVEMENT LOANS at reasonable cost.

Police Reports

A two car accident on September 27 was investigated by City Policeman Joe Fincher. The accident occurred in the Dairy Mart parking lot. Cars were driven by Randall E. Owen of Sonora and Dicky L. Schultz of Del Rio. No injuries were reported.

At 10:30 p.m. on that day, a call regarding a vehicle stolen from Mexico was investigated.

A disturbance on a Crockett Street Bridge was investigated at approximately 11:30 p.m. One subject involved in the disturbance suffered minor knife wounds but refused treatment at the local hospital.

On September 28 at 8:10 a.m., Elizabeth Goad of Castle Courts reported a missing purse. The purse was lost at a local service station and was turned over to the local police officer by service

station attendants. On Monday afternoon Officer Fincher investigated an accident at the parking lot of a local liquor store. An auto, driven by Felipe Bernal, Jr., collided with a parked car belonging to D.P.S. Patrolman Walter Walicek.

Chief of Police Bill Webster investigated an attempted burglary at an Edgemont residence.

A total of ten citations were issued during the past week.

In Hungary at one time only a man who had slain a Turk might wear a feather.

When You Care Enough to Send the Very Best

The Consumer Alert

by John L. Hill
Attorney General

AUSTIN—In previous columns we've talked about problems people sometimes have when overuse or unwise use of credit have gotten them into a financial bind.

But what about those persons who are on the other side of the fence—those who may have money problems because they cannot get credit?

Such persons, for various reasons, have been unable to obtain credit at all, and therefore must pay cash for purchases or do without them. Many times these people are young people, retirees, working women, or persons with a low income. The questions most often asked by such persons are how they can build up a credit record if no one will grant them credit, and what it is that credit grantors look for when extending credit.

What many credit grantors look for is a steady income, prompt payment of bills, a regular savings record, and cautious use of credit.

Part of the answer to building up a credit record is realizing that special efforts may be needed if you cannot meet these standards.

If you are still in school, it may be a good idea to set up a savings account if you have a job. Later, apply for a loan using your savings account as collateral—and be sure to pay the note on time. This is one way to begin a good credit rating.

If you have recently joined the working world and are having difficulty establishing credit, contact the credit manager of several department stores to see if they have special limited credit accounts.

If so, apply for one, make some purchases on the account, and pay your bills

promptly. This is also a step toward a good credit record.

A retired person who plans to purchase on credit should apply for it while still employed, since it likely will be easier to get then than when retired. Or, plan to build up a savings account before retirement to use as collateral for any loans that might be desired in the future.

Women sometimes have had difficulty in obtaining credit, and if they are married, occasionally have been unable to get credit in their own name. However, under new federal laws soon to be in effect, women who meet other credit tests must be given equal consideration for credit. They can request that such credit be in their own names, if they are married and wish to do so.

Low-income people may also have more difficulty getting credit. In some cases, it can be helpful to ask for credit at neighborhood stores where you trade regularly. If you have patronized a local dry cleaner for several months and have paid your bill on each trip, it may be a simple matter to ask that an account be opened in your name. After a period of using such credit and paying promptly, you can use this establishment as a credit reference.

If you have problems obtaining credit, you may want to get special advice from a banker, a credit manager, a credit counselor, or other experts.

If you have other consumer complaints, get in touch with the Attorney General's Consumer Protection Division, your county or district attorney, or your local Better Business Bureau.

Bronco Sideline Shots

By P. L. Granger

This is the week of one of the great football rivalries in West Texas as the Broncos travel to Eldorado to battle the Eagles. The Eagles just came off a second win over Winters and will be ready for the Broncos. When these two clubs get together, you can throw past records out the window as it is played with a lot of emotion. At one time Eldorado held an 18 game winning streak over Sonora which was broken in 1946 or 1947; don't remember which year. The longest winning streak since that time was a 10 game streak Sonora started in 1963 and extended to 1973 when the Eagles wrapped up a district championship.

The Broncos have somewhat of a unique situation this year as there are two sets of twins on the club....Craig and Gregg Parker and Larry and Garry Jones. I have seen several ball clubs with one set of twins but don't remember seeing one with two.

All Sonora teams will be in action this week. The 7th, 8th and J.V. squads travel to Ozona Thursday to tangle with Ozona. Here's hoping the 8th grade Colts can get their first win and the seventh grade can bag win no. 3. The J. V. will be looking for their second victory in three tries for the year.

I would like to thank the cheerleaders for asking me to say a few words at the Pep Rally Friday. It was a fine Pep Rally. Just hope I wasn't a jinx as the Broncos lost to Dilley. If at all possible, all citizens are urged to attend the Pep Rally this week. Really pack the gym and give the Broncos a boost. They are a great group of young men and your support at the Pep Rally would surely help their attitude.

Family Film To Be Shown

TIME TO RUN, a film that is a mixture of problems and solutions, will be shown at First Methodist Church at Sonora on Sunday, October 5 beginning at 7 p.m., and at the Lutheran Church at 7:30 p.m. on that date. The feature is filmed in Eastman-color by World Wide Pictures.

Filmed on location in the Southern California area, TIME TO RUN stars Ed Nelson, Randall Carver, Barbara Sigel, Joan Winnill and Gordon Rigby.

Viewed on an emotional level, TIME TO RUN is the deeply moving drama of the conflicts that are tearing a family apart - conflicts that develop between husband and wife, and between father and son. In an attempt to find freedom from the evergrowing hostilities, Jeff takes to the road, hoping to discover some meaning in his confused life.

Approached from a religious perspective, TIME TO RUN is also a story of friction between Jeff and his girlfriend, Michelle, played by Barbara Sigel, who is a familiar face to television viewers. Michelle has discovered a spiritual dimension in her life, and this aspect is very confusing to Jeff, who has little time for "a God who would allow war, hatred, and suffering on earth." But his life is shattered by an avalanche of personal problems, and he finds himself at a Jesus people gathering with Michelle, where he glimpses the possibility of a new life-style based on love and understanding.

TIME TO RUN is a film that can help strengthen love

relationships between people. It's a film that was made for families to attend -- together. There will be no admission charge but a Freewill Offering will be taken.

To save space when freezing cut-up poultry, freeze only fleshy pieces. Cook the bony pieces, such as wings and backs, for immediate use or store as cooked meat picked off the bone.

Green News

Mary Owensby caused much excitement Sunday afternoon when she made a Hole In One on number 9. This was Mary's third time to play the Sonora Golf Course. Jane Archer, Faye Wood and Jo Neville were playing with Mary. She has the score card proudly displayed on her desk at Dr. Owensby's office.

-GN-

The Men's Senior Partnership Golf Tournament will be held this weekend, October 4 and 5. Tee times, both days, will be shot-gun start at 8:30 and 12:30. Sonora and out of town golfers will make up the 64 teams. There will be a hamburger supper Saturday night for contestants and families.

The Golf Auxiliary now has 49 active members. Ladies Day is the third Wednesday of each month with a luncheon, business meeting and golf.

The Golf Club Membership now consists of 72 Regular Active Members, 42 Local Associates, 7 Out of County and 6 Junior Members.

A Family Is - A unit composed not only of children, but of men, women, an occasional animal, and the common cold.
