## C Of C To Sponsor Hunting Contest

The Sonora Chamber of Commerce will sponsor a deer hunter's contest which will run for four days beginning November 15 and ending at 6 p.m., November 18. Winners will be named at the Annual Hunting Party November 18.

The contest will feature three divisions with trophies

given in each division.

In division one of the contest, a trophy will be awarded to the male 18 years of age and over, who bags the Sutton County buck with the largest spread.

Division two trophy will go to the female hunter who brings in the heaviest field-dressed buck bagged in Sutton County.

In division three, only Sutton County residents are eligible to participate. This trophy will be awarded to the Sutton County youth, 17 years of age or younger, who brings in the buck with the most points. All bucks judged

in the contest must be killed in Sutton County.

The Branding Iron Smokehouse will be the official checkpoint during the contest.

### THE WEATHER

COMPILED BY PAT BROWN

	Rain	Hi	Lo
Oct. 28		81	48
Oct. 29		78	53
Oct. 30		76	40
Oct. 31		76	59
Nov. 1		74	58
Nov. 2	2.11	68	55
Nov. 3		78	42

Rainfall for the month 3.79;  
Rainfall for the year, 25.31.

The 24-Hour Bug...sometimes known as Blake Trainer...was chosen to have the most original in the parade of spooks held Saturday prior to the opening of the Halloween Carnival. Trudy Dell Draper was judged the spookiest, and Rebecca Powers, funniest.

## Band Takes II Div. Rating

The Sonora Bronco Marching Band travelled to Brady Saturday and came home with a II Division UIL rating.

Band students under the direction of Mr. Donald Paul have been practicing an extra hour each morning since school began, in addition to a two hour practice session one night weekly.

## O.L.A.S. Founded

O.L.A.S., the Organization Latino Americana Sonora, has recently been founded to benefit all disadvantaged especially the low income families, regardless of race, religion or creed. Special committees are being formed to aid families with problems relating to civil rights, education, and social services.

Officers elected at the recent meeting were Maria Chavez, president; Pedro Gomez, vice-president; Silvia Samaniego, secretary; Rebecca P. Chavez, secretary of relations; Juanita Mesa, secretary of organization; Eva Perez, treasurer; Jose Lopez, parliamentarian; and Cesario Martinez, sergeant-at-arms.

Father Michael Fernandez, of St. Ann's Catholic Church will be technical Counselor to the group. Meeting times will be published and the general public will be invited to attend.

## Fourth Quarter Drives Give J.V. 20-14 Win Over Ozona Juniors

By Bob Granger

The Sonora J.V. Broncos put together two long drives of 65 and 70 yards in the fourth quarter, to carve out a hard fought 20-14 victory over the Ozona J.V. in Bronco stadium Thursday night. This win upped their record for the season to four wins and two losses. The Broncos were led by two outstanding offensive efforts by Manuel Lopez and Chip Savell. Lopez rushed for 156 yards and caught one pass for eight yards, while Savell rushed for 100 yards. The J.V. defense allowed more yardage than in past games but were fairly effective in stopping Ozona's scoring efforts.

For the second week in a row, a long return of a pass interception aided the opposition. Ozona's Cruz Garza intercepted a Benny Granger pass and raced 54 yards to score, putting Ozona in the lead.

After playing a scoreless first quarter, Sonora began a drive from their own 15 yard line and in five plays the Broncos drove the ball to the

Ozona 47. On the following play, Chip Savell swept to the left, cut upfield and to the outside behind a wall of blocking and raced 47 yards for the first TD of the game. Lopez scooted in for a two point conversion to send Sonora in front 8-0 with 6:40 left in the first quarter.

Not to be denied, the Ozona J.V. began on a 12 play drive covering 61 yards, climaxed by QB Randy Allen's two yard run. Allen then passed to Badellio for the two point conversion, tying the score at 8-8 with 2:35 left in the second quarter. Lightning struck the Broncos a short time later as they were on the move on the Ozona 46 yard line. On a first down effort, Granger's pass to Galbreath was intercepted by Ozona's Garza who galloped 54 yards to send Ozona in front 14-8. The try for the PAT was not good and the half ended with the Lions in front 14-8.

After a scoreless third quarter, the Broncos went to work from their own 30 yard line when a Chip Savell interception stopped an Ozona drive with 7:50 left in the fourth quarter.

After two running plays moved the ball to the Sonora 40 yard line, Lopez moved over the right offensive side of the Bronco line on a counter play, broke three tackles and broke on the Ozona 40 yard line, racing 60 yards to knot the score at 14-14. The try for the PAT was not good so the score stood at 14-14 with 6:50 left in the fourth quarter.

After holding Ozona and forcing them to punt, the Sonora J.V. took over on their own 35 yard line with four minutes left in the game. The Bronco offense took over and moved the ball to the Ozona 13 yard line. After three plays, and gaining only four yards, the Broncos faced a fourth down situation from the Ozona 9 yard line with less than a minute left in the game. Granger took the snap from center, rolled to his left and fired a nine yard scoring aerial to Billy Bob Galbreath who was wide open in the end zone. The PAT was not good but it was enough to give the JV another victory.

### STATISTICS

Ozona	Sonora	
10	First Downs	19
145	Rushing	285
19	Passing	23
164	Total	308
1-73	Passes Attempted	3-6-1
2-34½	Punts	2-19½
7-75	Penalties	2-20
1	Fumbles lost	1

## Broncos Take District Loss

By Bob Granger

The Reagan County Owls, capitalizing on Sonora miscues, waltzed over the injury-riddled Broncos in Owl Stadium Friday night to the tune of 26-0. The win kept the Owls' hopes alive of sharing the District 7-AA title. The Owls still have to play Crane and McCamey. The loss left the Broncos seeking their first district victory. The loss marked the fifth in the last six outings for the Broncos and brought their record to four wins and five losses.

The first Owl score came in the first quarter as Junior QB Jennings Teel rolled seven yards, climaxing a nine play, 48 yard drive to send the Owls ahead 6-0 as the PAT failed.

In the second quarter the Owls struck again as halfback George Thompson fired a 21

yard pass to Dennis Kruse for the second Owl TD. Again the PAT was no good and the half ended with the Owls ahead 12-0.

After a scoreless third quarter, Reagan County crashed in for their third TD of the game as Britt Paynor plunged one yard and a 18-0 lead.

The last Owl touchdown came as they blocked a Sonora punt and Teel raced in for a seven yard touchdown, followed by a two point conversion with a pass to Don Thompson putting the final score at 26-0.

The Owls will play McCamey this week in hopes of staying in the thick of the 7-AA race. The shutout of the Broncos marked the first time this year the Broncos have not scored on the opposition.

## Aldermen Hear Requests, Reports

Joe David Ross, representing the Devil's River Motel; Bill Fox, consulting engineer; and Betty Wilson, PhD, of the Concho Valley Council of Governments, were in attendance Monday when Sonora Aldermen met in session at the city hall.

Aldermen Hershel Davenport, Walter C. Pope III, Jack Kerbow, Lemuel Lopez and Doyle Morgan, along with Mayor Norman Rousselot, City Secretary, Pat Robbins and City Manager Bob Nevill, were also present at the meeting.

Ross approached the council asking that the restrictive covenant on the Devil's River Motel property be released since all requirements had been fulfilled. Aldermen agreed to his request.

Fox reported to the council on the progress of plans for sewer and water improvements in regard to the recent bond election. He also made reports on street paving plans

for the Southwest portion of Sonora. Bids will be let on the improvements in the early spring of 1976.

Ms. Wilson, representing the Concho Valley Council of Governments, explained to the council the health and human services offered by COG. The council was asked to nominate local citizens for a 45 member board to participate in plans to organize the HEW program.

She also requested the city to endorse the Human Service Delivery Plan which is an inter-agency worker for this region who will direct people to services available in the department.

State Parks and Wildlife Department notified the council that the proposed Sonora Park would not receive grants at this time but that another hearing would be held in January, 1976, and the plan would be considered again at that time.

## Eight Merchants Giving Profit Sharing Coupons

The annual profit sharing coupon give-away began in Sonora last Saturday. During this time each year participating merchants give coupons for each \$1 worth of merchandise purchased or paid on accounts. Eight merchants are participating this year.

Four drawings will be held during the month of December when eight numbers will be drawn and \$1600 worth of merchandise and United States Savings Bonds will be given. The first drawing will be held December 6 for two \$75 prizes. On December 13, two \$125 prizes will be awarded, and two prizes for \$200 each will be given

December 20. The largest and final drawing will be held Christmas Eve when two winning tickets will be drawn for \$400 worth of merchandise.

All drawings will be held at 4 p.m., and persons not acquainted with the give-away are reminded to keep their ticket stubs and bring them to each and every drawing.

Participating merchants are Barrow Jewelry and Sporting Goods, Gosney's, First National Bank, The Chaparral, Neville's Department Store, White's Auto Store, Westerman Drug and C. G. Morrison Variety Store.

## Market Lamb Meeting Set For Nov. 12

There will be a 4-H meeting concerning the selection, feeding and showing of market lambs at the 4-H Center, Wednesday, November 12 at 7 p.m.

Dr. George Ahlschwede, Extension Sheep and Goat Specialist will be the speaker. He will use live animals to demonstrate the techniques of showmanship and to give pointers on selecting lambs with desired meat qualities. He will also discuss record keeping and the various educational benefits that can be derived from market lamb projects.

All Sutton County 4-H members, 4-H leaders, parents and other interested persons are urged to attend the meeting.

## Screwworm Cases Continue

Five screwworm cases were reported by ranchers in Sutton County during the past week. Four of the cases were in the navels of calves and the fifth was due to a surgical operation on a cow.

These cases indicate the need for ranchers to continue to check baby calves regularly and to postpone all surgical operations possible until after frost.

Ranchers reporting cases included Vestel Askew, John Fields, Warren Hemphill and Lea Roy Aldwell.

Ranchers are urged to report all worm cases promptly to the Mission Laboratory so that officials there will be aware of the extent of the screwworm infestations in Sutton County.

## Kelso Injured At Carnival

Coach Tally Kelso, who was injured Saturday night at the Halloween carnival, was reported Tuesday to be in good condition. He was released from the hospital Monday with a slight injury to a vertebra but was expected to be back in school by Wednesday.

Kelso was injured when he fell from the teacher's dunk booth, hitting the ground between rubber pads designed to break his fall.

## Plans Approved For All Weather Track

Trustees of the Sonora Independent School District, in a special meeting October 30, approved plans for improving the athletic facilities at the football field to include a regulation all-weather track with curbing and fencing.

Plans also include moving the visitors stands back and centering the football field in the new track. Additional seating will be added to the home stands and the area around the concession stand and walk ways will be paved.

Also included in the plans are four new colored tennis courts complete with fencing and practice walls. Work on the project will begin after football season, and is anticipated to be completed by March 1, 1976.

Sharon Hogue, a graduate of Abilene Christian College, was elected to the teaching staff, and Pat Ferguson was elected as secretary to the superintendent. Miss Ferguson is a graduate of John Tarleton State University and has been employed by Abilene State Bank for the past year.

The Superintendent's Office, Tax Office, and the Business Office have moved to their new location at 807 E. Concho Avenue, formerly Dr. Browne's offices.

## North Texas LPG Completes First Year In Sutton County

An anniversary party was held last week in celebration of North Texas LPG Corporation's first year of production in Sutton County. The gas processing plant, located 14 miles Southeast of Sonora on the Rex Cusenbary Ranch property, is somewhat unique in that there are only 17 plants of this nature in the United States and eleven of these are owned by North Texas.

A division of Mitchell Energy Corporation, the plant uses a cryogenic expander process which is a super-cold method used mostly for high ethane recovery. The process also recovers propane, butane, etc.

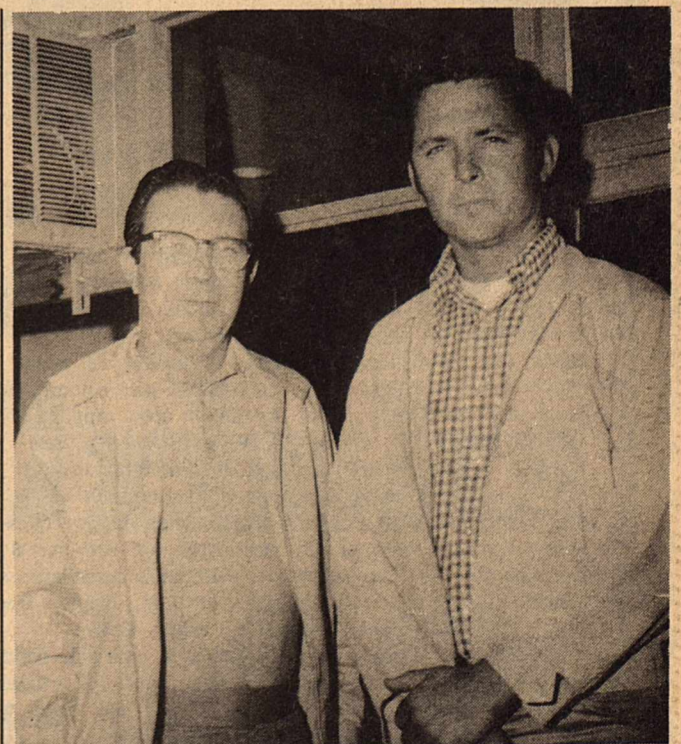

The plant, constructed in August, 1974, first used the refrigeration process but in November started construction on the new expander plant, which was designed for 15 million cubic feet through put of gas. Recovery at the plant is good for 65 percent ethane, 98 percent propane and 100 percent on all other hydrocarbons.

Robert Faircloth serves as plant superintendent and works under the supervision of Mr. Bruce Withers, Jr., of Houston, who is senior vice-president of Mitchell Energy Corporation.

Besides Faircloth, North Texas employs two opera-

tors and two truck drivers. The corporation uses a special type trailer that is designed to haul products at a low minus ten degrees.

Drivers of these special rigs are Tommy Jennings and Jerry Crane. Michael Crouch is employed as plant operator.

Bruce Withers, Jr., of Houston senior vice-president of Mitchell Energy Corporation was on hand last week to assist in the first year celebration of the North Texas LPG processing plant. Bob Faircloth, plant superintendent, is also pictured.

Miss Rhonda Snyder was crowned Halloween Queen during ceremonies Saturday evening. Making the presentation is Will Wallace. Miss Snyder was escorted by Clay Hicks.

George C. Marks of Temple has succeeded Edward E. Thomas as state conservationist for the USDA Soil Conservation Service. Prior to this appointment, he served as state conservationist for Arizona. Thomas was promoted to the position of assistant administrator for the SCS in Washington, D. C.

### from HISTORY'S SCRAPBOOK DATES AND EVENTS FROM YESTERYEARS

**November 11, 1965**  
The Sonora Broncos, rated fifth in district and 64th in state by area sports writers at the beginning of the 1964 football season, have now won seven district games in a row and clinched the playoff berth against the winner of Conference 7-A.  
John A. Martin, Jr., was named exhalted ruler of the new Sonora Elks Lodge.  
Mr. and Mrs. Jim Jackson of De Soto are the parents of a son, Joseph Robert, born October 28.  
A representative of Texas Parks and Wildlife Department spoke at the annual pre-season hunting party Tuesday night and told Sutton Countians that the deer population in the county is approximately 140,000.  
The Sonora Broncos defeated the Menard Yellowjackets by a score of 46-0 and have only one more district game to play before going to bi-district playoff.

**November 11, 1955**  
Representatives from Sonora were in San Angelo November 3 to attend a hearing on the Panhandle and Santa Fe Railroad's proposal to discontinue passenger, baggage and express service to ten towns in West Texas, including Sonora.  
Miss Alice Lee Daughtrey was crowned football sweetheart Friday night. Shannon Ratliff was her escort.  
A high spirited Menard team invaded the Sonora Broncos last Friday night and took the Bronco's hopes for their third district championship away. Final score of the game was 19-7.  
Band sweetheart for the year is Miss Martha Mittel. She was crowned during halftime ceremonies Friday night.  
Mr. and Mrs. Jack Kerbow are parents of a son, David Bruce, born November 5 at the local hospital.

**November 23, 1945**  
Frank Lee, Jesse S. Skinner, Salvador Sanchez, Juan Y. Sanchez, Max Almaguer and F. T. (Johnny) Baggett are six Sonorans who have returned recently to Sutton County with honorable

discharges from the Armed Forces in their pockets.  
Two Sonora youths, Francis Reed and Reiley Phillips, received serious injuries Friday night when they were blinded by the lights of an oncoming car and ran into the back of a truck parked on the highway. A third boy, Howard Chadwick, was on the scooter with them but suffered no injuries.  
The Sonora Broncos chalked up their fourth victory out of six conference games last Friday when they won over the Menard Yellowjackets, 12-0.  
Miss Mary Sue Blanton became the bride of James V. Weber Saturday morning at the First Methodist Church.  
**63 Years Ago**  
E. V. Meek and John Vesmirosky have opened a restaurant in the Morris building and everything is in first class style. They will appreciate your patronage.  
The great circus play "The Four Dare Devil's", will be presented at Cope's picture show. Undoubtedly the greatest dramatic picture play ever shown.  
Clifton Simpson of Lawton, Oklahoma, who is engaged in the grocery business, was surprised at the amount of stock carried by Sonora merchants. Mr. Simpson says it is almost impossible to get labor in Oklahoma.  
The Wool Storage Co., sold the mohair consigned to them at 30 and 34 cents.

**THE DEVIL'S RIVER PHILOSOPHER SEZ.....**  
**Speculation On New York Remains If City Is Allowed To Go Under**  
Editor's note: The Devil's River Philosopher on his bitterwed ranch on the Dry Devil's River wrestles with the problem of New York again this week.  
Dear editor:  
Congress no doubt will -- as it has in the past for England, France, Germany, Japan, Russia, Portugal, Sweden, Belgium and many more I could name if I knew more geography -- bail New York out of its financial crisis, but the thought that it might not opens up a lot of interesting speculation.  
For instance, say the city did go under, was abandoned when it was finally realized there really wasn't much point in having 10 million people stacked on top of each other on such a narrow strip of land where nobody has room to keep a milk cow. Can you imagine where all the brains would scatter to?  
Take television. I can hear it now: "This is the NBC Nightly News with John Chancellor in Washington and David Brinkley in Sonora. Now that might be all right but there are more serious problems. Take those Broadway plays. I'm not sure some of them would go over here in Sonora. Or take Wall Street. The last think we'd need around here would be a bunch of financiers who were so busy handling money they didn't know their city was going broke. New York reminds me of the young man who woke up one morning and realized his monthly payments for his car, television set, furniture, boat and power lawnmower totaled more than his monthly salary, with nothing figured in for

groceries. No, Wall Street would be more at home in Washington.  
What to do with all those tall buildings has me stumped. The only think I can think of is to just let them stand for a few hundred years till they become a tourist attraction as puzzling as the pyramids. In fact they'd beat the pyramids. You could stare at them without getting sand in their eyes.  
What to do with all those editors, publishers and writers now stuffed into the city is another problem, but scattering them out over the country might be beneficial. It'd give them a chance to find out how different the country is from what they thought it was.  
Yours faithfully,  
J. A.

### Community Calendar

**Thursday, November 6**  
12:30 p.m., Sonora Woman's Club meeting at clubhouse

**ADVISORY COMMITTEE TO MEET NOV. 11**  
The Advisory Committee on Aging will meet at the San Angelo Savings and Loan building Tuesday, November 11. The meeting will begin at 2:30 p.m.

Green, leafy vegetables such as collard, kale and broccoli have a good calcium content.

### Fifteen 4-H Foods Project Leaders Named

Would you like to do something interesting, worthwhile, and fun? Try being a 4-H Foods and Nutrition Project Leader! In Sutton County this year there are currently 15 women that are doing exactly that.  
These women are teaching 4-H's foods and nutrition information. They're covering things like food preparation, buying, meal planning, and even table setting. These women are giving of their time at no charge so that boys and girls who are eight years old and older may learn about foods and nutrition and also what it means to be an actively participating 4-H member. Some of these women have as many as 12 4-H's in their project groups!

Mmes. Miriam Rogers, Shirley Thompson, Madolyn Lee, Linda Butler, Maria Castilleja, Eva Perez, Ilene Stewart, Connie Virgen, and Irene Arredondo are all teaching the Level I Foods and Nutrition project groups. The Level II groups are being taught by Mmes. Dessie Couch, Lydia Galindo, Glenna Hulsey, Susie Maddux, and Lola Hernandez. Also, Mrs. Lola Beth Jones is teaching the Level III 4-H's.  
Mrs. Lydia Galindo and Mrs. Wanda Van Hoozer are serving as the Organizational Leaders for these Foods and Nutrition projects in Sutton County.  
Miss Sarah Mahon, Assistant County Extension Agent-at-Large in Sutton County says, "I'm really pleased with the large number of adult leaders we have this year in Sutton County for Foods and Nutrition. Also, the 84 4-H's that are enrolled in this program are learning things in these classes that they'll be able to use for the rest of their lives."

**LOCAL MEMBERS ATTEND CANCER MEETING**  
Two members of the Sutton County unit of the American Cancer Society, Mrs. Dorothy Baker and Mrs. Alvis Johnson, attended a meeting held in San Angelo October 30. Dr. Karmen Weatherby spoke to the group on the nature of cancer and methods of treatment and urged women to have breast examinations every six months, as well as monthly self-examinations.

### Bob Krueger's Weekly Report

This week the Senate passed a natural gas bill jointly sponsored by Senator Bentsen of Texas and Senator Pearson of Kansas. The bill offers a sound approach to the nation's impending natural gas short-term prices and long-term problems. I therefore introduced an identical bill in the house of Representatives and will work in subcommittee, full committee and on the floor for its passage.

The bill recognizes the basic injustice of having two markedly different prices for the same product. Currently the price of interstate natural gas (gas transported across a state line) is regulated by the Federal Power Commission at 52¢ per thousand cubic foot. The price of intra-state gas (gas produced and consumed within the same state) is however not regulated by the federal government. Some years ago when natural gas was abundant and was essentially considered to be a byproduct of oil and to be of little value, the price was cheap everywhere and was cheaper in intrastate than in interstate markets. Today the situation has changed. Before World War II, less than 5 percent of our nation's energy came from gas. Today, 30 percent of it does. Its use grew because it is the cleanest, most easily transportable fuel that we have.

But its very qualities naturally mean that more people will want it and just as supply will follow demand, so does price follow demand. As more people wish to buy, the price naturally rises.  
In the last few years, the price of intrastate gas has risen higher than that of interstate gas. Those of us living in the San Antonio area are paying particularly high prices for gas because our suppliers did not have sufficient reserves to meet our needs. The higher price paid in Texas for gas has meant that we are able to have adequate supplies whereas there will be a short fall of 10-20 percent of natural gas in many states this winter. People will be put out of jobs in other states and as factories have to shut down because of inadequate supplies of gas, it is not hard to understand that those states which can pay only 52¢ per thousand cubic foot for gas will have less than those states like Texas which now pay about \$1.60 per thousand cubic foot for the new gas contracts assigned for future years.  
The bill which I am

introducing will require other states to pay as much for gas produced onshore in the United States in the interstate markets as is paid in the intrastate market. And over a period of time, offshore gas will also be sold to those states at market prices rather than at federally regulated prices.

Some Congressmen, including my subcommittee and committee chairmen, wish to consider only the short term emergency rather than the long term problem, but it seems clear that the nation will have to have one price for this product and that price should be the same to all users and should be set competitively in the market place rather than by a government bureau. Allowing that to happen will allow the incentive for new exploration. That, in turn, will mean that our nation will have the energy it needs and can avoid the dependence on imports that we unfortunately developed in oil. With adequate supplies of gas, jobs and industry all over the country will be protected and that will be in the interest of all of us.

### C - B'ers Form Local Club

Officers were elected on a temporary basis November 2 when a meeting was held for the purpose of forming a local C. B. Club. Dr. L. M. Pollard was named president; Sandi Elliott, vice-president; Sandi Elliott, secretary; Terry Kinard, treasurer; and Don Bowman, sergeant-at-arms.

A temporary name for the club was approved and members named a local base station for monitoring Channel 9 in event of emergency. Also the club will use Channel 1 for the local call channel for the purpose of clearing Channel 19 for trucks and four-wheelers on the highway.

Committees were appointed to make arrangements for a place to hold meetings and social gatherings. Meetings will be held monthly and persons from 13 years up will be charged dues of \$1.

Anyone interested in becoming a member of the club should contact Texas Lady, Brewmaster, Bald Eagle, or Lady Blue Jay on Channel 1 for information.

for your

### Home Laundry

- ★ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water.
- ★ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.
- ★ Wash and dry a full load, but never overload... it is essential for each item to move freely for proper cleaning and drying.
- ★ Many manufacturers of permanent press garments recommend machine washing and machine drying for best results. Following instructions on the garment tag can help preserve the life of your clothing and give you wrinkle-free clothes without need for ironing.

Pick up your FREE copy of "ENERGY CONSERVATION" Booklet from

West Texas Utilities Company

Remember REDDY Supplies the energy—but only YOU can use it wisely!

### TAKE \$1500.00 OFF YOUR TAXES AND PUT IT INTO YOUR RETIREMENT

...with a San Angelo Savings Individual Retirement Account which pays you up to 7.75% producing an annual yield of 8.06%!

That's right! You can set aside up to \$1500.00 annually TAX-FREE toward your retirement. If you are not enrolled in a retirement plan (other than Social Security), up to 15% or \$1500 of your earnings can be set aside annually on a tax-deferred basis for your retirement. Under SASA's IRA plan, your savings will earn up to 7 3/4% annually. Your savings and the earnings paid you ARE NOT TAXED ANNUALLY. At retirement, benefits, as withdrawn, will be taxed as ordinary income, probably at a lower rate than your current tax rate.

## 60 Plus Club Holds Luncheon

The 60 Plus Club met at the Methodist Church October 29 for a covered dish luncheon. Members of the club and the advisory committee were responsible for the meal.

A bingo game was presented to the club by Mrs. Wanda Halford, in behalf of the Sonora Girl Scouts. The game was played by members of the club and prizes were awarded.

Special guests present at the meeting were County Judge J. W. Elliott; County Commissioners, Bill Wade and Preston Love; Mrs. Halford, Hershel Davenport and Joe David Ross.

Mrs. Hattie Epps was winner of the door prize which was donated by Mrs. Halford.

The next meeting of the 60 Plus Club will be held November 12 at St. Ann's Parish Hall from 3-5 p.m. Games will be played by members. Everyone is invited to attend and bring a friend.

## TEEN SCENE

**By Dottie Cawthon**  
Hello, how does everyone like November? It started off in a fantastic way with the carnival, didn't it?

For all the students of SHS who did not make one of the showings of the speech club's "Our Floundering Founding Fathers", it was shown in the high school auditorium November 4. It was a great performance and everyone participating should be congratulated.

Also on Tuesday, the F.F.A. had a breakfast to install new officers. I will report the names in next week's edition.

-SHS-  
As everyone has probably heard, one of our coaches, Tally Kelso, had an accident at the carnival. I was told he wasn't seriously hurt, but it will be painful sitting for a while. Does anyone have any spare pillows because the SHS chairs are hard and we are all anxious for his return.

-SHS-  
Special congratulations to our seniors on their magazine sales. The company reported to Mrs. Fields that our seniors sold more magazines than any other school organization before. That also reflects on the Sonora spirit and support.

-SHS-  
Did everyone get their copy of the SHS paper? Everyone who participated in this issue should stand up and take a bow, it was really enjoyable.

Everyone should congratulate our own Lesa Joy. She was honored by being elected the DAR Good Citizen of SHS. Actually she earned the title.

-SHS-  
Sonora High School welcomes three new students to our "family"...Ross Roberts who is a sophomore and Greg Roberts, a freshman, come from Gordon, Charles Arnold comes from Goleta, California, and is sophomore. A rumor is going around that the Roberts boys will be a welcome addition to our sports section.

-SHS-  
The senior class would like to express its appreciation to the public of Sonora for supporting the senior class in their magazine sales. We would like to thank all of you who bought magazine subscriptions.

Thanks, Senior Class of '76

The SHS honor roll students would like to express their thanks to the Sonora Lions Club for inviting them to be honored guests at the Lions Club dinner October 28. Thank you very much...SHS Honor Students

The Junior class thanks Sonora for helping us in our mum sales; raffle ticket sales; and at our carnival booths. We would also like to thank our sponsor, Coach Miller, who put as much, if not more, work into our fund raisings as anyone else. We hope to have your cooperation as great as this in the future. Thanks for everything...Your SHS Junior Class

-SHS-  
Well, we shall see you later and have a nice week.

Bill Webster, local chief of police, accepts a diamond watch from J. T. Hill of Ruth Shurley Jewelry. Webster entered a drawing for the watch which was given during a recent sale at the jewelry store.

- \*Patients dismissed during the same period.

## Band News

Denise Neal  
The Bronco Band went to contest Saturday. They received a II rating on their performance.

The Band sponsored the dime toss at the Halloween Carnival, and also sold balloons.

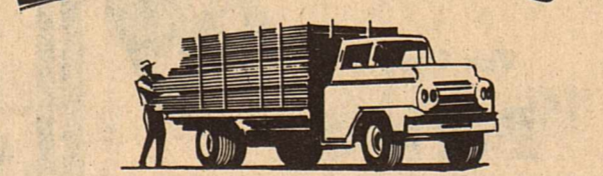

The Band will begin work for the Christmas Concert now. They will also work on selections for individual contests.

Bronco Bandmen for last week were every band member.

## LOCAL ARTISTS ATTEND WORKSHOP

Two local artists, Maxine Browne and Bobbie Fawcett spent last week in Rock-springs where they attended a painting workshop.

## Mrs. G. Derrick Honored Monday

Mrs. Bill Tittle, Mrs. Mike Sipes and Mrs. Ken Braden honored Mrs. Gary Derrick of Eldorado with a baby shower at the Braden home Monday night. Special guests at the affair were Mrs. Howard Derrick of Eldorado and Mrs. Bob Teaff.

Party rooms were decorated with spring flowers of yellow, white and green. Guests from Eldorado, Sonora and San Angelo were in attendance.

To keep your youngster's freshly polished white shoes from getting scuff while you're getting ready to go out, pull an old pair of socks over his shoes.

## Auxiliary Elects New Officers

New officers were installed when the firemen's auxiliary met October 28 at the fire hall. Mrs. Vernon Humphreys served as hostess.

Officers installed were president, Mrs. Bill Jolly; vice president, Mrs. Ronnie Crawford; secretary-treasurer, Mrs. Sammy Odom; parliamentarian, Mrs. Mollie Hife; historian, Mrs. Carl Teaff; and reporter, Mrs. Gene West.

Following the meeting 42 was played. Mrs. James Blackman won high; Mrs. West, 84; and Mrs. Joe Renfro, low.

Other auxiliary members attending were Mmes. Bud Smith, Louis Olenick, Kyle Donaldson and Steve Livesay.

\*\*\*  
Because nuclear power is cheaper than electricity generated from coal, it will help hold down energy costs.

## BOOKS ARE NOBLE

The library is a marvelous and unique place. It can dispel your loneliness, lift your spirits, banish your worries, and transport you into another time and place.

And books literally have the power to change your life. They can stimulate your intellect, arouse your curiosity. They can lead you into more profitable and exciting work.

Without the immortal power of books, we would not know of past man and past civilizations. We would not know the creations of mankind throughout his long history of inspiration and strength.

One immortal Book offers you beauty, hope and inspiration — more than any other.

Go and find this Book. Find the strength in it, when you enter into the House of the Lord.

## Public Notice

CITATION BY PUBLICATION THE STATE OF TEXAS TO: FRANCISCO RAMOS, Defendant, Greeting: YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court 112th of Sutton County at the Court-house thereof, in Sonora, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of October A.D. 1975, to Plaintiff's Petition filed in said court, on the 7th day of October A.D. 1975, in this cause, numbered 1938 on the docket of said court and styled IN THE MATTER OF THE MARRIAGE OF MARGO LOPEZ RAMOS, Petitioner vs. FRANCISCO RAMOS, Respondent.

A brief statement of the nature of this suit is as follows, to-wit: PETITION FOR DIVORCE  
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.  
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.  
 Witness, Erma Lee Turner, Clerk of the District Court(s) of Sutton County, Texas.  
 Issued and given under my hand and the seal of said court at Sonora, Texas, this the 7th day of October A.D. 1975.

Erma Lee Turner Clerk, District Court 112th Sutton County, Texas By Vivian Crites, Deputy. 4c7

## Public Notice

NOTICE THE STATE OF TEXAS COUNTY OF SUTTON NOTICE is hereby given that SUTTON COUNTY STEAK HOUSE AND LOUNGE, INC. has made application for a MIXED BEVERAGE PERMIT to be issued at IH 10 and Golf Course Road, City of Sonora, County of Sutton, State of Texas, to be operated under the trade name of SUTTON COUNTY STEAK HOUSE.

Officers of SUTTON COUNTY STEAK HOUSE AND LOUNGE, INC. Are: George Alexander, President, 2924 Woodland Circle, San Angelo, Tex. 76901, Bobby Ray Pennington, Vice President, Rt. 1, Box 890-A San Angelo, Tex. 76901, Gus Alexander, Secretary-Treasurer, 3002 Woodland Circle, San Angelo, Tex. 76901 2c10

No other facility of this type is available in the Concho Valley.  
 The Home does not house girls who are drug abusers, pregnant, or severely emotionally disturbed. Rather it is designed to assist girls before those conditions occur and

## Concho Valley Home For Girls Provides Homelike Atmosphere

Where can a frightened confused girl from a home torn by strife and dissension find a stable family-like place to live while her own family situation improves, or while making adjustments to become a responsible member of society? The Concho Valley Home for Girls provides such a place.

The Home became a reality in July 1973, after Drs. Bill and Blance McCaw donated equity in their home. Research revealed that some 200 girls a year from Tom Green County alone were referred to social agencies. More were referred to school counselors. Many of these girls possess the potential to remain or to become responsible members of our society...if given the opportunity to live in a real family situation and allowed to develop normally, with proper supervision and encouragement.

The Concho Valley Home for Girls, created to meet that need, can accept up to seven girls between the ages of 10 and 18 years. The residents attend public school and are encouraged by the house parents to participate in school and church activities. At the present time there are five girls at the home...three of these from Sonora.

No other facility of this type is available in the Concho Valley.

The Home does not house girls who are drug abusers, pregnant, or severely emotionally disturbed. Rather it is designed to assist girls before those conditions occur and

work toward preventing such occurrences.

The Home is supported by volunteer contributions and the Tom Green County United Way. It is not funded through any state or federal grants, but is recognized by the IRS as a non-profit organization and contributions are tax deductible. Living memorials may be given to the home by contacting the Concho Valley Home for Girls, Box 3772, San Angelo, Texas 76901 or by calling Jeryl Fields, 387-2124. Forms for memorials may be obtained from either Mrs. Fields or Mrs. Mike Sipes.

## Police Reports

At 10 p.m., October 28 city policeman Jerry Kemp received a call from a motorist who stated that a number of persons driving a black Buick with California license plates had shot at him several times. Kemp notified the Ozona DPS and was later advised by Crockett County units that three subjects had been apprehended and arrested.

On October 30 three minor traffic accidents were investigated. At 9 a.m. an accident at 1100 Tayloe involved Christopher R. Weaver of Sonora and Eugene Schneider of Odessa. At 11:20 a.m., vehicles driven by Juan R. Escamilla and Bobby L. Smith, collided at the intersection of Highways 290 and 277. At 5:10 p.m., an accident in the 400 block of Crockett Street

involved Erma Torres and William Rex Cusenbary. No injuries were reported in any of the three accidents.

A representative at a local motel notified police of a suspicious suspect loitering near the motel later in the evening of October 30. A male subject, was picked up and escorted out of town.

Police have been flooded with calls from victims of obscene phone calls. A number of reports have been coming in for some time but heaviest calls during the last several days.

Another traffic accident occurred November 1 in the Foodway Parking lot. Rhonda L. Snyder of Sonora was driver of a vehicle that backed into a parked car belonging to Mrs. Ethel A. Turney.

SISTER JUANITA  
PALMIST - READER & ADVISOR  
Del Rio, Texas

Everyone welcome at Sister Juanita's home. What you see with your eyes your heart will believe. Are you suffering? Do you need help? Do you have bad luck? Bring your problems to Sister Juanita today and be rid of them tomorrow. She advises on all affairs of life; there is no problem so great she can't solve (how to hold your job when you have failed, and how to succeed, call your friends and enemies by name without asking you a single word, and reunites the separated). Upon reaching womanhood she realized she had the Godgiven power to help humanity. Sister Juanita has devoted a lifetime to this work. From the four corners of the world they come to her. Men and women of all races and walks of life. There is no pity for those knowing they are in hard luck and need help and do not come. For one visit will convince you. She gives lucky days and hands you out of sorrow and darkness and starts you on the way to success and happiness. Don't fail to see this gifted woman who invites you to her home. Del Rio, Tex. Ave. F (across from Wards) Look for the Palm Sign in front of the house. Open daily & Sun, 7 a.m. - 10 p.m. No appmt needed.

## A Bishop Looks at Life

by Everett H. Jones, Retired Bishop of Episcopal Church

What About The "T. M." Craze?

One of the newest fads in America is a form of self-hypnotism called "Transcendental Meditation." It is said to be practiced now by over 600,000 persons, with the total growing daily.

This particular form of Oriental mysticism was brought to America by Maharishi Mahesh Yogi. The leader does not claim his teaching (commonly called "T.M.") represents a religion; it is rather a discipline of relaxation that provides for its adherents a way to reduce nervous tension and acquire new energy.

The primary requirement is that the meditator sit still for 20 minutes each morning and evening, and silently repeat over and over again his assigned and completely secret Sanskrit work, or mantra.

It would be a mistake to dismiss the movement as a rehash of crackpot ideas. It has won support from many thoughtful observers. For example, a new book by Dr. Herbert Benson, associate professor of medicine at the Harvard Medical School, is entitled "The Relaxation Response" and is a serious treatment of T.M. from the scientific point of view, with many illustrations of its good results.

However, it would also be a mistake to think of T.M. as a continuation of the long tradition of contemplation, or mysticism, as found in Judaism and Christianity. In this tradition, with all its variations, the goal is union with God. One authority describes the purpose "to be knit to God in spirit, in unity of love, and accordance of will." It has been a form of worship to make the individual a more God-filled person. Any results in new energy or greater relaxation were incidental by-products.

There are devout Christians and Jews (as well as followers of Buddha and Mohammed) who continue to practice meditation regularly in their personal religion as well as in retreats and periods of holy silence.

Time Magazine in an extensive report on T.M. concludes that it reflects the widespread hunger for mystical and religious experiences. "It is the most visible manifestation of the industrialized nations looking for relief from the pressures of modern life in Eastern spiritual or quasi-spiritual movements."

## Bronco Sideline Shots

By Bob Granger

Congratulations to Coach Dale Ethridge and the 7th Grade Colts on their undefeated season. The Colts, parents and coach have every right to be proud, and Sonora is proud of their accomplishments also. The Colts defeated Ozona 34-0 Thursday to wrap up a highly successful season. Coach Ethridge stated that it was a real pleasure for him to coach these lads and it was the will of the boys to work hard and the will to win that made it such a successful season.

Coaches Oliver Wuest and David Patton were presented with their first win of the season Thursday when the 8th Grade Colts defeated Ozona 22-6. After playing Ozona to over 15 1/4 quarters of tied ball, it looked like another tie. The Colts were not to be denied as they put two touchdowns on the board in the last 2:55 seconds of the game to win going away.

David Snodgrass, who underwent knee surgery last week in San Angelo is back at home and in school this week. Glad to know that everything went well and to know that David will be good as new before long.

Bobby Cook outstanding defensive tackle on the J.V., suffered a knee injury in the game against Ozona last week. Bobby is in the Shannon Hospital undergoing tests. It is a very sure possibility he will have to have surgery.

The seventh and eighth grade finished up their football season last week. The Varsity and J.V. have an open date this week. The Varsity will finish up against McCamey in Bronco stadium on November 14. On November 13, the J.V. will travel to Crane to finish up their season.

The 7-AA Championship could be decided this week as Ozona travels to Crane to battle the Golden Cranes. An Ozona victory would wrap it up for Ozona, but a Crane victory would leave things unsettled for another week. After Ozona, Crane still has to play Big Lake. A lot of things could happen before the smoke clears this year.

On Tuesday night, November 11, the Bronco Booster Club will host each boy participating in football from the 7th grade through the Varsity. An introduction of each boy will be made by his coach. Your attendance is urged if possible.

## OUR FLAG Historical Highlights

A NEW CONSTELLATION

Continental Congress passed a resolution that established the Stars and Stripes on June 14, 1777, but did not specify the arrangement

of the thirteen stars on the blue union, except to say that they should represent a new constellation. As a consequence, according to the U.S. Marine Corps Reserve, we find a variety of forms. The first flag, popularly known as the Betsy Ross flag, had them arranged in a circle, based on the idea that no colony should take precedence.

## Off The Snack Tray Into The Oven

Cooking with cheese is not new, but cooking with those specialty cheeses usually found on the tray of appetizers is a whole new world of flavors — and convenience.

Cheese is an excellent source of protein and a very popular food. Each year, the average American eats about 13 pounds of it.

By using cheeses that are already blended with natural

ingredients such as peppers, onions, meats, herbs and spices, you can cut preparation time because a part of the "fixing" is done.

For example, there's a new and easy way to prepare that long-time favorite dish, Quiche Lorraine, with a unique flavor twist. The recipe omits the bacon and Swiss cheese and instead uses Hoffman's Chees 'n Salami to replace both ingredients.

You can get a free recipe brochure of more tempting, easy-to-prepare Hoffman's specialty cheese dish suggestions at the cheese section of your supermarket or by sending your name and address to Ann Clayton, Consumer Information Center, Anderson Clayton Foods, P. O. Box 6165, Dallas, Texas 75222.

"I can't bend my neck!"

Serious injury claims often lead to lawsuits of \$100,000 or more - enough to financially ruin even an affluent family. Adequate personal and business liability protection is essential - and available from Morgan & Hunt Insurance.

## Poison Center Promoting New Identification Symbol . . . Mr. Yuk

The UTMB Poison Center at the University of Texas Medical Branch in Galveston serves both Sonora and Southwest Texas by providing first aid treatment information in cases of accidental poisoning. The Center maintains a 24-hours-a-day emergency telephone to answer poisoning inquiries from both the general public and the medical community. The problem of accidental poisoning, particularly in young children, is an ever-increasing problem. Over 200,000 cases were reported nationwide in 1974.

In an effort to help prevent future poisoning in children the UTMB Poison Center has affiliated with the National Poison Center Network and is actively promoting a new poison identification symbol. The older skull and crossbones no longer has any meaning of danger to young children since it is widely used in cartoons, at Halloween, and means pirates and adventure.

Because of this situation a new symbol was developed to speak to even the youngest children at their own level. "Mr. YUK" is a symbol that even the youngest children can be taught means no! His green, scowling face has proven most repulsive to young children.

The National Poison Center Network is a new health service that provides information and treatment to both medical professionals and the general public through a network of regional and satellite poison centers located in strategic population areas throughout the United States.

All centers are staffed by poison information specialists with physician back-up who answer telephones 24 hours a day.

Should someone call a center with a question that requires specialized information or research, the staff will call the national headquarters in Pittsburgh, Pennsylvania. Here, too, expert staff are on duty 24 hours daily, seven days a week, prepared to give answers to questions about specific product formulations, or to contact manufacturers of the products if it is necessary to do so in order to determine how to treat a particular kind of poisoning. The information is then transmitted to the regional center in written form via telecopier, so that it may be read by all those who

will treat a patient...and ultimately become part of the center's files or the patient's chart.

Each regional and satellite center functions as the poison information hub for a network of member hospitals in the area they serve. It is in the emergency rooms of hospitals that any poison cases which require medical attention are actually treated.

When a suspected poisoning occurs, a family member telephones the regional or satellite center whose emergency number appears on the

Mr. Yuk stickers. In many instances, the staff can assure a parent that no danger exists. In other cases, treatment may be administered at home without necessitating a trip to a hospital emergency room.

In addition to providing poison information and treatment, NPCN Poison Centers conduct year around public education programs to teach adults and children in the areas they serve, how to help prevent accidental poisoning. Focus for the educational activities is the copyrighted poison warning symbol of NPCN, Mr. Yuk.

### Vaccine Vital In Preventing Polio

This July, a 1-year-old Texas child contracted crippling polio--paralytic poliomyelitis--and it could have been prevented says Sarah Mahon, County Extension Agent-At-Large.

Polio vaccines, widely used in the U.S. since 1955, have virtually eliminated the disease. But it still can occur without protection.

The polio vaccine series, which is given by mouth, may be started at about two months of age. It's recommended that all unimmunized persons up to 18 years of age receive the polio vaccine to provide immunity to all three types of polio.

Parents must consult with

their private physician or local health department to work out an immunization schedule to fully protect their child, the agent urged.

There are three known types of polio virus, and they tend to attack cells in the intestinal tract and in the central nervous system. Many cases of polio are non-paralytic.

Polio is communicable mainly during the early days of acute illness and usually enters the body through the mouth. Early symptoms may include fever, headache, general discomfort, gastrointestinal disturbance and stiffness of the neck and back.

Spooks of all kinds paraded before townspeople Saturday in an effort to claim one of the various prizes awarded to most original, spookiest and funniest costumes. Pre-schoolers, kindergarten students and grade-schoolers entered the competition.

THE FASTEST CROSSING OF THE ATLANTIC OCEAN BY A PASSENGER SHIP WAS RECORDED BY THE UNITED STATES IN 1952 WHEN THE SHIP STEAMED FROM NEW YORK CITY TO LE HAVRE, FRANCE, IN 3 DAYS, 10 HOURS, AND 40 MINUTES!

### Mohair Growers To Decide On Proposed Board

Certification by Agriculture Commissioner John C. White October 29, clears the way for a referendum vote in 54 counties among mohair producers who will decide on a proposed mohair commodity board, February 10, 1976.

Under the 12-member commodity board, being proposed by the Mohair Council of America, directors will be elected from nine Texas districts with three board members being elected to at-large positions.

Sutton County would be included in District Six of the

proposed commodity board.

A maximum deduction of 2 and one half cents per pound is being proposed by the referendum to finance operations of the commodity board, which will carry out programs for promoting and marketing mohair.

"Voting on the referendum, which will be by physical ballot, will be conducted in each voting county's Agricultural Stabilization and Conservation (ASCS) office, with additional absentee ballots to be available in county agent offices," Commissioner White explained.

### Cub Scouts Elect Leaders

Four den leaders were elected when the Cub Scout Committee met October 27 at St. John's Parish Hall. Those elected were Gloria Gordon, Betty Stewart, Mary Fowler and Gaylia Underwood. Also elected were den leader, Wanda Halford; award chairman, Lois Dean; secretary-treasurer, Pat Tyler, and Mary Fowler, public relations.

Den leaders named for the Webelos are George Wallace, John Mittle and John Porras.

### Organ Fund Donors Named

Hudspeth Nursing Home has in its lobby, a new Wurlitzer Organ. This organ was made possible through the donations by a number of local persons. Those making donations were:

The Rev. and Mrs. Lea Roy Aldwell, Lea Allison, and Messrs. and Mmes. Sam Allison, Frank Bond, Ken Braden, George Brockman, Mack Cauthorn, Ben Cooper, Hershel Davenport, Harvey DuRussel and J. W. Elliott. Also Mrs. C. M. Epps; Messrs. and Mmes. Herbert Fields, John Fields, R. A. Halbert, R. L. Hardgrave, Lin Hicks; Mrs. Bryan Hunt, Jo Bess and Jim Jackson and Mrs. Alice Jones.

Also Messrs. and Mmes. W. B. McMillan, W. L. Miers, Thomas Morriss, George H. Neill, Durwood Neville, J. W. Neville, Walter Pope, N. W. Rousselot, Edwin Sawyer, Collier Shurley; Miss Jan Vander Stucken; Mr. and Mrs. J. M. Vander Stucken, Mr. and Mrs. John Ward and Mr. and Mrs. Cecil Westerman.

## For the man who wants everything. A Seiko Quartz Watch

The busy man of today deserves to know what time it is to within seconds per month. And the watch has to be handsome, too. That means Seiko Quartz. Seiko was the first to reduce the quartz principle to true wrist size, so no other watchmaker is better qualified to create a quartz watch of such slim elegance. It's truly a magnificent gift.

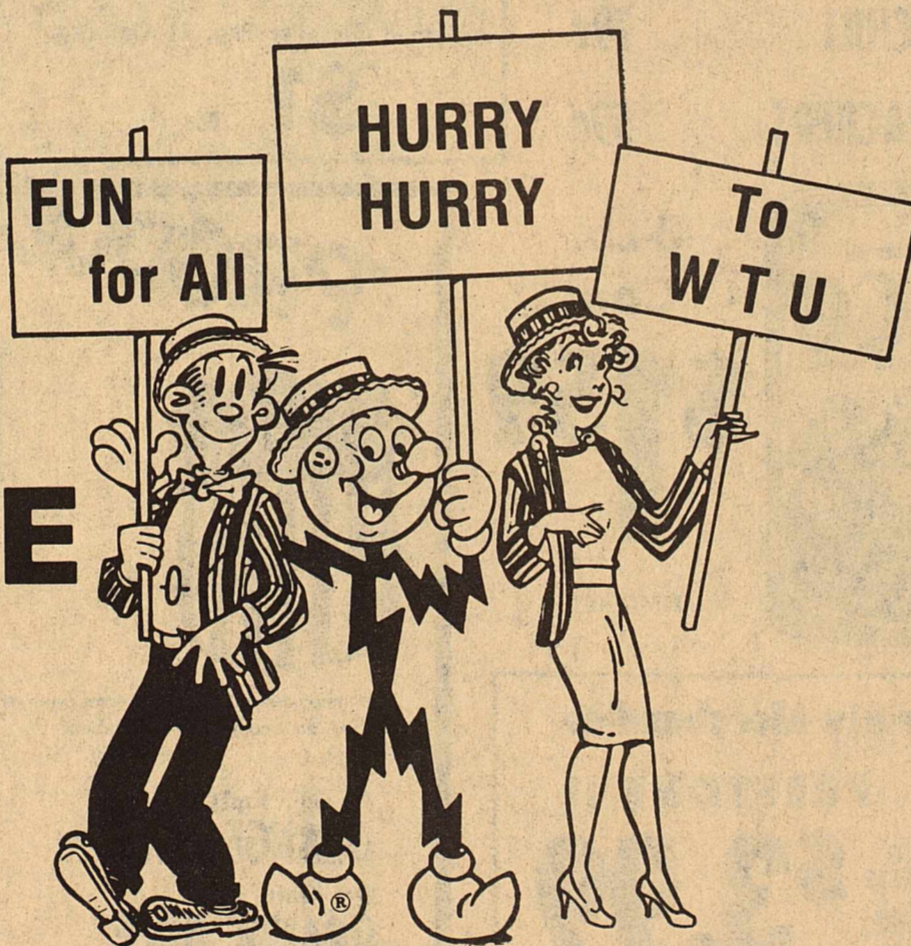

No. CM036M-\$225.00.  
Yellow top/stainless steel back, gilt dial, faceted HARDEX mar-resist crystal, luminous hands and markers, adjustable bracelet.

Put a SEIKO on layaway now for Christmas
