Rains of varying amounts have been falling over Sutton County for the past few days dumping moisture in excess of eight inches in the eastern part of the county. Umbrellas have become a common

sight as evidenced by Mrs. Smith Neal, Eric Neal and an unidentified woman leaving church Sunday morning.

## Rains of 2-8.20 Inches Cover County in 5-Day Period

Varying amounts of rainfall have been reported in Sutton County for the past few days. Amounts ranging from two inches to 8.20 inches had been reported Tuesday morning with light drizzle and showers still covering a large part of the county.

Pat Brown, the county volunteer weather observer, recorded a total of 2.87 for the in town area. This total was from July 8 until midnight Monday. More rain fell during the early morning hours Tuesday. Other sections of town recorded up to 3 1/2 inches.

Reporting the largest amount of rainfall was the Sterling Baker Ranch, 22 miles east of Sonora. Mrs. Baker said a total of 8.20 inches had fallen there with more rain occurring during the night and light rains still falling in that area Tuesday morning. The draw had come down Monday and was impassable.

Lea Roy Aldwell, whose

### Ramos Rites Held Tuesday

Funeral services were held Tuesday for Mrs. Guadalupe V. Ramos, 87, at Primera Baptist Church. Burial was in Sonora Cemetery under the direction of Kerbow Funeral Home.

Mrs. Ramos died Sunday in Lillian M. Hudspeth Memorial Hospital after a lengthy illness.

She was born December 12, 1888 in Lardeo and moved to Sonora in 1893. Survivors include one daughter, Mrs. Elvira F. Castro of Sonora, one son, Adolph V. Flores of Houston, four grandchildren, 12 great-grandchildren, and one great-great-grandchild.

ranch is located south of town, reported three inches while the Ben Cusenbary Ranch, located some 24 miles south, had 7 1/2 inches by Monday. Both Aldwell and Cusenbary said draws in that area made access to their ranches impassable. On the Cusenbary ranch however water gaps were still intact which is most unusual with the water situation in the draws.

W.L. (Bud) Whitehead had recorded four inches west of Sonora with the lightest rainfall occurring north of Sonora. The Haynie Davis ranch just north of town had a total of 2.80 while the Tittle Ranch had little more than

### Ruth Pope Buried July 6 In Bend

Funeral services were held in Lampasas July 6 for Mrs. Ruth Pope, sister of Mrs. Jack Barker of Sonora. Burial was in Bend Cemetery.

Mrs. Pope died July 4. She is survived by her sister, and one son, Alton Pope of Austin.

### Arizonan Sentenced

David Warren Friedrichs, 20, of Tucson, Arizona, was tried before Judge Charles Sherrill, sitting on the 216th District bench. The Arizona youth was given a two year probated sentence, fined \$400.00 and ordered to pay court costs.

Arrested while traveling through Sutton County on January 3, 1976, Friedrichs was tried before Judge Charles Sherrill, sitting on the 216th District bench. The Arizona youth was given a two year probated sentence, fined \$400.00 and ordered to pay court costs.

two inches. Mrs. Alvis Johnson, whose ranch is located one mile east on FM Road 1691 had recorded 4.20 as of Monday.

The five day rain brought the month's official total to 3.25 with a 10.08 reading for the year.

### Band Students Attending ASU

Four Sonora Bronco Band members are attending camp at Angelo State University this week. They will conclude their week Saturday with a concert at the University ballroom.

Students attending the camp are Gary Wuest, Terri Simpler, Jennie Wilson and Ree Dine Hill.

### 4-H'ers Attend Workshop

Four Sutton County 4-H members attended the District 13 4-H Leadership Workshop at the HEB Foundation Camp near Leakey July 5-8.

Preston O. Love, Jr., Mark Van Hoozer, Paula Friess and Jamie Condra represented the Sutton County 4-H Club at the camp.

4-H members received training in parliamentary procedure, planning 4-H meetings, planning the yearly 4-H program, conducting 4-H meetings and recreation.

### 4-H Record Books Due

Sutton County 4-H members who plan to submit record books for District 13 4-H Record Book Competition should bring the completed record book to the County Agent's Office by Friday, July 16th.

District 13 4-H record book judging will be held July 29 at 9:30 a.m. at the Research and Extension Center in Uvalde. Local 4-H members should contact the County Agent's

office for details concerning the completing of record books.

### SWIMMING LESSONS POSTPONED

The second week of Red Cross swimming lessons has been cancelled until next week, according to instructor, Melissa Teaff. All swimming students who are engaged in the lessons for this week are asked to come Monday at their regular time.

### Police Investigate Local Robberies

City police were busy the past week investigating a rash of robberies beginning with the theft of a tool box and tools reported missing from the residence of Julio Hernandez at 602 Glasscock. The reported robbery occurred July 6 and on July 10 Hernandez' son told police of seeing a Sonora man load a tool box similar to the one owned by his father. Upon investigation the tools were recovered. The suspect told police he had borrowed the tools from Hernandez. No charges have been filed in the case.

Robert Stokes, an employee of McCullough Services located at 504 Tayloe, reported to police on July 8 that a battery had been taken from a truck parked at the business. The battery was valued at \$40. Police have no suspects in the case.

On Saturday morning the attendant at the Fina Self Serve Station summoned police after a woman left the station without paying for gasoline. The attendant told police the woman came into the station for the purpose, he supposed, of paying for her purchase, then told him she had left her billfold in the car.

When last seen the suspect was south bound on Main Street. Gasoline was valued at \$5.75.

A fire extinguisher and set of keys was stolen from a vehicle at Thorp's Laun-Dry on July 8. The items, valued at \$112, were supposedly taken sometime during the night hours.

One 12 gauge shotgun, one double barrel shotgun, a 30.06 rifle, one .38 calibre revolver and a stereo speaker were discovered missing at the mobile home residence of Ben Montgomery when he came back from a weekend trip Sunday night.

Montgomery told police he left town Friday afternoon and upon arriving home Sunday discovered the missing items. Thieves had gained entry through an unlocked door but had missed unknown amounts of money concealed in two different places in the residence.

A maid who had cleaned the mobile home Sunday afternoon was questioned. She told officers that she had been at the residence at 3 p.m., and nothing was out of place at that time. Police alleged the theft to have occurred between the time the maid left and Montgomery's arrival.

## Issues Discussed By City Council

City council members met Monday for discussion on a number of city-related issues. A brief discussion was held regarding the acquiring of land adjacent to the sewer plant to be used for disposing of waste water.

Also on the agenda was the revenue sharing and use report. August 2 was the date set for the reviewing of the city budget for next year.

--Council members also discussed a public hearing to be held in regard to step two of the sewer system modification plan that is under federal

### 3 Screwworm Cases Reported

Three screwworm cases were recorded in Sutton County during the past two weeks in cattle. One case was in the navel of a calf and the other two cases were in the legs. Ranchers reporting cases were the Hattie Epps ranch 28 miles South of Sonora; the R.D. Kothman ranch on Station B Road, and the George Wallace Stewart Ranch, 28 miles southeast of Sonora.

The excellent moisture conditions due to the recent rains have created ideal conditions for a major outbreak of screwworms in Sutton County. Ranchers are being urged to check livestock closely and to report all worm cases to the Mission Laboratory. Angora goats should be sprayed out of the shearing pen and all shearing cuts should be treated. Other classes of livestock should be sprayed at regular intervals to control horn flies, screwworms and other external parasites.

grant.

--Plans and specifications were reviewed on the elevated water storage tank to be constructed on the hill behind the Hudspeth Hospital grounds.

--Brief discussion was held concerning deed restrictions on IH10 property sold by the City of Sonora. No decision was reached.

--City Manager Bob Nevill said that street signs within city limits in need of repair or replacing would be taken care of as soon as manpower becomes available. Most city employees are busy at this point distributing city trash containers to local users.

--City Police Chief Bill Webster spoke to the council regarding the proposal for consolidation of the city police department and the county sheriff's office. This consolidation would save taxpayers \$11,650 per year in operating expenses and give one office power to police the entire county. Webster also met with county commissioners on the matter. No portion of the proposal has been approved at this time as a resolution would be required from both governing bodies before consolidation could be made.

### Forum Honors War Dead

Memorial services were observed June 28 on the lawn in front of the courthouse by members of the local G.I. Forum. These services were held in honor of the war dead.

Attending were B.W. Ramos, Lupe Chavez, Lalo Gonzales, Pete Gomez and Ralph Gonzales.

## All-Stars To Host Ozona

Sonora's Little League All-Stars will host the all-stars from Ozona Monday night at 8 p.m., at the local Little League field.

Coaching the local stars are Bill Savell and Bruce Kerbow.

Members of the team are John Pollard, John Blankenship, Jeff Barton, Scott Savell, Manuel Perez, Allen Stewart, Perry Don Draper, Joe Shannon, Mark Doan, Devoe Smith, Rodney Green, Terry Moorehouse, Randy Mounce and Alex Noriega. Alternates are Chris Reynolds and Wendell Yarborough.

### Local Youths Attending Track Camp

Five Sonora youngsters left Saturday from Fort Worth on Amtrak Railways for a two week track training camp at the University of Kansas in Lawrence, Kansas.

Attending the camp are Cody Savell, Chip Savell, Paige Pollard, Kelly Ward and Kent Cagle.

### Local Girls Place In District Revue

Two Sonora 4-H Dress Revue contestants participated in the district show held in San Antonio's Wonderland Shopping Center July 9. Both were blue ribbon winners in the local show.

Junior division participant Tammy Van Hoozer won a red ribbon at the show, while Charla Hudson won a white ribbon in the pre-teen division.

Mrs. Calvin Van Hoozer assisted in the judging of the pre-teen division.

Without concentrated effort to bring about change, life is only an accumulation of habits, notes Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

THE DEVIL'S RIVER PHILOSOPHER SEZ.....

### Creatures From Outer Space Too Intelligent For Us

Editor's note: The Devil's River Philosopher on his bitterweed ranch on the Dry Devil's River has his mind on outer space again this week.

Dear Editor: I was thinking some more last night about this country's space probe of Mars and her hopes of exploring further out in space, egged on by some scientists' argument that there's bound to be intelligent life out there somewhere.

In fact, I understand that for 10 years scientists have been sending radio signals far out into deep space in the hope those intelligent creatures out

there, where ever they are, will hear us and answer back. But so far, not a peep.

You'd think that a conversation as one-sided as that would get boring and the scientists would give up. It's like calling somebody on the phone and listening to it ring unanswered for two days. Most ordinary people would catch on there's nobody at home.

But that's the wrong assumption when it comes to space. I think there are intelligent creatures out there. I think they're getting our signals. I think they're listening in to our daily radio and TV news programs and the last thing they want us to know is that they're out there.

If they're intelligent creatures they've got enough sense to know better than to interfere in a family squabble.

Sure, they're out there but they're not about to get involved in this mess. I can hear them saying, "You think we're crazy enough to land on earth and risk getting shot in the cross-fire between two countries? Those people down there, if they can't stir up a war with another nation they'll start fighting among themselves. Why in one place called Beirut it's gotten so they only can tell what religion a man belongs to by the caliber of the bullets he's shooting at you. And even if we landed in a peaceful country, if we're lucky enough to find one in between wars, what makes you think we wouldn't get gassed or shot outside the Library of Congress or in the streets of Jerusalem or at the Democratic Convention?"

Sometimes I think maybe we ought to save our space-flight money, get things straightened out here on earth and then sit back and let those outer space creatures, if they're so intelligent, land and discover us.

Yours faithfully,  
J.A.

### Mason Sets Bi-Centennial Celebration

Mason County residents are celebrating the 200th birthday of America, July 15-18 along with the annual Jaycee Rodeo, Mason County Round-up and Art Exhibit.

In keeping with the bicentennial theme, things of the past will be interspersed with today's activities in an effort to provide fun, food, and entertainment for all. This is made possible with the cooperation of a number of organizations which will sponsor booths. Most of these activities will be on the pecan shaded courthouse lawn.

### SHS Economics Dept., Site Of Food Program

A two day food preservation program will be held at the High School Home Economics Department here in Sonora, July 22 and 23. Each program is slated to begin at 8:30 a.m. with registration and will last until 11:00 a.m.

Topics to be covered are freezing and canning food at home. Exhibits of equipment needed for preserving will be on display, and free publications will be available.

With inflation and the need for stretching the food dollar, this two day workshop can help you make your food dollars go further and have high-quality food for your family. This workshop is open to the public.

The Texas Agricultural Extension Service is sponsoring this program in cooperation with the Sonora High School Home Economics Department.

Information at the meeting will be presented by Miss Sarah Mahon, Assistant County Extension Agent-at-Large for Sutton County, and Mrs. Diane Keller, Home Economics teacher in the Sonora ISD.

### Good Psychology

Psychologists say you can usually change the attitude of others toward you. If you're more cheerful when dealing with them they might become more friendly towards you.

### from HISTORY'S SCRAPBOOK

DATES AND EVENTS FROM YESTERYEARS

July 21, 1966

A Sutton County landmark, the Park Inn Cafe, closed Saturday when John Fields said he did not wish to continue the business and was not able to find a buyer.

The Sonora All Stars, behind the pitching of Felipe Bernal, bombed Ozona 18-4 Tuesday night. Tom Green, Frank Halbert, Steve Street and Rick Street had the leading hits for the Sonora All Stars. Chuck Browne got the only double.

State draft boards will be called upon to furnish 1,585 men for the armed forces in September according to the selective service director.

One hundred and sixty-three contestants turned out for the Seventh Annual Junior Rodeo held here last week.

July 20, 1956

Signing final papers transferring ownership of McCauley Chevrolet Company to Marion Elliott, took place July 12.

During the past two weeks the county has paid bounties to three persons who brought in foxes killed within the bounds of Sutton County.

Miss Cynthia Hall, bride-elect of Albert Ward, was complimented with a pottery and linen shower given on the lawn at the Louis Davis home. Miss Sue Greenhill and Miss Yvonne Davis were hostesses.

Nine Sonora Explorer Scouts left for an 18-day camping and canoeing trip in Minnesota and Canada. Those making the trip are Pascal Allison, Jim Ray Baker, Gene Broadhead, Rus Chalk, Rodney Davis, Freddy Fields, John McClelland, Johnny Nevill and Dewey Shroyer.

July 26, 1946

The La Vista Theatre was closed this week for the first time in nearly twenty five years as an extensive remodeling and rebuilding program were begun.

The Sonora softball team all-stars sent the Ozona softball team back to Crockett County Wednesday night with a 14-6

shelacking.

Incumbent Sheriff Leo E. Brown has three opponents in the primary election to be held Saturday. Vying for the position of sheriff in addition to Brown are B.W. Hutcherson, Cashes Taylor and John Franks.

A 21-day dry spell was ended Saturday afternoon late when a 1.71 inch rain fell in Sonora and moved North and East to include a few ranches in that area.

63 Years Ago

A good, heavy, steady rain began falling in Sonora Friday night. It came mostly from the north and the coolness of the atmosphere indicated that it has covered a large territory. The north and east rivers at Sonora are running.

E.F. VanderStucken received his new Jackson auto Friday. It is a good looker and has all the latest improvements.

Ben L. Wheat gave a birthday party Thursday for his chums. They had a big time for little folks.

The Anderson Vaudville Company held the boards for three nights at the Cope picture show this week. Their work was clean, capable and appreciated by fairly good houses.

### INSUR-MATION

by THURSTON McCUTCHEN TEXAS FARM BUREAU INSURANCE For questions & appointments call 387-2270

If partners or stockholders enter into a Buy-and Sell Agreement, each purchasing insurance on the lives of the others to fund the Agreement, are the proceeds subject to tax... includible in the insured's estate?

If, under this Buy-and-Sell Agreement, proceeds are not payable to the insured's estate and the insured has no incidents of ownership in the policies on his life, the proceeds are not includible in his gross estate. For example, if a provision in the Agreement prohibited the insured from surrendering, borrowing or changing the beneficiary, he would have no incidents of ownership in the policy. Therefore, under the Buy-and-Sell Agreement, the proceeds from the policy would not be a part of the gross estate. However, the value of his partnership interest or corporate stock is included and subject to Federal estate tax.

Pleasant Stores with Friendly Service

**Cindy Barfield,  
Sammy Daulong  
Wed July 10**

Miss Cindy G. Barfield and Sammy G. Daulong, Jr., were wed July 10 at ceremonies held at the home of his grandfather, Billy H. Sanders, in San Angelo. The Rev. Paul Terry, pastor of the local First United Methodist Church, officiated.

Parents of the couple are Mr. and Mrs. Luther D. Henry of San Angelo and Mr. and Mrs. Bill Taylor of Sonora.

Attending the couple were Cindy Read, maid of honor, and David A. Golden, best man.

A reception was held in a San Angelo restaurant following the ceremony.

The bride attended Glynn Academy High School in Brunswick, Georgia and the bridegroom attended Angelo Central High School.

After a wedding trip to Dallas and Fort Worth, the couple will make their home in San Angelo, where he is manager of a restaurant.

**Miss Melissa Gibbs Wed**

Miss Melissa Gay Gibbs became the bride of Thomas Lynn Clifton, June 26, during a double ring ceremony held at the Calvary Baptist Church in San Angelo. The Rev. Jim Farmer officiated at the candlelight service.

Parents of the couple are Mr. and Mrs. Nolen Gibbs of Sonora and Mr. and Mrs. Lawrence Clifton of Ft. Stockton. Grandparents of the bride are Mr. and Mrs. Leonard Gibbs of Sonora and great-grandmother is Mrs. Dee Gibbs of Fredricksburg, formerly of Junction.

Mrs. Si Loeffler, organist, furnished traditional wedding music.

Cathedral candelabras with white tapers and ivy served as a backdrop for the altar. White gladioli, white carnations and greenery stood on the altar and pews were marked with white bows and greenery.

Given in marriage by her father, the bride chose a formal gown of ivory organza with beaded Chantilly and Venice lace. The sheer circular yoke on a high rise bodice had Chantilly Lace appliques with Venice lace. Lace appliques at the waistline and beaded Venice appliques were scattered over long Bishop sleeves. Appliques of Chantilly lace connected with Venice lace formed garlands encircling the full skirt. Back fullness of the skirt extended to a Chapel train. She carried a cascade bouquet of yellow roses, stephanotis, white roses, baby's breath and English ivy.

Miss Laura Gibbs of Sonora served her sister as maid of honor.

Bridesmaids were Mrs. Ann Whitford of Austin, cousin of the bride; Mrs. Retha Ivy and Miss Molly Turner of San Angelo, and Miss Cindy Cavaness of Sonora. Attendants wore long gowns of old-fashioned paisley print. Ecru embroidery trimmed the butterfly sleeves, round necklines and ruffles encircling the skirt hemline. Ecru hats with baby blue ribbons completed their ensembles. They carried single yellow carnations with yellow and ecru streamers.

Brenda Bruton and Paul Bruton, niece and nephew of the bridegroom, were candlelighters.

Miss Stephanie Emery of San Angelo was flower girl. She carried a natural

basket of mixed flowers.

Jason Joaquin Davis of Quemado, cousin of the bride, was ringbearer.

Gregory Stuart of Ozona served as best man. Groomsmen were Cuatro Davidson of Ozona, Dennis Taylor, Mike Schultz and Terry Hickman all of Ft. Stockton.

Ushers were Dwayne Faust of Houston and Tim Castle of Ft. Stockton.

Miss Sherry Clifton, sister of the groom, presided at the register table that was covered with a white linen cloth. A crystal chalice filled with blue and white rice bags was used on the table.

The bride is a 1974 graduate of Sonora High School. She attended Texas Tech and is a sophomore at Angelo State University.

A 1972 graduate of Ft. Stockton High School, the bridegroom is a senior management major at Angelo State University.

After a wedding trip to Las Vegas, Nevada the couple will reside in Lubbock and San Angelo.

**RECEPTION**

A reception following the ceremony was held in the fellowship hall of the church. A white cloth featuring satin and net

ruffles was covered with a white Belgium lace overlay. The table was centered with an arrangement of yellow and white spider mums, blue carnations, baby's breath and greenery. This was flanked by a silver candelabra with blue tapers. The three tiered white cake was decorated with blue flowers and was topped with a traditional bride and groom. A silver punch bowl completed the table.

A chocolate wedding ring decorated with chocolate roses was served at the bridegroom's table which was covered with a white linen cloth. A silver candelabra with blue tapers and the bridesmaids bouquets complimented the silver coffee service. All appointments were silver.

Members of the house-party were Mrs. Lloyd Kirkpatrick of Uvalde, Mrs. Doug Davis of Quemado, Mrs. David Walsh, Mrs. J.L. Gibbs, Mrs. Lee Roy Valliant, and Miss Betsy Schwingling all of Sonora, Mrs. Joe Smith of Odessa and Mrs. Sherrill Farmer of Big Spring.

Guests attended from Sonora, Ft. Stockton, Mason, Quemado, Del Rio, Uvalde, Big Spring, Odessa, Houston, Big Lake, Ozona, Pecos and San Angelo.

**REHEARSAL DINNER**

Mr. and Mrs. Lawrence Clifton, parents of the bridegroom, were hosts for the rehearsal supper held at a San Angelo restaurant.

**Couple Wed  
In Home  
Ceremony**

Mrs. Edna Granger of Sonora and Mr. Morton Whatley of Bluffton were united in marriage July 10 at the home of her sister Mrs. Wallace Wartenbach. The Rev. Clifton Hancock officiated at the ceremony.

Attending the couple were her son and daughter-in-law, Mr. and Mrs. Bob Granger.

A reception was held following the ceremony to honor the couple. Cake and punch were served.

**Miss Selma Nelle Stubblefield  
Wed To Billy Glasscock July 2**

Miss Selma Nelle Stubblefield became the bride of Billy Curtis Glasscock July 2 in ceremonies held at the Alpine First Presbyterian Church. The Rev. Robert C. Wallman officiated.

Parents of the couple are Mr. and Mrs. Nelson Stubblefield of Sonora and Mr. and Mrs. Billy Glasscock of Brady. Attending the couple were Miss Glenna Chadwick of Sonora and John Land of San Antonio.

Mr. Glasscock is a graduate of Brownwood High School and attended Sul Ross State University.

The bride is a 1972 graduate of Sonora High School and a 1975 graduate of Sul Ross University.

The couple are making

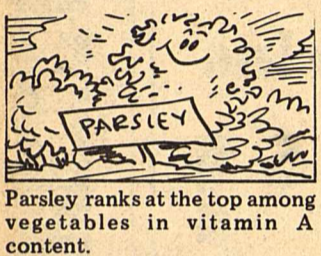

their home in Pecos where Mrs. Glasscock is a math teacher at Pecos High School and her husband is employed by Trans-Pecos Dairy.

**BLOOD BROTHERS**  
We're always encountering the heredity versus environment controversy . . . even when we think about *brothers*. Is blood primarily responsible for the bond of comradeship and affection pictured here?  
Or did the influence of parents and the atmosphere of their home largely inspire this relationship?  
History suggests the answer in man's religious growth: it was when he came to know God as his Father that he began to think of other men as his Brothers.  
The beliefs that draw families to church on Sunday inspire the dimensions of brotherhood every day.

**EAST-OR WEST? ACUPUNCTURE** is being examined as a serious science. It has survived so long in China, that there may be some explanation from which Medicine might benefit.  
The treatment is not exclusively Chinese. Early Egyptians had something like it, back in 2000 B.C. In medieval Europe, certain forms of Cauteury corresponded to Acupuncture. The Eskimo used sharp stones instead of needles, and some Brazilian natives still shoot arrows with a blowpipe, at specific points of the body, to cure disease.  
The Chinese developed a great system for treating various ills; however, Western medicine is very much popular in China. In fact, medical students have a choice to pursue either the Western or Chinese study. And upon graduation, doctors from each medical culture may be found practicing side by side in the same hospital.  
You'll get dependable cooperation from **BRONCO PHARMACY**, 116 N.W. Concho, when you need prompt medical supply service. Entrust your needs to us...PHONE: 387-3534.

### McAllister Resigns From Miles School

Former Sonora superintendent of Schools, Ken McAllister, has resigned from a similar position in Miles.

McAllister who served as superintendent here for five years, moved to Miles two years ago.

He has accepted a job as principal of Montgomery High School where he will assume duties August 1.

No bird now on earth has teeth.

Devine Spiritualist, Healer, Reader, and Advisor

Mrs. Sharon has the God-given power to heal. Are you suffering from Cancer? Arthritis? Rheumatism? Back and stomach pain? Lost nature? Do you feel as though you are walking in the evil shadow of the devil with bad luck? Has the love of your family forsaken you and gone to another?

Mrs. Sharon, God's messenger, who GUARANTEES to remove all sorrow, sickness, pain, and bad luck from you and your family in just three days. Remember there is not a home so sad, or a heart so broken that she cannot bring joy and happiness into it again.

I further GUARANTEE to bring success where all others have failed.

If you cannot visit, call or write to:

### Camp Arrowhead Provides Summer Fun For Girls

Carolyn Cooper, Judy Law, and Karen Hemphill are spending the first five weeks of summer at Camp Arrowhead, a private girls' camp west of Kerrville on the Guadalupe River.

Carolyn and Judy, granddaughters of Mr. and Mrs. George H. "Jack" Neill, are fifth year Arrowhead campers. They are both second generation campers. Carolyn's mother, Mrs. Jane Neill Cooper, and Judy's mother, Mrs. Nancy Neill Law, are former Arrowhead campers. The two cousins have both received recognition for outstanding participation in camp activities.

Karen, daughter of Mr. and Mrs. Warren C. Hemphill, is a first year counselor at Arrowhead. A former camper, Karen teaches horseback riding at camp and is a tribe sponsor. A junior at the University of Texas at Austin, she is a marketing major.

Camp Arrowhead offers swimming, tennis, canoeing, archery, horseback riding, gymnastics, riflery, journalism, music, and arts and crafts for girls six to seventeen in two five week summer terms. Owned by Mrs. Garner Bartell, the camp is now in its 42nd year of operation since its founding by her parents, Mr. and Mrs. Ewing Gillis.

### Cattlemen To Hold Convention

A good blend of business and fun is on the agenda for delegates and guests coming to the second annual state convention of the Independent Cattlemen's Association to be held in Austin July 15-18 at the Municipal Auditorium.

Speakers for this year's convention will include former Governor Allan Shivers, U.S. Representative Bob Krueger, Lt. Governor Bill Hobby, Chairman Norman Moser of the Animal Health Commission, Senator Bill Patman, Rep. Joe Hubnak and Rep. Susan G. McBe.

### Comptroller Collects More Taxes

Comptroller Bob Bullock said the enforcement officers of his San Angelo district office revealed through audits \$33,767 in additional taxes owed the state and collected another \$87,753 in taxes during the month of June.

Of the \$87,753 collected by the office during the month, the Comptroller noted, \$32,068 had become delinquent.

Statewide field collections by the Comptroller's 36 district offices totaled \$4.6 million during June, including \$2.3 million in delinquent taxes, Bullock said. He said the combined audit efforts of the field offices turned up a total \$3.6 million in additional revenue owed the state.

### County Ranks 74th In Oil, Gas Production

As an era of cheap energy and energy independence faded for America, Sutton County's 1975 crude oil and natural gas production became more significant to Texas and the United States than at any time since production began in 1948.

With its production marketed for a record \$38.4-million and an industry payroll totalling \$11-million, petroleum continued as an important factor in the economic health of the county, according to a study by the Dallas-based Texas Mid-Continent Oil & Gas Association.

Jack S. Blanton, Houston independent oil company executive and president of the Association, said increased prices, caused by the growing shortage of domestic oil and gas, has given a multi-billion dollar boost to the economy of Texas and the state's treasury.

"Increased prices help offset the economic effects of the downward trend in volume of Texas production," Blanton said, pointing out that increased revenues for producers are being soaked up by zooming drilling costs.

"The average cost of drilling a well in Texas had jumped from \$55,000 in 1962 to \$137,000 last year, a 150-percent increase and one of the reasons why 29 cent gasoline and low utility bills are relics of the past," Blanton said.

The total value of production statewide increased from more than \$11-billion in 1974 to over \$13-billion last year, a jump of nearly 19-percent. Sutton was one of 200 Texas counties which produced oil and gas with

a market value in excess of \$100,000 last year, an increase of three over the 1974 total and seven more than in 1973. The county ranked 74th in the state in the total value of petroleum produced, realizing \$2.2-million from the sale of 283,059 barrels of crude oil; \$36.2-million from the sale of 73.7-million MCF of natural gas. The county's royalty owners last year received \$4.8 million.

In addition to paying local school and county property taxes, county producers also contributed to the support of state government with production tax payments totalling

\$2.8-million--\$102,082 paid on oil output; \$2.7 million on gas production.

According to the Texas Employment Commission, 600 oil and gas industry employees worked in the county in 1975. But because oil and gas production and processing operations require such extensive support from service and supply firms, these direct employment figures are only a part of the story of the industry's impact on the local economy.

The industry's search for oil and gas continued in Sutton County, with oil and gas developers last year spending an estimated \$28.3-million drilling 252 wells in the county. Some \$5-million of that was lost in 60 dry holes, but the total drilling effort yielded three oil wells and 189 gas wells. The exploratory effort in the county last year saw the drilling of 18 wildcat wells.

Processing also con-

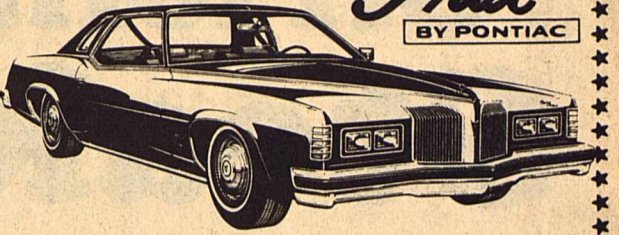

tributed to the county's petroleum-related economy with two natural gasoline processing plants, having a daily capacity of 60 million cubic feet, in operation.

The Egyptians once believed that the rising of the Nile River was brought about by a goddess' tears.
