Brooks-Trounce Bearcats 42-6

Mr. and Mrs. Ed Matthews and Mr. and Mrs. Joe Lane were among the many Bearcats fans on hand Tuesday night. The team played a good game and served food to the crowd at all home games. The good food goes over well with area residents.

The Cowboys roster is made up of all players who have been named to the All-American teams. The team has won five of the last six games, and they are currently ranked first in the nation. The Cowboys have a 4-1 record and are one of the top teams in the country.

A summary of defensive and Mark Herrick up to that point in the game. The Panthers were able to stop the Bears from scoring for the second week in a row. The Bears recovered a fumble in the third quarter.

The team gathered at the church to enjoy the pate and the low prices offered. The event was attended by over 50 people who joined in the fun.

The Texas A&M Weed Elliott and the Research Center for some agreement that since the area is prone to flooding, the station will be held at a location within the compound of the Texas A&M Research Center. The station will be held at 13 Points across from Troy's Law City.

The 13-0 lead proved to be unneeded insurance. The awesome Sonora Bronco defense. The awesome Sonora Bronco defense. The awesome Sonora Bronco defense.

Wool prices were strong in South Africa, New Zealand and Australia, but all the current world markets are weak. New Zealand's woolen season is getting under way in these countries as the harvest nears completion. A few reports indicate some stagnation in sales in Japan, the U.S. and Europe, although wool sales in these countries are still strong in some quarters. Wool prices are not as high as they were in the early part of the 1976 season, but they appear to be improving. In the U.S., 100 percent grade wool has been selling at 85 to 90 cents per pound, while 90 percent grade wool has been selling at 80 to 85 cents per pound. Off-type wools are selling at 65 to 70 cents per pound, and some high-grade wools are selling at 90 to 95 cents per pound. The amount of eight months wool for 88 to 93 cents this past week. Off-type wools are selling stronger as the supply of these types is more limited. Local buyers are using the same limits they had six weeks ago. Women of St. John's will be holding a raffle on September 17 at 8 p.m. to benefit the church. The church has been split into four parts by the city of Sonora. Effective this week, C.J. Myers has assumed the position of manager of the business operated by the estate of Johnnie Jefferson. Mrs. Walter Wilson has been elected to the board of directors of the Chamber of Commerce. Bromco To Face Stiff Competition Friday

By Kay Holdridge

“The Mason team is by far the best team we’ve faced so far this year,” said Bromco head coach Bill Bundy in reference to the Mason school, scheduled to meet Bromco in a football game this Saturday, September 11, at 2 p.m., at Bronco Stadium.

Bundy stated that the Broncos are on the lookout for a strong team to improve their game. "We have to work harder to be prepared for any opponent,” Bundy said.

The Mason team, however, is not to be taken lightly. The Mason team is expected to be one of the strongest teams in the region, and they won't be easy targets for the Bromco team.

Bundy stressed the importance of teamwork and preparation for the upcoming game. "It’s not just about winning, it’s about the effort and the spirit we bring to the field. We need to play our best to have a chance of winning,” Bundy concluded.

The Bromco team is scheduled to face off against Mason on Saturday, September 11, at 2 p.m., at Bronco Stadium. Tickets are available at the Bromco ticket office for $5.00 per person.

To learn more about Bromco or to purchase tickets, visit the Bromco website at www.bromcofootball.com.

Brownes Hosted Sunday: A Climax To Thirty Years

On Sunday members of the Lillian M. Hodgheyth Hospital and Nursing Home Auxiliary honored Mr. and Mrs. Charles F. Brown for thirty years of service to the community.

Dr. Brown and his wife, Maxine, arrived in Sonora in September of 1946 to begin their thirty years of hard work and dedication to Sonora as well as those from surrounding communities.

Those thirty years the Brownes met with several local citizens who were trying to gather funds to build a new hospital. They also worked with the late Dr. J.F. Howell.

Dr. Brown was born in Missouri, but the family lived in various towns and states in the building industry. A great many of his patients were from the local area.

During World War II he served for five years in the armed forces, including some time in the Philippines and Burma in command of convoys that went over the China-Burma-India route.

Maxine came to Sonora in 1932 when her father, Dr. J.D. Winkle, was employed.

The Brownes are parents of three children, Mrs. Brenda Brown Jane, Mr. Bobby Teaff, and Mr. Charles F. Brown II. Mr. and Mrs. Brown reside at 213 E. Main, Sonora, with Paul of Lubbock.

Mr. and Mrs. Tim Thorp announce the engagement of their daughter, Patricia Ann, to Mr. Bobby Teaff, son of Mr. and Mrs. Maxine Reeder, Rocksprings.

Miss Kinard is a senior at Sonora High School. Mr. Teaff is presently employed by a gas related industry.
