Auction Adds \$8,906 To Lions Treasury

A capacity crowd was on hand September 21 to bid on items ranging from a case of apple cider to a free night's lodging in Sutton County Jail. These generous persons were in attendance at the 39th annual Lions Club Auction held at the 4-H Center.

Lions reported that the sale brought an estimated \$8,906.00 to the club treasury. This revenue, as in the past, will be used to support many needed community activities such as the 4-H Center, 4-H food show and dress revue, crippled childrens camp, Girl Scouts, band boosters, Chamber of Commerce, firemen's training school, Concho Valley Home For Girls, 4-H livestock and wool show, the community sign, Boy Scouts, the annual hunting party, welfare council, Little League baseball and the Sonora Speech Meet.

A barbecue started the evening's activities with goats donated by various Sonorans.

Lem Jones of Glendale, Arizona was again on hand to add his expert touch of auctioneering. The first item auctioned by Jones was a book of Citizen Band slang, donated by Jones himself, and purchased by Bronco Pharmacy for \$40.

Almost every business

place in the city donated at least one item, some many more, to be auctioned off at the sale. Other donors included ranchers who donated goats, and cooks of the area, who donated their time and effort to produce delicacies made from their most treasured recipes.

The famous Mystery Package again this year led the auction with Mr. Haynie Davis paying \$900 for ownership of the mysterious box. First donated in 1943, the gurgling box has added many, many dollars to the club treasury.

Many items brought over \$100, including pecan pralines made by Mabel VanderStucken and purchased by Joe David Ross for \$135. A half day of bulldozing service from Carl J. Cahill, Inc., was purchased by the Hemphill Ranch for \$135, and another half day went to Lea Roy Aldwell for \$175.

Mrs. Alvis Johnson's german chocolate cake brought \$105 from Joe Kiowski as did a drench gun donated by Sonora Wool and Mohair and purchased by Edwin Sawyer.

Sonora Floral and Gifts donated a plant which added \$225 to the Lion's treasury when Mabel VanderStucken bid that amount. A case of Coffee

from the Foodway Store brought \$115 and a case of antifreeze from the Elliott Exxon Distributor was purchased by Charles Howard for \$125.

Loads of caliche from W.S. Anderson, Inc., was auctioned off to bidders Jamie Parker and Bud Whitehead for \$100 and more. A vise from A&K Parts was purchased by

Leo Merrill for \$175. One item that didn't go over very well was an overnight stay at the Sutton County Jail. Hershel Davenport, however, did pay \$25 for the honor and it was noted that \$25 was a fair price for any night's lodging that affords complete police protection and free breakfast.

Boys Vie In PP&K Zone Competition

Six Sonora youngsters travelled to San Angelo Saturday to compete in the zone competition of Punt, Pass and Kick, held at the YMCA football field. Those six young men were first place winners in their division at local competition held here September 22.

Charles Reppond placed first in the 8-year-old division with a score of 83. Placing second in that division was Scott Reynolds with Eddie Ramirez placing third.

In the 9-year-old division John Ponsetti placed first with 143 points. John also placed second in the San Angelo competition Saturday receiving a certificate and football. Placing

second in that division locally was Terry Redding followed by Maurice Vickers in third.

Phillip Vargas was first in the 10-year-old division with a score of 144. Esau Ramirez, III was second place winner, followed by Michael Polocsek.

In the 11-year-old division, Manuel Perez had a score of 215 to place first. Terry Vickers placed second and third place was won by Marney Sorenson.

Joe Shannon held a score of 195 to place first in the 12-year-old division. Following a close second was Cody Childress followed by Perry Don Drapper.

Louis Ramirez was the winner in the 13-year-old division.

Janice Grider, Mary Gomez, Kim Cox, Nancy Mooney, Peggy Lynch and Gloria Gomez are always

on hand at varsity and junior varsity games making sure that spirit is at an all-point high.

4-H Ball Monday

The Annual Sutton County 4-H Achievement Party and 4-H Ball will be held at the Sutton County 4-H Center Monday, October 4, from 6 to 10.

4-H members, 4-H leaders and friends of 4-H will be honored for their outstanding contribution to 4-H during the past year at the awards program which will be from 6 to 7.

Pam Powers, 4-H Sweetheart, and John David Cook, 4-H Beau, for the 1976-77 year will be honored at the 4-H Ball immediately following the awards program. "The

Country Corporation" band, from Robert Lee will provide music for the ball.

Dress will be informal with boys wearing jeans, etc., and girls wearing casual dress.

Refreshments including punch, cookies and sandwiches will be served.

All boys and girls in high school and junior high school are invited and all 4-H members in elementary school may bring a guest.

4-H members, 4-H leaders, and 4-H parents are urged to be present.

Firemen To Host Convention Sat.

The Hill Country Firemen's Association will convene here Saturday, October 2 with Sonora's volunteer firemen and their wives hosting. Some 22 towns will be represented.

A business session is planned at the 4-H Center Saturday morning with a luncheon following at the Methodist Church Fellowship Hall. Racing competition will begin at the fire hall at 3 p.m. Trophies are

to be presented at the evening barbecue followed by a dance on the slab at the Community Park.

The dance is open to the public with an admission of \$3 per person being charged. The Rydell Brothers of San Antonio will furnish dance music.

The Sonora Fire Department extends an invitation to the community to attend the racing events and to look over the newly renovated fire hall.

"With the great support the people of Sonora have always given the fire department, this should be a great convention with lots of fun for everyone", stated members of the department.

Emory Cain Dies In Wichita Falls

Emory B. Cain, 81, of Wichita Falls died September 22. Services were held Friday, with burial in the Crestview Memorial Park.

He was born February 26, 1895 in Denton County and had resided in Wichita Falls 35 years. He was a member of the Baptist Church.

Survivors include his wife; a daughter, Mrs. Gloria Broomfield of Wichita Falls; a son, Dayton Cain of Sonora; three sisters, Mrs. Elmer Phinney of Coleman, and Mrs. Bessie Morran and Mrs. Lena Johnson, both of Midland; a brother, Olen Cain of Midland; and four grandchildren, Angie and Dugan Broomfield, and Craggs Cain of Wichita Falls, and Scott Cain of Sonora.

QB Sneak Aids In Win Over Big Lake Owls

By Kay Holdridge

Ask Bronco head coach Bill Bundy what his favorite scoring play is, and he is liable to tell you "a quarterback sneak."

Sonora signal-caller John Elliott made the play click from a yard out three times in the Broncos' 28-6 crunching of the Reagan County Owls.

The Bronco defense forced the visitors from Big Lake to turn the ball over on downs on their

first possession.

Johnny Creek and Garry Jones ground out most of the next 59 yards before Elliott followed Scott Brasher's block on the first of his scoring plunges.

John David Cook's PAT kick gave the Broncos a 7-0 first quarter lead.

Dan Lawson's interception stopped the Owls' first drive of the second quarter, but Jones fumbled after a three-yard

pickup to give Big Lake the ball on their own 45. Two plays later, on the Sonora 47, Jennings Teel pitched back to Mario Hernandez on a perfectly executed option play, and the fleet Owl flew past the Red Hoss line stacked up on Don Thompson on the run for the extra point to maintain a slim, one point lead.

The hosts struck back quickly on a 74-yard drive with Elliott's one-yard dive again capping the push.

Big plays in the drive were a 10-yard blast by Creek, a 39-yard pass from Elliott to Gregg Parker and Jones' 14-yarder near the goal line. Cook's extra point kick was true and the Broncos held a 14-6 lead.

The Big Lake offense bogged down after the ensuing kickoff and Teel boomed a 60-yard punt that Elliott returned 20 stripes to his own 35. After a nine-yard scamper by Creek, Elliott again connected with Parker on a 56-yard TD bomb.

Cook's PAT was again good and the locals held a 21-6 margin as the gun signaled the end of the first half.

The third quarter moved slowly with both teams bogged down by penalties and turnovers.

The Red and White did manage to light the scoreboard shortly before the beginning of the final period.

Owl Britt Poyner let the pigskin slip through his hands on his own 24, and a host of red shirts pounced on the loose ball.

Manuel Lopez' jitterbugging 13-yard scamper and Jones' nine-yarder left only that magic one yard

for Elliott to find.

Cooks PAT gave the Broncos a much safer 28-6 lead.

The Sonora reserves moved the ball in spurts during the last period, chewing up precious time on the clock, while the defense, with help of interceptions by Cook and Billy Bob Galbreath, held the Reagan County offense in check.

Jones became the first Bronco runner to break the 100-yard barrier this season as he stepped off 110 yards on 16 carries. Creek rammed through from his fullback position for 40 yards in 8 attempts from five-yard average.

Absentee Voting Oct. 13-29

Absentee voting for the November 2 general election will begin October 13 and end October 29.

Those persons who plan to be out of town or otherwise unable to go to the polls on November 2 should vote by the absentee method at the office of the county clerk.

College students who will vote absentee should write to the county clerk's office for applications or have their parents make application for them.

Screwworm Outbreak

Screwworm cases in Sutton County have exploded over the past two weeks and ranchers reporting cases are to numerous to report.

Cases are being reported in all classes of livestock. New born calves and sheep head the list but numerous cases are also being reported in goats, grown cattle and horses. Any animal with the slightest scratch appears to be a prime target for the screwworm fly which is operating under ideal weather conditions at the present time.

The screwworm problem is complicated by fall calving and the fall breeding season of sheep. Ranchers should check new born calves and rams daily and treat wounds with fly repellents to prevent cases. All livestock should be sprayed on a regular schedule and all surgical operations, dehorning, etc., should be postponed until after frost.

Ranchers are being reported to continue to report all screwworm cases so that screwworm officials at the Mission Laboratory will know where the screwworm build ups are and will be able to concentrate sterile flies in these areas to help control the build ups.

Sonoran's Mother Dies

Funeral services were held September 20 in Mason Funeral Home Chapel for Mrs. Willie Reichenau, 84, mother of Mrs. Mary Bolt.

Mrs. Reichenau died in the Mason Nursing Home September 18. Burial was in Grossville Cemetery.

Born February 20, 1892 in Greenvine, she married Willie Reichenau June 25, 1927, in Fredericksburg. He died in 1959.

Surviving her besides Mrs. Bolt is another daughter, Mrs. Josephine Ritter of Mason; six grandchildren, and nine great-grandchildren.

Golf Tourney Planned

Eldorado will hold their End of the Rainbow golf tournament October 16 and 17. Play will be three men, one woman teams with 18 holes on Saturday and Sunday.

There will be a happy hour at 6 p.m., followed by a banquet at 7 p.m., at the Eldorado Restaurant.

Entry fee will be \$80 per team. Those interested in participating should call Mickey Rathbone, 853-2568 or Eddy Kinser, 853-2369.

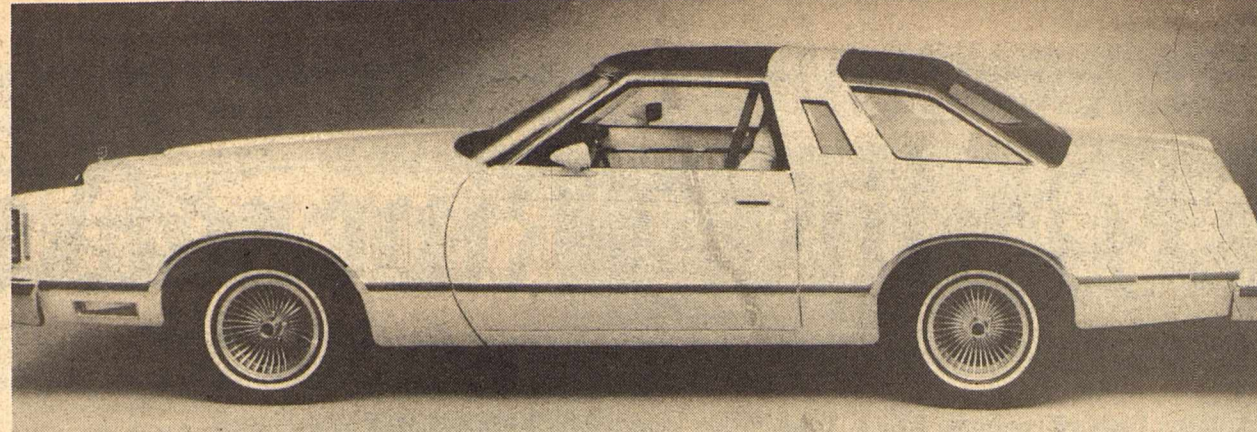

Fifty 4-H members, leaders, and parents participated in a "clean-up day" at the 4-H Center Saturday. The kitchen, rest rooms, trophy cases and equipment in the 4-H Center were given a complete cleaning job. The livestock pens and barn were swept and watered down to prevent dust. The trees in the parking lot area were trimmed and the grass and weeds on the unpaved parking area were cut. Several loads of trash were removed from the 4-H building and grounds. The 4-H Club and 4-H Leaders Association plan to hold another clean-up day at the Sonora Park Arena Sunday, October 10 at 3:00 p.m. The primary objective of this clean-up will be to remove rocks from the arena and metal trimmings left from the construction of the arena.

Garry Jones became the first Bronco to break the 100-yard barrier this season as he stepped off 110 yards on 16 carries in last week's game against the Reagan County Owls.

THE HOT ONES -- Two new sporty, two-door models for the largest segment of the automobile market--Thunderbird (pictured above) and LTD II--are among the multiple choice offerings from the Ford Division for 1977. The Thunderbird retains much of

its predecessor's character, but is now a mid-size car with a mid-size price. LTD II, sculptured lean with a trim look, will be offered as a four-door as well as a two-door model. On display at Sonora Motors.

Thunderbird and LTD II Head Ford's '77 Cars

Two new automobiles -- the Thunderbird and the LTD II -- head the lineup of Ford Division's 1977 cars, which are on display at Sonora Motors, down-

town Sonora. Heading the list of new Fords are two all-new mid-size cars -- the Thunderbird, a two-door hardtop, and the LTD II, offering sporty-looking two-door models as well as elegant four-door models and station wagons.

The new Thunderbird is a luxurious mid-size car, and the LTD II is a stylish intermediate - size family car. Other 1977 entries include the full-size LTD, The Granada, Ford's Hot-selling "swing" car; Pinto, America's most popular subcompact; Mustang II, a small specialty car sales leader; Maverick, the proven, durable compact and the highly popular Econoline Club Wagon.

The 1977 Thunderbird is a specialty car on a 114-inch wheel base. Overall length is 215.5 inches. The two-door hardtop Thunderbird offers high levels of standard equipment, a quiet, comfortable ride and excellent handling. Ford Division's other new mid-size entry, the LTD II, comes in three series. The base LTD II "S" and mid-series LTD II each feature a distinctive two-door hardtop, a four-door pillared hardtop and a station wagon. The top-of-the-line LTD II Brougham offers a two- and a four-door model, and the elegantly appointed LTD II Squire is Ford's high-series mid-size station wagon. All LTD II models have a lean, sculptured look, yet offer six-passenger comfort.

**Fred Campbell's
Wool and
Mohair Report**

In the Australian wool market last week prices firmed for all types being offered. The coarser types are still in strongest demand, primarily due to the shortages of offerings available.

Due to the extensive drought in Australia, their sheep numbers have declined three percent and estimates of shorn wool have been reduced a similar amount.

Prices paid for New Zealand wools at their sale last week were up 2 1/2 to 5 percent as compared to last week.

In this country, offerings are in firm hands and little trading is taking place. It has been estimated that as much as 80 to 90 percent of the U.S. clip has now been sold out of producer's hands. Prices which could be obtained on offerings are comparable with the year's high prices paid.

The Del Rio warehouses are holding sales this week and we will report the results next week in this space.

The big news is the mohair market was the decline in prices paid at the second South Africa sale in Port Elizabeth last week. The big decline was for kid mohair with lesser price reductions for adult and yearling. The local Texas buyers were pulled out of the market almost two weeks ago and no trading has taken place since.

While the drop in prices are not great, it could indicate that the market has now peaked. The small amount of mohair available should prevent a major drop in price.

My small son looks wonderingly at a bright red cardinal. And, for one instant, I glimpse a bright mind in eager search, the wonder of intelligence dawning. What an awareness of heaven is in my heart as I see my baby reflect God's goodness and love! And what a deep sense of responsibility I feel.

How grateful I am for my church! It has helped me find answers, strengthened my faith. How comforting to be able to guide the religious training of my child as his questions grow in scope and depth!

More than anything else I want to share with him the wealth of love and understanding, joy and strength I have found in the love of God and His Church.

Stephen Terry

Stephen Terry Chosen To National Merit Semifinalist

Stephen Terry has been selected as one of 15,000 National Merit semifinalists by the National Merit Scholarship Corporation. These high school seniors are the top one-half of one percent of the nation's seniors, based on scores of the preliminary scholastic achievement test given them last October. Approximately 90 percent of these students are expected to attain finalist standing by meeting a number of requirements this fall. Finalists are then considered for the various scholarships available through the scholarship corporation.

Terry is the son of the Rev. and Mrs. Paul Terry, and is a senior at Sonora High School. He has maintained a 94 average throughout high school. He moved here from Charlotte where he had completed his freshman year as the highest ranking freshman boy. He has been chosen for district band on the baritone horn three times in the past three years and

Chaos Club Hosted

The Chaos Bunko Club met Monday night at the home of Mrs. Rodney Knight.

Winning bunko was Mrs. Hoot Hearn; high, Lila Mae Wipff; second, Mrs. Curtis Weant, and low, Mrs. Doug DuBose.

Cake, chips, dips and drinks were served to Mmes. Archie Crenwelge, Pam Wilson, Scooter McMinn, Bill Jolly, Rodney Knight and guests Mmes. Walter Walicek, Nolan Johnson and Bruce Gann.

Band Booster's News

The junior varsity and both junior high teams will play here tonight (Thursday). Those parents to provide two dozen sandwiches for the concession stand are Simpler, Mounce, Morriss, Lawson, Black, M. Hernandez, Wallace, and Short.

Parents to bring two dozen cupcakes are Merrill, Mobley, Dominguez, Doran, and Galindo.

Friday, October 1, the varsity team will host Brady. Mr. and Mrs. George Wallace will be chairmen of the concession stand on that night. Parents working with the Wallaces are J.T. Hill, M. Hernandez, Turney Friess, Armer Earwood, Sue Taylor, Lula Boyd, Phillip Cooper, Bill Doran, Luther Creek, Tino Dominguez, and Steve Short.

Parents to provide two dozen cupcakes each on that night are H.E. Hill, Creek, Elliott, T. Friess, and Dominguez.

ALLENS VISIT C.W. WESTS

Mr. and Mrs. Lee Allen, III of Azle visited with his grandparents, Mr. and Mrs. C.W. West, Sr., last weekend while on their honeymoon. The Allens also visited the Carlsbad Caverns and the Caverns of Sonora.

7 at 7 Club Meets At Langfords

Mr. and Mrs. Clint Langford hosted the 7 at 7 Bridge Club Saturday night at their home. Guests were served chocolate cake and ice cream.

Attending were Messrs. and Mmes. Bill Savell, Jamie Parker, Joe Neil Smith, James Alexander and Joe Lane. Mr. and Mrs. Warren Hemphill were club guests.

Winning high were the Hemphills; club high, the Savells; travel, Parkers; and bingo, the Smiths.

Mrs. Brasher Hosts Monday Bridge Club

Mrs. Wayne Brasher was hostess September 27 to members of the Monday Night Bridge Club. Chocolate pie and coffee was served.

Winning high was Mrs. Clayton Hamilton; travel, Mrs. Horace Hill; consolation, Mrs. Frank Adkins, and bingo, Mrs. Joe Neil Smith.

Others attending were Mmes. W.H. Hill, Albert Ward and Bob Granger.

Bunko Club Meets At Tacker Home

Mrs. Nola Tacker hosted the Dirty Dozen Bunko Club September 22 at her home.

Winning bunko was Mrs. Bettye Carre; high, Mrs. Shirley Snyder; second high, Mrs. Carol Mitchell, and low, Mrs. Tacker.

Others attending were Mmes. Penny Wadley, Joyce Vaughn, Kay Story, Clara Minatra, Gloria Gordon, Mac Holt, Terry Chandler and a guest, Mrs. Kay Patton.

Young Keith Wallace was among the many visitors attending open house at the Doyle Morgan Insurance office last week. Keith visits with Mrs. Gene [Francis] West, office secretary.

Junction Tech Sets Conference

The 14th Annual Ranch Conference on range, research, and ranchers will be held Friday, October 8, at the Texas Tech Center in Junction.

The purpose of this conference is to bring together ranchmen, technicians, and others interested in ranch and range management in an effort to help solve some of the problems facing today's ranching industry.

These meetings will provide for discussion of the latest information on brush control, grazing systems, stocking rates, ranch investment, income tax problems on ranches, forage inventories, wildlife

management, range re-seeding, poisonous plant problems and other points of concern on West Texas ranches.

Dr. F.M. Churchill of Abilene Christian University is this year's program chairman. Rodney Chambers, District Conservationist of Soil Conservation Service in Junction is making local arrangements.

Registration will begin at 8 a.m.

General Motors has done it for '77...a complete new generation of cars!

Bundy Heralds Brady As Large, Speedy Team

"Brady is the type of team that has the potential to embarrass you," stated Bronco head coach Bill Bundy. He also said, "They are bigger than we are and have exceptional speed."

Bundy said that their defense was outstanding against the run, but was possibly weak in their secondary pass coverage.

"We're the type of team that doesn't have any one standout player. We have to depend on team effort," the head coach stated. "Everyone will have to play well to beat Brady," he added.

"We need to establish our running game," Bundy said. He also commented that the Broncos would probably have to rely on John Elliott's passing, too.

The head coach was well pleased with the Broncos' winning effort against a large Big Lake team last Friday night at Bronco stadium.

Bundy said that the Broncos established a strong running game early in the contest and that the blocking was especially sound on the tight end side of the game. "The linemen are much improved," the Bronco coach said.

"We played a good solid defensive game," Coach Bundy stated. He was well pleased with the entire defensive unit.

"The whole team has improved with every game," Bundy said.

Offensively, Bundy complimented the entire corps of running backs. Manuel Lopez, who was out the first three games with a shoulder separation, came in to play a good game running the ball.

"Manuel will give us more depth and speed in our offensive backfield," Bundy added. Zeke Gamez, also lost to injuries early in the season, came in late in the game and will add even more depth offensively and defensively, according to Bundy. "Scott Brasher had an outstanding game blocking," cited Bundy.

Defensively, Bundy named Brasher and Ross Roberts as outstanding performers.

The main weakness in the Big Lake game was downfield penalties such as clipping and holding. "The boys need more coaching in this area," Bundy analyzed.

The Broncos will host the Brady Bulldog unit at Bronco Stadium tomorrow night. Kickoff time is 8 p.m.

Joey Kirby relaxes on the sideline along with teammates in last Thursday's game when the local junior varsity overpowered the Crane Golden Cranes by a 35-0 score.

4-H Projects Enrollment Set

Enrollment for 4-H projects is now underway in Sutton County. Both agriculture and home economics projects are being offered.

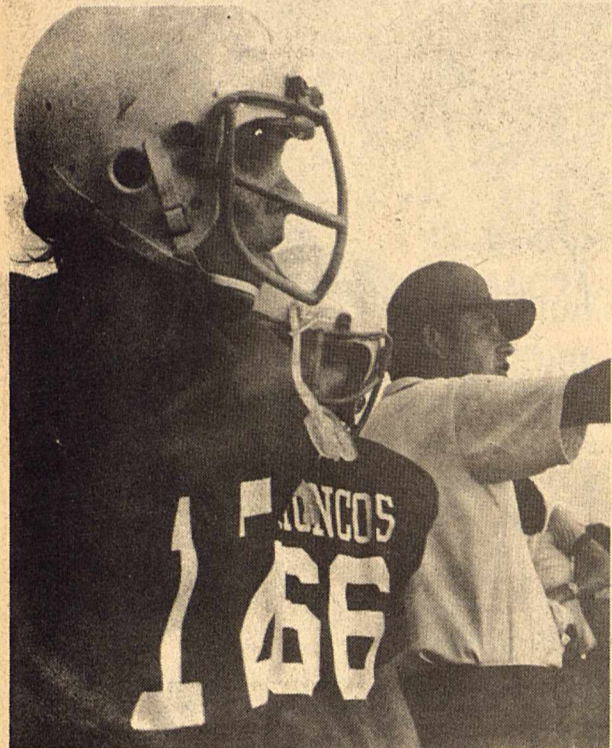

Ag projects include market lamb and goat, rabbit, horse judging, wool and mohair judging, horse

project, beef cattle project, range and grass judging, livestock judging, shooting sports project, automotive, and photography.

Home economics projects include foods and nutrition, clothing, and child care.

All of these projects are open to anyone between the ages of 9 and 19. Contact the County Extension Office at the Bank Building or call 387-3101 for more details.

Texas Agricultural Extension Service programs are open to all, irrespective to race, color, national origin, or sex.

J.V. quarterback Kent Cagle looks on as his defense holds Crane to 42 yards total rushing and only 22 total yards passing in last Thursday's game played in Bronco Stadium.

J. V. Explodes Past Crane

By Bob Granger
Ignited by Eddie Favila's 85 yard opening kickoff return, the Sonora Bronco J.V. exploded past the Crane Golden Cranes J.V. by a score of 35-0 in Bronco Stadium last Thursday night.

The Broncos racked up three touchdowns in the first quarter to quickly show their superiority in smashing the Cranes both offensively and defensively.

For the second week in a row, the Bronco ground game surpassed the 300 yard mark as they ground out 323 yards in 50 carries. The Bronco offensive line continually opened gaping holes in the Crane defense to spring Bronco backs for good gains.

The Bronco defense didn't play second fiddle to the offense as they allowed only 64 yards to the Cranes. The Big Red defense had allowed only 17 yards total offense until the final six plays when Crane garnered most of their offense toward the end of the game.

Favila gathered the opening kickoff in on his 15 yard line and went up the left side of the field behind a solid wall of blockers to race 85 yards untouched to score. John Bautista added the PAT and quickly the Broncos were ahead 7-0.

On the Bronco's next possession, they drove 62 yards in eight plays to score. A 27 yard burst by fullback Benny Granger moved the ball to the Crane 10 yard line. On the following play, tailback

Cody Savell scooted around his left end to score the second Bronco TD with 6:35 left in the first quarter. Bautista stepped up and booted the PAT thru the uprights and the scoreboard showed Sonora 14, Crane 0.

After a Crane punt, the Broncos went to work on their own 33 yard line. Four plays later, tailback Jimmy Waters broke up the middle, broke two tackles and raced 46 yards for the third Bronco T.D. of the first quarter. Again the big toe of Bautista added the PAT and the Broncos were on their way by a score of 21-0.

A short time later, the Broncos mounted a seven play drive from the Bronco 46 yard line. The drive was aided by a 15 yard penalty against the Cranes. Savell picked up the final 15 yards as he burst thru the right side of the Bronco offensive line to tally the fourth Bronco T.D. Bautista put his fourth PAT on the scoreboard to add the 28th Bronco point.

After holding Crane on downs on their 40 yard line, the Broncos struck

quickly as Favila broke 30 yards to the Crane ten yard line. Three plays later Granger bulled in from one yard out with 3:18 left in the second quarter. Dependable Bautista stepped up and booted his fifth PAT of the night to send the Broncos to a 35-0 lead at halftime.

The Broncos threatened twice in the last half as they drove to the Crane nine and five yard lines on two occasions, but were unable to cash in on either.

The Cranes only serious scoring threat came in the second quarter as they recovered a Bronco fumble on the Bronco 24 yard line. The threat was ended when Waters intercepted a Crane aerial on the one yard line.

The Bronco J.V. will host the Ozona J.V. Thursday night in Bronco Stadium at 7:30 p.m.

Sonora	Crane	
17	1st Downs	8
323	Yds. Rushing	42
25	Yds. Passing	22
348	Tot Yds	64
1-7	Passes, Comp-Att	7-18
1	Int By	1
3	Fumbles lost	0

Junior High Wins One; Suffers One Loss To Crane

The eighth grade Colts winning streak came to an end last Thursday night when the Crane team squeaked by them 6-0. Controversial penalties and a sluggish offense kept the Little Hosses from scoring. Ronald Berkley and Steven Chandler provided spark to the offensive effort, but they were not enough to ignite scores. Johnny Doan also had a fine game.

Defensively, Robert Ponsetti, Wesley Barton, and Ben Ingham played well. Ingham recovered two Crane fumbles.

7th GRADE
The seventh grade Colts were victorious and continued their winning streak to 3. The Little Reds beat Crane 18-0.

Ponciano Castillo scored two touchdowns offensively. Allen Stewart intercepted a Crane aerial and ran it all the way to paydirt for the Colt's final score.

The Colt defense was equally impressive in their third shutout in as many outings. Defensive end Joe David Favila and lineman

David Wills had good performances. However, the entire defense is to be commended for their strong performances.

The Colts will be at home tonight hosting Ozona. The seventh grade game will begin at 4:30, followed by the eighth grade, and finally the junior varsity.

Increase In State Expenses

Comptroller Bob Bullock said recently that an analysis by his office shows that state expenditures have increased more than 50 percent during the last 10 years even after being adjusted for the effects of inflation and population growth.

Bullock said total state expenditures actually rose from \$2 billion in 1967 to 6.2 billion in 1976, or more than 300 percent.

Junior Rodeo Dates Set

The Sonora Park Rodeo Committee is sponsoring a AJRA and Open Junior Rodeo October 15, 16, and 17 at the Sonora Park Arena.

Performance times will be 8 p.m., Friday and Saturday and 2 p.m., Sunday.

Age groups will be 8 and under, 12 and under, 13-15, and 16-19. Entries

and money must be in to Mrs. Louis Powers, 108 W. College by 5 p.m., Tuesday, October 7. She has entry blanks.

All proceeds will go to the Sonora Community Park. There will be dances both nights. Friday night the dance will be at the 4-H Center and Saturday night it will be at the Park Dance Pavillion.

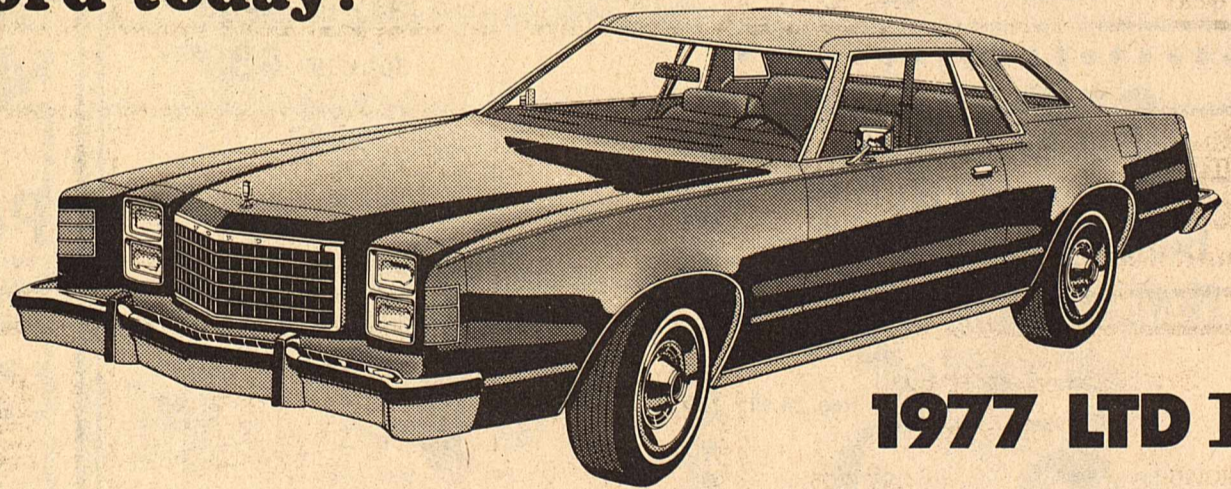

Winners in the local Punt, Pass and Kick Competition held last week and sponsored by locally by Sonora Motor Company.

Broncos To Host Brady Bulldogs

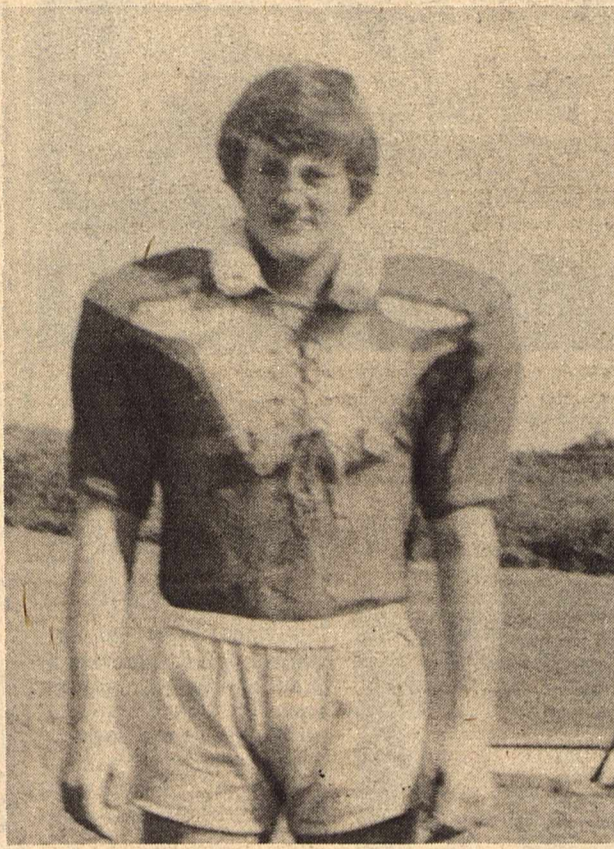

Zeke Gamez

Zeke Gamez is a 164 pound senior and wears number 23. He plays wingback and tailback on offense and halfback and rover on defense. Zeke played for the Broncos last year, also. He is the son of Mr. and Mrs. Max Gamez.

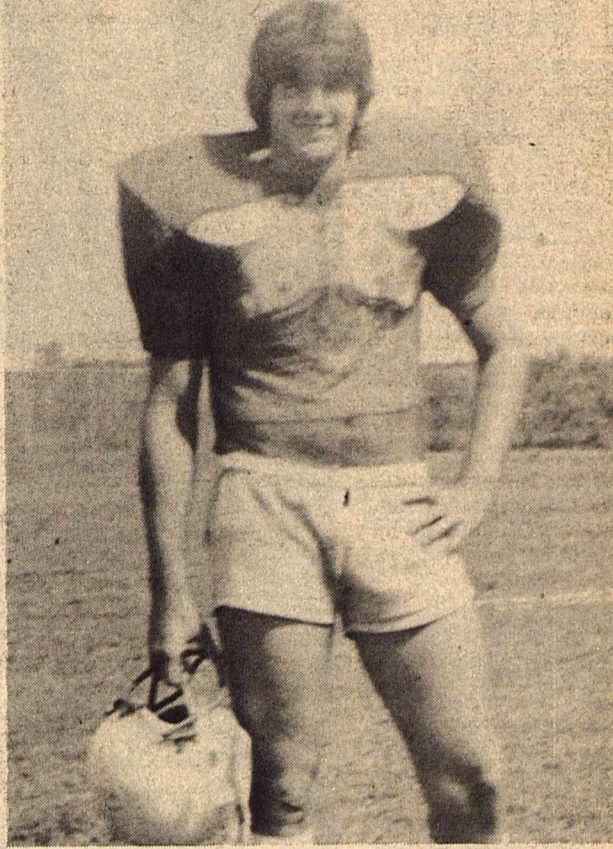

Ross Roberts

Ross Roberts, number 75, has done a fine job for the mighty Broncos this year. He is a transfer student and played on the Junior Varsity last year. Ross is a junior and weighs 195 pounds. He is a tackle on both the defensive and offensive squads. Ross is the son of Mr. and Mrs. Hal Roberts.

Mark Hemphill

Number 20 for the Broncos this year is Mark Hemphill. Mark has played for the Broncos for the last two years. He plays fullback and guard on offense and plays end on defense. He weighs 155 pounds and is a senior. Mark is the son of Mr. and Mrs. Warren Hemphill.

Bo Carroll

Bo Carroll wears number 70 for the Broncos. He is a senior and weighs 185 pounds. Bo plays tackle for the Broncos, both offensively and defensively. He is a returning starter and has done an excellent job for us this year. Bo is the son of Mr. and Mrs. Bill Tittle.

Joe Mike Egan Seeks Election To DA Position

Joe Mike Egan has authorized the Devil's River News to announce his candidacy as a write-in for the office of District Attorney for the 216th Judicial District in the general election to be held November 2, 1976. Egan's victory over the present incumbent in Bandera, Gillespie, Kendall and Sutton Counties in the May, 1976 Republican Primary was not enough to offset his deficit in Kerr. (no Rep. primary in Kimble). Hence Egan's name will not be on the ballot in November and he is working to come back as a write-in candidate.

Egan, 48, took his law training at the Southern Methodist University School of Law in its evening division, graduating in June, 1964 in the top ten percent of his class, Order of the Woolsack.

Upon graduation from law school, Egan left the Sun Oil Company where he had been employed for eleven years, to accept a clerkship with the Honorable James Noel, United States District Judge for the Southern District of Texas. He served as law clerk for Judge Noel for three years, from July 1, 1964 until June 30, 1967. Egan then moved from Houston to Kerrville, where for the past nine years he has been engaged in the general practice of law.

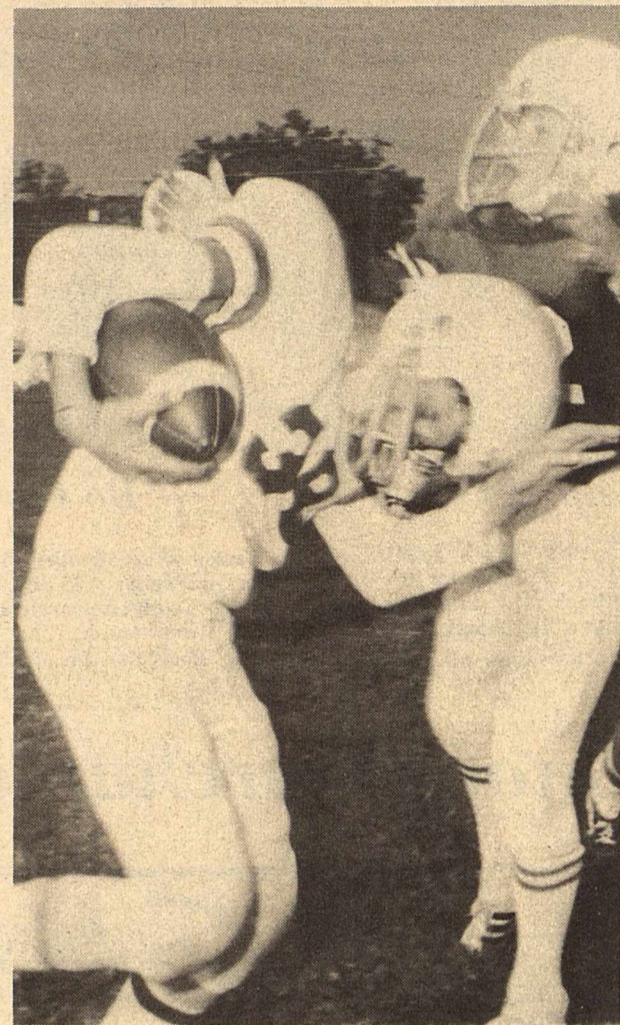

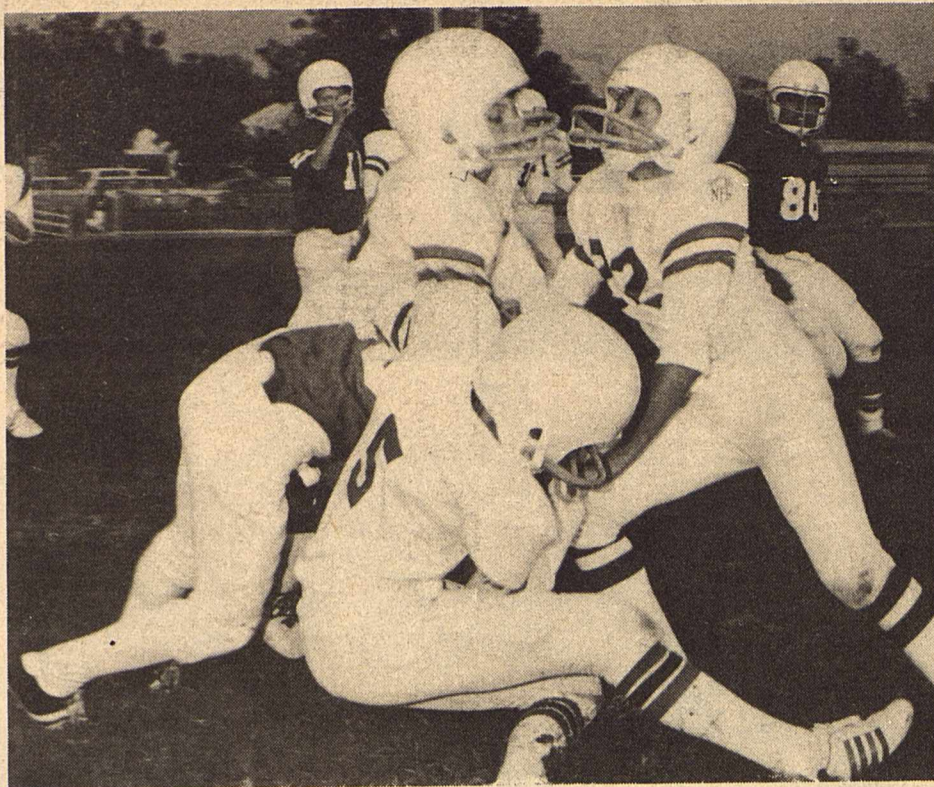

Egan said: "While in Kerrville I have gained experience in trial and appeal of felony cases, as well as of misdemeanors at the County Court level. In my employment in Federal Court in Houston and Galveston I benefited from considerable opportunity to observe criminal trials from the objective view of the court, and particularly from concentrated experience gained working on federal habeas corpus petitions filed by state prisoners. I am licensed to practice in the State of Texas, the United States District Court for the Western District of Texas, the United States Court of Appeals for the Fifth Circuit, and in the Supreme Court of the United States.

"Our reason for moving to Kerrville was to make our permanent home on a place at the end of Goat Creek Road (about 6 miles out of town, just inside Gillespie County) that my Dad, the late J. M. Egan, started working in 1948. My wife, Mary, is the third grade teacher at Ingram and our three children, Kathy (17), Mike (14), and Frances (13) all attend school at Harper. We are members of Kerrville's First Presbyterian Church and I am a member of the Kerrville Rotary Club."

"I find politicking to be a humbling experience. Particularly in this write-in effort is brought home to me daily my absolute dependence on each of you. One summerlong anxiety I have been troubled with has, however, been relieved. Only recently have I learned that you need not possess the kind of memory supposedly enjoyed only by elephants to cast a write-in vote. Prior to leaving for the polls on November 2nd you may, yourself, make a written notation of my name and where it is to be written-in on your ballot. It is my understanding that you may then properly take the notation you have made into the polls with you and copy it onto your ballot. As you see, this is, again, asking extra effort of you. Herein, however, lies the difference between realistic prospects of success or lack of them."

Egan is of the opinion that the controlling issue for voters should be deciding which lawyer in the race would most likely give the state the best legal representation.

Pol. Adv. Paid by Joe Mike Egan

Saturday morning the Youth Football league met at the Bronco field to play their second game of the season. [Scores on the games were not available to the press.] This Saturday at 9:30 the Raiders and the Vikings will start the play followed by the Chiefs - Cowboy game.

Dee's Notes

by Dee Nevill

Chamber of Commerce officers and directors will be meeting Monday at 7 p.m., at the Chamber office. All officers and directors are urged to be in attendance...and if you wish to come and visit with us...then, we'll be glad to have you.

Bronco Boosters meet Tuesday nights at 7:30 in the Elementary School Cafeteria. If you are a Bronco Booster (and who isn't?) come and hear Coach Bundy give highlights of the previous games, along with some thoughts on the upcoming games. Our congratulations to the Broncos for their win against Reagan County last Friday.

New home sites for teachers who living in mobile homes on corner of N.E. 2nd and Prospect are needed as the school administration plans to use the block of land for expansion purposes. Dr. Joe Andrews said efforts are being made to find another place to house the mobile homes.

Another Oil related industry moving to Shurley Enterprises recently is CIC, who located there last week. Johnny Lippman is doing office work for the firm and says it will probably be three months before they have a telephone as GE has underground lines to lay. A new face at Sonora Motor Co. is Paul Lippman, mechanic. The Lippmans are looking for a 3-bedroom home if you know of one.

"Let Thy fountain be blessed, and rejoice with the wife of thy youth" (Proverbs 5:18) and this is what Leonard Gibbs with the bride of his youth, Bernie, will be doing October 2 as they celebrate their Golden Wedding Anniversary at their ranch home. Honoring them will be their children and grandchildren on this grand occasion.

Fae and Doyle Morgan were serving cokes, coffee and cookies as they held open house Friday inviting Sonorans to come by and see the location of Morgan Insurance Agency. The building is very attractive, and we wish them well in their new offices.

Western Union office has been relocated to P&S Shop and Save with Vicenta Cervantes performing duties as local agent. Location is 102 Main St...telephone number is 387-3915. WU service will be available daily Monday through Saturday, 9 a.m. to 9 p.m. Sunday hours are 12 noon to 9 p.m.

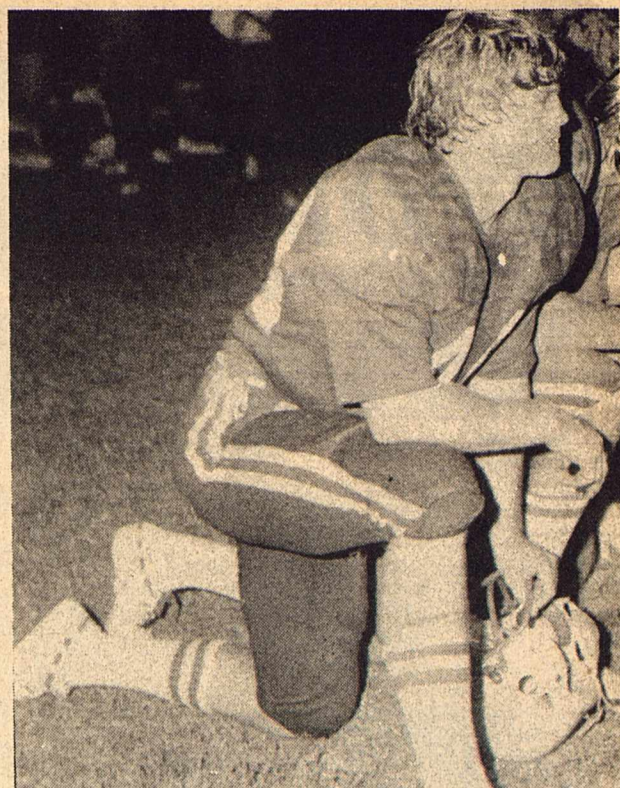

The Questions people ask of the Chamber office stimulate our own interest so we begin searching for answers. Several recent inquiries as to our annual humidity have caused us to research this somewhat. No one seems to have info as to the annual rate. Dr. Johnny Fields at Sonora Animal Hospital tells us that during the past couple of months we have run 50 to 65% humidity. Some days were as high as 80% (the day of the 11-inch rain!) according to Bob Kelly who was instructing students at the airport as to density altitude and what it can do to an airplane. Dr. Fields estimates that our annual humidity would probably average between 25 and 35% with some summer days dropping perhaps as low as 6 to 10%. Interesting, isn't it, how it varies?

Bill Chapman out at Sonora's Municipal Airport said much damage was

sustained to radio transmission equipment used for navigational purposes during the big rainstorm. Bill said direct lightning hits disrupted radio communication equipment. The equipment installed at a cost of about \$7,000 is being repaired presently. Lightning really played havoc with several color television sets here also. Nelson Stubblefield of Sonora Electric thought he was seeing 'the charge of the Light Brigade' when all these folks came marching in with damaged sets following our recent electrical storms. He is still trying to come out from under the barrage.

Attending the Advisory Council meeting of the Big Country Area of the American Lung Association was Mrs. Dennis Dunnam, R.N.

A quote from Herbert Hoover: "Blessed are the young, for they shall inherit the national debt."

Johnny Creek takes a slight rest from Friday's game against the Reagan County Owls.

City To File For Community Grant

The City Council of Sonora has determined to file an application for Community Development Block Grant funds.

A Public Hearing will be held Monday, October 4, 1976 at 10 a.m. in the City Council Chambers at City Hall to offer interested citizens an opportunity to aid the City Council in determining local problems eligible for funding and their solutions should the grant be received.

The primary objective of the Community Development program is the development of viable urban communities by providing decent housing, a suitable living environment and expanding the economic opportunities of persons of low and moderate income. This objective is to be achieved through the elimination of slums and blight and detrimental living conditions, conservation and expansion of housing and housing opportunities, increased public services, improved use of land, increased neighborhood diversity, and preservation of property with special values. Thus, the program is versatile. A community, after determining its own problems, can determine how best to solve those problems itself.

Cities and counties are eligible to seek these funds. The Dallas office of the Department of Housing and Urban Development which administers the funds has established a maximum amount available based on population. \$100,000 is the maximum for which Sonora is eligible to apply. Because of the many applications filed, not all applicants can be funded. HUD has established a selection process which will help to determine who gets funded. That process requires HUD to review every application to insure that an effort is being made to satisfactorily perform previously funded tasks, to implement previously accepted housing plans, and that the current request is for activities which are eligible. If HUD is favorable to our application on those three factors, the application will receive points based on six items. The points will be totaled and funds will be awarded the cities and counties with the highest number of points. The six items are: 1) the extent of substandard housing; 2) the proportion and extent of poverty in the area; 3) the extent to which the activities benefit low-or moderate-income families; 4) the extent to which the proposed activities expand or conserve low or moderate-income housing; 5) the effort to alleviate a serious threat to health or safety; and in some cases, 6) if the funds will be used to acquire other Federal or State grants.

Part of the requirements for obtaining the grant are that citizens be given at least two opportunities to publicly express what they feel our local problems are and how they should be solved if this money is received. Citizens are also to be informed of the purpose of the grant, the selection criteria, the citizen participation requirements, the funding limits, and the possibility that funds are not available to fund every application submitted.

The City in filing this request certifies to HUD that the program, if awarded, will be conducted in a nondiscriminatory manner. Also, the City would certify to the enforcement of the National

Environmental Policy Act of 1969.

Activities eligible for the Community Development program are:

1. For the acquisition of real property which is blighted, deteriorated, deteriorating, undeveloped, or inappropriately developed properties; appropriate for rehabilitation or conservation activities; appropriate for the preservation or restoration of historic sites, the beautification of urban land, the conservation of open spaces, natural resources, and scenic areas, the provision of recreational opportunities, or the guidance of urban development; to be used for the provision of some public works, facilities, and improvements; or to be used for other public purposes where necessary to the community development program.
2. For neighborhood facilities which: a) are designed to serve a particular neighborhood and provide services for that area, or for the entire area if the area population is less than 10,000; b) provide health, recreational, social, or similar services; c) may be either single or multipurpose in nature.
3. Senior centers.
4. Historic properties (including private where public access is available).
5. Utilities.
6. Streets, street lights, traffic signals, signs, street furniture, and trees.
7. Water and sewer facilities but not sewage treatment works.
8. Foundations and platforms for air rights sites.
9. Pedestrian malls and walkways.
10. Parks, playgrounds, and other recreational facilities.
11. Flood and drainage facilities where unavailable through other Federal programs.
12. Parking facilities, solid waste disposal facilities, and fire protection equipment and facilities under some circumstances.
13. For code enforcement in delineated areas which are deteriorating and where such efforts in conjunction with other activities may be expected to halt decline.
14. For clearance, demolition, removal, and rehabilitation of buildings and improvements.
15. For special projects which will remove barriers to the mobility of the elderly and handicapped.
16. For relocation of families displaced by program activities.
17. Funds may also be used to provide other public services needed to support the community development program and for which other Federal assistance is not available.
18. Funds may be used to match or acquire other Federal funds for activities consistent with the program.
19. Also, for planning necessary to the development and completion of a workable community development program.
20. For reasonable administrative costs.

In completing the application for Community Development funds the City will need to determine local housing conditions and the needs of local residents for various types of housing assistance both for owners and renters. Then a program on how the needs should be met will be submitted.

Card Of Thanks

To the people of Sonora we would like to extend our thanks and appreciation for help and kindness to our daughter and sister, Christine Cruzan, and to the people who have made donations to her trust fund. A special thanks to both her doctors and their wives. And to the hospital staff and the best nurses in the world, and last but

not least, our thanks to the Rev. J. Clifton Hancock, pastor of the First Baptist Church of Sonora, for his services and wonderful friendship during our time of need while she was still with us. To all the people who sent flowers without an address our many thanks to you also.

The entire Alewine Family of Sonora and elsewhere 1p5

To everyone who was so kind to think of me during my recent stay in the hospital, my family and I extend our appreciation. Your many gifts and kind

thoughts hurried my recovery.

The Robert Taylor Family 1c5

Words cannot express our deep appreciation to our Sonora friends for assistance given the day of our recent tragedy; for expressions of sympathy, flowers, food, and memorials, in the loss of our little daughter and granddaughter, Carrie Ann. May God bless you all,

The C.F. Dacy family, Eldorado, and M.E. Nicholas family, Onona 1c5

PUBLIC NOTICE

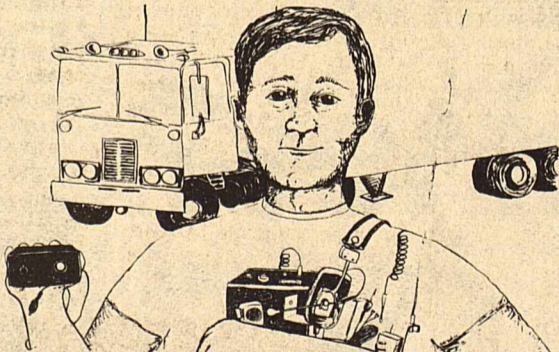

Major-Home Appliance

has expanded their service to the Sonora area to two days a week.

TUESDAY-FRIDAY

Please call White's Auto, 387-3151 or San Angelo 655-1013

Full factory warranty on all major brands.

If I had to make a choice between my CB radio and my Fuzzbuster, I'd

CHOOSE THE FUZZBUSTER

Developed by a Speed Radar Manufacturer. Fuzzbuster is a self-contained, solid state, parametric radar receiver. Requires no antenna and no operator's license. Fuzzbuster responds to radar signals up to 3 miles distance with positive visual and audio warning. Half the cost of a good CB radio.

FUZZBUSTER parametric radar receiver by Electrofert.

from HISTORY'S SCRAPBOOK
DATES AND EVENTS FROM YESTERYEARS

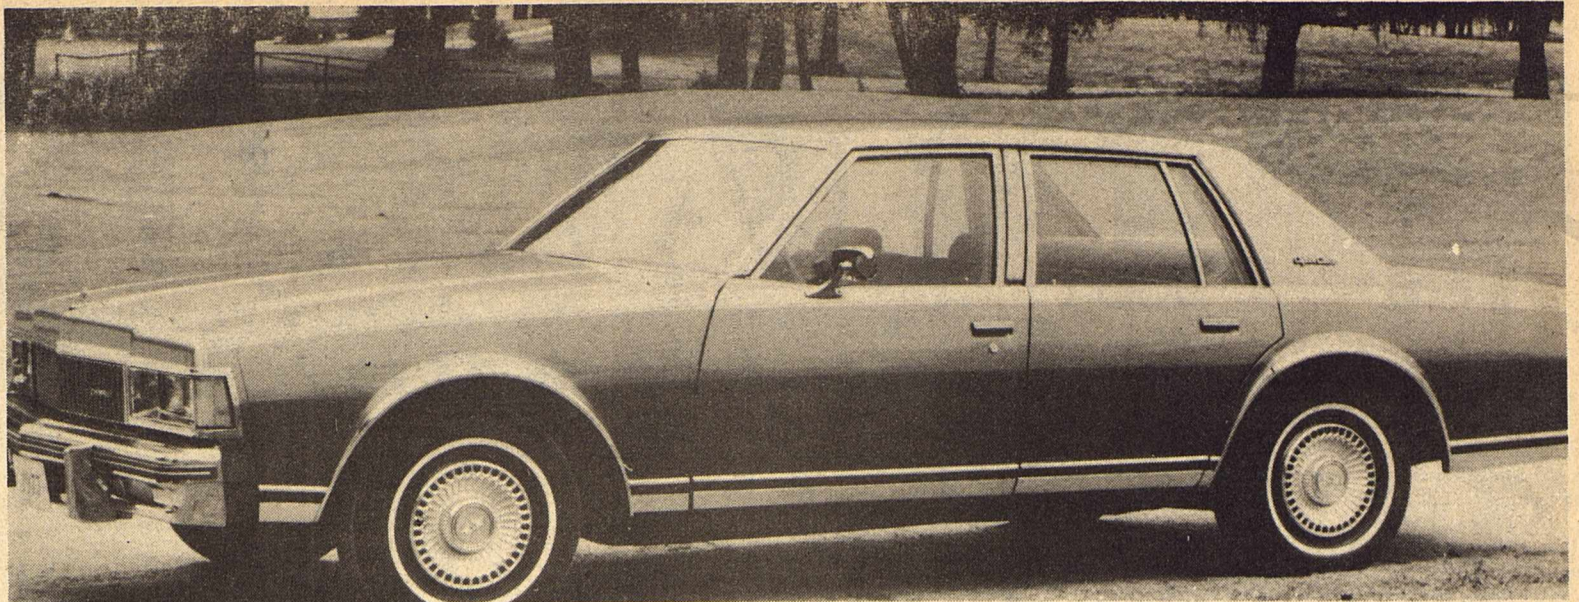

October 6, 1966
The powerhouse Broncos picked up third win of the season by beating the Ozona Lions 33-0 Friday night in Ozona.
A girl was born to Mr. and Mrs. W. L. Whitehead September 21. She was named Lea.
Telephone numbers will have a different look when the new directory is delivered in November. The new system, known as All Number Calling, uses seven numerals than two letters and five

numerals as in the past.
Johnny Fields, working on his masters degree at A&M, received serious hand injuries last week while working in chemistry lab with a homogenizer.
Mrs. Jim Sloan of Irving and Mrs. Albert Ward honored their father, G. H. Hall of Quanah, with a surprise party in honor of his seventy-fifth birthday.
October 5, 1956
Baldomero Favela, 26, was killed instantly Friday morning when his pickup, loaded with dynamite,

exploded about 22 miles south of Sonora. Favela, who was an employee of Carl J. Cahill, Inc., was alone at the time of the accident.
Coach Joe Turner's Broncos took the McCamey Badgers apart to the tune of 26-7 in the season's most exciting football battle before an estimated 1,586 fans here Friday night.
The Fidelis Class met at the Baptist Church with Mrs. J. A. Cauthorn and Miss Nettie Word as hostesses. Officers for the coming year were installed by Mrs. Pearl Crites.

October 11, 1946
The State Highway Department announced this week that it was opening an engineering residency here with C. C. Stroud in charge.
In action of the City Commission Monday it was voted to give all full-time city employees a ten percent salary increase.
Taking to the air after a ground attack had failed, Al Boughton tossed a nine yard pass to Dickie Street for a touchdown last Friday night at the stadium to start the ball rolling toward a total 19-0 win over the Junction Eagles. The Broncos are now seeking their first win over the Eldorado Eagles since 1930.

63 Years Ago
John McKee of Rocksprings was in Sonora Wednesday on a visit with his brother, Sam.
Postmaster G. W. Smith has moved his family into the Mrs. C. J. Nicholas place, corner of Main and Crockett.
Mrs. D. B. Cusenbary and daughter, Miss Hattie B., and son, Ben, left on a short visit to San Angelo Friday. Mrs. R. H. Wardlaw and Louie Stuart accompanied them.
Henry Diebitsch was in Sonora Saturday from his ranch northwest of town. He said the rains had been fine but did not damage the cotton of which he expects to gather about ten bales.

1977 CHEVROLET CAPRICE -- debuts as an all new, full-size car completely tuned to changing consumer life styles and matched with the nation's goal of conserving fuel and natural resources. The completely redesigned Caprice will be offered in coupe, sedan and station wagon models. Ushering in a new era of Chevrolets, the 1977 Caprices boast more fuel efficiency and safety effectiveness. See at Ken Braden Motors, Inc.

Cancer Society Meets Goal

The American Cancer Society met September 16 at the San Angelo Savings and Loans Building with Mrs. Alvis Johnson, Crusade Chairman, reporting that the goal was made for the 1976 crusade with \$2,885 collected for the crusade and \$1050 in memorials.
Mrs. Johnson also stated that 56 awards had been given for special achievements.
Dr. C.F. Browne, president of the local organization, presented the board with certificates of awards. Sutton County has won the Golden Achievement Award for 22 years...the only county in Texas that has that honor.
Special events chairman from Eldorado talked to the group about special events for this county.
Don Haley, field representative of San Angelo, reported that Sutton has had a very successful year and urged each one to work to help find more cures for cancer.

"Forget injuries, never forget kindnesses." Confucius

'77 Chevrolet Debuts as New Full Size American Car

The 1977 Chevrolet debuts as an all-new, full-size car for America, more closely tuned to changing consumer life-styles and matched with the nation's goals of conserving fuel and natural resources.
The complete redesigned Caprice and Impala models offer crisp new styling with a long list of design and engineering

Leslie L. Robertson

Food Center Hires New Store Manager

Leslie L. Robertson, formerly of Abilene, has been hired as manager of the local Food Center Store.
Robertson is a graduate of San Angelo Central High School and attended Angelo State University. Prior to moving to Sonora he was manager of the K-Mart Food Store in Abilene for the past four years. He worked at K-Mart Store in San Angelo while attending ASU and then moved to the Lubbock and Houston stores where he was in the sporting goods department. He served as assistant manager of the San Angelo Store for one year before moving to Abilene.
Moving here with Robertson are his wife, Jan, and two children, Traesha Rene, 19 months old, and Tessa Leigh, seven months old.
A native of San Angelo, Robertson's parents, Mr. and Mrs. Louis Robertson, still reside there. Mrs. Robertson's parents are Mr. and Mrs. H.W. Ketchum of Ballinger.
Robertson began work at Food Center last week and will reside with his family at 704 Water Street.

improvements. The new Chevrolets boast more fuel efficiency and safety effectiveness while being 11 inches shorter and almost 700 pounds lighter than their predecessors.
The new models have more room inside despite the smaller exterior size. This includes more rear legroom and more front and rear headroom along with added usable storage space in the trunk.
Matching the trim new dimensions, additional operating efficiency and fuel economy is made possible by the addition of a 4.1 litre (250-cubic inch), six-cylinder engine and a smaller displacement 5 litre (305-cubic inch) base V8.
The six-cylinder engine is the standard power plant for sedans and coupes while the 5.7 litre (350-cubic inch) V8 becomes the top optional engine. All are used in conjunction with the automatic Turbo Hydra-matic transmission.
Ride and handling characteristics parallel the advances in weight reduction and interior accommodations.

The 1977 Chevrolet is being offered in two series --the top of the line Caprice and the Impala. Two-door coupes, four-door sedans and four-door two- and three-seat station wagons are available in each series. The former Impala S and Landau options are discontinued.
The 1977 Chevrolet has a 116-inch wheelbase, a

reduction of 5.5 inches from the 1976 Chevrolet. Its overall length is 211.9 inches (10.8 inches under the 1976 Chevrolet). However, its height of 57.4 inches is 2.3 inches greater than the former model. Its width is 75.4 inches, a reduction of approximately four inches.
The new styling of the 1977 Chevrolet features a forward thrust with a strong fender-high horizontal line the full length

of the car and a gently sloping aerodynamic hood. An exclusive coupe profile features a wraparound rear window. Caprice and Impala models have distinctive grille, ornamentation and trim features inside and out.

Color T.V. A Health Problem
A short time ago, Color T.V. sets were regarded as a public health problem because of X-ray emissions. Viewers were warned to watch T.V. from a distance of at least 6 feet away.

Since then, steps taken by manufacturers resulted in a great margin of safety, but the risk factor is still there. The problem is in defective sets produced by companies with poor quality controls on the assembly line.

The U.S. Consumer Safety Commission suggests that when a set is suspected of being faulty it should be checked by a technician qualified to measure radiation leakage. If you discover a defect, you can call the commission, toll-free at 800-638-2666 to report it.

For prompt and dependable prescription service, CALL: 387-3534 and speak to us at BRONCO PHARMACY, 116 N.W. Concho. We retain family Rx records for Income Tax Data, Change of Doctor, Lost Prescription, and supply emergency after hours service: CALL 387-3569.
