A part of kindness consists in loving people more than they deserve. — Joseph Joubert

On May 1 of this year, you, the people of Sutton Co., elected W.W. (Bill) Page as your sheriff candidate. "It’s time, we are the friendliest helpers for your office...and if we don’t have what you need, we’ll get it for you. All we ask is for a chance to show you in the Democratic primary.

The Broncos, after forcing the Bulldogs to punt, started the game at the 32-yard line with punt returner John Elliott returning the kick to the Broncos’ 48-yard line. Elliott found Creek on a 43-yard play-action pass, and the Bulldogs felt helpless in the face of a 14-0 margin, and the Broncos appeared to have the momentum. However, the Broncos were stopped at the 10-yard line, and the Bulldogs punted for 46 yards to the 15.

Sonora Elementary News

Something new and fun has been added this fall to help keep the kindergarten classes focused. As part of the kindergarten program, the children are being introduced to the use of dogs in working with them. Mr. Hughes, the local rifle expert, has been the program’s instructor. The children were shown how to hold and care for the dogs. They were also taught how to use the dogs to help them with their work in the classroom. The children were very interested in learning about the dogs and how they can help them with their studies.

Kappa Gamma Meets

Kappa Gamma of Sonora and Alpha Iota of Reynosa, the two local sororities, met together at the Presbyterian Church during the weekend. A very interesting educational program was presented by the son of one of the sorority members, who is a professor at the University of Texas. The program focused on the art of public speaking and the importance of expressing one’s thoughts clearly and effectively. The program was well-received by the audience, and there were many interesting discussions and questions after the presentation.

The party’s over but the show’s still going...
