

Fire Destroys Mobile Home

A mobile home, owned by Mr. and Mrs. Bobby Payne, was gutted and declared a total loss following a fire last Thursday afternoon. Sonora's volunteer fire department had the blaze under control within minutes after arriving, but too late to save the

structure. No one was injured in the fire, and the cause has not been determined nor an estimate of damages. The mobile home was located on the City Concrete Inc. lot on Sutton Ave., near the swimming pool. Payne is employed by the concrete company.

Rabies Clinic Set...

Has Your Pet Been Vaccinated?

By Shirley Hill

Do you have a pet? A dog, cat, horse, sheep, goat or any other domesticated animal living on your property? Has that animal been vaccinated against rabies?

If you answered no to that last question, here's another one. Did you know that you are in violation of the law and that violation can cause serious trouble.. death to a pet or even to a human?

If your pet is not properly vaccinated..... having had a rabies prevention injection within the past year...a clinic will be held April 6 at the 4-H Center so that you might protect your pet and yourself against this dreaded disease. There will be a small charge for vaccinations.

The Clinic will begin at 1:30 and continue until 5:30 p.m.

There have been no cases of rabies confirmed in Sutton County recently but one case has been confirmed in Schleicher County, one in Edwards County, four in Kimble County and two in Crockett. These are all

counties surrounding Sutton.

In May of last year just one dog not properly vaccinated caused thirteen animals to be disposed of and two persons to undergo rabies injections, not to speak of the numerous man hours by city employees, local police and the local veterinary staff.

In 1974 Sutton County had an epidemic of rabies causing 25 persons to take the anti-rabies vaccine and the State Health Department was called in. That year Sutton County ranked first in rabies cases across the state.

Rabies is usually transmitted by the bite or the lick of a rabid animal since the virus is carried in the infected animal's saliva. Once in the body, the virus infiltrates the nerve fibers and attacks the nervous system, resulting in death if no treatment is given.

When infected with rabies, wildlife is a threat in areas of human habitation as well as in their native habitat. An infected animal may suddenly become tame and ap-

proach humans and their environment in a friendly way. Thus, children should be warned to stay away from seemingly tame wildlife, stray pets and all dying animals.

At the present time there is no threat to Sonorans but the most important control in keeping the threat away from our community is to control carriers, which are animals, both domestic and wild. This control of course is by having your animals vaccinated.

At a special called meeting of the city commission February 7, 1974 a city ordinance was passed that all animals must be properly tagged, must be either leashed or in a pen, and must not be allowed to run loose. Persons owning these animals running loose are subject to fine.

Do your part. Have your pet vaccinated and keep them confined to your own yard. You may not only save your pet's life...but the life of a child who may not be aware he has been infected.

Saturday..Election day

The polls will open Saturday at 7 a.m. in both the City Hall and Courthouse so that local persons may cast their ballots in the City and School elections.

No opposition in either race has pretty well set the outcome of the election and a very light voter turnout is expected. At the close of absentee voting the city had reported no votes by absentee and the school had had only six.

Seeking re-election as trustees to the school board are Sammie J. Stewart, Mrs. Dorothy Pope and Mrs. Mary Adele Balch. All those voting in the school board election will do so at the Sutton County Courthouse.

Hershel Davenport, Lemuel Lopez and Jack Kerbow are city aldermen seeking re-election. Voting will be held at the City Hall.

Polls will close at 7 p.m.

Jr. Hi Band To Perform At Cisco Music Festival

Sonora Junior High School Band Students will be among the approximately 4000 junior high and elementary school musicians that will converge on the campus of Cisco Junior College Thursday, Friday and Saturday for the eighteenth annual Cisco Junior Music Festival for school bands, orchestra and choirs.

The Sonora Junior High Band, under the direction of Mr. Ed Martinez, will perform in concert Friday at 11:18 a.m.

All concert performances will be in the

All Sports Banquet April 18

The all sports banquet, held each year to honor all students involved in school sports, will be held Monday, April 18, according to Coach Bill Bundy.

The banquet will be held at the 4-H Center and will begin at 7 p.m. Tickets will go on sale next week.

Bill Hicks, Baylor University defensive line coach will be the featured speaker.

Firemen To Ozona Meet

Sonora Volunteer firemen and their wives will participate in the semi-annual Hill Country Firemen's Association convention to be held Saturday in Ozona.

Sonora will enter a six man and six woman pumper team, a three man and three woman hose race, and a one man hose race as well as water polo events.

Coy Ziehe, airport manager

Ziehe Named Airport Head

Sonora's new municipal airport manager, Coy Ziehe began his duties at Joe Berger Field last month, upon the recent retirement of Bill Chapman.

Ziehe came to Sonora from Del Rio, where he was a flight instructor and pilot for Del Rio Flying Service.

A 1965 graduate of

Plainfield, Iowa High School, Ziehe is an Air Force weather maintenance veteran of eight years.

He is married to the former Carolann Binkley, daughter of Mr. and Mrs. Dean Binkley of San Antonio. Coy and Carolann are the parents of one child, two year old Jeremy.

8th Graders Continue Winning Streak

Eighth grade Colts scooped the Ballinger track meet last Friday defeating their nearest opponent Ballinger by 26 1/2 points. Total points for the Sonora team was 129 1/2.

Robert Noriega, Steven Chandler, Frank Avila and Ervey Vallijo ran the 440 yard relay in 49.0 to place first.

Juan Mendoza added points to the team total when he ran the 660 in 1:36.3 to place first. He was followed by Robert Noriega in second place and Robert Ponsetti in sixth. David Creek placed third in the 70 yard high hurdles with Vallijo placing fifth in the 100 yard dash and Avila placing sixth.

Steven Chandler held a record time of 38.8 in the 330 yard dash to cross the finish line first. Philip DeHoyas came in third followed by Johnny Doan in fifth place.

Mendoza also had record time in the 220 dash with 26.0 to take another

first for the Colts. David Creek was fourth in the 220 hurdles; Wesley Barton, fifth in the discus; Creek, sixth in high jump; Ponsetti, second and Ronald Berkeley, fourth in pole vault.

Running the 1320 relay in a time of 2:41.5 sent Vallijo, Noriega, Mendoza and Chandler across the finish line first in that event.

Rodolfo Ramos ran the 1320 run in a record time of 3:38.6 to finish first. David Sanchez placed fifth in that event and Jeff Tacker was sixth.

Broncos Take Second In Queen City Relays

Sonora's varsity track boys traveled to Del Rio last Friday to compete in the Queen City Relays and finished second in Division II by amassing a total of 172 points. Ozona placed first in the meet with 225 points.

Leading individual scoring for Sonora was Jimmy Waters who was first in the broad jump, first in the 100 yard dash, first in the 220 yard dash, and shared a tie for first place in the high jump

Krueger Rep. To Visit

A representative from Congressman Bob Krueger's office will be in Sonora Tuesday, April 5 to answer questions about problems in Washington as well as local problems such as Social Security payments and VA benefits.

Sara Cardenas from the Congressman's office in Del Rio will be at the courthouse from 10-12 a.m.

All problems discussed with Ms. Cardenas will be relayed to Krueger for action on his part.

Junction Race Meet Slated

The Hill Country Fair Association is sponsoring the fourth annual Spring Race Meet April 2 and 3 in Junction.

There will be eight races daily with post time at 2 p.m. A dance Saturday from 9-1 at the Hill Country Pavilion will feature Brazos Gold.

Looks Like More Dry Weather

Continued fair skies are on tap for Sutton County through Thursday, with low temperatures in the upper 40s and highs in the low 70s, according to the National Weather Service forecast.

The Friday through Sunday weather outlook [not a forecast] indicates continued dry conditions with little temperature changes. It might be just a tad warmer this weekend. At press time no major weather systems appeared to be forming which would bring rain.

with Mark Neitzel.

Craig Parker led the 440 yard dash breaking all division records in that run. Cody Savell placed fifth in that event.

Garry Jones, Chip Savell, Enrique Sanchez and Craig Parker came in first in the mile relay with a time of 3:55.4.

Chip Savell added another first to Sonora's score when he crossed the finish line out in front of other milers.

In field events Wayne McLaughlin placed second in the shot, and tied with Mike Jones for third place in the discus. Placing third in the shot was Johnny Creek with Joey Kirby placing third in the high jump and fourth in the pole vault. Cody Savell placed third in the pole vault.

The 440 yard relay team of Eddie Favila, Garry Jones, Craig Parker, and Jimmy Waters, placed second.

Eddie Favila came in third in the 100 yard dash, G. Jones, fourth; Gregg Parker, fifth and Eddie Favila, fourth in the 220 yard dash; Kent Cagle,

sixth in the 330 high hurdles, and Mike Jones,

fourth in the 120 intermediate hurdles.

Home Delivery Brings 163 New Subscribers

The Devil's River News has posted an increase of 163 new subscribers in the first month of its carrier-home delivered program.

The new subscriber increases, as of March 23, show an additional 23 per cent of Sonora homes with the 'Devil' on their doorsteps every Wednesday afternoon.

"We are pleased with the community response to our home delivery," DRN publisher Wes Burnett comments.

"We believe our local news coverage, local advertising messages and the t.v. guide are major factors in the popularity of the 'Devil,'" Burnett points out.

The 'Devil' has shown a 47.4 per cent increase in subscribers since March

1976. "Devil' neighborhood carriers Pam Marlow, David Noriega, Philip Vargas, Justin Gray, Tim Burnett, Monty Waters, Philip Kemp and Brett Swyter are doing an excellent job," Burnett adds.

"We want to remind our subscribers to call us at 387-2222 if the 'Devil' isn't delivered by 6 p.m. Wednesday afternoon," Burnett emphasizes.

"We'll bring you a paper right away," he continues.

The home-delivered price of the Devil's River News is less than 10c per week, "that's got to be one of the best bargains in Sonora," Burnett concludes.

Lynn Washburn Trophy Winner In Jr. Rodeo

Sonora's Lynn Washburn came home from Junction's Junior Rodeo with a first place trophy...and it'll be the last race this year for her registered quarter horse, Mrs. Sugar Peggy.

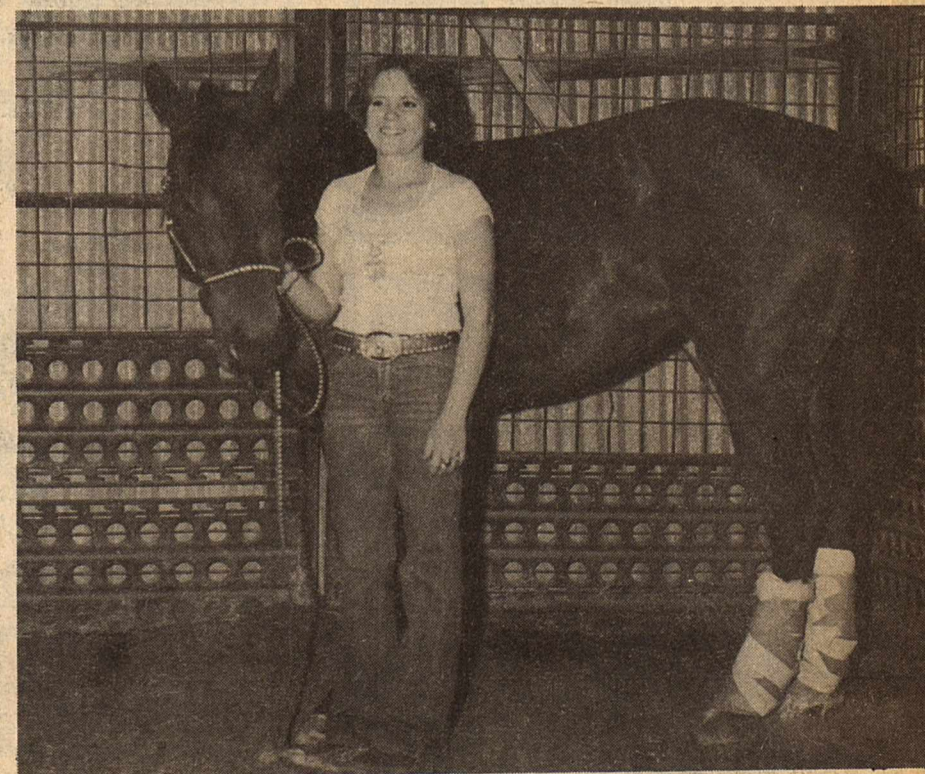

Lynn won the barrel race with her four year old

favorite, then on the return trip to Sonora, the horse slipped in the trailer and injured her two hind legs.

The injury will put the horse out of racing for the rest of this season, and Lynn plans to ride Mr. and Mrs. Charles Draper's

Smokey Joe in remaining rodeos this season.

Lynn and Mrs. Sugar Peggy also won third place in Junction in pole bending. Peggy is a product of the King Ranch and has won numerous ribbons and prizes.

Lynn Washburn and Mrs. Sugar Peggy pose after winning a first place trophy in the Junction Junior Rodeo.

Elementary News

The first graders have recently been working on a mini-unit of Holland. It includes Dutch children, windmills, wooden shoes, tulips, short board stories and fun pages such as dot-to-dots.

During fifth level language classes the students have been working with relative clauses. We are also working with encyclopedias; where to find the information and how to take notes from an encyclopedia article.

The science class has

just now completed the unit on plants. The unit ended on the study of plants without seeds such as the algae and fungi.

In Social Studies we are studying how the American government was first organized. We are comparing America's first Congress under Articles of Confederation with Congress today.

In spelling we are proof reading - reading over a story or letter and correcting errors.

FHA Week Designated

by Celeste Prugel
The week of March 28 to April 4 has been designated as Texas Association, Future Homemakers of America week.

The purposes of this organization are to provide opportunities for self-development and preparation for family and community living and for employment, to strengthen the family, to encourage democracy through cooperative action in the home and community, to work toward world-wide brotherhood, to foster greater understanding between youth and adults, to provide opportunities for decision making to become

aware of the many roles of men and women and develop interest in all fields of home economics.

The 32 local members will make special efforts to see that their organization is promoting their purposes during this week. Members plan to prepare cookies for the teachers' lounge, encourage fellow students toward good citizenship through cleaning the school premises. In April the group plans to plant St. Augustine grass under the pecan trees on the campus. This will provide an attractive place to visit during the lunch hour as well as adding to the attractiveness of the campus and keeping mud from being tracked into the buildings.

When local citizens are cleaning their flower beds, they are requested to save their grass runners. If they will call the Homemaking Department (387-2312) someone will pick them up and care for them until they can be planted.

Irma San Miguel is president of the local chapter. Other officers are Linda Castilleja, Vice President; Lesa Gonzales, Secretary; Susan Ramos, Treasurer; Gloria Salazar, Historian; Carmen Lira, Parliamentarian and Mary Sue Galindo, Game Chairman.

Police Reports

A resident of a local trailer park advised police March 22 of dogs running loose in the park.

At 9:27 p.m., on that date a disturbance at a local service station was investigated. One juvenile was counseled.

March 23 at 3:50 p.m., police answered a fire call behind City Concrete.

A prowler report was investigated at 1:22 a.m.

Carole Thorp was involved in an accident at 3 p.m., at the 200 block of NE Main Street. The other vehicle was an improperly parked pickup belonging to an Eldorado man.

A disturbance at a service station was settled on arrival of police at 9:20 p.m., March 24 and one juvenile was counseled.

Another disturbance call was answered March 25 at 11:11 p.m., and was settled upon arrival of officers.

An accident occurred at 8:40 p.m., March 26 when Francis Ivan Peterson of Twin Oaks Motel attempted to turn right from Crockett Street onto West 8th Street and an unidentified vehicle attempted to turn from wrong lane of Crockett. Peterson taking evasive action was forced into a guy line wire and fire hydrant. No one was injured in the affray. Police are seeking information to the other vehicle.

A disturbance at 10:11 p.m., was settled on arrival of police.

On March 27 a welfare case was investigated and assistance given.

At 9:49 p.m., an unknown female advised police of a fight at a local bar. Five persons were arrested for disorderly conduct.

Dogs disturbing the neighborhood in the 400 block of Poplar were investigated at 11:38 p.m.

Bond, Prugel Attend FLB Meeting

Frank Bond and A.E. Prugel have returned from Houston where they represented the Federal Land Bank Association of Sonora at the annual stockholders meeting of The Federal Land Bank of Houston.

The meeting, held at the Houston Oaks Hotel, was attended by members of 66 Federal Land Bank Associations in Texas. There were about 600 persons in attendance.

George W. Cunningham, President, in his report to the stockholders, stated that while the demand for new loans declined in 1976 from the historic high of the past three years, the growth of the Bank in 1976 was considered satisfactory. He also stated that the earnings of the Bank were highly satisfactory.

The Federal Land Bank Association of Sonora makes and services loans in this area. Members of the board of directors are Otis Deal, Pleas Childress, Jr., James T. Williams, Frank F. McMullan, Jr. and Frank Bond.

Dee's Notes

by Dee Nevill

RAINFALL MEASUREMENTS in most Texas areas varied considerably this past week--however, the slightly more than an inch of moisture received in Sonora was a beautiful sight. Cleansing and settling of dust is nice, but the giant watering system will bring on weeds helping to alleviate feeding programs for ranchers. How thankful we are for the rains!

THE TAXICAB survey has been most favorable. People have responded well. Sonora can use this service and we believe it would have the support of the townspeople. Of course, there can never be a guarantee of how any new service will be received...usually the success or failure depends on the individual who renders the accommodation.

TURKEY HUNTERS have expressed interest in the upcoming Spring Turkey Shoot in many Texas counties--April 16 to 24. The Chamber office has received inquiries, and if any Sutton rancher plans to lease for turkey hunting, please notify us.

MRS. PETE GOMEZ recently completed a survey of the high school and junior high school-age group, compiling info as to what these young people feel is the greatest need in recreational field in Sonora. She received replies from about 600 teenagers with the highest number listing a drive-in movie as top preference among recreational facilities desired. Mrs. Gomez is to be commended for her work, and she will give a more detailed report to Chamber officials at the April meeting.

ANOTHER PROJECT that has been called to the attention of the Chamber organization is a need of a Senior Citizen's building. It was suggested that if land could be found, perhaps work, materials, etc. might be donated. Various community organizations might consider sponsorship. We welcome your suggestions.

THIS N' THAT--Fill was hauled to the lot owned by Lee Roy Valliant last week and a fence is under construction between his property and the Durwood Neville lots on Hwy 277 N.

LOOKING for the Easter Bunny? He will be at 443 Poplar, Thurs., Friday (Mar. 31 and April 1) with lots of 'goodies' for Easter. Mrs. Rena Elliott and her sister, Bunny McQuary, have been at work to help the Easter Bunny, and would like for you to come 'buy'. Patio entrance - 8 a.m. to 4 p.m. VISITED with our number one booster of the annual November hunting and game dinner--Bill Stewart, of course. One reason for the yearly success is that Bill makes plans early, and 'tis possible he may come up with surprise this Nov. He says there's more than one type of game!

INCUMBENTS in both city and school elections are unopposed when voting comes up Saturday. Voter turnout could be light, but it might be well to go to the polls and let these folks know they have our support.

A BUSY OFFICE this week will be the Sheriff's. Many, many hundred Sutton Counties have not purchased '77 car tags... just a few days remain, so

better get ready to stand in line!

CHAMBER OFFICERS and directors plan to meet noon Monday, April 4 at Waterhole #9 for a luncheon and business meeting. Interested persons are invited to attend the Dutch Treat lunch.

LET'S ALL attend the Community Gospel Singing at the Church of God of Prophecy, Sat., April 2, at 6 p.m., featuring Blaine Crawford on the bass guitar; Steve Gentry, lead piano and Jim Parker on drums. No charge...everyone WELCOME!

A REGISTRATION and organizational meeting of Girl's Softball players will be held Tues., April 4 at 7:30 p.m. at Elementary cafeteria. Each girl should be represented by one, or preferably, both parents or guardian.

WHAT'S NEW...West Texas Utilities new book-keeper is Winnie Allen-Hill Country Firemen's Association plan to convene Sat., April 2 in Ozona. Many Sonora firemen and wives will go.

FOR WHAT IT'S WORTH...Teenager to clerk in clothing store...if my parents like this outfit, may I return it?"

Mrs. Chavez Dies In SA

Funeral services were held Tuesday in Primera Iglesia Baptista for Mrs. Margarita R. Chavez, 90, of San Angelo. A prayer service was held Monday at Kerbow Funeral Home. Burial was in Sonora Cemetery.

Mrs. Chavez was born in 1886 in Del Rio and was married to Severo Chavez in Sonora in 1902. He died in 1966. She had been a resident of San Angelo for ten years.

Survivors include seven daughters, Mrs. Pedro T. Garza of San Angelo, Mrs. Leo Urias of Ft. Worth, Mrs. Nellie Buendia, Mrs. Alfred Bermea and Mrs. Vilo Gomez, all of San Jose, California, and Mrs. Ramon Trevino and Mrs. Julian Esquivel, both of Bakersfield, Calif.; four sons; Gilbert Chavez and Mike Chavez of San Angelo, Poribio Chavez of Sonora and Severo Chavez of California; one sister; 80 grandchildren; 125 great-grandchildren; and 55 great - great - grandchildren.

B. Alvarez Buried Here

Funeral services for Bernabe Alvarez, 76, were held March 27 at St. Ann's Catholic Church with interment in Sonora Cemetery.

Mr. Alvarez died March 24 in Hudspeth Nursing Home.

Born June 11, 1900 in Uvalde, Mr. Alvarez moved to Sonora in 1952 and was a sheep shearer. He married Francisca Gonzales June 29, 1922 in Rocksprings.

He is survived by his wife of Sonora, and one brother, Florentino Alvarez of Uvalde.

Reminder for Women

There are two items every woman should mark on her personal calendar: once a month do breast self-examination for possible cancer; once a year have a Pap test for cancer of the uterine cervix. Both these forms of cancer are most curable when caught early.

2:30-4:30 p.m., Miers Home Museum open
Wednesday, April 6
1-5 p.m., Community Action Council representative in judge's office, courthouse.

Hudspeth Happenings

By Frances Burt
Guests at Hudspeth Nursing Home seem never to tire of playing bingo on Wednesdays and Fridays. The many varied and attractive gifts donated by local merchants are an added incentive. Last week Tedford Jewelry and Ladies Auxiliary augmented our gift selections for winners. Recent ones have been Carl Mathews, John Neville, Mary Bruton, Lupe Silvas, Manuel Lopez, Marilee Heiser, Ethel Cardwell, Nannie Mae Wilson, Delores Estrada, Mattie Thornton and Ida Mae Kerbow. Martha Keng, Delores Hodges and Ruth Shipley have given generously of their time to help Nell Brownlee with the games.

Tuesday afternoon church services this month are under the direction of the Presbyterian Church of the Good Shepherd. Rev. Jim Miles and Edwina Braden, assisted by Mrs. Paul Terry of the United Methodist Church, have been on hand preaching, reading scriptures, singing hymns and playing the piano.

Green paper shamrocks with peppermint candies attached brightened St. Patrick's Day for all residents and staff. On each cutout was hand-lettered "Happy St. Patrick's Day. Brownie Troop #231."

Thursday is Nail Care Day. Everyone, even the men, like this activity. Minnie Harrison made a trip to town with our Activity Director and enjoyed seeing the changes being made. We welcome new residents Lucille Hutcherson and Guadalupe Lumbreras. Recent films shown have been "One Week", "Sea Sorcery", "No Bull Please", and "There's the Land. Have You Seen It?". Watching with the group in the lobby the last two weeks has been Mr. Jim Wilson.

Sutton County Ranch News

Over grazed pasture, note invading mesquite and lack of good grass and forbs for livestock.

Experiment Station Pasture, notice good grass cover with just proper use of grazing.

Overgrazing Destroys Grassland

by Joe Bill Averitt
Range Conservationist
Bitterweed spreading and getting thicker, mesquite trees and cedar trees growing in the most productive areas and getting so thick you can't ride through it. It used to not be this way. Mother Nature hates bare areas and this county was once mostly a grassland and as the land was overused and abused mother nature put in these areas brush, poisonous plants, mesquite trees, and cedar trees; plants livestock could not eat into the ground.

Through very expensive means you can control the brush but what will keep it from growing back thicker? Grass! The best and easiest way to grow a thick and vigorous cover of grass is with a rotation grazing system.

A grazing system will allow pastures to rest so grass can seed and regain vigor, let livestock move into a fresh pasture, and it ensures adequate food and cover for both livestock and wildlife.

A few advantages of a grazing system over a year long grazing are: heavier and usually more of a kid, lamb, and calf crop; easier to check livestock because in fewer pastures, range condition improves, more desirable plants and grasses increase, and ranch is more

drought resistant.

There is no set grazing system for every ranch. Each ranch has its own needs and a grazing system must be "tailor made" to that ranch so that the most benefit can be gained. The number of pastures, sizes of pastures, and livestock operations of each ranch forms the base of a grazing system.

The major draw back of a grazing system is that it will not run itself, just as a ranch will not run itself. The success of a grazing system depends on the desire of the rancher to make the system work for him.

The Soil Conservation Service assisting the Edwards Plateau S.&W.C.D. can not make any

grazing system work, but can provide technical assistance and advice to help the rancher make his grazing system more efficient or help start a grazing system.

Scientific Tool Finds Screwworms

A new scientific tool is being used in an attempt to get early warning when screwworms first appear in 11 Texas counties, reports a U.S. Department of Agriculture (USDA) veterinarian.

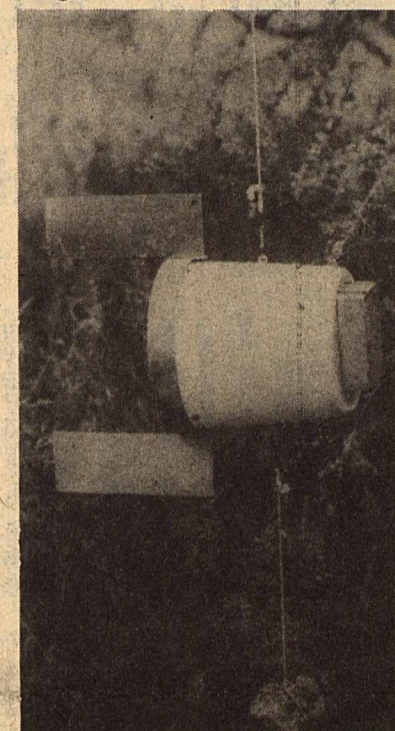

Dr. James E. Novy, director of field operations for the Screwworm Eradication Program, says a wind-oriented trap is being used at 122 locations in the 11 counties. It was designed by Dr. Alberto Broce of the Agricultural Research Service, USDA.

The trap, which is hung from a tree, resembles a bucket with weather vanes. It is baited with a chemical attractant designated "Swormlure-2".

Entomologist Elmer Ahrens, of the program's methods development staff, is in charge of the trapping effort. Traps are being used in Bee, Goliad, Webb, Zapata, Starr, Jim Hogg, Brooks, Hidalgo, Willacy, Jim Wells, Live Oak, and Brewster Counties.

Trapped flies are brought back to the program laboratory at Mission where they are sorted and sexed. Female flies are dissected to determine whether they are sterile or wild.

Only two wild female flies had been trapped by the end of the second week in March. Both were caught in northern Hidalgo County.

FLY TRAP -- The wind vanes and rock weight give the new fly trap stability as it hangs from a tree in dense brush and grass.

Fred Campbell's Wool and Mohair Report

Overseas markets continued steady last week with some weakness exhibited in the coarser grades in Australia. Local dealers report cheap wools being offered in South America and from private treaty selling in Australia.

Domestic shearing is well under way in western states and is getting started this week in Texas. Sales are being made as the wools come in at prices on a par with a year ago.

The U.S. wool market certainly has a sluggish tone in spite of good consumer demand and busy processing plants. Generally the blame for the weakness in our grease wool market is placed on the Australian stockpile being marketed

in this country, and the heavy imports of finished cloth and clothing from overseas.

Sales of 12 months wool so far this spring are being made in the 1.75 to 1.85 clean basis price range. This translates to 85c to 95c generally in the grease.

Mohair prices continue to be sluggish, also. Very little selling is occurring in Texas just now. Reports of adult mohair selling for 2.50 to 2.60 are being received, young goats or spring yearlings up to 3.50 and spring kids are reported selling up to 4.25.

The next sale in South Africa on April 5 should spark renewed selling as the market basis should be tested.

Market Info Sometimes Confused

A noted livestock marketing specialist points out that sometimes certain marketing information gets misused, causing confusion to both producers and consumers.

So Dr. Ed Uvacek with the Texas Agricultural Extension Service attempts to set "the record" straight.

"Despite some claims about a large supply of beef at the present time, actual figures show this is not the case," points out Uvacek.

"Federally inspected slaughter through March 5 was running 3 percent below a year ago. This came despite 10 percent larger marketings of fed cattle in January and another increase in February. Obviously, a substantial drop has occurred in cow and nonfed cattle slaughtered so far this year," explains the Texas A&M University System specialist.

Four Confirmed Screwworm Cases Reported in Texas

Fred Campbell, chairman of the Sutton County S.O.S. Committee, has received word that Livestock Producers in Texas have received an earlier than expected challenge to our screwworm control program with the reporting of four confirmed screwworm cases during the past week.

One case was reported in a bull at Sabinal in Uvalde county and the other three cases were reported in sheep in Hidalgo county in deep South Texas.

The case at Sabinal is less than 100 air miles from Sutton County which indicates that we could have a screwworm problem in this area in the near future with sheep shearing and lamb marking in progress.

Favorable moisture conditions due to the recent rains will also increase the prospects for the spread of screwworms.

Fred urges all ranchers to treat shearing cuts and spray sheep and goats following shearing. This not only helps protect sheep and goats from screwworms but also prevents a build up of lice, ticks and other external parasites.

All castration, dehorning and

docking wounds should be treated with fly repellent smears and these operations should be completed as soon as possible. Ranchers should consider postponing the marking of late calves until after frost in the fall.

A cold winter coupled with the

opening of the new fly plant in Mexico and adequate funding for capacity fly production at the Mission plant has caused screwworm officials to be optimistic over the possibility of eliminating screwworms from the U.S. during 1977.

Sheep Field Day Scheduled Tomorrow

An annual Sheep Field Day sponsored by the Southwest Texas Agricultural Resources (STAR) Program will be held on the Billie C. Lewis and Son Ranch near Del Rio Thursday (March 31).

Creeper feeding, screwworms, predators, sheep selection will be among the topics which crowd the program beginning at 9 a.m. and continuing into the afternoon. The program also will include a presentation on "Blueprint for Expansion", a growth program for the sheep and goat industry; a sheep selection demonstration; and a tour of the Billie C. Lewis ranch.

Dr. Fields Attends Convention

John W. Fields, DVM, of the Sonora Animal Hospital was a recent participant in the joint convention of the Texas Veterinary Medical Association and Louisiana Veterinary Medical Association, a three-day intensive continuing education program on the latest developments in animal and public health held in New Orleans.

Leading scientists from throughout the world conducted in-depth seminars on surgery, neurology, heartworms, brucellosis, radiology, toxicology, bovine mastitis and other topics.

The convention also included special panels on dairy management and equine management as well as a day-long session on client services and improved veterinary practice. Dr. Fields presented a paper on bovine reproduction.

The in-depth seminars

are part of an on-going program conducted by the TVMA and the LVMA and the Texas Academy of Veterinary Practice to continue the education of veterinarians.

Also on the program were three days of auto-tutorial presentations on a wide variety of subjects, and two general sessions of "10 Minute Topics" designed to meet the needs of both small animal and large animal practitioners.

February Bonds Sales Told

February sales of Series E and H United States Savings Bonds in Sutton County were reported March 17 by County Bond Chairman George H. Neill. Sales for the second-month period totaled \$1,699 for 13% of the 1977 sales goal of \$25,000.

Texas sales during the month amounted to \$22,817,684, while sales for the first two months of 1977 totaled \$43,847,911 with 16% of the yearly sales goal of \$276.9 million achieved.

Coaches Lose To Jaycees

After two years of suffering defeat at the hands of the Sonora coaching staff, the Sonora Jaycees came back and won Monday night in the annual basketball game 46-38.

Outstanding Jaycees netters were Billy Martin, Mike Hale, Clay Hicks, and Jeff Doan.

David Patton, who fouled out, was named outstanding player of the coaching staff.

Girls Softball Meeting April 4

There will be a meeting of the girl's softball league Tuesday, April 4 in the school cafeteria beginning at 7:30 p.m.

All girls who plan to participate in the program this year should be represented at the meeting by both parents or guardians. Girls will be registered at this time and the softball association will be organized.

Paige Pollard, Denise Neal

Lead Girl's Track Team

Paige Pollard placed first in the 80 yard hurdles when the girl's varsity track team traveled to Crane last week. Paige's time was 12.5.

Denise Neal came in first in the 440 yard dash with Kelly Ward placing third in that event and Pam Powers, fourth.

Also compiling points for Sonora in the meet were Stephanie Short, tie for third in shot and fifth in discus; Becky Cavaness, sixth in the triple jump; Kelly Estep, fourth, Judy York, fifth, and Chrissie Ethridge, sixth in the 880 run, and Jerrl Dunn, sixth in the 100 yard dash.

The 440 relay team came in fourth. Members

of that team are Linda Hamilton, Gloria Gomez, Becky Cavaness and Kim Cox.

The 880 relay team of Linda Hamilton, Gloria Gomez, Becky Cavaness and Kim Cox, also placed fourth.

Relayers Hamilton, Neal, Cavaness and Cox, also placed.

Cancer Board Meeting Held

The Sutton County Cancer Board met March 17 with Charles F. Browne calling the meeting to order.

Mrs. Alvis Johnson reported on the meeting she attended in San Angelo recently in regard to Cancer Crusade. She emphasized the fact that extra effort should be put forth in advertising April as Cancer Control Month.

Dr. Browne reported to the group the progress being made in various phases of cancer detection. The cancer crusade activities will start with a kick-off breakfast at the Joe Hull home April 4.

Mrs. Dorothy Baker reported that 2,800 memorial reminders have been sent out in bank statements. Mrs. Clayton Hamilton is in charge of distributing posters.

Sonora Takes Tournament

Sonora hosted the district golf tournament here last Friday and came in first place with a low 305 points. Kermit was second with 307 points.

John David Cook had the low team score in Friday's meet with 74 points. John Elliott shot a 77 as did Scott Alley and Greg Tedford. Mark Hemphill shot an 84 for the team.

Sonora golfers are still two strokes behind with two tournaments left.

In girl's golf, Lucy Morriss, Sonora's only female golfer, shot an 89 in Big Lake to place second in that tournament. She will play in Fredericksburg this week.

April...Cancer Control Month

April is a special month because the American Cancer Society's educational and fund raising Crusade gives people a chance to DO something about cancer.

"This is a time of very concentrated action," Mrs. Alvis Johnson, Crusade Chairman explained, "Governor Dolph Briscoe, President Jimmy Carter and the members of Congress, have officially named April as Cancer Control Month."

During this time Sonora ACS volunteers will be trying to teach their friends, neighbors, families and business associates the facts about cancer, including the essential fact that cancer is most curable when detected early and treated promptly.

An understanding of cancer safeguards, warning signals -- and the importance of physical checkups including cancer tests -- could save thousands of lives each year.

"While we are trying to save more people with the knowledge we have today, we will be asking Sonora residents to support the three fold ACS program of research, education, (both for the public and the medical and allied health professions) and service and rehabilitation for the cancer patient and family."

"As our slogan puts it, we are asking everyone to 'fight cancer with a checkup and a check.'"

Cancer treatment today often includes the skills of many specialists -- surgeons, radiotherapists, chemotherapists and immunotherapists. "For many forms of cancers there are treatment approaches, and drugs that didn't exist a few short years ago," she said.

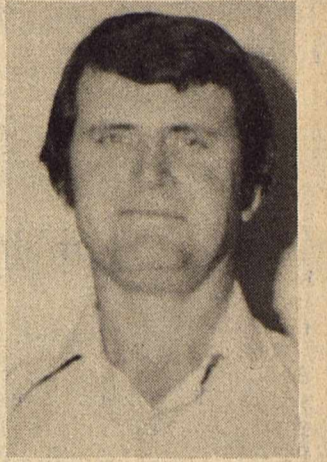

"While our ability to diagnose and treat cancer has sharpened, we have been giving more and

TRACK TOURNEYS RAINED OUT

Junior high school and junior varsity track meets scheduled in Junction last week were cancelled due to rain.

more attention to the emotional needs of the cancer patient and family. "On one hand, the ACS is supporting highly sophisticated research into the nucleus of the cancer cell, on the other, we are trying to answer simple human questions like this one: "How do you keep a family going when one child is struck by leukemia?"

Sam Stewart Candidate For Trustee

Saturday, April 2, is election day and I am a candidate for re-election to the Board of Trustees of the Sonora Independent School District. I am just completing my first term on the board and consider it an honor and privilege to have served the people and children of Sonora and Sutton County for the past three years. I feel there have been great advances in our school's facilities, programs, and personnel and I'm glad to have been a part of this progress.

Although I am not opposed in this election, I would like to ask every voter in Sutton County to go to the polls Saturday and mark my name on the ballot. Your vote of confidence would be greatly appreciated.

Sammie J. Stewart [pd. pol. adv., pd. for by Sammie J. Stewart]
