Eighty-Sixth Year, Fifty-Second Week

Wednesday, August 24, 1977 The Devil's River News Sonora, Texas 76950

Bill Bundy and his team of Broncos have been busily preparing this week for their scrimmage against

Iraan Friday night at Bronco Stadium. Jr. varsity will start at 5:30 and the vasity game follows.

Taxes Reduced

Trustees ApproveBudget Robbie Morris Dies In Local

uniforms.

Trustees of the Sonora Independent School District approved the 1977-78 budget and reduced the tax rate from \$1.31 to \$1.29 per \$100 valuation. The district tax rate has been reduced each year for the past three years. The tax rate will be divided \$1.13 for maintenance and \$0.16 for debt

The new budget totals

\$4,155,708 which includes \$2,254,130 for new construction, building improvements, fees, furniture and equipment. Of this amount, \$1,304,000 is for the proposed new junior high building, \$529,380 is for the vactional education building, \$180,000 will be used to renovate the old gymnasium, and the remaining \$192,750 is desig-

School Enrollment 1,129 **Monday**

Total enrollment for the Sonora Public Schools is although more students are expected after Labor Day, according to school officials.

Elementary school had the largest number of students registered at 560. They anticipate at least

In Jr. high school 277 students were enrolled. Their 1977-78 projection was 299 students.

enrollment of 292, with the original projection for 77-78 being 300.

These figures at the close of the 1976-77 school year were elementary, 594; Jr. High, 280; and high school 283.

Traditionally, school en-rollment increases after Labor Day; therefore, the Sonora schools may reach their original projections.

nated for fees, furniture Hospital and equipment.

Other increases reflected in the budget are Monday evening at Hud-speth Memorial Hospital accounted for by salary improvements at the state after an extended illness. level, additional personnel, increased costs of operation and maintenance, two

County Grosses \$10,112,922 Sales

State Comptroller Bob Bullock announced this week that Sutton County businesses reported gross sales of \$10,112,922 for the first three months of 1977, with \$4,304,750 gross taxable sales.

Gross sales for the entire year of 1976 are reported to have been \$12.3 million.

The additional sales in Sutton County dramatically indicate the growth of Sonora as a center for petroleum based industries and service companies and the increased activities in wool and mohair produc-

Bullock reported 141 Sutton County businesses submitted sales data for the 1st Quarter 1977 and \$3,533,902 was subject to tax, providing \$35,339 to

the city of Sonora as its one percent share of sales

Compared to adjoining counties, Sutton County shows its continued steady increase that began three years ago.

Crockett County and Ozona reported \$10,273,251 in gross sales, Schleicher County and Eldorado showed \$6,250,165, Kimble County (Junction) \$28,472,968 and Edwards County (Rocksprings) reported \$1,378,710.

The first quarter 1977 figures here reflect the over-all growth of Texas. Bullock's report showed a 19.4 percent increase for gross sales state-wide, over the same period last

invited to attend.

Running Ahead 19% State Comptroller Bob

Almost two thousand Sonorans had their bell rung Monday when John Eaton pulled the rope from the bell tower sending out a message of school opening.

Students, teachers and numerous others heeded the bell's call and attended a hot day at school. John

Eaton said he was only responsible for ringing the

bell, junior high principal Smith Neal, was the one

Sales Tax Rebates

Bullock had some good news for financially pressed Texas cities: city sales tax rebates to date are running a healthy 19 percent ahead of last year. Bullock's announcement

who put it in working order.

came as his office mailed checks recently totaling \$15.1 million to 868 Texas cities as their August share of the one percent city sales tax.

The August checks bring to \$206 million the total the cities have netted this year from the sales This compares to \$173.1 million for the first eight months of 1976. Bullock said the increase

in city sales tax rebates is really a double blessing. "It signals the continuing vigor of the Texas economy and at the same time provides badly needed revenue to Texas cities,' the Comptroller said. For the city of Sonora,

the net payment for this period was \$4,702.90. The net payment for the same period last year was \$5,627.71.

The 1977 payments to date were \$86,929.28, while payments for 1976

were \$65,052.23. This signals an increase of 33

percent. Bullock also announced that his office has added two additional WATS lines to accommodate users of his toll-free Tax Information telephone service (1-800-252-5555).

Bullock said tax are making more than 10,000 calls a month on the lines seeking information on Texas taxes and the six existing lines just weren't enough to handle the business.

The Comptroller reminded callers that they can get their questions answered quicker if they call between 8 and 9 a.m., 12 and 1 p.m., and 4 and 5 p.m. when the volume of calls is lowest.

Broncos Scrimmage

The scrimmage originally set for Thursday, will played at Bronco Stadium Friday at 5:30 against Iraan. The Jr. Varsity will play first and will be followed by the varsity.

General Telephone Building Addition

August 22

In order to keep up with the growth of Sonora, General Telephone building an addition to their present office, acto Michael Sydiskis, San Angelo Division Manager.

The construction was

started June 27, and the estimated completion date is October 15. The new addition will almost double

the existing building. Switching equipment in the amount of 600 lines and 700 terminals will be

added by January 1978.

Sonora shows a 77.7 percent increase in the number of phones over a four year period. This averages out to a 19.4 percent gain per year. In June of 1973, there

were 1,758 telephones in Sonora. By 1974, there

It is estimated that the cost of the new facility will the present debt over the

amount is being reduced each year by approximately \$50,000 and will be paid off in 1984. The proposed \$900,000 can be financed and paid off with

The trustees feel now is

Bond Or No Bond

the time to vote a bond issue for several reasons: (1) the district's valuation is good. (2) the bond market is favorable for short term bonds (3) the enrollment has grown in junior high and elementary school so that it exceeds the capacity of the present junior high (4) the present junior high building does not meet the needs of a good junior high educa-

tional program. The oil and gas industry which has been responsible for the growth in the school enrollment has also been good for the school district financially. In 1976, the oil and gas industry, including leases, royalties, etc. paid 78 cents of every school tax dollar. The district's valuation has increased to \$158,958,550 for 1977 and

this amount \$132,479,580 is on oil and mineral leases, royalty, and industrial property. These major tax payers

support the district's efforts to attract a good professional staff, provide ample teaching supplies and modern facilities; however, they prefer to spread the payment out over a period of several years. For this reason, the board of trustees has called a bond election to authorize the sale of \$900,000 in bonds which will be paid for over a seven year period.

If the bond election

passes, the present junior high will be used for elementary classrooms, resource rooms, and special education. It can also be used for corrective reading rooms, speech therapy lab and for storage purposes. It could also be used to house the overflow from the new junior high by moving the sixth grades back into the old building.

If anyone has a question or desires additional information, please contact the superintendent's office, Concho, South 387-2220.

Midland.

First Methodist Church was the setting Saturday evening for the exchanging of marriage vows between Miss Michelle Rousselot and Ted Stephen Anderson.

The Rev. Paul Terry, minister of the church, officiated at the double ring ceremony.

Parents of the couple

are Mr. and Mrs. Norman Rousselot and Mr. Sonny Anderson and Mrs. James

The bride, given in marriage by her father, chose a gown of imported ivory, re-embroidered Allace and fine English net. The molded empire bodice, veiled with lace, and accented with clusters of tiny seed pearls, was fashioned with a scooped neckline and cap sleeves. The slim controlled skirt with back gathered fullness, was accented with appliques of jeweled lace and swept to a chapel length train.

Her veil was of ivory silk illusion and matching lencon lace and extende beyond the length of her train from a Juliet cap enhanced with the jeweled

The bride carried a bouquet of white roses, stephanotis and variegated

Providing wedding mu-sic was Miss Karen Hemphill and John Tedford.

White and pink roses, stephanotis and ivy was used in decorations and candelabra accented the aisles of the church.

Miss Renee Rousselot served as her sister's maid of honor. Bridesmaids were Ms. Robin Rousselot. cousin of the bride of Arcadia, California; Ms. Cherie Leuthold of Mercer Island, Washington; Mrs. Gayle Davis of Dallas; and Ms. Nancy Mayer, cousin of the bride of Los Angeles, California.

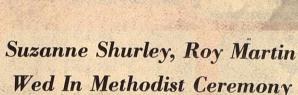

Dina Mayer of Austin, the bride's cousin, served as flower girl.

Sonny Anderson, father of the bridegroom, was man. best Groomsmen were Mark Rousselot, brother of the bride, of Dallas; Seco Mayfield, Guy Askew, and Eddie

David Wallace, Steve Street, both of Austin, and Mason Shurley of Odessa were ushers.

A reception was held in the home of the bride's parents following the cere-

Out of town guests were Mrs. Mary Rousselot of Palos Verdes Estates, Calif.; Congressman and Mrs. John Rousselot of Washington, D.C.; Mrs. Artie O'Conner of Whitewater, Wis.; Mr. and Mrs. Tom Vance and Mitzi of Dallas; Alex and Stewart Bul of Dallas; Mr. and Mrs. Phil Hirsh of Houston; Craig and Wendy Rousselot of Newport Beach, Calif.; Mallory port Beach, Calir.; Mailory
Barnhart of Austin; Janet
White of Chicago, Illinois;
Mr. and Mrs. Alton
White, Elizabeth and
James of Del Rio; Mr. and Mrs. Robert Mayer of Austin; Mr. and Mrs. Edwin Mayer of San Mr. and Mrs. Richard Mayer of

Suzanne Shurley of Sonora and Roy Grady Martion, Jr., of Cotulla were united in marriage Friday, August 19, at 6 o'clock at the First United Methodist Church in Sonora. The Rev. Paul Terry, officiated.

Parents of the couple are Mr. and Mrs. Gene Shurley of Sonora and Mr. and Mrs. Roy G. Martin, Sr. of Cotulla.

Given in marriage by her father, the bride wore a dress of pale pink and white organza. The fitted bodice featured a V'd neckline of white Venise lace, with additional motifs of Venise lace scattered throughout the bodice. The bishop sleeves of sheer organza were also adorned with lace appliques, and lace cuffs.

The full circular skirt flowed into a chapel-length train. She wore a picture hat of matching white Venise lace, and carried a bouquet of pink and white daisies.

The matron of honor was Mrs. Robert P. Post of Baytown. Her dress was white eyelet over yellow liner, accented by a bouquet of daisies in

pastel colors. The bridesmaid, Mrs. Scott Shurley of Sonora, wore a dress of white eyelet over a blue liner.

Her bouquet was also

daisies in pastel colors. Best man was Wayne Franklin of Austin. He made the wedding rings for the double ring ceremony.

Groomsmen were brothers of the bridegroom, Mark Martin, Stewart Martin, both of Cotulla, and Thomas L. Martin of

The reception was held at the Sonora Golf Club and the rehearsal dinner was hosted by the bridegroom's parents.

Mrs. Martin is a graduate of Sonora High School, and is a candidate for December graduation from Texas A&M Univer-

The bridegroom is a graduate of Cotulla High School, and a graduate of Texas A&M University with a B.S. degree in Agricultural Economics

After a short wedding trip to Monterrey, Mexico, the couple will live in College Station.

New Arrivals

Mohair Council Meets Here

A proposed by-law change and the realignment of the Mohair Council's Texas districts will be up for discussion when the Council's directors meet on August 25 at the Sutton County 4-H Club Center in Sonora, Texas.

According to a Council spokesman, the by-law change proposal must be approved by the directors before it can be presented to the annual membership meeting in January, 1978. The proposed by-law change would affect the apportionment of directors for the Council and a change in the formula used to determine the number of directors allowed from each district.

In addition to the proposed by-law change and the realignment of districts, directors also will be given detailed information on the plans for changing over the Mohair Council's financing. It is anticipated that the federal funds in the Council's reserve will be expended in early 1978, at which time the Texas Mohair Producers Board will begin funding the Council's promotion,

advertising and market development programs.

Other matters to be discussed at the Sonora meeting include a full report on the recent International Mohair Association meeting held in San Antonio, Texas, attended by more than 80 rep-

resentatives of the world's major mohair users in 12 countries, and a Council financial report.

Sid Harkins of Sanderson, Council president, urges all mohair growers in the Edwards Plateau region to attend the meeting. "We have a lot to talk about that can affect our industry," Harkins observed. "We need to have our growers speak up on some of these problems. That's the only way we officers have of knowing what the producer thinks of the programs being

conducted in his behalf." Assisting Harkins in conducting the meeting will be Bob Childress of Ozona; vice president, and Herman L. Moore of Brownwood, secretary-

July, 1976.

Temps Affect Fiber Prices

Sheep raisers in Texas may have been feeling the recent heat wave in New York City even more than the high temperatures in their own backyard.

Agriculture Commissioner Reagan V. Brown explained that, according to market experts, recent high temperatures along the East Coast, the major lamb meat market, brought a decline in consumption of both lamb and beef.

The Texas Sheep and Goat Raisers Association reported that fed lamb prices, which brought \$55 to \$57 in mid-July, responded to the 100-plus East Coast temperatures by dropping to \$50-51 by the end of the month.

Texas drylot sheep feeders with a lot capacity of 2,000 head or more had 79,000 sheep and lambs on feed for slaughter on Aug. 1, 1977, according to the Texas Crop and Livestock Reporting Service.

The August 1 total was one per cent below the same month a year ago and two per cent less than the previous month.

Placements in Texas feedlots during July totaled 35,000 head while sheep and lambs marketed for slaughter during July totaled 37,000.

Avoid Moving Cattle In Hot Weather

Hot summer temperatures can put cattle in stress if they are not managed properly, says a beef cattle specialist with the Texas Agricultural Extension Service.

With proper management, cattlemen should not lose any cattle or suffer production losses during hot weather, believes Dr. Larry L. Boleman.

'When outside temperatures range from 90-100 degrees F., cattle should be left alone as much as possible," contends Boleman. "Avoid movement, crowding and handling of cattle because exercise and excitement increase body temperature.

When the animal's physiological mechanisms are already trying to reduce body temperature during hot weather, any extra physical trauma may result in permanent damage or death to the animal."

The specialist also recommends delaying surgery such as dehorning and castration since excessive bleeding may occur due to the animal's increased blood flow

during hot weather. If cattle must be moved on foot or transported during heat stress periods, this should be done during the early morning, at night or in late afternoon when temperatures

are cooler. If cattle must be worked, they should be moved to a holding trap in late evening and worked early

the next morning. 'Although wind movement from fans can increase feed intake, daily gains and improved feed conversion for feedlot cattle, shade is about the only economical means for cow-calf operators to change the environment.

Research has shown that during periods of 90 degrees F. weather with a relative humidity of 63 per cent, cattle under shade gained weight while those without shade lost weight," points out Boleman.

Kermit Faces Gas Shortage

Community Public Service Co., which supplies natural gas to Kermit ant its environs, is filing an application with the Federal Power Commission seeking special relief from the federal agency's gas curtailment plan which has left Community without enough gas to serve

present customers. Kenneth F. Meier, Community's manager of gas properties in and near Kermit, Graham and Breckenridge, made the announcement at a Railroad Commission hearing week called to consider a moratorium on new gas customer connects in the unincorporated areas adjacent to

The Kermit city council

similar moratorium on new gas connects within the city limits.

Community has 2,974 customers on its Kermit distribution system with 132 of those in the environs of the West Texas community.

Meier told Gas Utilities

Division Examiner Jim Cloudt the moratorium plans are the result of the FPC's recently imposed gas curtailment plan for El Paso Natural Gas Co., an interstate company from which Community buys most of its gas.

"This places Community in the position of not having enough gas to serve existing customers," Meier said.

The gas curtailment plan will allow Community to purchase 60,376 Mcf for

the summer season from May through October and 197,915 Mcf during the winter season from November through April.

Purchases from El Paso during the most recent summer and winter seasons were 74,449 Mcf and 240,701 Mcf, respectively, with those amounts supplemented by 9,255 Mcf in the summer period and 7,421 in the winter period bought from wells in and near Kermit, the company official explained. "Therefore, actual u-

sage during the most recent summer and winter seasons were in excess of the priority limitation to be placed in effect on Community," Meier said. Penalty for takes in

excess of the limitation amount is \$5 per Mcf. In addition to filing the

FPC application asking that the priority limitation be lifted since all of its Kermit distribution system customers are priority one users, Meier said Community is negotiating with Southern Union Gas Co. for some additional supply

Community Michael Shirley of Texas City agreed to provide a number of late-filed exhibits requested by Cloudt Meier said the and company would be willing to provide any additional reports required by the Commission to monitor the supply picture during any period of moratorium.

Drilling Applications

Applications for permits to drill oil and gas tests in Texas totaled 14,477 for the first 71/2 months of 1977, up from 12,005 for the same period in 1976.

Year-to-date applications to drill, deepen, plug back and for service wells totaled 16,904 against 14,233 a year ago, the Railroad Commission's Oil and Gas Division reported in its semimonthly drilling

The report showed 18 oil discoveries and 21 gas strikes were completed in Texas during the Aug.

1-15, 1977 period. Gas discoveries included 10 in Deep South Texas, six in Southeast Texas, three in East Central Texas and one each in the East Texas and San Angelo areas.

September Oil

September 1977 field nominations for the purchase of Texas crude oil mand is 835,396 barrels daily for a grand total of 3,918,818 barrels daily.

Calendar Allowable

Average calendar day allowable of Texas oil production as of Aug. 1 totaled 3,589,057 barrels, the Railroad Commission's Oil and Gas Division has reported.

This legal rate of flow from 176,768 wells on allowable schedules compares with 3,612,544 barrels daily on July 15 when 177,133 wells were listed.

Petroleum News

The Devil's River News Wednesday, August 24, 1977 Page 9

Dear Friend:

Today, I am announcing my intention to seek the Democratic nomination as Congressman from the 21st

Today's decision was not made lightly. The office of Congressman is a most important position, for it is through your Congressman that you have the opportunity to make your opinions heard not only in Congress, but also in the White House and in the offices of hundreds of federal agencies that have an impact on our everyday lives

For the past five months I have been traveling throughout our district visiting with people from all heritages and walks of life. I have traveled over 10,000 miles and have been in all 32 counties. As I have visited with you and your neighbors, I have come to realize that we share several common goals and

We feel that the government should not act when people are able to solve their own problems. We want a Congressman who will pursue common sense solutions to the problems facing our nation. We want a Congressman whom we can trust to represent our needs and interests, and a Congressman who will fight to keep the individual liberties our forefathers won for us.

This is a serious challenge for any Congressional candidate. I am aware of the responsibilities involved and I am confident that I can fulfill these obligations to your satisfaction. I pledge my total commitment and dedication to the principles you and I so cherish. I ask to be your friend, your advocate and your voice in the halls of Congress. Please join with me in this campaign.

Ildan W. Wolff

The Friends for Nelson Wolff Committee needs your help! If you can help in any way, our campaign will be that much closer to victory. Please check below any of the ways in which you can help and mail it to: Friends for Nelson Wolff, P.O. Box 13672, San Antonio 78213.

YES, SIGN ME UP AS A FRIEND FOR NELSON WOLFF!

- □ I want to do volunteer work.
- ☐ I want a yard sign [next spring].
- want a bumper sticker.
- ☐ I want to make a contribution.

I will host a neighborhood party.

ADDRESS----

Proper Energy

Management

Can Save You Money!

ON ELECTRIC COOKING

- Don't be an oven-peeper. Every time you open the door, you lose 20% of the heat.
- Plan oven meals to accommodate more than one dish at a time, or time your baking for multiple dishes. Most recipes can stand a 25° F.
- Get foods for baking into the oven the moment it reaches the right temperature. Remember, you don't have to pre-heat the oven for broiling
- Use the high setting to bring foods to steaming then switch to the lowest heat needed to complete cooking. Turn off surface units before cooking is complete and let the retained heat finish the job.

65 Boys Make Up Bronco Teams

by Kay Holdridge Head Bronco coach, Bill Bundy, and his assistants, Roland Pfeiffer, Donald Patton, Roy Evans, and Terry Campbell, have just completed two-a-day workouts with the varsity and junior varsity Broncos. There are 29 boys on the varsity roster and 36 on the J.V.

The varsity members include Billy R.B. Galbreath, Alexander, Granger, Scott Cain, Cody Eddie Favila, Savell, Manuel Lopez, Joey Kirby, Kent Cagle, Johnny Creek, Mitch Johnson, Olsen, Robin Eric Snodgrass, Johnny Simmons, Bobby Wills, Steve Chandler, Chase John Paul Snodgrass, George Bautista, Hernandez, Dan Lawson, Sammy Sanchez, Steve King, Randy Gillit, Ross Roberts, Bobby Cook, Tobin Joy, David Reyna, Mike Jones, and Bruce

Benny Granger, 5'9", 168 lb. junior, will lead the Broncos as quarterback. Granger played J.V. ball last season as quarterback

Phillips,

running back. Granger is backed by a 5'9", pound junior, Alexander, and Kent Cagle, 5'9' 151 pound sophomore.

The backfield consists of fullback Johnny Creek, a 6' 186 lb. senior, wingback Eddie Favila, a speedy 5'7", 141 pound sopho-more, Scott Cain, 5'9" 146 junior wingback, Manuel Lopez, a 5'8", 154 pound junior tailback, Billy Bob "Bunk" Galbreath, a 5'8" 155 junior wingback, and Joey Kirby, a 5'10"
160 pound sophomore fullback.

Tight ends are Mike Jones, a 6'0'', 184 pound junior, who also has kicking chores, and Bruce Phillips, a 6'1" 170 pound junior. At the split end position are senior Tobin Joy, 5'9", 147 pound, Cody Savell, a 5'10" 151 junior, transfer student Mitch Johnson, a 5'7" 131 pound senior, and David Reyna, a 5'8" 145

pound sophomore. The centers are seniors Robin Snodgrass, a 5'11", 151 pounder and Eric Olsen, 5'10, 158 pounds.

Broncos include seniors Steve Chandler, 5'8", 150 pounds, Bobby Wills, 5'9" 157 pounds, and Johnny Simmons, 5'10", 167 lbs. Junior Chase Snodgrass a 5'10" 208 pounder sophomore John Paul Bautista, 195 pounds and junior George Hernandez, a 5'10" 166 pounder complete the list of

The tackles anchored by senior Ross Roberts, 5'11' 208 pounds and Dan Lawson, 6'0" 178 pounds, also include Randy Gillit, a 5'9' 167 senior, senior Steve King, 6'1' 153 pounds, Bobby Cook, a 6'0", 207 pound senior, and sophomore Sammy

Sanchez, 6'1" 165 pounds. Many new names are recognized on the varsity roster because many of the Broncos came from the successful Junior Varsity team of last season.

The Broncos hope to better their 7-3 record of last year. The three losses came at the hands of district opponents, Kermit and Ozona and Burnett.

A scrimmage was held in Bracketville Friday and

to check their progress. Bundy stated that the goal line defense was impressive and defensively the Big Reds were ahead of where they were last year at this time. His main concern was the inability to hang onto the football.

Fumbles plagued the offense, but this is not unusual for this early in the season especially if it rains, as it did in Bracketville.

The varsity and junior varsity will be in action at Bronco stadium when they will scrimmage Iraan.

Letter To The Editor

Baptist Temple, I feel now it is my duty to set the records straight as to what Trinity Baptist Temple is. It has been brought to my attention of rumors, unjustly saying we practice doctrines contrary to the Baptist belief. To this I very point blank say "no

The Trinity Baptist Temple stands for the Lord Jesus Christ, we are very Baptistic and for anyone to say differently has no idea what he or she is talking about. We do not condone false practices or anything else contrary to what our Lord teaches. I am an old fashioned "Hell fire" preacher that calls sin-sin in no uncertain terms! We stand for Christ with no convention, association, or Fellowship dicta-

ting what we do in Sonora. Our only goal is to see people come to know Jesus Christ as their Saviour, not through their works, but through the work of Christ on the

with people from all walks of religious life, telling others that we practice false doctrines. I say to you that are interested in Trinity Baptist Temple, come and see for yourself. If you remember the county Baptist Church you went to as a child, you will

enjoy our church. We take a stand and you will know what it is! You may not agree with us, but you will know what we stand for. To those that have falsely accused us of false doctrines, I challenge you to come and see!! We are not Charismatic nor will we ever be!!

The Trinity Baptist Temple invites you to come to the county church that just happens to be in the city. We are the "Friendliest Church in Sonora," so come and find out for yourself that there still are churches that care about you. If you ever have any problems you come and we'll show you how you can have peace and comfort in your life.

Letter To The Editor

Dear editor:

Here is our check for another subscription to the Devil's River News. We enjoy reading the news from back home even if we have been gone from Sonora for four years. We still claim Sonora as our

After living in Sonora for 19 years it sure was bad for us to move. But we have enjoyed living here in Canadian. The folks around here are very triendly just like back home.

Thanks a lot. Shelia and Mitch Mitchell Box 978, Canadian, Texas 79014

Airport Summary

There were approximately 150 take-offs and landings at the Sonora Municipal Airport during the week of August 14-20.

This slight increase in operations may be due to the number of people flying home from summer vacations.

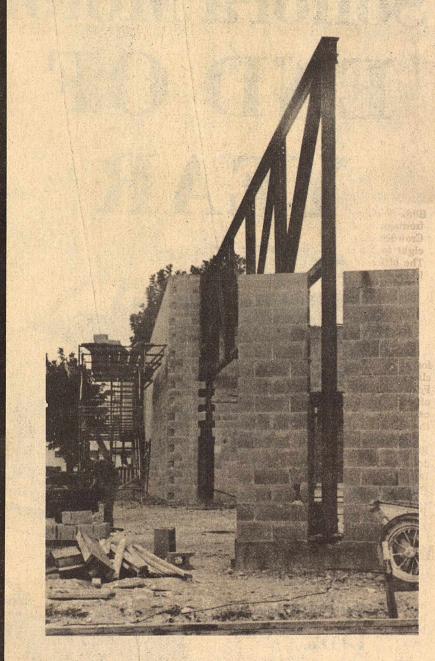

There were also a number of students flying at Sonora this week. They were Billie Taylor, Robert Brown, Doug York, Clift Rosemary Mathews, Chase Snodgrass, and Bill Harle.

Banquet **Tickets** On Sale

Gov. Dolph Biscoe will address the annual Sonora Chamber of Commerce banquet at 7:30 p.m., Oct. 12 at the Sutton County 4-H Center.

Tickets for the annual event, which is open to the public, may be purchased from any Chamber of Commerce Board of Director or at the Chamber office on Hwy 277 North.

Our new building is really taking shape...

Soon, you'll see more and more of our modern facility . . . We're looking foward to the opening of this new building . . . growing to serve you!
