**HELPFUL TIPS  
FOR YOUR DISHWASHER**

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash one dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
- Use the no-heat dry option to automatically turn off the electric heat normally supplied in the drying cycle.

**Pfluger, Jacoby  
Exchange Vows**

Miss Diane Pfluger and Scott Jordan Jacoby exchanged wedding vows January 14 in the Hope Lutheran Church. The Rev. John Hafermann, pastor of the church, officiated at the double ring rites.

Parents of the couple are Mr. and Mrs. Charles Ray Pfluger of Rock-springs and Mr. and Mrs. Philip Jacoby of Sonora.

The bride, given in marriage by her father, chose a formal length gown of wool lace knit. She wore a circle of baby's breath in her hair, and carried a bouquet of glamelias and stephanotis.

Miss Sharon Pfluger, sister of the bride of Lubbock, served as maid of honor. Mark Jacoby of Andrews, served his brother as best man.

Mrs. John Hafermann sang "The Wedding Prayer." Mrs. Oliver Wuest provided wedding music at the organ. Claire Pfluger, sister of the bride and Scott Speck, were candlelighters. Lisa Pfluger, sister of the bride, sat at the guest book.

A reception was held at the Sonora Golf Clubhouse following the ceremony.

The bride is a graduate of Rocksprings High School and is presently attending San Angelo State University, where she is a senior student.

Her husband is a graduate of Sonora High School and Texas Tech University and is in the real estate business in San Angelo.

The couple will make their home in San Angelo.

**Reflections**

By Jim Miles

Several centuries before Christ a document we know as the book of Daniel was penned. Last week we reflected on Daniel's insistence that he be permitted to retain his identity as a Jew, in refraining from eating the rich and forbidden Babylonian foods.

Daniel's struggle to maintain his identity did not end there. Much like the story of Joseph, we find in Daniel an account in which someone is framed, and punished for doing that which was the right. Some of the king's advisors became jealous of Daniel's favor and persuaded the king to forbid anyone to make a petition or pray to any God but the king for thirty days. Punishment was prescribed within the decree. Whoever disobeyed this decree would be sentenced to death in the king's zoological gardens.

Daniel not only disobeyed the decree, but did it openly. Several times each day he would kneel before open windows and pray to his God. He was caught, sentenced, and thrown into the lion's den. Daniel survived. The point of the story is not solely his great faith. In fact, would his faith have been necessarily less if he had been devoured by the wild beasts? I think not if the lessons of the martyrs are to be taken seriously. The point is not so much that he was not eaten, but rather that he chose to put his God above all other things. He chose to do that which he considered right in his own eyes, even though it meant punishment.

There are no lion's dens today, but often men and women are punished, discriminated against and the like for following their own conscience. The cry today is not, "throw him to the lions," but perhaps, implicitly, "throw him to the Christians." We should learn from Daniel several things. First, there are certain issues we must stand for. Second, we should strive to be open toward those who sincerely march to the beat of a different drummer.

deepen, plug back and for service wells in 1977 totaled 27,849 against 24,943 a year ago, the Railroad Commission's Oil and Gas Division reported in a preliminary summary. The report showed 19 oil discoveries and 22 gas strikes were completed in

Texas during the Dec. 15-31, 1977 period.

Oil discoveries included three each in the Refugio, Southeast Texas and Midland areas, two each in the San Antonio, deep South Texas, West-Central Texas and North Texas areas

and one each in East Texas and the San Angelo areas.

Gas discoveries included seven in deep south Texas, six in Southeast Texas, three each in the San Antonio and Refugio areas, and one each in the East-Central Texas, Abi-

lene and Midland areas. The Oil and Gas Division listed 13,170 oil, gas or service well completions for 1977, up from 11,934 a year earlier.

Of the 8,088 oil completions in 1977, 572 were discovery wells. A year earlier there were 7,348 oil

completions with 535 listed as oil discoveries.

Gas well completions in 1977 totaled 4,400 of which 782 are discovery wells. In 1976, Texas had 4,108 gas well completions including 888 discoveries. The report shows total oil and gas drilling

applications of 1,148 for the last two-weeks of 1977 and logs 487 oil, gas and service well completions. There were 291 oil and 178 gas well completions.

In the Dec. 15-31 period, 183 exploratory and field tests wound up as dry holes.

## An Equalization Program

For Sutton County,

Sonora Independent School District,

and The City of Sonora

After careful consideration and study, the Commissioner's Court of Sutton County, the Sonora School Board and the Sonora City Council have employed the Southwestern Appraisal Company, Inc., to make a complete equalization study of the property within Sutton County.

Why is this program necessary? In the past decade, rapid changes in property values have occurred, and these changes have caused inequities in the tax structure. The proper way to correct this situation is to have all property appraised. When this is done, the current market value is determined, and this will provide information that will allow the Commissioner's Court, the School Board, and the City Council to apply a percentage of this value for tax purposes, thus implementing uniform and equal assessments for all property.

Our field men will soon be calling on you to ask permission to inspect your property, and we respectfully request your cooperation.

The Constitutional requirement that taxes shall be uniform and equal and based on current market value is of prime importance to everyone. Let's all work for equalization. We assure you that this program will lead to more equal sharing of the cost of your County's, School's and City's services.

Both the eighth grade boys and girls had an easy time with the Wall teams as they won by a 46-25 count and a 44-22 margin, respectively, Monday.  
The boys used the bench as each boy played at least a little. There were 10 boys in the scoring column as a result. Leading the boys was Scott Savell with 9, followed closely by Allen Stewart with 8. Joe David Favila score 7 and Mark doan and Armando Martinez had 4 to follow Perry Draper's and Joe Longoria's 5 points. Fred Sutton scored 3, Randy Mounce

hit for 2, and John Blankenship scored 1.  
The girls had an equally easy time defeating the Wall team. Seven girls scored for the Colts. Rosa Noriega was high point with 14 and Jessica Robledo and Tony Ridge-way scored 11.  
The girls won first place in the Ozona tournament. The boys lost by 3 in the same tournament.  
The seventh grade Colts split a pair with Wall in Wall Monday night. The boys won 25-24 in an exciting overtime game. The girls, despite playing well until the fourth quarter, lost by a small margin.

The boys tried to give Wall the game late in the fourth quarter as mental mistakes and fouls allowed Wall to tie the game with 2 seconds left.  
The seventh grade girls played well for 3 quarters, trailing by only 3. However, they lost their hustle and shots were sporadic and from the outside. Inconsistency contributed to their loss.

### Judge Williams Announces

Judge Troy Williams authorized the press to announce his candidacy for re-election to the office of 112th Judicial District Court.  
Judge Williams was appointed July 16, 1977 to the vacancy created when Charles E. Sherrill resigned. Judge Williams states that he is actively trying cases in an all out attempt to clear the dockets in the four county district and has heard and ruled on nearly 200 cases since assuming office. He states that January and February are Civil Jury months and he is hearing jury cases in the different counties throughout the district; he is enjoying the work, and especially enjoys meeting people in the area, renewing old acquaintances and making new ones.  
Prior to his appointment Judge Williams was County Juge of Crockett County for almost 7 years. A native Texas, born in Panola County near the Sabine River, Judge Williams came to Crockett County in 1931, graduating from Ozona High School in 1934. It was in the depression so there was no opportunity to go to college at that time. He worked in the family grocery, than entered the ranching business and still operates ranches in Crockett County in partnership with his two sons. He also engaged in the construction business and was an auto dealer for a number of years.  
Entering college at Angelo State University in 1963 he commuted from the ranch for 4 years. Receiving a BBA degree in 1967 from ASU, he immediately entered Law School at the University of Texas graduating in January 1970. Judge Williams was admitted to the practice of law in December 1969 and practiced in Ozona until he took the bench as District Judge.  
Judge Williams is a Baptist, a long time member of the Ozona Lions Club, member of the Ozona and Ft. Stockton Chambers of Commerce, is on the Board of Directors of Baptist Memorial Geriatrics Center of San Angelo, Paisano Baptist Encampment, is an assistant Superintendent of the Cattle Division of the San Angelo Stock Show, and is active in other civic and community activities.  
Judge Williams is running for re-election on his public record and asks for the consideration and support of all voters in the District.

We are unable to express in mere words the comfort you brought us by the many ways you showed us you cared. We especially thank everyone for the wonderful food and the most beautiful flowers.
