Jaycees, Park, Set Big Goat Cook-Off

"We want to remind everyone about our first annual Barbecue and Hooten Hollar," Jaycee president Mike Hale says, "which gets underway this Saturday morning at the park grounds."
The all-day event is a joint project between the Jaycees and the Sutton/Sonora Park Association and is designed to bring a community activity to the city and provide revenue for park improvements.
Goat cook-off artists from around the area will be on the grounds all day, preparing their own special

brands of barbecue, concessions will be available to the public and a dance is scheduled for Saturday evening.
There is no admission to the barbecue and the dance is \$3 per person.
"Cook-off participants are reminded that they must provide their own goat and equipment," Hale adds.
"After the cook-off, the barbecue will be available to the public at no charge and there will be trimmings to go around," he continues.

Gary Kuykendall Killed In One-Car Crash Monday Morning North of City

Funeral Services Held Tuesday for Popular High School Senior

A one car crash 1.03 miles north of Sonora on Highway 277 North claimed the life of Gary Don Kuykendall, a senior at Sonora High School.

Kuykendall was a passenger in the vehicle driven by Thomas Wood, 17, of San Angelo. Wood was transferred to Shannon

Hospital in San Angelo and listed in stable condition with a leg injury.

DPS Officer Archie Crenwelge said Wood gave an account of the accident and told him he believed it occurred at approximately 12:30 a.m., Monday morning. The wreckage was not discovered until

6:45 a.m. when a passing motorist noticed the vehicle lying bottom side up in a culvert.

Crenwelge said the vehicle apparently went out of control and turned over in a culvert and was not visible from the road until daylight.

Funeral services for young Kuykendall were held Tuesday at the First Baptist Church at 3:30 p.m. Burial was in Sonora Cemetery.

He was editor of the school newspaper and had been a student at Sonora High School the past three years.

Survivors include his mother, Mary Kuykendall of Crane; his father E.O. Kuykendall of Sonora; one brother, Ronnie of Big Lake; one sister, Elizabeth of Arlington; and his grandmother, Mrs. E.B. Kuykendall of Big Lake.

Pallbearers were classmates, Steve Chandler, Stanley Anderson, Rusty Covey, Bruce Bartz, Joey Kirby and Bruce Phillips.

School Board Hires High School Principal

In a special meeting of the school board Monday night Don Jones of Milford was named high school principal.

Jones has taught at the elementary and secondary levels and has been principal at Milford for the past two years.

He has a bachelor's and master's degree from East Texas State University.

Jones and his wife have one son and are members of the Methodist Church. Mrs. Jones also holds a master's degree from East Texas State and has six years teaching experience.

They plan to move to Sonora in July.

Wendell McAndrew of East Bernard was named curriculum director. His experience includes teaching, coaching, assistant principal and principal.

McAndrew has a bachelor's

degree from the University of Texas, his master's degree from Southern Methodist and has done doctoral work at North Texas State.

Mrs. McAndrew has a masters in English from North Texas State. The couple has two children and are also members of the Methodist

Church.

In other action of the board, salary schedules for teachers were set at \$1700 above the state for the 1978-79 year.

The process of selecting cheerleaders was discussed and the

board decided that any girl may try out for cheerleader and that she will be elected by the student body. The board also asked that cheerleader guidelines and agreement be revised and submitted for its consideration.

City Aldermen Meet At New Building Monday

Votes of Saturday's election were canvassed when City Alderman met Monday morning in their new meeting room at the old Bank building.

The Council also approved two year terms for city appointed posts.

Some discussion was held regarding the management of the City Swimming Pool. City Manager Bob Nevill told the council Oliver Wuest had applied for management of the pool again this summer. Formal lease agreements will be executed at the next meeting.

Council did recommend that rates to the pool be raised to \$1 for adults and children 12 or older, and 50c for children. The city would then take a 20 percent split from pool income with pool management taking 80 percent.

Louie Beal and John Mittel appeared before the council to inquire into the farming possibilities at the sewer farm site.

A lengthy discussion was held regarding what would be expected from the lessees and what the city would be required to do.

It was decided that bids for the acreage would be accepted at a meeting scheduled for April 18.

In March Sonora was approved as a pilot city to test thermal and lighting efficiency standards in Texas. A grant of \$5,000 was made available to Sonora in return for their cooperation in the project designed to cut heating and cooling costs in residential and commercial buildings.

City officials were told that in the near future all cities will be required to conform to the strict

building codes.

The regular meeting time of the Council was changed to the third Tuesday of the month. The time of meetings will remain at 9 a.m. Council will hold a meeting April 18.

Thomas Y. Pickett Co., has asked the Council to appoint a board of equalization to meet with them in a preliminary meeting regarding the petroleum industry on Wednesday, May 24. The council will appoint the three

persons for the equalization board at their next meeting.

Mayor Norman Rousselot was presented a plaque by the Council and a resolution of appreciation for his nine years of service to the city. The resolution was adopted by the council.

Ken Braden Motors, Inc., was low bidder for a pickup to be purchased by the city. Braden's bid was \$5479.99.

Wes Tex Construction Company of Borger was low bidder on the water distribution system modifica-

tions. Their bid of \$129,974 was accepted with a 120 day stipulation for completion.

In other action of the council the engineering firm of Wm. Fox and Associates was terminated and proposed restrictions in the Castle Hill Annex Addition were adopted.

Present at the meeting were Mayor Rousselot; Aldermen Doyle Morgan, James D. Trainer, Hershel Davenport, and Jack Kerbow; City Manager Bob Nevill and City Secretary Pat Robbins. Also present were Mary Owensby and Dick Fitts.

Newly elected Mayor Doyle Morgan presents outgoing Mayor Norman Rousselot with a plaque in commemoration of his nine years' service to the City of Sonora.

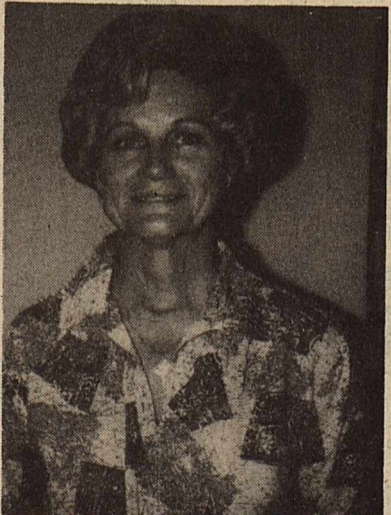

Morgan, Owensby Trainer Elected

442 votes were cast in Saturday's city election to elect a new mayor and two aldermen.

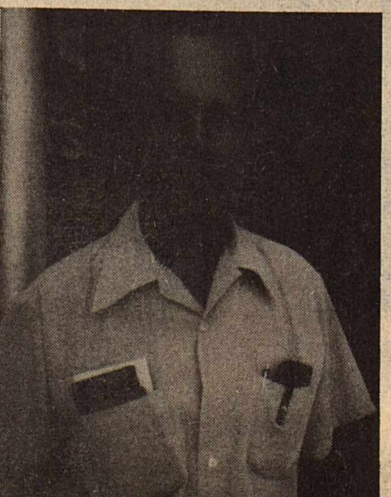

Doyle Morgan, who has been City Alderman for several years, will take over the post of mayor. He was running unopposed in the race and received a total of 384 votes.

In the race for alderman James D. Trainer was re-elected with a total of 281 votes. Also elected to that post was Mary L. Owensby with a total of 172 votes.

John Cotten received a total of 160 votes for alderman.

Mary Owensby

James Trainer

Lawson, Perez Win School Board Places 1 and 2

Don Lawson and Sam Perez were declared winners in Sonora Independent School District's election held Saturday.

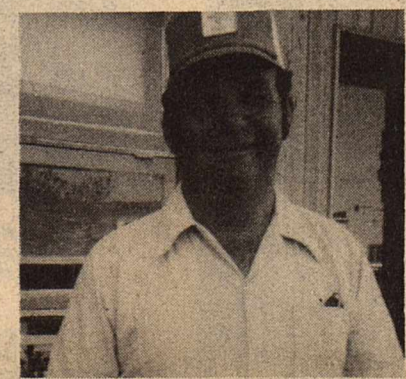

The present board of trustees canvassed votes at a special meeting held Monday.

In place 1 Lawson, the incumbent, and running unopposed

for that place, received a total of 494 votes.

Perez, running for place two against four other candidates had 309 votes.

Cynthia Ward received 196 votes for place 2; Bill Keel had 124, Clay Carta had 48 and Luther Creek had 40 votes.

Don Lawson

Sam Perez

Lions Celebrate 50 Years

The Sonora Downtown Lions Club will celebrate its 50th Anniversary with a special banquet, Saturday, April 15 at the Sutton County 4-H Center.

"We are one of the very few Lions Clubs celebrating 50th anniversaries with as many as four charter members still active," Sonora Lions Club president Ray

Barlemann comments.

The special banquet which starts at 7 p.m. is open to Lions Club members and their wives and project chairman A. E. Prugel asked that Lions Club members plan to attend. "We need members to let us know for sure, so we can make proper arrangements for the catering," Prugel adds.

NHS Induction Ceremony Scheduled

Sonora High School's annual induction ceremony for the Sonora Chapter of the National Honor Society will be held Wednesday, April 12 at 11:15 a.m. in the high school auditorium.

in the National Honor Society, students, grades 10 and higher, must have a cumulative grade average of 85 percent. Additionally, potential members must meet high standards in leadership, service, and character. Leadership is based on

the student's participation in community or school activities or election to an office. To meet the service requirements, the student must have been active in service projects in the school and community. Character is measured in terms of integrity, behavior, ethics, and cooperation from both students and faculty.

conducting the proceedings. Parents and interested persons are invited to the occasion.

The local honor society is quite active as an organization. Students have worked diligently this year raising funds for proposed projects. They, at various times, have sold cakes at football games, sponsored a spaghetti supper prior to a home football game, and sponsored an all-school movie prior to the Thanksgiving holidays. Each member and their parents have contributed greatly to the success of the honor society this year.

Honor Society sponsor, Jan Ethridge, states that the success enjoyed by the society this year is due entirely to its members, those students singled out due to grades, leadership, service, and character to be honored by membership in this national organization. "They have been a real joy to work with this year."

Committee On Aging To Meet April 6

The Sutton County Community on Aging will meet Thursday, April 6 at 10 a.m., in the Sutton County Community Center.

On the agenda is the approval of the summary report of the March meeting, the treasurer's report, center activities, discussion of Older Texan Month, new business and a date and time of the next meeting will be set.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective April 14, 1978.

It is expected that the requested rate schedule will furnish an increase of 11.4 percent in the company's intra-state revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the Company's public business offices.

Congratulations Sam

Congratulations, Sam, on your election to the school board. It is totally without rancor that I can say I know you will do a good job. In all honesty, Sonora is long overdue in having a Mexican-American board member and I think it is a "measure of the man" that you are the first one so chosen.

To those of you who supported my candidacy and worked in my behalf—my sincere thanks. The election campaign was an experience I shall not soon forget and even though I lost, I enjoyed every minute of it.

Thank you for your candor in telling me your concerns and your views on how our school system might be improved. Although I won't be a member of the board, I have a telephone and a deep and abiding interest in all the young people of our town. I will continue to do what I can to improve our schools.

Let's all strive to keep communication open between the school and community—and help Sam be the best elected representative we've ever had.

Historical Society Extends Deadline

The Sutton County Historical Society would like to inform you that the publisher of the Sutton County History Book has granted one last extension. The Society will accept family histories for inclusion in the history book until May 10th.

Ron Peters, president of Craftsman Printers, Inc. was here on March 29 for a meeting with those people who have already submitted their stories. Due to the fact that there seems to be so much enthusiasm for the project, he agreed to extend the deadline. However, if you are thinking that May 10th is a ways off and you can procrastinate in writing your story for a little while longer, keep in mind how easy it is to let things slip on you.

In order to have the full, comprehensive history book that everyone wants, the Historical Society needs everyone who lives in or has lived in Sutton County to participate by writing their stories. That means that each and every family has a vital part to play in making the history book project successful. This project is not for a few select people in the county. It's a countywide effort and will be successful only if every person in Sutton County helps.

Remember, our publisher grants each family unit 500 words of free space to tell about those significant events in one's life. If each family gets on the bandwagon and participates, the Sutton County History Book will be a volume to be proud of.

For additional information, or for help in writing your story, please contact the Sutton County Historical Society, P.O. Box 1145, Sonora, Texas, or call 387-3996.

DATES AND EVENTS FROM YESTERYEARS

Compiled By Shirley Hill

April 4, 1968
General Telephone Company is asking the City Commission for an increase in telephone rates. The last increase was in 1963.

Nine Sonora Lions and two Eldorado Lions were honored Tuesday for 40 years' service to Lionism. Recognized as charter members were Dan Cauthoran, Ben Cusenbary, W.R. Cusenbary, John Eaton, Bryan Hunt, Alvis Johnson, George H. Neill, Alfred Schwiening, Sr., and H.V. (Buzzy) Stokes.

The coming School election will pit two incumbents, Armer Earwood and Gene Shurley, against hopefuls, Norm Rousselot, Ralph Gonzales and Bill Tittle.

April 3, 1958
Mayor Alfred Schwiening and Commissioners A.B. Hightower and Gay Copeland, were returned to office in Tuesday's City Election. Little interest was shown in the election with only 51 persons casting votes.

The Sonora Fling Ding Club has contracted to have Skinny Ennis and his orchestra play for their annual dance.

Mr. and Mrs. Marion Elliot announces the birth of a daughter named Martha Elizabeth.

Interested representatives of state and federal agencies will attend a meeting in Sonora on April 9 to review a draft of the flood prevention work plan on Dry Devil's River and Lowrey Draw.

April 2, 1948
Two men are being held in Sutton County Jail this week facing charges of auto theft, following recovery of two vehicles reported stolen in Sonora. Pledges and donation totalling over \$10,000 during the last six days have brought Sutton County's drive to \$50,000.

Aubrey Cowser Buried In Rocksprings

Funeral services for Aubrey Alonzo Cowser, 59, of Poteet, were held March 23 at the Baptist Church in Rocksprings. Burial was in Rocksprings Cemetery.

Mr. Cowser died March 20 in the Veteran's Administration Hospital in San Antonio.

He was born January 5, 1919 in Edwards County and was at one time a resident of Sonora.

Survivors include his wife, Betty of Poteet; one son, William Cowser of Hawaii; three daughters, Mrs. Jaren Maloney of Hawaii, Miss Hazel Elizabeth Cowser and Mrs. Betty Sue Perry, both of Charleston, S.C.; one brother, Otis Cowser of Rocksprings; one sister, Mrs. Lucille Reams of Bay City; four grandchildren and a number of nieces and nephews.

Reflections

by Rev. Jim Miles

Peter's hope for those to whom he addressed his first epistle was that grace and peace be multiplied in them. These words, grace and peace, are tossed around a great deal in religious encounters of the gathered community, but far too often the true simplicity of the terms escapes us. Grace is quite simply a gift, THE gift of God's unmerited, undeserved, and unearned love for us.

To Peter the event of the passion, Christ's suffering and consequent death on a cross was the sign of that gift. Easter morning became then, the validating seal of that gift of love. Grace and peace are referred to, by Peter, even though used together, as a singular thing. That grace brings with it the opportunity to participate in the "peace of God," something that does not begin only in the "sweet by and by" but, rather, is a very real possibility in the here and now.

Theologically, peace too, of the new testament Greek term is seen as a parallel to the Hebrew shalom, is a gift of God. God has acted-grace has been extended, peace has been offered. Our task becomes one of accepting our acceptance, of stopping in our frenzied nondirectional activity long enough to taste the sweetness of His peace which is offered. The peace of God can then become for each of us a living reality in our daily lives.

Prayer: May grace and peace be with all, now and forever more. Amen.

Sonora Minister Speaks

In the course of history many atrocities have been committed in the name of religion; wars have been fought, murder done, discrimination and exploitation practiced. Religion has been hedged about with do's and don't's until at times it is almost unrecognizable. Now it is almost inevitable that there will be some rituals of religion, some rights and wrongs. The tragedy is that often so much of the ritual and ideology

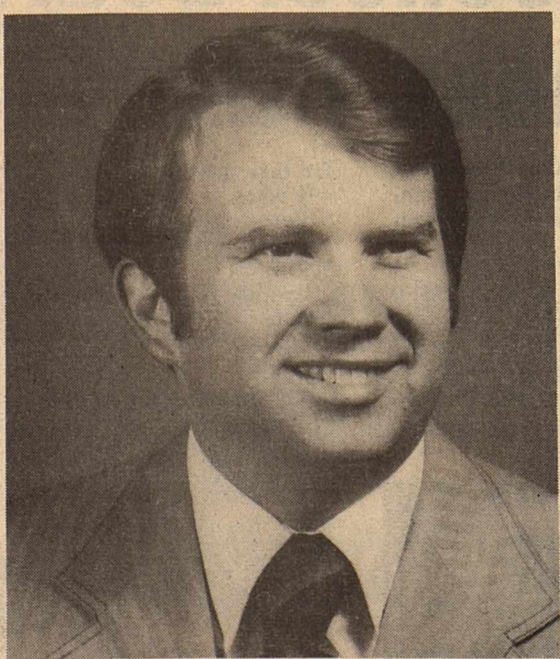

becomes caught up in our minds to the extent that they harden and become set. Such attitudes were the basis for the rather harsh words of Jesus to the pharisees and scribes of his day. We forget that life is a pilgrimage, and what is useful and proper at one stage of travel may be outgrown and useless at another. We no longer hitch up old Dobbin to the shay and trot off down the road if we want to travel! We tend also to take for

granted that out sets of rights and wrongs are the correct ones for all people, and condemn others who do not subscribe to them. Perhaps we could live more effectively if we were able to admit our own fallibility and deal honestly with people who differ with us. One of the prophetic voices had a wise word to say about some basic realities of meaningful religion. "What does the Lord require of you, but to do

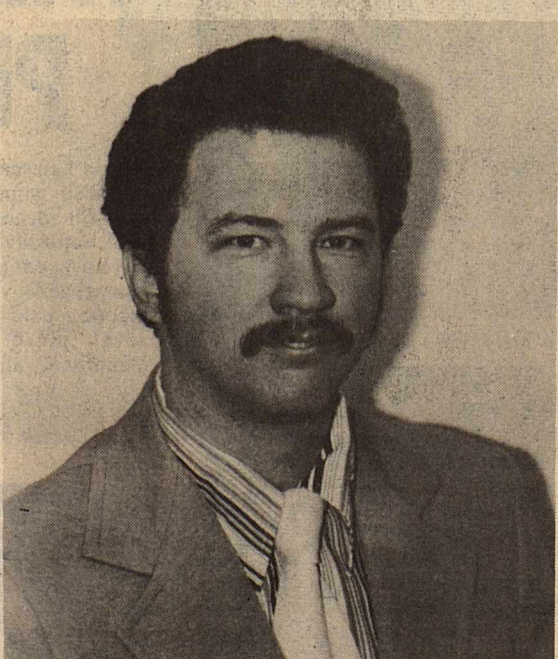

justice, to love mercy and walk humbly with your God?" That is a pretty good measuring stick to use when we examine our set of do's and don't's. Are we concerned about justice for all? Do we go beyond justice to mercy? Have we been able to get rid of false pride and walk in humility? We can be very religious, and miss completely the road walked by the Lord of life.

Dianne Harris, James Benson Wed

Miss Martha Dianne Harris of Brady and James Edwin Benson were wed March 18 in ceremonies held at the First Baptist Church of Brady. The Rev. Dave Morrison, pastor of First Baptist Church of Rochelle, performed the double ring rites. The bride, given in

marriage by her brother, Blaine Harris, chose a formal gown of pearl white polyester jersey over peau in a slender silhouette with Venice lace. Pearled lace outlined the V shaped neckline, the cuffs of the long sleeves and the high rise V shaped bodice. The softly flowing skirt had lace accenting the hemline, sweeping to form a chapel train. A mock lace headpiece held the lace edged mantilla.

Her bouquet was a cascade of white orchids, pearlized stephanotis and mixed greenery.

Mrs. Linda Blauvelt, sister of the bride, of Rochelle, served as matron of honor. Bridesmaids were Miss Suzanne Williams, cousin of the bride, of Ozona, Miss Tanya Cooper of Brownwood, Mrs. Randy Hines of Lubbock and Mrs. Roger Swart of Abilene. They carried antique ivory lace fans with clusters of coral roses and baby breath.

Fredrick C. Benson served his brother as best man. Groomsmen were Lynn Simpler of Sonora, Eddie Alexander of Lubbock and Ray Upton of San Angelo. Simpler and Alexander also served as ushers.

Miss Robbi Cunningham of Salada was ring bearer. Mr. and Mrs. Roland Nowlin of Rochelle were soloists and Mrs. David Chalmer of Brady provided organ music.

The church was decorated with an arrangement of coral gladiolas, carnations and daisies. On either side of the arrangement were two arch candlebrums holding tall white tapers and jade foliage standards. Completing the decorations were two urns of ferns on Grecian columns. Pews were marked with cascades of greenery and coral ribbons.

A reception was held at the Brady Housing Center immediately following the ceremony. The centerpiece for the bride's table was a

victorian arrangement of carnations, glads and daisies in the bride's colors of coral.

The bridegroom's table was centered with a mixed spring arrangement.

Following a wedding trip to Kerrville and New Braunfels, the couple will make their home in Sonora.

Mrs. Benson graduated from Rochelle High School and Tarleton State University. She is a elementary teacher.

Her husband is a graduate of Sonora High School and is a automobile mechanic.

Ella Hollmig, Michael Turner Wed April 2

Ella Hollmig and Michael W. Turner of Kerrville were wed Sunday, April 2 in the parsonage of the First Baptist Church. The Rev. J.C. Hancock performed the ceremony.

Ms. Hollmig is the daughter of Mr. and Mrs. L.D. Hollmig.

Mr. Turner is a certified public accountant in Kerrville where the couple is making their home.

A reception was held at the home of the bride's parents following the ceremony.

Kappa Gamma, School Faculty Clash In Volleyball Play

Members of the Kappa Gamma Sorority and their husbands were pitted against the faculty Thursday night in five games of volleyball.

Unfortunately, for the Sorority at least, the faculty came out winners in all five games.

Proceeds from the game will be turned over to St. Jude's Crippled Children's Hospital.

First game score was 14 to 1 with Billy Martin, Sammie Hodges, Mark Wilkinson, Jo Ann Wilkinson, Linda Cayce and Debbie Kiowski serving as team members for the sorority.

In the second game Delores Hodges, Sammie Hodges, Jan Robertson, Mark Wilkinson, Jo Ann Jones, and Billy Martin represented the sorority. Score of that game was 15 to 3.

Members of the faculty were Ed Martinez, Roland Pfeiffer, Kay Holdridge, Tally Kelso, Carol Hamilton, Melinda Barndon, Charles Russell and Rex Ann Friess.

Game three saw the teachers take a 15 to 6 win with Martin, Kiowski, Hodges, Wilkinson, Delores Hodges and Jo Ann Wilkinson serving as team members.

A score of 15 to 3 in game four had team members Hodges, Martin, Wilkinson, Herb Jones, Jo Ann Jones and Linda Cayce.

Martin, Debbie Kiowski, Hodges, Wilkinson, Jones and Jan Robertson were team members in game five with a loss to the teachers 17-15.

Fire Wives Meet Mar. 28

Members of the Sonora Firemen's Auxiliary met March 28 with 16 members and one guest attending.

Those attending were Mmes. Mollie Hite, Jennie Willman, Loxie Huffstutler, Trevlin Luttrell, Vickie Zeck, Melissa Teaff, Ruby Lee Jolly, Francis West, Linda Odom, Jim Taylor, Rhonda Blackman, Vicki Cearly, Nova Olenick, Karen Ogburn and Jayne Smith. Jean Humphreys was hostess. Bessie Thomason was a guest of the club.

Those winning at 42 play were Francis West, 84; Mollie Hite, high; and Trevlin Luttrell, low.

Sonora Places Fifth At Robert Lee Track Meet

by Kay Holdridge
SHS finished fifth out of 33 teams in the high school division of the Robert Lee Track and Field Meet held Friday. The girls captured 43 points, despite a disqualification in the sprint relay. The Colts were fourth with 50 points. There were 17 teams entered in the junior high division.

33'2" and was second in the long jump. Noriega won fourth place points in the high jump with a jump of 4'9". In her first attempt at the discus, Wright placed sixth. The Broncos weren't as effective in the field events, as they managed only two points. Tonya Evans was sixth in the long jump and Paula Friess was sixth in the triple jump.

despite a less than smooth handoff between Theresa Marlow and anchor Rosa Noriega. Other relay members are Sandie Wright and Robledo. The 880 yard relay composed of the same members as the 440 relay had their share of bad luck as the Wright-Robledo handoff exchange was out of the handoff zone, disqualifying them. The girls time was the best of the finalists. The 1320 relay put it all together and ran away from competitors in a time of 3:09.8. Members are Noriega, Linda Duran, Marlow, and anchor Robledo.

SHS had its relay problems, too. The sprint relay turned in the third best qualifying time but was disqualified for handing off out of the handoff zone. Members are Annebelle Gonzales, Evans, Becky Cavaness, and Paula Friess. The 880 yard relay ran a 1:55.0 into a stiff wind to place fifth. Members are Gonzales, Pam Powers, Cavaness, and Friess. The mile relay (Denise Neal, Marche Lane, Cavaness, and Gonzales) ran a wind hindered 4:24.5 to place second behind Haskell.

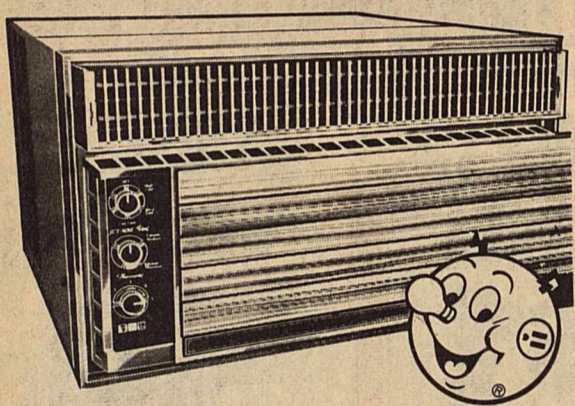

The Sonora High School tennis team takes out... bottom row (left to right) Tim Burnett, Valerie Tedford, Cody Gold, Fran Friess, Prissy Cook, Robert Mounce. Second row, left to right, Mary Lynch,

Hillary Hunt, Janie Gold, Emily Elliott, Nancy Mooney, Angela Green. Back row, left to right, David Martin, Howard Brittain, Cades Pope, Craig Cooper, Lee Burch and Benny Granger.

Use your Room Air-Conditioner Wisely...

AND SAVE

REDDY'S HELPFUL TIPS

- ★ Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.
- ★ Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.
- ★ Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

WEST TEXAS UTILITIES COMPANY

Brownies Set Special Olympics

April 8 has been set for the Brownie Olympics. Events will begin at 10 a.m. and continue until 2 p.m., at Bronco Stadium.

Ribbons will be awarded for first, second and third places.

Events will be softball throw, frisbie throw, gorilla relay, kangaroo hop, 30 yard dash, potato sack race, potato roll, kite flying, clothes race, gum race and 50 yard dash.

Track Teams To Compete At Llano

Local track coach Roland Pfeiffer has stated that the Ozona track meet previously scheduled for Friday, April 7, has been cancelled. Local teams will participate in the Llano meet on that day.

The meet scheduled for April 14 in Ozona for

junior high students has also been cancelled and the Junior High district meet scheduled for April 22.

The reason for Ozona cancelling their meets is difficulty in getting their track paved in time for the events.

Future Homemakers Observe Nat'l Week

The week of April 2-9 has been designated as Texas Future Homemakers Week. This is the time when 35 local members make a special effort to explain what they do to other people in the community and the school.

All members take part in programs of self-improvement called Encounter. Peter Gomez has arranged activities throughout the year for local members and was

recently chosen to head this program in Area II next year.

Local members participated in a skit which explained their heritage to approximately 1500 delegates at their Area meeting recently, another project in self-understanding.

In his speech to the nominating committee, Peter described the local FHA as sort of a "Red Cross"; they are the group to whom people turn for help. They have assisted at the Nursing Home, with the speech Meet and are preparing to provide new curtains for the Senior Citizen Center.

This organization provides opportunities for leadership and to become aware and meet some of the problems of our community.

The committee which will carry out plans for the week will be John Paul Bautista and Lupe Gamez.

Broncos Slip at Mason

by Kay Holdridge
Sonora could manage only four points in the Hill Country Relays held Friday at Mason. Most of the team didn't make the finals and the 440 yard relay dropped the baton.

The meet was an unusually large one and the Broncos competed against large AA teams and small AAA teams.

The only four Bronco points were scored by Wayne McLaughlin in the long jump.

Lucy Morriss Represents Sonora

Lucy Morriss was Sonora's representative in the Big Lake Girl's Golf Tournament held last week.

Lucy placed fourth in the meet with a score of 93.

First place was won by Gosset of Rankin.

Mobile Homes

More and more Americans are discovering that if their home isn't their castle, their mobile home could be.

Manufactured homes have kept ahead of the times and they now offer a practical solution to people who want to buy single family homes. An advantage for a manufactured house is that it can offer a well engineered affordable home which includes an energy saving construction system.

There's still time... To have H&R Block prepare your taxes to meet the April 17 filing deadline.

NOTICE

TO SONORA CABLE TV SUBSCRIBERS:

During the next few weekends, we will be forced to interrupt your service while installing new equipment. We will try to limit these outages to Saturday and Sunday mornings so that your sports programs will not be affected.

Our new equipment is part of a continuing program to upgrade your cable TV service to a 12 channel capacity. Picture quality on your present channels will be improved dramatically after the conversion. OUR OBJECTIVE is to bring top-quality television to Sonora. Please bear with us during these changes.

Jr. High Boys Score At Crane Relays Friday

by Kay Holdridge
The junior high boys' teams competed in the Crane Relays held Friday. The seventh grade placed third and the eighth grade team came in as runner-up to Ozona.

The seventh grade boys' relay teams placed fourth and fifth. The 440 yard relay (Eddie Vallejo, David Chandler, David Buitron, Albert Chavez) placed fourth and the same combination placed fifth in the 1320 relay.

Individually, the boys scored 40 points. David Bessera strided to second in the 1320 run to cop eight points for the team. Teammate Bernardo Solis was right behind to place third. Espy Whitehead

placed in both hurdles as he placed fourth in the 220 low hurdles and sixth in the 70 yard hurdles.

Marney Sorenson hurdled to fourth in the 70 yard hurdles, picking up four points. Other fourth places finishers included Frankie Gonzales, in the 660 yard run, Albert Chavez in the 220 yard dash, and Vallejo in the long jump.

Fifth place finishers were Chandler in the 330 yard dash and Chris Reynolds in the 660 yard dash.

Zeke Duran placed sixth in the 220 yard dash to pick up one Colt point.

In the eight grade division, the Colts scored 106 points. Both the 440 yard relay (Allen Stewart,

Ponciano Castillo, Joe David Favila, and Joe Longoria) and the 1320 relay (Favila, Charley Carroll, Harvey Sepeda, and Longoria) placed second.

Four boys won their races. Harvey Sepeda won the 660 yard dash and Joe Longoria broke the tape in the 330 yard dash. The 70 yard intermediate hurdles were won by Scott Savell while the 1320 run saw Fernando Ramos outlasting the field.

Hecor Samaniego won the only second place in the individual events as he heaved the shot put for eight points. Savell also placed third in the 660 yard dash to garner the only third place Colt points.

Frisby Bible and Castillo picked up fourth place finishes in the 330 yard dash and 100 yard dash respectively.

John Pollard and Longoria crossed in fifth place in the 70 IH and long jump to total four points. Sixth place points went to six Colts. Carroll won his point in the 330 yard dash, Castillo in the 100 yard dash, Lino Samaniego in the 1320 run, Samaniego in the discus, Stewart in the long jump, and Mark Doan vaulted to a sixth place tie.

The boys will be inactive this week, but will work in preparation for the district meet to be held here on April 22.

Woodrow Glasscock
CONGRESS - 21st DISTRICT

WHERE I STAND

Small business, including family-owned farms and ranches, is one of the most important segments of our U.S. economy. Making up for 97 percent of all American enterprises, small business provides 59 percent of all employment. In other words, more than half the working people in our nation are employed by small businesses.

Accounting for 48 percent of all business output, small business comprises 43 percent of our gross national product. When compared to some of the giant conglomerates and businesses we have in America today, I find the fact that our "mom and pop" operations produce nearly half of everything produced in this great nation a staggering fact.

Small business, then, is the backbone of our communities and the lifeblood of our economy. In school our children learn about the free enterprise system. Often they learn to work and therefore learn the free enterprise system first hand while being employed in a small family-owned business.

Why is it, however, that mindless bureaucrats in Washington have set up an inheritance tax system that makes it impossible to pass on a farm, ranch or business to our children without financially crippling them? I believe the fact that everything covered under the inheritance tax has already been paid for at least once with either income tax or property tax creates DOUBLE TAXATION.

When the voters of Texas' 21st District send me to Congress I am going to work to raise the exemption on inheritance taxes to at least \$300,000 or eliminate them all together.

The alternative, moreover, is the disappearance of individual-owned businesses and the ultimate takeover of these businesses by massive conglomerates. In other words, all small businesses will become a part of "big business".

I hope you will join me in this fight for the preservation of our economic freedom.

Pd. Pol. Adv. Authorized and paid for by the Committee to elect Woodrow Glasscock, Judge Jerome Decker, Chairman

LEE BURCH, BENNY GRANGER

Burch, Granger Win Eldorado Trophy

by Kay Holdridge
Benny Granger and Lee Burch teamed to win the boys doubles in the Eldorado tournament held this past weekend. Overall the Bronco teams placed third in a field of eight teams, including Big Lake, Mason, Ozona, Paint Rock, Menard, Wall, and Eldorado.

Rock in the first round and followed with an 8-0 trouncing of Kirwin-Pennington of Menard. In the semi-finals they defeated McDaniels-Huffman of Ozona 8-0. Ozona's Perry-Brue fell 62, 6-2 in the finals.

The team of Cades Pope-Craig Cooper fell in the opening round to Mason by a close 9-7 margin.

In the girls division of doubles play, Janie Gold teamed with Prissy Cook and advanced to the semi-finals before bowing out to Fatheree-Byrd 8-4.

In singles action, none of the broncos advanced past the opening game as David Martin was defeated by Joiner of Eldorado 8-4, and Robert Mounce was beaten 8-0 by Fatheree.

In girls singles, Cody Gold was eliminated 8-6 by Wall's Johnston and Hillary Hunt fell to Ummelmann of Paint Rock 8-6.

The Bronco Tennis Team will travel to Crane on April 14 and 15 to compete in the District tournament. District winners will advance to Regional in Lubbock on April 21 and 22. The tennis teams are coached by Pam Schulze.

Junior High Tennis Teams Host Eldo.

by Kay Holdridge
Sonora Jr. High Colt tennis team hosted Eldorado in a dual tennis meet held here last week. Eldorado won one girls' singles and one girls' double. In the boys division EJHS won two boys doubles matches.

SJHS won three boys' singles matches as Armando Martinez, Eric Neal, and Larry Jennings were successful in defeating the Eaglettes. The team of Steve Jennings and Dane Lee were also winners.

The team of Martinez and Drew Wallace lost a tie-breaker as did Tonya Ridgeway. The team of Neal-Randy Mounce were defeated 2-8. Ridgeway lost her singles match 2-8 and the team of Zee

Members of Sonora's Golf Team are [left to right, top row] Johnny Doan, Billy Bob Galbreath, R. B. Alexander, Gregg Tedford, Mitch Johnson, and

Coach Oliver Wuest. Pictured bottom row [left to right] are Tony Butler, Peter Gomez, James Minatra, and Eric Olson.

Tedford Wins Medalist

Sonora's number one team of Gregg Tedford, R.B. Alexander, Mitch Johnson, Johnny Doan, and Billy Bob Galbreath were in fourth place in district competition after the first meet of the four

meet tournament. The boys shot a combined team score of 339, 29 strokes behind the leaders, Kermit, who shot a 310.

Sonora's Gregg Tedford was the medalist as he shot a 73 round. Brent Barrs and Cole Mitchell of

Kermit were second with 76's and fellow golfer, Todd Etheridge was third with a 77.

Kermit's number two team was second in the meet with a 320 and Crane was third with a 330. Sonora's number two team

was seventh with a 377.

The tournament will resume Friday in Ozona. The teams will play in Kermit and Crane afterwards. The team with the best combined score from all of the tournaments will be the district champs.

Little League Registration Opens

All youngsters who will attain the age of 9 years before August 1, and who will not attain the age of 13 years before August 1 of the year in question, shall be eligible to compete in Little League Baseball. This means that a youngster who will be 13 years old on July 31 or earlier, will not be eligible for either local league play or tournament play at any

time during the calendar year in question.

All youngsters who are interested in playing Little League Baseball this season should come to the Elementary Cafeteria at 7:30 p.m. Thursday, April 13. We will need a parent or guardian to accompany each child so they can sign the permission slip to let

the youngster play. You will also need a birth certificate.

At this time we also need two managers along with several coaches. If you are interested in helping please indicate so when you fill out the registration form.

At this time we also need businesses to sponsor a team so we can purchase new uniforms for

the teams. If you want to help out by sponsoring a Little League team, please contact Sam Stewart (387-2658) or Harold Miller (387-3990 or 387-2414).

Even if you played last year you will need to register again this year.

Sonora Red Sox Split Double Header

The Sonora Red Sox, a semi-professional baseball team, opened the season on a losing and winning note as they split a double-header with the San Angelo Red Devils, 5-8 and 3-2.

The Sox had first game jitters as their hitting was less than consistent and the defense could not prevent baserunners. The winning pitcher was Jerry Araujo and the losing

pitcher was player-coach Henry Mata.

The Sonora team settled down in the second game and became much more alert. Determination settled the Sox and play became more consistent. The Devils scored first, but the Red Sox came roaring back with three runs and held the visitors to only one other run. Hector Perez was the winning pitcher.

coached by H. Mata and Gabriel Mata.

Team members and their positions are as follows:

Jessie Soliz, catcher-third base; Johnny Soliz, left field; Henry Mata, pitcher-catcher;

Gene Reyna, pitcher-first base; Frank Gallegos, first base; Manuel Patlan, second base; Johnny Reyna, second base; David Reyna, shortstop;

Tryon Fields, third base; Hector Perez, pitcher-center field; Oscar Galindo, center field-catcher; Demetrio Castro, center field-left field.

Tony Martinez, right field-center field; and Jesse Vela, right field.

Girls' Softball To Organize

The organizational meeting of the Girl's Softball Association will be held Tuesday, April 11, at 7:30 p.m. at the Elementary cafeteria.

The purpose of the meeting is to sign the girls for the upcoming season. All parents and girls from age 9-17 interested should attend the meeting.

Jerry Gilly, baseball representative to the park board, will be there to

answer any questions regarding the progress on the fields at the Community Park.

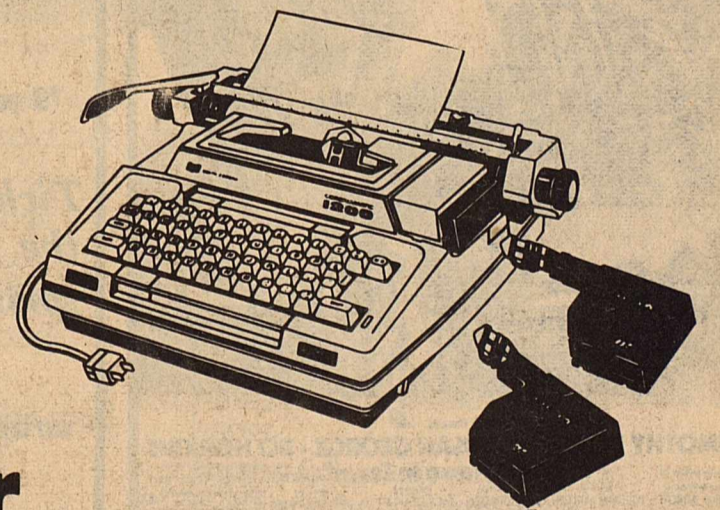

Officers will be elected if time permits.

All coaches of last year's team, both the 9-12 year old division and the 13-17 year olds, should attend and bring equipment or a list of what the team will need to begin this year's season.

TEA Administers Project

The Texas Education Agency is administering the Texas Assessment Project to students throughout the state. Twenty-five high school juniors were tested April 3 in citizenship and written composition. About 50 Sonora Elementary students were tested on April 3, and approximately 57 Junior High students will be tested on April 10. The elementary students were tested in the areas of written composition and citizenship while the junior high students will be tested in mathematics, reading, citizenship and written composition. The Texas Assessment Project (TAP) is a survey of the achievement of Texas students in selected subjects. This study is designed to obtain dependable information on a statewide and regional basis.

about how well students in Texas public schools are mastering basic skills. Information will be gathered that will enable legislators, educators, and other policy-makers to improve the effectiveness of educational programs in these areas. In addition to total statewide results, information will be reported by the following categories: size of school district, ethnicity of students, gender of students, type of school district, i.e., urban, rural, suburban, etc., expenditures per pupil, and 20 regions of the state. Results also will be analyzed in relation to amount of television watched, time spent on homework, educational aspirations of the student, and other important factors.

was contracted to develop the sampling plan for the Texas Assessment Project. Five different student populations (age or grade levels) will be assessed. The assessment is specifically designed to provide information on student achievement for the regions served by the 20 education service centers, as well as for the state as a whole. The plan calls for a total of 113,000 students to be tested. The approximately 2,200 elementary, junior high, and high school campuses where the tests will be administered were computer-selected to represent all types and sizes of school districts. Students on these campuses also were selected by computer to ensure a random sampling.

Students will be tested from April 3 through May 5. A field administrator schedules the testing with each participating campus. The Texas Assessment Project will provide information for various audience—professional educators, administrators, measurement specialists, legislators, and citizens concerned with education. This assessment information will provide decision-makers at the state level with a perspective of student achievement in Texas. The study will be useful in identifying program areas which should be changed to address student needs. The results from TAP will be analyzed during the summer of 1978, and reports will be presented to the State Board of Education at its October and November meetings.

Axelson "Roustabouts" Sherry Todd and Pam Carter hostess the Axelson exhibit number 4947 in the Astrodome during the Offshore Technology

Conference on May 8-11. The Axelson "Manumatic" actuator shown above is mounted on a buried gate valve in an underground gas storage field.

PGA Meets In San Antonio

Financing and the agricultural world get attention when Texas Production Credit Association directors go to San Antonio April 6-8. They will be among 500 farmer-rancher stockholders and guests attending the 22nd annual meeting of the Federal Intermediate Credit Bank of Houston. Texas PCA directors attending include J.R. Canning, chairman of Eden; R.C. Chandler, vice chairman and Clifton A. Simcik, both of San Angelo; Aubrey DeLong of Mertzson and J. Burney Ligon of Fort Stockton.

attending represent 30 PCAs and 6 agricultural credit corporations in Texas which obtain their loan funds from the FICB of Houston. These organizations last year loaned nearly \$1.6 billion to Texas farmers and ranchers. PCAs of Texas and the Houston credit bank are part of the nationwide Farm Credit System which provided nearly \$40 billion last year to the nation's food and fiber producers. Texas PCA makes agricultural loans to producers in Coke, Crane, Crockett, Cuberson, El Paso, Hudspeth, Irion, Kimble, Menard, Pecos, Reagan, Reeves, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton and Ward counties.

According to Lee W. Russell, the association's president who will accompany the group, those

April Average Hits 3.5 Million
Texas oil allowable in April 1978 is pegged statewide to a 100 percent market demand factor. Estimated actual production this month is approximately 2,906,000 barrels daily and compares with actual production of 3,061,488 barrels daily in the same month last year. The Commission lists 8,958 oil fields in the state on April 1.

Axelson To Exhibit Products

Axelson, Inc., subsidiary of U.S. Industries, Inc., will exhibit its surface shut-in safety products and systems during the Offshore Technology Conference (OTC) in Houston during May 8-11. The Axelson exhibit

number 4947 will be located in the Astrodome and will emphasize surface safety equipment and systems for the energy industry. Among the new items on display will be the "LOP" Line Pressure Operated Surface Safety

System which is designed to operate in areas where normal power supplies are not available. Also on display will be the "DG-1" diaphragm operated safety gate valve which was introduced last year.

Axelson surface safety equipment is widely used on offshore production platforms and gathering lines as well as on onshore production wells, pipelines and processing plants. Axelson "Roustabouts" will again hostess visitors to the exhibit.

Sweets to the sweet make romantic treat!

If music be the food of love, play it softly while you serve sweets to the sweet.

Here are two recipes created for romantic evenings. The names alone suggest candle-

light and roses. They are both heavenly concoctions designed to warm the hearts of one and all.

ing batter smooth after each addition. Pour into cake pans and bake in a moderate oven (350°F) until cake tests done, about 35 minutes. Remove layers and cool on wire racks.

ROMANTIC FARE for a quiet evening rendezvous, these delightful delicacies—Romantic Rum Cream Cake and the Cheri-Suisse Kiss—will lend the perfect final touch to any loving get-together

ROMANTIC RUM CREAM CAKE

- 3 cups cake flour, sifted
- 3 teaspoons baking powder
- 1 teaspoon baking soda
- 1 teaspoon salt
- 3 large eggs
- 1 teaspoon each almond and vanilla extract
- 1 1/2 cups sugar
- 2 cups heavy cream
- 1 cup Ronrico Rum
- 1 cup strawberry preserves
- 4 ounces softened cream cheese
- 1/2 pound sweet butter, softened
- 3/4 cup confectioners' sugar
- Fresh strawberries for garnish

Lightly grease and flour two 9-inch cake pans. Sift together flour, baking powder, baking soda and salt. Combine eggs, extracts and sugar. Beat until light and airy. Add sifted dry ingredients, alternating with the cream, beat-

CHERI-SUISSE KISS

- 1 Jigger Cheri-Suisse
- 1 ounce Ronrico Rum
- Juice of 1 lemon
- 2 teaspoons sugar

In a blender, combine Cheri-Suisse, Ronrico Rum, lemon juice, sugar and 1 cup crushed ice. Blend until slushy and pour into two chilled sour glasses or wine goblets. Makes two servings.

State Lease Crude

State and federal leases in offshore Texas petroleum provinces produced 121,747 barrels of crude oil during January 1978 in contrast to 38,285 barrels in the same month of 1977 and 143,246 barrels in December 1977, the Railroad Commission's Oil and Gas Division reported. Gas well gas production on offshore state and federal leases amounted to 24,251,860 Mcf in January against 18,074,478 Mcf a

year earlier and 28,157,246 Mcf in December 1977. Casinghead gas production totaled 207,585 Mcf in January against 152,364 Mcf in the same month of 1977 and 365,276 Mcf in December 1977. Condensate production on the state and federal leases amounted to 190,180 barrels in January, up from 85,520 barrels a year earlier but down from the 211,016 barrels in December.

McBee Sets Meeting

Representative Susan Gurley McBee, Chairman of the House Elections Committee, announced there will be a meeting of the Subcommittee on

Funding and Voting Systems in Dallas on Wednesday, April 12, 1978 at 9 a.m. in the Dallas County Commissioners Court, 4th floor - Records Building - Main and Elm, Dallas, Texas. The public is invited to this public hearing.

This subcommittee, chaired by Representative Ron Waters of Houston will be hearing testimony on the feasibility of a state wide voting system, various voting procedures and systems and alternatives to funding of party primaries.

Savings Bond Report

January sales of Series E and H United States Savings Bonds in Sutton County were reported recently by County Bond Chairman Geo. H. Neill. Sales for the first-month period totaled \$2,042 for 8% of the 1978 sales goal of \$25,000. Texas sales during the month amounted to \$23,739,634 with 8% of the yearly sales goal of 306.6 million achieved.

Sutton County Ranch News

Glen Fisher's Wool & Mohair Report

Goat shearing is drawing to a close as the sheep shearing is getting into full swing. Most of the Texas spring clip is sold and estimates indicate only about 15% is yet to be sheared. The market is still very strong and should hold throughout the spring. There is not much hair left and buying interest is still active. A sealed bid sale in Uvalde last week produced more strong prices.

About 175,000 pounds were sold with adult around 3.75-3.80, young goat about 4.90, and top kid hair bringing 6.34. Wool is beginning to come in rapidly now. The first sealed bid sale was held Tuesday in Sanderson but reports are unavailable at this writing. Other sales will follow. The clip in California and Arizona and New Mexico has been selling well but prices remain moderate. Demand appears good at this time.

Bobcat Pelts May Be Allowed Export

Bobcat pelt exports from Texas, perfectly legal until they were prohibited by federal bureaucratic decree a few months ago, will probably be allowed again soon.

The state Parks and Wildlife Department has proposed a set of regulations they feel will satisfy Washington, and they should be formally adopted by mid-April. Parks and Wildlife officials stress that the rules, which include tagging, harvest limits and recording requirements, were not their idea; it's another of those cases where Washington has no authority to pass a particular law, but possesses the raw unbridled power to force individual states to do it for them.

The outfit doing the forcing is the federal Endangered Species Scientific Authority. In fairness, it must be said that ESSA claims it in turn is forced to do the forcing because of an international agreement made by an even higher authority.

Among the restrictions ESSA has made Texas impose upon itself is an export limit of 10,000 bobcat pelts for this year. The state had asked for a 15,000 pelt authorization.

In addition, it appears likely, according to hints dropped by one ESSA representative, that Texas' plight could be worse next year—the federal boys may demand that TP&W set up tight harvest control over bobcats, whether taken for their pelts or any other reason.

Texas is not alone in this. Every state in the union faces restrictions on bobcat, lynx and other exports, and at least one of them is hopping mad about it.

Louisiana, no slouch when it comes to being feisty, has filed suit against ESSA and Interior Department officials to have the

restrictions removed. The bayou state claims that the restrictions have been and are being forced illegally, and the suit cites specific points of law to support its contention.

The very inclusion of the bobcat on the internationally protected list was accomplished in violation of both U.S. law and the articles governing the international conference, says the suit; required comment periods were ignored, and even the way in which the inclusion was proposed was a rules violation.

The suit further claims that such restrictions cannot by U.S. law be enacted without public hearings and the preparation of an environmental impact statement. Neither was observed.

Another legal challenge holds that imposition of the restrictions constitutes a violation of the Fifth Amendment guarantee of due process, particularly since the results could severely disrupt established business and trade.

Interior Department officials are reportedly confident that the suit will fail, but they are also reportedly reviewing both past and future U.S. involvement in the ongoing international agreement.

STAR Meets

Two real facts of life in agriculture, government and markets, will be utmost in the minds of members of the Southwest Texas Agricultural Resources (STAR) organization during their annual meeting in Uvalde, April 15.

STAR is a volunteer development organization pledged to improving agriculture and the quality of life of Southwest Texas. The annual meeting will begin at 10:30 a.m. at the Uvalde Civic Center Auditorium.

Two speakers will address the group on subjects such as export market development and legislation affecting agriculture.

Vernon Harness, a native Texan involved with agricultural export development with the U.S. Department of Agriculture, will speak on the national export perspective today.

Ed McKay, national affairs director for the Texas Farm Bureau in Waco, will discuss the affects federal legislation has on agriculture.

Lewis Watson, president of The Uvalde Bank and chairman of the STAR program also will present a progress report on the organization's efforts for the past 12 months.

In addition to speakers and a luncheon, exhibits representing the various task forces in the STAR organization also will be assembled for viewing during the morning hours. The Uvalde Chamber of Commerce will exhibit the latest in farm and ranch machinery and equipment.

The STAR organization was founded on Dec. 4, 1973, by a group of Southwest Texans concerned for the problems and potentials of the area. The volunteer development organization basically is dedicated to improving and increasing agriculture's contribution to the total economy of the area through rapid adoption of proven agricultural technology and enhancement of the quality of life through all means possible.

New Specialist To Help Ranchers

Helping Southwest Texas ranchers to get the most out of their range resources will be the main goal of a newly appointed area range management specialist with the Texas Agricultural Extension Service.

The new specialist is Dr. Larry D. White, who will be headquartered at the Texas A&M University Agricultural Research and Extension Center at Uvalde.

"Dr. White will be responsible for developing and conducting educational programs designed to help ranchers use their available resources more effectively and efficiently," said Dr. Daniel C.

Pfannstiel, Extension Service director, in announcing the appointment. "In this area of limited rainfall, good range management programs are vital to the livestock industry, and these will be Dr. White's major concern."

White will be working closely with county Extension agents, leaders and organizations in planning and conducting educational programs and activities in range management.

For the past seven years, White has taught range advisor with US AID in Kenya.

A native of Sayre, Okla., White holds a B.S. degree from Arizona State College in forestry and M.S. and Ph.D. degrees from the University of Arizona in range management.

He is a member of the Sigma Xi and Sigma Delta societies and also holds membership in the Ecological Society of America, American Institute of Biological Sciences and Society for Range Management. He is a past president of the southern section of the SRM.

Farmland Averages 5 Acres Person

Today there are just over a billion acres of farmland in the United States...an average of about five acres per person. So each of us must depend on those five acres for our food and fiber, points out Clint Langford, county agent with the Texas Agricultural Extension Service.

Five acres isn't that much...just a little less than five football fields. Furthermore, all of the five acres are not suited to crop production; only 2.2 acres are cropland.

We need to realize that a vast number of resources go into producing food and fiber on our five acres, such as 37 gallons of fuel and 185 kilowatts of electricity each year. Any interruption of this flow of fuel and power can affect our food supply.

THE HOT DOG VENDOR

There was a man who lived by the side of the road and sold hot dogs.

He sold very good hot dogs.

He put up signs along the highway and advertised in the newspaper telling how good they were.

He stood on the side of the road and cried:

"Buy a hot dog, Mister?"

And people bought.

He increased his meat and bun orders.

He bought a bigger stove to take care of his trade.

He finally got his son home from college to help him out.

But then something happened.

His son said, "Father, haven't you been listening to the radio and watching TV?"

There's a big depression.

The foreign situation is terrible.

The domestic situation is worse."

Whereupon the father thought, "Well, my son's been to college, he listens to the radio and watches TV and he ought to know."

So the father cut down on his meat and bun orders, took down his signs and cancelled his newspaper ads and no longer bothered to stand out on the highway to sell his hot dogs. And his hot dog sales fell almost overnight.

"You're right, son" the father said to the boy.

"We certainly are in the middle of a great depression."

School To Begin Serving Breakfast On April 10

To comply with the regulations of the National School Lunch Program guidelines, the school will begin serving breakfast Monday, April 10. The price of the breakfast will be 30c for grades K-5; 35c

for grades 7-12; 65c for adults and the reduced price for breakfast will be 15c per student.

All children eligible for free or reduced priced lunches are eligible for free or reduced priced breakfasts. Breakfast will be served from 8 a.m. until 8:15 a.m. Bus schedules will not be changed unless necessary.

Bus students, who desire to participate in the breakfast program, will pick up their breakfast ticket from their home-room teacher each morning and go to the lunchroom. Teachers and/or teacher's aides will supervise the students during the breakfast period.

The school lunch program regulations require that any school that has 10% of its scholastic population eligible for free lunches must offer a free breakfast program for the 1978-79 school year. The local school is initiating the breakfast program for the last six weeks of this school year to determine (1) how many students will participate, (2) how much time and personnel are needed to operate the program and (3) what other changes may be necessary for next year.

The breakfast will consist of 1/2 pint of milk, 1/2 cup of fruit or vegetable juice and bread or 3/4 cup of cereal.

Rabies Clinic Thursday

Pet owners are reminded of the Rabies Vaccination Clinic to be held April 6 (Thursday) at the 4-H Center from 1:30 - 5:30.

Persons owning any type of pet are encouraged to bring it for a vaccination at this time. There will be a charge to have pets vaccinated.

Animals should be vaccinated at least once a year.

Lutheran Churches To Sponsor San Antonio Ballet Troupe

Hope Lutheran Church of Sonora and Faith Lutheran Church of Ozona will be sponsoring a ballet from the San Antonio Fine Arts Center. The program will be courtesy of Mr. and Mrs. Charis Huffman of Ozona with proceeds going to the Crockett County Care Center.

All patients of the center will be guests of the church. Admission will be \$2.50 for adults and \$1.25 for children.

Featured in the show will be Sherron Huffman doing "In The Beginning", a word for word presentation of the first three chapters of Genesis in the King James version. Ms. Huffman will also do an interpretation of Rod McKuen's, "The Sea." She has a BFA, Masters (Trinity), is president of Fine Arts Center, and is a director, actress and dancer.

Cynthia Nevels will also be a feature of the show. She will do a classical on

toe, "The Dance In Pink", and a classical in contemporary about where dance is going today. Ms. Nevels was principal dancer for the Festival Ballet and Pacific Northwest Co., and studied under Margaret Crashe in New York.

Carrol Luttrell, accompanist and composer of the music, also does music for Ms. Huffman's children's shows.

The ballet will be held Sunday, April 9 at the Ozona Civic Center. A reception will follow at Ozona Faith Lutheran Church following the performance.

The SAFC was held in

Sonora in December of 1976 with a children's show entitled, "Here Comes Santa." It was scheduled to be held in Sonora this year but sponsors were unable to find a place suitable for the production.

Jaycees Schedule Meeting

Jaycees and Jaycettes will meet Thursday at 7:30 p.m. at the Commercial Restaurant.

Members will discuss the special goat cook-off and events for Saturday.

He was cited for following too close and for failure to stop and identify. The incident occurred on West Crockett Street.

Baptists Set Revival Week

First Baptist Church of Sonora has scheduled a week of revival services April 9-16. There will be three services daily.

A early morning service will be held at 7 a.m., with the second morning service scheduled at 10 a.m. Night services will begin at 7:30.

The Rev. Gary Loudermilk, pastor of Hillcrest Baptist Church in San Angelo, will bring the evangelistic messages.

The Rev. Mr. Loudermilk is a graduate of Temple High School, Baylor University and Southwestern Baptist Theological Seminary.

Prior to his pastorage in the San Angelo Church, he served at Mildred Baptist Church in Corsicana.

Sonora's Dwayne Whitman, who is youth director at the First Baptist Church, will be song leader for the revival.

Whitman graduated from Orangefield High School. He attended Lamar University and Southwestern Baptist Theological Seminary.

Prior to moving to Sonora he served with the Riverside Christian Church in Fort Worth, Samuel Avenue Baptist Church in Ft. Worth, Friendship Baptist Church in Groves and Magnolia Avenue Baptist Church in Beaumont.

The Rev. Clifton Hanock, pastor of the Church, invites all to attend.

Education Center Invites Public Viewing April 14

The public is invited to view all instructional resources housed in the Education Center Region XV Instructional Resources lending library and distributed to area schools. Viewing date is April 14 from 8 a.m. - 5 p.m. at 100 N. Magdalen in San Angelo.

Instructional resources include films and materials used by public and private school students throughout Region XV, an 18-county area.

Those films and kits not already checked out by schools may be viewed by interested persons.

Future dates for public viewing are July 22, Oct. 28 and Jan. 27.

The Education Center provides materials requested by any person, projection equipment and space for viewers and assistance.

For more information, contact David M. Smith, 915-655-6247 or write P.O. Box 5199, San Angelo, 76902.

Aggie Muster April 21

The 1978 Aggie Muster will be held Friday, April 21 at the Methodist Church Fellowship Hall, with opening ceremonies scheduled to begin at 8 p.m., according to Muster Chairman Scott Shurley.

"We will try to start as soon after the Independent Cattlemen's Association barbecue as possible," Shurley explains.

This year's Aggie Muster will feature game film from the Texas A&M, Texas Tech football contest.

Light refreshments will follow the Muster ceremony, which is a special time for former students of Texas A&M, who gather on San Jacinto Day around the world.

The Hurry Up is always Convenient

"The original Bronco Burger"

Coming Soon!

My sincere and heartfelt thanks to each one who voted for me for School Board Trustee, and to those who made personal calls to congratulate me.

I sincerely feel the responsibility to every child in school, regardless of race, creed or color. I will try my hardest to serve to the best of my ability.

Again I want to thank each and everyone.

Salome (Sam) Perez
