

Mrs. Katherine Terry and Mrs. Allie Askew met Monday at the Woman's Clubhouse to discuss plans for the upcoming fund raising luncheon.

Special Lunch Set to Raise Library Funds

Members of the Sonora Woman's Club will host a fund raising luncheon Monday April 24 in the basement of the First Methodist Church.

All proceeds from the luncheon will be used for the expansion on the Sonora Woman's Club Library. The luncheon will begin at 11:30 and be sold for \$3 per plate. Take out orders may be obtained by

calling 387-2466. These will be sold for \$3.25 per plate.

On the menu will be King Ranch Chicken, pinto beans, tossed salad, tortillo chips, salsa, tea and cookies.

Members of the Woman's Club stated that the last luncheon was a tremendous success and they wish to thank those who showed their support.

Aggie Muster Friday

The 1978 Aggie Muster will be held at the Methodist Church Fellowship Hall, starting at 8 p.m., Friday following the Independent Cattlemen's Association barbecue. Muster Chairman Scott Shurley offers an invitation to former students of Texas A&M, their families and friends of the university to the muster.

The program following muster ceremonies will feature the 1977 Texas A&M vs. Texas Tech football game film.

Coffee, tea, cake and home-made ice cream will be served.

Volunteers Improve Community Park

Most afternoons there are a score of more of local volunteers at the community park....working to improve the facility. Monday afternoon we caught Steve Tackel, Amoco (left to right); Buddy Neighbors, Amoco; and Bill Wood, Amoco, raking the men's slow pitch softball diamond. Wood emphasized that lots of people have helped, including

Pam Smith, Gregg Morris, Steve Swift, John Casparis, Gene Jackson, Luther Stewart, men's and women's softball teams and a who's who of Sonora petroleum related companies. The Devil's River News special edition on baseball and softball will tell the story.

Council Opens Bids On Agricultural Property

Bids on the 182 acre tract to be used for agricultural purposes were opened Tuesday morning when the City Council met.

The council tabled any definite action until they could meet in special session and go over the terms submitted by the three bidders.

John Mittel's bid was on a share crop basis with no money to change hands. The bid submitted by Billy Green was \$8 per acre. A bid of \$701 yearly was submitted by Bob Caruthers and Lou Beal.

Leroy Valliant appeared before the council requesting a rebate on garbage collection, stating that he had not had a garbage dumpster since opening his business in March of 1977. The council denied his request for a rebate since he had been using the city dump grounds for disposing of his garbage. City Manager Bob Nevill

had, two weeks ago, taken care of the problem for Valliant, after being advised of the lack of a dumpster.

Mrs. Sam Perez appeared at the meeting to hear the council's action on a request regarding placing a mobile home on a sub-standard lot. The request had been approved by the planning and zoning commission and the council upheld their decision.

A review of the general liability insurance for the city was held by the council as was their monthly contribution to the airport operation.

A bill from Rauscher Pierce Securities Corporation was approved for payment. This payment was for certificates of obligations for the purchase of the building now being occupied by the City.

Some discussion was held regarding the city swimming pool

and this was tabled until Oliver Wuest could appear before the council. City Manager Nevill did tell the council that painting of the pool is underway.

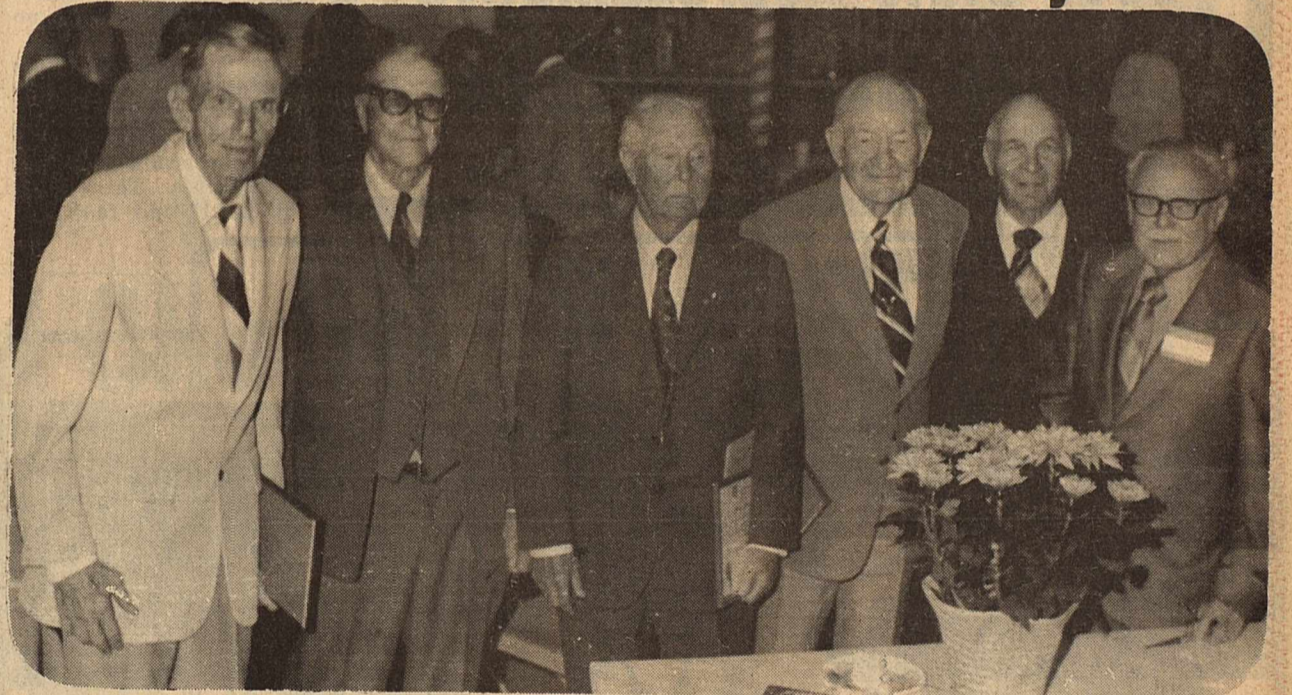

An activity report from the Senior Citizen Center was read and a request that the City absorb utility bills on the building. This was approved. Nevill told the council that Kenneth Cook, recently hired as director of the Center, has submitted his resignation on Friday.

A budget report for city business ending March 31 was presented to council for their approval.

Newly elected Mayor Doyle Morgan presided over the meeting. Aldermen Lemuel Lopez, Hershel Davenport, Mary Owensby, Jack Kerbow, and James D. Trainer, were in attendance.

Also at the meeting were Nevill, city secretary Pat Robbins, and Dick Fitts.

Lions Club Celebrates 50th Anniversary

Sonora Downtown Lions Club members observed the 50th Anniversary of the organization last Saturday evening with Charter members (left to right) Ben Cusenbary, Dan Cauthorn, Jack Neill (third from right) and John Eaton (far right) joining 45 year members R.A. Halbert (third from left) and

Joseph Vander Stucken (second from right). Guest speaker for the 50th Anniversary of the Sonora Downtown Lions Club last Saturday evening was Ebb Grindstaff, a Ballinger attorney and International Director. Grindstaff is a candidate for Third Vice President of the International Lions.

ICA Barbecue Friday

Members of the Independent Cattlemen's Association are sponsoring a barbecue Friday night at the 4-H Center.

Cleve T. Jones III displays the 410 snake charmer that will be given away Friday night by the Independent Cattlemen's Association. Jones is president of the local ICA.

Tickets will be sold from any member of the association for \$3 per person, this entitles the ticket holder to a barbecue meal and door prizes.

T.A. Cunningham, president of the ICA, of Austin, will be guest speaker at the event.

Various prizes will be given during the night including two halves beef, four goats, two Barbado sheep, two smoked turkeys, a Gott cooler and a 410 snake charmer.

Creek, Cavaness Named Top Athletes

by Kay Holdridge

Johnny Creek and Becky Cavaness were the recipients of the two most coveted awards given by the Sonora athletic department. Creek received the Nathan's Award given annually since 1966 by Nathan's Jewelry. The awardee is chosen from the senior football players on basis of the football players' vote. The athlete chosen for this is awarded for his sportsmanship, teamwork, conscientious dedication, and ability.

The Ruth Shurley award is presented annually to the outstanding all-around senior girl athlete. This award has been presented since 1974. Cavaness has been all-district for the past two years and was the Bronco's leading scorer this season and a member of numerous all-tournament teams. She was the Most Valuable Player in the Sonora Invitational Girls' Basketball Tournament. Cavaness is also a member of all three track

relay teams that will advance to Regional Competition this weekend in Lubbock.

Creek was a member of the second all-district football team as a linebacker and played fullback for the Bronco offense. He has recently signed a letter of intent to play football at Tarleton State University.

Tobin Joy, senior, was named best All Around Athlete by the coaching staff. Joy played split end for the Bronco football team and was considered the best candidate for the award that is based on attitude, determination, and ability.

Coach Dale Ethridge presented the basketball awards to Pat Street and Bruce Phillips. Street was presented the award for free throw accuracy and Phillips was given the field goal accuracy award. Both Street and Phillips are juniors at SHS.

Coach Donald Patton acted as Master of Ceremonies and presented the coaches and their spouses.

Each coach introduced his players and their awards. Coaches are: Donald Patton, Roland Pfeiffer, Terry Campbell, and Roy Evans, football; Pam Schulze, Dale Ethridge, Campbell, Tally Kelso, Evans, and Carol Hamilton, basketball; Oliver Wuest, golf; Kelso, Patton, Pfeiffer, Evans Campbell, track; and Schulze, tennis.

Junior high coaches are: Schulze, David Patton, and Wuest, basketball; David Patton, Wuest, and Ethridge, football; David Patton and Kelso, track; and Ben Solis, tennis.

Head Coach and Athletic Director, Jerry Hopkins, introduced Phil George, Athletic Director and past head basketball coach at Angelo State University, who was the main speaker. The effervescent George highlighted the evening with a whimsical yet poignant talk on the role of athletics in life.

Sonora athletes Johnny Creek (l to r), Tobin Joy, Pat Street, and Bruce Phillips were recognized for their contributions during the annual Sonora All-Sports Banquet held Monday night. Creek was selected to

receive the Nathan's award; Joy was named best all-around athlete; Street received the free throw award and Bruce Phillips the field goal accuracy award in basketball.

Inc. of San Angelo, Tx., Sonora Wool and Mohair, Lee and L.P. Bloodworth, Quade Sutton, Foxworth - Galbraith Lumber Company, KVRN Radio, S & S Casing,

Brown Electric, The City of Sonora, City of Sonora Police Department,

John Henry Straugh, Jerry Kemp, Diane Keller, Ken Stapp of Junction, Tx., Joe Haire, HNG Oil Company. All of the contestants and their sponsors.

We would also like to thank all of those many people whom we may have forgotten in our list but have given their support and help to our projects and the Sutton County area.

We felt that this weekend was a huge success in terms of providing entertainment to the community of Sonora and the surrounding area and raising much needed funds for the Sutton County-Sonora Park Association.

With the help of those mentioned above and the more numerous people who give constant support to the Jaycees and the community, we hope that we can provide many more such worthwhile events for our town.

We thank you all.
Sonora Jaycees

Reflections

by Rev. Jim Miles
Paul, in his epistle to the young church at Rome referred to the rift between the Hellenists and the Hebrews, writing that "God is no respecter of persons." The Jerusalem Bible renders this "God shows no partiality."
In this particular situation Paul was speaking to those who could see wrong in others, but could not see the same thing in themselves. They were quick to find fault, to

Sonora Sales Tax Rebate Hits Annualized 11 Percent Rate Over 1977

Sonora's sales and use tax allocation for the period ending March 30 totalled \$6,748.79, according to a report from State Comptroller Bob Bullock.

This compares to \$6,715.12 for the same period last year and the year-to-date is 11 percent over last year.

Total payments to Sonora to date is \$50,111.11, compared to \$45,001.13 for 1977.

Bullock said that city sales tax rebates statewide are up 24 percent over last year.

Sonora Police Answer Disturbance Calls

April 11
9:43 a.m., A hit and run accident occurred at the Food Center parking lot. A car left the lot after striking another vehicle.

10:42 a.m., A local store owner called to report that two boys were in the store and one had cut the other with a knife. Two were arrested and charged with public intoxication.

April 12
11 a.m., A Plum Street resident reported a possible prowler.

8 p.m., A Calle Usues resident reported that a city dump truck had backed into her vehicle.

7:19 p.m., A motel owner reported threatening phone calls.

April 13
12:30 p.m. A local teenager reported a stolen gun.

4:20 p.m., A local tavern reported a fight in progress. Two units answered the call.

Lutheran Youth Hold Car Wash

The Christian Youth Fellowship, an organization of the local Lutheran Church, will hold a car wash April 22 at the local Car Care Center.

The fund raising event will begin at 11 a.m. and conclude at 5 p.m. There will be a charge of \$4.50 per vehicle which includes washing, and vacuuming. Waxing will be \$5.50.

Bullock said that his office Friday mailed rebate checks totaling \$20.2 million to 899 Texas cities as their April share of the local-option one percent city sales tax.

This compares to the \$16.2 million rebated last April.

The latest rebates bring collections to date this year to \$121.6 million, compared to \$105.7 million for the first four months of 1977. This is a 15 percent increase.

As usual, the City of Houston received the largest city sales tax rebate check--\$4.9 million. City sales tax collections there are running 18 percent ahead of last year.

The City of Dallas was sent a check for \$2.6 million; San Antonio, \$1.2 million; Fort Worth, \$852,356; and Austin, \$628,355.

Woodrow Glasscock
CONGRESSMAN - 21ST DISTRICT

WHERE I STAND

The problem of predator control is one that is near to the pocketbooks of the ranchers of Texas. The people who make their living by raising the various types of livestock which ultimately become the meat on the tables of America, are not a bloodthirsty group flying around shooting eagles for fun. They do not want the extinction of the Golden Eagle.

Ranchers are businessmen, just as the corner service station or grocery store owner is a businessman. Just like any other businessman, ranchers only want to keep losses at a tolerable level.

Trapping and transporting the birds to another area as suggested by one candidate for congress in this district, is no answer. They are migratory birds. Nor is paying the rancher for losses a practical solution. This would only create another bureaucracy and would be so costly as to be prohibitive. In fact, I believe this suggested way of controlling the eagle would be costly to the taxpayer and repay the rancher at an unfair cost to the consumers.

However, I do believe there are solutions to the problem of predators which will help both the rancher and the ultimate purchaser of meat products. But the answers lie, not on a national level, but on a local level. The answer is not in the U.S. Congress and should not be handled there. The problem should be handled on a local level.

The state of Texas has an excellent agency which could handle the problem better than any meddling by the federal government ever can. That agency is the Texas Parks and Wildlife Department.

The P&W Department has the training and personal knowledge as well as availability to every area involved. However, the handling of the problem through a state agency would require amending the federal law protecting Golden Eagles. As your Congressman, I will vigorously pursue these changes.

I sincerely believe ranchers, and I am one myself, are most interested in and close to the ways of nature. That is one of the attractions of rural life. No rancher I know wants to eradicate any species of animal. They do, however, want to make a fair return on their dollar investment and stop losses due to predators and meddling by the federal government.

Pd. Pol. Adv. Authorized and paid for by the Committee to elect Woodrow Glasscock, Judge Jerome Decker, Chairman, P.O. Box 29066, San Antonio, Texas 78229

To the voters of Sutton County:

When I first ran for office in 1974, I devoted 100% of my time and energy to campaigning.

Now as your elected State Representative I am concentrating that same effort on serving you, my constituents and on my legislative responsibilities. I feel you deserve full-time representation.

As a result, I have not had an opportunity to campaign as actively as I would have liked.

Please know, however, that your continued support and vote will be greatly appreciated. I look forward to working together with you in the future as we have in the past in the best interests of our district.

TEXAS PRESS ASSOCIATION

Texas Needs Governor Briscoe

Texas and Texans need Dolph Briscoe to continue serving as governor of this state.

Throughout our history we have set the pace for others to follow...and Briscoe has been at the front with actions that put him among the very best of our leaders.

It seems to us that Dolph Briscoe is the man to guide us into tomorrow's fight for survival.

Our governor speaks out for Texas and the needs of Texans in the most forceful terms...and the leaders of the northern and eastern states understand clearly what he says and means...

The President of the United States understands what our governor means...and when they faced each other person-to-person, Governor Briscoe told the President exactly how Texans feel about the President's "double-talk" on the deregulation of natural gas prices.

Governor Briscoe believes that Texas and Texans are the best to solve their own problems...and the less interference from the federal government the better...

And that's how we feel. We've seen our governor battle with the feds on a number of issues...and he's delivered our message in the strongest terms...on energy, predator controls, pesticides, agriculture regulations, welfare and much more.

Every Texan and particularly Sutton County Texans have received great benefits from Governor Briscoe...just look at the low-unemployment rate here and you can see what it means to have Dolph Briscoe as our governor.

When the rest of the nation suffered from recession, oil and gas shortages and high unemployment...Texas was booming...and we haven't lost a bit of momentum...we're still booming. And with Dolph Briscoe as our governor, Texas will continue to boom...and we'll all benefit.

A vote for Dolph Briscoe is a vote for a bigger, brighter and healthier Texas.

First flight-first place, Sammy Espy and Ethel Olson; second, Maxine Lawson and Kathy Schwebach; third, Lu Hillmer and Nancy Mooney.

Second flight-first, Rosanne Albritton and Jodie Finklea; second, Trouba Derrick and Mertha Rathbone; and third, Jane Marks and M. Emmert.

Billie Crockett and Jean Candler; second, Debbie Morriss and Rita Hale; third, Kitty Monroe and Gene Montgomery.

The auxiliary wishes to thank the following merchants for the prize donations: White's, Neville's Dept. Store, Shirley Jewelry, Westermans, Sonora Motors, Tim's Liquors, Raymond Morgan, Schlitz Beer Dist., and Sonora Wool and Mohair. Ken Braden Motors presented golf towels to each player plus door prize donations.

Senior Citizens..Finest Natural Resource

One of our community's finest natural resources is its older citizens. During the course of their lives, these older Texans have contributed greatly to the growth and progress of our community, our state and our nation.

In the month of May, designated by the Governor of Texas as Older Texan Month, we find it appropriate to salute those elder citizens of our community. In recognition of Older

Texan Month, the Sutton County Advisory Committee on Aging has tentative plans to have open house for the newly opened Sutton Senior Center Sunday, May 21, which is Senior Citizens Recognition Sunday.

The Sutton County Advisory Committee on Aging is sponsoring the open house. Committee members in charge of the open house are Clifton Hancock, Terry Kinard, and Sarah Mahon.

60 Plus Club Meets

Twenty four members were in attendance when the 60 Plus Club met Thursday at the Sutton Senior Center.

Members played games and heard a humorous talk by Mr. Gary Loudermilk of San Angelo. Advisory committee members attending were

the Rev. Clifton Hancock and Terri Kinard. Refreshments of home-made cookies, ice cream and cake were served.

The next meeting of the club has been set for April 20 at 2 p.m. Anyone needing transportation should call 387-5657.

Sonora Art Club Hosted Monday Night

The Sonora Art Club met Monday at the clubhouse with Mrs. Elton Holt, Mrs. Travis Gordon and Mrs. E.R. Jones hosting.

Sandwiches, relishes, cookies, soft drinks and coffee were served.

Attending were Mmes. Estes Adams, Phillip Cooper, Joe Fincher, Ira Gilbert, Harold Garrett, Clyde Hill, Johnny Martin, Willie Raphael, Terry Schenkel, Mike Hale, Travis Williamson, Nora B. Kiser, and Buck Skains. Club projects were worked on and the installation of officers was set for May 15.

Tedford, Individual Medalist

by Kay Holdridge
Gregg Tedford was the individual medalist at the third round of the District 7AA golf tournament held Friday, April 14, in Crane. Tedford shot a 79 and is currently two strokes behind the Kermit two-some, Barr and Ethridge for district medalist

honors. He has a three round total of 237 with one remaining round which will be held Friday, April 21, in Kermit. Sonora shot a 345 in Crane and finished the round in third place behind Kermit #1 and Kermit #2. Overall, the Broncos are

still in fourth place, 12 strokes behind Crane #1. Kermit #1 and Kermit #2 retain the first two places. Team members and their third round scores are: Tedford, 79; R.B. Alexander, 85; Billy Bob Galbreath, 90; Mitch Johnson, 91; and Johnny Doan, 96.

Tonya Evans and Eddie Favilla are both regional qualifiers for the 100 and 220 yard dash. The regional meet will be held in Lubbock April 29.

Annabelle Gonzales and Becky Cavaness run the third leg and anchor for the girl's mile relay team. They will be competing in Lubbock at regional competition.

High School Tennis Girls Qualify For Regional Games

by Kay Holdridge
Sophomore Prissy Cook, daughter of Mr. and Mrs. J.D. Cook, will advance to the regional competition to be held in Lubbock on April 21 and 22.

Prissy competed in the senior division of the girl's singles. In semi-final round action, Cook defeated Kermit's Cathy Crawford 6-1, 6-7, and 6-3. She fell in the finals to Kermit's Susan Preler 6-2, 6-4. She placed second and qualified for the tournament.

In girls' doubles, the team of Cody and Janie Gold won third. In first round action the Gold sisters defeated Kermit 6-2, 6-2, but were defeated in the semi-finals by Crane 6-2, 6-4. The play for third place resulted in a Gold victory over the Crane #1 team 6-2, 4-6, and 6-4.

In boys doubles, Lee Burch and Benny Granger won their first round match 6-1, 6-1 over Ozona. The team of Mars-Vaquer defeated the Broncos 6-2, 6-2. They were eliminated by Crane in the play-off for third.

In other action, Nancy Mooney and Emily Elliott were eliminated in the first round by a 6-2, 6-3 margin by the Kermit team.

Cades Pope and Craig Cooper also bowed out in the first round to the number one seed, Kermit, 6-1, 6-1.

In boys' singles David

Martin couldn't handle Mitchell of Kermit and was eliminated 6-1, 6-2. Robert Mounce fell to Ozona's Gomez 6-2, 6-2 in the opening round.

In the Juniors' Division, Debbie Kemp was defeated by Kermit 6-4, 6-4. Junior Girls' Doubles Fran Friess and Marcie Mittle lost in the first round 6-2, 6-4 as did Angela Green and Tonya Ridgeway 6-4, 7-6, and 4-6 to Ozona.

In overall competition, Kermit came away with the district crown and Crane was second. Sonora was third with 20 points and Ozona was last.

Lucy Morriss Finishes Third

by Kay Holdridge
Sonora's lone member of the girl's golf team, Lucy Morriss, finished third in district play behind Kermit's Donna Parker and Lisa Taylor.

Morriss shot a two round score of 123. Her first round total was 94 and 98 was her second round tally.

Since only the first two advance to regional, Morriss was eliminated from regional competition.

As a junior at SHS last year, Lucy advanced to the regional meet and well represented SHS the past two years.

Morriss is a senior and the daughter of Mr. and Mrs. Bill Morriss.

3 Broncos Place In Llano

by Kay Holdridge

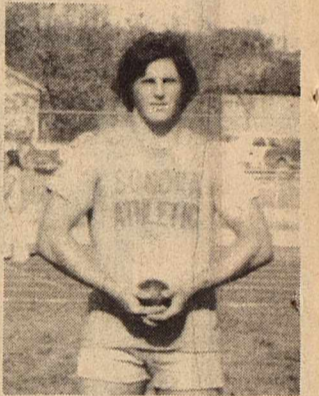

The SHS Bronco boys traveled to Llano on April 7 and competed in the Llano Relays in a field of 15 teams. The boys failed to place in the running events, both individually and as relay teams.

Wayne McLaughlin was one of the two Broncos to place as he won second in the shot put with a throw of 52'8" and fourth in the discus competition throwing 136'10". John Reese tied for fourth in the pole vault with a vault of

11'6".

John Paul Baustita was in the junior varsity competition as he placed third in the shot put and Jaime Sepeda, also in J.V. competition ran a 2:16.2 in the 880 yard run to place sixth.

The Broncos will travel to Kermit Friday, April 13, to compete in the 7AA district track and field meet on Saturday. The first two place winners of each event will advance to Regional competition to be held in Lubbock on April 21 and 22.

Wayne McLaughlin, SHS junior qualified for regional competition in three events...discus, shot put and long jump.

Jr. Ni Netters In District Meet

The junior high tennis team traveled to Crane last Friday for the 7AA tennis district meet.

Two boys doubles teams, Dane Lee and Steve Jennings and Eric Neal and Randy Mounce, reached the finals.

Lee and Jennings won their first round match by defeating Crane 6-1, 6-1. In the semi finals they were defeated by Ozona 4-6, 6-4, 6-2.

This team then met the Sonora team of Neal and Mounce, who lost the other semi final bracket.

Lee and Jennings defeated Neal and Mounce for third place. Neal and Mounce had won over Crane 3-6, 6-2, 7-6 and lost to Kermit, 2-6, 6-1, 6-1, and then lost to their own team of Lee and Jennings in the consolation bout.

Neal and Mounce came home with fourth place.

Coach Ben Solis said, "I thought, all my players played well. I'm glad that the town shows more interest in tennis now."

Four Individuals, Three Relays To Regional Competition

by Kay Holdridge
Despite sending four individuals and three relays to Regional competition The Girls Bronco track team was second in overall competition with 124½ points to Crane's 186 points.

sprint relay, despite a less than helpful handoff between the first and second leg, ran a time of 52.1 to qualify. Annabelle Gonzales, Tonya Evans, Becky Cavaness, and Paula Friess for Regional Competition. The 880 yard relay of Gonzales, Pam Powers, Cavaness, and Friess ran their best time

of 1:52.5 to again take second to the Golden Cranes. The official time on the Broncos' mile relay was 4:18.0, the best effort of the year for the team of Denise Neal, Marche Lane, Cavaness, and Gonzales.

Individually, Marche Lane and Paula Friess broke existing 7AA records in the 880 yard run and 440 yard dash respectively. Friess broke the record in the preliminaries when she ran a 62.04 and won the race in the windy finals in 63.4. Friess is a freshman at SHS, as is fellow record breaker Marche Lane. Lane ran the 880 yard dash in a 2:33.2, two seconds slower than her personal best, but four seconds faster than the existing record.

Freshman Tonya Evans qualified in both the 100 yard dash and the 220 yard dash as she finished second in both events. Evans' time in the 100 was 12.2 and her personal best time of 27.7 was run in the 220 yard dash.

Senior Terri Simpler strided to second place in the mile run in a time of 6:16.9, slower by eight seconds than her personal best, but destroying the old mile record by 33 seconds.

Ozona's Kay Thompson

was the winner with a record shattering time of 5:53.1, 11 seconds behind her personal best of 5:42. Freshman Kandis Carta's 6:26.3 third place time also broke the existing record. Five other Broncos placed in the top six to bring in the necessary points to help the Broncos to second place.

Freshman Stacy Chandler placed third in her two specialties. Chandler threw her personal bests in both the shot and discus. 32'8" was her third place throw in the shot and she threw a 95'11" in the discus. Teammate Stephanie Short tied for fifth in the shot with a heave of 29'8 3/4 to collect 1½ Bronco points.

Short is a sophomore. Paige Pollard, also a sophomore, ran to fifth place in the 80 yard hurdles in a time of 12.5. In the triple jump, Friess jumped 32'6½" to place fourth and Evans copped sixth place points in the event with a 32'2". In the long jump Friess bettered her previous jumps with a 15'8 3/4" to

place fifth. Lack of depth in the field events hindered the overall team effort. Sonora could take only 20½ points while Crane netted 75½, Kermit 39, and Ozona could manage only 10 points. Kermit was third in the track meet with 103 points and Ozona placed fourth with 70. Sonora girls moving to

Regional competition include freshmen Gonzales, Friess, Evans, and Lane; juniors Pam Powers and Denise Neal; and seniors Cavaness and Simpler. Regional will be held in Lubbock with the preliminaries run on Friday, April 21, and the finals to be concluded Saturday, April 22. The first two place winners will advance to State in Austin.

Eddie Favila, Wayne McLaughlin Advance To Lubbock Regional Meet April 21,22

by Kay Holdridge
Sophomore Eddie Favila and junior Wayne McLaughlin will represent SHS in Regional Competition in Lubbock on April 21 and 22. Favila captured the 100 yard dash crown as he sprinted to a 10.4 win. He added second place honors and another Regional qualification as he finished second in the 220 yard dash with a time of 23.6. McLaughlin was a triple qualifier as he placed second in the shot put, discus, and long jump. He heaved the shot a record breaking 52'5", but Jim Smitherman of Crane, the

defending 7AA champion, threw a 53'11" final throw to take first place honors. McLaughlin again was second to Smitherman in the discus as Smitherman threw 147'11" to McLaughlin's 144'1". Blake Moody of Ozona jumped 21'3" to edge the Bronco McLaughlin's 20'10" effort.

Crane and Ozona tied for the overall crown as each team collected 140 3/4 points. Kermit was third with 99 and Sonora had 86½ points.

Neither of the Bronco relays could take points as the sprint relay was out of the handoff zone on the Favila-Cagle handoff and a dropped baton between Cagle and Cody Savell finalized the effort. The mile relay of Preston Love, Erv Vallejo, Juan Mendoza, and Savell could place only fourth and fourth place relay finishes were not awarded points. Their time was 3:46.1.

Freshmen Juan Mendoza ran a 2:08.7 880 yard dash to bring in third place points. Vallejo and Love placed fourth and sixth in the 440 yard dash to help the effort. Vallejo ran a 55.5 and Love ran a 56.0.

In the 220 yard dash, Cagle also placed as he ran a 25.3 to pick up sixth place points. Mike Jones placed in both hurdles as his 16.4 was good enough for fourth and his 46.2 in the 330 intermediates placed sixth. Cody Savell charged to a fifth place time of 45.6 in the 330 yard intermediates.

Ailing milers Robert Noriega and Enrique Sanchez were able to pick up 10 points in the mile run as they placed third and fourth. Both boys have been hindered with leg problems and their times reflected it. Noriega ran 4:59.4 which is well over his 4:38 time and Sanchez ran a 4:59.7 in his first mile effort of the year.

Sonora came out of the field events with 38½ points, trailing the leaders, Kermit, by only 2½

points. Crane was only ½ point behind the Yellow-jackets, and Ozona had 34½ points.

Adding to McLaughlin's 24 field event points were Savell, Love and John Reese. Savell and Love were in a four way tie for fifth in the high jump and together captured 1½

points. Savell placed fourth in the pole vault and Reese was fifth.

Sonora's J.V. boys placed in nearly every event they entered. The team includes Jaimie Sepeda, David Sanchez, and Lance Love.

Sepeda won the 880 yard dash with a time of 2:12.7 and placed second in the 220 yard dash in a time of 26.5.

Love covered 440 yards in a 61.4 time to capture third place. David Sanchez placed sixth in the shot to finalize the J.V. scoring.

Scout Council Discusses Plans

Leaders from the Sonora Neighborhood of El Camino Girl Scout Council met April 6, at the Sonora Scout House with Mrs. DeDe Doran, Neighborhood Chairman, Mrs. Shirley Ryan, Mrs. Edna Duren, Mrs. Suzie Ramirez, Mrs. Gloria Huckaby, Mrs. Alice Cox, and Mrs. Barbara Waggoner, Field Advisor, attending.

Leaders discussed 'Keep America Beautiful Day,'

April 22, and planned for Sonora Girl Scouts to plant and renovate the Girl Scout House lawn from 9 a.m. until 2 p.m. on that date.

Brownie Troops are planning to attend the District IV Brownie Play-day in Big Lake April 29. All troops are planning Court of Awards ceremonies for girl recognition and leader recognition.

Mrs. Waggoner brought up the fact that there were still openings in all

sessions at Camp Jo Jan Van, and encouraged leaders to encourage attendance. Troops may also go troop camping at Jo Jan Van after the regular camp sessions.

The final Neighborhood meeting for the year will be held May 4, at 9:30 a.m. at the Scout House. Leaders will be bringing food to have a brunch at their final meeting. Interested prospective leaders are invited to attend.

Woodrow Glasscock CONGRESS-21st DISTRICT

WHERE I STAND

Small businesses are hit hardest by the senseless regulations imposed on them by federal bureaucracies such as OSHA and others. This is akin to the killing of the goose that laid the golden egg when you consider that these businesses, including family-owned farms and ranches, make up the most important single segment of the nation's economy. Let's look at some figures.

Some 97 percent of all U.S. enterprise is comprised of small businesses, which provide 57 percent of all employment. Accounting for nearly half, 48 percent, of business output, small businesses produce 43 percent of America's total gross product.

But let's look at what the cost of over regulation means to the small businessman and to you and me, the consumer.

It costs \$65 billion a year to comply with federal regulations imposed on small businesses alone. This is \$300 per person for each citizen of the nation. Of course, that \$300 comes out of our pockets.

Our small businesses pay \$15 billion to \$20 billion a year (or more than \$3,000 each) to comply with bureaucratic regulations.

In an attempt to provide some relief, well-meaning congressmen have introduced H.R. 7789, the Small Business Impact Statement Act. This legislation will require federal agencies to issue impact statements, such as: Detailed information on the number of small businesses affected, type of businesses and activities affected, approximate average cost to small businesses and comparison of these costs with approximate benefits to small businesses each time a new regulation is issued. The legislation also will require each agency responsible to take steps to minimize the amount of paperwork required by a new rule.

I support the thought behind this proposed regulation, yet I question the capability of the bureau that will enforce it, to objectively study and issue an impact statement. Secondly, I oppose the cloning of more bureaucrats to do the job.

The final answer I believe is to reduce the regulatory power of the ivory tower bureaucrats who have never met a payroll or responded to a government questionnaire.

Congress has the vested power to do this but they evidently haven't had the will.

I believe it's time to send a congressman to Washington who understands small business and that is why I am asking for your support.

Sutton County Ranch News

Shown with Governor Dolph Briscoe as he signs the proclamation designating the week of April 20-May 7, 1978 as Soil Stewardship Week in Texas are, left to right: S.K. Horwood, Sterling City, Jerry Clark, Buna, Members of the Association of Texas Soil and Water Conservation District's Soil Stewardship Committee; Curtis Dean Scott, Cleburne, Chairman of the Committee; Don Brandenberger, Clifton, Field Representative, State Soil & Water Conservation Board; Gene Gilbreath, Dublin, Sec.-Treas. of the Association; Joe Antilley, Abilene, Chairman, State Soil & Water Conservation Board; John Millican, Ass't Executive Director, State Soil & Water Conservation Board; Dr. B.L. Harris, College Station, Soil & Water Use Specialist, Texas Agricultural Extension Service.

Dry Spell May End

As the chances of thundershowers increased at week's end, anticipation grew among Southwest Texas farmers and ranchers that the dry, windy conditions so prevalent last week would soon come to an end.

Most of the region's agriculture was virtually at a standstill awaiting general moisture. Conditions of supplemental feeding of livestock and little or no growth of crops was the standard throughout.

Leafing of pecan trees marked the only general change in the area, and in the Atascosa County area, strawberries began moving to market in limited supplies. Home gardening is in full swing and some spinach continues to be harvested in the Zavala County area.

"Blueprint" Committee Meets Here Last Week

Ranchers from around the nation gathered here last week to discuss the American Sheep Producers Council's "Blueprint for Expansion" program. During a break Dave Thomas, Corvallis, Ore. (left to right); Ed Duren, Soda Springs, Idaho; John Miller, Caldwell, Idaho and George Allschwede, San Angelo's Texas A&M Experiment Station.

Glen Fisher's Wool & Mohair Report

Mohair in Texas is more or less all sold. The Sonora clip is almost all in and is committed.

Prices remain strong, but many people close to the situation still anticipate a price drop in the next month or so.

Wool is covering us up here in Sonora as shearing crews are really taking it off. The weather is cooperating, too.

Most wool is fine but all clips are a little shorter reflecting the dry summer and fall, and cold January and February.

A little broken or tender wool is being found by the graders, but no large amounts.

The Del Rio Warehouses have scheduled sales for eight months wool on May 10 and 11. We will probably follow with a sale on the 12th.

Sheep Producers' Council Offers Wide Range of Help

Not every sheep producer knows what the American Sheep Producers Council is, or what it does. It can come as a pleasant surprise when they find out.

George Taylor, president of the Texas Wool & Mohair Warehouse Assn., San Angelo, recently attended his first ASPC meeting and came away "really impressed."

Taylor represented the Warehousemen's Assn. at the recent ASPC quarterly directors meeting.

"I wish I could paint a picture for ranchers of just how efficient and enthusiastic the ASPC really is," Taylor says. Both paid staff and volunteer producer members met with his unqualified approval.

ASPC, unlike most other producer organizations, focuses entirely on lamb and wool promotion—by law it must.

The Council is supported by voluntary deductions from wool incentive checks and, as such, is strictly regulated in its scope.

Political issues are "verboten",

as are such topics as prices, etc. Though this may appear to limit ASPC's scope, it actually makes it possible for the Council to concentrate on its one assigned purpose—and do it well.

The recent meeting offered an update on the Council's projects and progress since the last annual meeting.

All promotions are apparently on schedule, says Texas Sheep & Goat Raisers' Assn. president Bill Schneemann.

Schneemann adds that one report at the meeting revealed that the last shipment of chilled Australian lamb to arrive on the West Coast was turned down by quality inspectors.

The shipment was part of an experimental program to fly in chilled rather than frozen Australian lamb, and the inspector's refusal could bedevil the program though it's not likely to have any serious effect.

Other reports indicate: *A strong lamb market forecast—excessive numbers simply do not

exist. *The greatly improved cattle market may help justify high lamb prices.

*Frequent optimistic references to the success and growth of the ASPC Blueprint for Expansion program were heard throughout the meeting. It is apparent that the industry feeling anticipates the sheep business turnaround is close at hand.

Currently 24 states have or are developing state Blueprint programs. An April 11-12 meeting of state Blueprint leaders and extension personnel should provide valuable direction for future action.

*ASPC field men on East and West coasts are working diligently on chain store and restaurant promotions, particularly restaurant promotions.

Restaurants, after all, must print their selections on expensive menus and then must maintain the listed selections; this tends to offer a stable, rather than seasonal lamb outlet.

Feds Consider Less Regs

A policy change that would lessen federal regulation of selling rates charged by public livestock markets is being considered, a U.S. Department of Agriculture (USDA) official has announced.

The proposal would allow stockyard operators to change their rates for selling livestock without obtaining prior approval, as is now required under the Packers and Stockyards (P&S) Act.

However, the markets would have to charge for their services on a per-head basis, rather than on the value of the livestock or on a percentage of the selling price.

Charles B. Jennings, deputy administrator for packers and stockyards programs in USDA's Agricultural Marketing Service, said that some livestock producers as well as marketing industry leaders have expressed support for less regulation of markets.

"We believe there is merit in the lessening of regulation when it can be achieved while maintaining protection of the public interests," Jennings said. "This proposal encourages participation by the people who actually use the livestock markets."

The proposal would allow livestock market operators to change their selling charges with a 30-day notice to the public.

USDA could review the new selling rates to determine if they are reasonable, but only if valid complaints were received from the public.

The proposal that selling rates be assessed only on a per-head basis is based on a recent ruling by the Eighth Circuit Court of Appeals.

The court upheld a decision by the USDA judicial officer that percentage or value-based selling rates are unfair and discriminatory and bear no relationship to the cost of providing stockyard services.

Under the proposal, all stockyard owners and market agencies would be required to file a schedule of rates and charges that contain per-head rates with USDA by Sept. 30, 1978.

The proposal requires a market operator who plans to change his selling rates to either publish the proposed change in a general-

circulation-area newspaper at least 30 days before the effective date of the change, or attach a notice of the proposed changes to each customer's account of sale or check at least 30 days before the effective date.

The market operator would also be required to post the proposed change at the market for 10 days before the effective date.

Jennings said the proposals are being made in response to views expressed in a series of national hearings which were completed Feb. 14. Recommendations were received from livestock producers, market operators and others as to what the future P&S rate program should be.

Anyone needing further information should contact Jack W. Brinckmeyer, Room 3054 South Building, AMS, USDA, Washington, D.C. 20250, (phone 202/447-4366).

More on Ranching Information

"Current research must continue to screen various new herbicides and search for improved ways to apply them. New mechanical methods must be evaluated to determine how effective or economically feasible they are," he said. Dr. Chamrad said current research will direct greater emphasis

on "brush management systems" versus "one-time treatment."

"Brush management systems will generally involve more than one basic category of brush control, including mechanical, chemical, biological, and prescribed burning," Dr. Chamrad said. "Other range improvement practices, such as range seeding, also must be integrated into these systems when they are appropriate."

In addition to the work going on at the Experimental Ranch, Dr. Chamrad and Research Associate David Oefinger are establishing studies on various private ranches in

the 10-county area surrounding Uvalde.

Studies now being planned include:

--Cenizo ecology and control on the Karl Wipff Ranch near Eagle Pass.

--Brush reinvasion of introduced grass seedings on Chaparrosa Ranch near La Pryor.

--Mescalbean control on the Clark Ranch near Rocksprings.

--Herbicide rates, dates and sites on the Half Ranch near Pearsall.

--Management systems for controlling the increase of secondary species following initial herbicide treatments on the Hidden Valley Ranch near Hondo.

ASCS Report

by Norma Jo Love
The Sutton County ASC Committee has determined that the disaster which created eligibility during the previous crop year still continues to affect pasture growth in this area, therefore all previous applicants must come by the office to sign a new application in order to participate during this feeding period.

The current feeding period is April 1, 1978 through April 30, 1978.

Ranchers who did not participate in the Emergency Feed Program in the previous crop year will be eligible to sign up May 1, 1978.

Remember to keep us informed of any changes in livestock numbers or any changes in ranch operations.

WOOL

We have received the wool incentive payments and they have been mailed. Payment rate for shorn wool is 37.5% of the net sales proceeds and unshorn lambs are \$1.08 per hundred pounds liveweight. The 1977 incentive price has been raised to 99c. The 1978 incentive level has been established at \$1.08.

Be sure to visit the ASCS Office if you wish to participate in any of the 1978 ACP cost sharing programs.

Pool Company Recognizes Safe Drivers

Pool Well Servicing Company recognized crew chiefs and truck drivers with outstanding safety performance at a special awards dinner meeting held March 3 at the Sutton County 4-H Center.

Eleven crew chiefs and three truck drivers received awards totaling more than \$3,900, and a plaque was presented to the Sonora District manager.

The plaque presented to Todd Churchill commends all Sonora District employees for having worked a total of more than half a million man hours during 1976-1977 without a lost time injury.

Gene W. Butts, general manager from Pool's San Angelo office, made the presentation.

"This is a truly outstanding record," Butts

said, "you are the only one of our 21 districts to achieve this."

Crew chiefs David Butts and Kippy Joiner received \$1,000 checks from Sonora District manager Todd Churchill. Butts and Joiner are two of the 35 special 240-point winners in the company-wide 1977 safety program. They scored perfect records during the year under the program,

with no reportable injuries and outstanding ratings from unannounced spot safety checks of their rigs.

This is the second year of the Pool Well Servicing safety and accident prevention program by which crew chiefs might earn awards. The program is based on a point system, with points awarded for low accident frequency, performance under periodic rig and crew inspect-

ions, the holding of safety meetings at rig sites, and other related activities.

Five crew chiefs received two-year distinguished safety achievement award checks for \$240. Roy Hulsey, Floyd Reese, Ronnie Smith, H. Leroy Tinney, and J.B. Halford earned more than 190 points in both 1976 and 1977. Willie Abalos and Erasmo Lumberras earned

the same number of points during 1977, and they were each presented with distinguished safety achievement award checks of \$180.

A meritorious safety achievement award was presented to John Stone. He received a \$60 award for earning more than 155 points during 1977. Dennis L. Wheeler was presented a \$75 award for his safety

performance.

Three truck drivers received safety awards for their performance. Sam Nichols and Jerry Layman were each presented a award checks of \$100, and David Cearly received a \$50 award check.

Safety Representative David Buhler from San Angelo commended the award winners for the fine safety record set in the

district during 1977 and urged them to continue efforts. "Safety is our Number One priority," he said, "and we count on your leadership to anticipate hazards and to protect men against themselves. Pool Well Servicing is fortunate to have outstanding well trained, experienced personnel, and we believe we may have the best safety record in the industry."

California Man In Sonora Jail; Member of Credit Card Forgery Ring

James Lewis Ferguson is in custody of the Sutton County Sheriff's office charged with credit card abuse following his arrest April 10.

The arrest began when Highway Patrolman Archie Crenwelle stopped Ferguson for speeding on IH 10.

The suspect at that time presented Crenwelle with

a bogus driver's license. Deputy Sheriff Joe Fincher and Sheriff Bill Webster ran a check on Ferguson and it was determined that he was involved in a credit card forgery ring.

A search by the sheriff's department officials recovered approximately 150 blank credit cards, stolen oil company cards and an embossing machine used

to type credit cards. The sheriff's office at that time contacted Riverside, California officials where they executed a search warrant and another 200 cards and all printing materials were confiscated.

According to Sheriff Webster the ring has been in operation for some time in Southern California.

Two Charged In Burglary At Ft. Terrett

James Earl Parker, one of two suspected in the recent robbery of a Ft. Terrett Store, has been taken into custody in Champagne, Illinois.

The robbery occurred April 7 and owner L.D. Hollmig told sheriff's office officials that three rifles, watches, a small amount of money, some jewelry, ammunition and beer had been taken.

On April 11 one of the suspects was taken into custody in Gilmen. The guns and jewelry have been recovered in Galveston.

Motel Burglars Transferred To Institution

Adolph Lee Montell, Jr., and Robert Lloyd Thompson have been sentenced in the burglary of items taken from vehicles at the Devil's River Motel. A number of citizen band radios and approximately \$4500 worth of tools were taken.

Sheriff Bill Webster said most of the stolen goods have been recovered.

Montell was assessed a ten year sentence and Thompson a five year sentence. Both have been committed to penal institutions.

Heart Assn. Meeting

The Sutton County Chapter of the American Heart Association will hold its annual meeting Monday, April 24 at the Foundation Room in the First National Bank Building. Meeting time is 7 p.m.

All persons who assisted with the heart drive and their families are urged to attend. Refreshments will be served.

City Police Arrest Four Driving Stolen Vehicle

Richard Bryon Sprung, listing his address as Wheat Rige, Colorado, has been charged with being a fugitive from justice and has waived extradition to California authorities.

Sprung was one of four persons arrested April 13 at a local motel.

Officer Frank Tabola, while patrolling the parking lot at the motel, observed a suspicious vehicle and after checking found the car to be stolen from the

state of Kansas.

Three of the adults were charged with possession of stolen property and as fugitives from justice.

Two of those charged were released when Kansas officials refused to press charges.

Accompanying the three males was a 15 year old runaway female and her six month old baby. She was placed in a local motel until her parents could be notified.
