

Shaw Named Basketball Coach

Bill Shaw has been selected by the Sonora Independent School District for the basketball coaching position. Shaw's contract will be confirmed at the next meeting of the Board of Trustees.

He has a bachelor's degree in physical education and biology from Texas A&M. His four year record at Richards High School is 118 wins and 31 losses. His team was a state semi-finalist in 1975 and won the class B championship in 1976.

Shaw is a T-Association member, distinguished student, member of the Fellowship of Christian Athletes and a member of the Texas Association of Health, Physical Education and Recreation. He is married and his wife is a

librarian. They plan to move to Sonora in the summer.

Former coach of the boy's basketball program, Dale Ethridge, requested to resign that position back in January and was re-assigned at that time.

The Devil's River News

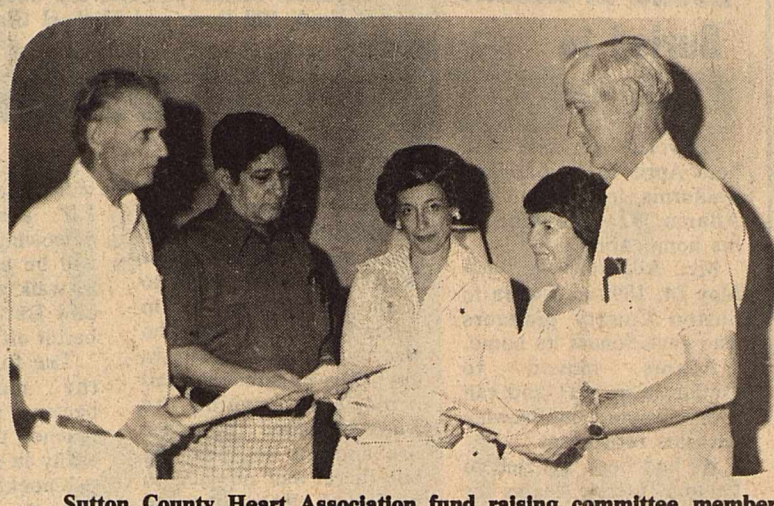

Eighty-Seventy year, Thirtieth-fifth Week

Wednesday, April 26, 1978 The Devil's River News Sonora Texas

Price 25c

Rev. Jim Miles [right], new Sutton County Heart Association president, presents special 20 year appreciation certificates to Dr. David Owensby [left], out-going president, and Mrs. Marie Aldwell [center], treasurer. The presentation concluded the annual installation of new officers meeting, held Monday night in the Founder's Room of the First National Bank in Sonora.

Sutton County Heart Association fund raising committee members reported the results of the 1978 drive during a special meeting Monday night. Gene Shurley (left to right), Sam Perez, Mrs. Nina Langford, Mrs. Midge Shurley and Clint Langford were congratulated by members for the record drive. Heart Association past-president Dr. David Owensby pointed out that Sonora was the highest per capita in the 25 county region for this year's drive with approximately \$5,614.

County Dads Open Bids On Local Library

Sutton County Commissioners met Monday morning to open bids for remodeling of the Sonora Woman's Club Library building.

Doris Rousselot, Mary Barrow, Carol Love, Wanda Neville and Mary Adale Balch, members of the Woman's Club, were present at the meeting.

Two bids were presented to commissioners with Wagner Construction Company of San Angelo submitting a low bid of \$81,500. Owen Brothers Construction, also of San Angelo, submitted a bid of \$82,841.

Architect Jack McDermott was also present at the meeting and told the court that these bids were approximately \$30,000 higher than he had estimated.

Members of the Woman's Club asked for a meeting with McDermott on May 4 so that they might discuss plans of erecting a new building instead of remodeling and adding on to the present structure. McDermott and contractor, Milton Owen, told the court that a new building would probably cost no more than the remodeling and additions to the present building.

Commissioners also opened a bid from James Hunt who offered the county \$500 for the old Craddock house located on the proposed jail site property. Hunt's bid was for removal of the house and all debris left from the moving.

Commissioners Preston Love, Elba Adams and Philip Jacoby were present for the meeting, along with County Judge Web Elliott and County Clerk Erma Lee Turner.

Absentee Voting Starts For Local, State, National Races

Absentee voting in both the Democratic and Republican Primaries is underway at the office of the county clerk.

Voting by the absentee method started April 17 and will continue thru May 2 at 5 p.m.

Absentee voting may be conducted by appearing in person at the county clerk's office or voting by mail. Any qualified voter who expects to be absent from the county on the day of the election or who will be 65 years of age or older on election day, or because of sickness, physical disability, confinement or religious belief, cannot appear at the polling place may vote by the absentee method.

There are a number of important contested races on both ballots and voting is the only way residents have in selecting who they wish to represent them.

Sutton County voters in precinct four will have a wide choice in who they wish to represent them as their commissioner. Juan Carlos Gonzales, Leopoldo (Polo)

Cervantes and V.L. Chavez, appear on the ballot for commissioner of that precinct.

Bill Wade is running unopposed in his bid for re-election to precinct 2. Also running unopposed is J.W. Elliott, county judge; Erma L. Turner, district and county clerk; Metha V. Trainer, county treasurer; and Troy Williams for judge of the 112th District.

The race for justice of the peace is being sought by Jim Green and Frances Templeton. The incumbent in that race is not seeking re-election.

The race for Democratic nominee for State Senator heads the ballot. Joe Christie and Bob Krueger will battle it out, the winner to face Republican John Tower in the general election in November. Krueger is presently serving as U.S. Representative of the 21st District.

Five candidates are on the ballot for the seat being vacated by Krueger. They are Nelson Wolff, Joe Sullivan, Steve Clark, Paul

Dahlgren and Woodrow Glascock. On the Republican ballot Tom Loeffler, Neil Calnan, Wallace Larson and Bobby Lock are seeking that post.

Local voters will also have a choice in the governor's race. Governor Dolph Brisoe is opposed by four Democrats. John Hill, our present attorney general, is the most likely candidate to upset Brisoe. Othos include Donald R. Beagle, Ray Allen Mayo and former Texas Governor Preston Smith.

The winner of the Democratic race will face either Clarence Thompson, Ray Hutchinson or Bill Clements who are seeking the Republican bid for governor.

Bill Hobby is opposed in his bid for re-election as Lt. Governor by three others. Mark White and Price Daniel, Jr., will battle it out for Attorney General, the winners to face the Republican candidate in November.

Other state races include State Treasurer, Commissioner of Agriculture, Railroad Commissioner,

several places on the Supreme Court of Texas, Court of Criminal Appeals judges, etc.

The only race creating some interest is that of Judge, Court of Criminal Appeals, Place 2, where a political unknown Sam Houston Clinton, is opposing Jim Vollers, who is presently sitting. Texas attorneys are especially concerned that voters might vote for the first name because of its historic prominence, and cite the last election when voters put a Yarborough in office who has been disbarred and sent to prison.

State Senator Pete Snelson is running unopposed and Susan Gurley McBee who is State Representative representing Sutton County has one opponent.

Two propositions appear on the ballot this year giving legislators in Austin an idea about how the people feel about higher interest rates and pari-mutual betting. Neither are binding on the legislative body.

Saturday, May 6 is election day.

City Engineer Charged With Theft

Don J. Jones, electrical engineer for the City of Sonora, has been charged in Judge Mat Adam's court on three charges of felony theft.

Jones was arrested April 19 by Sheriff Bill Webster and Chief of Police Jerry Kemp after the San Angelo Sheriff's Department contacted Webster regarding information on the city utility building located on the City Hall.

Jones is charged with theft of 15 to 16 hundred pounds of copper

wire taken from the city building. This city owned property was sold to a San Angelo iron works company on three different occasions, April 10, 11 and 12.

Jones was placed in Sutton County Jail following his arrest and released on five thousand dollar bond April 20.

At the time of his arrest, Jones' services with the city were terminated without pay, for an indefinite period.

Texas ICA President At Barbecue

A barbecue was held Friday night at the 4-H Center with members of the local Independent Cattlemen's Association hosting the event.

Prizes were awarded to ticket holders with Mrs. Leo Neal, Becky Tankersly, Wanda Bible, Louise Briggs, Ida Bloodworth and Carol Parker winning the Spanish goats.

Joe Wiengart and Dub Wallace were winners of the smoked turkeys.

Winners of the halves of beef were Al Lynch, Ethel Olson and Herb Agnew. R.W. Wallace won a cake and Glen Richardson was winner of a knife.

Lucille Green held the lucky ticket for the snake charmer and Mary Wyatt was winner of a rope. M.E. Joy held the ticket to win the cooler.

T.A. Cunningham, president of the Independent Cattlemen's Association of Texas, delivered a blistering attack at the federal government during last Friday evening's ICA barbecue here. Cunningham, principal speaker for the event, reminded the audience of the continuing battle against congressional interference with the free enterprise system.

Lucy Morriss, Donna Gray Named Valedictorian, Salutatorian

Lucy Morriss has been named valedictorian of the 1978 graduating class. Her grade point average for a four year period was 92.163. She is the daughter of Mr. and Mrs. Bill Morriss.

Named salutatorian is Donna Kay

Gray with a grade point average of 91.532. She is the daughter of Mr. and Mrs. William H. Gray.

James Kelly Carta received the honor of high point boy of the class with a grade point average of 94.73.

Carta was ineligible to be named valedictorian because he has not been a student at Sonora High School for the full four years required. He is the son of Mr. and Mrs. Clay Carta.

5th Graders' Special

Members of the Sonora Elementary Fifth Grade classes presented a play entitled "Rip Van Winkle" Monday. Numerous fifth graders participated in the production. Pictured [l to r] Joe Will Ross, Jody Luttrell, Greg Stewart, Patsy Perez, Rebecca Perez and Cathy Doran.

Texas Needs Governor Briscoe

Gov. Dolph Briscoe, according to an editorial by the Houston Chronicle, has given Texas the fiscal prudence that keeps it one of the healthiest states in the union.

"Gov. Briscoe promised no new taxes when he campaigned in 1972," the Chronicle editorial explains.

Briscoe has kept that promise through three sessions of the state legislature and is now recommending ways to implement individual tax relief.

His fiscal restraint has brought us tremendous economic benefits and our state continues to show dramatic growth in population and industrial expansion.

We have better highways, more educational funding, crime fighting and energy leadership.

In the last five years, more than 1,200 industries have chosen to open in Texas, bringing us an additional quarter of a million jobs and \$11 billion in new dollars.

The United States government could take lessons from our governor on how to manage good government with financial responsibility.

Our governor has consistently insisted on responsible, common sense management of the taxpayer's hard-earned money...if we could just get our federal government to follow our lead, we'd be in much better condition.

We urge the re-election of Governor Dolph Briscoe...

Vestel Askew and Charlie Graves

Trinity Baptist Sets Dedication Services

The Trinity Baptist Temple will hold dedication and open house at their new building Sunday, April 30 at 3 p.m.

The Rev. Gaylan McClellan, pastor of the church, stated that regular services will be held

Sunday morning with Sunday School at 10 a.m., followed by morning worship at 11 a.m. There will be a church dinner and fellowship following the worship services.

The Rev. J.P. McDaniel, president of the Central West Texas Fellowship, will be speaker for the dedication. Refreshments will be served.

The Rev. Mr. McClellan would like to invite all to attend and see the new building. He said, "This is the church that many people said would never make it here and yet God is building a church that preaches the old time gospel, with many people turning to Christ." He added, "Certainly we are proud of our building, but more so, we are thankful to our Lord for His blessings and direction on us."

Leslie E. Adams Buried In California

Graveside services were held April 13 in Brawley, California for Leslie Earl Adams, 82, who died at his home April 11.

Mr. Adams was born May 24, 1895 in Sonora to Sutton County pioneers who gave Sonora its name.

Adams moved to California in 1911 and ran a dry cleaners in Brawley until his retirement.

He had been married to Thelma Hadley Adams for 61 years and was commander of Brawley's American Legion Post. In 1943 he was awarded a certificate in recognition of patriotic service by President Roosevelt.

Survivors include his wife; one son, Leslie Earl Adams, Jr., of Palm Springs, Calif.; two daughters, Nettie Jane Maljan of San Diego and Lila Adams of Brawley; and five grandchildren.

Reflections

by Rev. Jim Miles

Often we allow our own fears to prejudice a relationship with another person. Unfortunately, this is normally a detriment to that relationship. I am reminded of the man who was travelling from city to city when he suddenly had a blowout. Opening the trunk he found the spare tire and the lug wrench, but there was no jack to be found. Remembering that he had taken it out to repair another vehicle the previous week, he surveyed the situation, noticing that there was a ranch house about a mile away. Setting out to walk, he began thinking: "I'm going to walk all this way in the hot sun, I'm going to get hot and tired and sweaty, and then I'll get to

this house and someone will come to the door and I'll ask them about borrowing a jack and they will be ugly and I'll have to walk all the way back, and I still won't be any better off than I am now."

The further he walked the more upset he became, so by the time he reached the house he was really in a lather.

Knocking on the door, he was met by a very pleasant young man who smiled sweetly and said: "Good morning-can I help you?" at which the traveller shouted, in a blind rage "I didn't want to borrow your stupid jack anyway" and stomped off the porch.

How often do we, like this man, expect someone to say something to upset us? How often do we allow our own anger to discolor what is said by another? How often do we take things wrong? When we expect the worst we are seldom disappointed.

Cancer

Society Meets

by Johnnie Hooper
The American Cancer Society met in the Founder's Room at First National Bank April 20 with the Rev. Paul Terry presiding.

The Cancer Crusade "kick-off" held April 4 was in the Foundation Room with 50 women and ten board members attending. It was termed a very successful meeting with a film presentation. Refreshments were served.

Chuck Berry reported that the district annual meeting is scheduled for June 20 in San Angelo.

Persons are asked to remember that April is Cancer Crusade Month and when your worker calls on you...please donate.

Harry Ledbetter's Money Management Program
As a fiscal conservative, I have developed a comprehensive program to effectively manage the \$2 Billion dollars on deposit in the State Treasury. Here are aspects of it:
Rate of Return: The State Treasurer should not play politics with our tax money. I pledge to put the taxpayer's money to work earning the highest interest available.
Cash Flow Forecasting: Using modern management techniques, we can accurately determine how much money the state needs in liquid funds. The state's obligations must be paid on a timely basis at minimum administrative cost.

People all over Texas are responding enthusiastically to my campaign. I appreciate your support. I know that the public trust must be earned, and it is a responsibility I accept. I ask for your vote on May 6th. If you share my concerns, encourage your friends and neighbors to vote for Harry Ledbetter for State Treasurer in the Democratic primary election May 6th.

HARRY LEDBETTER
for State Treasurer
You don't have to have a famous name to be State Treasurer.

Pd. Pol. Adv. paid for by Ledbetter for State Treasurer Committee. Bill Echols, Campaign Treasurer, P.O. Box 13524, Capitol Station, Austin, Texas 78711, Telephone (512) 476-6973.

How long can you depend on Lone Star for natural gas service?
 10 Years 20 Years 50 Years More Than 50 Years

"Natural" is the key word in question. Unless regulatory price limitations make the development of new gas fields unprofitable for this area's producers, it will be many years before natural gas supplies run short for our million-plus priority customers.

The good news, however, is that these "natural" reserves can be supplemented with enough synthetic gas to keep Lone Star in the gas business for the next 50 years. And beyond.

Lone Star has weathered too many storms in the last 69 years to shy away from the challenge of the energy future. We know what must be done to meet that challenge, and we'll meet it.

The groundwork is done.

There are excellent reasons for optimism. Foremost of these is the fact that 50% of the known onshore gas reserves in the United States are in areas where Lone Star already has pipeline systems in operation.

The energy outlook becomes even more promising when you consider the enormous, long-term potential of the gas fields under development in Texas' Gulf Coast waters. Lone Star is already buying some offshore gas. And we intend to buy enough of it to satisfy our customers' demand as it becomes available in volumes large enough to be gathered efficiently and economically.

Lone Star's ability to take delivery of new natural gas reserves as they are developed gives us an outstanding opportunity to buy our area's fair share—enough gas to last our customers for many years.

Whether we can take advantage of this opportunity depends mostly on whether we'll be allowed to recover our actual costs on a timely basis.

Without the ability to pay our gas bill, earn a reasonable rate of return on our investments and recover our operating expenses, we will be unable to continue an aggressive supply program in time for it to be really effective.

There is no shortage of natural gas.

There's only a shortage of the low-priced, easily accessible gas that nearly everyone took for granted in years past.

If gas producers are given incentives to continue their risks in exploring for deeper, more inaccessible reserves, there is little reason for our high-priority customers to face natural gas shortages until we're deep into the 21st century.

After that, the future for gas energy still looks good. The technology for gasifying coal is a fact, not some fantasy of the future. And our nation has enormous coal deposits.

Converting it into gas makes sense. Because gas burns clean and doesn't pollute. It also makes economic sense, because this gas can be distributed through the pipeline system we have, and the families who have gas appliances can keep right on using them.

How long can you depend on Lone Star for gas service? We intend to make sure your children's grandchildren can depend on us.

Sonora Minister Speaks

Who's a Hypocrite? "Why, listen to Mr. Martin and his pious prayer. And after the way he acted at that ball game last night, too. Would you look at that fur coat Miss Priss has on. You would think being two months behind on her house payments, she would be a little more practical."

We have all seen people who put on a show in an attempt to convince others they are what they are not. We can often be heard whispering our disapproval of their hypocrisy. Soon we begin to use those who have fallen into the trap as a measuring stick to prove our own righteousness.

Who's the hypocrite? How should we look upon one who displays a hypocritical manner. Should we scold him. Maybe we should thank God that we are not like him. Neither of these offer a solution to the problem. Paul said in Romans 12:9, "Let love be without hypocrisy..." When the hand of love reaches out it does not point an accusing finger but offers an open hand of concerned assistance.

Cowserts To Celebrate 65th Wedding Anniversary

Mr. and Mrs. John Cowsert of Junction will celebrate their 65th wedding anniversary Sunday, May 7th at St. Theresa Catholic Church Annex in Junction with an open house.

The affair will be given in their honor by their children, Mr. and Mrs. Manning Farr Smith of College Station and their grandchildren, Maj. and Mrs. Manning DeWitt Smith of Ft. Mead, Maryland, and Mr. and Mrs. Laurence A. Frisk of Houston.

The affair will begin at 2:30 and end at 5:30.

Also being honored will be Mr. DeWitt Cowsert, who will also celebrate his 87th birthday.

Mr. and Mrs. Cowsert have ranches in Kimble and Sutton Counties for over 50 years, having been active in many organizations which pertain to ranching, such as the Sheep and Goat Raisers' Association, the American Quarter Horse Association, where he was an organizer and original director as well as an inspector.

He was an original director and now a life time director of the Kimble County's Hill County Fair Association.

The Cowserts are both 50 year members of the Order of Eastern Star and Mr. Cowsert is a 50 year member of the Masonic Lodge.

Everyone is invited to join them in the celebration of this special event. They ask that friends bring no gifts.

Trudy Draper, Bride - Elect Honored

Miss Trudy Draper, bride elect of Kelly Carta, was honored April 18 at the home of Mrs. Linda Cayce, with a lingerie shower.

The bride's chosen colors of yellow and mint green were carried out in party rooms and floral arrangements. The cake was topped by a miniature gown.

Hosting the party were Mmes. Cayce, Beverly Howard, Virginia Weinhold, Sally Camp, Gretta Smith and Fern Wipff.

Twenty-five guests were in attendance.

Attention Homemakers!

Homemakers are reminded of the second and final session of the Bookkeeping for Homemakers program.

The program will be held Monday, May 1 from 7-9 p.m., at the 4-H Center.

Home demo Clubs Set Meetings

The Home Demonstration club in the area of the hospital that met last month in Mrs. Archie Whitaker's home, will be meeting again next week. Scheduled for Wednesday morning, May 3 at 9:30 a.m., the meeting will be held at the C&C Lease Service Office located on Highway 277 South. For more detailed information concerning the location of the meeting, call the County Extension office at 387-3604. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion or national origin.

Members of the Sonora Woman's Club busied themselves Monday preparing a special luncheon sold to townspeople. Club members shown are Mrs. Ronnie Cox, Mary Barrow, Mrs. Harold Miller and Mrs. Mary Owensby. Proceeds from the luncheon will be used in the library expansion remodeling.

Diabetes Association To Meet May 2

The Concho Valley Chapter of the American Diabetes Association will meet Tuesday, May 2 at 7:30 p.m. in the Texas Room of the First City National Bank of San Angelo. Mrs. Wanda Durgin, Director of Nurses at St. John Hospital of San Angelo, will be the guest speaker. The public is invited to attend.

YEARS AGO

Compiled by Shirley Hill

April 25, 1968

Police officials in a large area of the United States and Mexico are still checking leads in the murders of five Mexican citizens found murdered last week south of Sonora. No arrests have been made.

About 75 horses have entered the \$23,000 West Texas Quarter Horse Futurity and \$8,000 West Texas Derby for Thoroughbreds.

Sutton County's all girl 4-H Club team took second place in a range judging contest Saturday at the Angelo State College Farm. Members of the team are Janet Pope, Cora Pope, June Alexander and Patti Richardson.

Mr. and Mrs. Frank French were elected as Worthy Patron and Worthy Matron of the Order of the Eastern Star, Sonora Chapter.

April 24, 1958

The City maintenance department is in the process of extending paving on various parts of Sonora with caliche bases ready for asphalt topping in many cases.

Sutton, Schleicher and Edwards County Aggies held their annual muster at the Experiment Station April 21.

Mrs. Mary Johnson complimented Mrs. George S. Schwiening with

a birthday party last Wednesday in her home.

The Sutton County 4-H senior range judging team took first place honors at the contest held at the Experiment Station. Team members are Rodney Davis, Freddy Fields, Preston Neely and Jack Baker.

April 23, 1948

Confirmation was made this week of the appointment of Don Ezell as head coach of the Sonora High School.

Four architects met with school officials this week to go over estimates of the cost of a new elementary school building and the costs of making other improvements.

The Lillian M. Hudspeth Memorial Hospital, made possible through a \$50,000 gift from the late Roy Hudspeth, is further endowed, it developed Wednesday when Mr. Hudspeth's will was probated here in the county

court, by the gift of the 12,461 acre Odom Ranch located in Crockett and Sutton Counties. Also given to the hospital is the residue of the estate after other specific bequests have been fulfilled.

When It Happened

1896-Mrs. Serena Adams sold to Quince Adams the old place of 320 acres on the North Llano for \$1,600.

1896-Fred Berger, a Sutton County sheepman, was here last week, and he was about the happiest man we have seen for some time. He had a marriage license in his pocket and was on his way to Elmdorf, Texas, where he was married November 12 to Miss Helen Brehm. They left Saturday morning for Sutton County, their future home. Quite a number of Mr. Berger's friends were present at the ceremony, and all joined us in extending congratulations. --San Antonio Stockman.

Home Demonstration Clubs Meet To Elect Officers

The Happy Homemakers Home Demonstration club met Friday, April 21 in Mrs. Kathy Hoggatt's home.

The following officers were elected: president, Barbara Arendt; vice-president, Karen McAnally; secretary-treasurer, Sharon Whitman; and county council delegate, Belinda Woodall.

Programs were also planned from May until

December and hostesses were selected.

County Extension Agent Sarah Mahon presented a program on several simple household repairs homemakers can do.

13 were in attendance at the meeting.

The Borderline Home Demonstration club met and elected officers on Monday, April 17 in Mrs. Elizabeth Robertson's home.

The following officers were elected: president, Elizabeth Robertson; vice-president, Nelle Graham; secretary - treasurer Melinda Neill; and county council delegate, Jane Gonzales.

Again, programs were planned for May through December.

There were nine in attendance at the meeting. For more information concerning H.D. clubs, feel free to call 387-3604.

SS Representative Schedules May Visit

Garland Gregg, representative of the San Angelo Social Security Office, has scheduled his May visit to Sonora. He will be at the County Courthouse on Thursday, May 18 between 9 a.m. and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time. Persons who are unable to meet with him are encouraged to call the office in San Angelo. Residents of Sonora may call toll free by dialing "Operator" and asking for "Enterprise 2058".

Students should notify the Social Security Office if they drop out of school, become a part-time student, or marry.

Support Susan McBee

Del Rio has had the good fortune of being able to provide the people of Texas with a rare jewel, Susan Gurley McBee, who has served them with distinction in our state legislature.

The News-Herald accords her its enthusiastic and unequivocal endorsement in her bid for re-election as representative of the 70th District.

Representing the 70th District is no easy task. In some of our metropolitan districts, a state representative is elected to represent but one little cohesive neighborhood. Representative McBee's district, by contrast, stretches almost halfway across the state, including many widely separated communities and a diversity of geography and economic and social interests.

Her fairness, her desire to be helpful and her ability to get the

job done have made her much loved and respected among people in all walks of life in virtually every corner of this sprawling district.

Susan McBee has gained the respect and confidence of her peers in the legislature, who call upon her to carry an ever increasing share of the burden of leadership as her dependability has become time tested and proven in the crucible of experience.

Because the trend toward big city domination of her state government will continue to grow, rural areas such as the 70th District, which contains not one Standard Metropolitan Statistical Area, now, more than ever, need the strongest, most effective voice we can find to speak for our area in the halls of state government. We need Susan McBee in Austin.

Pd. Pol. Adv. by the Susan G. McBee Campaign Fund, P.O. Drawer Z, Del Rio 78840

Why Should Dolph Briscoe Be Governor for 10 Years?

There is no good reason!

No other Texas Governor has ever asked for 10 years, much less been elected for 10 years. Dolph Briscoe's record does not merit 10 years in office:

- ★ Yet Briscoe has spent more than \$2 million in this campaign — including \$900,000 his supporters borrowed from 13 banks — to get 10 years in office.
- ★ Property taxes have increased by 1 BILLION DOLLARS since Briscoe was elected; so far, he has done nothing to provide property tax relief.
- ★ Welfare costs have more than doubled under Briscoe, without a fair increase in benefits for those people who really deserve them. The reason is waste. The worst example is Briscoe's own Office of Migrant Affairs, which spends \$8,000 for each person it helps find a new job.
- ★ Utility rates have skyrocketed while Briscoe has been governor, without a single sign of concern by the Governor.

Elect a New Governor

Endorsing John Hill, the Kilgore News Herald said: "He fought Southwestern Bell all the way to the Supreme Court to stop an unfair rate increase. He appears to have beat the Howard Hughes empire over millions in inheritance taxes. And he cleaned up Duval County."

Endorsing John Hill, Fort Worth Star-Telegram said: "In two terms as state attorney general, Hill has shown himself to be energetic, articulate and assertive. He can make firm decisions and work persuasively to see them carried out. As governor, he would be an active, accessible chief executive projecting a strong leadership image."

Endorsing John Hill, the Dallas Times-Herald said: "John Hill has been an outstanding attorney general. He has made impressive progress in making the office what he has always said it should be—the people's law office."

Lubbock Regionals!

Marche Lane Leads Girls

Marche Lane captured third place in the regional track meet held last weekend in Lubbock. Marche competed in the 880 yard dash and improved her previous time by five seconds. [Photo by Kay Holdridge]

by Kay Holdridge
Marche Lane, freshmen daughter of Mr. and Mrs. Joe Lane, took five seconds off her previous best 880 yard dash time and placed third in the Regional Track Meet. Lane ran a 2:26.5 in the finals after qualifying with a 2:27. Lane missed the second place by only a matter of a few inches. Only the first two winners in each event will go to the state meet.

Paula Friess, daughter of Mr. and Mrs. Turney

Friess and also a freshmen, qualified for the 440 yard dash finals with a 61.2. Friess ran a 60.9 in the finals and placed fifth. Her time in the finals bettered her record at the district track meet by .14 seconds.

Freshmen daughter of Mr. and Mrs. Roy Evans, Tonya Evans, was entered in two events at the Lubbock Meet. Evans failed to qualify for the 100 yard dash finals, but ran a personal best of 26.9

in the preliminaries to go to the finals of the 220 yard dash. Evans placed eighth in the finals with a slower time of 27.2.

Terri Simpler, one of the two senior members of the track team and daughter of Mr. and Mrs. J.T. Simpler, finished the mile run in 12th place with a time of 6:13.

None of the relay teams made the finals. The sprint relay composed of freshmen Gonzales, Evans, and Friess and

senior Becky Cavaness, ran a 52.1 equaling their best time of the year.

The 880 yard relay of Gonzales, junior Pam Powers, Cavaness, and junior Denise Neal, ran a 1:51.2 which is not as fast as they have run earlier this year.

The mile relay of Friess, Lane, Cavaness, and Gonzales were only a few tenths away from qualifying for the finals. The team ran a 4:18.1 in the preliminaries.

The girls were coached

by Donald Patton who also teaches American History and Government in Sonora High School, and is the assistant varsity football coach.

JOHN POERNER

Railroad Commissioner of Texas

Keep an outstanding man in this important job. John Poerner's ability and integrity are proven in a decade of public service.

Pd. Pol. Ad. to elect John H. Poerner - Railroad Commission, Ed Ingram, treas. 1037 Brown Bldg. Austin, Texas 78701

Tedford Advances To Regional As 2nd Medalist District Winner

by Kay Holdridge
Gregg Tedford will advance to the Regional Golf meet in Lubbock to be held at Lubbock's Meadowbrook Golf Course on April 27 and 28. Tedford was the district 7AA second lowest shooter with a four round total of 311. Kermit's Ethridge was the medalist with 308. The first two golfers advance to Regional competition as well as the first two teams.

Sonora number one

team of Tedford, Mitch Johnson, R.B. Alexander, Billy Bob Galbreath, and Johnny Doan finished the four tournament meet with a total of 1355. Kermit number one was the winner with 1252, followed by Kermit number two with 1293. Crane took the third place spot and Sonora was fourth. Ozona finished in the cellar.

Sonora also finished fourth in the Kermit meet, the final district meet. Tedford shot a 74 in the

Kermit 18 hold contest and Mitch Johnson was second for the Broncos with an 84. Alexander was third with an 85. Galbreath shot an 87 and Doan was fifth with a 91. J.V. members Tony Butler, James Minatra, and Eric Olsen shot 92, 93 and 108 respectively.

The all district team were the first 10 golfers from the entire series. Besides Ethridge and Tedford, Kermit placed seven golfers on the elite

team. Crane placed one.

The Sonora team scores for the series were: Tedford, 311, 78 average; Alexander, 333, 83 average; Johnson 352, 88 average; Galbreath, 360, 90 average; Doan, 371, 92 average; Butler, 373, 93 average; Minatra, 376, 94 average; Eric Olsen, (three rounds), 324, 108 average; and Peter Gomez (only three rounds) 284, 95 average.

The Bronco golfers were coached by Oliver Wuest.

Sonora Red Sox Overwhelm Jct.

Frank Gallegos hit an IBI with the game tied 1-5, scoring a Red Sox base runner to give Sonora po-ahead momentum as they came from behind to beat Junction 8-5 in the second game of a double-header.

Sonora and Junction split a double header at Hunt Field Sunday, April 23. Hector Perez was the opening game pitcher in a 10-1 loss and Henry Mata came back to win in the second.

In the first game, Sonora had their defensive problems and could not control the game. Numerous balls got by the infield for hits and allowed too

many of the Junction batters on base. Offensively, The Red Sox could not get a rally and failed to score effectively.

The second game saw Sonora's defense taking control and offensively, the team were consistent in their hitting.

Frank Gallegos had an outstanding game at first base for the Sox and Jessie Solis played a tremendous first game at the Sox third base position.

In game one, Hector Perez provided the offensive spark while Gallegos' single and triple provided the offensive incentive in the second game.

Range Judging Teams Participate In District Meet In Ozona

The Sutton County Junior and Senior 4-H Range Judging teams participated in the District 13 4-H Range Judging contest held in Ozona, Thursday.

The junior range team composed of Rick Powers, Brad Johnson, Joe Will Ross and Marla Van Hoozer, placed first. Rick was the high individual, Brad placed second and Joe Will, third.

Tammy Van Hoozer, Rex Surber, Lee Burch and Fran Friess placed first in the senior division. Tammy was high individual, Rex was second high and Lee was third high.

The senior range judging team qualified to represent Extension District 13 in the State 4-H Range Judging Contest which will be held during the State 4-H Round-Up at College Station on June 7.

Mrs. Claire Powers was assisted by Virgil Polocsek, District Conservationist, and Joe Ellis, Range Conservationist, in coaching the winning teams.

Five Sutton County 4-H teams and one individual participated in the Crockett County Range and Grass Judging contests which was open to all area 4-H and FFA teams. About 80 boys and girls attended the event.

The Sutton County No. 1 Junior Range and Grass judging team composed of Rick Powers, Brad Johnson, Joe Will Ross and Marla Van Hoozer, placed first in range judging and second in grass judging.

The number 2 Junior team composed of Rebecca Powers, Anita Balch, Cathy Doran and Nancy Benson, placed second in grass judging.

Rick Powers placed first

in junior range judging and third in grass judging; Brad Johnson placed fourth in range judging and fifth in grass judging; and Joe Will Ross placed fifth in range judging and

fourth in grass judging.

Other Junior 4-H members who participated in the contest were Tessa Joy, Miles Miller, Matt Miller, David Love and Jeff Kimbrell.

4-H Enters 3 Teams In Contest

The Sutton County 4-H Club entered three teams and one individual in the District 13 4-H Grass and Rifle Contests held in Uvalde Saturday, April 22.

The Junior grass judging team composed of Brad Johnson, Joe Will Ross, Rebecca Powers and Cathy Doran, placed first.

Brad Johnson was the

high individual, Joe Will Ross was second and Rebecca Powers was third. Lance Love participated in the senior division of the contest. Mrs. Claire Powers is the coach of the grass judging team.

Cody Savell, Preston Love, Mark Van Hoozer and Scott Cain placed fourth in the senior rifle

contest. Perry Don Draper, Rick Powers, Marla Van Hoozer and Joe Shannon placed fifth in the Junior Rifle Contest.

Coaches of the rifle teams are Mr. and Mrs. Ted Joy, Mickey Powers, W.H. Hill, Mrs. Linda Hearn and Rodney Knight.

Wayne Hill and Mike Polocsek attended the contests as guests. Calvin Van Hoozer, Rodney Knight and Mrs. Ted Joy supervised the 4-H members participating in the rifle contest.

County Extension Agents Sarah Mahon and Clint Langford served as

judges for the demonstrations and grass judging events.

A dollar earned is a dollar saved...

As State Treasurer, Warren G. Harding has increased earnings from the investment of state funds. These earnings represent savings to Texans by reducing the need for tax increases.

- \$1.8 billion in state funds invested in interest bearing accounts in over 1,300 Texas banks
- 90.4 percent of available funds invested at the end of March—the highest monthly average in Texas history
- 24 percent increase in earnings from October through March compared to same period in the previous year
- \$126 million estimated interest earnings for Texas this year—highest in history of state.
- More than 25 years experience as Dallas County Treasurer. Past President, National Association of County Treasurers & Finance Officers. Recipient of Outstanding Treasurer's Award of the United States.

SAN ANGELO, TEXAS

Jessica Robledo (left) watches teammate Sandi Wright take the baton during the 880 yard relay in last weekend's junior high district track meet. Rosa

Noriega (right) crosses the finish line, capturing the title for the Sonora girls with a team time of 1:54.9. The other relay member is Theresa Marlow.

Jr. High Colts Win District Track Meet

by Kay Holdridge
Despite injuries to key members of the track team, the Sonora Junior High boys won the district crown with 152 points.

Arch-rival Ozona, the team that is usually the Colts' foil, was second with 144 points. Ozona was second with 39 and Crane had 27. Sonora, hurt by Hector Samaniego's sprained ankle and the loss of Barney Keel, could manage only 23 points. Samaniego placed third in the shot and fourth in the discus with throws of 40'7 1/2" and 111'9" respectively.

Joe Longoria leaped 17' 1/4" to place third in the long jump to capture six Colt points. Allen Stewart jumped 4'10" in the high jump to take sixth

place and Mark Dean vaulted 8' to place fifth in his speciality.

Coach David Patton rearranged some of the running events entrees to help the Colt point total. The Colts won 127 points in the running events. Coach Patton said the boys "Did a heck of a job. Harvey Sepeda ran with a sprained ankle and Hector placed in the shot and discus even when he could only throw facing the area without any windup or approach movements. John Blankenship was unable to compete because of a dislocated wrist."

The 440 yard relay composed of Frisby Bible, Stewart, Joe David Favila, and Longoria ran their fastest time of the year, 48.2, and won the event. The 1320 relay composed of Bible, Favila, Charles Carroll, and an injured Harvey Sepeda needed only to place third to win the meet. The boys were second, however, with a time of 2:49.8.

Sonora captured 24 points in the 660 yard dash and 24 in the 70 yard hurdles. Scott Savell and David Chandler battled for first place in the 660 as

they finished first and second. Savell clocked a 1:36.4 and Chandler was only one tenth of a second behind. Jorge Sanchez ran his way to fourth with a 1:37.8. Allen Stewart and John Pollard swept the first two place spots in the 70 yard hurdles. Stewart qualified with an impressive 9.9 and ran the finals slightly slower in 10.1. Pollard qualified with 10.2 and finished the final run with a 10.3. Savell finished the one, two, four sweep with a 10.4.

Joe Longoria doubled as first place winner as he took the 100 yard dash and the 330 yard dash. Longoria qualified in the 100 with a speedy 10.9 and won the event in 11.1. His 40.3 in the 330 also garnered him the district championship in that event. Joe David Favila added 100 yard dash points as he sprinted to fifth place in 12.0 seconds. Frisby Bible was edged out of second place in the 330 as he ran to a photo finish with the second place winner. Bible received third for his time of 41.06.

Stewart's 28.9 was good (cont on p. 10)

Junior High Girls Set New District Track Records Sat.

by Kay Holdridge
The Sonora Jr. High Girls hold eight of the fourteen possible records in district. Four of those eight were set by the girls Saturday. I think they are to be congratulated. They have done a good job," said Coach Tally Kelso of his junior high girls' track team.

Two of the three relays won the district crown and set new records. The 880 yard relay which includes Theresa Marlow, Jessica Robledo, Rosa Noriega, and Sandi Wright ran a very impressive 1:54.9 to better the district record. The same group of girls ran a 3:07.4 in the 1320 relay to break the old district standard held by fellow Sonorans Paula Friess, Annabelle Gonzales, Marche Lane, and Robledo.

Robledo set records in two individual events. Robledo's long jump was 16'10" which would have placed second in the district high school division. The new triple jump record is now 34'3 1/4" which would have also placed Robledo in the top three at the district high school meet.

The 440 yard relay was second in a time of 54.5 to a speedy four from Kermit. Members of the relay squad were Wright, Robledo, Marlow, and Robledo.

Marlow was sixth in the triple jump with a jump of 26'9 1/2" and Noriega was second in the long jump with a very respectable 15'5 1/2". Noriega captured ten points for the Colts as she won the high jump with a leap of 4'8".

In the weight events, Sonora placed four girls in the top six. The lone Colt to place in the shot was Wright as she threw her way to sixth with a toss of 25'9 1/2". Donna Kellogg was fourth in the discus with a throw of 73'4" and teammate Julie Stewart was fifth with 71'1". Wright finalized the discus points as her 65'3" was good enough for sixth place points.

Only three Colt individuals could place in the individual running events. Tammy Tidwell covered the 660 yards in 2:04.4 to place sixth and Lora Lea Kordzik strided the 1320 run in 4:50.7 to place fourth. Fellow 1320 runner, Susan Steed, was sixth with a 4:53.0.

Scott Savell falls through the finish tape of the 660 yard dash with a first place time of 1:36.4. Teammate David Chandler finished second.

Cunningham Says ICA Encouraged By Senate

T.A. Cunningham, president of the Independent Cattlemen's Association, says his association is encouraged by the U.S. Senate Finance Committee's recent passage of a beef import reduction proposal by a 13-1 margin.

"We can see our four years of work finally beginning to pay off," Cunningham said. "However, although this move is encouraging, we must realize that it is just a first step. The bill still must pass on the floor of the Senate."

Cunningham said that the bill accomplishes three things:

1. It reverses the present formula, allowing beef imports to decrease when domestic production is high. The present formula causes domestic markets to be swamped with foreign meat at a time when domestic production increases.
2. The legislation includes all

processed meats in the quota system. At the present time, the law includes only boned, chilled meat.

3. Presidential authority to suspend quotas would be reduced unless a national emergency is at hand as defined by the National Emergency Act.

The biggest fight that remains, according to Cunningham, is to have live cattle included in the quotas. Although U.S. Sen. Lloyd Benson of Texas has assured the cattlemen's association that there will be attempts from the Senate floor to include live cattle, the National Cattlemen's Association is against that move. The NCA has refused to accept or support any legislation that includes live cattle.

There has been no time table set as to when the measure will reach the Senate floor.

US Wastes 5 Million Acres

Some five million acres of rural land are lost to non-agricultural use each year in the United States. This is a special concern during this year's celebration of Soil Stewardship Week, April 30-May 7, notes Clint Langford, county agent with the Texas Agricultural Extension Service.

Theme of this year's Soil Stewardship Week, "Compelling Ventures," also stresses the importance of controlling water pollution caused by run-off from unprotected farms, ranches, roadsides and construction sites.

Soil Stewardship Week is a nationwide observance which emphasizes man's responsibility to protect and conserve soil, water and other natural resources. Traditionally, churches and local citizen's groups participate.

Nearly 3,000 conservation districts throughout the U.S. will focus their attention upon conserving and preserving America's best farmlands during this 21st annual observance of Soil Stewardship

Week. The U.S. Department of Agriculture estimates that of the five million acres annually lost to agriculture, nearly one million are classed as "prime" land—the best and most productive land we have. These top-quality farmlands should be preserved for farming rather than their indiscriminate use for housing developments, highways, shopping centers and the like.

America's good farmland is one of our greatest gifts, emphasizes Langford. It should be conserved through proper care of soil and water and preserved for the production of food and fiber so vital to the well-being of all Americans.

Our challenge is to make wiser, better and more responsible use of the land our Creator has given us. We must respond to God's call to be responsible stewards of the bountiful land He has made for us.

Glen Fisher's Wool & Mohair Report

The last spring mohair sale was held last week in Eldorado with approximately 30,000 pounds being offered. Prices were very good with fine adult bring over \$4.00, young goats \$5.15, and kids \$6.42. We still have no definite contract offers for fall mohair but several growers have expressed a mild interest.

We think we are past the

halfway point in our sheep shearing and progressing rapidly. Buyers interest remains very high. Sales in New Mexico two weeks ago proved the market to be firm. Prices, of course, are fairly stable; but demand is high with several firms bidding actively. The next scheduled sale will be in Ozona on May 4 where both 8 and 12 months wools

will be offered. This will be followed by sales in Sanderson and Del Rio for 8 months.

The last week of sales in Australia showed high prices for their fine wools comparable to Texas finewool. This was primarily attributed to a strong Japanese reentry into the sales.

Good Nutrition Key To Good Heifers

Good nutrition and herd management are the keys to developing weaned heifers into producing cows, points out Clint Langford, county agent with the Texas Agricultural Extension Service.

Provided nutrition and management have been correct during a heifer's first 15 months, she should conceive and calve first at two years of age. Virgin heifers, if managed correctly, conceive more easily than heifers with their first calf on the ground. First-calf heifers often calve late with their second calf due to the heifer's inability to come into heat and conceive within 85 days of calving with her first calf.

This inability to cycle relates mainly to nutrition and lactation, explains Langford. The lactating first-calf heifer has a greater nutrient demand than the mature cow. In most instances she is still growing, which increases her need for high quality feedstuffs.

Sheepmen From 22 States Meet

Sheep enthusiasts from 22 states gathered recently at the San Angelo Research and Extension Center to discuss the industry's national Blueprint for Expansion program.

The group generally agreed that sheep offer the best profit opportunities in today's livestock industry even though numbers continue to decline.

The Blueprint program is a decade-old plan designed to help reverse the downward trend. Education is its high card, and the emphasis has been on newcomers or potential newcomers to the industry, rather than producers who've been in the business for years.

Blueprint national coordinator Dwight Holloway, Pipestone, Minn., told the group that all but

Sutton Hard Hit By Dry Period

Sutton County ranchers were hard hit in 1977 due to prolonged dry periods and such times will come again. However, with a continuous program of good range management, drought effects can be less severe.

Once a drought is at hand, it is difficult for a rancher to make changes in his operation that will help the situation, says Clint Langford, county agent with the Texas Agricultural Extension Service. That's why good planning and a proper system of range management is important.

A good grazing system, such as deferred-rotation, will allow proper use of forage plants as well as range improvement. Balancing the number of grazing animals with forage production and periodic deferral must be built into the system.

two of the states registering a recent increase in sheep numbers also have strong statewide Blueprint followings. Let it appear that he favorable was giving the program excessive credit for accomplishments shared with favorable market influences, Holloway added that "Those dollars have been a big help."

The Blueprint program, observers noted, has had its greatest following in midwestern and Eastern farm states. Part of this has been by design, part because some western range operators are not in total agreement with the idea of great increases in sheep numbers. Lower numbers, they argue, have been responsible for today's good prices, the increased income in turn stimulating renewed interest in sheep. Why they ask, should they kick out their own props?

Program promoters maintain that the continuing numbers decline will eventually lead to a loss of many existing markets as supply becomes entirely too unpredictable; the closing of several lamb slaughter plants in recent years is symptomatic, they say. The promoters add that reduced market outlets will

eventually do more harm to the sheep price structure than would be caused by a numbers turnaround.

Representatives of farm states meanwhile credit the Blueprint program with sheep increases in their areas at a time when numbers in Western states are still going the other way. Explanations for the disparity range from cooperative self-help projects initiated by farm flock operators to the fact that these operators suffer considerably less from predators, labor shortages and the whim of public grazing land administrators.

Whatever the reason, say Blueprint promoters, midwestern and Eastern farm-flock producers are taking the lead in both numbers recovery and implementation of the Blueprint program. There must be some connection.

Edwina Braden Heads Drive

The Mental Health Association in Texas works to prevent mental health problems through education. The association also acts as citizen lobbyists for better treatment services. The Mental Health Association receives no government funds. The association must be supported through citizen contributions in order to continue its work.

Bellringer marchers will go house-to-house during May collecting for mental health in Sonora. Organizing the drive is Edwina Braden of Sonora. Proceeds from the campaign will benefit the Mental Health Association, a voluntary non-profit organization.

For free information about mental health topics, such as how to deal with tension and stress, write to Mental Health Association in Texas, 103 Lantern Lane, Austin, Texas 78731.

Write Your Own Biography

If you've never written a book but wished you had, your desire to fulfill at least part of that wish has come true. You now have the opportunity to author your very own personal biography.

matter consists of current interests and events. Few books increase in value through the years, but the Sutton County History Book is one of those rare books that not only increases in value, but establishes itself as a family heirloom for future generations to read and enjoy.

For additional information, book orders, or help in writing your story, please contact the Sutton County Historical Society, P.O. Box 1145, Sonora, Texas, or call 387-3996.

5th Grade Students Hold Play

Fifth grade students at Sonora Elementary presented a play entitled, "Rip Van Winkle" to elementary students and parents Monday.

The format of the play was unique in that some students read parts while others acted the parts. Students that participated in the play did a good job.

Following is a list of the readers and actors for all three scenes of the play:
FIRST SCENE
 Announcer, Tim Schabel; scene announcer, Gladys Arredondo; Derrick Van Brummel, Victor Fuentes and Tommy Mills; Brom Dutcher, Doug Martin and Darryl Moore; Peter Vanderdonk, Mark York and Scott Miller; Nicholas Veddar, Chad Stewart and Russell Ethridge.

Rip Van Winkle, Greg Stewart and Wayne Hill; Dame Van Winkle, Aimee Middleton and Anita Balch; Jacob, Joe Will Ross and John Woodall; Meenie, Cathy Doran and Leah Evans; Katchen, Rebecca Powers and Janice Gomez; Luke Gardener, Jody Luttrell and Michael Dunn; Judy Van Winkle, Patsy Perez and Kevin DeBorde.

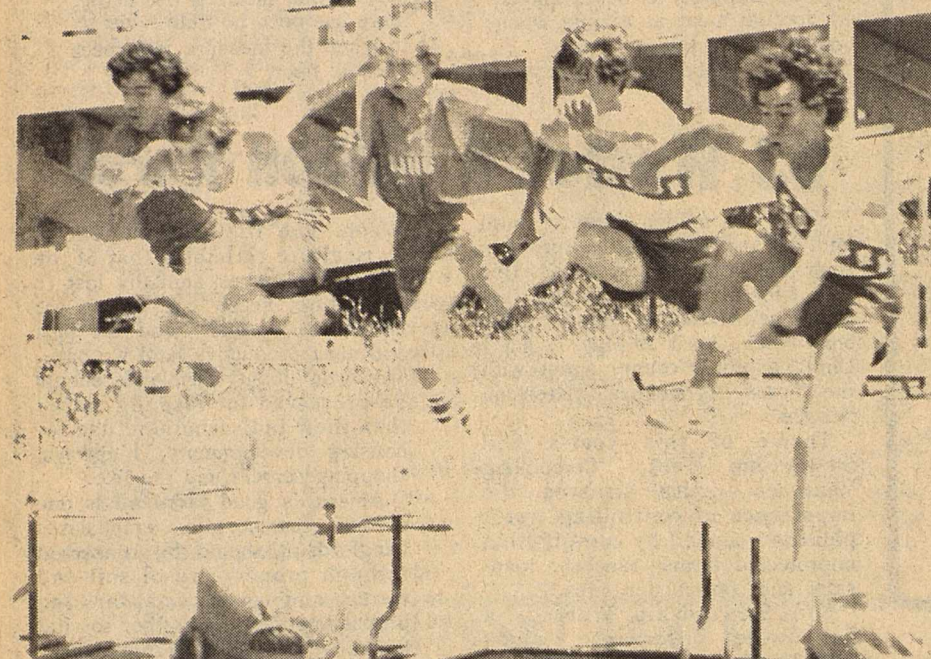

SECOND SCENE
 Scene announcer, Gladys Arredondo; Rip Van Winkle, Greg Stewart and Wayne Hill; voice, Karla Jungk; first sailor, John Paul Posetti and Joe Will Ross; second sailor, D'Lee Porter and Victor Fuentes; third sailor, Aimee Middleton and Tommy Mills; fourth sailor, Shawn Williams and Scott Miller;

Fifth sailor, Leah Evans and John Woodall; sixth sailor, Janice Gomez and Joey Luttrell; seventh sailor, Lea Whitehead and Chad Stewart; eighth sailor, Kevin DeBorde and Mark York; Henry Hudson, Michael Dunn and Doug Martin; dog, Big Bertha.

THIRD SCENE
 Scene Announcer, Gladys Arredondo; orator, Darryl Moore and John Paul Posetti; first child, Lea Whitehead and Cathy Doran; Rip Van Winkle, Greg Stewart and Wayne Hill; second child, Russell Ethridge and Jody Luttrell; Johnathan Doolittle, John Woodall and D'Lee Porter;

First woman, Rebecca Powers and Karla Jungk; second woman, Anita Balch and Shawn Williams; first man, Tommy Mills and Victor Fuentes; second man, Scott Miller and Mark York; Judith Van Winkle, Patsy Perez and Carol Cayce; Little Rip, Michael Dunn.

The fifth grade students would like to thank some very special people who helped produce the play: Mrs. Jeanette Andrews, director; Mrs. Linda Cayce, set designer; Mrs. Irene Gomez, props; Mrs. Mary Adele Bach, make-up. They also extend thanks to the Balch family for bringing Big Bertha to be the canine star of the play.

cont'd from p. 8

Allen Stewart [right] shows his winning style in the 70 yard hurdles as he took first place with a time of 10.1 seconds. John Pollard [left] was second with a time of 10.2 and Scott Savell finished fourth at 10.4.

enough for third place in the 220 yard hurdles and Carroll picked up fifth place points in the same event with a 29.4. The lone Colt to place in the finals in the 220 yard dash was Angel Modesto who covered the 220 yards in 26.2 to place fifth.

Fernando Ramos continued his domination of the 1320 run as he strided the track in 3:39.5 to win the event. Lino Samaniego placed sixth.

The Colts are coached by David Patton and the assistant coach is Charles Russell.

Joe Longoria [right] finishes first in the 330 yard dash with a time of 40.3 seconds, to capture the district championship in the junior high track meet last Saturday. Frisby Bible [left] came in a close third with a time of 41.06.

SONORA ABSTRACT COMPANY
SONORA ABSTRACT COMPANY is located in Sonora at the courthouse, Phone 387-2201.
The clear title to your property insures peace of mind and assures you that all improvements and efforts you are putting into the property are for your own benefit and the benefit of your family.
A responsible abstract company such as this performs a most important function. It delves into the often complicated records which are so confusing to the average property buyer and converts them into a readily understandable title to the property. You receive the fast efficient service that comes through years of practical experience.
The most important qualifications of an Abstractor of Titles are integrity, ability, and thoroughness, in that order-SONORA ABSTRACT COMPANY fits that order!

Hurry-Up Holds Grand Opening Brings Back The Bronco Burger

Mrs. Muriel Brown serves customers at the newly opened Hurry-Up Quick Foods, located in the Hurry-Up complex on Hwy 290 West.

The Hurry-Up and the new Hurry-Up Quick Foods...Mrs. Muriel Brown and son Robert recently held their grand opening for the new Quick Foods.

Letter To The Editor

I got the News today and it showed the 50th year Lions Club members. I was a Lion club member in 1930 and went to Mexico City and I don't know how many are living,

John Eaton and I believe Jack Neill.

I just thought I would let everyone know I was a member 50 years ago.

A.B. Hightower
Salisaw, Oklahoma

Jr. Horse Show Set

The Annual Sutton County Junior Horse Show, sponsored by the Sutton County 4-H Club, will be held Monday, May 29 at the Sonora/Sutton County Park Arena.

The show was originally scheduled for Wednesday, May 31 but had to be rescheduled because the Sonora Junior Rodeo will be held May 31 through June 3.

The Sonora Junior Horse Show is open to all boys and girls enrolled in public schools and 19 years of age or under as of January 1, 1978.

Birl Davis, chairman and Robert Zapata co-chairman of the Sutton

County 4-H Horse Committee, have announced that a 4-H Horse Play-Day is scheduled for 3:00 p.m., Sunday, April 30 at the Sonora/Sutton County Park Arena.

The purpose of the Play-Day is to prepare local boys and girls for future horse events. All boys and girls are invited to bring their horses and participate in the play day.

Educational programs conducted by the Texas Agriculture Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Pre-Schoolers Visit Ranch

Is ranch life fun and exciting? Ask the children in Mrs. Merrill's and Miss Nixon's Kindergarten classes. After their visit to the Bud Whitehead ranch last Friday they can give you an insight into ranch life and the pleasure to be found there.

The children experienced the pleasures of holding and feeding the goats, petting and holding baby lambs, petting and talking to the gentle burro, and saw cows and horses.

But the most memorable experience was the joy of riding a horse. After each child who wanted to ride was given two rides around the corral, we thanked the Whiteheads for the lovely day, loaded on the bus and returned to the Caverns picnic area to eat sack lunches.

We returned to the school about 1:30 full of experiences to last for the rest of our lives. Is ranch life fun? Yes, ranch life is one of the best kinds of life for us!!

Pre School Roundup

Wednesday, May 3, has been designated as pre-school roundup.

This will be for all those students who will be entering the Sonora I.S.D. Kindergarten next September.

To be eligible your child must be 5 years old on or before September 1, 1978. Please bring with you your child's immunization record and official birth certificate. We will have a

short orientation at 8:45 a.m. in the cafeteria, after which you will be able to visit the Kindergarten rooms.

Your child is welcome to come this day also.

After the visit to the classroom, we will need for you to fill out the registration forms. If you cannot make it this day, please call 387-2414 and let Mrs. Friess or Mr. Miller know so we can pre-register your child.

Powers Host Kindergarteners

Mrs. Tyler's and Miss Rivers' Kindergarten classes visited Mr. and Mrs. Zane Powers at the Wesley Sawyer Ranch.

The children boarded the bus at 9 a.m. Friday morning for their bus ride to the ranch. They were greeted by Mr. and Mrs. Powers. They hiked to the

windmill and watched it pump fresh water.

We returned to the house and enjoyed fresh country air and played outdoor games.

For lunch they took sack lunches to the barn. The children enjoyed watching the animals on the ranch.

Luna To S. Pacific

Marine Private First Class Aureliano B. Luna Jr., son of Mr. and Mrs. Aureliano R. Luna, recently departed for an extended deployment in the Western Pacific.

He is assigned to Battalion Landing Team One Slant Three (BLT 1/3), homebased at Marine Corps Air Station, Kaneohe Bay, Hawaii.

Robert Brown prepares the new steak fingers at the recently opened Hurry-Up Quick Foods, whose grand opening was held last week. Brown and his mother, Mrs. Muriel Brown, brought back the original Bronco burger, which was introduced by Hilman Brown at the first Hurry-Up.

CB's Schedule Dance

Members of the Tri Texas React, a radio emergency association citizen team, will sponsor a dance April 29 at the 4-H Center from 9 p.m. to 1 a.m.

Concho Valley Sound from San Angelo will provide dance music. Tickets will be sold for \$5 per couple or \$3.50 for individual.

The Tri Texas React has 26 members locally and is a member team of the Central Region. They monitor channel 9 for emergency calls.

Heart Assn. To Sponsor Special Program

The local chapter of the American Heart Association will sponsor a program entitled Heart and Soul Sunday, April 30 at the local Methodist Church.

The event will be held at 4 p.m. and will feature singing by the Baptist choir.

The Rev. Guadalupe Pena and Wanda Nixon will present special music. Dr. David Owensby will be the guest speaker.

The association invites all to come and enjoy good music for the soul and hear a message about your heart.
