

## Hardin Wins With Perfect Pick, Tie-Breaker

Dwight Hardin was the winner of last week's Devil's River News Football Contest in the most hotly contested week since the season began.

Hardin's was one of three perfect entries but edged out Frances West, second place, and Ed Martinez, third place, on the basis of the tie-breaker.

Hardin will win \$20, West \$10 and Martinez \$5.

Sixteen entries missed only one game, while 11 others only missed two. The ties between Kermit and Monahans and SMU and Ohio State automatically spotted everyone with

two correct games, and was a major factor in the close outcome.

Entries just missing one game were turned in by Charlie Adams, Rodney Knight, Hazel McClelland, Tonya Ridgeway, Jack Sharp, Lee Renfro, Gus Eustace, James Trainer, Gayle Gladden, Joe Luttrell, Dwight Hardin, Dora Mata, Ray Gallagher, Jim Parker, Charlie Adams and Reba Hudson.

The most frequently missed games were Robert Lee over Eldorado, Oklahoma over Texas, Texas A&M over Texas Tech, Oakland over Houston and Houston over Baylor.

## Trimble Joins DRN for Eldorado News

Jym Trimble, a senior at Schliecher County High School, has joined the staff of the Devil's River News and West Texas Sunday Shopper as our Eldorado correspondent.

Trimble will be covering Eagle football games for the DRN and Shopper along with various other news items.

"The addition of Jym to our staff will help us

tremendously with our coverage of Eldorado events," DRN Executive Editor Don Holdridge said. "The fact that he plans to major in journalism in college is an extra boost for us, and this will provide him with valuable experience."

Anyone having any Eldorado news, no matter how big or small, should tell Trimble or call him at 853-2701.

## Volunteer Firemen to Host 1980 Fall Convention

The Sonora Volunteer Fire Department has asked for and been given the Fall Fire Convention for 1980.

It will be an honor to host this convention because it will also be the 50th anniversary of the Hill Country Firemen's Association. The association has fire departments from numerous towns in this area of the state.

With the help of the people of Sonora and Sutton County, the

two-day convention is planned for Oct. 1978.

It is hoped to have 20 to 30 members from every department present. This will mean a lot of motel rooms and food for everyone.

The Sonora department has just returned from a very good convention in Sterling City with three first place and one second place trophies.

Gene West won the one-man

race. West was also on the three-man race along with Sammy Odom and Everett Ogburn that won first.

The ladies won the ladies six-man pumper race. On that team were Trevlin Luttrell, Frances West, Linda Odom, Rhonda Blackman, Donna Keese and Nova Olenick.

The second place trophy was for man-miles traveled.

## Edwards Plateau Soil Conservation Elects Officers

An election of a director to serve in Zone 5 on the Edwards Plateau Soil and Water Conservation District Board is scheduled for October 11 at the Hospital Ranch in Sutton County. The election will be held in conjunction with a field day and program where a number of experimental brush control plots will be inspected.

The day's activities will get under way at 9 a.m. with coffee. Following the inspection tour, a noon meal will be served and the election held.

All interested persons are encouraged to attend the field day. However, to be eligible to vote in a soil and water conservation district director's election, a person must own

agricultural land within the subdivision from which the election is being held. The voter must also live in a county all or any part of which is in the district and the voter must be 21 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 21 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 5 includes the portion of the district in Sutton and Edwards Counties that lies east of U.S. 277, north of Texas 55, and south of the Bond

Road. It is currently represented by Albert Ward who was appointed to serve out the remainder of the term to which W.B. McMillan was elected five years ago. McMillan resigned in December of 1976.

Other current members of the board are Bob Caruthers, Vestel Askew, Armer Earwood, and George Brockman. Under a rotation plan which the board adopted several years ago, Earwood is scheduled to become chairman. Caruthers will be vice-chairman, and Askew secretary.

The purpose of the Edwards Plateau SWCD, with headquarters in Sonora, is to promote sound soil and water

conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purpose.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

The Sonora Volunteer Fire Department brought home three trophies from their convention in Sterling City last week. The winners are, left to right, Linda Odom, Sammie Odom, Nova Olenick, Everett Ogburn, Gene West, Frances West and Donna Keese. Not pictured are Rhonda Blackman and Trevlin Luttrell.

## School Board Studies Bi-lingual Programs

Superintendent Dr. Joe Andrews brought the Sonora school board up to date on the current bi-lingual programs plans in Tuesday's regular meeting.

Dr. Andrews explained a survey had been run throughout the school district to the parents of all students with Hispanic surnames.

This is in line with the program outline set up by the Texas Education Association.

The program would supposedly evaluate students who need testing, but Dr. Andrews recommended the school wait on ordering the tests until it can be confirmed that legislation requiring the testing is passed.

The board also passed a final copy of guidelines for prospective cheerleaders, and Dr. Andrews explained he had asked each of the school principals to set up similar guidelines for all elected student positions.

The trustees were also informed Gene Blanton, assistant superintendent of schools in Kerrville, had been named to head the Sonora creditation committee for the Southern Association of Schools.

The board voted to join the ranks of the Texas Association of Community Schools, an organization which is trying to inform legislators of the problems small

schools face. New teacher evaluation forms were passed around to members. Dr. Andrews told the members the forms would be valuable in two ways.

First the forms would allow individual teachers to set goals and also see what areas they needed the most work in.

Secondly the forms would help administrators in the evaluation of the teachers' performances in the classroom.

Those present were Dr. Andrews, Mary Adele Balch, James Hunt, Don Lawson, Sam Perez and Dorothy Pope.

## 4-H Achievement Awards and Ball Set for Monday

The Annual Sutton County 4-H Achievement Program and Ball will be held Monday night, October 16, 1978. The activities will be held at the Sutton County 4-H Center and will begin at 6:00 p.m.

The Achievement Program will be from 6:00-7:00 p.m. and will

recognize all 4-H contributors, leaders, boys and girls who have made outstanding contributions to 4-H work this past year.

Following the Achievement Program will be the 4-H Ball. Playing for the ball this year will be "Bill Green and the Texas Greats" from

San Antonio. Refreshments of punch, cookies, and sandwiches will be served.

All 4-H members in Elementary, Junior, and Senior High School and their guest, 4-H leaders, parents, and friends of 4-H are urged to attend.

## Cavaness, Fields Injured in Wreck

Two Sonora residents were taken to Hudspeth Hospital Saturday night following a one-car accident on U.S. 277 two miles north of Sutton-Schliecher County line.

Tryon Fields and Cindy Cavaness were returning from a football game in San Angelo when Miss

Cavaness, driver of the vehicle, apparently fell asleep.

The car overturned in a ditch beside the road. Two passerbys spotted the couple after they had crawled from the car and transported them to the hospital.

Miss Cavaness received a

compound fracture of the arm, but was released from the hospital.

Fields suffered a broken leg, nose and another injury to the other leg. He is expected to be released soon.

Both received minor cuts and bruises.

## Al-Ateen Meeting Set for Tuesday

A meeting will be held Tuesday, October 17 at 4 p.m., in Room 15 at the High School for Al-Ateen.

Al-Ateen is an organization for teenagers who have a drinking parent.

Only ages 13-19 years of age will be able to attend the meetings. See the Devil's River News next week for more information.

The morning class of Buttons and Bows were visitors of the Devil's River News last week. The class is studying community helpers. Miss Cindy Cavaness is director of the group of pre school students. Pictured are Traesha Robertson, Anna Teaff, Stephen Miles, Dana Evans, Will

L. Matthews, Cherloy Clanton, Stoney Holmes, Pamela Berger, Denise Crowder, Joe Yorba, Whitney Baggett, Tammy Fisher, Elsa Lumbrellas, Jerico Thorp, Mack Wardlaw, Jerry Dawn Marlow and Freddy Maskill.

## Reflections...

by Rev. Jim Miles  
Last year as a gag gift at the Blue and Gold Scouting Banquet, I was presented with a coffee mug bearing the inscription "When all is said and done, more is said than done." The truth is, with all of us, this statement tends to lean toward being a universal verity.

Most of us talk loudly and vociferously about the problems of the school, the church, the club, the

city council, the county government, state and local issues, etc. without having any active concern. Then we dismiss any obligation we might personally have by saying "well, there is nothing I can do about it!"

In some lands this might be the case, but in a nation founded on the premise of individual freedom, such a notion lacks credibility.

The fact is those who are in power at almost every level are (for the most part) genuinely trying to do what they feel is right, not only for their own interests, but for their constituency as well. They then, being concerned about doing a good and "correct" job, are desperately interested in what the people think.

It is high time that more be done than said. Being interpreted freely, this involves communications with those who represent us at these various levels. So then, it certainly

becomes our obligation to complain or to support, depending on the issues, but not to those who are

uninvolved, but rather to those who have a voice and can listen actively to our opinions.

## Firemen Can Do It All!!

The Sonora Volunteer Fire Department is to be congratulated on two accounts. First the local firemen took three first place trophies in competition at their convention at Sterling City.

Second, the Sonora department has been awarded the fall convention for 1980, the 50th anniversary of the Hill Country Fire Fighters Association.

But more important, we need to realize that now during National Fire Prevention Week is an ideal time to thank the Sonora Volunteer Fire Department for the fine work they do.

We are lucky to have in Sonora one of the finest fire departments in the state, and it is unfortunate we often overlook their valuable contribution to our community until we personally need their assistance.

To all the members of the fire department we wish you congratulations and a hearty "thank you" for your fine work.

## Second Thoughts

by Tom Driskell  
It is a curse to be an observer, especially if you have to count things and find that they generate a whole train of thought.

For example, in the last one-thousand miles driven on the highways of the area, the remains of 124 deceased skunks have been observed. It means almost one skunk has been killed for every 8 miles of highway, farm to market and ranch road.

Projecting that figure against the miles of road in the county, thousands of skunks have been killed by automobiles.

One hates to see an animal run over the highway, but the skunk has no natural enemies due to a very pronounced case of B.O. If it were not for the automobile, the county would virtually be crawling with skunks, and have no quail or ground nesting birds.

The skunk automobile problem is one that we hope the ecologists and friends of animals miss, otherwise we will probably be limited to 5 miles per hour on the highway to let the skunks escape.

A second observation of wildlife highway deaths is far more important than the skunks or the occasional deer cadaver with a license plate imprint on it. The deer are a great benefit, to the top and body automobile repair shops that is.

The ominous ones are the turkey buzzards. Forty seven turkey buzzards have been observed run over on the highway in the last six months, and that is indeed a frightening situation.

Never have so many been observed in the last forty years, nor have the turkey buzzards been so reluctant to leave a dead

rabbit or, yes, a dead skunk in the road.

Why is this believed to be a frightening omen? The answer to that requires a look at our national philosophy of guilt.

We, God only knows why, are up to our ears in a guilt syndrome. We feel bad for having mistreated minorities, the working man, the atmosphere, the water, wildlife, and about anything you can mention except, and it is a big except, ecologists.

Superimpose on this national guilt the particular group (which seems to exceed the population density the skunks would have if so many were not killed by automobiles) that advocates the balance of nature even in the face of a mushrooming human

## Juniors Plan Raffle

by Bruce Bartz  
Once again its time for the traditional Halloween Carnival. Since this is the only approved fund-raising project for this school year, the junior class must accumulate quite a bit of money to pay for the junior-senior prom which will be held later on in the year.

To do this, the juniors have obtained some spectacular prizes to be raffled off at the carnival.

First, we have your choice of shotguns, a twelve gauge or twenty gauge. There is also a Ruger M77R Bolt Action 22-250, M77R-243, 6 mm 25-06, 270, 7x57, 280, 7 mm Magnum 308, or a 30.06.

Next, there will be a hand made, red and white target patterned quilt from The Berry Patch in Fredericksburg. This is one gift any mother would be overjoyed to win. Think how happy your mother would be if her ticket (the one you bought her) was chosen and she received this fabulous prize. She'd be the envy of the neighborhood.

Last is a Big Wheel

racing tricycle with tilt handle bars, adjustable seat, and extra-wide, thick tires for super traction.

Tickets for the guns and quilt are \$1.00, and tickets for the Big Wheel are 50c. Tickets can be purchased from any junior or at The Bronco Pharmacy.

The junior class would

like to express great appreciation to Joe Kiowski and The Bronco Pharmacy for purchasing the guns for us and allowing us to display them and the quilt in his store. We would also like to thank The Devil's River News for printing this article.

If you would like to

dream over the quilt and guns, the Bronco Pharmacy will display them until Friday, October 27, the night of the carnival.

Once again, we encourage each of you to buy a ticket, or many tickets, so that juniors can provide the seniors with the best prom ever.

## Cowboys Edge Chiefs 2-0

It was defense all the way when the Cowboys meet the Chiefs in Youth Football action Monday.

The Cowboys dominated the offense in the first half with the running of Gilbert Martinez. The Chiefs allowed the Cowboys only a slim two point edge that came on a safety when the Chiefs were tackled in

the end zone after a punt. The game changed courses after the half and the Chiefs dominated the offense during the second half with good rushing and passing. The Cowboys held fast and prevented any scoring on the Chiefs' part and the game ended with the score of 2-0.

Outstanding players for the Chiefs were Edward Mata on offense and Tim Shabel on defense. Cowboys named Ruben and David Garza as outstanding on their offense and Gilbert Martinez and John David Martinez on defense.

In play action later the Viking zipped the Raiders by a score of 20-0.

## Girl Scout Leaders Meet

The Girl Scouts monthly meeting was held at 7 p.m. Oct. 9 at the girl scout house.

The meeting was called to order by neighborhood chairman Marleen Evans. There were nine troop leaders in attendance.

Also in attendance were Dist. IV Field Adviser,

Barbara Waggoner, and neighborhood Publicity chairman, Pam Davenport. Committee consultants Alice Cox and Clare Powers were introduced to the leaders. Topics discussed were: the upcoming Halloween carnival for Oct. 28; the Junior troop city wide slumber party;

and cookie and calendar sales. Delegates for the upcoming annual council meetings on Jan. 20 were chosen. Further troop projects were put into committees for further planning and finalizing at the November monthly meeting.

## Police Report

October 2

8 p.m., A caller reported a family disturbance at a residence on Calle Chiquita.

9:38 p.m., A caller on Orient street reported a family disturbance at her rent trailer.

October 3

10 a.m., Woman requested officers talk to her neighbors about their dogs coming in her yard every morning.

4:30 p.m., A diesel spill was reported on east service road at 277 N.

6:48 p.m., Caller on West First Street reported horse in the road. Owner was notified.

10:04 p.m., Two vehicles were reported driving recklessly by a Glasscock Street resident.

11:13 p.m., Reckless driver was reported at corner of Chestnut and Water.

October 4

6:20 p.m., A pig was reported loose on service road and IH 10 behind Eddins Walcher. Officers were unable to locate.

8:38 p.m., A local convenience store reported the theft of \$2 worth of gasoline.

11:51 a.m., A bus driver called for officer assistance concerning possible disturbance.

October 5

12:40 p.m., Reckless driver reported in vicinity of hospital.

10:05 a.m., Shots were reported fired on Miers Road. Two males are in custody for discharging firearms and for disorderly conduct.

12:57, A subject reported to police that he had been attacked by two males. Both were arrested for public intoxication.

October 6

8:10 a.m., A woman reported trash left at her door on three different occasions.

11:20 p.m., A sick dog was reported at a local restaurant.

11:33 p.m., Caller reported a vehicle attempting to run over him at the corner of Concho and Pecan.

October 7

7:34 p.m., A Miami Beach man driving a pickup and pulling another vehicle knocked down a pump at a local service station after mis-calculating turn.

11:34 p.m., A disturbance was reported at a Main Street address.

October 8

8:46 a.m., A gas leak was reported by a Sonora resident. A gas company official was notified.

12:53 p.m., A local bar owner requested a check on his door.

3:16 p.m., Caller reported motorcycle driving in a reckless manner.

October 9

12:21 p.m., A minor accident was reported at the vocational building near the school.

# 4-H Rabbit Show Set

The State 4-H Rabbit Show will be this coming Friday and Saturday, October 13 and 14, in Crane at the Crane County Exhibition Building. Mr. Dennis Dunnam, Sutton County Rabbit leader will be taking a group of 4-H'ers to view the show. He plans to leave Sonora at 6 a.m. Saturday morning from the Court-house Square. Any 4-H member that would like to

attend needs to call the County Extension office at 387-3101 or Mr. Dunnam at 387-2427 by Friday afternoon so adequate transportation will be available.

## Berry Grandson

A son was born October 3 in Odessa to Mr. and Mrs. Jerry Davis. He weighed 8 pounds, 8 1/2 ounces.

The baby is welcomed by a sister, Jarrett, 5; and grandparents, Mr. and Mrs. J.C. Berry, and a great-grandmother, Mrs. Ben Berry.

at 387-2427 by Friday afternoon so adequate transportation will be available.

## TOPS Meet

The TOPS Club (Take Off Pounds Sensibly) meets every Tuesday night at the Memorial Building in Eldorado at 6:30.

Interested persons may contact locally Teresa Gee at 387-2855.

# Lucy Burton Weds Puckett

Miss Lucy Kizziah Burton and the Rev. David Forrest King Puckett were wed October 7 in rites at Saint Dunstan's Episcopal Church in Houston.

Officiating at the double ring rites were the Rt. Rev. J. Milton Richardson, Bishop of Texas; The Rev. Canon H. Clay T. Puckett, The Rev. J. Thomas Bagby and The Rev. Clark Gardiner Lennard.

Parents of the couple are Mr. and Mrs. King Beverly Burton and The Rev. Canon and Mrs. H. Clay T. Puckett, all of Houston.

The bride, given in marriage by her father, chose a gown of Galina fashioned in ivory English net and Venise lace. The fitted lace bodice featured a high ring collar and sheer yoke, both outlined in lace.

To complement her gown, the bride wore a Juliet cap of matching Venise lace, enhanced by a mantilla of silk illusion, completely edged in the lace and satin insertions.

The bride carried her mother's wedding Bible covered by a cascade of cattleya orchids. Stephanotis was affixed to love knots on ribbons of ivory satin which fell softly from the cascade.

Bridesmaids were Miss Ann Louise Roberts of Huntsville, Ala; Miss Elizabeth Howard Sayle of Tunica, Miss.; Mrs. John Sydney Simon of Spartanburg, S.C.; and Mrs. Mark Williams

## Complexion Care

MERLE NORMAN COSMETICS

Complexion care instructions  
Maxine Locklin, Consultant

Cleansing Cream Lotion, Cleansing Cream, Aqua Cleanser-- To cleanse, softens and prepare your complexion for the following steps in the complexion care program. Any of these cleansers may be used as the first step in "Three Steps to Beauty" Program.

Any of these cleansers may be used every day, morning and evening. Always use Cleansing Cream, Cleansing Cream Lotion, or Aqua Cleanser before Miracol.  
Apply Cleansing Cream or Aqua Cleanser in generous dots to face and neck. Blend over face with fingertips...up and out on cheeks, across forehead, down on neck. Leave on 10 minutes, then tissue off. Before using Miracol reapply a thin veil of either product; don't tissue off. For Cleansing Cream Lotion, apply small amount on fingertips and then smooth across complexion in same strokes recommended for application of Cleansing Cream.

Which product you use is a matter of preference for your own complexion needs. Cleansing Cream and Aqua Cleanser offers a more concentrated consistency. Cleansing Cream Lotion provides a faster application with its lighter and more fluid consistency. Both Cleansing Cream and Cleansing Cream Lotion are oil-based cleansers that can remove oil and water soluble soil. Aqua Cleanser is water based; removes oil and water soluble soil equally as well.

YOU ARE INVITED In addition to personalizing your complexion care program, we also offer our creative makeup consultations. Here you will learn exciting new techniques in applying makeup. We will show you new fashion shades and explain how to achieve the right shade combinations to bring out your best beauty potential.

Call Jeanne Davenport, Beauty Advisor for a FREE LESSON TODAY! Phone 387-2216. Free classes booked in advanced. Nights or Saturdays.

## SHS Performs 'Bus Stop'

Sonora High School will present the play "Bus Stop" next Thursday and Friday, Oct. 20, 21 at 8 p.m. in the high school auditorium. The cast of the play is, left to right, Gary Vick, Tony Hooper, Janie Gold, Pam Powers, Lance Reynolds and Nato Hinojosa. Chris Cassie is the drama teacher.

Phillip Vargas puts the toe to the football during Sunday's Punt, Pass and Kick competition at Bronco Stadium. Other competitors and parents watch the action.

## Punt, Pass and Kick Contestants Advance

Local winners of the Punt, Pass and Kick competition will test their skills in San Angelo this Saturday at the YMCA field as the next round of the nationally conducted program continues.

Sponsored by Sonora Motor Co., the local competition was held last Sunday afternoon with 32 youngsters registered and competing.

The Sonora winners will be presented their awards at Bronco Stadium tomorrow evening between the 7th and 8th grade football games.

This year's winners are  
**Eight Year-Olds**  
 Raymond Lyn Hodnett, first place; Zane Dunman, second place and Eddie Virgen, third place.  
**Nine Year-Olds**  
 Larry Smith, first place; Duane Jones, second place and Michael Hooper, third place.  
**10 Year-Olds**  
 Michael J. Sharp, first place; Mike Friess, second place and Eddie Ramirez, third place.  
**11 Year-Olds**  
 Esau Ramirez, Jr., first place, John Dale Hodnett, second place and Darryl Moore, third place.  
**12 Year-Olds**  
 Scott Miller, first place; Mike Polocsek, second place and Jimmy Vaughan, third place.  
**13 Year-Olds**  
 Terry Vickers, first place; Marney Sorenson, second place and Tom Dean, third place.

## Fire Department News

will be given on Thursday and second, fourth and sixth will be given on Friday.

Plans for the annual Halloween Carnival are being made. Each class will have its own booth. The Junior class is again having a raffle. Tickets are being sold by members of the junior class at one dollar apiece. Raffle items include a Big Wheel tricycle, a handmade Bronco quilt, and a gun of the winner's choice. The students again plan on a successful carnival.

We, the students of SHS, appreciate the support of the townspeople in the past and are looking forward to entertaining Sonora again this year. The Student Council is in charge of the entire operation and coordination of the Carnival.

The Broncos had their first six weeks test last Friday night against the Junction Eagles the toughest team they've played and made an A. The Broncos defeated the undefeated Eagles 23-14. The Broncos played the best game of the season with the only exception of a few fumbles.

Captains for the Broncos were Gus Ward and Wayne McLaughlin. The Broncos will host Wall Hawks here this Friday night. Kickoff time will be 8 p.m.

The Mighty Bronco Band and the Golden Eagle Band performed a pregame activity in the shape of USA. Both bands marched onto the field and played the Star Spangled Banner along with the school and fight songs.

The J.V. football team was also victorious against the Ozona Lions last Thursday night. The Broncos defeated the Lions 13-0. Defensively, standouts were Robert Ponsetti, Joe Longoria, and Mark Doan. Offensive standouts were Longoria, Robert Noriega, Mike Vallinueva, and Allen Stewart.

The Broncos will travel to Brady this Thursday night to play against the Bulldogs. Kickoff time will be at 6 p.m.

The cheerleaders performed another skit at the pep rally which brought a great deal of laughter. Beth Bartz played the role of the Junction coach and Stacy Chandler and Jamie Condra were the Junction players.

Winning the spirit plaque was the Senior class. The high school basketball girls will start two-a-days on October 16. The girls will start working on defensive and offensive plays. At this time the girls will be divided into varsity, junior varsity, and freshmen teams.

THOUGHT FOR THE WEEK: "It's a greater sin to have ability and not use it, than to have no ability at all."

### FNB Employees Attend

#### Teller Training Seminar

Lou Adams, K. King, Elaine Donaldson, Cathy Mooney, Jill Freeman, Sandra Shook, Dorothy Cramer, Liz Gold, Nancy Thomas and Doris Merriman of the First National Bank of Sonora recently participated in a Teller Training Seminar sponsored by the Texas Banker Association at the Civic Center in Abilene.

The seminar, one of a series held throughout the State and featuring a comprehensive program presented by experienced instructors in the field of banking, covered a variety of subjects in the area of bank security, communications and bank procedures. The seminars are conducted for the purpose of enabling tellers to better serve their customers.

Devil's River News 220 N.E. Main Sonora, Texas 76950

To the boss, I'm a  
"Communications Consultant."  
But to most people, I'm the  
guy from  
the phone  
company.

Paul Harper

Officially, I'm a "General Telephone Communications Consultant, specializing in increasing customer profits by maximizing communications efficiency."

Whew!

We consultants would rather say we're people who know a lot about how to solve your phone system problems so you make more money.

So, you'll find us in offices, plants and stores. Analyzing phone bills and equipment needs and...

Looking for ways to help our business customers do their business better.

For example: How much do you lose if your phones are busy and a prospect hangs

up? Or if you can't answer letters fast enough because you can't find a typist?

If these have a sadly familiar ring (or remind you of other problems)...

You need us!

Even if you think your system is pretty good right now, we bet we can make it even better.

There's no additional charge for our help, by the way. And it's very easy to get. Simply call our business office.

## average monthly weather outlook

U.S. DEPARTMENT OF COMMERCE • National Oceanic and Atmospheric Administration • National Weather Service  
FOR OCTOBER 1978

## Screwworm Cases

Five more screwworm cases have been reported in Sutton County according to County Agent Clint Langford. Those reporting cases were Wesley Sykes, Warren Hemphill, Lin Hicks, Vestel Askew and Howard Derrick.

Langford warns livestock owners to check livestock closely as weather conditions are perfect with the cool, damp climate. Cases should be reported immediately to the county agents' office.

## Extension Service Sets Four-Day Cattle Clinic

A four-day clinic in artificial insemination and pregnancy testing of cattle will begin Oct. 16 in San Angelo.

About half the time will be in the field, and the other half in the classroom.

Persons may pre-register by getting in touch with COBA, Route 2, Box 363A, Tyler, Texas 75701.

Registration for the study will be at 8:30 a.m. in Dun-Bar East Motel, says Dr. Jerry J. Cowley, Texas Agricultural Extension Service livestock specialist.

The Extension Service and the Central Ohio Breeding Association (COBA) are sponsors.

The cost for participants is \$100 for studying pregnancy determination and \$125 for studying artificial insemination.

To be eligible for the training in pregnancy determination, a participant must have had previous training in artificial insemination or be enrolled in the AI part of the Oct. 16 clinic.

## Glen Fisher's Wool and Mohair Report

The mohair market bounced back last week with the sale in South Africa being up 5-10% depending upon the type and quality. Their next sale will not be held until October 24 so most of the Texas hair will probably be sold in the next 2 weeks.

Uvalde has now sold some of their hair from the cancelled sale and the rest will probably move quickly. We have sold part of our yearling at \$5.45 and should be able to move the remaining 45,000 pounds soon. Several warehouses sold grown hair the past 2

weeks at \$4.35 to \$4.50, but the market should be above that slightly now. At this writing we have not had our sale of fall wool but next week we will give a full report of the sale. Del Rio houses will have sales the 19th and 20th.

## First Annual ICA Auction Held In Georgetown

More than 500 persons converged on Georgetown, Texas, Sept. 29-30 for the 1st Annual Independent Cattlemen's Association Cattle Drive and Auction. ICA President Roy Wheeler pronounced the event a resounding success with over 400 head of livestock sold Sept. 30 to buyers from North, South and Central Texas following an old-fashioned Trail Drivers' Party held the night before the sale.

ICA members, friends and supporters celebrated the arrival of livestock donations with a western dance and a feast of menudo, carne guisada, hot tamales and beans prepared by expert chefs from South Texas.

The dance and dinner were held the night of Sept. 29 at the San Gabriel Neighborhood Center.

Alvin Braun, owner of the Georgetown Commission Co., donated his facility for the ICA auction.

The prime attraction of the six-hour sale was the grand champion fat heifer purchased by Deluxe Supermarket of San Antonio for \$1,500. Other high-selling animals sold included a Longhorn steer donated by Happy Shahan Ranch in Bracketville and purchased by H.C. Youmans' Stockade Cattle Co., rodeo producers of Beaumont; a registered Brahman bull donated by Kooz Ranch of Victoria County; a Beefmaster bull donated by Leo Jasik of Atascosa County; a registered Santa Gertrudis bull donated by the San Jose Ranch of Atascosa County; and a registered Santa Gertrudis bull donated by Nine Bar Ranch of Cypress, Texas.

"We thank all of those who participated in our sale for giving us the support we need to fight for the cattlemen's rights," said Wheeler. "We are very pleased at

the outcome and plan an even bigger statewide sale next year."

Donations or contributions of cattle are still being accepted by individual county chapters throughout the state for sales in local areas.

Funds raised will be used to protect the livestock industry at the legislative level, for the betterment of ranch and farm interests, to conduct research in livestock di-

seases and to provide information to consumers and producers concerning agriculture needs.

Sonora had 17 cows, calves, bulls and 1 blackface buck. We express our sincere appreciation to the following donors: Adele Wilson, Ruth Espy, Joan Gardner, Alice Jones, Jamie Parker, Bill Whitehead, Weldon Davis and The David Shurlleys.

## ICA Meeting Held

Members of the Independent Cattlemen's Association met Thursday morning at the Sutton County Steakhouse for their regular monthly meeting.

David Shurley, counselor of District 11, spoke to those attending on the round-up held by ICA in September. The round-up considered a barbecue and dance and an auction held to raise funds for the ICA headquarters in Austin.

Members of the local group says ICA plans another round-up of this type next year.

# Seventh Grade Colts Nipped by Ozona Cubs

**by Coach Charles Adams**  
The seventh grade Colts rolled 13 first downs and 318 yards offense compared to Ozona's three first downs and 90 yards of offense, but came up short on the scoreboard, 14-12. The Colts started the scoring in the first quarter on a five-yard pass from

Mike Polocsek. The try for the extra point failed due to a bad snap. The TD was set up on a 35-yard halfback pass from Wendell Yarborough to Jay Thomas. The Colts thought they had recovered the ensuing inside kick, but the ball

went to Ozona on the 50-yard line. The officials said a Colt touched the ball six inches too soon. The Colts held and took over on fourth down when Ozona fumbled the snap trying to punt. The Colts drove to the nine-yard line and fumbled the ball away. The Colts held again but on fourth down were called for a face mask violation, thus giving Ozona a first down at their own 35-yard line. On the next play Ozona completed a 65-yard touch-down pass on the Colts.

The try for the extra point failed as the Colt defense stiffened. The Colts took the ball and drove to the Ozona 20 and fumbled. After an exchange of punts and two 15-yard penalties on the Colts, the Colts got their chance as the Colts once again fumbled the ball away on their own 30-yard line. Ozona scored on their first play on a 30-yard run around right end. The try for the extra point was good making the score 14-6 Ozona. The Colts drove to their own 40-yard line and

scored on a 60-yard pass from Brittain to Polocsek only to have it called back on a penalty. The Colts overcame this and drove to the Ozona 10 when time ran out in the first half. The second half was all

Sonora. The Colts drove 65 yards in 12 plays to score as Yarborough scored from one yard out. The try for two failed. The TD was set up on a 40-yard run by Terry Vickers. This left the score 14-12.

The Colts tried again to score at the end of the game as they drove from their own 30 to the Ozona 15 only to run out of downs. It was a tough loss for the Colts as they moved the ball all over the field, but failed to score. The rushing totals were Yarborough, six carries for

25 yards; Tino Martinez, eight carries for 35 yards; Vickers, six carries for 61 yards and Brittain, six carries for 35 yards. Thomas had 65 yards rushing and receiving, while Polocsek had 100 yards receiving. The loss drops the Colts to 1-3 with their next game here Thursday at 5:30 p.m. against Brady.

# BILL CLEMENTS WILL CUT TAXES AND GOVERNMENT SPENDING

Texas was built by men with the vision to look ahead and the grit to get things done. Bill Clements is the man to keep this tradition alive for the future of Texas.

Bill Clements will bring a strong, fresh and tough approach to our government in Austin. He is a businessman, not a politician.

Bill Clements started with nothing and built a successful, worldwide company with hard work and the skill to manage men and money. And now Bill Clements wants to preserve the future of our state and he wants the working people of Texas to have the same opportunities he had.

With his proposed "Taxpayers' Bill of Rights," Bill Clements is committed to protecting Texans from excessive taxation and runaway government spending. He is pledged to cutting taxes and returning that money directly to the taxpayers.

As former Chairman of the Southern Methodist University Board of Governors, Bill Clements knows how to make education in Texas the best in the Nation. He's for discipline in the classroom and "back to basics" quality education.

As the son and grandson of farmers, Bill Clements knows the frustrations that an indifferent government can cause people who make their living off the land. He will use the strength of the State Government to fight burdensome Federal restrictions.

*"I believe that Texas has always had more promise than problems,*

*but the balance is more delicate each year. We need to get to work now."*

# BILL CLEMENTS A GREAT GOVERNOR FOR TEXAS

Paid political advertisement by the Bill Clements for Governor Campaign Committee, Tom B. Rhodes, Treasurer, 1901 N. Akard, Dallas, Texas.

## Sporting Chance

By Don Holdridge

I have finally come to the conclusion I don't like doing this. For example, last week I picked Oklahoma over Texas.

To make me look good I naturally wanted the Sooners to win, but my personal feelings were that I wanted the Longhorns to win.

Now I know how a gambler feels: pulling for his favorite team, but afraid they won't lose and he'll lose his money.

Anyway I had another great week, hitting 18 of 20 for the second straight time. This raises my season total of 81 of 100 for an 81 percent average. Not bad for an amateur.

After four weeks of missing the Crane game, I finally got them right. And I guarantee I'll get them right again this week. The Cranes will battle to a 0-0 tie with Open.

### Sonora vs. Wall

Wall is still a good team, but too many studs from the Hawks' Class A state semifinalist squad are gone. The Broncos finish the preseason without a loss. Sonora 30-7.

### Kermitt vs. Andrews

The Yellowjackets face their third straight AAA toughie. They are 0-1-1 the past two weeks. After Friday they'll be 0-2-1. Andrews 21-10.

### Iraan vs. Ozona

Ozona may not have a player left in one piece by the time the monsters on the Braves' team get through. Name your score.

### Baylor vs. SMU

The Bears' season is over except to play spoiler, and the Mustangs are thinking about a SWC crown. The Ponies win the church conference championship. SMU 35-21.

### Houston vs. Texas A&M

The Aggies look like champions this year. What happened to all the talk about the Cougars winning the conference every year once they got in? Texas A&M 38-21.

### TCU vs. Rice

The battle for the SWC cellar. The Frogs aren't great, but they're still several steps higher than the Owls. TCU 21-7.

### Texas vs. North Texas State

The Longhorn offense is stumbling, but the defense should be good for at least a couple of touchdowns. Texas 24-7.

### New Mexico vs. Texas Tech

If the Red Raiders can quit blushing after last week's humiliation, they should put another mark in the win column. Texas Tech 24-14.

### Notre Dame vs. Pittsburg

Both teams have been struggling, but the Irish have one wheel back on track. The South Bend crowd should make the difference. Notre Dame 21-17.

### Angelo State vs. Abilene Christian

This game could possibly decide the Lone Star Conference title and the NAIA national championship along with it. A close one but the Rams should dethrone the Wildcats. Angelo State 28-24.

### St. Louis vs. Dallas

Dallas found the right combination last week, but how long can Bud Wilkinson keep losing. Dallas 24-20.

### Houston vs. Buffalo

The Oilers have been like a hot air balloon all season-up and down. This is the up week. Houston 24-10.

### Philadelphia vs. Washington

The Redskins come back down to earth as the Eagles pull the upset of the week. Philadelphia 21-17.

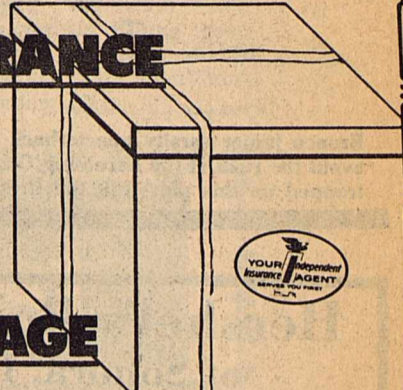

### Cleveland vs. Pittsburg

The Browns lost a heartbreaker to the Steelers in overtime in their first meeting. This the home field advantage is on the other foot. Cleveland 16-14.

### Other Picks...

Michigan over Michigan State 34-13, Los Angeles over Minnesota 17-14, Oakland over Kansas City 30-6, Miami over Cincinnati 27-13, San Francisco over New Orleans 35-31.

Bronco junior varsity quarterback Allen Stewart tries to avoid the rush of the oncoming Ozona Lions. Stewart was trapped on this play, but the Broncos shutout the Lions

13-0. The Sonora J.V. and freshman teams will travel to Brady Thursday to take on the Bulldogs. The first game begins at 6 p.m.

# Sonora Eighth Graders Lose Tough Game to Ozona

by Albert Chavez  
The Sonora eighth grade Colts traveled to Ozona last Thursday to meet the highly-regarded Cubs from Ozona.

Ozona won the toss and elected to receive. The Cubs wasted no time in getting on the scoreboard first as they quickly converted on a 55-yard pass play from their tailback to their speedy wingback and took a quick 7-0 lead.

Sonora got the football back and moved the ball quite well until they were forced to punt. The first quarter ended 7-0 Ozona.

The second quarter see-sawed until Ozona moved to the Colt 30-yard line where they tried a razzle-dazzle play in which their wingback ran all over the field until he saw daylight and carried over the right side for Ozona's second touchdown of the night.

The two-point PAT was good and Ozona went to their dressing room with a 15-0 lead.

The third quarter had Sonora and Ozona exchanging the football on punts and fumbles. The fourth quarter had Sonora moving the football from their own 35-yard line to the three-yard line of the Cubs.

Sonora moved on runs by backs Reynolds, Buitron, Chandler, Smith and Vallejo and passes by

Chavez to Gonzales, Harlin and Reynolds.

Sonora was then faced with fourth down and three. Sonora ran a pass play to the right side, but it fell incomplete and Sonora had to turn the ball over on downs.

Ozona got the ball and scored on a pass from their quarterback to their wingback which made the final score 21-0 Ozona.

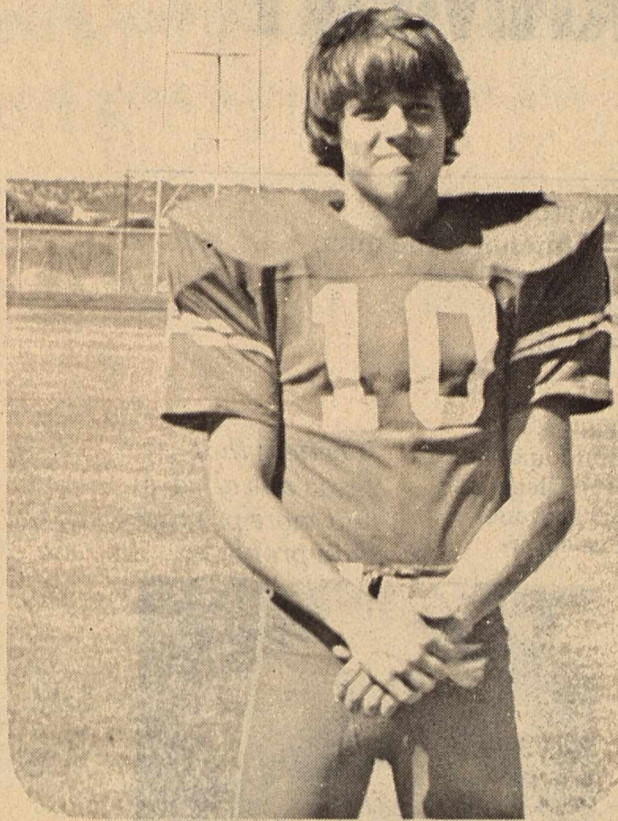

Sonora plays Brady here Thursday at 7 p.m.

## Meet The 1978 Sonora Broncos

**Eddie Favila**

Eddie Favila, a free safety and halfback for the Broncos, is in his second year on the varsity. At 5-5, 136 pounds, he is a 16-year old junior. He is the son of Mr. and Mrs. Gil Favila and is also on the basketball and track teams.

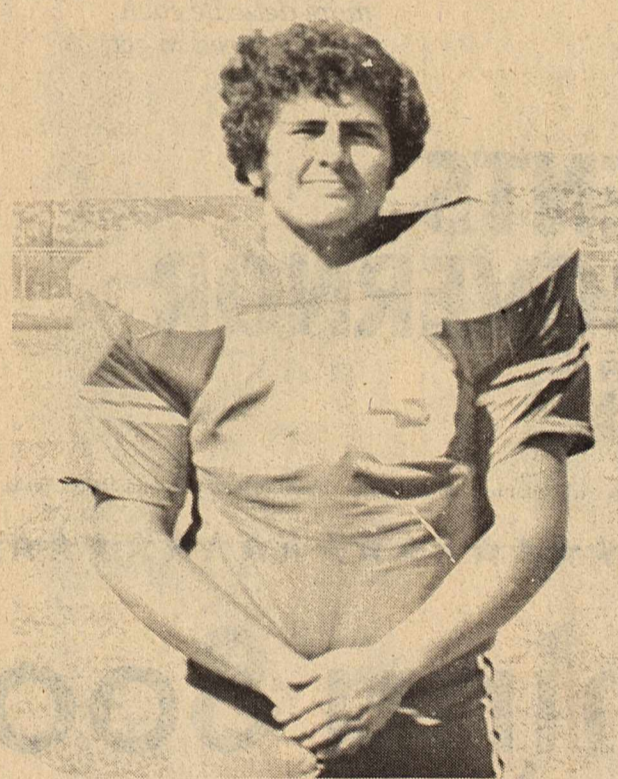

**Kent Cagle**

Kent Cagle is a 17-year old junior free safety and quarterback. The son of Mr. and Mrs. Bill Harle, he is 5-11, 161-pound one-year letterman. He has lived in Sonora six years and also plays basketball and runs track.

**George Wipff**

George Wipff is a 5-10, 185-pound offensive and defensive tackle. A 16-year old junior, this is his first year on the varsity and football is his only sport. The son of Mr. and Mrs. George Wipff, Sr., he is a lifetime resident of Sonora.

**John Paul Bautista**

John Paul Bautista is a 17-year old junior, one-year letterman. At 5-8, 215 pounds he plays offensive and defensive tackle. He is also a member of the track team. Bautista is the son of Ophelia B. Perez and has lived in Sonora his entire life.

# Broncos Tangle With Wall Hawks Friday Night

With a victory over Class A power Junction under their belt, it would be normal to hope for a slack week.

But such is not the case as the Broncos must face the Wall Hawks here at 8 p.m. Friday.

The Hawks are the defending 9-A champs and advanced to the state semifinals before being eliminated in the playoffs.

The Hawks were also the preseason favorites to repeat as district titlists, although Junction may be in the driver's seat for that position now.

Linemen are the key to the Wall offense with tackles Carl Wieshuhn (6-3, 200) and Mike Mikulik (6-0, 180) leading the

charge.

Quarterback Danny Herrera has been out the entire season with an injury, but could possibly return this week.

Sonora coach Jerry Hopkins said the Wall offense still has not jelled, but Herrera's return could prove the vital ingredient the Hawks have been needing.

If the speedster is still sidelined Mike Hirt will lead the offense along with running backs Keith Fleming and Mike Cannon.

Hopkins said the Hawks would probably be the toughest defensive team the Broncos have faced this season.

"They are very physical

defensively and should present a pretty good challenge," Hopkins added.

Other Wall standouts are ends Johnny Holik and Kyle Eddy, center Brad Havjosky and tackle Bill Johnston.

The Broncos will have to face the Hawks without fullback Wayne McLaughlin this week. The district's leading rusher, scorer and punter will have his foot in a cast all week and may possibly have a small bone broken in the ankle.

Although he will be out this week, it is hoped with two open dates the next two weeks he will be able to return by the time

district play opens. Kirby will move from his halfback spot and Eddie Favila and Billy Bob Galbreath will fill each of the halfback positions.

In Friday night's game the Eagles struck first blood on a 41-yard pass play, but the Broncos came right back on their next possession with Benny Granger going the final foot on a quarterback sneak.

A 21-yard aerial from Granger to Kirby set up the first of the Red Hosses two second quarter touchdowns.

Galbreath went the final two yards on the next play. Granger then connected

with Galbreath from 28-yards out to give Sonora what appeared to be a commanding 20-7 halftime lead.

The Eagles were not finished however as they rammed down the field on their first possession of the second half.

When the Broncos fumbled the pigskin away on their next two drives it appeared Junction had the momentum to score again, but the Bronco defense stiffened and an interception at the goal line by Galbreath killed the Eagle attack.

A Mike Jones field goal with a little over three minutes left cinched the game as the Broncos had a

23-14 victory.

Hopkins was basically pleased with the team's overall play, but was not altogether happy with some of the mental mistakes and also the three fumbles.

Hopkins was also fairly pleased with the pass defense, the first real test the secondary has undergone.

"We got fooled one time, but basically we played pretty good, and we got a chance to see where we needed some work," he said.

The Bronco coach named Galbreath and Granger as having good games, but added almost everyone had some outstanding plays.

# TOM LOEFFLER IS OUR BEST CHOICE FOR CONGRESS!

### ★★★ TEXAN HERITAGE ★★★

Tom Loeffler is a fourth-generation, Texan born and raised in the Texas Hill Country. He has the solid value and uncompromising character of this land and its people. A former Mason High School football star, Tom went to the University of Texas on a full four-year football scholarship, then earned his law degree there. Today, he is a working rancher in addition to his law practice.

### ★★★ WASHINGTON KNOW-HOW ★★★

Tom Loeffler was chosen to serve as Chief Legislative Counsel for Senator John Tower, then was appointed Deputy for Congressional Liaison for the Federal Energy Administration, and finally, served as Special Assistant for Legislative Affairs for President Gerald Ford. He has the experience, the day to day knowledge of how our government runs and is run, to be an effective representative right from the start.

### ★★★ FREEDOM TO FIGHT FOR US ★★★

Tom's wealthy Democratic opponent would be a "freshman" congressman, if elected-dependent on the liberal Democratic leadership of the House. He would be powerless to do other than add one more vote in favor of national liberal policies, as orchestrated by Speaker of the House Tip O'Neill of Boston.

Tom Loeffler has the knowledge and experience in legislative affairs to be free to pursue the best interests of the people of the 21st District.

### ★★★ THE CHOICE OF KNOWLEDGEABLE LEADERS ★★★

Tom Loeffler has gained the respect and support of the working man, farmers and ranchers, small businessmen and homemakers. He also has the endorsement and active campaign support of such knowledgeable and respected leaders as former President Gerald Ford, former California Governor Ronald Reagan and former Texas Governor John Connally.

Those to bring a dozen cupcakes are Jerry Johnson, H. Hill, Short, Jennings, Pollard, Mooney, H. Chandler, Neal, Martinez and Mittell.

## Book-a-thon Scheduled

The Easter Seal Society for Crippled Children and Adults of Texas is now conducting its annual Book-a-Thon program in the Sonora Elementary school, grades 4 and 5.

Book-a-Thon is an educational program in which children become actively involved in reading and enlisting sponsors to pledge a specific amount of money for each book completed during October.

Students are currently contacting neighbors and friends, relatives and local businesses to sponsor them in their reading efforts. When participating students complete their reading, they will return to each sponsor to collect the total amount of money pledged.

Money raised through the Book-a-Thon will be used by the Texas Easter Seal Society to provide equipment and services to handicapped children and adults in this area.

At the conclusion of the Book-a-Thon, students who have read the most books and those who have collected the most money will be recognized and prizes will be awarded.
