Heads for
U.I.L. Contest**

The Sonora Bronco Band will travel to Coleman Saturday for UIL concert and sight reading contest. The Bronco Band will be presented at 4:15 in the high school auditorium and all parents and interested persons are urged to attend to support the band. There is no admission. The Bronco Band won a first place in marching contest and a first place in this contest will give them a sweepstakes rating. The Broncos are one of two bands in class AA who are vying for sweepstakes honors.

Members of the Kappa Gamma Chapter of E.S.A. Sorority braved cold rain and wind Saturday during their Walk-A-Thon to raise money for St. Jude's Crippled Children's Hospital. Pictured are (left to right) Debbie Kemper, Judy Miles, JoAnn Jones and Jan Robertson. Other

making the walk, which raised over \$2,000, were Jan Berry, Linda Cayce, Nelda Mayfield, Jo Ann Wilkinson, Cindy Cavaness, Susie Ramirez, Marlene Evans and Ruthie Bounds.

Dr. W.T. Hardy received a special memorial plaque for his contributions to the annual Texas A&M Experiment Station Ram Test during the sale last Thursday. This year's sale was a huge success with the old record ram price broken several times. See story on Page 1B.

City Reverses Utility Deposit Decision

The Sonora City Council did an about face on their electrical deposit decision at their regular meeting Tuesday.

At their February meeting, Council members approved an increase for customers utility deposits, bringing the rates more in line with current utility usage.

But after hearing a report from City Manager Jim Dover on a different plan being implemented by West Texas Utilities, the Alderman reversed their field.

Although the schedule of W.T.U. would not necessarily be any lower than the City's, the plan provided for a larger breakdown on kinds of

consumers. The W.T.U. plan would also include an easier means for customers to forego deposits with a satisfactory credit record and would have no deposit at all for homeowners.

Hershel Davenport made a motion to indefinitely suspend the former March 1 enforcement date until Dover had time to draw up further plan for a larger breakdown and the see exactly what the W.T.U. plan would entail.

James Trainer seconded the motion, and they along with Jack Kerbow voted for the postponement with only Lemuel Lopez voting

against. Lopez opposed the measure on the basis that although the current plan needs amending, the City could not continue the loss from customers skipping out without having a large enough deposit to cover all their unpaid bill.

The Council also discussed the possibility of joining forces with the County in co-operating on the building of the Women's Club Library.

Feeling within the Council seemed to run that the building should be combined with some sort of community center, but the primary concern was the availability

of funding. Most seemed to feel revenue sharing funds would be the most logical source, but the future of the revenue sharing program is in doubt and committing these funds before having them would be foolish.

Since the City holds no excess funds, the only other alternative would be a bond issue. Mayor Doyle Morgan was authorized to meet with representatives of the County, the Women's Club and the Park Board to get a feel from the other groups on the future of such a site and to try to establish some definite plan to act on.

The Council also adopted a resolution from the Texas Highway Department that would establish flashing lights on Crockett Street near the school and a 20 mile an hour speed zone during school hours.

Council members also reviewed a complaint from Roland Blanchard concerning an extremely high water bill. The problem concerned his

bill, which in February went to \$76 after normally averaging around \$10.

In March, the bill again returned to the \$10 level with no reasonable explanation.

The Council tabled any action on the issue until a plumber could check the line for leaks.

Joe David Ross also appeared before the Council requesting the closing of 8th Street adjoining his property. Although the street is platted on city maps, it actually does not exist.

Lopez, however, brought it to the Council's attention that such closings may be illegal under Texas law without calling an election.

Although street and alley closings have been acted upon several times by past Councils, it was decided to wait until the legality of the action can be ascertained.

The Council also accepted the resignation of City Attorney Charles Sherrill and approved the appointment of William Ervine to succeed him.

In other action, the Council approved the decision of the Zoning and Planning Commission in the cases of Larry Winger, Ralph Gonzales and Dale Tankersley;

*Reappointed Vicenta Cervantes, Mike Sipes and Bill Gosney to the Planning and Zoning Commission;

*Reappointed Sam Perez and Diana Condra to the Housing Authority, pending a check to see if Mrs. Condra is still eligible due to City residence requirements; and

*Set Friday, July 13 as the hearing date for the Board of Equalization.

A record breaking attendance was on hand last Thursday when the Sutton County Garden Club hosted the District VIII spring convention. 140

members of garden clubs across Texas were on hand at the 4-H Center.

School, City Elections Shaping Up

Only one opposed race is slated as the April 7 School Board and City Elections near.

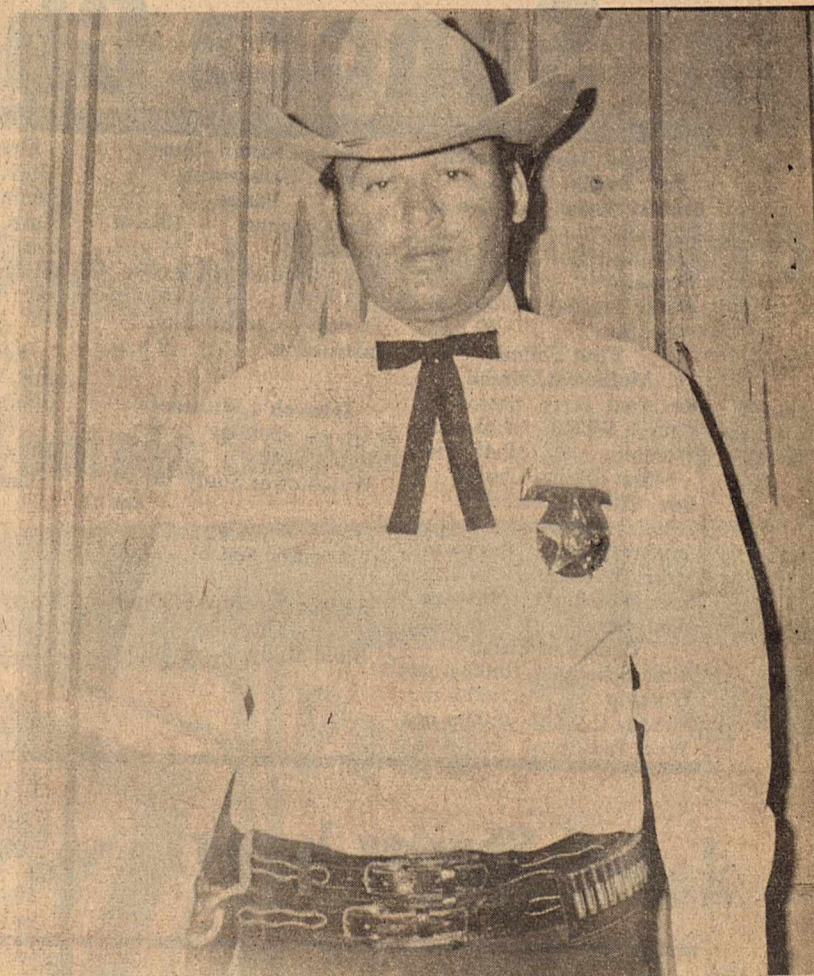

Don Young, an Amoco employee, is opposing incumbent James Hunt, a Sutton County businessman and rancher, in the Place 3 race in the Sonora Independent School District School Board Election.

In Place 4, W.L. "Bud" Whitehead, a local rancher and also the incumbent, is running without opposition.

In the City Council slates, current members Hershel Davenport, Lemuel Lopez and Jack Kerbow are all running unopposed.

Absentee voting in both elections began Monday and extends through April 3.

Absentee ballots in the School Board Election may be cast at the administration office on Concho from 8 a.m. til 4 p.m., while absentee polls in the City Election may be cast at City Hall from 8 a.m. til 5 p.m.

Ruben Flores has joined the Sutton County Sheriff's Office as sheriff's deputy. He replaces Dick Jones.

Fiesta San Antonio Scheduled April 23 - 28

Fiesta San Antonio is an annual ten day celebration for all of San Antonio and the many thousands of visitors who come to San Antonio each year for this

exciting event. Fiesta was first held during the 1890's to commemorate the heroic struggle for Texas independence from Mexico and to celebrate

Texas' victory at the Battle of San Jacinto. Each year the celebration has grown larger and greater, and this year's 84th annual Fiesta

promises to be the best ever. There will be the breath-taking Fiesta River parade (to be held on Monday night, April 23), at which time King Antonio makes his entrance into the City leading the parade of gaily decorated barges which wind their way up the beautiful San Antonio River to open this week of merrymaking; also, the gorgeous Battle of Flowers Parade (Friday, April 27), which was the first event ever presented at Fiesta and is the only major street parade in the world which is completely organized and presented by ladies, members of the Battle of Flowers Association; and the illuminated Fiesta Flambeau, America's greatest night parade (Saturday night, April 28), which is the grand finale of Fiesta week.

ladies to be presented will be second or third generation Duchesses, having been preceded by their mothers, grandmothers, and other relatives who were honored as Duchesses in previous Courts. The magnificent gowns which the Duchesses wear are designed by the Mistress of the Robes and the Court Artist to depict the Court's theme and are meticulously hand sewn and lavishly jeweled by San Antonio dressmakers. The gowns are truly works of art.

The order of the Alamo was formed by a group of prominent San Antonio men in 1909, and the first Coronation, staged in old Beethoven Hall that year, was warmly received by San Antonio's citizenry. In 1914, the Coronation was moved to the old Majestic Theatre where, for the first time, the Queen was crowned on stage by the President of The Order. The Coronation "ritual" had evolved by that time and has remained largely unchanged throughout the years. Each Queen accepts her charge to "make each passing day brighter" for her thousands of subjects. The 1926 Coronation was one of the first events held in the then newly completed Municipal Auditorium, and, at last, the thousands of San Antonians and visitors attracted by the Coronation could be accommodated. Except for the war years, when there were no Coronations, the Municipal Auditorium was the scene of each Coronation since then. This year, for the first time, the Coronation will be staged in the Convention Center Arena. The presentation of the Coronation in this new location should be even more spectacular than before. Tickets for the Coronation will be sold at

the Theatre for the Performing Arts Box Office at the San Antonio Convention Center beginning April 2nd.

Selection of the Queen and Princess is accomplished by secret ballot of the membership of The Order of The Alamo. By tradition, candidates have been chosen from among the Duchesses of previous Coronations. After the Coronation ceremony, the Queen and Princess help reign over Fiesta with King Antonio. King Antonio is chosen each year by the Texas Cavaliers, another social organization. The Queen, Princess and King Antonio spend the remaining days of Fiesta visiting their subjects. Daily trips are scheduled to schools, hospitals, orphanages, and other places where their presence brings joy and the spirit of Fiesta.

On Friday, the Queen, Princess, and their entire Court ride in the fabulous Battle of Flowers Parade. The magnificent robes of the Court are displayed on beautiful floats designed and constructed by the Battle of Flowers Association. Each year, over 300,000 people watch this parade pass its five mile route.

The evenings of Fiesta Week are filled with many gala affairs presented in honor of the Queen and Princess and their Court, including the Royal Garden Party which is held on the beautiful oak and azalea lined lawns of the Lutzer Center of the University of Texas, and the lavish Queen's Ball which is held at the historic Menger Hotel. The Queen's Ball is preceded by a "mini-coronation" at which time the Queen, Princess and their Court are again presented to the members of The Order and their guests.

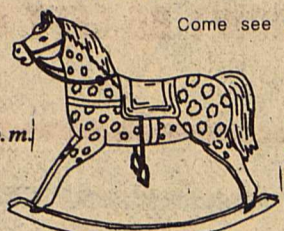

Marsha Finklea

Marsha Finklea Duchess at Fiesta

Miss Marsha Nell Finklea is among those girls chosen to be presented as a visiting Duchess to "The Court of The Floating Kingdom" at the coronation of the Queen of Fiesta in San Antonio April 25. The daughter of Mr. and Mrs. Lawrence J. Finklea of Sonora, Marsha is a graduate of Sonora High School and is a student at the University of Texas at Austin. She is a member of Pi Beta Phi Sorority and a member of "Spooks". Miss Finklea was previously honored as an ambassador to the Fiesta del Concho in San Angelo in 1977. Her mother, the former Martha Josephine Moore, was presented by the Order of the Alamo at a previous coronation. Miss Finklea's escort at the coronation will be Thomas D. Cordell, son of Mr. and Mrs. Phillip M. Cordell, Jr., of Houston.

Garden Club Hosts District Meet

The Spring meeting of District VIII Texas Garden Clubs, Inc., hosted last week by the Sutton County Garden Club, was a big success.

The pre-convention began Wednesday afternoon with a tour of the James Hunt home and The Old Shop. Approximately 100 members were on

hand for this tour. A special thanks to Linda and James Hunt for their most gracious welcome. 73 members attended the dutch treat dinner held later that evening at the Sutton County Steak House.

The convention held on Thursday boasted a record breaking attendance of 140

members. Mr. John Tedford welcomed our guests and the Rev. Jim Miles offered the invocation. Sarah Mahon helped set up the 4-H Center speaker system.

We would like to thank the following local merchants for their support: Ruth Shurley Jewelry, Sonora Floral, Tedford

Jewelry and Westernman Drug donated door prizes. Carl J. Cahill, Inc., Devil's River Motel, First National Bank, Modern Way Grocery and San Angelo Savings Association donated merchandise for

welcome packages. Thanks also the Devil's River Motel and Sutton County Steak House for their fine organization and hospitality to our out-of-town guests.

Hospital Auxiliary Addressed By Lions District Governor

The Lillian M. Hudspeth Hospital Auxiliary had its regular meeting Monday, March 12 in the conference room at the hospital. The program was presented first and Mrs. Jeanne Davenport, vice-president, presented Mr. Harland Brancel, who is the district Governor of Lions Club in this area. He is working on a project called

Porta-Tel, which is a device (similar to teletype) to attach to the telephone so deaf people can write messages and thus "talk" on a phone. His program was very interesting and informative.

After Brancel and his wife left, the business meeting was conducted by Mrs. Catherine Terry, president. The ladies voted to buy more coloring books for children depicting what to expect in a doctor's office and in the hospital. These will be placed in the kindergarten at school and in doctor's

offices and day care centers.

Some revisions, deletions and additions to the constitution and by-laws were presented by the parliamentarian and will be voted on at the annual meeting in May. The installation of new officers will also be at that meeting.

Two new residents in the nursing home were named: Mrs. Ryan and Mrs. Pharis. Sunshine pals will be gotten for each one. The March birthday party in the nursing home was Wednesday, March 14.

March Birthday Honorees Celebrate at Nursing Home Party

The March birthday party at Lillian M. Hudspeth Nursing Home was held Wednesday, March 14 at 3:30 p.m. with Mrs. Cashes Taylor of the auxiliary in charge.

She was assisted by her sister, Mrs. Blanche West of Eldorado, and Mrs. Lila St. Clair. Other members of the auxiliary and members of the staff of the nursing home helped serve the

punch and cake. Those having birthdays in March are: Victor Rodriguez, Nannie Mae Wilson, Myrtle Cardwell, Annie Emmons and Elizabeth Pharis.

Melba Stokes Hosts Auxiliary

Melba Stokes served as hostess at the meeting of the Sonora Firemen's Auxiliary last Tuesday at the Fire Hall. The members played 42 and winners were Nova

Olenick, 84; Cheryl Clearly, High; and Trevlin Luttrell, Low. Other members present were Frances West, Rhonda Blackman, Vicki Clearly, Vicki Zech, Jinx

Taylor, Donna Keese, Linda Odom, Melissa Teaff, Karen Ogburn, Mollie Hite, and Jean Humphreys. Pauline Luttrell was a guest.

Art Club Members Finish Painting Project

The Sonora Art Club met Monday evening at the club house. Following a business meeting, finishing touches were added to the last painting of the club year. Club members

say they have learned one thing from the lessons, windmills are easier to look at than they are to

paint. Hostess for the evening, Mrs. Johnny Martin, served cookies and coffee. Members attending were Mmes. Jan Brown, Ira Gilbert, Travis Gordon, Edna Granger, Mike Hale, Clyde Hill, L.E. Holland, Johnny Martin, Willie Raphael, Buck Skains and Joe Fincher.

Hospital Notes

Patients receiving treatment at Lillian M. Hudspeth Memorial Hospital during the period from Monday, March 12 thru Sunday, March 18 are as follows:

Wallace Wartenbach*
Ida Mae Kerbow
Dora Mankin*
L.D. Hollmig*

Michael Vogel*
Patsy Day*
Carmen Escobar*
Kay Cook*
Nell Graves*
Lea Roy Aldwell*
Maria Torres*
Marin Porras*
Jessie Jenkins*
Yolanda Martinez*
*Patients dismissed during the same period.

Monday Club Meets

Ms. Bobbie Smith was hostess Monday night to members of the Monday Night Bridge Club. Dessert was served. Those attending were Jeannie Lawson, Nita Brasher, Shirley Hill,

Mary Jeanne Hamilton, Linda Jackson, Jackie Hopkins, Betty Dillard and Bobbie Thompson. Winning high was Ms. Hill; bingo, Ms. Lawson, and consolation went to Ms. Brasher.

Regeon Enters Hospital

Mr. Royce Regeon of Atlanta, son-in-law of Mr. and Mrs. Cashes Taylor, will enter Clayto General Hospital March 20 and

have surgery March 22. Miss Nanetta Regeon of Houston, his daughter, will fly to Atlanta to be with her parents and her sisters, Rhonda and Resa.

Home Demo Club Meets

Sewing machine cleaning was Ebbie Sutton's topic for the Stitch and Sew Extension Homemakers program. Ebbie carefully showed the girls how to take apart their machines, clean and oil them. It was really quite

easy to take our machines apart. The trouble came when there were extra pieces left over after the machines were all put back together! Thanks Ebbie for the knowledge and "yummie" cake.

Mrs. Regeon Visits Parents

Mrs. Royce Regeon of Atlanta Ga., spent a week recently visiting with her parents, Mr. and Mrs. Cashes W. Taylor. At the time of her visit the Taylor's son and daughter-in-law, Mr. and Mrs. Billie W. Taylor, were in Peru, South America where he was on temporary employment

with Bidas and Occidental Oil Companies.

While in Peru the Taylors saw the Ruins of Cuzco and the Andes Mountains. They also went deep sea fishing off the coast of Talara and saw many interesting sights in Lima among the Plaza A Historical Place.

Petro-etts Meet

The Petro-etts met last Thursday at the Commercial for their monthly business meeting. Quilt squares for a quilt to be given away during Sutton County Day were

given out to members. Some discussion of the Spring Dance was held

and the Petro-etts voted to back John Young in the school board election.

ECA Course Available

Only eleven days are left in which to sign up for the Emergency Care Attendants Course to be given in Sonora. April 1 is

the last day. Classes run May 1 through May 29. For further details see Patrick Campbell or Mike Stallard.

Devil's River News 220 N.E. Main Sonora 387-2507

Carter Administration Blamed In Pipeline Demise

Texas Railroad Commissioner Mack Wallace has blamed the Carter Administration and the Congress for the cancellation of the proposed pipeline to transport Alaskan crude oil from the West Coast to West Texas at the rate of half a billion barrels per day.

letter to energy Secretary James R. Schlesinger. The pipeline project, launched by Standard Oil Co. of Ohio five years ago, would have been the closing link between flush oil production in Alaska's Prudhoe Bay region and the nation's principal refineries centers via sea and surface transmission.

"It was obviously badly needed," Wallace wrote. "The cancellation of the

project is a tragedy."

Wallace described the 1,000-plus-mile pipeline project as one "designed by Americans for the benefit of Americans." The pipeline would have required the construction of some 230 miles of new line along with relatively minor engineering to re-sever existing gas lines. Standard Oil of Ohio announced abandonment of the proposed pipeline

from Long Beach, Calif., to Midland, Texas, Tuesday afternoon, blaming endless delays in government permit procedures, pending and threatening litigations and prospective unavailability of two gas pipelines for conversion to oil pipeline.

Wallace, in his message today to Schlesinger, cited his Feb. 19 letter to President Carter in which he pointed to the extra-

ordinary powers given the Chief Executive in the Public Utilities Regulatory Act of 1978 to get the Long Beach-to-Midland pipeline project in operation in the national interest. The Texas official also took cognizance of Schlesinger's testimony Monday before the U.S. Senate Energy Committee. In his testimony, the Energy Secretary acknowledged that the federal

Energy Coordinating Committee, established by President Carter, "has not taken an interest in the Sohio pipeline problem" since all federal permits pertaining to the project had been issued. Schlesinger fingered the State of California for the permit problem.

Wallace said his letter to Carter has gone unanswered. "While the (Sohio)

project was in fact stymied by the incomprehensible actions and inactions of California officials," Wallace wrote Schlesinger, "the overall responsibility for a national energy policy lies in Washington with the President and the Congress."

Wallace concluded his letter to the Cabinet member with this prediction: "History will judge very harshly those who are responsible for the failure to expedite this method of bringing energy to a fuel starved nation."

Set Sights On Energy Independence

The Chairman of the oil and gas regulating Texas Railroad Commission has urged Americans to set their sights on energy

independence without further delay. Commissioner John H. Poerner raised the plea in a speech before a southern

regional meeting here of the National Association of Recycling Industries.

"I cannot emphasize strongly enough the importance of developing our American resources to the utmost for nothing less than our national security and economic well being are at stake," said Poerner. Therefore, he stressed, "the most important goal

we can set for ourselves as a nation is energy independence from foreign countries."

Poerner suggested such a "new move toward independence" could be propelled by the development of advanced technology to extract already known but difficult to produce energy resources from the earth. Or, he observed, intensive de-

velopment of alternative fuels such as coal, lignite, solar and nuclear power could provide the moving force to energy target.

Poerner further advised the industry audience:

- 1) The world-wide oil shortage in the wake of the Iranian turmoil amounts to about two million barrels per day, but "the shortage is not that severe" for the global shortfall is less than five percent as the result of stepped-up production in Saudi Arabia and several other member-states of the Organization of Petroleum Exporting Countries.

- 2) By the end of 1979, OPEC oil prices increases may well exceed the 14.5 percent jump as announced last Fall. Already, he noted, "only a slight oil shortage is required to cause a larger price increase."

- 3) Large, recently divulged oil discoveries in Mexico may boost output there from 1.5 million barrels daily as of year-end 1978 to 2.24 million by

1980. Current Texas oil production, he noted, averages some 2.77 million barrels per day.

"Even with Mexico's reported proven reserves of 25.61 billion barrels of oil, it is still a long way from being another Saudi Arabia," Poerner said.

Mexico claims a potential hydrocarbon reserves of 200 billion barrels while Saudi Arabia's proven oil reserves alone stand at 110 billion barrels.

But, contended Poerner, "comparing potential and proven reserves is a lot like comparing what one man already has deposited in the bank with what a second may earn during his entire career."

Gas Rationing

The Department of Energy (DOE) is asking for Congressional approval for a series of "standby" energy conservation plans. The most significant of these proposals is gasoline rationing, but there are two steps which will precede actual rationing if promises by the Administration are kept.

The first step is a so-called "equitable" allocation of crude oil supplies between oil companies and refiners. The DOE has announced that this plan is already being implemented.

The second step, for which DOE must have Congressional approval before it can be implemented, consists of three mandatory conservation methods.

One: restrictions on weekend gasoline sales, including probable Sunday closings and restrictions on sales of gasoline during certain hours.

Two: mandatory limits would be enforced on thermostat setting in government and public buildings.

Three: there would be controls which would require cutting back on all but a very few lighted advertising signs.

As a last step, the Administration tells us, gasoline rationing would be imposed. Coupons would be allocated on the basis of vehicle registrations. Every car owner, or, in effect, every car, would get a certain number of coupons each month, but could buy additional coupons or sell unneeded coupons on an unregulated "white market". A white market coupon for a single gallon of gas may well cost \$1.25, plus the cost of the gasoline itself.

Start-up costs for this incredible program will be over \$50 million. Then, DOE estimates that such a rationing program will cost about \$2 BILLION each year to implement!

The Department of Energy's budget now runs slightly more than \$8 billion each year. With the addition of costs for implementation of a gasoline rationing plan, this country's taxpayers would be asked to provide over \$10 BILLION per year, just to have Federal regulations and controls over the energy industry!

What's Wrong With Rationing?

Probably the single largest problem with the proposed gasoline rationing plan is that of inequity. Drivers in Texas must travel an average of 500-600 miles each month, while drivers in some Eastern states require travel of only 150-200 miles each month. Yet, the proposals call for the same amount of gasoline to be available to all drivers in all states.

In particular, this inequity will be felt most strongly by farmers and ranchers who must use considerable amounts of gasoline to produce the food and fiber they supply. In addition, for those many Texans who live in communities in the far flung reaches of West Texas, driving long distances is a necessity for shopping, schooling, health care and other needs.

But, potentially the greatest problem associated with rationing is the negative impact it will have on national energy goals. Gasoline rationing, while it may decrease consumption in the short term, makes no contribution to our mid and long-term goals of energy independence because it provides no incentives for increasing domestic supply.

In short, the consumer is going to be called upon to pay for the mistakes of years of government mismanagement and poor policy decisions concerning the energy needs of this country.

We do not need gasoline rationing under a program which will require 4-6 months to initiate, employ an additional 25,000 government employees, and cost taxpayers another \$2 billion each year.

What we do need is a clear policy directed at phased decontrol and deregulation of our energy industry so that the American consumer can finally realize the greatest abundance of domestic energy supplies at the lowest possible prices.

RR Commission Ok's Applications

The Railroad Commission has approved an additional 161 applications for gas well classification under the federal Natural Gas Policy Act of 1978.

Chairman John H. Poerner and Commissioners Mack Wallace and James E. (Jim) Nugent have now accepted the recommendations of the Commission's well determination task force that cover a total of 322 gas wells in Texas.

To date the Commission has received more than 2,052 applications for well classification under the pricing provisions of the federal gas policy act that were implemented last December 1.

Under the act, state agencies such as the Railroad Commission are required to receive and review applications and assign well categories. State well determinations, however, may be rejected or remanded by the Federal Energy Regulatory Commission.

In the latest batch of applications approved by the Commission, 148 wells determined to be new onshore producers. Ten

were classed as stripper gas wells and one each as a deep, high cost well (below 15,000 feet), or a new onshore gas well or a new well producing from an existing reservoir.

The Commission this week forwarded 42 of its well determinations decisions to FERC for review and further action. It was the first such shipment by the Commission to the federal agency.

Hopkins Named to Hall of Honor

Sonora Bronco football coach Jerry Hopkins will be one of six men included into the Texas High School Coaches Association Hall of Honor in Fort Worth, July 28.

Other inductees include Gano Tubb of Levelland, Gene B. Hale of Nacogdoches, Joe Hedrick of Franklin, John Clark of Plano and L.G. Wilson of Floydada.

1950. Hopkins originally coached in Sonora from 1960-70. His teams posted a record of 109-23-2 including six consecutive district

state titles in 1966, 1968 and 1970 and a state finals berth in 1969.

Broncos tied for the state crown. Following his tenure in Seguin, Hopkins took an assignment at Midland High for two years before returning to coach this

year's Bronco squad. His team of the past year went through an undefeated 7-0-2 season in which they tied with Kermit for the District 7-AA championship.

Bronco Bits

By Annabelle Gonzales

Despite adverse weather conditions, both girls' and boys' track teams won the championship title last Saturday at the Ozona Relays.

The girls has a total of 159 points, and the boys had a total of 158 points. The tracksters fought cold and gusty winds along with a mist and rain throughout the track meet.

The weather conditions, however didn't stop Jessica Robledo from setting a new record in the girls' triple jump. Robledo jumped 35 feet to take first place. Paula Friess was second and Marche Lane fifth.

In the long jump Rosa Noriega took second place, Robledo third and Friess fourth. Noriega also placed sixth in the high jump. Stacy Chandler took first place in the shot put, and Judy York took third. Sandie Wright placed fifth in the discus.

In individual running events, Marche Lane and Tonya Evans placed first in the 800-meter dash and 100-yard, respectively. In the 400-meter dash, Friess placed third, Denise Neal fifth and Noriega sixth. Paige Pollard took second in the 80-yard hurdles.

The 1600-meter and 800-meter relays placed first, with the 400-meter relay placing second. In the boys' individual events, Cody Savell placed second in the pole vault, long jump and high jump. Wayne McLaughlin placed first in the shot put and discus and third in the long jump.

John Paul Bautista placed fourth in the shot put and sixth in the discus. Joey Kirby won the high jump and Preston Love took fourth.

In the individual running events Enrique Sanchez placed second in the 800-meter dash with Juan Mendoza placed fourth in the event. Mike Jones placed sixth in the 110-meter hurdles and sixth in the 300-meter intermediate hurdles. Eddie Favila and Joe Longoria placed second and sixth in the 100-yard dash respectively. Favila and Longoria also placed first and second in the 200-meter dash.

Rodolfo Ramos placed second in the mile run. In the relay competition, the 400-meter and 1600-meter relays placed first securing the Bronco victory.

The girls and boys will run in the Bronco Relays here next Friday. Besides the running and practicing for track meets, the Bronco Band has readily been preparing for U.I.L. Concert and Sight Reading Contest to be held in Coleman on March 24.

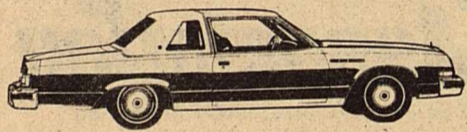

The Bronco Band is working very hard for a Sweepstakes title. In the Lakeview tennis tournament, the Sonora tennis team placed fourth. Benny Granger was the only individual winner, placing third. Granger defeated Holt from Mason, 8-5.

Eighth Grade Colt Boys Top Junction Carnival

By Charlie Adams

The eighth grade Colts took the team championship at the Junction Junior High Relays with a total of 119 1/2 points Friday.

Junction was second with 108 followed by Ozona, 74 1/2; Brady, 65; Eldorado, Wall and Menard.

The Colts got off to a slow start, managing only 16 point in the field events.

Eddie Vallejo took first in the long jump with a leap of 17-10. Chris Reynolds was third in the high jump.

When the running finals started, things picked up for the Colts.

The 440 relays of Albert Chavez, Vallejo, Andres, Acosta and Chandler was first in a time of 49.2.

In the 660 dash, Reynolds was first at 1:36.9, a new record, and

Jimmy Gonzales was second at 1:37.5.

Chavez won the 330 dash at 41.1, and Tom Schabel was fourth.

Marney Sorenson took fourth in the 70-yard intermediate hurdles.

In the 200-yard law hurdles, Vallejo was second and Dennis Mauldon, sixth.

Vallejo was sixth and Chandler, third, in the 200 dash.

Seventh Graders Pull Surprise

By Charlie Adams

The seventh grade Colts surprised the Ozona Cubs, their own coaches and themselves as they rallied in the last two events of the track meet at Junction Friday to bring home the team championship in their division. The Colts got off to a good start in the field events as they amassed 44 points.

Terry Vickers led the way with consecutive second places in the shot and discus. Ronnie Munns was also third in the shot and fifth in the discus.

Eugene Gonzales was second in the long jump,

followed by Scott Miller at fifth.

Jeff Brittain took first in the pole vault, clearing eight feet.

The Colts (not blessed with a lot of natural speed, but big in heart and guts) had to fight to the end as Ozona came back very strong in the running.

Ozona won the 440 relay, but the Colts stayed close by coming in third. The team is composed of Mike Poloczek, Drew Wallace, Vickers and Gonzales.

In the 70-yard inter-

mediate hurdles, Ronnie Pollard took third, and Brittain was fourth.

Things looked great for the Colts in the 600 dash as it appeared Tony Garza took second, Jay Thomas, third, and Jesse Guerra, fourth, but due to a lane violation, Thomas' third place finish was disqualified.

Ozona took third in the 100-yard dash, but Gonzales kept the Colts ahead by coming in second.

In the 330 dash, Brittain captured third, and Pollard was third in the 220-yard low hurdles.

This left the Colts with a seven-point lead with three events left.

After Ozona took 20 points in the 220 dash to the Colts' 0, things were beginning to look dim, but the Colts came back for 20 points in the 1320 run to regain the lead. The charge was led by Zeke Ramos taking first, Miller, second, and Wallace, fifth.

Thus the stage was set for the final relay event and final event of the meet with Ozona feeling the most comfortable due to the fact they had defeated the Colts a week earlier by

Bronco Tennis Team Outduels Eldorado

The Sonora Bronco tennis team, using a sweep in the boys singles matches, took nine of 12 matches from the Eldorado Eagles in a dual meet last Tuesday.

Benny Granger downed Willoughby, 7-6, 6-1; Lee Burch tamed Rodriguez,

6-2, 6-2; and Steve Jennings blasted Louie Brame, 6-1, 6-0.

Eldorado picked up a match in boys doubles as Rodriguez and Willoughby teamed down to Eric Neal and Jerry Don Glasscock, 8-2, but the Broncos came back as Armando Martinez

and David Martin eased by Thomas and Boseman, 6-0, 6-1, and John Pollard and John Blankenship outdueled Thomas and Boseman, 6-2.

In the girls singles Eldorado's Mary Byrd edged Mary Hanna, 6-2, 6-4, but Hillary Hunt nipped Lori Griffin, 7-6, 3-6, 6-4, and Emily Elliott easily handled Sandi Willoughby, 6-0, 6-2.

Lori Powell and Toni Fatheree defeated Janie Gold and Cody Gold for the only Eldorado win in girls doubles, 6-2, 6-2.

In the remaining matches, Angela Green and Carol Brandon slipped by Brame and Whitten, 6-1, 7-5, and Martinez and Burch joined to take Powell and Fatheree, 6-3.

Both teams will be competing in the Eldorado Invitational Tennis Tournament Friday.

Sonora Red Sox Split Doubleheader In Season Opener

The Sonora Red Sox opened their baseball season last Sunday splitting a double header with the Indians from Balcones Coah, Mexico.

The Indians won the first game by a score of 4-3 and lost to the Sox in the second game 5-2. Winning pitcher for the

Red Sox was Jessie Solis leading the hitting was Jeff Doan and Tony Martinez. Defensive players were Frank Gamboa and Henry Mata.

The Red Sox will host the Eldorado A's at Hunt's Baseball Field March 25 with a double header starting at 1 p.m.

Time Running Out....

Order History Books Now

Time is running out on the county history book project. Project chairman Bill Stewart has announced that the general history of Sutton County is nearing completion. This is the final section of the book to be submitted to

the publishers, as all other materials were sent in some time ago. Many people mistakenly believe that they will be able to purchase copies of the Sutton County History Book after publication. It cannot be stressed strong-

ly enough that only those books ordered and paid for in advance will be printed. Since it is a limited edition, this hardbound, leatherette volume is sure to become a collector's item.

Another thing to keep in mind is that one copy may not be enough for an entire family. When children grow up and leave home to establish their own households, they will want to be able to take a copy of the book which tells about the county they grew up and lived in with them. It will be a book of memories as well as an inspiration for the future with its accounts of the hard work, endurance, disappointments, triumphs, and joys of Sutton County from its very beginnings to the present time.

Order your books today and avoid disappointment later by contacting the Sutton County Historical Society, P.O. Box 1145, Sonora, Texas 76950.

Yearbook Awarded

The 1978 Bronco Yearbook received two first place awards and one third place award in individual achievement in state 2AA competition in the Inter-scholastic League Press Conference in Austin, March 16-17. This is not only the first time it has won in this category, but the first time it has entered competition in individual achievement.

The end sheet by Jo Hanus was first place in end sheet design. The picture of Tony Hooper on page 100 which introduces the "We Are The People" section placed first in portraits. It was taken by Linda Smith and Brenda McClung. Placing third in feature photos was the picture of Gary Vick on page 15 of the student life section. It was taken by Brenda McClung.

Hospital Conducts Clinical Study

Good quality in the safety programs of local oil companies was reflected in the results of a clinical study just concluded at Lillian M. Hudspeth Memorial Hospital. This is the opinion of Drs. Charles Browne and David Owensby who conducted the study.

In a comparison of accidents in the Sonora oil and gas filed during the past six months were the same six months period last year, there were fewer and less serious accidents this year than last.

Primera Baptist Has Minister

The Rev. Basilio Esquivel has taken over as pastor of the Primera Baptist Church. The Rev. Mr. Esquivel comes from Corpus Christi where he was pastor of the Los Encinas Baptist Mission. His ministry consists of nine years of seminary and being pastor of several churches in Texas.

Samuels Injured

17 year old Johnny Samuels was taken to Hudspeth Hospital March 15 following injuries sustained in a car-pedestrian accident. The accident occurred in the 600 block of Southwest Crockett and Sutton Drive at approximately 8:47 in the evening. A vehicle driven by Ms. Becky Doyle Hines was traveling southwest on Crockett Street and was attempting to enter Sutton Drive when the Simmons youth stepped out in front of her vehicle. The youth suffered abrasions and laceration to the lower parts of both legs.

Terry Recognized

James Stephen Terry is one of 871 University of Texas engineering students recognized as honor students for the 1978 fall semester. To achieve the engineering honor roll, a student must have maintained at least a 12-hour course load throughout the semester, passing all courses with a minimum grade point average of 3.25.

Barker, Honor Student

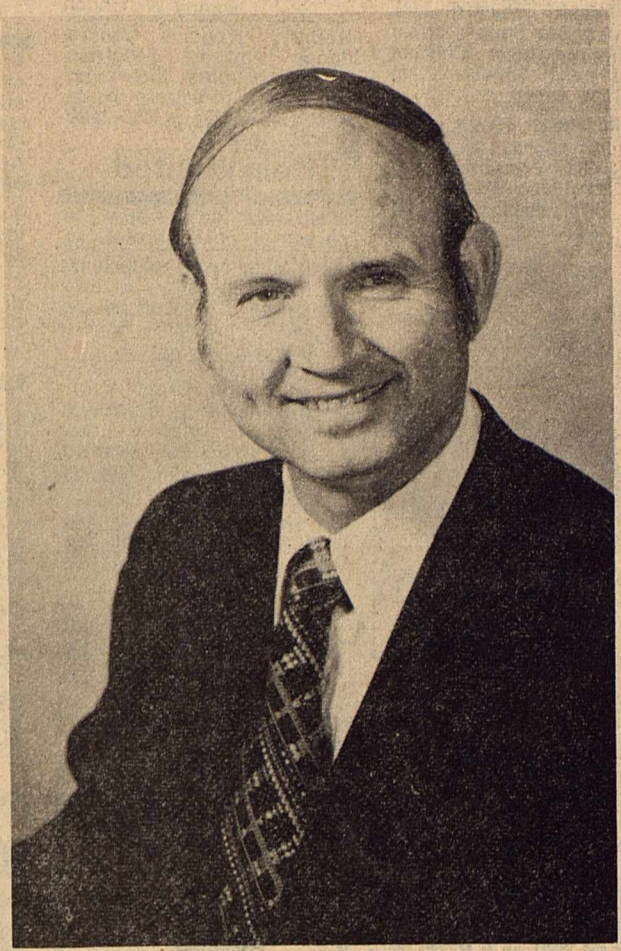

Richard L. Barker of Sonora has been named to the Dean's Honor Roll for the 1978 fall semester at the University of Oklahoma. The selection procedure has been changed to permit college deans to establish standards for their individual colleges. In most colleges on the Norman campus, the minimum grade point average for honor roll listings has been raised to a 3.5 on a 4.0 scale.

Police Reports

- March 12
 9:12 a.m., A sick dog was reported in the vicinity of Brookside Street.
 9:07 p.m., A hitchhiker was reported in front of a local convenience store.

- March 13
 3:55 p.m., A minor accident was investigated at Water and Poplar Streets.
 5:15 p.m., A sick dog was reported on Brookside Street.
 5:21 p.m., An employee of a local drive-in cafe reported three women had backed into a fence.
- March 14
 3:43 p.m., Police were summoned to a Cemetery Road residence in regard to a dog who was a nuisance.
 11:50 p.m., A waitress at a lounge reported a fight involving three males.
- March 15
 11:30 a.m., Three subjects claiming to be part of a religious group, were seeking welfare assistance.
 6:25 p.m., Employees of the bus station called asking for officer assistance.
 8:47 p.m., A 6th Street residence called police reporting an accident involving a white male
- March 16
 11:25 a.m., An ambulance was summoned to the school gym to take person to Hudspeth Hospital.
 5:12 p.m., A minor accident was reported near Whitworth's Grocery.
 10:18 p.m., Police investigated a fight at a local lounge.
 5:12 a.m., Bus station attendants called police for a couple needing assistance.
- March 17
 9:36 a.m., A Poplar Street resident called police reporting a dog foaming at the mouth.
- March 18
 2:09 p.m., Police were summoned to the bus station where a man was complaining of being robbed.
 7:09 p.m., A disturbance was reported at a local cafe.
 12 a.m., An unidentified female reported a disturbance at a local cafe.

Duplicate Bridge

The second meeting of the Sonora Duplicate Bridge players will be held Wednesday at 7 p.m. at the Girl Scout Hut. Anyone interested in playing or anyone who currently plays bridge and would like to learn duplicate bridge is urged to attend, according to Marlene Evans. Anyone who does not have a partner should call Mary Lois Brown at 387-2212 and partners will be arranged.

James Hunt Seeks Re-election

James Hunt has announced his candidacy for reelection to Place 3 on the board of the Sonora Independent School System. Mr. Hunt has served on the board for six years. He is a 47 year old rancher who has lived in Sonora all his life. He and his wife Linda also operate The Old Shop, a residential gift and antique shop. He graduated valedictorian of his class in Sonora High School and went on to graduate from the University of Texas at Austin where he was named a "Goodfellow" in the university annual. He was president of his college fraternity, president of the interfraternity council and served in the transportation corps of the Army for two years following college. Always interested in education, Hunt served on the advisory board of the College of Arts and Sciences of the University of Texas for several years. He has been active in agricultural organization serving as director of the Texas Sheep and Goat Raisers' Association and a member of the Texas and Southwest Cattleman's Association and the Independent Cattleman's Association. He is past president of the Mohair Council of America where he was the representative to the International Mohair Association. He is a commissioner on the Texas Industrial Commission. Hunt is a member of the Sonora Lions Club, past president of the Sonora Park association and is on the vestry of St. John's Episcopal Church. He is married to the former Linda Link of Weslaco and they have two children, Hillary, 17, and Bryan, 15. Mr. Hunt asks for your vote and says that he feels that the Sonora Schools have an outstanding record for the past six years. He has high praise for the school board, the administration, teachers and auxiliary personnel. During the time Mr. Hunt has served on the board the school has gone through a period of expansion and growth. New buildings for the fourth and fifth grades have been built, complete with air conditioning; the auditorium was renovated; new track and tennis courts built; a vocational building constructed, and a bus barn built. A new junior high complex is now under construction financed by a \$800,000 bond issue. New programs added have been a school counselor; two vocational D.E. and H.M. co-ops; a curriculum director; junior high library and librarian, and art and music programs. Mr. Hunt says that "this has been possible by increased valuation from achieved activity but the board has been able to reduce the tax rate from \$1.35 to \$1.19 over the last six years and has set up its indebtedness to be paid off in 1984 which protects the community in case the mineral activity in not long lasting." Mr. Hunt says, "I am interested in all of the children and seeing each afforded the opportunity to reach his maximum potential." (Paid pol. adv., paid for by James Hunt)

Sutton County Ranch News

Glenn Fisher's Wool and Mohair Report

The mohair market has been down just a little but still fairly strong the past week. The South African sale last Tuesday offered around 700,000 pounds with about 96% clearance. Kids and young goats were steady with adult down 3 to 7%.

A sale in Rocksprings last Thursday was cancelled, but the planned sale in Del Rio last Friday was held with fine adult bringing \$6.03 and bids rejected on kid and yearling.

At present the adult market appears to be about \$5.75 to \$6.00 with kid and yearling hair still not moving much. We did sell some kid and yearling after our sale and while most growers have been informed, the buyer has asked that full details of the sale not be released at this time.

Some 8 months wool was sold in Del Rio with the top lot bringing \$1.11 and \$1.10. The wools were very light and price was only up about 5% which is less than what I had expected for this year's clip.

Louis Powers Named Wagon Boss for Boys Ranch Roundup

Stanley Frank, Chairman for the 1979 West Texas Boys Ranch Roundup, has announced the appointment of Louis Powers as Wagon Boss for Sutton County.

Frank said that Louis' Roundup responsibilities will include letting the folks in Sutton County know of the needs and program of West Texas

Boys Ranch and coordinate the donation of livestock and cash for the Ranch's operating fund.

Frank said, "We are very pleased to have Louis working with us again this year in this very important project for West Texas Boys Ranch. All gifts to the Ranch, livestock or cash, are tax deductible, and those of you who are

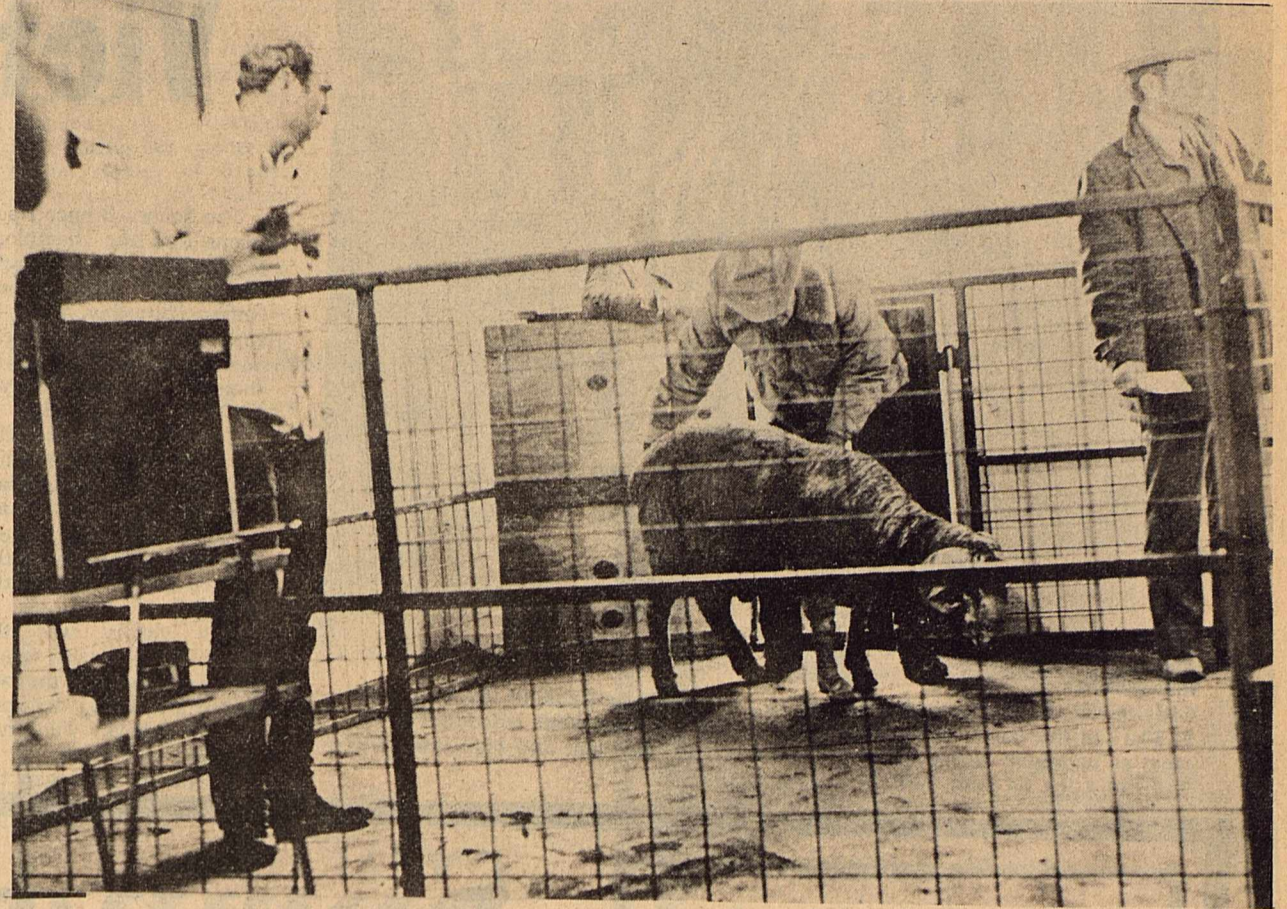

interested in supporting the 72 boys there can contact Louis about how to make your donation."

West Texas Boys Ranch is located 17 miles west of San Angelo and has cared for over 800 boys since it was organized in 1947.

The Ranch operates entirely on the free-will donations and contributions of the public. Frank added, "We do

have a good agricultural program at the Ranch and raise all our own beef and pork, we do not accept federal aid," Frank emphasized.

More information on Roundup and how to admit a boy to the Ranch may be obtained by writing the Ranch business office at P.O. Box 3569, San Angelo, Texas 76901.

This ram bred by Haby and Jordan of Rocksprings took top honors during the Ram Test at the Experiment Station, and brought a record price of

\$5,100 at the auction last Thursday. But only a few minutes later, a ram owned by Pat Rose sold for \$5,500. See story below for more details.

Ram Test Sale Brings Record Prices

Dollar bills flew almost as freely as confetti last

Thursday at high prices in the sheep market spurred

record prices at the 31st Annual Ram Test and Sale at the Texas A&M Experiment Station.

Last year's world record price of \$3,700 paid for a Bill Karnes ram was shattered three times as ranchers shelled out

\$70,370 for 92 rams. Sheep ranchers from all over the United States braved icy cold winds and rain to bid on the various animals, and one sheep man from Kansas came prepared to purchase 10 rams, but could not find a

trailer to rent one-way going home.

The top ranked rams on the test went on the auction block first, and Haby and Jordan of Rocksprings received a record \$5,100 from Ralph Allen.

But just minutes later,

the record fell again as Hawley Pfluger of Eden bid \$5,500 for a Pat Rose ram.

James Hunt also doled out \$4,900 for another Rose ram a few minutes later.

Rose was the big winner of the day as he pocketed \$24,750 for the sale of 10

rams.

Tony Allen was the largest buyer of the day, shelling out \$4,570 for seven rams.

A George Brothers ram brought \$1,200, the highest paid for a Suffolk.

David Walsh was the largest purchaser in the Suffolk category as he

bought six rams for \$2,760.

Rams sold by the Experiment Station also sold well. The 12 Certified Test Rams brought \$7,250; three older certified rams brought \$2,700 and eight non-certified test rams brought \$2,725.

Backup Herbicide Needed if Feds Ban Use of 2, 4, 5 - T

"If we lose 2, 4, 5-T for brush and weed control in Texas, you better be

prepared with a back-up herbicide program," said Dr. Garlyn O. Hoffman,

brush control specialist at Texas A&M University and guest speaker at Velsicol Chemical's brush and weed management seminar held February 26-27 in San Angelo, Texas.

Apparently Hoffman delivered sound advice, because on March 1, 1979, the Environmental Protection Agency declared an immediate halt to most uses of the herbicide 2, 4, 5-T.

Although rangeland uses were not immediately affected, the threat of further EPA action remains.

"Look to straight Banvel as an effective alternate treatment," Hoffman told aerial applicators at the Velsicol seminar.

Four university specialists were speakers at Velsicol's San Angelo meeting including Dr. Hoffman, Dr. Robert J. Ragsdale, Texas A&M University; Dr. Darrell N. Ueckert, Texas Agricultural Experimental Station; and Dr. Robert Steger, Angelo State University.

Each offered their recommendations for proper pasture management and rangeland broadleaf weed control.

Specific topics discussed were deferred grazing practices, economics of treated pastures, effects of herbicides on desirable forbs and comparisons of herbicide effectiveness.

Moderating the meeting was Floyd Simpson, Southwest District Sales Manager for Velsicol Chemical Corporation. Guests included distributors, aerial applicators, and Velsicol representatives.

Coming Next Wednesday THE RANCHER

Ranchers are very special people--to all of us in Sutton County and especially to us at the Devil's River News. That's why we are publishing our second annual edition of "The Rancher"--a special tribute to the rancher who has contributed so much to the economy and prosperity of this area.

Stories and pictures are already in the production stage, and anyone wishing to tell their special story is most welcome to do so. If you would like us to write the story of your ranch or special interests, just give us the facts and we'll be glad to. Be sure to let us know if there is anything special you believe should go in the special tab.

You'll be glad to know our reasonable advertising rates are still the same as last year--\$35 for a quarter page, \$65 for a half page or \$125 for a full page. We're looking forward to seeing you in "The Rancher"!

Judging Team Takes Second at San Angelo

The Sutton County 4-H Club Senior Livestock Judging team composed of Brett Johnson, Lance Love, Clay Friess and Fran Friess, placed second in the San Angelo Fat Stock Show Livestock Judging Contest. Brett Johnson was the third high individual in the contest.

Fifty-one 4-H and FFA Livestock Judging teams participated in the contest. Rule FFA placed first and Miles FFA placed third.

Turney Friess and Bud Arendt are coaches of the Sutton County 4-H Livestock Judging Teams.

Cody Savell strains in pushing himself to a second place finish in the long jump at 20-11 at the Ozona Relays Saturday. Savell was high point individual at the meet as he added on second place points in the pole vault and high jump and also ran a leg on both winning relays.

Bronco Boys, Girls Take Victories at Ozona Relays

Bronco Relays Start Friday

The Sonora Bronco track teams took the championship in both boys and girls division at the Ozona Relays Saturday, just in time to make both of them one of the favorites to win their own Bronco Relays, set to start this Friday.

The girls finished the meet with 159 points while the boys were accumulating 158 as both teams actually had the meet clinched going into the next-to-the-last event, the mile run.

The victory was the second in as many weeks for the girls, but the win ended a two-year dry spell for the boys who had finished two points out of the title at Ballinger the

week before. The boys came out of the field events with a 20 point lead, mainly on the strength of a 1-2-4 finish in the high jump, victories in the shot put and discus by Wayne McLaughlin and three second place finishes by Cody Savell.

The high jump showing was the big surprise as Joey Kirby, participating in only his first meet of the year, cleared 6-0 to notch the title, just edging teammate Savell who also cleared the 6-0 mark on more misses.

Preston Love just missed the third place medal as he nicked the bar at 6-0, and had to settle for fourth place at 5-10.

McLaughlin took the double win in the weight contests again as he heaved the shot 52-7 and the discus 143-2. He also picked up third place points in the long jump at 20-6 1/2.

John Paul Bautista added some extra points with a 43-6 effort in the shot and 108 in the discus, good enough for fourth and sixth places respectively.

Savell added his other two second place finishes in the pole vault and long jump. He vaulted 12-6 for a new personal best, then got off a 20-11 leap to take the runnerup medal.

Although a victory in the sprint relay was not

that unexpected, the win in the 1600-meter relay certainly was as the team of Enrique Sanchez, Juan Mendoza, Savell and George Sanchez held off a last ditch effort by Ozona to take the win in 3:39.9.

In the 400-meter relay, Mike Jones, Joe Longoria, Eddie Favila and Savell took the first place trophy for the second straight week as they brought the baton around in 45.54.

Favila garnered the only first place finish in the running events as he easily outdistanced the field in the 200-meter dash at 23.59.

Longoria was third in the event at 24.77. Favila also added a

second place finish in the 100-yard dash at 10:47, while Cades Pope finished a controversial sixth at 10.7.

The Broncos also added on second place points in both distance events as Rudolfo Ramos took second in the mile run for third consecutive week at 4:58.55, and Enrique Sanchez was nipped at the finish line in the 800-meter dash at 2:05.71. Mendoza was fourth in the 800 at 2:06.32.

Jones tacked on two sixth place finishes in the hurdles events as he ran a 16.39 in the finals of the 110-meter highs after

"All the way Broncos!"

Rosa Noriega grimaces as she comes around the final turn of the 400-meter relay at the Ozona Relays. Noriega could never quite catch the Coahoma girl and the Broncos finished second at 53.42 but won the meet championship.

Ozona Relays.....

cont. from page 2B

qualifying in 15.9, then turned in a 44.97 in the 300-meter intermediates. Jorge Sanchez nailed a fifth place clocking the 400-meter dash at 56.3.

The girls also came out of the field events with a strong lead, posting 58 points.

Much of the reason for the early lead was a 1-2-5 finish in the triple jump where freshman Jessica Robledo bounded to a new 35-0 record, eclipsing the old mark of 34.9 set by Reba Scales of McCamey.

Paula Friess finished second at 33-9, and Marche Lane finished fifth at 31-9.

Rosa Noriega edged Robledo in the long jump for the first time this year as she went 16-0 1/2 for second place. Robledo took third at 15-10, and Friess finished fourth at 15-9.

Stacy Chandler picked up a surprising first place showing in the shot put at 31-9, while Judy York had to settle for a tie second at 30-10 after an error was made in the measurements.

Sandi Wright, with a 81-0 toss, added a fifth place effort in the discus, while Noriega notched a sixth place finish in the high jump at 4-4.

The girls added on victories in the 800-meter

and 1600-meter relays as well as first place finishes in the 100-yard dash by Tonya Evans and the 800-yard dash by Marche Lane.

The middle-distance relay team of Annabelle Gonzales, Evans, Robledo and Friess breezed to a 1:52.1 clocking, while the 1600-meter unit had an easy win in 4:16.93. Members of that squad are Noriega, Lane, Robledo and Friess.

Lane was hard pressed to win her specialty again as Laura Elliott of Iraan pushed her the entire distance, but she still turned in a 2:28.1. Pam Powers added fourth place points at 2:41.3.

Evans qualified first in the 100-yard dash then won hands down in 12.03.

Friess took her second defeat of the year as she finished third in the 400-meter dash at 64.08, while teammates Denise Neal and Noriega took fifth and sixth respectively.

Paige Pollard took second in the 80-yard hurdles at 12.09, and Diana Harding notched fourth in the mile run at 4:26.5.

The sprint relay finished in a surprisingly slow 53.42 as they were edged by Coahoma for first

place. Members of the relay are Gonzales, Evans, Robledo and Noriega.

The girls held a 29 point lead on second place Coahoma who finished with 130 points, while the boys led by 47 points over the second place unit, also Coahoma who finished with 111.

The Bronco tracksters should be favored again in both boys and girls divisions in the Bronco Relays as they kick off Friday afternoon, although neither team should be able to walk away with the title.

Teams entered in both divisions include E llinger, Ozona, Mason, Eldorado, Menard and Junction. Llano is also entered in the girls division and a junior varsity boys division is also slated.

Mason and Junction will pose the biggest threats to the boys, although District 7-AA rival Ozona could be considered a darkhorse threat depending on how the lower place points are divided among the teams.

Llano and Mason should provide the toughest competition for the girls, although Junction could be an outside threat.

Field event preliminaries start at 2:15 p.m. followed by running prelims at 3:15 and finals at 7 p.m.

Netters Win Fourth at Lakeview

The Sonora Bronco tennis team finished fourth in the Lakeview Invitational Tennis Tournament in San Angelo. Friday and Saturday.

The meet was a new experience for the Bronco netters as rain and bad weather forced the meet indoors, the first inside playing ever for the Broncos.

Junction took the meet championship, followed by Mason and host Lakeview. Other teams in their order of finish were Brady, Eldorado, Reagan County and Ozona.

Clair McDaniel of Ozona, 8-0, but fell to Ward Broyles of Junction in the quarterfinals, 8-6. In the fifth place game, he downed Mandile of Lakeview, 8-3.

Hillary Hunt was defeated in the semi-finals of consolation, 8-6, by Shaheen of Junction. After losing her opener to Rachel Robles of Brady, she downed Lori Clayton of Ozona, 8-4.

Janie and Cody Gold opened the girls doubles competition with a resounding 8-1 victory over Blakely and Torres of Big

Lake, but were nipped in the quarterfinals, 8-6, by Bratt and Hillhouse of Lakeview.

Eric Neal and Jerry Don Glasscock lost their opener to Smith and Gonzales of Ozona, 8-4, but took Boseman and Thomas of Eldorado, 8-3. In the consolation semi-finals, they fell to Gardner and Peterson of Mason, 8-6.

Angela Green and Carol Brandon dropped their first round match to Quick and Robinson of Brady, 8-6, and David Martin and Armando Martinez also fell in the first round to

Huffman and Moreland of Ozona, 8-6.

Coach Pam Schulze said her charges were showing great improvement weekly, and she was very proud of their showing at

the Lakeview tourney.

The Broncos faced off against Reagan County in a dual meet at Big Lake yesterday and will enter the Eldorado Invitational Tournament this Friday.

Benny Granger had the highest finish of any Bronco as he once again was edged by Gary Gardner of Junction in the semi-finals, 8-4, and had to settle for a third place win over Holt of Mason, 8-4.

In the first round Granger blasted Mike Dougan of Lakeview, 8-3, then nipped Ed Willoughby of Eldorado, 9-7, to advance into the semi-final contest.

Mary Hanna picked up a fourth place finish in girls singles, losing to Mary Byrd of Eldorado in the final round.

She won her two opening matches over Williams of Reagan County, 8-2, and Silvia Saldivar of Lakeview, 8-2. Lee Burch finished fifth in the boys singles competition as he downed

More things are sold through the Yellow Pages than any other buying guide.

If you think the Yellow Pages is just a listing, think again. It contains all sorts of information that can be extremely helpful no matter what you're shopping for. Like, does the place take credit cards?

What are their hours? Etc. Etc. Etc. Maybe that's why more people read the Yellow Pages last year than just about any book published. Curl up with it the next time you're shopping for something.

Frigidaire Jet Cone Washers.

Every laundry day, you'll be proud of the way they get your clothes clean.

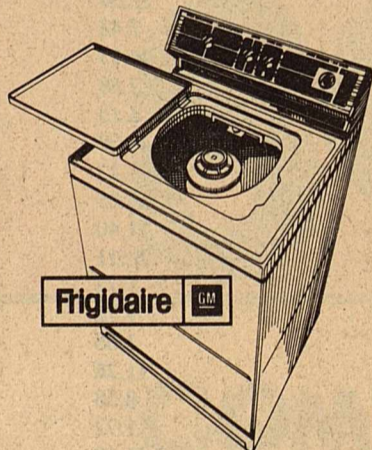

Soften your fabrics while they wash. Automatically. The Fabric Softener Dispenser adds softener during the rinse portion of the Permanent Press and Knit cycle, as well as during the Regular wash cycle. Available at extra charge.

Clothes need to get to the bottom of the tub where cleaning power is greatest. Frigidaire's exclusive up-and-down agitator action effectively circulates clothes.

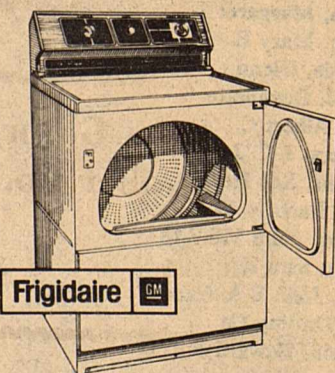

Depend on Frigidaire to keep lint from settling back on your clothes. The Jet Flow Lint Filter traps lint, yet lets water recirculate back into the tub. Snaps in and out for easy cleaning, too.

Frigidaire Automatic Dryers.

They offer care for today's fabrics, backed by the 59-year Frigidaire tradition of craftsmanship.

For uniform drying without damp spots, smooth Sorting Fingers keep clothes opened up... separate... and tumbling freely.

Oversize door opening — one of the largest in the industry — is positioned a comfortable 19 inches off the floor.

Help keep wrinkles from setting, and cut down on ironing time. Thanks to automatic cooldown, clothes tumble without heat during the last 5 to 10 minutes of each cycle.
