### McBee Announces Re-Election Bid

State Representative Susan Gurley McBee of Del Rio has announced that she will seek re-election to the House of Representatives from District 70.

"It is an honor, privilege, and pleasure to serve the people of this district in the Texas legislature," stated Mrs. McBee.

District 70 includes Brewster, Crockett, Edwards, Kinney, Maverick, Sutton, Terrell, Val Verde, and Zavala counties.

Mrs. McBee said she believes that the next session of the legislature will be most important because it will be charged with re-districting all

legislative, senatorial, and congressional districts in the state. "The future of our area will be greatly affected by what happens during this re-districting procedure, and I think legislative experience and a thorough knowledge of our district is essential," stated Rep. McBee.

Mrs. McBee is currently Chairman of the Elections Committee, Chairman of the Agricultural Commodities Subcommittee, Vice-Chairman of the Election Code Revision Committee, Vice-Chairman of the West Texas Delegation and a member of the Legislative Council.

### Lions Club Sweetheart Contest Tuesday

The annual Lions Club Ladies' Night and Sweetheart Contest will be held Tuesday, February 5 in the 4-H Center. All Lions Club members and wives are invited to attend.

### Kappa Gamma Dance "A Terrific Success"

The Sonora Chapter of Epsilon Sigma Alpha, Kappa Gamma, held a fund-raising dance Friday night to benefit their scholarship fund. Kappa Gamma awards a scholarship each year to a graduating Senior with a B or C average. This scholarship is meant to benefit the middle class student who wants to continue his education. Last year's winner was Steve Alley.

The dance was chaperoned by the sorority members and their husbands.

A dance contest and several drawings were held with prizes donated to the Chapter by local businesses and individuals.

Those businesses and individuals contributing to the success of the fund-raiser were Windsor Gas, the Wool House, Hurry Up, Pearl's Pizzeria, Sonic, Sutton County Steak House, Nelda Mayfield, Westerman Drug, Tim's Liquors, the Jug, Dairy Mart, Bright Spot, O'Bryans Fashions, Jo Ann Wilkinson, and Lucy Kelly.

"The dance was a terrific success," reported Marlene Evans, member of the Kappa Gamma sorority. "We had about 180 junior high and senior high students from Sonora and surrounding communi-

ties. We are looking forward to doing this again, as a good time was had by all who attended," she added.

The winners of the dance contests included Natalie Holguin and Philip Vargas and Hector Samaniego and Daphney Smith.

The drawing winners included Sherry Kirby, Tracy Lee, Joey Samaniego, Michael Penalver, Elsa Quiroz, Liza Kelly, Matt Favila, Abel Sanchez, Candy Cauthorn, Jesus Herrera, Jr., Glen Mauldon, Philip Vargas, Mike Phillips, Tino Martinez, and Ricky Wright. Also winning prizes at the drawing were Leslie Saylor, Jeff Tidwell, Carla Jungk, David Beserra, Trudy Taylor, Rose Vela, Tim Flower, Joe Noriega, Doug, Martin, Homer Samaniego, Tammy Tidwell, Randy Kellogg, and Mary Lou Arredondo.

The Sorority sisters would like to extend a thank you to Sheriff Bill Webster and his officers for their cooperation in making the dance a pleasant experience for everyone involved and attending.

They would like to extend a special thank you to disc jockeys Steve Pagan of Ozona and Dennis Jolly and to Jimmy Gonzales for his assistance.

Pictures will be in next week's edition of the Devil's River News.

### C of C Industrial Committee Meeting Held

The meeting was held in Bill Morriss' office downtown with the following present: Morriss, County Judge Charles Sherrill, Mayor Doyle Morgan, City Manager Jim Dover, C of C President, Glen Fisher, Don Dooley, Les Robertson, Gary Pair, Robert Brown, James Dickason and C of C Manager Lou Thomas. Tom Metzger also attended.

County Judge Charles Sherrill gave a brief report on the existing Industrial Foundation, formed in 1966 and noted that he believed we should proceed with the forming of a separate Industrial Development Corporation, and leaving the present Industrial Foundation as is. He also stated that it would, in his opinion, be best for the City of Sonora, rather than Sutton County, be the organizing entity. Morriss suggested that Sherrill and Morgan get together and work out details, etc.

Glen Fisher stated that he had talked with Steve Swift about serving on the committee and that Swift agreed, providing it was not too time consuming.

Morriss stated that he had talked with someone with Amoco and that the company planned to join the C of C.

Mayor Morgan stated that, after checking around, that it seems we do have more sites than he thought was we had in Sonora. Morriss stated

that Bill Shurley was coming to Sonora and that he and Shurley would get together and discuss sites, etc.

Re: Bradford Properties of Austin, who has been checking on an industrial location for a client, Morriss suggested that Thomas contact George Puckett and advise him that we were in the process of forming a non-profit industrial Development Corporation, pending approval of the City Council.

Morriss told the group that an industrial foundation seminar is to be held March 16 through 22nd and if anyone wanted to attend, that information would be in the C of C office. The seminar will be held at Texas A&M University at College Station and deadline for submitting application is February 22, 1980. Tuition is \$250, which covers all costs of instruction and materials.

Morriss suggested that we contact someone with each of the lending institutions for membership on the industrial committee.

The committee decided to meet Monday at 8 a.m. February 25th, prior to leaving for Austin to attend seminar the next day, the 26th, Tuesday. Meeting adjourned.

Jan. 28th: 5 rooms with twin beds (2) and 1 room (single) have been reserved at Driskill Hotel, Austin. rooms are \$51.00 plus 7 percent tax.

### Sutton County 4-H Club To Meet Monday

The Sutton County 4-H Club will hold its February meeting on Monday, February 4, 1980 at 7:00 p.m. at the 4-H Center.

The program will be presented by Mr. Sonny Turner from Southwest

Texas Electric Co-op Inc., in Eldorado. Mr. Turner will be discussing the Citizenship Tour to Washington, D.C. and related contests available to Sutton Co. 4-H members.

All members are urged to attend.

### Chemical Weed Control Sets Up Sonora Office

Chemical Weed Control has come to Sonora.

Owned by Don H. Wilson of Brownfield, Chemical Weed Control has been in business for 20 years and has offices in Brownfield, Sinton, and Andrews, Texas with an office also located in Hobbs, New Mexico.

Herb Jones of Sonora is the manager of the Sonora Area Office. The office is located off IH 10 on the Golf Course road.

The main purpose of Chemical Weed Control is industrial spraying.

They control bitterweed and grass burrs on right-of-ways and will spray drilling locations for safety purposes.

They have done spraying for producers such as Lone Star Gas, Amoco, HNG, R.L. Burns, and El Paso Natural Gas. The area served by the Sonora office extends north and west to include San Angelo, Big Lake, and Ozona.

Chemical Weed Control also does agricultural spraying using Soil Sterilants, and Selective Weed Control. For more information, contact Herb Jones at 387-5169.

### March Of Dimes Week Set

The first week of February has been designated as March of Dimes week in Sonora. March of Dimes volunteers are asking all of us to support their fight for prevention of birth defects during their February community wide drive.

Miss Vivian Miears is Mothers' March Chairperson again this year. Citizens of Sonora will be asked to contribute in one of three ways: The Mothers' March, mailers or student coin envelopes.

Every year, more than a quarter-million newborns stricken at birth with physical or mental damage. This high toll means that any family can be affected by birth defects.

The March of Dimes has unified a national effort to learn the causes of birth defects, as well as the most effective ways to treat impaired limbs, metabolic disorders, genetic diseases, and retarded minds.

Prevention of birth defects will come through support of research that probes environmental and genetic causes; through a medical services that provide early diagnosis and treatment of a troubled pregnancy that jeopardizes the health of a mother and her unborn baby; through professional education programs that train physicians, nurses, and other health professionals in improved maternal/newborn services; and through public health education to alert people to the knowledge already available that reduces the risks of certain birth defects.

The March of Dimes supports such programs around the country. Bit if they are to grow, and officer families greater help, continued public support is essential. Programs in Sonora and throughout Texas are among those that will benefit from contributions to the March of Dimes.

# Bertha Galvan And Carlos Guterrez Vows Exchanged

Mrs. Bertha Guterrez, daughter of Mr. and Mrs. Felix Galvan from Sonora announce wedding vows to Mr. Carlos Guterrez, son of Mr. and Mrs. Encarnacion Guterrez from Sonora.

The vows were exchanged on January 5, 1980 at 3:00 p.m. at the St. Anns Catholic Church under the direction of Father John Waldron. A reception followed the ceremony at the 4-H Center. Dance music was furnished by Angel Flores.

## Green News by Jane

1980 looks good! New carpet in the clubhouse, restroom improvements for the ladies and everyone can enjoy a super new television. Many thanks to hard workers and generous donations by club members.

Danny Doan, our new pro, is keeping things going. Monday nights include cards, dominoes, TV, conversation, Melba and her delicious food. Danny

plans a Fling Ding Open Tourney Sunday, Feb. 3rd. Good work, Danny.

Wanda Neville brought home prizes from Del Rio Couples Tourney held Jan. 12th and 13th. Closest to the pin both days....how 'bout that, Dur?

Carol Thorp, Mary Barrow and Velma Hunt, with Louise Odom's assistance, treated our Jan. Auxiliary meeting with food, drink

and all-around good time. New auxiliary officers are: President - Trevlin Luttrell

Vice-President - Becky Johnson  
Secretary-Treasurer - Muriel Brown

Trevlin is also serving as Treasurer for the Golf Club. Jerry Hopkins is our new President and Lin Hicks, Vice President.

Golf balls were presented to Sammie for the most chip-ins, 101 in 3 months?? That's hard to beat. Becky was most improved player, but Becky is not so sure about this. Jane finally

put 2 rounds together and shot some kind of ridiculous score of the month.

We welcome Rhonda Brown, Wanda Edmiston and Joan Brown, as new auxiliary members.

Weather permitting, Roadrunners Golf Play for the women is scheduled for Tuesday, Feb. 19th in Sonora. And it's time to find a partner for the Men's Spring Partnership in April and the Ladies Partnership, also in April. Let's all get out and improve our chipping and putting, along with a few other little minor golf shots.

**An Open Letter**

Fellow Citizens of Sutton County:

Approximately eight months ago, various citizens of Sonora asked me, as commissioner, to help in efforts to have a traffic light installed at the intersection of St. Ann's Street and Hwy 277 South.

After a long battle and with the help of many friends, our necessity has materialized.

For their support, I would like to thank the following persons. Johnny Hernandez from Temple, Texas, also Maria Elena Martinez and Rudy Davila, Director of Public Relations-Texas Dept. of Community Affairs, Austin, Texas.

For use of airplane, and flight time, thanks to John David Fields and Freddie Gandar of San Angelo for use of camera.

For meeting with me at San Angelo, thanks to Mr. Lupe Chavez, Luis Perez and Charlie Graves.

For accompanying me to Austin, thanks to Jesus "Charol" Herrera.

For the excellent news coverage, thanks go to Tom Metzger and employees of Radio Station KVRN and Gus Allen and employees of Devil's River News.

For moral support, I want to thank my family, Lilia,

Emily and John, also Jerry Diaz of San Angelo.

I am forever grateful to the persons who helped with our petition. Thanks to Ernest and Marie Barrera, Lupe Chavez, Maura Hernandez Weingart, Pete Gomez, La Tienda Inc., Rosa Elena Sanchez and Lucy Ramos, The Big Tree Restaurant and Olga Romero also Deborah Hinton and all persons who gave us their signatures.

Also thanks to the employees of the Sonora Highway Dept. for their excellent work at the intersection and to members of the Sonora School Board for their concern for the safety of our school children who travel through this intersection daily.

Thanks also go to my fellow employees, engineers, and supervisors at Dresser-Atlas for the various ways in which they helped.

And last but not least, thanks go to Judge Charles Sherrill and Charlie Graves and members of Commissioners Court and to the person who helped us achieve victory, State Representative Susan Gurly McBee of Del Rio.

My sincere thanks, Juan Carlos Gonzales

**IH 10 Comfort Stations  
Construction Planned**

Work has begun on constructing comfort stations 6.5 miles West of Sonora on I.H. 10, announced Joe W. Lane, Supervising Resident Engineer of Sonora who is in charge of the work for the State Department of Highways and Public Transportation (DHT).

Wagner and Sons Paving Co., of San Antonio is the general contractor of the project that will be completed in about nine months depending on weather conditions.

"During construction the areas are closed to the travelling public," said Joe Lane. "When completed the areas will include comfort station (restrooms and water fountains), arbors, with tables and cooking grills, recreational vehicle sanitary dump unit, water and sewerage system, and an illumination system," continued the Resident Engineer.

The work will not interfere with through traffic on I.H. 10.

**Sonora Minister Speaks**

We live in a success and competition oriented society, where those who do not always make it, and those who lose rather regularly, are likely to find themselves looked down upon. Now success and competition are both good when they are placed in proper perspective, but to too many, success means only material things, and competition means winning is the only reason for playing the game. I have known some wealthy people who were miserable failures in life; I have known some competitors who won consistently, but who were obnoxious and unpleasant to be around. I would like to give you another definition of suc-

cess and competition, and challenge you to be successful and competitive in your living.

Success: the ability to live the kind of life that encourages those about you to be proud of themselves because you call forth the best in them.

Competition: a stance in life which demands your best efforts to better your previous record, not an effort to put others down. As a golfer shoots against par, let us choose a par for ourselves. For one who claims to be Christian, par will be the lie seen in Jesus of Nazareth.

Now, go to it!

the 1980 budget has been prepared and will be presented to the Board of Directors in their next monthly meeting on February 6th.

The Red Carpet Committee met Tuesday evening on January 22nd at the Church of the Good Shepherd with the following in attendance: President, Debbie Metzger, Vice President Shelley Chaney, Sherrill Dooley, Lori Shuler, Harva Cooper, and Sara Wade. Metzger reported that she had written

Center regarding name tags. A monthly Newcomer's Coffee is tentatively planned for February 14th with Harva Cooper, Sandra Cooper, Camille Green and Judy Miles coordinating the event. Metzger tendered her resignation and Shelley Chaney will replace her as president. A big thank you is extended

Debbie for her groundwork and persistent dedication in getting the new committee formed and working properly!

Friendly face around town this week is Linda

Johnson at the Federal Land Bank Association.

Looking back, in February, 1959 these C of C directors met in the elementary auditorium: President Edwin Sawyer, Chas. E. Browne, Wes Young, Gay Copeland, Son Allison, Marion Elliott, Jerry Shurley and James Hunt. The approval of the by-laws was made and a discussion of committee appointments and future operations was held.

Downtown Sonora is enhanced by the recent painting of The Sonora Agency and timely, with the Beauti-

fication Project getting underway.

Watch for an announcement by Mrlene Evans regarding Girl Scouts (nationwide) descending on Sonora in July.

Newcomers: Please call Shelley Chagy or Lori Shuler at 75630 and 7-3821, respectively for information of Sonora and the Newcomer's office being planned for you.

The next C of C Board of Directors meeting is slated for Wednesday evening at 7:00 p.m. February 6th in the Founders Room at the First National Bank.

## Accident Injures Sonoran's Daughter

Mr. and Mrs. B.W. Ramos have reported the accident of their daughter,

Mrs. Rebecca Bernal and grand-daughter Catherine Bernal from San Angelo,

which occurred January 19th at 8 p.m. The accident happened 7.9 miles north of Eldorado.

The driver Carlos Martinez from San Angelo and the above mentioned were on their way to Sonora for the weekend.

The Ramos report that their daughter has undergone knee surgery and is still being treated for less

severe injuries. Their granddaughter escaped with no injuries.

## Richard Barker On Dan's List

The Dan's Honor Roll for the 179 fall semester has been announced at the University of Oklahoma.

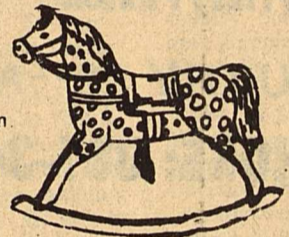

In most colleges on the Norman campus, the minimum grade point average for honor roll listings is a 3.5 (of a 4.0 scale). Students in the College of Engineering and the College of Environmental Design, however, are recognized with a 3.0 average or better.

Richard L. Barker of Sonora was one of the students making the honor roll. He has a grade average of 4.0.

# Varsity Boys Lose To Ozona - Girls Win

The Varsity boys lost a district heartbreaker in overtime last week as they fell to the Ozona Lions 46-45.

The Broncos led during most of the game with a 10-8 lead at the end of the first period of play and a three point edge 20-17 going into the half. The Lions would not let the Broncos break the game open, matching them basket for basket during the last half, until, with less than a minute left in the game Sonora was ahead 36-38. The Lions stole the

ball but could not cash in the turnover for a score, the Broncos got the rebound, but also could not convert. Then, with no time left on the clock, the Ozona squad got one from the floor to send the game into overtime.

Eddie Favila scored first in the overtime, but the Lions quickly answered with one of their own. Favila got a second shot, then Ozona got four from the free shot line to give the Lions the advantage. David Creek tied it for the Broncos, then got one from

the charity line to give the Broncos one point lead. Ozona got two chances from the charity line, and made both of them to give the Lions the final victory.

Jesse Vea and Creek had ten each to lead the scoring for the Broncos. Favila and David Rena added eight each, while Kent Cagle had seven and Johnny Doan, two. The Broncos now fall to 0-3 in district competition.

The Varsity girls won their first district game as they downed the Ozona Lions in Sonra last Friday,

55-48. They put the district crown once again up for grabs as each of the three teams now have a record of 1-1. Jamie Condra led the scoring for the Broncos with 18 points in the see-saw contest that was not really decided until the last two minutes of the game when the Broncos gained an eight point advantage. Trailing at the half 28-31, the Broncos led the scoring in the third quarter to gain the lead 36-24 going into the final buzzer. Jessica Robledo added twelve points, Paige Pollard,

eleven, Annabelle Gonzales, eight, and Jessica

Robledo six. The Broncos are now 15-7 on the season.

and face Iraan and Lakeview this week. Their next

district game will be in Crane.

### Awana Club Organized

The Trinity Baptist Temple Church, West Fourth and Menard has started an AWANA Club for boys and girls kindergarten through 8th grades. Games, team competition, weekly prizes, Bible study, music and outings are being planned for the year.

All clubs meet on Monday nights from 7:00 to 8:30 p.m. These meetings will begin with a flag ceremony honoring both the American flag and the Awana flag, followed by an active game period. The handbook time allows personal club-leader relationship as young people study Bible achievements and crafts.

The council time includes songs, announcements, awards and stories.

Ron Ammons and Wanda Halford, commanders of the Awana Clubs, emphasize, "All young people of the community are invited. For pre-registration and additional information, call the church office, 387-2377."

The Awana Clubs of Trinity Baptist Temple are part of the Awana youth association, a non-denominational, service organization headquartered in Rolling Meadows, Illinois. Awana Youth Association sponsors clubs in local churches in the United States, Canada, and foreign countries. These clubs are for the purpose of stimulating social enjoyment, physical activity, and Bible study. A unique four-team competition, variety in club programming and a progressive system of achievement contribute to accomplishment of these goals for the individual clubber. The nine-year Awana program offers uniform awards and trophies as clubbers reach successive plateaus of achievement.

The Awana name is derived from the first letters of the Scriptural reminder that "Approved Workman are not Ashamed" (1 Timothy 2:16).

### Colts Undefeated In District

The Sonora Eighth grade boys won their eleventh game of the season as they overcame the Big Lake Owls in Big Lake Monday night.

Big Lake started the scoring when they got one from the free shot line, and the score remained 1-0 until 3:27 in the first quarter when Ronnie Pollard got back-to-back layups to put the Colts ahead, 4-1, and that was the score until the opening minutes of the second quarter when Pollard got three more baskets. Then Jay Thomas added one from the floor, Jeff Brittain got one from the corner, and Louis Oliver added a two point basket to give the Colts a 16-9 lead going into the half.

The last half belonged totally to the Colts, as they dominated both on offense and defense. Tino Martinez converted three steals into baskets in the final minutes of the last quarter and the Colts had a decisive victory 38-15. Pollard was leading scorer for the Colts with twelve, Martinez added ten, Brittain, six, and Thomas, Oliver, Randy Metzger, and Mike Poloczek added two each. These Colts are having a fine season, marking their only loss to Ozona 20-18 in tournament competition last week. They have beaten Menard once, Ozona, thrice, Big Lake twice, Iraan twice as part of their 11-1 season and are undefeated in district play. They will compete January 30, 31, February 1, 1980 in the Big Lake tournament.

## Buddy Temple Announces RRC Candidacy

Urging a Texas solution to the energy crisis, State Representative Buddy Temple formally filed today for the six-year term on the Texas Railroad Commission.

Temple said, "We can't depend on OPEC for solutions to our energy problems. As a nation, we have to become self-sufficient for our economic well-being and our security."

"Texas can and must provide the leadership to solve our energy problems. As the producer of a fourth of the nation's domestic fuel, Texas ought to lead the way. The Railroad Commission, as our energy agency, ought to be in the forefront of the solution. And the commission should be articulating the Texas energy position forcefully in Washington."

"We have to get the government out of the way of the independent producers and let them get on with their business."

"As for the campaign itself, it is going better than I had ever expected. Fundraising is coming along exceptionally well."

We have a campaign organization in-place in each of the major metropolitan areas, and we will be able to put on a broad-based campaign in the Texas tradition.

and six days a week, aggressively seeking the office on a full-time basis. And I intend to work just as hard for the people of Texas once I am elected."

## Windfall Profits Tax Revisited

FROM THE OFFICES OF SENATOR LLOYD BENTSEN.....

Senator Lloyd Bentsen on Tuesday said a compromise reached by conferees on the so-called windfall profits tax will save \$35 billion for smaller, independent oil producers.

"There's no question but what the compromise on the Bentsen amendment is a big victory not only for independent producers but for increased domestic production—and for reduced dependence on uncertain,

expensive foreign oil imports," Bentsen said after the agreement was reached.

"Independent producers drill over 90 percent of the exploratory wells in this country. Over the years they have reinvested \$105 for every \$100 they have generated in revenues. That means the \$35 billion we have saved them in this tax bill will translate into \$37 billion worth of drilling activity."

The House version of the windfall profits tax gave no special exemption to inde-

pendent producers. In addition, it cut the depletion allowance, limiting it to only the present controlled price of oil.

The Senate bill included the Bentsen amendment, which exempted from the tax the first 1,000 barrels per day of oil produced in the United States by an independent producer. In addition the Senate, with Bentsen leading the fight, defeated a proposal to curtail the depletion allowance.

The compromise reached

Tuesday allows the full percentage depletion allowance. It also established a 50 percent tax on oil from tiers one and two on the first 1,000 barrels a day produced by an independent, compared to a 70 percent tax rate for other production of tier one and two oil; and a 30 percent tax on the first 1,000 barrels an independent producer from stripper wells, compared to a 60 percent tax for other stripper well production. A 30 percent tax rate applies across the board for

newly discovered oil, tertiary production and heavy oil production.

"The fact is that the House bill would have assessed a \$57 billion tax on independent producers, to the detriment of increased oil production in this country," Bentsen said.

"We cut that back to \$22 billion in conference and, while it's not as good as the original Bentsen amendment, it is a savings of \$35 billion that will prove very helpful in efforts to reduce our dependence on foreign oil," Senator Bentsen said.

## Giddings Field Flares To Be Minimized

The Railroad Commission today scheduled a mid-February hearing to determine efforts of operators to minimize the venting or flaring of gas in the expanding Giddings (Austin Chalk) Field that stretches through Lee, Bastrop, burleson and Fayette counties in Central Texas.

Called by the RRC's Oil and Gas Division, the hearing will convene at 10 a.m. on Feb. 12 in the main auditorium of the Commission's headquarters building at 1124 South IH 35 in Austin.

Commission orders prohibit the venting or flaring of casinghead gas in oil

fields in which gas processing plants are situated or connections to markets or other legal uses of gas are available.

The Giddings (Austin Chalk) Field is regarded as one of the most active areas in oil development in the country. Some 40 operators have completed more than 200 wells there in recent years.

The notice of hearing directs operators in the field to appear and provide evidence which:

- indicates whether or not gas is being vented or flared from their wells.
- accurately reflects the estimated daily volume of

any gas being vented or flared.

--describes the operator's efforts to obtain pipeline connections for any gas being vented or flared

Also, the notice directs all gas pipelines in the vicinity of the Giddings (Austin Chalk) Field to appear and offer evidence concerning their efforts and their plans for the future to ensure that connections are made as quickly as possible in the field.

All operators in the field and five pipeline companies have been made parties to the proceeding. The pipelines are Ferguson Crossing Pipeline Co., PGP Gas Products, Inc., Sterling Pipeline, Clajon Gas Co., and Phillips Petroleum Co.

Failure to appear at the hearing will be deemed a waiver of the right to object to orders issued by the Commission as a result of the hearing, states the notice.

Following the hearing, the Commission will consider taking whatever action is necessary to eliminate the venting and minimize the flaring of gas in the Giddings (Austin Chalk) Field.

## Crude Oil Nominations Announced

February 1980 nominations for the purchase of Texas crude oil total 1,652,720 barrels daily, the Railroad Commission's Oil and Gas Division reported today.

Purchaser nominations for January 1980 totaled 2,671,478 barrels daily. Comparable purchaser nominations for February 1979 totaled 2,825,681 barrels daily.

The Commission will set the February production allowances during the monthly statewide oil and gas prorating hearing at 9 a.m. Thursday in the Quality Inn in Austin.

The statewide oil allowable for January is set at 100 percent of market demand with actual production expected to approximate 2,590,000 barrels daily.

The Oil and Gas Division reported final tabulations place purchases of Texas crude oil in November at 2,594,986 barrels daily, or 29,624 barrels below nominations for that month.

## Bergland Explains Russian Boycott

The following excerpts are from the statement issued earlier this month by Secretary of Agriculture Bob Bergland regarding President Carter's decision to suspend shipments of agricultural commodities to the Soviet Union.

For urgent reasons of national security and foreign policy, the President has directed the Secretary of Commerce, in consultation with the Secretary of Agriculture, to suspend all grain shipments to the Soviet Union in excess of the 8 million tons per year which we are committed to sell under our five year grain sale agreement. The President has also directed that exports of other agricultural products to the Soviet Union be suspended.

The President has also directed that actions be taken to insure that the burden of the suspension on agricultural deliveries to the Soviet Union will not fall unfairly on farmers.

The Secretary of Agriculture will use existing authorities to remove feed grains and wheat from the market and to offset the expected decline in market prices.

To encourage producers to place additional grain in reserve, the regulations governing the farmer-owned grain reserve programs will be amended.

In the absence of actions to offset the decline in export shipments and the associated decline in commodity prices, the suspension on shipments of agricultural commodities would have these impacts:

A reduction of 1980 farm income on the order of \$3.0 billion. This would be the consequence of a decline of about 4 million tons (147 million bushels) of wheat, about 13 million tons (512 million bushels) of corn and about 1 million tons (37 million bushels) of soybeans and soybean products, and a decline in calendar year 1980 prices of about 15 cents a bushel for

corn and the other feed grains and 25 cents a bushel for wheat and soybeans.

A reduction in the value of agricultural exports of about \$3.0 billion. About two-thirds of this would be a reduction in the value of corn exports, with the remainder mostly wheat, soybeans and soybean products, but including some reduction in the value of exports of chicken, inedible tallow, nuts and preparations, cattle hides, and other commodities.

A small, but essentially negligible, downward thrust on consumer prices for food in 1980.

To assure that the unshipped wheat is removed from the market, the Commodity Credit Corporation is prepared to purchase up to 4 million tons of wheat.

We will request an urgent supplemental for FY 1980 to augment current foreign food assistance programs. Purchased wheat would be used to assure

that our future food aid commitments are met.

We believe that most of the 13 million tons of corn affected can be diverted from the market through our amended reserve program. If necessary, we will take additional steps to remove this corn from the market.

To prevent excessive production in 1980, we are prepared to offer paid diversion programs for grain producers this year in subsequent developments warranted.

To promote the exportation of U.S. agricultural products in other commercial markets, amendments to the non-commercial risk assurance export credit program will be proposed to make it a fully federally guaranteed credit program.

In addition to the traditional sources of demand for agricultural products, the production of alcohol for gasahol will be an increas-

ing source of demand for agricultural products. At present, quantities used to produce alcohol are small, but with the incentives supported by the Administration, future growth will be rapid.

The measures being taken to offset the impact will essentially eliminate the reduction in farm income, but will add \$2.5 to \$3.0 billion to budget outlays during FY's 1980 and 1981, with about \$2.0 billion of the increase coming in FY 1980. Most of the increase in budget outlays will be associated with the removal of corn and wheat from the market, and, therefore, the budget impact will be lowered when these commodities move back into the market and loans are repaid or sale proceeds obtained.

Assuming a suspension through CY 1980, the reduction in the value of agricultural exports would be \$2.0 to \$2.25 billion.

### Jerry Lackey's Country Folk

James Kelly Schmidt, young Mason Hereford enthusiasts, is following in the footsteps of his father, Kelly.

James was busy at the Mason County Stock Show grooming his steer for the show ring. "I just want to do well," he said looking at his mother.

"He was wishing his father was here giving him last minute pointers instead of me," commented Mrs. Schmidt. "Kelly is at the ranch making the feed round."

Well, that has been the case in every show this winter. At the Gillespie County Show, I was walking through the big beautiful showbarn the other day and found Mrs. Duery Menzies helping her first grader groom a steer.

"Where is Duery (Gillespie County Agriculture Agent)? I asked knowing he was not out feeding at the ranch.

"Over there in the next row helping a student," she said pointing with the clippers. And looking over, there he was working... and me with no camera!

I looked around for Editor Terry Collier with his camera but couldn't locate him in all the crowd.

The stock shows seem to have larger classes than ever this season. James Wootton was telling me there were over 239 lambs in the Harper Community Show alone this year. Maybe that explains the big lamb show in Fredericksburg. They are coming from the west part of the country.

Fredericksburg had a big number of turkey in the county show again this year. Those numbers have been down in the past several years.

"Again, it really comes down to the kids and what their friends are doing," said Miles teacher Milburn Wright. "We have seen an increase in rabbits at our show."

Wilburn Fry was saying at Mason, there seems to be an increase in swine numbers.

But the sheep and goat country is still holding its own in Kerrville at the Hill Country District Show...at Junction and Sonora. Out west at Fort Stockton, Rambouillet lambs along with steers will go all the way to Fort Worth, San Antonio and Houston.

Just the same, it was a little different to see cotton farmers like James Eggenmeyer fooling with sheep.

The Houston Livestock Show and Rodeo today announced a change in the line-up of featured entertainers who will be performing at the 1980 Rodeo, February 22 - March 2, in the Astrodome.

Moe Bandy and Joe Stampley (Moe and Joe) will appear at the evening performance of the rodeo on Wednesday, February 27. Moe and Joe replace the previously announced duo of Eddie Rabbit and Rany Durley. Rabbit and Gurley are unable to fulfill their contracts with the Houston Livestock Show and Rodeo.

Moe Bandy and Joe Stampley are each individual stars in country music. With similar strong styles, they sing country music that reflects the roots of the people and places that made country music so popular. Each has been

recognized for singing country music as it's meant to be sung.

When Bandy and Stampley teamed up as Moe and Joe, they made millions of new fans and became everyone's favorite "Good Ole Boys." Their individual careers have continued to climb; but as a team, they've become the hottest duo in country music today. Their three singles as Moe and Joe have been chart toppers. At the February 27 evening performance, they'll be performing individually and as Moe and Joe, the hottest team in music.

Moe and Joe complete the biggest line-up of stars in Houston Rodeo history. The rodeo opens on February 22 with a matinee performance by Shaun Cassidy; then, Anne Murray, February 22, evening per-

formance only; Charley Pride, February 23, two performances; Charlie Daniels Band, matinee only, February 23; Larry Gatlin and the Gatlin Brothers Band, evening only, February 24; Statler Brothers, February 25; Barbara Mandrell and John Conlee, February 26; Moe Bandy and Joe Stampley, February 27; Mel Tillis, February 28; Kenny Rogers and Dottie West, February 29 and March 1, three performances; and Crystal Gayle, March 2.

Rodeo tickets are \$3, \$4 and \$6 and may be purchased by mail. Write Ticket Director, Houston Livestock Show and Rodeo, P.O. Box 25395, Houston, Texas 77005. Exchanges on tickets purchased for Rabbit and Gurley will be handled through this same office.

## Author Looking For Ghosts

Know any ghosts? Ghost stories? Texas author Ed Syers is hunting them, wherever they may haunt Texans and particularly in the Sonora area.

Syers, who has written many books on Texas including the heritage collection, "Off the Beaten Trail" a three-volume historical series, two novels and a

new guidebook titled "Backroads of Texas", believes that a region's story is incomplete without its tales of the supernatural. "We are a land of many cultures," he says. "Each has its ghosts."

His collection, to publish in approximately one year, will include such classic phantoms as the sentinel

ghost at Techuacana near Waco, the headless squaw near Stephenville, the ghost hounds of Orozimbo on the coast, the headless horseman of South Texas brush country, the South Plains ghost herd at Stamped Mesa, West Texas' inexplicable Marfa light, and many others.

"I'm after the ghost story known to enough

people long enough to establish some credibility," Syers says. However, he intends to investigate any report that he believes merits inclusion in the series.

You may write him directly at Ingram 78025 (or in care of this paper). He suggested that area residents might add to the Legend of the Wolf Girl of the Devil's River.
