Womans Club Sets Bake Sale

Sonora Woman's Club Easter Bake Sale will be held April 3 on the Court House lawn. If the weather is bad, the sale will be held at Hill's Jewelry. Sales will begin at 9:30 a.m. Woman's Club members are urged to have their baked goods at the Court House by 9:00 a.m.

Shine Sonora Proclamation

PROCLAMATION
By: Mayor Doyle Morgan
WHEREAS, the citizens of Sonora are undertaking a city-wide beautification project, hereinafter referred to as Shine Sonora.
Whereas, I, as Mayor of the City of Sonora, do hereby proclaim the entire month of April as Shine Sonora month.

The Beautify Texas Council, in cooperation with the activities of Keep America Beautiful, is observing April, 1980, as "Youth Activity Month" in our State.
In official recognition whereof, I hereby affix my signature this 20th day of March, 1980.
Doyle Morgan, Mayor
City of Sonora

May 3rd is the date of the first Democratic and Republican primaries in Texas.
National, State and County elections will be held at this time.
Absentee voting in the elections will begin on April 14 at the County Clerks office in the Court House.

25 cents

Mayor Doyle Morgan signs the proclamations recognizing and naming Sonora's Beautification Project.

"Shine Sonora" Project Means Enforcement Of City's Ordinances

City Manager Jim Dover has instructed Chief of Police Brent Gesch to enforce several ordinances in order to expedite the city wide beautification project which will get into full swing during the first week of April.

Two ordinances were passed by the City Council in 1970 and in 1975, concerning the removal of "junk" automobiles parked on the city streets and in yards in the city limits.

Section 1 of the ordinance passed by the Council in 1970 reads as follows:

Any vehicle or other property or obstruction, placed, left standing, parked, erected, or lying in violation of any ordinance of the City of Sonora or left unattended for more than forty-eight (48) continuous hours in or on any public street, alley, sidewalk, park or other public place of said City shall be removed summarily by an employee of the City of Sonora and taken to the City pound and shall be kept there until redeemed or sold as herein provided.

Sections 2-10 concern the impoundment of such vehicles, and subsequent sale therein. Also explained in these sections is the redemption of such property. Fines

for taking and impounding of any personal property shall be ten (10) dollars and shall be paid to the City Treasury.

In 1975, another ordinance was passed by the Council concerning the vehicles parked in yards within the city limits. Section 1 of this ordinance reads as follows:

It shall be unlawful and a nuisance for any person to leave, park, or stand for a period of longer than seven days in front, side or rear yard of any lot or tract of land in the City, any motor vehicle or airplane which is in a condition as to make it incapable of being driven or operated, unless such vehicle is screened from view of the public by a solid wall or fence at least six feet in height.

Section 2 reads; The terms "incapable of being driven or operated" as herein stated shall include, but not be limited to, any motor vehicle which fails to display a current motor vehicle inspection sticker or current valid license plate which has one or more flat tires.

The fine for violation of this ordinance has been set by the Council not to exceed two hundred dollars (\$200.00) for each offense.

The City has also planned to help in the Clean-up campaign by lending their trucks to pick up garbage

after it has been bagged or boxed as the case may be by citizens participating in the city clean up project. Dover requests that all debris collected by placed in trash bags or boxes to keep it from blowing back into ditches or other places that have been cleaned up.

The City currently has a pick up service for limbs and hedge clippings on Friday of each week. The City requires that all limbs to be picked up be less than five feet in length and not weigh more than 100 pounds to a bundle. Trash collected shall not exceed two (2) cubic yards in volume or a single truck load.

In order to have a city pick up of limbs or other debris, the requestor must call City Hall prior to pick up day (Friday) and give their name and location for the city employee to pick up their debris.

"We are hoping that if the citizens of Sonora know that there are ordinances to the effect that junk cars and other assorted items are unlawful in the city limits, they will comply with these ordinances and enforcement will not be necessary," City Manager Jim Dover asserted. "If these ordinances are not complied with by Sonora residents, enforcement by our Chief of Police will result," he added.

Bronco Band Wins It All In Coleman

The Sonora "Mighty" Bronco Band under the direction of Ed Martinez and Weyland Rapp went to U.I.L. Concert and Sightreading Contest Saturday at Coleman and came home with a Sweepstake trophy.

A Sweepstake consists of a First Division in Marching, which they had already accomplished in November. Next comes Concert, which consists of three numbers that the band has been working on for the past month. Last, but not least is the Sight-reading which is the hardest because it is a number that the band or band director has not seen before. The band and director has eight minutes in which to see and have the number explained by the director and then play it to the best of their ability.

In Class AA out of eleven bands participating only three made Sweepstakes; those being Brady, Llano and Sonora.

Among some of the comments

made from the judges were:

Concert Judges: Richard Crain - Houston Spring

"Love all that Red! Very musical. There are not many Class AA bands in Texas as fine as your band is! You had better be proud of this organization and your fine director. A very super group! I loved it! Congratulations!!!!"

Leslie C. Ross - Petersburg

"Thank you for playing with a balanced sound - it is very nice. Overall it is very obvious you have had some excellent teaching and that you take pride in what you're doing. Congratulations!!"

Everett Maxwell - Lubbock

"This band plays a lot of music with good quality. A credit to the AA bands of Texas and a lot in higher classifications."

Sight-Reading Judges Dick Helcamp - Cleburne

"Nice looking group. Hey guys, very good job of reading! This is a fine band. I enjoyed your perfor-

mance. Congrats! By the way Ed--who's your voice coach?"

Sam Roberts - Forsan

"An alert looking group - you show excellent concentration. A few minor problems but my what a nice sound - Congratulations! Would suggest that director not sing during instructions to band."

George Riddell - Abernathy

"A good looking Band! Very attentive. Great job on this, band. Band maintained a good balance throughout, a nice sound on exposed parts. I enjoyed it very much. Mr. Martinez. Very energetic instructional period. They seemed to follow everything you said, its a good thing that they didn't follow anything that you sang! A fine band! Congratulations!"

This makes the second consecutive Sweepstakes for the Sonora "Mighty" Bronco Band. They got straight 1's across the board on everything.

PRIDE! says the sign in the Band Hall at SHS. Pride is the word which best exemplifies the emotion felt by parents, teachers, and members of the MIGHTY BRONCO BAND.

Angry Judge Blasts San Angelo BCD

"It's a case of deceit by representatives of San Angelo."

"As a direct result of last week's meeting of the San Angelo and Sonora Chambers of Commerce, the residents of Sutton County were assured that they would be informed of any public meeting between any delegation from San Angelo and The Texas Highway Commission over the designation of a route south of a San Angelo for the proposed Connector Route," stated Sutton County Judge Charles Sherrill.

"It is also evident that a public meeting took place in Austin following the meeting between the two Chambers, no notice, however, was given to the residents of Sutton County so that we could attend this meeting." "We would have been delighted to send a representative if we had known such a meeting was to take place," he added.

During the Highway Commission meeting, the delegation from San Angelo, Brady, Fredricksburg, Lubbock, Amarillo, and Big Spring, led by San Angelo businessman, Billy Willig, a member of San Angelo's Board of City Development, requested that the Commission

make a designation as soon as possible so that we can get this thing settled, "and you (the Commission)

won't have groups from all over West Texas coming to you and

asking for the primary connector route."

Several reasons were given as to why the Commission should route the Connector along Hwy 87 south of San Angelo through Brady and Fredricksburg. Nothing was said about the economic aspects of routing the connector through Sonora.

"The most feasible route for the connector is through Sonora," Sherrill asserted.

"The cost of construction alone along Hwy. 277 south of San Angelo would mean a savings to the taxpayers of Texas of around 124 million to 176 million dollars over the Brady route."

The industrial benefits from routing the connector would be enormous. The Sonora Gas Field centering on Sutton County and extending into Val Verde, Real, Schleicher, Crockett and Tom Green Counties is served from an industrial site in Sonora. The next nearest service center is at Odessa, some 200 miles distant.

"Not only would the connector through Sonora benefit our community, it would also benefit San Angelo as it would provide an easy access for petroleum industry vehicles to travel on a first class road from

Odessa and Midland to the Sonora Gas Field and on through on IH 10," Sherrill said.

The connector through Sonora would provide benefits to the military as well. "This route would connect Laughlin AFB in Del Rio with installations in Lubbock, Abilene, and other points northward." At this time there is nothing to connect the Del Rio installation with the other military bases north of Del Rio," he added.

Another point Sherrill made in his comment was that San Angelo would

benefit from the route south to Sonora because of the cattle shipped out of Northern Mexico to the San Angelo stockyards. "It could make San Angelo the cattle capital of the Southwest," Sherrill asserted.

"In view of these reasons as to why we believe the connector should run through Sonora to link with IH 10, we feel that San Angelo businessmen and news media should pay attention to what they, as a community, would be gaining from this link."

"I feel that its time that San Angelo give us proper attention," Sherrill stated. "The link south to Sonora would not only benefit Sonora residents, but also San Angelo businesses."

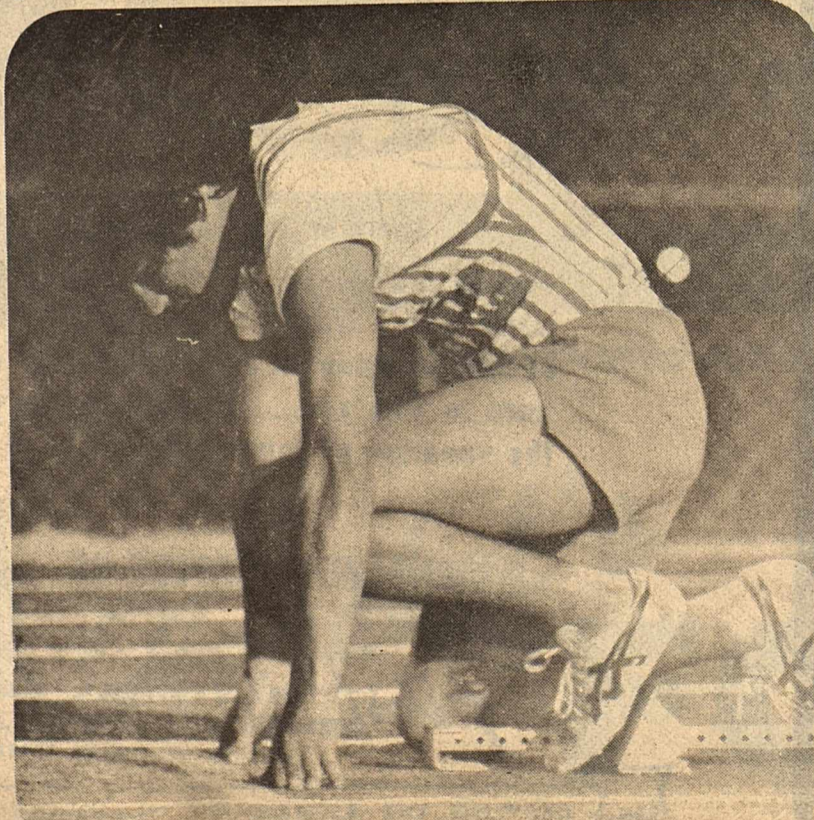

Colt Band Victorious

The Jr. High Colt Band participated in U.I.L. Band Concert and Sight-reading competition and came out victorious. The Jr. High group received a First Division in concert and a First Division in sight-reading. They were the only Jr. High Band in Class AA to make a First Division both in concert and Sight-reading. This was a first experience in U.I.L. band competition for the young musicians. All of the Judges awarded a First Division to the Sonora Jr. High Band.

Director of the Jr. High Band is Mr. Weyland Rapp.

Concentration, pride and the desire to win spurred Sonora tracksters on to victory during the Bronco Relays.

For results see p. 5

Tom Loeffler receiving Republican Policy Award from Bud Shuster for his efforts as the 21st District Congressman.

Loeffler Receives Republican Policy Award

Washington, D.C. (Feb. 27) Congressman Tom Loeffler (R-Tx.) today received the Republican Policy award for his efforts to "lower taxes, limit government spending, reduce excessive regulation, and support a strong national defense."

Awarding Loeffler a certificate for "support of these basic principles during the First Session of the 96th Congress," Congressman Bud Shuster (R-Pa), Chairman of the House Republican Policy Committee said:

"On key vote after key vote, Tom Loeffler voted consistently on the House floor to defeat the big spending, big deficit, high tax initiatives of the majority party. I am proud to serve with him in the House and wish to advise those who he serves that they have a tireless and effective fighter representing them in congress."

Accepting the award, Loeffler suggested that it was "time for the Federal government to get its hands out of the taxpayers' pockets," and added:

"Those free spenders in Congress must be made to realize that the American public will soon be shouldering the highest peacetime tax burden in the nation's history. Despite the collection of all those tax dollars," he said, "the capabilities of our national defense are in serious question."

In all too many instances, Congress wastes money on useless programs while refusing to honor that most fundamental constitutional requirement: providing for a defense posture so strong as to guarantee the national safety and security. Never has this been more apparent to more people than as a consequence of the course of world events which many of us believe could have been avoided. The leadership has weakened out economy at home and our ability to defend our vital interests abroad."

Loeffler assured the
Mrs. Ronny Arnold Honored With gift Brunch

Mrs. Ronny Arnold nee Louise Hollmig was honored with a Miscellaneous Gift Brunch Saturday, March 1st at the Sonora Golf Club. Hostesses for the party were: Jodie Finklea, Molly Elliott, Wanda Nixon, Vivian Miers, Margurite Turney, Louise Hearn, Patsy Schwiening, Valree Draper, Erma Lee Turner, Bernice Hearn, Martha Miers, and Jackie Baker. Attending the party from out-of-town was the honoree's two sisters. Mrs. Bobby McWilliams, Midland, Texas and Mrs. Michael Turner, Kerrville, Texas.

Battreal Services

Held March 18

Funeral services for Virginia Nell Battreal, a former Sonora resident were held Tuesday, March 18 here in Sonora.

Mrs. Battreal, formerly Virginia Guest died in John Sealy Hospital in Galveston on March 14. She was a resident of Mineral Wells, Texas, her occupation was that of a factory worker.

Mrs. Battreal was born to William Guest and Thelma Hearn on June 6, 1945 here in Sonora. She was a resident of Sonora until she moved from here 16 years ago.

Surviving her are her mother, Thelma Guest of Mineral Wells; sister, Mary Long of Gatesville; two brothers, James Guest of Mineral Wells, Melvin Guest of Chandler; two daughters, Donna Perryman of Monahans, Kim Battreal of Mineral Wells; and one son, Howard Battreal, of Mineral Wells. Also surviving Mrs. Battreal is her maternal grandmother, Mary Hearn.

Graveside services for Mrs. Battreal were conducted by Rev. Clifton Hancock of Sonora with burial in Sonora Cemetery.

New Arrival

Hal and Diane Snider welcome a baby girl, Shalayna Delayne, born March 17, 1980, at Angelo Community Hospital. At birth Shalayna weighed 8 pounds, 7 and three quarters ounces, and was 20 and one half inches long.

Shalayna's maternal grandparents are Mr. and Mrs. Jake Smith of Snyder and her paternal grandparents are Mr. and Mrs. W.B. Shaw also of Snyder. Shalayna is also welcomed by her two sisters, Stacy and Sharla, and by one brother, Hal II.

Mary Lee Hull Eastern Star Honoree

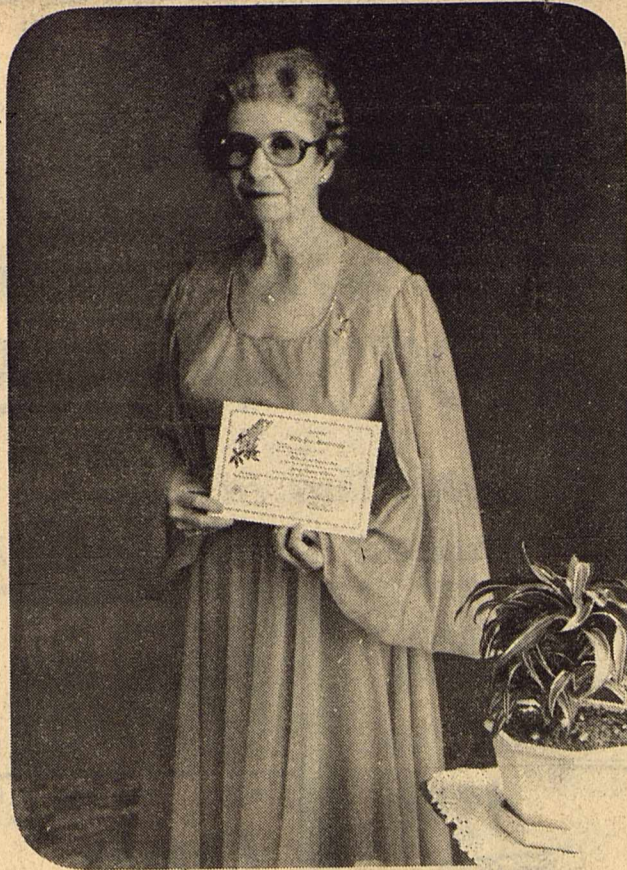

Mary Lee Hull was presented with a pin and certificate in honor of her dedication and in recognition of her fifty years of service to the Order of the Eastern Star.

Mrs. Hull was initiated into Sonora Chapter, 575, in February of 1930. During her fifty years as a member, she has actively served the Sonora Chapter in many ways. Three times she was chosen for the prestigious title of Grand Matron and served as such in 1935-36, 1969-70, and 1970-71. In 1971, Mrs. Hull served the Order as Grand Deputy Matron. She has served on the committees of the Grand Chapter for 20 years.

The pin of recognition and appreciation was awarded to Mrs. Hull by Jean Conner of Ozona, the Deputy Grand Matron of District 5, Section 2. Mrs. Hull's daughter Mary Lois Brown, also a member of the Sonora Chapter of the Eastern Star presented the pin to her mother on the behalf of the entire Sonora Chapter.

Also honored at the meeting was Beulah Davis, who was initiated at the same time as Mrs. Hull.

Mrs. Davis was not present to accept the pin, but the pin and certificate of appreciation will be mailed to her in Stephenville where she now resides.

MRS. JOE (MARY LEE) HULL

Heart Association Holds Meeting

The Sutton County Division of The Heart Association met in the Founders' Room of the First National Bank Tuesday evening.

Mrs. Marie Aldwell, Treasurer reported to the board that Sutton County's fund drive in 1980 was successful. The citizens of Sonora and Sutton County gave some 20 percent more in 1980 than in any previous year.

Receipts to date exceed \$5,500 for proceeds from the Turkey Walk, donations during that Heart Fund Drive and for memorials.

The Rev. Jim Miles, President of the Association said "the membership of the association includes all the people who have made contributions in money or time. These people are cordially invited to attend an annual meeting of the membership in May." The details of this meeting will be announced at a later date.

Fire Prevention Poster Contest Underway

The Sonora Firemen's Auxiliary would like to remind all students Grades K through 12, that the Fire Prevention Posters should be turned in by noon April 1, 1980.

Winners will be announced at 5:30 p.m., April 1, 1980, at the Fire Hall.

If you need your poster picked up or need any information contact Trevlin Luttrell at 387-3695, Donna Keese, 387-3838, Nova Olc尼克 387-2411, Melissa Teaff 387-2773, or any Auxiliary Member.

NHS Taps New Members

The National Honor Society, Sonora High School's most prestigious organization, will tap its new members, Wednesday Morning, March 26, 1980. In order to be elected to membership in this organization, a student must have achieved an academic average of 85 throughout their school years.

Being elected to membership in the Honor Society involves much more than academic superiority. The student must be elected by a faculty committee who judges the student in areas of leadership, cooperation, character, and ethics.

Being elected as a member to the National Honor Society means much more than just a compliment to the student's intelligence and attitude. Membership in the Honor Society is actually recorded on the student's transcript. Membership in the National Honor Society enables many students to gain admission to the college of their choice and to be eligible for many college scholarships.

The National Honor Society will hold its formal induction ceremony in the high school auditorium of Sonora High School on Wednesday, April 2, 1980, at 10:00 a.m. The public is cordially invited to attend these ceremonies to honor these students who have participated in a true quest for intelligence.

OPEN LETTER

TO:
The Citizens of Sonora:

My name is Lemuel Lopez. I am a candidate for the office of Mayor of the city of Sonora. I have been privileged to serve the City as Councilman for the past four years. I feel the city has accomplished much, but there is still much room for improvement. To achieve this goal, one essential ingredient exists...the concerned citizen...I hope to serve this vital segment of the community. On April 6, you will express your preference between the candidates for this important office. For that office I offer the following qualifications for your consideration:

1. Experience: I have been a member of the City Council for the past four years and am keenly aware of the problems and the opportunities facing Sonora. I believe that in working with the Council, the Chamber of Commerce and with the City Manager we can solve the problems and provide a bright future for Sonora as a better place to live. The economic and social pressures on governmental bodies no longer permits us the luxury of on-the-job training.

2. Concern: My concern is that we maintain the growth trends in Sonora. Attendant to that growth will come many problems. We must cope with these problems with efficiency and economy. By that means Sonora will continue to be a city in which we all can take pride.

3. Attitude: The Mayor must be willing to listen to the divergent views and do bring the proponents to reason together for the good of the community. I have no axes to grind. I would represent ALL the people of Sonora impartially and with dignity. I appreciate this opportunity of placing my views before you.

Sincerely,
Lemuel Lopez
Candidate for Mayor
of The City of Sonora.

Sonora Girls Conquer Bronco Relays

On Friday, March 21, the Sonora Bronco Relays were hosted. The girls managed to keep any team from getting a trophy.

The 400 M. Relay team composed of Rosa Noriega, Tonya Evans, Jessica Robledo, and Paula Friess nabbed the victory and tied the meet record with a time of 51.3.

The 800 M Relay made up of Tonya Evans, Anna-

belle Gonzales, Rosa Noriega, and Jessica Robledo also took first place with a time of 1:48.6.

The 1600 M. Relay could not fall short of a victory and took first with a time of 4:12.6. These team members are Rosa Noriega, Marche Lane, Jessica Robledo, and Paula Friess.

Individual winners were

as follows: Paula Friess, 1st triple jump setting a new meet record jumping 36 feet 11 inches; 2nd long jump; 1st 400 M. dash; Jessica Robledo, 3rd in both triple and long jumps, Stacy Chandler, 6th discus. Due to these fine efforts

the Sonora girls won the team championship trophy with a grand total of 114 points. Congratulations girls! The Bronco girls will be travelling to Junction on Friday, March 28. Come and watch these girls in action.

San Antonio Business Seized For

Non - Payment Of Sales Tax

State Comptroller Bob Bullock Friday said his office seized and padlocked a well-known San Antonio restaurant for non-payment of sales tax.

Bullock said enforcement officers from Austin and San Antonio raided the Swiss Chalet Restaurant, 1101 N.E. Loop 410, after exhausting all legal attempts to collect \$59,603 in delinquent sales tax.

A tax lien was filed in December against the restaurant to collect sales taxes covering a period from January of 1976 through December of 1977.

The restaurant is operated by Ulrich Otten of San Antonio. Bullock said merchants

who collect sales tax and fail to forward it to the state are shortchanging their customers as well as Texas citizens who depend on the money for services provided by their government.

He said a marked increase in delinquencies in the past few months prompted him to decide to accelerate collection activities in problem areas.

Records show that the restaurant was seized on August 22, 1975, as the result of a \$6,450 sales tax delinquency.

Assets seized by the Comptroller's office may be sold at public auction to satisfy the tax liability.

The thrill of victory! The girls 800 relay took first place in the Bronco Relays held last Friday.

Pictured left to right Rosa Noriega, Annabelle Gonzales, Tonya Evans & Jessica Robledo.

Seventh Grade Boys Win

Colt Relays, Eighth Grade Takes 2nd

The Seventh-grade boys track team scored an outstanding 215 points and captured the team championship of the 7th grade division of the Colt relays.

Ballinger was second with 105 points followed by Eldorado, 78, Junction 67 2/3 and Ozona 33 1/3.

The Sonora seventh grade team added two other trophies with wins in the 400 meter and 1600 meter relays.

The day started off well

as the Colts scored well in the field events. Gilbert Martinez won the shot putt, Ismael Sanchez was second and Ruben Garza 6th. In the discus Ruben Garza was 3rd and George Gandar 6th.

Jessie Guerra won the high jump and Ricky Mesa third. Scott Miller took first in the long jump with Gilbert Martinez second and Victor Lira finishing 4th.

The sprint relay team of Lira, Martinez, Gandar and Miller took first.

In the 600 meter dash team of Thomas, Pollard, Ricky Mesa was 1st and 3rd. Congratulations Colts. Chad Stewart won the 100 meter dash with George Gandar 2nd and Abel Sanchez 5th.

Scott Miller won the 300 meter dash with Victor Lira 3rd and Abel Sanchez 4th.

In the 242 low hurdles Gilbert Martinez was 3rd and Ricky Mesa was 6th.

George Gandar won the 200 meter dash with Chad Stewart 2nd and Tim Schabel 4th.

Jose Escalante ran a record setting time of 3:51.89 in winning the 1200 meter run. Luis Contreras was 3rd and Fernando Trevino 5th.

The relay team of Lira, Guerra, Miller and Martinez ran away from the field in winning the 1200 meter relay. It was an outstanding performance by the Colts.

In the 8th grade division of the Colt Relays the team competition was very close. It was so close that no team could win! Fact is two teams won!

Ozona and Ballinger tied with 119 points followed by Sonora with 109 points, Eldorado with 89 points and Junction with 60 points. It was a very close and exciting competition with the championship coming down to the very last race.

The Ballinger boys won both the 400 meter and 1200 meter relays with Ozona 2nd in both and Sonora 3rd in both relays.

In the field events, points came hard for the Colts with Jeff Brittain getting 14, with a 1st in the pole vault and a 4th place performance in the long jump. Jay Thomas got the Colts only other points with a 5th in the Discus.

The 400 meter relay team of Henry Avila, Mike Poloczek, Jay Thomas and Eugene Gonzales took 3rd. Zeke Ramos was 5th in the 600 meter dash and Tony Garza was 3rd.

The best event for the Colts was the 100 meter intermediate hurdles with

One of the most widely circulated merchandise catalogues in the United States the 1980 S&H Green Stamp IdeaBook becomes available here this week. Twenty million copies, containing many Texas manufactured items, were printed for distribution to some 16,000 retail establishments throughout the country which offer S&H Green Stamps.

Local merchants that offer the popular trading stamps are: Hershel's Foodway, Gosney's, McMillon Texaco and Glasscock Shell.

Larry Rushing, Area Manager for the 84 year-old trading stamp company, said that the colorful, 104-page S&H catalogue, which features elegant, exciting and brand-name merchandise, contain over 1,400 items from which S&H Green Stamp savers can choose.

"Everything from exquisite silverware to the latest home furnishings and sporting equipment are available to S&H Green Stamp savers", Rushing said.

The catalogue, which support S&H's 1980 national advertising campaign, "You Get Much More At a Green Stamp Store," feature an expanded line of gourmet cooking items and other brand-name merchandise—all reflecting modern-day lifestyles of the estimated 15.5 million American households that save S&H Green Stamps.

Fifty percent of the items which appear in this year's S&H catalogue are new.

Firemans Auxiliary News

Members of the Sonora Firemen's Auxiliary met Tuesday, March 11, for their regular monthly meeting. After the meeting members played Bunko with Jean Humphreys as hostess. Players were: Donna Keese, Jinx Taylor, Cheryl Cearley, Melissa Teaff, Jean Humphreys, Nova Olenick, Karen Ogburn, Lou McMillan, Linda Odum, Jane Smith, Trevlin Luttrell and Francis West. Winners were Bunkos: Trevlin Luttrell; Hi, Nova Olenick; Lo, Jane Smith.

New Green Stamp Books Available At Hershel's Foodway

Last year according to Rushing, "some 82 million books of S&H Green Stamps were redeemed" for merchandise that included boats and linens manufactured by Texas companies. S&H, the oldest and largest trading stamp company in the country, has for years been a major buyer of locally

produced goods. Since 1972 the company has purchased over ten million dollars worth of Texas products. March 12th is the date the new, 1980 S&H IdeaBook will make its debut at Hershel's Foodway as well as other retail outlets issuing S&H Green Stamps.

Herbicide 2 - 4 - 5 - T Hearing Postponed Again

Washington is still playing the same old games with herbicide 2-4-5-T. The long-awaited and several times postponed cancellation hearing finally began Friday, March 14, recessed for the weekend, and picked up again the following week. Now it looks like recess time again.

Dow Chemical Co. spokesman John Davidson says one of the first things the federalists did when the

hearing opened was ask for and receive another postponement. The bureaucrats, it seemed, felt that several months of lead time was still not enough to get their witnesses properly prepared.

Small wonder, when even EPA's own Scientific Advisory Panel says there's no rational justification or evidence to support a ban on the chemical.

The agency's entire case against T rests on a hurriedly-conducted statistical study completed in late 1978 and then manipulated and "interpreted" for a couple more months. The results, EPA claimed, warranted an emergency suspension of most 2-4-5-T uses because of an "alarming correlation" between spraying in Oregon forests and human miscarriages in

a nearby area.

To our knowledge, no one seriously challenges the agency's basic figures, taken from area hospital records, but the way the bureaucrats interpreted those figures is something else again. Whole legions of toxicological experts in the U.S. and abroad have taken issue with EPA's findings. The general consensus is that the entire mess is a crock.

Nevertheless, EPA has so far had the legal clout to make its suspension stick. The only legal use for T during the last year have been on rice, rangeland and a few assorted and minor applications. Last summer EPA decided to lump those uses as well into its planned cancellation hearings on the suspended uses.

This time, however, they had to give their scientists a

say-the suspension, being an "emergency", by EPA's own definition, was not subject to scientific review. What did the scientists say about attempting to cancel the non-suspended uses? "Nuts", essentially. There was no evidence, they said, that T posed a hazard to human health or the environment.

The bureaucrats answer to that bit of incoherence

impertinence was to ignore it and go merrily along with their plans to cancel all uses of 2-4-5-T.

Dow Chemical Co., the major U.S. producer of the chemical, took the whole thing in stride, preferring, spokesmen said, to get the matter all out of the way at the same time and as quickly as possible. They couldn't do anything about it anyway.

Then came the postponements, followed by the recent start of the hearings. And yet another postponement. Dow's Davidson says the government will be trotting out the first 50 or so witnesses and is obviously having a tough time coming up with "evidence" to support its position. He figures it will be sometime this summer before the case nears completion.

Texas & Southwestern Cattle Raisers Assoc. Meet To Discuss Problems

Following the greatest liquidation of cattle numbers in history, cattlemen are rebuilding their herds, but inflation and an uncertain economy have them on precarious footing. That was the general sentiment of ranchers attending the 103rd annual convention of the Texas and Southwestern Cattle Raisers Association, March 9-12, San Antonio, Texas.

More than 2,200 cattlemen and their families attended the four-day meeting to discuss what the new decade might bring them and to hear a host of

nationally-known speakers. The cattlemen representing 14,000 livestock producers in Texas, Oklahoma and surrounding states issued six key policy statements.

Brucellosis, a livestock disease costing cattlemen and consumers millions of dollars, was of prime interest. TSCRA members endorsed a new set of regulations recently adopted by the Texas Animal Health Commission that are designed to eradicate the disease in Texas, the number one cattle state in the nation.

John B. Armstrong, outgoing president of the association, was recognized by "Progressive Farmer" magazine as its outstanding man in service to agriculture in Texas for 1979 for his efforts to bring about a new brucellosis program to Texas and the nation. Armstrong, who is from Kingsville, TX., is also chairman of the TAHC, which administers the brucellosis and other animal health programs in Texas.

The cattlemen also took direct aim at the predator control program in Texas and coyotes in particular. TSCRA endorsed legislation introduced by Senator John Tower, a key speaker at the convention, the Congressmen Kika de la Garza and Tom Loeffler which would direct the Secretaries of Agriculture and Interior to jointly develop and carry out a balanced animal damage control program that

effectively utilizes lethal and non-lethal control measures.

Livestock losses to predation by coyotes and other predators costs cattlemen millions of dollars and has escalated to epidemic proportions in recent years.

TSCRA also went on record to oppose any grants to human nutrition research by the U.S. Dept. of Agriculture that support biases against the consumption of red meat by humans.

Looking to the encroachment of fire ants in the U.S., TSCRA ask the Environmental Protection Agency and other regulatory agencies to remove restrictions against the use of the chemical compound Mirex and other chemicals that effectively halt the spread of that threat of livestock and the environment. TSCRA also called for EPA to restore the suspended use of 2,4,5-T and Silvex, two herbicides beneficial in

rangeland preservation and brush control. The group also asked that cancellation hearings on the two chemicals be stopped.

USDA was asked by the cattlemen to take a "hands off" approach to historically successful programs administered by the Soil Conservation Service. The conservation of soil and water resources has been, in the cattlemen's estimation, seriously impaired in recent years by numerous and unnecessary regulations and restrictions.

The federal government's efforts to remove a large portion of the nation's grass and rangelands from control of the private sector in order to put them under federal control was attacked by the cattlemen. TSCRA opposes any legislation, but particularly the Tall Grass National Recreation Area Act, that violates the rights of individual ownership and the free

enterprise agricultural system.

The cattlemen also made provisions for their board of directors to administer the Texas Cattle Raisers Foundation, a non-profit, tax-exempt organization created to carry out public, education, scientific and charitable endeavors on behalf of the parent organization, TSCRA. The Foundation owns the new headquarters site in Fort Worth

now under construction for the cattle raisers group. The building, which will be ready for occupancy in the fall, is the first new permanent headquarters for the 103-year-old cattle producers group in 30 years and is the focal point of a major fund raising campaign paid for by individual members.

A public auction of livestock and Western art held in conjunction with the cattle raisers convention

brought in nearly \$60,000 for the construction of the new building.

Don C. King, TSCRA secretary-general manager, reported to the membership that its law enforcement arm, commissioned to investigate cattle thefts in Texas and Oklahoma, developed 212 theft cases in 1979, resulting in the recovery and accounting of \$1.37 million dollars in livestock and ranch property.

After summing up President Carter's promises in 1976 and how these pledges fared, Rinfret said Americans like to believe in a fantasy.

Rinfret gloomily reported 35 to 45 percent of students in central city schools did not finish high school; the consumer price index had risen from 2 percent a year between 1946 and 1965 to a trend which could make it 15 percent in 1980.

"People keep predicting a recession and the economy keeps thriving. Why?" he continued. "Because the system works. A free people can adapt to new rules and standards" and predicted America would survive and prosper.

San Angelo's John Cargile was elected new president of TSCRA at the end of the four day meeting.

It was an informative meeting and one some 2,200 cattle folks crowded into and seemed to enjoy... even with some of the gloomy reports of the future.

Governor Bill Clements and Senator John Tower were there hammering away at the Carter Administration for the mess of "inflation and energy crisis" and everything else.

Clements predicted inflation may reach 18 percent this year and stated: "We don't have an energy shortage...just an energy crisis." He said more oil and gas production is needed in Texas. That oil production has "taken on a sharp drop of 21 percent in 10 years and gas a 26 percent drop."

Tower said President Carter's greatest concern should be defense. "I'd cut everything else to the bone and build the defense."

Closer to the source... the cattle ranch... Dr. M.E. "Cotton" Meadows, director of Screwworm eradication said he was hoping that the barrier across the widest part of Mexico from Veracruz west can be established by the end of 1982.

Establishment of the barrier would mean the pest had been eliminated north of that line. The main effort of the sterile fly program then could be concentrated south of the line and toward eventual

BTAT Representatives

Meet In Arlington To
Discuss Banning Weekend Boating

Representatives of the Boating Trades Association of Texas, along with many other organizations and individuals, flooded a public hearing here yesterday in an effort to sink a proposal by the Department of Energy to ban most weekend boating during a severe oil shortage.

Julian Read, executive director of BTAT, said the rule would destroy the boating industry, discriminate against boaters, and save little fuel. He urged the panel of five DOE administrators to withdraw the proposal immediately. Frank Pillsbury, vice president of the Marine Retailers Association of America, said the mere proposal of this restriction has already reduced sales. "The threat to the industry is in the publicity already put forth," he said. "The public today feels like the government is putting a ban on boating."

The energy department panel, in Arlington on the fourth stop of a seven city nationwide tour to solicit citizen's comments on the standby plan called for in the Emergency Energy Conservation Act of 1979, was severely criticized by almost 50 speakers during the first two days of hearings.

"The only thing more ridiculous than this proposal would have been to shoot every fifth energy user, thus cutting our demand for energy by 20 percent," said Jim Windsor, of Boats Unlimited in Dallas. The 100 persons who filled the room at the Americana Inn of the Six Flags cheered and applauded.

Mrs. Barbara Martin, a Dallas housewife, said, "If weekend boating using motor fuel is prohibited, I will

convert our inboard-outboard to a 20 foot paddle boat and christen it the Patrick Henry."

Read, Pillsbury, and other speakers said a ban on boating would be unfair to Texas boaters, because no similar ban is proposed for aircraft, motorhomes, automobile racing and attending sports events.

They also said that boating used only about one percent of all motor fuel consumed in the nation each year, compared to DOE figures of two to three percent.

Cleve Laird, a DOE official who chaired the hearing, said chances are extremely remote a ban on boating would ever take effect in Texas. He said the federal measure would only be used if there was a severe shortage and only if Texas could not reduce consumption using its own plan.

Seven Pool Well Servicing Company crew chiefs operating out of the Sonora District received Safety Awards totaling \$4,790 at a seafood dinner held at the Sutton County 4-H Center in Sonora.

Crew Chief Roy Hulsey was presented with a special \$1250 award for a 240-point perfect safety record for the second consecutive year. The perfect safety record was achieved under the company's 1979 Safety Achievement Program. To achieve a perfect safety record, a crew chief must have no injuries to crew members assigned to his rig during the calendar year. He must also earn 240 points through a series of unannounced safety inspections made during the year on his rig, equipment and vehicle.

Also receiving awards of \$1000 each for a perfect year safety record of 240 points and no injuries were crew chiefs Willie Abalos, Narciso Lira, and Erasmio Lumberas. Receiving a Distinguished Safety Award for the

3rd year with 210 points was J.B. Halford receiving \$300. Kippy Joiner, with 210 points, received \$240 for a 2nd year Distinguished Safety Award and Robert Rodriguez received \$90 for a 2nd year Meritorious Safety Award with 177 points.

Three truck drivers, Delbert Overstreet, Jerome Kreuzter, Eddie Vitela and two auxiliary equipment operators, Ellis White and Ruben Velez each received a \$250 Safe Driving Award for completing one year of driving without an accident.

Jim Edington, Safety Representative for Pool Well Servicing Company, outlined a proposed safety awards program for 1980 that will include not only the crew chiefs and truck drivers, but also each crew worker.

Todd Churchill, district Manager for the Sonora district, gave a detailed analysis on 1979 activities. He commended all employees for their input in the safety program. Mr. Churchill was quoted as saying

"Safety is our number 1 priority before all else." Recognized out of town guests were Mr. Pat McDonald, head of Pool Well Servicing Company's "Oil-field Shop" in San Angelo, and Mr. Harve Mayfield of Midland.

Windfall Profits Tax Bill Passed

On Thursday March 13, 1980, the U.S. House of

Representatives passed the so-called Windfall Profits

Tax Bill by a vote of 302 to 107. Four Texas Congressmen, Bob Eckhardt, Martin

Frost, Mickey Leland, and Jim Wright voted for the bill. An effort to exempt Independents from paying

tax on the first 1,000 barrels of production failed by a vote of 227 to 185. Another effort will make

the week of March 24th to get the Senate to include the Independent Exemption in it's final version of

the bill. The Senate earlier had voted 53 to 42 for the exemption. Independents will converge on Washing-

ton and tell the Senators the public will eventually

pay the tax and oil production will be slowed causing continued dependence on foreign oil.

The tax, if it's passed by the Senate and becomes law, will be levied on gross

income on the sale of oil before any expenses are taken out. The amount, 227

billion dollars, is 85 billion dollars more than President Carter asked for when he proposed the idea last year.

The tax does not apply to foreign production or income. If the bill passes it will be challenged in court on several grounds.

Dowell Celebrates Record Sales Month

The Southwestern Region, Sonora District of Dowell held a supper Friday, March 21st at the Sutton County Steakhouse to celebrate a sales record set during the month of January.

Several important representatives from Houston and from the regional offices were on hand to recognize the efforts of the Sonora salesmen, field hands and personnel.

Speaking at the supper were Mr. Winton Wahl, the Regional Sales Manager from Houston; Mr. Mike Vincent, the Regional Operations Manager for

the Western half of the Southern Region; Mr. Dan Hunt, Regional Sales Superintendent; Mr. Mike Sellers, Divisional Safety Officer; and Mr. Bob Olliphint, Regional Safety Superintendent for the Western half of the Southern Region.

Following the supper, a dance was held at the 4-H Barn for the party honorees.

Another sales record was set in February which means that the folks at Dowell will be holding another party in the near future.

Green News

Louie Trainer teed off #9 last Wednesday about 4:15 p.m. and made a hole-in-one. Louie was pretty excited. Just a few minutes later, word had gotten back to the clubhouse that Cullen Luttrell had rolled his ball in the cup from #2 tee box. And while all this was taking place, Bobbie Fawcett picked her ball up on #9 green for a "gimmie" and Bob Snodgrass sat one about one inch from the pin on #9. Was a pretty exciting day on the links.

Hostesses for Wednesday luncheon were Mary Owensby, Joan Gardner, Martha Miers and Ruth Shurley. Guests were Jennifer and Amy McGaughey, grand-daughters of Wanda Edmiston. Jo Neville was presented a golf ball for Score of the Month.

New Sonora Golf Club members are Paul Browne, Matt Mulliken, Dub wal-

lace and Jim Cusenberry. Welcome to the Club. The Fairways Frolics held March 23rd was one of the best. We had 16 team entries in the tournament and a great turn out for the supper afterwards. Sausage, beans, salads, covered dishes and Melba Doan's pies. Winners of the tournament were:

FIRST PLACE
Ralph Crownover
Kenneth Minatra
Batts Friend
Buddy Brown

SECOND PLACE
Whiskey Hill
Kenneth Love
Jack Johnson
Jane Archer

THIRD PLACE
Harold Martinez
Primo Gonzales
Erasmio Lumbraras
Willie Guitierrez

FOURTH PLACE
Joe Luttrell
Charlie Preston
Pete Thompson
Craig Collier

by Jane

Some more of the winners were:
Wanda Neville - Ladies Longest Drive-Gift Certificate donated by Nevilles Store

Oliver Wuest - Mens Longest Drive-Gift Certificate donated by Nevilles Store

Ralph Crownover - Closest to Hole #9-Pro Shop Gift Certificate donated by Sonora Motor Company.

Mary Owensby - Ladies Closest to Hole #2 - Golf Shoes donated by B-J Transports.

David Nadrachal - Mens Closest to Hole # 2-Golf Shoes donated by Grider Trucking.

Each Golfer - Golf towel donated by Ken Braden Motors.

Steve Doan - Gift Certificate donated by First National Bank

No Winner-Hole-in-one, \$50.00 donated by Devil's River Industries.

No Winner - Hole-in-one Mans watch donated by

Art Club Holds Monthly Meeting

The regular monthly meeting of the Sonora Art Club was held on March 17, 1980.

In the absence of the President, Mrs. Vivian (bert, Mrs. Gloria Goru... presided. Mrs. Gordon

introduced a new member, Mrs. Mary Christie. After the business meeting and discussion on future plans, Mrs. Mattie Ruth Garrett began her instructions on paintings we had just begun.

Delicious refreshments

were served by the hostess Mrs. Patsy Gibbs and Mrs. Wilna Schwieing.

Members present were: Mrs. Carmen Adams, Mrs. Darla Fincher, Mrs. Mattie Ruth Garrett, Mrs. Patsy Gibbs, Mrs. Gloria Gordon, Mrs. Edna Granger, Mrs.

Rita Hale, Mrs. Etta Hill, Mrs. Terry Kinard, Mrs. Verna Rappelt, Mrs. Wilna Schwieing, Mrs. Glenda Short, Mrs. Cheryl Skains, Mrs. Bernice Williamson, Mrs. Mary Christie and Mrs. Jean Brown.

Chamber Chatter

by Lou Thomas

Had an interesting visitor in the office last Wednesday inquiring about the Jaycee's Sutton County Days. David Johns, "The Toyrafter" of Dallas will be selling his art, which is wooden toys at the Sutton County Days in August. He specializes in doll furniture, truck transports and will add doll cradles to his line. Johns is in insurance and the woodcraft is his major hobby.

A Social Security representative will be at the Sutton County Courthouse from 9 to 10:30 a.m. on April 17th.

Friendly face around town this week is Dee Denney at The Sonora

Agency.

If you sing, play an instrument, dance or have a comedy act, please call Marlene Evans or the Chamber of Commerce office at 7-2110 or 7-2880, respectively. With all the talent in Sonora, we should be able to put on a show of professional quality for the Girl Scouts, from all over the U. S., Bolivia and Canada arriving in Sonora on July 11th. Also, if you'd like to donate food and/or money, please call one of the numbers listed above.

Joe Beck, Junction Chamber of Commerce manager invited Sonora to their big celebration on August 9th and 9th - two

weeks before our own Sutton County Days. They asked us to enter a float for the parade on Friday at 10 a.m.

Annual banquet tickets are on sale at Television Enterprises, Inc., Sonora Floral & Gifts, and the Sonora Wool & Mohair Company. Tickets are \$7.50 each and the guest speaker will be Tumbleweed Smith. Menu will be a Mexican Dinner, served buffet style.

Shelley Chaney reminds Red Carpet Committee members that tickets to be sold for the annual banquet may be picked up at Television Enterprises, Inc. on Main Street.

In a board meeting held May 30, 1960 at Carl J. Cahill's office, these directors were present: Allison, Browne, Askew, Cahill, Hamilton, Hunt, Kerbow, Shurley and Thorp. Directors voted that all directors and wives would tour the Caverns of Sonora on June 22, for a preview. Cavern committee members McKinney, Bundy, Elliott and Bloodworth were present at the meeting.

Lois Duncan was a visitor to the Chamber of Commerce office last week.

The Red Carpet Committee will hold the monthly meeting March 27th at 7:30 p.m. at the Church of the Good Shepherd.
