Attending the presentation of Citizen of the Month were JoAnn Tyner, Ilene and Angie Stewart, Sharon Toffree, Nancy Johnson Margaret Cascadden and Tracy Day.

## Ilene Stewart Named Citizen Of Month

The Chamber of Commerce has announced that Ilene Stewart has been named February Citizen Of The month.

Ilene is married to Claburn Stewart and has three children: Clalene, a junior at Sonora High; Chad, a freshman, and Angie, a third grader. Ilene works as a substitute teacher. Claburn is employed at Halliburton.

Mrs. Stewart was chosen as Citizen of the Month because of her interest in school and community activities.

She and her husband act as Bronco

Band Co-Presidents with another couple. She is a member of the First Baptist Church and the Halliburton Ladies Club.

Ilene served as the 1982 Chairwoman of the Mothers March of Dimes Campaign. As Chairwoman, she solicited volunteers for each neighborhood, coordinated the march and collected the money raised.

Ilene and her two daughters devote many hours visiting the residents of the Hudspeth Nursing Home. Ilene and the girls take cards to the residents, feed the patients at

night and always try to remember each one's birthdays.

Chamber of Commerce President Sandra Cooper commented, "This community is lucky to have Ilene as a citizen and it is with pride that we honor her as February Citizen of the Month."

Present at the ceremony were Ilene's daughter, Angie, Nancy Johnson, JoAnn Tyner, Tracy Day, Margaret Cascadden and Ilene was presented with a letter of congratulations and a plant from Sonora Floral and Gifts.

## Bob Caruthers Files For School Board Place 4

Bob Caruthers has announced that he is a candidate for Trustee, Place 4 of the Sonora Independent School District.

Bob is a local ranchman and has been a resident of Sutton County for the past thirteen years. He is a graduate of Angelo State University with a degree in Business Administration. Bob is past chairman of the Education Committee of the State Soil and Water Conservation Board as well as boardmember of the Edwards Plateau Soil and Water

Conservation District. He has served on the Vestry on St. John's Episcopal Church and is active in 4H work. Bob and his wife, Randee have one son, Keyes, who is a third grade student and a nephew, Abe in Junior High.

In filing for the School Board, Bob stated, "I would like to see more level-headed decisions made concerning our children and the tax payers money. If elected I feel it will be my duty to be accessible and execute the will of the majority of the people of Sutton County."

Bob Caruthers

## Trustee Election Deadline Set March 3

Deadline for persons wishing to file applications as candidates or school trustee for the April 3, 1982, trustee election is midnight March 3, which a person may register to vote in the April 3 election.

## Carl Teaff Announces School Board Candidacy

I am announcing my candidacy for the Sonora Independent School District Board of Trustees Place 4. I am a native of Sonora, a graduate of Sonora High School, and attended Angelo State University. My wife, Melissa, and I have three children--Traci, Age 11; Joanna, Age 7; and Robert, Age 3. Traci and Joanna are

currently attending Sonora Elementary School. I am seeking this position because I wish to continue the above average education of all the children of Sonora and Sutton County. As businessman and property owner, I am also concerned over the tax rate.

I would appreciate your support and vote in seeking this position.

Carl Teaff

## Jerry Lackey's Country Folk

Since last summer this editor has researched, wrote and carried a manuscript outline back and forth from the office to home at night and weekends. The projected deadline was Feb. 15, 1982 to have the book off the press. We made it!

Fifty years At The San Angelo Stock Show & Rodeo is back from the bindery and on sale at the San Angelo Convention Center and will be sold at the 1982 Stock Show as well, March 8-14. Hard-back books will sell for \$20.00 and soft-covers for \$5.00. If anyone desires to order by mail, please include \$2.00 for shipping and handling.

I am pleased with the finished product of 104 pages. We have not only given a complete history in word and picture of every year's Stock Show & Rodeo since inception in 1932, but have also included 27 years of Roping Fiesta history. It was a giant undertaking from the author's standpoint simply because the Stock Show office had little to no records.

But thanks to a good staff, we were able to stir the microfilm files in a number of libraries plus find pictorial support from all over the West Texas area. I am extremely excited about all the material we uncovered and I know the purchasers of the

book will be thrilled as they read through the pages. Just about every one participating in the show for the last 50 years is represented.

The book is dedicated to the memory of J. Culberson Deal. Deal organized the event as a youth project designed to interest young people in agriculture.

The story goes that in midsummer of 1931 shortly after Deal has been elected manager of the San Angelo Board of City Development, he was sitting at his desk pondering over whether to encourage his directors to attempt staging a fair in September of that year.

The more he looked at the statistics on the Fair of 1930, the more convinced he was that San Angelo was not a "Fair" town. Suddenly the idea hit: Why not a Spring Stock Show?

Hurriedly he called a meeting of leaders known to be interested in the livestock industry, the late Claude A. Broome, John R. Lee, J. Willis Johnson, Jr., D.T. Jones, County Agent W.I. Marshall, and others.

At this meeting developed the plans for the first San Angelo Stock Show--dedicated to the promotion of better breeding, and the fattening and finishing of livestock, on West Texas ranches and farms. At the

meeting it was also decided that a major feature of the show would be the partici-

ation by 4-H Club Boys and Vocational Agriculture Students in the area.

Mr. Broome was elected chairman. Packed in the pages from that first show, the story unfolds year after year to 1982.

Mr. Broome's grandson, Harold "Brookie" Broome, the first president of the San Angelo Stock Show & Rodeo Foundation, publishers of the book, was the moving force behind the writing of the book. He commissioned this writer to take on the project.

Other than having problems in uncovering so much of the material, the task was easy working with Brookie. Each time I confronted him with a problem, he just smiled and said: "That's what I hired you for...you work it out!"

On a project of this caliber, an editor appreciates having the reins. If the publishers had bird-dogged me, I don't think we would have finished the book.

Brookie passed away a week after the manuscript went to the printers. At a meeting of the Foundation, I was authorized to re-write parts of the book and add a memorial to him.

As West Texans look to the 50th Anniversary San Angelo Stock Show & Rodeo in a few weeks, March 8-14, the book will certainly be a major part of the celebration.

## WTU Raises Rates

A settlement agreement following West Texas Utilities Company to increase its rates to retail customers has been approved by the Texas Public Utility Commission of Texas.

The new rates, which will average about 8.3 percent above the old rates, were placed in effect on Friday, February 12. This action is in accordance with a stipulated agreement with all intervenors, including cities represented by the Texas Municipal League, WTU and the PUC staff.

The increase is designed to increase the Company's annual retail revenues by

\$11.8 million. A wholesale rate increase of \$5.5 million, also settled by agreement and expected to be approved by the Federal Energy Regulatory Commission in Washington, would bring WTU's total annual revenue increase to \$17.3 million. The Company had applied for a total increase of \$32.2.

The effect on a residential bill for 600 kilowatt-hours of electricity per month would be slightly over 10 percent. This would include the fuel cost adjustment. For 600 kilowatts at a residence, the bill would be \$37.89 under the new rates and \$34.39 under the old rates.

## City Council Holds Meeting

The city council held its regular monthly meeting Tuesday, February 16, and announced that an election will be held for the purpose of electing two aldermen and a mayor.

The council also approved a West Texas Utility rate increase of 8.3 percent over the old rates.

The council discussed Peddlers permits during the meeting. Presently, a person can obtain a peddlers permit for \$25. Due to

the low cost, the City had an abundance of peddlers in the City. The council took no action on the matter.

Marilyn Adkins was appointed to serve one year as City Health Officer.

Police Chief Brent Geschmet with the council with a report on arrest before 12:00 p.m. and after 12:00 p.m. The council decided to leave the lounges the same as state regulated.

## Local Men Assist In Recovery Of Stolen Car

Two local persons assisted a police officer Thursday afternoon and resulted in the recovery of a stolen pickup.

Charles Barry Graves reported that he had picked up a hitchhiker that said he was in need of a mechanic. Graves stopped at Hurry Up 2 and went inside.

When Graves left, the hitchhiker, Aubrey C. Patterson slid into the driver's seat and drove off.

Graves and Leonard Rogers, who was at the store at the time, got into Rogers' pickup and followed Patterson.

Police Officer found the

three men in the alley behind Cotton's Body Shop.

Rogers waved the officer down and showed him where Graves had Patterson cornered with a piece of pipe.

Patterson was taken into custody at 5:34 p.m. and charged with unauthorized

use of a motor vehicle. Bond was set at \$10,000.

Patterson had given the police a fictitious name of Glenn Thomas Patterson, but a check revealed his true identification to be Aubrey C. Patterson, 43, of Biloxi, Mississippi.

Patterson has numerous previous arrests.

## Joe Andrews Selected As Representative At School Administrators Convention

Dr. Joe Andrews has been selected as one of five superintendents to represent Texas at the American Association of School Administrators Annual Convention in New Orleans

February 26-March 1. Dr. Andrews will speak on "Development of Assessment-Keystone of the Administrative Personality."

Andrews is a member of

Executive Committee of the Texas Association of School Administrators representing Region XV. In December, he was elected as one of the five superintendents to represent Texas at the

convention. Andrews has been a member of AASA since 1958.

Dr. Joe Andrews is the Financial Consultant for the Sonora Independent School District.

## Reiley Street Honored On Birthday

Reiley Street was given a party by his mother, Bernice Street, February 18th

in honor of his 7th birthday. Hot dogs and chips were

served to the guests topped off with a "Darth Vader" Cake prepared by his uncle Pat Street. Those attending were: Dana Evans, Kathy Cooke, Jackie Bowers, Papo' Flores, Josh Smith,

Randy Quich, Patrick McAndrew, Shane Keller, Elba Schweining, Cody Bush, Wade Spain, Robbie Yates, Thomas and Kevin Harrod. Also attending were Bob

Granger, Brenda and James Fish, Martha Elliott, and Muriel Granger, Greta Bowers and Peggy and Mike Street. A good time was had by all.

## S&H Green Stamp Ideabook Now Available

One of the most widely circulated merchandise catalogs in the U.S., the S&H Green Stamp Ideabook, becomes available here this

week. Eighteen million copies, containing many Texas manufactured items, were printed for distribution by the 14,000 retailers throughout the United States who offer S&H

Green Stamps. Larry Rushing, area manager for The Sperry and Hutchinson Company,

Inc., said the 1982 94-page Ideabook, which has many dramatic changes, contains over 1,650 items from which stamp savers can choose. "Everything from 'Redeem-A-Dream' vacations and Pierre Cardin designer fashions to McCulloch chain saws are available to stamp savers," he said.

For the first time in its 86-year history, The Sperry and Hutchinson Company, Inc. offers discounts on a variety of vacation packages to Disneyland and Walt Disney World, holidays at Inter-Continental Hotels located in four U.S. cities, and vacations at All American Sports tennis resorts.

New items that become popular after the Ideabook is published also will be added during the year to inventories of some 500 redemption centers and catalog order stores operated by S&H.

"Adding items during the year allows flexibility in what we can offer and gives our stamp savers a great variety of items from which to choose," Rushing said.

Last year nearly 98 million books of Green Stamps were redeemed for merchandise that included kitchen accessories, jewelry and outdoor furniture manufactured by Texas companies. S&H, the oldest and largest trading stamp firm in the country, has for years been a major buyer of locally produced goods and since 1972 alone has purchased over 12 million dollars worth of Texas products.

Free copies of "Ideabook '82" are available at more than 14,000 S&H Green Stamp giving merchants and over 500 redemption

facilities located throughout the country. A free copy of "Ideabook '82" can also be obtained by writing to "Ideabook '82", National Mail Order Center, The Sperry and Hutchinson Company, Inc., 5959 Butterfield Road, Hillside, Illinois 60162.

## Scott Savell Selected For American Musical Band

Scott Savell has been notified that he has been selected for membership in the American Musical Ambassadors Band. This highly select concert band, composed of outstanding high school and university students from all over the United States and Canada, will tour several European countries for three weeks in July and August.

Scott son of Barbara and Bill Savell, is a member of

the Sonora Mighty Bronco Band directed by Ed Martinez.

Professor Maxine Le-fever, an assistant director with the Purdue University Bands and director of the AMA tour, has announced that Lt. Col. Dale Harpham (U.S. Marine Band, ret.) and Professor David Catron of Michigan State University will serve as conductors for the 1982 tour.

The tour group will visit and perform in Paris, Lu-

cerne, Lugano, Milan, Venice, Innsbruck, Salzburg, Berchtesgaden, Wiesbaden, Amsterdam, Windsor, and London. Highlights of the tour will include concerts in the concert halls and parks of Europe. Students will visit many sites of musical and historical importance as well as the popular tourist attractions.

The purpose of the tour is to foster cultural and per-

sonal relationships between students of the U.S. and the people of Europe. In past years students of the AMA tours, through their high standards of musical excellence and equally high standards of personal excellence, have indeed served as fine representatives of American youth and as ambassadors of good will through their music for audiences throughout Europe.

# CAPITOL UPDATE

John Tower

U.S. SENATOR for TEXAS  
142 RUSSELL OFFICE BUILDING  
WASHINGTON, D.C. 20510

Now that we've discarded our 1981 calendars and face the blank pages of 1982, let us look for a moment at the unfinished business of the old year, and the agenda for the new.

Certainly 1981 was a watershed year for American government. In response to the overwhelming mandate of the citizenry, Washington ended the old "business as usual" approach. For the first time in a generation, firm action replaced rhetoric in the battle to control the size and cost of government. Bureaucrats who for 20 years have looked complacently as politicians came and went -- secure in what they perceived as the invincibility of their red-tape fortresses -- suddenly realized that this time the people and their representatives were serious. Not only has growth in government spending been curbed, but also a new philosophy has emerged in which every program, every use of the people's money, must be justified.

The cuts in growth enacted in 1981 are only the first step, however. There still are vast areas of the federal budget which must be scrutinized and controlled in 1982 and beyond.

Progress has been made in reducing the number of federal regulations. The panel chaired by Vice President Bush has made a good start in identifying regulations which are unnecessary, counter-productive or cost-inefficient. A cooperative effort between the executive and legislative branches of the government in the coming year could yield significant results in the effort to reduce the intrusiveness of government.

Decontrol of crude oil prices in 1981 was a major step toward ending disruptions in the market forces. Decontrol, if allowed to work, encourages production as well as efficient use of fuel. Natural gas controls currently have a negative effect in these same areas, and legislation will be needed next year to deal with this area of counter-productive regulation.

In the area of national defense, several strides in 1981 started to reverse the deteriorating trend in our defense capability. The President's strategic modernization plan, improvements in our readiness capability, military pay and benefit improvements to help keep trained men and women in the service and an improved shipbuilding program were enacted this year.

However, rebuilding our defense capability will take sustained commitment over a period of years. We must be prepared to withstand the almost inevitable pressures from those who wish to protect narrow-interest domestic programs to back off from our rebuilding effort.

During 1982, I expect to see the benefits of the economic recovery program enacted in 1981 to revitalize our economy. Already interest rates are dropping and the inflation rate is out of the double-digit range. There is unfinished business here, too, however. Congress failed to enact all of the domestic budget cuts that were part of the President's economic recovery proposal. Particularly, we must deal with the so-called "entitlement" programs over which Congress has yielded its obligation to control spending levels. This is essential if we are to control the deficit and eventually balance the federal budget. True, long-term economic recovery and renewed prosperity can come only if we are able to tame the deficit monster.

Later this month we will convene for the second session of the 97th Congress. I am optimistic that we will be able to tackle the unfinished business from the first session, and that we will end 1982 with better, more responsible government than when we begin.

## Glasscocks Announce Birth Of Daughter

Mr. and Mrs. Jerry Don Glasscock are proud to announce the arrival of their daughter Tiffany Lea Glasscock, born on Saturday the 12th of December 1981 at Angelo Community Hospital. Paternal grandparents are Mr. and Mrs. Melvin Glasscock of Sonora. Maternal grandparents are Mr. and Mrs. Brownlee of Baird formerly of Sonora.

## One Arrested For Possession Of Marijuana

One person was arrested Friday for a misdemeanor possession of marijuana charge after Police Chief Brent Gesch observed him smoking a marijuana cigarette.

William Craig Hudson, 24, was arrested at 6:15 p.m. by Police Chief Brent Gesch and officers Caldemeyer and Little.

Officer John Little said that Gesch called them to his house after he had watched Hudson light and smoke a marijuana cigarette at the City Maintenance yard near Gesch's home.

Gesch said that he also saw Hudson digging in a pile of leaves. A search by the police officers revealed a plastic bag with sixty dollars, a lighter and enough marijuana for four marijuana cigarettes. Hudson was released on \$500 bond.

Gaston (G.J.) Jones

## Jones Retires After 34 Years

The Sutton County Road Department has announced that Gaston (G.J.) Jones has retired after 34 1/2 years of service.

Gaston retired on January 31 and had worked the

longest of any County employee. Jones is a lifetime resident of Sonora and is married to Louise Jones. They have four children: Linda Whidden, Betty Bar-

tholomew, Jerry Jones and James Jones, all of Sonora. Gaston said that when he began work, he planned to stay two or three days, and wound up working 34 years.

The vehicle was stopped in Ozona and the driver was arrested. The driver was Clarence Elmer Sparks, the vehicle's registered owner. Police Chief Brent Gesch questioned Clarence Sparks who stated that his son was mad at him and that he was on his way home to El Paso. Caldemeyer contacted Jerry Sparks who was arrested for Public Intoxication. As Caldemeyer was handcuffing Sparks, he said he was trying to get even with his father and that was why he reported his car stolen.

Police Officer Tom Caldemeyer received a call from the Long Branch Saloon at 9:56 p.m. from Jerry Sparks that someone had stolen his car. He said that he didn't know who had stolen it.

The police dispatcher notified the police in Ozona that a stolen car was headed that way.

## One Arrested For Filing False Report

Jerry Sparks was arrested for Public Intoxication and Filing a False Report to Police Officer. Bond was set at \$500.

## Fort Worth Fat Stock Show Sets New Records

A number of records were posted during the 982 Southwestern Exposition and Fat Stock Show which closed its 86th annual run Sunday, Feb. 7. Record breakers included \$31,000 in premiums and prize money for the livestock show and rodeo, and 1,068 head of livestock entries.

Paid attendance at the 22 performances of the World's Original Indoor Rodeo this year was 121,968, with more than 618,900 visitors passing through the gates to see the Stock Show.

"We are pleased with this year's Stock Show," said W.K. Watt, Jr., show president-manager. "The variety of our rodeo program was well received by patrons. Although grounds admissions and rodeo ticket sales were off slightly from our last year's record numbers due to extremely cold temperature show, with the record number of entries, we had an outstanding success."

The record of \$1,564,813 worth of cattle, horses, mules, donkeys and Junior Show placing animals passed through the auction rings at the show. The Junior Sale saw 187 steers sold for \$337,115, an average of \$1.70 per pound; 1,278 barrows brought \$192,869 and 303 lambs, \$36,952.

Chad Breeding, 11, of Miami, Texas showed the grand champion steer, a

purebred Hereford which was brought for \$24,500 by Majestic Liquor and Coors Distributing of Fort Worth. Reserve grand champion was a Limousin shown by Jess Chisum, 11, of Earth, Texas and was purchased for \$8,000 by Tony Loma Boot Co. Other champions included the barrow, bought by Walsh Ranches for \$4,000, and four lambs, which brought \$2,500 each from KXAS-TV, Fort Worth National Bank, Continental National Bank and Panchito's Mexican Buffet. The Downtown Auction Syndicate, a group of business men who in recent years

supporters of the show, purchased show steers in excess of \$200,000 through sale.

## Hightower Hits Farmland Speculators

Charging that foreign investors and other absentee owners are artificially inflating farmland prices and pushing real family farmers out of agriculture, Jim Hightower, Democratic candidate for Texas Agriculture Commissioner, Friday proposed a "three-point, common sense program to monitor and control such market-skewing speculation in Texas."

Speculation is pricing farmland out of the reach of thousands of aspiring young farmers, Hightower explained. He also pointed out that non-farm investment in farmland is hurting lifelong farmers. "As the price of farmland is bid up, taxes go up; this squeezes farmers already beset by too many years of low commodity prices, rising production costs and skyrocketing interest rates," Hightower said. "Farmers borrow against their land just to put their crops in the ground every year, but paying out 19 percent in interest—the Texas average in 1981—they just end up deeper and deeper in debt. Pretty soon, selling out starts looking good, better than farming. And when a farmer does sell out, or is forced to sell out, it's only investors with lots of money to play around with who can buy the land. And, increasingly, that's not other farmers."

"We need to get a handle on the situation," Hightower said, "AND I propose three common sense steps we can take right away: First I would make a county-by-county survey of farm ownership in Texas, using Texas Department of Agriculture personnel, county extension agents and volunteer assistance from interested farm groups. Second, I would support legislation to require all non-farmer investors in Texas farmland—whether they are oil-rich Iranians or Houston oilmen to file an annual report on their farmland acquisitions and leases so we can know the extent of the problem and keep track of the trends. And, third, I will support legislation such as that proposed by state Rep. Pete Patterson last session to prohibit the purchase of Texas farmland by foreign speculators.

"Powerful financial interests, both foreign and domestic, have become the chief bidders for our productive land," Hightower said. "These individuals and corporate interests can pay ridiculous prices for land because they are not interested in making a liv-

ing on the farm—they're trying to make a killing, investing in the land as a tax write-off or for long term financial speculation. It adds up to unfair competition that puts an unnecessary burden on already hardpressed real farmers and ranchers in this state.

"These trends are dangerous. Widespread ownership of land by family farmers has been the keystone of our democracy since the earliest days of our Republic, and it has been a major factor in the efficiency and productivity of U.S. agriculture. Now all this is threatened as these absentee influences concentrate enormous land holdings in a few hands, rob farmers of the opportunity to make a living in agriculture and artificially jack up the cost of food production," Hightower explained.

"These foreign and domestic speculators cannot be counted on to produce our dinner for us, but already their real estate ventures have put such an upward pressure on land prices that few young farmers can afford to get started unless they inherit land. It costs between \$500,000 and \$1 million just to purchase and equip a medium-sized farm and a buyer now puts an average 29 percent down. I don't know too many young farm families who can leverage that kind of cash. And farmers who rent a piece of land, as do the majority of Texas farmers, are just out of luck—farmland market values far outstrip the production capacity of land at today's low crop prices.

The current Commissioner has said that foreign speculation needs 'monitoring,' not regulating," Hightower charged. "Yet, he's failed even to monitor the problem, turning down every request by farm groups to make a study of farmland ownership in Texas to determine just how extensive foreign and absentee ownership really is. The people of this state have the right to know who owns the land. And, as Ag Commissioner the incumbent has the obligation to act on this problem so that we can keep food and fiber flowing from this state. He has the staff, the field offices, the budget and the public support to conduct a statewide survey and to take an active role in solving this problem. His refusal to take action is a deservance to every real farmer and rancher in the state," Hightower concluded.

## PROTECT YOUR FUTURE WITH AN INDIVIDUAL RETIREMENT ACCOUNT AT

You'll Have Benefits Today, Retirement Income For Tomorrow  
 And The Strength and Security Of First National Bank Of Sonora Throughout.

Beginning January 1, 1982, for tax year 1982 and thereafter, a new federal law will make the benefits of an Individual Retirement Account available to everyone, even those already covered by a pension plan. Previously, this plan was available only to those not covered by a pension plan. And the benefits are great both for today and for the retirement years to come.

**Q. Why is this new program so important?**

**A.** There is a new emphasis on self reliance, especially in terms of providing for one's own retirement. The new Individual Retirement Account allows you to do just that, regardless of what other pension or retirement plans you have.

**Q. How does it work?**

**A.** Simply stated, you can put up to \$2,000 a year into an Individual Retirement Account and deduct that amount from your taxable income. The interest you earn on your funds accumulates tax-free as well. After retirement, you may begin withdrawing from your Individual Retirement Account. You must pay taxes on it as you withdraw, but your tax bracket should be much less after retirement.

**Q. Do I have to put in \$2,000 every year?**

**A.** No. You can contribute whatever you like each year, but it can't exceed \$2,000 for an individual or \$2,250 for a couple using the same Individual Retirement Account.

**Q. What about married couples?**

**A.** A married couple, when both parties work, may set up two separate accounts. This means you'll be able to tax shelter \$4,000 a year. If your spouse does not work, you may still increase your annual contribution to \$2,250 to cover both of you.

**Q. At \$2,000 a year, can I really accumulate a significant amount?**

**A. Judge for yourself:**

Let's assume an interest rate of 12%. In 20 years, with contributions of \$2,000 a year, your Individual Retirement Account would grow to \$177,277.

Of course, the interest rate will vary over that period of time, but this will give you some idea of the opportunity an Individual Retirement Account offers.

| At End of Year | Total Amount Deposited | Balance in Account (12% interest) |
|----------------|------------------------|-----------------------------------|
| 5              | \$10,000               | \$ 14,541                         |
| 10             | \$20,000               | \$ 41,035                         |
| 15             | \$30,000               | \$ 89,311                         |
| 20             | \$40,000               | \$ 177,277                        |
| 25             | \$50,000               | \$ 337,559                        |
| 30             | \$60,000               | \$ 629,614                        |
| 35             | \$70,000               | \$1,161,772                       |
| 40             | \$80,000               | \$2,131,427                       |

This chart is based on \$2,000 deposited at the first of each year at a rate of 12% compounded continuously.

**Q. When can I begin withdrawing from my Individual Retirement Account?**

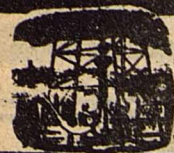

**A.** At age 59½, regardless of whether or not you are retired. Any withdrawal previous to that time will carry a tax penalty amounting to 10% of the amount withdrawn, plus regular income tax on that amount. There is an exception, however, in case of disability.

**Q. Do I have to begin withdrawing from the account when I retire?**

**A.** Not immediately. However, retirement withdrawals must begin no later than the year in which you reach 70½. At that time you can make a lump sum withdrawal, or begin a program of installment payments.

## Valero Names New Production Execs

Valero Producing Company has appointed three vice presidents to manage new district exploration offices in Texas and Louisiana.

The appointments

include Donald W. Gunn, West Texas District, Midland; William C. Wardle, South Texas District, Houston, and Robert M. Swords, Gulf Coast Region, New Orleans. Valero previously announced the appointment of Bruce O. Chalker

as Vice President for the new Rocky Mountain District in Denver.

Prior to joining Valero, Gunn served as Division Geologist for Natomas North America and as District Geologist for Exxon

Company U.S.A. in Midland and as Chief Geologist for Esso Interamerica Inc. in Brazil. He also held

exploration positions with Exxon in

Alaska with assignments covering the North Slope and the Gulf of Alaska.

Gunn received a doctorate in geology from Washington State University in 1965, a master's degree in geology from the University

of Maine in 1961, and a bachelor's degree in geology from Colby College in 1959.

Wardle previously served as Exploration Manager-Southern Region for Longhorn Oil & Gas Inc. and held various geological assignments with Amoco Production Company in Houston. While at Amoco, Wardle was promoted to Regional Consulting Geologist. He received a master's degree in geology in 1956 and a bachelor's degree in geology in 1955, both from the University of California at Berkeley. Before coming to Valero,

Swords was District Geologist for Tomlinson Offshore Inc. and Manager of Exploration for CNG Producing Company in New Orleans. He received a

bachelor's degree in geology from Tulane University in New Orleans in 1952.

Valero Producing is a subsidiary of Valero Energy Corporation.

## 100% Allowable Set For March

The Railroad Commission today set the Texas oil production rate for March 1982 at the market demand factor of 100 percent for the 61st month in a row and the 117th time since the Commission first went to the ceiling level in April 1972.

Chairman Jim Nugent and Commissioner Mack Wallace directed the continuance of the maximum statewide allowable after receiving and reviewing purchaser nominations for Texas oil in March totaling

2,449,402 barrels per day, an increase of 3,082 barrels daily when compared with February 1982 buyer requests. March 1981 nominations totaled 2,581,546 barrels daily.

Next month's permissible rate of output is calculated to average 2,948,882 b/d with actual production estimated at 2.42 million b/d. The maximum allowable applies to all but 10 fields in Texas that are assigned lower legal rates of flow for conservation

purposes. Actual production in March 1981 was 2,496,798 barrels daily.

Nugent reported that March 1982 nominations for the purchase of Texas gas totaled 24,369,916 Mcf/d (thousand cubic feet per day). Gas nominations for February amounted to 25,029,205 Mcf/d. March 1981 gas nominations totaled 24,279,163 Mcf/d.

The next statewide oil and gas hearing will be held Thursday, March 18, at 9 a.m. in Dallas at the

Doubletree Inn.

Major purchasers filed these floor nominations for Texas oil in March:

Amoco Production, 208,000 barrels daily, down 2,000 from the previous month; Cities Service, 74,000, unchanged; Conoco, 56,000, unchanged; Exxon, 295,100, down 700; Gulf, 108,000, down 1,000; Marathon, 67,570g up 110; Mobil, 195,700, down 100; Phillips Petroleum, 73,500, up 1,500; Shell Oil, 170,500, unchanged; Sun Oil,

82,700, unchanged; Texaco, 95,000, down 1,000; Union Oil, 27,350, unchanged.

Significant changes in March nominations were submitted in writing by these purchasers of Texas crude oil:

Charter Crude Oil, 15,705, up 1,705; Clayco, 28,810, up 5,215; Diamond Shamrock, 10,150, up 1,403; Pride Pipeline, 18,828, up 1,148; Santa Fe Energy, 8,400, up 2,373; Western Crude Oil, 34,092, down 1,623.

Commissioner Nugent reported that crude oil and petroleum products imported into the U.S. averaged 5,118,000 barrels daily for the four weeks ending Feb. 5, down 1.9 million barrels per day from the same period a year earlier.

## Texas Gas Production Down From 1981 Figure

Railroad Commission Chairman Jim Nugent announced that Texas oil and gas wells produced 569,505,628 Mcf of gas in October 1981, down .34

percent from field runs a year earlier.

Marketed gas production totaled 478,917,542 Mcf and reflected a 1.6 percent decrease from the October

1980 volume. Marketed production is the total gas to transmission lines, carbon black and plant fuel and lease use.

Gas exported from Texas in October totaled 275,918,123 Mcf. Natural Gas Pipeline Co. of America was the month's largest exporter, moving 68,196,406 Mcf of gas of which 30,725,823 Mcf was Texas-produced gas.

Exports of Texas-produced gas in October to-

taled 199,100,811 Mcf, and reflected a 4.39 percent increase from the year-earlier month.

Texas gas production in October came from 220,202 oil and gas wells.

In September 1981, Texas wells produced 537,717,923 Mcf of gas. Marketed gas production in September totaled 442,448,632 Mcf. September exports of Texas-produced gas totaled 238,135,537 Mcf.

## Permian Basin GPA Meeting Slated

The Permian Basin chapter of the Gas Processors Association will hold its quarterly meeting February 25, 1982, at the air port exposition hall in Fort Stockton, with a golf tournament at the Fort Stockton Country Club. Mr. Attie-son H. Halbrook, executive vice president of Sivalls Inc., will be the guest speaker. His topic for the evening will be "Slurry Sweet" sour gas treating systems.

Reservations for the meeting can be made by calling 915/337-0078 or 915/332-0293 in Odessa.

Social hour begins at 6:00 p.m. and the dinner begins at 7:00. The dinner is \$12.00 per person. The golf tournament will be held on the same date, no reservations required. Tee times from 8:00 a.m. to 1:00 p.m., prizes will be awarded at the dinner, you must be present to win.

## Don D. Narrell New Manager For Halliburton

Halliburton Services has promoted Don D. Narrell to manager of the technical oil field services firm's Midland division. The division serves the petroleum industry throughout West Texas, including the Permian Basin, and all of New Mexico.

The former manager at Midland, Gayle Pruett, is retiring after a 39-year career with Halliburton that began at Houston and continued in numerous Mid-Continent oil areas.

The new manager obtained a bachelor's degree in education at Texas Christian University before joining Halliburton Services as a field trainee in 1953. A member of the Society of Petroleum Engineering of AIME and the American Petroleum Institute, he has been an assistant division manager at Midland for the past six years and has had extensive operational and administrative experience

at several locations in the Permian Basin.

Halliburton Services is a major unit of the Halliburton Company, Dallas.

# Wall, Clayton Wed January 9

Miss Brenda Kay Wall and John G. Clayton were united in marriage Saturday, Jan. 9, at the First

United Methodist Church of Duncanville, with Brother Hulien Jackson of the Duncanville Church of

Christ officiating.

Parents of the bride are Mr. and Mrs. Allen Wall, of Duncanville; and the groom's parents are Mr. and Mrs. David Clayton, Brenda is the Grandaughter of Mrs. Tom Wall.

The bride wore a candlelight cathedral length gown highlighted by a Queen Anne neckline and hand-sewn Alencon lace throughout the gown. Satin covered buttons accented sleeves and the back of the gown.

Her bouquet was a cascade design of japhet orchids, mini carnations, stephanotis and ming fern with accents of mauve ribbon roses, silk lily-of-the-valley, ecru lace and white ostrich plumes.

Tina Wagoner of Duncanville was maid of honor. Bridesmaids were Karin Ebert, Debbie Clayton, sister of the groom, and Kay Murphy, all of Duncanville, and Mindy Glass, Midlothian.

The bridesmaids wore long, burgundy dresses with matching lace jackets. They carried nosegays of dusty pink carnations, valhalla mini carnations, freesia, statis and galex leaves with streamers of ivory lace and moire ribbon.

The mothers wore catalpa orchids. Kevin Cox of Duncanville was best man.

Groomsmen were Mark DeSimone and Randy Risner, both of Duncanville; David Verrett, Dallas; and Mike Crippen, Pampa.

Ushers were Scott Wall brother of the bride, David Sadler and Ken Stone. Candlelighters were Neal Clayton, brother of the groom, and Brian Wall, brother of the bride.

Also attending were Flora Payton of Duncanville, the bride's grandmother; and Gladys Neal, San Benito, and Margaret Clayton, Terrell, the groom's grandmothers.

At the reception in fellowship hall of the church, the table was arranged with candelabras, alstromaria lilies in shades of pink and burgundy, statis and fern.

The bride is a graduate of Duncanville High and is a freshman at North Texas State University.

The groom, also a DHS graduate, is a junior at NTSU.

Following a honeymoon at Steamboat, Colo., they are residing at 1811 Maple Street, Apt. No. 14, Denton, Texas 76203.

# Petroettes To Hold Plant Party

The Petroettes held their monthly meeting Thursday, February 18, at the home of Margaret Cascadden.

All officers were elected for a second term- Margaret Cascadden-President; Bobbie Thompson-Vice President; Gloria Gordon-secretary; and Kathy Minstra-Treasurer

The petroettes will be bringing something new and different to Sonora on March 18 when they have the first "plant party" which will be open to the public and held at the fire station. The proceeds from this project will go to purchase new equipment for the hospital. Plants will

be sold during the evening and experts will be on hand to guide you on care and feeding of various types of plants.

The Petroettes would like to thank all of you who support our projects during the year and look forward to another good year of serving Sonora.

TO: Libble P. Wright, O.E. Oliver, Lottie Oliver, Lula E. Blackman, Hannah, Jennie S. Klee, Orville E. Brown, and Bertha Alice Brown, their unknown heirs, if deceased, their unknown surviving spouses, if any, and the unknown heirs of any deceased spouse, Defendants in the hereinafter styled and numbered cause.

date of final passage of this ordinance, whichever is later; otherwise the same shall be considered approved as filed. Such Schedule of Rates and Tariffs, as the same may be modified, or amended, shall apply to all power and energy used by each customer on and after February 12, 1982.

You and each of you are hereby commanded to appear before the District Court of Sutton County, Texas, 12th Judicial District, to be held at the Courthouse of said County in the City of Sonora, Sutton County, Texas, at or before 10:00 A.M. on the date of issuance hereof, that is to say, on or before 10:00 A.M. on Monday, the 15th day of March, 1982, and answer the petition of Norbert D. McIntyre and W. Randall Lundy, Plaintiffs in Cause No. 2693, styled NORBERT D. MCINTYRE and W. RANDELL LUNDY vs. LIBBLE P. WRIGHT O.E. OLIVER, LOTTIE OLIVER, LULA E. BLACKMAN, HANNA SONNENBERG, JENNIE S. KLEE, ORVILLE E. BROWN and BERTHA ALICE BROWN, their unknown heirs, if deceased, their unknown surviving spouses, if any, and the unknown heirs of any deceased spouse, in which NORBERT D. MCINTYRE et al are Plaintiffs and the parties herein named as Defendants are Defendants, which petition was filed in said Court on the 28th day of January, 1982, and the nature of such suit is as follows:

**PART 3:** That the action of the City Council of the City of Sonora enacting this Ordinance constitutes, on the date of its final passage, a final determination of rates for West Texas Utilities Company within the City of Sonora in accordance with Section 43(e) of the Public Utility Regulatory Act.

**PART 4:** Nothing in this Ordinance contained shall be construed now or hereafter as limiting or modifying, in any manner, the right and power of the City under the law to regulate the rates and charges of West Texas Utilities Company.

**PART 5:** If for any reason, any section, paragraph, clause, word, or provision of this Ordinance shall be held invalid or unconstitutional by final judgment of a court of competent jurisdiction, it shall not affect any section, paragraph, clause, word, or provision of this Ordinance, for it is the definite intent of this City that each of such provisions shall be given full force and intent for its purpose.

**PART 6:** That all Ordinances, Resolutions, or parts thereof, in conflict herewith are repealed to the extent of such conflict.

# NEWS OF ENERGY

Oil and natural gas fuel most American homes, industry and transportation—and probably will for the rest of this century.

Although many alternative energy sources look promising, practical reality demands that we keep finding oil and natural gas until other sources are developed.

Oil and natural gas: Seek and ye shall find!

Fortunately we are finding them. For one thing, we are drilling deeper than ever before: a well recently dug in Texas went down to a depth of 5.5 miles.

Some companies have modified their refineries. Gulf Oil, for instance, invested over \$500 million so its refineries can handle heavier grades of crude oil in order to maintain its supplies of gasoline, home heating fuel and lubricating oils—and to protect the environment.

New technologies in recovery will allow us to get new production from oil fields that a decade ago would have been abandoned.

There is some light in America's energy picture!

# March 2 Texas Flag Day

March 2 is Texas Flag Day. Over 10,000 flags are expected to be flying for this official Texas Heritage Day.

Around Texas, organizations and individuals are taking this opportunity to pay tribute to their state and its flag by flying the "Lone Star" on their homes and public buildings. Local activities will include flag raisings, proclamations by mayors and county judges, speeches and special programs by service clubs, historic organizations and patriotic groups.

The Texas flag was adopted in 1839 as the official standard of the Republic. It became the state flag after the Treaty of Annexation was signed in 1845.

There was several designs for a national flag prior to 1839, but each of them incorporated a single star. The star signifies that Texas was alone in the Mexican Confederation and that the star of liberty was rising.

This gave Texas its nickname, "The Lone Star State."

# Sonora Scouts An Important Part Of Amangi Trail District

Scouting in Sonora is an important part of the Amangi Trail District and the Concho Valley Boy Scout Council. The Service Center for the 23 1/2 county council is located in San Angelo but its geographic center is near Sonora.

Cub Scout Pack 19 of Sonora is sponsored by the St. John's Episcopal Church. Its Scouting Coordinator is George Brockman. Rev. Jim Miles of the Church of the Good Shepherd Presbyterian Church is the Pack's Cubmaster.

Other Pack Leaders are: James F. Garrett--Pack Committee Chairman; Debra Bounds, Victor C. Esche, F.W. Ferrel, Jr.--Pack Committee Members; Judy Miles--Assistant Cubmaster; Edna Duren, Mike E. Keller, Connie L. Malik, nd Jerry Wallace--Den Leaders. These Pack Leaders make Cub Scouting happen for 41 Sonora Cub Scouts.

Boy Scout Troop 19 of Sonora is sponsored by the Downtown Lions Club. Tryon Fields is their Scouting Coordinator. Their Scoutmaster is Rev. David Griffin, Pastor of the First

United Methodist Church. Other troop leaders are James Bible--Troop Committee Chairman, Edna Duren, Jean C. Humphreys, Jim Miles, Lonnie Pollard, and Mario Sotelo--Troop Committee Members. In addition, Gary D. Parker and George Kesse are Assistant Scoutmasters. The troop had 48 members at the end of 1981. Making it one of the larger troops in the Amangi Trail District.

Sonora is represented on the Council's Executive

Board by these dedicated long time Scouters: George Brockman, Jimmy Cahill, Herbert Fields, Joe David Ross, and Joseph Vander-Stucken.

The Council Executive Board meets bi-monthly and frequently meets in Sonora. The Amangi Trail District's South Zone also meets periodically in Sonora.

The Concho Valley Council and the Amangi Trail District salutes Sonora's sponsoring organizations, their units, and their unit leaders for their excellent

use of the Scouting program now and over the years!

Any organization that has goals compatible with those of the Scouting movement is eligible to use the program with the Council and District offering service

to their Scouting units, training, activities and events, camping facilities, commissioner service, and other services that most units cannot provide for themselves.

Many new units will be organized in the Concho Valley Council and across

America during 1982 because of cooperative ventures being undertaken by Scouting and these churches: the United Methodist Church, the Catholic Church, the Baptist Church, and the Church of Jesus Christ of Latter Day Saints.

Amangi Trail District activities for 1982 include a district Boy Scout First Aid Meet in San Angelo on

February 27th and a district Boy Scout Camporee at Camp Sol Mayer on March 26-28.

# Troop 19 One Of Oldest In State

Boy Scout Troop Number 19 is beginning its 54th year and is one of the oldest troops in the state. Rev. David Griffin is the scoutmaster and is assisted by George Keese.

"Boy Scouts is one of the best things going for boys outside of the church. Their standards, mottos and laws all stand for what is good and right," said Griffin. The boys are currently refurbishing the scout hut.

The scouts try to camp out one night a month and a group attends summer camp each summer. The troop participates in the District and First Aid meets and the District Camporee. Three boys attended the

National Jamboree in Virginia last summer.

"We have had a large increase in the number of Boy Scouts in the last year. In fall '80 we didn't have a roundup and this past fall

we did. Every week one or two boys have been signing up, Rev. Griffin said.

Boys included in the troop are: Dwayne Freeman, Darold Malik, Donny Hefernan, Kirk Joy, Chris

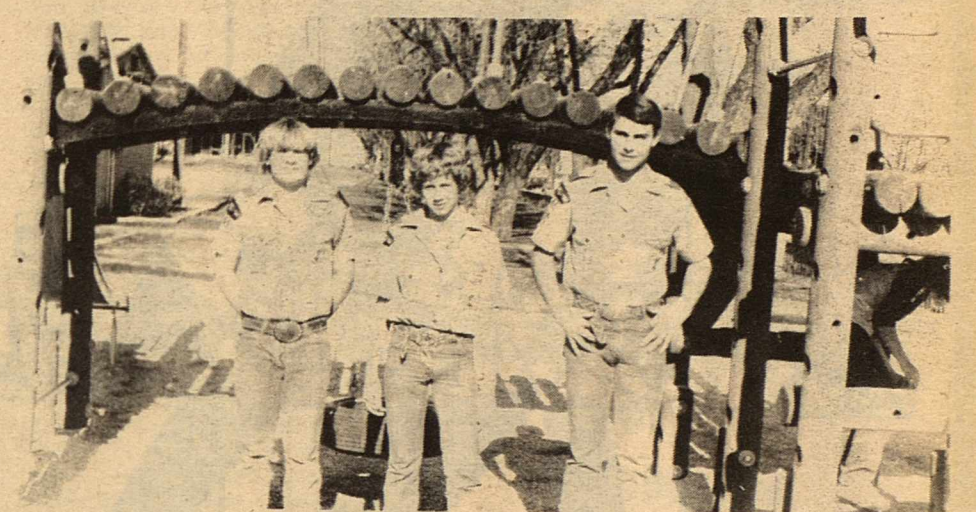

Chavarria, Terry Freeman, Chris Castro, Dwayne Castro, Bobby Walocek, Danny Flores, Robert Fiero, Duan Jones, Justin Condra, Greg Anderson, Jimmy Keese, Albert Fiero, Carl Speers & Joe Maskill.

## Troop 276 Participates In Service Activities

Troop 276 has participated in several service projects including: helping at the Little League Concession stand, swimming lessons, addressing envelopes for a golf tournament that Desk and Derrick organized, helping at the Lion Club Auction, making fruit bags for the Senior Citizens and stuffing them, helping with the Jerry Lewis Tele-

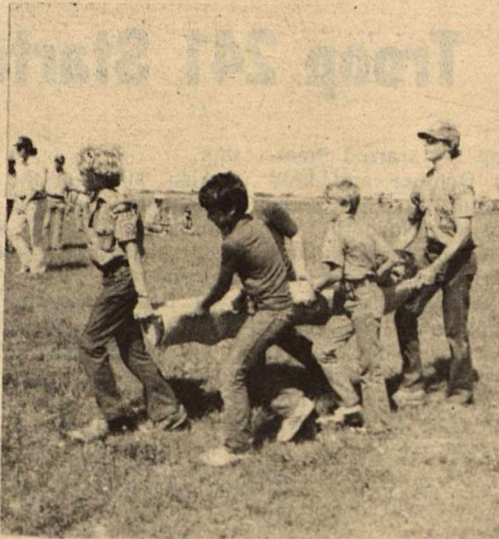

thon. They have been asked to help with stuffing and addressing envelopes for Desk and Derrick this year and will also help with swimming lessons this summer.

The girls have enjoyed make-up lessons, how to administer first aid, and nail care.

There are several things in the planning on activities for next year. This year the girls have worked and completed their First Class Badge on January 31, they held a ceremony for the event.

For the rest of the year they have planned a trip to Camp Bothe Oakes in Sweetwater Lake, a city-wide game, a trip to Odessa which will include going to the sand hills, Petroleum Museum, Water Wonderland, and a play.

The troop made a camp-out at Mitre Peak near Alpine in August and another trip in April to Camp Hat-A-Ranch near Bakersfield. The troop is now planning a trip to Switzerland in the summer of 1984. They are trying to raise money for the trip. The girls are currently selling popcorn and later they will sell candy in May.

## Marlene Evans Acts As Neighborhood Chairman

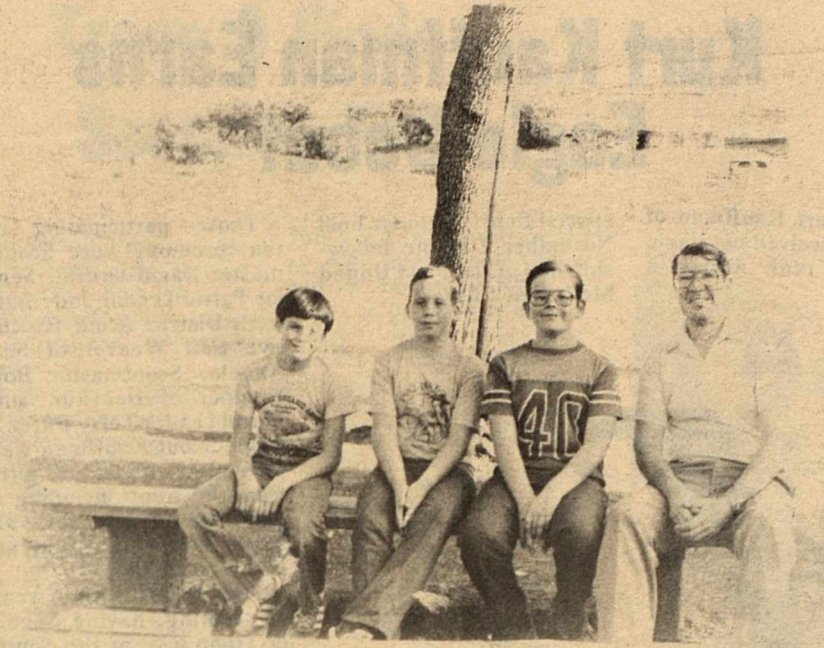

Marlene Evans has been the Neighborhood Chairman for four years. She is presently filling the second year of her second term. She has been involved in scouting as a leader or assistant leader for 10 years at the Brownie, Junior, and Senior Girl Scout levels.

As Neighborhood Chairman, Marlene oversees the scout leaders, coordinates the activities, serves as a link between the leaders and girls and the council, takes care of all donations and gifts, and her main projects for the year have been improving the scout house and getting more girls and leaders involved in scouting.

Marlene said that more leaders are always needed because of the high rate of turnover of leaders in Sonora. An excellent training session for leaders will begin in May or June.

"I feel that scouting is a priority that every adult should be involved in because the scouts are definitely our tomorrow. I feel that I have gained as much

or more as the girls in scouting activities by just being involved with the girls," Marlene said. Marlene is married to Roy G. Evans, who is a teacher and coach at Sonora High School and has three daughters who have been or are involved in scouting: Tonya, 18, Leah, 14, and Dana, 7. She is employed full-time as a bookkeeper at J and L Contractors Inc., part-time at Lynn Meador Real Estate in Eldorado and works part-time selling Aloe Vera Products, a line of Lady Love Cosmetics.

## Webelos Planning Many Activities In Future

The Webelos, 10 year-old boy scouts, have a hiking trip among other activities planned for the near future.

The boys also plan to go to the Permian Basin Museum in Midland on March 5, a Father and Son Ban-

quet on April 3, and an outdoor event with the father at Lake Amistad is planned for April 15.

F.W. Ferrell and Rev. Jim Miles are the leaders of the troop.

The Webelos are a tran-

sition stage between being a Cub Scout and a Boy Scout.

Included in the Webelos are Keith Wallace, Mark Esche, Matt Miles, Damon Skains, D.A. Waldo, and Juan Ramirez.

## Kurt Kauffman Earns Eagle Scout

Scout Kurt Kauffman of Troop 19 received his Eagle Badge of rank during a

special Court of Honor held November 2 in the fellowship hall of the First United Methodist Church.

Those participating in the ceremony were Scoutmaster David Griffin, Senior Patrol Leader Jody Luttrell, District Scout Executive Earl Weaver of San Angelo, Scoutmaster Bob Kemper of Del Rio, and Patrol Leader Terry Duren. Eagle Scout Kauffman was presented with several gifts from the troop including a pen and pencil set, an Eagle belt buckle and an Eagle neckerchief.

Kurt is in his sixth year of scouting, having begun in Troop 625, of the South Plains Scouncil in Levelland in 1975. In 1977, he moved to Sonora and became active in Troop 19.

He has served in several troop offices including: Patrol Leader, Assistant Senior Patrol Leader, Senior Patrol Leader and is presently the Junior Assistant Scoutmaster. In June 1979, he served as Assistant Senior Patrol Leader Browsea 22, (a special troop for fostering development of leadership skill.) Kurt is also a member of the Order of the Arrow, the honorary camping fraternity of scouting. Kurt is sixteen years old and is currently a junior student at Sonora High School.

## Troop 241 Started Meetings In October

Troop 241 started meetings in October and held their official investiture ceremony on November 3, with the parents attending, and refreshments served after the ceremony.

In November, the troop took part in "The Magical Raindrop", a day of fun, games, arts and crafts, and a short study on conserva-

tion. Also, many of the girls participated in the pre-game flag ceremony at the Bronco football field in November.

In December, the girls undertook three service projects. Instead of the girls exchanging gifts, the gifts were taken to the patients of Hudspeth Nursing Home and the troop

had a small party there. The troop donated canned goods and a ham to the Senior Citizens Basket project. A tissue paper tree was made at one of our meetings and donated to the library, where it was displayed during the Christmas season. The troop's own party was enjoyed on December 15. In January, the arts and

crafts of the girls centered around snow and snowmen.

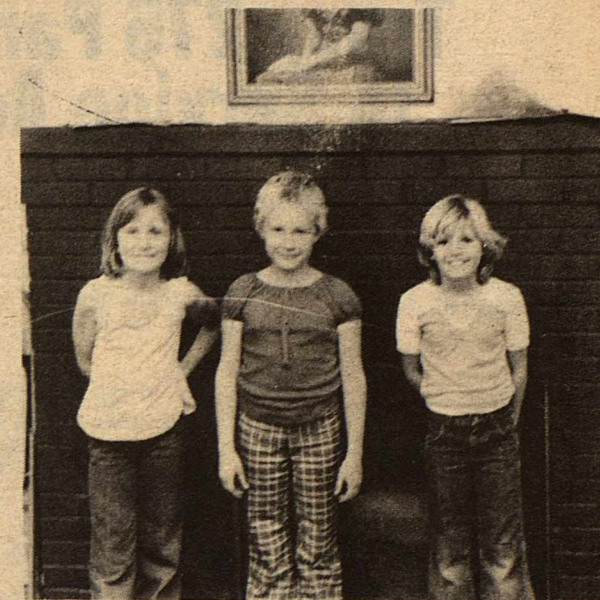

Our troop earned the "Parents At Work" badge by visiting one of the mothers at work at the Sonora Animal Hospital. We were also visited by another mother who told about her job at the Junior High Snack Bar. After discussing all of the parent's jobs, the girls felt that they had learned a little about the adult world of work.

In February, the troop prepared for Girl Scout Thinking Day by studying the country of Mexico. They prepared a program and refreshments, and invited other Brownie troops of Sonora.

The troop will be having a cookout and overnight combined with an other first grad troop at the Girl Scout House of March 12. Also two of the leaders and three of the girls will be attending a workshop in San Angelo on March 6.

One of the mothers will be bringing the ambulance to a meeting in the near future, and explaining it to the girls.

The girls feel that the year has been very fulfilling for them.

## Troop 247 Preparing For Girl Scouts

Troop 247 is a group of eight and nine year old girls who are currently in their last year of Brownies.

The girls have sold calendars and cookies this year and are mainly preparing to become Girl Scouts next year.

The leaders of the troop are Rhonda Wilson and Greta Bowers.

The members are: Shelly Evans, Kam Sims, Angie Stewart, Trachell McDougall, Olga Chavez, Jackie Skains, Kimberly Covington, Pat Perez, and Debbie Mata.

Troop 276 Receives First Class Badges

## Troop 276 Has First Class Ceremony

On January 31, 1981, Troop 276 held their First Class Ceremony in the fellowship hall of the Methodist Church.

Duan Freeman of Troop 19 opened with a flag ceremony. Boy Scouts participating were Terry Freeman, Donny Heffernan, and Jimmy Keese. Doormen were Dany Ross and Greg Anderson.

The Invocation was given by Rev. David Griffin. Marlene Evans made the introductions. Participating in the ceremony were Cookie Heffernan, assistant leader; Marlene Evans and

Edna Duren.

Edna Duren explained the First Class Badge and the requirements.

Receiving the awards were: Gina Black, who has been in scouts for two years and is the current president; Karla Jungk, who has been in scouts for 5 years and is the current Vice President; Debbie Shannon, a scout for 5 years; Sherry Ellison, a 2 year scout; Leah Evans, who has been in scouts for 9 years; Tammy Duren, a 1 year scout and has also participated in two wider opportunities- Trails of Texas and Sky Track in Colorado; Della Heffernan, a 2 year scout; and Rebecca Hulsey, a scout for 5 years.

After the girls were seated, each came to the front with their parents. The girls were asked a question to meet their last challenge- the challenge of the Girl Scout Promise.

The parents then pinned the girls and each mother was presented with a daisy.

Troop 276 closed with a candle-lighting ceremony of the Law and Promise.

Refreshments were then served.

## Troop 8 Finds Scouting Fun

Girl Scouting is a way for Junior High girls to get together and find the support they need to have fun and participate in troop activities.

Troop 8 has worked on several badges, that are guides for learning things in different fields. Their main interest is in World of Outdoors, which they have had several campouts. They attended the Girl Scout Junior Olympics in Ozona in 1981, bringing home two first places, one second place and one third place.

They attended the District 1800's at Camp Dixie Allison and explored Ft. McKavett and hiked the nature and historical trails.

They also went to Camp Jo Jan Van to the Silver and Gold. Some are returning for resident camp in the summer. They will never forget the experience of Jeannie Kendall at the San Angelo Rodeo and they have also visited Surf City.

Troop 8 also set out to go to Six Flags Over Texas. They made this project a success through their dedication and hard work. The girls recycled aluminum cans to raise the money.

The trip was enjoyed by all as they spent three days and two nights in Dallas.

The troop plans to attend District events this year and are planning on campouts and a trip to Galveston and Astro World with their recycling aluminum can funds.

Their next project is World Neighbors. They had the experience of visiting Mr. Hugh McGahan from England, while he was in Sonora. They are corresponding with Helen McGahan of Audenshan, Manchester England. They are discussing and planning on a trip to London, England in their future year of Scouting. These girls will be recycling aluminum cans and other projects to take this trip.

The also are planning a summer of fun around aquatics and boating, these girls enjoy water recreation.

Members of the troop are Nancy Herrera, Lena Laxton, Wendy Anderson, Tammy Holquin, Samantha Gregory, and Tammi Jones.

The leaders are Lois Laxton and Linda Franklin.

## Sky Trek One Opportunity Available

The Sky Trek is one of many opportunities Girls Scouts from all over the world can take part in.

Tammy Duren, daughter of Mr. and Mrs. Jack Duren, was accepted for Sky Trek. This event was a backpacking experience at Woodland Park near Colorado Springs, Colorado. Tammy was one of three girls that applied for a Wider Opportunity last summer.

All Cadettes and Senior Scouts (ages 13-18) are sent a copy of Ran Ways. This book contains many opportunities in the U.S. and

overseas. Each Wider Opportunity is read over carefully. When a choice of three have been made, the girl fills out the application and sends it to the Council Office. It is read over and approved and is mailed to the Council of the girl's first choice. The council reads over the application and if they like what is written, the girl will receive a folder giving all the information needed for the trip and stay. It is truly a great experience for any girl to meet girls her age from all over.

Louis is the second of the four Humphrey boys to receive his Eagle award from Troop 19. He received

it on April 29, 1980 from scout master Bob Kemper. The Humphrey boys began scouting in 1959 when Bobby became a cub and got their mother to be a den mother for Pack 19. He went on to receive the Life award and was working to become an Eagle when he became an Eagle when he followed to become an Eagle in 1970. Johnny was the third Humphrey scout and he also reached the Life Rank. Troop 19 has been a source of pride and achievement for all the Humphrey boys and their family for many years and they plan to continue working with the scouts and scouting in the future.

### Den 1 Enjoys Field Trips

Den 1 is a group of second year Scouts led by Jim Garrett and Mike Keller.

The boys include Jason Donaldson, Chas Thompson, Tooter Jones, Mark Rogers, Mark Wooten,

Todd Keller, Chacho Cahill, Scott Garrett, Jake Kimbrel, Chris Penny and Danny Hulsey.

The boys have enjoyed taking a field trip to Fort Concho and a hike of historical trails of San Angelo.

They have also been studying conservation, American Heritage and American Folklore. Each boy has a wood-working project where how to use hand tools safety is learned.

### Three Attend National Jamboree

Three boys from Sonora were accepted for the National Jamboree held at Fort A.P. Hill, Virginia.

The boys rode a charter bus to Dallas, then flew to Washington, D.C. While in Washington, the boys stayed at the Harrington Hotel

and toured the Capitol, White House, Smithsonian Institute, and took the subway to the Pentagon.

Tom Loeffler visited the boys and they had their picture made with him.

From Washington D.C. they flew to Virginia. At camp, their activities in-

cluded canoeing, rifle range, archer, orienteering, opening arena show.

Camp Fire, closing Aerna, visiting Fredericksburg, VA, and hiked the historical trail. They were also entertained by the Oak Ridge Boys.

## World Scout Jamboree Planned For July 1983

The XV World Scout Jamboree will be held July 4-14, 1983. It is an encampment of 15,000 Scouts and leaders representing virtually all of the 117 Scout associations in the free world. All BSA Scouts and Scouters that attended will be organized into provisional troops.

This event will be held in Kananaskis Country, a provincial park in the Canadian Rockies on Highway 1, 50 miles west of Calgary and 30 miles east of Banff, Alberta, Canada. Kananaskis Country is a picturesque setting with snow-capped mountains, alpine meadows, glacier lakes, clear and sparkling streams, evergreen forests, and beautiful wildlife.

Under consideration are activities such as a visit to the world-famous Calgary Stampede and Chuckwagon Races; an overnight backpacking trip into the Canadian Rockies; rafting on the Kananaskis River on self-made rafts of inner tubes and plywood; canoeing and kayaking on Barrier Lake; participation in a motorcross bike contest; learning skills of cowboys and lumberjacks; and competitive Scout games.

The method of travel and travel tours are incomplete at this time. All participants will travel together as part of a jamboree troop. Troops will tour before and/or after the jamboree. Cost of the jamboree has not yet been determined. The cost will be a package plan that includes the jam-

boree fee, as well as all travel, meals, lodging, troop and patrol equipment, insurance, and pre-jamboree training. Cost will vary according to distance and travel plans.

All youth participants must be registered Boy Scouts and have reached their 14th but not their 18th birthday by July 4, 1983, and have attained the first class rank by this date.

Scoutmaster and first assistant Scoutmaster: Must be at least 21 years of age and have served as a Scoutmaster for at least 1 year during the 3-year period prior to April 1, 1983; must also have been awarded the Scouter's Key or have completed Wood Badge prior to this date.

## Den 2 Working On Bear Badge

Den 2 has been busy the past months working on the Bear badge. The boys have two achievements left.

They will finish it in the next three or four weeks. After this the den will plan on some field trips and

work on electives. Some of the field trips planned include the old jail, Miers Museum and to the Caverns. These boys will become Webelos next year. Boys included in the den are: Eric Sanchez, Mike Heffernan, Francisco Go-

mez, Toney Duren, John Mastracco, Estaban Longoria, Jimmy Luckie, Sean Peek, Mark Shanaberger, William Burch, Reyer Caruthers, Greg Foneca, Chris Hanna, Juan Reyna, and Sammy Gregory.
