Cathy Polocek

Cathy Polocek Honored

Cathy Polocek has been selected to play with the Texas International Lions Club Band. The band will perform at the Lions Club Convention in Atlanta, Georgia.

Cathy will travel to Waco, Texas, then to Atlanta.

The band will perform in a parade on June 26th. They will give a

concert the following Thursday and then, on the third, will play at the convention.

Cathy was considered to be outstanding on the clarinet at Sonora High School. She was the recipient of many scholastic honors and the Valedictorian of 1982. She achieved a four-year average of 94.166.

Long-Time Sonora Resident Buried Monday

G.H. Hall of Kerrville died at 7:25 a.m. Sunday in a Kerrville Hospital. He was 90 years old.

Services were held at 4:00 p.m. Monday in Sonora's First United Methodist Church. Burial was in the Sonora cemetery.

Officiating were the Rev. Paul Terry of Eden and Rev. David Griffin of Sonora.

He is survived by his wife, Betty Mosty Hall, of 208 Methodist Encampment Road, Kerrville, two daughters and their husbands, Mr. and Mrs. Albert Ward of Sonora and Mr. and Mrs. Jim Sloan of Springs, Texas. Also surviving are five grandchildren, Mrs. Michael Ball and Kelly Ward of College Station, Gus Ward of Sonora and Bart and Christy Sloan of Spring.

Green Hicks Hall was born Oct. 4, 1891 in Oglesby, Texas.

He was a veteran of World War I. He served in the Cavalry in France and in Germany.

He married Catherine Greagh on Aug. 14, 1924 and moved from Rule, Texas to Sonora in 1933 when they purchased the local movie theatre, La Vista.

Later they bought the Devil's River News which they operated for several years.

In the early 1950's they built and operated the Bronco Drive In. Following Kate's death in 1955 Mr. Hall retired and later sold his theatres.

On June 20, 1971, he married Betty Mosty of Kerrville. They lived in that city since that time.

He was a 50-year member of the Masonic Lodge, a former president of the Lions Club, a member of the Methodist Church where he served as President of the Administrative Board and for years was active in Sonora civic affairs.

Sutton County Days Schedules Announced For August Festival

August 20th and 21st are the dates for this year's Sutton County days activities, including the Rodeo and Dance both nights.

Division Chairmen have been appointed as follows: Old-Timers Reunion-Harva Cooper; Queen Contest-Mary Jean Hamilton assisted by Jan Robertson; Arts and Crafts-Shelley Chaney and Sandra Cooper; Food Booth-Diana Trainer and Doris Merriman; Barbeque-Les Robertson and Libb Wallace; Little Mr. and Miss Sutton County Days Contest-Roberta James assisted by Judy Webster; Museum Tour-Bill Stewart; Booth Construction-Jim Cusenbary; Parade-Jo Ann Jones; Free

Stage Music-Jim and Mary Lou Garrett; Square Dance-Herb Jones; Concession and Games-Sonora Volunteer Fire Department and Auxiliary; Pet Show-Jan Robertson; and Awards-Jo Ann Jones; The Master of Ceremonies for this Year is Mary Jean Hamilton.

The rodeo will kick off two big performances on Friday and Saturday night under the supervision of Rodeo Chairman, Jim Garrett. This year's rodeo will be an amateur show and not an IRA Sanctioned Show, and the stock contractor and rodeo producer is the Devil's River Rodeo Company.

Two big dances will be under the supervision of Co-Chairmen Tommy

Shook and Les Robertson. The Bill Green Band will play for the Friday night dance, with Darrell McCall to follow on Saturday night.

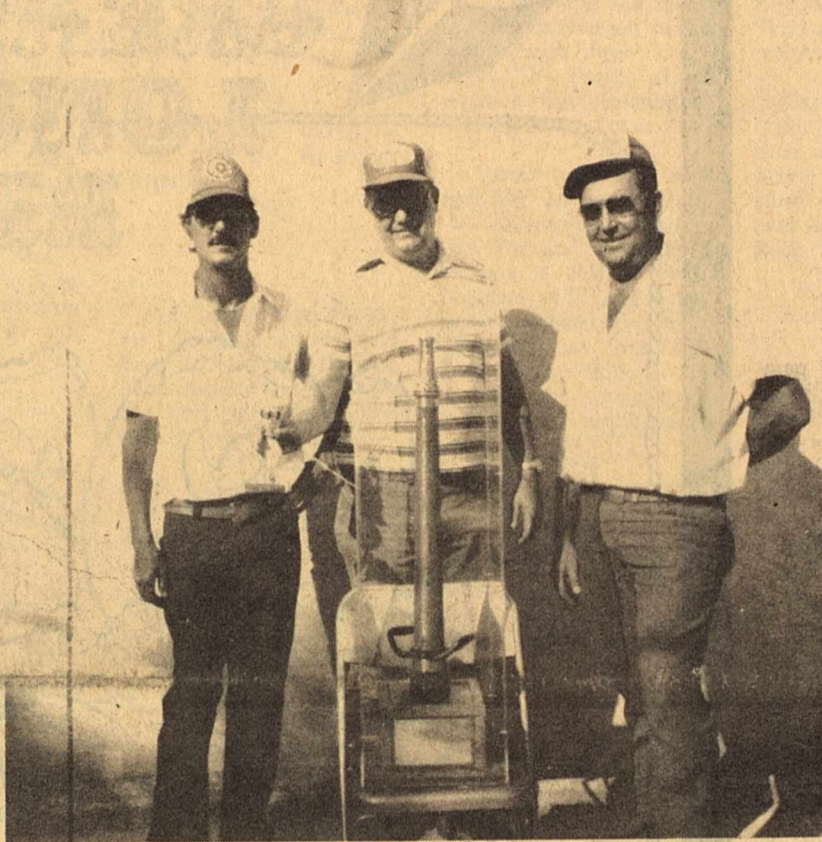

Several new activities have been planned during Sutton County Days on Saturday, including a Square Dance and free Stage Music performed by local bands.

Of particular interest to local non-profit organizations is the auction to be held for the first time this year. Any local non-profit organization may auction a maximum of five items, with all proceeds to go back to the participating organizations. These items may include arts and crafts, baked goods, or any other items the participating clubs think

will bring the most money for their organization.

The Sonora Chamber of Commerce has mailed this information to all clubs on their list. However, some may have been overlooked. Those clubs wishing to participate are asked to contact the Chamber of Commerce Office at 7-2880.

Sutton County Days Activities, Rodeo performances and dances are being co-sponsored this year by the Sutton County Days Committee, whose president is Herb Jones, and the Sonora Chamber of Commerce, with office manager Edith James. Interested individuals should contact either organization for assistance or additional information.

The "Oldies But Goodies" Three Man team won first place at the State Firemen's Convention. Pictured left to right--Gene West, Carl Teaff, and Louis Olenick.

Sonora 4-H Contestants Win Honors In Eldorado

Sonora 4-H'ers placed in many events at the Eldorado 4-H Horse Show on June 12, 1982.

Lewis Baker won the High Point Sub-Junior award as well as the Overall High Point Revolving Trophy. Cindy Doran's horse, Rocky, won Reserve Champion in the halter class.

Events and winners were as follows: Sub-Junior Lewis Baker, 6th in Halter; 1st in Showmanship; 3rd in Western Pleasure; 3rd in Western Showmanship; 2nd in Pole Bending; 1st in Barrel Racing; 2nd in Flag Racing; Shane Keller, 2nd in Showmanship; 1st in Western Pleasure; 1st in Western Horsemanship; Allison Schweining, 4th in Showmanship; 5th in Western Pleasure; 2nd in Western horsemanship; Tam-

my Stokes, 3rd in Halter; 3rd in Showmanship; 4th in Western Pleasure; 4th in Horsemanship; 1st in Pole Bending; 2nd in Barrel Racing; 1st in Flag Racing.

Junior--Wheless Baker, 3rd in Halter; 5th in Western Pleasure; 2nd in Western Horsemanship; Leah Brown, 4th in Western Pleasure; Abe Caruthers, 5th in Halter; 4th in Reining; Cindy Doran, 1st in Reserve Champion in Halter; 3rd in Western Horsemanship; Stephanie Powers, 1st in Pole Bending, 2nd in Barrel Racing.

Senior--Nancy Benson, 4th in Halter; 1st in Western Pleasure, 2nd in Western Horsemanship.

We are proud of all these youngsters and wish them continued success in all of their 4-H events.

Jim Collins Hits At Big Government Growth

Jim Collins, candidate for the U.S. Senate told the American GI Forum Friday in San Antonio that we must once again have an "economy that is growing and producing new jobs."

Collins, a World War II veteran who served in Patton's Army, noted that when he came home from the war and was trying to build a business, the economy was strong. "We were able to grow and provide new jobs. The federal government was small and did little to stifle business. As recently as 1970, total federal taxes were only \$193 billion and federal spending was \$196 billion."

"In the last 10 years, the federal

government has completely gotten out of hand. This year we will collect taxes of \$623 billion, spend \$720 billion and the government will take over three-fourth of the new capital in this country--this is money that our businesses need to expand and create jobs, but they can't when the government is taking the capital and keeping interest rates high.

"As your Senator, my goal will be to stop this growth in federal spending so that those who are trying to get a job or start a business in the 1980's will have the same chance that was available in the 1940's, or 50's or 60's," Collins said.

Red Cross Water Safety Course

Melissa Teaff, Red Cross Water Safety Director, would like to remind you of the W.S.I. course to be held June 28-July 9.

You must have a current Advanced Lifesaving certificate, 17 years of age, and a real interest in teaching swimming lessons. If you are interested please call Mrs. Teaff at 387-2773. Classes will be at 8:30-11:30 at the public pool.

Memorial Scholarship Founded

The family of Wesley Richardson has established a memorial scholarship fund through the Texas Sheep and Goat Raisers Association. Interested person should contact the Association in San Angelo.

Correction

In a story in last week's Devil's River News the semi-annual/dividend voted by the director of the First National Bank was shown to be \$75,525. This should have read \$155,250.

Top Prices Paid For Competition Winners

4-H Fleece brought \$200 from Producer's Livestock, San Angelo and Hershall's Foodway, Sonora, Wool

Grand Champion Fleece of Wool

Bryan Hunt-Sutton Co. 4-H Fleece brought \$175 from Velma Hunt.

Grand Champion Bag of Wool

Champion Range Fleece of Wool

Bryan Hunt-Sutton Co. 4-H Fleece brought \$280 from Glen Fisher, Jim Cusenbary and The Food Center, Sonora.

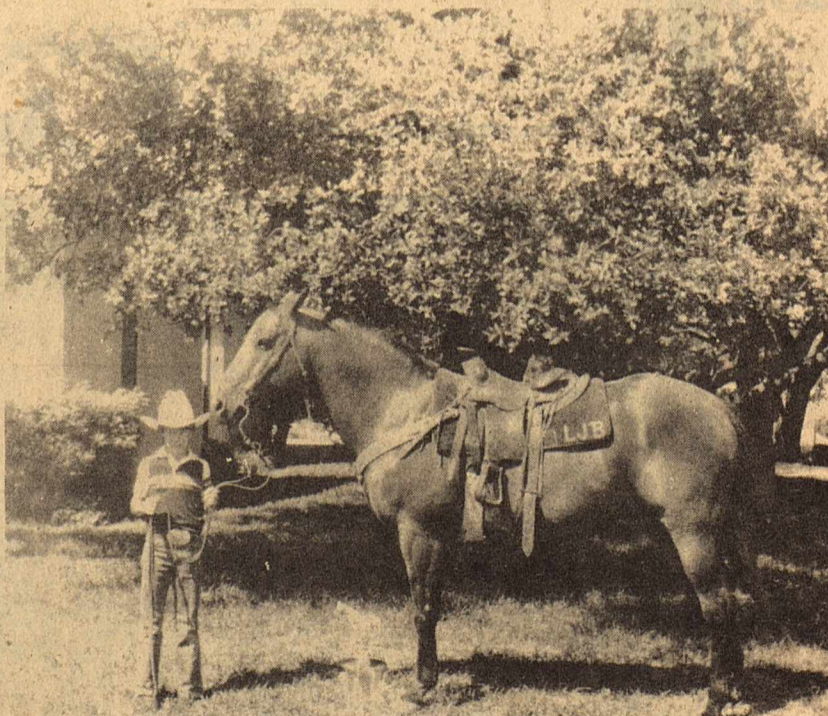

The Auction at the Sonora Wool and Mohair Show went over really well and left some rather proud individuals of their champion and grand champion fleeces. Below are the names of the fleece owners and the buyers of the fleeces.

Mohair
Grand Champion-Fleece of Mohair

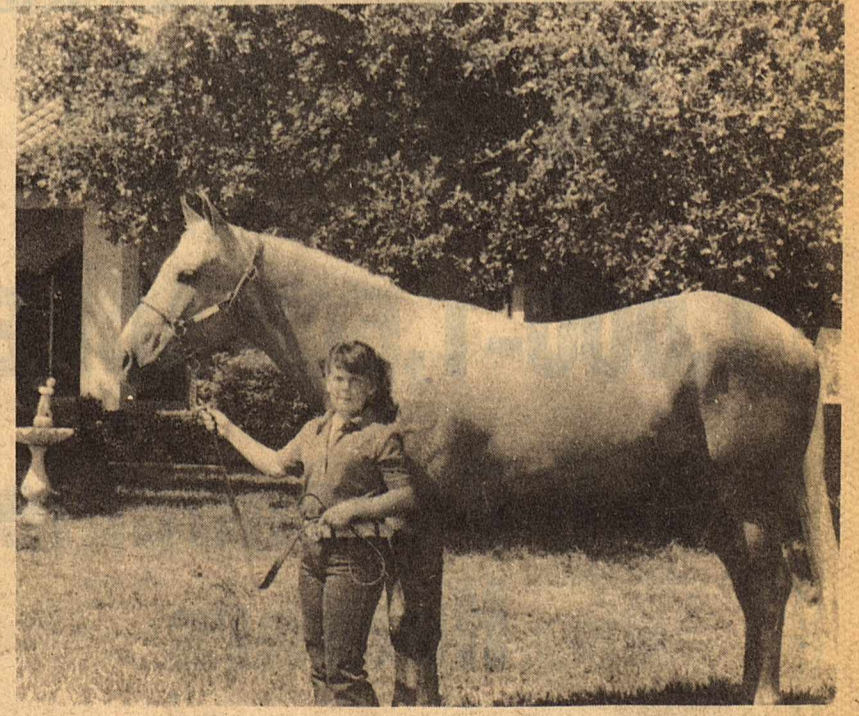

Justin Stieler, Comfort, Texas, Kendal Co. 4-H Fleece brought \$175.00 from ranchers Wool and Mohair, Ingram Texas and Vestel Askew.

Champion Range-Fleece of Mohair

Amanda Brice-Real Co.

Lewis Jarvis Baker & King, winner of the Jess Coy Memorial and the Sub-Junior All Around (Belt Buckle).

Winner of Reserve Champion Registered gelding is Cindy Doran with Rocky Off Set. Cindy won a halter.

Letter To The Editor

Dear Editor: This is a statement in response to the article in the Devil's River News of June 16, 1982, reporting the actions of the Sutton County Commissioners' Court.

First, I want to make it perfectly clear that this statement is intended to express my personal views, and is in no way a statement by the Hospital Board. In fact, no member of the Hospital Board has been consulted or had the opportunity to read it.

My first comment is that I find it quite interesting that the Devil's River News has such a detailed report on the meeting of the County Commissioners, on June 14, when as reported to me, no member of any news staff was present at the meeting.

The article states that no member of the Hospital Board was present for the meeting, even though the Board had been notified of the meeting. Present at this meeting was one member of the Hospital Board, and in addition two members of the Commissioners

Court were members of the Hospital Board until a short time ago, and a third had been a Board member in the past for many years.

On Friday, June 11th, I received a copy of a letter to Mr. Elliott, that stated if he disagrees with the legal opinion expressed in the enclosed material, the Commissioners Court would welcome his comments at the June 14th meeting. This very brief time schedule made it impractical of not impossible to call a Hospital Board meeting before the County Commissioners were to meet. Further, the material enclosed with the letter, clearly indicated that the County Commissioners were going to be instructed to deny the Hospitals request for financial assistance.

Since we had explained our situation in detail to the County Commissioners

over a period of several months, and had provided them with all the information that was available, I, personally, felt that there was no point in attending a meeting that would merely express verbally what had already been expressed by letter.

I will present to the Hospital Board at their next meeting the response of the County Commissioners to our request. If the Board feels that further communications with the County Commissioners is advisable, I will follow their instructions. While I do not consider the legal opinion that the County Commissioners used to justify their action is a definitive one, I see no point in challenging the legal opinion. The action of the County Commissioners clearly indicates their lack of concern of providing adequate medical facilities in our community.

Sincerely yours,
Lea Roy Aldwell

Texas Industrial Commission Discussed in Sonora

Chole Chaddick, Consultant, with the Texas Industrial Commission and Gary L. Vest, Supervisor of Area Development, with the West Texas Utilities, were in Sonora Wednesday,

June 16th. Ms. Chaddick gave a talk and open discussion on the Texas Industrial Commission and what funds were available to business and individuals locally.

Ms. Chaddick left pamphlets and pertinent information with the Chamber of Commerce Office for any person interested in Learning more about the Industrial Commission, and what programs are available.

Sonora Firemen Score High In Competition

Several members of the Sonora Volunteer Fire Department and the Firemen's Auxiliary attended the 106th annual conference of the State Firemen's and Fire Marshals' Association which was held in Abilene at the Abilene Civic Center June 12th through June 16th.

Representing Sonora were Mr. and Mrs. Louis Olenick, Mr. and Mrs. Carl Teaff, Mr. and Mrs. Gene West, Mr. and Mrs. Al Bougher, Mr. and Mrs. Harold Martinez, Mr. and Mrs. Troy Heffernan, Mr. and Mrs. Sam Odom, Mr. and Mrs. Vernon Humphreys, Mrs. Joe Luttrell, and Kyle Donaldson.

In the racing competition on Tuesday, June 15th, Sonora was the only city to enter all four divisions. This is really quite a distinction to be proud of, as most of the other departments present were from larger cities and are paid firemen, not volunteers like

the Sonora Department.

Sonora's ladies' pumper team consisting of Cookie Heffernan, Nova Olenick, Trevlin Luttrell, Patti Bougher, and Frances West placed 7th in the Six Woman Pumper Race. This race is usually run by a six member and the Sonora ladies ran with only five.

Melissa Teaff, Jean Humphreys, and Benita Martinez competed in the Three Women Race and placed 3rd, but later disqualified for a minor technicality when the 4th place team lodged a complaint.

In the men's competition, the Sonora Six Man Pumper Team consisting of Al Bougher, Kyle Donaldson, Troy Heffernan, Harold Martinez, Sam Odom, and Vernon Humphreys placed 9th. They were awarded a travelling trophy for their efforts.

The Three Man Team of Carl Teaff, Louis Olenick, and Gene West won 1st place, setting a new state

record of 10.20 seconds. They were awarded individual medals as well as a trophy. They were also presented with a travelling trophy to be inscribed with their names and returned to the next convention in Beaumont next June.

Darla West and Marty Lipham both had posters entered in the fire prevention poster contest, but failed to place.

There were dances held on Monday and Tuesday nights as well as a barbecue following the races on Tuesday. The conference ended at noon following the Wednesday morning session at which state officers and future convention sites were voted upon.

The Sonora Firemen and Auxiliary members are proud to have had the opportunity to represent Sonora by their attendance and participation in Abilene.

Around Town by Hazel McClelland

Like her urban counterpart, today's ranch woman wears several hats. As business and society becomes increasingly complicated, her versatile expertise is more critical to survival of the ranch family than ever before. And the uni-

que--sometimes traumatic, always unusual--problems encountered in everyday ranch life require special understanding and attention. Our sympathy to the Glen Richardson family at the loss of their son and

brother Wesley Richardson.

+++
Mrs. R.A. Halbert and Mrs. Vestal Askew were in San Angelo Tuesday.

+++
Mrs. Aimee Thompson of Montgomery, Alabama is visiting her daughter and family Mr. and Mrs. Gene Shurley.

+++
Mrs. Gwyn Wardlaw, Davie Taylor, Guila Vicars and Hazel McClelland were in San Angelo Wednesday.

+++
Buster Odom of Rocky Mountain, South Carolina, was in Sonora this last week visiting with his cousins Mrs. Betty Dillard and Sam Odom. Buster lived in Sonora when he was young.

+++
Mrs. Louie Trainer entertained the Tuesday night club at her home June 15th. Members present were: Mrs. Lura Belle Ross, Guila Vicars, Davie Taylor, Vestal Askew, Ruth Shurley, and R.A. Halbert. Guest were Hazel McClelland. Mrs. Ross won high score, Mrs. Taylor won the slam prize, Mrs. Askew won the bingo prize, Hazel McClelland won the guest prize. Cake and ice cream was served.

+++
Mr. and Mrs. Bill Savell have returned from a vacation in Colorado.

+++
Mr. and Mrs. LeeRoy Martin (the former Susan Shurley) and daughter Zane have been visiting her parents, Mr. and Mrs. Gene Shurley. LeeRoy is in the banking and finance part of the bank in San Antonio.

+++

+++
Mrs. Ann May and Sammie Prater of San Angelo visited Mrs. Carra Simmons several days last week.

+++
Mrs. Sadie Archer was visiting in San Angelo last Thursday.

+++
Mrs. Lottie May Kelley of San Angelo was visiting

Mr. and Mrs. James Morris at the Sonora Caverns and with Mrs. Ellen Ray last week.

+++
Mr. and Mrs. Buster Jennings an grandson Bill Lamb, spent 4 days in Corpus Christi at a family reunion. Little Bill caught a big fish when they went out fishing in a boat. Dread Disease Coping Subject Of Discussion

Fatal Diseases may not be a pleasant topic, but one that is prevalent to all ages and individuals (friends, relatives, yourself). A program entitled Coping with Fatal Diseases will be presented by Eddie Jessup, R.N. Topics to be discussed include: concerns of hypo-

glycemia, heart, and cancer individuals, stages of fatal diseases, coping skills, and social and economic help available.

The program will be Friday, June 25, 7:00 PM, at the 4-H Center. Sutton County Family Living Committee and the Texas

Agricultural Extension Service are co-sponsors.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Summer Reading Program Now In Full Swing

The Sutton County Summer Reading Program is in full swing. There are over 35 children participating. Each child sets his or her own goal as to the number of books that he or she intends to read by July 31 and then if this number is met, they receive a reward at the closing party. To add interest to the

program, free cokes are given to each child for every ten books that they read. The cokes are being donated by Mike and Sherry Sipes of Circle S Automotive. Special thanks goes out to those people for their donation and interest. Correction on Summer

AstroWorld Bound! Winners In Hurry-up's Coloring Contest

Winners in the AstroWorld Coloring Contest sponsored by Sonora's Hurry-Up in week 1 were Sonya Lackey, First Prize, age 6 of Midland Texas, granddaughter of Vernon and Ruby Luckie, and Heather Chapman, Second

Prize, age 6 daughter of Mr. and Mrs. Wayne Chapman of Sonora. Winners in the second weeks contest were Brian Dietz, age 10, son of Wayne and Cassie Dietz and Armanetina Sanchez, age 10, daughter of Mr. and Mrs. Armando Sanchez.

First prize winners were presented with eight tickets to AstroWorld. Second prize winners were the recipients of six tickets. The contest is scheduled to continue for two more weeks.

Gen. Tel Names New Manager For W.T. Division Operations

E.O. Cambern, San Angelo Division manager for General Telephone, has been named general manager of the newly formed West Texas Division Operations, with headquarters in San Angelo, effective July 4.

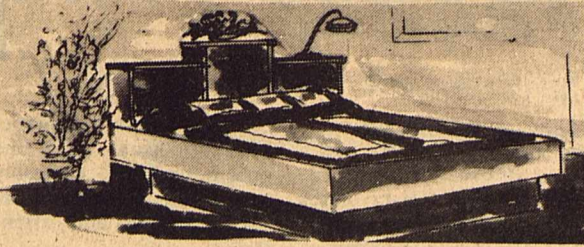

The new division operations, including all exchanges served by the current San Angelo and Del Rio Divisions, will be one of 11 division operation in the four-state area served by General Telephone. The changes in the company's organizational structure are being made to make the company more responsive to individual customer needs, according to E.L. "Buddy" Langley, General Telephone Company of the Southwest president.

"In the past, we have attempted to operate the company through decisions and objectives based on total company," Langley explained. "We cannot continue to operate in that fashion—we are just too diversified. We must base our decisions and be building an organization designed around decisions which are dictated by the marketplace. Our new organiza-

tional structure will operate in a manner to deal with today's environment within the particular division operations." To accomplish this goal, the company president said, the reorganization has combined all operating functions within the respective division operations under the direction of the general manager position. Cambern joined General

Telephone in 1945 as a cableman's helper. He advanced through several positions with the company in south Texas prior to being named area operations manager in Brownwood in 1975. West Texas Division Operations will have more than 800 employees serving approximately 68,000 customers in 22 exchanges in west Texas.

Episcopalians Get New Official

The Rev. James Hugh Magers, since 1977 rector of the Episcopal Church of the Redeemer, Eagle Pass, has been appointed administrative assistant to the Rt. Rev. Scott Field Bailey, bishop of the Episcopal Diocese of West Texas, with headquarters in San Antonio.

Bishop Bailey announced the Rev. Mr. Magers will have the title "canon to the ordinary." The appointment, he said, is effective July 1. The Rev. Mr. Magers, who will office in Cathedral House, diocesan headquarters at Patterson and Torcido in Alamo Heights, will be primarily responsible for the evangelism programs of the diocese. The new canon, who is also chairman of the board

of the Center for Hispanic Ministries at the Episcopal Theological Seminary of the Southwest, Austin, will continue to be active in diocesan and provincial Hispanic programs. He will be joining the Rev. Canon C. Eugene Jennings at Cathedral House, who has been the sole administrative assistant to the bishop in this 60-county jurisdiction since

1980. Native of Abilene, the Rev. Mr. Magers is a 1963 graduate of Texas A&M University and a 1968 graduate of the Virginia Theological Seminary. He came to the Diocese of West Texas as rector of the church in Eagle Pass after serving as curate of St. John's Episcopal Church in Odessa.

Jones-Espy

"Cozens By the Dozens" Reunion Held

Jones-Espy "Cozens by the Dozens" had their 18th reunion June 13-15 at 7-A Ranch-Pioneer Town, Wimberly, Texas. There were 41 in all—cousins, their daughters, and their children.

Jones Cooper's home last year, they decided that they had outgrown a home. They all enjoyed the large 10 bedroom Ponderosa Lodge this year. They will meet at the same place next year on June 14-16.

Birth Announcement

John Jacob Galvan

Juan and Hilda Galvan proudly announce the birth of their son, John Jacob Galvan. He was born June 17, 1982 at 2:58 p.m. in Community Hospital in San Angelo. John weighed seven pounds and five ounces and measured 19 inches.

Paternal grandparents Felix and Carmen Galvan of Sonora. Maternal grandparents are Reynaldo and Olivia Perez, also of Sonora. John is also welcomed by his sister, Mary Gail (Gigi) Galvan.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectaría a los clientes de otras compañías de teléfono.

45th Wool And Mohair Show Winners

Sonora-area ranchers recently witnessed the 45th Annual Wool and Mohair Show, along with the 22nd Annual National 4-H Wool Judging Contest held at the Sonora Wool and Mohair building, June 15-17. Below are the first, second, and third place winners of each category. Also named are the Grand Champion and Champion winners and awards.

YOUR TELEPHONE SERVICE - A REAL BARGAIN

Frequently, the convenience of the telephone is taken for granted. For instance, a few things you use your phone for:
1. Shop ahead, save gas.
2. Make appointments (doctor, sales calls, lawyer, preacher)
3. Emergencies (police, fire, ambulance)
4. Talking with loved ones in other towns
5. Conducting business via long-distance, save on travel cost
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town.
Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

Clements, Others Honored

Governor William P. Clements, B.E. "Rusty" Jones of Paducah and Louise and Eugene Boyd of Longview are scheduled to receive awards at the LBJ Auditorium During the Texas Commission on Alcoholism's 25th Annual Institute of Alcohol Studies.

Jones and Boyd will receive their awards at 5 p.m. June 20 and Clements will receive his at 9 a.m. June 25.

Ross Newby, TCA executive director, said Clements was receiving the award for his consistent, sup-

port." He noted that Clements has set up a traffic safety task force which is dealing with DWI and that he recently wrote all Texas employers of 250 or more persons urging them to provide substance abuse coverage in group insurance policies. Clements opened the 1981 special session of the Legislature to the bill making it mandatory for insurance providers to offer the substance abuse option, Newby noted.

Jones is alcoholism counselor for the Paducah Outreach Service Center for the Vernon Mental Health/

Mental Retardation Center. "He alone is responsible for the existence of the O.K. Corral in Paducah, a model long-term care facility for alcoholics," Newby said. "He got the buildings and land donated, and cli-

ents receive treatment at a cost of \$11 per day apiece." The Boyds began Boyd

House, a halfway house for alcoholics in the 1950s by opening their two spare bedrooms to clients. They later bought and enlarged another house. Mrs. Boyd, with an assistant, prepares the meals. Boyd is also on the board of the East Texas Council on Alcoholism and Drug Abuse.

IPA Keeps Wary Eye On Congress

The Independent Petroleum Association of America is anticipating either the House and/or the U.S. Senate to pass bills that would increase taxes on the domestic oil and gas industry.

There are several proposals being discussed to help raise taxes between 20 and 23 billion dollars in 1983 and up to 105 billion by 1985. The Reagan Administration has proposed that intangible drilling costs, or IDC's be subject to the 15 percent minimum corporation tax. If approved, this would seriously reduce outside investment and could cut drilling by an additional thirty percent. Drilling has dropped 35 percent, or 1600 rigs, since January first of this year.

A number of other tax increases have been introduced. They include: a repeal of the so-called windfall profits tax reduction, the 30 percent "Crude Oil Profit Sharing Tax," repeal of the depletion allowance and expensing of IDC's. A BTU tax on all fuels, a fee on imported crude oil and products, and excise tax on both domestic and imported oil and an increase in the Federal Gasoline Tax.

Anyone interested in going to Washington or needing more information on these proposed tax changes, contact PBPA in Midland.

In the Permian Basin our rig count for this week was 306. One year ago it was 432.

100% Allowable For 65th Consecutive Month Set By RRC

The Railroad Commission today set the Texas oil production rate for July 1982 at the market demand factor of 100 percent for the 65th month in a row and the 21st time since the Commission first went to the ceiling level in April 1972.

Chairman Jim Nugent and Commissioners Mack Wallace and Buddy Temple directed the continuance of the maximum statewide allowable after receiving and reviewing purchaser nominations for Texas oil in July totaling 2,479,957 barrels per day, an increase of 6,660 barrels daily when compared with June 1982

buyer requests. July 1981 nominations totaled 2,558,299 barrels daily.

Next month's permissible rate of output is calculated to average 2,970,610 b/d with actual production estimated at 2.415 million b/d. The maximum allowable applies to all but 10 fields in Texas that are assigned lower legal rates of flow for conservation purposes. Actual production in July 1981 was 2,438,764 barrels daily.

Nugent reported that July 1982 nominations for the purchase of Texas gas totaled 23,065,011 Mcf/d. July 1981

Nugent reported that July 1982 nominations for the purchase of Texas gas totaled 23,065,011 Mcf/d (thousand cubic feet per day). Gas nominations for June amounted to 24,149,279 Mcf/d.

The next statewide oil and gas hearing will be held Tuesday, July 20, at 9 a.m. in Rm. 107 of the Railroad Commission headquarters building, 1124 S. IH35 in Austin.

Major purchasers filed these floor nominations for Texas oil in July:

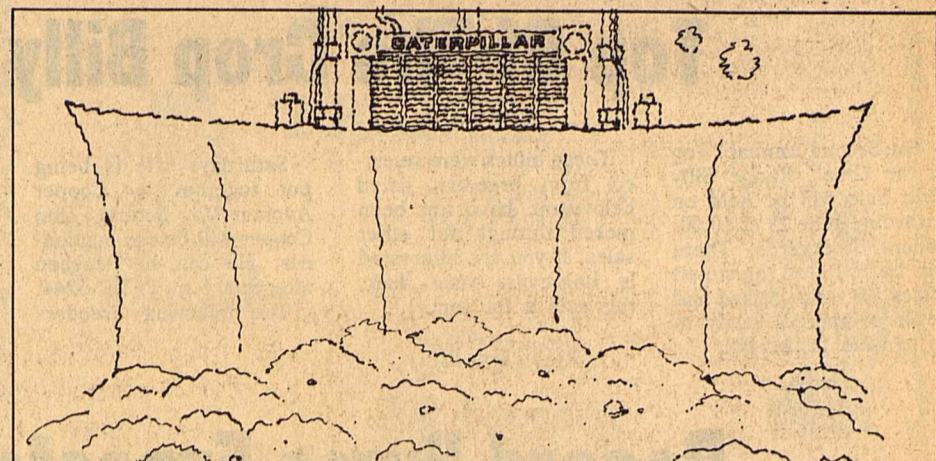

Amoco Production, 200,000 barrels daily, down 2,500 from the previous month; Arco Petroleum Products, 128,000, unchanged; Cities Service, 74,000, unchanged; Conoco, 56,000, unchanged; Exxon, 287,200, down 2,000; Gulf Oil, 105,000, down 2,000; Marathon Oil, 67,420, unchanged; Mobil Oil, 191,900, down 3,800; Phillips Petroleum, 70,000, down 2,000; Shell Oil, 166,500, up 1,500; Texaco, 95,000, unchanged; and union Oil of California, 26,000, down 1,000.

Significant changes in July nominations were submitted in writing by these purchasers of Texas crude oil:

An-Son Transportation Co., 1,000, no nomination last month; Basin Inc., 31,460, down 1,886; Big-

Tex Crude Oil Co., 3,915, none last month; Carbonit Houston Inc., 2,017, none last month; Coastal States Trading Inc., 3,600, up 2,100; Compton Corp., 2,125, down 1,770; Essex Oil Co., 1,105, none last month; Gratec Corp., 600, down 1,025; International Crude Corp., 11,500, up 1,725; Kerr-McGee Corp., 1,310, none last month; Koch Oil Co., 62,012, up 3,216; Matador Pipeline Inc., 76,450, down 2,340; Mesa Pipe Line Co., 20,413, up 1,360; Pel-Star Energy Inc., 1,385, none last month; Sun Refining and Marketing Co., 79,900, down 1,200; and Tomlinson Petroleum Inc., 1,500, none last month.

Chairman Nugent reported that crude oil and petroleum products imported into the U.S. averaged 4,415,000 barrels daily for the four weeks ending June 4, down 1.1 million barrels per day for the same period a year earlier.

Nugent Announces 13 New Pipelines

Railroad Commission Chairman Jim Nugent announced that 13 permits to operate new pipelines in Texas were granted by the RRC in May.

Through the first five months of this year, the Commissioner has issued 64 permits to operate new lines. For the same period last year, 47 permits were approved.

Six of the permits in May were for gathering pipelines, four were for trunk transmission lines, and three were for multi-purpose lines.

Gathering lines bring oil and gas from production leases, while a trunk transmission line is a larger diameter line into which smaller lines connect.

Twelve of the newly-permitted lines will transport gas, while one will move crude oil.

Private pipelines accounted for 12 of the permits last month. One was for a gas utility line.

In May, five permits were granted for lines in the Refugio area, three each in deep South Texas and East Texas, and one each in North Texas and the San Angelo area.

Gathering lines approved:

77 Pipeline Co., Houston, gas, DeWitt County; West Petroleum Corp., San Antonio, gas, Webb County; Liquid Energy Corp., Mineral Wells, crude, Wise

County; Mar/Con Energy Inc., Kingwood, gas, Go-

liad County; Mid-Tex Transmission Co. Inc., Channelview, gas, Trinity and Houston Counties; Seagull Pipeline Corp., Houston, gas, Lavaca County.

Trunk transmission lines approved:

Esperanza Pipeline Corp., Odessa, gas, Duval County; Paisano Transmission Co., George West, gas, Brooks County; Sunburst Energies Inc., Corpus Christi, gas, (one line in Calhoun County, another in DeWitt County).

Multi-purpose and other lines approved:

Sunbelt Exploration Inc., Fort Worth, gas, Runnels County; Rosewood Transport Inc., Shreveport, La., gas, Upshur County; Basin Operating Co. Ltd., Tyler, gas, Anderson County.

Dowell Marks Progression

Dowell provides energy-related services including well stimulation, cementing, drilling fluids, enhanced oil recovery, mining and industrial cleaning services. One of its 130 districts spread throughout the United States is the district in Sonora, which specializes in oil field services. Dowell's facilities are located at 103 3rd Street.

The Sonora district, managed by Harold Young, was started in 1973 and now employs around 85 people. With its experienced crew, the Sonora district services a 150-mile radius, including the counties of Schleicher, Sutton, Crockett, Val Verde, Edwards, Kerr, Kimball, Real, Tom Green, Concho Menard, McCulloch, and Runnels. It also maintains an outpost in San Angelo.

Dowell is a division of Dow Chemical U.S.A. and headquartered in Houston, Texas. Locations like the Sonora district provide safe and effective service to customers, thus helping the world's energy situation. The Sonora district is part of a big team, doing its part in making the Dowell Difference.

For more information, contact Jocelyn Swanson, Dowell, Houston 713-978-3326.

Top Of The Crop Billy Sale Slated

The Second Annual "Top of the Crop" Range Billy Goat Sale will be held on Saturday, June 29 at 10:00, Sonora Stockyards. There will be 100 plus registered billys, all range raised and never pampered, ready to go to work in the fall.

These billys were selected from breeders listed below and have not been picked through for other sales. If you are interested in improving your flock, this sale is for you.

Saturdays sale is being put together by Cooper Auction Co. Sonora. Don Cooper will be the auctioneer. He can be reached after 5:00 p.m. at 387-5244. The following breeders

have consigned their billys:
John Dittmar, Stonewall
Fritz Kuebel, Jr., Blanco
Walter Lux, Comfort
Gilbert Schmidt, Johnson
City

Brooks Sweeten, Rock-springs
Trees Angora, Marble Falls
Cooper is proud to announce that Sonora will be represented this year by:
Betty Stewart
Corky Schwiening
Jim Cooper

Record Purse Expected For Texas Bred Feature

The 1982 Texas Bred Feature, to be run at La Bahia Downs in Goliad, should produce a record purse in July. The 1981 Texas Bred Feature had a gross purse of 137,000.00 and drew a total of 216 entries. Nomination Secretary, Sandy Carothers, announced this week the entries, if they continue at the present rate, should exceed the 1981 number. This year's purse is estimated at \$150,000.00 which will make it the richest summer

race ever run in Texas. Late entries will be accepted until July 1, 1982 by payment of all regular fees plus a \$200.00 late penalty.

The other summer Stakes and Features continue to attract lots of interest. The Hidalgo Futurity at 350 yards, the Six Flags Derby at 350 yards and the Texas Bred Classic at 350 yards all have strong fields. These stakes should make this summer's meet one of the most exciting ever.

A complete program of races will be run each

Saturday and Sunday, beginning July 10 through the 25th. Condition sheets are now available by writing La Bahia Downs, Drawer S, Goliad, Texas 77963. All stall applications should be returned as soon as possible to the Racing Secretary at the same address.

Summer meet officials will include: Morris Reese, San Angelo; Glenn C. Zieschang, Elgin; Ralph Kahla, Alto; Stewards; Ben A. Horny, San Antonio; J.D. Von Dohler, Goliad and Norman Davis, Goliad.

Racing Judges: Dwain White, Keller, Start; Chalmers Nelson, Whitney, Photo Finish; Dr. Gary Warner, Elgin, Track Vet; L.H. Von Dohlen III, Racing Secretary; Andy Horny, Goliad, Paddock Judge; Randy Gorman, San Antonio, Clerk of Scales; Fred Pena, Track Superintendent; H.L. Aouelle, Port Lavaca, Ticket Manager; James Franklin, Goliad, Announcer.

Uvalde To Host Far Reaching International Ranchers Roundup

Six of Texas' premier sheep and Angora goat producers, two veterinarians and an international industry expert from Australia comprise much of the concurrent sessions for sheep and Angora goat producers during the International Ranchers Roundup here August 10-12.

Producers can choose between 12 talks including such topics as increasing kid survival, practical health programs, sheep and goat nutrition and supplementation, selection and breeding schemes for sheep/Angora goats, and flock health management.

Of special interest to producers during these sessions will be a detailed analysis of the Australian sheep and Angora goat industry by Terry Mitchell of the Australian Department of Agriculture. Jack Groff, sheep and goat specialist with the Texas Agricultural Extension Service, will update American producers on other foreign developments in the industry. The Mexican Sheep industry, a prime importer of U.S. animals, will be

covered by a Mexican industry spokesman.

Sheep and goat raisers will also have the opportunity to attend simultaneous concurrent sessions that address key problems in beef cattle, brush management, and wildlife production. Female participants will be interested in this year's special topic, "Women in Ranching."

Thus far over 100 speakers from 12 states and three countries have been confirmed to speak during the three days of educational sessions and entertainment festivities.

Keynote speakers who will appear during the IRR's three-day run include Raymond D. Lett, executive assistant of Agriculture Secretary John Block; Charles G. Scruggs, vice-president and editor, Progressive Farmer magazine; Bob Bliss, general manager, cattle feeding division, Friona Industries; Susan G. McBee, Texas State Legislator; Allan Savory, Savory Grazing Method Range Consultants, New Mexico and John L. "Chip" Mer-

rill, Texas Christian University Ranch Management Program coordinator.

Participants will have the option of ranch tours in

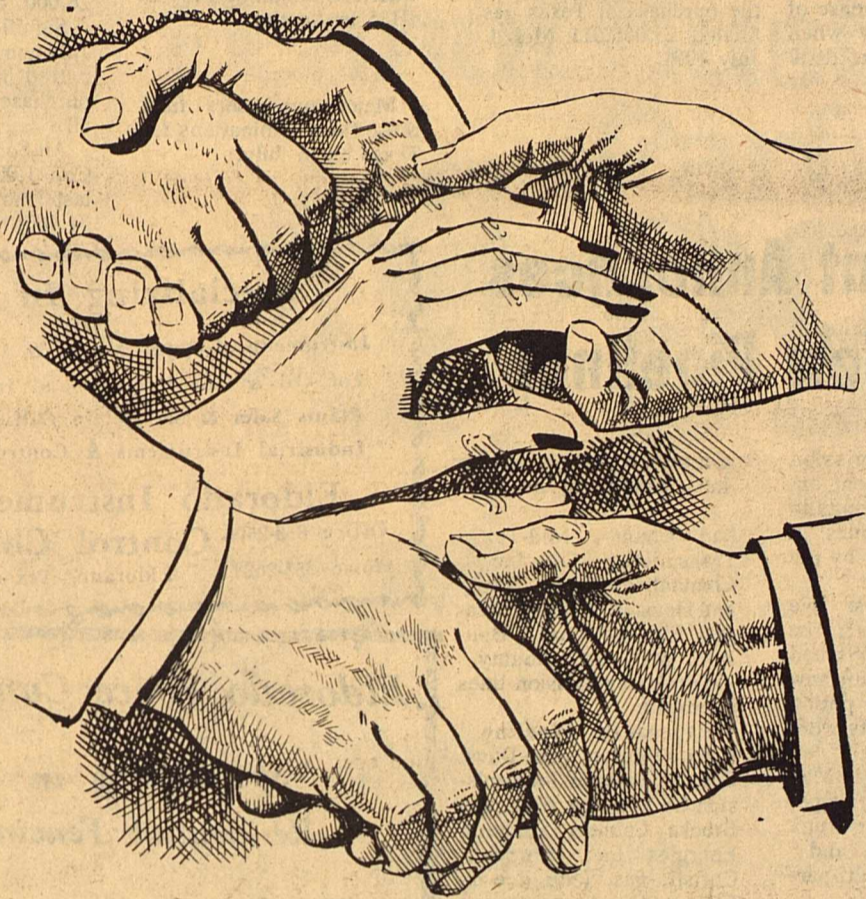

Southwest Texas (August 9) and Mexico (August 13), but a maximum of 200 persons will be carried on each tour and tour participants must register for the entire IRR educational program. The tour deadline is July 15.

Registration material including tour information can be obtained by addressing inquiries to IRR, P.O. Box 1849, Uvalde, Texas 78801.

Last year's IRR, the largest of its kind ever held in the Southwest, attracted over 700 ranchers and industry leaders to the border area. This year plans are being made to accommodate 1,000 participants. Responses from ranchers last year ranged from "like taking the entire Texas A&M animal science curriculum in five days...just overwhelming" to "just so many activities occurring at the same time that I'd like to attend."

The IRR is designed to present the latest industry technology available from an array of international and U.S. experts. It also provides the opportunity for idea exchange among ranchers experiencing similar problems. The entire program is coordinated by Texas Agricultural Extension Service specialists based in Uvalde.

Letter To The Editor

The citizens of Sonora and Sutton County face an acute problem: the problem of adequate medical care and the maintenance of and continued upgrading of local medical facilities. This problem needs to be resolved at the earliest time. A solution requires the cooperation of the entire community as a unit.

The members of your Hospital Board, most of

your elected public officials, and various other concerned individuals have spent many anxious hours agonizing over the situation. There has been much discussion, but unfortunately we have neglected to involve our greatest and best asset, the people of Sutton County.

As an interested citizen, a vitally concerned public official, and a former member of the Hospital Board, I respectfully suggest and

urge the creation of a committee to aid and assist in securing a proper solution to what can easily and is fast becoming a crisis. The committee should be fully representative of the entire community. It is proposed that the committee, working with the Hospital Board, could aid and assist in: the determination of the most critical and pressing areas of concern; secure, gather, receive and process information from the medical profession,

other experts, and the public; educate the public to the problem, needs and alternate solutions; and, subject to and with approval of the Hospital Board, help create and formulate a plan of action and pursue such plan to completion so that the needs and requirements of the citizens of Sutton County for adequate medical care and the maintenance of local medical facilities will be met.

The Commissioners'

Court of Sutton County, although at this time legally unable to provide financial assistance, has gone on record expressing its concern, its willingness to continue to work towards a solution, and has volunteered the use of the District Courtroom for use of a committee. I sincerely invite your comments, ideas and suggestions. Please, contact me at the Courthouse or at home.

CHARLES SHERRILL
County Judge of Sutton County, Texas

"Women In Ranching" Topic At International Ranchers Roundup

Like her urban counterpart, today's ranch woman wears several hats. As business and society becomes increasingly complicated, her versatile expertise is more critical to survival of the ranch family than ever before. And the unique--sometimes traumatic, always unusual--problems encountered in everyday ranch life require special understanding and attention.

"Women in Ranching," a special two-day concurrent session during the International Ranchers Roundup (IRR), will focus on topics important to ranch women and the ranch family. The IRR will be held August 10-12 in this festive border city.

Basic accounting and budgeting, micro-computers in the ranch home, savings and investment options for the 80's, ranch estate planning, and basic financial planning are some of the business-related topics to be highlighted.

Other topics important to

ranch women include protecting women's economic interest in ranching, overcoming isolation on the ranch, the ranch versus the family, improving communications within the ranch family, plus an inspirational message, "Together We Can."

Speakers include State Representative Susan G. McBee, Nevada rancher Jeanne Edwards, West Texas rancher-writer Hallie Stillwell, family management specialists with the Texas Agricultural Extension Service and several other guest speakers.

Session chairman is Gloria Schwarzlose, Southwest Texas district director, Texas Agricultural Extension Service.

Participants have the opportunity to attend simultaneous concurrent sessions in beef cattle, sheep and Angora goats, meat goats, brush management and wildlife.

Thus far, over 100 ranching experts from 12 states and three countries have confirmed to speak during the three-day event, one of

the largest gatherings ever held in the Southwest. Last year's IRR attracted over 700 producers and industry leaders to the border area for five days of educational sessions and entertainment festivities.

IRR headline keynoters are Raymond D. Lett, executive assistant to Agriculture Secretary John Block; C.G. Scruggs, Progressive Farmer magazine vice-president and editor; Bob Bliss, cattle feeding division general manager of Friona Industries; John L. "Chip" Merrill, coordinator, Texas Christian University Ranch Management Training program; Terry D. Mitchell, Australian Department of Agriculture; Allan Savory, Savory Grazing Method Range Consultant, New Mexico; and Representative McBee.

Participants in the "Women in Ranching" sessions also have the opportunity to register for tours of progressively managed ranches in Southwest Texas (August 9) and Mexico (August 13). Tour

registration must be completed by July 15 and a maximum of 200 persons can make either day-long tour.

Registration material and tour information can be obtained by writing to IRR, P.O. Box 1849, Uvalde, Texas 78801.

All IRR participants will be the guests of the mayor of Ciudad Acuna for a "Mexican Fiesta" around the scenic town plaza before dining at any of several popular Mexican restaurants there. A country-western dance follows the August 11 traditional steak banquet. One less evening meal function is planned this year to allow visitors more free time to shop and visit the area.

The IRR is coordinated by Texas Agricultural Extension Service specialists at the Texas A&M Agricultural Research and Extension Center in Uvalde to provide ranchers the latest technology and idea exchange to make their management decisions more profitable.

Public Events Slated At Texas Commission On Alcoholism

Several free public events will be featured at the Texas Commission on Alcoholism's 25th Annual Institute of Alcohol Studies here June 20-25.

Sid Wolf, Ph.D., director of the Psychotherapy Institute of San Diego, will speak on "Your Destiny, Creativity and the Helping Process," at 5 p.m. June 20 at the LBJ Auditorium.

Lee Silverstein, a consultant and past director of

human services for the Rockville (Connecticut) General Hospital, will conduct a session on "Charting Our Pathways to Growth" at 9 a.m. June 25 at the LBJ Auditorium.

William Daves, Jr., chairman of the State Board of Insurance, and insurance company representatives will discuss "Perspectives on Insurance Coverage for Alcoholism Treatment" at 2 p.m. June 22 in the

auditorium of the Joe C. Thompson Conference Center.

In addition, preregistered conference participants will be attending workshops on prevention, counseling, current issues in alcoholism, management and community development and treatment and rehabilitation.

Phil Orrick, TCA director of training, coordinates the Institute.

Social Security Schedules Visit

Garland Gregg, Social Security representative for the San Angelo Social Security Office, has scheduled his July visit to Sonora. He will be at the county Courthouse on Thursday, July 22, 1982, from 9:00-10:30. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Nugent Notes

Marketed Gas Decrease

Railroad Commission Chairman Jim Nugent announced that Texas oil and gas wells produced 528,665,528 Mcf of gas in March 1982, down 7.83 percent from field runs a year earlier.

Marketed gas production totaled 444,846,804 Mcf and reflected a 8.67 percent decrease from the March 1981 volume. Marketed production is the total gas to transmission lines, carbon black and plant fuel and lease use.

Gas exported from Texas in March totaled 285,447,556 Mcf. Natural Gas Pipeline Co. of America was the month's largest exporter, moving 78,655,772 Mcf of gas of which 36,887,447 Mcf was Texas-produced

gas. Exports of Texas-produced gas in March totaled 209,704,969 Mcf, and reflected a 8.32 percent increase from the year-earlier month.

Texas gas production in March came from 224,904 oil and gas wells. In February 1982, Texas wells produced 409,786,592 Mcf of gas. Marketed gas production in February totaled 418,038,756 Mcf. February exports of Texas-produced gas totaled 196,879,171 Mcf.

Through the first three months of this year, Texas produced 1,573,724,329 Mcf of gas. For the same period, marketed gas production totaled 1,334,911,681 Mcf.

Section 8. This ordinance shall not be construed so as to conflict with any State or Federal statute or with any military or naval order, rule, or regulation.

Section 9. This ordinance is an exercise by the City of its governmental functions for the protection of the public peace, health, and safety and neither the City of Sonora, the agents and representatives of said City, nor any individual, receiver, firm, partnership, corporation, association, or trustee, nor any of the agents thereof, in good faith carrying out, complying with or attempting to comply with any order, rule or regulation promulgated pursuant to the provisions of this ordinance shall be liable for any damage sustained to person as the result of said activity.

Section 10. No person shall own, control, or possess any real estate or other premises who voluntarily and without compensation grants to the City of Sonora a license of privilege or otherwise permits the City to inspect, designate and use the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual, impending or practice enemy attack shall, together with his successors in interest, if any, not be civilly liable for the death of, or injury to, any person on or about such real estate or premises under such license, privilege or other permission or for loss of, or damage to, the property of such person.

Section 11. No person shall have the right to expend any public funds of the City in carrying out any Emergency Management activity authorized by this ordinance without prior approval by the City Council, nor shall any person have any right to bind the City by contract, agreement or otherwise without prior and specific approval of the City Council.

Section 11. It shall be unlawful for any person willfully to obstruct, hinder, or delay any member of the Emergency Management organization in the enforcement of any rule or regulation issued pursuant to this ordinance, or to do any act forbidden by any rule or regulation issued pursuant to the authority contained in this ordinance. It shall likewise be unlawful for any person to wear, carry or display any emblem, insignia or any other means of identification as a member of the Emergency Management organization of the City of Sonora, unless authorized to do so by the proper officials. Convictions for violations of the provisions of this ordinance shall be punishable by fine not to exceed \$200.00 dollars.

Section 12. Each employee or any individual that is assigned a function or responsibility shall solemnly swear or affirm to support and defend the Constitution of the United States, laws of the State of Texas and the Ordinances of the City of Sonora.

Section 13. If any portion of this ordinance shall, for any reason, be declared invalid, such invalidity shall not affect the remaining provisions thereof.

Section 14. All ordinances, parts of ordinances, or resolutions in conflict herewith are expressly repealed. Read and approved on first reading this the 15th day of June, 1982.

Billy Gosney
Mayor, City of Sonora
Evelyn Ervin Rogers
City Secretary

Section 3. The Mayor is hereby authorized to join with the County Judge of Sutton County in the formation of an Emergency Management Council for Sutton County and shall have the authority to cooperate in the preparation of a joint Emergency Management Coordinator, as well as all powers necessary to participate in a county-wide program of emergency management insofar as said program may affect the City of Sonora.

Section 4. The duties and responsibilities of the Emergency Management Director shall include the following:

A. The direction and control of the actual emergency operations of the Sonora Emergency Management organization as well as the training of Emergency Management personnel.

B. The determination of all questions of authority and responsibility that may arise within the Emergency Management organization of the City.

C. The maintenance of necessary liaison with other municipal, county, district, state, regional, Federal, or other Emergency Management organizations.

D. The marshaling, after declaration of an emergency as provided for above, of all necessary personnel, equipment or supplies from any department of the City to aid in the carrying out of the provisions of the emergency operations plan.

E. The issuance of all necessary proclamations as to the existence of an emergency and the immediate operational effectiveness of the City of Sonora emergency operations plan.

F. The issuance of reasonable rules, regulations or directives which are necessary for the protection of life and property in the City of Sonora. Such rules and regulations shall be filed in the office of the City Secretary and shall receive wide-spread publicity unless publicity would be of aid and comfort to the enemy.

G. The supervision of the drafting and execution of mutual aid agreements, in cooperation with the representatives of the State and of other local political subdivisions of the State, and the drafting and execution, if deemed desirable, of an agreement with the county in which said city is located, for the county-wide coordination of Emergency Management efforts.

H. The supervision of, and final authorization for, the procurement of all necessary supplies and equipment, including acceptance of private contributions which may be offered for the purpose of improving Emergency Management within the City.

I. The authorization of agreements, after approval by the City Attorney, for use of private property for public shelter and other purposes.

Section 5. The operational Emergency Management organization of the City of Sonora shall consist of the officers and employees of the City so designated by the Director in the emergency operations plan, as well as all organized volunteer emergency management associations or groups. The functions and duties of this organization shall be distributed among such officers and employees in accordance with the terms of the emergency operations plan. Such plan shall set forth the form of the organization, establish and designate divisions and functions, assign tasks, duties, and powers, and designate officers and employees to carry out the provisions of this ordinance. Insofar as possible, the form of organization, titles, and terminology shall conform to the recommendations of the State Division of Emergency Management of the State of Texas and of the Federal Government.

Section 6. Any unauthorized person who shall operate a siren or other device so as to simulate a warning signal, or the termination of a warning, shall be deemed guilty of a violation of this ordinance and shall be subject to the penalties imposed by this ordinance.

Section 7. At all times when the orders, rules, and regulations made and promulgated pursuant to this

CONGRESS CONSIDERING NEW ACT

If you run a small business, shop or office, or happen to know some one who does, this is the time of year you are likely to hear from friends who have a son or daughter looking for a summer job. Typically, many high school and college students land their first jobs this way.

But this commonplace activity would become illegal subject to a \$500 fine if the hiring did not conform to certain government regulations that would be drawn up under new legislation being considered by Congress.

What is Congress up to anyway? Strange as it may sound, it is considering the Immigration Reform and Control Act of 1982. "According to sponsors of the legislation, the purpose is to prevent illegal aliens from entering this country," says Christopher Luis, a labor law attorney for the U.S. Chamber of Commerce. "Their method apparently is to regulate the hiring practices of virtually all employers in the United States and to penalize those not following the procedures."

But in the process of attempting to weed out illegal aliens, all U.S. workers would be required to prove they are American citizens or legal alien residents and to establish their identity. The employer, in turn, would be required to verify this information by checking Social Security cards or birth certificates and a driver's license. Without the documents, a person could not be hired.

Within three years, a much more elaborate and costly new bureaucracy would be set up. Most likely, some form of national identification card would be issued and a federal computer bank would be established, pro-

bably in Washington. Employers would have to ask each job applicant for their identification card, check by telephone with the computer to ascertain if the applicant may legally be employed, and register the job transaction. These requirements would cover all employers with more than three employees.

While condemning the hiring of illegal aliens, the U.S. Chamber opposes the regulation of hiring practices and the penalties, or sanctions, against employers. It also maintains the system is too costly, burdensome and unworkable. Everyone knows how easily Social Security cards, for example, can be forged. Not even the government can guarantee their authenticity. The cost, according to Chamber estimates, would run \$860 million to \$2 billion for the nationwide I.D. card system and \$2.5 billion for the telephone and computer network.

With some 70 million job changes occurring each year in the United States, the gigantic proportions of the bureaucratic task are easy to visualize.

Penalties under the legislation (S. 2222 and H.R. 5872) are: for knowingly hiring an illegal alien, \$1,000 to \$2,000; hiring a job applicant—even one who turns out to be a U.S. citizen—without complying with the prescribed rules, \$500; and failure to maintain proper records, \$500.

Illegal immigration involves serious enforcement problems which the government has failed to meet head-on. For instance, it employs more police officers to guard the Congress than it does to patrol our national borders. Congress needs to re-examine its options.

Reports from Washington

The European Alliance

At a time when the Western Alliance may be facing its most serious crisis since its founding in 1948, President Reagan embarked on his first overseas summit.

The current positions in the alliance reflect a broad spectrum of differences between the United States and our allies, ranging from interest rates to sanctions against Russia, from nuclear strategy to the defense of the Persian Gulf region.

The President's European trip — his first since being elected 16 months ago — offered a unique opportunity to face the entire agenda of political, strategic, and economic problems.

By all appearances the Versailles summit and the following NATO meeting in Bonn were a success. We know that the many problems facing all nations of the world today cannot be resolved by a stroke of the pen, or issuing a broad statement of goals. But the ability to discuss the issues intensely, and together, heightens the level of awareness.

The joint communique issued by the seven major industrial nations at the conclusion of the economic conference in Versailles affirmed that the world leaders had deepened their mutual understanding of the gravity of the world economy. They also agreed on a number of objectives for urgent action with a view to improving the economic, social and political situation.

The free world leaders at Versailles acknowledged what our nation has been learning during the past year. An improvement of the present situation, by a further reduction of inflation and by a return to steady growth and higher employment levels, will strengthen our joint capacity to safeguard our national security, to maintain confidence in the democratic values we share and to preserve the cultural heritage of our peoples in all their diversity.

Full employment, price stability, and sustained and balanced growth are essential objectives. They are attainable in the coming years only if we pursue policies which encourage productive investment and technological progress. If, in addition to our own individual efforts, we are willing to join forces, if each country is sensitive to the effects of its policies on others, and if we collaborate in promoting world development, this can be accomplished.

President Reagan, particularly in Bonn, was charged with diffusing European concern over the Soviet threat and this country's response. The passion for detente exercised by some of our allies, in some instances, fails to recognize the Soviet threat and our response to it.

In addition, on how best to defend Europe — a factor in which this country figures prominently — the Persian Gulf region remains linked to the security of our nation as well as Europe. We must face up to these realities and the sooner the better.

This summit, for all its pomp and circumstance, was important. It is necessary for this nation to define its relationship with our European allies and keep that definition firmly in mind on both sides of the Atlantic. Europe and the United States have a common destiny and a relationship that includes both affection and irritation. We may differ in some points of view or lines of conduct, but we know that we must come to the aid of our allies when necessary. Nations, after all, are not moved by sentiments but by vital interests. It is important to recognize that all of our security goals are the same.

Public Notice

Notice is Hereby Given To All Persons, That:

The city of Sonora, Texas proposed to institute annexation proceedings to enlarge and extend the boundary limits of said city to include the following described territory, to wit: Being 5.40 acres of land, more or less, out of a part of H.E. & W.T.R.R. Co., Survey No. 91, Block B, all being situated in Sutton County, Texas, said 5.40 acre tract being more particularly described by metes and bounds as follows:

WHEREAS, the County and City find that vulnerability to many potential hazards is shared by residents of Sonora and the unincorporated portions of Sutton County; and

WHEREAS, the County and City further find that the common goal of emergency management can best be achieved through an organization which shares the combined resources of the County and City; and

WHEREAS, the contemplated action is specifically authorized by the aforementioned Court Order and Ordinance;

THEREFORE, BE IT RESOLVED that there is hereby established the Sutton County-Sonora Emergency Management Organization which shall consist of the officers and employees of the County and City as designated in a joint emergency management plan, together with such organized volunteer groups as that plan may specify; and

BE IT FURTHER RESOLVED that the Sutton County Judge and the Mayor of Sonora shall mutually appoint an Emergency Management Coordinator to coordinate all aspects of the Sutton County-Sonora program of comprehensive emergency management, including the preparation and maintenance of a joint emergency management plan for Sutton County and Sonora in accordance with this resolution.

RESOLVED this the 15th day of June, 1982.

Charles Sherrill, County Judge, Sutton County
Bill Gosney, Mayor, City of Sonora

Public Notice

WHEREAS, Sutton County by Commissioners Court Order dated May 24, 1982, and the City of Sonora by City Ordinance No. 224 of June 15, 1982, have established similar programs of comprehensive emergency management which includes the mitigation, preparedness, response and recovery phases of emergency management; and

Public Notice

WHEREAS, Sutton County by Commissioners Court Order dated May 24, 1982, and the City of Sonora by City Ordinance No. 224 of June 15, 1982, have established similar programs of comprehensive emergency management which includes the mitigation, preparedness, response and recovery phases of emergency management; and

Erma Lee Turner, County Clerk
Evelyn Erwin Rogers,
City Secretary

Public Notice

The City of Sonora, Texas proposed to Institute annexation proceedings to enlarge and extend the boundary limits of said city to include the following described territory, to wit: Being 0.20 of one acre of land out of and a part of the H.E. & W.T.R.R. Co. Survey No. 84, Block B, Abstract No. 1186, lying and being situated in Sutton County, Texas. They said 0.20 of one acre tract also being out of and a part of the land described in a Deed from A. B. Hightower, et ux, to Elmore Anderson dated 12 October, 1977 and recorded in Volume 117, page 33, of the Deed Records of Sutton County, Texas. They said 0.20 of one acre tract being more particularly described by metes and bounds as follows:

Beginning at a 1/2" iron rod set in rock, having coordinated on the Texas Coordinate System, Central Zone, of Y = 320,658.30 feet and X = 1,908,364.80 feet, set for the northeast corner of Lot 14, Block 1-B, of the Castle Hills Annex Addition to the City of Sonora as shown by the revised plat of said addition recorded in Book 2, Page 1, of the Plat Record of Sutton County, Texas, for the northeast corner of this tract;

THENCE N 67 degree 05' 52" E a distance of 69.99 feet to a 1/2" iron rod set for corner;

THENCE S 22 degree 54' 52" E a distance of 124.98 feet to a 1/2" iron rod set for corner in the north line of Hightower Avenue;

THENCE S 67 degree 05' 08" W with the north line of Hightower Avenue a distance of 69.99 feet to a 5/8" iron rod set for the southeast corner of the above mentioned Lot 14, Block 1-B;

THENCE N 22 degree 54' 52" W with the east line of the said Lot 14 a distance of

124.98 feet to the point of beginning and containing 0.20 of one acre of land.

Bearings and distances recited herein are Lambert Grid.

A public hearing will be held by and before the City Council of the City of Sonora, Texas on the 6th day of July, 1982 at 9:00 a.m. o'clock in the City Council Chamber of the City Hall of the City of Sonora, Texas, for all such persons interested in the above proposed annexation. At said time and place all such persons shall have the right to appear and be heard. Of all said matters and things, all persons interested in the things and matters herein mentioned, will take notice.

By order of the City Council of the City of Sonora, Texas this the 15th day of June, 1982.

Bill Gosney, Mayor, City of Sonora, Texas
Evelyn Erwin Rogers,
City Clerk

Public Notice

An ordinance establishing a program of comprehensive emergency management which includes the prevention, mitigation, response and recovery phases of emergency management; acknowledging the office of emergency management;

director; authorizing the appointment of an emergency management coordinator; and providing the duties and responsibilities of those offices; indentifying an operational organization; granting necessary powers to cope with all phases of emergencies which threaten life and property in the city of Sonora; authorizing cooperative and mutual aid agreements for relief work between this and other cities or counties and for related purposes; prohibiting unauthorized warning and all-clear signal and making violations a misdemeanor punishable by fine not to exceed \$200.00.

WHEREAS, The City Council of the City of Sonora Finds that the identification of potential hazard and the prevention or mitigation of their effects must be an on-going concern of the City if the lives and property of the populace are to be protected and;

WHEREAS, the City Council hereby declares that the preparation of a plan, and the means from its implementation, for the protection of lives and property in the City of Sonora from natural or man-caused disasters or threat thereof is immediately essential and;

WHEREAS, the City Council further finds that in times of emergencies which may imperil the safety of the inhabitants of the City, or their property, it becomes necessary to effectuate and place into operation the preconceived plans and preparations with a minimum of delay and;

Section 1. There exists the office of Emergency Management Director of the City of Sonora, which shall be held by the Mayor in accordance with State law.

A. An Emergency Management Coordinator may be appointed by and serve at the pleasure of the Director;

B. The Director shall be responsible for conducting a program of comprehensive emergency management within the city and for carrying out the duties and responsibilities set forth in Section 4 of this ordinance. He may delegate authority for execution of these duties to the Coordinator, but ultimate responsibility for such execution shall remain with the Director.

Section 2. The powers
