

Tax rate set

Trustees of the Sonora Independent School District lowered the school tax rate in Sutton County by almost three cents when they approved the 1983-84 budget recently.

The district's budget of \$4, 793, 895 is five per cent more than last year's and the tax rate of 46 cents per \$100 valuation is one of the lowest rates in this part of the state. The tax rate for the 1982-83 fiscal year was 48.888 cents. All tax revenue will be used for local maintenance. No tax rate for bond retirement will be levied.

This tax rate compares favorably with that of several surrounding school districts. The tax rate for Eldorado is .65 cents, for Ozona .7772 cents and for Junction .7628 cents. The Sutton County School tax rate has been lowered every year since 1977.

Broncos shut-out Yellowjackets

BY CHARLIE ADAMS

The Sonora Broncos "raided" the Menard Yellowjackets in a controlled scrimmage this past week. The final outcome was two scores to none.

An optimistic bright spot for the Broncos was John David Martinez, a sophomore running back who displayed much needed talent and ability, as he turned in several exciting long runs against the Yellowjack defense.

The offense is still a question mark, but it is showing steady improvement daily. This year's quarterback, senior Drew Wallace, is greatly improved and shows to be very capable and ready to lead the Broncos on their 1983 season.

The strong point for the Broncos is the experience in the offensive line. The middle of the line is controlled by all-district center Ronnie Pollard, a senior who is a returning starter.

The Garza brothers, Daniel and Ruben, both Juniors,

are the left and right guards respectively. The right tackle is all-district returnee Rodney Jones. This is Jones' third year to start at tackle and this should be a big plus area for the Broncos.

The left tackle is held down by senior Ronnie Munns. The tight-end is three year starter and all-district player from last year, Jeff Brittain.

The split reciever is another senior and letterman,

when opposing teams get ready to play the Broncos. On the other side of the line of scrimmage the

Broncos look even better. The defense has a super strong group of returning starters from last year that were leaders in the good defensive efforts last year.

The first thing most opposing coaches will note about the Broncos will be two very experienced all-district third year starting linebackers in Jeff Brittain and Tino Martinez.

They will also get help from two all-district returnees in tackle Rodney Jones and nose guard Ronnie Munns, also both Seniors.

The other defensive tackle is held down by senior letterman Houston Powers. The end positions are filled by Ronnie Pollard and Ruben Garza.

The secondary is lead by all-district junior cornerback Victor Lira.

The other cornerback spot is returning starter Eddie Castro.

The safety positions are controlled by senior letterman Tony Garza and Junior Joe Mike Noriega.

In the scrimmage the Broncos allowed the Yellowjackets but one first down in 40 offensive plays. The defense should be the long suit for the Broncos again this year.

All in all the scrimmage at Menard was a good learning experience especially for the offense. The on their SPI ond offensiv halfback Victor Lira scoring from seven yards out and fullback Abel Sanchez scoring from 24 yards out. Things are very optimistic in the Bronco camp as they prepare for their opening game this Friday against a very good Wall Hawk team at Wall. The Hawks from District AA are the pre-season favorites to take the district title. They were in the play-offs last year and they return five offensive and five defensive starters from last years team. They have impressed the Bronco coaches with their over all uniform size and quickness.

Sonoran's horse to run Futurity

"My Suspenders", a quarterhorse owned by Louise Morris of Sonora and Sue May of Fort Stockton qualified for the All American Futurity to be run at Ruidoso Downs Labor Day, September 5

His qualifying time was 21.92, third fastest in the trials.

The All American Futurity is a \$1,000,000 purse race and is to Quarterhorse racing as the Kentucky Derby is to Thoroughbred racing.

The Futurity will be broadcast on national television.

Tony Garza.

In the back field the only returning starter is all-district fullback Tino Martinez, a senior third year starter.

The other two positions (running backs) are currently being hotly contested for by a good group of capable players. Currently sharing time at these positions are Senior, Mike Polocek; Juniors, Victor Lira and Joe Mike Noriega; and Sophomores Esau Ramirez and John David Martinez.

In the scrimmage the Broncos showed signs of great promise as they unveiled a rather new "Bronco Look"

Coach Jerry Hopkins has added some new things to what people and opponents have grown to expect from a Sonora Bronco team.

It is a known fact for all that play the Broncos that in order to beat the Broncos an opponent must stop the "Sonora Sweep"!

So in order to make things more difficult for opposing players and coaches, the Broncos will run from the "I' formation, the pro-set (two wide recievers) as well as their standard Wing "T" formation.

The Broncos have added the sprint-out pass to their offensive play book in order to use the abilities and skills of quarterback Wallace.

All of these additions should cause some problems

They are a veer team that possesses several players with outstanding speed and are capable of breaking for a long play each and every time they touch the ball.

Their wide open style of play should constitute a very formidable foe for the Broncos as they try to return the favor of a 10-0 loss they suffered at the hands of Wall in

The Hawks have scrimmaged twice against Coahoma and Winters and seem to have improved according to the scouting reports.

This should be a very good test for the Broncos and should be a very exciting contest to watch for all the Bronco fans that plan to travel to Wall.

So be there and support the Broncos as the "Red Hosses'' get rolling on their '83 season at 8 p.m. Friday night in Wall.

SHUTTING OUT THE YELLOWJACKETS

Tino Martinez, the Bronco ball carrier was slowed by a clean tackle Friday night when the Varsity scrimmaged the Menard Yellowjackets. The Broncos came out ahead, scoring twice while Menard failed to get past the Bronco defensive line to gain a touchdown all night. The Bronco junior varsity and freshmen also

scrimmaged the Menard J.V. Be sure to support the Broncos this year by attending all of the games. The Broncos will kick-off against the Wall Hawks Friday at 8 p.m. in Wall and the J.V. and freshmen will play Ozona in Bronco Stadium starting at 6:30 p.m. (Staff Photo---CLJ)

Third, fifth and ninth graders at Sonora ISD scored extremely well on the basic skills test mandated by the Yex. s Education Agency. Students in the three grades were tested in three skill areas---Math, Reading, and Writing---in the spring of 1983. The Sonora School Board, administration and staff

are very proud of the students' achievements.

W.A. McAndrew, superintendent, stated that the staff members have accepted the challenge of TABS and have become extremely familiar with TABS and its objectives. McAndrew added "Some of our teachers are so involved with TABS that they have provided inservice training for other teachers in the basic skills objectives tested by TABS". In Grade 3, All Students achieved an 80.2 percent

Letters to the Editor

Dear Editor:

Many of us in the legislature are aware of the excessive burden caused by ever increasing local property taxes and are attempting to provide relief to residental homeowners through reform legislation. We have proposed a significant relief measure called Proposition Zero.

Unlike other proposals to enhance education funding, Proposition Zero seeks to greatly reduce the school tax burden on homeowners and generate millions of additional dollars for Texas school children.

Specifically, our proposal will exempt personal automobiles and the first \$100,000 of value of residences from school operation and maintenance taxes, and replace the revenue with a 1-cent state sales tax.

Recognizing the local tax base funding problem, other states, such as Missouri, Vermont, and Nevada, have provided significant relief to their homeowners through the sales tax.

Proposition Zero will be introduced in the next Texas legislative session. We are currently refining the proposal and quantifying the effects that Proposition Zero will have on specific school districts to ensure equity to every district and its taxpayers.

We invite all citizens to write or call our legislative offices with their comments and inquiries on Proposition Zero.

Samaniego, Hale exchange vows

Gloria Samaniego and Don Hale were married at 1:00 p.m. on July 2, 1983 in Saratoga, California.

The bride is the daughter of Mr. and Mrs. Pedro Samaniego, Jr. of San Jose, California. The groom's parents are Mr. and Mrs. Donald Hale of Akron, Ohio, Gloria's wedding dress was a gift from friends who

brought it from Paris. The dress was floor-length and of ivory lace. She wore a silk rosebud wreath and short veil. Her bouquet was of long-stemmed yellow roses. Deborah Santos of San Jose was the maid of honor, with Carson Hale and Alma Cardona of San Jose, and

Norreen Poli of San Francisco as attendants. Their dresses were in pastels.

Bill Lax of Merced, California was the best man. Don Hale III and Robert Samaniego of San Jose, and Pete Samaniego III of Sonora were ushers.

Tower retires

"John Tower's retirement will be a tremendous loss to our great state and to our nation. He has been an outstanding leader in Washington and his leadership, as a conservative member of the Senate and as a defense expert, will be sorely missed.

'Personally, I am indebted to John Tower because he brought me into the legislative political arena and opened the door which ultimately led to my election as a member of the U.S. House of Representatives." **Congressman Tom Loeffler**

Junior Varsity has good showing

When the Yellowjackets got the ball they could

the Yellowjackets to score once.

The Sonora Junior Varsity football team, along with a mixing of freshmen, had a very good outing in their scrimmage against the Menard J.V. The Broncos scored the very first time they got the ball on a 70 yard drive. The scoring play was a 25 yard run by halfback Lee Castro. The Broncos showed good ball control as they moved the ball down field behind the running of fullback Martin McGee and running backs Edward Mata, Sonny Samaniego, Lee Castro and Ricardo Sanchez. This years quarterback is Mike McBride and he also looked very good in the scrimmage. Coaches were pleased with the play of the offensive line as they opened good holes in the Yellowjacket defense. The line consisted of Abe Caruthers at center, Wayne Collins and John Merrill at tackle and Danny Samaniego and Manual Duran at ends.
