Sutton County days draws record crowd

Sutton County Days delighted several thousand people this year and left members of the community singing its praises.

Record crowds were in attendance for all of the events of the two day celebration.

Friday's parade was filled with color and excitement, heightened only by the appearance of the Mighty Bronco Band. Following the parade almost 400 persons relished the delicious barbecue served by the Chamber of

Commerce.

The mild temperatures on Saturday, added to the enjoyment allowing almost everyone to get out and visit, shop the crafts, listen to the story telling and entertainment and eat-boy, were there a lot of good things to eat (!).

Little Miss and Mr. Sutton County were selected mid-morning from a court of twenty-two darling youngsters.

Traci Lopez, the three year old

daughter of Diana Lopez of Sonora and Arturo Lopez of Brownwood was chosen Little Miss. First runner-up was Daisha Henson and second runner-up was Bianca Gamba.

Chosen as Little Mr. was Landon Brockmen, the three year old son of Bob and Nancy Brockman. First runner-up was Jerrad Solis and second runner-up was Bryon Williams.

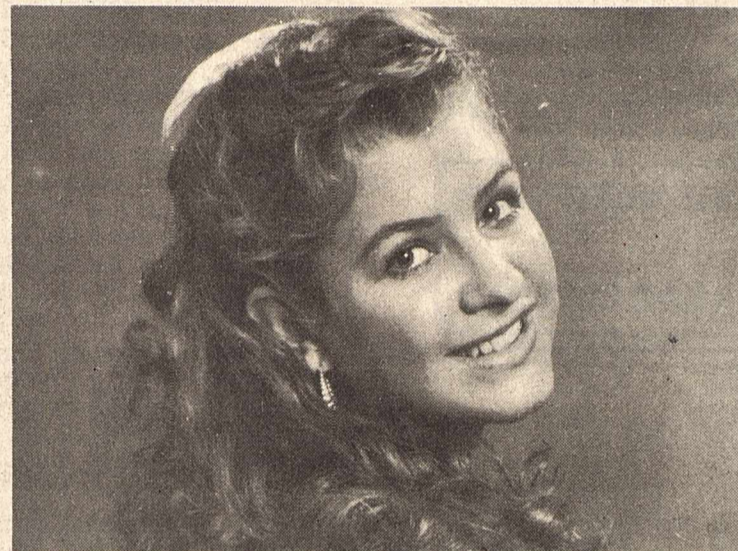

Miss Sutton County for this year is Preccia Miller, the seventeen year old daughter of Mr. and Mrs. Jerry Johnson.

Kelly Whithead was selected first runner-up, Leah Brown, second runner-up, and Camille Cauthorn, third runner-up.

According to a spokesperson for the Sutton County Days Association, the PRCA rodeo and dance also drew record numbers of spectators and participants.

For a pictorial synopsis of the festivities, see page 6 of this issue.

Congratulations to the Sonora Chamber of Commerce, Sutton County Days Association, and everyone else involved in making this years Sutton County Days such a tremendous success!

MISS SUTTON COUNTY PRECCIA MILLER

Take a bite out of crime

Editors Note: This is a first in a series designed to educate and create awareness to crime and to measures that can be taken to protect ourselves and our property.

by Brent Gesch, Chief
Sonora Police Dept.

In Texas, during 1986, one major crime occurred every twenty-five seconds, one violent crime occurred every five minutes and one property crime occurred every twenty-eight seconds.

Let's look at the need for security and safety.

A good burglar knows that 95% of the time he will never see his victim. His crime is not against a person per se, but against property.

Discourage burglars by using barriers, and by having a dog, an alarm system, good locks, and night lighting. Make sure the alarm system is activated when you are not at home, the door lock is deadbolted, the garage is closed and locked, property is properly marked, and that there are no trees close to the house and shrubbery is trimmed away from windows.

A good perimeter security alarm reacts to attempted entry through windows, doors, and ventilation openings.

At night a photoelectric system spots a burglar when he is halfway across your lawn. The system turns on exterior lights that flood the entire area where the burglar is

standing. Your alarm system reacts with a local alarm or a silent alarm to the local police or a neighbors house.

The first line of defense in any

residence is the doors and windows.

The door is the easiest point of access for the burglar.

(cont. on pg.3)

Department points out need for truck

The City Council met in regular session on August 18 with a full agenda.

Louis Olenick and Kyle Donaldson, representing the Sonora Volunteer Fire Department, were on hand to speak to the Council on the need for a new pumper truck. Olenick told the Council the key-rate for home owners fire insurance would drop approximately three percent if a new fire truck was purchased due to the added protection it would provide for the city. He also told the Council that the pumper truck now in service with the Fire Department would be thirty years old in 1994 and according to current figures in key-rate, home owners fire insurance premiums could increase dramatically at that time. The cost of the truck under discussion, equipped, was \$91,945.

County Judge Carla Fields, speaking on behalf of the County, told the Council that if the

County shared in the cost of a new fire truck, it would require a tax rate increase.

The consensus of the Council expressed an interest in the new fire truck but no action was taken.

The Council moved on to a request to upgrade the new computer system to be compatible with the software programs. After discussion of the problem, Councilwoman Cascadden moved that John Henry Strauch of Light Electronics be allowed to install the necessary improvements and provide initial assistance in setting up the programs on the computer. The vote was unanimously in favor of the motion.

Councilman Adkins requested the meeting time to be changed from 9 am to 7 pm. It was recommended a survey be run in the Devil's River News to receive input from the community. (See survey-page1.)

After a request for authorization,

(cont. on pg. 7)

Board discusses insurance

The Board of Trustees of the Sonora Independent School District met in special session at 7:00 p.m. on Tuesday, August 18, 1987.

The meeting was called to order by the president and the invocation was given by the superintendent.

Stan Walker, representing EM Share Insurance Corporation, the low bidder on employee health insurance for the district, began his presentation by stating that the company's asset value was about \$50, and that the total worth of the parent corporation, American Physician's Service Corporation, was close to \$2 billion. He continued by saying that the company was classed as a reciprocal, or non-profit, insurance firm and was licensed by the State of Texas.

This statement was challenged by Jim Garrett, who said that according to the State Board of Insurance, the assets of EM Share were \$841,000, with surplus funds of \$809,000. In answer, Mr. Walker replied that he got his figures from the company and that he assumed that the figures quoted

by Mr. Garrett were for the state of Texas only. Mr. Walker then stated that he had faith in the integrity of the EM Share company, or he would not have recommended it to the district. When asked how much school districts EM Share had enrolled, Mr. Walker replied "None."

He proceeded with an explanation of the twenty-five per cent refundable deposit included in EM Share's bid. One hundred and eighty days after the conclusion of the contract, if the company's net loss ratio is 100 per cent or less, all the surplus charge, plus accrued interest, would be refunded to the district. If the loss ratio is between 101 per cent and 200 per cent, half the surplus deposit is refunded. If the company's loss ratio is more than 200 per cent, no portion of the surplus deposit is refundable.

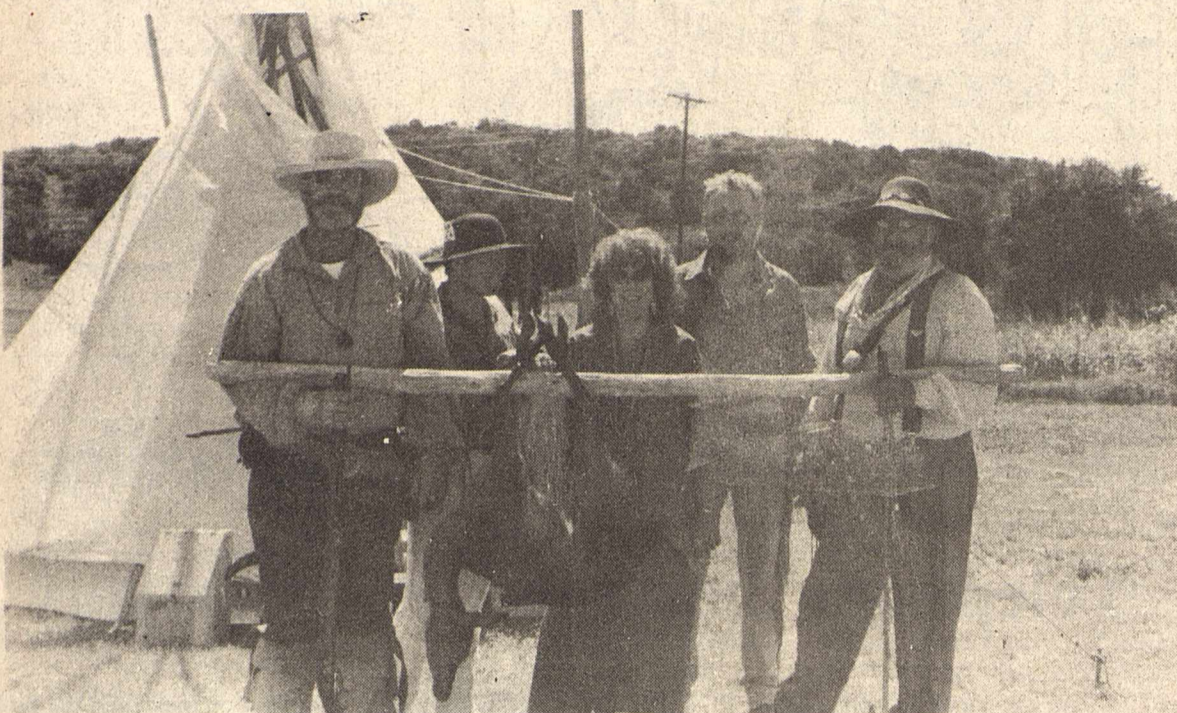

Bobby Zesch, representing Great West, the district's present carrier, said that a user rate, which Great West has consistently refused to supply, would be provided by his office on a month-by-month basis for the coming year. Local insurance agent Mike

Kropp, present at the Board's request in an advisory capacity, commented that "any agent can get a user rate", and he felt it should be provided as a matter of course.

Julio Samaniego asked Director of Business Warren McCarsion how much the proposed increase in premium by Great West would cost the employees, some of whom had not had a pay increase in several years. Mr. McCarsion replied that Great West's basic bid would result in a total premium increase of approximately \$30,000, of which the district's share would be about \$11,000 and the employee's increased cost would make up the balance. The family coverage would go from \$83 to \$102 per month, or \$19 per month. (This plan was submitted as "Proposal.")

Great West had submitted an alternate bid requiring pre-certification which would increase the total premium by \$14,762.88-\$6,898 to the district and \$7,864 to the employee with family coverage, an increase of \$12.16 per month for the employees

(cont. on pg. 5)

A welcome addition to this Sutton County Days Celebration was the Muzzle-loader Rendezvous. The nice folks with the Rendezvous gave demonstrations in the basics as well as competing for prizes for their various skills.

It was not all work for them though, as is shown in this picture.

Left to right they are Delbert Brewster, Andrews, Jim Wetzel, Plano, Cindy and Randy Klaus, Big Spring, and the mornings mighty hunter Bob Ballard, also of Big Spring, who felled this pretty little sika deer. The special hunt for the Rendezvous participants was arranged by Jimmy Cahill.

Briefly

Bronco tickets on sale

Season football tickets for the Broncos will go on sale at 8 am on Monday, August 24. Sale of the tickets will continue through September 11.

Tickets may be purchased at the Administration Bldg., 807 Concho each week day between the hours of 8 and 4.

Lunch tickets

School Lunch Tickets will be on sale from 8 am to 4 pm on Monday, August 31 at the old cafeteria in the Elementary School.

Grades K through 5 will be 90¢, grades 6-12 will be \$1.00.

Lunch tickets are sold for a ten-day period.

Homecoming Association

There will be an organizational meeting for the Homecoming Association on Monday, August 31, 7 pm, in the First National Bank Annex.

All persons interested in helping with this years Homecoming, please make plans to attend this meeting.

Vanderstucken Appreciation Day

In appreciation of lifelong leadership and service to Sutton County and the surrounding communities, Sonora will honor Joseph and Mabel Vanderstucken with a barbecue on the Courthouse lawn Sunday afternoon, September 13 at 12:30 pm.

The Appreciation Day is sponsored by the Sonora Chamber of Commerce and the Sutton County Historical Society.

The public is cordially invited to the barbecue which will be provided by friends of the Vanderstuckens.

Persons interested in assisting may call 387-5107, 387-5610 or 387-3062.

"Adopt-a-foot"

In order to "top off the Depot" persons may "adopt" one square foot of the Depot roof for \$4.00. Names of all donors will be placed on a plaque in the Depot.

For more information or to "adopt" a square foot, contact Patricia Johnson at 387-5921 or 387-5334, Gil Trainer at 387-2028, or Preston Love at 387-3516.

Photos available

Photos that have been taken at the "Covered Wagon Dinner Theater" are available at Ol' Sonora Trading Co.

For additional information, contact LaVerne Benton at 387-5507.

S.S. representative

Edwin Draughon, representative for the San Angelo Social Security Office will be in Sonora at the Courthouse on Thursday, September 17 between 9 am and 10:30 am.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Softball Tournament

The Ozona Chamber of Commerce will be sponsoring a Softball Tournament on August 28, 29 and 30.

It will be a Mens Double Elimination with an entry fee of \$100 per team. Deadline for entry is 12 noon on Thursday, August 27. Trophies will be awarded.

There will be a Home-Run Derby on Saturday, August 29 with a \$10 entry fee. There will be a First Place prize of \$150 and a trophy.

For additional information, call the Ozona Chamber of Commerce, 392-3066, Jeff Stuart, 392-2637 or after 6 at 392-3554, or David Pagan, 392-2611, ext. 144 or after 5 at 392-2297.

Cookbooks on sale

The First Baptist Church Youth cookbooks Our

Favorite Recipes are now on sale.

They can be purchased at the church, Chamber of Commerce or any of the youth from the First Baptist Church for \$6 per book.

Memorials to SCHS

Memorials to the Sutton County Historical Society in memory of a friend or loved one will help to preserve the rich heritage of Sutton County.

Checks should be made payable to the Sutton County Historical Society and sent to Box 885, Sonora, Texas 76950.

Pictures are in

Little League pictures are in and can be picked up at Petal's during regular business hours through August 28 or contact Cindy Fields at 387-5234.

Al-Anon meetings

Al-Anon meets in Sonora on Thursday nights and in Eldorado on Friday nights. Ozona is now having a meeting every Tuesday night.

For more information on the organization or on the meetings, call 387-5775.

Legalization Program

A Leagization Committee for persons wishing to apply for amnesty under the new Immigration Law will meet every Tuesday at St. Ann's Catholic Church Parish Hall from 8 to 10pm.

Employers welcomed. ***

Juntas para personas que desean aplicar para amnistia bajo la Nueva Ley de migracion se llevaran a cabo cada Martes de las 8:00 a las 10:00 pm. en el salon de la Iglesia Catolica St Ann's. Amos bien benidos.

Donations needed

A fund has been established for eight year old Amy Robertson of Eldorado at the First National Bank of Eldorado.

Amy suffers from a rare blood disease and is in need of a bone marrow transplant. The transplant will be done in Seattle, Washington, with Amy's mother as the donor, as soon as possible. Amy will be required to spend 102 days in the hospital at the time of the transplant and a year, at home, in isolation.

Donations may be made to the Amy Robertson Fund, First National Bank of Eldorado. For information call Rene Calcote, 853-2747 or Sherry Belk (office) 853-2544 or (home) 853-2289.

1987 Kow Kick

The Annual Kimble County Kow Kick will be held Labor Day, September 7, in Schreiner Park (City Park) with a wide variety of arts and crafts booths, food booths, and lots of entertainment.

The Kow Kick opens at 10 am and the event will feature activities throughout the day.

Booth space is available through the Kimble County Chamber of Commerce. Call (915) 446-3190 for information.

Miles Cotton Festival

The 10th Annual Miles Cotton Festival will be held on September 12 in the Miles City Park. Festivities will include arts and crafts booths, a brisket cook-off, a parade, games and entertainment.

A noon meal will be served at the Miles Opera House and fast food booths will be located in the City Park.

A BBQ supper will be served from 5 to 7 pm followed by the Miles Cotton Queen Contest. Shadowfax will provide music for a Street Dance from 9 till 1.

Miles is located on Hwy. 67 between San Angelo and Ballinger. For more information call (915) 468-3001.

Information survey

A survey is being conducted to determine whether the citizens of Sonora would prefer the regular City Council meeting to be held at 7 pm instead of 9am.

Please fill out the following and return it to the Devil's River News office, 220 N.E. Main, Sonora.

Yes, I prefer the meeting to be held at 7 in the evening.

No, I prefer the meeting to be held at 9 in the morning.

CHAMBER NOTES

by Diana Trainer

Citizens of Sonora, we done good! I think that this Sutton County Days will go down in history as one of the very best ever.

The Good Lord blessed us with cooler weather on Saturday so lots of people came to the courthouse and stayed all day.

He also blessed this community with a lot of very fine people and I would like to thank a few right now. Carolyn Earwood did a great job on the Queen's Contest (the judges had the hardest job of anyone associated with Sutton County Days—I certainly wouldn't have wanted the job of choosing

from that group of beautiful young ladies). Also, Sharon Jardee did a super job with the Little Mr. & Miss Contest. The Devil's River News and KHOS both outdid themselves on our publicity campaign.

Image, Carol's Merle Norman and the Sutton County Steakhouse put on a lovely fashion show-luncheon.

The parade was better than ever thanks to JoAnn Jones. Jim Stephen and Co. did a very good Bar-B-Q (we sold about 400 plates) and Jimmy Cahill helped put on the 1st Annual Muzzle Loaders Rendezvous.

The Outdoor Drama Group kept everyone entertained throughout the day with their wonderful stories and the Old Fort Concho Soldiers were very entertaining.

Gil, Ronnie, Royce and Bruce kept the games going and they were really lots of fun this year.

If you weren't there, we had a pie eating contest. Juan Ramirez ate one of his two pies and then decided the second pie would look real good on Tracy Love—from there on it was wild. (Hey, MOM's, it all washed out, didn't it?)

We really appreciated the loan of lumber from Foxworth Galbraith and the barrels from Eddins-Walcher.

The rodeo and dances were great, as usual, and the food on the courthouse lawn was outstanding. Last, but certainly not least, Monte Jones was super as our Master of Ceremonies. His endless barrage of quips and puns kept things very lively around the Chamber of Commerce table.

I especially want to thank JoAnn Jones, Ronnie Bowers, Jim Stephen, Bruce Kerbow, Smith Neal, Earl Johnson, Preston Love, Royce Miears, Gil Trainer, Kathy Shurley and all the spouses for working so hard to make this Sutton County Days a success. Having a Board of Directors like this to work with makes a project like Sutton County Days a whole lot easier and a heck of a lot more fun. (If I left anyone out—I'm sorry—I know this was a community effort).

A big thank you also to the members of the Boy Scouts who spent an hour and a half picking up garbage on the Courthouse lawn after it was all over.

Oh, I almost forgot, Eddie Smith wanted front page headlines to read "SMITH AND JOHNSON WIN WASHER PITCHIN' CONTEST". I'm afraid that Tracy will have to eat a lot of their crow for the next year.

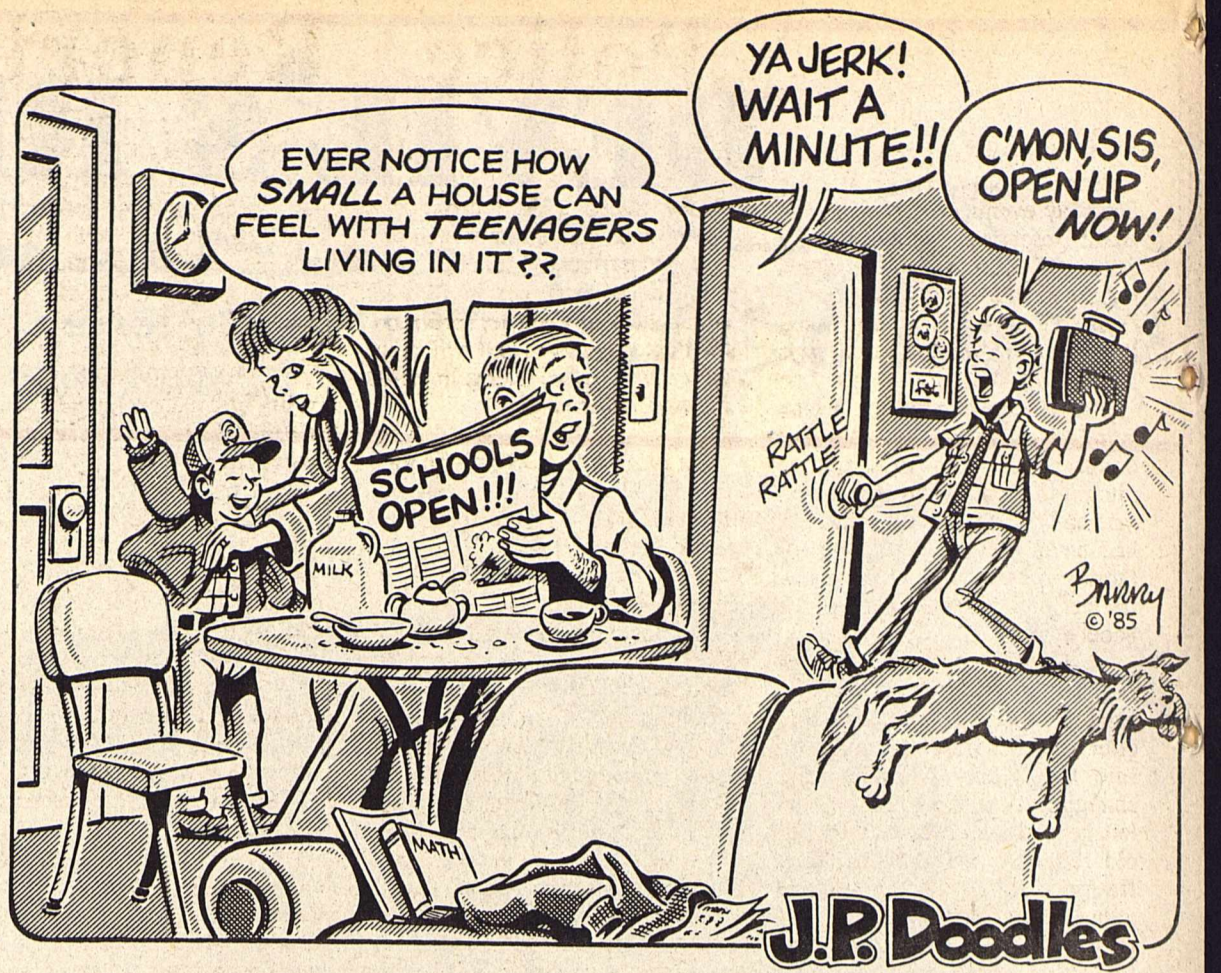

I got a marvelous letter from Carl M. Farrar of Senatobia, Ms. He wished everyone a good time for Sutton County Days and had some really nice things to say about Sonora. We certainly were glad to hear from you Carl.

The Boys Scouts are doing service work for the community. They are going to paint the underpinning here at the Chamber office in the next few weeks. If you are a Senior Citizen and need some chores done, please call me here and I can contact the Scout leader and they'll do the work for you.

We are still trying to compile a permanent list of former Sonora residents so if you would send me any names and addresses it would be greatly appreciated.

The Chamber of Commerce office will be closed Friday and Monday. JoAnn Jones, Royce and Gloria Miears and Gil and I will be going to Fort Worth for the Hunters Extravaganza. We have built a new booth, gotten some beautiful Don Jones' photographs framed by Sharon's Frame Shop and had Dr. Lonnie Pollard make a wooden Chamber of Commerce sign to go in the booth. It is a very attractive display and we certainly hope we can interest all the hunters.

Eddie Sawyer is the newest member of the Sonora Chamber of Commerce and we really do appreciate your support, Eddie.

Telephone hearings: here to stay

DEAR COMMISSIONER NABERS: I want to register a complaint about the TEC's continued use of the so called "telephone hearing". Frankly, I feel this is a violation of due process. I have requested several times to have an in-person hearing and my requests have been ignored. TEC used to do in-person hearings so what is going on with the telephone stuff?

M.D. Rockwall

DEAR M.D.: Money is the problem! Texas is a big state and it is extremely expensive to have referees travel to remote locations to hold in-person hearings. Telephone hearings admittedly have their disadvantages, but they represent a much more efficient use of tax dollars.

Because of high unemployment in recent years and the resulting increased in claims, telephone hearings are relied upon more and more to manage the extremely heavy appeals work load. It would be optimal to provide an in-person hearing to everyone who wants one. Unfortunately, this is no longer possible.

All Notices of Hearing provide instructions concerning the submission of documents prior to a telephone hearing. Except in unusual circumstances, there is no evidence which could be presented at an in-person hearing that cannot be presented at a telephone hearing. The same hearing procedure is followed. In short, parties are afforded the same due

The only way a Chamber of Commerce can be active and beneficial to a community is with the support of the businesses and clients. If you aren't a member of our group, please consider joining. We really do need you. See you next week.

Commissioner

Mary Scott Nabers

Texas Business Today

process via telephone that they are in person.

DEAR COMMISSIONER NABERS: Are students eligible for unemployment benefits?

R.J. San Antonio

DEAR R.J.: It depends. If a high school student is hired as part of a cooperative effort between a school and a business to provide vocational training for which the student receives academic credit, then the wages paid to the student are not reportable to the TEC; no taxes

are due on them; and the student cannot use those particular wages to qualify for unemployment benefits. High schoolers not hired as part of such a program are treated like any other employee under the Texas Unemployment Compensation Act.

In order to be eligible for benefits, every claimant must be able and available for and seeking full-time work. Most students who are still in school would be held ineligible for benefits because their schooling would interfere with their availability for full-time work.

Ms. Nabers represents 336,000 employers throughout Texas. If you have any questions you want answered, please write Commissioner Nabers at: Texas Business Today, 614 Texas Employment Commission Building, 15th and Congress, Austin, Texas 78778.

ONE MAN'S OPINION

by T. Driskell

We, the most indebted nation on the earth, are looked on as a virtual charity gold mine. Quite obviously, through charity in helping nations, whose populations have outstripped the ability of their land to support them, we assume a defacto perpetual responsibility for the surplus population.

It is reminiscent of Mao's Chinese Agricultural program. Increases of twenty-five percent were made in fifteen years and distribution was improved; the foundation for much boasting. The ointment, however, was not free of flies because a Chinese dietary survey showed that the average food available to the individual in China had decreased about seven percent. The number of Chinese had unfortunately but

predictably increased more rapidly than the food supply.

The interpretation placed by the "Third World" on our responsibility manifests itself in the request from Ethiopia's communists government for us to ship grain now! and not wait until the famine starts. How much will it take this year, next, and twenty-five years down the road?

Are we building a communist army by encouraging and abetting the creation of a vast surplus world population? Much of Africa shows population strains on the productivity of the land, with the resulting overstocking destroying the land completely. The choice is quite clear; either famine, planned population decrease or an infusion of outside food supplies.

We go a long way each year to permanently retiring about eleven thousand acres of farm land under asphalt, housing developments or other miscellaneous projects. Lost food, not particularly significant at this time, could become critical if confronted by a continuing population increase. Who will feed our children when our population approaches the maximum capability of our land to support it? A better question is: Who will have the capability?

The Third World cannot be blamed for its opinion of us as a supplier of manna. We see ourselves in the same light. A little survey on my mail shows seventy two requests for contributions since the first of March. They are for health research programs, political lobbying, ethnic group support, racial group support, religious group support, protecting my rights, creation of illogical constitutional interpretations and other somewhat devious projects. This program is backed by verbal requests for political campaign contributions, church donations and various community projects. How does one get on so many "sucker lists"?

Inquiries show that the contribution requestors cannot, or will not make available to you figures on how the money is spent. Not being a borrower the "Truth in Lending Law" was of little concern, but a "Truth in Begging Law" might be more beneficial.

Police Report

While walking through the Sutton County Days booths Saturday evening Chief of Police Brent Gesch was approached by a concerned citizen who asked Gesch if he had talked to Kathy Davis. Gesch replied he had not and asked the citizen why Kathy was looking for him.

The citizen pointed out a man standing beside the old jail building watching the horseshoe pitching. He explained that this man and some of the man's friends had been in Spain's Department Store earlier and one of the man's friends had purchased a pair of boots there.

Continuing the citizen explained, to Gesch that a second pair of boots was found missing after the men left the store. He said that Kathy went into the changing room just after the men left her store and found a pair of old red, size 8 1/2 boots there. Kathy checked her stock and immediately found a pair of 8 1/2 gray Justin Roper missing. She followed the men to the Courthouse lawn where she enlisted the help of some of her friends to watch the suspect until an officer of the law could be located.

While Chief Gesch was receiving the facts of this incident an employee of Spain's came up and confirmed the facts. Gesch contacted the suspect and identified him as a Houston, Texas cowboy who was in town for the Rodeo.

Gesch explained that the cowboy would not be leaving Sonora, Texas in a pair of borrowed boots and that he doubted if this cowboy would enjoy the time-payment plan which was about to be arranged.

This cowboy stated that he had been drinking a little too much and did not know what he was doing. He apologized and asked

Gesch to take him to the store and let him work out something with Kathy Davis. Gesch drove the cowboy to the store where he arranged payment.

Chief Gesch would like to commend Kathy and her friends on their detective work and will keep their investigative talents in mind for use in future cases.

On August 19, 1987 the Sonora Police Department began to receive calls at approximately 9:00 p.m. from citizens complaining of a hotrodding 1978 Ford T-bird.

Officer Gene Hazlett and Chief Gesch were headed to the area of the last reported location of the speeding T-bird when they were notified that a car had been stolen from the parking lot of the United Pentecostal Church on East 3rd Street. Almost immediately the radio dispatcher called and informed Hazlett and Gesch that a citizen reported that a car had just crashed into the Food Center.

Arriving at the Food Center witnesses reported to Chief Gesch that the Ford T-bird had crashed into the west sliding door of the Food Center. Two young males got out of this car and fled on foot toward Highway 277 South.

Gesch left Hazlett with the wrecked car (a 1978 Ford T-bird which matched the description of the reported stolen vehicle.)

A search of the highway revealed no sign of the two suspects and Gesch proceeded to the Pentecostal Church where the victim was located. Upon Gesch's arrival the victim stated that witnesses had told her that two juvenile males had ridden to the church parking lot on a red bicycle, left the bicycle on the ground across the street and had driven away in her car.

The red bicycle was recovered by Chief Gesch who drove back to

the Food Center. There were several bystanders and witnesses there by this time and Gesch asked a group of four boys on bicycles if they could identify the bicycle that he had in the truck of his police car. These boys told Gesch whose bicycle he had recovered. The also told Gesch that the owner had loaned his bike to two friends of his today. Gesch was given the names of two boys that had borrowed the bicycle.

A female witness stopped and told Gesch that the Ford T-bird had run her off of the road only moments before hitting the Food Center. She told Gesch who was driving the T-bird, stating that she knew the driver and that she was certain of his identity. She also gave Gesch the same clothing description worn by the suspects as the witnesses at the Pentecostal Church.

A female called and reported that the suspects were in the area of Plum and Glasscock streets. Chief Gesch located one of the suspects standing in front of Perez Grocery Store on New Street. This subject, a juvenile, was intoxicated and he was taken into custody. His mother was notified. This suspect gave information confirming what witnesses had told Gesch.

After taking a written statement this Juvenile was released to his mother.

The driver of the Ford T-bird was bought to the Police Department the morning of August 20th by his mother. He refused to give a statement. This juvenile had been handled only last week for burglary and theft offenses.

The owner of the 1978 Ford T-bird, Juanita Vickers, stated that she had removed the keys from the ignition of her vehicle, however, she did leave them hanging on the turn signal indicator arm of her car

when she went inside the Church. Who would think that anybody would steal a car in Sonora, Texas?

Worse than that, who would steal a car from the parking lot of a Church?

And, to top that off, who would run a stolen car into the fine new addition at the Food Center. After all the new sliding doors had only been installed a few weeks.

Ronnie Bowers stated that the estimated cost to repair the sliding doors may be as high as \$7,500.00.

The juvenile driver will be processed through the juvenile system and there is a slight possibility that because he has reached his fifteenth birthday he might be certified as an adult to face the charges with which he is facing.

It can happen here!

(cont. from pg. 1)

Depending on which study or report you read and believe, entrance by burglars into a home through a door is anywhere from 50 to 70%. Entrance through windows is 25 to 35%.

Burglaries don't have to take place over a long period of time. Some people were gone from their home for as little as twenty minutes.

Successful penetration of the door usually is due to the failure of the type of door or one of the various door components that make up the door security system.

The entire door system of any residence consists of such parts as the door itself, the frame, the threshold, and the lock. The burglar considers the door itself, determining what type of door it is (many types are available and in use), the type of lock (poor, good, high, or very high security), whether the door opens inward or outward (hinges can be a very vulnerable point when the door opens outward), and the framing of the door.

Basically there are four types of doors: the solid core, the hollow core, the glass and panel, and the steel door.

These doors can be graded in descending order of security levels. This order will represent the ability of the door to resist attack for a predetermined period of time and is based on the strength of the door, the types of materials of which the door is made for its construction elements, and also the framing around the door: steel,

hardwood, hardwood with solid panels, softwoods with panels, glazes or glass panels, framed and braced doors, and frames with glass.

The most common doors found today are flush doors. These doors have no face panels, louvers, or recesses. Types of flush doors include solid core and hollow core, particle board, and glued block with a facing over them. Doors of steel construction and solid core doors with a steel facing are becoming more popular.

A door hinge has two parts called leaves, one of which is attached to the door and the other fastened to the door frame.

There are hinges with a removeable pin and those with a non-removeable pin. The latter is called a fixed pin hinge. The fixed pin, once installed, cannot be removed when the door is in a closed position.

The door must swing inward for proper security. By swinging outward, the hinge pins are exposed to a burglar and his job is made much easier. Removes the hinges, relocate the door, and reattach the hinges so that the door opens inward.

As a temporary stopgap measure, especially when the hinge has a removable pin, weld or braze the pin to one of the hinge halves. This prevents someone from lifting the pin out of the hinge to remove the door. Another temporary method is to attach a metal steel plate. The metal steel plate is bolted over the latching area between the door

handle and the door frame. This prevents a person from easily forcing back the locking bolt.

There are seven weak areas that can make a door vulnerable to the potential burglar. They are: (1) poor or rotting frame or door edge, (2) a cheap lock, (3) a window in the door within 25 to 35 inches of the inside door handle and the window or portions of it being less than five inches from the bottom of the door, (4) thin panels in the door that can be easily kicked out, (5) a hollow construction door, (6) hinge pins located on the exterior side of the door, and (7) space between the door and the frame.

Let's consider each potential door fault and determine what can be done to remedy the situation.

Poor or rotting frame and door edge- replace the door and/or frame with preferably a steel frame and door.

Windows in the door- the glass can be replaced with wire glass, or an acrylic plastic can be installed over the glass and firmly attached. These plastics sometimes should be installed on both sides of the door. The best method is to replace the entire door but this expensive. The next best thing is to remove the window and reseal the area with solid wood. Repaint the door so that the additional wood is not noticeable, then install a peephole.

Cheap locks on the door- Remove the lock and replace it with a heavy-duty one that has a minimum deadbolt throw of one

(Con't. on pg. 7.)

New faces in the halls

School started this past Tuesday, well, at least for the teachers.

Students will acquaint themselves with twelve new teachers this year. They are:

Doyle and Becky Carter are from Eden. She is a native of San Angelo and he is from Clyde. Doyle will be teaching history and coaching boys basketball at the high school while Becky is teaching 3rd grade.

Selina Galbreath is a recent graduate of Angelo State and is married to Billy Bob Galbreath.

She is from Brownwood and will be teaching sophomore English.

Carol Graham is from Eldorado where her husband is currently a Baptist minister. She has her Bachelor of Science from The University of Oklahoma. She has taught in Clear Creek and will be teaching senior English.

Bryant and Shelia Harris are from Jaytown. He graduated from Tarleton State and is our new Band Director. Shelia will be the library aid for the primary and intermediate schools.

Julie Martin is a Sonora graduate and recently graduated from ASU. She is married to David Martin and is the daughter of Mr. and Mrs. Bill Stewart. She will be teaching Junior High math.

Martha Love Martin has been teaching for the past 3 years in Ozona and taught for 10 years in Odessa. Martha is married to Billy Martin and will be teaching P.E.

Mona Simpler has worked for SISD '75-'81 as speech therapist and 3rd, 4th, and 5th special education teacher. She will be teaching special education in the

Junior High.

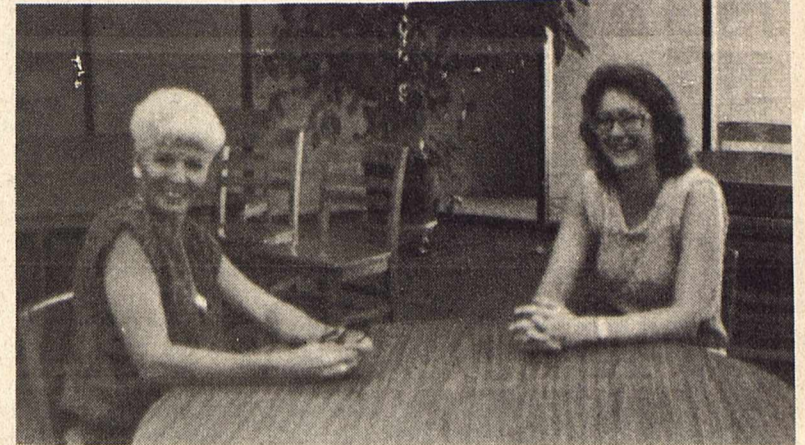

Tamie Gilcrease has her Bachelor of Science from Angelo State University and is from Hart. She was a coach in Brownfield and will be teaching health as well as coaching here in the Junior High.

Terry Turner is a recent graduate of Angelo State University and a native of Rankin. He will be the Junior High coach and teach science.

Molly Cook is a Sonora High School graduate and has her Bachelor of Science in secondary education from Baylor. She will be the new Junior High library aid.

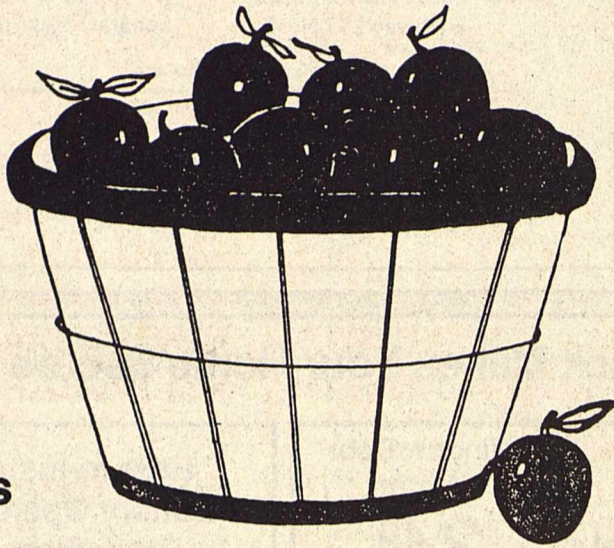

Jr. High (Pictured l to r) Terry Turner-coach/science, Tamie Gilcrease-health/coach, Shelia Harris-primary library aid, Molly Cook-Junior High library aid, Mona Simpler-special education, Julie Martin-math.

Intermediate (Pictured l to r) Martha Love Martin-P.E., Becky Carter-3rd grade.

(Con't. from pg. 1.)

(NOTE: This plan was submitted as Proposal II, and is the one approved by the Board later in the meeting.)

Mr. McCarron pointed out that the total premium paid to Great West amounted to \$148,751.28 under the existing contract which ends August 31, and under the bid submitted as "Proposal II", the total premium paid to the company by both district and employees from September, 1987, through August, 1988, would amount to \$163,514.16.

A discussion among various Board members ensued, with Gary Hardgrave remarking that even though EM Share's bid would save the district and the employees money, he felt that the Board should have more information about the company than was available.

Mrs. Mathews questioned the Great West representative about their statement that Sonora should stay with one company for more than one year to show stability. She indicated that saving taxpayers and employees money was of prime importance, and that she felt that changing companies had little bearing on the bids received.

In answer to Mr. Kropp's comment that the \$500 deductible appeared to penalize the employee, Mrs. Mathews replied that it was now common practice due to rapidly rising insurance costs, and was a "sign of the times".

Both company representatives, Mr. Walker of EN Share and Bobby Zesch, answered the question of whether a rate increase might be expected next year with the comment that "there were no guarantees", and that "very possibly" a rate increase could be expected.

Board President Scott Shurley stated that he felt that the district should continue with Great West for at least one more year due to the lack of documented evidence of the financial stability of the EM Share Company.

He then asked if there were more comments. There were none, and Jim Garrett moved that Proposal II as submitted by Great West be accepted, stating that the cost difference between it and EM Share's low bid was "not so great

that the district couldn't stand it".

The motion was seconded by Gary Hardgrave and the following show-of-hands vote recorded: For the motion: Jim Garrett, Scott Shurley, Rosemary Mathews, and

Gary Hardgrave; Against (NAY): Sam Perez, Julio Samaniego, and Joe Garcia.

The motion to grant the employee health insurance contract to Great West carried by a

margin of four votes for to three votes against.

The Board approved the employment of Molly M. Cook as Junior High Library Aide for 1987-88.

PRE-KINDERGARTEN SUPPLY LIST 1987-88

- 1-Big Box Kleenex (200 Count)
- 1-Heavy Plastic Box for Supplies
- 1-Box of Jumbo Crayons (8 Count ONLY)
- 1-Water Color Paint Set
- 2-Assorted 9"x12" Construction Paper
- 2-8 oz. Bottle of Elmer's Glue (Black Label, Not Blue)
- Non-pointed scissors
- 1-Folder with pocket
- 1-Eraser
- 1-Paint shirt

PARENTS, PLEASE PUT YOUR CHILD'S NAME ON ALL SUPPLIES!

KINDERGARTEN SUPPLY LIST

- 1-Big Box Kleenex (200 Count)
- 1-Heavy Plastic Box for Supplies
- 1-Box of Jumbo Crayons (8 Count ONLY)
- 1-Pkg. of Markers Assorted Colors
- 2-Assorted 9"x12" Construction Paper
- 2-8 oz. Bottle of Elmer's Glue (Black Label, Not Blue)
- Non pointed scissors
- 2-Husky Pencils
- 1-Eraser
- ****2-#2112 Aladdin Tablets
- 1-Resting Mat-FIRST DAY, PLEASE!
- 1-Folder with Pockets
- ****These are the tablets that will be used in Kindergarten. Please do not make substitutions on tablets.

PARENTS, PLEASE PUT YOUR CHILD'S NAME ON ALL SUPPLIES!

FIRST GRADE SUPPLY LIST

- 1-Scissors Sharp Pointed (Metal only)
- 1-Large Elmer's Glue
- 2-Boxes of Kleenex (200 Count)
- 6-Husky Pencils
- 1-Large Eraser
- 1-Folder with Pocket
- Box for Supplies
- 1-Watercolors
- 1-Box of 16 Colors
- 1-Spiral Notebook
- **5-Aladdin Tablets #2112
- **1-Big Chief Tablet
- **These are the supplies that will be used in First grade. Please do not make substitutions on tablets.

A school bag or backpack is helpful for transporting daily papers or books.

PARENTS, PLEASE PUT YOUR CHILD'S NAME ON ALL SUPPLIES!

SECOND GRADE SUPPLY LIST

- 1-Scissors-Sharp Pointed
- 1-Ruler (Centimeters & Inches)

- 2-Pencils #2
- 5-#2225 Tablets (NO Substitutions)
- 2-Assorted 9"x12" Construction paper
- 1-Spiral Notebook (Medium)
- 1-Watercolors
- 1-Elmer's Glue

"OVER the HILL GANG"

News from the Nursing Home
by Doris Cahill

By special request: A man often walked through a cemetery on his way home from work, as it was a short cut. One night, unaware that a grave had been dug in his path, he tumbled in. For almost an hour, he struggled to get out of the seven-foot-deep grave, but finally gave up and settled down for the night.

A gangly farmer, out possum hunting, came walking through, and he fell into the grave. He began a desperate attempt to get out, unaware there was anyone else in the grave.

The first man listened to him silently for a few minutes, then reached over in the pitch darkness and laid a hand on his shoulder. "You can't get out of here" he said.

BUT THE FARMER DID!

Two arrangements of pink and white flowers graced the lobby last week, and were much admired and appreciated.

Nancy Dawes, of Dearborn, Michigan, a dedicated musician who has performed with the Philharmonic Orchestra, visited her sister, Alice Hardy, on Tuesday, and was invited to play for us. The music was inspirational, and her fingers positively glided over the piano keys.

We were introduced to "four corners", and "window frame", Bingo Wednesday morning by Lilia. Cordie Drennan won the former, and Doris Cahill the latter. Residents preferred the regular way of playing, however and Reiley and Cahill each Bingoed twice, Cusenbary, Cox, Drake, Hamilton, and Drennan each made one.

It pleased us highly to have pianist Leona Bishop back for the Sing-Along Wednesday afternoon. Lilia and Becky led, and kept saying "Sing out-LOUDER!" Then along came Mr. G. and got the show on the road. Have you danced the "Hoochee Koochee", or taken your "Tootsie Wootsie" to the fair in St. Louie? To tip-toe thru' the tulips keeps the showers away-so lets not! Mr. G. started to leave, but was called back to sing "In the shade of the old apple tree."

A combination of volleyball, dodge-ball, and soccer was just plain fun and antics Thursday morning. When Lilia approached with that look in her eye, she was met with, "Oh, No!" "I'm tired already" and "I used to like to play, but that was way back in the dark ages. I'm too old now!"

There were people running around all over the place wearing "western togs" Friday, and Gertrude Webb, Mandy Turk, and Auxiliary president Vera Jones were busy making us look our best beauty-wise.

We had a hot time on the old float in the Friday afternoon Sutton County Days parade-until one of the clowns sprayed us with water. The Hudspeth Memorial Hospital, Nursing Home, and Auxiliary was awarded 3rd place, and all of the entries made for one of the best parades ever, with the Mighty Bronco Band an added attraction. It was really a fun time for us, as we did not suffer in silence-especially not when our able and considerate driver informed us at the end of the parade that he would not be taking

us back to the Nursing Home, and suggested we hitch a ride or walk!

P.S. Just doing a number on us-"alla time" intended delivering to our door!

Residents, with only the exception of Thelma Phillips-who attended both days with her daughter, Louise Glasscock, and grand-daughter Bobbie Miller, of Austin-were unable to take in Sutton County Days festivities but some of them came to us, and more entertainment by the Outdoor Theater group has been promised.

Congratulations from all of us to the 1987 "Miss Sutton County", Preccia Miller, "Little Miss", Traci Lopez, "Little Mr.", Landon Brockman, and to Mrs. Monty Yantis who walked away with the quilt raffled by the Nursing Home at the Auxiliary Booth Saturday, August 22.

Sunday morning Mass was brought to the Catholic congregation in the Nursing Home by Pete and Irene Gomez, and Doris Cox attended Somebody Cares Center, as she regularly does, with her daughter and son-in-law, Kim and Bob Whitehead.

The Rev. Kent Kepler's words provided food for our spirits over KHOS Sunday morning, and during the service here in the lobby that afternoon. (I am inclined to call him "Peanuts" because he uses the cartoon characters so often as examples!) Leona Bishop was pianist.

Thank You to Marie Aldwell for the nice pen she attached to our guest book. We had a number of "out-of" visitors: Edward Mata-San Jose, Ca., Mr. and Mrs. Jay Jernigan-Monahans, Mr. and Mrs. Vernie Bucher-Placentia, Ca., Mary Martin-Sun City, Ca., Nancy Dawes-Dearborn, Michigan, Louise Glasscock and Bobbie Jo Miller-Austin, Violet Jarrett-Del Rio, Blake and Mary Jo Brown-Del Rio, Violet Lyles-Jacksonville, June Lyles-Nacogdoches, Clay, Jodi, and Cal Wallace-Hereford, Bill and Charla Ray-Eldorado, Violet Needham-San Angelo, Alfonso Rodriguez and family-San Angelo, Mary Beth Granger-San Angelo, Bill and Sarah Burrowes-Houston, John and Robin Denninger-Houston, Mr. and Mrs. Gene Groom-Ft. Worth, Beth Barton and family-Ballinger, Irene, Ben, and Sam Gaddies-Austin, Coley, Mary, John Louis, and Dee Dee Howell-Copperas Cove.

Locals were: Marie Aldwell, Pete and Irene Gomez, Sue Flinn, Joey Freeman, Kent L. Kepler, Mr. and Mrs. Nato Pena, Edwina and Joey Gandar, Lori Ann and Amalia Galindo, Ruth Lee Eaton, Crystal Ponsetti, Mary Maskill, Jeannie, Jennifer, and J.D. Lozano and Donie Fisher.

The Auxiliary was represented by: Monica DuRussell, Lena Belle Ross, Harva Cooper, Faye McClelland, Martha Wallace, Justine Fields, and Hazel McClelland.

I keep saying each column is going to be better than usual-meaning BRIEFER-but as you know, the philosophy of the immortal Burns "The best laid plans etc. Gang Afta-Gley"! I'm not a mice or a men, so that's no excuse.

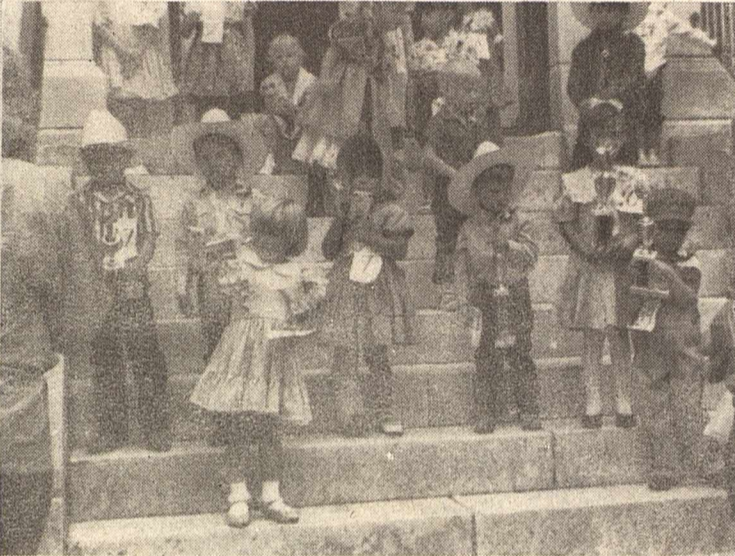

Bueno Bye-until next week.

We saw you having fun during Sutton County Days

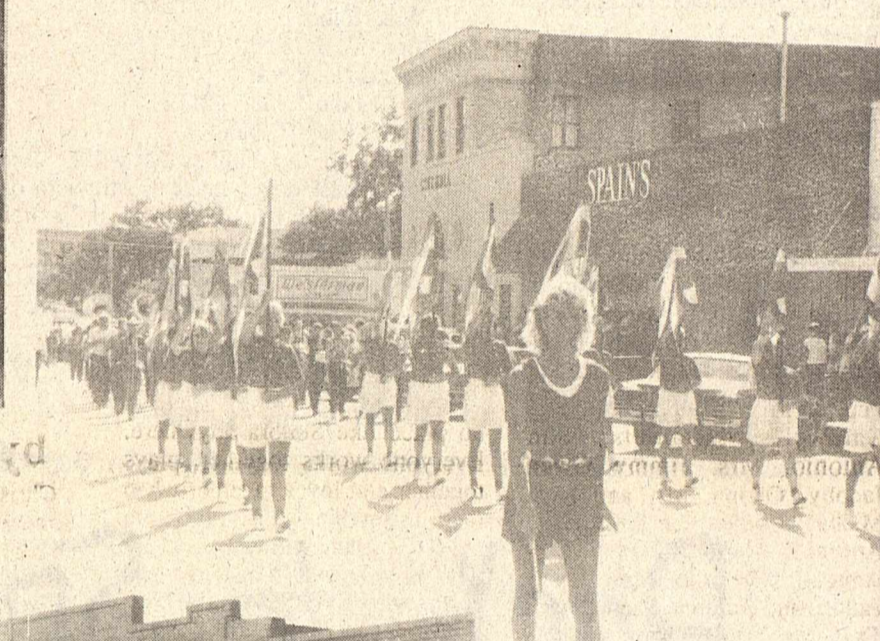

I can't believe it's me!

Pie in the face

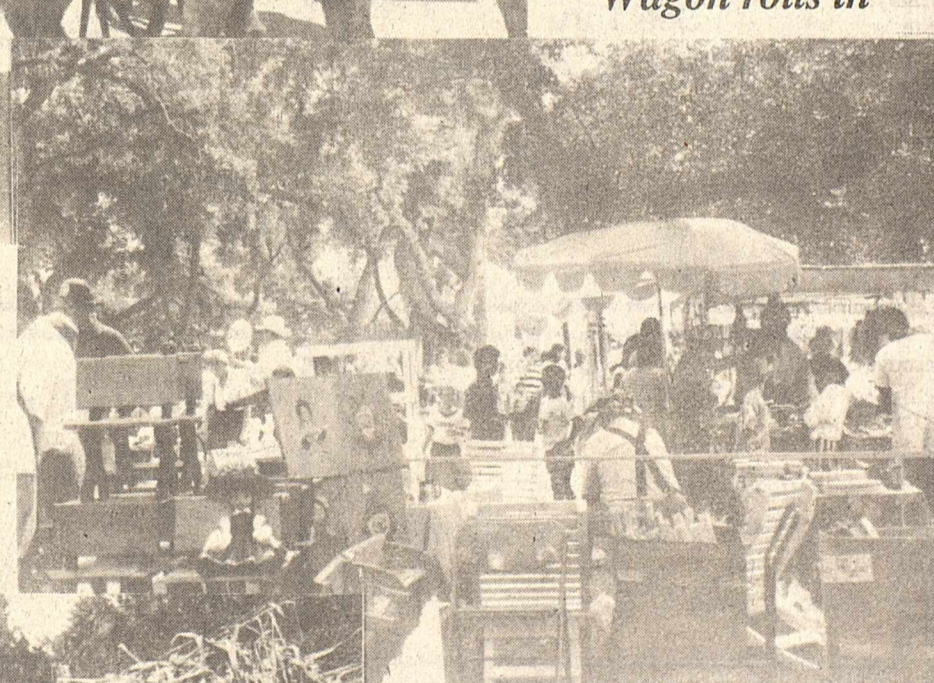

Little Cuties

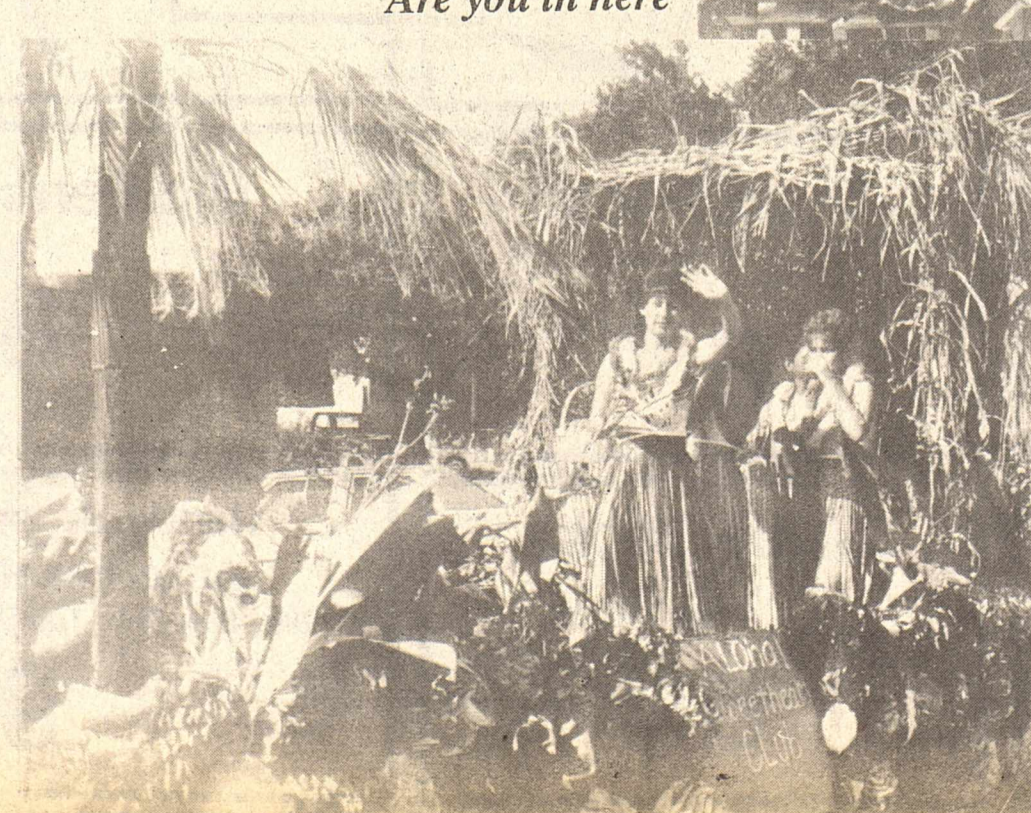

Band Marches on

Wagon rolls in

Are you in here

Aloha til next year

To the people of Sutton County and surrounding area,

Words cannot express my sincere appreciation to each and everyone of you who supported me as a candidate in the Miss Sutton County Contest.
I would like to express a special thanks to Rosemary Mathews from San Angelo Savings and Loan for sponsoring me in the contest. I will do everything within my power to live up to the expectations and trust that you have placed in me, and try to represent Sutton County in a manner that will make you proud.

Preccia Miller

I would like to thank all the people of Sonora who supported me during the Miss Sutton County Contest and especially to the Sutton County Historical Society for selecting me to represent them.

Kelly Whithead

The people of Sonora have done it again! You have shown your generosity and enthusiasm by supporting the Sutton County Days Association Queen's Contest. My family and I would like to thank all those lovely people who bought tickets and were involved in making this a fun time. I would like to say THANK YOU to each and everyone of you.

Sincerely,
Wheless

AROUND TOWN

by Hazel McClelland

The Sonora & Ozona Sewing Club met August 18 in Ozona. Mrs. Lois Lock was hostess. Cinnamon rolls, muffins, and coffee was served when guests arrived.

A salad plate was served at lunch. A program was presented by Mrs. Mazie Broome and Gary Bradley from San Angelo. The members from Ozona were: Mrs. Blanch Walker, Mrs. Mary Friend, Mrs. Luetta Kost, and Mrs. Benny Gail Hunnicutt. Members from Sonora were: Mrs. Lucille Coleman, Mrs. Mattie Nix, Mrs. Gini Brisbin, her daughter Kathy Brisbin, Mrs. Leona Bishop, Mrs. Rosalie Richardson, Mrs. Anabel Wuest, Mrs. Marsha Rioux, her mother, Mrs. Louise Briggs from Maine and a friend, Mrs. Julia Hatch from Florida, Mrs. Barbara Savell, Mrs. Charlotte Wilson, Mrs. Shelly Savell, Mrs. Marty McLain, and Mrs. Vicki Shannon.

Gaston Warner, son of Drs. Tom and Jan Warner of Karnes City visited his grandmother, Mrs. Martha Keng last week.

Mrs. Vestel Askew entertained the Tuesday Night Bridge Club August 18 at her home. A delicious salad plate was served to Mrs. Guila Vicars, Mrs. Lena Belle Ross, Mrs. Ruth Shurley, Mrs. Vivian Crites, Mrs. Fred Adkins, Mrs. Leo Merrill, Mrs. Emil Prugel and Mrs. A.W. Bishop. Mrs. Ross won the high score prize; Mrs. Crites won the traveling prize, and Mrs. Shurley won the Bingo prize.

Mr. and Mrs. Charles Shannon were business visitors in San Angelo Wednesday.

Mrs. Gwen Wardlaw and Mrs. Jack David Wardlaw were in San Angelo Thursday.

The Sutton Co. Days celebration is over for another year. Everyone seemed to have a good time. There were lots of Sonora people who have moved away, which came back for the celebration. Here are a few, Mrs. Violet Lyle, Jacksonville, Tx., Dee and Jean Lyle, Nacogdoches, Tx., Mrs. Louise Glasscock and daughter, Bobby Jo of Austin, L.M. Rouche, Mrs. Thelma Puckett, Ft. Stockton, Mrs. Hazel Caldwell McDaniels, San Antonio, Mrs. Jimmy Gwen Jacoby, Ozona, Mr. and Mrs. Michael Harden (Lu Smith) San Antonio, Marvin Barnes, San Angelo, Mr. and Mrs. Tony Adkins and children, Sabine Pass, Tx., Mrs. Lou Ann Adkins Ehrenberg, Miss Dora Ann Ehrenberg, Odessa, Craig Hopper, Austin, Rev. and Mrs. Paul Terry,

San Angelo, Mr. and Mrs. Preston Neely, San Antonio, Mrs. Elaine Mearns Free, C.L. and Eva Eney, Goldthwaite, Jack Nicholes, Eden, Anita Thompson Birdsong, of Austin Mrs. Edna Ory, Eldorado, and Mrs. Juanita McCoy, Arlington.

The Fred and Rena Trainer family had a family reunion Friday and Saturday. They all attended the celebration. Those present were all former Sonora people: Dee and Tom Neville, Eastland, Fred and Mildred Trainer, Pasadena, George Trainer, Pasadena, Mrs. Serena Siverling, Baytown, Jack and Ima Trainer, Lake Amistad, Jean and Sam Nix, Carta Valley, Mrs. Dymple Thomas, Joe Thomas, Mr. and Mrs. Guy Thomas, San Angelo and Miss Jaymie Trainer and Betty Johnson, Tuscon, Ariz. They had a big fish fry Saturday night and Mrs. Metha Trainer and Hazel McClelland were there to help them celebrate.

Kim and Wayne Hutchings and daughter Valerie from Denton, Tx. were here visiting her parents, Vera and Boney Jones over the weekend.

The Sonora High School Class of 1967 had a class reunion Saturday, August 21 at the Sutton Co. Days celebration. Those present were: Sarah Sawyer Neeley-Preston Neeley, San Antonio, Anita Thompson Birdsong-Austin, Lester Schmitz, Austin, Elaine Luttrell Donaldson, Sonora, Elaine Mearns Free, George Robertson, Ft. Worth, Bill Karnes, Sonora, Sandra Nicks Orr, San Angelo, Bill Arnold, New Mexico, Adrian McCoy, Dallas, Gail Rode Radke, Malone, Gay Potmesil, Houston, Augustine Chavez, San Diego, Calif., Johnny Morris, Bill McClelland, Mike Evans, Mike Ellis were members of this class, but did not get to be here.

Mrs. Kay Bosch and daughters Allison and Bridgett of San Antonio were here over the weekend visiting her mother, Mrs. Ruth Shurley.

Richard McCoy of Dallas was here for the Sutton Co. Days.

Sonora is so unique. There is no place like Sonora anywhere. Everyone works together, plays together and loves together-when there is anything to do in Sonora everyone pitches in to help. There was no way we could have had such a wonderful Sutton Co. Days if everyone had not gotten involved and worked for months to have a celebration like we had. Thanks People of Sonora!

Restoration campaign "paneiful" success

The "Adopt-a-Window" campaign for the old Depot, conducted by the Sutton County Historical Society, has been termed very successful.

All of the windows have now been "adopted" by the following people: Cewee Johnson Burtnett, Lafayette, Indiana; Bill and Betty Stewart; Mrs. Lea Roy Aldwell; the entire bay window (three windows) Mr. and Mrs. T.J. McPherson, San Antonio; Charles and Beverly Howard; Gil and Diana Trainer; Sonora Junior High

School Student Council; and Mr. and Mrs. Joseph Vanderstucken.

The work on the windows is expected to start soon.

Sections of one square foot of the roof of the Depot are now up for "adoption". To restore one square foot, the "adoption" fee will be \$4.00. Names of all donors or "adoptees" will be placed on a plaque in the Depot.

For additional information, call Patricia Johnson at 387-5921 or 387-5334, Gil Trainer, 387-2028 or Preston Love, 387-3516.

Bite

(Con't. from pg. 5.)

inch. Install an auxiliary lock on the inside of the door.

Wood panels in the door-remove the panels and replace with solid wood. Repaint the entire door to conceal the change. The second option is to remove the door and install a steel door in its place.

Space between the door and the frame-a home tends to settle somewhat over a long period. This settling causes the door and frame to partially separate. Sometimes the lock will not lock properly, and the latchplate must be removed or recut so that the lock bolt will continue to operate. You must

shim up the frame, realign the door, and reset or replace the lock.

Hinge pins on the exterior of the door- this was discussed earlier.

Help take the bite out of crime!

Texas Farm Credit District continues gains in 2nd quarter

Federal Land Bank Association President Jack B. Smith, Jr. announced the Texas Farm Credit District had \$6.6 million in net income for the second quarter of 1987. This compares to \$33.2 million loss for the same period last year.

First quarter results by bank follows: The Federal Land Bank and 44 Federal Land Bank Associations posted earnings of \$4.5 million; the Federal Intermediate Credit Bank of Texas and 28 Production Credit Associations showed earnings of \$1.6 million; and the Texas Bank for Cooperatives recorded net earnings of \$551,000 for the 90-day period.

Nationwide, the Farm Credit System reported second quarter losses of \$46 million. This compares with losses of \$762 million for the same period last

year. Smith credited the systemwide loss primarily to the continuing decline in interest income and the burden of high levels of non-performing assets.

Although the Texas District has fared better than most other districts, Texans have not been exempt from the decline in the agricultural economy.

Loans outstanding for the three banks and associations declined from \$3.8 billion on June 30, 1986, to \$3.3 billion on June 30, 1987. Smith attributed the loan volume decrease primarily to the adversity in the agricultural community, negative publicity surrounding the Farm Credit System and increased competition for agricultural loans.

The banks and associations charged off \$7.2 million in loans during the second quarter of 1987.

Smith pointed out that the charge-offs were less than the amount for the same time in 1986 and represented .2 percent of the banks' and associations' \$3.3 billion in loans outstanding.

Smith said that the Texas District has adequate allowance for future loan losses with \$153.4 million in reserve. Together the banks and association have a net worth of \$495.9 million. The district had \$145.8 million in loan loss reserves and \$596.7 million in net worth at mid-year 1986.

The Farm Credit System provides about one-third of the total agricultural credit in Texas and has 48,000 loans to more than

100,000 Texas farmers, ranchers and 150 agricultural cooperatives and rural utilities.

The association president said the Federal Land Bank Association of Sonora had a net gain of \$39,429.80 in the second quarter of 1987, compared to a net gain of \$35,121.28 for the same period in 1986.

The local FLBA currently has \$36,000,000 in loans outstanding to 242 farmers and ranchers in Sutton, Schleicher, Crockett and Edwards counties of Texas. The organization specializes in long-term farm and ranch loans, farm-related business loans and rural home loans.

Randee Fawcett appointed chairman

Randee Fawcett of Sonora has been appointed area chairman for the Cattlemen's Round-Up for Crippled Children, according to Jim Alexander of Abilene, CRCC general chairman.

This Sutton County supporter is among 250 statewide chairmen assisting the CRCC fundraiser which benefits the West Texas Rehabilitation Center in Abilene and San Angelo.

Sanchez receives BA degree

Nanette Sanchez received her Bachelor of Science Degree from Angelo State University during Summer Commencement on Friday, August 14.

Nanette is a 1982 graduate of Sonora High School. She is the daughter of Mr. and Mrs. Guadalupe Sanchez of 211 Rock Avenue.

Driskell selected by Texas UIL

Christopher David Driskell from Sonora High School was recently selected by the Texas Interscholastic League Foundation to receive a two-year \$1,250 Houston Endowment Scholarship grant.

Christopher earned eligibility for the scholarship by competing in the UIL State Academic Meet News Writing, Ready Writing, and Editorial Writing contests. The Houston Endowment awards twenty scholarships.

Planning to attend the University of Texas at Austin and major in European Studies, Christopher won first place in Editorial Writing and sixth place in News Writing at the 1987 State Meet; competed in the 1987 State Meet Ready Writing contest; third place winner in News Writing and fourth place winner in Ready Writing at the 1985 State Meet; competed in UIL Debate contests; National Honor Society; Band; and was a National Merit Commended Student.

Council

(cont. from pg. 1)

Councilman Davenport made a motion to seal coat the taxi ways and remaining asphalt at the Airport under the TAC grant. The motion carried unanimously.

Bids were received to stripe and mark the runway. The bid was awarded to Airport Marking, of Grand Prairie, at a cost of .27 a square foot. The paint used will have reflective beads.

The hours of the Animal Control Officer were discussed with Judge Fields suggesting comp-time for overtime hours since the County shares in the expense. Action was postponed.

A motion was made by Councilman Mooney to advertise and accept bids for the sale of the old lights at the airport. The motion carried.

Councilman Trainer made a motion to approve an agreement with the Concho Valley Council of Government for partial support of the Senior Center Director's salary. All members of the Council voted for the proposal.

In the case of Margarito Gamez, requesting a variance to extend an existing storage building, Councilwoman Cascadden made a motion to follow the recommendation of the Zoning and Planning Board to grant the variance. The motion carried.

Jim Garrett reported on bids that he had received regarding the painting of the Senior Center and for repairs to the City Managers residence.

Chief Gesch presented the Council with a crime statistics report and stressed the need to hire another officer in the Police Department.

Council adjourned at 11:20.

AT&T ANNOUNCES UPCOMING PRICE CHANGES FOR SOME TEXAS INTRASTATE SERVICES

AT&T announces the following price changes for some of its Texas intrastate services. These changes, which more closely reflect the actual costs incurred by AT&T in providing these services, will become effective on October 1, 1987.

- SDN (Software Defined Network) Schedule B prices will be reduced an overall 7.1%. Schedule C prices will be reduced 4.4% for the initial 30-second rate period of each call.

- WATS 80 service prices for both the initial period 80-hour usage and additional period usage will increase 5%.

- The monthly prices for AT&T's Private Line Service will increase up to \$25 per channel termination for Analog services and 10% for Digital Data Services.

- A \$25 monthly surcharge will also apply to any private lines which may be used to access the local exchange network, unless certified as exempt by the customer. The \$25 surcharge, which was previously authorized by the Public Utility Commission of Texas, is a flow through of charges assessed by the Local Exchange Companies to AT&T for those Private Line services.

The combined effect of these price changes is expected to produce approximately \$4.99 million annual revenue, which is approximately .5% of AT&T's annual revenues for all Texas intrastate services.

If you have questions regarding the changes for Private Line service, please call AT&T toll-free at 1-800-345-5092. If you have questions regarding the WATS or SDN price changes, please call our business consultants toll-free at 1-800-222-0400. AT&T's tariffs reflecting these changes will be filed with the Public Utility Commission of Texas on August 31, 1987, with an effective date of October 1, 1987.

Persons who have questions regarding this tariff filing may also contact the Public Utility Commission of Texas in writing, at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757, or by calling the Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221 for teletypewriter for the deaf.

Public Notice

ADVERTISEMENT AND INVITATION FOR BIDS

SUTTON COUNTY will receive Bids for the SUTTON COUNTY WATER DISTRIBUTION IMPROVEMENTS PROJECT-1985, PHASE II thru TDCA Contract No. S705739 until 9:00 A.M., Central Daylight Savings Time on the 31st day of August 1987, at Sutton County Courthouse Annex in the City of Sonora, Texas, at which time and place all bids will be publicly opened and read aloud.

Bids are invited upon the several items and quantities of work as follows:

Item 1. Installation of approximately 265 linear feet of 6" PVC water main and all related appurtenances.

Item 2. Installation of approximately 925 linear feet of 2" PVC water laterals and all related appurtenances.

Item 3. Installation of approximately 16 customer services.

Item 4. Installation of one fire hydrant.

The Contract Documents may be examined without charge at the following office: NOBE CONSULTANTS LTD, 3134 Executive Drive, Suite 120, San Angelo, Texas 76904. Contract documents, including proposal, contract, bond, and the plans and specifications may be procured from NOBE CONSULTANTS LTD at the above address for the sum of twenty Dollars (\$20.00) which will not be refundable.

A certified check or bank draft, payable to the order of SUTTON COUNTY, negotiable U.S. Government bonds (at par value) or a satisfactory Bid Bond executed by the Bidder and an acceptable surety in an amount equal to five percent (5%) of the total Bid shall be submitted with each Bid.

Attention is called to the fact that not less than the Federally determined prevailing wage rate, as issued by the Texas Department of Community Affairs and as set forth in the Contract Documents, must be paid on this project, and the Contractor must ensure that employees and applicants for employment are not discriminated

against because of their race, color, religion, sex, or national origin.

In addition, if the prime contractor is not a minority-owned business, the prime contractor shall ensure that at least 11 1/4 percent (11 1/4%) of the work force employed by such prime contractor is composed of minority group members.

For this purpose of definition, the following words and terms shall have the following meanings:

1. "Minority Business" means a corporation, partnership, sole proprietorship, or other legal entity formed for the purpose of making a profit, if at least 50 percent of the business is owned by minority group members or, in the case of a corporation, at least 51 percent of its shares are owned by minority group members.

2. "Minority Group Members" are Black Americans, Mexican Americans, and other Americans of Hispanic Origin, Asian Americans, American Indians, Pacific Islanders, and Alaskan Natives.

SUTTON COUNTY reserves the right to reject any or all Bids or to waive any informalities in the bidding.

Bids may be held by SUTTON COUNTY for a period not to exceed thirty (30) days from the date of the opening for Bids for the purpose of reviewing the Bids and investigating the qualifications of Bidders, prior to awarding of the Contract.

SUTTON COUNTY
By: Carla Fields
Title: County Judge

INVITATION FOR BIDS

The City of Sonora will receive bids for Water Line Improvements under the 1986 Texas Community Development Program until 2:00 p.m., Friday, September 11, 1987, at the Sonora City Hall, Sonora, Texas at which time and place all bids will be publicly opened and read aloud.

Bids are invited upon the several items and quantities of work as follows:

approximately 5,585 LF of 6" C-900 VC waterline and all necessary appurtenances.

All quantities are estimated and subject to change. Contract Documents, including Drawings and Technical Specifications are on file at the office of Todd Engineering, Inc., located at 3125 South 27th, P.O. Box 5052, Abilene, Texas 79608, 915/698-4330.

A \$25.00 non-refundable deposit is required for each set of plans and specifications requested. The plans and specifications will be released upon receipt of the deposit. Checks are to be made payable to Todd Engineering, Inc.

A certified check or bank draft, payable to the order of the City of Sonora negotiable U.S. Government Bonds (at par value) or a satisfactory Bid Bond executed by the Bidder and acceptable surety in an amount equal to five percent (5%) of the total Bid shall be submitted with each Bid.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project, and that the Contractor must ensure that employees and applicants for employment are not discriminated against because of their race,

color, religion, sex, or national origin.

The applicable minority goals and women's goals which apply to any contract or subcontract awarded for labor, materials, goods or services is 20% and 6.9% respectively. Bidder will be responsible to utilize to the greatest extent feasible minorities in his work force equal to the goals established. The goals will be expressed as a percentage of the total hours worked on this project or any other construction project site within Sutton County including those employees which are working on private non-federally financed projects.

In addition, if the prime contractor is not a minority-owned business, the prime contractor shall ensure that at least 15% of the funds subcontracted under this contract are awarded to minority businesses. In the event that the prime contractor does not subcontract any portion of the construction work funded under this contract, the prime contractor shall ensure that at least 15% of the work force employed by such prime contractor is composed of minority group members.

For the purpose of definition, the following words and terms shall have the following meanings:

1. "Minority Business" means a corporation, partnership, sole proprietorship, or other legal entity formed for the purpose of making a profit, if at least 50% of the business is owned by minority group members, or in the case of a corporation, at least 51% of its shares are owned by minority group members.

2. "Minority Group Members: are Black Americans, Mexican Americans and other Americans of Hispanic origin, Asian Americans, American Indians, Pacific Islanders, and Alaskan Natives.

The City of Sonora reserves the right to reject any and all bids or to waive any informalities in the bidding.

Bids may be held by the City of Sonora for a period not to exceed thirty (30) days from the date of the opening of Bids for the purpose of reviewing the Bids and investigating the qualifications of Bidders prior to awarding of the Contract.

Billy C. Gosney, Mayor
August 19, 1987

INVITATION OF BIDS

The City Council of the City of Sonora will be accepting sealed bids for the sale of approximately 48 airstrip lighting units from the Municipal Airport. They are low

intensity 120 volts, 15 watt fixtures. A unit or fixture consist of F.A.A. approved lens, base, pipe adaptor, riser, breakable coupling, and 30" metal support stake.

Sealed bids must be submitted to the City Secretary, 201 N.E. Main, Sonora, Texas 76950 by Monday, September 14, 1987 by 5:00 p.m. Bids will be opened by the City Council on Tuesday, September 15, 1987 at 9:00 a.m.
