Council denies rate increase

By a unanimous decision, the City Council voted to deny the requested rate increase filed by Lone Star Gas in January of this year.

Discussing the issue in regular session as they met March 21, a representative of Lone Star Gas told the council members that if the council denied the requested increase his company would be faced with three options: to do noting, appeal the increase to the Railroad Commission or to update their data and refile the request.

On the recommendation of the Planning and Zoning Board, the Council granted a request from Bob Snodgrass for a variance to build a carport at his residence.

Bids were opened for paving improvements under the 1987 Texas Community Development Program grant. The bid was awarded to Jones Brothers of Odessa with a low bid of \$172,609 for the project.

Motorola won the bid for radio communications equipment for the Police Department as the only bidder who met all the specifications.

Harold McEwen, representing First National Bank appeared before the Council to explain preliminary plans for remodeling of the drive-in facilities at the bank. The project would place both individual and commercial drive-in lanes in the area entered from Main Street and would require a structure over the alley to house the funnelling tubes. The proposed project was given the go ahead with the stipulation that the structure be high enough to clear a legal size truck.

The Council heard a request from

Precinct 4-School Board

No one files

With the deadline for filing for a place on the May 6 school trustee election now past, Sonora ISD finds itself in the unusual position of having no candidate for the Precinct 4 place on the school board.

Under the terms of a 1985 federal court order, the local school board is made up of seven members-one from each of the four Sutton County precincts, and three at-large members. The May 6, 1989, election will see Jim Garrett, incumbent member from Precinct 2, running unopposed, and no one running for the Precinct 4 seat. Incumbent Julio Samaniego, Jr., president of the board for the past year, did not seek re-election.

According to a school administration spokesperson, an attorney in the Elections Division of the Secretary of State has instructed the school district to

Craig Bagley and A.W. Bishop, on behalf of the Sonora Golf Club, for improvements on the club house at the course. Following discussion, the Council agreed to advertise for bids for the needed roofing on the building.

City Manager Pete Gildon spoke to the Council, prior to closing,

about EPA regulations regarding landfill operations, telling them that by 1991 all burning would be illegal. Gildon also stated that the lease on the current landfill expires in 1997 and asked for suggestions from the Council as to how they wished to proceed. Incineration was once again discussed as an option.

Cusenbary files for Council

Joan Cusenbary is excited to announce her candidacy for a seat on the City Council of Sonora. Joan has roots in Sonora that go back to the time she was a student at Sonora High School, and she has been a resident of Sonora for the past sixteen years. She looks forward to an opportunity to guide the future of Sonora.

Joan is married to Jim Cusenbary, a local rancher and businessman. Joan says that her ideas may not always be shared by all, but she will listen and give consideration to any thoughts and ideas brought to her by any citizen of Sonora. Her final decision will be based primarily on what is best for the City of Sonora.

Joan has the time and an interest to serve the citizens of Sonora. Her decision to run for this office was not made hastily. She has been interested in the city government for several years, and has been actively considering and planning to run for City Council for some time. She has attended many council meetings in an attempt to keep abreast of what is happening in the operation of our city.

She states that the City of

JOAN CUSENBARY

Sonora has made many accomplishments in the past of which we should be proud, but that there are still areas which need attention and improvement. Joan Cusenbary is looking forward to an opportunity to serve you, the citizens of Sonora.

State's local expenditures top one half million mark

The state spent a total of \$514,827 last year for major welfare programs in Sutton County, according to Ray L. Dunavant, regional administrator for the Texas Department of Human Services.

"Medical assistance had the biggest impact, with \$293,650 spent for aged and disabled residents of the county and \$28,623 for families and children in the county," Dunavant said.

Food stamps worth \$165,661 were issued for the fiscal year which ended August 31, while Aid to Families with Dependent Children (AFDC) totaled \$26,893. Food stamps are funded entirely by the federal government, while the department determines eligibility of applicants and issues the food coupons.

The state and federal government share in the cost of AFDC to families where needy children are deprived of support because of the absence or disability of one or both parents.

In addition to services and assistance to low-income residents of the county, the department extended protective services to 22 abused and neglected children and their parents or caretakers. These services, furnished without regard to family income, were designed to reduce or eliminate danger to children.

Chamber joins network

The Sonora Chamber of Commerce has joined *The Texas Chamber Network*, a direct electronic information link with the Texas Chamber of Commerce in Austin.

The local chamber will begin receiving current legislative information from the Austin office of the Texas Chamber immediately.

"We will also be able to send our chamber's resolutions on legislative positions for inclusion in presentations on behalf of the entire state business community," said Debbie Farrar, manager of the Sonora Chamber of Commerce.

Larry S. Milner, President and Chief Executive Officer of the Texas Chamber welcomed Sonora to the network. "Your organization is one of the pioneers in this new system of instant communication," Milner said.

Milner said that the network concept was announced at the 1989 Annual Meeting of the Texas Chamber. A half-day workshop at the conference reviewed issues and established priorities for the state and local chambers.

The local chamber will be distributing legislative information to its members and participating in lobbying efforts with the Texas Chamber in Austin.

"We are looking at issues that affect job development in Texas," Milner said. He noted that workers compensation reform, merit election of judges and education are

high on the list of joint chamber priorities.

The Chamber will also be working on several financing initiatives for both rural and urban job development, special tax provisions for factory machinery and goods in transit and job training programs.

Great Texas trash off

On April 1, more than 23,000 Adopt-a-Highway volunteers will spend their Saturday picking up after the "highway fools" cautioned in that *Don't Mess With Texas* song. April Fool's Day is the date for the fourth "Great Texas Trash Off," the nation's largest clean-up effort, sponsored by the State Department of Highways and Public Transportation.

This annual spring clean is designed to alert Texans to their state's litter problems. It will involve more than 1,300 groups combing an estimated 2,600 miles

of roads, proving that the Adopt-a-Highway program is a mighty force in the battle for a cleaner state.

The highway department's tough-talking *Don't Mess With Texas* program is credited with an estimated sixty percent reduction in highway litter in just three years.

In addition to the efforts of Adopt-a-Highway organizations, volunteers in community affiliates of Keep Texas Beautiful and the General Land Office will join forces with the highway department to clean Texas beaches, lakes, city streets and parks.

Once again, it's time to Spring Forward

Remember that great extra hour of sleep you got last October when the clocks were able to "Fall Back"?

At 2 a.m. Sunday, April 2, you'll have to pay the piper for that hour when we all set our clocks to "Spring Forward." That doesn't mean you must get up at 2 a.m. to reset the clock. It will be perfectly alright to set it one hour ahead before you go to bed Saturday night.

Ignorance of law results in added expense

DEAR COMMISSIONER NABERS: I am furious with the TEC for something that I feel is very unfair. I am not in business and do not consider myself an employer. Last year for the first time I hired a housekeeper and, after talking with some friends of mine, I contacted the IRS to get all the information about Social Security, withholding and so forth. Needless to say, it is all ridiculously complicated, but now, to top things off, the TEC insists that I am an employer and must pay unemployment taxes on this individual. Not only this, but I have been assessed a penalty! How in the world is a person in my situation supposed to know to apply taxes to the TEC? No one ever called me or contacted me about this, and I do not think I should have to pay this penalty.

Commissioner Mary Scott Nabers

Texas Business Today

with out state or federal taxing authorities. By the time we discover you through cross matches, penalties have already accrued as a matter of law.

An "employer" under the Act is anyone who paid \$1500 in wages in a quarter within the current or preceding calendar year OR anyone who on each of some 20 days during the current or preceding calendar year—each day being in a different week—employed at least one individual for some portion of the day. Readers who believe they may meet these criteria should contact their nearest TEC tax office for further information.

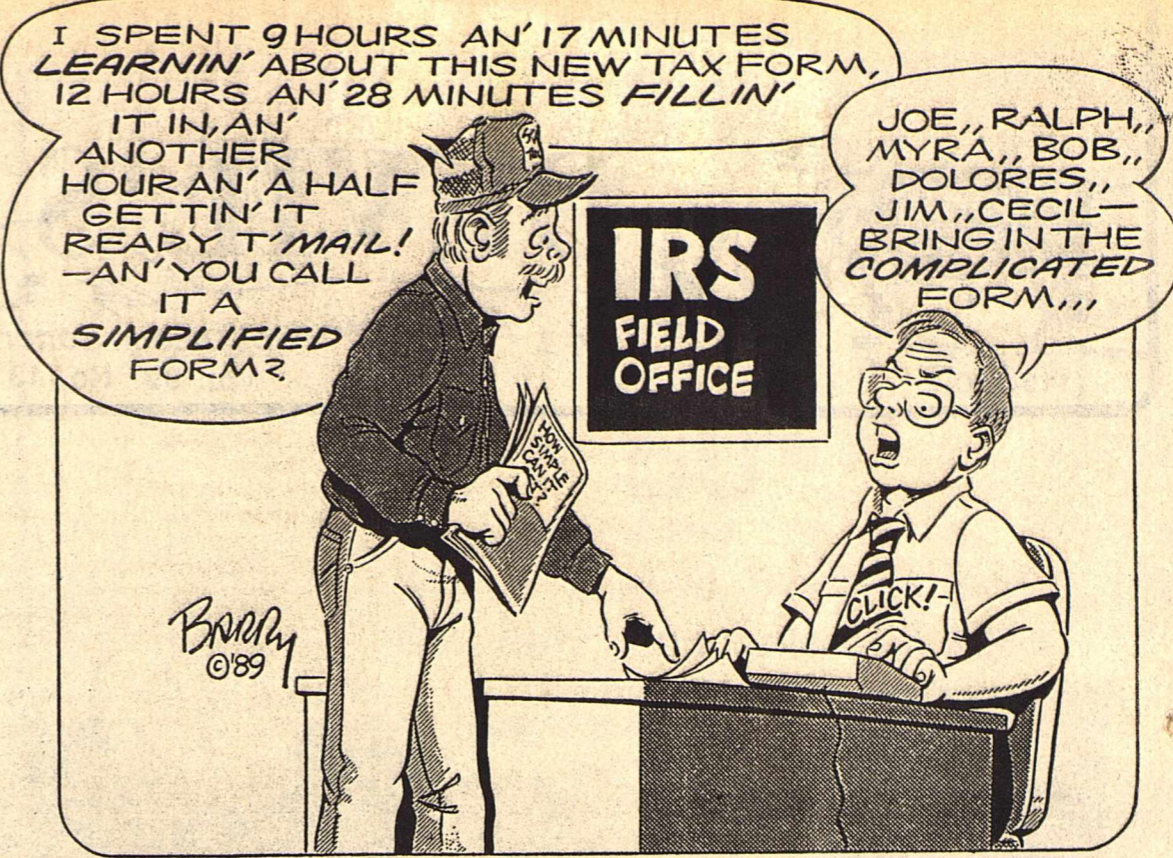

DEAR COMMISSIONER NABERS: I have an employee who has been out sick for two weeks and there is no indication at this time that he will be returning any time soon. I cannot leave this position open indefinitely. In fact, we are

already running behind schedule. If I have to replace this employee, will I be liable for unemployment benefits?

G.J. Garland, Tx.

DEAR G.J.: You should not be charged on a claim for unemployment benefits in a situation such as this. Section 7(c)(2)(A) of the Texas Unemployment Compensation Act states that there shall be no chargeback to an employer's account if a work separation was caused by a medically verifiable illness. Your employee will be eligible for benefits as soon as he is released for fulltime work, but those benefits should not be charged to you. If, after responding to a claim involving separation due to illness or injury, you get a determination which charges your account, you should appeal the determination according to the instructions on the form.

Ms. Nabers represents all Texas employers. If you have any questions you want answered, please write Commissioner Nabers at: TEXAS BUSINESS TODAY, 614 Texas Employment Commission Building, 15th and Congress, Austin, Texas 78778.

DEAR F.C.: I know that people in your position often do not realize that they may be subject to the Texas Unemployment Compensation Act, but the hard truth is that ignorance of the law is no excuse. We do not know about you until you either contact us or your status as an employer comes to our attention through cross matches

F.C. Brownsville, Tx.

What to do with what you've got

Money management—realism, risks, and rewards, will be the focus of a program presented by the Sutton County Senior Center following the noon meal on Wednesday, April 5 at the Senior Center.

Designed for older citizens, this program will explore the many, often confusing, avenues available for investing capital; the best methods of protecting resources that have been accumulated over the years; attitudes that may be difficult to adjust to today's changing financial marketplace; determining acceptable risks when considering investments; and other topics which fall under the heading "money management."

Participants in this program will learn how to accurately assess their own financial program compatible with their individual requirements.

A slide-tape presentation and written materials developed by the American Association of Retired Persons (AARP) Consumer Affairs Section will serve as the basis for the program.

This free program, open to all interested people, is part of the Sutton County Senior Center's continuing service activity in Sonora.

For more information contact: Carole Thorp, Center Director at 387-5657.

'SELF' CONTROL

by J. Michael Fish

Moments of Life

Getting a flat tire or running out of gas while hurrying to an engagement offer a choice. One can yield to intensifying feelings of anger or remedy the problem and continue toward the objective. Living in the moment makes one adept at putting such circumstances in the past and dealing with the challenges that arise from them.

Each moment is a part of an hour, each hour a part of a day, each day... a part of a life. Therefore, confronting the moment in a quality manner determines the quality of the life lived.

While still in high school, I enlisted in the Army on the Delayed Entry Program and was inducted upon graduation. Knowing of my plans, a very dear English instructor advised me that a positive attitude and living in the moment would serve me best in almost all situations. It wasn't until I found myself void of all positive thoughts and my life at a stand-still that I realized the gravity of her statement.

How can anyone think positively when the fear of dying accompanies every incoming round, when children contribute to violence and threaten lives, when war becomes

the reality and Sonora, Texas is a fading memory of the past? But then, how can anyone fail to appreciate life until they are faced with the loss of their own, have seen life wrenched from friends or experienced ending it for others?

Had I understood exactly what the teacher was trying to tell me, I would not have had to endure the war for three and a half years after the fact. Though many of my actions may have been different, my pains and gains would have been tolerated more efficiently. However, benefits received from having experienced psychological turmoil are sources of strength and understanding from which I now draw. The moments of my life are fully appreciated as they continue slipping into the annals of memory, leaving bits of wisdom in their wake. Each a 'piece' finding its place in the 'puzzle of life.'

With positive thinking to bring the moments into context, where they build on one another, a 'great plan' begins to take shape. It becomes evident that it is fruitless to attempt controlling that which surrounds the being, rather the 'self' which can be successfully navigated in its environment.

Why is positive thinking so vitally important, even in the most insignificant of events and circumstances? Every occurrence, even when perceived negatively, can prove to be beneficial when they are afforded positive actions. Such actions rise from corresponding thoughts and beliefs. With the potential for hundreds of major and minor decision-making opportunities confronting each individual, each day, one can conclude that the quality of one's life rests wholly on the quality of their thinking during the moments of life.

'Self' control is not pretending to be "cool as a cucumber" on the outside while you rage with anger inside or keep your emotions "under wraps." Real control is accomplished when moods remain pleasant and thoughts stay peaceful regardless of what happens in your environment.

We cannot receive the full benefit of the life experience while being cold, hard or indifferent. By embracing it fully, feeling it intensely and confronting it directly, we enjoy the fruits of our mortal existence. From our pains and losses we learn to care; we develop a 'tough skin' (not a shell) to protect the tenderness of our being. We find true strength begins by exposing that tenderness for all the world to see and when we are willing to share it with all concerned.

Chamber Notes

What's going on at the Chamber? We are now getting ready for the Third Annual Goat Cook-Off and Trade Days. The date has been set for Saturday, May 20, 1989 so mark your calendar now.

The Hill Country Association Firemen's Convention will be April 8 and we will have a lot of new faces in town. We'd like to have them back!

We are also starting to get ready for the Annual Tennis Tournament to be held in June.

If you have any ideas or suggestions, please feel free to drop them by the Chamber Office. We want to work with our community and we want you involved.

CARLA JUNGK AND JEFF FANT

Engagement announced

Fred K. (Pat) and Dorothy Jungk are pleased to announce the forthcoming marriage of their daughter, Karla, to Jeff Fant of San Angelo. The future bridegroom is the son of Mr. and Mrs. C.B. Fant of Miles.

The wedding is planned for June 3, 1989 at St. Luke United

Methodist Church in San Angelo.

Miss Jungk is a 1985 graduate of Sonora High School and a candidate for May graduation from Angelo State University with a finance degree.

Mr. Fant is a 1985 graduate of Miles High School and is attending ASU.

MRS. LINDSEY PAUL HICKS

Boyce-Hicks exchange nuptials

Wedding vows were exchanged by Carlynn Boyce and Lindsey Paul Hicks at 11 o'clock in the morning at Colonial Hills United Methodist Church, March 24, in San Antonio, Texas with the Reverend Milton Lewis officiating.

The bride is the daughter of Billie Boyce of Del Rio and the late Reet Boyce. The bridegroom is the son of Honey Hicks and the late Lin Hicks of Sonora.

The bride wore an ivory tea length dress. The french lace bodice featured a jewel neckline adorned with pearls. It was accented with leg-o-mutton sleeves that buttoned at the wrist; and a softly pleated cummerbund circled the waist. The ivory raw silk skirt was paneled and flared slightly at the hemline. She carried a bouquet of cream cymbidium orchids and lavender rosebuds. She wore lavender rosebuds in her hair.

The Communion table at the Church featured a mixed arrangement of spring flowers. The predominant colors were ivory and lavender, the chosen colors of the bride.

The wedding was attended by family members and following the ceremony a seated luncheon was held at Aldo's Restaurant.

Mr. and Mrs. Hicks will make their home in San Antonio where both are employed.

ACS Crusade to kick-off

The Sutton County Unit of the American Cancer Society will meet Tuesday April 4 from 3:00 p.m. to 5:00 p.m. in the Annex of the First National Bank. This will be the Kick-Off Party and final instructions for all volunteers helping with this year's Cancer Crusade. This annual meeting serves as the first official function of the educational and fund-raising

drive, sponsored by Sutton County American Cancer Society volunteers and members each April.

The 1989 goal for the District IV, fifteen units is \$167,000.00 which includes the Sutton County goal of \$7,700.

According to Dorothy Baker, Crusade Chairperson, these funds will be used to continue the Society's three-fold attack on Cancer through research, education, and patient services. The A.C.S. receives no Federal Government Funds, all funds are raised by volunteers, keeping expenses to a minimum. For every \$10.00 collected in Texas, the State receives \$11.90 because of good research centers. The extra \$1.90 comes from the National American Cancer Society.

Lou Faulks stated that in Texas alone more than \$8 million is currently invested by the American Cancer Society in ten major hospitals and research institutions throughout the state, all raised by volunteers.

The American Cancer Society also emphasizes the education aspect of this drive, according to Faulks. Our focus for this year's crusade will be "Eat Right," tips for living it up with good food choices that follow American Cancer Society guidelines on how to help reduce your risk of cancer.

The "Eat Right" pamphlet will be reviewed by the volunteers at as many homes as possible during April. April has been designated as Cancer Control Month.

We hope to be able to visit with all volunteers at the Kick-Off. Films will be shown, refreshments served and the crusade kits will be passed out.

Everyone interested in any way is invited to meet with us on April 4, from 3:00 to 5:00 p.m. at First National Bank Annex or call Lou Faulks at 387-3269.

The Embers Quartet...

This spectacular singing group will be performing at the Church of Christ, 304 W. Water Street, Sunday April 1, 1989 at 3:00 p.m. Everyone is welcome to attend. They will then go to the Hudspeth Nursing Home to entertain the residents there. The Quartet will also be appearing at the Covered Wagon Dinner Theatre on July 8, 1989.

OVER THE HILL GANG

Hudspeth Nursing Home News
by Doris Cahill

There is no doubt about it, the weather has been typically Texas from one extreme to another!

While on the subject of our great state, read on: "Texas Talk"

Texans take a kiddin' or two about the way they talk, but we know others are just jealous of our originality. Here are some experts from the Texas dictionary:

Agg-What a hen lays.
Frash-Them Aggs ain't frash.
Bub-The light Bub burnt out.
Cheer-What you set in.

Clumb-He shore clumb that tree right fast like.
Dinner-What we eat at noon.
Dreckly-I'll git it dreckly.
Furriners-All Non-Texans.
Hep-To lend a hepping hand.
Lak-Similar to.
Lag-Most folks have two of 'em.
Hydrun-Where you git a drink.
Holt-He grub a holt of it.
Lilia has some new games to help our coordination. Number one in our book is "Beano", and there is "Sporty the Seal." We aim at them with bean bags. The beach ball is still a favorite, and "targets" runs a close second.

Gertrude Webb played the piano for hymn sing on the 21st, and Sheila Harris and Mandy Turk "sang for their supper" because the trays came before the closing prayer.

Lilia called bingo on the 22nd, and Charlene and Lydia Rojas "Lent A Hepping Hand". Scores were: Cahill 3, Rodriguez 2, Carpenter 1, Cox 1, Bruton 1, Drennan 1,

Hinojosa 1, Reiley 1, and Mendez 1.

Farewell to Dr. and Mrs. Gregory Lind and family, who are leaving in mid-April to make their home in Brady, and welcome to a new L.V.N. Becky Scott, and Nursing Assistant Mary Belle Contraras.

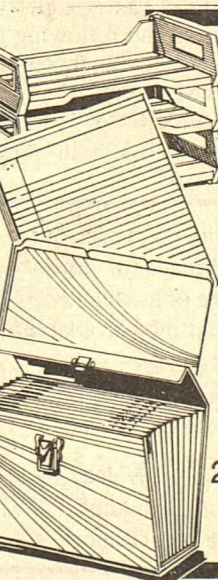

Good Friday was just that in several different ways, as in a religious sense, balmy weather, and Landa McIntyre, Kandra and Trista driving over from Ozona to visit and help Mandy Turk, Ethelda Holland, Ilene Stewart, Gertrude Webb, and Phyllis Jones get their act under way beauty-wise. Also, the picnic and Easter Egg Hunt in the park in front of the Nursing Home, attended by residents, staff, families and friends, was really neat. Sarah Scott found the most eggs, and refreshment of coke, sandwiches, cookies, and candy were served.

The sun didn't rise for the early morning service in front of the Nursing Home Easter Sunday, but it shone that afternoon while Rev. Kent Kepler led devotional in the lobby, accompanied by Charlotte Wilson at the piano.

Thank you to all who brought lovely Easter Lilies to the Nursing Home, and to John and Lucy Ward for remembering all of us with a beautiful Easter card.

Bueno Bye until next time. You all come! (I still contend that "You All" sounds no worse than "Youse Guys".)

EXENCIONES DE RESIDENCIA

PUEDEN REDUCIR LOS IMPUESTOS QUE PAGA POR SU CASA

Una exención de residencia le ayuda a reducir los impuestos sobre la propiedad que tiene que pagar por su residencia reduciendo el valor que se utiliza como base para calcular sus impuestos. Por ejemplo, si su casa está valorada en \$50,000 y usted recibe una exención de residencia de \$5,000, usted va a pagar impuestos de residencia como si su valor fuese de \$45,000.

Usted puede recibir una exención de residencia si usted era el dueño de su casa el primero de enero y la usaba como su residencia principal en la misma fecha. No importa si su residencia es una casa, un condominio o una casa remolque.

Hay exenciones que cualquier persona que es dueño(a) de su residencia puede usar para rebajar sus impuestos escolares. Exenciones adicionales se ofrecen a dueños de residencia que están incapacitados o tienen 65 años o más. Otras exenciones pueden ofrecerse a propietarios por distritos escolares, condados, ciudades y distritos escolares.

Un servicio público de este periódico

Solicite todas las exenciones que usted puede recibir en la oficina local del distrito de valoración en la dirección que se cita abajo. Si usted recibió una exención para su residencia actual en 1988, usted no necesita solicitarla para 1989 a menos que el jefe de valoración pida que haga una nueva solicitud.

Sin embargo, si usted cumplió 65 años o quedó incapacitado antes del primero de enero haga una nueva solicitud para recibir exenciones adicionales.

Si usted no ha recibido una exención para su residencia actual o si se cambió de casa haga una nueva solicitud para 1988.

Usted tiene que hacer su solicitud antes del 1 de mayo de 1989. Comuníquese con su distrito de valoración antes de esa fecha si necesita más tiempo para hacerla.

Para tener más información usted puede recibir una copia gratis del folleto *Los Derechos, Remedios y Responsabilidades del Contribuyente de Impuestos* en la oficina del distrito de valoración o puede pedirla del Consejo Estatal de Impuestos sobre la Propiedad (State Property Tax Board) en Austin.

HOMESTEAD EXEMPTIONS

LOWER YOUR HOME'S PROPERTY TAXES

A homestead exemption lowers the property taxes on your home by lowering its taxable value. For example, if your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it is worth only \$45,000.

You qualify for a homestead exemption if you owned your home on January 1 and used it as your primary residence on January 1. It doesn't matter whether your home is a house, a condominium, or a mobile home.

Exemptions are available to all homeowners to lower their school taxes. Additional exemptions are available to homeowners who are disabled or age 65 and over. Other exemptions may be offered to homeowners by school districts, counties, cities, and special districts.

Who should apply? If you received a homestead exemption on your home in 1988, you won't need to re-apply unless your chief appraiser requires it.

If you became 65 or disabled before January 1, file a new application to receive the additional exemptions.

If you haven't received an exemption on your present home, or if you've moved to a new home, make a new application for 1989.

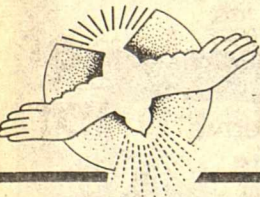

File your homestead exemption with your local appraisal office at the address shown below.

The deadline for applications is May 1, 1989. Contact your appraisal district before then if you need more time to file.

For more information, get a free copy of the pamphlet, *Taxpayers' Rights, Remedies, Responsibilities*, at your appraisal district office or from the State Property Tax Board in Austin.

going up?

Some folks grumble about climbing four flights of stairs to their apartment; others brag about it.

Stair-climbing is an excellent and increasingly popular exercise, reports Walking Magazine. And in no place is that more evident than in health clubs, where stair-climbing simulators are in high demand; some clubs must even

limit usage during peak hours so that all members who want to use the equipment get the chance.

Apart from the aerobic benefits, stair climbing conditions muscles and provides a great means of weight control, notes the article. Compared to walking at 2 miles per hour, stair-climbing burns 400 percent more calories in the same amount of time.

BRONCO TAILS

News from Sonora High School
by Cynthia Kepler

Even over spring break everyone managed to stay busy. A few people came back to Sonora High in pieces, but everyone is back. And in high gear!

The track team didn't take time out to rest last week. On Thursday, they traveled to Llano and fared very well. The girls took 6th overall. Girls results are High Jump-Adkins 2nd; 800 meters-Harris 3rd; 100 meters-Gonzales 3rd; 1600 meter relay-3rd. The boys took home another big first place as they scored 105 points. Boys results are: Long Jump-Espinosa 2nd; Lira 3rd; Pole Vault-Keller 2nd; Shot Put-Terry 2nd; Crenwelge 3rd; 3200-Capuchina 1st, Sanchez 2nd; 300 meter hurdles-Espinosa 2nd; 200 meters-Sanchez 3rd; 1600 meters-Capuchina-1st. Congratulations to all the fine athletes in the track program!

District U.I.L. competition will take place this weekend in Fredericksburg. Several students from Sonora High will be competing in a range of contests from academic to dramatic. This is "where it counts" because if the students place in the top 3, they automatically become eligible for Region competition on April 22. Students placing in the top three there will advance to State competition May 5-7. Best of Luck to all participants.

Cheerleader tryouts were held this Monday for the varsity squad. 1989-90 varsity cheerleaders are: Shanna Patton, Laura Lee Barlemann, Tana Churchill, Amy Fields, Valerie Perez and Monica Gonzales.

Boys track results

The Sonora eighth grade boys track team scored 110 points to place second in the Ozona Cub Relays.

First place ribbons were won by Frank Guzman in the pole vault and in the 600 meter run.

The final results were: Pole Vault-1st Frank Guzman; Shot Put-4th Shane Keller; Discus-5th Chris Grimes; 400 m. Relay-2nd, Tracy Crites, Shannon Escalera, Adam Mirike, Pete Perez; 600 m. Run-1st, Frank Guzman; 2nd Freddy Perez; 3rd Wil Trainer; 110 m. I.H.-2nd Pete Perez; 100 m. Dash-6th Tracy Crites; 300 m. Dash-3rd, Shannon Escalera; 6th Shane Keller; 200 m. L.H.-5th Joe Buitron; 200 m. Dash-4th Adam Mirike; 1200 m. Run-2nd Freddy Perez; 3rd Chris Rojas; 4th Frank Guzman; 1200 m. Relay-2nd, Adam Mirike, Shannon Escalera, Joe Buitron, Pete Perez.

Congratulations to these girls and to all those who tried out. It took a lot to get out in front of the student body like that! Best of luck to the squad next year too-it's hard work, but we know you'll represent Sonora High well!

Seniors are really getting ready for that date two months away. Graduation announcements came this week-remember to mail early so that they arrive in time to let people make plans to attend! The seniors are also discussing plans for their senior trip. Just remember that we still have a whole six weeks and a half to go.

The Band and Choir are both gearing up for concert and sight-reading contests in the near future. Good luck-we're counting on some excellent ratings.

That's about it until next week! Progress reports come out, so let's work and try for 100% eligibility at the end of the six weeks.

Girls track results

Shot put-4th Amy Patton, 6th Beverly Cooper, 7th Dawn Beebe; Discus-3rd Beverly Cooper; High Jump-2nd LeAnn Barnes; Long Jump-3rd Cherie Morrow, 6th LeAnn Barnes; Triple Jump-5th Alma Sanchez; 400 m. Relay-2nd Kelly Kiowski, Alma Sanchez, Elida Gandar, Laura Hearn; 100 m. Dash-5th Alma Sanchez; 800 m. Relay-3rd Cherie Morrow, Elida Gandar, Felicia Sentena, Kelly Kiowski; 300 m. Dash-7th Cindy Chavez, 2nd Yvonne Mata, 4th Jody Trainer; 200 m. Dash-3rd Cherie Morrow, 6th Virginia Talamantes; 1200 m. Run-7th Jenny Purvis, 5th Shawn Wallace, 3rd Tina Kohutek; 1200 m. Relay-3rd Cherie Morrow, Felicia Sentena, Jody Trainer, Yvonne Mata.

Fool's Fling scheduled for March 1st & April 1

The Del Rio Lion's Club, in cooperation with Coors of Del Rio, will host the second International April Fool's Fling, Goat Cookoff and Arts & Crafts Fair on March 31st and April 1st at the Val Verde County Fairgrounds located on North Main, Del Rio, Texas.

The festivities will kick-off on Friday, March 31st, with a free dance from 8:00 p.m. to midnight. Music will be provided by the Texas High Caliber band. Come to the 4-H barn at the Fairgrounds.

Highlighting the activities on Saturday will be the International Goat Cookoff. There will be prizes for the best tasting barbecued goat and for the best three teams in showmanship. Contestants must provide their own goat and there will be a small entry fee of \$25.00.

A super arts and crafts fair is planned for April 1st. There will be a variety of exhibitors showing off

their art and handicrafts. Anyone interested in reserving booth space should contact Bob Boland at (512) 775-5284.

There will be a wide range of food and beverage concessions around the fairgrounds for your enjoyment.

Fun and games for the entire family will include wild goat milking, chicken flying, orange bump and tug-o-war for adults. Youngsters will enjoy the baseball throw, t-ball hitting and egg and spoon races. Trophies will be awarded for first, second, and third places in all of these events.

Entry forms for all events may be obtained from any Del Rio Lions Club member, or for more information, call J.W. Crawford at (512) 774-4548 or Chuck Bowles at 775-0973.

It's all for the Lion Club Charities, so mark your calendars for Friday March 31 and Saturday April 1, 1989.

McPherson ranch elected to membership in American Angus Association

McPherson Ranch, Sonora, Texas, has been elected to membership in The American Angus Association, reports Dick Spader, executive vice-president of the national organization with headquarters in St. Joseph, Missouri.

The American Angus Association, with 30,000 active adult and junior members, is the largest beef cattle registry association in the world. Its computerized records include detailed information on nearly 11

million registered Angus. The Association records ancestral information and keeps records of production on individual animals for its members. These permanent records help members select and mate the best animals in their herds to produce high quality, efficient breeding cattle which are then recorded with the American Angus Association. Most of these registered Angus are used by the U.S. farmers and ranchers who raise high quality beef for U.S. consumption.

SWTJC to hold match roping

The 14th Annual Southwest Texas Junior College Phil Lyne Roping will be held on the SWTJC campus April 8-9 in Uvalde, Texas.

Past and current world champion ropers in the Professional Rodeo Cowboys Association will travel to Uvalde from around the nation to compete in the calf roping and single steer roping contests.

The featured event of this year's roping will be a match between Shaun Burchett of Pryor, Oklahoma and Arnold Felts of Sonora.

The two cowboys will match in both the calf roping and steer roping events.

"A 6 steer-6 calf match is a new concept for our roping. We selected these two ropers because of their expertise in these two events," explained Roy Angermiller, Roping Coordinator.

The cowboy athletes will match back to back on 6 head of livestock both days of the event.

April 8th the two match ropers will compete on 6 head of steers. The match will conclude April 9th as the cowboys compete against each other in the calf roping.

The two ropers are both veterans of the Professional Rodeo Cowboys Association.

Felts has been a member of the PRCA since 1973. The 6'3", 200 pound athlete has been an active performer in steer roping, calf roping and team roping.

Felts won the title of PRCA World Champion Steer Roper in '81.

He has also won the all Around Cowboy honors at the Cheyenne Frontier Days Rodeo in '86 and '87. He also took the All Around prize at Pecos in '86.

Felts has a positive, systematic plan for the match roping.

"I plan to rope consistently and take one animal at a time throughout the match," stated Felts.

Burchett is also a three event man, working the steer roping, calf roping and team roping events.

The wiry 6'2", 175 pound Burchett has been active in the PRCA since '81. Burchett rides into the roping match armed with 2 recent PRCA World Champion Steer Roping titles. He is the 1987 Champion and the 1988 defending World Champion in the Steer roping event.

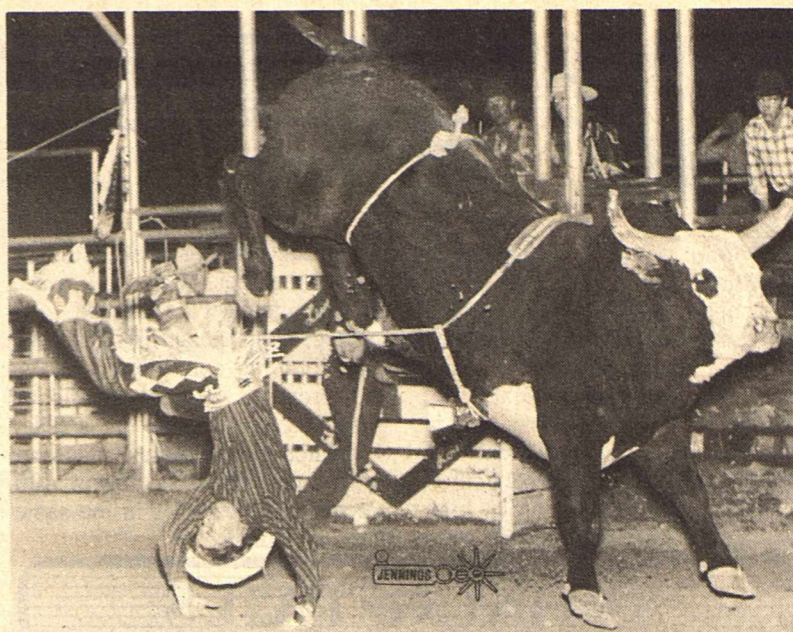

Burchett has his own idea about winning.

The veteran roper has stated, "No one ever remembers who placed second, no matter how close you are."

This year's match roping will be sponsored by the Kyler Cattle Company of Pawhuska, Oklahoma.

All proceeds from the Phil Lyne Roping will benefit the SWTJC Rodeo Scholarship Fund.

Both days of roping will begin at 1 p.m. daily and admission is \$5 per person. Children 10 and under will be admitted free. The roping is sponsored by Coors of Del Rio.

Bad Company Rodeo tour kicks off

After warm ups at Fort Worth, El Paso and the Houston Astrodome, the Bad Company Rodeo season premiered at George West, Texas, March 17 & 18. The first stop of the 1989 Tour grabbed the attention of South Texas with record setting crowds both nights.

The legendary Bad Company bucking bulls thrilled spectators while the new Canadian horses packed action as never before seen in Texas. Thrills, spills and laughs

were provided by National Finalists Chuck Kinney, Roach Hedeman, Tony Johnson, Buster the Beach Dog and Trigger 1/4 of a horse.

Former Sonora resident Bob Blandford collected the largest check at George West for his 24.1 second run on two head in the steer roping. Blandford pocketed the \$1855 average check.

Watch for future Bad Company Rodeo Tour information in The Devil's River News.

COWBOY ASTROLOGY

yourself. Don't you suppose the Good Lord wants them t' do for themselves awhile? Your own fence could use a wire or two.

LIBRA (Sept 23-Oct 22) A pardner is a pardner - in thick or thin. But the way you've treated yours lately is uglier than a new-sheared sheep. Set things straight with some T.L.C. on April 3rd.

SCORPIO (Oct 23-Nov 21) You Scorpios are taking life pretty serious lately. It's because there's a rumbling deep inside those old bones. You know you haven't taken a responsibility seriously. Now's your chance to take up the slack. Your mood will be soft as a young calf's ear by April 20th if you do the right thing now.

SAGITTARIUS (Nov 22-Dec 21) You been solid as a brick outhouse on a certain decision. Sag - and don't want to be confused with facts! You'll end up about happy as a duck in Arizona if you don't change your mind.

CAPRICORN (Dec 22-Jan 19) Now, you don't need advice any more than a steer needs a saddle blanket about a responsibility you've been ignorin'. You know what it is. The same old skeleton will be back to haunt you in 11 months if ya don't clean up your act now.

AQUARIUS (Jan 20-Feb 18) Old friends, old friends. There's nuthin' like a good old friend. It's just useless as a twenty-two cartridge in an eight-gauge shotgun t' keep away any longer. Give 'em a call!

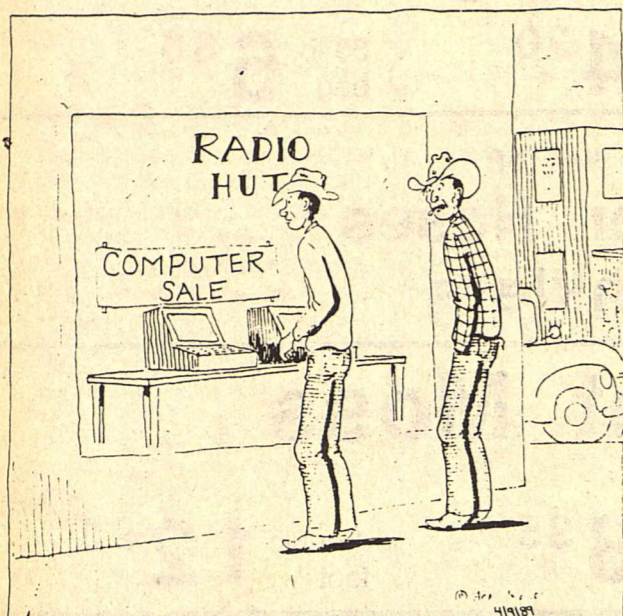

PISCES (Feb 19-March 20) There's a gal just pretty as a heart flush that got tired o' your old potty mouth goin' on a month ago. She takes you back now - if you get humble and ask.

Services

The Schleicher County Medical Center in Eldorado announces the addition of a new service, **The Boarder Program**. Under this program, a patient who otherwise might enter a nursing home can enter the hospital instead. This is an option for those who are not satisfied with the quality of care in most nursing homes and removes the stigma that some patients associate with going to a nursing home. Rates are competitive with nursing homes and if the patient develops a need for acute care, transfer to regular hospital care is convenient for the patient and family. For more information or to place a patient in the Schleicher County Medical Center **Boarder Program**, call 853-2507 or come by 305 Mertzson Highway in Eldorado.
