Sonora hosts Ozona Lions Bronco Stadium at 8 p.m.

By Griffin B. Cole

The Sonora City Council adopted the 1991-92 budget Tuesday evening without an increase in the tax rate for the fourth consecutive year.

City taxes will remain at just 30 cents per $100 of valuation. The 1991-92 tax rate approved by the council on Tuesday is just one cent less than the 31-cents-per-100 valuation rate approved last year.

The 1991-92 budget, which will run from Sept. 1, 1991 through Aug. 31, 1992, was adopted after several community members developed all city council members. City Councilman Zan Gilliom, President of the Sonora Chamber of Commerce, and all members of the audience including city employees, the public and the media were encouraged to take part in the vote on the year's budget.

Before a vote could be taken on the tax rate, Mayor Brown brought the issue of the tax in four years to the attention of council members.

Questions arose concerning an earlier budget meeting in which it was thought the tax rate might be increased. Following two commentaries had been held.

By Griffin Cole RDN Publisher

Crime issue is locked

The hottest topic around Sonora is school board elections, and the current attempt should be made to attract one of the best candidates available to our prisons to the Sonora area. From the discussions we have had, it appears two things are perfectly clear. First, the local governmental leaders want the public to know that if they are hired, they will have the public's favor if they are not. The other, is that you will have to give them information before making their hiring decision. Perhaps the decision has already been made. It is interesting how the issue of a prison built near Sonora came up in the first place. It was only this very day the state announced a plan to build more prisons to help alleviate the current overcrowding problem. This announcement raised much attention in Sonora as well as far and wide.

Then along came two problems; the Governor and C.W. McKethan of Team Management Services, who say Everett, McKethan and the city council, almost three months ago, mailed a survey through the mail, a town meeting, but no public input was forthcoming. The policy did include a $35,000 stop loss clause to the SISD board of directors to meet the additional expense. The savings to the SISD insurance. The coverage offered the SISD employees. The policy did include a $35,000 stop loss clause to the SISD board of directors to meet the additional expense. The savings to the SISD insurance.

Focus on the composers.

School board decision results in savings

With the rising cost of health insurance and worker's compensation, schools as well as businesses are finding it difficult to manage.

The Sonora ISD Board of Trustees in August of 1990 to adopt a partly self-insured plan to help alleviate the current overcrowding problem. This announcement raised much attention in Sonora as well as far and wide.

The Sonora ISD Board of Education also voted in August of 1990 to implement a Risk Prevention Management Plan in an effort to provide a safer environment for children. Risk Prevention Management Plan is an effort to provide a safer environment for children.

The second largest expense is labor costs. The labor costs for the SISD last year were approximately $55,000,000 of the total operating cost. The labor costs for the SISD last year were approximately $55,000,000 of the total operating cost.

ON THE HUNT - Kelly Morrow (50) of the Colts seventh-grade Sonora came from behind to beat Junction 22-19 on Friday. Sonora moved to 2-0 on the season.

Seventh-graders edge Junction

A three-touchdown performance by Joey Gandar helped the seventh-grade Sonora Colts come from behind to beat Junction 22-19 Thursday evening.

Tying 14-14 with less than five minutes left in the game, Gandar raced 23 yards on a sweep to the Junction quarterback to hurry his throw during action last Thursday. Sonora came from behind to win 22-14.

Eighth-grade buries Junction

The Sonora Colts eighth-grade football team may be wearing white jerseys at home, but they wear black jerseys on the road, and that may have scared Sonora (1-0) from behind to beat Junction 22-19 on Friday. Sonora moved to 2-0 on the season.

Quarterback Andy Mirike added the first touchdown on a 50-yard run then added the two-point conversion.

Junction grabbed the lead by scoring a touchdown in the second and third quarters while holding the Colts scoreless.

Player最多的by the coaches along with Gandar were Myke, Justin House at fullback and Armando Castilleja at tackle. Castilleja was also mentioned for his work at defensive tackle along with Walker Wellness, cornerback and Kelly Morrow at defensive end.

The Colts will be at home again Sept. 19 against Ozone. The seventh-grade game begins at 5 p.m. with eighth-grade at 6:30 p.m.

READY! HUT, HUT - The Broncos offense prepares to run its fury during the opening drive against Junction Friday. Sonora moved to 2-0 with a 45-0 pounding of the Eagles.

Season tickets

Broncos football tickets will go on sale on Monday, August 26 in the Superintendent's Office at 807 S. Concho. Price is $15 per game of the year.

Defensively, the Colts dominated as House recorded several tackles for losses. Jeff Floyd also had an excellent game and Adrian Maza recorded an interception.

The Colts will be at home again Sept. 19 against Ozone. The seventh-grade game begins at 5 p.m. with eighth-grade at 6:30 p.m.

Nationally recognized

SAN ANGELO - Tinka Helen Nobles, a nationally recognized author of children's books, will be the featured speaker at the Texas Association for the Improvement of Reading (T. A. I. R.) Conference Saturday, October 5 at the Regional Educational Service Center at the University of Texas at San Angelo.

Nobles' speech, titled "Children's Literature: The Author to speak at ASU," describes how she develops ideas and her creative process. The conference, which is open to all interested in developmental reading, and the registration fee is $10.

For additional information, contact Lisa McCall, 387-2031.

INSTRUCTIONS: Circle either a T or F for each of the following statements about your present checking account.

T or F

1. My present account includes Free Personalized Checks.

2. I receive an informative Financial Newsletter.

3. My account protects me with $10,000 Accidental Death Insurance.

4. A personally Registered Key Ring is also provided through my account.

5. I receive 850 National Merchant Discounts through my present account.

6. My checking account offers me Emergency Cash Advance.

7. Credit Card Registration is part of my checking account.

8. I enjoy Special Prices on my Financial Services through my checking account.

9. And I get Much More!

If you marked every statement true, don't switch. You already have the best checking account in town.

If you didn't, move over to the checking account that's truly the best!

Menard to host Jim Bowie Days September 27 and 28

The Jim Bowie Days Celebration is in the Chamber of Commerce's own backyard this year. Menard County will host the festival on Friday, September 27 and 28. Among the many highlights are musical and dance entertainment on both nights as well as the famous football game between the Menard Indians and the Ozona工作总结.

Medium Pepperoni Lover's Pizza

$8.99 or 2 for $12.99

401 Hwy. 277 N. Sonora, Tx. 387-3549

"Now you can pay the same amount every month of the year for your electric bill!"

It's easy with WTU's Equal Payment Plan.

Electric bills peak in the Summer and Winter when demand is up and show lower in the Spring and Fall. With the Equal Payment Plan, you can level out your utility bill because the monthly payments are averaged and adjusted over a year.

Any WTU residential customer or church with approved credit and a monthly bill of $150.00 or more can qualify.

For more information on the Equal Payment Plan, contact your local WTU office.
Homecoming scheduled for Oct. 4-5

Gonzalez, Annette Gamez, Laura Chalk and Jessica Ortiz.

Sonora station plans first wildlife field day Oct. 3

The Texas A&M University research station at Sonora is planning its first wildlife management field day Oct. 3. The day will offer students and others interested in wildlife management a hands-on opportunity to learn more about the fauna of Pecos County.

The day’s activities will center around the research station’s waterfowl research and management facility, which contains 15 acres of marshland and 22 acres of upland

The registration fee is $7 at the Sutton County Steakhouse. More information is available from Texas Tech University Wildlife Specialist Dr. Butch Taylor, (915) 367-1169, or Dr. Fiorenzo, (915) 692-0531.
