City accepts local bids for new city vehicles

Cecil Atkisson Chevrolet submitted \$25, 619 bid on a Suburban for the Sonora Fire Department which was accepted. In the past fire men could ride on the back of the fire trucks but this is no longer legal. Many private individual have loaned vehicles to transport firemen, but now the city will take the responsibility of getting fire fighters and equipment to fires.

Sonora Broncho Ford bid \$22,450 on two new police vehicles and council members voted to accept.

The May 2nd City Election Judges appointed were: for Ward 1- Karen Fincher and for Ward 2 - Mari Sanchez.

Jim Garrett approached the council with a proposal to sealcoat the following streets: W. 8th Street (from Crockett to Sutton), Sutton Street (from W. 8th to 277 N.), W. 5th Street (from Tom Green to Crockett), 4th Street (from Tom Green to Crockett), W. 3rd Street (from Tom Green to Crockett), W. 2nd Street (from Tom Green to Crockett), Tom Green (from W. 5th to 277 S.),

Oak (from Tom Green to Crockett), Main (from Water to Wilson), Poplar (from Menard to Crockett), Poplar (from Water to I-10 Bridge), Chestnut (from Fay St. to

Crockett), E. 2nd (from Mesquite to Glasscock), E. 1st (from Tayloe to E. 2nd), College (from Mesquite to Concho), E 2nd (from Hudspeth to Marigold), Water (from I-10 to E. 1st), Tayloe (from E. 1st to College), Mesquite (from 277 S.

to Railroad), Orient (from Chestnut to E. 3rd), and parts of Enrique Street. This will conclude a six year program Garrett initiated to cover every street in Sonora.

Local Citizen, Milton Cavaness brought to the attention of the council a sewage leak in the draw behind his home. Cavaness claimed sewer water was often leaking into the draw. Cavaness also expressed his appreciation to the city for continued prompt service when he has called the department concerning this problem.

The existing sewer lines were installed to service a smaller residential area. The council was more than willing to give this matter top priority. Manager, Pete Gildon suggested the city hire, David Todd, a professional engineer to research the problem.

James McLaughlin, Street and Sewer Foreman identified other areas of need for larger pipes.

City Attorney, Beth Wallace informed council that the U. S. Department of Justice required records of annexation all the way back to 1964 to qualify the new method of voting.

Other business discussed was the council's approval to open First Street behind Buster's Trailer Park for Ol' Sonora Town's Tourist route.

The council temporarily assigned Becky Covington to act as the City Manager until a new person can be hired and Patti Prather as the secretary for the council.

Rams average price higher than last year

Thirty-five rams sold for an average of \$871 per head at the annual Texas Agricultural Experiment Station ram performance test sale.

That price was nearly \$200 per head higher than last year's average of \$688.

"The prices were extremely

high," said Dr. Frank Craddock, sheep and goat specialist with the Texas Agricultural Extension Service.

"The sheep business has been ailing lately. The sale was a reflection of lamb prices which have taken a slight increase over the last several weeks. The auction

Fort McKavett to host re-enactments

Fort McKavett State Historical Park, an 1850's - 1880's era frontier fort, will come to life on Saturday, March 21, 1992, and Sunday, March 22, 1992, as the park holds its annual "Frontier Fort Living History Program." Featured will be re-enactors portraying Cavalry, Infantry & Artillery Soldiers, Laundresses, Officer's Wives, Musicians, Wagon & Mule Teams, period "Civilians" and a variety of other roles as the park steps back in time to the mid-1870's. The re-enactors will include members from the Fort Concho Living History Units, the Fourth U. S. Cavalry (Memorial) from Lubbock, volunteers & employees of Fort Davis National Historic Site, the Saddletramps from San Antonio and others. Activities will include Cavalry & Infantry drills, weapons demonstrations, a Medicine Show and other scheduled and ongoing activities.

Fort McKavett is in Menard County, 23 miles west of Menard on Ranch Road 864.

Saturday's program will be the best day to attend the event, as a detailed schedule of activities is planned and between 60 and 100 re-enactors are scheduled to attend. Sunday's program will not be as involved as some of the re-enactors must leave Saturday evening-but a smaller scale program is being held for those visitors who cannot make Saturday's program.

WINNERS - The Junior High students were the winners of the Art Fair held during the annual Open House in early March.

Variety is the key to eating right

Nutritionists have suggested a varied diet for decades but it is not clear that people know what variety means. "Eat a variety of foods" is the first of the seven "Dietary Guidelines for Americans" published by the Department of Agriculture and the Department of Health and Human Services. The guideline explains that more than 40 nutrients are needed for good health. A variety of foods, not a few highly fortified foods or supplements is the recommended way to get these nutrients. No single food can supply all of these nutrients in amounts needed. For example, milk supplies calcium but very little iron, meat supplies iron but little calcium.

The Guideline addressing variety summarizes what's needed daily

from the 5 major food groups:

- vegetables, 3-5 servings
- fruits, 2-4 servings
- breads, cereals, grains, 6-11 servings
- milk and dairy products, 2-3 servings
- meat, poultry, fish, dry beans, eggs and nuts, 2-3 servings

The number of servings you need depends on your age, body size and activity level. Almost everyone should have at least the lower number of servings suggested from each group to get recommended amounts of nutrients. Follow the other guidelines when selecting a varied diet, making choices low in fat, saturated fatty acids and cholesterol and moderate in sugars and salt. Variety and moderation are the keys to eating right.

What is domestic violence?

Domestic Violence - is the use of abusive and violent behavior among people who are married, living together, or have an ongoing prior intimate relationship. Approximately 95% of the victims of domestic violence are women.

Domestic violence can involve pushing, punching, slapping, choking, stabbing, forcing sexual activity, or using the threat of violence to control another's behavior. It can lead to serious injury or death.

Typically, the first response to domestic violence is to ask why women stay in abusive relationships. Many women do leave their abuser. Other women endure the violence for a variety of reasons.

•Because religious, cultural, or socially learned beliefs, a woman may feel that it's her duty to keep the marriage together at all costs.

•Some women will endure physical and emotional abuse to keep the family together for the children's sake. Very often, it is when the violence is directed at her children that she will take them and leave.

•Her husband or partner may not always be abusive and may show

remorse at his violent behavior, promising that he will change.

•A woman may be financially dependent on her husband. Statistically, a woman with children who leaves the home has a 50% chance that her standard of living will drop below the poverty level.

•A battered woman frequently faces the most physical danger when she attempts to leave. She may be threatened with violence or attacked if she tries to flee. She fears for her safety, her children's safety, and the safety of those who help her.

Women will be forced to endure physical abuse until people stop suggesting that battered women who stay deserve the violence and instead focus on the real issues.

The ICD Family Shelter offers a 24-hour toll-free hotline and free counseling for victims of domestic violence. For more information on the Shelter and its services call 1-800-749-8631.

Information for this article was taken from the brochure "Domestic Violence: Understanding a Community Problem", printed by the Department of Human Services.

LOOKING BACK

submitted by Dee Nevill
February 10:

WHEN A GRASS FIRE in the vicinity of the Tommy Thorp home erupted Monday afternoon, a disastrous situation was averted when everyone pitched in and helped fight the spreading flames. Companys sent bulldozers and water trucks to the scene as some of the fire fighting equipment, and firemen, were in Eldorado, battling a grass fire. A special thanks goes to all who helped man the dozers and other equipment bringing the fire under control quickly despite a high wind. The Thorp greenhouse was destroyed in the blaze.

"NINE-TENTHS OF CENTENNIAL CELEBRATION". a lovely party for a beautiful lady, Ada Cauthorn, was given Monday afternoon in celebration of her 90th birthday. Hosting were the Rip Wards, Albert Wards and their children Cathy, Kelly and Gus. Mrs. Cauthorn appeared to be enjoying the festivities very much. Sonorans expressed their love and admiration as they came to call.

TOMORROW -- Wednesday classes will be held at the Sonora Woman's clubhouse by Cathy Niblett, who will be teaching cake decoration. If you plan to attend, give us a call at 387-2880, stating your preference as to the time--1 p. m. or 7 p. m. Cost is \$5.

ANOTHER LONG-established business has changed ownership as Mrs. Harold (Winnie) Saunders sold her flower shop to Irene

Arrendondo, who formerly worked at Foodway. Mrs. Saunders who will be 82 years 'young' in March, has been engaged in the flower business since 1941. She plans to continue operation of a small greenhouse, selling pepper, tomato and other plants. Irene will manage the shop at its present location under the same name and telephone number for at least three months before moving it to her home. Congratulations to Winnie for the many years she has devoted to serving Sonorans, and to Irene as she begins this new venture, which really is not so new as Mrs. Saunders says Irene has helped in the business sporadically since she was a very young girl.

FIREMEN LOUIS OLENICK and Carl Teaff were at College Station last week helping to formulate plans for the A&M University firemen's statewide school to be held July 21 thru July 30. Olenick has been instructing at A&M school for past three years. He and Teaff also attended pre-school meetings at San Angelo, Monday to set plans for the May 10, 11 and 12 school. Sonorans can be proud of our volunteer firemen who have helped instruct at the Concho Valley Area School for the past five years. Olenick, Teaff, Gene West, James McLaughlin and J. C. Luttrell.

CHRISTENING - The Sutton County Senior Center's new Mini-Bus gets christened with Artesia water by Lemuel Lopez as Carole Thorp, Senior Center director, looks on. Others in attendance were the children from Busy Bees Day Care, city employees and many others.

An Open Door

"I am the Door. If anyone comes in through Me, he will be saved. . . A thief comes only to steal and kill and destroy. I came so that they may have life and have it abundantly." John 10:9-10

Although they sometimes warp and stick, squeak and slam, Doors are important. People open the Door of their house to share with others the Comforts of their Homes. They close the Door to keep out thieves and robbers. Remember the finger-play of our childhood? 'This is the Church, and this is the Steeple; Open the Door, and here's all the people!' What a marvelous thing it has always been to be able to walk through an Open Door into GOD's House - day or night! However, in the past few years it has become necessary to close Church Doors Off Hours, because of thieves and robbers. That is such a shame, isn't it?

Yet, though the Door of the Church may be locked, there is one Door that is never shut! It's a far more important Door, which is always Open - day or night, rain or shine, in bad times as well as good. And that Door has a name - Jesus Christ, who says: "I Am the Door. If anyone comes in through Me he will be saved." That's incredibly Good News to those who are trapped in dark, mixed-up, and boxed-in lives - who want out but don't know how to find the Door! It's a bad situation that many people find themselves in sooner or later - as the concerns, worries, sorrows, and fears of this world mount up to suffocate and crush them. Some look for an 'out' through Drugs or Alcohol or Sex. To others it seems that there is no other 'out' except to end their own life! Truly, the Devil offers many Doors that seem to offer an escape from the troubles of life, and relief from the problems that plague us. However, ALL those Doors are Dead-Ends, which can never give true happiness, lasting peace, or abundant life.

How good it is, then, to hear Jesus say: I am the Door! Notice that he doesn't say 'A Door', but **THE Door**. He's the only Door marked 'Exit' - the only way out of Satan's dark prison of Sin and Death. He's also the only Door marked 'Entrance' - the only way into God's bright Kingdom of Abundant and Eternal Life! That's what Christ means when He says in John 14: I am the Way, the Truth, and the Life. No one comes to the Father except through Me. Just as contestants on the TV Game Show have to choose between 'Door #1, Door #2, or Door #3', we need to recognize the Right Door - and be able to identify the Correct Door, behind which are all the Treasures.

By His suffering and death on the Cross, Jesus Christ has paid the price of Admission! He went to the very pits of Hell, proclaimed His victory, and shut its Door for all believers. The free salvation He earned for us is guaranteed by His Resurrection of triumph over Sin and Death. And by His Ascension to glory at the right hand of the Father, He's opened the Door of Heaven for all believers. There's now no need to grope and struggle within the smallness of ourselves, but we can take Jesus at His Word, open the Door to our life, and let the sunshine of God's forgiving love fill us with peace and security! The Savior simply wants us to have the Faith of a little child, who understands the Security and Peace that an Open Door can bring. Living down at night, we hear them say: 'Daddy, please leave the door open. Then I won't be afraid, cause I'll know you're there'. And even the darkness of night, the child rests in peace - secure in the knowledge that Daddy's there. And that's how it'll be for all believers, when at last we fall asleep in Jesus - calling: Abba, Father - for we'll know that Daddy's there, just beyond the Open Door!

Eulojia Flores celebrates 90th

Eulojia Favela Flores celebrated her 90th birthday on March 14, 1992 with a day of celebration and reunion for some of the great-great-grandchildren, the great-grandchildren, the grandchildren and the children of Eulojia Favela Flores.

Mrs. Flores' family came from Fort Worth, Houston, Austin, Colorado, Del Rio, Mineral Wells, Eagle Pass, San Angelo and San Antonio to honor her on her 90th birthday.

Eulojia is a long time resident of Sonora, raising ten children with

her husband, the late Antonio Ruiz Flores.

She has spent the last 26 years as a widow, enjoying good health, and staying actively involved with the Senior Citizen's Center.

It was with great joy that her family and friends gathered together at St. Ann's Catholic Church at 3 p. m. for a special Mass. This was followed by a colorful reception at the 4-H Club and a dance from 8 to 12 midnight.

Valentina Gallegos from Sonora with her children were a big help in getting the party organized.

Library news

The Sutton County Library would like to invite the community as a whole to participate in the Annual Summer Reading Program. The library is asking businesses, club, organizations, individuals, anybody; to donate gift certificates, movie rentals, meals, etc. that a child would enjoy from ages 3-15. When a child reaches a certain amount of time read, he will be eligible to draw for these prizes. This will encourage him to reach for the goal he has set for the summer and earning that one delicious prize!

It is not the amount of books a child reads, it's the amount of time he spends reading. The Summer Reading Program expands a child's knowledge of reading.

If you would like to donate any items to this program, you can contact the Library at 387-2111 or go by 212 SE Concho and ask for Florie or Maria. Deadline to receive donations is April 30, 1992. For more information on the program call us.

Card of thanks

I want to take this opportunity to express our thanks to our many friends who called and sent food and attended the service for Jack Grimland. This community is very fortunate in having so many people who care. Our special thanks to Rev. Clay Hall, the Pallbearers, Kerbow Funeral Home, Moe Salinas, The Acapello Trio and the Sonora Police Dept. who always show so much kindness and consideration to everyone who lives here.

With sincere gratitude
Batts and Wilma Friend

We are thankful beyond measure for all of our good friends who helped us so much during our recent sadness. May we offer our humble thanks for your comfort and love.

STUDY CLUB

The Rankin Adult Study Club was designed to expand the Home Sewing and Textile art knowledge of its clientele. The club has done other projects in wool i. e., Make It With Wool contest, recycling projects, strip quilting, etc. These ladies vary in age and occupations but felt a need to spend time developing their techniques. Not only have these women developed

expertise but have built up the local economy by using local and Texas products as well as conducting classes at the local stores. With this we are proud to show you what could be done with a little time and patience.

The Rankin Study Club will be hosted by Old Sonora Town, the Wild Bunch, Sutton County Steakhouse and the Texas Agriculture Extension Service.

Cub Scouts hold Blue and Gold banquet

submitted by Kathy Hardgrave

In observance of the national Cub Scout theme for February, "Service to God and County," Pack 19 of Sonora celebrated with its annual Blue and Gold Banquet on February 24th. Locally, our unit marked its 50th year in existence, having been chartered by the First Methodist Church in 1942. The Cub Scouts, along with their families, leaders and special guests, were served a hamburger supper catered by Sutton County Steak House. A beautifully decorated cake, made and donated by Ronda Hall, portrayed the fun scouters have on their campouts.

The opening ceremony for the evening's program was led by Den 4, Grade 3 Cub Scouts. Each boy read a verse of a patriotic poem, and the group led the audience in the singing of "God Bless America." Reverend Lewis Allen, Scoutmaster, made the invocation. The Cubmaster, Claudia Dempsey, welcomed everyone to the banquet. Following the supper, she recognized the many leaders for their hours of service to scouting. Leaders for 1991-92 are Marty Parks, 1st grade Tigers; Allan Prather, John Zimmerman, Al Elliott and Callaway Hall, 2nd grade Wolves; Russell Green, Gus Ward, Kathy Hardgrave and June Williams, 3rd grade Bears; Ron and Susan Nicholas, 4th grade Webeles. The pack, in turn, expressed its appreciation to Mrs. Dempsey for her leadership and service in the capacity of Cubmaster.

Trophies were presented to the boys who were top salesmen in the annual fund raiser, selling popcorn. Recognized for the second year in a row for top sales was Pete Samaniego. Second place was sent to Corey Schiedemann, and tied for third were Buddy Short and Stetson Hall. Pack 19 appreciates their efforts, as well as the interest of the community in supporting the boys.

Advancing in rank this month, and receiving recognition and badges were the following scouts: 2nd graders James Elliott, Heath Prather, Byron Williams, and Justin Routh, earning the rank of Wolf,

and Stetson Hall earning a gold and two silver arrow points; 3rd graders Chris Green, Jeremiah McLaughlin, Anthony Sanchez, Daniel Ward, Ryan Hardgrave, Chris Weingart, and Pete Samaniego, earning the rank of Bear, with arrow points as follows: Chris Green, 1 gold; Jeremiah, 1 gold, 2 silver; Anthony, 1 gold, 1 silver; Ryan, 1 gold, 1 silver; Chris Weingart, 1 gold, 6 silver; and Pete, 1 gold, 1 silver; and 4th graders Conrad Galindo, Russ Dempsey, David Benson, Kelan Johnson and Alan Nicholas earning the rank of Webelo.

Entertainment for the evening was provided by each of the dens. The newest members of scouting, the Tigers, hid behind sparkling masks while they recited the "Best of All" cheer. A skit entitled, "The Operation", was performed by the

second grade wolves. The boys, dressed in doctor's white gowns, wheeled in their "patient" and proceeded to transplant into him the best qualities of scouting. Den 3, 3rd grade Bears did a skit which made the audience strain its ears to catch the words of a mumbling fisherman, only to find out that he was catching so many fish because he kept the worms warm in his mouth!! Den 4, 3rd grade Bears sang and performed "The 12 Hours of Cub Camp." In this skit, the boys enacted the highlights of a weekend campout, complete with mischievous antics and a crying, homesick scout. Interspersed among the above skits were walk-on jokes and brief skits performed by the Webeles. The scouts would like to thank all of those who helped make their banquet a success.

Garner appointed to council

Carla Garner, Sutton County Judge, has recently been appointed to the 17 member Texas Emergency Medical Services Advisory Council, or TEMSAC. TEMSAC, which meets at least quarterly in Austin, is responsible for all rules and regulations governing the emergency medical services field in the State of Texas. The Council, comprised of physicians, medical services providers and other emergency personnel, including a consumer representative and 2 elected officials, submits new and changed rules and regulations at least yearly to the Department of Health, which is in charge of seeing that the regulations are promulgated and distributed to the people involved in the emergency medical field. Judge Garner has also been named to the four member Education Committee of TEMSAC, which specializes in the recommendation of rules applying to educational format and content in any program producing certified emergency personnel. Judge Garner

has been appointed to serve on the Council for a six year term, ending in 1998.

Judge Garner is an EMT active in the Sutton County EMS, which provides ambulance service to county residents. In addition, she is a certified Instructor and Examiner with the Department of Health, regularly teaches classes in the emergency medical field, and examines candidates for certification as EMTs or ECAs.

Sutton County EMS, through its coordinator, Lenora Pool, has served as a model for a number of rural counties, as they have used Sutton County bylaws and methods manuals to create their own services. Judge Garner feels that her knowledge of such an excellent service, and her exposure to the real problems faced by rural emergency medical organizations will enable her to serve as a voice for all EMS programs, but particularly those operating in rural West Texas.

Missionaries to speak March 21

Reverend Jesse Fernandez, newly approved Assemblies of God missionary to Spain, will be the featured guest speaker at Templo Jerusalem, St. Ann's Street, on Saturday, March 21, 1991 at 7 p. m., according to Reverend Diaz de Leon, pastor.

From 1986 to 1989, Jesse and his wife, Angie, ministered in Pharr, Texas. Jesse served as minister of Christian education and as assistant pastor of Templo Bethel Assembly of God. "The church in Pharr is a strong missionary emphasis church," Jesse explains. "God used the time I was there to place the missionary call in my life."

The public is invited to hear Jesse and Angie's special missions presentation on March 21, 1992.

Boy Scouts enjoy camp-out

Seventeen Boy Scouts from Troop 19 of Sonora climbed to the top of the highest mountain in Texas, Guadalupe Peak, during the spring break weekend.

The Scouts camped for two nights on the Al Parker ranch, just east of the McKittrick canyon road, on the eastern slope of the Guadalupe. On Saturday the troop climbed the mountain, a round trip of 9 miles. From the top of the Peak, the boys could see Sierra Blanca near Ruidoso to the north, the Hueco Mountains to the west, the Davis Mountains past Balmorhea to the south, and past Carlsbad to the east.

Scouts who made the trip were Casey Fitzgerald, Joel Cox, Casey Thorp, Jon Jon Zook and Junior Odom, Dakota Patrol; Chris Clifton, Matt Routh, Will Allen, Timmy Bauldree, Andrew Dempsey and Michael King, Buck Patrol; and Blaine Wilkinson, Zac Kerbow, Tanner Fields, Jesse Crawford and Michael Castilleja, Mustang Patrol.

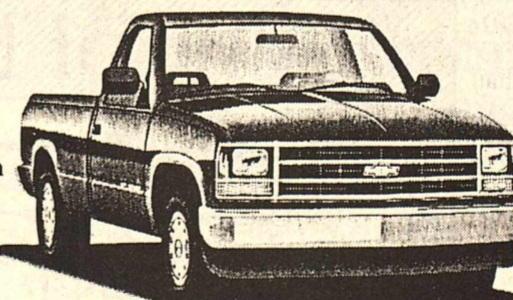

Adult leaders who accompanied the boys were Bill Dempsey, Melissa Kinard, Wade Fitzgerald and Lewis Allen.

Social Security news

Social Security pays survivors benefits to approximately 245,000 widowed mothers and fathers with at least one child under the age of 16. For a widowed parent with two children in this age group, the average monthly benefit last year was just over \$1,200 or about \$14,500 for the year. But, for a number of families receiving survivors benefits, the amounts were considerably less.

When their earned income also is low, these families may benefit from a special tax provision—the Earned Income Credit (EIC). The credit is based on earned income and is available to low-income families who have at least one child living at home. While all tax credits are applied directly against any tax owed, the EIC is the only one under Federal tax law that is "refundable." That means if income levels are so low that no taxes are owed, taxpayers could still qualify for a refund of up to \$2,020.

Most working families with earnings between \$6,000 and \$13,000 qualify for a credit of at least \$1,000 per family. The maximum basic credit is \$1,235 for a family with two or more children. A new supplement provides up to \$357 more for a child both in 1991 and up to a maximum of \$428 to help buy health insurance that covers a qualifying child or children.

The credit decreases as income rises above \$11,249. It is eliminated when income exceeds \$21,250.

For more information about the Earned Income Credit provisions, call the toll free IRS number of 1-800-829-1040.

David Wallace honored for his continuing education in law

AUSTIN - Scores of attorneys throughout Texas were honored in Austin recently for far exceeding their standard requirement of 15 hours per year in continuing education. The College of the State Bar of Texas recognized 3,164 lawyers who have completed 80 or more hours of continuing legal education (CLE) in a three-year period. Once inducted into the college, attorneys must complete 30 hours of CLE each year to maintain their membership in the prestigious group.

"Excellence in the profession is a key focus for all attorneys in Texas," said Houston attorney Bob Dunn, president of the State Bar. "Those attorneys who earn

membership in the State Bar College have attained one of the highest goals possible for maintaining excellence." Dunn said the College was created in 1982 by the Supreme Court of Texas following a study on ways to recognize attorneys who have made exceptional efforts in maintaining their legal education.

Dallas attorney Donald R. Smith received an award at the event for writing the best article for a continuing education seminar, "Characterization of Marital Property." David Warren Wallace was among those recognized for achieving or maintaining membership in the State Bar College.

Bronco golf teams begin season

The Sonora Broncos golf teams have begun their District 6-3A competition. On Saturday, March 7 the teams traveled to Reagan County for the first round of their six round, round robin tournament. The Broncos were minus three of their players. Two were victims of grades and another had another commitment during spring break. The Broncos could only muster up a 320 and suffered a twenty seven (27) stroke set back. Team standings are as follows: 1. Crane, 336; 2. Kermit, 343; 3. Sonora, 370; 4. Colorado City, 389; 5. Kermit #2, 391; 6. Reagan County, 402; 7. Greenwood, 411; and 8. Greenwood #2, 429.

Papo Sanchez led the Broncos scoring with an 80. Other team members are Wade Spain 93, Eric Sanchez 96, Cody Renfro 101, and Shane Deel 104 for the second round of the tournament.

This year, for the first time in the school's history, Sonora will have a girls golf team. The team members are Stephanie Virgen, Elsa Lumbreras, Becky Lumbreras and Freshmen Beth Covington. The girls will play nine holes of golf on each of the first four tournaments, Big Lake, Crane,

Greenwood and Kermit. They will then play 18 holes the last two rounds, Colorado City and Sonora. The Lady Broncos have taken a 16 stroke lead in the tournament. The team standings are Sonora 195, Crane 211, and Kermit with 243 to round up the top three teams. Stephanie Virgen is leading all players with a 39 and Beth Covington is second with a 46 followed by Tanesa Smith of Crane with a 49. Other Sonora players are Becky Lumbreras 54, Elsa Lumbreras with a 56.

On Tuesday, March 10, the Lady Broncos traveled to San Saba to compete in one of the largest girls invitational golf tournament in Central Texas. Twenty two high school teams competed. The Lady Broncos placed fourth in the tournament behind Round Rock who scored a 398, San Saba a 410, Stephenville 412, and Sonora had a 413.

Stephanie Virgen of Sonora tied April Hix of Gatesville for second place with an 85. Stephanie lost the sudden death play-off on the first hole with a bogey while April Hix made her par. The first

medalist honor went to Melissa Isham from Brownwood who shot an 81. Beth Covington from Sonora shot a 94, Elsa Lumbreras shot a 109 and Becky Lumbreras shot a 125.

The Lady Broncos traveled to Crane on Saturday, March 14 for the second round for their district tournament in hopes of increasing their lead.

Members of the Bronco team are: Seniors-Papo Sanchez, Eric Sanchez and Blake Adkins. Sophomores-Wade Spain and Steve Tackel. Freshmen-Shane Deel, Cody Renfro and Javier Weingart.

The members of the Lady Broncos team are: Sophomores-Stephanie Virgen, Elsa Lumbreras and Becky Lumbreras. Freshmen-Beth Covington.
