Homecoming Festivities planned for Oct. 9-11

Sonora High School will celebrate its Homecoming beginning on Friday, October 9, 1992. Homecoming festivities will commence Friday evening at 7:00 P.M. at Bronco Stadium with the Pre-Game activities for the Sonora -Colorado City game (first district game). The Homecoming Queen for Sonora High School will be crowned at halftime of the game. Following the football game, a reception will be held at the Sutton County Steakhouse. All former students of Sonora High School and their spouses are invited to attend and visit and "catch up" with the old gang. Teachers are included in this invitation.

Saturday morning, October 10, 1992, at 10:00 A.M., the Homecoming Parade will begin in front of the Methodist Church and end at the Sonora Elementary School. Anyone interested in participating in this parade should contact Joyce Chalk at 387-2886. Several groups and classes will be sponsoring floats, and the public is invited to come and enjoy the parade! Following the parade, a reception for all former students, spouses, teachers and parents will be held at the Sonora Elementary School Cafeteria. The reception is scheduled for 10:30 A.M. Many old friends will be there, so please make plans to attend and remember the "good old days" at Sonora High. Additionally, scrapbooks and pictures from years past will be available for viewing. There will be a catered lunch following the reception at the Cafeteria.

On Sunday afternoon, FUN and FELLOWSHIP will be the items on the agenda at the Sonora Golf Course Clubhouse. Beginning at 2:00, there will be a reunion for all classes, with snacks, visiting and entertainment available for exstudents and their families. A barbeque supper will be served at 6:00 at the Golf Course, and at

etter to the Editor

Dear Mr. Ernest Barrera:

It was in very poor taste to call those of us who took active part in the rededication of Liberty Park a bunch of "Tio Tacos!" Does working within the lawfully established system, for a good representation, and for the good of our ethnic group make us a bunch of Hispanic "Uncle Toms?" I think not, Mr. Barrera, Because then it would mean that only habitual drunks and trouble makers are the "real machos:" I have yet to see one of these last named holding a responsible position anywhere. I personaly admire Mrs. Lozano Smalling for her ability to work within the system, advance herself, and put herself in a position to be able to help and represent any of our people who may need, and really may deserve help.

I well remember than when she was elected to the Office which she now holds, the election was a showpiece of American fairplay and honesty, for even though she ran against two Anglo opponents, one of them a very good friend of mine, she won "hands down,' due to her past record of discharging the duties of this Office with ability and expertise. That she choose not to be involved in ethnic minorities' disputes is more to her credit than to her detriment, for she was elected to office by the American people as a whole, and not by a particular ethnic group, so by "carrying a chip

on her shoulder" or "having an ax to grind" on behalf of any particular ethnic group would in truth betray the trust we showed in her when we voted her into office. As for the rest of your allegations, Mr. Barrera, I personaly think that you enjoy creating divisivness, if that is the correct term for your attitude, in order to stand out in the crowd and gain attention for yourself; a very narrow minded point of view, to be sure! The fact that you, "at the drop of a hat" are more than ready to go to bat for a bunch of delinquents and law breakers, whenever there is something to be gained doesn't show you as an alltogether altruistic "patriot." You well know the old saw "people who live in glass houses shouldn't throw There is no denying, Mr. Barrera,

than you have some talent, and plenty of plain, old fashioned guts, but it is lamentable that you chose to use these gifts in a negative way. We, the law abiding Hispanics in Sonora are neither "Uncle Toms" ready to sell our selves or the best interests of our ethnic group down the river, as you so clearly imply in your "letter to the Editor" in this week's issue of "The Devil's River News," nor are we in agreement with your view point!

Guaranteed Student Loan Corporation collects debts

The Texas Guaranteed Student Loan Corporation has mailed the first wage withholding notices to Texans who have defaulted on their federally guaranteed student loans. Recipients have 30 days to make repayment arrangements or file an appeal before their employer is notified withhold up to 10% of the emp ee's net pay.

Wage withholding is arguably the most powerful tool for the collection of defaulted guaranteed student loan balances. It was made possible in Texas by passage of the November 1991 Emergency Unemployment Benefit Compensation Act.

Defaulted borrowers who enter into voluntary repayment with TGSLC will not be subjected to wage withholding. Borrowers can call toll-free 1-800-222-6297 to set up a repayment agreement.

The first group of borrowers to receive withholding notices is fairly representative of the entire population, according to Cathy Flautt, TGSLC's Director of Public Affairs. The group includes trade school, two-year and four-year college and university graduates. Loan balances range from \$1,100 to \$26,860 for seven loans. Most have been in default for more than a year with no resolution on their accounts. Some have already had judgments filed against them, but

still have not responded. The federal law requires that the withholding be done administratively - which means that no court action is needed. It allows up to 10% of a borrower's disposable income to be withheld and to be applied to their defaulted loan balance until it is paid in full.

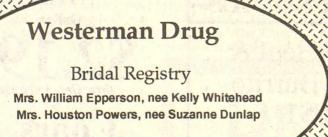

Withholding will affect defaulted borrowers. Defaulters are borrowers who made no payments for at least six months and the lender has already been reimbursed by claim.

The federal guaranteed student loan program utilizes money from participating lenders, and in Texas, the Texas Higher Education Coordinating Board, to make lowinterest loans to students and their parents, attending private and public colleges and trade and technical schools. The loans offer long term repayment periods, deferments, forbearance options and grace periods to assist borrowers in repaying their obligation. Borrowers who default on their loan obligation, however, do not qualify for these benefits. The program is subsidized by the federal government. TGSLC is a nonprofit public corporation which administers the federal program for the State of Texas.

GIVE IT YOUR BEST SHOT - #55 Pete Perez challenges a Breckenridge lineman as Joey Guerra searches for an opening.

Clocks wind down as Broncos take the lead

Character is an over-used word in football. We often hear it bantered In its win over about. Breckenridge, the Sonora Broncos showed true character.

The game was played in an unfamiliar setting following an exhausting 5 1/2 bus trip. The had been humiliated the week before, none-the-less, was talented. The Broncos came into the game after soundly beating a long-time

Early in the first half, two Bronco defensive stand-outs, Jamie Espinosa and Shane Keller, were injured.

The conditions were ripe for an upset. And with 2:20 left in the game, it seemed that it might be inevitable that the Broncos just for the game winner. might lose.

"It was getting scary," said Wade Spain, Bronco wide receiver. "We just could not quit."

"I knew we would rally. We just kept working and working," said Quarterback Brian Faris.

And rally the Broncos did. "I have great confidence in our football team," Bob Bellard, Sonora head coach, said. "We kept our cool, did our business and won."

With the score 14-13, with 2:20 left in the game, the Broncos got the ball on their own 44.

Joey Guerra took the ball first for 9 yards up the middle. 2nd and 1 at the 35 - Guerra takes a pitch +3. 1st and 10 at the 33, Guerra gains 2 off the left side. Then Guerra goes for 3 on the right side. With 1:06 left in the game, and the ball on the 27. Faris swept to the left for seven yards and a first down.

"The line was working so hard. They blocked so well; there is no way we could have done it without them," said Faris.

"We knew what we had to do. It

was up to us - all of us," said Chris Perez, offensive tackle. Everyone was up to it.

fired up. The 300 or so Sonora fans were on their feet. The cheerleaders, who have done so much, were cheering at the top of Broncos faced a team that, though it their lungs. Electric was the feeling for those on both sides of the field. It came down to how much character the Bronco 11 had.

As Faris brought the team to the line, the clock was winding down. 36-35-34 - the fans were clamoring for a time out. 30-29-28 - Faris took the ball at the 27, and when he handed the ball to Guerra, the line opened a hole, parting the Buckaroo defense like Moses parted the Red Sea. Guerra scampered, untouched,

hung together and never gave up. We could have folded, but we did not. We kept working and working. It paid off."

Neither team was able to generate any offense on their first possessions. The second time that the Buckaroos had the ball, they fumbled a pitch that was recovered by Tracy Crites. The Broncos took the ball on the Buckaroo 47. On the next play, Joey Guerra sprinted up the left sideline for a Sonora touchdown. The point after attempt was good.

Breckenridge threatened with an excellent drive on the next series. With the ball 3rd and 8 on the 15, Wil Trainer covered the corner as the Buckaroo quarterback. Ben Pearce, was rolling out. Trainer made a picture-perfect form tackle. The ball went over to the Broncos as Pearce's pass for Will Willis was overthrown.

In the second period, Breckenridge took its first possession and drove 71 yards on a drive that was highlighted by a 40 yard pass from Pearce to Bobby Alverez. With the ball resting on the 19, James Myers took the ball from Pearce on a trap and cut left and scampered in for the touchdown. Then the Broncos suffered from a bug that has been bothering them all season - the penalty bug. As the Buckaroos attempted a point after that went right, the Broncos were called offside. On the second try, the Buckaroos went for two, sending Alverez off tackle for the conversion. At the half, the score was Breckenridge 8, Sonora 7.

The Broncos began the second half with an outstanding kickoff return by Shannon Escalera, bringing the ball to the 44. After two short gains by Guerra, the Broncos had the ball 3rd and 5 on the 50. It was then that Tracy Crites caught his first high school pass from Faris. As Crites circled into the right flat, Faris threw a very nice touch between him and the goal. Wil Trainer also saw the defender and made short work of him with a crushing block. "When I saw Wil (Trainer), I knew this

It did not take long for the Buckaroos to answer. They took just ten plays and 4 minutes to drive the ball, using the running of Myers and the throwing of Pearce. with the scoring play coming on a dive by Thurman up the middle from the 3.

Both teams made outstanding plays on defense and were able to keep the offenses shut down throughout the rest of the quarter. When Sonora finally was able to mount a drive, it was interrupted by 4 straight calls. Yellow flags were flying everywhere on each play, or so it seemed. Coach Bellard refused to comment on the officiating crew,

which threw 22 flags, 18 of which were accepted by the teams. 12 of those came against Sonora, who was penalized for 100 yards in the game. One of the flags rullified a touchdown pass. Eventually, the Broncos gave up the ball after a 5th

penalty was called against the team from Sonora. (While Coach Bellard would not comment about the officiating, I can assure you that the Sonora fans felt no such inhibitions, and their feelings were appropriate and justified.)

The Bronco defense seemed to get better and better as the game went on, and was able to shut down the Buckaroos. With 2:20 left in the game, the Broncos got the ball back and Guerra took care of the rest. Guerra gained 173 yards for the game and has more than 600 for the year, but none have been more important in this young season than the final 20 at the 20 second

Sonora J.V. comes up short in loss to Breckenridge

The Sonora Junior Varsity Broncos went to the circus in Ballinger. This was a different kind of circus, an aerial one. The players at the circus came from Breckenridge. They called themselves the Buckaroos. They had fun; the Broncos did not. The score was Breckenridge 28 and Sonora 13.

The Broncos played an experienced Breckenridge JV team, led by an excellent quarterback, Will Mobly, and receiver Allan Alverez. Mobly combined with

Alverez for 118 yards passing, with 98 yards coming in the first half. The first two Buckaroo scores came on passes of 15 and 43 yards.

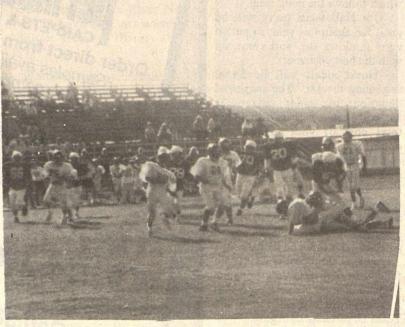

Sonora Junior Varsity head coach, John Creek, was pleased with the effort of his team. "We played an excellent team. Many of their players were juniors and it's hard to overcome experience. It takes experience. I'm real proud of our kids."

Alverez started things going for the Buckaroos with a 30 yard return of the opening kickoff. Mobly then led the team on a 53 yard drive that took only 7 plays and 2:43 off the clock. The key play of the drive came on an 18 yard throw to Alverez.

Sonora countered by scoring on its first possession. The first offensive play of the game found Pete Perez bouncing up the middle and breaking outside for 18 yards. Perez combined with Gilbert Vara for all 65 yards on the drive. Vara would run left, Perez right and they marched until Perez sprinted with power to the left side for a 14 yard run and the touchdown.

The next Buckaroo score came on a 3 play 53 yard drive. The highlight was once again the aerial combination of Mobly and Alverez. This time it was a 43 yard streak

Breckenridge once again was threatening to score with 2:34 left in the half, when Chris Gutierrez recovered a poorly handled pitch. The score at the half was 14-7 in the Buckaroos' favor.

Colts ruffle Eagles Feathers

by Tanner Fields

We got off to a good start Thursday evening against the Grape Creek Eagles. The Colts played well on both sides of the ball. On offense we ran the ball and passed it well. We moved the ball on the ground with Zach Perez and Steven Gandar. Our passing game continues to improve with Justin Morely completing 4 passes out of 6 attempts. In the air and on the ground, we fought through the Eagles' defense, coming away with 6 points. However, on the 2 point conversion attempt, we were stopped a little short of the goal line. On defense, we had great tackling and were able to hold them to only one score late in the 4th Quarter. The only difference was that they made the 2 point

the score 8 to 6, in favor of Grape Creek. We got the ball back, giving us one more chance to win the game with about 1 minute and 30 seconds left in the game. We drove the ball down the field for many yards, but time expired before we could score just one more touchdown. It was a thrilling game for the fans to watch. Both teams played well. Like Coach Dempsey said after the first game, "We'll be getting better," and we

certainly have been! I'm sure next week against the Wall Hawks we can get our second victory. We'll be playing the Hawks here in Sonora at 5:00 p.m. Thursday (October 1st). Try to make it on out to Bronco Stadium to support the 7th Grade Colts.

The Broncos opened the second half with its second touchdown. Again, it was Vara and Perez who combined for most of the vardage. Again, the line was awesome, opening hole after hole as the speedsters ran through the Buckaroo defense. The score came on a 30 yard run off right tackle. The point after try (PAT) was not good and the score was 14-13, Breckenridge.

After an exchange of punts, the Broncos were hurt by a penalty. In an unusual turn, this penalty was against the Buckaroos. After holding the potent Buckaroo offense

in check for most of the 3rd quarter, Breckenridge was 4th and 10 at the 10. The Buckaroos lined up for a field goal. The center of the Bronco defensive line blew up the middle to block the kick, only to have had the play called off because of a dead ball procedure penalty. The the ball moved back to the 15, Mobly passed the ball to Jason McDaniel for seven points.

The Broncos were never able to get on track offensively for the rest of the game. When the Broncos would move the ball, they would

8th Grade Colts cage the Eagles

by Breg Hughes

Thursday, September 24th, Sonora's 8th grade Colts collided with Grape Creek's Eagles. In the first quarter, the Eagles pounded through the Colts' defense to score, but failed to make the 2 point conversion. The Colts got the ball, but fumbled to end the first quarter trailing the Eagles 6 to 0. 2nd quarter, the Colts exploded, with Joey Gandar running the option left, for a forty yard touchdown run. Justin House slipped through the Eagle defense to score the 2 point conversion, giving the Colts the lead, 8 to 6 with 1:13 left in the

The second half started rough for possession of the ball. The Colts started a tough drive, into Eagle territory. Then Joey Gandar took the ball in from three yards out to make the score 14 to 6. Andy Mirike hit Caleb Barker with the 2 point conversion with 3:52 left in the 3rd quarter, giving the Colts a 10 point lead.

In the fourth quarter, both teams fought hard, with the Colts coming out on top 16 to 6. Andy Mirike said, "We played well as a team and totally stopped them on defense." Kelly Morrow thought the defense played great together.

In the end, Andy Mirike threw 5 with the Eagles and Colts fighting for 5 for 71 yards, and ran for 35 yards on 2 carries. He also had a 2 point conversion. Caleb Barker caught 3 receptions for 21 yards and 2 defensive tackles. Justin House had 2 receptions for 50 yards and ran for 123 yards on 10 carries. Joey Gandar ran for 94 yards on 8 carries. Barker had 101 yards on 2 carries. Walker Wallace ran for 27 yards on 4 carries. The top defensive tackles were Kelly Morrow with 13, Justin House with 7 and Alfonso Quiroz with 5 tackles. The Colts chalk up this win and get ready to play Wall next

Senior Center News

by Carole Thorp

October is a month of beginnings for most programs in the aging field. This is definitely the case for our Senior Center. We will be administering our own nutrition program, which, until October 1st has been planned out of Junction.

We will be adding ad additional person to our staff. Lesa Galindo will join us as Nutrition Assistant. We know that you will join us in making her feel welcome and by filling out any forms that she needs for our records.

I will explain some of the rules for our programs later in the newsletter. Our goal is to encourage participation in our congregate meals (served in our dining room) to promote BOTH nutrition good SOCIALIZATION! That is why, unless you are ill or stranded in the workplace, we no longer allow plates to be taken out. Guests who pay the full cost of their meal (\$4.00) may take plates out.

Please help us comply with these guidelines from our nutrition standards by not asking us to make exceptions other than illness.

On October 1st, Yolando Jasso, with DHS in San Angelo, will present a program on Q.M.B. and Medicaid Eligibility for Aging and Disabled. Come to find out if you might be eligible for benefits! Following lunch.

October 9th is Homecoming and we'll attend the Pep Rally that afternoon at the High School. Be sure to attend the game that night

and watch the Mighty Broncos beat the pants off C-City!

Juanita Mesa will be taking the Thunderbird to San Angelo on the 21st. Sign up in advance to secure your spot on the van. Juana also provides daily transportation throughout Sonora. If you need a way to get to the store or the doctor, call the center to reserve a

The Thunderbird provides Public transportation, which means we are not limited to senior citizens. One trip is only \$.50!!

The monthly birthday party will be held on the 22nd. We have been extremely fortunate (and spoiled) to have corsages provided each month by Jane's and Birthday cakes from Cynthia's. If you have an October birthday, plan to stay for the party which follows the noon meal.

Our Halloween party will be great fun again this year, so put on your thinking cap and come up with the best costume.

Guest meals will be \$4.00 beginning the 1st. The suggested donation for senior citizens is \$1.75. That is less than half the total cost of your meal. All donations are voluntary and confidential. Please let us know if you enjoy the menus and if you have any suggestions.

As mentioned earlier, the goal of the center is to promote socialization as well as good nutrition! So come on down!!

Programs at the Senior Center are funded in part by grants from the Concho Valley Area Agency on Aging through grants from the Texas Department on Aging.

We owe our readers an apology for our answer last week regarding Walter Horace Gilbert. We had checked "Texas County Sheriffs" by Sammy Tise and "Sutton County History 1887-1977" and neither of these books lists Mr. Gilbert as having ever been Sheriff of Sutton County. After the paper had been put to bed, we found that both books are in error. On November 3, 1914, R.H. Martin was elected Sheriff - Tax Collector of Sutton County. He resigned from office on May 8, 1916. Walter Horace Gilbert made application to fill the unexpired term of office May 8, 1916, was accepted and immediately appointed Sheriff and Tax Collector of Sutton County. Sheriff Gilbert served until the election of Benjamin Willer Hutcherson on November 4, 1916. Actually, those election returns were officially approved by the Commissioners Court and Hutcherson officially declared Sheriff and Tax Collector and the meeting on November 13, 1916. At the start of that meeting, Sheriff Gilbert is still officially listed as Sheriff and Tax Collector.

We found another error in "Texas County Sheriffs." B.W. Hutcherson did not serve from November 4, 1952 until January 1, 1955. Sheriff Hutcherson died on Box 885, Sonora, Texas 76950--April 2, 1954 and his unexpired 885 or call 387-5144.

term was filled by Wesley C. Young. Sheriff Young was appointed by the Commissioners Court on Monday, April 5, 1954 and an article regarding his appointment is in the April 9, 1954 issue of the Devil's River News. We did have this one correct in "Sutton County History 1887-

We have sent documentation of the above information to Mr. Tise so that he may correct his records and have corrected our own records. We apologize to the families of those who were inadvertently left out. If any of our readers know of any others who filled the office of sheriff by appointment instead of election, please let us know so that we may correct our records.

If you are looking for a copy of "Bad Old Days," stop by Westerman's Drug Store or the Ol' Sonora Trading Post. Both have graciously consented to keep this book in stock for their customers.

"Cards and gifts are wonderful expressions of appreciation," noted Linkous, "but they don't address the on-going difficulties that many of our nation's elderly face in their daily living activities. At NAAAA we believe most people want to help but simply don't know how or where to find the assistance and services their older relative may

need. And up until now, there have not been many easily accessible options. The Eldercare Locator has changed all that."

The Eldercare Locator is a public service of the National Association of Area Agencies on Aging in collaboration with the federal Administration on Aging and the National Association of State United on Aging. It is designed to furnish callers specific information on how to locate community-based services such as health. homemaking, nutrition, transportation, legal and others, that are available in every state. Area Agencies on Aging (AAA's), which nationally syndicated columnist Jane Bryant Quinn recently called "the mother lode of good advice" on services to assist the elderly, have long been recognized for their outstanding record of providing information and advice locally.

Now, through the efforts of the national organization (NAAAA), the information resources of all the AAA's in the country have been brought together in one central referral service. Access to that information is as easy as dialing 1-800-677-1116, weekdays from 9 a.m. until 7 p.m., EST.

Since the Eldercare Locator was New England states in May 1991, over 7,000 callers have been assisted. "We think that the overwhelming response demonstrates the need we are filling," Linkous said. "But the more important issue is that it represents the first step toward the delivery of assistance to at least 7,000 needy elderly."

Girl Scouts seek design

The El Camino Girl Scout Council needs a council patch. They are soliciting designs for this patch from Girl Scouts as well as non-Girl Scouts. Your entry should be drawn in a 3 inch diameter circle and should be submitted to the El Camino Girl

Scout Council, 304 West Avenue

A, San Angelo, Texas 76903. Dr Designs should be drawn on white paper. Entries should include

the name, age level, troop number,

leader's name and phone number and service unit name. For non-Girl Scouts, please include your name, address and telephone number and how you heard about this contest. All entries will become the property of the El Camino Girl Scout Council and may also be used as the design for a new council T-shirt. The winner will be given a \$25.00 gift certificate from the Council Shop in San Angelo. Hurry, though, the deadline for all entries is December 31, 1992.

Tis the Season for football and the flu. To help prevent this disease, Flu Vaccine is now available for you. For more information call 387-3535

Mentor School cont. from pg. 1

Mentor Schools. Sonora's Junior High was selected as one of these Mentor Schools. It was the only school in Region 15 to be selected, and the only school to be selected from a school district with less than 1000 students.

This honor also carries a great deal of responsibility. Networking with the 47 other middle schools in the region is a part of this honor which will prove to be very useful, but also very time consuming.

The money received from this Mentor designation will be used for teacher training in order to allow teachers to effectively meet the needs of Sonora's middle school students.

One of the goals stressed in "Turning Points" was to create a community of learning. In order to accomplish this, the Junior High

teachers are working in teams. These teams coordinate all subjects in each grade level. They try to incorporate real-world skills along with text-book subjects. Because so many of the State's middle school students (58-59%) are considered to be "at risk," this collaborative team approach aids in finding new ways to present subject

Being a Mentor school means many changes for the students, too. Students have been introduced to a new schedule and new concepts in the way material is presented.

All of these changes, combined with increased teacher awareness, should prove that Sonora is a good role model for middle schools in

package," which has been the subject of discussion for many an auction, was the object of some spirited bidding. The "package" was purchased for \$1000 by Mr. George Brockman. The "mystery package" was on display for a few days and is now resting safely in a bank vault until the auction next

The auctioneer, Lem Jones, once again managed to lure, cajole and urge bidders into donating the maximum amount of money to a very worthy charity. The proceeds of the actual sale brought a little over \$11,000. After several afterthe-fact donations, the total was raised to over \$12,000, with additional donations expected.

This, the largest single fundraiser in Sonora has many benefactors. Funds from this auction are used to support many organizations and projects. Among these are: Girl Scouts, Boy Scouts, Sonora City League, Eye Glass Program, Project Graduation, Lions Crippled Children's Camp, Eye Bank, West Texas Boys Ranch and the Light House for the Blind.

The Downtown Lions would like to thank everyone who participated, but several special thanks are in order. A special thanks to: Royce Miears at the Branding Iron Smoke House for preparing an outstanding meal; "Vergie" Polocek and Tony Smith for cataloging and organizing the donations; Ray Smith for entering the donations into his computer; Jerry Landers, Mike Hale, David Wallace, and Ray Smith for bookkeeping during the auction; Leo Merrill, Adalita Smalling, Gus Redman, Archie Crenwelge, George Wallace, and others for serving the dinner; Lewis Allen, Gus Redman, Monte Jones, "Vergie " Polocek, and Ray Smith for operating the actual auction; Bill Ferguson, Jim Steven, Smith Neal, Bridgette Rogers, Amber Martin, Iris Garza, Mike Hale and George Wallace for soliciting the

donations. Of course, no auction could be complete without the services of Lem Jones of Harper as the auctioneer.

Be sure to attend next year's auction to be a part of the fun!

proclaimed the week of October 5 this very important week, said Arthur Nagel, president of the Coalition.

> Official Memorandum State of Texas Office of the Governor

Private property ownership is a fundamental tenet of democracy and a right justifiably cherished by

Texas landowners have preserved this proud tradition of private land ownership in our state and have played a vital role in transforming the rugged frontier into fertile agricultural land, vast and productive livestock ranches, and thriving metropolitan areas that rival our globe's economic and

cultural capitals. Our state owes much of its In order to maximize the success to the millions of Texans who administer this most precious of our state's resources. Whether developing the land commercially, preserving its natural beauty, or simply maintaining a personal farming and ranching and wildlife home on a modest piece of

Governor Ann W. Richards has appropriate and wide recognition to nurtured and sustained our state's

More than 95 percent of the real property of our state is privately owned. Through the payment of property taxes and through informed participation in the political process, these individual landowners have provided solid support for local schools, cities, counties, water districts, hospitals, and numerous other entities which provide vital social services.

Texas landowners have ensured the continued prosperity of our state by their thoughtful cultivation and development of the land and, in so doing, have preserved a vital American freedom.

Therefore, I, Ann W. Richards, Governor of Texas, do hereby proclaim the week of October 5 through October 11, 1992, as: Landowner's rights week in Texas and urge the appropriate recognition

In official recognition whereof, I hereby affix my signature this 1st day of September, 1992.

Referendum to establish Producer Commodity Board to aid predator control

In the last few years, much sale, paid by the seller, on all sheep livestock in Texas has fallen victim to predators such as foxes, coyotes, eagles, dogs and mountain lions. This has meant a large economic loss to the livestock industry. An example of this is that in the period between 1968 to 1987, Sutton County has gone from 155,000 head of Angora goats to 100,000 and from 126,000 sheep and lambs to 43,000, largely due to predator

In an effort to aid in the control of these losses, the producers in the 111 counties of Texas which are referred to as sheep and goat producing areas, are being asked, by means of referendum, to establish a Producer Commodity Board. According to this referendum, the Board can assess a maximum of \$0.20 per head at the first point of and will vote at the County
