**Under Investigation.** Sonora Police Officer Bryn Humphries investigates following a burglary at the Sonora Golf Club early Monday morning.

## Burglary attempt foiled Would be burglars caught in the act at Sonora Golf Club Pro-Shop

Two local men were arrested early Monday morning after a burglar alarm in a local store alerted the police.

Shortly after 1:00 a.m. a dispatcher notified Sonora Police Officer Bryn Humphrey that the alarm had gone off at the Sonora Golf Club Pro Shop. Humphrey, assisted by Sheriff's Deputy Joe Reyes, approached the building from the south and positioned himself near the east door of the pro shop dining room where he could observe the subjects.

Armando Robles, 18, of Sonora, attempted to exit the building when he was apprehended by Officer Humphrey. Felipe Duenez, Jr., 20, also of Sonora attempted to escape and was apprehended by Deputy Reyes.

The vandals left a trail of the stolen goods across the golf course. Items taken by the vandals included 6 cases of beer, 43 candy bars, eighteen T-Shirts, and eighteen golf gloves. Robles and Duenez were both arrested and taken to Sutton County Jail.

## Classes of 1970-79 to construct float for Homecoming Parade

All Sonora High School alumni from the classes of 1970 through 1979 are invited to participate in construction of a float for the Homecoming parade. A work day has been scheduled to begin at 5:30 p.m. Thursday, Oct. 8, in the parking lot of the Fiddler's Restaurant.

Alumni are requested to bring staple guns, hammers and clear packing tape to work on the float. "It is not too late to get in on this," said alumni committee chairperson Brenda Bartz Valliant. "If you, your spouse or your children graduated from Sonora High School

during the 1970's, you're invited to come on down and lend us a hand."

The committee has requested that all members of the classes of 1970 through 1979 donate \$5 toward the cost of float materials.

The float representing the classes of the 1970's has been designed to allow children of the grads to ride on it during the parade. Alumni will walk alongside the float handing out balloons.

"We're hoping we'll get lots of participation from the graduates of the 1970's classes," Mrs. Valliant said, adding, "We'd like this to be the best Homecoming ever."

## Sonora Lions Host Meeting

The Sonora Downtown and Westside Lions hosted a District Cabinet meeting the weekend of October 2nd and 3rd.

Friday night events, at the Sonora Caverns, included the celebration of the District 2-A1's Lions Eye Bank's 20th anniversary and the District Governor's reception. Over 125 local and area Lions enjoyed a barbecue supper, catered by Sutton County Steakhouse.

Lion Wayne Munn, Region Chairman, introduced the local presidents of the Lions Club, as well as District Governor, Bill Leach. Lion Leonard Hanson, Eye Bank Chairman, of Midland, gave a history of the Lions Eye Bank and its functions, followed by a testimonial speech, given by Lazaro Dominguez. There was a drawing for a \$100.00 face-value bond, presented by Ray Smith, President of Sutton County National Bank. The bond was won by Tillman Jennings of San Angelo.

The entertainment portion started off with a bang, with the "Wild

Bunch" performing a humorous skit, which included our Downtown Lion and former Postmaster, Jerry Landers, in "Court proceedings" and a "hanging!" The entertainment ended with the "Ol' Timers' Band," comprised of local citizens, following up with some down home country music.

The Cabinet meeting had an early start Saturday morning, with registration starting at 8:00 a.m. and the meeting beginning at 9:00 a.m. at the High School Auditorium. Reports followed the minutes and the treasury report, and included zone reports, reports from the Sight First Chairman, Sight Conservation Chairman, White Cane Chairman, Eye Bank Chairman, Diabetes Awareness and Pins Chairman, LCIF Chairman (Lions Club International Fund), Leos Club Chairman and a report on the Kerrville, and Texas Crippled Children's Camp. Each report given was very interesting and informative.

Past Governor Paul Palmer of Brownwood, a 100% Governor award and certificate. Governor Leach read a letter to Lion Palmer, recognizing him for his accomplishment. Mrs. Palmer had the honor of pinning on his award. The Lions are always looking to gain new members into Lionism, and as an incentive, District Governor is awarding a member who sponsors the most members during each quarter with a diamond Lion Ring, to be given away at each Cabinet meeting from now until April. That includes one given away at October's Cabinet meeting, one given away at the Mid-Winter Conference in January and the last one at the Cabinet meeting in April.

The first diamond ring, valued at \$450.00, was given away October 3rd to our local Lion from the Westside Lions Club, Lion Mandy Turk. Mandy sponsored 4 new members from July through September.

# Letters to the Editor

Almost a year ago, I picked up a flyer, either at the Post Office or at Thorps' Laundry, announcing the upcoming ECA course, sponsored by the Sutton County EMS. I was really interested in a basic first aid course, and maybe CPR. As a rancher, I was mostly concerned about what to do in the event of an illness or accident to an employee, guest, or hunter on the ranch. More than once through the years I've had to take someone to the emergency room for an injury, yet, I never really know how to deal with a true emergency.

The ECA course more than satisfied my desire for a first aid course and basic CPR. It was one of the most interesting courses I've ever taken. The course got into recognizing the signs and symptoms of almost every kind of medical emergency I could imagine, and how to deal with it until professional help is available.

At the time I had never considered joining the Sutton County EMS. This came as an afterthought, and my interest in learning more of what the ECA course offered. Several of my fellow students did, in fact, join the EMS, yet others simply walked away knowing more about how to deal with a true emergency.

Within 6-7 months after the course, I recognized the signs of a heart problem with someone on the ranch and was able to get this person to the emergency room, and alert a doctor of the impending emergency, giving him vital signs he would most certainly need to know. Had I not known how to recognize the signs and symptoms, I probably would have ignored what proved to be a real emergency! As it turned out, the person was transferred to San Angelo to a heart specialist, underwent a surgical procedure, and is now doing fine.

If you, or someone you know, is interested in learning CPR, or more about first aid, then I strongly urge you to contact the EMS personnel at 387-5132, or go by the EMS office at 211 E. 3rd and inquire about the upcoming ECA course to be offered October 7 through December 7. The classes are on Monday and Wednesday nights from 7:00 p.m. to 10:00 p.m. Pre-registration is required.

These are qualities that I have tried to carry with me into my adult life, and ones I hope to pass on to my children, Sydney and Griffin.

National 4-H Week, October 4-10, gives us a time to reflect on a program that brings a practical learning experience to the youth of America. The cornerstone of this youth organization, "learning by doing," has withstood the test of time.

Today, one out of every 10 Texas youngsters is involved in 4-H, and many of their learning experiences revolve around animals. Whether it's raising a pen of rabbits or feeding and grooming a market steer for the show ring, these young people are learning a strong sense of satisfaction and commitment that comes with tending and caring for an animal. Walk through a county fair or regional livestock show this fall and you will see that sense of duty and pride beaming from ear to ear.

But today, we also find that more than two-thirds of our children live in an urban setting, and so 4-H has changed with our shifting population trends. Nowadays, you might find a group of youngsters in downtown Dallas tending to a roof top garden, or kids in Houston working with natural resource or wildlife programs. Or it may be that group of youngsters in Austin learning leadership skills and group planning on a county recreational team.

4-H embodies all that is right with our country's young people - embodies their hopes and dreams for the future. But what's more, 4-H is helping them turn their hopes and dreams into fact and reality.

Texas agriculture is proud to take this opportunity to salute 4-H and all the extraordinary people who make it a shining success.

Sincerely,  
Rick Perry  
Commissioner of Agriculture

Dear Editor,  
Allow me to respond to Lazaro Dominguez "Ramblings" in last week's paper.

Lazaro, I was not including you and everybody that attended the Liberty Park celebration when I used the "Tio Taco" label. I was talking about certain elected officials and their group. (Although if the shoe fits, wear it.)

Lazaro, step outside your front door and take a good look around you. Next time it rains stand in your doorway and watch the rocks and dirt that wash down from the hill. Go out and take a good look at the streets (or lack of), the potholes where the ducks have made a home and the insect and snake infested weeds. This is what this group that you defend has gotten

you. If you and this group are willing to leave things as they are in exchange for a pat on the back or for fear of making somebody mad at City Hall, I'm not.

You are right when you say I have a chip on my shoulder, along with that chip are rocks, weeds, potholes, and last but not least, "lambuscos" (tío taco).

There have always been Hispanics in Sonora who have asked for our vote and then forgotten about us once they got elected. Once they are elected they are unwilling to pay the price to speak up for us. In my opinion they are the biggest problem facing Hispanics here in Sonora. It does us no good to have a majority on the City Council if two of them are afraid to do what is right. We need to hold them accountable or replace them.

That "bunch of delinquents and law breakers" that I went to bat for will be the first to tell you that what I was fighting for was equal justice for Hispanics in Sonora, not just a certain group. Next time you hear a Hispanic is being tried for a crime here in Sutton County go and count the "Real Hispanics" on the jury. I assure you that there will be more than the one token Hispanic on that jury. That Lazaro, is what I went to bat for at the "drop of a hat."

You say that I'm trying to draw attention to myself, maybe it is time I took credit for some things around here.

It has been less than two years since I was elected to office. When I went out and asked for the people's vote I promised them I would get them the representation they deserved within the city and promised them a voice in county government. I have done all that and before my term is up in two years we will have the representation on the school board that we deserve.

Tell me what that group that you are defending has done to make things right here in Sonora besides "pararse el quello," as the saying goes.

As far as "Glass Houses" go, find me somebody who has heard me deny who or what I am or pretend to be somebody I'm not. I did not run for public office to "straighten out" Ernest Barrera, I did it to straighten out Sonora. Like I told Louis Perez, Jr one day at the courthouse, that if "wannabe" leaders like him with their college degrees and good paying jobs would get some backbone and stand up for what is right, a plain sheep shearer like me wouldn't have to.

Gracias,  
Ernest Barrera

# Cards of Thanks

The family of Jim Luckie wishes to thank you for sharing our loss. The eulogy by Brother Don Jones, the singing and the noon meal, your visits, calls, words of comfort and prayers. A special thank you to Dr. Pajestka, Dr. and Mrs. Rogers and staff for their loving care. God bless each you richly.  
Hilda Smith

We want to take this opportunity to thank Edwina Gandar for all her time and help in preparing for the Quinceanera, and for being there for us. Edwina's name was accidentally omitted from the letter submitted earlier.

Words are only too few to mention for everything you did. Again, thanks and God Bless You.  
Mario, Amalia and  
Lori Ann Galindo

Thank you to the Sonora Volunteer Fire Department, Duke Fredrickson, Tony Renfro's family, Mark and Sheila Hemphill and anyone else that we didn't see, who helped fight our fire Saturday on the ranch.

# Students place at All-Region Choir tryout

Saturday was only the beginning for three Sonora High School students as they attended the first tryout to earn their place in the All-State Choir.

Twelve students from Sonora traveled to Stephenville for the tryout and the three who will go on to area tryouts are Carmen Burch, Jack Pruitt, and Jr. Odom. These three students will be trying out for the top five places in area on November 20 and will then perform in the All-Region Choir to be held in Granbury on November 21. The announcement of the area qualifiers will be made at that time.

"The competition was stiff as they competed with over three hundred students for the 96 voice All-Region Choir," said director John Zimmerman. "All of the students worked very hard but the competition was tough."

This year the students not only competed with Brownwood, Early, Fredericksburg, Stephenville and Ballinger as they have in the past, but due to the expansion of the district they also were forced to compete with students from Weatherford, Burleson, Cleburne and some other south Fort Worth schools.

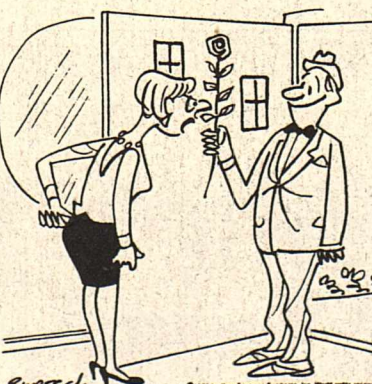

## Lions continued from page 1

There were two more drawings for \$50.00 face-value bonds, each. Ray Smith, President of Sutton County National Bank, presented these bonds to J.L. Werst, Jr., of Big Lake, and to Harland Brancel of San Angelo.

Meanwhile, the ladies of the Lions enjoyed a style show, put on by the Ol' Sonora Trading Post. Jimmy Cahill explained the processing of mohair and local citizens Honey Hicks, Mattie Nix, Margaret Cascadden, Shawn

"What is it now, Miller?!"

"You call that an apology?!"

Wallace, Katie Burge, Whitney Condra, Laura Brown and Amy Baker modeled beautiful outfits.

The meeting and the style show came to a close with a catered luncheon from the Sutton County Steakhouse in the Commons Area of the High School.

For the Lions' enjoyment, the Sonora High School Band performed 3 songs during the meal, and received a standing ovation for their wonderful talent.

## Disaster program

WASHINGTON - Producers applying for U.S. Department of Agriculture disaster payments under Phase II of the Disaster Assistance Program will be able to receive payments in a more timely manner. President George Bush had the payments in a more timely manner. President George Bush had the USDA extend the disaster sign-up and ensure that producers who qualify for benefits under Phase II and Phase III of the Disaster Assistance Program will receive a payment rate of 50.04 percent of the payments for crop losses approved for coverage.

U.S. Senator Phil Gramm said, "This streamlined approach will immediately provide funds for losses suffered in recent years. This will enable producers to meet current obligations and prepare for the new crop year. The stability of

agriculture is important to every American."

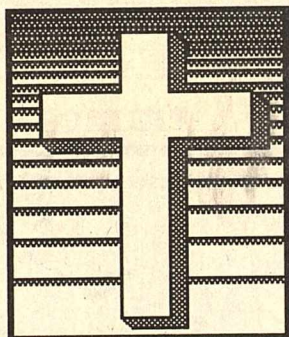

The Agricultural Stabilization and Conservation Service is extending the period for producers to file for benefits under Phase II of the program to Feb. 12, 1993, for those crops planted in 1991 for harvest in 1992. The original deadline was Oct. 2. Payment of benefits up to 50.04 percent will be made to producers as soon as they have furnished the required documentation and the application is approved by their local ASCS Committee. The extended sign-up period does not change the requirement for producers to purchase crop insurance on the same crop for 1993 if this year's crop loss was more than 65 percent, as required by the 1990 farm bill. The extension gives producers adequate time to file their claims under the disaster program.

The planning committee for Cub Scout Pack 19 met for three hours on Tuesday evening, September 29. A full year of activities was discussed, and many decisions were made, to keep the Cub Scouts and their families learning, growing and playing together.

February marks the birthday of Scouting, and Sonora's Pack 19 will celebrate on February 22 with the traditional Blue and Gold banquet. These activities, along with weekly meetings and occasional campouts, should ensure a memorable year for scouts in grades one through five in Sonora!

A flag-raising ceremony, in conjunction with the Bronco's 7:30 p.m. home game against Greenwood on October 23rd, is scheduled to begin at 7:10 p.m. Cub Scouts from all the dens will be participating, and the community is encouraged to be at the stadium early in order to watch these young men honor their country.

Cub Master for Pack 19 is Claudia Dempsey. Pack committee chairman is Carla Wilson. Serving as treasurer is Karen Padilla, with Kathy Hardgrave as Secretary and Public Relations Chairman. Advancement chairmen are Rhonda Hall and Patti Prather. Gus Ward is Charter representative. Committee members include all the den leaders, as well as Lisa Pajestka and Jackie McLaughlin.

On Saturday morning, October 24th, the Scouts will hold a bake sale. The time and location will be announced soon. And, on Saturday, November 14th, Sonora's scouts will participate in a nationwide Scouting for Food drive; please be generous, as all food stays here in Sonora to help those in need.

A special carolling hayride is being planned for December 13th; last year's hayride was one of the favorite activities for many of the scouts. The annual Pinewood Derby is scheduled for Saturday morning, January 23rd. Scouts will be able to work during the Christmas holidays and into January on a winning entry.

### Ask the Historical Society by the Sutton County Historical Society

Q. My name is Ann Ogle and I live at 835 S.E. Lambert Cir., Gresham, Oregon 97080. Can you give me any information on Dave Ogle? Family stories are that Dave was killed by his brother. Where is he buried?

A. Dave Ogle was shot through the head with a bullet from a Winchester rifle fired by his brother Bob Ogle. This incident happened at the Ogle camp south of Rocksprings in August of 1901. Bob was arrested, found insane and committed to an asylum in Austin. Dave Ogle was 37 years old at the time of his death and left a widow, two step-children and five children from his first wife, a brother Will Ogle and sister Mrs. Bill Guest.

We found that Dave Ogle shot and killed George Rich at Grandstaff Springs near James River in around 1882. Rich, with his brother, a tubercular, and his mother, were stopping temporarily at Creed Taylor's. They hailed from Tennessee, and were traveling for the sick man's health. Ogle lived a few miles away. His sister had a camp at the Springs, and when Rich called there on a visit and made improper advances, a quarrel developed, and Ogle, who happened to be present, shot and killed him.

In the Junction Courthouse there are records of Dave Ogle being involved in a few other incidents through the years.

In the Sonora Cemetery we find the grave of Dave's first wife, Lieucinda Arbell Davis Ogle, who died in 1899. We also find the graves of Will, Maudie B. and Angeline. In the death records we find that a Mrs. Lore Vicie Ogle and Pete Ogle are supposed to be buried in the Sonora cemetery. Ann Ogle states that Dave and Luther Ogle are supposed to be buried there also.

We checked the Rocksprings Cemetery records and our records and can find nothing on where their graves are located. If anyone knows where any of these people are buried, please contact the Sutton County Historical Society or Ann Ogle with the information.

We had several people question us about the location of the original well on our Courthouse Square. We have several pictures on file that we will be glad to show anyone if they would like to see where it stood. It was just about in the area where the little well was put up during the Centennial Celebration, not under the courthouse as several people have suggested.

Also, we have had several people ask us if there are going to be any more books written on Sutton County. We are happy to say, yes! We are currently researching a book on World War II, which will show stories on and letters from all the men who were written up in the Devil's River News. Also stories on rationing, Red Cross and other volunteer groups that aided the war effort. We have just started so this book will not be ready for at least another year. We still have a few copies of Sutton County 1889-1890, Sutton County Marriage Records 1890-1940, and "Bad Old Days" for sale. You can get the first two by calling us and "Bad Old Days" is carried by Westernman's Drug Store and the Ol' Sonora Trading Post.

If you have any questions regarding Sutton County history, send them to Ask the Historical Society, P.O. Box 885, Sonora, Texas 76950-0885 or call 387-5144.

## WTU offers economic development service

Boosting the area economy just got a little easier. West Texas Utilities Company now has available a new economic development service designed to offer significant incentives to new or expanding businesses. The service option was approved September 30 by the Public Utilities commission of Texas.

"The Economic Development service is a rate that offers a discount on electricity to qualifying businesses such as manufacturing and industrial facilities," said Paul Brower, vice president of marketing and business development for WTU. To qualify a new business would have to locate in WTU's service territory. An existing business would have to, among other things, add more employees and equipment to their operation and be served by WTU.

The amount of the discount a qualifying company could receive depends on the number of new jobs they create. An industry that adds 21 or more employees would enjoy the greatest discount.

The new rates will not mean higher costs for other customers. "Actually, other customers will benefit from improved economic opportunities which this service can help produce," Brower said.

The discount for a new or expanding business will gradually be phased out over a four year period, allowing time for the business to establish itself.

The service allows any community industrial development program within the WTU service territory to include the new

Economic Development service rate in their portfolio to attract and encourage new business and promote growth in existing business.

For more information, contact your local WTU office. The electric utility serves a 52,000 square mile area of West Texas that stretches from the Red River to the Rio Grande.

The epithet beautiful is used by surgeons to describe operations which their patients describe as ghastly, by physicists to describe methods of measurement which leave sentimentalists cold, by lawyers to describe cases which ruin all the parties to them, and by lovers to describe the objects of their infatuation, however unattractive they may appear to the unaffected spectators.

### Jordan Livestock Exchange Mason, Texas Monday • October 5, 1992

Receipts totaled 852 head. The dry condition which limited the amount of areas to ship cattle has kept the market rather sluggish. A good general rain would boost the market and give the oat and wheat fields a start and increase the availability of grazing for the stocker calves. Replacement heifers sold stronger than last week however the stocker cows and pairs were in short supply. A larger percentage of cows were either broke or weak mouth and mostly going to the packers.

*A strong paper with a strong purpose*

## We're back!

Caballo Diablo is the name given to the Sonora High School newspaper.

We make a return this year after an absence of six years. Our goal is to appear in the Devil's River News every two weeks to inform S.H.S. students and Sonora townspeople of the happenings within the school.

Our aim is to present news in an unbiased manner. Viewpoints, however, will be presented only after a careful study of the issues has been conducted, and the views may not reflect those of the school or administration. The paper, then, is a school paper, one where issues will be explored, questions raised, and comments given when necessary. This is vital in a society that values a free press.

Personally, I would like to thank the following people for helping to re-establish Caballo Diablo: Superintendent Charles Russell and S.H.S. Principal Jerry Hopkins for recognizing the value of a newspaper to a small school and community environment; and DRN Publisher Molly Zimmerman for allowing us to publish within the pages of the Devil's River News.

Sincerely,  
Kirk Macon

## A little R & R Teachers see the nation during the summer time

Vacation time for the high school staff and their families was varied and at times chaotic.

Math teacher Rita Hale went with her family to spend two weeks in a cottage in Maine. They had a "great" time skiing, fishing, white water rafting, and even went for a ride on a sea plane. Among her adventures were missing her plane in Boston and having to spend the night, being chased by a stranger and her son getting stuck while canoeing.

English teacher Selina Galbreath had a good time while visiting family in Denver, Colorado. She visited Estes Park, The Botanical Gardens, the Museum of Natural History, and the Denver Zoo. Mrs. Galbreath also made a new friend from England. She experienced rain,

then snow, then sunshine in the same day at Rocky Mountain National Forest.

Principal Jerry Hopkins enjoyed a summer vacation in Branson, Missouri. He spent four days there. This was the first time he visited what some people believe to be the country music capitol of the world.

Business teacher Gaile Cade traveled to Frederick, Maryland. She saw the Orioles play the Rangers in Baltimore. She admired George Washington's dining room, touched the Liberty Bell, picked blueberries in Gettysburg, and sat on Thomas Jefferson's front porch at Monticello. She said that Maryland was clean, beautiful, and "the footsteps of history follow you everywhere."

## At SJHS Block schedule allows flexibility

The Sonora Junior High has recently adopted a new block form schedule. The idea for this new concept was found in a teacher workshop.

The change had to be presented to the State Board of Education, which allowed Sonora Junior High to be a model for surrounding schools.

The new schedule is made up of an eight-period day. The eight periods can be changed everyday.

The schedule can be even numbered classes, odd numbered classes, or both even and odd.

There are several classes that don't change, such as skills class, Channel One, the athletic programs, physical education, and other electives.

The new block schedule is a program which gives all teachers the equal opportunity to be with their students throughout the week.

There are teaching teams that meet daily to discuss the schedule for the next day.

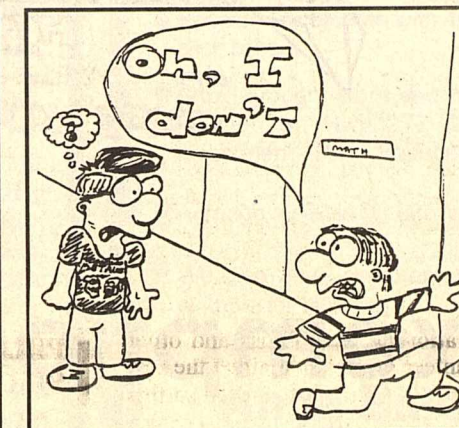

The block schedule allows time for long assignments and fieldtrips, according to Principal Janet Patton.

Several area schools, including Fredricksburg, are currently experimenting with the block schedule format.

## Speech, drama wins at WTSU camp

The first of many clubs to get started in Sonora is the drama club. The speech and drama students attended a speech and debate camp at West Texas State University in July.

During the last seven days of the camp, students competed in a speech tournament. Shawn Wallace placed second in prose, Michelle Pruitt placed third in humorous acting, and Roy Ivy placed fourth in poetry. Earning Superior and Excellent ratings in all their events were Becca Fields, Matthew Hunt, and Chris Scott. They placed third overall at the camp. Sonora competed against 5A schools from Dallas and McAllen.

# Who's new

Two teachers, five students say hello to Sonora High School

Sonora High School welcomes all new students and teachers.

Charles T. Carroll is an English teacher at Sonora High School. He attended and received his bachelor's and master's degrees at Texas Tech University.

Carroll is originally from Sonora. He moved back to Sonora after living ten years in Lubbock. Carroll and his wife Melissa, a third grade teacher in SISD, moved to Sonora because they like the town. One of the reasons is that they liked the cordial atmosphere and decided to move to Sonora instead of staying in Lubbock.

"I enjoy teaching and think my job is very important, or I couldn't do it. I like to teach and accelerate curriculum, presenting as much information as I can and allowing students the opportunity to use it. The Seniors at SHS have responded very positively to this approach, and I hope they continue to do so. I also like to have my students write just a little bit!" says Carroll.

Jay Hufstедler is the world history teacher and head basketball coach at SHS. Hufstедler graduated from Ozona High School in 1979. He received his undergraduate degree at Angelo State University and masters at Sul Ross State University. According to Hufstедler, he came here because Sonora has an excellent tradition

and the school is competitive. Mr. Hufstедler and family like it here because most of his relatives are just 36 miles away (Ozona).

Hufstедler enjoys teaching because it gives him a chance to have positive influences on many students.

## Mill and cabinet making, medical terminology

### New courses teach practical skills

Sonora High School has two new classes this year. One of the new courses is mill and cabinet making.

Reggie Williams, class teacher, said hopefully in ten years, students will be able to have their own shop.

Students are learning to build different cabinet styles, and Formica counter tops. According to Williams, "There's not room for students who are not serious."

The other new class is medical terminology/nurses aide. It is directed to students who are

pursuing a medical career.

Mrs. Ada Castilleja, the school nurse, has been hired to teach the class. Mrs. Castilleja hopes to be able to encourage students to go into the medical field and perhaps someday work for our community.

## Class officers assume posts upon election

Class officer elections at Sonora High School were held recently.

The following is the list of officers, along with classes they represent.

- Seniors
- President Pete Perez
- Vice President Shannon Escalera
- Secretary Carmen Chavez
- Treasurer Stephanie Roberts
- Juniors
- President Tabby Sanchez
- Vice President Cole Crenwelge
- Secretary Jenny Purvis
- Sophomores
- President Sandra Gonzalez
- Vice President Ruben Lomas
- Secretary Robert Trevino
- Freshmen
- President Levi Pool
- Vice President Sam Odum
- Secretary Lilly Trevino

## GAA elects officers, signs up for duties

The Girls Athletic Association (GAA) met August 31, 1992 to elect officers and sign up for football lockers covers and senior scrapbooks.

The officers elected are as follows:

- President: Juanita Gandar
- Vice-President: Amy Patton
- Secretary: Callie Moore
- Treasurer: Elaine Ortiz
- Senior Representative: Cristina Ramirez
- Junior Representative: Yvonne Mata
- Sophomore Representative: Mary Gail Galvan
- Freshmen Representative: Kelly McKnight

The GAA's promote many spirit filled activities for Sonora High School. Activities include decorating lockers, the senior athletes' scrapbooks promoting class spirit at pep rallies; selling programs at football games, the Halloween cake walk and locker stickers for students involved in UIL competition.

Any student interested may pay a \$2.00 dues to Mrs. Churchill or Elaine Ortiz.

## Exemptions

Hopkins: 'a motivating factor'

Permission to be exempt from Sonora High School semester exams was granted to juniors and seniors who meet specifications by the State Board of Education this summer.

The specifications are as follows: the student maintains a C average, and has no absences; a B average, and has no more than three absences; or an A.

"I think they'll prove to be an important motivating factor that

will improve the student's grades and attendance," Principal Jerry Hopkins said.

Of course, there are rules. Each student must take at least one exam in a solid subject, except graduating seniors on their last semester.

Students forfeit the exemptions for repeated unacceptable misconduct, unexcused absences, or excessive tardies throughout the semester.

Take story ideas, creative or news, to Mr. Macon (room 215 or 217) at the high school or call 7-6533.

## PUBLIC NOTICE

TEXAS DEPARTMENT OF TRANSPORTATION  
**PUBLIC NOTICE AWARD OF CONTRACT AND REQUEST FOR STATEMENTS OF INTEREST FOR THE TEXAS LOGO SIGN PROGRAM**

In accordance with Texas Civil Statutes, Articles 6674a et seq. and 4477-9a, Section 4.07, and Title 43, Texas Administrative Code, Sections 25.400-25.408 (43 TAC §§ 25.400-408), the Texas Department of Transportation is seeking statements of interest from a person, firm, group, or association in the State of Texas for the award of a contract to erect, maintain, lease and market signs and sign space to commercial establishments for the purpose of giving specific information of interest to the traveling public including specific brand names, at appropriate locations along interstate highways in each county with a population of less than 20,000.

Prospective contractors will be required to meet the prequalification requirements as provided by 43 TAC §§25.400-25.408 (published in the June 9, 1992 issue of the Texas Register, 17 TexReg 4160 - 4167; correction of error published in the June 19, 1992 issue of the Texas Register, 17 TexReg 4481; final adoption to be published in the October 9, 1992 issue of the Texas Register). These sections were adopted by the Texas Transportation Commission on September 29, 1992 and will become effective October 20, 1992.

Statements of interest will be used to determine if a person, firm, group, or association in the State of Texas is prequalified for bidding on the Texas LOGO Sign Program contract. Any party interested in becoming prequalified to bid on this contract will be required to submit an introductory letter and a statement of interest. Introductory letters and statements of interests may be sent by registered mail or hand delivered, but must be received at the office of Mr. Mark Thorp, Project Engineer, by 5:00 PM, Central Standard Time, November 23, 1992. Mr. Thorp's address and telephone number may be found at the end of this notice.

Introductory letters and statement of interests will not be accepted if submitted by facsimile messages or telegrams. Each statement of interest will be reviewed and only those parties meeting the prequalification requirements as prescribed by 43 TAC §25.403 will be issued bidding proposals and invited to a pre-bid conference. Bids will be opened December 15, 1992 after 1:00 PM, Central Standard Time.

**PREQUALIFICATIONS**  
For information concerning the introductory letter and statement of interest please contact the project engineer at the address as listed below. As a part of the statement of interest, a financial statement will be required. Information concerning forms for submitting the contractor's financial prequalification statement, instructions as to filing these forms with the Department, copies of plans, specifications, 43 TAC §§25.400-25.408, and other information may be obtained by writing:

Director of Maintenance and Operations, Texas Department of Transportation, Attention: Mr. Mark Thorp, Project Engineer, 125 East 11th Street Austin, Texas 78701-2483 or may be obtained in person at the office of:

## 8th Grade Colts fall to Wall

by Breg Hughes

The 8th grade Colts lost a hard-fought battle Thursday night against the Wall Hawks, 46 to 28. On Wall's first possession, they drove hard and scored, but failed to make the 2 point conversion. Sonora kept the ball through the rest of the first quarter, but did not score. 30 seconds into the 2nd quarter, Joey Gandar burst through Wall's defense with a 40 yard touchdown run. On Wall's next possession, they drove through the Colts' tough defense and scored, failing to make the 2 point conversion, but leading the Colts 12 to 6. With 52 seconds left in the 1st half, Justin House took the ball in from three yards out. The colts then failed to make the 2 point conversion, ending the first half tied 12 to 12.

The third quarter Wall kicked off to Sonora. Joey Gandar returned the kick for 35 yards. The Colts drove hard, with Gandar scoring. They then got their 2 point conversion when Andy Mirike pitched out to Gandar on an option. Wall then got the ball, drove and scored, making the 2 point conversion, with the score Hawks 20 - Colts 20.

On the kick-off return, Joey Gandar fielded the ball on the 25 yard line and broke tackles until he bolted through the Hawks defense to score with 5:24 left in the game. The Colts took the lead 28 to 20.

Wall got the ball, and again, drove hard and scored, but failed on the 2 point conversion. The Colts got the ball with 2:30 left in the game and fumbled, giving the Hawks the bill at the 3 yard line.

## 7th Grade ties Hawks

by Tanner Fields

Last Thursday evening, we started off a great game against the Wall Hawks. We ran, mainly with Steven Gandar and Zach Perez, gaining a total of 177 yards. Zach Perez gained 84 yards on 13 carries; Steven Gandar picked up 86 yards on 16 carries and Dustin Harris picked up 7 yards on 1 carry. Justin Morely threw 2 passes and completed 1 of them to Zach Perez on a 10 yard gain. Steven Gandar took a pitch down the sidelines for touchdown with 25 seconds left in the first quarter. On the two point conversion attempt, we were stopped only a little short of the goal line.

Sonora's defense collapsed, giving up three touchdowns, ending the game 46 to 28.

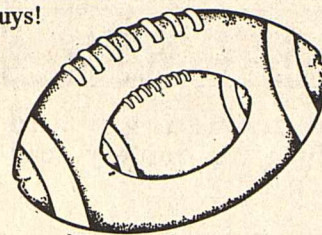

Andy Mirike threw 3 for 7 for 16 yards and one interceptions. Justin House caught 2 passes for 14 yards and ran for 25 yards on 5 carries. Caleb Barker caught 1 pass for 2 yards and ran 22 yards on 4 carries. Joey Gandar rushed for 110 yards on 8 carries. Andy Mirike rushed for 47 yards on 2 carries. Walker

On defense, we held them to only one score and stopped them on the two point conversion attempt, making the score 6 to 6. Steven Gandar made four tackles and recovered 1 fumble. Kasey Wood did a great job of getting on loose balls, recovering 2 fumbles. Number 20, Zach Perez had 3 tackles. The Colts played a good all-around football game. The final score was Sonora 6 - Wall 6.

Next week the Colts take on the Eldorado Eagles in Eldorado at 5:00. It's not too far to drive to Eldorado, so try to make it out.

Wallace had 11 yards on 3 carries. On defense, the Colts had 58 tackles, Caleb Barker had 13 tackles and 1 interception. Justin House also had 1 blocked punt.

Coach Heryford said, "the offense played hard and it came down to whoever scored last, and Wall did." The 8th Grade Colts will take on Eldorado next week. Good Luck Guys!

night at 8:30 o'clock at the High School auditorium. The Valedictory address will be delivered by Fannie Sellman, who made the highest average of the year, and the Salutatory address will be given by Addie Thorp, whose scholastic average was three-tenths of a point lower than Miss Sellman's. Richard Boughton made the highest mark for the boys.

**SONORA HIGH SCHOOL BAND GIVES PATRIOTIC PROGRAM MONDAY NIGHT**

**Sonorans Get Money's Worth and Hear Good Music, Too**

The Sonora Band was presented by its director, Roland Howell, in a patriotic Concert Monday evening at the High School auditorium. A large Defense poster centered the back of the stage and was surrounded with a drop of red, white and blue streamers. The podium was draped with the United States flag.

The concert was opened with the Band playing "Stars and Stripes Forever" by Sousa, and

"Washington Post" by Sousa. These two numbers were directed by Miss Addie Thorp. "Flag of the Free" by Buchtell was sung by Misses Sammie Jeanne Allison, Edith May Babcock, and Betty Taylor, which was followed by the Brass Sextette playing "Two Admirals Overture" by Skornia and "Memories of Stephen Foster" by Foster. "The Army March" and "National Emblem March" by E.E. Bagley were the numbers played by the band before intermission.

Miss Jamie Trainer, who was accompanied by Miss Peggy Gilmore played a saxophone solo. Mrs. Roland Howell accompanied Miss Martha Jo Moore, who taped, and the band played "Immortal Legions" by George Keenan. Miss Margie Crowell read "Uncle Tom's Cabin," which was followed by "Glory of the Trumpets" by Brockenshire and "Chalma Waltz" by Harrold Bennett, which features the Flag Swinging Quartette. "March Relegiso" by Chambers, "Phantom Trumpeteers" directed by Miss Jamie Trainer, and "Youth of America" by Paul Yoder, sung by the Girls Trio, preceded the closing number.

The closing selection, "National Anthem," was played by the entire band. As this number was being played, the United States flag was

projected on the screen.

Members of the Senior Band include: Wayne White, Don Nicholas, Hilda Mae Luckie, Aubrey Loeffler, R.W. **He is Only A Boy**

Please don't curse the boy down there.  
He is my son you see.  
He's only just a boy you know.  
He means a lot to me.  
I did not raise my son, dear fan,  
For you to call him names.  
He may not be a super-star,  
It's just a high school game.

So please don't curse those boys down there,  
They do the best they can.  
They never tried to lose a game.  
They're boys and you're a man.

The game belongs to them you see.  
You are just a guest.  
They do not need a fan like you.  
They need the very best.  
If you have nothing nice to say,  
Please leave the boys alone.  
And if you have no manners,  
Why don't you stay at home.

So please don't curse those boys down there.  
Each one's his parent's son.  
Win or lose or tie you see,  
To us they're "NUMBER ONE."

## TEEN SCENE -1972

The Bronco Band returned from Ballinger last Friday night with a U.I.L. Sweepstakes trophy, the first in the history of Sonora High School. The group, under the direction of Mr. John Butterfield, received first division ratings in both their concert and sight-reading performances Saturday which, added to their first division in marching, brought them Sweepstakes honors.

-SHS-

The Broncos competed in the annual San Angelo Relays last Friday and Saturday afternoons and returned with 53 points for first place in Division IV of the relays.

Bruce Kerbow scored the largest number of points for the team, placing first in the 120-yard high hurdles, 330-yard intermediate hurdles, and the high jump, and breaking records in the latter two events.

Steve Street won the 100-yard dash with a time of 10.2, followed closely by Richard Bernal, who came in with a time of 10.6 for fifth place. The sprint medley relay- Jimmy Galindo, Tryon Fields, Richard Bernal, and Wade Richardson- placed fifth, while the mile relay came in second. The 880-yard relay-Wade, Wesley, John, and Steve- placed first.

The boys will be going to Mason to compete this Friday.

-SHS-

The tennis team also did very well in their competition in Iraan last Friday. Carol McAllister won both of her matches and placed first in girl's singles. Others who won their first matches to get into the finals were Cora Pope and Scott Campbell, singles; Debra Tittle and Michelle Rousselot, Frank Taylor and Rick Street, doubles.

The group will be competing in Mason next Wednesday, April, 5, for district honors.

## TEEN SCENE - '72

The Broncos travelled to Mason last Friday and took second place in the track meet.

Bruce Kerbow placed fourth in the high jump, second in the 330-yard intermediate hurdles, and first in the 120-yard high hurdles with a new record. Steve Street placed first in the 110-yard dash and second in the 220-yard dash, while Wesley Richardson placed first. Wade Richardson placed first in the pole vault, and Larry Cade placed sixth. John Weston took fourth in the long jump; Richard Bernal took fifth in

the shot put and Jimmy Galindo sixth in the 880-yard run.

The 440-yard relay came in first, the mile relay fourth, and the two-mile relay came in fourth.

Saturday the boys will go to Eldorado for the district track meet.

-SHS-

The tennis team will be competing in Mason against other district players, and the golf team will go to Iraan for a pre-district tournament this Thursday.

-SHS-

The one-act play cast will perform for the high school Friday morning at 11. They are doing a cutting of William Shakespeare's 'A Midsummer-Night's Dream', and will perform at 5 that afternoon in Eldorado along with presentations from other schools in the district.
