Sonora officials attend conference in Houston

A delegation of Sonora's elected and appointed officials has returned from a training and economic development trip to the Texas Municipal League (TML) 80th Annual Conference in Houston. The group attended a series of intensive municipal government training sessions, and used the opportunity to host a hospitality reception to promote tourism and economic development in Sonora.

The delegation consisted of Mayor Lemuel Lopez, Mayor Pro-Tem Margaret Cascadden, City Manager John L. Pape, City Secretary Becky Covington, Public Works Coordinator Jim Garrett, City Attorney Beth Wallace, Fire Chief Carl Teaff, and Assistant City Secretary Patti Prather. All received professional training in their respective duties, as well as being exposed to the latest technology and methods for the delivery of municipal government services.

"Most of our staff members are required to obtain annual training hours," Pape said, "and the TML conference typically provides all of the necessary training. Since the staff needed to attend to receive this training anyway, we decided to take the opportunity to promote Sonora."

Over 600 tourism and economic

development prospects, including officials from the Texas Department of Commerce and the Texas Tourism Commission, attended the hospitality reception. As a result, numerous inquiries about Sonora were generated.

"As soon as we returned home, the staff started sending out numerous pieces of information that had been requested by people attending the reception," Pape explained. "Much of it was tourism-related inquiries about the Caverns, hunting, and the golf course. We generated a great deal of interest in Sonora."

Pape also noted that a number of possible business contacts were made, most of which expressed interest in Sonora because of its excellent location for distribution operations. By hosting a reception at a major convention, city officials had the opportunity to promote Sonora on a personal basis to several hundred persons.

Assisting in the reception were spouses of the city officials, including JoAnn Pape, Jim Covington, Allan Prather, and Melissa Teaff. The Sonora Chamber of Commerce provided technical support for the event, and the cost of hosting the reception was underwritten by local merchants and businesses.

Extension Agent-Home Economics named for county

Kelly Lewis has accepted the position of Sutton County Extension Agent-Home Economics, according to a joint announcement by County Judge Carla Garner and Mrs. Gloria Schwarzlose, district Extension director.

Ms. Lewis' employment will become effective Oct. 26.

She was previously employed as a therapist technician at the Guadalupe County Mental Health/Mental Retardation Center in Seguin. She holds a Bachelor's degree in home economics, specializing in family and child development, from Southwest Texas State University. From 1989 through 1991, she conducted laboratory work and observation at the Child Development Center at Southwest Texas State University.

She is a member of the Child Development Association at her alma mater and of the Texas

Council on Family Relations in Dallas. She is a native of Mart, Texas, near Waco.

Ms. Lewis will work with county program planning committees in coordinating home economics and 4-H activities in Sutton County.

HOMECOMING 1992 - Laura Chalk, 1991 Homecoming Queen, congratulates Annette Gamez, after she was named Homecoming Queen during half-time activities Friday.

Library needs topic of commissioners meeting

A regular meeting of the Commissioners' Court of Sutton County was held on Monday, October 12, 1992.

Gloria Schwatzlose with the Extension Service Department presented Kelly Lewis for consideration for County Extension Agent of Home Economics. A motion was made that Kelly be hired for the position effective October 12, 1992.

Beatrice Takas with the Big Country Library brought forth a presentation to discuss the possibilities of having an advisory board for the library.

Mike Villanueva recommended that the subject be tabled until the next meeting.

In discussion regarding the library, County Judge, Carla Garner, found that the deed states "this [building] is conveyed to

Sutton County from Leroy and Marie Aldwell for the use and benefit of the Sutton County Library or other similar local public library." The commissioners were

One vehicle roll-over injures two Sonorans

A one vehicle roll-over early last Saturday morning resulted in injuries to two Sonora residents.

Michael Harris and Kelly House of Sonora were traveling on the I-10 service road sixteen miles east of Ozona when the accident occurred.

Harris, the driver of the 1979 Blazer, fell asleep and drifted off the roadway to the left, then overcorrected causing the vehicle to

skid sideways and roll one and a half times before coming to rest upside down.

Harris and House were taken by ambulance to Crockett County Hospital where Harris was treated and released. House was later transferred to Shannon Memorial Hospital in San Angelo where she remains in stable condition.

ON THEIR WAY - The Broncos continued down the road to victory as they defeated Colorado City 37-6. The Broncos are now 5-0 for the season as they prepare to meet Kermit next Friday.

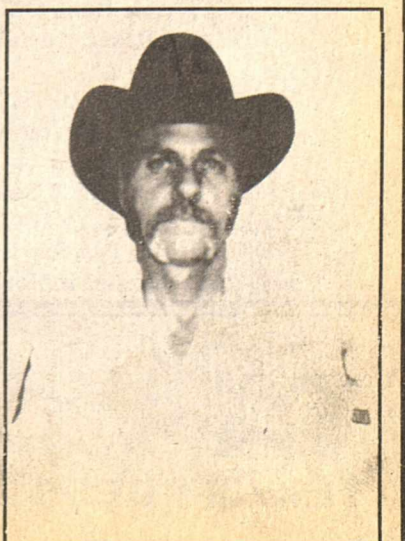

FIREMAN'S CORNER

Devil's River News Fireman of the Week

George Keese

Letter to the Editor

Dear Mr. Barrera:

You did me an undeserved honor by calling my protest against your high handed put down of our activity at Liberty Park, "Rambling's," for you remember that the gentleman that used to write the real "Rambling's" column is a professional, already published writer, and a poor, semi-literate ditch digger like me in no way compares to him.Or perhaps you did this "tongue in cheek", using "the weapon of the witless", ridicule. In that case, I believe I can live with that, for I well realize what I am; just a poor peasant trying to make it in a harsh world, which is what most everyone else is trying to do. I followed your sage advice and went out and looked at our streets in our "barrio", and really, they look more used up than the streets in the rich part of town, but that has its logical reasons behind it.

The streets of our part of town carry, to a great extent, most of the heavy oil field traffic; that is, tool, equipment, and crew carrying trucks, plus not a few oil field fluid carrying trucks, therefore that would wear out the pavement a lot faster than would the light passenger vehicle traffic that uses the streets on the north part of town. This is

an undeniable fact, in spite of the fact that all our streets are sealcoated year after year: These streets, of course, are sealcoated one section a year, that is, one section this year, and some other section the following year, and so on down the line.

Now, why do these afore mentioned heavy trucks travel mostly on our side of town? Very logically, it is because both the drivers who operate these trucks and the crews who work from these trucks live in this section of our town! Quite simple, isn't it? Now as to the lake of standing water you mentioned, there exists, to be sure,

that beautiful tourist attraction, and guess where it is located? Why it is located at 710 St. Ann's Avenue, right in front of your dearest friend's "home". Isn't that wonderful?

About the rocks, dirt and other debris that washes down the hillsides when it rains; there is only one thing you could do to prevent that from happening; go up to Heaven and lobby for the repeal of the law of gravity. Do you feel up to doing that little thing, bubba? Heh! Heh! Heh! I thought not.

Now really, Barrera, this is really getting ridiculous! I'm sure that the "Letters to the Editor" column was

not created so we could carry on our silly "Squabble by mail" campaign, but for things more positive and constructive, so lets you and me both definitely cease and desist from this ongoing foolishness. We, whether you realize it or not, have become the laughing stock of the whole township, and I, for one, refuse to demean myself by carrying on this idiotic activity any further. You may reply or not; suit yourself, but this is definitely the last letter I shall write on this matter!

Yours very truly,
Lazaro Dominguez
718 Saint Ann's Avenue
Sonora, TX 76950

P.S.

I will remember the first time I came to live and work in Sonora, back in 1949: The streets in the "barrio" were unpaved, there was virtually no inside plumbing in Mexican homes. No one except a few "Mex" merchants and sheep shearing captains had phones, etc. We've come a long way, baby, if you want to look around yourself.

Dear Editor,

The 1970...1979 Alumni Association would like to thank the following individuals whose contributions of time and/or property helped to make our Homecoming float possible:

Brad Hughes, who put together the frame for our "football";

Barry and Broncho Ford, for allowing us to park our float inside the showroom to protect it from the elements;

Ed Farr, for assisting in the parking and moving of the float and for securing the football to the frame;

Tryon Fields, for the use of his truck; and Maggie Davis and Gerry Ingham, for the use of their trailers;

Bruce Kerbow, for hauling all of us through the parade and then down the main drag.

Thank you to all of the people who helped "pomp" the football. The small, but determined crew really did put each piece of tissue paper on, one at a time. Special thanks to Jeannette and Walker Thompson and James Barton, whose help was unexpected and certainly appreciated.

Last, but certainly not least, thanks goes to David and Beth Wallace whose donation of the balloons was a real hit with the kids along the parade route and after the parade ended.

A "Perfect World" with "Perfect Answers"

What is the legal age for responsibility?

by M. Zimmerman

One thing we all have in common is "teenagerdom." I willingly take full credit for this, dare I say, *word*, as it best describes the phase one goes through in life as they near adulthood.

It would be a perfect world if, when we were teenagers, we could have all the advantages of being a responsible adult yet still maintain the irresponsibility of youth. This is exactly how I feel about the events that led to a student response in a Letter to the Editor in this week's paper.

Since it was unclear what "mudslinging and humiliation" mentioned took place, we took the initiative and phoned a few of the students who signed their names to this letter. Though many knew nothing about it and had their names signed without their knowledge, we finally found some of those who took part in the composition of the letter.

They explained that the letter was directed at all local media (meaning the newspaper and radio) and also at the police department. It seems some of our readers feel that a great injustice has been done by releasing the names of the young men involved in a burglary at the Golf Club Pro-Shop last week.

Is it because one of the fellows was on the football team or was he supposed to have a special permit to steal at will without repercussion?

Part of becoming an adult is to take responsibility for your own actions. In this case both of the subjects involved were of legal age, charges had been filed as of press time and their names were released. Look around you kids. This is real life. You mess up...you pay the

I would like to suggest that, in future years, we have the parade before the Homecoming game. I feel we would get a lot more participation from the community at large by parading with our team to the football field. It would be nice to see floats representing each school class and club.

Each year the Homecoming celebration gets a little better. We, as a community, have never been fond of change and it does take a while for us to accept new ideas. I must say that "Only In Sonora" can you find people who are willing and stubborn enough to keep trudging forward.

Finally, a big salute goes, deservedly, to Joyce Chalk, who each year takes on the responsibility of organizing this all-class reunion. Her efforts to promote this celebration of Sonora's grand football tradition and to bring together Sonorans, past and present, are appreciated. Thanks, Joyce.

Brenda Bartz Valliant
Class of 1978

Dear Devil's River News,

We the citizens of Sonora aware that Dr. Dobson's program, *Focus on the Family*, is now being heard on our local radio station? Tune in at 8:30 a.m. every morning for 1/2 hour of interviews and discussions of interest to the family.

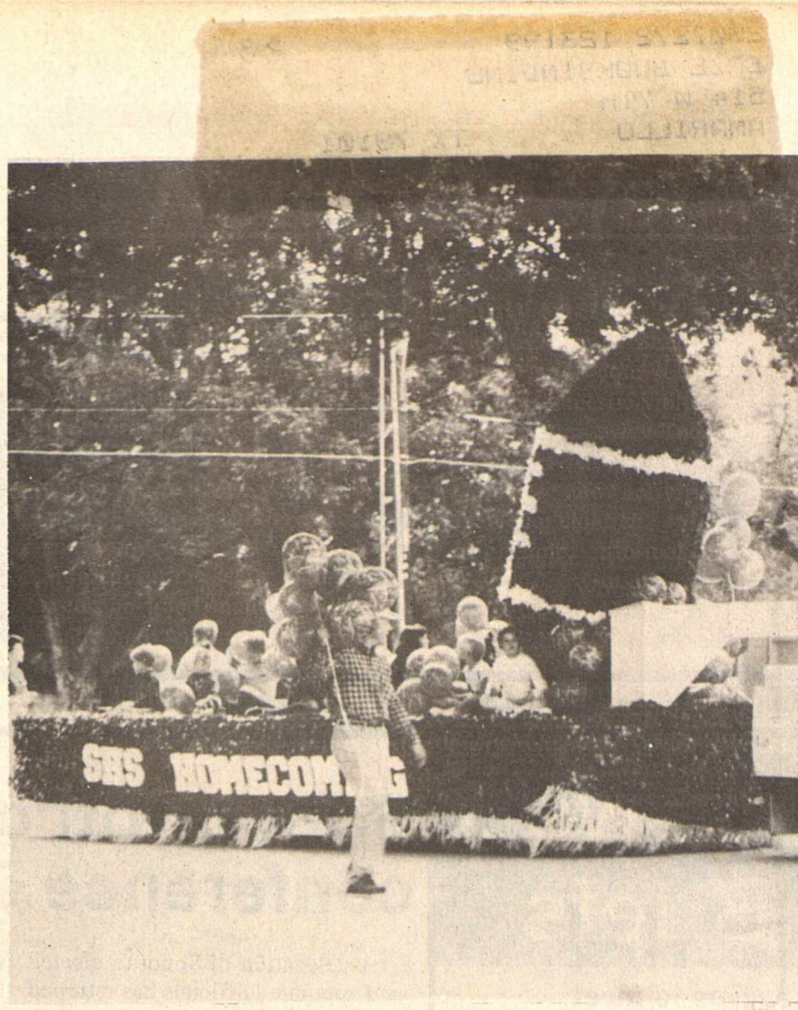

Thank you Dr. Rogers and our friends in Ozona for your sponsorship.

Dorothy J. Graham
Sonora, Texas

Dear Editor,

We, the students of SHS as signed below, do now take the opportunity to express our dissatisfaction with the way that one of our fellow classmates Armando Robles' action have been publicized. Let it be clear that we in no way consent to his actions and do hereby acknowledge the attempted burglary is wrong. What we do protest is, the constant mudslinging and continual humiliation that has continued to this day. The severity of this would not be noticed if other acts resembling this one or those of a more serious degree would have been equally publicized. We are also angered that it is so obvious of the double standard that is clearly present.

Sincerely,
The following SHS students,
Names not printed - names on file

SHS CLASSES OF THE 70'S - David Wallace hands out balloons during the Homecoming Parade last Saturday.

Card of Thanks

"Good people will be remembered as a blessing." Proverbs 10:7

Our sincere thanks and appreciation to all who shared in our moment of sorrow. May God, whose love is everywhere, bless all of you who sent flowers, food, cards and meal after the service and shared in our time of sadness.

Your calls and prayers will always be remembered. Although our beloved one has

passed beyond our present light, may we all take comfort in knowing that now he lives forevermore in God's eternal light.

May God bless you all and be forever at your sight.

The family of Eduardo Guajardo, Francisca Guajardo, Rudy Guajardo, Alicia and Pedro Virgen, Estella and Carlos Carvajal, Nelson & Noelia Guajardo, his grandchildren and great-grandchildren.

News Briefs

UYF

United Youth Fellowship (UYF) will meet at First United Methodist Church each Wednesday from 6:00 - 7:00 p.m. UYF is an ecumenical group, open to all youth, 6th grade through high school seniors. There will be a program for the senior high this week on good manners. The junior high will have a program on peer pressure. Next week the senior high will go to the steak house for dinner and the junior high will bake pizzas in the church kitchen.

Family shelter

The ICD Family Shelter holds support and counseling for victims of domestic violence and their supporters every Tuesday at 7 p.m. The sessions are open to the public and activities are available for children.

For more information call 655-5774. Outside of San Angelo, call toll-free 1-800-749-8631.

To submit information to be included in News Briefs, bring it to 220 E. Main or call 387-2507 and ask for Sheryl.

PRINTED. If you want the same responsibility as an adult then you must be willing to accept the same consequences.

The staff here does everything humanly possible to cover all areas of news, good and bad, without discrimination. As I spoke to one of the students on the phone it was pointed out to me that some other "adult" students did not have their names released in the newspaper earlier this school year after they vandalized some vehicles parked at the high school. I checked back through our records and you were right! The names of these fine young men were withheld at the time because charges were not yet filed. We made a mistake by not following up on the story and releasing the names the following week.

I suppose we should clarify that Mr. Robles and Mr. Duenez were not actually attempting to burglarize the Golf Club Pro-Shop, they did burglarize it. They were charged with Burglary of a Building and each posted \$5000 bond. It is true that you are innocent until proven guilty, however, to put it simply, they were caught in the act.

These young men acted irresponsibly and will be punished for their actions. They broke into a private business, stole items from that business and must now face the consequences. I find it hard to believe that they were thinking of anyone else but themselves when this crime was committed.

I doubt that your "friend" ever thought once about the bad mark he was placing on his high school or teammates, yet the students signing this letter feel a need to protect him from "unfair" treatment.

well written and it would be wonderful if we could get more input from the students at S.H.S. I hope to see more of these letters in the future, but I hope they will be focused on more positive views.

Why is news NEWS when it concerns someone we don't know very well, or at all, but when it concerns someone we are close to then it is considered a matter of mudslinging? Sonora is a small close-knit community, and because of that we are more closely affected by the events that happen. Nevertheless, when news happens, it is the responsibility of the newspaper and/or radio station to relay it in the most professional manner possible and in this case I feel that this has been done.

I personally would like to take this opportunity to say how proud I am, all of Sonora is, of Trini Banda for stepping in and doing such a great job last Friday.

Try to focus your energies on rewarding those who deserve it and pay less attention to those who don't. We live by rules in order to make our world a civilized place that is safe for everyone.

Any injustice done was not by the media or police department; it was done by those who committed the crime.

The employees of this office are certainly not without fault but we do the best we can to keep an open mind and report the news honestly.

Who knows, someday one of you could be sitting in this office facing a similar situation. Maybe by then one of you will have found the "Perfect World" and will have all

MEMBER 1992

TEXAS PRESS ASSOCIATION

STUDENTS OF THE WEEK - These students were recently honored with a pizza party for being outstanding students at the Sonora Intermediate School for the first six weeks.

Intermediate School Students receive award

For the 1992-93 school year, the teachers in the Intermediate School are designating one child, in each grade level, each week, to receive the **STUDENT OF THE WEEK** award. These students are chosen on some of the following criteria: Progress is satisfactory, they are organized and prepared for class, maintain a good attitude, are

self-motivated, put forth much effort, cooperate with classmates, and exhibit the demeanor of a good citizen.

These were the children chosen the 1st Six Weeks and they were treated to a Pizza Party on Thursday, October 1st.

Students of the week for the 1st Six Weeks are Myrna Ramirez,

Byron Williams, Raul Salinas, Genny Cramer, Juan Gutierrez, Kasey Kearney, Thomas Schenkel, Andi Allen, Rosalinda Hernandez, Jeremiah McLaughlin, Bryce Williams, David Youngblood, Carlos Sanchez, Patty Cerna, Edgar Gonzales, Fernie Ramos, Josh Payton, and Russell Dempsey.

Speech and Drama team take 2nd in meet

On Saturday, October 10, in Central High School in San Angelo, the Sonora Speech and Drama team won 2nd place in overall large school sweepstakes. Competing against eighteen other schools including Abilene Cooper and Midland Lee.

Advancing to the Texas Forensic Association State meet are Becca Fields in Humorous Interpretation and Michelle Barker and Mathew

Hunt in Direct Acting. Receiving awards were: Duet Acting; Michelle Barker/Mathew Hunt - 1st, Roy Ivy/Shawn Wallace - 2nd. Humorous Interpretation; Becca Fields - 2nd, Roy Ivy - 3rd. Dramatic Interpretation; Roy Ivy - 3rd. Prose; Shawn Wallace - 1st, Michelle Barker - 3rd. Poetry; Becca Fields - 1st, Michelle Barker - 2nd, Roy Ivy - 3rd. Advancing to Finals were

Michelle Pruitt in Duet Acting and Poetry, Carmen Chavez - Duet Improv., and Stephanie Roberts in Prose and Duet Improv.

Semi-finalists were Amy Patton, Amanda Riley, Callie Moore, Matt Hazelton, Ben Taylor, William Halton, and Chris Scott.

Cabinet mill trades to be offered to interested adults

Persons with the desire to sharpen their skills in the area of cabinet making will have that opportunity in February and March of 1993 at Sonora High School.

Reggie Williams, who teaches construction trades and has a mill and cabinet shop class for high school students, plans to teach a six-week course in cabinet mill work to interested adults. The class is tentatively scheduled for two nights each week and will last for

two hours each class. Ten projects are scheduled, which means that ten adults, (or teams) will have the chance to successfully complete a mill cabinet project during the six week period. This is a perfect opportunity for interested couples to learn necessary skills to make improvements on their own homes.

Anyone interested in becoming a member of this cabinet class should contact Reggie Williams at the high school, 387-6533, or at his home in the evening, 387-2108.

4-H Club banquet & dance to be held Oct. 17

The annual 4-H Club Banquet & Fall Dance will be held on Saturday, October 17th at the 4-H Center. The meal will begin at 6:30 p.m. with the program and dance to follow. This is the highlight of the 4-H year and our speaker this year will be State 4-H Council member James Jennings from Menard. Some 35 persons will receive special recognition at the banquet for their achievements.

SCUWCD officials to attend conference

Submitted by the Sutton County Underground Water District

pertaining to these rules and regulations, please contact the local office in suite 101 of the Mercantile Building or call 387-2369.

Texas Water Rights, Water Issues the Texas Legislature will address, Agricultural Water Quality and Conservation, and

On September 11th, Water District Personnel were contacted about a contaminated water spill which was running across the adjacent owner's property. Since the Water District works closely with the Railroad Commission and the Water Commission, both of these agencies' office in San Angelo were contacted. The Water District Manager took samples to Enviro-Tech labs in San Angelo. The resulting analysis showed the samples to be very acidic and contained high levels of chlorides and hydrocarbons. The railroad commission sent a representative to Sonora to review the situation. It appeared that a frac tank had been emptied or illegally dumped. A vacuum truck was employed by the contamination. Hopefully, by working with the local landowner and proper agencies, problems such as these can be prevented in the future.

The Texas Agricultural Extension Service is sponsoring a Water Conference in San Angelo on October 22, 1992. The conference is titled "Water in 2020: Will it Be There" and has a prominent list of speakers, some of which include representatives from the Texas Water Commission, Texas Water Development Board, and the Environmental Protection Agency. Some of the topics to be discussed:

Urban/Community Water Quality and Conservation. The conference has a full agenda and promises to be very informative. Local representatives of the Sutton County Underground Water Conservation District will attend and encourage anyone interested in water issues in Texas to attend also. For more information contact your local water district office or county extension agent.

Death Notices Stella Miers Keene

Stella M. Keene, 94, died at 10:55 a.m. on Sunday, October 11, in Hudspeth Memorial Hospital after a long illness.

Stella was born February 5, 1898 in Edwards County to Mr. and Mrs. W.A. (Bill) Miers, a pioneer ranch family. She was the first born of seven children. At an early age, she moved with her parents to their first ranch in Sutton County. At the time of her death, she owned what was called the "Old Headquarters," that part of the lower ranch she moved to with her parents.

She was preceded in death by her parents, her husband, Claude S. Keene, one brother, W.L. (Willie) Miers and her sisters, Myrtis Hamby, Dixie Allison, Addah Cauthorn, all of Sonora, and Guida Rose Brown of Del Rio.

Survivors include two daughters, Katha Lean Hagan of San Antonio

and Doris Chadwick and her husband Glen of Sonora; three grandchildren, Bill S. Chadwick of Sonora, Mrs. Candace Coleman of San Antonio and Glenna Chadwick of Sonora and six great grandchildren. She is also survived by one sister, Jo Nell Adkins of Sonora.

Funeral services will be held at 11:00 a.m. on Tuesday, October 13, 1992 at Stella's residence with the Rev. Clay Hall, pastor of the First United Methodist Church officiating. Burial will follow in Sonora Cemetery under the direction of Kerbow Funeral Home. Pallbearers include: Nelson Stubblefield, Tim Thorp, Steve Hamby, Jack David Wardlaw, Bill Webster, and Bud Whitehead. Honorary Pallbearers are: Jack Baker, John David Fields, Jimmy Powers, and Corky Schwiening.

QUEEN'S COURT - Annette Gamez, Homecoming Queen 1992, rides with her homecoming court during the last Saturday's parade.

Theater group presents plays

The Way Off-Broadway players are rehearsing two one-act dramas for fall presentation. The plays are "The Valiant," by Holworthy Hall and Robert Middlemass, presented by special arrangement with "Bakers Plays," Boston, Mass., and "Early Frost" by Douglass Parkhurst, produced by special arrangement with Samuel French, Inc.

Both plays are interesting, moving and very powerful. "The Valiant" is set in the Warden's office in the State's Prison at Wethersfield, Conn. shortly after WW II. "Early Frost" is set in the attic of a large two-story house in the Midwest in the 1970's.

Jim Brame, Hawley Wolfe, Smokey Taylor, Bob Lester and Trudy Niblett are cast in "The Valiant." Kara Sue Garlitz, Pansy

Jay, Sarah Mankin, Hannah Wolfe, Jo Ann Sproul, Ashley Finley and Kristen Gray complete the cast of "Early Frost." Pre-show entertainment will be reader's theater, "Number Please," performed by Sundi Nix and Summer Finley.

Make plans now to see these productions on November 7th, 8th, 14th and 15th.

DRAMATIC BEGINNINGS - These Sonora High School Speech and Drama students took 2nd place in a recent meet in San Angelo.

Links Inter-Agency Meeting

State and local agencies were well represented at the second inter-agency meeting in Sonora hosted by Hope Lamb, Case Manager with LINKS-Options for Independent Living program. Christy Wright, with Kimble County Community Service Center also with Maria Carrasco, RN, representing Texas Department of Health and Carol Thorp, Director, Sutton County Senior Center were on the program along with Ms. Lamb.

The quarterly meetings are designed to inform and educate agency personnel on the programs available to citizens of all ages in the counties of Sutton, Kimble, Menard and Schleicher. Lorain Hamilton of Eldorado, who is responsible for securing the Pilot program of Schleicher, will introduce the program services and structure at the next meeting scheduled to be held in January at the Eldorado Community Resource Center.

New Social Security Rules

If you're thinking about signing up for Social Security sometime in 1993, you should get in touch with Social Security now about your plans. You and your family may be due benefits for months you are still working. But to get those benefits, you must file your application early. It may be to your advantage to have your Social Security benefits start in January, even if you don't plan to retire until later in the year. Under current rules that affect how much a beneficiary can earn, called the Social Security "retirement test," many people can receive more benefits with an application that is effective in January.

A 1990 legislative change that eliminated retroactivity in most retirement claims, increased the importance of contacting Social Security before retiring. The rules are complicated, so the Social Security Administration urges prospective retirees to find out in advance if choosing to start their benefits in January would be advantageous. Retirement claims that go into effect in January can be filed any time from October 1st through January 31st. To file an application for retirement benefits, call Social Security at 1-800-772-1213.

BRONCO MELEE - Casey Fitzgerald (#50) joins in the melee during the JV game against Colorado City.

JV Broncos Walk Over Wolves

by R. C. Hall

The Sonora Junior Varsity dominated the Colorado City Wolves in a 22-6 victory at Colorado City. They were led by the running of Gilbert Vara, who gained more than 100 yards in the win.

The Broncos had to overcome the move of previous running leader, Gilbert Perez to the Varsity, and a spate of early mistakes.

On the opening kickoff, the Wolves fumbled and the ball was recovered by Sonora at the 30 yard line of C-City. On the fifth play of the series, the Broncos fumbled the ball back to the Wolves.

After an excellent stand by the Bronco defense and a short punt by the Wolves, the Bronco offense marched smartly down the field 47 yards for their first score.

The drive began with 3 runs by Vara for a first down at the 35. These runs were followed by a quick hitting run by Mike House for 8 yards and a nice pass from Jason Morely to Davis Hale. Then back to the workhorse Vara. With the ball first and 10 at the 19, Gilbert ran for 8 yards with a sweep right that was followed by a run for 8 yards with a sweep right that was followed by a run of 7 yards to the left. With the ball at the 4, Vara charged in for a touchdown, untouched by the wolves. The two

point conversion followed with a run by Morely.

Sonora's second possession, which again followed a 3 play and out defensive stand by the Bronco defense was highlighted by a play that originated when Caesar was corporal - the flea flicker. As coaches Creek, Cox and Jennings stood and worried on the sideline that the play might make or break the game, and with the ball first and 20 on the 36 Morely handed the ball to Vara, who ran toward the line of scrimmage and turned and pitched the ball back to the quarterback, Morely, who then turned around and passed the ball to Ruben Lomas, who was streaking

down the sideline for a 44 yard completion.

Three plays later Vara took a pitch back at the 9 and scampered in for six points. The Point After Try was a kick by Vara.

The final score of the half came on an 8 play 20 yard drive by the JV, which again followed an outstanding defensive play at the 20, where T. J. Thorp recovered a fumble. The score came after an unusual no call. With the ball first and five at the five, Vara ran the ball over for a score. The ball squirted out after Vara broke the plane for a score, the ball was then picked up and ran back by the Wolves. The play was ruled as a

no play because of an inadvertent whistle, which is a short way of saying that the officials blew the call. Vara was in and the score should have counted. On the next play Vara again sprinted in for a score which stood. The point after try was good. The score at the half was Sonora 22, Colorado City 0.

The only score of the second half came very late in the fourth quarter when the Wolves were able to put together a short drive as the clock wound down. The final score was 22-6.

The JV return to the field today (Thursday) to play Lakeview here at Bronco Stadium. The game will begin at 5:30 p.m.

Broncos whip wolves

by R. C. Hall

"The Colorado City Wolves came to town after beating a good Muleshoe team. They had a decent record of 3 wins and 2 losses. They were entering district play at a good time.

The Sonora Broncos were coming off a two week break that followed a close call against a team that had previously not won a game. The Broncos had lost to injury two very important starters. Jamie Espinosa, an integral part of the "TNT" (tackle-nose-tackle center of the defensive line) and emerging offensive star and defensive standout, Shane Keller, were out of action. Kicker and defensive tackle, Armando Robles was suspended for disciplinary reasons. Two other team members team members had not completed the required academic requirements to stay eligible. For the second game in a row, this was a team that could go into the tank.

For the second game in a row, the Broncos stood up to the challenge. For the second game in a row, Bronco head coach, Bob Bellard, was proud of how his team faced adversity. "What makes a football team successful, is for those who play behind the starters to step up when they are called to the fore. We depend on those kids who work so hard in the background and in practice to step up when their number is called, and that is just what they did."

The Broncos dominated every phase of the game against the Wolves and they won the game by a score of 37-6.

The Broncos depended on some members of its second team to become a part of the first team, and that they did.

Tracy Crites is a senior. If you look at the roster, you might think that he is too little at 5'6", 140 pounds. Just don't tell that to Tracy. "I have been watching Tracy play since we were in the seventh grade. He tries so hard. He has always been there, a part of the team," said Brian Faris, senior quarterback. "We knew he would do his best when his number came up, but how could we have known he would do so well?" In the game against Breckenridge, Tracy was called to step in for Shane Keller after Keller was injured in the first half. In that game, Tracy caught his first varsity pass for a fifty yard touchdown. "Tracy really contributed to our team," said

Bellard. "He did what we asked of him and he did it very well." "I could not wait for this chance. We miss having Shane on the field, but I knew that I could do it. My line did an excellent job getting the holes for me," said Crites. "This was just great."

Narciso Lira has played well all year. He has started an offense and played extensively on defense. Against the Wolves, he was called on to step up a notch and to become a leader on the field. That he did. He was everywhere on Defense. He was hard-charging, flying around hitting people. He sacked the quarterback; he caught the set back in the backfield. He kept the Wolves scrambling. "We knew we could depend on Narciso," said Bellard. "Our defense did a great job stopping them all night long."

One weapon the offense had added to its arsenal this year was the field goal. With the suspension of Robles it seemed that that weapon was gone. Up stepped Trini Banda. With the score 14-6 and only 2 seconds left in the half, Banda kicked a 25 yard field goal. It was not an easy kick. The kick was made into a 25 mile per hour wind. "I did not worry about the wind, I knew that the coaches knew that I could make it. I lined up and hit the ball real good," said Banda. "I knew we could do it."

Two weeks ago Gilbert Perez was the star of the junior varsity. This week he was on the big team and he, too, answered the challenge. Perez gained 45 yards on only six carries. "I knew he would do the job. Now that there are three Perez's on the Varsity, we can start 'Putting the Perez' on them," said senior offensive guard Pete Perez. "We are going to have fun."

At every position, the Broncos played up to their potential. They played hard and took seriously the challenges that they faced. "We have a tradition in Sonora; that we play to win; we never quit. So far, this team is living up to that tradition," said Bellard. "We are living up to that tradition."

Stat Watch - Joey Guerra is now over the 800 yard mark for the year. He has 820 yards, unofficially.

The Broncos had their fewest penalty yards the year at 30.

The Bronco offense gained 544 yards: 474 on the ground and 70 in the air.

Colts slip through Eagles' feathers

by Tanner Fields

Last Thursday evening the 7th Grade Colts kicked off to the Eldorado Eagles, starting a great game. We ran the ball with Steven Gandar and Mayer Anderson. Mayer filled in at the fullback position. We did run with 3 more players, but all together we gained 167 yards on the ground. Steven Gandar had two great touchdown runs, one for 40 yards, and the other for 53 yards. Steven had a total of 129 yards on the ground and Mayer Anderson ran for a total of 17 yards. The passing game is getting better for us with Justin Morely throwing

two passes and completing one of them to Cody Emery on a 15 yard gain. Our defense played well on the Eagles' first drive, forcing them to punt the ball on their five yard line. The snap was a little high and it rolled out of the end zone for a safety. Our tackling was good, too. Enrique Lopez made 8 tackles with Steven Gandar right behind him, making 7 tackles. Shiloh Sykes and Dustin Harris both recovered one fumble each. The final score was 18-14. Next Thursday the Colts play in Grape Creek against the Grape Creek Eagles at 5:00. Come on out and watch the game if you can. Good Luck Colts!

8th Grade Colts Pluck the Eagles

by Breg Hughes

8th grade fierce fullback, Justin House, received the opening kick off of the game and returns the ball 75 yards for a Colt touchdown. Joey Gandar broke through the Eagle defense for the two point conversion, jumping ahead of the Eagles 8 to 0. The Colts then held the Eagle offense, and forced them to punt. When Sonora got the ball back, they drove down the field. With 1:38 left in the 1st quarter, Joey busted through the Eagle defense for a 70 yard TD run. The Colts got their 2 point conversion, making the score 16 to 0. The Eagles got the ball and drove hard and scored, but failed to make the 2 point conversion. On Sonora's next possession, they were forced to punt to the Eagles. The Eagle punt return man fumbled the ball and Caleb Barker picked up the ball for the Colts, with 2:52 left in the half. The Colts drove hard and with 3 seconds left in the first half, Raymond Rainer caught a 20 yard pass from Andy Mirike for the touchdown. The Colts failed to make their 2 point conversion, going into half time, leading the Eagles 22 to 6.

The Eagles received the kick off to start the second half. They drove up the field and scored, making the two point conversion. When the Colts got the ball back, they were forced to punt again. When the Colts got the ball back, they were forced to punt again. The Eagles then scored two more times to make the score Eagles 28 - Colts 22. With 7:08 left in the game, the Colts took charge. Caleb Barker scored from 10 yards out. The Colts did not make the two point conversion. The score was now 28 to 28. When the Eagles got the ball, the Colts stopped them in their tracks. On their next possession, with 2:03 left in the ballgame, Joey Gandar blazed through the Eagles to make the score 34 to 28. Andy Mirike hit John Paul Hudman for the 2 point conversion. The final score of the game was Colts 36 - Eagles 28.

Leading rusher in the game was Joey Gandar with 204 yards on 12 carries and 2 touchdowns. Justin House had 25 yards on 6 carries with 1 touchdown. Andy Mirike had 17 yards on 3 carries, 1 touchdown pass, and he threw 4 for 8 for 56 yards.

Top tackler for the Colts were Joey Gandar with 4, Walker Wallace with 5, and Justin House had 9.

The Colts played a great game against the Eagles. Now we will get prepared to play Grape Creek in

Bad Company Rodeo reports

Lovington, NM (Aug 12-15) - Since becoming a Bad Company Rodeo in 1987, the Lea County Fair & Rodeo, New Mexico's largest county fair, has seen dramatic increases and this year was the best yet. Ticket sales have increased 76%, PRCA purse has increased 229%, and local sponsorship has seen a 587% increase since Bad Company Rodeo came on board. Congratulations Lovington!

The 1992 Lea County Fair & Rodeo paid out \$31,000 in total payout. Part of that payout went to Ty Murray, All-Around Champion. Ty won the Bareback Riding with an 82 on Bad Company Rodeo's "Easy Lover" and placed second in the Saddle Bronc Riding aboard "Honky Tonk Man" to win the All-Around.

NFR bull rider, David Fournier placed first in the Bull Riding with 82 on Bad Company Rodeo's "Crocodile Rock."

Reining World Champion Steer Roper, Guy Allen won a close first ahead of Tee Woolman and Arnold Felts in the Steer Roping.

With record attendance and PRCA

payout the Lea County Fair & Rodeo proves to be a favorite of fans and cowboys.

Sonora, TX (Aug 20, 21, 22) - Sonora's "Outlaw" Pro Rodeo brought PRCA's best to West Texas. Chuck Logue scored an 80 point ride on "Rockin' Robin" to win the Bareback Riding ahead of Denny McLanahan, Randy Slaughter and Bob Logue.

Bad Company Rodeo's broncs really put on a show for Sonora fans. Kolt Dowdy scored a 82 aboard "Honky Tonk Woman" to win the Saddle Bronc Riding followed by Craig Lantham aboard Bad Company Rodeo's "Sensation."

San Antonio's Jim Bob Stoebner won the Bull Riding scoring a high 85 points on "Neutron Dance."

Eight time world champion, Roy Cooper, won the calf roping and placed second in the steer roping to win the Sonora Outlaw Pro Rodeo All-Around title.

Bowie, TX (Sept 24-25) - Eight time world champion, Roy Cooper won the All-Around title at the Bowie championship Pro Rodeo. Roy placed fourth in the calf roping and placed in the second

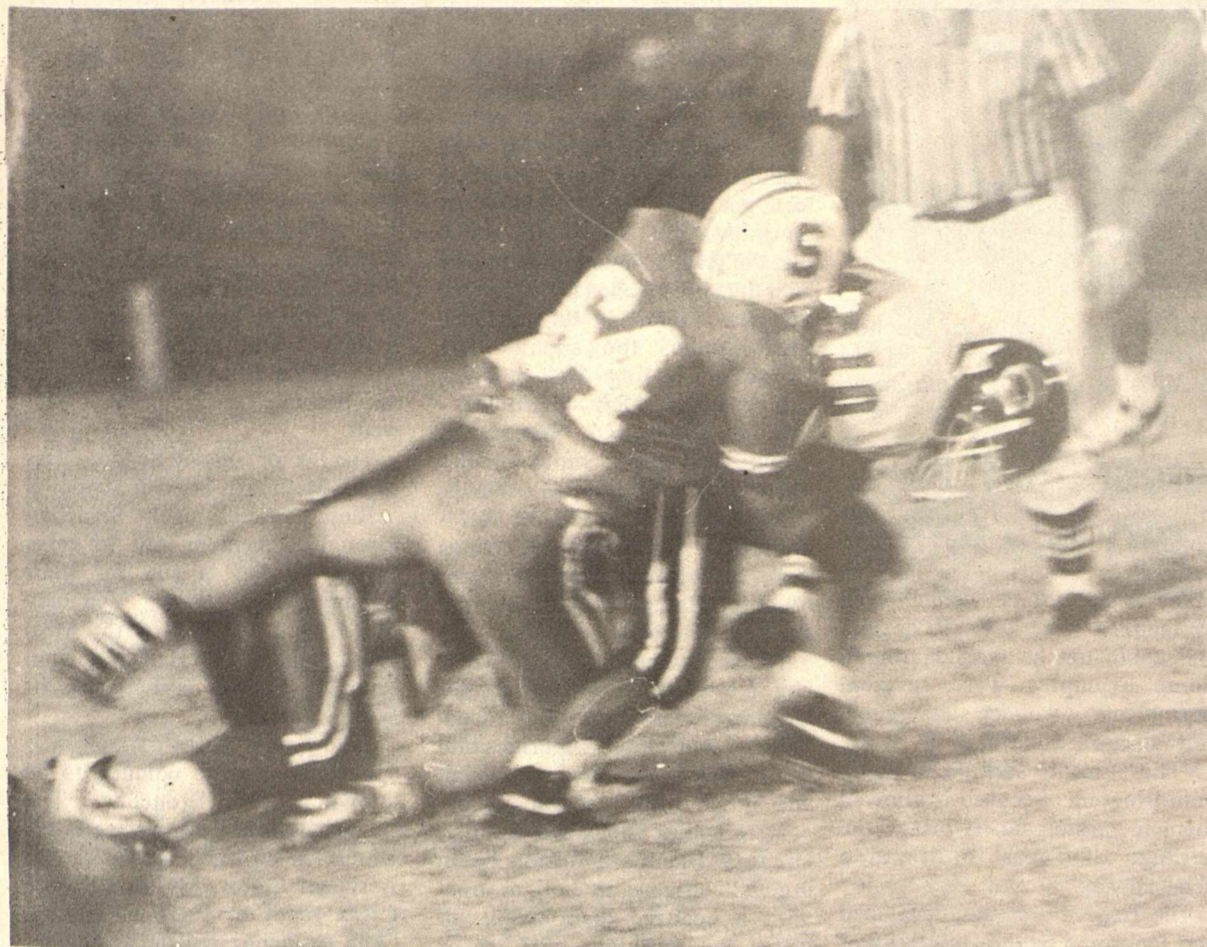

go of the steer roping to take home an all-around paycheck of \$1404.55.

Rodney Lidgard of Australia won the Bull Riding scoring a 87 on "Taking Care of Business" and is closing in on the No Guts No Glory Tour Championship in this event.

Reining World Champion, Tee Woolman won the Steer Roping with 20.1 on two head, taking home his part of the \$26,000 total payout. Bowie Campship Rodeo drew the champions!

Circle the Wagons Tour '93 - Bad Company Rodeo welcomes the Bandera Labor Day Rodeo to the 1993 Tour. Congratulations Bandera - "Expect the Unexpected!"

NFR Las Vegas - The Mardis Gras Best Western is the NFR Headquarters for Bad Company Rodeo. Bad Company Rodeo Merchandise- BAD WEAR will be available and David Jennings, NFR Photographer, will have contestant pictures for display. Bad Company Rodeo rates at the Mardis Gras are \$36 for a suite of up to 4 people per suite. Rooms include wet bar, refrigerator, sitting room, and kitchenette. The Mardi Gras is located two blocks from Thomas & Mack and a block off the strip. Shuttle service is available to and from the airport, Thomas & Mack, and the strip. Anyone wishing to make reservations, call 1-800-634-6501. Make sure and tell the reservation clerk that you are with the Bad Company Rodeo party! See you at the NFR.

MAKING THE HIT - #64, Cole Crenwelge tackles Colorado City's quarterback, David Castillo.

Colorado City kicked by Broncos, win 37-6

by R. C. Hall

The Sonora Broncos kicked the Wolves of Colorado City into oblivion in a game at Bronco Stadium Friday evening, October 9. The Wolves were well coached and played hard as they faced the Broncos on Homecoming night in Sonora. The only problem for the Wolves was that the Broncos were better coached and played harder.

"We played an excellent ball club. Fortunately, our kids never gave up," said Bob Bellard, head coach of the Broncos. "We made some mistakes, but we overcame them (the mistakes) and did what we had to do."

Trini Banda opened the game for the Broncos by kicking the ball out of the end zone. Banda, who had limited experience kicking before this game, did an outstanding job all evening. Colorado City was unable to move the ball on their first possession. When David Castillo, the Wolves quarterback, punted the ball to the Broncos, it was fumbled, giving the ball back to C City at the 47. Again, the Broncos defense was able to hold the Wolves to just three offensive plays. Again, Castillo punted to

the Broncos.

This time, the Broncos were able to drive the ball on the Wolves. Starting with the ball on their 22, the Broncos were able to move the ball to the Wolves 19, when again, the fumble bug bit. After the offense turned the ball over, the defense once again stood its ground and forced the Wolves to punt after three plays.

The Broncos first score came on the following drive. This march was built on the running of Joey Guerra and Tracy Crites. Both backs had outstanding nights, with Guerra rushing for 214 yards and Crites running for 136 yards. The 6 play 48 yard drive was capped by Crites' 15 yard sprint with 53 seconds left in the quarter.

Colorado City followed the Bronco score with a score of their own on its next possession. The six play drive for the Wolves was the only offensive drive that they were able to mount all night. It was highlighted by the running of Ashley Wathal and the passing of Castillo. The score came on a pass from Castillo to James Franco.

Following the kickoff on Sonora's first play from the 45,

Guerra swept right and ran for a 65 yard touchdown. The run was highlighted by excellent blocking by the Bronco offensive line. "When I hit the end, there was nothing for me to do but run. My line does such a good job for me. That was their run more than mine," said Guerra. "I can't tell you how much I appreciate these guys."

Sonora's final score of the half came on a 91 yard drive that ended with 8 seconds left on the clock. With the ball resting on the 7 yard line, Banda came onto the field to attempt a field goal. The ball was held at the 15, and with the 10 yards of the end zone, Banda faced a 25 yard kick into a stiff wind. "I just concentrated and hit the ball solid. I did not worry about the wind," said Banda.

The Broncos began the second half with another mistake. They mis-handled the opening kickoff and the ball was recovered by C-City at the 33. Again, the defense rose to the occasion, this time stopping the Wolves for no gain after three plays. With the ball 4th and 10 at the 33, Wil Trainer blew through and sacked Castillo.

Again, the offense was unable to get the ball moving. The ball was fumbled back to the Wolves again. The Wolves were able to march the ball down the field to the Bronco 6 yard line. With the ball 4th and 6 at the 6, again, the defense rose to the challenge. Again, it was Wil Trainer who made the play. Taking the ball at the 3, the Broncos moved the ball 97 yards in 13 plays, breaking the Wolves back. The drive was again highlighted by the running of Crites and Guerra. The drive was ended on a 7 yard run by quarterback, Brian Faris.

The next Sonora score came at 8:30 in the 4th quarter, when Crites took off on a fifty yard run. The play was a thing of beauty. "As I broke through, I could not believe it. There was no one standing! Everyone blocked so well," said Crites.

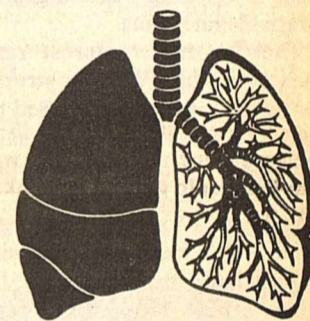

The final drive of the night featured the running of the Sonora second team of backs. Marcus

Montez, Gilbert Perez, and Robert Trevino combined for an 11 play 68 yard drive. They never missed a beat. They ran behind a line that

also had little experience at the varsity level. They blocked and they played sound fundamental football. "I was very happy with the play of the second line. They did a great job," said Bellard. The final score came on a 13 yard run by Perez.

The Broncos will face Kermit in Kermit. The Yellowjackets are coming off a loss to Reagan County, who is ranked number 7 in the state. "We know that Kermit had a hard battle at Big Lake. They need this game. We are going to have to be very careful, and play our game," said Bellard. "We will have to work hard and get ready to play."

In other district action, Crane beat Greenwood 10 to 7.

512 area code to split

DALLAS, October 5, 1992 - On November 1, 1992, the 512 area code will split into two area codes - 512 and 210. Austin, Corpus Christi and surrounding areas will remain in the 512 area code, while San Antonio, Brownsville and surrounding areas will acquire the new 210 area code.

The new area code was established due to an almost-exhausted supply of possible telephone prefixes within the 512 area code.

Everyone in both the 512 and new 210 area codes will keep the same seven-digit telephone number that they currently have. The change won't affect long-distance rates, although there may be some necessary changes in long-distance dialing.

The new area code is being established to allow more telephone numbers to be assigned in the areas around San Antonio, Austin, Corpus Christi and Brownsville.

The changeover will take place in two stages. Telephone companies will provide a six-month "permissive" dialing period from November 1, 1992, until May 2, 1993. During this permissive period, calls incorrectly dialed to the 512 area code automatically will be switched to the correct number in the 210 area code.

Ag lenders announces new rates

AUSTIN - For nearly 30,000 farmers, ranchers and rural homeowners in Alabama, Louisiana, Mississippi and Texas who do business with Federal Land Bank Associations (FLBA's), October brought good news: the third rate reduction in their variable rate FLBA loans this year. The 8.50% rate became effective October 1 on both existing and new variable rate loans.

"The favorable interest rate climate and the FLBA's strong performance this year combined to make the reduction possible," said Michael R. Davis, president of the Farm Credit Bank of Texas.

Interest rates for new fixed rate loans of 3, 5, 10 and 15 years will also fall later this month. In addition, a new 7-year fixed rate

The six-month permissive period will give callers more time to become adjusted to the new area code. For a few weeks after the adjustment period ends, callers still using 512 when dialing numbers in the new 210 area code will hear a recorded message instructing them to dial the new code. Although these transition periods have been established to help callers who forget to dial the new 210 area code, callers should begin using the 210 area code for all numbers in the new area code on November 1, 1992.

Any programmed phone features such as speed calling number, fax numbers, PBX and PABX numbers, pay phones and automatic calling devices and cellular phones may need to be reprogrammed.

The following GTE exchanges will switch to the new 210 area code: Blanca, Boerne, Charlotte, Del Rio, Dilley, Floresville, Fredericksburg, Gillett, Gonzales, Granite Shoals, Johnson City, Jourdanton, Kosciusko, La Feria, Lavernia, Lyford, Marble Falls, Nixon, Poth, Raymondville, Rio Grande City, Roma, Round Mountain, Santa Rosa, Smiley, Somerset, Stonewall, Sutherland Springs, Weslaco and Willow City.

loan is scheduled for introduction this fall.

The FLBA's have also announced new fixed rate financing for rural property improvements. Under the "improvement loan program," borrowers can finance such things as home construction and remodeling; fencing; pasture improvement; land clearing; irrigation and sprinkler systems; and repair of livestock, poultry and fish-producing facilities.

"Many rural property owners have told us they've put off making improvements to their property due in part to lack of affordable financing," said Davis. "We hope

this new program will encourage the enhancement and development of rural real estate."

Families needed to host exchange students

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Estonia, Poland, Czechoslovakia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, Mexico, Australia, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Andrea Johnson, Southern Regional Director of ASSE.

"Until a few years ago, only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Johnson.

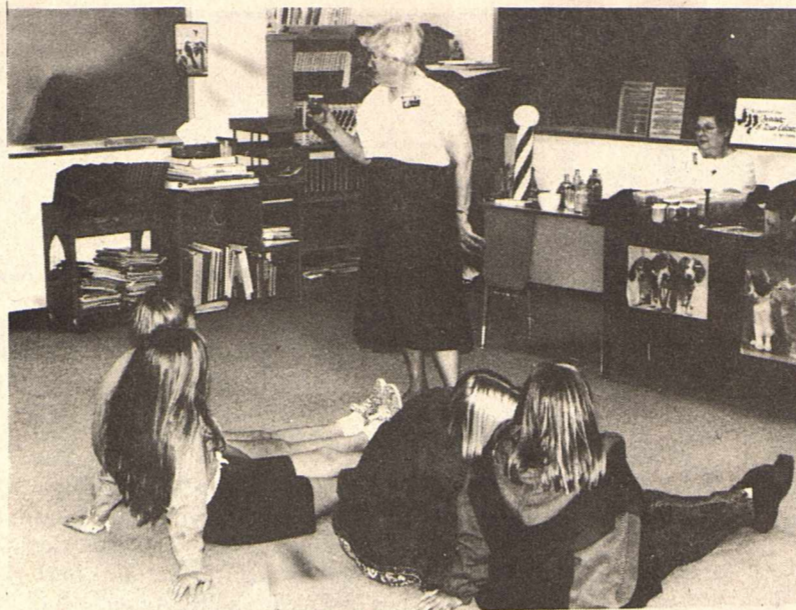

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience

life abroad with a volunteer host family in Europe, Canada, Australia, New Zealand, or Mexico.

ASSE also provides international opportunities for families to host students from Scandinavia, Germany, France, Switzerland, Britain, Czechoslovakia, Estonia, Poland, Italy, Holland, Mexico, Spain, Portugal, Australia, New Zealand, Canada and Japan. These select students are 15 to 18 years old and will attend the local school for an academic year.

Students or families interested in more information about this program should call 1-800-473-0696 or contact:

TEX-KIT PROGRAM - Students are shown a bottle of leeches during a presentation at Sonora Jr. High by Mary Burrow and Flo Saunders with the Institute of Texan Cultures Outreach Program in San Antonio.

Tex-Kit program presented to Jr. High Texas History students

Two Tex-Kit programs were presented to all Texas History students at Sonora Junior High by the Institute of Texan Cultures: The Indians of Early Texas and Medicine in Early Texas. Mary Burrow and Flo Saunders from the Institute of Texan Cultures Outreach Program in San Antonio presented examples of history and culture of Texas.

The Indian Tex-Kit had artifacts and examples of items such as buffalo hide, Indian clothing, bows and arrows; cradle boards, tomahawks, and scrapers. These artifacts helped the students to understand the daily life of Texas Indians.

The Medicine in Early Texas Tex-Kit contained early medicinal herbs, natural remedies and home cures. The students could smell and touch many of the concoctions.

Many of the artifacts were donated by families of early Texas doctors and could not be passed around. Some examples were surgical instruments, a wooden stethoscope, and a doctor's saddle bag.

The students seemed to enjoy both programs because it allowed them to participate. It brings the heritage of Texas to life in a personal way.

The Tex-Kit program, developed and sponsored by the University of Texas Institute of Texan Cultures at San Antonio, is an excellent example of how learning about our state's history and culture can be a memorable experience for young and old alike. Tex-Kits incorporate a wide range of topics and include an array of touchable artifacts. By emphasizing audience involvement, Tex-Kits bring the heritage of Texas to life in a personal way.

DID YOU SAY YOU WANTED IN THE PAPER? - The members of the S.H.S. class of the 50's made it clear they wanted to be in the paper. You know what they say.....Respect your elders!

Ask the Historical Society

Since we don't have any questions this week we thought we would take a look back at the Devil's River News of October 14, 1932.

There are two headlines in bold type. The first was, "Bronchos and

Iraan Tie in Hardfought Struggle," the score was 0 to 0. This was a tough game because three of the top men, Friess, Kring and Hill were sidelined with injuries. Neither team got closer than 8 yards to the touchdown line. Mr. Covey stated that the reason Sonora didn't score after they had reached the eight yard line was somebody turned loose their thumbs too soon. The Broncho starting line-up was composed of: RE - Hill, RT - Barton, RG - V.J. Glasscock, Center - Ernest Smith, LG - Castillo, LT - Stender, LE - Fields, QB - Archer, LH - Friess, RH - Ory, FB - Kring. Substitutions were as follows: Roberson for Castillo, Hutcherson for Stender and Logan for Fields.

The second headline is "Citizens Urged to Biol All Water Used for Drinking." It seems that recent flooding had carried impurities into an old well in the Mexican section and down into the water table contaminating the water supply. Dr. A.G. Blanton and John Eaton urge all citizens to boil or treat with a positive disinfectant all water for drinking, cooking or dishwashing until the water supply tests clear of impurities.

A repair train of the Panhandle & Santa Fe Railway has spent the last several days working the line tracks in and north of Sonora, rebuilding and restoring roadbeds which continuous rains in September had washed away.

The office of the manager of the Eldorado Water Works, W.E. Eaton, was destroyed by a fire.

John Eaton owned the building and there was no insurance on it.

Perfecto Garcia, 82, died at his home; Harry J. Friend, Jr., died in Ozona; Lee Holland, 46, died in Kimble County; Mrs. P.F. Moeplin, 69, died in Del Rio and W.A. McDonald, 76 died in Eldorado.

Mr. and Mrs. H.V. Stokes, Sonora's most recent newly-weds, were honored at a Mexican chuck box supper hosted by Mrs. B.M. Halbert and Mr. and Mrs. Willie B. Whitehead. Mrs. Sam Allison and Brian Hunt were presented with a black Spanish kid, its neck decked with a bright green ribbon for winning the dance contest. They in turn presented the kid to the newly-weds.

The Senior Sunday School Class of the Methodist Sunday School is selling tamales each Saturday through December 4th to raise money to buy a rug for their Sunday School room. You may place your orders with Mrs. Westbrook, Bobbie Halbert, Guyon Shurley, Wilma Hutcherson or Wesley Sawyer.

The Senior Class of Sonora is sponsoring a news column, to be known as "The Broncho." The following staff officers were elected: Editor-in-chief, Lacy Smith; Assistant Editor, Myrtle Hill and Class reporter, Pauline Turney. "The Broncho" will appear every week in the Devil's River News.

A twelve piece band has been organized to play at football games throughout the remainder of the season, according to Professor Henri Rogers, who will direct it.

If you have any questions concerning Sutton County history, send them to Ask the Historical Society, P.O. Box 885, Sonora, Texas 76950-0885 or call us at 387-2855.

CIRCUS

FUN

VARIETY

SHOW

ACROBATS

CLOWNS

Magic

SUPPORTS

You have to see it to believe it!! Ninety minutes of thrills, chills, and fun for everyone from two to ninety two!! It is the big John Strong's circus variety show coming to Sonora on Tuesday, October 20th. Brad the magician brings someone from the audience to watch his clever act such as splitting his assistant in half, strange voices too when Brad calls up more magic. Enjoy Eddie the clown as O'Boneto in fun-filled foolery. Just one of his six characters that include that mysterious Joker or the charming "sprinkles" - Kis love each one! Sammy and Ruth will take your breath away with thier difficult chair stand, and clever juggling. Henry and dolores take the stage with an "Old West" act - Every junior and senior cowboy will get a kick out of that, and then their comedy trampoline performance. Finally from Europe, the Yollis in their acro-balancing tricks plus Rolla Bolla!

Come Join the fun for the whole family!
Don't miss the special 1992 Edition of the variety circus show that has entertained across the country for more than forty-four years!

At: St. Ann's Parish Hall - Showtimes at 4:30 & 7:30

sponsored by your local West Side Lions Club.

Commissioners attend meeting at Lajitas

Sutton County Judge Carla Garner and Commissioners Miguel Villanueva, Bill Wade and Bill Keel recently attended the Far West Texas County Judges and Commissioners' Association annual meeting at Lajitas October 1-3. Far West County Judges and Commissioners' Association is an organization committed to the problems facing those living in West and Far West Texas, particularly in rural areas. Sutton County Judge Carla Garner is Vice President of the organization.

All county commissioners in the State of Texas are required to receive 16 hours of continuing education each year. The meeting just attended provided 4 hours of continuing education for the commissioners attending, and the topics discussed included water and waste disposal problems, legislative changes affecting counties, both federal and state, and the role of the federal judiciary as it affects county government. Some of the speakers on these topics were State Representative Pete Gallego, U.S. Representative Albert Bustamante, Federal Judge Lucius Bunton, and several members of the Texas Water Commission.

Another part of the program at the convention was presented by Lenora Pool, Sutton County EMS Coordinator. Mrs. Pool spoke to the county judges and commissioners on "Innovative Methods of Managing an Ambulance Service," and on several recent changes in laws that pertain to county governments that fund an ambulance service. She provided valuable information to the officials on the OSHA blood borne pathogens problem, the results to date of efforts to require all paramedics to attend nationally accredited schools and the impact of such on rural volunteer services, and various aspects of management of rural services in particular. Comment sheets received by the officers after the meeting included numerous references to the program provided by Mrs. Pool, with all comments saying that the program was both needed and enjoyed, and that information was received which the commissioners had not been given before. The members of the Sutton County contingent were particularly proud of the part our county played in the convention by having Mrs. Pool as one of the speakers.

CATCHING UP ON OLD TIMES - Rexanne Friess and Robert Lovelace catch up on old times during Homecoming reunion.

New assistance ideas

by Sen. Lloyd Bentsen

With the U.S. government spending a record amount of money on public assistance, it's time we explored new ways to take people off the welfare rolls and put them into the workforce.

The number of families living on Aid to Families with Dependent Children - generally referred to as welfare - has grown to 28 percent since 1989 to 4.8 million. More than 10 percent of Americans are now living on food stamps, an unprecedented level.

We need to find ways for welfare to be less of a handout and more of a helping hand to transform welfare recipients into contributing members of our society.

That's why I'm supporting legislation which creates a program to assign welfare recipients meaningful work in their communities. Those who are unable to find a job on their own would be guaranteed work under this program. But anyone refusing to take the job offered would have a reduction in welfare benefits.

The Senate recently approved legislation that would set up a pilot program to test the effectiveness of this program in a number of states and cities.

States participating in the experiment could require able-bodied welfare recipients, except for women with small children, to work on community projects. The tasks might include delivering hot meals to the elderly or construction and maintenance work on roads, bridges and parks. Those workers would receive training so they can acquire skills that would help make

them more employable in the future.

Wages earned would be slightly higher than regular welfare payments. The difference would be that workers will have earned this money as productive citizens. Their work may also help them acquire a greater sense of self-worth and would assuredly provide service to the community.

The legislation also calls for creating a new national youth corps to give our young people work opportunities in service to their communities. In exchange for a year of service, corps members could earn money to help pay the costs of college.

Staff for the youth corps could be composed of soldiers and sailors as well as some military officers who have been displaced by defense cutbacks. Their organizational and managerial experience would help instill a sense of discipline and service in our young people.

The combination of the community work program and the national youth corps could lead to a better trained, more skilled workforce. More importantly, these two programs would offer more Americans the opportunity to help themselves and their communities. They will help ensure we get more bang out of the tax-dollars we pay.

A system that gives people both a nudge and an opportunity to lead more productive lives is a promising approach that may be the wave of the future when it comes to those who have been left behind.

Halloween Safety

Halloween is a time of fun and great excitement for youngsters of all ages. Unfortunately, each year, it results in injury and, occasionally, death for some. Lieutenant Robert Andrews, Sub-District Commander of High Patrol District of the Texas Department of Public Safety, said, "If parents will do some planning and closely supervise their children's activities on Halloween night, many of these injuries could be avoided."

He said, "First, the trick or treaters should be dressed in white or light-colored clothing. Don't put a child out on the streets in a black or dark-colored costume unless it has reflective tape on it. The children should be instructed not to sample any of the candy until they return home. The treats should be carefully inspected to insure, as best you can, that it is safe to eat. If you have any doubts about any of it, it should be discarded. Wash all fruit and slice it into small sections to insure nothing has been embedded into it."

Lieutenant Andrews strongly urged parents to remind their children of all the pedestrian safety rules they should observe while trick or treating and to furnish them a flashlight to use. He also suggested to use facial makeup instead of having them wear a mask since a mask severely reduces their ability to see.

He suggested to go only to homes where the porch light is on and where you, as parents, know they are welcome. "If we confine a child's trick or treating activity to our own neighborhood, where we know the residents, we would know the treats are safe."

"Driver's have a special problem on Halloween night, also," Lieutenant Andrews said. "They have to be alert for trick or treaters and remember, in a child's excitement, they are likely to forget to look before crossing streets. If drivers would drive as if their child was out trick or treating, we could avoid the vehicle-pedestrian accidents on Halloween."

Texans benefit from new USDA program

TEMPLE - Neal Sox Johnson, State Director of the United States Department of Agriculture (USDA) Texas Farmers Home Administration (FmHA), said today, "I am pleased to announce another successful year for the Farmer Programs Division of the Texas FmHA."

Texas FmHA made 1,877 direct operating loans totaling more than 91.7 million dollars to farmers and ranchers in Texas to finance operating and living expenses. In addition, the agency also guaranteed 1,021 farmer program operating loans made by private lenders totaling over 125 million dollars.

In excess of 4.2 million dollars in direct farm ownership and more than 13.3 million dollars in guaranteed loans were granted. Funds from these loans were used to purchase and improve farm and ranch land in Texas.

As a result of Texas FmHA programs in fiscal year 1992, 3,015 farm and ranch families continued to work in the ranching business or to become owner/operators of family farms.

President Bush's budget for fiscal year 1993, as recently approved by Congress, has authorized 3.3 billion dollars nationally to continue to meet the needs of our nation's farmers and ranchers. "Texas FmHA looks forward to an allocation of approximately 250 million dollars to assist eligible Texas farmers and ranchers in fiscal year 1993," Johnson said.

The Farmers Home Administration assists rural America by guaranteeing private sector loans and by providing temporary, supervised direct loans to farm and housing borrowers who have a reasonable chance for success, and whose current needs cannot be met at reasonable rates and terms by commercial sources. The Agency is committed to excellence in providing its services.

Cub Scout news

This past weekend, two Cub Scouts from Sonora's Pack 19, along with their dads, participated in the "Frontier Days" Cub/Dad campout. David Cook, a Tiger Cub, and his dad, Jesso Cook, and Ryan Hardgrave, a 4th-grade Webelo, along with his dad, Gary Hardgrave, joined campers from surrounding areas at Camp Sol Mayer for a weekend of fun.

On Monday night, October 19th, the monthly Pack Meeting will be held at 7 p.m. in the Junior High

Snack Bar. This meeting is for all ages of Cub Scouts from grades one through five, along with their leaders and families. Awards will be presented, and sales packets for the upcoming popcorn fundraiser will be distributed. Please be sure to attend this important meeting.

The community is invited to watch Pack 19 before the football game begins on Friday, October 23. At 7:10 p.m., the Cub Scouts will honor our country with a special flag-raising ceremony.

Tiger Cub News

On Tuesday, October 6, 1992, the Tiger Cubs of Pack 19 met at the fire hall for their meeting. The meeting was hosted by Trapper Valliant and his mom. Those present were Joseph Ainsworth, Payton Holekamp, Jason Hulsey, David Cook, James Ross and Wilson Wallace.

The boys were given a lesson on fire safety from Fire Chief Carl Teaff and Volunteer Firemen Pat Campbell and Louis Olenick. They were shown firefighter equipment and a demonstration of the fire hoses. The highlight of the meeting was a ride on the fire truck.

There has never been any country at every moment so virtuous and so wise that it has not sometimes needed to be saved from itself.

Commissioners

continued from page 1

asked for suggestions or information concerning another building for a new library. This topic will be discussed in the next meeting when a final decision will be made.

The J.P. Reports for August and September were given by Adelita Smalling. Mrs. Smalling reported 391 cases filed, total collected \$22,887.84. County received \$17,302.89 for the month of August. For the month of September 333 cases were filed. The total collected was \$34,443.50, \$26,447.80 of that was received by the county.

Sheriff Bill Webster brought forth the Jailor's Report for the

month of September and for the fiscal year. The total number of incoming inmates for the month of September was 52 and 622 for the fiscal year. The average daily population for the month of September was 17.7 and for the year 20.1. Sheriff Webster also brought forth the Sheriff's report presenting an idea of the possibility of building a cover over the old jail parking lot. Webster anticipates donation of some of the supplies. All were in favor of the covering for the old jail parking lot.

A grass and leaf catcher was requested for the park. The request was denied.

Brownies invest new members

The members of Brownie Troop 100 participated in an investiture ceremony on Wednesday, October 7. All the new Brownies received their pins and repeated the Brownie

promise in the company of their parents and other Brownies. Brownie Troop 100 has many activities planned for the year.

REMEMBER - Walk-ins Welcome!
DriveRite Defensive Driving

\$19 Community Room - FNB - Sonora State
8:30 a.m. - Sat., Oct. 17, 1992 (915)657-6608 Approved

This year, you get to choose a new Congressman.

HENRY BONILLA **ALBERT BUSTAMANTE**

- FOR ACCOUNTABILITY**
Firmly believes that politicians are not above the law. As your Congressman, Henry will serve you and not special interest groups.
- FOR JOBS**
Supported by the National Federation for Independent Business & the U.S. Chamber of Commerce.
- FOR GOOD GOVERNMENT**
Will work for balanced budget, line item veto, term limitations and ethics reform.
- FOR A SAFE TEXAS**
Has marched in protest and given public testimony against nuclear dumping along border.
- FOR TEXANS**
Will work to revise AMT to eliminate penalties on domestic oil and gas producers. Unanimously recommended for endorsement by Texas Farm Bureau representatives in the 23rd Congressional District and endorsed by Agricultural Commissioner Rick Perry.
- FOR PERSONAL GAIN**
Raised your taxes while raising his salary \$40,000 a year.
- AGAINST FREE ENTERPRISE**
Votes consistently against small business. Is rated poorly by the National Federation for Independent Business and the U.S. Chamber of Commerce.
- FOR BIG SPENDING**
Co-sponsored Balanced Budget Amendment, then voted against it! Also proposed an increase in the deficit by \$257 billion, five times more than any other Texas Congressman.
- FOR NUCLEAR DUMPS**
Refused to fight nuclear dumping along the Texas-Mexico border. Took money from hazardous waste company.
- FOR ALBERT**
Abused House banking privileges by bouncing 31 hot checks.

The choice is clear.
If you like the way Congress is doing its job, keep the incumbent. If you think it's time for a change, vote for Henry Bonilla.

HENRY BONILLA FOR CONGRESS
Paid for by Texans for Henry Bonilla, Becky Schmidt, Treasurer-P.O. Box 1034, San Antonio, TX 78294-1034

PUBLIC NOTICE

TEXAS DEPARTMENT OF TRANSPORTATION PUBLIC NOTICE AWARD OF CONTRACT AND REQUEST FOR STATEMENTS OF INTEREST FOR THE TEXAS LOGO SIGN PROGRAM

In accordance with Texas Civil Statutes, Articles 6674a et seq. and 4477-9a, Section 4.07, and Title 43, Texas Administrative Code, Sections 25.400-25.408 (43 TAC §§ 25.400-408), the Texas Department of Transportation is seeking statements of interest from a person, firm, group, or association in the State of Texas for the award of a contract to erect, maintain, lease and market signs and sign space to commercial establishments for the purpose of giving specific information of interest to the traveling public including specific brand names, at appropriate locations along interstate highways in each county with a population of less than 20,000.

Prospective contractors will be required to meet the prequalification requirements as provided by 43 TAC §§25.400-25.408 (published in the June 9, 1992 issue of the Texas Register, 17 TexReg 4160 - 4167; correction of error published in the June 19, 1992 issue of the Texas Register, 17 TexReg 4481; final adoption to be published in the October 9, 1992 issue of the Texas Register). These sections were adopted by the Texas Transportation Commission on September 29, 1992 and will become effective October 20, 1992.

Statements of interest will be used to determine if a person, firm, group, or association in the State of Texas is prequalified for bidding on the Texas LOGO Sign Program contract. Any party interested in becoming prequalified to bid on this contract will be required to submit an introductory letter and a statement of interest. Introductory letters and statements of interests may be sent by registered mail or hand delivered, but must be received at the office of Mr. Mark Thorp, Project Engineer, by 5:00 PM, Central Standard Time, November 23, 1992. Mr. Thorp's address and telephone number may be found at the end of this notice.

Introductory letters and statement of interests will not be accepted if submitted by facsimile messages or telegrams.

Each statement of interest will be reviewed and only those parties meeting the prequalification requirements as prescribed by 43 TAC §25.403 will be issued bidding proposals and invited to a pre-bid conference. Bids will be opened December 15, 1992 after 1:00 PM, Central Standard Time.

PREQUALIFICATIONS
For information concerning the introductory letter and statement of interest please contact the project engineer at the address as listed

below. As a part of the statement of interest, a financial statement will be required. Information concerning forms for submitting the contractor's financial prequalification statement, instructions as to filing these forms with the Department, copies of plans, specifications, 43 TAC §§25.400-25.408, and other information may be obtained by writing:

Director of Maintenance and Operations, Texas Department of Transportation, Attention: Mr. Mark Thorp, Project Engineer, 125 East 11th Street Austin, Texas 78701-2483 or may be obtained in person at the office of:

Texas LOGO Sign Program Texas Department of Transportation, Riverside Annex, 150 East Riverside Drive, Room 3.362 N Austin, Texas 78704

Contact person: Mr. Mark Thorp, P.E.
phone number: (512) 416-3153

Usual rights reserved. (10/15)

CITATION BY PUBLICATION

THE STATE OF TEXAS

To RAYMOND THORNTON, Respondent:

You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 A.M. on the Monday next following the expiration of 20 days after you were served this citation and petition, a default judgment may be taken against you. The petition of THE ATTORNEY GENERAL OF TEXAS, Petitioner, was filed in the 112th Judicial District Court of Sutton County, Texas, on the 5th day of October, 1992, against ANNETTE THORNTON, VICTOR GUTIERREZ and RAYMOND THORNTON, Respondents, numbered 3858 and entitled "In The Interest of DANIEL THOMAS THORNTON, a Minor Child." The suit requests to establish paternity. The date and

PUBLIC NOTICE

place of birth of the child who is the subject of the suit: January 31, 1989, San Angelo, Texas.

The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship, the determination of paternity, and the appointment of a conservator with authority to consent to the child's adoption.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said Court at Sonora, Texas, this 5th day of October, 1992.

Bobbie Smith
Clerk of the District Court of Sutton County, Texas

By: Genevieve Crenwelge,
Deputy

Area News & Information

Historic Fort Stockton

History comes alive at Historic Fort Stockton, Saturday, October 24, 1992. You're invited to this fort of the Frontier West to relive history! Plan now to be a part of it.

Starting at 8 a.m., you and your horse, covered wagon, stage coach, or carriage can participate in the Trail Ride. Or try your culinary arts in the Chuck Wagon Cook-off.

Reveille is at 10 a.m. and the fun begins for the public. The day's activities include Living History Demonstrations around the parade grounds and in the various buildings on the fort grounds. Take a wagon ride around the parade grounds. Witness artillery and small arms firing demonstrations, mounted saber drills, and weapons displays. Enlist in the military service (the Indian Wars Reenactment Troop, that is).

Craftspeople will demonstrate traditional crafts. Learn how to do broom and brush making, quilting, tanning, spinning and weaving. Churn butter. Learn the art of leather crafting and rope making. Watch a blacksmith in action. Rediscover the lost art of skrimshaw and gourd carving. Be entertained by storytellers,

musicians, vocalists and cowboy poets. Experience a melodrama. Children can play some of the games of the mid-to-late 19th century. These are just samplings of educational and fun-filled activities - there's more, much more!

All this for FREE ADMISSION! That's right, admission to the grounds to experience all this is FREE.

The day-long event will end with a Country-Western dance in the nearby VFW Hall. Dance tickets

are \$10 at the door. Discount tickets are available if purchased before Living History Day: \$7 for general public, \$5 for Members.

Come, enjoy and learn by experiencing the past! All events are sponsored by Friends of Fort Stockton and proceeds benefit restoration and interpretation from Historic Fort Stockton, 300 East Third, Fort Stockton, TX 79735, or call 915/336-2400. My also contact the Fort Stockton Historical Society, 301 S. Main, Fort Stockton, 915/336-2167.

Antique Show

The 39th semi-annual antique show and sale will be held at the Civic Center in New Braunfels, Texas, 380 S. Seguin St. Quality dealers from all over the state and many out of state dealers will be exhibiting quality merchandise for sale. The show and sale will be open 3 days, Friday, Saturday and Sunday, October 16, 17 and 18.

The antique show and sale will be open from 10 a.m. until 8 p.m. on Friday and Saturday and from noon until 6 p.m. on Sunday.

Included for sale will be fine cut glass, art glass, carnival and pattern glass, along with furniture (oak,

pine, walnut, etc), primitives, silver, jewelry, coins, toys, linens, quilts, clocks, and many other antiques and collectibles. There will be a very large and excellent variety of merchandise - always something for everyone.

This is the only quality antique show and sale where the admission is still only \$2.50, which is good for all three days.

For additional show and sale information write or call Jerry M. Johnson, 1175 Hwy. 81 East, New Braunfels, TX 78130. 512/625-0612 or 512/620-4934.

First Poteet Balloon Fest

POTEET - There will be a sky full of color and a weekend full of fun at the First Poteet Strawberry Balloon Fest/Bob Hughes Memorial Ranch roundup on October 16-18.

The three day event is being staged by the Poteet Strawberry Festival Association in cooperation with the Balloon Federation of America, which is sanctioning the balloon competition. The Berry Balloon Fest/Ranch Roundup will be held on the Strawberry Festival Grounds, located on Highway 16, approximately 20 minutes south of San Antonio.

Admission will be \$4.00 for adults and includes all live entertainment, concerts, dances and rodeo performances. Children under the age of 10 years are admitted free of charge.

The Berry Balloon Fest opens at 5:00 p.m. Friday, October 16, when the Festival Grounds open. The Flores Family Circus and the

Victor Flores Thrill show will entertain Fest guests.

Friday night also will feature an appearance by the popular Tejano recording artist, Emilio Navara y Rio, as well as El Mariachi Espanol, and the Nashville Sounds, who will play for dancing. Cowboy poets and storytellers will spin tales, in rhyme and prose, on Stop-N-Go Stage 7 all three days.

The Festival Grounds open at 7:30 a.m. both Saturday and Sunday, October 17 and 18. Balloon competition, with Clotair Castanier and Ed Newman serving as Balloonmeisters, begins at 8 AM on Saturday. The Balloon Hare and Hounds Mass Ascension is scheduled for 5:00 p.m. Saturday.

Balloon Fest and Ranch Roundup stages will feature the 1992 Ranch Roundup Fiddlers Contest, McMillan & Co., Ballet Folkloric de St. Matthews, the Victor Flores Thrill Show, the Sawawe Indian Dancers, the Mystic Enchanter, Momentum, KJ97 Gunslingers, Crawdaddies, Kent & Jenni Finlay, Fire-On-the-Mountain cloggers, the

Kactus Kickers, the Flores Family Circus, South Texas Snakehandlers and "Geronimo."

The stupendous Texas Tornadoes will appear on the VFW Miller Lite Stage from 6:00 - 7:45 pm Saturday. Young Country will play for a dance at the same stage from 8:30 pm - 12:30 a.m. and the popular new recording artist, Jody Jenkins, will play for a dance at the Lions Budweiser Pavilion, also from 8:30 p.m. - 12:30 a.m. on October 17.

In addition, Alamo Attractions Carnival will be open all weekend as will a large Arts & Crafts show.

Area non-profit church, school and service organizations will offer a wide variety of gourmet Fest/Ranch Roundup foods throughout the 3-day event.

Crockett Co. Guild show

The Crockett County Arts & Craft Guild will host their annual Fall Arts and Crafts show on November 7th, 1992. The show will be held at the Crockett County 4-H Barn in Ozona, Texas.

For applications or information, write the guild at P.O. Box 141, Ozona, Texas 79643. You may also call T.K. O'Bryant at (915) 392-3557.

Tis the Season for football and the flu.
To help prevent this disease, Flu Vaccine is now available for you.

Cowboy Burnet crafts show artwork

Charles M. Russell, "America's Cowboy Artist," is coming to Kerrville, Texas. The Cowboy Artists of America Museum has organized an exhibition of the works of the renowned pioneer Western artist to open October 30 and to run through December 31.

The exhibit, entitled "I Savvy Folks," draws on public and private collections of the artist's work. The Gilcrease Museum, Tulsa, Oklahoma, the Amon Carter Museum of American Art, Fort Worth, and the University of Texas at Austin will all lend works to the exhibit as will private collectors from across the country.

Russell is well known and respected for his art that expresses the diversity of the Old West as he saw it come to a close. His understanding of American Indian life, the hard work of the cowboy, and the explorers and trappers of the Nineteenth Century are expressed in the personal drama of the moment against the dramatic landscapes of the high plains using the vivid colors which can only be found in the West.

The Cowboy Artists of America Museum is located at 1550 Bandera Highway in Kerrville. The Museum is open on Tuesday through Saturday from 9 A.M. to 5 P.M. and on Sunday from 1 P.M. to 5 P.M. Admission is \$2.50 for adults, \$2.00 for seniors and \$1.00 for students.

The 23rd annual Burnet Fall Arts and Craft Show will be held the weekend of November 14th and 15th, in conjunction with the Highland Lakes Fall Bluebonnet Trail, (so named because fall is the proper time for planting bluebonnet seeds!).

The Burnet Arts and Crafts Show will have a variety of arts and crafts for sale, including ceramics, painted shirts, gold jewelry, woodworking, weaving, porcelain dolls, silk painting, knitted items, chinaberry jewelry and oil paintings.

The Burnet Show will be one of five shows along the Highland

Lakes, including shows at Buchanan Dam, Llano, Marble Falls and Kingsland. All shows are free of charge and will be open from 9 a.m. to 5 p.m.

Artists from across the country will have their wares for sale at the Burnet Show. The show will be held at the Burnet Middle School, two blocks north of HWY 29 and two blocks east of HWY 281 in Burnet (watch for signs).

For more information on the Burnet Fall Arts and Crafts show, contact Stephanie Johnston at 512-756-7031.

Greek funstival

The Mayor of Athens will be honorary chairman for the 32nd annual Greek FUNstival scheduled October 15-16, on the grounds of St. Sophia Greek Orthodox Church, 2504 N. St. Mary's, in San Antonio.

The Honorable Bill Underhill, Mayor of Athens, Texas, will participate in opening ceremonies unleashing three days of Greek activities on festival-goers. Among the highlights is the expanded Agora (indoor market) featuring fine jewelry and clothing, Greek coffee, pastries, staples, religious icons, and books, along with other traditional appointments of ethnic food and culture.

The three-day FUNstival will feature daily performances by a Greek band and the ever-popular Kali Parea Dancers.

While Greek food names such as Baklava, Koulourakia and Spanakopita may be hard to pronounce for non-Greeks, eating these homemade foods loses nothing in the translation, it only enhances the Greek experience.

Free shuttle service, courtesy of First National Bank - San Antonio, during FUNstival hours from parking areas around the bank at 750 E. Mulberry at U.S. Highway 281 North, to the church.

Fiesta de Amistad Kindred in concert

Fiesta de Amistad is a West Texas, citywide event which celebrates the friendship between Del Rio and Ciudad Acuna, Mexico, scheduled for October 16-25. Festivities feature Abrazo at Amistad Dam, Seniorita Amistad and Miss Del Rio pageants, Air Amistad and an international parade. Don't miss the bicycle race, the battle of the bands or the arts and crafts show. Contact Peggy Acost, International Good Neighbor Council, P.O. Box 1381, Del Rio, 78841. 512/775-7587 for more information.

Kindred, an international music-ministry team to Peru, Ecuador, and Bolivia is touring the United States and will be at the City Park, in front of the Courthouse in Ozona, on Thursday, October 15th at 7:00 p.m. They will present a family night program. Through concert and sing-along music, media presentations, personal word and witness, puppetry and drama, Kindred provides a faith-encouraging program which

emphasizes our oneness in Christ. Kindred is an International Team formed and sponsored by Lutheran Youth Encounter, and evangelical Lutheran organization that offers relational ministry resources.

Bring the whole family (and lawn chairs) and be prepared to enjoy a time of Gospel-centered entertainment. A Free-Will offering will be accepted to help meet the expenses of the Team.

Comfort Antique Show

Located in the very heart of the Texas Hill Country, Comfort is an unspoiled 1854 Texas Town. Six years ago, the Comfort Village Antique Show opened and has grown into one of the most popular, well-attended shows in Texas. Exhibitors from as far as Maine, Michigan, Georgia, Louisiana, and all over our great state offer for your collective interests the very best American antiques. If you love quilts, victrolas, cupboards, pewter, stoneware, western, sporting

through turn of the century, then don't miss this show. Located in the comfort park on Hwy 27, antiques overflow from building, gazebo, pavilion, and a large tent.

Put country back into country antique shows and share this wonderful weekend with many of your favorite dealers.

Comfort is a short, scenic drive from San Antonio, Austin, Kerrville and Fredericksburg. Dates are Saturday, October 17 (10-6) and Sunday, October 18 (10-5). Admission of \$3.50 includes tax. The show is sponsored by the
