Two Texas Girls (Contemporary Country Gospel Concert) Sunday, October 17th - First Methodist Church at 11:00 a.m./ First Baptist Church 7:00 p.m.

Roe/McBride - Sonora Golf Club Champs

The Sonora Golf Club Championship was held at the Sonora Golf Course on Saturday and Sunday, October 9 and 10, 1993, with a total of 54 club members participating. The 1993 men's club championship belongs to Ray Roe with a two-day score of 152 and Juanita McBride is the 1993 women's club champion finishing with a score of 173. Congratulations to both!! There was some tough competition over the weekend as well as some chilly wind to contend with on Saturday, but we saw some real good scores turned in. Primo Gonzales came in second with a 153 and Mike McBride, the defending champion, came in third with a score of 157. Melissa O'Harrow and Tressa Henson tied for second place with a score of 179. The club championship was based on the score actually shot but then the handicaps were applied to each participant's score for the prize money. The results are as follows: Oliver Wuest 135; Harvey Sanchez 138; Steve Smart 139; Adam DeLaGarza 140; Willie Gutierrez 142; Juanita McBride 143; Ray Roe 144; Clyde Dukes, Tressa Henson, Mike Krieg, Erasmo Lumberas, Primo Gonzales (tied) 145; Steve Brents, Albert Fowler (tied) 146; Mike McBride, Papo Sanchez, Joe

Golf champs Ray Roe and Juanita McBride are the new club champions of the Sonora Golf Club.

Casillas (tied) 141.

Mike Krieg won closest-to-the-pin on hole no. 9 on Saturday and Whiskey Hill won closest-to-the-pin on the same hole on Sunday, both winning two lunches at Rosie's Cafe. Harvey DuRussell won closest-to-the-pin on hole no. 2 on Saturday for a \$50.00 gift certificate to be used in the

Sonora Golf Pro Shop donated by Marla Percifull of Team Graphics.

We would also like to thank Jerry Kemp and Cecil Atkisson Chevrolet-Oldsmobile-Pontiac, Inc. for their participation in our club championship this year by offering a new 1994 Buick Century to anyone with a hole-in-one on the 9th hole on

Saturday. There was also a choice of a cruise, a golf weekend, or 2 round-trip airline tickets anywhere in the continental U.S.A. for a hole-in-one on hole no. 2. Unfortunately, there were no winners, but it certainly added some excitement to the tournament and we appreciate it.

Sonora Broncos Defeat Colorado City Wolves 37-14

by R. Clay Hall
The Sonora Broncos dominated the Wolves of Colorado City winning their district opener Friday by a score of 37-14. The game saw the emergence of a Bronco ground game that had sputtered earlier during the year.

"This is a new season (district play). I'm proud of our team, we played real well," said Bronco head coach Bob Bellard. "We have to keep up this intensity."

The game started slowly for both teams, who seemed to be struggling to find their rhythm. The first two Sonora possessions ended with punts; the first three Colorado City drives ended with a punt, a fumble and on downs. The highlight of the quarter for the Broncos was a fumble recovery by Marcus Montez at the 41 with 6:05 left.

It was on Sonora's third possession that the Broncos found what it took to win.

The Wolves had driven the ball to the 2 and seemed destined to break out on top. Quarterback Jason Castillio had combined with running back Frank Espinosa and wide out Daniel Silva to move the ball 78 yards only to be denied the final two and the score. As the first

quarter came to an end the Wolves had the ball first and goal at the 3. On second down the middle of the Bronco line stopped the dive play for a two yard loss. On the third play the defensive line and linebackers Montez and Shane Deel smacked Castillio for another loss. On fourth and goal at the three the Bronco defense stiffened again throwing Castillio for another loss. Trini Banda and Casey Fitzgerald swarmed in and made the stop.

The Broncos took the ball and drove 98 yards for the first score of the game and the first lead for the Broncos for the season. On first and 10 at the 2 Joey Guerra exploded off right tackle for 42 yards getting the Broncos out of the hole. On the next play Jason Morely picked up 6 on a quarterback keeper. Guerra again went off left tackle and got the second first down for the Broncos on the drive and on the night. Guerra's number was called again and this time he sprinted to the 12. With the ball first and ten at the 12 Gabriel Perez took the ball to the 3. Two plays later Guerra dove over for the two for the score at the 7:13 mark of the second quarter. Trini Banda's kick was good. The half ended

33 - Joey Guerra makes a 55 yard touchdown when the Broncos faced Colorado City last Friday night.

with the Bronco defense swarming the Wolves offense and holding them to minus 20 yards on the next possession. As the half was drawing to a close the Wolves again were driving. This time it was Adam Esquivel who ended the Colorado City threat with an interception at the 10 with 1:06 left in the half.

The Bronco offense exploded for 21 points in the third quarter and the Bronco defense added two of their own.

Sonora took the opening kickoff of the half and just three plays later Joey Guerra again would strike play dirt. This time it was a 55 yard dash that led to the score. The Broncos were unable to convert the point after.

Following the first offensive possession of the half by the Wolves, which was again shut down by an outstanding defensive effort, the Broncos quickly scored again.

This time it was Wade Spain who would bring the Broncos six points. On the first play following a Colorado City punt to the Sonora 35 Spain ran 65 yards on a sweep for the touchdown. Spain made several tremendous moves to free the way for the score. The Broncos converted the two point

conversion on a Jason Morely pass to Gabriel Perez.

On the ensuing kickoff Banda's kick went to the 2. The Wolves' Ashley Walthall apparently lost his position on the field and wandered back into the end zone where he attempted to down the ball for a touchback. However, the Broncos, who are well coached in fundamentals rushed to the end zone and touched Walthall for the safety.

Sonora lost the ball on the next play following the free kick after the safety. Sonora's defense again was able to stop the Wolves on the next drive. Deel and Davis Hale were able to combine on several tackles to keep Colorado City in check.

Following the Colorado City punt it took 8 plays for the Broncos to march 59 yards and a 30 to 0 lead. The drive was highlighted by the running of Gilbert Vara and Perez. It must be said that the outstanding runs were enabled by the blocking of the Sonora offensive line. Joel Cox, Casey Fitzgerald, Trini Banda, Narciso Lira, Jamie Espinosa, all had great games. The score came on a 28 yard run by Vara at the 2:42 mark of the quarter. Banda converted the PAT. Sonora took a 30 to 0

Card of Thanks

We would like to thank the Sutton County Sheriff's Dept., the EMS, the Sonora Police Dept., and the Staff at the Hudspeth Hospital for all their professional help and moral support during Leighton's illness. Having a hospital in Sonora is so very important. I don't know how we would have made it without all of these people. Also we appreciate all the calls of concern and prayers. It really helps to know so many people care.

Sincerely,
Ronnie, Susan and
Leighton Henderson

Card of Thanks

I had just returned from Foxworth's one day with a set of keys I had made. I went to a house that belongs to the school district. I put the key in the door knob and it got stuck. I was really in trouble and didn't know what to do. When I flagged this nice man down. He was mowing the lawn for the school and he came over to help me. Not only did he rescue me by getting the key out of the knob, but he sprayed WD-40 in it and tried the rest of the keys to make sure they worked. That man's name was Junior Dominguez. I thank him and wish there were more people like him in this world. Sonora should feel privileged to have such a person in this town.

Sincerest Thanks,
Francine Thurman.

Card of Thanks

On behalf of ALL the Sonora High School exes, we would like to send a sincere thanks to all the people of Sonora who work so very hard every year to make Homecoming Weekend such a wonderful success. This year's program was the best ever and seemed to be liked by everyone.

Again, thanks to all who are so generous with their time, effort and donations year after year. We always look forward to the wonderful SHS Homecoming weekends.
Jim & Anita Birdsong.

Card of Thanks

The Fiestas Patrias would like to thank the following merchants for donating items for the raffle: Merle Norman Cosmetics, Victoria's Ceramics, American Sales and Service, Ruben's Chevron Station, Home Health Care, Pizza Hut, Cavern's of Sonora, Sonic Drive-In, Live Oak 66, Rafter L, Ol' Sonora Trading Post, Circle K, Image, Houston Headwear, Juanita's Beauty Salon, La Mexicana, Jane's Floral & Gifts, Shot's #5 and #6, The Video Store, Amigos Texaco, Carmen Ramirez, Devil's River News, Busy Bees Daycare, Cynthia's Party Villa, Andy's Automotive & H & R Block, Viola Solis, Commercial Restaurant, State Farm Insurance.

Also, Tedford's Jewelry for the Tiara, Coors Distributing Company, Coca Cola, All city and county officials, all booth holders, washer pitching participants, Sam Mata, Sheriff's & Police Dept., Adolf Alvarez, Al the Fiesta booth helpers, Ramiro Perez and Sandra Luz Gonzales, Local Radio for the announcements, Pete Martinez, Oscar Galindo and Jesus Favila Jr. for carrying the flags, Headstart for participating, Dominguez and Nina Martinez for poem recitals and Palmira Sanchez.

A very special thanks to Stephanie Virgen, our Diez Y Seis De Septiembre Queen, for all her hard work and time.

There are many more that have not been mentioned but are very much appreciated for their hard work and time. Until next year for another big celebration!!

The Fiestas Patrias
Committee

October is the beginning of the new year (fiscally speaking, that is). And with the new year come some changes in both the administration of our senior center and the funds coming to us from the State and Federal Government. Locally we will have Lesa Galindo on as a full time staff member rather than a part time. I'm sure you will all agree that Lesa is definitely an asset to our Senior Center!

On the other levels, the state and federal funding will remain the same, but will be "redirected" from supportive services to the nutrition program. Any programming or services that we offer - from filling out forms, making referrals, supplying information or education to crafts, excursions, social events and recreation will have to rely on local funding alone. On the surface nothing will change. But we should keep a watchful eye on changes yet to come!

One way of doing that is for me to attend conferences offering the latest updates in Aging. So if I'm not here occasionally, remember that I'm still on the job for you!

On Thursday, Oct. 14th we will hold a training session for all staff members and volunteers who help us in the kitchen or in serving or delivering meals. Amelia Ramos & Carole Thorp will share the food safety knowledge they obtained from the Texas Dept. of Health. If you would like to become a volunteer here, or currently serve, please plan to attend!

Wed., Oct. 13th is our distribution of commodities from 1 to 3 p.m. Please bring a large grocery sack with you. We will have pinto beans, potatoes, apple juice, applesauce, fruit cocktail, butter, and peaches. VOLUNTEERS ARE NEEDED!

Let the kid in you come out for Halloween this year! We'll have our Halloween Party & Costume Contest on Oct. 28th immediately after lunch. We'll have some good prizes and lots of fun for everyone. Categories will be spookiest, funniest, and most original. So start on your costume now!!

While the judges are stewing over the costumes on the 28th, Kelly Lewis our Extension Home Economist will be stirring up her own witches brew for her special Halloween version of Nutrition Education. See you can have fun and learn, too!

If you haven't gotten into step with one of our Senior Sensation Dance Classes, you are really tripping up! Carolyn Earwood is here on Wednesday at 2:30 and soon, Kristen Hicks will be coming on Mondays at 2:15!

Maggie Mesa has done a super job of filling in for Juanita, who is recovering from surgery. Juanita is doing fine and will return either at the end of October or the first part of November.

We need volunteers!! Think about it!!

Philosophy**

*Little drops of water, little grains of sand,
Make the mighty ocean and the pleasant land.
So the little moments, humble though they be,
Make the mighty ages of eternity.*

--- Julia Carney

This month, the DRN celebrates her 103rd birthday. For over a century this grand lady has faithfully served Sonora and Sutton County. To the best of our knowledge, she is the oldest, establishment that has continually been in business in this county. She has survived fire and flood, boom and bust. She survived the Great Depression.

She was present when our boys went off to fight in World War I, and she has been here to see off and welcome home American soldiers who have fought in every war since. She has mourned over the loss of some.

She has been owned by individuals and corporations. She has seen times of pride and times of shame.

Most of her caretakers have used her to benefit the community. A few have used her for self gain.

The true purpose of any community newspaper is to provide it's readers with information. How that information is reported reflects not only upon the community, but also upon those who are doing the reporting. At any given moment in a community, there are good things taking place and bad things taking place. Both need to be reported. It is at the discretion of the editor, however, as to which will carry the most weight. Many of the past caretakers of the DRN have been very positive in their reporting. I intend to follow that policy on my watch.

I understand that there are always a few, poor, misguided individuals who want to negatively use a local paper to hurt and slander other people. Those people are going to see me as their enemy. That's O.K., too.

I am proud to be a part of this community. I am proud to be the owner of the Devil's River News.

As we begin year number 104, I see bright hopes for the Devil's River News. I see good things for Sonora.

Until the next time,

May God Bless

TEXAS PRESS ASSOCIATION

The annual Halloween Carnival that has been sponsored by the Sonora ISD will be replaced this year by a Fall Festival. The festival will be held on Friday, November 12 from 4 until 8 p.m. in the Junior High Gyms. Classes and clubs from the district will have various food and game booths and a Storybook Parade will begin at 4 p.m. with the participants dressing in the costume of a favorite character from a book they have read. Following the parade, the Fall Festival Queen, chosen from High School candidates, will be crowned and booths will open.

The Staff of the Devil's River Newspaper would like to thank Lou Faulks for thinking of us and bringing us the delicious fudge. We appreciate all your kindness. Thanks again. With sincerest appreciation, Gary, Joani, Ida & Rhonda

She was 20 3/4 in. long. Hillary is welcomed home by her sister Heather, grandparents Bill & Judy Webster of Sonora and J.B. & Helen Nunn of Ballinger.

Five Students Tour Kerr Wildlife Area

On October 5th, the Biology II class of Sonora High School toured the Kerr Wildlife Area. Personnel making the trip were Don Sessom, teacher; Mrs. Mary Humphries, Texas Parks and Wildlife Technician of Sutton County; and students Tabby Sanchez, Virginia Talamantes, Dawn Beebe, Becky Lumberras and Rena Smalling.

They observed work being done on the white-tailed buck deer. The bucks were genetically tested for future breeding purposes. The biologists were also drawing blood from the animals for

D.N.A. fingerprinting and tracing blood lines. Antlers were being removed to prevent injury to the employees and other deer. The trip was taped on video for public viewing and as study for Biology I classes.

The Biology II class will be using this experience to help age deer and measure weight and antler size for the current hunting season to complete their project for the first semester. A special thanks to Mary Humphries for arranging the tour of the wildlife area, and to Mr. Rodney Knight for his time in the classroom lecturing about game laws and game wardens.

Biology II class members Dawn Beebe, Tabby Sanchez, Rene Smalling, Virginia Talamantes & Becky Lumberras attended the tour of the Kerr Wildlife Area.

ASU Offers Computer Courses October 23

The Small Business Development Center at Angelo State University is offering introductory courses in Lotus 1-2-3 Saturday, Oct. 23, and in WordPerfect Saturday, Nov. 6, from 9 a.m. to 12 noon at the Emil C. Rassman Business-Computer Science Building.

Cost of each seminar is \$20 or \$35 for both courses. Classes are limited to 30 students.

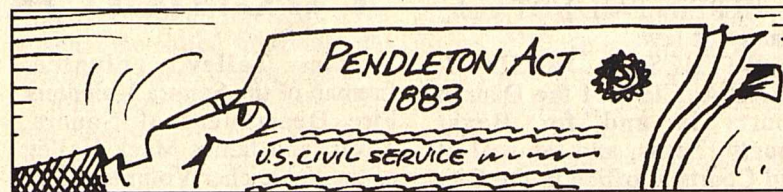

The Introduction to Lotus 1-2-3 is a step-by-step workshop on how to use the electronic spreadsheet. Elaine Beach, director of microcomputer laboratories at ASU for six years, will be the instructor for the Lotus class. She holds a bachelor's degree in computer science and master's degree in management from Angelo State.

The introduction to WordPerfect 5.1 is a workshop designed to teach small business owners how to use this tool to make work easier and more productive. Albert Booky is the microcomputer technician at Angelo State University and teaches classes for faculty and staff at ASU in the use of microcomputer applications. Prior to coming to ASU, Booky taught microcomputer classes for the Texas A&M University Extension Center in San Angelo. He received a bachelor's degree from New Mexico State University and a masters degree from Angelo State.

For additional information contact the Small Business Development Center at ASU at 942-2098.

All men's employments, all trades and professions, in some of their aspects are attractive.

Sheryl Hall - Certified Volunteer Ombudsman

Sheryl Hall of Sonora, recently attended a special two day training in Austin enabling her to become a certified volunteer Ombudsman. The intensive sessions were conducted by the Texas Department on Aging and the Texas Department of Health and Human Services.

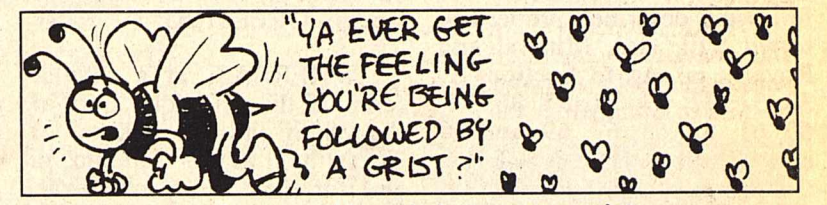

Mrs. Hall served the Lillian M. Hudspeth Nursing Facility as an Intern for the past few months and will now serve as the Area Agency on Aging of the Concho Valley's volunteer Ombudsman assigned officially to the facility.

Each state is required by the Older Americans Act to conduct an Ombudsman program. The program receives and investigates complaints by, or on behalf of nursing home residents. The Ombudsman then attempts to resolve the situation at the lowest level of intervention possible.

Typical duties of a volunteer Ombudsman involve visiting residents and being available to help them resolve problems that arise in the course of daily living and the need for institutionalized care. Questions about medical treatment, food and staff attentiveness normally make up the bulk of the volunteer ombudsman's caseload.

Volunteers do not investigate serious complaints involving abuse or neglect but will refer them to the regional program for further action and coordination with appropriate agencies.

Anyone wanting more information about the Ombudsman program can call the Texas Department on Aging at 1-800-252-2412, or the Regional Office located in San Angelo 1-800-728-2592.

Sheriff's Notice of Sale

STATE OF TEXAS
COUNTY OF SUTTON

BY VIRTUE OF A WRIT OF EXECUTION issued out of the 285th Judicial District Court of Bexar County, Texas on the 24th day of September, 1993, in the case of Thomas A. Martin vs. Robert T. Turnbull, Cause No. 89-CI-06132, whereas Judgment was given on August 25, 1989, and to me, as Sheriff, directed and delivered, I have levied upon this 4th day of October, 1993, and will between the hours of 10 o'clock A.M. and 4 o'clock P.M., on Tuesday, November 2, 1993, at the Courthouse door of said Sutton County, Sonora, Texas, proceed to sell at public auction to the highest bidder with cash in hand, all the right, title and interest which Robert T. Turnbull had on the date of levy, above or at any time thereafter, of, in and to the following described properties, to-wit: Oil, Gas, Mineral and Royalty in and to Sections 1, 30, 31, 32, 33, 34, 35, 36, 37, 60, 61, 62, 63, 67, 69, and 90 all in Block A, H.E. & WT RR. Co. Survey and Sections 34, 35, 37, 44, and 63 all in Block 9, TWNG R.R. Survey, Sutton County, Texas. Said properties being levied on as an interest of Robert T. Turnbull and will be sold to satisfy a judgment amounting to \$36,400.00 with interest of \$12,133.32, calculated at the rate of 10%

per annum together with the additional sum of \$838.95 as attorney's fees in favor of Thomas A. Martin, 50% and G.B. Carter, 50% and costs of court and the further costs of executing this writ.

GIVEN UNDER MY HAND This 4th day of October A.D., 1993.
W.W. Webster
Sheriff of Sutton County, Texas

THE STATE OF TEXAS
COUNTY OF BEXAR
No. 89CI-06132 Vol. 810A Page 534
IN THE DISTRICT COURT
285th Judicial District, Bexar County, Texas.

The State of Texas to the Sheriff or any Constable of any County of the State of Texas - GREETING:

WHEREAS, at a regular term of the District Court of the 285th Judicial District of Texas, held at San Antonio, Texas, and for the County of Bexar, on the 25th day of AUGUST, A.D. 1989 THOMAS A. MARTIN, WHO ASSIGNED AND TRANSFERRED AN UNDIVIDED ONE-HALF SHARE OR INTEREST OF HIS JUDGMENT TO G.B. CARTER by the judgment of said Court, recovered against

ROBERT T. TURNBULL THE SUM OF \$36,400.00 WITH INTEREST OF \$12,133.32, CALCULATED AT THE RATE OF 10% PER ANNUM TOGETHER WITH THE ADDITIONAL SUM OF \$838.95 AS ATTORNEY'S FEES and all costs in that behalf expended, according to the annexed statement:

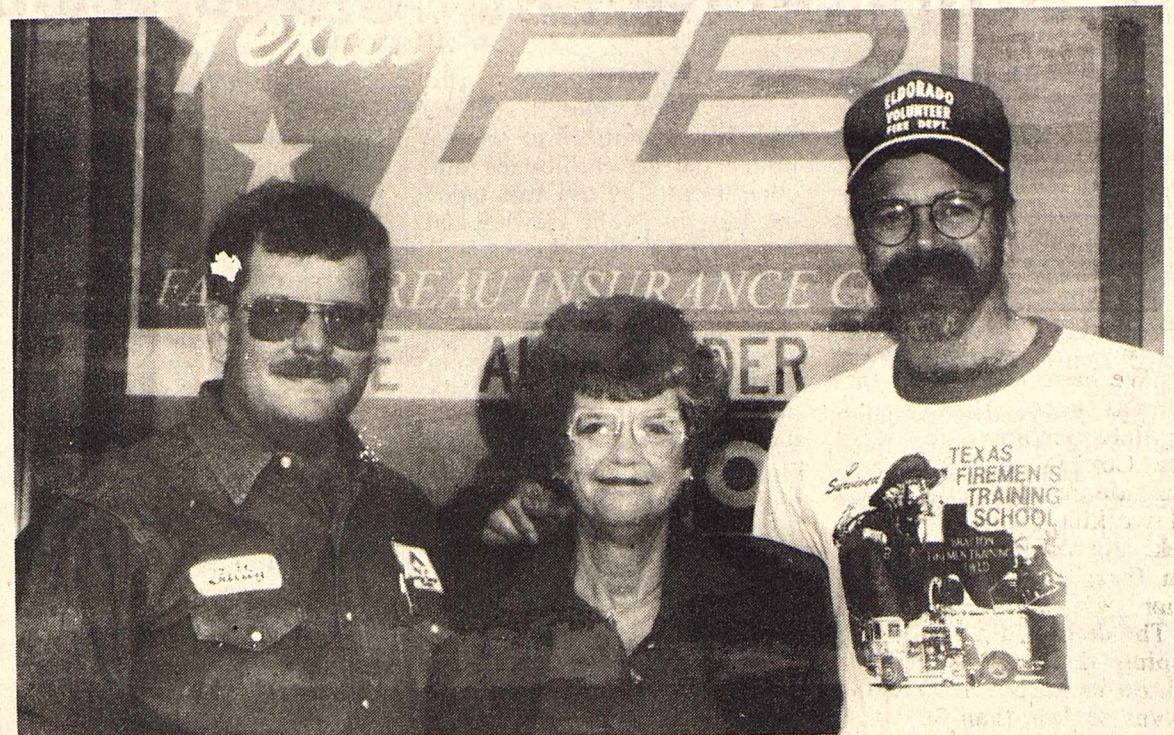

THEREFORE, You are hereby commanded, that the Goods, and Chattels, Lands and Tenements of the said ROBERT T. TURNBULL you cause to be made the full amount of this execution, together with your legal fees and commissions for collecting the afore said amount, that you have this writ at the Clerk's office of the said Court within 90 days from the 24th day of

SEPTEMBER, A.D. 1993, certifying how you have executed the same.

HEREIN FAIL NOT under penalty of law.

WITNESS, DAVID J. GARCIA, Clerk of the District Courts in and for Bexar County, Texas, and the seal of said Courts at office in the City of San Antonio, Texas, this the 24th day of SEPTEMBER A.D. 1993.

DAVID J. GARCIA
Clerk of the District Courts, Bexar County, Texas
BY JACQUELINE IBARRA Deputy.

Tim Talley and James Mack Holley, volunteer firemen, are pictured here with their sponsor Jane Alexander.

Firemen Attend Training School

Tim Talley, volunteer fireman of the Sonora Volunteer Fire Department of Sonora, Texas, and James Mack Holley of the Schleicher Volunteer Fire Department of Eldorado, have attended the 64th Annual Texas Firemen's Training School, July 1993. The school, attended by nearly 2,000 students representing about 750 cities from more than 25 states, was held on the Texas A&M University campus.

Firemen chose their course at the school from a list including Fire Fighting, Fire Prevention, Fire Department

Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection, and Disaster Rescue Training.

Firemen, James Mack Holley, and Tim Talley are being sponsored by Sutton & Eldorado (in that order) County Farm Bureau and Texas Farm Bureau Insurance Companies by contributing toward the cost of the school. Since volunteer firemen are interested in attending this school to help do a better job of fire fighting and fire prevention, 100 County Farm Bureaus and the Texas Farm Bureau Insurance

Companies in the statewide program have sponsored 100 firemen at the school.

"The Farm Bureau Insurance Companies believe Volunteer Fire Departments have been very effective in reducing the amount of loss involved by fire in rural area," said President S.M. True, Jr. of Plainview. "It is our hope in sponsoring this program that the firemen will help the Sutton and Schleicher Volunteer Departments to better serve the residents of Sutton and Schleicher Counties."

EMS'ing Around

Well, I've recently been elected reporter for Sutton County EMS and can only hope to follow in Pascal Allison's shoes. He is to be commended for a wonderful job. You can pretty much expect the same kind of articles from me, with some variations. On to EMS news; Congratulations to the Texas Dept. of Health Examiners Course on Sept. 11th at Angelo Community Hospital. We will take our state test sometime soon. At our Oct. 4th Business meeting the election of Sutton County EMS officers took place. The results are as follows: President-Pascal Allison, Vice President-Jody Luttrell, Secretary-Leslie Thorp, Treasurer-Maggie Mesa, Training Officer-Eddie McReynolds, Asst. Training Officer-Keith Butler, Reporter-Marla Duplantis, Historian-

Rosie Butler, and Coordinator-Lenora Pool. These officers will serve a one year term. Our new ambulance bay is finished and Sutton County EMS would like to thank the county for the new edition, which will house our new ambulance purchased in May. Carla Garner, Sutton County Judge and Lenora Pool, Sutton County EMS Coordinator attended the TEMSAC (Texas Emergency Medical Services Advisory Council) meeting in Austin Oct.

6th thru 8th. This meeting dealt with the concerns of continuing education of emergency medical personnel. Judge Garner is also Parliamentarian of TEMSAC. Congratulations to two of our crew members Maggie Mesa and Gienna Hulseley who within the last month have become grandmothers: AGAIN: Runs

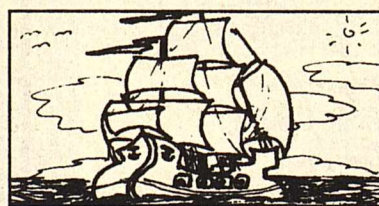

for the month of September: 11 illnesses; 5 injuries; of these injuries 1 MVA (motor vehicle accident) in which no seat belt was worn. For a total of 16 runs. Average response time 4 minutes. Average time at scene 10 minutes. Average time from scene to hospital 64 minutes. This being due to several San Angelo transfers and one to San Antonio. DID YOU KNOW? If you lie awake at nights try red or yellow onions which contains the compound Quercetin, a mild natural sedative. If you can't tolerate onions try a glass of milk and a turkey sandwich. Both contain an amino acid, tryptophan, which is also a mild natural sedative. If you like, put onions on the sandwich, and this could be a doubly effective method to catch some serious ZZZ's. Well, until our next update, stay healthy and safe.

Final Mixed Golf Scramble Held Last Thursday

The final mixed scramble of the season was held at the Sonora Golf Course on Thursday, September 30, 1993. The team of Ray Roe, Whiskey Hill, John Casparis, Sr., Buddy Brown, and Darla Lipham won first place after a putt-off with Steve Tackel, Bill Savell, Clyde Dukes, Joyce Casparis, and Frances Tackel. Both teams had a score of seven under par. Ray Roe's team also won a skin from a birdie on hole no. 9. Third place was won by Albert Fowler, Ed Price, Mike Moore, Robert Akins, and Melissa O'Harrow after a putt-off with the team of Mike McBride, James Edmondson, Jady Webster, Jodie Finklea, and Juanita McBride, both teams

with a score of five under par. The team of Mike Krieg, Jerry Northcott, Joe Bob Ragsdale, Kelly Martin, and Becky York also won a skin for an eagle on hole no. 1. Ray Roe won closest-to-the-pin on hole no. 9 and two lunches at Rosie's Cafe. The scrambles are always a lot of fun and we all appreciate John Adams, Clyde Dukes, Melissa O'Harrow, and Darla Lipham for organizing them each Thursday - they did a great job! We also would like to thank Oscar and Rosie of

Rosie's Cafe for all the lunches donated as prize for closest-to-the-pin on hole no. 9 each week.

Some historians estimate that sailing ships designed just for combat were first built in the 1600's.

REFINANCE YOUR FARM/RANCH

Interest rates and closing costs are very low at the present time. Now is a good time to refinance your existing loans to claim a lower interest rate. Also, the same low rates are available for the purchase of agricultural real estate.

JV Broncos Defeat Colorado City Wolves

by R. Clay Hall

The Sonora High School Junior Varsity sent the Wolves of Colorado City howling back to the north country following a 44 to 8 drubbing at Bronco Stadium on Thursday.

The Junior Varsity now has five wins against no losses for the year.

"We have not played this well this year. This was a complete performance," said Drew Cox, JV assistant coach. "Our kids are really playing well and working very hard each week. We can not ask any more than that," said John Creek, Junior Varsity head coach.

The defense did a great job keeping the Wolves offense back on its heels. It held the Wolves to less than 30 yards rushing in the first half.

The offense played well also. It scored on its second possession of the game on a 27 yard pass play from Caleb Barker to Raymond Rainer. Rainer ran a fly pattern and got behind the defense and caught a very well thrown ball from Barker. The play capped a 6 play, 70 yard drive that took 2:15 off the clock. The drive also featured a fine run by Adrian Mata of 28 yards on the play before the touchdown. Joey Gandar scored the two point conversion on a sweep at left end.

The following Colorado City possession was marred for the Wolves by a great hit by Mike House who smashed John Wilson of the Wolves on a third down ten play. It was one of several "Avon" hits by the Bronco defense. (An Avon hit is where the only thing that the offensive player hears after the clean hard hit is "ding-dong ding-dong")

Sonora platooned its quarterbacks with Barker and Andy Mirike playing every other series. The Broncos lost nothing either way in the transition as Mirike hit Rainer for a touchdown on the next Sonora possession. This time it was a 43 yard strike on the same pattern as Rainer had run on his first score. The two point conversion try failed.

Sonora took the ball back from the Wolves after just four

offensive plays and drove the ball to the one where a fumble occurred just as it appeared that the Broncos would score again.

Colorado City moved the ball out to the 39 for its only drive of the half where again its offense stalled and once again the Wolves punted to the Broncos.

Following a good punt return by Adrian Mata set up by fine blocking, the Broncos took possession deep in Wolves' territory with the ball at the 35. Following a 12 yard sprint by Mirike left for 12 yards, Gandar rushed up the middle for the final 23 yards and six points. The score with 3:41 left in the half Sonora 20 Colorado City 0.

The Wolves took the next possession and drove the ball to the Sonora ten where they once again ran into a stubborn Bronco Defense and the half ended with the Wolves holding the bag and the ball.

The second half began with some more spectacular plays on the part of Rainer. After both offenses stalled on their first possessions of the half, Colorado City had the ball first and ten at the Bronco forty. The Colorado City quarterback, who was under pressure for most of the game was rushed and threw the ball short. Rainer then came up with an outstanding interception. It then took the Broncos five plays to cover the 60 yards for another score. This time it was House who showed up and did the job. With the ball first and fifteen at the 22 House ran up the middle and literally carried three of the Wolves with him as he got the touchdown. Mata converted the two point try taking the score to 28 to 0.

The only Colorado City score came on a 2 play 60 yard drive that featured a pass from Wilson to Jack Alvarez that covered 45 yards at the 4:37 mark in the third.

The Colorado City defense did a good job in shutting down the Bronco offense on its next series and the ball went back to the Wolves. The Wolf offense must have regretted having to go back on the field again so soon. This time it was John Jones and T.J. Harris who taught the wolf

lessons from the school of hard knocks. "Our defense came ready to play," said Creek. "We put some real hits on them out there; it was fun."

The quarter ended on this possession that should have been ended by a Caleb Barker interception at the 9:49 mark of the final minute quarter. Barker dropped back into coverage and came up to make a spectacular catch of an errant Wilson pass, an official who was out of position and on the other side of the field ran 30 yards (well maybe he did not run but sort of moved as fast as his little self could move) and waved off the catch and to rule the pass incomplete.

It was then that the game got a little sloppy. Both teams committed several fouls which were properly called. With the ball at its own Sonora was called for a personal foul. It was at this point that Creek showed outstanding skill as a coach. He called time out, and brought his entire team together. "I told them that we had class and should show it. The score board was the only talk we needed and at that point we

were up 28 to 8. I think the kids understood. I was real proud of the way that they responded." And well he should have been as it took the Broncos only three crisp plays to score again. This time it was three running plays that led to the promised land. The score came on another House run, this time for 25 yards. The two point conversion came on a Mirike dive at left end.

The final score of the game came when Ruben "Chuckie" Yorba took a handoff from freshman quarterback David Fisher and sprinted in from the 17. The two point conversion made the final score 44-8.

"One of the reasons we were able to dominate was that we were able to have some fresh legs. Our second and third team guys all contributed," said Creek. He was pleased by the play of Michael "Bartman" Bartholemy, Josh Hunt, John Michael Parker and David Fisher. "Those are a few, they all played well. I am really proud of this group of young men," said Creek.

You should be, Coach, you should be!!

FOOTBALL

cont. from page 1

lead. Colorado City scored for the first time at the 1:09 in the quarter on a 45 yard screen pass from Casillio to Espinosa.

Sonora's final score came on an interception and return by Hale. As the Wolves were moving the ball down the field they faced a fourth and 15 at the 40 Castillio dropped back to pass when Hale stepped in front of Espinosa and ran 45 yards unmolested for the touchdown. Banda converted the extra point

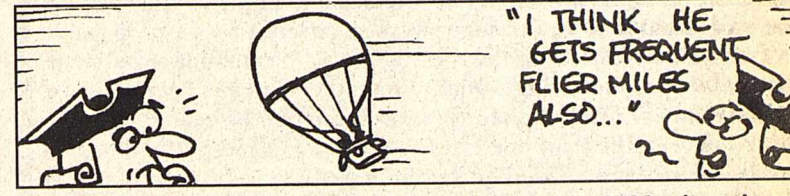

and Sonora's lead was 35 to 6. As the clock wound down Colorado City had the ball but again were stopped by the Bronco defense.

On the next play from scrimmage Espinosa ran 75 yards on a draw play for 6 points. The two point conversion was good and the game ended Sonora 37 to 14.

In other action around District 6 3A Reagan County beat Kermit 34 to 7 and Greenwood prevailed against Crane 33 to 14.

The first singing telegram was delivered by the Postal Telegraph company in New York in 1933.

October -- Breast Cancer Awareness Month

Since October is Breast Cancer awareness month let's talk about mammography. Mammography can detect cancers in their earliest stage, when chances for cure are highest. Mammography uncovers cancer that is too small to be felt by hand. Mammography can save your life through early detection of breast cancer.

MAMMOGRAPHY: An X ray of the breast, has become vital to the earliest diagnosis of breast cancer. It can detect extremely small breast cancers-- ones that have usually not spread to regional lymph nodes. The earlier breast cancer is discovered, and the smaller it is at the time of discovery, the better the chance for cure. Such small cancers have a very high cure rate.

WHAT IS MAMMOGRAPHY? An X ray that creates an image of the breast. The result is called a mammogram. The procedure usually consists of two views of each breast.

WHAT ARE THE BENEFITS? Mammography can find cancers too small to be felt by the woman herself or by the most experienced physician. Mammography also shows other changes in breast tissue that could represent a sign of very early cancer. A baseline mammogram is of value because it can be referred to for later comparison. In combination with physical examination, mammography has been proven effective in saving lives--especially in women over the age of 50 who do not have symptoms. And, due to technical advances, it can be expected to improve the survival rates of breast cancer in younger women, particularly those 35 to 49.

ARE THERE RISKS? In the last few years, the amount of radiation needed to produce a high-quality mammogram has been lowered significantly. In trained hands, an examination by mammography now delivers less than one rad to the breast (a rad is the unit that measures radiation absorbed by the breast). This low level places mammography in an acceptably safe range.

While scientists do not know absolutely what the long-term effects of low radiation may be, it appears that the risk of causing cancer many years later is exceedingly small; probably negligible. Also, evidence suggests that radiation exposure after the age of 35 has far less potential for harm than in younger age groups.

The American Cancer Society believes that any risk, no matter how small, must be weighed against potential benefits. All valuable medical procedures carry some element of risk. Every day physicians weigh the benefits versus the risks of various medical procedures.

WHAT IF I HAVE SYMPTOMS? If you do, see your doctor soon. If your doctor says you need mammography, do it without hesitation. Important symptoms might include a lump or thickening; change in the contour of the breast; dimpling, scaling or puckering of the skin around the nipple; secretion from the nipples, or any other changes from what has been normal for you.

WHAT IF I DON'T HAVE SYMPTOMS? Mammography can be of special benefit to women as part of regular cancer-related check-ups. For women with no symptoms, the American Cancer Society advises certain guidelines for the earlier detection of breast cancer:

Women between the ages of 20-40 should perform breast self-examination (BSE) every month and have a breast examination by a physician every three years. Begin mammography by age 40. Those 40 and over should do BSE once a month, have a physical breast exam every year, and a mammogram every year routinely after the age of 50. Women age 40 to 49 should have one every two years.

WHO GETS BREAST CANCER? In the United States, 1 out of every 9 women will develop breast cancer at some time during her life. Every 15 minutes, three women develop breast cancer and one woman dies of breast cancer. Breast cancer is currently the number two cancer killer of American women.

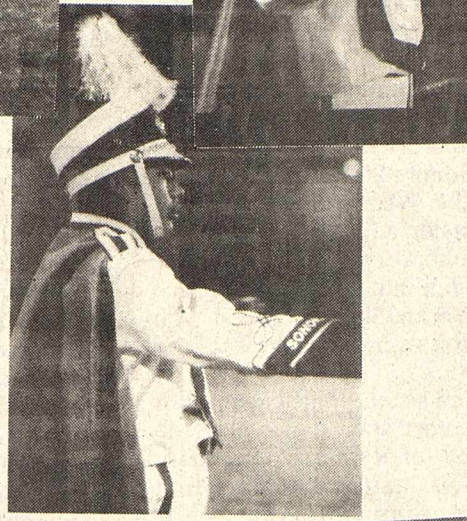

Advancing age and a previous history of breast cancer are the greatest risk factors, but there are others also: a family history of breast cancer; never having had children or having had the first child after age 30. Some women are at highest risk for breast cancer than others and may need checkups and mammograms more frequently.

Ask your physician about how the ACS guidelines relate to you as an individual.

Three methods to protect yourself against breast cancer: Monthly Self-breast examination. -- Yearly Clinical breast examination. -- Yearly Mammogram.

The American Cancer Society is the nationwide community-based voluntary health organization dedicated to controlling cancer through research, education and service. There's nothing mightier than the sword. The more you know about breast cancer, the better prepared you will be to protect yourself.

MIGHTY BRONCO BAND HIGHLIGHTS

Jr. Chef Contest Held

The Junior Chef of the Year Contest was held at the Sutton County Steakhouse at 6PM on Tuesday, Oct. 12th. The contest, sponsored by Sutton County Steakhouse, was open to all 4-H members and an auction of the dishes prepared by the children was held immediately following the judging.

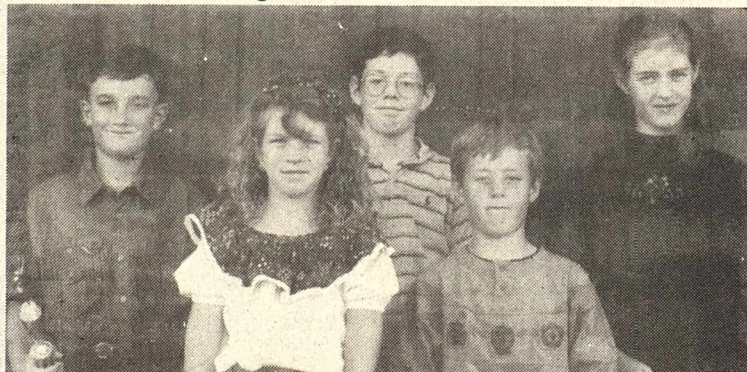

Judges for this year's contest were: Brigitte Rogers, President of L.M. Hudspeth Hospital Auxiliary; Tryon Fields, Local Businessman & Rancher; and Gary Smith, Owner of Devil's River News. Auctioneer for this years contest was Tryon Fields.

Contest winners were: Junior Chef of the year--Stetson Hall - "Chewy Bars" 1st Place Veg/salad--

Jonathan Folds- "Broccoli -Rice Casserole" 2nd Place Veg/salad Daniel Cooper "Hominy Casserole" 1st Place Meat Dish--Andy Allen- "Easy-Cheesy Hamburger Pie" Honorable Mention Meat Dish--Jana Cooper- "Crockpot Chicken"

We want to thank all the people who "donated" money at the auction. The 4-H Center uses these monies all year round to support the 4-H Food & Nutrition Project.

Donations of \$400.00 were raised. Buyers included Salon Salon, Devil's River News, Sutton County National Bank, Food Center, Bridgette Rogers, First National Bank, Sutton County Steak House, and Teaff Oil Co.

Junior chefs - pictured here are Stetson Hall, Andy Allen, Jonathon Folds, Daniel Cooper, and Jana Cooper, winners of this year's junior chef contest.

Chris Scott Named Commended Student

Principal, Terry Marrs of Sonora High School, announced today that Chris Scott has been named Commended Student in the 1994 National Merit Scholarship Program. A Letter of Commendation from National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the school to this outstanding senior.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1992 Preliminary SAT/National Merit Scholarship Qualifying Test, which was the route of entry to the 1994 Merit Program. Commended Students have shown exceptional academic promise by placing among the top five percent of more than one million program

entrants; however, their qualifying test scores are slightly below the level required to continue in the competition for Merit Scholarships to be awarded in 1994.

An NMSC spokesperson stated, "Being designated a Commended Student in this keen competition is a credit to these young people as well as to their schools, which play a key role in their development. We hope that the recognition these scholastically able students receive will encourage them to develop their talents and abilities to the fullest, and that the example they set will inspire other young men and women to strive for academic excellence. Commended Students represent a valuable intellectual resource crucial to our nation's well-being."

Ranchers Asked To Nominate Candidates

"Ranchers are asked to nominate candidates of their choice by November 1 to be on the ASC Sutton County committee ballot," says Herb Schwertner, County Executive Director.

The ASC (Sutton County) committee election will be conducted from November 26 to December 6 by mail ballot.

ASC committees are responsible for managing federal farm programs on the local level. To meet the needs of individual producers, ASC committee members must be concerned and responsible individuals, Herb said. Sutton County ranchers have the opportunity to nominate people they feel would best serve the farm community. Ranchers have received petition forms by mail and are now submitting them to the county ASCS office.

A few basic considerations should be kept in mind when circulating petitions, Herb said. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must

be signed by at least three eligible farm votes in the ASC community, and must be received in the county ASCS office by the November 1 deadline.

Farmers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a farmer for the ASC committee election may contact the county ASCS office for full details, including eligibility requirements for office holders.

Farmers should petition for and elect those individuals they

feel would do a good job as a member of the ASC committee. The election of concerned farmers to positions on ASC committees is essential in the administration of farm programs, Herb said.

Herb further explained that the county ASCS office welcomes all valid petitions. The opportunity to nominate, vote, and be elected to office is guaranteed to all farmers regardless of race, color, religion, sex, age, marital status, handicap, or national origin.

Jordan's Market Report October 7 & 11, 1993

Receipts totaled 1867 head. The market was steady to \$3 weaker on most classes of calves and yearlings. The choice quality steer and heifers still remain in more demand, but the plainer short and fleshy calves are moving very slow selling several dollars less than the choice ones. Packer cows and bulls sold \$1 to \$2 off. Stocker cows and pairs sold steady, however there were not enough numbers to fully test the market.

WE LOVE

OUR BOSS!!

Thank you Mr. Smith for everything you do for us. We couldn't thank you enough. It is a privilege and a blessing to work for a man who is such an optimist and cares about his employees and customers.

Did you remember to appreciate your boss on Boss's Day???

This one's ours and he's the greatest!!

The Staff at the Devil's River News

Rhonda Lee

Joani Lee

Ida Bruns

WE ARE OUTRAGED!

How Dare you Say TV Violence and Sex Have No Consequences!

We're a group of 1,500,000 American families who are OUTRAGED with you at the TV networks and Hollywood who say you are not causing crime and violence in America...as well as personal tragedy to millions of our children.

We're OUTRAGED that, even after THOUSANDS OF STUDIES and after 27 Congressional Hearings on TV violence over 20 years, you STILL arrogantly deny any responsibility for crime and violence.

We're OUTRAGED that you continue flooding our homes with so much violence that when our children have finished ELEMENTARY SCHOOL they've seen 8,000 MURDERS and 100,000 ACTS OF VIOLENCE on TV.

You say there are no consequences? That it doesn't cause violence? WE say one of your very own—Ted Turner—is right! He testified at the latest Congressional Hearings that TV is "the SINGLE MOST SIGNIFICANT FACTOR CONTRIBUTING TO VIOLENCE IN AMERICA."

If TV images don't affect behavior why do advertisers spend BILLIONS on TV commercials?

No consequences??? One study blames TV as a CAUSATIVE FACTOR in half the homicides in America—10,000 a YEAR!

How Dare You Do This To Our Families!

How DARE you on ABC's "Entertainment Tonight" show a woman in leather chains whipping the bared bottom of a man bound to a torture rack.

How DARE you at CBS plan a prime-time mini-series for this fall where two brothers SHOTGUN THEIR PARENTS TO DEATH.

How DARE you at MTV entice youth with your music and then show them 29 VIOLENT IMAGES AN HOUR.

How Dare You Do This To Our Children!

We're just as OUTRAGED at all the other filth you pour into our

homes.

The MORAL ROT on Oprah, Geraldo and Donahue makes us cringe, it's so repulsive. And you know that MILLIONS of children watch these programs. No effect on them?

What you're showing them is undermining every value caring people try to teach them.

This year there will be ONE MILLION teen pregnancies...406,000 ABORTIONS...HUNDREDS OF THOUSANDS of illegitimate teen births. What part do YOU play in these shocking human TRAGEDIES? None? We are tired of your attitude that you have superior minds and abilities and that the American people are violent, sexually perverted, ignorant dolts whom you can treat with contempt.

We're Starting a Nationwide TV Boycott

The networks tell Congress they will apply violence warnings on programs, and then say none of their programs rate the warning. That is a SHAM and a FARCE and again shows your contempt for the American people.

We've HAD IT! We're asking every reader of these ads to join us in a BOYCOTT of the irresponsible advertisers who don't care and pay for this filth which is causing such terrible pain and hurt to our families, our children and our country.

THE DIRTY DOZEN

Top Sponsors of Filth on Prime-time Network TV

1. Slimfast Foods Company	30.80
2. Thompson Medical Company	26.87
3. Anheuser-Busch	26.07
4. Church & Dwight Company	23.37
5. Gillette Company	21.30
6. Philip Morris, Inc.	19.50
7. Wendy's International	19.37
8. AT&T	18.34
9. Unilever United States, Inc.	18.27
10. Toyota Motor Sales	18.21
11. General Motors Corporation	17.10
12. E.I. du Pont De Nemours	16.97

Based on monitoring done by American Family Association during the Spring Sweeps, May 2-29, 1993. The number to the right of the company is the average violence, sex, and profanity incidents sponsored with each 30-second commercial run by the company.

Together We Will Get Them To Stop

We are asking every reader of this ad to send in the BOYCOTT NOTICE below. We will send you a complete report which includes the companies, addresses, phone numbers and products of the top sponsors of violence, sex and profanity—the "DIRTY DOZEN." Then write and/or call these sponsors and tell them you will BOYCOTT THEIR PRODUCTS if they don't clean up their act. THAT'S ALL YOU NEED DO.

What WE Will Do

Every month we will notify the networks and the advertisers of the number of BOYCOTT NOTICES we have received. They're going to KNOW American families are outraged.

American Family Association is an organization composed of more than 1,500,000 families in all 50 states. AFA is a member of the national financial accountability group ECFA (P.O. Box 17456, Washington, DC 20041) and registered in every state which requires registration. Not one penny of the money which comes in from this ad will be used for salaries, administration, etc. All donations will be used to buy ads in other papers.

The Roanoke (VA) Times & World-News checked on AFA and wrote: "The American Family Association...has operated for 15 years with a good record for honesty. We checked four sources...No one doubted the money will be used as the donors specify. Words like 'sincere,' 'up front,' and 'pretty clean ship' were offered in describing the American Family Association."

We're asking every reader of this ad to help us run it all over America...AND send in the BOYCOTT NOTICE on the right. We believe that the advertisers should be held responsible for the programs they help sponsor.

When you send in the petition, we will mail you a complete list of the "DIRTY DOZEN" top sponsors of filth containing names, addresses, products, phone numbers, etc.

We will also regularly keep you informed on whether these companies change or not, and any new companies which appear on the list.

Please join us. Our children, our families and our country are being hurt too much by these irresponsible advertisers and TV people for us to do nothing.

Right now mail the BOYCOTT NOTICE on the right. Please enclose a tax-deductible contribution to help pay for another ad.

All it takes is for enough of us who are outraged to ACT! Can we count on YOU? Give yourself some clout! Mail the Boycott Notice NOW.

NATIONWIDE TV BOYCOTT NOTICE

Mail To: American Family Association, Dept. W22
P.O. Drawer 2440/107 Parkgate Drive
Tupelo, MS 38803

Yes, I am outraged with the way TV is destroying traditional family values and encouraging violence. I want to be part of this Grass Roots Nationwide Boycott and help run this ad all over America. Please send me a list of the "DIRTY DOZEN" list of sponsors. You will keep me informed. Every month you will notify the networks and advertisers of the progress of this effort. You agree all funds will be used for running ads in papers.

With this understanding I am enclosing a tax-deductible contribution of \$_____ to help pay for another ad and to send a list of the "DIRTY DOZEN" to families who cannot afford to contribute.

Name _____

Address _____

City/State/Zip _____

P.S. It is the total number of these notices from people who intend to boycott that is important. This project is so important that even if you can't send a contribution please mail in this Boycott Notice.

A Project of American Family Association, Dr. Donald E. Wildmon, President. Approved By the I.R.S. as a 501-c-3 not for profit organization.

Happy 103rd Birthday - Devil's River News

by the Sutton County Historical Society

Q. When was the Devil's River News first printed and who was the first owner?

A. "The Devil's River News, a four page, seven column weekly, was published at Sonora, Sutton County, for the first time, last Saturday the 18th. It is well printed and newsy and is a credit to Mr. Mike Murphy the able and genial young editor." -- San Angelo Standard quoted in the Devil's River News, November 1, 1890. We do not have copies of the October 18th or 25th, Devil's River News on file.

The press for the Devil's River News was kept in the back of a saloon and Mike lived in a tent at first on his property on the corner of Main and Concho. A subscription to the Devil's River News cost \$2 a year. The November 22, 1890 issue reports that his brother, Steve Murphy, late of Toronto, Ont., Canada, has arrived in the Stockman's Paradise. Steve and Mike would work together on the paper for many years.

The paper must have been doing pretty well because we find in the January 24, 1891 issue an advertisement for "A smart boy about 14 years of age, to learn the printing trade." February 14, 1891 issue states "A delightful hop took place last Friday night in the new office of the Devil's River News.... Taking everything into consideration a very enjoyable evening was spent and the new office of the only and original Devil's River News, got a good warming." This office stood at the present site of Westerman Drug Store. May 23, 1891 issue reports that Mike Murphy is very happy when he gets \$2 for a subscription as it helps to liquidate his board bill.

I think the following editorial from the October 17, 1891 issue sums up the first year of the Devil's River News quite well.

Our Little Bow

This is the No. 1, Vol. 2, or the first week of the second year of the publication of the Devil's River News. Looking back over the year's experiences we noted the usual joys and vicissitudes of editorial life in an inland town.

While we have created no great sensation in literary circles, nor introduced any new or startling method of publication, nor produced any great innovation in the newspaper business, we have still done fairly well in a modest way. We did not plant our intellectual batteries here expecting to take the country by storm, neither did we expect to grow rich in a year, hence we are not disappointed that neither one nor the other of these things has come to pass.

Maybe we haven't been quite so funny as Puck, nor so newsy as the Gazette, nor so political as the News nor so wise as the Express, but we give you at all times, the very best we had in the shop, and we mean to continue business at the same old stand and will do our level best to dish up the local news with neatness and dispatch.

Possibly we have at times inadvertently trod upon or over sensitive corn, but such little things will happen even to the best regulated newspaper so we offer no apologies and shall endeavor to keep on the even tenor of our way in the future as in the past.

We have done our best to promote the welfare of our country and town and believe our efforts have been appreciated, so we will continue to exert ourselves in behalf of the land in which we have pitched our lot and with which our fortunes are united.

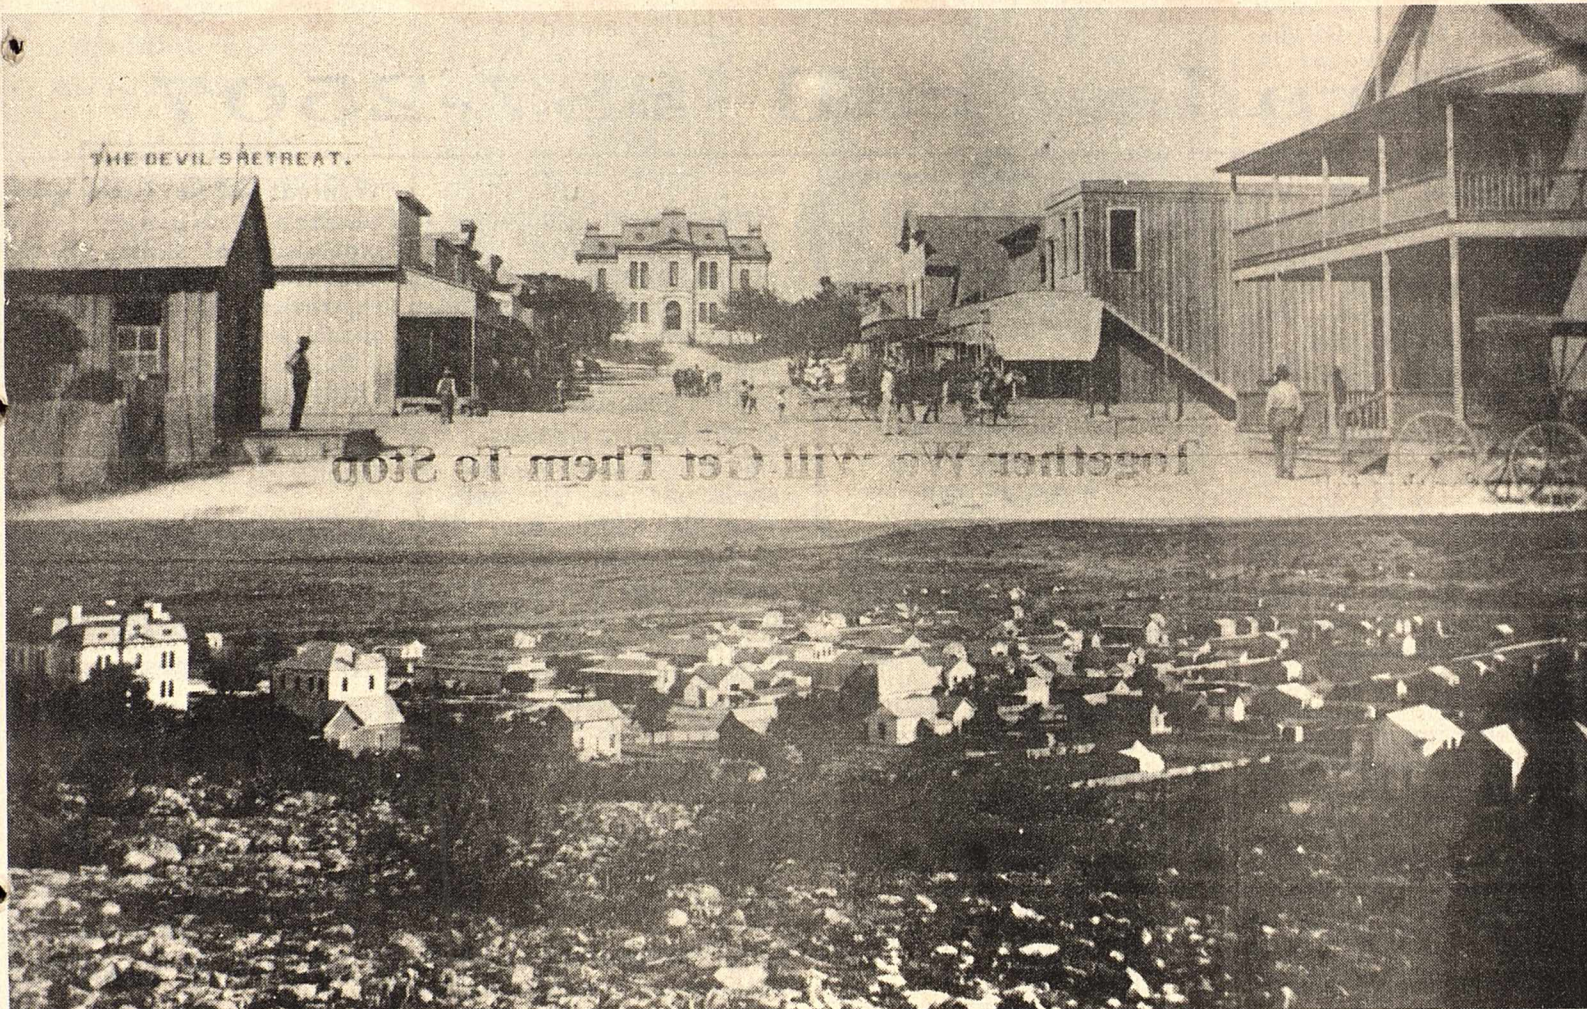

Our patronage has been sufficient to enable us to pay our little bills and avoid patched trousers and heelless socks, and if the many friends we have made will continue to back us with their liberal patronage we mean to live higher and dress better in the future.

We have tried to be freehanded and liberal and have burned the midnight oil, worried our little stock of brains, wasted our strength and thinned our precious hair over the manufacture of editorial taffy and we have tried to be impartial in its distribution, but if any of our subscribers have not received his share he will confer a favor by notifying us and we will immediately administer a double dose. We are here for business not pleasure.

December 26, 1891 issue states, circulation growing, country growing. In placing your advertising, do not forget that The Devil's River News is read by 840 to 900 of the most successful stockmen in West Texas.

HAPPY 103RD BIRTHDAY DEVIL'S RIVER NEWS!!

If you have any questions concerning Sutton County history send them to "Ask the Historical Society" P.O. Box 885, Sonora, TX 76950-0885 or give one of our researchers a call at 387-5144.

Picture of Sonora, TX, approximately 1895, shows The Devil's Retreat, with one of the Murphy brothers out front, the first official home of the Devil's River News. We feel this picture was taken in 1895 as the addition to the Miers Home that was added on in 1896 is not in this picture. The Decker Hotel and Hagerlund Brothers were built in early 1895 and both are in this picture.

Public Notice

To the registered voters of the County of Sutton, Texas: Notice is hereby given that the polling places listed below will be open from 7:00 a.m. to 7:00 p.m., on November 2, 1993, for voting in a special election for the purpose of adopting or rejecting the proposed Constitutional Amendments as submitted by the 73rd Legislature, Regular Session, of the State of Texas.
