Chamber Holds Annual Banquet

The Sonora Chamber of Commerce held its annual Banquet Tuesday night at the Sutton County 4-H Barn. Approximately 150 people were in attendance. Dinner was served by the Sutton County Steakhouse. Joe Lane was the Master of Ceremonies.

This year's banquet was in memory of Dr. Gene W. Rogers. Smith Neal gave a brief memorial address, followed by a period of silence and a prayer.

Patty and John David Strauch and Milton Cavaness provided dinner music.

Lolabeth Jones gave the Chamber of Commerce "Year in Review."

Joseph and Mabel Vanderstucken were named Citizens of the Year. Brent Gesch was named Public Servant of the Year. Tim Thorp was named Business of the Year. Lori Solis was named Educator of the Year. Christmas in April was named Organization of the Year.

Kathy Davis, Chamber Manager, was recognized for her fine work. Kathy will be leaving the Chamber in the summer and was wished well by all.

(L to R) Lori Solis - Educator of the Year, Paul Chevalier (Christmas In April) - Organization of the Year, Brent Gesch - Public Servant of the Year, Mabel & Joseph Vanderstucken - Citizens of the Year, and Tim Thorp - Businessman of the Year.

It was an emotional evening as Joe Lane recounted the many good deeds that our Citizens of the Year have done for our community.

U.S. 277/Mexico 57 Coalition Founded

The U.S. 277/Mexico 57 Coalition was born last Thursday afternoon at the Cauthorn Memorial Building. The purpose of the coalition is to encourage additional traffic through Eldorado, Sonora, Del Rio and on through Mexico.

Interested citizens from Big Springs, San Angelo, Eldorado, Sonora and Del Rio met to discuss prospects of I-27 being routed through San Angelo. Representatives of the San Angelo Chamber of Commerce came to Sonora to encourage citizens of surrounding towns to support the San Angelo route for I-27.

If I-27 reaches San Angelo, it could then be routed to Sonora or Junction.

Some citizens of Sonora believe that a Sonora routing of I-27 would be detrimental to local commerce, while others believe that it would cause an increase in business here.

The 277/57 Coalition is dedicated to bringing additional traffic through the towns along this route, hoping that NAFTA will cause an upswing in U.S./Mexico traffic.

Bill Ferguson, manager of the Sonora Wool and Mohair Company, has been selected as a spokesperson for this

Bill Ferguson is pictured here at the meeting held by the U.S. 277/Mexico 57 Coalition.

coalition. Said Mr. Ferguson, "Sonora is a unique and friendly place. I-27 would be great for our economy and really good for tourism."

John Childers, president of the First National Bank of Sonora, stated, "The coalition's initial objective will be to get San Angelo's

endorsement and support to extend I-27 to I-10 at Sonora, assuming that Texas Department of Transportation approves the San Angelo route over Midland-Odessa and Abilene."

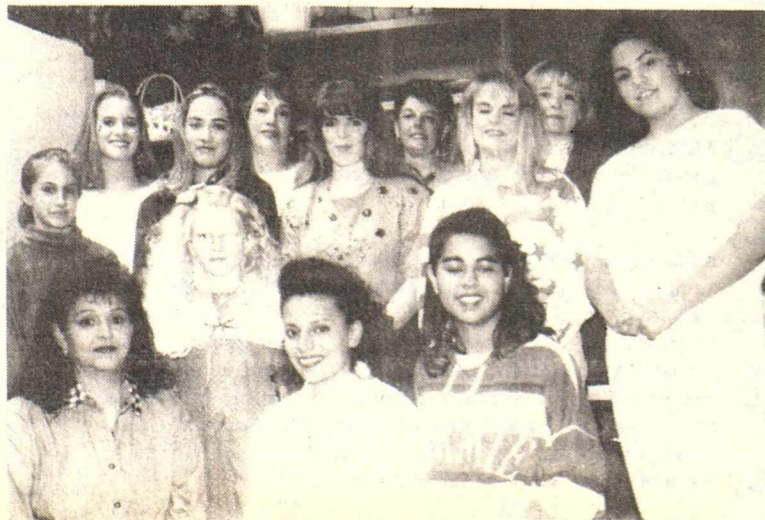

A.W. Bishop, of the Sutton County National Bank,

stated that he thought that increased traffic through Sonora to Mexico would certainly increase local business revenues.

The next meeting of the Coalition is scheduled for April 8th at 10:00 a.m. in the Community Room of the First National Bank of Sonora.

Letter To The Editor

You may or may not be aware that the Sutton County Library is in need of substantial repair and renovations. Due to the fact that it would be more cost effective to move the Library from its present location and provide long term facilities to house the Library, a committee was formed to evaluate locations for the Library.

The committee has looked at various locations and alternatives and is

recommending the construction of a new building. We would like to receive the public's input and opinions on any or all of these options.

You are cordially invited to attend a public forum to be held on April 7, 1994, at 7:00 p.m. at the Sonora Junior High Snack Bar. The information on all locations evaluated will be discussed and your input would be a valuable contribution.

Sincerely,
A.W. Bishop, Chairman
Library Committee

Letter To The Editor

Dear Editor:
The recent death of NBA Celtics star Reggie Lewis has sparked an interest into what constitutes a healthy heart. Unfortunately, maybe now there will be more research as to what makes the heart beat properly whether heart disease is present or not.

Millions of people suffer from benign palpitations and the like. The symptoms - an uncontrollable twitching sensation, much like a muscle spasm in your arm or leg, and dizziness - are very frightening. Ironically, many physicians call this a "human condition" because there is no heart disease and, in turn, they send their patients home telling them not to worry. But, how do you not worry?

I'm currently in the process of setting up support groups via telephone on a national level. However, because of my age (29) I've been questioned about my credentials. I tell these people that I have more than eight years experience living with this condition and that I've written a book on the subject. This satisfies their curiosity every time!

If you would like to talk with someone in your city or town about this problem - no telephone charges will be incurred this way - just mail your name, address and telephone number with a self-addressed stamped envelope to: Peter John Raposa, P.O. Box 556, Tiverton, RI 02878. I'll be in contact with you.

Card of Thanks

Thank you to Dr. Pajestka, the hospital and the nursing home for their concern and care of our mother; to all who remembered us with phone calls, cards & flowers; to the Eastern Star and all who sent the delicious food and to Rev.

Clay Hall. Thank each & every one for helping us with your acts of kindness.

Thank You,
The family of Fannie Joy,
John Wesley, Avis & Family,
A.Z., Vivian & Family.

Card of Thanks

We would like to express our sincere appreciation for all the expressions of concern that have been shown to us during Alice's illness. Your visits, calls, cards, food, flowers and especially your prayers have been truly sustaining through this time. We would like to thank Dr. Pajestka, the EMS

Staff and the Hudspeth Hospital Staff for their outstanding professional service and personal care. We are indeed fortunate to have the opportunity to live in Sonora, a community filled with caring and supportive people.

Methodist Church Special Services

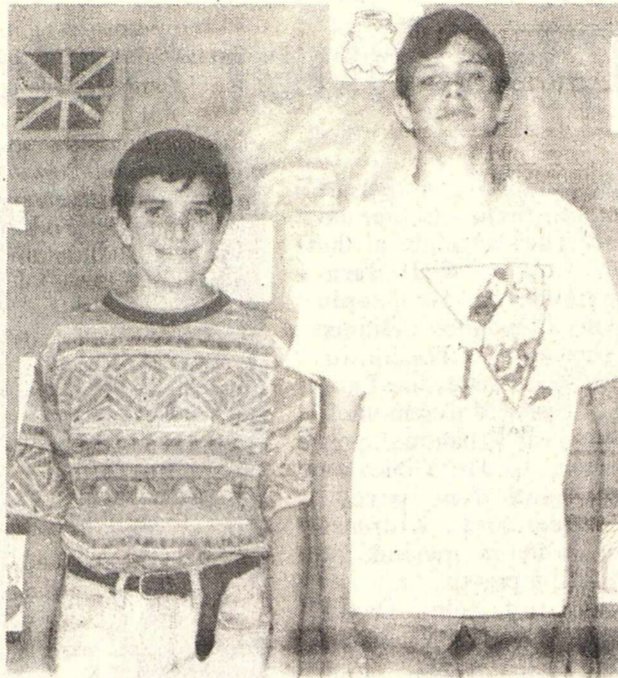

The First United Methodist Church will be holding two more special services during Holy Week.

On Maundy Thursday, they will celebrate with a special candlelight communion service. This is a very important day of reflection and dedication. As United Methodists, we offer communion to all Christian persons who come and are willing to follow our shared Lord. The service will begin at

7:30 p.m.
On Good Friday, we will worship together in a service of Tenebrae, or "Darkness," based on the ancient and traditional service that is an extended meditation on the passion of Christ. We will gather, reflect, pray and remember at 7:30.

We welcome all of our friends in Sonora to join us for any and all of these very special times of worship.

Dempsey Brothers Compete in Sweepstakes

Russell & Andrew Dempsey

Two students who recently participated in the Regional Science Fair deserve special recognition. Andrew and Russell Dempsey each received a first in their division and went on to compete in Sweepstakes. Andrew went on to win Sweepstakes and

received a calculator and a \$100.00 cash prize. Russell's project was initially misgraded. The mistake has since been corrected with Russ also finishing high in Sweepstakes, receiving a calculator, and a \$50.00 cash prize.

Freelance Philosophy

The sister of a friend of mine was driving in Dallas last month when a drunk driver drove a car into hers. This young woman was severely injured. She was in intensive care for 14 days and has undergone 5 major surgeries. The driver of the other car suffered only minor injuries.

Someone asked me, "How can people do terrible things to other people? Where is the justice?"

I heard several people say, "What goes around comes around."

There may be truth to this old axiom, "What goes around comes around" and yet-- sometimes when people do bad things, other people have to pay the price.

I worried about this for several weeks. I worried about the inequity. I worried about the injustice. I worried about the unfairness.

Then I stopped worrying and started remembering. I remembered that this is Easter week.

Two thousand years ago there was a man named Jesus. He didn't do anything wrong. People that he didn't even know killed him. People that he trusted betrayed him. He didn't fight back. He didn't get even. He didn't even say, "What goes around comes around." He just taught us to remember. He taught us to forgive. And He taught us that it's not over until it's over.

Until the next time,
May God Bless
GCS

Neely Named to Honor Roll

Edwin Sawyer Neely, son of Mr. & Mrs. Joe P. Neely, 801 Lone Wolf Trail, San Antonio, has been named to the High Honor Roll at Blair Academy in Blairstown, New

Jersey. Neely achieved this by maintaining a 3.6 or above average in his courses during the winter term at the independent secondary school.

Early Social Security Checks

"Social Security checks will be delivered on Friday, April 1st," said Franklin H. Upp, Social Security manager in San Angelo. The checks usually arrive on the third of the month. But in April, the third falls on a Sunday, so the

checks will arrive on Friday. "Whether you receive your benefits by mail, or you have them deposited directly in your bank account," Upp said, "your Social Security payments should be available two days early."

Women's Golf Auxiliary

The Sonora Women's Golf Auxiliary sponsored an 18-hole scramble on Sunday, March 27, 1994 at the Sonora Golf Course. The turnout was excellent, even though they had to fight the cold north wind. This was the first official event for the season and everyone had a great time. The winners are as follows:

First Flight:
1st - Willie Gutierrez, Erasmo Lumberras and Edward San Miguel with a score of eleven under par (tie breaker)

2nd - Primo Gonzales, Virgil Burge and Bob Bellard with a score of eleven under par

3rd - Randy Sparks, Steve Thorp and Bobby Taylor with a score of nine under par

Second Flight:
1st - Jim Covington, Wes Henson and Tressa Henson with a score of eight under par (tie breaker)

2nd - Hoot Hearn, Wayne Tyler and James Edmondson with a score of eight under par

3rd - Jack Bailey, Randy West and Brent Miller from Mertzson with a score of seven under par

Third Flight:
1st - Scott Andrews, Jason Stewart and Scott Adams from Junction with a score of three under par

2nd - Jim Nance, Mike Nance and Laura Nance from Eldorado with a score of two

under par (tie breaker)
3rd - Bill Savell, Shelley Shannon and Shawn Price with a score of two under par

Jason Donaldson won longest drive on Hole No. 6 sponsored by Niblett's Oilfield Services and Willie Gutierrez won closest-to-the-pin sponsored by Rosie's Cafe.

Shelley Shannon won longest drive on Hole No. 6 in the women's competition

sponsored by Location Builders and Shelley also won closest-to-the-pin on Hole No. 2 sponsored by the Sonora Golf Club Pro Shop.

We appreciate the prize contributions from the above-named businesses - they always help make the scrambles and tournaments more fun.

It was a great kick-off for all the scrambles and tournaments coming up - be sure and check at the clubhouse for all the scheduled events and get your name in early. Steve Tackel already has entries for several of the tournaments - just give him a call and he'll either get you entered and let you know who to call.

The Women's Tuesday Scrambles will begin weekly on Tuesday, April 5, and the weekly Thursday mixed scrambles will begin on Thursday, April 14. Come join the fun!!!

Work on I-10 To Begin

Gilbert Tx Construction Corporation will set barricades and begin work on I-10 in Crockett County on April 4, according to Paul Chevalier, P.E., Area Engineer for the Texas Department of Transportation (TxDOT).

This project consists of hot mix overlay between the Pecos

River and US 290 at Bachler Hill. Work is expected to be completed mid to late summer.

There will be lane closures during all phases of the project. Motorists are encouraged to observe traffic control devices and watch for workers and equipment in the construction area.

Tree Give-Away Proves Successful

Last Friday's giveaway of 400 sapling trees was an overwhelming success, with every tree being "adopted" by interested Sonorans in less than ninety minutes. The tree distribution was jointly sponsored by the Food Center through IGA Grocery's "Hometown Trees" program, and the City of Sonora's "Tree City USA" project.

"The local response was tremendous," noted Mayor Lemuel Lopez. "We were astonished that so many citizens were so receptive to our tree planting efforts. I

think that certainly speaks well for our community."

Lopez personally distributed the trees from the Food Center parking lot, with assistance from City Manager John Pape and Public Works Director Jim Garrett. Also assisting were Main Street Manager Melett Rowland and civic volunteer James Thompson.

Since the available trees were so quickly taken, plans are being made to repeat the effort in the near future. Last year, over 600,000 trees were planted nation-wide through the program.

EMS'ing Around

Our monthly training meeting was called to order by President Pascal Allison. It was requested, those who wish to attend the Child Trauma Seminar in Junction April 10, contact Lenora Pool. The meeting was then turned over to training officer Eddie McReynolds who introduced a special guest, Dr. Grady W. Bryan, D.D.S.M.D. Dr. Bryan is an associate of the Oral Surgery Association in San Angelo, Texas. Attending the meeting with Dr. Bryan was Dr. Bernard Rust, D.D.S., Sonora. Dr. Bryan gave a special lecture with the showing of slides, on facial injuries. It was stated that many people who wear seatbelts have less serious facial injuries than those who do not wear seatbelts. Dr. Bryan stated that facial surgery can be very complicated when seat belts are not worn to prevent the face from hitting objects with severe force. Dr. Bryan completed the lecture by asking if there were any questions. There were no questions, roll call was taken by Secretary Leslie Thorp, meeting was adjourned.

The new training room facility is complete and with all the crew members help we are moved in. An Open House was held Monday, March 28, from 4:30 to 7:30 p.m. Hope everyone has a chance to come see the new room.

Ben Pool is a very special person to the EMS organization. Ben took an

ECA course in 1985 and realizing just how much he really cared about people joined the EMS organization. In 1986, he furthered his training and became an EMT. Ben spent most of his free time running as a 3rd crew member dedicating his knowledge to the community of Sonora. He

was voted EMT of the year in 1990, at the annual EMS Christmas Party. Ben has held the offices of Vice-President, 1986-1987, President, 1987-1988 and Training Officer, 1991-1992. Ben is the owner of American Sales, and is married to EMS Co-ordinator Lenora Pool. Sutton County EMS is very proud Ben is on their team.

Moody Promoted

The Board of Directors of Eddins-Walcher Company, in a meeting March 16, promoted Dan T. Moody to the office of President.

Jack Walcher will continue to serve as Chairman of the Board and Chief Executive Officer.

The Eddins-Walcher Company has been a distributor of gasoline, diesel, propane and lubricating oils for 57 years. The Company's territory extends from Del Rio to Artesia, New Mexico.

Mr. Moody joined the Company April 10, 1978, after serving five years of association with the Elcor Corporation. Prior to that, he attended the University of Texas at Austin where he earned a Bachelor of Arts

degree and a Master of Business Administration degree.

Mr. Moody served as President of the Texas Propane Gas Association in 1985-1986 and is currently a Director-at-Large of the Association. He is also a member of the Texas Railroad Commission's Advisory Committee of the Alternative Fuels Research and Education Division.

Mr. Moody is married and has three boys, Walker 14, Taylor 13 and Morgan 9. All of them are active in sports and Moody has served as coach on various teams.

The family attends the First Presbyterian Church in Midland where Moody has served as a Deacon.

During the EMS Open House, (L to R) Barbara Stroud, Rosie Butler, and Treva McReynolds helped out with the dinner.

Ask The Historical Society

Q. How did you date the picture of the Rock School you ran recently?

A. The original Rock School was built in 1904 by T.S. Hodges of Junction. In 1914 a wing was added to the building by Charles A. Sevier and H.M. Harvey. Other additions have been made through the years. The picture you are speaking of was taken before 1914 as there is no wing on the building.

Q. When were the rock walls built around the school and the courthouse.

A. Devil's River News, February 14, 1936

Rock Walls to Enclose School and Sutton County Property - WPA Projects

Construction is to begin Monday on a wall of native stone which will completely enclose high school, elementary school and superintendents residence property of Sonora Independent School District.

Two hundred feet of 5 foot concrete sidewalk is also to be built. The sidewalk will be from the north entrance of the "campus," to and around the school superintendents residence. There will be 2,200 feet of the wall which will be reinforced and will have pillars, two feet square, every fifty feet. It will be built near the inside edge of the walk around the school football field.

Sutton county courtyard property is to be enclosed with an ornamental stone wall, built as Works Progress Administration project. Plans for the courthouse job call for a wall two and a half feet high on the upper side of the courthouse and one five feet high on the side nearest the

business district. The top of the wall will be level with the top of the steps leading to the courthouse walk.

Weather worn rocks secured on the Authur Simmons Ranch are to be used. Square pillars, twenty inches wide, will be erected at intervals in the wall. Openings will be left in the wall to provide for entrance at the Sonora Woman's Club, the municipal building, the county jail and probably at some place near the courthouse building.

Seven hundred ninety-two yards of rich dirt have been hauled to the courtyard recently for landscaping. The watering trough, little used in recent years, will have to go to

make room for the work.

The rock walls also help us to date pictures. You know that a picture without the wall was taken before 1936.

We are still looking for pictures of everyone who has ever lived in Sutton County for our files. This is a huge project and we will not be able to complete it without you help.

A special thanks to the Whiddon/White family for all the pictures they recently gave us.

If you have any questions concerning Sutton County history send them to "Ask The Historical Society" P.O. Box 885, Sonora, TX 76950-0885 or give us a call at 915-387-5144.

Smith Attends Seminar

About 500 county and district clerks and their staff took part in the 22nd Annual County and District Clerks' Seminar in College Station March 21-23.

The seminar is designed to update participants on duties and responsibilities of their offices, helping them become more capable and effective in serving the public.

"Nuts and Bolts" was the theme for the meeting. Participants took part in general sessions, workshops and discussions on topics that included probate and trust law legislative update, the Americans With Disabilities Act, changes in the Family Code Protective Orders, Juveniles -- Truancy cases, trust funds and investments, ethics and reporting, fees for county clerks, writs, office technology, and proposed changes to the Texas judiciary.

The seminar was sponsored by the V.G. Young Institute of County Government of the Texas Agricultural Extension Service and the County and District Clerks' Association of Texas in cooperation with the Texas Association of Counties. Clerks who attended all of the sessions will receive 13 hours of credit and new clerks will receive 15 hours from Texas A&M University's Office of Continuing Education.

President of the association for 1993-94 is Patricia "Pat"

Bobbie Smith

Dye, county clerk in Kerr County.

Participating in the seminar from Sutton County were Bobbie Smith and Genie Crenwelge.

"The seminar provided valuable information and current procedures of the office to county and district clerks," said Bobbie Smith of Sutton County.

THE RIGHT PERSPECTIVE

"When he saw he wasn't getting anywhere, Pilate took water and washed his hands before the crowd. 'I am innocent of this One's blood', he said. 'See to it yourselves.'" Matthews 27:24

If you've ever attempted to draw a scene - or taken Art Classes, you know that one of the hardest things to master is the concept of Perspective. For example, the Encyclopedia tells us that the Sun is thousands of times larger than the planet Earth. Yet it is interesting to note what we do when the sun is low on the horizon and glaring into our eyes. We simply hold up our hand in front of our faces to block out that irritating light. Imagine - we can block out the Sun! Of course, the reason is obvious. Although our hand is small, it is very close - while the Sun, although very large, is far away. That's Perspective.

The Right Perspective is one of the hardest things for human beings to manage in their lives. Pilate's frustration

shows how true that is. Having been plagued for hours by Jesus' trial, he tried to block out everything by renouncing any responsibility for the crucifixion of God's Son. He became like an ostrich, hiding his head in the sand - acting as if by those words he could block out the Son. People still do the same thing today. They try to ignore Jesus, or make light of Him - thinking they can block Him out. Some say He was nothing more than a Teacher, yet who is to be kept out of our Public Schools today - to be kept in His place for an hour on Sunday morning. Some say that the Bible is irrelevant and filled with untruths.

It may seem that our hand can block out the Sun, but it continues to shine - bringing its light and warmth to earth. The only spot where the Sun is blocked out is right in our own eyes. Isn't that the same when it comes to Jesus, the Christ? The only place a human being

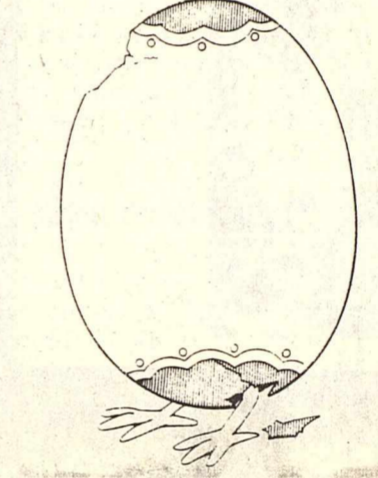

can block out the Creator, Redeemer, and Sanctifier of life is for themselves. Although they may not see it, God still loves them (John 3:16) - and His grace and care are still shining. And although they may not want to believe it, God will still judge them. They may try to excuse themselves, as Pilate did, and say that it wasn't their fault. But for them, as for Pilate, there will be no excuse - for God's Son was there, shining, and trying to save.

What a contrast to Christians who see with the eyes of Faith. They cannot pass by Good Friday's Cross and remain unmoved. They know the Man hanging there is God's Son - the Truth for all

people in every Age. He's not someone who can be ignored or dismissed lightly. When Christians look at the Cross they see the Saviour - and their best Friend, dying in their place - for their sins. So I submit that in order to get the Right Perspective on the true meaning of Easter, we need to first go in spirit to the foot of Calvary's Cross. Only then can we live in the light of Jesus' Resurrection - and His victory over the powers of our real enemies - Sin, Death and the Evil One. You see, He wasn't trying out for the part of the 'Cadbury Bunny'! So celebrate the Light of the Son!

Public Notice

The Farmers Home Administration (FmHA) is accepting nominations for County Committee elections for Schleicher Area. This notice is issued to inform eligible voters of the right to nominate candidates by petition. Copies of the petition and instructions on its completion can be obtained from your local FmHA office. Persons nominated should have an interest in a farm as an owner, tenant, or sharecropper within the county or area in which activities of the county or area committee are carried out. They must be citizens of the United States or aliens lawfully admitted to the United States for permanent residence, and be well qualified for committee work. Spouses of those persons who meet the eligibility criteria are also eligible for nomination for election to the county committee. Nominations must be received in the Eden FmHA Office no later than May 19, 1994. FmHA committee elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex, and/or handicap.

Nominees Wanted For FmHA

Eligible farmers in Schleicher Area are invited to become nominees for the Farmers Home Administration County Committee, FmHA County Supervisor, Fred Greenway announced today. As a result of the 1985 Farm Bill, one of the three members of the FmHA County Committees are elected, the third member is designated by FmHA, the County Committees assist the Fmha County Office in determining the eligibility of applicants for certain types of FmHA loans.

"Farmers in this County, serving on the Committee, play an important role by assisting in the process of loan applications and reviews," said Fred Greenway. Nominating petitions must be returned to the Eden FmHA County Office by May 19, 1994. Additional information and application forms for those who are interested in becoming nominees for the County Committee are available at the Eden County Office or you may call 915-869-3941.
