Broncos Pound Wall, 13-6

Submitted
Wall Hawks' Coach Mickey Dodds is obviously not a subscriber to this newspaper. I also seem to have seen and reported a thing or two about the Sonora Broncos the last two weeks his coaches managed to miss in their scouting duties. The Wall Hawks lined up across from the Sonora Broncos Friday night in Wall and attempted to throw the ball effectively and run outside, two things that appear to be very difficult against this vastly improved Sonora defense. The result was a humiliating night on offense for the Hawks, and a 13-6 win for the Broncos in their season opener.

Dodds' Hawks received Trini Banda's kickoff to open the game, but their first series of downs was an accurate picture of what they were to face all night long. On first and ten, Levi Pool sacked the Wall quarterback for a 10-yard loss, and two incomplete passes followed, both defended well by Justin House and Davis Hale. The Wall punt, fielded by Caleb Barker, was returned to the Bronco 48 yard line.

Sonora's first offensive possession also proved prophetic for the rest of the evening. Led by seniors Jason Morley, Gilbert Vara, and Gabriel Perez, the Broncos marched down the field for the first score of the night. While Vara was the workhorse during the drive, with runs of 5, 5, 6, and 2 yards before his scoring run on a sweep right from 15 yards out, the best run on the drive was turned in by Perez, who took a trap play up the middle for 14 yards before being wrestled to the ground by Wall defenders. The drive featured excellent execution of what the Broncos do best; they block well, sustain their blocks, and run hard toward the end zones instead of toward the sidelines. Playing particularly well during this first drive were Vara and Perez running the ball, and also Perez, blocking well from his fullback position, was helped by solid blocking from Cody Dupree and Trini Banda on the offensive line.

The Bronco defense, as tough as it had been during Wall's first series of plays, got even tougher as the first half progressed. On third and six from the Wall 36 yard line, Gabriel Perez intercepted a Wall pass, his return of the interception also augmented by a personal foul call against Wall after the interception. When asked about the interception after the game, Perez said "I just read the quarterback's eyes and knew where he was going to throw the ball. I've got a goal to intercept a pass every game, so I had to get started tonight." Perez's interception went for naught, however; the Bronco offense fumbled the ball on second down of the following possession, and Wall recovered.

The Hawks, having dodged a bullet with the fumble recovery, attempted to take immediate advantage of the Bronco defense by going to the air, but again on third down after solid defensive plays by Davis Hale and Levi Pool on first and second downs, Justin House intercepted an errant Wall pass and returned it to the Wall 49 yard line.

The following Bronco

Bob Bellard

possession, their third of the first quarter, again featured a powerful running attack. Marcus Montez, playing for an injured Gilbert Vara, ran the ball well on runs of 15, 5, 2, and 3 yards, the most important of which was the last run, which converted a fourth and one play the Broncos needed to convert to keep their drive alive. The Bronco drive ended when Wall intercepted a Bronco pass at the Wall 17 yard line.

Wall's next possession was again dominated by the Bronco defense, with Caleb Barker playing particularly good pass defense on a Wall third and seven play to prevent the first down. The punt to the Bronco offense was returned by Barker to the Wall 42 yard line, and the Bronco offense settled in to grind through the Wall defense for another score.

The Sonora drive started badly; an illegal procedure penalty backed the Broncos up 5 yards, but good runs by Perez and a roll out keeper by quarterback Josh Burnham, got the Broncos to a third and two situation. Marcus Montez took the third and two pitch from Burnham, took several hits, and danced down the sidelines for a 32 yard scoring run to make the score Sonora 13, Wall 0 with the second quarter just underway.

The defense for the Broncos dominated the rest of the second quarter, with Caleb Barker recording a fine interception and run which would have given the Broncos excellent field position at the Hawk 20 yard line, but was called back to midfield because of an illegal block. Wall also had its share of frustrating penalties through the evening, but for the most part it was the Bronco defense, featuring excellent play in all areas, that kept the potent Hawks from establishing any rhythm at all on offense. Josh Burnham was, as he has been through the preseason, a dominant presence at left outside linebacker; Trini Banda and Levi Pool both recorded several tackles from their line positions, and the play of all defensive secondary players, including Gabriel Perez, Justin House, Caleb Barker, and Davis Hale was integral in giving the Broncos the 13-0 halftime cushion the team enjoyed. Wall's offensive

first and second string tail backs, Vara and Montez, struggled to move the ball in the second half, and the job of saving the game fell to the defense. While Adrian Mata filled in well at tail back, Perez continued to run hard from his fullback position, and the quarterback and line play continued to be solid, the offense lacked the pop (for lack of a better word) it had had in the first half, and was plagued by injuries and penalties throughout the second half.

Good teams, however, and good units within teams, pull together when challenged, and the Bronco defense accepted the challenge to win the game, holding off a Wall team determined not to lose its season opener. The second half defensive effort from the Broncos was nothing short of spectacular.

On Wall's first possession after intermission, Josh Burnham intercepted a Wall pass deep in Bronco territory. The Bronco offense was unable to take advantage of Burnham's gift, however. The Bronco offense, frustrated by some dropped passes in the first half, ran the ball on third and ten, then punted the ball back to Wall. The punting and punt coverage were important aspects of the Sonora victory;

Dear Editor,

Dear Editor,
Three cheers for the city Council! What a great decision to change the "management" situation at the Senior Citizen's Center. And are those actual smiles on the faces of employees and volunteers? Yes, I believe they are, says a lot doesn't? Things are looking up already. There are senior citizens going back to participate at the center that had stayed away because of problems with the director and there are folks that now feel comfortable to be able to support the place without worrying where their money is going. Thanks again City Council.

Belinda Villanueva

Dear Editor,
In the August 25, 1994 issue of the Devil's River News, I read where City Manager John L. Pape has been nominated for the "PRESTIGIOUS AMERICAN COMMUNITY LEADERSHIP AWARD."

I wondered about this nomination, as it was unclear in the newspaper article where

this nomination came from. I called the National Association of Towns and Townships, to ask about the award.

The following information was given to me by the National Association of Towns and Townships, located in Washington, D.C.:

1. Mr. Pape was nominated for this award by Mayor Lemuel Lopez.

2. I learned that one City Council Person, one City Official, and one Sutton County Official were listed as references for this award.

3. The news release printed in the newspaper did not come from the National Association of Towns and Townships. It appears it was prepared and given to the Newspaper by the City of Sonora.

4. Mr. Pape was not chosen as a recipient of this award.

This research was done because I do not like that my tax dollars are going to pay for trips for Mr. Pape and Mayor Lopez to Washington, D.C. or any place else for that matter.

Thank you for printing this letter.

Sincerely,
Brigitte R. Rogers

Editorial

by Gary Smith

When I read the Whoopi Goldberg piece that was presented at freshman orientation at Sonora High School, I was offended. When school superintendent Charles Russell offered a written apology to the people of Sonora, I was grateful and impressed. When I discovered that this was not enough for some people, I was disappointed. When I found out that people were attacking Jeryl Fields, I was dismayed.

Jeryl Fields has done marvelous things for the young people of this community. She organized freshman orientation three years ago. Freshman orientation is not a skit, but three days of helping young people adjust to high school life. Jeryl Fields organizes this event each year, inviting teachers, students and parents to visit and participate. Students are taught everything from where their classrooms are located to how to get into their lockers. This is not a three day course in sex education.

This program has been so successful that officials from other schools have visited Sonora to learn how this program is implemented.

But Jeryl does much for our students. Each year, she heads up Project Graduation and other drug abuse/alcohol abuse programs. She has fought against the problems of teen drunkenness, drug abuse and pregnancy. This woman is a fighter for the right.

So, the purpose of this editorial is to say, "Enough is enough." It is time to let this one rest.

As a matter of fact, if more of us possessed the grace, dedication, integrity and love that Jeryl Fields demonstrates, we might find that the schisms that separate and divide this community are not so great after all.

Our Sympathy

John Wesley Kelley

John Wesley Kelley, 82, of Odessa, Texas, passed away on Monday, September 5, 1994 at Avalon Place Nursing Home.

Services were held on Wednesday, September 7, 1994 at 2:00 p.m. at the Sixth and Jackson Church of Christ in Odessa. Interment followed at Sunset Memorial Gardens. Lanny Henninger of University Ave. Church of Christ and Don Turskey of 6th and Jackson Church of Christ officiated. Services were under the direction of Frank W. Wilson Funeral Directors.

He was a native Texan, born January 15, 1912 in Houston, Texas. He married Janelle C. Williams on March 27, 1942 in Odessa, Texas. He lived in West Texas most of his life and was a resident of Odessa for 52 years. John owned several businesses including Kelleys' Grocery, Toyland, and the Golden Cue. Fourteen years before retiring he owned Advertising Specialty Company calling on Banks and Savings & Loans throughout Texas and New Mexico. John served in the Army Air Force from October 1942 to January 1946. He was a member of the 6th & Jackson Church of Christ.

John was preceded in death by his loving wife of fifty-two years, Janelle C. Kelley, on May 5 of this year.

He leaves to treasure his memory, loving children and their spouses, Judy and Bill Webster of Sonora, Mike and Donna Kelley of Odessa; grandchildren, Lisa and Eric Neal, Lesli and Tim Prine, Lori and Kyle Nunn of Sonora, Kelley Webster, Lea, Jamie and Amy Kelley; great grandchildren, Tori and Tanner Neal and Hillary Nunn and William Payton Prine; one brother, Raymond Kelley of Big Spring; six nephews and seven nieces.

The family wishes to thank all of John's friends who have been so kind with their time, love and concern during his illness.

Pallbearers were Doyle Kelley, Wesley Kelley, Jerry Kelley, Harold Burchett, Cleve Ales and Bob Brookshire. Honorary Pallbearers were Guy Harrell, Bob Kelley, Darrell Kelley, Kenneth Bryant, W.E. "Pug" Lyle and Milton Kaiser.

The family suggests memorials be made to Hospice of the Southwest or to Sixth and Jackson Church of Christ.

M.A. Buntyn

M.A. "Pete" Buntyn, 80, of Kingsland died Wednesday, August 31, 1994, in a Dripping Springs nursing home.

Services were held at 10:30 a.m. Friday, September 2, 1994 in Mason Funeral Home chapel. Burial followed in Rest Haven Cemetery in Brady.

Pete was born on Marcy 24, 1914 in Mason County and was a longtime resident until moving to Kingsland in 1990.

He had owned and operated Buntyn Pecan House and was a member of the Church of Christ.

Survivors include a daughter, Sylvia McCasland of Austin; two brothers, Pat Buntyn of Sonora, and Tom Buntyn of Ruidoso, N.M.; two sisters, Jean Hambricht of Odessa and Glenda Massey of Victoria; two grandchildren; and numerous nieces and nephews.

Freelance Philosophy

by Gary C. Smith

Last week I spent some time thinking about my teenage years. I was a teenager in the 1960's. I remembered that we all had such high aspirations, such noble dreams. I remembered the songs we sang and the songs we listened to. I remembered one particular song that was popular during that time: **The Age of Aquarius**. There was a line in the song about the way things were going to be. "Harmony and understanding; sympathy and trust abounding." I don't know how we missed it, but it seems that the Age of Aquarius passed us by.

It also seems that something else has passed us by.

We are living in a nation that was founded on a belief in God; a nation that now has made the choice to banish God. We banished God from our schools. We banished God from our government. We banished God from our politically correct decisions. We banished God from our thoughts.

When there is no "higher authority", then principles such as honor, decency, honesty, kindness, forgiveness and charity have nothing to uphold and support them. Self-fulfillment and self-satisfaction become the rule of the day.

I suppose that "harmony and understanding; sympathy and trust abounding" could be just an impossible dream. But then, that's another song altogether.

Until the next time,
May God Bless

Q. I am looking for information on the death of L. W. Bishop in Sonora, Sutton County, Texas on June 19, 1927. Do you have anything in your files?

A. Devil's River News, June 24, 1927 - Alleged Thief is Killed by Officers

A very regrettable incident occurred here about 4:30 Sunday morning when L. W. Bishop of Thomason, Texas, was killed on the streets of Sonora by deputies J. L. Cook and Roscoe Morris.

The officers had received a message from Sheriff Whistler of Del Rio to watch for an

immigration officer's car that had been stolen here during Saturday night and they immediately went down the Del Rio road about six miles and stretched the stop sign across the road and waited for the car that was expected. Soon a Ford touring car approached and the officers recognized it as the one they were waiting for. The driver neither recognized the stop sign or the call of the officers and they began firing at the car in the hope of hitting a casing or otherwise incapacitating the car. Their shots took on affect and they chased the stolen car into Sonora, beginning their firing about two miles south of town.

After arriving in town they shot again at the car and it stopped on Concho Ave., near the Savell home. One man jumped from the car with a rifle in his hands and ran down the draw. The officers, upon approaching the car, found a man in a semi-unconscious condition. Dr. Blanton was summoned and found that the man had a bullet wound in his head and was then in a dying condition.

From a registered letter receipt which was on the dead man, his wife was located at

Thomason, Texas, and from her the whereabouts of his parents were learned. The body is being held pending the arrival of his father and sister from Stamford, Texas.

The man that got away was captured by the immigration officers Sunday in a pasture between here and Eldorado. His name was given as Bivins and he was taken to Del Rio where charges of car theft will be preferred against him.

The officers believe that the shot that took effect was fired out of town as they were shooting low as possible in town in order to keep the danger of doing damage with a stray bullet. Their intentions throughout town were to only stop the car and the death of the man was purely accidental but at that it will no doubt leave the impression with the public that Sonora's officers are gun toters and are unscrupulous officers, which condition does not exist.

In the same edition we found the following listing of progressive business firms in Sonora: The First National Bank of Sonora, W. L. Aldwell, President, has a capital of \$100,000 and a surplus of \$115,000. The Sonora Drug Store, owned by J. C. Morrow, Lee Aldwell, and R. A. Steen has one of the largest supplies of drug and drug sundries in West Texas and has two registered pharmacists. The Gilmore Hardware Company, owned and managed by S. T. Gilmore and W. C. Gilmore, specialize in their tin work and to date have made and sold hundreds of fly traps. The West Texas Lumber Company, a branch of the parent company in San Angelo, is managed by W. E. Caldwell and has erected a new yard on Main Street. Sonora has two of the best cafes in West Texas, the Rutledge

Cafe operated by Hugh Rutledge and the Sunshine Cafe operated by Mrs. Core Nicks. Arthur Ware is the owner of Ware Bakery and has some of the best breads and pastry around. There are two up-to-date barber shops, The Long Barber Shop owned and managed by E. S. Long and the Hamby Barber Shop, owned by Johnnie Hamby. The McDonald Hotel and the Tourist Hotel both have nice clean beds and serve meals. Orion Brown has a nice boot shop and does excellent work. The Dew Drop Inn, owned and operated by Misses Clara Allison and Sally Wardlaw is a popular place to the town where cold drinks, confections and similar things are dispensed. An electric piano and phonograph are placed for the entertainment of the customer. If you have legal troubles see the firm of Wardlaw & Elliott, Sonora's only law concern. Sonora has two good physicians, Dr. A. G. Blanton and Dr. A. J. Smith. Fred Jungk, owner and manager of the O.S.T. Tourist Camp has made many improvements, five

cottages have been constructed, a community kitchen and showers have been added for the convenience of the customers. D. W. Locklin has leased the Stokes Filling Station on the Adams lot behind the W. O. Hightower store. The Friendly Store, J. W. Trainer, owner, stocks the latest in Men's and Boys clothing and does tailoring, cleaning and pressing. The Style Shop, Mrs. Torah Long, proprietor, has the latest in ladies dresses and hats. Sonora Motor Company has a well equipped garage, stocks Goodyear Tires and tubes, Magnolia Gasoline and has a complete Ford parts department. Walker-Stites Motor Company has a beautiful Chevrolet Coach for \$595 and a 1 ton truck, chassis only for \$495.

Kerr Wildlife Management Area Tour

submitted by Preston Faris, Sutton County Extension Agent

The Texas Agricultural Extension Service has set up a tour of the Kerr Area on Thursday, September 22, for a Sutton County Group. The group plans to leave the 4-H Center at 8:15 a.m. and travel in 3 or 4 vehicles.

Bill Armstrong is scheduled to meet the group at 10:00 a.m. at the Kerr Area for a slide presentation and educational program. A sandwich lunch will be served, after which a tour by the deer pens and other sites of interest is scheduled. The group plans to leave by 2:30 p.m. and should be back in Sonora in time for the Jr. High or J.V. football games.

It has been about 10 years since a group has toured the area, and there have been numerous requests to go again. If you have hunters who may be coming in to dove hunt or who might like to go, please encourage them to attend.

There must be at least 20 pre-registered by 5:00 p.m. on Thursday, September 15th to justify the class.

Call 387-3101 if you plan to attend so the class can be certified. Late registration will be accepted until 5:00 p.m. on September 20th if the class makes.

Don't miss this opportunity to learn more about wildlife management.

(L-R) Sierra Gomez and Tommy Gomez, are pictured above during as they look at a book at Busy Bee's Day Care Center in Sonora. Belia Castaneda, owner/director of Busy Bee's day care center, received the **Innovations in State and Local Government 1993** commendation. This award, based on participation in Texas' Child Care Management Services system, rewards daily commitment to the care and safety of children.

A&M Diplomas Awarded

Diplomas were awarded to more than 2,000 Texas A&M University students during commencement ceremonies August 12-13, 1994. Jesse Michael Lynch and Descom Travis Spiller, both of Sonora received Bachelor of Science degrees. Lynch majored in computer science and graduated magna cum laude.

Spiller majored in animal science.

The degrees were presented at two separate ceremonies. Commencement speakers were Dr. Charles A. Green, chancellor of the Houston Community College System and Dr. Patricia A. Hayes, president of St. Edwards University in Austin.

Community Choir Rehearsal

submitted by James Stephen, Pastor First Baptist Church

A community choir will begin rehearsals for a Christmas cantata this Sunday afternoon, September 11, at 5:15 in the sanctuary of the First Baptist Church of Sonora. Rehearsals will be approximately 45 minutes and held every Sunday until the final presentation, tentatively scheduled for Sunday, December 18.

Several people signed up for the community choir and received their books during the cantata preview held on August 28; however, there is still a strong need for altos and men, both bass and tenor. Anyone wishing to have a cantata book

before the first rehearsal may pick one up at the First Baptist Church office between the hours of 9 a.m. and 4 p.m..

The cantata, *Rose of Bethlehem* by Lowell Alexander, will be presented under the direction of Dennis L. Phariss, Minister of Music for First Baptist Church, and accompanied by Karen Fincher, church pianist.

Registration of Water Wells

The Sutton County Underground Water District personnel are involved in an ongoing project to register all water wells in Sutton County. This registration is required by state law and therefore by District Rules as well.

Any house well that we have sampled and analyzed has been registered at that time. Anyone having a well that serves a house or a hunting cabin that has not been tested should contact our office. We will sample, analyze and register the well as soon as possible, and this service is provided free of charge.

According to state law, all water wells must be registered regardless of use including livestock wells (windmills or submergible), irrigation wells, and industrial or commercial wells.

The following limited information is needed to register any well:

- 1) Name and address of landowner;
- 2) Location of well on topographic map verified by District personnel with assistance of landowner;
- 3) Use of water (livestock, irrigation, etc.);
- 4) Description of well such

as date drilled, depth, casing, and name of well driller (if known).

We are here to serve the taxpayers of Sutton County, and we are anxious to work with all landowners in getting his/her wells registered. Please come by our office at 222 E. Main, Suite 101 in the Mercantile Building, or call 387-2369.

Critical Habitat For Warbler Meeting Moved To Senate Chamber In State Capitol

The September 12 joint meeting of the Texas Senate Natural Resources and House Natural Resources Committees to consider critical habitat designation for the golden-cheeked warbler has been moved to the capitol building in Austin.

The Senate chamber in the capitol has been closed for restoration for the past two years, but will be completed in time for the meeting.

State Senator Jeff Wentworth (R-San Antonio) has encouraged land owners to attend the open meeting to show their objection to the U.S. Fish and Wildlife Service (USF&WS) proposal that would affect private property in 33 Central Texas counties.

State Senator Bill Sims (D-Paint Rock), chairman of the senate committee, has invited Sam Hamilton of the USF&WS, to explain the federal agency's plans.

Glasscock Profiled

submitted by Guggle Thorp

Selma Glasscock, daughter of Nelson and the late Marybelle Stubbelfield, of Sonora, was recently profiled in the Corpus Christi Caller-Times. Ms. Glasscock is currently a resident of Beeville, Texas where she is a conservation educator for Welder Wildlife Foundation in Sinton, Texas.

The following article is being reprinted from the 1994 June issue of the Corpus Christi Caller-Times.

Q: What is your guiding philosophy?

A: "With patience, perseverance, desire and hard work, any task can be accomplished, any situation can be overcome and any goal can be attained."

Q: What is the most rewarding aspect of your job? Why?

A: Working with a foundation and individuals who are profoundly dedicated to the conservation and proper management of wildlife and natural resources. Equally as rewarding is that my position gives me the opportunity to teach children and adults about the wonderments of the natural world in the hope that this will inspire appreciation and ultimately conservation of our wildlife resources.

Q: What is the best thing you can tell people about living in your community?

A: The community of Beeville is dedicated to its young people. There are numerous organizations, volunteers and sponsors of activities that dedicate their time to the positive encouragement of the youth of this community.

Q: If you could invite any four people, including historical figures, to dinner, who would they be? Why?

A: A professor of biology at Angelo State University. To enjoy her company as a friend and mentor, but also to remind me of the sheer enthusiasm and enjoyment of learning about the natural world. Barton Warnock, retired biology

department chairman, Sul Ross State University. To thank him for his wonderful teachings and kind, supportive nature, which inspired many fledgling biologists. Aldo Leopold, to listen to his thoughts on nature, conservation, and stewardship and to see how he would view the world today. Charles Darwin, to discuss what it must have been like to have a discovery that would shake the world and restructure the course of biology.

Q: What one thing would you do in your community to make it a better place to live? How can that goal be reached?

A: I believe we should teach our young people that those things truly valuable in life, such as a high school or college degree, a rewarding job and sound marital and family relationships are seldom easily attained. Each requires hard work and self-discipline to accomplish. Parents and educators, in all communities, should work in conjunction to instill values that lead to these types of goals and de-emphasize those values that lead merely to materialistic gains.

Q: Can you name a community advocate who does good things but has gained little recognition?

A: Shirley McBrayer, Institutional Research Assistant at Bee County College. Shirley has volunteered her time and served as a mentor and positive role model to many young women attempting to change their lives by attaining a college degree.

TAES Education & Awareness Program

An education and awareness program on the preservation of private property rights is scheduled for next Wednesday, September 14th at 7:00 p.m. at the Coke R. Stevenson Memorial Center in Junction, Texas. There is no admission and all are urged to attend. The potential loss of property rights for all property owners (not just landowners) as a result of the Endangered Species Act and other laws and regulations will be the primary focus of the program.

This forum follows similar meetings in Llano, Fredericksburg and other central Texas communities which have drawn over 1,000

property owners concerned with the loss of property rights associated with the Golden Cheeked Warbler. The U.S. Fish and Wildlife Service has recently announced plans to designate 33 counties in the area as critical habitat for the endangered Warbler. This designation would reportedly restrict a landowner from cutting cedar on their own property, thus the concern by the public.

Speakers and program participants include Representative Bob Turner, State Representative District 73; Ed Huggins, local rancher active in maintaining property rights; Mike Dail, President

and CEO of the Federal Land Bank in Mason; and Dr. Wallace Klusmann, retired former head of Wildlife and Fisheries Science at Texas A&M University.

This program is sponsored by the Kimble County Commissioners Court, Kimble County Farm Bureau and the Texas Agricultural Extension Service.

Healing Seminar Set

Sierra Vista United Methodist Church in San Angelo will be hosting "Adventure in Healing and Wholeness" September 9-10, 1994.

This is an opportunity for individuals and churches to learn more about healing ministry and specifically how a healing ministry can happen through the ministry of the local church.

Pastors and others who are interested in beginning a healing ministry in their church, or those who merely wish to learn, are invited to come.

Speakers for the event will be the Reverend J. Jason Fry, Senior Pastor, Sierra Vista United Methodist Church; the Reverend Robert B. Hedges, retired Episcopal Priest; Jerry V. Roach, D.D.S., Ph.D., Tree of Life Church Angelo Bible Institute; Roger D. Sidener,

D.Min; Pastor, First Presbyterian Church, Menard.

Registration will begin at 6:00 p.m. on Friday, September 9. The seminar will be from 7:00 p.m. to 9:30 p.m. on Friday and from 9:00 a.m. to 4:00 p.m. on Saturday.

Cost of the seminar will be \$20, which will include a workbook and lunch on Saturday.

Motel accommodations will be available at La Quinta, 2307 Loop 306, and at the Ramada Inn, 2502 Loop 306. Both of these motels are close to Sierra Vista.

This seminar is sponsored by the Health and Wholeness Committee and the Peaceseekers of Sierra Vista United Methodist Church.

For additional information please call: Sierra Vista UMC at 915-944-4041; Evelyn Brown at 915-255-2254; or Nancy Krasny at 915-949-7638.

Louis Massey's kicks and consistently fine coverage, led by Cody Dupree, kept the Hawks bottled up in their end of the field for most of the half.

Even when Wall did manage to create some holes in the Bronco interior line, as it did running counters and traps in the fourth quarter, the secondary and linebackers made solid tackles for short gains. Justin House, Adrian Mata, and Burnham played particularly well at this juncture in the game, with Trini Banda also recording an impressive open field sack of the Wall quarterback to kill a Hawk drive.

The most dangerous Hawk drive of the night to this point started as the fourth quarter began. The Hawks, led by a scrambling quarterback and some hard running from their running backs, moved the ball to the Sonora 17 yard line, where the Broncos made a stand. After a first down penalty gave the Hawks a first and fifteen situation, the Hawks attempted a pass which fell incomplete, a draw on second down which was played very well by Levi Pool, and a quarterback roll out which was run out of bounds by the ever-persistent Burnham, a constant presence in the Wall offensive backfield for most of the evening. The Hawks were faced with a fourth and fourteen play, and decided to go for the end zone. The pass was lofted for the corner, but a very fine play by Justin House batted the ball away and the

Broncos took over on downs at their own sixteen yard line.

Wall got the ball back with 7:03 remaining in the game, and mounted their only scoring drive of the night. The drive was aided by two pass interference calls against the aggressive Bronco secondary, but other than the two penalties the Hawks were not able to move the ball with consistency against the still-tough Bronco defense. Making stops along the drive were Levi Pool, Jason Morley, and Gabriel Perez from his cornerback position. Davis Hale also had a heads-up play during this drive, covering a split end well on an attempted halfback pass by Wall, and forcing the Wall halfback to keep the ball and run for no gain.

Wall drove to the Sonora 6 yard line, where again the defense stiffened. Solid line play from Trini Banda, Levi Pool, Shane Deel, and other members of the Bronco defense brought up a third and goal at the Bronco 2 yard line, where Jason Morley burst through the Wall line and stopped a Wall running back for a loss of two with a crunching tackle. The Hawks managed to score, however, on a quarterback bootleg left which fooled the hard charging Bronco defenders. The score averted Wall Head Coach Mickey Dodds' first shut out in six years as the Hawk head coach.

Leading 13-6, the Bronco kick return team knew what was coming with 2 minutes left, and the inside kick squirted through the first Bronco line

and appeared to have been recovered by Wall; the Hawks, however, were offside, and had to kick over. This time the kick was handled by Mike House. The Bronco offense, which had struggled throughout the second half, was faced with this situation - the game might very well rest on their ability to make one first down. After two dives by Adrian Mata, the Broncos gambled and a pass from Jason Morley to Davis Hale for 15 yards converted a third and five situation and sealed the victory for the Broncos.

Morley, when asked about his play after the game, expressed the most satisfaction in his play on defense. He said that Sonora played "good solid team defense," and his words were echoed by defensive coordinator Don Sessom, who reserved special praise for the Bronco secondary players and their combined four interceptions on the night.

Head Coach Bob Bellard, while upset with the number and frequency of leg cramps experienced by the Broncos, was nonetheless happy for the win. "I did a poor job getting this team physically ready to play a football game, but we will fix some of that next week," Bellard commented after the game. He praised Burnham's play on both sides

of the ball, and spoke highly of his defense's efforts throughout the evening. "They hung in there and won, did a really good job, when it was really tough" (speaking about the second half).

Bellard probably put his finger on the difference between good teams and average teams in his last comments; good teams hang in there, even when they are tired, even when they have members who are hurt, and win close ball games. Average teams do not. The Sonora Broncos took a step up from their 2-7 campaign from last year with this win, and demonstrated that hard work and dedication during the off-season, during really hot two-a-days, and during weekly practices can create a good team from an average one. The Broncos' next game is Friday night in Sonora at 8:00 pm. The Broncos will face another playoff team, the Ozona Lions (Ozona is 0-0-1; tied Reagan County 0-0), and the game should be an entertaining match or regional rivals. Make plans to be at Bronco Stadium Friday night!

Students Participate In Steel Recycling Month

The students of the Sonora Middle School are pitching in and doing their part to promote steel recycling throughout the month of September. The school program is in conjunction with the City of Sonora's Steel Recycling Month, which is intended to educate and promote the benefits of recycling steel.

Throughout the month of September, Middle School students will be encouraged to collect recyclable steel cans, commonly called tin cans, and bring them to a special collection station at school. The City of Sonora will provide the collection station.

Each students' collection will be weighed, and the top recyclers will be honored at the end of the month. The boy, girl, and class collecting the most steel recyclables will be honored by the city as Sonora's "Boy of Steel," "Girl of Steel," and "Class of Steel." The awards will be presented

by Mayor Lemuel Lopez. Additionally, steel recycling posters have been provided to the schools and many local businesses to remind all Sonorans to do their part to recycle. Every item that goes into a recycling bin instead of the trash saves landfill space and taxpayer dollars.

Sonora's Recycling Center is located at Third and Water Streets.

Hill Country Cattlewomen Update

submitted by Marie Seibert, President of the Hill Country Cattlewomen

Although the Hill Country Cattlewomen do not meet during the summer months, individual members have been active with on-going projects in the promotion of the beef industry and activities affecting the rancher.

During July, Marie Seibert and Jill Johnson both of Boerne, were chosen from 225 Texans to attend a three-day workshop at the Stockyards in Ft. Worth. The workshop was sponsored by the National Cattlemen's Association in Colorado as well as the Texas Beef Council. The workshop was an in-depth study of the

economic impact of beef raising in the State of Texas as well as the United States.

Later in July, President Pat Grote of Mason, and President-elect Loretta Robertson of the YO Ranch (Mt. Home), attended the State Home Economics Teachers Convention in Dallas. Here they distributed materials that these teachers could use as aids in the classroom.

During the month of August, members from 13 counties attended the March Rally, "Take Texas Back", in Austin in order to demonstrate to State and National officers the importance of property rights in Texas.

Also during August, Jane

Puls, Nancy Reitz (Boerne), and Loretta Robertson of YO Ranch (Mt.Home), spent a day at the H-E-B Store in Boerne, preparing samples of beef given to customers as they shopped in the meat department. Besides giving out samples of beef, they distributed recipes and pamphlets provided by the Texas Beef Council.

In August, officers-elect: President Loretta Robertson, First Vice President, Marie Seibert, Second VP Terry Wallace, Third VP Sandy Bonner, Fourth VP, Judy Knappe, Secretary, Katherine Massie, and Treasurer, Mona Wetzel, met at the Robertson home in the YO Ranch complex to make plans for the next year.

All during the summer months, members have been working on the September 20 meeting to be held at the McNutt Ranch in Mountain Home. Marie Seibert, Program Chairman, invited statewide candidates (both Republican and Democrat) to attend a political rally with emphasis on farming and ranching problems and legislation. Assisting Marie are Beth McNutt, Loretta Robertson, Alice Dierks, Fran King, Pat Grote, and Mona Wetzel. This meeting will be opened to the voters in the Hill Country. Details will be released in September. For further information, contact Marie Seibert at 210-249-9237.

The next Cattlewomen's meeting will be held on

Tuesday, September 20th at the McNutt Ranch in Mountain Home. The schedule for the day is as follows:

9:30-10:15 a.m. - Coffee, juice and snacks
10:30 a.m.-12:15 p.m. - Program

12:30-1:30 p.m. - Lunch
The meeting will include invited Statewide candidates of the Republican and Democrat parties. Also invited are the two candidates for the U.S. Senate race. Candidates who cannot attend, have been asked to send a surrogate or a written statement which will be read at the meeting.

Marie Seibert, first Vice-President in charge of the program, has also urged candidates to send campaign literature for distribution. Alice Dierks, Legislative Chairman, will conduct the question-and-answer period. Pat Grote, President of the Hill Country Cattlewomen, urges voters in the Hill Country area to attend this meeting in order to learn what the candidates' views are on issues facing the rancher.

Reservation for lunch must be made by Tuesday, September 13. Make checks for \$8.00 each, payable to the Hill Country Cattlewomen, in care of Mona Wetzel, Treas., P.O. Box 303, Kendalia, TX 78027.

For further information, call Marie Seibert at 210-249-9237, or Loretta Robertson at 210-640-3139. The McNutt Ranch is located on I-10, off of Exit 477, "Fredericksburg, 290 Exit."

Homecoming Activities Planned

The 1994 Sonora Homecoming will take place on Friday and Saturday, September 30th and October 1st.

Activities planned for Friday begin with a Homecoming Parade at 3:30 p.m. A Pep Rally will follow on the Courthouse Lawn. Pre-game activities will take place at Bronco Stadium at 7:30 p.m., followed by the football game against Mason at 8:00 p.m. The 1994 Homecoming Queen will be crowned during halftime. An after-game party will be held at the Sutton County Steakhouse at 10:30 p.m. for all former students, teachers, spouses, etc.

Saturdays events will begin

at 10:30 a.m. at the 4-H barn with registration. A beef and chicken enchilada lunch will be served at noon. A program honoring former teachers Tris Scott, Myrtle Bridges, Oliver Wuest and Dennie and Mary Hays will be given. Recognition will also be given to the classes of '34, '39, '44, '49, '54, '59, '64, '69, '74 and all former faculty members.

Free time is planned from 2:00-3:00 p.m. for visiting. A tour of the rock school building and the old High School will be held from 3:00-4:30 p.m.

A barbecue with beans, salads and desserts (prepared and catered by local exes) will be held at 6:00 p.m., with a Casino party and visiting following at 7:00 p.m.

What Are You Living For?

by Pactor Fred Darkow, Hope Lutheran Church
Philippians 1:21

Paul was a persecutor of Christians until he met Jesus on the Damascus road. Once he found Jesus as his personal Savior he found something that lasts forever and said, "For to me to live is Christ, to die is gain!"

Are you living to get a big bank account, a big ranch, a beautiful home, to be a beauty queen or a pro athlete? Once a

very wealthy man died and someone asked, "How much money did he leave behind?" Someone promptly answered, "All of it!" What good is it to be known as the richest man in the graveyard, the prettiest girl or the best athlete in the graveyard? All worldly things pass away but believing Jesus died for our sins we are promised, "we shall not perish but we shall have everlasting life"! Yes, Paul found something eternal to live for! I hope you have, too.
