## BRONCOS OVERPOWER REAGAN COUNTY WIN SECURES STATE PLAYOFF BERTH

by Charles Carroll

Gilbert Vara is pictured above as he prepares to make a run during Friday night's game against the Reagan County Owls.

Friday night at Bronco Stadium the Sonora Broncos cruised to a convincing 20-10 victory over the Reagan County Owls and moved to 6-3, 3-1 on the year, far ahead of where most preseason predictions had located them. The overachieving Broncos were most impressive in their efforts against Reagan County, rushing the ball consistently against a tough Owl defense, and playing very tough defense of their own against the Owl offensive attack.

The game felt as though the playoffs had already started; a sizable crowd was on hand to enthusiastically cheer the Broncos on to victory, there were balloons and bands, the opponents a perennial playoff contender with a winning record. After having been beaten in Greenwood rather soundly the week before under similar circumstances, the Broncos needed to come out and respond positively to the playoff atmosphere, and they did. The Bronco victory, coupled with Kermit's late win over Crane 21-20, gave the Broncos sole possession of second place in the district.

The Bronco defense set the tone for the game as the 1st quarter opened. Trini Banda's kickoff sailed through the Reagan County end zone, forcing the Owls to start at their own 20, and the offense was unable to move very far. Excellent defensive play from Levi Pool, Trini Banda, Jason Morley, Justin House, and Shane Deel stymied the initial possession for the Owls, and Justin House fielded the punt for the Broncos at the Reagan County 48 yard line.

Sonora's first possession also set a tone for the game, but certainly one the Reagan County defense did not want to hear or see. The Bronco offense was able to power the ball down the field on the ground, running successfully into the

teeth of what is a very respectable defensive unit. Gilbert Vara and Jason Morley, as they have all season, led the Bronco attack on the ground; the drive also featured a pass completion from Josh Burnham to Davis Hale on a 3rd & 10 from the 48. The Broncos stormed down the field and collected their first touchdown of the night on a sweep right play run by Gilbert Vara. Blocking was excellent on the drive. The offensive line, led by Banda, John Jones, and Cody Dupree opened holes for Morley and Vara to run through, and in his thankless job as blocker, Morley had several key blocks on outside sweeps to open holes for Vara. With 5:27 to play in the 1st quarter, the Broncos led 7-0 and Reagan County had to be thinking these were not the same Broncos they had played the year before.

Sonora and Reagan County swapped punts on consecutive 3-and-out series to help draw the first quarter to an end. Reagan County's last possession of the first quarter, however, proved costly to them thanks in part to good coaching from the Bronco staff and excellent execution from Bronco players. Reagan County, due to excellent play by Deel, Banda, Burnham, and Pool on defense, faced a 4th & 8 with :23 left in the 1st quarter when Bronco coaches called a time out, forcing the Owls to kick into a driving wind. The punt snap

Gabriel Perez makes a shoestring tackle Friday night during the Reagan County game.

was high, and Louis Massey was able to come from his end position to block the punt and set the Broncos up with great field position at the Reagan County 39. The Bronco offense, led by tough running up the middle from Morley, required only 7 plays as it marched down the field again, scoring on a dive off tackle by Gilbert Vara with 8:50 remaining in the first half. The PAT was successful, and the Broncos led 14-0.

Reagan County, feeling the game slipping away and with it the playoffs, abandoned its running game and tried to draw blood through the air, as film from previous games had undoubtedly shown them it was possible to do. The Owl offense, on 1st & 10 from the Reagan County 37, hit a quick slant in the left flat, and the receiver cut between two Bronco defenders and raced to the Sonora 15 yard line, denied a tackle by a great effort from Davis Hale, who chased down the split end and saved the touchdown. The Owls were able to convert on this drive, but not the touchdown they desired. They settled for a 29-yard field goal with 6:59 left in the half, making the score 14-3, and sending a message that the Owls weren't out of this game yet.

## Dear Editor,

Dear Editor,

I would like to write this letter to thank all of the people of Sonora for one of the most positive experiences of my career. I was employed by Hudspeth Hospital from June 1993 to October 1994. During that time, I came to know and meet a great many of you from either the emergency room or as in patients. I found a genuine warmth and friendliness on your part, even at times when you did not feel your best.

Secondly, a comment on the medical care of the community. As a nurse with 19 years experience, I have worked in both private and teaching hospitals. Clearly, Sonora is blessed with a first class physician, Dr. Pajestka, and a multi-talented hospital staff. During my many experiences in the emergency room at Hudspeth Hospital, I saw true team spirit and team work pulling together in times of crisis. The EMS, for a group of volunteers, provide superior emergency on the scene care. The combined efforts of all provide Sonora with excellent medical care. To all of you, thanks for the memories and I am proud to call each and every one of you my friend.

Sincerely,  
 T.J. Jones, R.N.

### Card of Thanks

Drug Awareness week is a very important week at Sonora Jr. High. Students this week concentrated on learning about the dangers of drinking alcohol. Students showed their support against drinking alcohol by wearing a red ribbon daily for that cause.

Sonora Jr. High would like to thank the following businesses for their support in this effort.

- Sonic Drive-In, Tom Clifton, Manager
  - Dairy Queen, Joanna Wuest, Manager
  - Pizza Hut, Janie Rivas, Manager
  - Circle K Food Store, Jeannie Olivarez, Manager
  - The Video Store, Pat Campbell, Manager

### Card of Thanks

I would like to extend my sincere thanks to everyone who helped me after my accident. I would like to say a special thank you to the men from Haliburton who were first to arrive on the scene, and the Highway Patrolman. I am a very lucky man - I received 18 stitches in my forehead and 3 cracked ribs. My boss bought me a new truck and I should be released by the doctor to start back to work on November 21st. My belt buckle, a knife, some money and a ring are still missing from the accident. If anyone has seen them, please let me know. My address is: Marvin Langston, 33650 Clinton Allen Road, Denham Springs, LA 70726. My phone number is (504) 665-5934. I will be glad to pay to have them shipped to me.

Thank You Again,

single one that they shot being lost. Water got mighty scarce on occasion and they put in some good traveling before it was struck. The driver and cook were kept busy between drives and meals in dressing the hides, and when Mr. Loomis returns the results of one of the most successful hunting expeditions ever attempted in this section may be seen.

Note: The hinters had managed to kill off the last buffalo in Sutton County many years before this hunt. Through the years market hunters over hunted the range and sold deer hams in the settlements for from \$1.50 to as low as 50 cents each. Turkeys were marketed the same way for 50 cents each. The Prairie Chicken was wiped out and men were imported to kill off the "pesky" prairie dogs.

Between overgrazing and lack of conservation man almost managed to wipe wild game off the face of Sutton County by the late 1890's. Thankfully there were a few men with foresight who worked very hard to get conversation measures started in the 1920's. We are very lucky they did for now Sutton County is once again a "Sportsman's Paradise".

Lately it has been reported that there are bear returning from drought stricken Mexico. Several people have reported seeing large cats in the area. All you have to do is take a ride

anywhere in Sutton County in the early evening and you can see deer, turkey, road runners, and even exotics.

I know the words wildlife conversation are at time quite upsetting to ranchers but there has to be a happy medium somewhere. Some way that the game and the stock can exist together for the benefit of all. Hunting is a big boon to Sutton County and we must continue

to take steps to ensure that it will be for years to take steps to ensure that it will be for years to come.

Q. What type of game did they hunt in the early days of Sutton County?

A. Devil's River News, November 29, 1890 and December 27, 1890 had these reprints of articles from the San Angelo Standard that gave a pretty good description of what an organized hunt was like in 1890:

November 29th, John A. Loomis and Charles Rueff start today with a retinue of servants and 21 hunting dogs for a six week hunt on the Pecos and Devil's Rivers. They will make their first stop for "business" at Pecan Springs, 8 miles below Beaver Lake, and are prepared to encounter all classes of game from bear, panther, Mexican lion, deer, and antelope down to quail.

December 27th, Charles Rueff returned Wednesday from his big hunt down in the Devil's River country and

reports a grand time. He left John Loomis, (who is expected to return about January 1) crossed to the Southern Pacific and came home by San Antonio. Up to the time he left the expedition 47 deer had been killed, and they needed to, as it took a deer and a half a day to feed their 23 dogs. Their kennel consisted of six bear dogs belonging to an old bear hunter name Henderson, six fox hounds the property of J. Wright, seven hounds of their own, one bird dog and two Scotch stag hounds. They killed two bears that weighed 325 pounds each, in the hills between the Pecos and Devil's River. The dogs trailed the game to a cave from which they were smoked out and shot as they emerged from their prison. Six panthers, numerous wild cats and gray fox and several lobo wolves were made to "bite the dust." The stag hounds can give a wolf half an hour's start and then run it down and kill it like a flash.

The hound runs up on the wolf before it is conscious of danger, grabs it by the throat and all is over. Twenty to fifty Messina quail were shot each day, these rare birds being the only kind of feathered game they cared to hunt. The country was found to be very rough and in many places they had to stop and make roads before travel could proceed. It was impossible to hunt continuously as the dogs got tender footed and it was necessary to rest them every day. Fergus the stag hound was exceedingly useful in running down wounded deer --- not a

## When England wanted to cut government waste, a Texan showed them how to trim the fat

Cutting waste in government isn't easy. That's why, when members of Parliament wanted to make the British government more efficient, they consulted the recognized expert in America: Texas Comptroller John Sharp.

Hardly a surprise, old chap. Since taking office in 1991, John Sharp and his Texas Performance Review team have set the standard for streamlining government agencies, saving taxpayers a documented \$6.2 billion and helping Texas avoid a state income tax. And his reviews of Texas school districts have saved taxpayers more than \$24 million.

Now he's fighting to cut millions of dollars in welfare fraud and bureaucratic waste by abolishing paper food stamps, which are often stolen and then traded for drugs. Sharp's plan is to replace food stamps with computerized security cards.

No wonder U.S. News and World Report (1/4/94) says: "John Sharp has become the mastermind behind a sweeping overhaul of the bureaucracy that has put Texas at the forefront of the nationwide effort to...root out waste."

Yet, despite all the additional duties and initiatives taken on by the Comptroller's Office, Sharp still managed to reduce the number of his employees and return \$9 million of his budget to the taxpayers.

Of course, there's a lot more waste in Texas state government just waiting to be cut, so the job is far from over. That's why we need to keep John Sharp on the job.

# YOUR VOTE COUNTS AND WE'RE COUNTING ON IT!

For the last year, liberal forces in Washington and labor unions in the Northeast have teamed up with a small group of wealthy, special interest trial lawyers to take the 23rd Congressional District seat away from you.

They are angered by my votes to reduce wasteful government spending, lower taxes, strengthen private property rights, support small businesses and the military, and defend the Constitution. But all their money cannot buy your vote. Help me keep the 23rd Congressional District in conservative hands — your hands.

## HS DRAMA DEPT. TO PRESENT PLAYS

submitted by Paula Rodriguez

Sonora High School speech and drama will open their 1994-95 season with an evening of one act plays. The plays will be directed by three advanced drama students. The festival will be presented at the high school Tuesday, November 8, 1994 at 7:00 p.m. Each show will last approximately 30 minutes, with a brief intermission between plays.

The plays to be presented are *Isn't It Romantic* by Pulitzer winning playwright Wendy Wasserstein. This comic drama is set in New York City and deals with the growing dilemmas of young women today particularly choosing between having a family and career. This play is directed by Amanda Riley and includes Katie Burge, Bree James, Rocky Riley, Ben Taylor, Heather Floyd, and Kris Wood.

The second play to be presented is the drama *Women and Wallace* by Jonathan Marc Sherman. This play focuses on a young man who struggles with his relationships with women since the death of his mother when he was a child. The play is directed by Matthew Hunt and includes, Kathleen McManus, Amy Massey, Lori Galindo, and Matthew Hunt.

The final play in the festival is the comic *Search for Signs of Intelligent Life in the Universe*, by Jane Wagner. This play takes a look at today's society and the oddities of human beings, through the eyes of Trudy, a bag lady with connections to outer space. This production is directed by Becca Fields and includes Callie Moore, Johnna Adams, Katy Cook, Raven Rainer, and Tracey Escamilla.

These plays are a senior class project they have been working on this semester. The students have organized every aspect of production including sound, scene, and costume design.

Admission is free for this one performance.

Pictured above are some of the Sonora Elementary teachers who dressed up as members of the Garden Club from the book *Jimmy's Boa Bounces Back*. The Garden Club meets every October 31st when it falls on Monday. The members are: (Front Row, L-R) Viola Swamp holding Jimmy's Boa (Mrs. Creek), Miss Daisy (Mrs. Kearney), Mrs. Gardenia (Mrs. Martinez), and P.D. (Precious Darling) Peachtree (Mrs. Jones) holding Peaches the Poodle; (Back Row, L-R) Rosie Rosebud (Mrs. Williams), Gretchen Greenleaf (Mrs. Moore), Miss Sunflower (Miss Feagin), Ms. Poppy (Mrs. Schwiening), Mrs. Violet (Mrs. Adkins), Scarlet Scarecrow (Mrs. Parks). Not pictured were Chirpy Bird (Mrs. Baker), Fanny Feather (Mrs. Bloodworth and invited member Prissy Petunia (Mrs. Nix).

## NEWKIRK SELECTED FOR WHO'S WHO

Kent Newkirk has been selected Who's Who Among Students in American Junior Colleges. Newkirk attends Texas State Technical College in Sweetwater and majors in computer science technology.

The 1995 edition of Who's Who Among Students in American Junior Colleges will include the names of 11 students from TSTC who have been selected as national outstanding campus leaders.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

They join an elite group of students from more than 1,800 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations. Outstanding students have been honored in the annual directory since it was first published in 1934.

JUSTICE  
**PHIL HARDBERGER**

## This is a story about duty...

A story about service. A story about fairness. A story about people. It's story about Justice Phil Hardberger, Air Force pilot, Peace Corps founder, legal scholar, and mountain climber. Justice Phil has lived three lives in one. He was a farmer's son who grew up wanting to serve his country. As Captain Hardberger he flew B-47's in the Strategic Air Command. Under President Kennedy he helped set up the Peace Corps.

Under President Johnson he worked to establish the Head Start program. He is an avid flyer who once set Trans-Atlantic records for flying solo, single-engined airplanes from Texas to Paris and San Antonio to Madrid. Endorsed by all Texas law enforcement groups, Judge Hardberger is a tireless legal scholar who wrote the book, *Texas Courtroom*

*Evidence*, used by almost all Texas judges. It takes people who want to move mountains to make a difference. It's for that very reason that Justice Hardberger was overwhelmingly voted "Best Qualified" of all the judges running for the 4th Court of Appeals. Please keep Phil Hardberger in mind when you cast your own important vote on November 8th.

Before you cast your vote for State Representative, you should know where the two candidates stand on the issues.

BOB TURNER (Incumbent)	THE ISSUES	JOHN BRELSFORD
Voted for legislation which required racial quotas in order to receive state financing. (Source: Record Vote 521, May 25, 1993)	QUOTAS	Opposed to all racial quotas. The State has no business subsidizing businesses on the basis of gender or ethnic origin.
Voted for School Based Clinics which provide abortion counseling to minors and allow condom distribution to children. (Source: Texas Health Policy Task Force, Aug 31, 1992)	SCHOOL BASED HEALTH CARE	Opposes School Based Clinics. Favors return of control of public schools to parents and local school boards.
Voted against an amendment to the Texas Constitution that would limit members of the Texas Legislature to six regular session terms. (Source: Record Vote SJR 14)	TERM LIMITS	Strongly supports Term Limits for our elected officials.
Voted to implement the Robin Hood School finance program which included the creation of County Education Districts/ CED's. (Source: Record Vote SB 351 March 27, 1991)	ROBIN HOOD	Opposed to the Robin Hood School Finance Plan. Will introduce legislation to repeal the Robin Hood plan.
Voted against an amendment which would require voter approval for any increase in school property taxes. (Source: Record Vote-Sb7)	TAX INCREASES	Opposed to tax increases of any kind. We don't need higher taxes, we need less government spending.
Voted against Tort Reform by voting against a bill which would have reduced the amount of jury awards for damages. (Source: Record Vote, HB 2602, April 20, 1993)	TORT REFORM	Strongly supports Tort Reform measures, including limits on jury awards for damages.

# Valliant Effort

by Marti McLain

A letter from Anita Lane says that Joe is up on a tilt bed which allows some circulation in his legs. He also gets out of the traction to sit in a chair for a meal. He can eat and breathe better when he is able to sit in a chair. He still is in traction for his hip and no definite plans have been made for his return to Texas. He said on the phone that he wants to get home so that he can play bridge, eat too much, and visit with his friends.

J.W. Neville is in Shannon recovering from a double by-pass heart surgery. He went in for angioplasty; but something went wrong, and SURPRISE, he now has a by-pass.

We all are pleased that Lawrence Finklea had such good news from his surgery. He had the best possible results. He and Jodie canceled a trip to the West Coast for a hospital "tour".

On Sunday, the 23rd, St. John's Episcopal Church welcomed the Bishop of this Diocese and honored Monte and Virginia Jones on the tenth anniversary of their service in Sonora. The luncheon was organized by Jodie Finklea, and the ladies of the church fed over 100 people. All of the members of the Ministerial Alliance attended to honor their colleague. Carole Thorp wrote and read a poem as a tribute to Monte and Virginia, and the food was wonderful. Do you have to be a good cook to join that church?

Guggle Thorp and Dorothy Harrell have been tapping their toes in Branson, Mo. They went with a large group, several from Eldorado.

Jeri Wallace had pecan pie for the Thursday club. Guests were Gail Cade and Peggy Street.

Glen and Rosalea Richardson, Carol and Tuffy Whitehead and many other friends and relatives can be found most Thursdays at the Ozona 7th grade football games. It is hard to believe that Clay Richardson is old enough to be playing ball.

Chelsea Lou Campbell was two this week. She had a celebration with grandparents, friends and neighbors. The last time she was "dining out" at Square's, she was being very friendly with other customers. When someone would come by the table Chelsea Lou would say, "Please, come sit by me!". Happy Birthday, Chelsea Lou!

Planning a trip to New York are some of Sutton County's mohair producers and retailers. Precia Miller has organized the trip. Those planning to attend from Sonora are Martha Wallace, Jeri Wallace, Jane Wallace Rushing, Wanda and Durwood Neville, Ruth Shirley, Ruth Espy, Kelly Cahill, Carolyn Earwood, Cindy Hayes and Janell Sparks. The group will attend some of the market, some Broadway shows, and have time for shopping and sight-seeing.

Doris and Norm Rousselot are back from a trip to Spain. Joyce Mayer traveled with them.

Sammie Espy was in town last week visiting great grand son Sam Houston. She played some golf and visited with friends. We miss her, but our loss is Horseshoe Bay's gain.

Jack and Rita (Marguerite Howell) Allen will be in Horseshoe Bay most of January, February, and March. These are the months that are so unpleasant in the Texas Panhandle. Their solution is to come south and escape the cold, windy days in Amarillo and Perryton. Jack loves to play golf, so Horseshoe Bay is a good choice. Edith Babcock is another Sonora native who is now living at Horseshoe Bay.

The Halloween Dance Club had their annual bash Saturday night. All reports indicate that they had one of the best bands around. They had a large crowd, good music, and wonderful food. Everyone seemed to have a good time.

The Bloodworth Ranch was the scene of a Masonic gathering last Saturday. At least once a year, the Masons try to have an outdoor ceremony. This year they had an all night camp-out with their program. The event was held in what is now being called Masonic Canyon at the Bloodworth Ranch.

Lena Belle Ross has had house guests this week. Daughter Katheryn was here and "almost" daughter, Sarah Lou Hardy Burrowes was visiting also.

Joe David and Francis Ross joined neighbors and friends to celebrate the first birthday of Mary's son Ross. They gathered at the Ross Ranch Sunday afternoon.

Word from Bobbye Thompson says that she is almost ready to come home. The doctor's are even talking about releasing her.

One of the best shows in town is Tim Robert's performance down by the Ol' Sonora Trading Post. You can bring your horses in and Tim will fit them in new shoes. If you haven't seen a really good ferrier at work, you should stop by and watch. I understand that he has been known to tell a joke or two as he works. Stop by; you will enjoy it.

With the win over Big Lake, the Broncos are assured of a chance in the playoffs. Did you see the balloons Friday night? Canada will wonder what has hit them when a thousand balloons drift over. It was a spectacular sight!

Did the time change bother you? Probably not if you are an adaptable person, you can keep up with things like that. I am reminded of a question once asked Yogi Berra. Someone said, "What time is it, Yogi?" Yogi answered, "Do you mean now?"

## SENIOR CENTER HOSTED HALLOWEEN PARTY

Freddy Kruger a.k.a. Kathleen Moore is pictured above with Charles Graves during the Halloween party that was held at the Sutton County Senior Center on Monday, October 31st.

The Senior Center hosted a Halloween party Monday, October 31, 1994. Awards were given for costumes. Eulogia Flores had the funniest costume and she won a meal for two from Rosie's Cafe. Maria Leya was most original. She will receive a shampoo and set from Mary Lou Jimenez. Cathleen Moore was the spookiest and won a dust powder set from Westerman Drug. Manuela Arteaga was named honorable mention and won a hair cut from Perez's Barber Shop. The Senior Center thanks the judges, Charles Graves, Adelita Smalling and Maura Weingart. Also, many thanks to the Busy Bee's Day Care Center. "The children were real good, we always enjoy their programs," said Juanita Mesa.

## MOHAIR COUNCIL TO HOLD EXECUTIVE COMMITTEE MEETING

The Mohair Council of America will hold its Executive Committee Meeting at 10:00 a.m. Thursday, November 10, 1994. The meeting will be at the Fairground Park Building, Kerrville Highway 377 in Rocksprings.

Jeffrey Sutton, president of the Mohair Council, urges all mohair producers and persons with an interest in the U.S. mohair industry to attend. Chief item on the agenda will be discussion of the 1995 Farm Bill. The Executive Committee will look at the available options and then decide on a course of action. President Sutton and the officers encourage grower participation during this meeting in Rocksprings on November 10th.

In addition, reports will be given on the Market Survey trip to the United Kingdom; promotion effort in Hong Kong; International Fabric Show in New York; Naturally Texas Fall Fashion Show; upcoming Italian promotion; and visit to Ohio/Michigan producers.

A full morning's activities have been planned. Mohair Council officers, Pres. Jeffrey Sutton, V.P. Layton Black, and Sec./Treas. Lanny Leinweber invite and encourage all mohair producers to attend.

For further information regarding the meeting, contact the council office in San Angelo at 915-655-3161.

## TAGD QUARTERLY MEETING HELD

submitted by SCUGW

The Texas Alliance of Groundwater Districts (TAGD) held their quarterly meeting in Brady, Texas October 3-5, 1994.

At this meeting, the Committee agreed to research several issues to be brought before the 1995 State Legislature. Among those are the following issues:

- Recodification of Chapter 52 water districts into a new chapter of the Texas Water Code; Title 2, State Water Administration, Subtitle E, Groundwater Management:

- to create a plugging fund for the proper closure of abandoned water wells;
- to increase the funding for groundwater data acquisition and management;
- to provide additional funding for the Wellhead Protection Program;
- that TNRC Commissioners be increased from 3 to 6 and that their appointments come from different geographical areas of the state.

They are also preparing a resolution to:

- Texas Parks and Wildlife Department opposing the red fox and the Arkansas river shiner being listed on the USFWS Endangered Species Listing.

The meeting also included a water quality testing seminar and a tour of the Roddie Wool Scouring Plant. Speakers for the seminar were Dr. Dale Pennington, Texas A&M University Soil Chemist; Terry Smith, Hach Company Representative, Loveland, CO; Phil Nordstrom, TWDB, Austin; and Margaret Hart, Groundwater Section TNRC.

TAGD is made up of groundwater districts located throughout the state. They hold quarterly meeting and work shops to help keep their members informed and up to date on issues that affect groundwater.

## SBA OFFERS LOW-INTEREST DISASTER LOANS

Businesses in Sutton County have until November 17, 1994 to file applications for low-interest disaster loans from the U.S. Small Business Administration (SBA). The SBA's Economic Injury Disaster Loans are available for businesses dependent on farmers and ranchers sustaining crop losses from drought which occurred July 1, 1993 and continuing. Farmers and ranchers are not eligible for these SBA loans. However, nurseries that are victims of drought disasters can apply. Applications and further information can be obtained by calling the SBA at 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired.

These loans are intended to assist businesses in offsetting working capital losses which they suffered as a result of the drought reducing the crop income of the area farmers and ranchers. Small businesses claiming to have been physically injured by the drought are not eligible.

## CUB SCOUT NEWS

by Maria Miller

The Cub Scouts participated in a "Flag Raising Ceremony" Friday, October 28, 1994 before the Sonora - Reagan County football game. All the scouts did a wonderful job and we are very proud of these boys.

Also on Saturday, October 29, the cubs participated in a bicycle safety course in the parking lot of the First United Methodist Church with the guidance of police officer Mike Routh and officer Jim Garrett along with cub master Calloway Hall. Following was the pack meeting where all the boys received awards for various scouting activities. "Keep up the good work guys".

We would like to sincerely thank the First United Methodist Church for the use of their facilities, and officers Mike Routh and Jim Garrett for assisting in the Bicycle Safety course. We appreciate your continuing support.

The Annual "Scouting for Food" drive has been scheduled for Saturday, November 12, 1994 from 9:00 a.m. to 1:00 p.m.

The scouts will be out in all the neighborhoods collecting any non perishable items that you would like to donate. All the items collected will be distributed to area churches.

We appreciate all the support from our community.

## BUNKO CLUB MEETS

The Bunko Club met Thursday, October 20, 1994 at Madlyn Lee's house for a costume party. Winners were selected in three categories. Mandy Turk won the scariest costume, Faye Thorp was funniest, and Brenda Solis received most original.

The players are Paulette Glenn, Jimmy Sue Harris-Griffith, Richard Harris, Madlyn Lee, Wilma Patrick, Carmen Sanchez, Brenda Solis, Faye Thorp, Nelda Tobias, Mandy Turk, Ann Underwood, and Sandra Warford.

## 4-H COOKING CLASS TOURS PIZZA HUT

The 4-H Cooking Class 3 met at Pizza Hut Monday, October 24, 1994. The meeting began with a tour of the kitchen. Afterwards, each member prepared an individual pizza. Members learned that pizza is not junk food. Pizza has lots of good nutrients.

In their remaining meetings, the class will make caramel apples and decorate cupcakes. The next meeting will be November 7 from 5:30 p.m. to 7:00 p.m. at the First Baptist Church.

## J.V. RUNS OVER REAGAN COUNTY, 42-12

by Lewis Allen

Sonora's junior varsity Broncos returned the opening kick off for a touchdown and never looked back in their 42-12 drubbing of Reagan County in Big Lake last Thursday.

Chad Gibson took the kick off on the 20, found a crease right through the center of the field, then outran all pursuers to the goal line. A quarter back keep by Gibson scored the 2 point conversion, and the JV Broncos were up 8-0 after only 15 seconds.

Sonora's defense held the Owls, who punted to the Bronco 16. A 7 yard loss put the ball on Sonora's own 9. Fate intervened at that point. Gibson's desperation pass toward Kris Wood was tipped right into the arms of Walker Wallace, who scampered down the right sideline for 91 yards. Stephen Gandar bulled over for the conversion.

The thunderstruck Owls never threatened after that.

After a Big Lake drive stalled at the Sonora 31, thanks in part to aggressive tackling by Nick Theaux, the Broncos marched crisply downfield on runs by Gandar and Anthony Gibson. At the Reagan County 5, the Broncos were flagged for two straight holding calls. From the 25, Chad Gibson rolled right and lofted a pass to Kris Wood, who had run a flag pattern to the right corner of the end zone. The score was 22-0 with 8:35 remaining in the half.

Big Lake returned the ensuing kick off to Sonora's 34 yard line. Three plays later, from the 17, the Owl wing back took a reverse around right end for their first score. The conversion attempt was snuffed as John Paul Hudman intercepted the pass in the end zone.

Reagan County's on side kick attempt backfired. The ball rolled out of bounds on Sonora's 48. A shuttle pass to Wallace lost 10 yards. With 3rd and 19 from the 39, Chad Gibson hit a flying Thomas Hunt with a pass at the 50. Hunt took it all the way to the Owl 12 yard line before being dragged down. Anthony Gibson plowed to the 1 on the next play. A pitch back to Gandar hit his chest, fell to the ground and bounced back into his hands. Without breaking stride Gandar smashed into the end zone, bringing the score to 28-6. The conversion attempt failed.

After a fumble by Big Lake, Gibson was picked off by Flores of Reagan County, who was hauled down by Michael McReynolds on the Owls' 46. A desperation pass from that point hit pay dirt with 42 seconds remaining in the half. That ended the scoring for the half, and Reagan County's scoring for the game.

A short run on Reagan County's first possession of the second half left Sonora in possession on the Owl 36. Gandar picked up 5, then Wallace reversed for a first down at the 25. From there Anthony Gibson bounced off a left tackle for the score. Chad Gibson kept for the conversion and Sonora was up 36-12.

Following a Big Lake drive that stalled out on the Bronco 36, Sonora began a steady 14 play drive that resulted in a one yard plunge by Anthony Mungia for the touchdown. The conversion attempt failed.

Leading rusher for the Broncos was Stephen Gandar, with 96 yards on 9 carries. Anthony Gibson carried 7 times for 67 yards; Chad Gibson 4 for 13; Walker Wallace, 3 for 14; Anthony Mungia, 5 carries for 12 yards; Jason Jacoby 3 for 14; and Enrique Lopez, 4 for 16 yards. Chad Gibson was 5 of 12 in passing for 160 yards, with 2 interceptions.

Defensively, Michael McReynolds, Curt Dempsey, Anthony Mungia, Shiloh Sykes, Josh Hunt, Thomas Hunt, and Kris Wood had an excellent game. The strong kicking of Scott Perez complemented his steady play on both sides of the line.

## 7TH GRADE COLTS DEFEAT GRAPE CREEK

by Bryce Williams

The Sonora Colts played an excellent game against the Grape Creek Eagles on October 20 in Grape Creek. Graham Bloodworth passed to Mikey Solis for a 21 yard touchdown and the 2 point afterwards put the Colts up 8-0.

Later in the game, Joseph Hopkins plunged in for a 2 yard touchdown and with a 2 point conversion the Colts were up 16-0.

The defense also played very well all game long. Brady Lock, Carlos Sanchez, Mikey Solis, Alan Nicolas, and Andy Sanchez all made good plays and tackles on defense. Andy also had a blocked punt that was recovered by Josh Payton. The Colts went on to win 16-6.

## 7TH GRADE COLTS FALL TO OWLS 12-0

by Jacob Percifull

The 7th grade Colts used a tough defense, but were unable to pull out a win against Reagan County. The Colts were led defensively by Andy Sanchez and Bobby Salinas with 3 tackles each. There were 13 other Colts with at least 1 tackle a piece.

Offensively the Colts were led by Edgar Gonzales who rushed 13 times for 90 yards and Carlos Sanchez who rushed 4 times for 11 yards. Graham Bloodworth completed two of five passes for 11 yards. Alan Nicholas caught 1 pass for 9 yards.

The colts will play their last game Thursday against the Ozona Lions in Ozona at 5:00 p.m.

## 8TH GRADE COLTS DEFEAT REAGAN COUNTY OWLS

submitted by 8th grade coaching staff

The 8th grade Colts football team continued their winning ways with their victory over the Reagan County Owls, 6-0. The defense, coached by Thomas Hanson, played very well in each of the four quarters. They played well as a unit as several Colts were always around the ball, and this was exemplified in stopping an excellent tail back from Reagan County.

The offense played well under the leadership of Tanner Fields. Reagan County's defense was aggressive and fast. Our offensive line did a good job of adjusting to their type of defensive fronts. The game's only score came on a 61 yard run by Anthony Renfro.

## BRONCOS OVERPOWER REAGAN COUNTY

Continued from Page 1

To be perfectly honest, the remainder of the first half was a terribly ugly and very forgettable affair. Marred by persistent and nagging penalties, both teams were unable to mount substantive threats, and the teams slugged it out in the middle of the field without going much of anywhere. The Bronco defense, led by Pool, Deel, Banda, House, and Morley, played well and controlled the line against the Owls, but the Bronco offense could not capitalize even when given good field position due to holding, illegal procedure, and unsportsmanlike conduct penalties. The half ended 14-3, and Bronco hopes for a playoff berth were much brighter than they'd been as the game began.

The Bronco defense again came out and established their dominance as the second half began. After a 3-and-out series from the Bronco offense, Reagan County took the ball at the Sonora 45 and mounted a serious threat to get into the Sonora end zone and change the whole complexion of the game as the 2nd half began. The Owls had to fight for every yard from a scrappy Bronco defense, led this quarter by Gabriel Perez, Jesse Capuchina, Trini Banda, and Josh Burnham. The Owls were able to drive to the Bronco 25 before the Broncos made a stand, and on 4th & 13 the Owls attempted another long field goal. Levi Pool, springing through the middle of the Reagan County line, blocked the punt and took some of the wind out of Reagan County's sails.

Sonora's offense was frustrated on its next drive. Vara and Morley continued to pound the ball into the Reagan County defense after taking possession of the ball at the

Sonora 33 yard line. Moving came off this Bronco drive. The exchange from center was fumbled on 3rd & 4 from the 8, and on 4th & 4 Vara was unable to break through the line and was stopped short of the first down marker.

Reagan County's offense, taking over at its own 8 yard line, mounted an impressive drive against the Bronco reserves, put into the game for experience that may come in handy as the playoffs approach. The Owls drove the field, but with a time-consuming drive that did not allow them a chance to score again, even though they were successful in punching through the Bronco defenders for a touchdown, making the final score 20-10, even the game was never close and the Broncos dominated throughout. Adrian Mata, Joel Salazar, and Peter Noriega played well on defense during this last drive.

The Broncos outplayed a team that entered the game with a great deal of confidence and a recent history of knocking the Broncos out of the playoff picture. The Broncos have played well and displayed significant character throughout the year; their regular season ends at Crane this year, and even though the game is not a must-win situation for the Broncos, a win would certainly help maintain momentum going into the playoffs, and build already high confidence on the Bronco team. The game begins at 7:30 in Crane, and the playoff-bound Broncos would like to see you there.

Congratulations, Broncos. Respect was denied you as the season began, but you earned it the right way, playing hard and winning close ball games. Good luck this Friday and in the state playoffs. The ball to the Owl 45, Morley finally broke free over the right

side of the Bronco offensive line, rambling to the Owl 25 yard line, but the ball was stripped skillfully from his arms, and Reagan County recovered at its own 25. The Bronco defense, taking over where the offense left off, stuffed the Owl offense through excellent plays by Pool and Massey, and on 3rd & 15 the Owls again went to the air, this time coming up empty as Andy Mirike intercepted the ball and ran it back deep into Owl territory.

The Bronco offense, taking the ball and the momentum at the Reagan County 35, and aided by a personal foul penalty against Reagan County, moved rapidly to the Owl 14 yard line, where Morley, in a twisting, hammering run into the end zone, put the Broncos ahead 20-3 and, for all intents and purposes, squashing any hopes the Owls had of coming back to win the game.

Reagan County tried valiantly to come back. Excellent defensive plays by Cody Gann, Gabriel Perez, and Levi Pool stopped the Owl offense and frustrated their efforts to move the ball down the field.

The following two series saw the Owls and Broncos exchange fumbles, being equally generous to each other, but no moving the ball very far either direction. Reagan County's fumble, recovered by Levi Pool with 9:22 remaining in the 4th quarter, all but sealed the game for the Broncos. The Bronco offense took the field and accumulated four first downs and running a great deal of time off the clock before allowing the Owls to get their hands on the ball again. Vara, Morley, and Perez hammered the ball at the Owl defense, running the ball down to the Reagan County 14 yard line, and from there the wheels

### VFW To Hold Meeting In Sonora

Joe Blackwell, Deputy Chief of Staff of District 22 of the Veterans of Foreign Wars will be in Sonora Friday, November 4, 1994. The meeting will be at the Fire Station Hall at 8:00 a.m. The purpose of the meeting is to organize the Ladies Auxiliary to the Veterans of Foreign Wars. The wives, now serving the Veterans of Foreign Wars Post, will be eligible to join the Auxiliary. Those who wish to be on the charter of the Auxiliary, please bring a copy of your husbands; father, brother or sister's discharge. A DD214 should be on the back of the discharge. If you just have the DD214, you would have had to be in the foreign battle on land or sea during either World War I, World War II, Korean, Vietnam, or Desert Storm.

For eligibility requirements, please contact Edith Bradley in San Angelo at 915-651-5633.

### CHRISTIAN SCIENTISTS PROMOTE BOOK

submitted by Norm Rousselot

Long before books highlighting the mind and body connection skyrocketed to the top of the national bestseller list, a remarkable nineteenth century woman, Mary Baker Eddy, explored Mind's power to heal in *Science and Health with Key to the Scriptures*. Written and first published in 1875, *Science and Health* has sold over eight million copies. Heart to heart, it has aided countless individuals in their search for spiritual and physical well-being.

People today continue to search for spiritual solutions. As *U.S. News and World Report* observed last spring, "Call it a spiritual renaissance. Call it a desperate search for purpose in a troubled age. Call it New Age Yearning hitting mainstream publishing. Whatever the explanation, a swelling number of American readers are becoming spiritual seekers of sorts, turning out like never before to devour books that promise insights into the meaning of life."

In response to the increased demand for moral and philosophic writings grappling with spirituality in a modern and scientific age, The Publisher of the Writings of Mary Baker Eddy (The Christian Science Publishing Society) will release an important new edition of *Science and Health with Key to the Scriptures* on October 1, 1994 (\$18).

The author, Mary Baker Eddy, has been called one of the most significant contributors to the history of humankind's religious and spiritual development. Clara Barton, the founder of the Red Cross, said of Mrs. Eddy, "love permeates all the teachings of this great woman - so great I believe that at this perspective we can hardly realize how great."

Born in 1821 on a small farm in New Hampshire, Mrs. Eddy overcame many obstacles in her life - including chronic illness - and went on to establish a modern religion, Christian Science, one of the major world religions indigenous to the United States. At the age of 88, she founded an international newspaper, *The Christian Science Monitor*.

The method of healing described in *Science and Health* has proven to be an effective method of healing for more than 125 years. Unlike psychotherapy or faith healing, Christian Science relies on spiritual laws which govern the human experience. Moral regeneration is its primary concern, although it is perhaps best known for healing physical problems. Christian Science treatment is covered by many major insurance companies, by Medicare and Medicaid, and is recognized by the IRS as a deductible expense.

The Junction Stockyard's sale Friday, October 21, 1994 resulted in the sale of 222 head of cattle. Choice calves were mostly higher. Plainer calves and yearlings were steady. Packer cows were also steady.

The goat and sheep sale was held Monday, October 24. Eight thousand seven hundred and eleven goats and sheep were sold. Lambs were steady. Slaughter ewe and bucks sold steady as did slaughter Angora. Stocker Angora kids were \$3 to \$5 higher. Spanish goats sold mostly \$3 to \$5 lower.

A Message from J. Ken Nunley

BOARD CERTIFIED STATE BAR OF TEXAS

On Election Day, November the 8th, you will have the opportunity to vote for six places on the Fourth Court of Appeals. This district starts in Menard, Sutton and Mason counties and goes down to Starr county even though the bench is located in San Antonio, Texas. This election is extremely important to you because the Fourth Court of Appeals is the Court to which all of Judge Brock Jones, Jr.'s decisions are appealed. Should you be involved in any type of litigation, whether it be a **divorce, a business dispute, an injury case, or a criminal case**, if you are dissatisfied with the result in your District Court, you will then take your case to the Fourth Court of Appeals. Of all the cases brought before this Court, only ten percent are then appealed to a higher court. That is why this is such an important election and why you and I must elect qualified and fair jurists to these 6 different Places.

I have never made a public endorsement of any judicial candidate in my 18 year legal career, but I feel it is extremely important that the citizens of this County understand the **significance of their votes in this particular election**. I have practiced law for eighteen years, representing both plaintiffs and defendants and have tried numerous

lawsuits in Sonora. I have many friends and clients in Sutton County. Of course most of you have never heard of me and hopefully have never required the services of any lawyer for the purpose of going to the courthouse. However, the decisions that are made in the 4th court of Appeals affect everyone. No one ever wants to go to court but if you are violated, and you do find yourself in Court, you want the most fair, most honest and smartest Judges reviewing your case. To the left are the most qualified candidates for each place on the Fourth Court of Appeals. I am not alone in my recommendations to you and if you have an attorney or someone who is familiar with the workings of a trial court I suggest you get their recommendations also.

None of these individuals has asked for my endorsement and I am publishing this ad at my own expense. I have involved myself in these races, because I know the difference that experience and fairness can make between judges, and if I, and others who do know the difference, don't get involved, ultimately my clients and all of us will suffer. If you have any questions about any of these candidates, please call me at:  
 1- (210) 816-3333  
 and I will attempt to answer any questions.

## NOTICE OF HEARING

### Sutton County Underground Water Conservation District

An application dated September 26, 1994 for a permit to drill a water well (District Rule 4.001 and Subchapter E, Section 52.168 Texas Water Code) has been received by Mr. Tracy Crites, 209 Hudspeth, Sonora, Texas. Mr. Crites has also requested an exception to the water well spacing regulations (District Rule 4.013 and Subchapter E, Section 52.169 Texas Water Code). Site of proposed well is approximately one-half (1/2) mile northeast of the intersection of Hwy. 277 S. and St. Ann's Street on a certain tract of land described as follows:

**SURFACE ESTATE ONLY** in and to that certain 24.06 acres of land out of Survey No. 85 and Survey No. 54, Block B, H.E. & W.T. RR Co., Sutton County, Texas, and being out of and a part of the North portion of a 42.85 acre tract described by deed to Bryan Hunt as recorded in Volume 73, page 478, Deed Records, Sutton County, Texas, and also being out of a part of the 6.99 acre tract described by deed to James Hunt as recorded in Volume 138, page 205, Deed Records, Sutton County, Texas.

As per District Rule 4.014(c). Exception to Spacing Rule, such exception may be granted ten (10) days after written notice has been given to the applicant and all adjoining owners and all well owners within one-half (1/2) mile of the proposed location and after public hearing at which all interested parties may appear and be heard and after the Board has decided that an exception should be granted. Provided, however, that if all such owners execute waivers in writing stating that they do not object to the granting of such exception, the Board may thereupon proceed to decide upon the granting or refusing of such application without notice of hearing except to the applicant. The applicant may also waive notice or hearing or both.

The hearing will be held **November 10, 1994 at 5:00 p.m. at the Sutton County Courthouse Annex.** All adjoining land owners/well owners within one-half (1/2) mile and any other interested parties are invited to attend.

Anyone wishing to protest or oppose should refer to District Rule 4.007 Rules Governing Protests. **All protests must be received in the Sutton County Underground Water**

# REACH HIGHER

We're Schwan's Sales -- a stable and progressive frozen foods manufacturer that is currently seeking self-motivated and energetic individuals for positions in route sales.

Successful route sales candidates will possess a good driving record and must be at least 21 years of age. Experience in sales highly beneficial but not required.

Schwan's offers excellent benefits including high commissions, profit sharing, group insurance, paid vacations and realistic opportunities for advancement. If you're the person we are looking for and are hired, we will meet or exceed your existing pay while in training.

At Schwan's Sales, not only do we encourage you to reach higher, we expect you to!

For interview appointment call 1-800-437-2068.
