## REHAB TELETHON SCHEDULED

submitted by Kyle and Lori Nunn, Coordinators

Last January 8, the community of Sonora contributed \$6,890 to the annual Rehabilitation telethon. Through that project, local donors helped make a difference in the lives of disabled children and adults who relied on Rehabilitation for top quality care. More than 60 of whom were from Sutton County.

The local goal this year is \$7,000. The phone bank will be set up January 14, 1995 at First National Bank from 7:00 to 11:00 p.m. during the television special. Everyone is welcome to go by that night with a donation and visit with phone bank volunteers or call that night for a volunteer to pick up the donation. Names of advance donors will be published prior to the telethon in the *Devil's River News* and the *Sutton County Leader* and will be displayed on KLST-TV during the January 14 telethon.

The community's contributions will help make this year's telethon the best ever and more important, a difference will be made to the Rehabilitation Center. Just as the Rehabilitation Center makes a difference to all of Sutton County.

For more information contact Kyle or Lori Nunn.

## FIRE AT INTRATEX COMPRESSOR STATION

A fire occurred Tuesday, January 3, 1995 at a local Intratex natural gas compressor station. The fire was extinguished at approximately 10:15 a.m. The flame was isolated to one area in the station. As of Wednesday, an incident response team from Houston was at the site to perform a thorough investigation. Intratex Gas spokeswoman, Elaine McCasland, stated that preliminary indications are that the compressor station will be back in service in approximately five days or less.

James "Tip" Finley, 48, of Eldorado was injured in the fire. He was stabilized at Shannon Hospital in San Angelo before being transferred to Brook Army Medical Center in San Antonio. Ms. McCasland stated that the company is sorry for the happening and they are ready to assist the Finley family.

A friend of the Finley family reported that Tip has third degree burns on his chest and second degree on his face. A representative of the Brook Army burn unit said he is in serious but stable condition.

According to Fire Chief, Carl Teaff, Dick Herschap of Sonora was slightly hurt in the incident. Mr. Herschap remained at Hudspeth Memorial Hospital Tuesday night for observation.

## VARSITY BOYS COMPETE IN HOLIDAY TOURNAMENT

by Coach Jay Hufstedler

The varsity boys won two of four games over the holiday period. The Broncos defeated Ozona 54-52 in the opening game of the Reagan County Tournament, December 27, 1994. Leading scorers were Caleb Barker - 12 points, J.P. Hudman - 9, Curt Dempsey - 8, Josh Burnham - 6, and Hadley Smith - 6. Smith and Barker led the team in assists with three each. Leading rebounders were Dempsey - 8, and Jason Morley - 6. Barker led the team in steals with 3.

It was a very well played game by the Broncos for four quarters. Curt Dempsey connected on a three point shot with under a minute left in the game and it turned out to be the game winning shot. I was excited to see Curt hit such a pressure shot. It could not have happened to a finer young man as he is one of our top students in school. He was in the gym, playing and shooting every time the doors were open this summer. It proves that hours spent in the gym on one's own time will pay dividends during basketball season.

John Jones, Burnham, Morley, and Dempsey did a fine job on the boards and keeping Ozona from getting second shots. Hudman also helped inside and played excellent defense on Ozona's post players. Casey Fitzgerald, who was playing in his last game, due to shoulder surgery, played well coming off the bench in the first half. Justin House had his best game of the year and has improved each game. This was a big win for our confidence. These young men deserved to beat Ozona in that they have overcome adversity and distractions this season.

The Broncos were defeated by Big Lake 69-49, December 29, 1994. We played a good first half and were down only one point at halftime. However, we shot poorly the third quarter and Jesse Lozano from Big Lake played excellent. He is picked as one of the top ten players in 3A in Texas by *Lone Star Basketball Magazine* and he showed why in the second half. Despite the loss we feel we can defeat them in district. Smith was high point for the Broncos with 15 points.

The Bronco Varsity Boys were defeated by an excellent Robert Lee team 80-49, December 30, 1994. This game decided third place. Robert Lee frustrated us with excellent full court and half court pressure. We played poorly the first half but came back in the second half and made the game respectable. Barker scored 14 points to lead all scorers for the Broncos. Barker connected on four 3 point shots in the second half. Caleb (sophomore) played his best three games of the year in the Reagan County Tournament, and he was selected to the All-Tournament team. All of us were excited for Caleb to receive this well deserved award.

December 31, the boys overcame an early eleven point deficit in defeating the Mason Punchers in Mason, 66-62. The Broncos

outscored the Punchers by nine points in the second half in overcoming a five point halftime deficit. I was very proud of these young men coming from behind and showing a lot of heart and calmness in taking control of the game. We are learning how to win close games and this confidence will pay off in district games. I was especially impressed with the play of Hadley Smith with 34 points. J.P. Hudman had 9 rebounds, 3 steals, and 9 points; Josh Burnham - 9 rebounds and 11 points.

Smith scored more points (34) in a high school basketball game; more than any other player I have ever coached. Burnham had a great all-around game and J.P. Hudman did a great job on the board. Hudman has really matured and "stepped up" this year in filling a starting role. He can play just about any position for us and has excellent basketball skills.

Scoring leaders were Smith - 34, Burnham - 11, and Hudman - 9. Caleb Barker led the team in assists with 4. Jason Morley, John Jones, and Curt Dempsey played good defense the second half. Justin House came off the bench during crucial times in the game and handled the ball well and connected on a big 3 point shot and a pressure free throw.

## FRESHMAN BOYS BASKETBALL

by Coach Heryford

The Freshman Broncos lost to Mason 47-37, Saturday, December 31, 1994. Due to holiday absences the Broncos played only 5 players and finished the game with only four. The team accepted the challenge. They kept the game exciting throughout and actually outscored the Punchers 13-6 in the fourth quarter.

Individual scorers included: Drew Dempsey - 13. Fernie Emiliano - 9, Cesar Lomas - 7, Justin Morley - 6, and Zach Ramos - 2.

## J.V. FIGHTS HARD

by Coach Heryford

The J.V. Broncos lost a close one to Mason 48-47, Saturday, December 31, 1994. Individual scorers included: Andy Mirike - 16, Shiloh Sykes - 10, Chad Gibson - 8, Ramon Ranier - 4, Robert Teaff - 4, Thomas Hunt - 3, and David Fisher - 2.

The Broncos are 5-5 entering 1995. They have lost three games by 1 point, Ozona, Water Valley, and Mason; one game by 4 points, Wall, and one game by 9 points, Mason. They are playing good basketball and hope to make their record show it in the new year.

Belia Castaneda was sworn as County Commissioner by Judge Carla Garner on Wednesday, December 28th. Belia was elected in the local Election held in May.

## UPDATE ON RANCH EXPLOSION

Jerry Galow, attorney for the Giller family that was involved in an explosion on the Powers' ranch, reported that the father Don Giller died December 25, 1994. His son, who also received burns, is recovering and will probably survive, according to Mr. Galow.

Not representing the Cooper family, Mr. Galow, also reported that Chris Cooper died December 23, 1994. He is survived by his wife and child.

Mr. Galow also stated, "Claire and her brother have sued for damaging the cabin."

HISTORY OF THE LUTHERAN CHURCH

by Fred Darkow

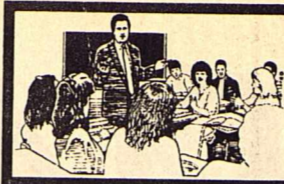

This begins a series of articles on the Lutheran Church that people might understand it better since it is less known in Southwest Texas. First, we consider its history. The Lutheran Church was a historical accident. It was born out of a search for a "forgiving God" and a "spiritual peace of mind" by a loyal priest, Martin Luther. His search led him deeper into the Bible and prayer. It ended in nailing the 95 theses (on what he believed was wrong with the church) on the Wittenburg Church door hoping to cleanse the church from within. The papal bull of 1521 rejected his attempt to revive the church, labeled him as a heretic and excommunicated him from the official church.

Luther was out of the church but his 95 theses were out in the hands of the common people. His beliefs spread like wildfire with the invention of the printing press. Those who agreed with him were called "Lutherans" by the official church. Luther objected saying, "Please do not call yourselves Lutheran but Christian".

This was the beginning of the Reformation, the Protestant and the Lutheran Church. Luther's loyalty to "What Does The Bible Say" led him to keep things that were Scripturally correct and change things that were not in accordance with the Bible. He not only wrote the 95 theses but formulated Christian doctrine in the form of a catechism, especially for the common people and children.

Luther's loyalty to the Bible led him to formulate distinctive beliefs which will be presented in future articles.

This week Hope Lutheran Church will begin a Sunday School and Adult Bible Study on "What Does the Bible Say" at 10:00 a.m. and a Worship Service where the sermon will be on, "The Only Church Where Everyone Go To Heaven". Come and see and ask questions. There will also be a Weekday School for children Kindergarten to Sixth grade from 3:00 - 5:00 p.m. In the evening adults will consider four reasons evolutionists can not tell how old the world is and study Biblical creation. Come and bring your Bible.

Lonely is the home without you, Life to us is not the same; All the world would be like heaven, If we could have you back again.

A light is from our household gone, A voice we loved is still, A place is vacant in our home, That never can be filled.

May the God of Love and Mercy, Care our loved one who is gone, And bless with consolation, Those left to carry on.

The happy hours we once enjoyed, How sweet their memory still, But death has left a vacant place, This world can never fill.

How dearly we loved you, And prayed you might live, But Jesus just beckoned, And we had to give.

God gave us strength to bear it, And courage to fight the blow, What it has meant to lose, God alone will ever know.

We will meet you in Heaven, We Love and Miss You. Your Family

# Valiant Effort

by Marti McLain

HAPPY NEW YEAR! I hope that you have had your fill of football games, parades, black-eyed peas, and celebrating. Let's hope that the new year is filled with healing and hope for all.

If you make any New Year's resolutions, please write them down. You will be surprised by them next year.

Family trips and family Christmas celebrations made the holidays wonderful, but I think this was Sonora's finest year for Christmas Decorations. Maybe we should bring back some prizes and contests for lighting. Each year as lights are added, the courthouse looks better and better. We should soon be attracting people from other communities.

Off to sunny Cancun, Mexico, were Doris and Norm Rousselot. They met daughter Renee and her husband at the resort. Mark and Mallory Rousselot and children joined the family for fun in the sun at Christmas.

Cynthia and Albert Ward treated their children and grandchildren to a trip to Disney World in Florida for Christmas. Cathy and Sarah Ball were joined by the Holders: Kelley, Ralph, Rachel, and her twin brothers for the trip. Gus Ward's family, Jerilyn, Casey, and Daniel also went along for the holiday. Plans were made well in advance so that there would be time to do it all.

Cusenbary's, Joan and Jim, have solved the problem of which daughter to visit on Christmas Day. They left for California a week before Christmas to visit daughter Kelley. They have Santa Claus and Christmas breakfast with Kelley's family, get on a plane to San Antonio, and arrive in time for a Christmas supper with Susan's family.

W.B. and Lucille McMillan were in Midland the week before Christmas to attend the presentation ball of granddaughter Lindsey McMillan at the Petroleum Club. Selected as a debutante by the Minuet Club in Midland, Lindsey made her formal debut at a ball with a shimmering white snow theme created by a Dallas designer. The glittering ballroom at the Petroleum Club was turned into a shining, glistening snow scene, with everything covered in frothy white and silver glitter. The following evening Lindsey and several other debs were honored with a ball given by their parents at the ballroom of Midland Country Club. This is Dick McMillan's second debutante daughter. Lindsey is following in the footsteps of Kirstin McMillan, who was presented at last year's debutante ball. Lindsey is a junior and Kirsten is a senior at the University of the South in Swannee, Tennessee.

Two of the nicest parties of the Christmas season were Lura Sawyer's party for the ladies at the nursing home and the Hospital Auxiliary's party held at the nursing home for the patients. These two parties were given for those who were unable to get out and around for other Christmas parties. It means so much to the people who are unable to go as they once did. If you want help someone, you might join the Hospital Auxiliary and their good work, or just go by the nursing home and visit.

We still have several people ill in area hospitals who need our thoughts and prayers. Oscar Lee Carpenter is communicating some with his family, and he will soon be having speech therapy to help him recover.

Rena Elliott has managed to recover enough to leave ICU and has plans to go to Baptist Memorial Center for further recovery. She is enjoying visits and messages from her friends. She will be in either Concho Valley Community Hospital or at Baptist Memorial.

Joe Lane received good news from doctors recently. He is now allowed to put weight on his hip, five pounds only. He will progress slowly putting five pounds more each week. The best news is that the hip doesn't hurt when he puts weight on it. He has a new cast on his arm, one that he can take off and on. He still sleeps in it, but he can take it off to bathe the arm and get some circulation back. He has also gained five pounds. Sounds like he will be back to normal someday. He is really enjoying his visitors.

There seems to be no new news or no good news from J.W. Neville. Doctors are doing everything possible for him, but there has been little change. Time is all that can help now. Wanda and Durwood are taking turns with Mozelle at the hospital.

Bowl game fans were Jimmy, Kelly, and Chacho Cahill who went to Dallas with other friends to see the Red Raider football game. It would have been great if Texas Tech had played better.

Betsy Ross Builta was home for a Christmas visit with her family. Joe David and Francis had their sons and also a visit from daughter Mary and husband with grand son Ross.

Rosalie and Glen Richardson had football fans over for chili and beans, Mexican food, and football games on T.V. on New Year's Day. The group also saw pictures from the October trip to Alaska.

Bobbye Thompson has an infection in her foot from her long stay in the hospital and a crushed vertebrae from her fall on the kitchen floor. She has a home care nurse, who comes in the mornings. Pete is the nurse for the rest of the day. It is going to be a long healing process. In spite of her injuries, Bobbye and Pete went to Junction for New Year's Eve. They have frequently hosted a dance with a group of Junction couples, and they did again this year. Bobbye went in a wheel chair, and they had a great New Year's Eve. Her New Year's Resolution is to be healthy next year. Bobbye has been ill since July. Next year has to be better.

Martha and George Wallace had all of their family home, but not at the same time. Joe, Ginger, and children were here before Christmas and Drew, Lisa, and Grace Camille came home on Christmas Eve. David, Beth, Warren, and Wilson were in Sonora for Christmas Day and left the day after for Beth's home in Lafayette, LA.

It was great to see visitors in town. Elaine (Miears) and George Robertson were home for a visit. Kay (Kerbow) and Robert Kibble with son Derek were here from Pampa for some sunshine and a visit.

Smith, Jo Ella, and Chris Neal had visits from Denise, Kenneth, and Melissa Jo Austine from Tatum, New Mexico and from Eric, Lisa, Tori, and Tanner Neal from Abilene.

Doyle and Faye Morgan had guests, Kathy and Matt Davis and Christi and Wade Spain. Lalo and Tina Gonzales visited their children in Austin for a family Christmas.

It was good to see Candace (Cauthorn) Allert and son Adam in town for the holidays.

Mabel and Joseph had Jo Bess (VanderStucken) Jackson home for a visit. Joining them was Jo Bess' son, Joe and wife Linda with their children, Jimmy and Josette.

Jo Nell and Freddy Adkins were in Canton, Texas for Christmas with Jo Nell's daughter.

James and Jane Alexander had their entire family home for the holiday.

Jackie and Virgil Poloczek had a Christmas visit from son Mike and his wife April and daughter Kathy and her husband Bryan. They all came from the Dallas area.

Janet and Mark Levitan visited her daughter Nancy and her family in Hindsville, Arkansas.

Glen, Tami, and Sterling Love visited Tami's family in Hart, Texas.

Bill and Cynthia Keel visited Kristen in New Mexico.

Ron and Alice Cox enjoyed a visit from son Joel and daughter Carrie with her husband David Dunn.

Jamie and Carol Parker had all of their children and their families for Christmas Day celebration. Jamie's mother and her nurse from Odessa joined them.

New Year's Eve at the Sutton County Steak House was fun this year. Linda and Preston planned a beautiful buffet and made it possible for Sonora residents to see in the new year without having to drive many miles. The buffet included two kinds of oysters, two kinds of shrimp, prime rib, fresh white fish, home-made breads and a variety of vegetables and salads. Lucille and W.B. McMillan, Allie and Vestel Askew, and Lura Sawyer celebrated the New Year at the Steak House. Janice and Bob Caruthers, Sam and Monte Dillard, Randy and Bobby Doran, and Rex Ann Friess and Frank Speck from Menard opted to have New Year's Eve dinner in Sonora. The Tackles and McBrides also celebrated with a large group at the Steak House.

The Oliver Wuests celebrated an early Christmas with all of their children home. Oliver and Annabelle then left on a trip to see friends and relatives in the Fredericksburg and San Antonio area. They were home in time to see the New Year in at the Sutton County Steak House.

I just saw the pictures from an earlier holiday party. Barbara and Bill Savell had all of their children and grandchildren home for Thanksgiving. The morning after Thanksgiving was their 40th wedding anniversary. Their daughters-in-law baked a cake for them and decorated it with the bride and groom that had been on Barbara and Bill's wedding cake. When they got up on the morning of their anniversary, the table set with the cake as a centerpiece and wedding pictures displayed. It was a lovely surprise for the Savell's. I think that it must have been difficult to decorate a cake at Barbara's house without her knowing.

We put our daughter on the plane for San Francisco New Year's Eve morning in San Antonio. We had our Christmas with the Valliant's on the 29th. We will see Melinda next in May for her graduation from San Francisco Presbyterian Seminary. Baccalaureate is planned for Melinda's Birthday on May 19th with graduation on the 20th. She will be receiving a Master of Divinity. She is currently working with an interfaith council as a chaplain for the terminally ill. Good news for her during the holiday was she had no death messages while she was here.

We returned to Sonora in time to play bridge a George and Martha Wallace's home. We all managed to stay up late enough to see the new year arrive. Bishops won the prize for high and Jeri Wallace won the travel prize. We all enjoyed Mexican food and turtle cake.

Lena Belle Ross had the Tuesday evening bridge club at their house with King Ranch chicken casserole and hot rolls. The new year has begun and with it, the new bridge parties.

Have you read about the new Louisa Mae Alcott novel that has been found? It sounds wonderful. There is new interest in her work since the remake of the movie *Little Women*. This novel was rejected by publishers in post-Civil War America because it was too "sensational". It deals with a woman who runs away from an abusive husband and has numerous frightening adventures. It is supposed to be a novel that addresses several very current topics. I am looking forward to reading it.

Did you read about Christie Brinkley's wedding on a mountain top in Colorado? The reports said that she married in a beautiful designer gown made of MOHAIR. I didn't realize that she knew Jimmy Cahill.

## CFSA ANNOUNCES LONG TERM AGREEMENT

submitted

Consolidated Farm Services Agency (CFSA) programs are available to assist producers in solving their conservation problems. One of these programs is referred to as Long Term Agreement (LTA). The LTA program allows certain conservation work to be completed over a period certain conservation work to be completed over a period of 3 to 5 years. The Natural Resources Conservation Service (NRCS) assists producers in planning the work.
