REHAB '95 KICKS OFF SATURDAY

Kyle and Lori Nunn

submitted by Kyle and Lori Nunn

Rehab '95, West Texas Rehabilitation Center's fundraising telethon, will be conducted Saturday, January 14, 1995 beginning at 7:00 p.m. With a little help from a lot of friends, entertainers who champion the Center's commitment to the disabled, area volunteers who man community phone banks and viewers who generously pledge their financial support.

Headliners Steve Wariner, the Forester Sisters, LeAnn Rimes and Peter Marshall are scheduled to join Rex Allen Sr., Rex Allen Jr., Brad Maule, Anacani, Hilton Talbert, Arthur Duncan, Susan Hayes, and a host of regulars for the stage show which originates live from the Abilene Civic Center.

Twelve state-wide television stations, including KLST-TV in San Angelo, will air this 25th event which annually launches the Center's yearly funding program and showcases treatment services.

Viewers of KLST will be able to see the network stage show as well as local interview and phone bank report segments from WTRC-San Angelo hosted by Pat Attebery, local television personality and WTRC board vice chairman.

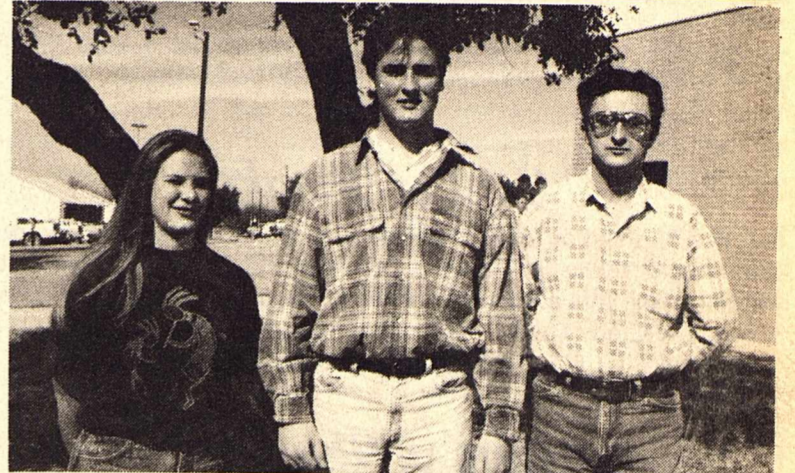

Also, KIXY-FM/KKSA-AM radio will broadcast live from WTRC-San Angelo from 6:00 p.m. to midnight with host Jay Michaels conducting the "on air" radiothon.

Volunteers, led by Kyle and Lori Nunn, will conduct Sonora's Rehab '95 phone bank at the First National Bank. Residents are urged to call 387-3861, between 7:00 and 11:00 p.m., or go by and leave their donation in person. Also, advance donations may be made to the Nunns prior to the event.

Another popular segment of the telethon special is the auction which features merchandise and hand-crafted items donated by businesses and individuals. Phone numbers for bidding will be announced prior to the show.

"We hope to top the \$1 million mark on Rehab '95 because it's going to take more than \$9 million this year for us to do our job of serving disabled individuals," said WTRC President Bill Snowden. "However, with the help of supporters and volunteers, I'm confident we'll be successful on January 14 and all year long."

The following Sutton County residents and business have made contributions as of Tuesday, January 10th: Mr. and Mrs. Archie Crenwelge, Mr. and Mrs. John Wade, Fannie Wade, Mr. and Mrs. Carroll Strong, Mr. and Mrs. R.L. Street, Edward and Carolyn Earwood, Mr. and Mrs. J.C. Surber, Sutton County National Bank, Mr. and Mrs. Jack Smith, Larry Finklea, Mr. and Mrs. Oliver Wuest, Jimmy and Sharon Holman, Elizabeth Neill, Mr. and Mrs. Jamie Parker, Lawrence and Martha Finklea, Marie Aldwell, and Mr. and Mrs. Jimmy Condra.

Pictured above are the All-Region, Area and State qualifiers for High School Choir. They are: (L-R) Sarah Marrs-All-Region Choir, Joshua Akins-All State Choir, and Sam Odom Jr.-Area Choir.

AKINS ADVANCES TO ALL-STATE CHOIR

submitted

Joshua Akins (Bass) and Sam Odom Jr. (Tenor) attended the final round of auditions for the Texas All-State Choir January 7, 1995. This audition was the third audition that these students had to endure to make it to this stage of the audition process. To put this accomplishment into perspective, there were over 30,000 students that auditioned in the first round. At the audition on Saturday, the number state wide was down to 720 students. After the audition there are only 240 members of the Texas All-State Choir.

Sam Odom Jr. was ranked ninth chair in our area. This is an outstanding position when this is in comparison to the top 720 High School singers in the state. Joshua Akins was ranked third in our area and as a result advanced to the All-State Choir. Both of these students put in countless hours of extra practice on top of all of their other school and home responsibilities. Mr. Conlon (Choir Director) is quoted as saying, "I am very proud of both Josh and Sam for their hard work and outstanding achievements." Mr. Conlon went on to say, "I have talked to several long time residents of Sonora, and no one recalls Sonora ever having a student in the Texas All-State Choir."

Joshua will now attend the Texas Music Educator's Association convention on February 8-10, 1995. At the convention, the all-state choir will be prepared by a nationally renowned choir director for a concert on the final night of the convention.

POWERS EARNS DEGREE

submitted

Rebecca Powers from Sonora was one of 25 students to receive pins December 15, 1994 during South Plains College's December graduation ceremony for its associate degree nursing program. Marla Cottenor, R.N., chairperson of SPC's Allied Health Department and Elise Browne, assistant professor of associate degree nursing and coordinator of the Allied Health Department presented pins to the graduates.

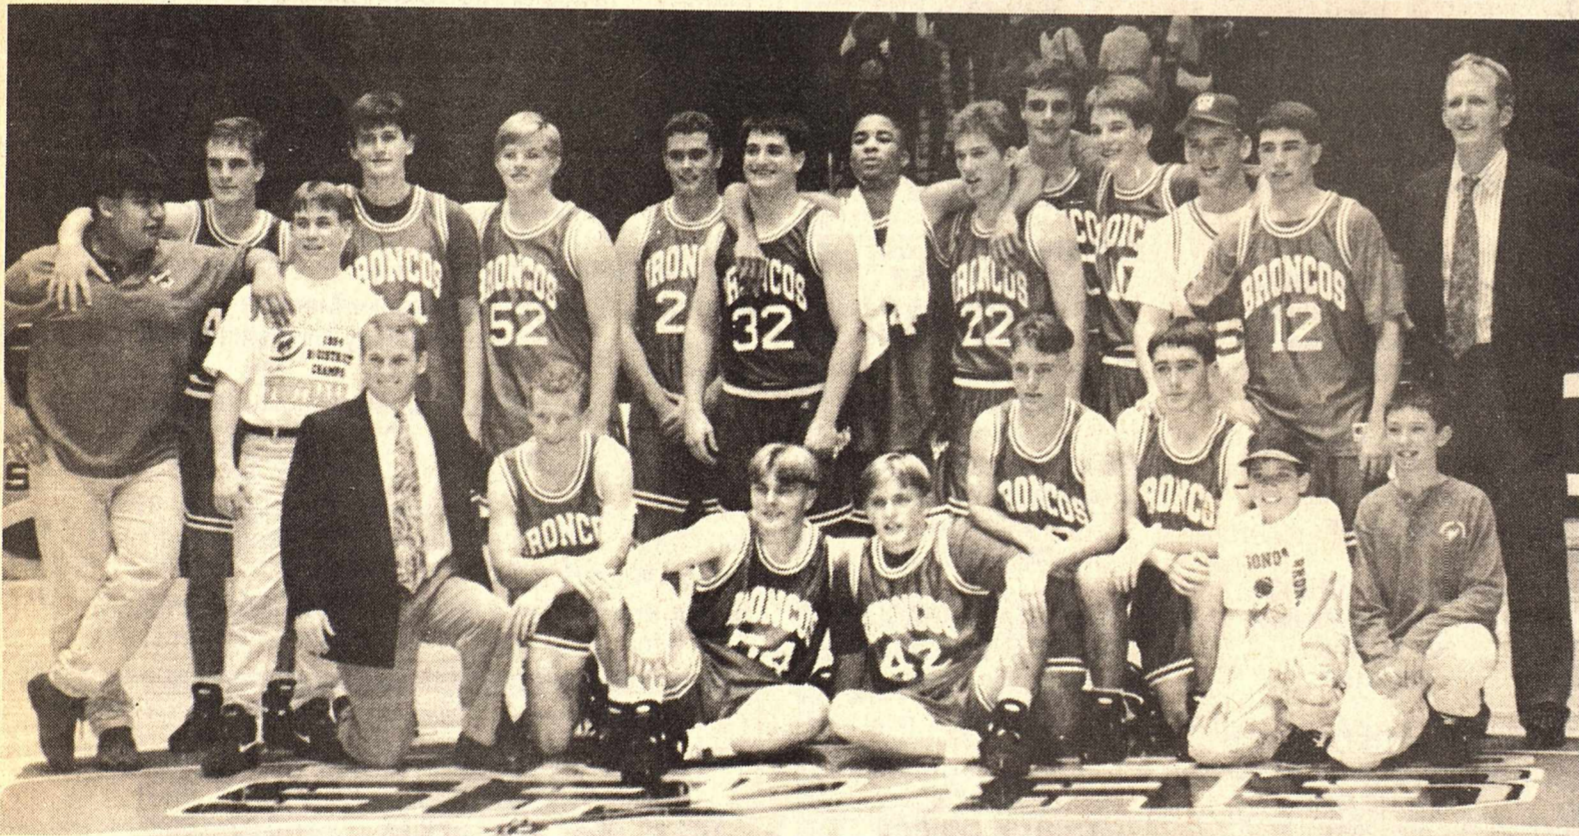

Ms. Powers will take the state board exam this month for licenser as a registered nurse. "Most of our graduate nurses are able to find a job without difficulty. In addition to hospitals, they can work in doctors' offices, clinics, home health offices, health departments and other areas," Browne said. "The quality of our graduates has always been very high."

NEELY NAMED TO HONOR ROLL

submitted

Edwin Sawyer Neely, son of Mr. and Mrs. Joe P. Neely, 801 Lone Wolf Trail, San Antonio, has been named to the Honor Roll at Blair Academy in Blairstown, New Jersey. Sawyer achieved this by maintaining a 3.0 or above average in his courses during the fall term at the independent secondary school.

by Coach Jay Hufstедler

The Broncos came up short, 57-67, in an exciting basketball game against Crane Tuesday, December 9. Leading scorers were Hadley Smith-14, J.P. Hudman-13, Josh Burnham-10, and Justin House-9. Leading rebounders were Hudman-11 and Jason Morley-6. Hudman led the team in steals with two and House led the team in assists with five.

"We played a solid four quarters of basketball against a quality team. However, we must score 20 points in the fourth quarter in this district to win. We scored 9 points in the fourth against Crane. We had a chance to defeat them being down two points at the end of three. We out hustled Crane, but we did not make the best of decisions at crucial points during the game. We have super young men on and off the court.

For us to be successful in our goals of playing our best basketball the last five regular season games of the year and making the play offs, we must have individual leaders "step up" and take this team to a new level"

Ask The Historical Society

T.J. Savell and Alma Miers were married on March 17th, 1897 in Sonora, Texas

by Jo-Ann E. Palmer, Secretary Sutton County Historical Society

Q. Several of us went to the movies and saw *Little Women*. What can you tell us about the author and did she write any other books?

A. Louisa May Alcott was born in Germantown, now a part of Philadelphia, Pennsylvania, in 1832. Her father, Bronson Alcott conducted a school there. The family soon moved to Concord, Massachusetts.

Louisa May helped support the family by working as a house keeper, seamstress, and teacher before her writing brought in enough to enable the Alcotts to live comfortably. She wanted to be an actress at one time and wrote several melodramas that were never produced. She did much better with short stories and poems, and sold quite a few to *Atlantic Monthly*.

Louisa May Alcott's first

book was *Flower Fables* (1854), a collection of fairy tales written when she was 16 but not published until she was 22.

She worked as an untrained nurse in a Washington, D.C. hospital for Union soldiers of the Civil War and wrote letters for her patients. These were gathered in *Hospital Sketches* (1863), a book that made her nationally known but brought her little money as she had sold all rights for \$200. In 1864 she wrote *Moods* and earned enough money to enable her to travel to Europe for her health. In 1870-71 she again went to Europe.

Back in Boston, she became an ardent crusader for temperance, woman suffrage, and other reforms. She died in 1888.

Little Women or "Meg, Jo, Beth, and Amy" was continued in two other books, *Little Men* or "Life at Plumfield with Jo's Boys" and *Jo's Boys* or "A

Sequel to *Little Men*". If you enjoyed *Little Women* the movie, you might like to read these books. Other books by Alcott include: *An Old Fashioned Girl*, *Eight Cousins*, *Under the Lilacs*, *Rose In Bloom*, *Jack and Jill*, *May Flowers*, *Behind the Mask: The Unknown Thrillers of Louisa May Alcott*, and *Plots and Counterplots: More Unknown Thrillers of Louisa May Alcott*. The last two contain short stories originally published under pseudonyms in various periodicals.

If you would like to learn more about Louisa May Alcott, we suggest you read *Invincible Louisa* by Cornelia Meigs or *Louisa May Alcott: Her Father's Daughter* by Martha Saxton.

In checking with a book dealer we found that many other books by Louisa May Alcott are still in print and they would be happy to order them for you. If you don't find her works on the shelf of the book stores, be sure to have them look up any you want in the computer.

We had several calls regarding the article on Donna B. Ernst that was in the paper

recently. Mrs. Ernst is the author of *Sundance, My Uncle*. Many of you wanted to know how to get her book and if there was any mention of Will Carver in the book.

Her book is available by contacting The Early West, Box 9292, College Station, TX 77842, telephone 1-800-245-5841. The book is 160 pages, has an index, source, and many photos and definitely includes information on Will Carver.

Mrs. Earnst's next book will be out sometime in the Fall and will be on the other members of the Wild Bunch. She has collected a great deal of information on Will Carver, much of it has never been published before. I was very impressed by the documentation of the information she has collected for this book. Sorry I can't tell you anymore. I promised not to reveal any unpublished information until the book comes out.

If you have any questions regarding Sutton County History, send them to "Ask the Historical Society", P.O. Box 885, Sonora, TX 76950-0885 or give us a call at (915) 387-5144 or (915) 387-2855.

SUTTON COUNTY TAX OFFICE TO BE CLOSED

The Sutton County Tax Office will be closed January 16, 17, and 18, as steps are taken to improve the way business is done. The employees will be trained on the new Registration and Title System, or RTS.

This automated system is a project of the Texas Department of Transportation (TxDOT). Its development began in 1987 to replace a manual system that was becoming obsolete because of the state's growing vehicle population.

As statutory agents of TxDOT, this tax office processes registration and title transactions in addition to collecting the appropriate fees. We will be using RTS to continue that work. The system brings enhancements in the level of efficiency and customer service. Registrations will be updated in the system within 48 hours, instead of the usual six to eight weeks. This will be of considerable benefit to all law enforcement agencies and the general public. Sutton County residents will get their vehicle titles within two weeks, not ten weeks.

This tax office will open its doors again January 19. At that time, we will begin using the new system to perform registration and title transactions. As with any new system, some startup problems are possible.

For more information, contact Peggy W. Sharp, Tax Assessor-Collector, or Deedie McIntire, Deputy, 915-387-2342.

Valiant Effort

by Martha VALLIANT McLain

The cold weather has kept many folks home by the fire. It has been "Fling Ding" cold this past week. The cold has reminded some that it is time to decorate the "boots" to be used for the party. Some years it's a fish or a bird, but this year it is a boot. It will be fun to see how many ways you can decorate a boot. If history repeats itself, Sonora ladies should be sudsing out their "long handle" underwear to get ready for the party.

In last week's paper, two family holidays were put together by mistake. Both of the Barlemani girls and husbands were home for the holidays, and the person visiting in Hindsville, Arkansas was Celeste Prugel, who was off to see her daughter and family.

Before Christmas, Austin was the scene of the National Women's Volleyball Tournament. Stanford University had one of the qualifying teams. The University sent a small spirit band of students and asked alumni in the area to fill in and play with them. Cynthia Kepler, who is a minister of music in Hondo, was one of the "alums" to respond. She played with the band and helped spur them on to become the National Champions.

Pat and Leo Merrill have had a house full with their daughter Patty, her husband David Cutbirth, and their four daughters: Camilla, Catherine, Candace, and Cassandra visiting. Pat and Leo were in Monahans with Patty's family for Christmas. They returned to Sonora Monday and had to leave for Monahans again on Tuesday. David's brother Henry Cutbirth was in a plane crash with his instructor. He was taken to a burn center for about 10 days, but has been released. The grand parents kept the 4 girls so that David and Patty could be with his family. Few people live through plane crashes! He is lucky to be alive.

We were sorry to hear of the death of Gloria Kerbow's brother. We extend our sympathies to Gloria and the Kerbow and Boswell families.

Rena Elliott has been moved to the Baptist Memorial Center and is doing better every day. She loves to hear from her friends in Sonora. Send her your thoughts and prayers.

Don Spiller is home after completing his radiation treatments. Decky, back from Mexico, has had surgery to correct problems caused by the surgeries that he had last year when he was kicked by a horse. Let's all hope and pray that the Spillers have an easier year in '95.

Don Sessom may be facing a surgery that will correct problems that are causing high blood pressure. It is good to know that his problems can be easily corrected. "Easily" is the doctor's word. If you are the patient, you might use other words. We are sorry that he will be out for a while, but glad that things will be fine.

Bobbye Thompson says that her foot is showing real progress in healing, and she thinks that she may start getting out some in about two weeks.

We have all been concerned about Cindy Fields, and we are glad to hear that she is doing well. She had been in Alaska with her family having Christmas with Loise Fields. She passed out on the way to the airport for the return trip home. Everyone was concerned that it might be a heart attack. It was not, but it was an irregular heart beat that needs investigation. She returned home Sunday. We're glad that she is back.

Let's continue to send our thoughts and prayers to J.W. Neville. While he is ill, we need to remember Mozelle, Durwood, and Wanda. It may be a long difficult time for him and his family.

Family and friends of Greta Smith celebrated her birthday with a party at the Sutton County Steak House. They told me her age, but I don't believe that she is that old. She doesn't look it, so I'm not going to tell. Happy Birthday Greta.

Jodie and Lawrence Finklea and Larry spent Christmas with Bill Finklea in New York. They saw the fantastic Christmas show of the Rockettes. It was a spectacular show with the Rockettes changing into 5 different costumes during the performance. Jodie thought that the new musical *Sunset Boulevard* with Glen Close was terrific, probably one of the best things that she has ever seen. They also enjoyed the *Showboat* revival, and the Texas show, *A Tuna Christmas*. Jodie loved New York and could have stayed longer. Larry thinks that 3 days is long enough; he thought that a week was much too long. In spite of the crowds, New York was wonderful at Christmas.

We took Jim and Betty Stephen and John to their plane in San Antonio on Christmas morning. We planned to be there in time to have Christmas dinner. We ate our turkey and dressing at the

410 Diner, a place that reminds you of the old Park Inn Cafe. Their instructions said to be at the airport 90 minutes before the flight. Dean McLain always wants to be very early for planes, so we dropped them off two hours early. It was fortunate that they were early. Their flight to Dallas had been canceled. They were able to get on a flight that left 15 minutes after they arrived at the airport. Dean is now saying, "See, I told you."

They had a wonderful flight to the Czech Republic to see their missionary daughter Rachel. The plane only had about 50 passengers, and it normally has 250+. Rachel met them in Prague for the short drive to her little town (about 30,000). She had rented a tiny little Czech car called a Scuda. In Czech that means, "What a pity". It must have been as good as a clown act at the circus to watch four tall Americans and their luggage fit into the little Czech car.

They loved the country, felt great sympathy for the people in poverty, and have great hope for these people with their new freedoms. It is wonderful that Czechoslovakia split into the Czech Republic and Slovakia without war.

Rachel is living in quarters for nurses and medical students. She has a small room, about 8'x10', but she does have her own bathroom. She has a refrigerator and a hot plate. There are no apartments available. They were amazed at the beautiful, colorful architecture from the pre-Communist days and ancient times. Buildings built by the Communists are plain, utilitarian, and ugly. The old places are beautiful, but many have been allowed to deteriorate; however, there is a new interest in restoration. The streets are paved with cobble stones and brick with sand poured in the cracks. The communities are all built around a town square, and Christmas trees and decorations were everywhere. There were arts and crafts fairs and wonderful music. They saw an opera, *Don Giovanni*, in Prague in the very theater where Mozart had first staged it. They loved the beautiful cut glass and porcelain made by local craftsmen. The people were very attractive, quite handsome and healthy; they walk everywhere or use public transportation. Gasoline is over \$2.00 a gallon. Very few people in the small towns speak English, but they want to learn. They were dependent upon Rachel's language skills. It is a very difficult language, but everyone felt that she was doing exceptionally well. She is studying the Czech language and is teaching English. They toured most of the country with jaunts into Austria to see the "Sound of Music" scenery and hear the real story of the Von Trapp family. They toured some of the old castles with costumed greeters. McDonald's hamburgers have made it to Prague and Coca-Cola is everywhere, but expensive. Food is very plain, lots of pork and boiled vegetables. Goulash is popular.

The economy is very depressed. Doctors, under the medical system that is still socialized, make about \$200 a month. Cost of living is low: a fine meal with everything in a nice restaurant is only \$20+ for 6 people. Their attempted trip to Germany was blocked by snow. The highways were snow-plowed up to the German border, but the Germans had not cleared their roads; so, they had to turn back.

Rachel's pastor is a third generation Baptist minister. He and his father and his grandfather have served the church for a lot of years in the pulpit, and some time in prison. Under the Communist regime, he had phone calls saying, "We had someone in your church, and we know what you are saying." He always invited them back, and said, "If you come again, you will hear more". He was told that he could say what he wanted in his pulpit, but to keep his mouth shut outside the church. He and his wife, four grown children, and his mother live in a tiny two and a half bedroom apartment, but are quite happy. Church people in the Czech Republic do not consider beer drinking to be of any consequence. Every little community has its own brewery, and beer is cheap and plentiful. Smoking, however, is considered a sin. Smoking is popular all over Europe, but for "Church people", it is a "no-no".

When we picked them up at the airport Friday evening, Jim, Betty, and John had been up 24+ hours. They were tired and glad to be home. It was a wonderful trip, and the best part is that they were able to see Rachel, happy and doing good work.

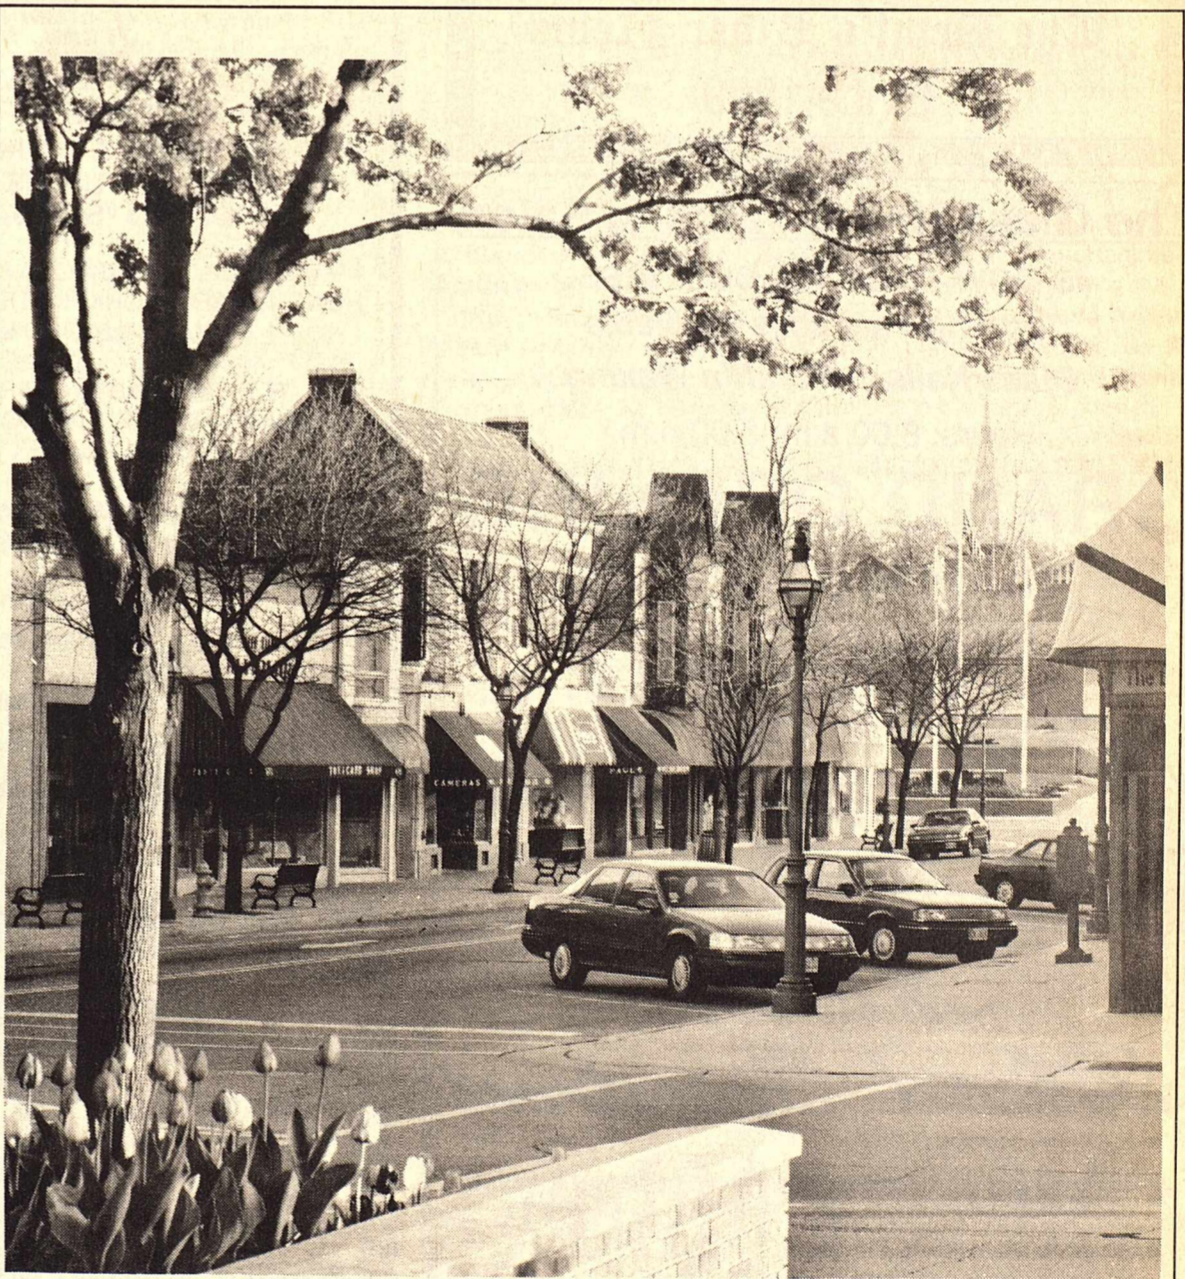

From the "when it rains it pours department": Joe and Anita Lane were in a small traffic accident. They were hit from behind as they turned into a convenience store on Crockett. No one was hurt, but nerves are on edge now. It was frightening!

JV BOYS

The J.V. "A" team turned in two outstanding performances in the Eldorado tournament over the weekend. In Fridays matchup, the Broncos defeated the host Eldorado Eagles by their largest winning margin of the season 62-32. Saturdays game challenged the Broncos to repeat their level of play as they took on a talented Reagan County team that they had never beaten before in the championship game. The Broncos took the floor with the same "aire" of confidence and determination that had marked Friday's game and took the early lead 17-9. The second and third quarters saw the Broncos raise their level of play as they extended their lead to 51-27 and effectively put their ragged opponent away 57-34. That is the best this team has played all year. They were extremely confident going in and their play showed it. If we can keep playing at that level, we'll give our district a run for their money.

Individual scorers for the tournament included: Justin House - 34, Chad Gibson - 21, Andy Mirike - 17, Robert Teaff - 15, Shiloh Sykes - 15, Ramon Rainer - 12, David Fisher - 5, and Thomas Hunt - 2.

The J.V. "B" team played some good basketball this past weekend in Eldorado. With five freshman and one sophomore, the Broncos took two larger, more experienced Eldorado and Sterling City teams to the wire, only to lose each game in the final minutes. Scorers for the tournament included: Cedar Lomas - 25, Drew Dempsey - 16, Fernie Emiliano - 14, John Brown - 9, Justin Morley - 11, and Zach Ramos - 1.

J.V. & FRESHMEN LADY BRONCOS

submitted

The J.V. Lady Broncos won third place at the Eldorado J.V. Tournament. After receiving a bye in the first round, they lost their second round game to Eldorado by the score of 51-29. Scoring were Melissa Sanchez-7, Shawna Farris-4, Pam Jones-4, Kellie Downing-4, Erica Kerbow-4, Blair Crain-4, and Stefany Davenport-2.

They defeated Winters in the third place game by the score of 41-27. Scoring were Jones-10, Sanchez-6, Kerbow-6, Davenport-6, Ashley Henson-4, Crain-4, Farris-2, Katey Key-2, and Kristi Burge-1.

Due to playing in the Eldorado J.V. Tournament, a split squad was taken to Colorado City. They lost 53-22. Scoring were Stacey Key-7, Johanna Adams-6, Katy Cooke-4, Betty Samaniego-3, and Romi Castaneda-2.

They also defeated Menard's J.V. by the score of 40-22. Scoring were Makayla Galindo-12, Jones-9, Davenport-4, Katey Key-4, Crain-4, Sanchez-3, Burge-2, and Downing-2.

VARSITY BRONCOS

by Coach Jay Hufstelder

The Sonora Bronco Varsity boys basketball team erased a twelve point deficit to defeat Menard, 60-55, in their last pre-district game, January 3, 1995.

Leading scorers were Hadley Smith - 17 points, Josh Burnham - 15, J.P. Hudman - 10, and Justin House - 9. Leading rebounders were Hudman - 10, Burnham - 8, Jason Morley - 7, and Curt Dempsey - 6. Caleb Barker led the team in with three assists and five steals.

We have won our last 3 out of 5 games and we will be competitive in our district this year. It was great to get the come from behind win in Menard. I'm not sure that we were ready to play the first quarter as we dug ourselves a 12 point hole, but we responded well with pride and unselfish team work.
