The LORD is my shepherd; I shall not want. In verdant pastures, he gives me repose; beside restful waters, he leads me; he refreshes my soul.

He guides me in right paths for his name's sake.

Even though I walk in the dark valley, I fear no evil; for you are at my side with your rod and your staff that give me courage.

You spread the table before me in the sight of my foes; you anoint my head with oil; my cup over flows.

Only goodness and kindness follow me all the days of my life; and I shall dwell in the house of the LORD for years to come.

### COVINO RETURNS TO SONORA

Frank Covino of Waitsfield, Vermont instructed an oil painting class in Sonora last week. Mr. Covino teaches private lessons across the country. He studied at New York School of Visual Arts and Pratt Institute.

Students from Sonora were Nora Weaver, Ruthie Cahill, Frances Ross, Beverly Valliant, and coordinator, Elvie Turney. There were also students from Witchita Falls, San Angelo, Dallas, Junction, Austin, Odessa, Rockwall, Bronson, Mississippi, Oklahoma City, Oklahoma, and Boise, Idaho. Mr. Covino says of his students' art,"These are not just sidewalk portraits, they are very professional. A lot of time is involved."

The end of October, Nora Weaver and two other students from this class, will travel to Paris, France. They will attend a lecture at the Louvre. The intent is to learn by copying the masters. Mr. Covino says art is similar to music. When learning to paint, as in the music industry, the student copies the master's work. Then, an original of their own is produced.

Frank started teaching classes in Sonora in 1990 and comes once or twice a year. He will return December 3rd of this year to instruct Western painting at the Turney's ranch.

I am back home finally, and I may never leave home again! Melinda and I had a wonderful drive back to California. We spent an afternoon at the Grand Canyon and managed to see the beauty of the canyon at sunset and also at moon rise. It was truly magnificent. I left Melinda in Los Angeles and returned to Salt Lake City to work in the library. The Mormon's Family History Library is fantastic! The people were so nice and helpful. I spent long days and found a great deal of material. Bad times were ahead, though. The hotel shuttle service was supposed to bring my luggage and pick me up at the library on Saturday. The shuttle was 45 minutes late, and I missed my plane. I tried to leave several times on "stand-by", but each time the plane was full. Finally, at 10 o'clock Saturday night, they put me on a plane to Las Vegas, saying that the airline would get me a room. When I arrived in Las Vegas, no one could find me a room because there was a big fight in town. Finally, about midnight, I found a room. I had an 8 o'clock flight to San Antonio, so it was a very short night. I finally arrived in San Antonio at noon on Sunday in the same clothes I had put on Saturday morning at 6:00 a.m. (They sent my clothes to San Antonio and me to Las Vegas!) I only had a comb and lipstick with me. I bought a tooth brush and some deodorant, but could not find any make-up. I was really glad to be home!

Cynthia Ward and Brigitte Rogers share the same birthday. This year Cynthia had a birthday dinner for Brigitte at the Sutton County Steak House. Close friends of both birthday girls attended. The cake had 2 candles - one for each birthday girl. Happy birthday, Cynthia and Brigitte!

George and Martha Wallace were in Fredericksburg last week-end at a reunion of the Neal family. Others attending were David, Beth, Warren, and Wilson Wallace of Sonora, Trey and Jane Rushing also of Sonora, the children of Joe Wallace of Hereford, and Dru, Lisa, and Grace Wallace of Houston. Martha learned much from a cousin who has become the family historian. Grace Wallace was the youngest to attend.

Barbara and Bill Savell entertained their couples bridge club on Monday night at the ranch. The menu included barbecued brisket, corn pudding, baked onions, and Caesar's salad. Dessert was a three-layered chocolate delight. High was won by A. W. and Leona Bishop, and Dean and Marti McLain won bingo. Rosalie Richardson won the travel prize. Prizes were bread baskets with a home-made loaf of cinnamon-raisin bread.

Friends of Debbie Shurley celebrated her birthday at the buffet at the Sutton County Steak House. They had the gorilla from Party Mania entertain. They had told the gorilla that Debbie was celebrating her 60th birthday, so the entertainment was aimed at a Senior Citizen. The celebrating continued that evening at the home of Janice Carruthers with a barbecued shrimp feast. Happy birthday, Debbie!

Beth Snyder celebrated her birthday last week with a party at the Sutton County Steak House. Happy birthday, Beth!

Kasey Wood and Raymond Rainer were in Dallas recently at the Jay Novecek football camp. The boys worked hard and had a wonderful learning experience.

The kicker for the Sonora Bronco Football team, Kasey Wood, received some excellent training at the Jeff Gossett Pro Kicking Camp in Dallas. Jeff Gossett is the kicker for the L.A. Raiders. We are looking forward to watching Kris play this fall.

Marcia Rioux and son Nathan have been in Sonora for a visit. Everyone says that Marcia is prettier than ever and that Nathan has really gotten tall!

Tourists galore are coming through Sonora. A bus load of folks stopped at Ol' Sonora Trading Company on their way to see the Grand Canyon. It is great to have the visitors in town.

Cindy Hayes was in Hockley to visit her husband. He is working on a ranch near Houston. They attended a wonderful birthday party and had a wonderful week-end.

Tracey Ferguson has returned from a tour of the Washington, D.C. area. Junior high students on the trip were Tom Jacoby, Thomas Schenkel, Riley Crain, Ed Mayfield, Cody Ainsworth, Anthony Renfro, Graham Bloodworth, Tanner Fields, Andi Allen, Garland Williams, and Cathy Cole. Debra Williams and Darlette Bloodworth went along as sponsors. The group flew to D.C. and boarded busses for a tour of the area. They began with a ghost tour of old Williamsburg. The guides had wonderful stories to tell about the old houses. They next visited William and Mary College, and then went to see the Jamestown settlement. They were then at Manasas, called the Battle of Bull Run by some. The junior high school students were in front of the White House and saw the president and the King and Queen of Spain go by. A Washington highlight was a night tour of the monuments.

They were at Arlington National Cemetery for a wreath laying ceremony. The trip to the Viet Nam Monument was very special to the group. Cody Ainsworth found his grandfather's name on the monument. He made a "rubbing" of the name to bring home. It is wonderful that our students were

### SCHOOL BOARD MINUTES

submitted by Cynthia Keel

The Sonora ISD Board of Trustees met in regular session on Tuesday, June 13, 1995. Previous minutes were unanimously approved.

President Anderson welcomed visitors to the meeting and asked for comments. ELKS Director, Mary Beth Morgan, informed the board that she was applying for two grants, one federal and one state, in the amount of \$35,000 each. These grants are made available through the Texas Work and Family Clearinghouse of the Texas Employment Commission. The grants will be used to fund the ELKS program. Additionally, Mrs. Morgan listed various changes which were being considered to enhance the expanding program.

Band Booster President, Tom Clifton, along with Band Director, Wayne Warren, provided a report to the board regarding the financial status of the organization. This annual report to the board is a requirement of the Band Booster's by-laws. Mr. Clifton informed the board of fund raising projects being considered by the club and thanked the board for their support of not only the Band Boosters but also the district's band students.

Main Street Manager, Melette Rowland, was present to request that the district's Fall Festival be held once again in the downtown area as it was in 1994. Board members agreed that they had heard only positive comments about the downtown location and voted unanimously to schedule the Festival for the downtown area with the date to be set later.

Virginia Epps, member of the Sutton County Public Library Committee, gave a detailed presentation regarding networking between the county and school libraries. She further presented information concerning the Big Country Library Internet System and the Global Information System. Mrs. Epps concluded her remarks by stating that each of these networking concepts would provide greatly enhanced access to information for all citizens.

Superintendent, Charles Russell, gave the first of three presentations regarding the philosophy of the school district and its direction. He listed the major points of the district's philosophy as follows:

1, being a friendly school district which encourages a welcoming atmosphere to parents and other visitors so that they will be encouraged to become involved in the education of the children;

2. encouraging a team effort on the part of all staff which fosters a mutual sharing of talents and resources, a mutual support and respect for each other's work, and which promotes the sharing of its expertise, facilities, and equipment with the community and other entities;

3. providing a relaxed, flexible classroom atmosphere in which students are comfortable and able to participate in an environment more conducive to learning;

4. supporting less formality in the classroom, less rote learning, and encouraging the inclusion of all students.

Mr. Russell gave a brief report relating to the requirements of Senate Bill 1 which specify that no board training hours received from the Texas Association of School Boards (TASB) will be recognized and that hours must be received from regional service centers. It was the consensus of the board to draft a letter to the State Board of Education supporting the TASB's board training and protesting this requirement of the bill.

Chief Appraiser, Rex Ann Friess, reported that 98% of the current levy had been collected. She stated that values would be certified by July 24 and that there would be an approximate loss of \$40 million in values.

A lengthy discussion was held regarding the abatement granted to Enron in January 1994. Board members voted unanimously to nullify the abatement because of the following reasons: Enron has been sold; the agreement with Enron was never signed; and the Enron tax representative did not file the abatement application before the first deadline.

Business Manager, Diane Jacoby, presented information about the 1995-96 budget and its development in the areas of instruction, special programs, library, campus administration, teacher travel/inservice, counseling, nurse, bus barn, co-curricular, administration, maintenance, capital projects, and data processing.

The board unanimously approved the employment of the following personnel: Ronald Watson, Theater Arts and Alex Zertuche, Spanish Teacher/Junior High Coach. Because of the number of students signing up for Spanish, the board directed Charles Russell to continue advertising for a second Spanish teacher. The board accepted the resignation of Virginia Kepler, Special Education teacher.

Board members reviewed the last remaining sections of the Organizational Goals for 1995-96 and unanimously approved the goals in their entirety. A time line, listing persons responsible for continued on page 7

# GIRLS ATTEND HUNTER'S EDUCATION CAMP

#### by Kim Price

The week of June 11th-14th, thirteen young ladies participated in a Hunter's Education Camp at the McPherson Hunt Club facilities. This event was sponsored by the Texas Parks and Wildlife Department, Meridian Oil and Canyon Ranch and the McPherson 4M Ranch. The group was instructed in several aspects of hunter safety, and successfully completed the Texas Parks and Wildlife Department's Hunter Education Course.

Rodney Knight, Sutton County Game Warden, instructed the group in pistol and rifle safety. Knight was assisted by fellow Game Wardens Mike Porter of Eldorado, Fernando Cervantes of Sanderson, and J.C. Flores and Alan Masloff, both of Del Rio. The girls were instructed in gun safety and were supervised in firing several handguns and a .22 rifle.

Archery was instructed by Game Warden Gary Dick of Junction, assisted by Doug McPherson. The group learned bow safety and were taught to shoot compound bows at both paper and 3-D animal targets.

# FULL SCALE DISASTER EXERCISE HELD

Dage 7

### continued from page 1

There were nine victims on the scene when the emergency teams responded. The victims were: Mike McReynolds - broken arm, Dawn Bebe - head injury/casualty, Matthew Hunt - burned hands, Thomas Hunt - burned hands, Sharon Key - chemical inhalation, Melett Rowland - chemical inhalation, Levi Pool head injury, Raymond Hubble - broken leg, and Mona Simpler chemical inhalation. The last victim was evacuated at 5:42 p.m.

The exercise was complicated by two volunteer firefighters who collapsed from heat exhaustion. Chris Castro and Shirley Odom were both transported to Lillian M. Hudspeth Memorial Hospital and later released.

Fire Chief Carl Teaff stated that he felt the Fire Department did an excellent job.

Ron Perry, Assistant Fire Chief for the City of San Angelo fire department, was invited to be an evaluator for the Sutton County EMS. He had some suggestions to help improve communications between the departments. "I have been evaluating the EMS here for several years, and Sonora always does a bang-up job because they learn from their mistakes," stated Mr. Perry.

"The overall report on the Sutton County EMS is excellent. They do a great job. In the fire service we talk about paid (or professional) departments and volunteer departments. In my mind salary has nothing to do with it. You have professional people in all of your services down here and they do a good job. I can't say enough for them," commented Mr. Perry.

He also stated that the public should be aware that barricades are placed for a purpose. He advised the public to stay home and stay away from the area of emergency.

The full scale exercise is intended to evaluate the operation capability of the emergency management system in an interactive manner. It involves the testing of a major portion of the basic elements existing within emergency operations plans and organizations in a highly stressful environment. This type of exercise includes mobilization of personnel and resources, and the actual movement of emergency workers, equipment, and resources required to demonstrate coordination and response capability.

The exercise involved the following departments: the County Judge, City Mayor, City Council, County Commissioners, Sheriff's Department, Fire Department, EMS Department, Hudspeth Hospital, School System, Public Information Officers and the News Media.

The Sutton County Sheriff's Department consists of five officers, five cars with public address, radio and siren systems, and five hand-held radios; the City of Sonora Police Department consists of five officers, five cars with public address, radios, and siren systems, and four hand-held radios; the Sonora Volunteer Fire Department consists of 23 volunteer firemen, four Deluge sets, and three pumpers; the Sutton County Emergency Medical Service also has 23 volunteers, three ambulances with public address, radio and siren systems; Lillian Hudspeth Memorial Hospital has a manpower of fifteen (1 physician, 5 RN's, 4 LVN's, and 6 Aides), two emergency and treatment rooms, and 13 available beds.
