BLOODWORTH ELECTED TO SWCD DIRECTORSHIP

Land owners of the Edwards Plateau Soil & Water Conservation District recently elected Susan Bloodworth director for zone 3. Susan replaces Glen Fisher. She will serve a four year term. Current directors are Edward Earwood, Norm Rousselot, Bob Brockman, and Judy McDonald. The election was held at Canyon Ranch, south of Sonora.

A program was provided by Jim Ross, Canyon Ranch manager, Bobby Liverman, game management, and Chris Vyvlecka, King Ranch cattle operations manager. Each presented information regarding their respective areas on the ranch.

Following the business meeting and election, lunch was served by the Canyon Ranch and the Edwards Plateau SWCD.

NEW STORE COMING SOON

Doran's Furniture will open soon in downtown Sonora. The proprietors are Valerie and Bill Doran. The new store will feature living room, dining room, and bedroom suits. Valerie will also carry linens, towels, lamps, rugs, and accessories. She stated that she will have a shipment of recliners coming in time for Christmas shopping.

Valerie was reared in Odessa. She is the cousin of Sam Dillard. Bill is an employee at Carl J. Cahill Construction. He has resided in Sonora for five years and is the brother of Bobby Doran and Jo Ann Jones.

Valerie has scheduled to open in mid-November.

FALL FESTIVAL SET

by Melett Rowland

On Tuesday, October 24, 1995, the Sonora Independent School District will hold its annual Fall Festival in the downtown area from 4:00 to 8:00 p.m.

The festival will begin at 4:00 with a parade of children in costume, ages preschool through fifth grade. The parade will begin at the base of the Courthouse steps on Water Street and proceed west down Main Street to the "Stage Area" between Westerman's and the First National Bank. After the parade reaches the "stage area," those children who marched in the parade and wish to have their costume judged will remain in this area for the costume judging.

There will not be a Fall Festival Queen Contest this year, so the booths should be ready to open for business as soon as the parade of costumes has ended and the costume judging begins. All booths will be asked to be ready for business prior to the parade of costumes and/or cease working on their booth during the parade of costumes to allow the parade to proceed down the street through the booth spaces. Booths will then be signaled over the PA system from the stage area when to open and should not do so before that time.

School will be let out at 2:30 p.m. that day to prepare for the festivities. All of the 200 block and a portion of the 100 block of Main street and both 100 blocks of Concho Avenue will be closed to traffic at 2:00, and all vehicles should be moved elsewhere to allow the school organizations sufficient time to set up their booths.

The entire community is invited to participate in the Fall Festival to help the Sonora youth organizations in this annual fundraising activity. Costumes are encouraged, but not required.

Some of the booths include a concession stand, dunking booth, cake walk, limbo contest, face painting, wheelchair races, cookie walk, fortune telling, raffles, and the long time favorite - BINGO!

The Sonora Independent School District and the Sonora Main Street Program would like to invite everyone to the Fall Festival for food, fun, and fellowship.

In case of bad weather, the festival will be held in the Junior High Gyms. That decision will be made by 2:00 p.m. on October 24, 1995 and announced on the local radio station.

BRONCOS STEAMROLL KERMIT, 31-7

Sonora capitalizes on Jacket errors, moves to 6-0

submitted

It is an unfortunate fact of football that most teams, regardless of their ability, play to the ability of their opponents, and Sonora fans were treated to a dose of this Friday night at Bronco Stadium. While the Broncos were clearly the better team on the field, they occasionally lapsed into uncharacteristic mistakes. Fortunately, however, the Broncos were not nearly as mistake-prone as Kermit, whose players surrendered three fumbles and two interceptions and were completely dominated by a Bronco team. While not playing to its own high standards during sections of the game, the Broncos still defeated a traditionally tough district foe by 24 points.

The Sonora offense was particularly effective against Kermit's quick defense, and much of the credit for the Broncos' offensive effectiveness has to go to the clutch performance of senior Anthony Mungia, who entered the game at fullback after Mike House was injured in the 1st quarter. Mungia was impressive all night as he rambled through the defensive secondary and punished the Yellowjacket defense for keying on Justin House and Caleb Barker. The offensive line also had a solid night, matching their skills against Kermit defenses that varied from an 8-man front to all eleven Kermit defenders at the line attempting to stop House and Mungia. Barker and House, as always, were steady and effective, helping the offense move the ball down the field on the ground. Barker also had a good night passing, particularly to Colely Thompson, whose big catch on 4th & 11 in the first quarter led to an Adrian Mata touchdown (Mata scored twice).

The Bronco defense struggled at times during the game, but was able to control the Yellowjacket offense when it needed to in order to keep Kermit out of the end zone. Levi Pool, Adrian Mata, John Jones, Ben Taylor, Caleb Barker, and Andy Mirike all had very fine games on defense, and Josh Burnham, making his first start at cornerback since his injury against Ozona, had several tackles as well. The defense swarmed Kermit ballcarriers all night, pressuring the quarterback, causing fumbles with hard hits, and intercepting passes as the Yellowjackets went to the air as they fell further and further behind.

Kermit's first possession, although no one knew it at the time, was a good indication of how their game would go all night. On 1st and 10 from the Kermit 40, Levi Pool leveled a Kermit receiver on a flanker screen and the ball squirted free, and was quickly recovered by Pool. The Broncos were unable to move the ball against a fired up Jacket defense, but Massey's punt moved Kermit all the way back to the Kermit 16. Kermit ran only two plays this possession before fumbling, this time recovered by Kris Wood at the Kermit 6, giving the Broncos a 1st and goal. Justin House carried the ball to the 1 with a tough run, and Adrian Mata, the Broncos' short-yardage back, got into the end zone on 2nd and goal. The PAT was no good, and with 9:02 left in the 1st quarter the Broncos led 6-0.

Kermit's next possession ended at the Kermit 39 with a fine interception by Davis Hale. The ball was thrown under heavy pressure from linebacker Adrian Mata, and Hale was able to break on the ball better than the Kermit receiver. The Bronco offense also took advantage of this opportunity created by the defense, by overcoming penalties for holding and illegal procedure while completing an 8-play drive to the Kermit 2 yard line. On 1st and goal, Adrian Mata again took the ball over for the Bronco touchdown, giving the Broncos a 12-0 lead with 5:13 left in the 1st quarter.

SCNB TO HOST BENEFIT

The Sutton County National Bank directors, officers, and staff will host a fajita supper Thursday, October 19. The supper will be held at the Cauthorn Memorial Building and will begin at 6:00 p.m.

The purpose of the supper is to raise additional funds needed to purchase furniture and shelving for the new Sutton County Public Library. Funds were raised by the Sutton County Public Library Committee to fund the construction of the new facility.

While working on the Homecoming Special Section, a story written by the 1930 library committee was submitted to the Devil's River News. Sixty-five years has not changed the relevance of this story. It is reprinted on page 4 of this issue.

Colely Thompson (40) and Davis Hale (41) drag down a yellowjacket during Friday night's blowout against Kermit.

Kermit's next possession was hampered by mistakes. Bronco defenders hounded the Yellowjacket quarterback and running backs until the Kermit offense had lost 9 yards (after 10 plays) and were forced to punt back to the Broncos from their own 27. Alex Gonzales, Mirike, Hale, and Pool, all had several tackles for the Broncos during this stand. Ben Taylor recorded a sack for an 18 yard loss to force the Kermit punt. After the Kermit punt, the Broncos mounted another scoring drive, led by fine runs from tailback Justin House and fullback Anthony Mungia, who were able to keep the Yellowjackets off-balance and gain hunks of yardage to the Kermit 9. House followed a lead block from Mungia off-tackle left and cut back into the end zone to give the Broncos an 18-0 lead with 8:39 remaining in the half.

The game was looking as though it was getting away from the Yellowjackets quickly when lightning struck. The same flanker screen on which Pool had caused a fumble on the first play of the game worked to perfection on the first Kermit play after the Bronco kickoff. From the 20, Kermit completed the pass again, and this time the Yellowjacket flanker sprinted down the sideline 80 yards for a touchdown. The Kermit PAT was successful, and the score at halftime stood at 18-7.

Sonora began the second half on offense, but was unable to garner a 1st down. After Massey's punt, the Yellowjackets began a drive at their own 45, obviously determined to make a game of this district contest. Kermit moved the ball around and through the Bronco defense down to the Bronco 38, but the Broncos stiffened and held Kermit, forcing a 4th and 3 play from the 36. The play was stuffed by Pool and Raymond Hubble, giving the ball over to Sonora on downs. The Bronco offense again was able to take advantage of the turnover, taking only 4 plays to score as balanced running from Mungia and Justin House confused the Kermit defense. On 1st and 10 from the Kermit 28, House followed a lead block from Mungia on a drive up the middle and broke loose for a 28 yard touchdown run. Caleb Barker's PAT was good, and the Broncos led 25-7 with 5:24 remaining in the 3rd quarter.

Kermit, however, wasn't ready to quit. The Yellowjackets drove to the Bronco 4 yard line from their own 24 during a very impressive sustained drive. The Bronco defense, as it has done all year, stopped the offensive team in the red zone, allowing no points due to several outstanding individual performances. On Kermit's 1st and goal from the 4, Barker stopped a sweep right for a loss of 2. On 2nd and goal Massey and Andy Mirike sacked the Yellowjacket quarterback for a loss of 9, and on 3rd and goal from the 15 Raymond Rainer defended a pass to the corner very well. Kermit went for the touchdown and, under heavy pressure from linebacker Levi Pool, the Kermit quarterback got the pass off over the middle, only to have it batted out of the receiver's arms by Adrian Mata. The ball went over to Sonora on downs at the Sonora 15, and if Kermit had any illusions about the game not being all but over, those hopes would soon be exploded by the Bronco offense. The Broncos were not able to move the ball for large gains on 1st or 2nd downs. A holding penalty moved them back to the 7 yard line, but on 3rd and 5 from the Sonora 19, Louis Massey took the hand off on a flanker counter left, slipped a tackle, and outran two Kermit defensive backs into the end zone. This gave the Broncos an insurmountable 31-7 lead and effectively ending the game.

Bronco Head Coach Bob Bellard was able to insert many younger players as the game wound down, giving them experience in district play and seasoning them for their opportunities when they arise, a strategy that may prove valuable as the Broncos move deeper into district play. Steven Gandar and John Paul Hudman, with his interception, both played very well in their action against the Yellowjackets.

The Broncos' next district contest is against Colorado City in Colorado City this Friday at 7:30 pm. The Wolves are 3-3, 0-1 this season having lost to Crane last week, 34-15. The Wolves are vastly improved over last year's club, and should be a test for the Bronco defense. Come on up to Colorado City and watch the Broncos attempt to move to 7-0. We'll see you at the game!

Our Sympathy

Mary Leontine Watson Espy

Leontine Espy died Sunday evening, October 8, 1995, in San Angelo at the age of 78.

She was born on November 13, 1916, and she spent her childhood at the ranch 12 miles north of Van Horn. Her parents, John Tully and Madora Fowler Watson, homesteaded in Culberson County and lived there until their deaths. Leontine finished her high school career at the age of 14 and completed McMurry

College in Abilene at the age of 18. She taught school in Sonora until her marriage to Howard Espy in 1937. Howard preceded her in death in 1958. Mrs. Espy continued ranching operations in Sutton and Culberson counties for many years.

She is survived by her two daughters, Tom Elaine and husband, Walter Linn "Bud" Whitehead, of Sonora and Mary John and husband, W.L. "Bill" Phinizy, of Gail. She was blessed with five grandchildren, Espy Whitehead of Sonora, Lea Whitehead Baze and husband, Arlis, of Midland, Kelly Whitehead Epperson and husband, William of Rocksprings, William Espy Phinizy and wife, Michelle, of Dalhart and Mary Kate Phinizy of Gail.

In addition to her active interest in ranching and conservation, she generously gave her time and wise guidance to community and school activities, always being supportive of many enriching and worthwhile programs. She was a member of the St. John's Women's Auxiliary while in Sonora. After she moved to San Angelo, she was active in the Planned Parenthood Program and served on the board of directors of the Harvard House Condominium Association for many years.

Her entire life was always deeply influenced by her love and deep appreciation of her ranching heritage. This legacy has been passed on through her family.

A memorial service was held at 2 p.m. Tuesday, October 10th, at St. John's Episcopal Church in Sonora with the Rev. Monte Jones officiating. The family requests that any memorials be made to a favorite charity.

Delfina Perez Esquivel died Sunday, October 8, 1995, in Fort Worth at the age of 74.

She was born on December 23, 1920 in Sonora, Texas to Concepcion Lopez and Jose Maria Torres Perez. She was a retired inspector for the Coca Cola Bottling Co. She was preceded in death by one son, Isaias P. Esquivel.

A prayer service was held at 7:00 p.m. on Tuesday, October 10, 1995. Funeral services were held at 2:00 p.m. on Wednesday, October 11, 1995 at Greenwood Chapel in Fort Worth. Burial followed in Greenwood Memorial Park under the direction of Greenwood Funeral Home.

She is survived by her husband, Jesus L. Esquivel of Fort Worth; two sons, Jesus P. Esquivel and Samuel P. Esquivel, both of Fort Worth; two daughters, Estella Gamez of Sonora, and Beatrice Mata of Fort Worth; one brother, Dolores Perez of Merchant, TX; two sisters, Emillia Morales of San Angelo and Maria P. Esquivel of Fort Worth; fifteen grandchildren and nine great-grandchildren.

Martha Robinson Miers

Martha Robinson Miers, a resident of Sonora since 1930, died in the Austin Diagnostic Medical Center in Austin on Sunday, October 15, 1995.

She was born on February 11, 1911, in Austin, Texas. She married William Lee Miers in July of 1943. She was preceded in death by her husband; and one brother, Buck Robinson.

She is survived by her daughter, Jodie Moore Finklea and son-in-law, Lawrence, of Sonora; three grandchildren, Bill Finklea, of New York, Larry Finklea, of Sonora, and Marsha Finklea Cardwell and husband, James, of Austin; and two great-grandchildren, Margaret Ann and James McCurdy Cardwell Jr. She is also survived by two sisters, Ruth Jones and Lillie Mae Belk, both of Austin.

She was an active member of St. John's Episcopal Church in Sonora and was an avid traveler.

Services were held at 3:00 p.m. on Tuesday, October 17th at St. John's Episcopal Church with the Rev. Monte Jones officiating. Burial followed in Sonora Cemetery. Arrangements were by Kerbow Funeral Home.

Pallbearers were Corky Schwiening, Russell Young, Al Elliott, Ronnie Cox, Pete Thompson, Jack Fletcher, Bud Halbert, Bill Webster, and Bill Stewart.

Memorial contributions may be made to St. John's Episcopal Church, Sutton County Historical Society, or a favorite charity.

Happy 1st Birthday, Daniella!

Paved roads, air conditioning, 55 mph - not on the 1900 stage between San Angelo and Sonora. In the "good old days" if it was raining or too windy, you could roll down shades along the sides and if it was too dusty you could tie a handkerchief around your face.

by Jo-Ann E. Palmer, Secretary, Sutton County Historical Society

Q. Do you have any information on James and Mary Ray Ketchum? Were they related to Black Jack?

A. Edward Ketchum had the following children: Jacob, Peter, Christopher, Henderson, Joseph, David, Martha, Elizabeth, Catherine and Anna. Jacob came to fight for Texas in August of 1835, served in the Texian Army and received a grant of 1280 acres from the Republic of Texas for his service. Jacob died in 1842 and his widow Mary sold his land and married George McNutt and they moved to Arkansas.

Before his death, Jacob had told his brothers and sisters about all the opportunities in Texas. In 1849, his brother Peter Ketchum, a farmer and Justice of the Peace in Christian Co., Illinois, came to Caldwell Co., Texas. Two of Peter's sons also came to Texas, James and Berry. Peter Ketchum lived in Caldwell County on Plum Creek, south of Austin, as a rancher for the rest of his life. He served several terms as county commissioner and died in Caldwell Co. in 1868.

James, Peter's son, lived in Gonzales County, then settled in San Saba County about 1850. In the Spring of 1867, James drove a large herd of cattle to Ft. Sumner, New Mexico, where the U.S. was buying beeves to feed Indians held there. The cattle were driven to the Main Concho River, wintered near present Roswell, New Mexico and delivered in the spring. The U.S. Government paid for the

cattle with U.S. Currency and Mr. Ketchum was in a hurry to return home, so he left before another larger group was ready to make the return trip. He was three or four days ahead of the larger group.

The larger group camped overnight on the Main Concho River near Mustang Water Hole when a member of their party discovered the body of a dead man. It was determined that the body was that of James Ketchum. Nearby were the bodies of a young man named McDonald and another named Comperry. Soldiers at Camp Charlotte were sent for and they buried the bodies at the site.

It was determined that the cattlemen had come unexpectedly upon a band of Indians. The Ketchum party sought the protection of an arroyo and here they held forth for some time. Recorded accounts state that a hackberry tree was cut down close to the ground as a result of the number of bullets fired in its direction by the cattlemen. After killing the cattlemen, the Indians threw stones into the arroyo almost covering the bodies. Not knowing the value of the currency, the Indians scattered it about the area. The Cavalry men gathered the bills together and returned them to the widow Mary and her children.

James' brother, Berry Ketchum was a rancher at San Saba County, west of Lampasas on Richland Creek. He and his wife Temperance had eight children. Five survived and three died as infants. One of the five, Berry Jr., was a noted cowman and horse breeder. At

the time of his death, in 1914, the Ketchum ranch in the Sheffield-Ft. Stockton area covered most of six counties. Two other sons, Samuel and Thomas, became two of the worst outlaws in the wild west. Berry Sr. died in 1868 and Temperance died in 1873. Sam married Louisa Greenlee in San Saba on February 4, 1975, and they had a daughter, Laura, and a son, William Berry. About three years after William Berry was born Louisa left Sam and took the children to Cleburne, Texas, where she married John LeCompt. Louisa died in Hall County in 1943. William Berry married Mattie Hines and they had three girls and a boy. William died in 1954.

Since James and Berry Ketchum were both sons of Peter Ketchum, and Sam and Tom were sons of Berry, James would be their uncle.

Once again we thank Sam Gauny for sharing his family information sheets with us. James Ketchum was his great-great-grandfather.

4-H Happenings

Annual 4-H Banquet and Dance

The annual 4-H Banquet will be held on Saturday, October 21, 1995 at the 4-H Center. The banquet meal will begin at 6:30 p.m. with the 4-H Club furnishing Chicken Spaghetti, catered by the Steakhouse, bread and iced tea. Those attending are asked to bring a vegetable side dish or dessert. The banquet and presentation of awards will be followed by a dance and the events will conclude at approximately 10:30 p.m. Each member is invited to bring a guest to the dance. This banquet is held annually to honor those who have put forth an effort meriting special recognition. We hope that all members, parents and leaders will come and join us in honoring these outstanding 4-H members.

Ewe Lamb Show Set for October 21st

The ewe lamb class, which is part of the annual Junior Livestock Show, is set for Saturday, October 21st. All ewe lambs must be present at the 4-H Center by 8:00 a.m. on that date. Fleece measurements will be made and the lambs will be weighed and shorn. Judging of fleeces and the lambs will be conducted at 1:00 p.m. and the public is encouraged to attend.

Lamb and Meat Goat Validation Set

All market lambs which will be shown this year in 4-H or FFA must be validated by the county validation committee on October 20th or 21st. Validation includes ear tagging, tattooing, and the completion of proper paperwork. We anticipate having approximately 100 lambs to validate and would much prefer that these be validated on Friday, October 20th. We will be set up and ready to begin the process beginning at 9:00 a.m. and will probably stop for the day at about 3:30 p.m. so that people will be able to go to Colorado City for the ball game. We will resume on Saturday, when time permits, between activities of the ewe lamb show.

We will also be validating all of the meat goats which are to be shown in the county and state shows. If you have meat goats, please plan to have them validated at the 4-H Center on October 20th or 21st, as outlined above for lambs.

Engagement Announcement

Mr. and Mrs. Gene Lee Wismer of Dallas announce the engagement of their daughter, Wendy Lee Wismer, to William Forest (Bo) Whitehead. Bo is the son of Debbie Cooper of Fredericksburg, formerly of Sonora, and Will F. Whitehead of San Angelo. He is the grandson of Ruth and Roy Cooper of Junction. Miss Wismer's grandparents are Mrs. Lois Thomas of Stephenville and Mrs. Helen Wismer of Dallas. The wedding is planned for December 30, 1995, at Holy Ghost Lutheran in Fredericksburg.

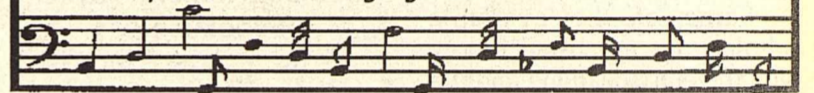

Miss Wismer graduated with a degree in history from Texas A&M University. Bo Whitehead graduated from the University of Colorado, where he was awarded membership in Phi Beta Kappa, with a degree in history. He is currently studying at the Baylor College of Medicine in Houston. The couple will make their home in Houston.

Band Student of the Week

The Band Student of the Week is Dustin Harris. He is the son of Billy and Joyce Harris. Dustin is a Sophomore and plays the trumpet in the Mighty Bronco Band.

Counselor's Corner

submitted by Jeryl Fields, Sonora High School Counselor

In my office I have a file organizer that I keep scholarship applications and announcements in. They are divided into: State \$\$\$, Out of State \$\$\$, National \$\$\$, Minority \$\$\$, and Local \$\$\$.

Local \$\$\$ information is distributed in the spring. Financial Aid information will be distributed in November (based on 1995 Income Tax), and a meeting will be held for parents in late January or early February.

All registration materials are in the rack outside the counselor's office, including test dates and registration deadlines.

Some of the available scholarships are listed below with the entry deadline and the box they will be found in.

College Entrance Tests

The ACT test will be held in December of 1995 in Sonora. ACT test dates for San Angelo are as follows: December 9th, February 3rd, April 13th and June 8th.

SAT tests will be given in San Angelo on November 4th, December 2nd, January 27th, March 23rd, May 4th, and

June 1st. Preparation courses will be as follows: October 28th (with a follow-up on November 2nd), November 20th and 28th (with a follow-up on November 30th), January 20th (with a follow-up on January 25th), March 18th and 19th (with a follow-up on March 21st), April 20th (with a follow-up on May 2nd), and May 25th (with a follow-up on May 30th).

Preparation courses are from 8:30 a.m. to 4:00 p.m., and the follow-up sessions are from 5:00 p.m. to 8:00 p.m., all in Holmes Hall on the Central High School campus.

The TASP test will be given in San Angelo at various test dates. Students should take the TASP if they plan to attend a state school and have passed their TAAS.

TIPS ON STAYING SAFE AND SOUND WITH NATURAL GAS.

For more than 80 years, Lone Star Gas has been providing safe, dependable energy to its customers. By following a few simple rules, you can help make sure you and your family stay safe and sound with natural gas.

- Always have qualified service people install, regularly check and maintain all gas heaters and appliances, following the manufacturer's instructions for installation, ventilation, and operation.
- Always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.
- Always keep flammable materials and substances away from gas heaters and appliances. Remember, a pilot light is constantly burning.

IF YOU SMELL GAS in your home, or know you have a gas leak, follow these rules:

- 1 Everyone should leave the house immediately, leaving the doors open for ventilation.
- 2 Do not switch anything electrical on or off.

- 3 Do not use your telephone (telephones use small amounts of electricity).
- 4 Do not strike a match or do anything else that might cause a spark.
- 5 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

If you smell gas while you're outside, contact Lone Star Gas immediately.

CONTRACTORS, BEFORE YOU DIG, call for pipeline locations to avoid any potential problems: 1-800-344-8377 (1-800-DIG-TESS).

Somewhere in every county, off the main highway, there are boys and girls, men and women who are eager for books to read. Through the long winter evenings and rainy days on the ranch, they want stories of adventure, of history, travel and romance, stories of great men and women of today and long ago.

The grownups often want to read articles that help solve their own business problems and their children want books required for school work outside of the text book. Through a county library every man, woman and child in this county can have free library service, whether he lives in a town or on a ranch in the farthest corner of the county.

It will be a free public library with all kinds of books, stories, biographies, plays and magazines. There will be books that help with school, church, club or ranch work; books of study and for recreation.

The County Free Public Library has become a public necessity. It will furnish books and periodicals for business men and afford to hundreds the highest and purest entertainment.

It will make the town a more desirable place to live; it will retain the best citizens and attract others of the same character. It will supplement the work of the schools and be an inexhaustible mine of pleasure to boys and girls who love good books which foster high ideals and noble purposes.

For men and women who had little opportunity for schooling, it will furnish the books they missed in other years, and for men, women and young people out of college, it will prove to be a continuation school.

This county can have a County Library like other counties of Texas. The county commissioners have the power to set aside a fund for this purpose if the people of the county want a county library.

There can be no library tax levied but one cent on the hundred dollar valuation can be set aside from the general fund for the maintenance of a county library.

Does Sutton county want a "County Library?" Does she want to maintain her reputation of always being for the advancement of her county and her people?

HOSPITAL BOARD MET

The Sutton County Hospital District met October 9, 1995. Dr. Alvin Gutierrez was appointed to the medical staff. The board welcomed him to Sonora.

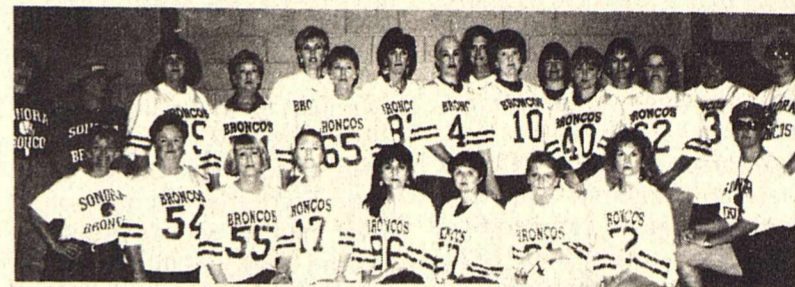

The board approved the implementation of new private pay room rates. The clinically stable will be charged \$62.50 per day, effective January 1, 1996 for current residents, new admissions effective immediately (to be adjusted at the same percentage as Medicaid increases). The clinically unstable and heavy care patients will be charged equivalent to Medicaid's highest TILE rate. New admissions effective immediately, and effective January 1, 1996, current residents will be charged at \$62.50 per day. On July 1, 1996 an increase to 1/2 of projected TILE over \$62.50 per day will be implemented, and on January 1, 1997 an increase will occur equal to Medicaid's highest TILE in the category.

Mr. Goodrich advised the board that the hospital had a loss of \$35,553 for August and the nursing home showed a loss of \$8,769.

Brigitte Rogers stated that the monthly birthday party for the residents in the nursing home will be October 26. The meeting was then adjourned with no further business.

Pamela Shahan, Kelly Kearney, and Jessica Bruns are pictured above during the Sutton County 4-H Food's and Nutrition Project held recently at the Caverns of Sonora. Twenty-five members and adult leaders participated.

The mothers of some of the Sonora Bronco varsity football players and cheerleaders gathered together on Friday, September 20th during the pep rally to show their support for their kids. The mothers of the football players (shown above wearing their sons jerseys) demonstrated "quick cal." The mothers of the cheerleaders (pictured below) led the audience in cheering for the "Broncos."

(If you have items for this column, please call 387-5060 or 387-3066.)

Fall is in the air and because of an exceptional hurricane season, Sutton County has had rain and looks wonderful for this time of year.

A **Catered Affair** had food at the October Fest in San Angelo. They served hot dogs and brown mustard and other German dishes. The women from Sonora who helped **A Catered Affair** with meals for **Julio Iglesias** were **Linda Love, Carol Love, Rita Hale,** and **Andrea Chavez.** These women all have pictures autographed by him and inscribed to them by name. **Linda** also made copies of the check from San Angelo saying "for **Julio.**" Each one has copies of all of the many mementos. We understand that he thought that **Andrea** had beautiful hair. He was charming and nice to everyone. Their biggest surprise was that he is so small. **Linda** said that he was very small and thin, but really has a big wonderful voice. There favorite song was, "All the Girls I've Loved Before." It is great to find that someone you admire as a singer is also a very nice person. They have been told that they will probably be asked to cater backstage for **Kenny Rogers.** (I think that I would like to sign up for that one.)

Word from **Inez Chalk Baldwin** this last week says that she plans to try to get her brothers and sisters to attend next year's reunion. She had hoped to attend this year, but opted for knee surgery instead. Maybe next year we will see the **Chalk** clan at the school reunion. **Inez** lives in Houston, and sister **Barbara** from Indiana came and helped her through her recovery.

I also received word this week from **Flourette Carmichel,** who was a resident of Sonora many years ago. She is again living back in the San Diego area in California. She still considers Sonora her home town, but California is also home. She is well and pleased to be back in that area.

If you read last week's column, you may have wondered where I found a 1992 Sonora Woman's Club Cookbook. The 1992 was a mistake. What I wrote was 1922! The book was published in 1922 by the women of Sonora and had the two recipes for Chevon. The recipe by **Mrs. B. M. Halbert** was for roasting goat meat. I asked around and **Mae Ward** and **Allie Askew** said that the men in the Sheep and Goat Raiser's Association tried very hard to get the government to recognize Chevon as the "official name" for goat meat. **Albert Ward** remembered that Chevon is a legitimate word for goat, and that many in our area wanted it recognized. The theory was that people would eat more goat if the name was nicer. Many people would not buy goat, but they might buy Chevon. They were never able to get the name recognized, but it was a wonderful try at marketing back in the early decades of this century. If you want to cook Chevon at home, you will have to ask for goat meat at the grocery or kill one yourself. The name Chevon did not catch on with the public. No matter what others call goat meat, I call it delicious. Some people say that sometimes it is on a menu as Chevon.

The Library Building Fund Committee will be making an

appeal for funds at the **Sutton County National Bank Fajita Dinner,** Thursday evening, October 19, at 6:00 p.m. at the Depot. The dinner will be hosted by the **Bank Directors, Officers** and staff. The building fund committee will give a tour of the new building and explain the remaining needs for the library. The meal will be an effort to finish financing the library. All interested library patrons and supporters are invited. The meal is free, courtesy of the bank, but donations for the library will be accepted and encouraged.

Allie Askew entertained the Wednesday bridge club at her home last week. Lunch was fried fish provided fresh by some of the **Askew's** hunters. With the fish, **Allie** served black-eyed peas and a tomato aspic salad. Bread was cornbread made with cream cheese and broccoli. It's a wonderful recipe. For dessert we had cheese cake with raspberry sauce. **Allie** had beautiful flowers from her yard all over the house.

Pat Merrill entertained the Thursday club at the **Sutton Co. Steak House.** So many people were out of town that only a foursome played. Those attending were **Bobbye Thompson, Nell Wallace,** and **Guggle Thorp.** **Nell** was high and everyone won a prize. Strawberry pie, chocolate pecan pie, and a fruit plate were served.

This is a busy time of year. **Faye Morgan** and **Rosalie Richardson** spend Thursday afternoons watching grandsons play football. **Jerry Wallace** is touring the east viewing fall foliage. **Vivian Crites, Christine Morriss,** and two other friends have just returned from a driving trip to Las Vegas. They had a wonderful time.

Dean and I attended the celebration commemorating the 50th anniversary of the Library at the Alamo. It has grown in the last 50 years to house some of the finest collections of material on the early days in Texas. It's goal is to encourage serious historical research, and some of the finest historians in the nation are now using material at the library. If you have any family papers, diaries, or documents from early Texas, the library would make a good, permanent home for them.

All I seem to hear these days are comments about the new fees coming out of **City Hall.** The old adage, "You can't fight **City Hall.**" may not hold this time. I have never seen Sonora so unified in anger. One comment said, "We used to be the home of the brave and the land of the free. Now, we seem to be the home of the not-so-brave and the land of the FEE."

BRONCO BAND NOTES

On Saturday, October 21st, the band will perform in the Region VII, Class AAA Marching Contest in Brady. The Mighty Bronco Band is scheduled to perform at 3:30 p.m. We will march 3rd, following Llano and Coleman. We will be followed by Brady, Ballinger and Reagan County.

Please come out and support the band. It will be greatly appreciated.

ACS SETS OCTOBER AS BREAST CANCER AWARENESS MONTH

submitted by Lou Faulks

Breast cancer is still the most common form of cancer among American women, accounting for more than 30% of all cancers in women. One in nine American women will develop breast cancer, about 175,000 this year alone. This year, about 44,500 American women will die because of breast cancer. Only lung cancer causes more cancer deaths among women.

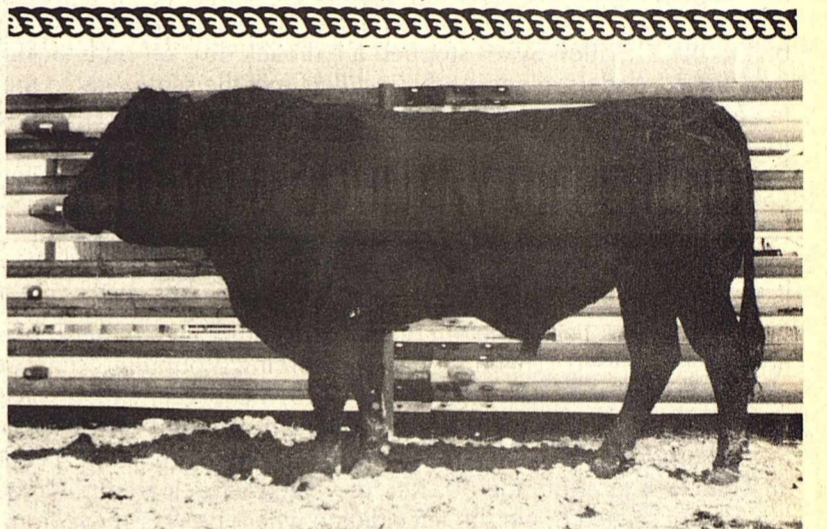

The number of deaths due to breast cancer could be much lower if more women had a mammogram as recommended; beginning with a baseline mammogram at age 35, had yearly breast exams by a physician, and practiced monthly breast self-examinations. By following these simple steps, women can help ensure that developing breast cancers are caught in their earliest, most curable stages.

Risk factors for breast cancer include being older than 50, having a personal or family history of breast cancer, never giving birth, and first giving birth after age 30. There is mounting evidence that a high-fat diet can increase the risk of breast cancer. An injury to the breast may call women's attention to a tumor that is already there, but cannot cause breast cancer.

Breast cancer is mainly thought of as a woman's disease, but men can also develop breast cancer. About 300 men die of the disease each year.

The real hope for the future lies in earliest detection. Researchers worldwide are continuing to find new ways to diagnose cancer, to learn more about the nature of early cancer, and develop better combinations of treatment. The American public and medical profession must be alert to the factors that place women at a higher risk of developing breast cancer, and the need for earlier detection and prompt diagnosis and treatment.

For more information, call the American Cancer Society toll free at: 1-800-ACS-2345.

J.V. AVENGED ELDORADO LOSS

by Lewis Allen

A fortunate schedule gave Sonora's J.V. Broncos a chance to take care of a little unfinished business. They did so by avenging their only loss of the season by shutting out Eldorado, 21-0 last Thursday night.

Sonora's defense stifled the Eagles, allowing only 93 yards total offense for the game, and forcing 4 turnovers. In the first half the Eagles managed only 11 offensive plays for a total of 9 yards and an interception.

Sonora's first scoring drive began off an effective punt return on which Enrique Lopez fielded the ball at the Bronco 20. He handed off to Anthony Renfro, who skirted behind a picket line on the left side for 23 yards. From there, 10 running plays, 6 made by Brad Legan, carried Sonora to the Eldorado 3. Legan then took a pitch to the left behind a wall of blocks to dash in untouched for the first score of the game. Renfro's kick made it 7-0, with 40 seconds remaining in the first quarter.

On Eldorado's first play, after taking over on downs at their own 34, Chris Braly's rush forced a hurried pass attempt. The pass was picked off by Lopez at the Eagle 45 and returned to the 29. Three successive sweeps, two left by Renfro, and one right by Lopez, brought the Broncos to the Eldorado 1. Blaine Wilkinson, Jeremy Schaffer, Kasey Wood, Jason Jacoby, Nathan Favela, Mayer Anderson, Kevin Gann and Chris Braly punched big holes in the Eagle's line. Braly, Anderson, and Gann made room for the final plunge, a drive by Renfro over right guard. A high snap from center foiled the extra point attempt. The score was 13-0 with 6:34 remaining in the half.

The Bronco defense showed its mettle on the next series. Wood's kick-off was returned 73 yards to the Sonora 20, where Lopez made a touchdown saving tackle. A Braly sack was negated by an unsportsmanlike conduct penalty that moved the ball to the 12. Legan made a shoestring tackle on an option pitch left, allowing gain. A Sonora offside penalty, however, advanced the ball to the 7. Shiloh Sykes stopped a halfback dive off right tackle for 2 yards. Anderson and Andy Castilleja met the same play to the left for no gain. A fumbled snap from the center left Eldorado with fourth and goal from the five. A quick pitch wide to the left was stalled by Renfro, then hammered flat by Legan. Sonora drove out to their own 40 to end the half.

The third quarter was played between the 20's. The notable play of the quarter was Sykes stripping the ball from Eldorado's halfback.

Zack Ramos began the 4th quarter by picking up another Eagle fumble at midfield. This drive stalled, forcing a punting situation from the Eldorado 43. The center snap, however, sailed over Renfro's head and rolled to Sonora's 30, where Renfro picked it up and outran three rushers to the right sideline. Picking up speed and blockers at about the 50, Renfro veered left, cleared traffic at the 35 and set sail down the left sideline where he was shoved out of bounds on the 1 yard line. It will go down in the books as a 44 yard gain, but from where he picked it up, it was 70 yards (in actual distance run it was closer to 100). Anyway, Lopez took the pitch left behind Schaffer, Jacoby and Wilkinson into the end zone for a 19-0 lead with 7:28 remaining. On the 2-point conversion attempt quarterback Tanner Fields ran the option left and took a punishing hit just as he pitched to Dustin Harris for the score.

Anderson, Harris, Gann, Sykes, Josh Hunt, Schaffer, Jacoby, Braly and Legan halted the last Eldorado drive. Sonora ran out the clock to seal their 5th victory, and third shut-out of the season.

Statistically, Renfro led all rushers with 84 yards on 13 carries; Legan had 76 yards on 15 carries. Lopez, besides the clutch defensive plays, had 22 yards on 4 carries. Lupe Ramon got the same yardage on 3 attempts. Jacoby had 5 carries for 18 yards; Wood had 2 for 4; Ramos had 2 for 4; and Fields had 2 rushes for 5 yards. The Broncos did not complete any of the 4 pass attempts.

As caregivers we are trained to sustain life, especially when the care is given to a child. Therefore, what we do or say will have a lasting effect on how the child/parent views our service and the crews giving the treatment. The parents are always allowed to be a major part in the care being given to their child. During the ambulance ride they may need to hold the child, depending on the child's age, to help calm any fears the child has. In the event the child becomes critical, the parent is then allowed to hold the child's hand and talk to them. This can help in relaxing both the child's and parent's fears, help to bring down the child's vital signs, and allow the emergency responders to treat the child as needed. The parent can have a calming effect in the midst of the lights and sirens used during transport. In the treatment of a child, all medical terminology used by the emergency responders is brought down to the child's level. It is always a great feeling to us, as EMT's, when a child recovers from an illness or injury. Just knowing we played a big part in their recovery makes us as EMT's feel great to be a volunteer.

The EMS members would like to extend their "get well's" to Sonora Police Officer Mike House. Mike was working at his residence with his hobby of cabinet building when he was accidentally injured. Mike, we wish you a speedy recovery and hope to have you back working with us and the public soon.

A belated Happy Birthday goes to EMT Lenora Pool, who celebrated her birthday on Sunday, October 8th. EMT Leslie Thorp will celebrate her birthday on Friday, October 20th. Happy Birthday, Leslie! Too bad it isn't 11 days later. (We would have loved to have wrapped you good.)

A social gathering was held for Dr. Alvin Gutierrez on Saturday, October 14th, at the Sutton County EMS training facility. Those attending were members of the Sutton County EMS, Lillian Hudspeth Memorial Hospital, Lillian Hudspeth Nursing Home, and Board Members of the Lillian Hudspeth Hospital and Nursing Home Facilities. Dr. Gutierrez will be conducting his residency with Dr. Pajestka. His Doctrine is in Internal Medicine. The community is very fortunate to have a doctor such as Dr. Gutierrez specializing in a particular field.

A CPR class was held October 16th-18th for the Sonora High School's Health Occupation class at the Sutton County EMS training facility. Instructor's for the classes were EMT's Treva McReynolds and Pat Campbell, along with Instructor Diana Green, RN of Lillian Hudspeth Memorial Hospital. A total of eleven students were enrolled for the class.

For ten years the emergency medical service convention has strived to better train EMT's through the many programs they introduce each year. This year the Emergency Medical Service Convention will be in Ft. Worth's Tarrant County Convention Center. It will be held from November 19th-22nd. If anyone in the Sutton County EMS Organization would like to attend this years convention, please contact Donna Keese so your preregistration can be completed by the deadline. Every year there have been at

least 5-6 from our organization who were able to attend and bring back valuable knowledge to better our training capabilities.

DID YOU KNOW? Popcorn and butter, ice cream and cake, jell-o and whipped topping all make great combinations! However, there is one combination that is deadly. Children and guns. In the last five years 399 Texas children under the age of 14 have been killed by guns. Please don't let your children join these statistics. If you have guns at home, please learn gun safety from a certified instructor, keep all guns unloaded, use locked trigger guards, and keep all guns locked in a safe place away from children with the ammunition stored elsewhere in a separate location. Remember: big futures come in little packages. For more information about learning gun safety, please contact your local Law Enforcement or call (512) 834-6740.

The new Sonora Mighty Bronco banner is up and looks great! Big thanks to Tom Clifton and the crew at WTU for getting this done. A motion was made and passed that Boosters will purchase a second banner to hang on the other end of town.

Rowdy Rags were again a sell out. Thanks to our Boosters and supportive fans!

Boosters will decorate the locker room at 6:00 p.m. on Thursday night. All help is greatly appreciated. Friday morning breakfast for the team will be at the Methodist church. Cooks need to be there at 5:45, and players need to be there at 7:00 to eat.

The 7th and 8th grade had an intersquad scrimmage on Thursday. It was a learning time for the kids. Everyone got a lot of playing time. Coaches are really proud of this group of players.

The J.V. went to Eldorado and got their revenge with a score of 21-0. Players were really wanting a win and they went over and did the job.

Friday was a great opening district game! It began with a fun pep rally. The moms and kids really got into the fun and there was a great crowd that helped liven things up.

The Broncos, according to Coach Bellard, went into the game with a solid frame of mind and executed the game plan fairly well. It's hard to play a team that hasn't won a game. It's easy to get too confident. Our group stayed focused. Mike House was hurt early in the game. Anthony Mungia stepped in and did a good job. We had some big plays go our way. It's good to have Josh Burnham back. The kicking game was good except for the extra points; we will be working hard on that during the week. Coach Sessom and the defensive staff did a good job calling defensive plays. Coach Heryford had his pass defensive coverage well schooled. Our punt coverage team has allowed only 1.4 yards per punt return. This was really a good, solid win.

Coach Bellard's comments about Colorado City: The upcoming Colorado City team will be tough. Their group is bigger than the Mason guys. They average 230 across the offensive line. The defensive team will be really tough also. They have a running back that is very fast. We will need to have a mistake free game and will need to stay focused and play hard the full 48 minutes.

Come to the pep rally Friday at 11:50 a.m. and let's all go to the game! Good Luck, Broncos!

NOTICE TO BIDDERS

INVITATION FOR BIDS FOR DEPOSITORY OF OPERATING FUNDS OF THE CITY OF SONORA, TEXAS

NOTICE is hereby given that the City of Sonora, Texas, will receive bids for depository of the City's Operating Funds for the period commencing on December 1, 1995 and ending November 30, 1997. Any banking organization, qualifying under the laws of the State of Texas to act as depository of municipal funds, which desires to act as such depository for the City of Sonora shall submit written application thereof, on the forms supplied by the City, sealed and marked on the outside "APPLICATION FOR DEPOSITORY OF CITY FUNDS, DO NOT OPEN UNTIL 2:00 P.M. ON 11/10/95". Such application shall be received in the office of the City Manager, Sonora City Hall, 201 E. Main, Sonora, Texas no later than 2:00 p.m. on November 10, 1995, at which time such applications shall be opened publicly and read aloud.

All terms, conditions, specifications and requirements for such applications are available upon request made to the City Manager and same are hereby incorporated into this Notice to the same extent as through fully set forth verbatim herein.

The City Council shall have the right to accept the application which offers the most favorable terms and conditions for handling of such funds and shall have the right to reject any or all applications and to waive informalities.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Dolores Barraza,
Respondent:
GREETINGS:
YOU ARE HEREBY
COMMANDED to appear and

answer before the Honorable 112th District Court, Sutton County, Texas, at the Courthouse of said County in Sonora, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Kurt Forest Hadsall and Cecilia Hadsall, Petitioners, filed in said Court on the 2nd day of October, 1995, against Dolores Barraza, Respondent, and said suit being numbered 4149 on the docket of said Court, and entitled "In The Interest of Adam Kreitz Barraza, a Child", the nature of which suit is a request for Termination and Adoption. Said child was born the 26th day of August, 1985, in Lea County, New Mexico.

The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at Sonora, Texas, this the 16th day of October, 1995.

Bobbie Smith - Clerk,
112th District Court,
Sutton County, Texas.

The Scout Report

Fourth Grade Webelos

The fourth grade Webelos have gotten off to a great start this year. On September 11, 1995, the Cub Scout Round-Up was held and five new Scouts joined the group. They are: J.D. Lee, Norbert Ortiz, TaTa Yorba, Shawn Ramos, and Devon Yourand. The other members are: James Ross, Wilson Wallace, David Cook, Joseph Ainsworth, Trapper Valliant, Scottie Moore, Payton Holekamp, and Stevie Hernandez. The fourth graders are led by Camille Ross, with the assistance of Sandi Ainsworth and Beth Wallace.

The boys have spent their first month as Webelos working on their Fitness and Engineering achievements. They have been busy testing their physical strength and learning ways to stay fit and healthy. They have also studied different kinds of engineering, and visited with an engineer, Joe Lane, who showed them the plans for the new library and gave them a tour of the construction site. He also showed them how to measure property lines.

The boys also participated in the flag raising ceremony at the Homecoming football game.

They will be busy in October with many fun activities planned, as well as the annual popcorn sale. We appreciate the support from the community for this event.

Bear Scouts

The Bear Scouts (3rd Grade) of Pack #19 in Sonora have started off with a very busy year.

We toured the Sutton County jail at the end of September. Thanks to Deputy Wooten for the interesting tour he gave. Thanks also to Marie Hollmig and Bob Harris for the finger-printing.

Later in the month everyone made footprints in plaster. After that we studied tall tales. This was a very fun activity.

On October 9th we met at the Methodist Church to work on our cooking achievements. The boys made milkshakes and brownies. We also enjoyed croquet and volleyball at that meeting.

On the 16th the bears made wooden tool boxes. That was interesting and fun.

The scouts participating in these activities were: Austin Wagoner, Steve Reyna, Zachary Wall, Jeffery Dungan, Luis Lerma, Will Ferguson, Laramie Hall, David Adkins, Jason Chadwick, Clayton Hicks, Brian Payton, Benny Frasier, Andrew Barthelemy, Nathanael Prather, and Dustin Creek.

Wolf Scouts

Den 2 of the 2nd grade Wolf Scouts have been busy during the first month of the Scouting year. The boys began the year with the Cub Scout Round-up on September 11th and had many new Scouts sign up to join the fun.

The boys in Den 2 are: Steven Duhon, Will Crittendon, Miguel Lerma, C.J. Turney, Joshua Dunn, Warren Wallace, Cameron Cox, Embre Smith, Walsh Hearn, Cullen Parker, Roland Solis, Aaron Warren, and Tyler Talley. Leaders are Beth Wallace, Faye Cox and Jeannie Warren.

The boys have been busy in September working on their Bobcat badge, learning the Cub Scout Promise, Motto, and Law of the Pack. They have also worked on Fitness activities, led den flag ceremonies and worked on craft activities, as well as participated in the flag raising ceremony at the Homecoming football game.

Many of the boys attended the Cub and Dad camp out at Camp Sol Mayer on September 30th and October 1st, and had a great time. They are looking forward to October with many activities planned to continue working on their achievements.

Tiger Cubs

The Tiger Cubs have begun their first year in scouts. There are thirteen first-grade boys participating. They are: Shane Love, Travis Valliant, Alonzo Pena, Tanner James, Marc Hernandez, Cody Perez, Nicholas Shurley, Clayton Smith, Dustin Duhon, Christopher Knight, Robert Patton, Robert Daniel Guerra, and Jonathan Marrs.

The Tigers participated in the flag raising ceremony at the Homecoming football game on Friday, September 22nd.

The Tigers met again on October 5th. They learned about constellations and how to find the big dipper. They also learned some of the Indian folklore about the stars and constellations.

Many of the boys attended the Cub and Dad camp out at Camp Sol Mayer on September 30th and October 1st, and had a great time.

The Tiger Cubs meet the 1st and 3rd Thursday of each month from 4:00-5:00 p.m. at the Scout Hut. If you have a child interested in joining, please contact Teresa James at 387-3156 or Cathy Smith at 387-2507 or 387-2164. The next meeting will be Thursday, October 19th.

SENIOR CENTER NEWS

by Juanita Mesa

For only a \$5.00 donation, our staff will make a beautiful tribute from you to the person of your choice. Whether it is a birthday, anniversary, a thank you, a get well message, or just a note saying you care, a Senior Center tribute will make a special person feel "truly special." Donations benefit the Sutton County Senior Center.

Memorial gifts are accepted and greatly appreciated! We also have a "gift fund," which is used to celebrate participants birthdays and holidays.

The Senior Center is looking for a group leader (volunteer) to help coordinate the walking program. If you can help, please contact the Senior Center's staff Juanita, Amelia, Lilia, Nora or Victoria. The "Walk for the Health of it" program emphasizes the importance of physical fitness. Come join us.

The Senior Center would like to form a hospital or nursing home "visitation committee." If you are willing to be a member, please contact one of the Center staff. Members of our committee will visit members of the Senior Center when they are in the hospital and our friends at the nursing home. Will you volunteer now!

The Committee on Aging and Senior Center invite everyone in Sonora to a Halloween Bash on Tuesday, October 31st from 6:00-8:00 p.m. The bash will be held at the Sonora Senior Citizens Center, 106 Wilson. "Old Tyme Country Band" will play for all the Monstrous Seniors, so dress as your favorite ghoul.

Costumes will be judged, and prizes will be awarded. Refreshments will be served. The costume contest is for Senior Citizens only. Judges will be high school students.
