## The DRN Briefs

### Photo Buttons

If you ordered sports photo buttons from the Booster Club, they may be picked up at The Devil's River News office.

### Mature Driving Course

A 55 mature driving course sponsored by AARC will be Saturday, Nov. 2, at 9:30 - noon and 1:00 - 3:30 p.m. at the Senior Center. The cost is only \$8. Sign-up now. All persons 50 years of age and over are welcome.

### Senior Halloween Party

The Halloween Masquerade Party will be Oct. 30. Dress up in your scariest and best costume for an afternoon of entertainment. Carolyn Earwood and her little dancers will be performing after lunch. Come for Bingo, a cupcake walk, and other games. Prizes will be given for costumes.

### Adult Education

Adult education classes will begin Tuesday, October 11, 1996. Classes will be held at the vocational Building on the corner of E. Second and Prospect from 6:30-9:30 p.m. The classes will include English as a second language and GED preparation. For more information call 387-3029.

Clases de educacion para adultos empezaran martes, primero de octubre. El sitio sera en el "Vocational Building" en la esquina de la calle segunda y Prospect de las 6:30-9:30 de la noche. Las clases incluyen ingles como segunda idioma y preparacion para el GED. Para mas informacion llame el telefono 387-3029.

### Worship Schedule-First United Methodist Church

Sunday, October 6, First United Methodist Church will have an early worship service at 8:30 a.m., and Sunday School at 9:45 a.m. We will not have our regular 11:00 worship service so that we can participate in the Homecoming Service on the Courthouse lawn.

### Ministerial Alliance To Host Homecoming Service

Once again this year, the Ministerial alliance of Sonora will be providing an ecumenical worship service as part of our Homecoming celebration. Sunday, October 6, at 11:00 a.m., everyone is invited to the Courthouse lawn to join in this time of worship for all members of the community as well as visitors.

### SWCD Election

Edwards Plateau Soil & Water Conservation District election for zone 4 director will be October 9, 1996, at 8:00 a.m. at the 4-H Center. The election will be followed by an Extension Service brush control field tour.

### Dee Ora Lodge Meeting

The Dee Ora Lodge #715 in Sonora would like to invite all Masons to attend their two-day Masonic Camp Meeting to be held on the L.P. Bloodworth Ranch fourteen miles down Caverns Road. It will begin at 4:30 p.m. October 4th when the chuck wagon arrives at Masonic Canyon. Degrees will be conferred after study sessions. All meals will be furnished "Chuck Wagon" style. Bring your camper, your tent, or your sleeping bag and enjoy a week-end of Masonry. For more information, call 387-5988 or 387-3063.

## David vs. Goliath

Justin House, 11, escapes the grip of a Marble Falls Mustang.

submitted

This past Friday, the Broncos travelled to Central Texas, the land of the lakes, to play the Marble Falls Mustangs. The Mustangs, a 4-A school, coming off a tough loss to the Llano Yellowjackets, the week before, came out to prove a point. The point being that they were a better team than their win/loss record indicated. This was also their homecoming, which only added to the Mustang intensity. On the surface when one looked at the two teams, one immediately noted the differences, the Mustangs were bigger, a lot bigger; Sonora was close to being outweighed 20 to 30 pounds per man. If you were ranking boxers, they out reached Sonora, out weighed Sonora, and were just overall bigger than Sonora, but for three quarters the Broncos stood toe to toe and matched punch for punch and as in the movie *Rocky*, one would think that their was no way for the Broncos to keep getting up after being knocked down, but the tenacity of the boys from West Texas was one

to be admired. There was no reason for the men in red to hang their heads after the loss to the Marble Falls team, for this game wasn't that pretty for the Broncos, due to mistake after mistake, but everything the Red Hosses failed, they found a way to get themselves back into the game. There was just no grit in this team, and they don't know it yet, but in the weeks to come, Llano, Crane, and to the rest of the District 8 3-A line-up, it will become apparent that the lessons learned from this game will help in the goal of the 1996 Broncos, a District Championship.

The game itself did not have a lot of highlights for the Broncos and if you read the Standard-Times on Saturday, you saw that the Mustangs held the Broncos to possibly the lowest offensive output in many years. The offense did have some bright spots as they were able to put six points on the board midway through the third quarter on a two yard pass from Caleb Barker to Brad Legan with Anthony Renfro coming on to add the extra point. At this

point, the Broncos are only down seven points, 14 to 21. This was as close as it got as the Mustangs began to grind out yardage and the ball away from the Broncos to take a 14 to 33 win.

The defense had the toughest stars, as David Arevalo, Michael Braly, Justin House, Walker Wallace, and Caleb Barker just to mention a few who rose time and time again to stop the massive blue and gold machine of the Marble Falls Mustangs. The brightest spot on defense came on a safety blitz by Justin House that hurried the Mustang quarterback and Caleb Barker was able to deflect the pass and then intercept it and out run the Mustangs for the initial score with Renfro adding the extra point.

This reporter would once again commend the Broncos for their heart, tenacity, and character that they displayed in the face of Goliath. Keep your heads high and welcome the Yellowjackets to Bronco Stadium this Friday. Show the same style and character and the rest will take care of itself. Good luck this Friday!

## Scouts To Hold Benefit Car Wash

The Boy Scouts of Sonora's Troop 19 will hold a benefit car wash on Saturday, October 5, 1996, at the First National Bank. You are invited to bring your vehicles between the hours of 9 a.m. and 3 p.m. Funds raised will go toward helping send scouts and their sponsors to Philmont, a camp in New Mexico, as well as the troop's operating fund. Your donation is greatly appreciated.

## Fall Festival Plans Nearing Completion

by Sharon Key, Main Street Director

On Tuesday, October 15, 1996, the Sonora Independent School District will hold its annual Fall Festival in the 200 block of East Main Street in downtown Sonora from 4:00 to 8:00 p.m.

The festival will begin at 4:00 with a parade of children ages preschool through fifth grade in their costumes. The parade will begin at the base of the Courthouse steps and proceed west down Main Street to the intersection of Main and Concho.

After the completion of the parade, the booths will open for

business. The booths will open at approximately 4:30 p.m. and close at 8:00 p.m. Again a variety of booths are offered by various classes and organizations of the Sonora Independent School District including a concession stand, dunking booth, cake walk, and many others. The entire community is invited to participate in the Fall Festival to help the Sonora youth in this annual fundraiser. Costumes are encouraged but not required.

The Sonora Independent School District and the Sonora Main Street Project would like to invite everyone to the Fall Festival for food, fun, and fellowship.

## Attention All Sutton County ICA Members and Local Ranchers

by Johnston Holekamp, President, Sutton Co. ICA

The Sutton County ICA cordially invites you to attend a Dutch Treat Supper and Special Agricultural Update Meeting, Monday, October 7, 1996, beginning at 6:30 p.m. at the Sutton County Steakhouse. Representative Bob Turner of Voss (District 73) will be our guest speaker. He will speak on the Texas Agricultural Outlook for 1997. Charles Carter, ICA State Executive Director/Legislative Director will also be attending. Charles will just be returning from a trip to Washington, D.C.

Please plan on attending and showing the strong support we have in our area. If you should have any questions concerning this meeting, please contact the ICA office at 512-836-1321.

Hope to see you there!!

## Parade Kicks Off Homecoming Festivities

Parades, reunions, tributes, and parties all bring to mind homecoming any place and any where in the United States. This Friday in Sonora, current and past citizens will participate in this American tradition that is usually celebrated during the Fall football season as the local team hosts an exciting bout to stands overflowing with past and present friends.

The Homecoming Parade will kick-off the formal festivities at 3:30 p.m. in front of the Elementary School. The parade will end at the Methodist Church parking lot followed by the Bronco Pep Rally. The Broncos will be cheered and supported by the community in preparation for their encounter with the Llano Yellowjackets at Bronco Stadium. The pregame activities begin at 7:30 with the Sonora Bronco Band entertaining before the 8:00 kickoff! The 1996 Homecoming Queen will be crowned during the halftime regalia. When the final buzzer sounds, homecoming continues at the Sutton County Steakhouse with an after game party for all former students, teachers, spouses, etc.

The festivities continue on Saturday at the 4-H Barn with registration at 10:30 a.m. Beef and chicken enchiladas will be served at the noon luncheon with a program honoring Charlotte Wilson and Ross Hay, former teachers, as well as recognition of the classes of '31, '36, '41, '46, '51, '56, '61, '66, '71, '76, and the '66 State Football Team.

A highlight of this program will be Perry Henderson's display of woodworking projects

with subjects such as cranes, loaders, and other heavy equipment. Henderson of Houston, a woodworking hobbyist, builds his detailed replicas from 1/18 to 1/6 scale. These models are not the kind you can buy in a hobby shop since one of his cranes was eleven feet long and 400 pounds! The replicas of heavy equipment are fashioned down to minute details of the engines and even lug nuts on the wheels. He has built 45 different models from white pine averaging five or six models a year with each one taking about two months to complete. A perfectionist, Henderson gets a great feeling of accomplishment from building the models and uses the profits from the sale of his models for God's work.

After the program, there will be free time for visiting and reminiscing from 2 p.m. until 3 p.m. followed by a tour of the rock school building and old high school from 3 p.m. until 4:30 p.m. Local exes will prepare and cater a barbecue supper at 6 p.m. The evening will conclude with more visiting and entertaining music by Wilena Holden. All past and present persons and their spouses involved in the Sonora Public Schools is invited and encouraged to attend.

The community will conclude their homecoming activities with a Community Homecoming Worship Service on the Courthouse Lawn, Sunday morning, at 11:00 a.m. The services will be conducted by the Ministerial Alliance. Please bring your lawn chair if you come.

## Town & Country Store Texas Lottery "Winners" Ceremony Held

submitted

Store personnel at San Angelo's Town and Country Food Store at Sunset and Sul Ross cashed in on the good fortune of David Crawford, local winner of approximately \$3.5 million in the Texas Lottery on August 31.

Friday, September 27, at 10:00 a.m., checks totaling \$7,070 were presented to store personnel by Don A. Allison, president of Town and Country Stores. The checks awarded to

the employees are the result of Town & Country's policy of giving a portion of the company's commission to all employees of stores which sell winning lottery tickets.

"We want to recognize our employees and the part they play in making our association with the Texas State Lottery successful," said Mr. Allison. "As with all our programs, the employees are the primary key to our success."

The Directors of the Sonora Chamber of Commerce hosted a mixer to meet new police chief, Chris Croy, his wife Tonya, and their daughter McKenzie, and interim superintendent, George Wright and his wife Carol. Rev. Ron Myers introduced the families and Chamber Directors served refreshments.

Pictured above are George and Carol Wright and Tonya and Chris Croy.

## Sonora's Collegiate Corner

Clifton Charles Hudson of Sonora is a summer quarter graduate of Texas State Technical College (TSTC) in Waco. Hudson is a graduate of the Diesel Mechanics program.

Marshay Wuest, daughter of Mike and Sandy Wuest, of Fredericksburg, Texas graduated from Texas A&M University, College Station on August 16, 1996. She received a Bachelor of Science in intradisciplinary studies.

Marshay is teaching 5th grade at Bill Brown Elementary in Comal I.S.D. and lives in New Braunfels, Texas. She is the granddaughter of Oliver and Annabel Wuest of Sonora.

## Cooking with Food Center

This column will appear each week as a courtesy to our customers. We hope you enjoy the recipes, Town & Country Food Center & The Devil's River News.

### Chicken Corn Chowder

4 slices bacon  
1/2 cup chopped onion  
1/2 teaspoon thyme leaves  
3 tablespoons flour  
3 cups half and half or milk  
1 1/2 cups cubed cooked chicken  
1 (10 ounce) package frozen whole kernel corn  
1 medium potato, diced  
1/2 cup chopped red bell pepper  
2 cups water  
2 tablespoons Wyler's Chicken Flavor Instant Bullion  
6 Chicken Flavor Bouillon Cubes  
1/4 teaspoon pepper

In saucepan, cook bacon until crisp; remove and crumble.

In drippings, cook onion and thyme; stir in flour until smooth. Add remaining ingredients except bacon; bring to a boil. Reduce heat; simmer 30 minutes. Garnish with bacon. Refrigerate leftovers.

Recipe courtesy of Wyler's Bouillon, Borden Inc.

Sausage Pizza, Peach Half, Cottage Cheese, Tossed Salad, Banana Pudding

Guest Meals are \$4.00.

Suggested donation for Senior Citizens is \$1.75.

## Card of Thanks

...A tribute to the Kerrville VA Medical Center Hospice Team. We are so grateful and we want to thank you, Kerrville VA Medical Center, the Kerrville VA Medical Center Hospice Team and all who helped to comfort our family there in our time of need. As each individual lives with grace and style, so should they die that same way. My father died this week in the loving care of the Hospice Team at the Kerrville VA Medical Center. Those last hours of his life were important to us. Each hour, his needs and our needs were met, our questions answered, and our hands held as he lay peacefully in his bed. As we sat with our darling father (my mother's life-long companion of 54 years) and as family memories flashed in our heads, he took his last breath. Now, that Hospice Team is forever part of our family's memories and because of them, my father's last few hours were spent in peace.

Again we want to extend our thanks and praise to the Kerrville VA Medical Center staff, Kerrville VA Medical Center Hospice Team and those at the hospital that helped with our father this week.

Sincerely,

Trudy Driskell & W.D. Jones Family

## Card of Thanks

Daisy Troop #102 would like to say thank you so much to the following people for their contributions to our troop. It is really great to be in a community that supports their Girl Scouts.

Food Center - Lisa Galindo and Jerry Wood

Perry's - Mr. Gray

Westermans - Ronnie Cox

Red Hoss Feeds - Johnston Holekamp

The Ben Ingham family

H and H Concrete - Dan and Rosa Hawkins

## Card of Thanks

The Sonora Chapter of the Legion of Mary would like to take this opportunity to express our thanks in making our 75th anniversary celebration a great success. Special thanks go to Fr. Bill Du Buisson, O.M.I., Fr. Ray Gallagher, Kathy Hardgrave, St. Ann's Choir, Mrs. O.L. Richardson Jr., Rebecca Salinas, Medardo Arredondo, Harold Martinez, Tabitha Sanchez, Erica Aonseco, Arturo Sanchez, Jessie Noriega, Elida Castro, Thorp's Laundry, Andrea Chavez, and Carl Vargas. A very special thanks goes to Mrs. Monica DuRussell, President of Sonora's Presidium.

## Ask The Historical Society

Pictured above is Mrs. Josie McDonald who bought the hotel owned by Mr. Wyatt and renamed it the McDonald Hotel.

by Jo-Ann E. Palmer, Secretary, Sutton County Historical Society

Q. How did the Dry Devil's River get its name? Why is it called a river when it is dry all the time?

A. After looking at old maps going back to the early 1800's, I am even more confused than when I started looking up a concise and correct answer to this question.

Before 1846 the Devil's River was called the San Pedro River. I then find old maps showing the San Pedro River from Del Rio north to Beaver Lake where it changes to the Devil's River and an unnamed at that time draw that runs to Howard's Spring. On several old maps of trails, we find the San Pedro changed to the Devil's River to its source, north of Sonora. Then around 1930 suddenly the name changes to the Dry Devil's River up to Sonora then we find that what had been Ft. McKavett Draw has been relabeled the

Lowrey Draw, and Meckel Draw is still in existence. The current map of Sutton County shows the Dry Devil's River running up into the city limits and then further north lists Meckel Draw and Lowrey Draw. How these changes came about, and how the names were changed, except for the 1846 change from the San Pedro River to the Devil's River, we don't know. You would have to ask Austin why their people labeled the draws the way they did in the 1930's when they came out here and started putting signs in the ground.

In 1890 articles in the Devil's River News, Mike Murphy tells of sitting at his table in his tent and writing his column with the Devil's River roaring in the canyon outside. So in 1890 he refers to the Dry Devil's River as just the Devil's River and further west as Howard's Draw. We really don't know any more because of all the map changes just what is supposed to be what anymore

and will refer you to Austin. Mike's tent was set up at the corner of Main and Concho where Westerman Drug now stands, so he was definitely talking about what is now labeled as the Dry Devil's River.

Now we will address why it is called a river. The water table has fallen greatly during the years. Many old timers have said that there was always a trickle of water at least in the now called Dry Devil's River but that as the springs dried up so did the water. Since early days the placid little now dry draw has turned into a roaring broad river. There have been many times it has overflowed its banks and since the bridges were erected it has been up over the top of them. Don't be fooled by these dry little washes around here; pay strict attention to the high water signs put up in them. Inattention could cost you your life.

There are articles telling of people putting up dams alongside the river and creating water holes and stock pens. There had to be water running most of the year to enable them to do this. One man even made a pond alongside the river and had paddle boats in it and a small restaurant. In these articles, it is again called the Devil's River. I can easily understand why there is so much confusion regarding the name after looking at all these maps and reading articles that refer to the town of Sonora on the banks of the Devil's River. Since this is a historical society, and we don't guess we will refer you to Austin for clarification.

Now for a personal note. Rick and I would like to express our sincere appreciation to the

Sonora Police Department for the excellent job they did on house watch while we were away on vacation. The only thing different when we got back was the grass. From the looks of it you had quite a bit of rain while we were gone. We had a long trip to Idaho, Washington, and Oregon. In Idaho we worked on Rick's family tree, and we saw his mother in Brememton, Cdr. Mrs. Lynn in Tacoma, and our daughter, Tina, in Vancouver, Washington. We then went for rides with her up along the Columbia River to the different falls and lookout points and on a tour of her duty station on Swan Island in Portland, Oregon. It was typical Washington, Oregon weather, cloudy and damp, but everything was beautiful, and we had a really nice time.

If anyone has any questions about renting the Cauthorn Memorial Building (Depot) or tours of the jail, they should contact the Chamber of Commerce. I will no longer do work that requires me to climb any stairs or any physical labor, as per doctor's orders.

If you have any questions concerning Sutton County history, send them to me at "Ask the Historical Society," P.O. Box 885, Sonora, TX 76950-0885 or give me a call at 915/387-5144 after noon please. I will not do any research in the morning or accept any calls regarding history or research before noon. My husband works till midnight and sometimes later and needs his sleep in the morning. Please accept our new schedule and only call after noon or in the evenings. Thank you!

### 7th Grade Colts

continued from page 7  
Renfro waltzes into the end zone. On the two point conversion attempt, Elliott finds Stetson Hall all alone in the corner of the end zone to make the score: Colts 28-Eagles 0. The next Eagle possession proved fruitless and the Eagles were forced to punt once again. However, this time Stetson Hall broke through the middle and blocked the attempt. Sonora regains the football on the Eagle 28 yard line. This series sees a new set up in the Colt backfield with Fields at quarterback, Renfro at fullback, and Tim Warden at the tailback. Fields pitches to Warden going right; Warden is able to get to the 2 yard line on a superb run. On the next play Warden once again gets the honors and scored the

final touchdown of the evening for the Colts. The try for two fails thus giving the Colts a 34 to 0 advantage. With time running out, the Eagles are finally able to mount a threat, with their tailback breaking for a 38 yard gain. However, Chance Armke makes back to back great defensive plays to stop the Eagle advance, and the Bronco Red offense takes over on downs. The Eagles get one more try as they are able to stop the Colts. On the next offensive possession by the Eagles, they once again go to the air in hopes of finding a tapping Colt secondary, what they find is #21 (Brandon Scott) who intercepts the ball for the Colts and returns it to the Eagle 30 yard line, where time expires, and the Colts sustain another win. Colts 34-Eagles 0.

The Colts will host the 7th grade team from Llano this Thursday at 5:00 p.m. Come out, and let's start Homecoming off with a bang. See you on Thursday. Go Colts!!!

Edgar Gonzales, 20, takes down an Eagle.

### Freshman Broncos 2-2

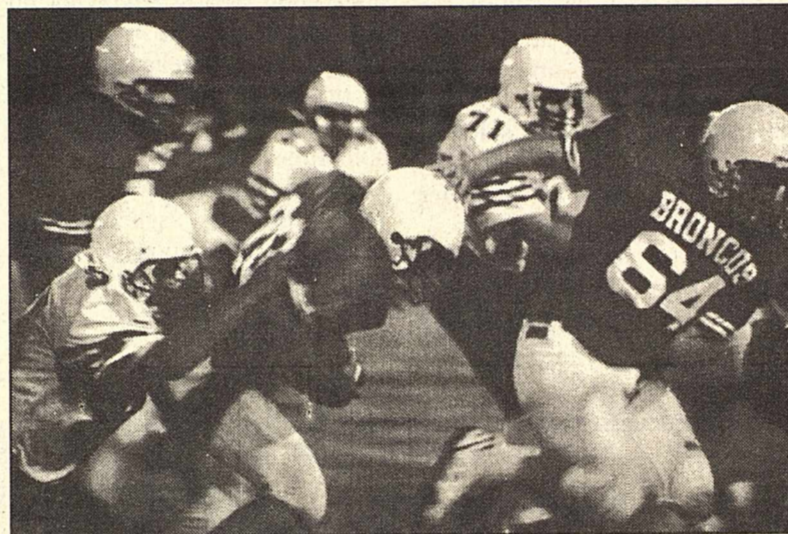

by Brady Lock

The Broncos had another bad break this past week against the Grape Creek Eagles. They played the Eagles on Thursday, September 26. The Broncos won the toss and chose to receive. It was a tough game for both sides the first quarter. With about five minutes left on the clock, the Eagles threw a deep pass that was out of reach for the Bronco defenders. The Broncos stopped their two point conversion try. The Broncos received one more time and fumbled on the kickoff. The Eagles drove to the endzone. Again, the Broncos stopped the two point conversion try. The Broncos were dri-

ving the ball well until the Broncos gave it up because of downs. Once more, the Eagles drove to the endzone with one long run.

Going into the half, the score was 18-0 in favor of the Eagles. The Broncos came out after the half with their heads held high. The Broncos defense didn't allow the Eagles any points the whole second half. Although the Broncos were not able to score, they played a hard game.

The Broncos will be playing the Llano Yellowjackets on October 3 in Llano. Wish all of them luck. They plant to get a victory.

Brady Lock, 64, clears a path for the Bronco offense.

## OPEN LETTER

by Robert Bryson

Mr. Franklin Upp's response to my article on Bobbie Bryson's plea for help with Social Security Benefits is totally incorrect. Mr Upp is the District Manager in San Angelo who took it upon himself to represent Social Security Administration as a whole and state... "the welfare changes signed into law on August 22, 1996 did NOT stop all benefits being paid..." It did stop Bobbie's!!! Bobbie's application was sitting on a medical examiner's desk on hold until the law is interpreted as it pertains to her case. This medical examiner gave this information out not only to me, but the politicians I asked for help from.

I personally think it is a tragedy if any application is being held up for any length of time. I also think it is not wise for any state or federal employee to use the media in the way Mr. Upp did without getting the facts. His interpretation for the new law is certainly different from information given to us during the processing of Bobbie's application from the other Social Security offices in Austin and Dallas. But Mr. Upp stated that he represents Social Security Administration as a whole. So who are we to believe??? Mr. Upp did not contact me or anyone else in this family to get the facts; he should have been writing to others within Social Security and correcting

those giving out this information... not the newspapers.

With a 6 digit medical bill facing us, and being told of the hold on Bobbie's file, what else were we to do? Thank God for the following help we did get to get Bobbie's application off hold: State Representative Bob Turner; State Senator Jeff Wentworth; and the Honorable Henry Bonilla. Also, credit does need to be given to Mr. Upp and his office; we have received an update from his office, and we are now filling out papers to have her application approved for benefits. Anyone dealing with social security knows what a hassle this is, but it is a small price to pay when you consider what benefits Bobbie will receive the rest of her life.

Bobbie and Maida are finally back in Tennessee. Bobbie is taking 6 to 8 weeks of reinduction chemotherapy, which began Tuesday 9-24-96. At the end of the reinduction treatments, they will reevaluate her condition and continue the treatments as her condition dictates. Please continue to pray for her!!! I will be in TN from Sunday to Wednesday, then return each week to run our business at Sonora Livestock Auction. All Bobbie's and Maida's friends are welcomed to call either here at the auction barn Thursday thru Saturday or to the La Quinta Motel in Tennessee (901)526-1050, room 177.

## Legion of Mary Celebrates Diamond

submitted

The Sonora Chapter of the Legion for Mary celebrated the 75th Anniversary of their founding. A luncheon was held in honor of their diamond anniversary with other members from around the San Angelo Diocese attending.

The mission of the Legion of Mary's active members are composed of many actions. One of them is bringing ministry to shut-ins, the ill, elderly, and nursing home and hospital residents. Along with their ministries, the legionnaires vow to recite prayers and the Holy Rosary daily. Along with the active members, the legion also consists of auxiliary members who also pray the rosary daily but are not active in the Legion's ministries.

As of September the 27th, the Legion is having a pilgrimage of a statue of the Blessed Virgin Mary. Currently the statue is at the residence of Mercedes Chavez. On October the 7th, the statue will be at the home of Primitivo Gonzalez, Sr. If you wish to have the statue of Mary for a week in your home, please contact Maria P. Chavez 387-2305, Olivia Hernandez 387-3070, or Brenda Sanchez 387-2132.

## The Scout Report

by Clay Hicks

A large group of Sonora's outstanding boys and their adult side-kicks attended one of the annual Cub and Dad Campouts at Camp Sol Mayer last Saturday, September 28, 1996. We were blessed with beautiful fall weather, and we spent most of the afternoon enjoying activities planned by a very dedicated staff, including Ronda Hall from Sonora. The organized events included silk screening, horse-shoes, mouse trap fishing, golf, football throw, roping, obstacle courses, archery, riflery, rappelling, canoeing, wrist rockets, dinner, and breakfast. Other activities include fire building, marshmallow cooking/eating, fishing, baseball, and football which included a game against Mertzon, that Sonora won by 12 points.

The troop pitched their tents in the Lonesome Pine Camp. There were nearly as many vacationers in tents as in the 46 people in attendance from Sonora. Campers included: Jacob and Stanley Adams, David and Tony Adkins, David and Jesso Cook, Will and Arthur Crittendon, Will and Bill Ferguson, Benny and Ben Frasier, Frank and Carlos Gallegos and nephews, David and Diano Luna, Laramie Hall and Uncle Danny Harden, Walsh and Daryl Hearn, Coleman and Mark Hemphill, Stevie and Steve Hernandez, Clayton and Clay Hicks, Ty and Shane w/ Grandad Tommy Love, Mason, Morgan, and Eddie Martinez, Brandon and Todd Munn, Josh, Brian, and Tom Payton, Nathaniel and David Prather, Roland and Johnny Solis, Tyler and Tim Talley, Wilson, Warren and David Wallace.

## SENIOR CENTER NEWS

Beginning Oct. 3rd, Elvira Harrison from Midland with the John J. Ingram & Associates will be at the Center once every other week to help anyone who has been denied Social Security Disability claims. Call for an appointment 1-800-299-6809, 387-5657, or 387-3941.

H.E.B. Camp - it's time again for the H.E. Butt Foundation Camp located on the Frio River near Leaky. Join in with seniors from all around the Concho Valley for rest and relaxation, dancing, campfire, games, wonderful home-style cooking, and the enjoyment of meeting new friends and renewing old acquaintances in this beautiful scenic Hill Country atmosphere. The total cost is \$35 which covers transportation, lodging, and meals. The camp will be on Oct. 21, 22, 23rd. For more information call Juanita Mesa at 387-5657 or 387-3941.

Holiday crafts will begin Oct. 15 with Olivia Longoria.

The Halloween Masquerade Party will be Oct 30. Dress up in your scariest and best costume for an afternoon of entertainment. Carolyn Earwood and her little dancers will be performing after lunch. Come for Bingo, a cupcake walk, and other games. Prizes will be given for costumes.

Birthday Party! Join us for our special birthday celebration held each month. Old Country Thyme Band will perform right after lunch, Tuesday, Oct. 22nd.

Nutrition Education - Kelly Thorp will present valuable information at noon, Wednesday, Oct. 23. Share a recipe and good

food with us.

Van to San Angelo - Thursday, Oct. 17th Call Lilia for reservations 387-5657 or 387-3941.

Bingo will be played on Mondays instead of Tuesday starting Oct. 1st.

Flu shot clinic will be Oct. 22nd. Call for transportation if needed. Call now.

Aerobics, exercise, dancing, every Monday and Wednesday at 2:30 p.m. with Tamara from Cornerstone Home Health. Play bingo and then stay for exercise.

A 55 mature driving course sponsored by AARC will be Saturday, Nov. 2, at 9:30 - noon and 1:00 - 3:30 p.m. at the Senior Center. The cost is only \$8. Sign-up now. All persons 50 years of age and over are welcome.

## October Is Breast Cancer Awareness Month

An estimated 184,300 women will be diagnosed with breast cancer in 1996. About 1,400 new cases of breast cancer will be diagnosed in men in 1996. About 44,300 women will die of breast cancer and 260 men in 1996. Breast cancer is second only to lung cancer as a cause of cancer death.

Although the incidence of breast cancer has been on the rise, early detection and improved treatment have kept mortality rates stable over the past 50 years.

Signs and symptoms: pre-clinical radiographic signs seen on a mammogram. Breast changes, such as a lump, thicken-

ing, swelling, dimpling, skin irritation, distortion, retraction, scaliness, pain, tenderness of the nipple, or nipple discharge.

Early detection: The Society recommends that asymptomatic women aged 40 to 49 should have a screening mammogram every 1-2 years; and women aged 50 and over every year. In addition, a clinical breast exam is recommended every three years for women 20 to 40, and every year for women over 40. The society also recommends monthly breast self-exam as a routine good health habit for women 20 years or older. Most breast lumps are not cancer, but only a physician can make a diagnosis.

**Chiropractic Care Questions & Answers**

**Second Hand Rose**  
Clothing for the whole family.  
Eldorado, TX 853-3736

My my bones are brittle and break easily. Is chiropractic safe for me?

Yes. Chiropractic care includes many forms of treatment and a chiropractor would choose a specific treatment plan to meet your needs. A chiropractor would design a specific plan of treatment for you that would eliminate and procedures that might put undo stress on your brittle (osteoporotic) bones.

Should I stop my regular chiropractic visits during pregnancy?

Chiropractic care can be very beneficial during pregnancy. Many women experience some degree of back pain during their pregnancy and find their options for relief limited. Chiropractic can provide back pain relief to many

pregnant women without resorting to medication. Your chiropractor will be able to modify treatment as your pregnancy progresses to allow for changes in your body.

What agency should I contact to get the name of a reliable chiropractor?

Contacting either chiropractic college is a good place to start. Texas Chiropractic College's telephone number in Houston is 713-487-1170. Parker College of Chi-

ropractic's telephone number in Dallas is 214-438-6932. You can also contact the Texas Chiropractic Association in Austin at 512-477-9292. Any of these sources should be able to help you locate a doctor in your area.

Back Talk is copyrighted by the Texas Chiropractic Association. A panel of chiropractic editors is co-chaired by Dr. Paul Jaskovick, DC, graduate dean, Parker College of Chiropractic, Dallas, and Dr. Doug Davison, DC, graduate dean, Texas Chiropractic College, Houston. Questions can be sent to Back Talk, TCA, 1601 Rio Grande Suite 420, Austin, Texas 78701

9 Edwards Plateau Soil & Water Conservation District election for zone 4 director, 8:00 a.m. at 301 Crockett in Sonora.

29 TS&GCB Election, (ballots postmarked prior to midnight)

submitted

The third High School Rodeo was held last weekend in Ozona, Texas.

These are the results of local contestants on Sat., Oct. 28: Tommy Tiffie scored a 72 in the Boys' Cutting to take 1st place. In the Calf Roping, Kelly Morrow had a time of 17.96 for 10th place. In the Breakaway Roping, Kendra Jones had a time of 3.16 for 1st place, Dana Duhon 4.35 for 6th place, and Kelly Jones 4.97 for 7th place. Tommy Tiffie and Cody Callaway in the Team Roping had a time of 19.42 for 8th place. In the Goat Tying, Kelly Jones had a time of 7.28 for 1st place, Kendra Jones 9.06 for 5th place, and Dana Duhon 10.19 for 8th place. Walker Wallace had a time of 9.69 for 2nd place and Kelly Morrow had a time of 17.29 for 3rd place in the Steer Wrestling.

The results of Sun. Oct. 29:

Tommy Tiffie scored a 70 in the Boys' Cutting to take 3rd place. In the Calf Roping, Walker Wallace had a time of 10.61 for 1st place and Kelly Morrow had a time of 12.70 for 3rd place. Casey Bradley scored a 73 in the Bull Riding to take 1st place. In the Breakaway Roping, Kendra Jones had a time of 4.26 for 7th place. Cody Owens and Walker Wallace had a time of 8.59 to take 1st place and Tommy Tiffie and Cody Callaway had a time of 40.87 for 9th place in the Team Roping. In the Goat Tying, Kelly Jones had a time of 7.38 for 1st place and Kendra Jones 9.81 for 9th place. In the Steer Wrestling, Walker Wallace had a time of 10.61 to take 1st place, and Kelly Morrow had a time of 19.11 for 4th place.

The next rodeo will be held at Ft. Davis, Texas on Sat. Oct. 5 at 1 p.m. and Sun. Oct. 6 at 11 a.m. Good Luck!!!

## AGRIBUSINESS

Don Sessom's AP Biology Class demonstrate their cooking ability along with their understanding of animal cell structure. Pictured left to right are Will Allen, Jason Jacoby, Katie Key, Sarah Marrs, Michele Cramer, Lesa Harris, Crystal Martin, and Carla Weaver.

### Soil & Water District Election

The Edwards Plateau Soil & Water Conservation District will be having an election at 8:00 a.m., Wednesday, October 9, 1996, at the Sutton County 4-H Center. At this time, one of the qualified voters owning land in Zone 4 (Southeast Sutton County land located between U.S. 290 and the Bond Road) will be elected to serve as a member of the Board of Directors of the Edwards Plateau SWCD #222.

Following the election will be a field day and tour at which time five CEU's will be offered toward recertification requirements on pesticide license or cer-

tificate required by the Texas Department of Agriculture pending TDA approval and course number assignment.

Attendance for the entire day's activities (no partial credit given for partial attendance) is required by TDA in order to receive these CEU's.

Lunch will be on your own between the morning and afternoon sessions.

If you have any questions, please contact the Edwards Plateau SWCD office at 915/387-2730 or the County Extension office at 387-3101.

## Who Are They Calling Extremists?

by Henry Bonilla

If it wasn't jeopardizing Texans' right or property ownership and our livelihoods, it might even be funny. Once again we get another example of how the Endangered Species Act (ESA) is used by so-called "environmental" groups to project their power over us and our national security.

According to the Associated Press of September 12, "the Washington-based" environmental group called Defender of Wildlife is suing the U.S. Air Force claiming that training missions in Arizona are claiming that training missions in Arizona are bombing the habitat of the endangered Sonoran pronghorn antelope. The article goes on to say that, according to the group's attorney, "the group cannot prove the missions have killed any antelopes, but it believes the bombings are at least disturbing to them."

To quote President Reagan: "Well, there they go again." What about the American people whose lives are protected by the Air Force? I think they would be "at least" disturbed if their lives were endangered because an antelope stopped pilot training missions. If the antelope haven't left, let's just move them and continue the training missions.

Those Texans who work the land know that the ESA is abused by these groups just so they can impose a social agenda on us. Many of you live in counties, such as Medina and Uvalde, that are directly targeted by lawsuits driven by these radical groups.

The lawsuit against the Air Force is just the latest in a series.

Did you know that out in Ft. Bragg, North Carolina, the 82nd Airborne Division, usually one of the first to be sent into action, had to change its training exercises to accommodate the red-cockaded woodpecker?

Closer to home, in San Antonio, both the Air Force and Army are being sued by the Sierra Club as part of their scattergun lawsuit to limit pumping from the Edwards Aquifer. The Sierra Club apparently doesn't care if their actions threaten the operations of bases that we depend upon for national security.

Last week, I tried to put a simple provision in the annual defense spending bill which would allow the President to waive the ESA in cases involving our national security, such as flight training. Unfortunately, this measure was not accepted because the president might veto the bill if it included the ESA proposal. It's hard to believe that anyone would disagree with protecting America's national security.

We shouldn't have to prove our desire to preserve land and species. Texans have loved their open spaces and marveled at God's creatures well before the Sierra club or the Defender of Wildlife came on the scene. If these folks are so interested in saving species, why don't they work with Congress to provide incentives for land owners to save species? It's becoming clearer that they basically want control of your land. And, they call us "extremists"?!?

The Colts met the challenge head on and came home victorious. Behind the great team play of all the Colts, they were able to limit the Grape Creek Eagles to only 68 total yards, while 7 offensive backs touched the football for a total of 226 rushing yards for the Colts. The Colts dominated the game from start to finish and were able to bring a 34-0 win home. The Colts took possession of the opening kick-off on their own 40 yard line. It only took the Colts 4 plays to tally their first score. William Renfro went right for 4 yards, James Elliott ran right for 26 yards, Sean Fields went up the middle for an additional 15 yards, and Elliott kept the ball on a boot left for 15 yards and the touchdown. William Renfro added the 2 point conversion to make the score: Colts 8-Eagles 0. The Eagles were unable to do anything on offense and had to punt. The Colts took over on their own 38 yard line. It only took 2 plays for the Colts to score their second touchdown. William Renfro handled the ball both times with the second run going the distance (59 yards). The try for the conversion failed, and the Colts led 14 to 0. The Eagles' next possession found a very aggressive defense led by Joey Quiroz, Chance Armke, Marky Machado, William Renfro, and Chance Dillard and were forced to punt again. The third possession for the night for the Colts began on their own 37 yard line. After a short gain by Elliott, Sean Fields rumbled for 20 yards, to the Eagle 43. On the next play, Elliott pitched the ball to Renfro on sweep action, who in turn</p> <p>stetson Hall at the Eagle 15 yard line. After short gainers by Renfro, Fields and Elliott, Elliott goes around the left side for 7 yards and a touchdown. The try for two failed, and at half time the Colts were in command. Colts 20-Eagles 0. The Eagles received the 2nd half kick-off, and put the ball in play at their own 23 yard line. On third and 2, the Eagles tried to go for it all, but what they found was #44 (William Renfro) in a red jersey, who intercepted the pass and returned it for an apparent Colt touchdown; however, the touchdown was nullified on an illegal block call, and the Colts took possession on the Eagle 22. After an incomplete pass on the first play from scrimmage, Elliott pitches to Renfro going left, with some excellent line and down field blocking, Cont. pg. 4</p>

December 23, 1971

Broncos, Barbers Hill Named Football Class A Co-Champions

The 1971 football season ended Saturday night and with the 3-3 tie with Barbers Hill the Sonora Broncos remain undefeated for the season and were declared Class A Co-Champions.

The 14-0-1 record is outstanding and each team member and the entire coaching staff are to be congratulated.

FIRST HALF

Steve Street received the opening kickoff on his 5-yard line and returned it to the 23. From this point the Broncos racked up four first downs and used 5:29 of playing time in setting up Henry Mata's 20 yard field goal.

Early in the second quarter Barbers Hill kicked a 19-yard field goal to tie the score at 3-3.

Before the half ended each team missed filed goal attempts and play was dominated by the defense of both teams.

SECOND HALF

During the third quarter Sonora had possession of the ball three times and Barbers Hill two. Neither team mounted any serious threat.

The fourth quarter started with Sonora controlling the ball. The Eagle defense forced the Broncos to

punt. Tryon Fields kicked well to the Eagles 5 yard line.

From their own five the Eagles started their only sustained drive of the game. Although the drive bogged down on the Sonora 35 the Eagles used all but 3:34 of playing time.

The Eagles punted into the end zone and the Broncos took over with first and ten on their 20. Hard running by Steve Street and Milton Noel and a pass interference call moved the ball inside the Eagles 20 yard line with less than a minute to play.

(From this point I can't read my notes but this is what I think happened.)

The Broncos ran two plays and lined up for a field goal. The ball was centered. Mata's kick was in the air-the referee threw his flag and signaled the kick good. Another official under the goal post signaled the kick wide of its mark and time ran out. After a conference by the officials it was decided the kick was no good. The penalty against the Broncos was refused, ending the game in a 3-3 tie.

1976 Class Photo

1976 Class Officers Martha Elliott Secretary, Larry Finklea Vice-President, Lesa Joy President

Cont. from pg. 14

Elliott to Gregg Parker. Cook's PAT was again successful.

The Bronco's got the ball right back as Parker picked off a Mitchell pass at the visitors' 42 and returned it 12 yards.

Two plays later Elliott took off around right end and scampered 26 yards for his fourth TD. After the ball was moved back on a penalty, Mike Jones PAT failed.

Parker turned the trick again on the Cranes' next play from scrimmage as he pulled in the errant pigskin on the 37.

1976 Class Favorites: Frank Gallegos, Bernice Street

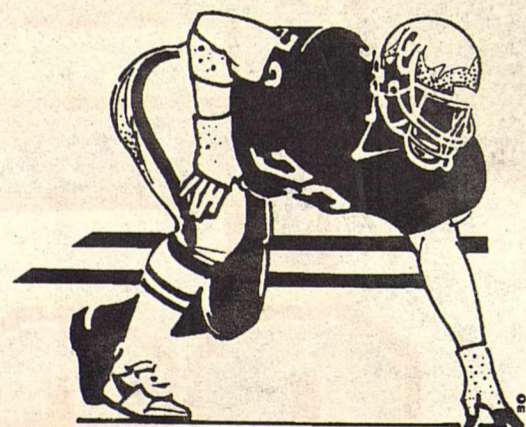

Five plays later Creek burst off right tackle for the final Bronco tally.

Cook's PAT gave the locals their final 39-point margin.

Coach Bill Bundy left the starters in just long enough to insure the victory during the second half and the reserves came in to hold their own against the Cranes.

The victory lifted the Red and White record to 7-2, 1-1 in district, and set up tomorrow night's showdown in Ozona.

#### Broncos Take 39-0 Win Over Crane

by Don Holdridge

With their most superlative outing of the season, the Sonora Broncos forced the Crane Golden Cranes into near extinction in Friday night's 39-0 rout.

Moving through the Crane defense like CB's through speed trap, the Bronco offensive machine scored on all six possessions in the first half.

Quarterback John Elliott was at his peak for the game. The shifty senior rushed nine times for 76 yards, four for touchdowns, and connected on four of six passes for 102 yards.

The Broncos set the tone of the game, taking the opening kickoff and whipping 64 yards in six plays.

Elliott turned up field on an option to find the final 16 steps to the end zone.

John David Cook's extra point kick sailed wide but the Broncos held a six point lead with less than two minutes ticked off the clock.

Sonora got their second six-pointer on the board three minutes later when Crane quarterback Dale Mitchell bobbled the snap from center and the hungry Bronco defense gobbled the ball at the visitors' 45.

Elliott again got the score after rolling out to pass and seeing an unprotected corner from the 11.

Elliott's conversion pass to Gregg Parker was overthrown.

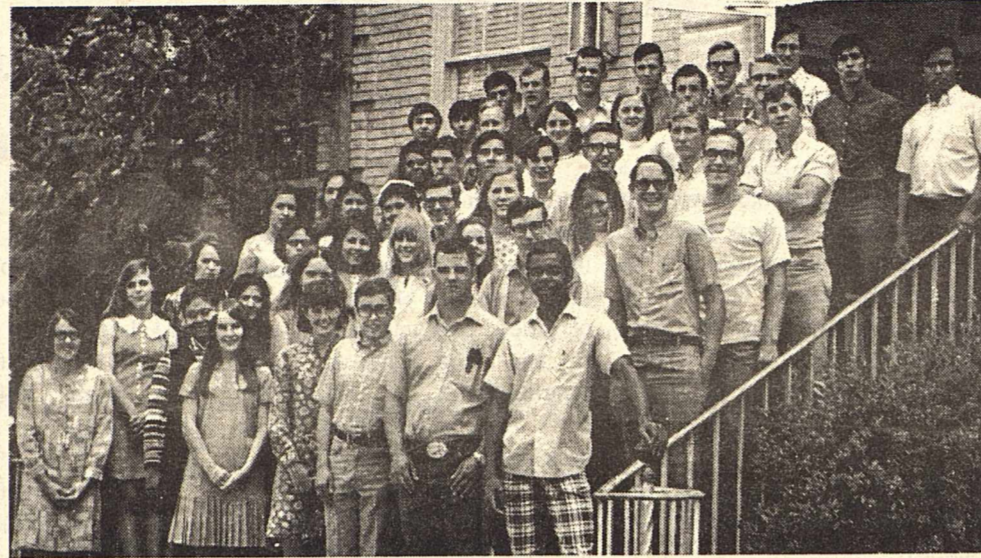

The first play of the second quarter caught the senior signal caller again capping a drive with a two-yard keeper.

Cook's boot was true this time and the Broncos led 19-0.

With six minutes left in the half Garry Jones capped a five-play, 79-yard drive on a 12-yard pitchout.

Key plays in the march were a 17-yard scamper by Johnny Creek and a 36-yard aerial from

Cont. pg. 15

Health Award-Freshman, Freshman Homecoming Duchess '95-'96

Hobbies & Interests: Playing basketball, Watching T.V., Spending time with friends and family, shopping and listening to music.

What homecoming means to you, your school and community: Homecoming is a time to renew old friendships, and recall memories of the past. Yet, it also is a time for showing how much spirit and support our community has for our school.

**December 22, 1966  
Broncos Win State Sat.**

With perfect football weather in the air, a team at its peak of performance and fans prepared for the best in high school football, the Sonora Broncos won the State Championship for Class A schools by beating Schulenburg 40-14.

Only in the first half of play did the Shorthorns put up any kind of winning threat against the Broncos on Evans Field in San Marcos.

Scoring began after each team had had a set of downs but were unable to move against each other.

Middle guard Royce Miears shook up the Shorthorn offensive team by putting on a rush into the Schulenburg backfield. With second down and 10 yards needed for a first down, Miears again broke the Shorthorn line and forced quarterback Dennis Demel to throw his pass too soon. Bronco safety Laney cook snagged the Shorthorn pass at midfield and ran it back into Schulenburg territory to the 37-yard line, but the gain was called back on a penalty to the 49-yard line of Sonora.

At the 49, Cook unleashed sophomore speedster, Ed Lee

Renfro on the unsuspecting Shorthorns. On two plays Renfro moved to the Schulenburg 24-yard line. To give the Shorthorns a taste of variety, cook unleashed an aerial to end Noe Chavez at the Shorthorn six for another first down. After an attempted quarterback sneak that failed, Cook sent Gosney through the middle of the Shorthorn line for a five-yard scoring play. Cook's extra point was good to give the Broncos a lead of 7-0 after 4:19 of play. The scoring drive carried 51 yards in five plays.

An undaunted Schulenburg team came right back, though, with a score of their own.

Sonora was unable to gain enough yardage for a first down on their next set of downs and were forced to punt. The shifty-runner, Dennis Demel, took the kick at his own 15-yard line and ran it back all the way for the score. The extra point kick by end Larry Marak was good to tie the score at the end of the first quarter.

In the last part of the first quarter and in the second quarter the Broncos moved 75 yards in 12 plays for their second score of the

game. Cook mixing up his plays, confused the Shorthorn defense and moved to the Schulenburg one-yard line where Gosney broke through left guard for the one-yard score. Again Cook's extra point kick was good to make the score 14-7.

Heads up football on the part of Schulenburg tackle, Domingo Segura gave the Shorthorns an edge on the next kickoff. Cook tried an inside kick, but the ball was very quickly recovered by Segura at the Bronco 48-yard line.

After Lanney Cook intercepted another stray aerial from the hand of Dennis Demel the Broncos began rolling toward paydirt again. The interception put the Broncos deep in their own territory at the 14-yard line.

On a Statue of Liberty play, Renfro took the ball past the surprised defenders to the Sonora 39-yard line. Cook then caught Nino Perez in the open with a pass at the Schulenburg 39. On another Cook to Perez in the open with a pass at the Schulenburg 39. On another Cook to Perez aerial pass interfer-

ence was called on the Shorthorns giving Sonora an automatic first down at the Schulenburg eight. From there Gosney's power took care of the touchdown but Cook's conversion failed giving the Broncos a 20-7 edge over Schulenburg.

The scoring drive carried for 86 yards in 7 plays.

Schulenburg was not to be denied another score before the half ended, however. A Cook aerial was intercepted at the goal line by Schulenburg quarterback Bruce Bosl and ran back to his own 41-yard line.

From that point, two short gainer put the Shorthorns in scoring territory. Dennis Demel unleashed a pass to fleet halfback Larry Carroll carrying for 40 yards and a Schulenburg score. Marak's extra point was good to narrow the margin to 20-14 and end the scoring in the first half.

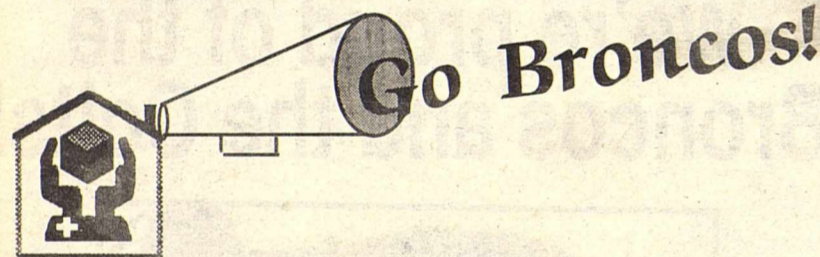

Play in the second half belonged entirely to the Broncos with the Shorthorns not threatening rampaging Sonora.

An interception of a Dennis Demel aerial by Alex Castro set the

Broncos up for their next score. Castro intercepted on the Bronco 40 and returned it to the 30-yard line.

On the first play from scrimmage Cook and Renfro reversed their roles. Cook first handed off to Renfro, who paused in the backfield while cook faded through the Schulenburg secondary. Renfro quickly tossed Cook a pass which was good for 16 yards to place the Broncos on the Schulenburg 14. From there on Gosney powered through the line for the needed yardage for a score. Again the two-point conversion failed, leaving the score 32-14 at the end of the third quarter.

In fourth quarter play, again, a Bronco score was set up on an intercepted pass. this time by Renfro who took the misguided aerial at the Sonora 20-yard line and returned it to the Sonora 38. From there the Broncos moved 59 yards on 10 plays to score. Cook rammed the ball over from the three and then ran the ball again for a two point conversion giving a final score of 40-14 and the first state championship to Sonora High School.

**Yellow jackets Arrive Friday For Traditional Grid Game**

The Sonora Broncos will play host to the Menard Yellowjackets at Bronco Stadium Friday night.

Coach Henry Hall's Yellowjackets will enter the game with a season record of one win and one loss. In the season opener the Yellowjackets defeated Robert Lee 28 to 14 but dropped last week's tangle with the Junction Eagles by a 3 to 0 margin.

The Menard team is heavy and big this year and has more experienced players than at this time last year.

Probable offensive starters will include James Davis and James Pullen, halfbacks; Wayne Pope, fullback; Ricky Powell, quarterback; Jeffrey Sutton, center; Belvin Brummett and Dudley Tipton, guards; Billy Sheen and Walter Russell, tackles; Roy Murray and Jimmy Ellingwood, ends.

On the defensive starting lineup will be Pope and Buddy Garrison, halfbacks; Davis, Sheen, Tipton and Ronald Low, line backers; Sutton, middle guard; Jerry Wilson and Murray, ends; Clifton Welch and Stanley Frazier, tackles.

Coach Jerry Hopkins' probable starters will be backs Primo Gonzales, Julio Samaniego, Lester Schmidt and Johnny Morris or Danny Rutherford; ends Augustin Chavez and Arthur Burmea; tackles Douglas Wood and Luis Perez; guards Preston Neely and Bob Nevill and center George Roberson.

1961 Senior Class Officers: President Herman Moore, Vice-President Jimmy Cahill, Secretary Nanette Stokes, Treasurer Barbara Gatlin, Representative Curt Schwiening and Steve Fish

**Broncos All Set for Tivy High School Football Men First Game Saturday; Menard to Play Locals Oct. 17**

Coach A.L. Smith will put a fast and hard fighting group of grid warriors on the field Saturday afternoon when the Sonora High School Broncos meet the reserves of the Kerrville Tivy High School Antlers in a season opener for the locals.

The game Saturday marks the beginning of a long and full season, with six games to be played on the local gridiron. Starting the season with seemingly little material, Smith has gathered a group of hard fighting athletes, and they have put in a period of intensive practice since the 25th of August.

**Line-up Not Announced**

Business Houses to Close

Sonora business houses, following a custom of past seasons, will remain closed Saturday afternoon from 3 o'clock until the end of the game between the Sonora Broncos and the Tivy Antlers, enabling employees to attend the game.

The line-up for Saturday's game has not been announced by Smith as yet, although he states that he has a definitely planned line-up in mind.

The boys have put in an unusually busy week, with most of the time devoted to signal practice and practice in passing. Tuesday afternoon two teams of the aspirants scrimmaged.

**Three on Casualty List**

Three men are suffering from slight injuries gained in the scrimmage and in daily practice. G.W. Archer, co-captain of the team, and the first string quarterback, has a bad hip, and his appearance Saturday is uncertain. V.J. Glasscock, a regular at the guard berth, is nursing a weak ankle, while a shoulder has been troubling James Glasscock, a tackle.

James Hutcherson, 140-pound end, has been showing up well in practice this week, as has Carl Holland, another end. Holland's work was particularly good in the Tuesday scrimmage.

**New Lineman Reports**

Chances for a formidable line were greatly strengthened this week with the enrollment of Robert Allison, a 140-pounder, who hails from Amarillo, and who is at present working out at guard, but who will likely be shifted to tackle later.

A game with Menard there on October 17, an open date formerly, was definitely assured in a letter received Monday. At the request of the Ozona coach the game scheduled to be played there on Armistice Day, November 11, will be played instead on the preceding Saturday, November 7.

The 45-10 trimming handed the Junction Eagles by the Del Rio high team is considered significant here. It was the first defeat the Junction boys had suffered in years, and would indicate that the locals will not be out-classed in the game here a week from Saturday.

#### Sonora Team Ends Season in Third Place in District 34-B

Menard Loses To 1936 Team By 12 to 6 Saturday

##### SEASON A SUCCESS

Only Two of District Games Lost While Three Won

Closing the 1936 gridiron season in a blaze of glory the Sonora high school Broncos Saturday afternoon defeated Menard by a 12 to 6 score in a game which brought their season record to one of five victories and three defeats.

Only two conference games—those with Eldorado and Rocksprings—were lost by the local team which undoubtedly had the best season it has enjoyed for several years.

In non-conference conflicts Sonora won from Mertzon and Bronte and lost only to Iraan.

Not a single 1936 game played on the Sonora field was lost.

##### Eldorado Team Champion

Rocksprings again ended the season at the top of the District 34-B ladder with Eldorado just below Sonora following and Junction, Ozona and Menard bringing up the rear in that order.

The Saturday game was interesting from start to finish with Sonora scoring first in the first quarter after a persistent drive from the time it took the ball on its own 22-yard line and battled down the field in lay featured by a 19-yard end run by M. Elliott, right end.

Trainer, right end, whose power, speed and determination have been outstanding qualities in his play all season, went over for another

six points after he, Jackson and Taylor had made large inroads into Menard territory. During the drive Trainer made one 55-yard run.

##### Menard Scores Early

Menard scored in the first quarter after a series of cut-back plays featuring the work of Matthews, fullback, who went over for the touchdown.

Neither Menard nor Sonora was able to capitalize on its touchdowns by making the points-after-touchdowns. Wind played its part in ruining efforts at kicking goals.

Five times Sonora penetrated the 20-yard zone of the Yellowjackets while Menard players threatened in the Sonora zone only one time. Fifteen first downs were made by Sonora and nine by Menard. One 5-yard penalty was meted out to Sonora and five of similar size were the misfortune of the Menard team.

Fighting Broncho players made 227 yards from scrimmage and 10 yards by passing attack. The Menard team accounted for 116 yards of ground-gaining from scrimmage and 40 by passing.

Boys who started the game Saturday were: Trainer, Touche, McGhee, Simmons, Adams, Vehle, M.Elliott, Taylor, Archer, W. Elliott, Jackson. Other boys of the 1936 squad are: Awalt, J.Trainer, Morris, Driskell, Adams, Thorp, Davis, W. Stubblefield, E.Archer, Hutcherson, Poindexter, B. Taylor, A. Tjerina, J.L. Sanchez.

Dock Simmons and Odell Odom have been student managers, assisting coach O.P. Adams.

### Oct. 19 1956

#### Broncos Take Cowpunchers 13-6 In Friday Night Battle In Mason

The Sonora Broncos played the closest game of the season Friday night as they beat the Mason Cowpunchers 13 to 6 in a game where everything was just about even.

In the first quarter of play Mason kicked to Sonora but after a series of plays the Broncos were forced to kick. Mason took over on the Sonora 30 with Dannheim, Keller and Taylor carrying the pigskin to the two where they fumbled and Sonora recovered. Johnson ran off tackle for three and followed up with a pass to Ratliff which was complete for 25 yards. Johnson then skirted left end for an additional 15 and passed to Ratliff for another 5. Then Johnson ran for a 10 yard sprint right up the middle. Wall hit center for 1 and then, with key clocks thrown by Galindo, Adams and Neville, Johnson ran 55 yards to score. His PAT was good and the score was 7 to 0.

In the second period, Mason took over on the Sonora 35 with Taylor carrying for 2. A Dannheim to Kothmann pass was complete and good for 11 yards. Then Dannheim carried up the middle tackling.

Following the half, Mason had to kick on fourth down and Sonora took over on the Mason 20 with Johnson carrying up the middle for a 5 yard gain. Then George broke loose for a 65 yard run to the Mason 15 where he stepped out of bounds. He then carried for 10 and again for 2. The climax of the series came with the entire Sonora team displaying perfect blocking and Johnson running the score from the one foot line. The try for extra point was no good and the score stood 13 to 6.

In the final four minutes of play Mason penetrated to the Sonora five when Vasquez intercepted a pass. Wall carried for one play and the game ended 13 to 6 in favor of the Broncos.

Ozona Lions Here Tonight For 7-A Conference Opening Contest

Coach Joe Turner's Broncos face the Ozona Lions here tonight in the first conference game of the 1956 season. The game promises to be a hot one with the Broncos

showing firm determination to retaliate for the trouncing handed them last year by the Lions. But the Ozona team is equally determined to stop the Broncos' near phenomenal winning streak.

Heading the contenders for the 7-A crown are Lion stars Bobby Sutton, Kent Babb, Robert Martinez and George Bunger. Both teams boast outstanding backfields and the outcome could hinge on the line work displayed.

Probable starters for the Lions are: Ends: Yound, 174, and Jacobs, 161; Tackles: Brown, 167, and Marley, 187; Guards: Ingham, 160 and Roy Sutton, 153; Center: Franklin, 163; Backs: Sutton, 154, Martinez, 148, Babb, 154 and Bunger, 147.

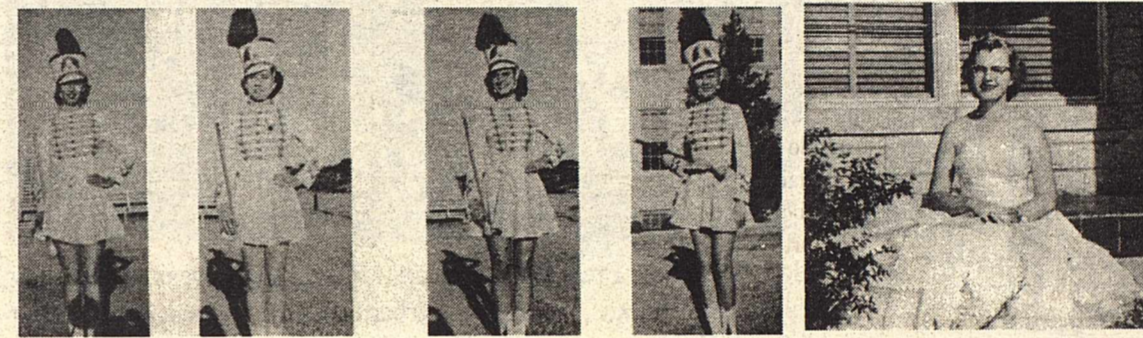

Starting for the Broncos will be: Ends: Love and Ratliff; Tackles: Neville and Smith; Guards: Adams and Ibarra; Center: Anthony; Backs: Johnson, Wall, Favila and Badillo.

Game time is 7:30 tonight and reserved seat tickets are on sale at the Sonora Drug.

Above: The 1951 Senior Class Officers—President Fred Adkins, Vice President Sonny Howell, Secretary Peggy Willman, Treasurer H.W. Kile and Representatives Peggy Reiley and Blanche Taylor.

Below 1951 Twirlers—Peggy Sharp, Peggy Reiley, Carnie Sue Wyatt and Lena Lanier.

Left: 1956 Band Sweetheart Martha Mittel. Right: 1956 Senior Officers— President Dan Eaton, Vice-President Nancy Hunt, Secretary Vicki Savell, Treasurer Carlos Loeffler, Representative Marla Schwiening and Representative Gene Eubanks

### October 12, 1951 Broncos Take First Win Of Season From San Angelo Kittens, 18-13

The small but well conditioned Sonora Broncos defeated a much larger squad of San Angelo kittens by a score of 18-13 Friday night in Bronco Stadium. A crowd of about 500 watched the last minutes roll by as the San Angelo eleven threatened to reverse the win but somehow just couldn't reach paydirt. Statistics showed the teams evenly matched on the field throughout the game. Sonora made 11 first downs to the Kittens 12. The Broncos gained 149 yards to the Kittens 156. Sonora completed eight passes for 80 yards while San Angelo completed four for 45. The Broncos tried six other passes and the Kittens tossed five incomplete aerals. Sonora outkicked the Kittens with each team punting twice. San Angelo gained 35 and the Broncos 65. But the Kittens evened the score by losing four yards from scrimmage while they forced the Broncos to lose 31 yards. Both teams were even on fumbles, five each. The Kittens drew two five-yard penalties of off-side while the Broncos received four, two backfield in motion, one for illegal formation, and one for off side. The Sonora team opened the game by returning the Kittens kick-off from their own 20 to the 46. The first play found Bobby Scott running off the Broncos single wing going around left end on a handoff all the way for a touchdown. The try for the conversion failed. Late in the first quarter a lucky break in the form of Sonora captain, Herb McKee recovering a Kitten fumble on the Kitten 35-yard line let Bobby Scott take a left end run over for another touchdown. The conversion failed. October 12, 1951 In the second quarter the Kittens were able to get in the shadow of the Bronco goal and they took advantage of it with a pitch pass from their right halfback, G. Jones to M. Parish for their first touchdown. The Broncos George Wright threw a pitch pass to Scott with about two minutes remaining in the first half and the thrifty runner scooted over for his and the Broncos third touchdown. The conversion effort failed again and the half ended 18-6. In the fourth quarter J.White, Kitten halfback ran a series of four and five yard gains down to the Bronco goal where G. Jones took the ball over right tackle for the second Kitten touchdown. The try for extra point through center put Connally over and the score stood 18-13.

### October 24, 1941 Broncos Win 19-6 Over Rocksprings

Striking three times in the first six minutes of play, the Sonora Broncos rolled over the Rocksprings Angoras Saturday by a score of 19-6. The first tally was made by Ory on an end reverse play. Richardson passed to Berger for the extra point on a fake kick. Berger kicked off and Sonora stopped the Angoras on the fifty yard line after a few plays. The ball was worked down to the fifteen yard line where Richardson, in an attempted pass, crossed the pay stripe. Berger failed to convert.

Sonora played most of the remainder of the game in defense. Rocksprings' only score came in the fourth quarter after a fifty-yard drive of passes and center plays. It was made by Babb.

The starting lineup is listed below

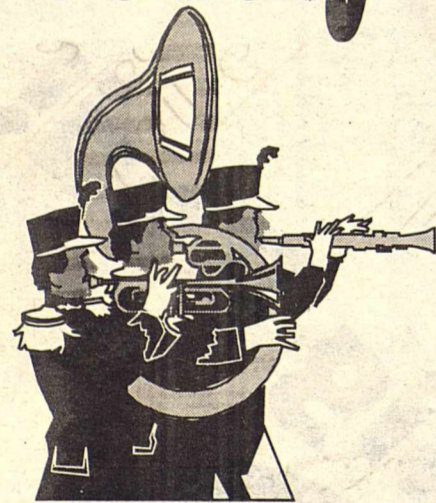

Sonora	Position	Rocksprings
C. Smith	E	D. Hutt
V. Cook	E	B. Brown
R. Boughton	T	J. Smith
D. Sloan	T	W. Draper
C. Henderson	G	G. Varga
W. White	G	B. Bird
B. Shurley	C	J. Noble
W. Berger	B	W. Thurman

1945 & 1946- Edith Eldridge Love, Charlene Hull Gibson, Ethel Mae Alley Olson, Betty Glasscock Dillard and Margaret Smith Prater.

### October 11 1946 Broncs Ready For Classic Eagle Contest Tonight LOCAL TEAM SEEKS FIRST WIN SINCE 1930

Seeking their first win over the Eldorado Eagles since 1930, when a local aggregation won the classic contest 13-6, the Sonora Broncos go to Eldorado tonight with every first string player in top shape and eager to bring back a win. There has been a long dry spell since the days when the Broncos were feared by the Eagles whether the game was played in Sonora or Eldorado. In 1929, Sonora beat Eldorado twice, it being the custom then to play two games a year, one at each home field. In 1930, Eldorado won the first game 7-0, but lost the second in Sonora 13-6 to a fighting Bronco team made up of some of the outstanding high school athletes produced in this section. On the 1930 team were Pete Taylor, Jack Pfister, Woodrow Norris, DeWitt Blanton, Ikey Kring, Jessie Green Barton, Wes Hill, G. W. Archer, Ernest Smith, DeWitt Lancaster, and Louie Trainer. In 1931, the teams played but one game and it ended in a tie. The following year Eldorado broke the tie with a decisive victory and had not come close to losing until last year when the Broncos missed the point after touchdown and lost the game 7-6. The Broncos played a good game last year but just didn't quite have the difference between a good team and a great team. In this year's contest at Eldorado, the Broncos will face a heavy, defense-conscious line that has stopped everything thrown against it except the Robert Lee backs. The Eagle feature a fast shifty backfield and have one of the best pass defense systems in the district. This was evidenced by Stanford, star back, who intercepted a Bronte pass in the first game of the season, and ran 40 yards for a score. A big crowd from Sonora is expected to attend the game, which will start at 8 o'clock. Officials, who have been approved by both coaches, will include Dr. W. H. Elkings, president of San Angelo Junior college and Tom Gregg of the San Angelo National Bank.
