Hail and Farewell

by Cam Campbell

I would like to say thank you to a very dear friend and co-worker of The Devil's River News, Susie Casillas. Susie, her husband Jaime, and children Nikki and Anthony will be moving to Fairview Heights, Illinois the 2nd of October after living in Sonora for 17 years. Susie was responsible for editing, layout, photography, 'well, I kind of feel like she did everything at the office'. Susie has a way of mixing a lot of fun into the work place, I will miss her jovial attitude, professionalism, and commitment to the work place, as will our patrons. It has been a real pleasure Susie. Thank You :-)

The Devil's River News welcomes Storie Sharp as Editor. Storie, husband Mickey and their son Garrett, are active members of the Sonora community. Storie, currently with Cowboy Way Travel, will continue to assist customers requesting this service, while assuming increased responsibilities at DRN. Storie began writing for DRN covering Commissioners Court, City Council and School Board meetings. She brings to the news office a background in Journalism and the ability to excel in the dynamics of the news

industry that will compliment our staff of Erica Morriss (Advertising) and Lula Casillas (Type Setting). We welcome you Storie and look forward to working with you. Oh, by the way, Susie's just a phone call away!

Top Ice Cream Sale Awards

J.R. Solis, Tabitha Ovalle, and Angela Gonzales sold the most tickets to the Band Booster's Ice Cream Social

by Sandy Ainsworth

The Sonora Bands once again had their annual Ice Cream Social on Monday, September 14 at the High School Football field. The High School Band played their music from their half-time performance show that they have been working on. They also played the School song and Fight song while the line of people waited for their plate of ice cream and dessert. The Middle School Colt Band of 7th and 8th grade also played for the audience. It was a great success as one of the many fund raisers for the new band uniforms. The students, since

the start of August have been working very hard to raise money towards the purchase of the uniforms which will cost approximately \$35,000.00. We would like to recognize the hard working top salespersons from the 6th grade band and the Colt 7th and 8th grade band. They are very deserving of an award for their hard work along with the support of their families as well.

Our 6th grade top salesman was J. R. Solis, son of Jesse and Brenda Solis, with a total sale of \$103.00. He was awarded with a check for \$15.00. Tabitha Ovalle, granddaughter of Oscar and Rosie Ovalle, was our second place winner with a

SISD Faculty Members Participate in Early Childhood Institute

Faculty members from Sonora Independent School District and Sonora Headstart participated in the Early Childhood Summer Institute in Fort Worth held the week of June 21-26, 1998. The Institute is a collaborative effort of eighteen Education Service Centers within Texas. The purpose of the program was to provide a high quality training opportunity for professionals in Texas who work with young children with disabilities. It provides a framework for teams of educators with shared goals to work together to increase their knowledge of current issues and recommended practices in early childhood education. The first two days were spent in sessions dealing with planning for individual needs of young children, supportive strategies to manage behavior in the early childhood environment and the teacher's role in developing and implementing individual education plans. Wednesday's session dealt with special interest sessions

ranging from music, movement, sand and water to literature, math and computers.

Special presentations were given by seven outstanding preschool programs recognized by the State as Promising Practices in the areas such as Effective Teaching Strategies, Inclusion or Effective Integration, and Family Involvement. The end of the week was spent in short general interest sessions and in time for the teams to meet together and make specific plans for the 1998-99 school year. Sonora ISD and Sonora Headstart will be collaborating in activities planned for these preschoolers. Those attending from Sonora were Ed Carrasco, Director Sonora Headstart; Lesa Galindo, Elementary Paraprofessional; Mary Beth Morgan, Speech Pathologist and Patricia Rodriguez, Prekindergarten Teacher. A special thanks to Region XV Education Service Center in San Angelo for taking care of all of the expenses for the institute for these participants.

BRONCOS WIN 1998 HOMECOMING GAME

by Tryon Fields

HOMECOMING - this brings to mind many different things. Whether it be the renewing of old friendships, parades with bands and pretty homecoming duchess, or just a chance to revive school spirit. But most of all, it normally means that a football game is to be played, pitting two long time rivals against one another. I don't know whether one could consider Alpine and Sonora rivals or not, but Friday night, the game between Alpine and Sonora proved up to its billing. For all intents and purposes, if there wasn't a rivalry before the game, there is one now.

Alpine won the toss and elected to receive the football. For the next 7 and one-half minutes, Alpine looked as if they were determined to spoil this years homecoming festivities. The Bucks' took possession of the ball at their own 11 yard line. Behind the running of Joseph Valenzuela and Cougar McBride, the Bucks marched the ball down the field, ultimately gaining the end-zone on an 89 yard drive that consumed 7 minutes and 30 seconds of the first quarter game clock. On a 1st and 5 at the Bronco 5 yard line, Valenzuela's number was called, behind good blocking by the Bucks, Valenzuela ambled into the end-zone untouched. The Bucks, evidently fearing they would need the points, elected to go for two. Once again, Valenzuela carried the mail, to complete a successful try. Alpine 8 - Sonora 0.

While some of the crowd seemed to be stunned by the Alpine drive, the Broncos did not seem to be fazed. After the ensuing kick-off, the Broncos set up shop at their own 31 yard line. Hard running by Tom Jacoby and Anthony Renfro steadily moved the ball down the field. The Alpine defense began to stiffen, as the Broncos moved across the mid-field stripe. On a 4th and 15 at the Buck 35 yard line, the Broncos elected to go for broke. Sonora quarterback, Bryce Williams, rolled to his left and under pressure lofted a pass toward Brad Legan. Legan, using his full 6 ft. 3 in. frame plus some made a super catch at the Buck 8 yard line. On the next play, an offside call against the Bucks moved the ball to the 4 yard line. With 31 ticks left on the first quarter clock, Tom Jacoby powered his way into the end-zone for the Broncos first score of the evening. Being down by 2, the Broncos elected to go for two, however, the attempted pass to Jacoby came up short.

Alpine 8 - Sonora 6

Andy Sanchez, the Sonora kick-off specialist, once again banged another kick-off to the Buck goal line.

Valenzuela elected to return the ball, however, he was met by a whole host of Broncos at his 14 yard line. The Bronco defense began to rise to the occasion. Brad Legan, Anthony Sanchez, Simon Murrillo, and Greg Hughes led the defensive charge, limiting the Bucks to minimum yardage. After 8 plays, the Bucks were forced to punt the ball. On a short return by Renfro, the Bucks were penalized for a personal foul, this moved the ball into Buck territory at the 49 yard line. This set up, possibly, the game breaker. Anthony Renfro took the pitch from Williams going to the left, as he turned the corner, Renfro cut back against the grain and out ran the Buck defense for a 49 yard touchdown. The Broncos trying to go up by a touchdown, attempted another 2 point conversion. This one met with the same results as the first one. Alpine Bucks 8 - Sonora Broncos 12

Once again Andy Sanchez booted the ball inside the 10 yard line, however, Adam Llanez was able to get the ball out past the Buck 20 yard line to their own 21. The Bucks, once again, began to grind the yardage out. The Bronco defense seeming to have some trouble with the wishbone formation and the option were unable to stop the Bucks. Once the Bucks crossed into Bronco territory, they seemed to think that the Bronco secondary was vulnerable. On a 2nd and 7 at the Bronco 40, Justin Yarborough, the Buck quarterback, tried to hit his tight end across the middle. Anthony Renfro from his safety spot, made a nice play on the ball, breaking the pass play up. On the next play, Yarborough tried to hit his wide receiver (Rick Mata) down the sidelines, Tanner Fields forced Yarborough to throw the ball high and out of bounds. This forced the Bucks into a punting situation. On a booming punt, by the Buck punter (Adam Llanez), the ball sailed into the end-zone. The Broncos would take control on their own 20 yard line with 4 minutes and 12 seconds left in the half. The Bronco offense, needing to take some time off of the clock, proceeded to drive the ball on the Buck defense. The first 57 yards of the drive came on some excellent blocking by the Bronco offensive linemen and good running by Jacoby, Renfro, and Graham Bloodworth. The last 23 yards of the drive were achieved by 3 passes from Bryce Williams to Demetrio Castro, Brad Legan, and Greg Hughes. The culmination of the drive coming on a 10 yard pass play from Williams to Hughes for the touchdown. Anthony Renfro came on to attempt the PAT. Renfro split the uprights, putting the Broncos up by 11

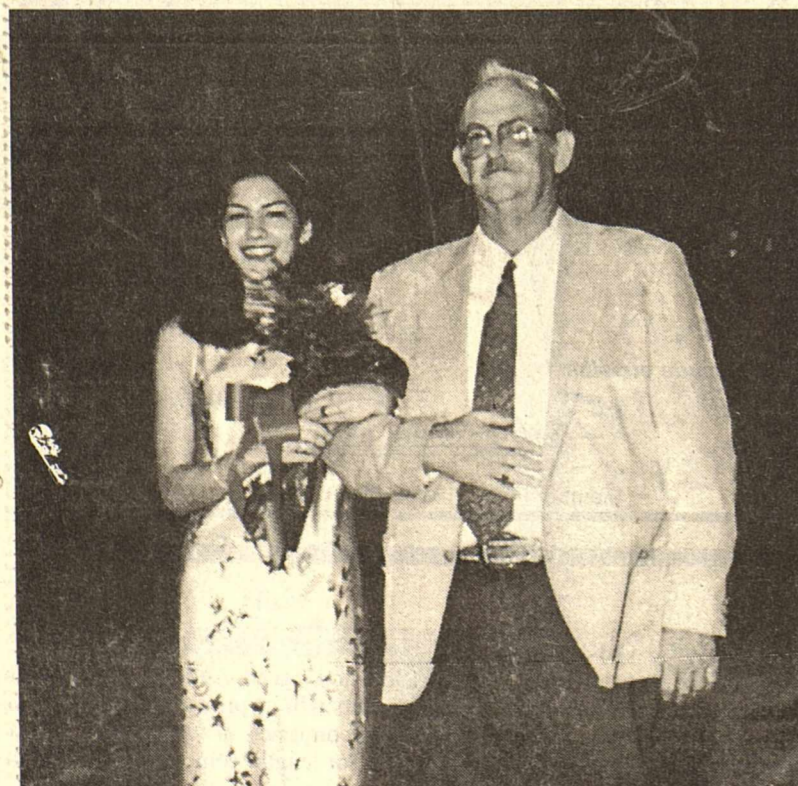

points with 5 seconds left in the first half. Alpine 8 - Broncos 19.

The Broncos received the kick-off to open the second half. A short kick by the Alpine kicker gave the Broncos the ball on their own 42 yard line. The Bucks seemed to have adjusted during the intermission, because the Broncos were held to minimum yardage and were forced to punt the ball. The Bucks deep man Llanez returned the ball to the Bucks 49 yard line. The Bucks, going back to the ground game, began to exploit the Bronco defense. Cougar McBride, Joseph Valenzuela, Cody Carpenter, and Justin Yarborough began to gobble up the yardage, as the Bucks began to move the ball down the field. The Broncos defensemen of Legan, Castro, Fields, Murrillo, Ramon, and Sanchez gave it a valiant effort, but to no avail, as the Bucks were able to use 5 minutes of the clock in their conquest. On a 4th and 2 at the Bronco 8 yard line, Carpenter got the call. Once again, a Buck running back went into the end-zone unmolested. Needing points, the Bucks elected to try for two. McBride the big 185 pound fullback, bulled his way into the end-zone to bring the Bucks within 3 points of the Broncos. Bucks 16 - Broncos 19.

After another short kick by the Buck kicker (Julian Molinar), the Broncos had good field position at their own 34 yard line. On this possession, the Broncos were led by Anthony Renfro who reeled off 46 of his game high 149 rushing yards to set up a field goal try at the Bucks 20 yard line. The kick by Renfro was wide left, giving the Bucks the ball on their own 20 yard line. The mistake free Bucks, finally showed that they were human. On 2nd and 8 at Buck 22 yard line, Yarborough kept the ball on the option around his left end. I apologize for not knowing who caused the fumble nor for who recovered it, (reporters get excited also) but the Bronco defense forced Yarborough to lose the handle and the Bronco defense recovered the football on the Bucks 26 yard line. From the Buck 26 yard line, the Broncos used Renfro to the right for 7 yards, Jacoby up the middle for 2, and repeated the plays to the opposite side, to move the ball to the Alpine 2 yard line. Here, Renfro raced untouched into the end-zone for his second touchdown of the evening. Renfro added the PAT to put the Broncos up by 10 points.

Alpine 16 - Sonora 26.

On the kick-off, Andy Sanchez put the ball 4 yards deep in the end-zone. Wisely, Valenzuela elected to down it there. The Bucks would resume play at their own 20 yard line. With plenty of time left, 9 minutes and 27 seconds to be exact, the Bucks once again began using their methodical ground game to move the ball down the field. Valenzuela and Carpenter carried the ball 2 times apiece to cross the mid-field stripe into Bronco territory. On a 2nd and 5 at the Bronco 49 yard line, the Bucks once again shot themselves in the foot. Valenzuela mishandled the pitch from Yarborough, and a hustling Demetrio Castro pounced on the ball to give the Broncos possession of the football with 7 minutes 10 seconds left in the game. The Broncos were unable to move the football and had to punt the ball away, using only a minute of the clock. Alpine took control of the ball at their own 18 yard line. The Bucks seemed determine to get back into this ball game, as they used 5 different running backs and 3 different receivers to move the ball toward the Bronco goal line. At the 23 yard line of the Broncos, the Bronco defense had bent all they could bend. The Broncos forced a 4th and 9 situation, the Bucks in 4 down territory and with time running out elected to go for the first. Yarborough rolled to his left and lofted one up for Llanez at the goal line. Demetrio Castro from his corner back position

Obituary

Clara Cooper

Clara G. Cooper of Sonora died Saturday, September 12, 1998, in a local nursing home.

Services were held at 10 a.m. Tuesday at the First Baptist Church in Sonora with burial in Sonora Cemetery. Arrangements were by Kerbow Funeral Home.

She was born July 11, 1907, in Ozona. She was a homemaker and a Baptist. Her family remembers her as a loving mother and grandmother and feel blessed to have had her Christian influence in their lives.

Survivors include three sons, Roy Cooper of Junction, Raymond Cooper of San Angelo and Phillip Cooper of Sonora; two daughters, Donna Mikeska of San Angelo and Roy Lesa Butts of Midland; eleven grandchildren, Joe David Butts, Craig Cooper, Kelly Cooper and Margo Mikeska of San Angelo, Jeremy Butts of Midland, Mark Cooper of Sonora, Steven Cooper of Lewisville, Martha Ann Specht of San Antonio, Sallie Cooper of Austin, Alice Ruth Peters of Plainview, Debbie Cooper of Junction, and David Simpler of Ardmore, Oklahoma; and fifteen great-grandchildren.

Pallbearers were David Butts, Joe David Butts, Jeremy Butts, Mark Cooper, Steve Cooper, Jeff Specht and Laron Peters.

"Memories of Nanny"

By Debbie Cooper

My "Nanny" could have been the poster model for a perfect grandmother, with her thick mop of beautiful silver-white hair, twinkling blue eyes, her short round, buxom body guaranteed to quiet any fussy infant fortunate enough to receive her gentle embrace.

Through difficult times (and she had more than her share), she never lost her belief in God nor her unwavering focus on her family.

I grew up with absolute confidence that my Nanny would support me... whatever. She was always there and always solid. Clara Cooper loved her children and grandchildren blindly, without reserve, many times when we weren't very deserving.

We always knew that we were cherished--no matter how fussy we were, no matter how dirty our diapers, no matter how rowdy and ornery we behaved--and we also knew that there was always a pot of frijole beans on her stove.

Nanny did double-duty praying for us and worrying too. Apparently, she believed that if she worried enough, we'd be protected. Consequently, as any of us departed her company to be off on some kind of dangerous mission (and for her babies, that could be just a trip to the grocery store), we were weighted down with all manner of warnings, cautions, and descriptions of dire consequences.

She once followed one of her sons to the door, admonishing him to be cautious while at his job. As he was just about to escape her, she offered this one final warning, "...and if I see anything falling I'll be sure to get out of the way!"

The stories about my grandmother and her family, the multitude of Sonora children she babysat, nurtured and loved are many. Most descriptive of her I think, may be to say that Clara Cooper never met a child she didn't love. Those of us who were loved by Nanny, were very blessed.

Obituary

Doroteo Castro

Doroteo A. "Teo" Castro, 81, died Monday, September 14, 1998, at his residence.

Services were held at 10:30 a.m. Thursday, September 17, 1998, at St. Ann's Catholic Church with burial in Sonora Cemetery. Arrangements were by Kerbow Funeral Home.

He was born February 6, 1917, in Sonora. He was a retired dirt contractor and had a tree-spraying service. He was a member of the Westside Lions Club and was a Catholic.

Survivors include his wife, Ysidra Castro of Sonora; four sons, Doroteo Castro Jr. and Pat Castro, both of Grand Prairie, Everardo Castro and Alex Castro, both of Sonora; a daughter, Abelica Fierro of San Angelo; two brothers, Guillermo Castro of Yuma, Arizona, and Abel Castro of San Angelo; eleven grandchildren and twelve great-grandchildren.

Joe Bradford and Jack Grimland in front of old Sonora buildings

By Jo-Ann E. Palmer

Q. Will you please run the picture of the old buildings that were torn down to build Sonora Motor Company?

A. The picture is with this article. This picture shows Joe Bradford and Jack Grimland on horseback in front of what is now the site of Sonora Motor Company. The alley shown is the same one that is there today. The building on the left is the Sonora Post Office and the one next to it is where leather goods for horses and ranching were sold then Mike Murphy's horse barns. There is a water well behind the building. This is a rare photo of this portion of Sonora in the early days.

We are looking for pictures of homes in Sonora in the early days to copy and add to our files. These pictures will be returned to you after we take them to San Angelo and copy them at the mall. If you have any early day pictures of your home please contact me or drop them off at the Devil's River News office in a large envelope with your name and address on it so we can return them properly. Thank you.

Q. I am looking for the obituary of Charles T. Flynn, who died in November of 1948. I know he had relatives in Sonora and am hoping there might be some mention in your paper?

A. Devil's River News, November 19, 1948

Services were held in Nevada, MO. on Saturday, November 12, for Charles T. Flynn, grandfather of Dr. Charles Browne of Sonora. Mr. Flynn, who was 83 year old, was a former Civil Service employee who

had been retired for the past thirteen years. Survivors included three sisters and six grandchildren. Attending the services from Sonora were Dr. Browne and Louis Davis.

While we have this paper out let's look at some other things going on then:

Mr. and Mrs. A. E. Prugel and Mr. and Mrs. George Barrow were hosts at a dinner Monday night at the Barrow home honoring Miss Miriam Wagner and John Seagle, soloists at the Sonora Music Club concert Monday night and Charles Moore, all of San Antonio. Also attending were Mr. and Mrs. A. E. Wells and Mr. and Mrs. E. S. Mayer.

The Sonora Eastern Star Chapter honored the Masons with a banquet Tuesday evening at 6:00 p.m. Sixty-eight guests were served from a table that was decorated with a New England church scene and fall scenery. Candles were placed along the tables with fall leaves wrapped around them and place cards were turkeys. The decorating committee was Mrs. H. C. Kirby, M. E. Genrich and L. E. Johnson, Sr.

Mr. and Mrs. Lee Labenske observed their 50th wedding anniversary with an open house at the Sonora Woman's Club. Residents of Sonora since 1929, Mr. and Mrs. Labenske owned and operated the Labenske Style Shop. They were married on November 13, 1878 at the home of her parents, Mr. and Mrs. W. T. Aklen near Buda, Texas. He was the son of Mr. and Mrs. D. W. Labenske of Mancha. They made their first home in Mancha then moved to

Winters in 1908 and farmed there before entering the grocery business and then womans ready wear business. Their daughter, Mrs. John Cauthorn, Mrs. Labenske's sister, Mrs. Lillie Swatchesue of Winters and Mrs. Tom Donahu of Austin, and Mr. Labenske assisted the hosts in greeting the guests. A three tier cake flanked by yellow and white chrysanthemums and gold candles centered the tea table. Mrs. Labenske wore a black dress trimmed with sequins and her corsage was an orchid.

Mr. and Mrs. Joe Hull and children, Mary Lois and Auther, and Mrs. Auther Simmons will leave today to spend the weekend in Eagle Pass where they will visit Mrs. Clyde F. Kelson and Mrs. R. H. Martin, sister and mother of Mrs. Simmons.

The Broncos won out over the Iraan Braves 13-12. Charles Lee Haines took a hand off, broke through right guard and hot footed for a 51 yard touchdown. Allen kicked the extra point. George Hamilton went over on a quarterback sneak for the next score.

Two cases of polio have been reported in Junction. The American Legion Auxiliary was making hospital gifts for the Kerrville Veterans

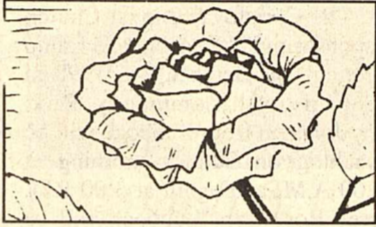

Hospital. The Katliff Store was holding a Thanksgiving sale: Women's house shoes \$1, O' Cedar mops 79 cents, Men's Wool Mackinaws \$12.49, baby chenille robes 25 cents, silk hose 49 cents and nylon hose 79 cents, Indian blankets \$2.98, sweaters 49 cents, men's top coats \$9.95 and men's khaki work shirts \$2.95.

The Sonora Grocery Store had Sun Red Catsup for 19 cents a bottle, can of Ocean Spray cranberry sauce for 22 cents, a carton of cigarettes for \$1.79, tomatoes for 16 cents a pound, a dozen oranges for 25 cents, two pounds of cabbage for 11 cents, pork chops for 60 cents a pound and chuck roast for 50 cents a pound.

You could stop by and see Bill Smith your friendly Magnolia dealer, Elliott brothers for real estate, insurance, or ranch loans; the Sonora Wool and Mohair Company for some KON TAK A-1 ant killer; George Barrow the jeweler, H. V. Stokes for feed, Lamar Fuqua Chevrolet Company, or stop and see E. W. Robinson at the Corner Drug Store and get a prescription filled.

If you have any questions concerning Sutton County history, send them to Ask the Historical Society, P. O. Box 885, Sonora, Texas 76950-0885, e-mail them to schs@sonorax.net, call me at 915-387-2855 afternoons or evenings or drop them off at the Devil's River News office on Main Street.

Don't forget the Sutton County Historical Society is a non profit organization and dependent on dues and honorary or memorial donations. Please support your local historical society. Thank you.

A rose is a rose is a rose—except when it's a one-plant arbor. A Lady Banks rose tree at Tombstone, Arizona, has a trunk 40 inches thick and stands nine feet tall. Supported by 68 posts and several thousand feet of piping, 150 people can be seated under the arbor. The cutting came from Scotland in 1884.

It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age. Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment. Medicare will pay for an annual mammogram for eligible women.

"Smart Jobs" coming to Sonora

By Justin McGeath

The Sonora Chamber of Commerce along with the Sonora Industrial Development board will be sponsoring a "Smart Jobs" workshop for all small business owners in Sonora. The workshop will be on Tuesday, October 6, from 7:00-9:00 p.m. at the Sonora High School auditorium.

Texas employers can now receive a grant from the Texas Department of Economic Development, (TDED) to help train current and future workers through the "Smart Jobs" program. The program provides up to \$2500 to train each employee in an existing business that is at least one year old, according to Peg Callahan Program Coordinator or the UTSA SBDC Smart Jobs Program.

Any type of training such as

classroom, on the job, video or computer-assisted training may be covered by the Smart Jobs Fund. Recent funding has included manufacturing, computer training, building trades, utilities and other occupationally specific skills training. Half of the \$102 million appropriated for 1998-99 has been earmarked for small businesses, with 20 percent reserved for minority-owned business.

Ms. Callahan will be available to assist in answering any questions about the program, as well as assist with the application process. The workshop is open to all business owners, and admission is free. If you would like to attend this workshop please contact the Sonora Chamber of Commerce at 387-2880.

PIPELINE SAFETY INFORMATION

PHILLIPS PIPE LINE COMPANY is committed to the safe operation of our pipelines and those pipelines we control and/or maintain for other companies. We transport refined products, crude oil, and natural gas liquids through our pipeline systems. You can help keep your community and the environment safe from a pipeline leak or accident by following these safety guidelines.

CALL YOUR LOCAL "ONE-CALL" BEFORE YOU DIG

Everyone should contact the One-Call system at least 48 hours before you **DIG, AUGER, CULTIVATE, OR BLAST**. The One-Call System will notify the underground pipeline and utility companies in the area so that they can locate their lines in advance of any excavation project. The **LOCAL ONE-CALL NUMBER** is listed below.

LOOK FOR PIPELINE MARKERS

Pipeline markers are located throughout the pipeline routes and at sites like roads and railroad crossings to help identify the **approximate** location of pipelines. Line markers list the commodity transported, the company name, and a 24-Hour telephone number. Our **800 EMERGENCY NUMBER** is listed below.

Line markers have **limited** information and are placed near the pipelines, but not necessarily directly on top of them. The line markers may be surrounded by painted fence posts.

CALL OUR 800 NUMBER FOR EMERGENCIES OR WHEN ANY OF THESE OCCUR NEAR OUR PIPELINE:

- Any excavation activity.
- Minor damage to our pipeline such as a scrape, crease, gouge, or dent to the pipe or its coating.
- Our pipeline exposed in washes, ditches, stream, etc.
- Accidents or acts of nature such as floods, earthquakes, mud slides, etc.
- Damaged or missing pipeline marker.

USE YOUR SENSES OF SIGHT, HEARING, AND SMELL AS WAYS TO RECOGNIZE A LEAK

- LOOK around the pipeline area for these signs:
- Accumulation of petroleum products on the ground.
 - Dense white cloud or fog.
 - Spot of discolored or dead vegetation.
 - Rainbow colored sheen on the surface of water.
 - Fire and smoke if the petroleum product has ignited.

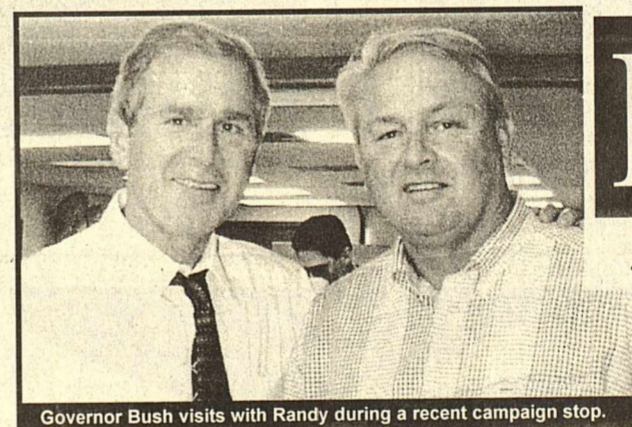

- LISTEN** for unusual noises—from a slight hiss to a roaring sound.
DETECT a strong petroleum scent or other pungent odor.

IF YOU CAUSE OR DISCOVER A PIPELINE LEAK, YOU SHOULD:

1. **IMMEDIATELY SHUT OFF** and abandon any machinery / equipment.
2. **AVOID** creating sparks.
3. **LEAVE** the area at once to a safe upwind location.
4. **DO NOT** drive into or near a leak area or vapor cloud. If your automobile stalls, **DO NOT** attempt to restart it. Instead, **ABANDON** the vehicle and leave to a safe upwind location.
5. **CONTACT** the local emergency response agency for assistance.
6. **NOTIFY** the pipeline owner or operator. Give your name and phone number, a description of the leak, and its location.

Governor Bush visits with Randy during a recent campaign stop.

Leifeste

for State Representative

Dear Fellow Texan,

As a fifth generation Texas rancher, a former Llano County Commissioner and the proud father of four children, I understand the needs and concerns of rural Texas. That's why I'm running to serve the people of District 73 in the Texas House of Representatives. Since January, I have traveled to every corner of District 73, talking to folks about what they believe we need to do to keep Texas a good place to live and raise a family. I agree with what they tell me: We need strong, conservative leadership in Austin. You and your neighbors will be able to count on me to work side-by-side with Governor Bush to protect your private property and water rights, provide the best public schools for our children, and cut your taxes. If you agree with my conservative agenda, I invite you to become a part of my campaign.

Sincerely,
Randy C. Leifeste

AGRIBUSINESS

Attention Ag Producers!

Join us **Thursday, October 1, 1998** for a visit with our **State Representative, Bob Turner**, and a tour. The tour will include seeing the plane and first-hand information from those involved in the **Weather Modification Program (cloud seeding)**, and also a tour of a **locally owned fiberglass tank manufacturing facility**.
The Edwards Plateau Soil & Water Conservation District is sponsoring this along with the **Eldorado-Divide SWCD**. We will meet at the **local Edwards Plateau**

SWCD office at 301 Crockett in Sonora at 8:00 a.m. and have a brief District Election. We will depart by 8:30 a.m. for the tour and the opportunity to visit with **Bob Turner. We will finish by noon!**
What a productive way to spend one morning of your time! Get an update on legislative issues that affect agriculture, and learn more about fiberglass tanks and weather modification.
For more information please call the Edwards Plateau SWCD Office at 387-2730.

24th Annual ICA Convention and Trade Show

The 24th Annual Independent Cattlemen's Association of Texas (ICA) Convention and Trade Show was held August 9-11, at San Antonio's Omni Hotel and Convention Center. The convention was the backdrop for yet another difficult year for Texas cattle producers.

good deal of work. On Sunday, the ICA held their first-ever Town Hall Meeting to discuss the future of the Beef Checkoff Program. Under the program, a dollar from the sale of every bovine animal in Texas is earmarked for beef promotion and marketing activities. ICA leaders have called on the state's cattle producers to reject a move by a national livestock trade group to kill the checkoff program. Because of the importance of this issue, event organizers invited all area cattle producers to participate in the meeting.

For the second time in three years, Texas ranchers are facing a devastating drought. As pastures crack in the heat and stock tanks dry up, many ranchers are faced with difficult decision: liquidate herds or face mounting feed costs.
So far, this year's drought, though difficult, has not been as tough on cattle producers as the drought of 1996. Feed prices are lower and Mexican producers are not dumping their cattle on the U.S. market, as was the case in 1996. Absent these additional market pressures, cattle prices have not plummeted to the disastrously low levels of 1996. "The outlook isn't good," said John Brown, President of the ICA, "but farmers and ranchers are real optimists."
Along with the fun comes a

Broncos J.V. has Successful Road Trip

by Tryon Fields

Last Thursday, the Junior Varsity football team traveled to Alpine to play the Alpine Junior Varsity team. After a long bus ride, one really never knows how a group of athletes will react once they step on the playing field. The Broncos seemed to warm to the idea of playing in the "Pines". From the very first set of downs to the last set, the Broncos, controlled every facet of the game.

The Broncos received the opening kickoff, setting up their first possession on their own 15 yard line. It only took the young Broncos 3 plays to get their first tally of the afternoon. After a run and a pass reception by Sean Fields, the Broncos, had a first down on their own 35 yard line. Bill Renfro, took the pitch from Nick Lozano, got to the outside and raced down the right hand sidelines for a 65 yard touchdown run. Total time elapsed was 1 minute 18 seconds on this scoring drive. Renfro attempted the PAT, but the snap was bobbled by Lozano, thus the PAT was thwarted. Sonora 6 - Alpine 0.

The Bucks not to be outdone, took the kick-off from Stetson Hall and set up shop at their own 31 yard line. The Bucks came out in a wishbone formation, and the Broncos seemed to have trouble being able to defend it. The Buck quarterback was

constantly getting to the outside and either making good yardage on the run or being able to pitch the ball at the last instant to the trailing back who would get decent yardage. The Bucks moved the ball steadily down the field. On a 4th and 5 at the Bronco 5, the Alpine quarter back rolled right to attempt a pass, Thomas Schenkel from his defensive tackle position, put a tremendous rush on the QB, and was able to knock the ball loose. A very observant Nick Lozano picked the ball up and proceeded to race down the field for what was an apparent 85 yard touchdown gallop. However, an illegal block nullified the touchdown and the Broncos would take possession of the ball at their own 35 yard line. The Broncos, looked as if they were going to duplicate their first possession. After a 12 yard gain on a pass from Lozano to Riley Crain, a short run by Fields, the Broncos turned the ball over on a fumble at their own 41 yard line. Here the Bronco defense began to stiffen, and the Buck offense turned the ball over on downs. The Broncos, took possession at their own 5 yard line after an excellent punt by the Alpine punter. For the next 5 minutes, the Bronco offensive line, consisting of Beau Hughes, Chris Green, Chris Weingart, Thomas Schenkel, Jared Solis, Ed Mayfield and Riley

Crain, gave the Bucks a lesson in blocking. The Bronco running backs, Sean Fields and Bill Renfro were able to gobble up the yardage; thru gaping holes provided by their linemen. The two big plays on this 95 yard drive were provided via airmail. Riley Crain and Sean Fields were recipients of Nick Lozano passes of 16 and 17 yards consecutively. This set up a 1 yard touchdown run by Bill Renfro, who also added the 2 point conversion to put the Broncos up by 14 points mid-way through the 2nd quarter. Once again the Bronco defense led by Danny Solis, Ed Mayfield, Cameron Simms, and Thomas Schenkel forced the Bucks to turn the ball over on downs on their next possession. The visiting Broncos, once again, took advantage of the Buck hospitality. This set of downs was the Air Bronco show, with the star being Ed Mayfield. Mayfield snagged a Lozano pass at the Bronco 28 yard line and lumbered for 57 yards to the Buck 21. Here, Lozano found Riley Crain for a 14 yard throw and catch to set up a first and goal at the 5 yard line. Bill Renfro got the call and was able to get his third touchdown of the afternoon. The try for two failed. With this score, the Broncos had a commanding 20 to 0 lead with 29 seconds left in the first half. Sometimes, when a team has a comfortable lead, it has a let down. This, along with the athletic ability of the Buck deep receiver, gave the Buck faithful something to cheer about. The deep man collected the Hall kick-off at the 10 yard line. Taking it straight up the middle, then breaking to the Buck sidelines, he was able to out run the Broncos for a 90 yard touchdown. The try for two was good, and at the intermission, the Broncos had a 20 to 8 lead.

To begin the second half, the Bucks were to receive the kick-off. For some reason, the Bucks elected to forsake their running game, this would prove to be costly. On a 3rd

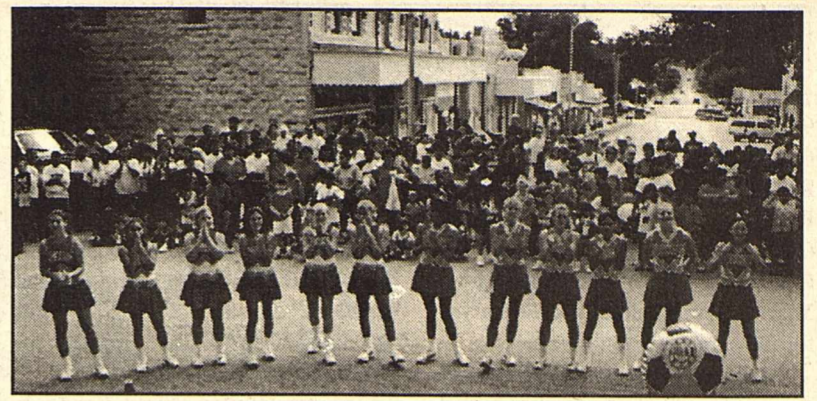

and 14, the Buck quarterback thought he had found a wide open receiver at the Bronco 45 yard line. What he found, was the Bronco safety man, Sean Fields, who seemed to come out of no where to intercept the pass. For 35 yards, Fields was uncontested in his quest for the goal line. The last 10 yards, Fields had to fight and claw, but he would not be denied, as he carried a would be tackler into the end zone for the touchdown. Once again, Renfro was called upon for the 2 point conversion, this time with success. Broncos 28, - Bucks 8.

On the next 3 possessions, 2 by Alpine and 1 by Sonora, the turnover bug found its way onto the field. Sonora's Sergio Hernandez, recovered an Alpine fumble and Cameron Simms intercepted a Buck pass. Sonora also lost a fumble on its next possession. With a minute left in the third quarter, Alpine decided to dance with the one that brought them. They went back to the option. The Bucks took 3 minutes off of the clock and marched the ball down the field for an 80 yard touchdown. On the 2 point conversion, the quarterback threw a short pass to his tight end for the conversion.

Sonora 28 - Alpine 16. On the ensuing kick-off, the Broncos took possession of the ball on their 26 yard line. Alternating runs between Fields and Renfro, the Broncos moved the ball to the Buck 42 yard line. At this point, Lozano lofted a pass up for Riley Crain, who out reached and out ran the Buck defenders for the Bronco touchdown. Renfro came on for the PAT. This time, everything went according to plan, and the kick split the uprights.

Broncos 35 - Bucks 16. The Bucks next took possession on their own 31 yard line. With the aid of 2 encroachment penalties, the Bucks began to move the ball down the field. On a 1st and 10 at the Bronco 44 yard line, Sonora's Jacob Perciful jarred the ball loose and Bill Renfro recovered it to stop the Buck's drive. The Broncos, were not able to get anything going on their next possession, and were forced to give the ball up on downs. With 2 minutes 18 seconds left in the game, the Bucks would not give up. They used all of the clock to tally the final score of the afternoon. However, it was too little too late.

Bronco J.V. 35 - Alpine J.V. 22. This Thursday, the Sonora J.V. will entertain their counterparts from Brackettville. Game time is a 6:00 p.m. start at Bronco stadium!

Varsity continued from page 1

made an excellent play on the ball and batted it down. With a minute and 56 seconds left in the game, the Broncos attempted to run out the clock. However, they were unsuccessful and had to punt the ball back to the Bucks. With 14 seconds left on the clock, the Bucks had one more chance. Yarborough dropped back to pass, but could not find an open receiver and was forced to run with the ball. Yarborough was finally corralled at the Bronco 29 yard line by the Lozano brothers (Homer and Sonny). In the

process the clock ticked off the last seconds, insuring the Broncos of their second win. Alpine Bucks 16 - Sonora Broncos 26

Friday, the Broncos will travel to Brackettville to take on an opponent, that they have not seen in a long time, maybe never. Game time is 8:00 p.m. Hope you will be able to attend the game, if not, tune your radio to 92.5 and catch the Virgil Burge / Wayne Legan Show, as they bring you, play by play action.

HEMPSTEAD JSD -- SCHOOL ON THE MOVE

The Board of Trustees of the Hempstead Independent School District would like to express our pride in the progress that is occurring at each of our campuses. We firmly believe that based on facts we are truly an improving school district and even though we still have tough challenges ahead of us we are moving forward at a rate that is impressive to say the least.

We have recently approved a budget which designates 55% of the total expenditures for student instruction compared to a state average of 52% which clearly identifies our priorities. We have been able to focus on student achievement with an emphasis on curriculum and quality instruction for the past three years in the absence of a major non academic conflict within our District. We believe that this has been a key to our success and hopefully this trend will continue. We have also been fortunate to have dedicated and qualified teachers, coaches, and building administrators who have met the challenges with a strong and caring commitment.

With the passage of a bond issue 3 years ago, the district has undertaken an aggressive building and renovation program that has resulted in much improved facilities. We still have many needs in this area but we do have short and long range plans to continually upgrade and improve our district facilities.

We made a decision to serve on the school board because we truly wanted to improve the quality of education for the children of Hempstead. We are encouraged that the facts indicate that our school is improving, one example of which is the trend for 10th Grade Exit TAAS Scores. We are convinced that with the diverse population of our community it is imperative that we all work together to insure that Hempstead continues to be "A School On The Move".

Can a chiropractor perform the physical my son needs to start in the local Scouting Program?

Yes. Chiropractors are fully educated in all aspects required in a physical examination. These include examination of the heart, lungs, gastrointestinal and urogenital systems, the skin and musculoskeletal system with special emphasis on spine related conditions. You should feel completely comfortable in taking your son to a chiropractor for his scouting physical.

Do chiropractors have to renew their licenses or take continuing education classes?

Chiropractors licensed by the Texas Board of Chiropractic Examiners are required to take 16 hours of continuing education each year in order to renew their chiropractic licenses. The doctor is also required to display their renewal certificate in his or her office. If the doctor holds special certifica-

tions or designations, they may also be required to attend additional continuing education hours for that specialty as well.

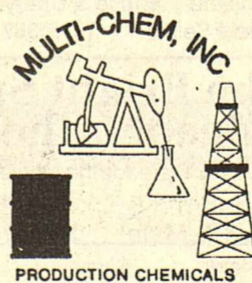

A friend told me I should only see a chiropractor who went to a certain college. Is this idea correct?

No. In years past, many chiropractors had strong allegiances to their alma matters and suggested that patients only see doctors who had also attended their particular college. As the standards for chiropractic colleges have become more regimented and standardized, the distinctions between different colleges have all but been done away with.

Chiropractic colleges are now accredited by a national agency supervised by the U.S. Department of Education. Chiropractors licensed in Texas are required to have graduated from an accredited chiropractic college. As long as the doctor you see is licensed, you should have every confidence in that doctor's abilities.

"Who says you can't go au naturel at 50?"
Kim Jones is going through what every woman will eventually face — **menopause**. Kim though, has made a graceful transition. She has found the balance of hormone replacement perfectly suited for her, to reduce her unwanted symptoms of menopause—**Natural Hormone Replacement**.
Post-menopausal women are at a greater risk of cardiovascular disease (high blood pressure, heart attacks and strokes) because of the absence or decline of essential hormones. Natural Hormone Replacement can decrease these risks and has many other benefits:
— natural alternative to traditional synthetic hormone replacement
— fewer unwanted side-effects when compared to synthetic hormones such as, breast tenderness and fluid retention
— decreased risk of cancer-related illnesses
— dosing individualized to meet each ladies specific needs
Take control of your body and your health — contact Myers Drug or your physician for more information on Natural Hormone Replacement. Feel better, look better and live better — naturally.
