Daylight Savings ends Sunday, October 25th! Remember to set your clocks back one hour.

Mason Arispe, Alexa Sykes and Madison Wolfe take home the prize for Best Costume in the Pre-K age group. For more pictures of the Fall Festival activities held on October 12th, see page 6.

Senior Center News

October is nearly gone but we have been very busy at the Senior Center. With Holidays around the corner we will be starting new crafts for Christmas and planning a trip to San Antonio. We hope to plan one to San Angelo to visit Fort Concho, Santa Fe Crossing Senior Center. Come by our Senior Center and sign up now!

We still are doing blood pressure checks and sugar blood counts with Cornerstone and Vantage Home Health programs. The days for these checks will be on Tuesday and Wednesday 11-1 p.m. every other week. We got our new '99' Ford van so this week, we will go on

our San Angelo trip on Wednesday October 21st in our brand new van. It is very, very pretty and fancy. Come see it for yourself. Call Lilia for transportation 387-5657 or 387-3941. We go to San Angelo every third Wednesday of each month.

Had a real neat program with Carole Thorp and JoAnn Hernandez last week at our Senior Center. Carole is with Texas Legal Services Center and JoAnn Hernandez is with the Sutton County National Bank. Topic was use Direct Deposit for payroll, pension payments and government payments including Social Security. We had a large turn out at the Senior Center and every-

one had questions and these ladies had answers and ideas on what needs to be done for now. Also expect to have many other changes on Medicaid and Social Security, we have folders on this at our Senior Center if anyone wants to get more information! Come see us Monday-Friday from 8:30 to 4:30.

Our Birthday Party is this Friday, October 23rd. The celebrating October babies are: Beverly Howard, Jesus Flores, Brigida Garza, Maria Leija, Darrell Curtis, Victoria Romero, Margarita Martinez, Volunteer Teresa Zurita.

Sonora Ranks First in Relay

This week, John Parsons, Regional Director from the San Angelo's American Cancer Society office, informed the Sutton County ACS unit of some very exciting news. Sonora's 1998 Relay for Life raised \$20,000 for the American Cancer Society.

Sonora was ranked 1st in the State per capita out of approximately sixty relays. This came out to be about \$4.46 per capita (that's per person in the community).

The Sonora Relay for Life was ranked 5th nationally, out of counties with a population of 0 to 10,000.

This is a great honor to the community of Sonora, participants and local volunteers involved with the Relay for Life who worked so hard to make this years event the

success it was.
Next year let's make it even better and raise more money. So get your team together now and get ready to come have a good time and help fight for a cure!

REWARD

A possible immature Bald Eagle was found hanging from the goal post at the football field in Eldorado, TX. The U.S. Fish & Wildlife Service is offering a reward up to \$2500.00 for information leading to the arrest and conviction of person(s) involved. Anyone with information please call the Fish & Wildlife Service at 1-830-703-2000 in Del Rio or 1-210-681-8419 in San Antonio or contact Texas Parks & Wildlife Law Enforcement

Broncos Shut-Out Lions

by Tryon Fields

It has been a few years, since the Broncos were 2 and 0 in district play and playing for a district crown. After the convincing victory against the Ozona Lions, last Friday, that is the situation that the Broncos find themselves in. It sets up a showdown this Friday, with the Forsan Buffalos. The Buffalos come to town sporting not only a 2 and 0 district record, but a surprising 7 and 0 season record. This will probably be the game to decide who will wear the District 2-2A crown.

Last Friday, the Ozona Lions were the second district victim to feel the strength and power of the Broncos. The Broncos rushed for 299 yards and added 46 passing yards to compile a total of 345 offensive yards. The Mighty Bronco defense limited the Lions to 9 yards rushing and 142 yards passing, with the majority of these yards coming late in the fourth quarter. The Broncos cruised to a 35 to 0 victory.

The Lions received the opening kick-off and set up camp at their own 20 yard line. The Broncos, led by Simon Murrillo and Lupe Ramon forced the Lions to punt after 3 downs. The Bronco offense began their first drive from the Lion 46 yard line. The Broncos moved the ball down the field with ease, as Tom Jacoby gained 16 yards, Bryce Williams linked up with Brad Legan on a 17 yard pass play, and Anthony Renfro gained 14 yards on

5 carries. With six and one half minutes left in the first quarter, Anthony Renfro scored the Broncos initial touchdown on a 1 yard run. Renfro added the point after to give the Broncos a 7 point lead. Sonora 7 - Ozona 0

After not finding any success on the ground on their previous possession, the Lions, decided to test the Bronco secondary. Demetrio Castro and Tanner Fields caused two passes to be thrown over the intended receivers and another, only going for a 1 yard gain. Once again, the Lions were forced to punt. After a short punt and a penalty on the Lions, the Broncos were back in business at the Lion 39 yard line. Five carries by Renfro, 3 by Jacoby, and 1 by Graham Bloodworth moved the ball to the Lion 3 yard line. Tom Jacoby pounded the ball into the end-zone from that point to give the Broncos their second score of the evening. Renfro added the PAT to give the Broncos a 14 point advantage. Sonora 14 - Ozona 0

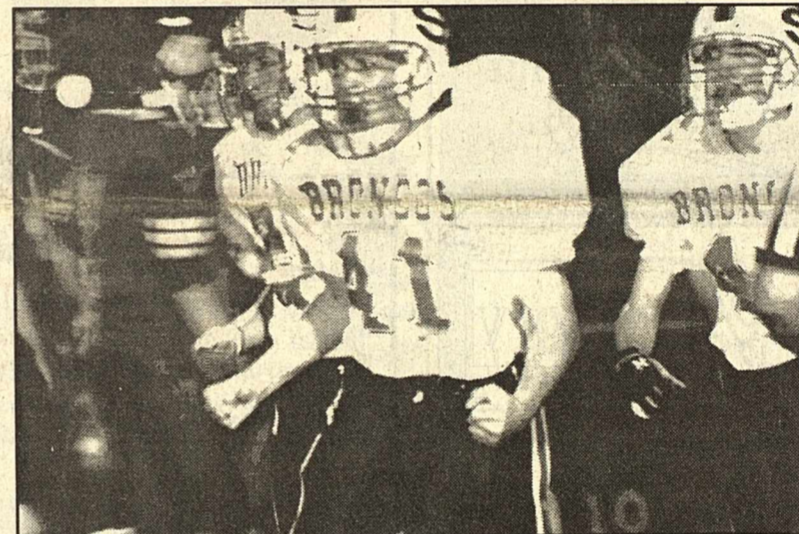

The Lions were able to cross the mid-field stripe on their next possession. Starting at their own 15 yard line, the Lions found tough going as Michael Castilleja sacked the Lion quarterback at his own 12 yard line. On a third and 13, Ross Crawford found a streaking Dustin Faught over the middle for a 49 yard pass play. On the next play, Bronco defensive end, Simon Murrillo, stopped the Lions running

back for a 1 yard gain. On a 2nd and 9, Crawford tried Faught over the middle again; however, Anthony Renfro made an excellent play on the pass and intercepted it, returning it to the Lion 36 yard line. The Big Red Offensive Machine took the field for the third time. Alternating carries between Renfro, Jacoby, and Bloodworth, the Broncos moved the ball down the field, chewing up yardage as well as using three and a half minutes on the game clock. With 6:52 left in the second quarter, Jacoby got his second score of the evening on a 1 yard plunge. Renfro added the point after attempt to make the score: Sonora 21 - Ozona 0.

The Bronco defense led by Reggie Glasscock and Tanner Fields continued to shut the Lion offense down. Only being able to gain 7 yards on their next possession, the Lions punted for the third time of the evening. The ball was downed at the 4 yard line giving the Lions one of their few breaks of the evening. Starting at the 4, the Broncos moved the ball out to the Lion 29 yard line. Here the Lion defense stiffened and with the aid of a holding penalty, forced the Broncos to punt for the first time. Anthony Renfro got off a good high kick which was aided by a Bronco bounce that put the Lions back at their own 37 yard line. With only 44 seconds left on the 1st half game clock, the Lions went back to the air to try and move the football. Tanner Fields made two excellent defensive plays to break up two of the passes and on a 4th and 10, Crawford (Lion quarterback) found Lion receiver Clay Richardson for an 8 yard gain. However, this was not enough for the first and the ball went over to the Broncos on downs. With 4 seconds left on the clock, the Broncos chose to run the clock out. Halftime: Sonora 21 - Ozona 0

The Broncos received the second half kick-off. Anthony Renfro caught Robert Kelly's kick at the 12 and returned it to the Bronco 44 yard line. As in the first half, the Broncos used Bloodworth, Jacoby, and Renfro to move the ball down the field. After a good defensive play by Clay Richardson, the Bronco drive stalled out at the Lion

Broncos are PUMPED as they dominate the game against Ozona last Friday

Sonora Colts meet the Ozona Cubs

Submitted by Joyce Casparis

The Sonora 7th grade Colts lost a hard fought football game Thursday night against the Ozona Cubs. The Colts controlled the football most of the game with only three players on the sidelines for substitutions, were finally worn down in the last quarter of the game. But let me tell you, these boys played with heart and soul and never gave up! Good Hustling!

The Colts received the opening kick-off and behind the running of Scottie Moore, Chris Martin, and Wilson Wallace moved the ball to the Ozona 15 yard line. Then a penalty and several losses moved the ball back to the Ozona 29 yard line. At the beginning of the second quarter, the Colts throw an interception and Ozona gets the ball for the first time of the night. The Cubs move the ball to the Sonora 24 yard line where the Colts take over on downs. The Colts are unable to score and the first half ends.

The Colts get the football first in the second half and the Colt defense holds the Cubs and Ozona has to punt. With some hard running, Scottie, Chris, and Wilson move the ball down field into Cub territory but as the third quarter ends and the fourth begins the Colts turn the ball over on downs. The Cubs get the ball and move steadily down the field and with 3:20 left to play in the game the Cubs score a touchdown to make it 6-0. The two point conversion is good and the Cubs lead 8-0. The Colts get the ball one last time but are unable to get the ball into the endzone and the final score is Cubs 8 and Colts 0.

All the Colts played a really fine football game (Jed Snodgrass was everywhere making tackles!) and deserves a lot of credit for the determination and heart in which they played. Great game Colts

The Sonora 8th grade Colts travelled to Ozona to take on the Ozona 8th grade Cubs Thursday night. The Colts won the toss and elected to receive. Thomas Bloodworth receives the kick-off and returns it to the Cubs 18 yard line. A few plays later the quarterback Emmanuel Lopez on a keeper runs the ball across the goal line for the Colts. Thomas adds the two point conversion and the Colts are on the board 8-0.

The Cubs received the kick-off from Juan Rodriguez on their own 20 yard line and Eloy Torres tackles the receiver at the Cub 37 yard line. The Cubs run several plays before fumbling the football with Israel Arevalo making the recovery.

The Colts are held on this possession and have to punt. The defense of the Colts also hold the Cubs on their next possession and the punter for the Cubs fumbles the ball and the Colts recover on the Cub 33 yard line.

The defense for both teams dig in and the first quarter ends with no other scoring.

In the second quarter the Cubs are moving the ball steadily down field and the Colts allow several first downs before stopping the Cubs on the fourth down play and taking over their own 24 yard line. The Colts hold and the Colts must also punt.

The Cubs begin a drive on their own 46 yard line and good defensive plays by Seth Prather, Reyes Garcia, Wylie Waggoner, and the rest of the defense puts a stop to the drive and the Colts take over on their own 39 yard line with little time left before the half. At half time the score is Colts 8 and the Cubs 0.

The Colts are set to receive the

Sonora Merchants Association to hold benefit raffle for ELKS program

by Justin McGeath

The Sonora Merchants Association is sponsoring a benefit raffle for the Sonora ELKS program here in Sonora. ELKS stands for Extended Learning for Kids, which provides after school supervision and enrichment for children in Sonora.

The raffle will include over \$1500 in prizes and gift certificates donated by local merchants. Raffle tickets may be purchased at participating merchants. Tickets can be purchased for \$1 each or six tickets for \$5.

ELKS has been available to working parents in Sonora with elementary aged children since 1993. Originally funded by donations from Enron Corporation, Burlington/Meridian, West Side Lions Club, and St. Johns Mission

endowment, and a commitment from Sonora ISD, the ELKS program served between sixty and eighty students from two o'clock until five-thirty each school day.

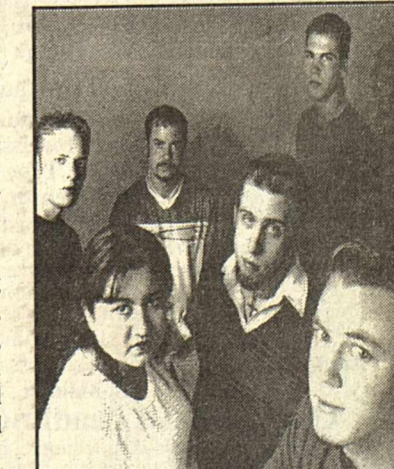

The program is directed by a certified teacher, and supported by a second certified teacher, four adult aides and a high school student aide. ELKS provides tutorials, reading enrichment, teacher-directed extended learning activities, community service projects, drug and alcohol prevention activities, educationally-rich recreational activities, and nutritious snacks.

This important program needs your help in continuing its support to our children in Sonora. You can join the merchants association in their support of this program by purchasing your raffle tickets today.

Here Comes 5th Quarter with Special Guest, BOMFOG

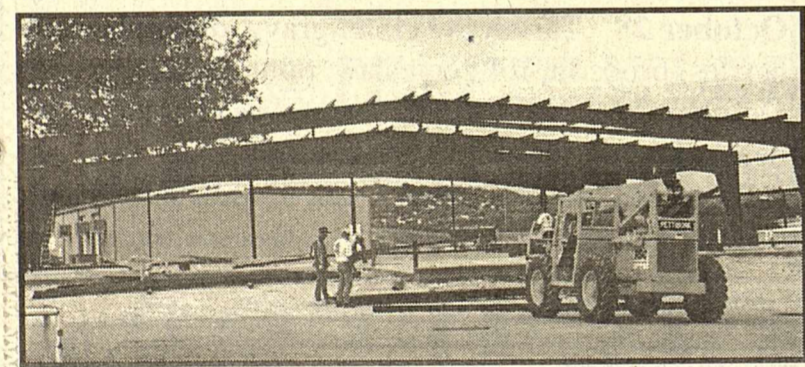

This Friday night, October 23rd, following the game with Forsan, Sonora teens are invited to First Baptist Church for 5th Quarter. In the past 5th Quarters have brought illusionists, famous athletes and even a karate team. This year teens will be treated to a concert by alternate Christian artists, BOMFOG. BOMFOG has been gaining notoriety in Christian band circles, especially now that they're first CD, titled, "Broken" has been released. Their music is exciting and packed with good instrumentation's and vocals.

In addition to BOMFOG, teens will be treated to all kinds of snack foods and some very special giveaways donated by area merchants. The 5th Quarter will conclude at 12:30 A.M. and admission is free.

Chamber of Commerce to Host Chamber Luncheon

The Sonora Chamber of Commerce will be hosting a Chamber of Commerce luncheon on Thursday, October 29, at the Sutton County Steakhouse. "The luncheon will be an excellent networking opportunity for our membership," says Chamber Manager, Justin McGeath.

The luncheon will be from 12:00-1:30 and will include guest speaker Harlan Bruha of the Angelo State University Small Business Development Center. The Topic being discussed will be the year 2000 computer problems and how

these problems will effect small businesses.

The luncheon is open to all Chamber of Commerce members. The only cost involved will be the price of your meal. Everyone who attends is encouraged to bring their business cards and be prepared to mingle with their fellow chamber members. The luncheon should be an enjoyable and educational hour and a half.

For questions or suggestions on future luncheon speakers or topics please call the Chamber office at 387-2880.

Ask the Historical Society

By Jo-Ann E. Palmer

Q. How old is the term "comedy of errors"?

A. I don't know exactly when the term started but I do know that sometime between 1587 and 1592 William Shakespeare wrote one of his shortest and earliest plays and called it "The Comedy of Errors." The play was first produced at Grey's Inn Hall in 1594. It is a story about twin brothers, both named Antipholus who both have servants named Dromio, that also are twins. The twins are separated in infancy, with one going to Syracuse and the other to Ephesus. The fun starts when Antipholus and Dromio of Syracuse grow up and start looking for Antipholus and Dromio of Ephesus.

In 1938 Richard Rogers and Lorenz Hart did a musical adaption of the Comedy of Errors called The Boys of Syracuse. At this time the expression comedy of errors was again popular.

Several of you have called and asked if I would run a few more recipes from the old papers. The following is from the Society Notes of the October 14, 1938 issue of the Devil's River News:

PECAN WAFERS
by Miss Ada Steen

Two tablespoons of shortening, 1 egg (beaten), 1/2 teaspoon of baking powder, 1/2 teaspoon of lemon juice, 1/4 cup of sugar, 2 tablespoons milk, 1/8 teaspoon of salt, 18 pecan halves, 1/2 cup chopped pecans, 1/2 cup pastry flour.

Cream shortening and sugar. Add egg, pecans and lemon juice. Sift flour, baking powder and salt, add alternately with milk to first mixture. Mix well. Drop from teaspoon. Press flat. Put pecan half on each. Bake in moderate oven (350 F) 10 to 15 minutes. Makes 18 wafers.

On the same page we find that jewelry, in the mode of three-piece sets- broach, earrings and bracelet being the favored three that season, were essential to the costume of the well-dressed woman. Especially

William Shakespeare

fashionable was coral jewelry when worn with a costume of black, brown or blue. And for the new smartly correct, purple costumes new shades of purple nail polish have been created. Smart women would find these shades blend more successfully with their attire than the old red tones of polish.

W. H. McGonagle, Jr. and Miss Mildred High of Grand Junction, Colorado, were married in Big Lake. She is a daughter of Mrs. Clara High of Palisades, Colorado. They will be living at the Station A pumping station.

At the LaVista Theatre you could see Devil's Party and Boots and Saddles with Gene Autry. Other pictures to be shown this week are Ebb Tide, Triple Holiday, Service De Luxe and Alexander's Ragtime

Twelve children were guests at a birthday party for Josette Boughton that was held at the roadside park on the Ozona highway. Enjoying outdoor games, cake, cookies, sandwiches and punch were: Marguerite Howell, Marjorie Dameron, Frances Atchison, Billy Cartwright, Snookie Reiley, Geraldine Meckel, Edith May Babcock, Flora Jean Hildreth, Joe Cannon, Mickey Cannon, Alain Boughton and Richard Boughton.

An advertisement said Fun for all, roller skate... bring the whole family, music while you skate in West Sonora, (in tent just across Ozona Hwy. Bridge) admission 25 cents.

Six were given the tenderfoot investiture ceremony at the Court of Honor at the Baptist Church. They were R. W. Wallace, R. C. Luckey, Boyd Turner, Eugene Alley, Richard Boughton and Billy Shurley.

Slight damage was done at the home of Mr. and Mrs. Bobbie Alliscn Wednesday morning when a kitchen fire caused a run by the Sonora Volunteer Fire Department. Mrs. Allison had left an inexperienced Mexican girl in charge of the home at the time of the conflagration. The Allison's child was not left with the girl but was with relatives. Damage was confined to the kitchen wall and stove.

Q. Back at the turn of the century a rumor was circulated to try to put Montgomery Ward out of business. Do you know anything about it?

A. In 1903 the following advertisement was run:

An Infamous Lie

A traveling man, jealous of the immense trade we have built up with the consumer by selling him merchandise of every description at wholesale prices, and with the intention of lowering us in the eyes of southern people, started the story in Texas that Mr. Montgomery Ward, president of our company, is a mulatto Negro. Mr. Ward is of New England parentage, of the bluest blood, and not one drop of Negro blood is in his veins. We will give \$100 reward for information leading to the detection of the man who started this story. Montgomery Ward and Company, Chicago.

Back in the 1938 issue we found this inventive ad for the Sonora Drug Company: War clouds hang over Europe. The peace of the world is threatened. And while we hope fervently for peace, there isn't much we can do about it. Here in our country there is another war going on. It's a war fought every winter. A war against disease- colds and flu- and other energy killers. Begin to fight this war now. You

Mighty Bronco Band wins a Division II at Regional VII U.I.L. Marching Contest

Among the downpours and sprinkles the Mighty Bronco Band prepares themselves for the time at hand. After each student helped to make sure uniforms were properly fitted, the Mighty Bronco Band moved out to the rehearsal room. After a prayer, the band marched out to the field and watched the first of 10 bands in the AA division march. Rain or shine the contest goes on and so does Sonora. The band looked sharp. After a postponement for a heavy downpour and hours of other bands competing the Mighty Bronco Band and fans sat nervously awaiting the outcome of the competition. "Sonora, division 2." Yes the band definitely beat last years rating. We are moving forward. The students now know the hard work it takes to improve. One comment was made "If only we had one more week to practice on our new steps from the clinician, Professor Dennis Hopkins of Mary Hardin-Baylor at Belton." Wait till next year, was said by all after the competition. A special Thank you to the Police Department and Officer Humphrey for the escort out of town on the way to competition. The band would like to thank everyone for their support and for those who helped with decorating the bandhall and the town.

To schedule an appointment, please call
1-800-530-4143, extension 3235 or 3229

It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age. Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment.

Medicare will pay for an annual mammogram for eligible women.

1998 Fall Festival Fun

Silent Auction for E.L.K.S. a Success

The silent auction, held in conjunction with the Fall Festival, to raise money for the E.L.K.S. program, was dubbed a success by all involved. Approximately \$550.00 was raised, which is great, but is a small step toward the amount that needs to be raised in order to reinstate this much needed after school program. The highest bid of \$62.00 was made by Tammie Tidwell for 6 months of Internet service, donated by the Devil' River Internet. Other items that were auctioned off are as follows: a garden basket - \$35.00, a Texas Tech telephone - \$22.50, an apple basket - \$7.00, brownies - \$8.00, \$20.00 & \$6.00, a tomato basket - \$20.00, a spurs basketball - \$23.00, a fishing hole game - \$13.00, \$10.00 & \$10.00, peanut

butter cookies - \$5.00, a music box - \$10.00, t-shirt - \$10.00, a pepper basket - \$22.00, a singing santa - \$8.50, cupcakes - \$5.00, racing caps - \$5.00 & \$6.00, CD Rom game/ Dragon Lore - \$8.00, pineapple upside-down cake \$21.00, Fall centerpieces - \$12.50 & \$10.00, 1 year's subscription to the Devil's River News - \$40.00, an NBA Basketball book - \$37.00, a sports ball - \$11.00, a Buggable - \$30.00, a Ficus - \$27.00, a Spur's jacket - \$30.00, a birdhouse - \$10.00. Elementary School principal Kelly Hirt and vice-principal Louise Dermody wants everyone who donated or bid on items, to know how much they appreciate their generosity.

ICA joins efforts to stop unfair Canadian trading practices

The Executive Committee of the Independent Cattlemen's Association of Texas (ICA) voted to support a petition filed by the Ranchers-Cattlemen Action Legal Foundation (R-CALF) requesting the imposition of countervailing duties (CVD) on imports of live cattle from Canada.

The R-CALF petition asks the International Trade Commission (ITC) to examine whether imports from Canada are entering the United States at unfairly low prices (i.e., "dumped") or at prices which reflect a benefit from a subsidy, and which are causing or threatening economic harm to a domestic industry.

The petition was filed October 1, 1998 before the United States Department of Commerce International Trade Administration and the ITC.

Congress has laws already on the books designed to deal with imports that have a negative impact on the domestic industry. These laws are strong but the ITC hands are tied until the cattle industry formally files a petition for import relief requiring the ITC to initiate an investigation.

Although a CVD investigation usually takes 8-10 months to complete, the ICA has asked the ITC to speed up the process and make their determination by early next spring.

Although three petitions were filed with the ITC by R-CALF, the ICA Executive Committee took action only on the Canadian dumping issue until additional information is gathered.

The Independent Cattlemen Association of Texas is a 25 year old grass-root cow-calf producer organization which represents thousands of Texas cattle producers.

Military told not to criticize Clinton

LOS ANGELES (AP) -- Military authorities are warning officers and enlisted personnel that "contemptuous words" about President Bill Clinton could lead to disciplinary action, the Los Angeles Times reported on Tuesday.

The threat reportedly reflects a concern over public criticism of Clinton for his relationship with Monica Lewinsky.

It was unclear what punishments were possible, though an Air Force officer said they tended to be mild unless comments come from high-ranking officers or were widely distributed.

AGRIBUSINESS

Mohair Builds Stable Market

Unwilling to be ruled by the whims of nature and fashion, the American mohair producer have decided to take action to insure a steady market for mohair. Having endured several seasons of natural disasters, drought, followed by floods and untimely freezes in the Texas Hill Country, the primary growth area in the U.S., all of which has taken a heavy toll on the industry, they felt it was finally time to take more pro-active measures to bolster the mohair industry.

While nature may not be controllable, distribution of the fiber is. The key was to find new markets for mohair.

Until recently, most efforts were directed solely towards promoting the sale of raw mohair, said Dick Pactor, product developer for Dove Creek Collections, a division of the Mohair Council of America. Pactor and Zane Willard, executive director of the Mohair Council decided to take "the bull by the horns," or in this case the Angora goat by the hair, and create salable mohair products. Using the older adult grades of hair in blends, they have developed Dove Creek Collections, a line of luxurious throws (small blankets) for the home and a collection of casual sweaters.

Over the years mohair sales have been at the mercy of swings in fashion, limiting the regular consumption of the product. When the fickle finger of fashion dictates fuzzy or textural finishes, mohair is "in." The exception is kid mohair, used in blends, for which there is a steady demand.

Texture, however, is not the only attribute of raw mohair. With its affinity for dyes, soft luxurious hand, rich luster and durability it can be spun, alone or in blends, into lofty fleeces, rich tweeds, knits and crisp suits.

For the Dove Creek project, Pactor is concentrating on utilizing the adult mohair, which has been the victim of fluctuating demand. By using the adult mohair (less expensive than kid mohair) in blends Dove Creek can target the mid-market with retail price points of US \$50 to \$100.

Following consumer trends, the Council is addressing the current "dress down" mentality of fashion.

"The apparel side is focused on casual clothing items that can be mixed with jeans. We are focusing on sweaters, vests, hunting shirts, over shirts and other tops in both knits and woven," said Pactor. Additional collections of socks and scarves are also on the drawing board.

"The collection will be of color coordinated, integrated garments. Styles will fit the trends, yet be timeless in an effort to eliminate the volatility of the market," he explained.

Launched six months ago, the project developer have spent most of their efforts "putting the building blocks in place," said Pactor, a textile engineer, who is working internationally with mills and designers to design the garments. This includes sourcing the yarns, finding manufacturers and creating the products. Much of their efforts have been concentrated in the United Kingdom, Hong Kong and the U.S.

"The introduction collection hasn't formally gone to market, but we have been actively involved in promoting it," he said. The primary introduction of the garments is planned for January 1999, in time for the Fall '99 buying season. Target retail markets are the U.S., U.K. and Japan.

"The entire focus of the project is to encourage the distribution of American mohair," said Pactor.

Sheep & Goat Predator Management Board to hold Election

Ballots for the Sheep & Goat Predator Management Board (S&GPMB) Biennial Election were mailed to over 6,000 known producers with the hope of increased interest and participation. The list was compiled with the help of county extension agents, but may have missed some producers.

In this instance a small supply of postage paid return envelopes and ballots are being sent to each county agent in the 111 county referendum area. The district of residence determines the district to vote in. A map on the back of the ballot should answer any questions regarding the district an individual county is in. Should the producer's production be in more than one district he will vote in the district of the county of residence based on the production in both districts (the total production).

The local candidate for Sutton County District 1 is Robert Sol Mayer. To be considered valid section "A" or "B" of the Verification of Production portion of each ballot must include your complete physical address, the number of the District that you qualify to vote in, and your inventory of sheep and goats for 1998 if section "A" applies. Failure to do so will cause the ballot to be judged invalid.

The postmark deadline for ballots is midnight, October 29, 1998. Official canvassing of the ballots will take place on November 12, 1998. The canvassing committee will consist of a representative of the Tom Green County Judge's office, the District 7 Texas Agricultural Extension Service Director's office, the Texas Department of Agriculture, and S&GPMB President William Edmiston, DVM.

Results will be published in a summary mailing to all county extension agents, the Livestock Weekly, the Ranch Magazine, the San Angelo Standard Times and local papers within the Referendum Area. The Board wishes to express their appreciation to all those who take the time to participate in this process.

FIRST HE OVERHAULED THE IRS. NEXT HE'LL ABOLISH IT.

This year, Henry Bonilla went on record, stating his position to eliminate the IRS.

Next year he will lead the effort to replace it with a more fair and simple tax system.

BONILLA

Protecting you from the IRS
 Already this year, Henry Bonilla voted to reform the IRS, strengthening the taxpayers' rights and making the IRS more accountable. Those changes include:

- The burden of proof is now on the IRS, not the taxpayer;
- Innocent spouses who are divorced or separated are only responsible for their incomes;
- In some cases, taxpayers are now given relief from interest and penalties; and
- The IRS cannot seize a taxpayer's home without a court order.

In addition, Henry Bonilla will continue to:

- Support small businesses;
- Keep taxes down;
- Protect private property rights;
- Keep government out of our lives; and
- Demand accountability and responsibility.

Early voting ends October 30. Election day is November 3rd.

Paid for by Texans for Henry Bonilla, Jill Lahaye, Treasurer.

25 yard line. With a 4th and 13 facing the Broncos, they elected to go for a 32 yard field goal. A bad snap foiled the attempt and the Lions took control of the ball at their own 33. The Bronco defense led by Jacob West and Brad Legan took up where they left off in the first half. After two running plays and a pass, the Lions faced a 4th and 2 at their own 46. Being down by 21 points, they elected to go for the first down. A tremendous rush by the Bronco front line forced Crawford to throw an incomplete pass. The Broncos took possession of the ball on the Lion 46 yard line. Renfro and Jacoby moved the ball to the Lion 39. Simon Murillo, used predominantly as a blocking back, was given the ball on a quick hitter, and he dashed for 28 yards to the Lion 8 yard line. On the next play, Jacoby got the call, and with the aide of a face-mask call moved the ball to the 3 yard line. With 3:17 on the 3rd quarter clock, Anthony Renfro got his second touchdown of the evening on a 3 yard run. Renfro added 1 more to the total with his successful point after attempt to make the score:
Broncos 28 - Lions 0

The Lions offense could not get anything going on their next possession, as Brad Legan, Jason Surber, Anthony Sanchez, and Michael Castilleja squelched all of the Lions offensive attempts. After a short punt by the Lions, the Broncos

would put the ball in play at the Lion 40 yard line. After an 8 yard gain by Renfro and a 29 yard pass play (Williams to Legan), Tom Jacoby scored his third touchdown of the evening on an 8 yard run with 9 seconds of the fourth quarter clock being used. Renfro added his fifth PAT of the game to give the Broncos a commanding 35 point lead.

The fourth quarter saw neither team gaining an advantage. The Bronco defense, with Cole Cearley, Ernie Perez, Jared Perciful, Reggin Glasscock, Jason and Jacob West, and Michael Castilleja limited the Lions to minimal yardage. Tanner Fields, Jason Surber, Sonny Lozano, and Graham Bloodworth led the offense, but could not sustain a drive to gain the promised land. This was a quarter where one does not judge the success by the number of points put on the board, but by the number of players that got some very valuable playing experience. One never knows when one of these players, will be needed. Final score: Sonora 35 - Ozona 0

This Friday's game with the Forsan Buffalos will probably be for the district championship. Game time is 8:00 p.m. at Bronco Stadium. The Broncos really would appreciate all of the support that you can give them. Lets fill the stadium and cheer the Mighty Broncos on to the district championship!
Good Luck Broncos!!!

Bronco J.V. Demolishes Ozona

by Tryon Fields

The Bronco J.V. squad had little trouble defeating their counterparts from Ozona last week. The Broncos scored four times in the first quarter, while the Lions were unable to put any points on the board. For the game, the Broncos amassed a total of 439 yards, (313 rushing and 126 passing), while holding the Lions to only 98 total yards (71 rushing and 27 passing). The young Broncos scored 40 unanswered points in almost 3 quarters of play. Late in the third quarter, the Lions put points on the board to save the shut-out. As the final score would read: Ozona J.V. 6 - Sonora J.V. 47

The Broncos got the show on road early, as it only took them a minute and 45 seconds to score their first touchdown. Sean Fields did most of the damage as his number was called 3 times for 39 yards. Bill Renfro carried the ball once for 24 yards. On a 2nd and 16 at the Lion 16 yard line, Fields was given the hand-off and behind some excellent blocking scooted into the end-zone for the Broncos initial score. Stetson Hall put the ball through the uprights on the PAT to give the Broncos a 7 point lead. Ozona 0 - Sonora 7.

The Bronco J.V. defense led by Stetson Hall, Jarred Solis, and Danny Solis shut the Lions down on their first possession, as they were forced to punt after only 3 plays. The Broncos took possession at the Lion 40 yard line, and in two minutes had their second score of the afternoon. This possession, saw Bill Renfro being used as the work horse for the Broncos. Renfro carried the ball 6 times for 34 yards and the touchdown. The touchdown coming on a 1 yard run. Hall added the PAT to give the Broncos a 14 point lead with 4 minutes still remaining in the first quarter. On the ensuing kick-off, the Lions deep receiver fumbled the kick and a hustling trio of

Broncos (Cameron Sims, Chong Hernandez, and Mathew Torres) recovered the loose pigskin at the Lion 33 yard line. The Bronco offense alternating running plays between the tandem of Renfro and Fields moved the ball to the Lion 4 yard line. On a 2nd and 4 from the 4, Fields got the call and his second touchdown of the afternoon. Mr. Automatic, Stetson Hall, split the uprights again to put the Broncos up by 21. Ozona J.V. 0 - Sonora J.V. 21.

With not much success being found on the ground, the Lions took to the air in hopes of moving the football. Defensive end Chance Armke stopped the Lions on their first two tries for minimal gains, and on a 3rd and 3 from the Lion 45, Lion quarterback (Kyle Richardson) lofted one over the middle for his tight-end. Safety, James Elliott, had different intentions as he picked the pass off and returned it to the Lion 49 yard line. With 17 seconds left in the first quarter, the Broncos struck quickly. After a 5 yard gain by Jacob Perciful, Nick Lozano lofted a pass to a streaking James Elliott who ran untouched for a 44 yard touchdown. The point after attempt failed due to a bad snap. Lion J.V. 0 - Bronco J.V. 27.

The stingy Bronco defense led by Stetson Hall, Mathew Torres, Jarred Solis, and James Elliott forced the Lions into a passing situation on their next possession. James Elliott got his second pick of the afternoon and returned it to the

Lion 13 yard line; however, an illegal block penalty brought the ball back to the mid-field stripe, where the Broncos went back on the offensive. It only took the Broncos 3 plays to find paydirt. The first was a pass from Lozano to Cameron Sims for a 19 yard gain. Jacob Perciful gained 11 yards on the next play to the Lion 20 yard line. Behind some very good blocking, Sean Fields powered his way for the remaining 20 yards and the touchdown. Once again, a bad snap from center thwarted the extra point try. Ozona J.V. 0 - Sonora J.V. 33.

Neither team was able to advance the ball on their next two possessions. With a minute and fifteen seconds left in the first half, the Lions finally were able to move the football. However, on a third and long and with time running out, the Lions tried to throw deep. From his safety position, Sean Fields intercepted the pass to end any hopes that the Lions might of entertained. The first half ended with the Broncos holding a commanding lead: Ozona J.V. 0 - Sonora J.V. 33.

The Broncos received the second half kick-off and set up shop at their own 20 yard line. For the next five and a half minutes, the Broncos used 5 different running backs, as well as a pass play to march the ball down the field. Jacob Perciful, Chance Armke, Pete Rameriz, James Elliott, and Sean Fields hammered the Lion defense, with Fields doing most of the damage gaining 40 of his game high 123 yards. Nick Lozano threw a strike to Ed

Mayfield for a 16 yard gain to the Lion 5 to set up the score. Fields got the honors on a 5 yard run for the touchdown. Hall split the uprights to put the Broncos up by 40. Lion J.V. 0 - Bronco J.V. 40.

On the Lions first possession of the second half, they were able to penetrate the aggressive Bronco defense for their only score of the game. Abel Rodriguez was able to put the Lions on the board on a 2 yard plunge. The Lions attempted a two point conversion, however a penalty on the Lions nullified the attempt. After an unsuccessful outside kick attempt, the Broncos took possession of the ball at their own 49 yard line. The Bronco offense led by Pete Rameriz, Stetson Hall, Brandon Adkins, and Cameron Sims moved the ball to the Lion 9 yard line. After a holding call and an incomplete pass, the drive stalled at that point, and the Broncos had to turn the ball over on downs. The Lions jubilation over stopping the Broncos was short lived, as on their ensuing possession, Chong Hernandez intercepted a Lion pass to give the Broncos one more chance at the Lion 26 yard line. Pete Rameriz, Brandon Adkins, and Chong Hernandez led the Broncos on their final scoring drive. On some very hard running, Rameriz scored the final Bronco touchdown of the afternoon. The PAT by Hall was good giving the Broncos a 47 to 0 victory.

The Sonora J.V. will travel to Forsan this Thursday to play the Forsan Buffalos. Hope to see you there.

County Fair to be Held with Downtown Christmas Lighting

This year's county fair will be held in conjunction with the annual downtown Christmas lighting. The Fourth Annual County Fair which was originally scheduled to be held this last August during Sutton County Days has been rescheduled for November 19th - 21st at Carolyn Earwood's School of Dance (216 Main). The County Fair will have a different twist this year. Exhibitors will be allowed to sell their goods on Saturday if they wish to do so. This will give people a chance to

buy handmade items for the Holiday and Christmas season. Rule books will be available on October 28th and can be picked up at the Chamber of Commerce, The Craft Cottage, and the Extension Office. Exhibitors can expect very little change in the rules from years past however, a few new categories have been added along with an entry fee of \$2.00. This fee only has to be paid once and will cover an exhibitor who may have more than one entry.

PRCA Rodeo returns to Del Rio

The Dale Gas Pro Rodeo on October 23-24, 1998, is bringing the Professional Rodeo Cowboys Association and a record 485 contestant entries, along with a record contestant prize money payout to the Val Verde County Fairgrounds. The "Dale Gas" Pro Rodeo presented by Ram Country Dodge and Bud Light is one of the last rodeos in the PRCA season which ensures that top professional rodeo contestants will be coming to Del Rio for a chance to earn more points to qualify for the National Finals Rodeo in Las Vegas, NV, and the Texas Circuit Finals Rodeo in Waco, TX. It is also a part of the Dodge Truck ProRodeo Series which awards the series champions with a new truck each year.

Over 110 bull riders, including Aaron Semas, Blu Bryant, Gilbert Carrillo, Danell Tipton, Francis Wilson, Cory McFadden, Cory Turnbow and Brian Herman will be competing against the "Young Guns," the exciting, future stars of Bad Company Rodeo's bucking string. The "Young Guns" line up includes bucking phenoms Maniac, Hootie, Warrior, Bad Leroy Brown, Young Blood and Funky Cole Medina, earning their way into trying to dethrone the "Dirty Dozen." The Bull Riding Champion will receive a hand made buckle in memory of Richard Garza. Pro Rodeo Hall of Fame inductee, Marvin Garrett will be leading the field of Bareback Riders which includes Larry Sandvick, Chris Harris, Pete Hawkins, and Jeff Collins. The Saddle Bronc Riding is filled with top cowboys such as Craig Latham, Bret Franks, Robert Etbauer, and J. T. Hitch.

The Calf Roping is sure to be fast with Top 15 cowboy Rusty Sewalt of Comstock competing against top talents like Joe Beaver, Roy Cooper, Johnny Emmons, and Stran Smith. The team roping event will feature Rich Skelton and Speed Williams; Jake Barnes and Clay O'Brien Cooper; Tee Woolman and Tyler Magnus; Steve Purcella and Steve Northcott; Turtle Powell and John Paul Lucero; Twister Cain and Todd Arthur; and JP Wickett and

Trevor Brazile. In the Steer Wrestling, veterans Butch Myers, Byron Walker, and Steve Duhon will be competing against the likes of Sid Steiner, Cash Myers, and Barry Simpton of Del Rio. Sherry Cervi, Kay Blandford, Lisa Ogden, Sue Miller, and Gail Hillman will all be racing the clock in the Women's Barrel Racing.

The Steer Roping will be held at the Altizer Farm on Saturday, October 24 at 10:00 A.M. and is headlined by Twelve Time World Champion Guy Allen. Allen will be competing against a field of 53 other ropers including Trevor Brazile, Dan Fisher, Jim Davis, JP Wickett and Marty Jones. The Steer Roping Champion will receive a hand made buckle in memory of Jim Bob Altizer. After the Steer Roping, a Draw Pot Team Roping will be held for a Texas Circuit ProRodeo fund raiser.

The Children's Mutton Bustin' competition has been added to the Pre-Show activities this year. Children will be able to sign up at Ram Country Dodge on Tuesday, October 20, between 3:00-7:00 P.M.

Roger Mooney, all the way from Ellijay, GA, will be calling the action in the arena. Mark Swinger will be the barrel man and will be performing the 1997-98 Texas Circuit Specialty Act of the Year. The top three bullfighters in Texas for 1998 will be in town to thrill the fans. They are Mark Callihan of Denton, TX; Michael "Smurf" Horton of Mineral Wells, TX; and Chad Beavers of Goldthwaite, TX. The Cope/Skoal Pro Rodeo Scoreboard will be on hand this year. The scoreboard enables the fans to see the times and scores of the competitors, along with giving up to the minute standings during the performances.

The performances on Friday, October 23, and Saturday, October 24, will begin at 7:30 P.M. with pre-show activities beginning at 7:00 P.M. Preliminary slack competition will be held on Thursday, October 22 at 5:30 P.M. with a Special Section of Bull Riding at the Fairgrounds arena followed by a Kick-off Party at the Corona Club.

Colts contd. from pg 1

second half kick-off and the Cubs kick an on side kick and are unable to recover the ball to begin the second half. The Cubs come into the third quarter all fired up. The Cubs make a first down before the Colts put a halt to the offense and the Cubs have to punt.

The Colts get the ball on their own 32 yard line and are unable to make a first down and must punt. After a beautiful punt, the Cubs return the ball to the Colt 16 yard line. The Cubs first play from scrimmage is a fumble and the Colts recover. The very next play the Colts fumble and the Cubs get the ball back on the 11 yard line of the Colts. On 4th and 2 on the 3 yard line, the Cubs manage to run the ball in for the score. The two point conversion was no good and the score is Colts 8 and Cubs 6.

The Cubs kick a very high short

kick and recover the kick-off at the 45 yard line. Two plays later the Colts fumble and the Colts recover at their own 46. Dustin Martin, Thomas Bloodworth, and Emmanuel Lopez get fired up and with the help of their offensive line blast down the field for a score. The two point conversion is no good and the score is Colts 14 and Cubs 6.

After the kick-off, the Cubs lose yardage on their first play, then Dustin Martin intercepts a pass and the Colts have the ball again. After a penalty for a late hit on Thomas Bloodworth keeps the Colts drive alive, the Colts score again on a beautiful run by the quarterback Emmanuel Lopez. Thomas runs in for the two point conversion and the score is Colts 22 and Cubs 6.

The Colts hold the Ozona Cubs one last time and take over on downs. The Colts win the game 22-6! Way to go Colts!!

High School forms Parent Organization

On Monday, October 12, 1998, a group of interested parents met with high school principal Steve McCarn to form a parent volunteer organization.

Recognizing the desire for less structure than a formal PTA presents, the group decided on a committee-based organization with no officers. No one, therefore, will be responsible for too large a task; several parents will work together on every project. If this structure appeals to you and you would like to support our high school students

and teachers, please come to the next meeting on Tuesday, October 27, at 6:30 p.m. in the high school commons!

Ideas for projects were presented by Mr. McCarn and several parents. Committees could be formed for students recognition; teacher appreciation; student activities such as dances (organizing, decorating and chaperoning); bringing in speakers for students assemblies on current issues; assisting teachers and more. Bring a friend and join us at the next meeting.

Back Talk

Chiropractic Care Questions & Answers

My son fell and landed on his back four weeks ago. Now he is complaining of numbness in his upper legs. Should I be concerned?

Weakness or numbness in the extremities can frequently be a sign of damage to the nerves or an injury to the discs that separate the vertebrae. A child with these symptoms should be taken to a doctor that specializes in musculoskeletal injuries. A chiropractor can perform neurological and orthopedic examinations as well as take x-rays top determine the extent of the damage, if any. Failure to seek treatment of these symptoms could lead to permanent disability.
