Bovina, Texas

VOL XI, NO. 17

WHITTLIN'

By DOLPH MOTEN

According to some political observers, if you knew what the total vote would be across the state in the November 8 election, you would know who would win the senatorial race between John Tower, the Republican incumbent, and Waggoner Carr, the Lubbock Countian who is Tower's Democratic opponent.

In Texas, Democrats heavily outnumber Republicans. So, if there's a large turnout at the polls, the Demos are almost assured of victory for their candidates if there is just a reasonable amount of unity among members of the dominant party.

If that is true, the thing Carr supporters need to work toward now is a big vote come Election Tuesday. If they can get that done, Carr is in and Tower is out . . . and isn't that a pleasant thought.

To do that, they need help and support from all factions of the Democratic party in the state. We think they are entitled to it and deserving of it.

Texas doesn't need a Republican senator for any possible reason that we can see. Better it would be to have a senator who was for something, as Carr would be, than against nigh onto everything.

The vote total can also be important to a race in our own 18th Congressional District. Democrat Dee Miller of Amarillo is running against Republican Bob Price of Pampa for the congressional seat vacated by the long-time incumbent Walter Rogers.

Republicans are more plentiful in this district than they are statewide, especially on the North Plains, we understand. Still, the Demos have the numbers to control the election if they are interested in doing so.

Miller brought his campaign to Parmer County and Bovina this week and made a highly favorable impression on those who visited with him.

If Price has campaigned here this year, we don't know about it. Evidently he's decided to let Miller have the "handful" of Bovina votes and go out for bigger game.

Yeah, and if that's the way he feels about us now, how would it be if he became Congressman? Do you think then he would be bubbling over with enthusiasm and interest in us?

We'd do better to cast our votes for Dee Miller. He knows Parmer County is in the district he's preparing to represent in Washington and has campaigned here.

Don't look now, but this department's favorite Southwest Conference team, the Fightin' Texas Aggies, is leading that tough football loop.

The Aggies have a perfect 3-0 record now. This is even more pleasing, if that's possible, because they were picked in pre-season forecasts to finish down toward the bottom with teams like . . . Tech.

Our Tech fan-friends are being pretty nice about the Aggies' new-found success. Not nice; just pretty nice.

Some of them want to know where the A&M bandwagon is so they can go get on it.

Most of them, however, are so disgusted with the ill fate of their 1966 team that they will hardly let an innocent conversation drift around to football. Seems like some of them would rather talk about almost anything.

We would do more bragging here about the Fightin' Texas Aggies, but we have some narrow-minded readers who might be critical of our doing so. Besides, the Conference race isn't half over yet.

We were overly optimistic here last week when we commented that cotton farmers weren't verbally complaining about the early freeze.

They are. When we were listening, more than a week ago, they either didn't know the damage of the early, October 15 freeze or they were so stunned by how short it could possibly make their crop that they couldn't comment.

Anyway, Parmer County's cotton crop was dealt a pretty rough blow by the early freeze. And Parmer County cotton doesn't need an early freeze or

(Continued on Page 2)

COFFEE WITH CANDIDATE -- Dee Miller, candidate for congressman, campaigned in Bovina Monday. With him at the coffee table here are, left to right, James Roach, Roy Allen and Thomas Beauchamp. In the background is a Miller for Congress campaign placard.

Demo Congressional Candidate --

Miller Brings Campaign Here

Democrat Dee Miller, candidate for the 18th district congressional seat which is being vacated by Walter Rogers, brought his campaign to Parmer County and Bovina Monday.

Miller, from Amarillo,

campaigned at Friona, Bovina and Farwell.

At an informal coffee at Bovina Restaurant Monday morning, he said that the people of this district owe it to themselves to get out the vote and elect a Democrat to Congress.

"A Republican will be an ineffective representative because he won't get to meet with the Democratic leaders of our state in Washington," he pointed out.

"Our district is known for its individualism," the congressional candidate said. "I'm not going to Washington to be a rubber stamp for the present administration, but to be an effective representative of the people in the 18th district," he declared. His opponent has said that election of a Democrat would lead only to "rubber stamping" of the wishes of the administration in Washington.

"The situation of our farmers isn't as good as it should be, but its better than it was in '60 and I think it can be improved," he told his small audience in this farming community.

In regard to education, Miller said he thinks we need federal assistance but not federal controls. "I don't think we want federal control of education in our district," he said.

Miller's platform includes making every effort to see that farmers receive a fair return for their labor and investment compared to other industries. "I like the idea of people in agriculture determining the type of farm program they want and need," he said here.

The Demo candidate, 32 years old, is a native of Borger. He has been in the district attorney's office in Amarillo for more than six years. He was elected 47th district attorney in '64.

PICKS 10 WINNERS -- Mrs. Bobbie McFarland won the \$5 first prize in this week's football contest. She and Mike Barraza are the first this year to pick all the winning teams, but Mrs. McFarland nosed out Barraza on the tie-breaking score.

Mrs. Bobbie McFarland --

Woman Wins Contest With Perfect Entry

For the first time this year, two contestants picked 100 per cent of the winners in the seventh weekly Bovina Business Cotton Bowl Football Contest.

Mrs. Bobbie McFarland was named the first place winner on her tie-breaking score, missing it by 15 points. She received the \$5 prize. Mike Barraza, who also picked 10 winners, was second for the \$3 prize, his tie-breaker guess was 21 points off.

A total of 22 contestants picked nine winners, and a tie for third place resulted. On a tie-breaker count, Glen Hromas and Lana Moody were 21 points off and split the \$1 prize.

Stephen Sherrill, freshman student in Bovina High School, is still in the lead for the expense-paid trip for two to the Cotton Bowl game in Dallas. His total stands at 48 points. Coming up to second place are Patricia DiCuffa and Jewell Tabor, who both have a total of 46.

There were 155 entries in this week's contest, some of the contestants entering for the first time. During the first seven weeks, 266 have competed in the event.

In addition to the two naming 10 winners and 22 picking nine, 33 contestants picked eight; 28, seven; 25, six; 23, five; 10, four; nine chose three; and three picked two.

Others correctly naming nine winners were Jewell Tabor, Eldon Smith, Judy Minyen, Rex Cumpton, Barbara Griffith, Gladys Wright, Mack Ragsdale of Friona, Janie Sudderth, Wilson DiCuffa, Patricia DiCuffa, John Wilson, Truck Lusk, Leon Ware, Jay Sherrill, Genevieve Ezell, Billy Smith, Tom Bonds, Lula White, Roger Ezell, and Jesse Walling.

Six weeks remain in this year's contest, the half-way mark being passed this week. Several are trailing by three or four points and all contestants are reminded that there is

still time to win the trip, and always a chance of taking prize money each week.

'Iwo Jima' Takes Top Prize --

Famous Landmarks Form Annual Homecoming Parade

The annual Homecoming Parade, hampered by high winds and interrupted by a fire report, wound through the streets of Bovina Friday afternoon before students, who were dismissed from school for the event, and other residents.

"Famous Landmarks" was the theme of the parade sponsored by the Student Council. The \$25 first prize was awarded the Junior Class for its float titled "Iwo Jima." Second place, \$15, went to the Senior Class for its entry, "Washington Monument." The eighth grade took third place,

In School District --

Vocational Survey Begins Next Week

A vocational survey in Bovina Independent School District will begin next week with the possibility of finding the school here qualified for some type of additional vocational training, according to Tom Templeton, elementary principal, who will direct the venture.

Conducted under the Texas Education Agency, it is possible that Bovina Schools will qualify for more vocational agriculture since this is an agricultural area, and is also possible that it could qualify for mechanics, office occupations, industrial occupations, such as repairmen, cooks, etc.

There are several areas of vocations, with many occupations coming under each area, of which surveys will be made. These areas will be divided among teachers in the schools. Businesses or other forms of vocations will be contacted individually to determine supply and demand, both of products and labor.

Forms will be filled out in each instance. These will then be sent to the Texas Education Agency, Templeton said, where tabulations will be made and sent back to Bovina. These tabulations will determine whether the school district qualifies for vocational training.

For instance, Templeton said, Hereford has qualified for a carpenter school. Boys there are building a house from the ground up, which will be sold when completed. Also, a two-year beauty school is offered in the Hereford schools under this program.

He pointed out, however, that

it is unlikely Bovina could qualify for either of these, but there is a possibility of securing some type of vocational training.

Templeton asks that all people contacted, farmers and businessmen alike, give their cooperation to the project. In-

formation obtained is confidential and can be vital to whether Bovina qualifies for vocational training.

Candy Fleming, Dean Stanberry --

Coronation Reveals '66 Football Royalty

Miss Candy Fleming and Dean Stanberry were crowned football queen and football hero before a Homecoming crowd here Friday night preceding the Bovina-Springlake football game. Chosen by secret ballot of the Letterman's Club and Pep Club, their identities were revealed in coronation ceremonies when the Bovina Mustang Band performed at Mustang Stadium.

Miss Fleming, a senior in Bovina High School, is the niece of Mr. and Mrs. Don Foley of Bovina and the granddaughter of Mr. and Mrs. Lee Hardy of Sudan. She was crowned by Lane Gober, president of the Letterman's Club, and was presented a bouquet of red roses and a jewelry box by other members of the football team.

Dean Stanberry, also a senior and son of Mr. and Mrs. Thogel Stanberry, was presented a watch by Miss Karen Beau-

champ, vice president of the Pep Club. He is a halfback on the Bovina squad.

Candidates for the honor of football queen, in addition to Miss Fleming, were Zella Donaldson and Carol Kirkpatrick, both juniors, and Eva Jo Clawson, sophomore.

Named by the Pep Club for candidates for football hero were Stanberry, Eddi Corn, Lane Gober, seniors, and Carl Harris, junior, all members of the Mustang team.

During halftime activities, the Bovina Mustang Band performed again, this time featuring the twirlers in a fire baton drill. The Springlake Band also performed.

A shotgun, given away by the Booster Club, was won by Otis Spears. The winner was announced at halftime, and winners in the afternoon parade

were also announced during the game.

Following the game, a pie supper was held by the Booster Club in the Bovina Schools cafeteria.

Name New BHS Science Instructor

Mrs. Gene Douglas has been employed by Bovina Schools as high school science teacher and began work Monday morning, according to Otis Spears, superintendent.

She replaces Ben Templeton, who had resigned effective Friday afternoon.

Templeton was in his first year as a teacher and said that he was moving to Fort Worth to accept a position there outside the teaching field, Spears said.

Mrs. Douglas has taught here previously as the science teacher.

Fire Burns Corn Field

About 10 to 15 acres of a corn field on the Carl Rea farm burned Friday afternoon, according to Fire Chief Pat Kunselman, but most of the fire had burned itself out before the Volunteer Fire Department arrived on the scene to finish extinguishing the blaze.

A swath down the middle of the field was burned. The land is farmed by Jimmy Cockerham.

Kunselman said that Rea reported a truck without a muffler started the fire.

Father Dies In Hereford

B. A. West, 68, father of Mrs. Jim Russell of Bovina, died Thursday afternoon at his home in Hereford.

He had been ill a short time. Mr. West moved to Hereford in 1927 and was a member of the Avenue Baptist Church. He was a native of Montague county.

Survivors include his wife; two daughters, Mrs. Russell of Bovina and Mrs. Mattie Jane Macbeth of Colorado Springs, Colo.; and three sons, Fred, Preston and Oliver Lee of Moriarty, N.M.

Lawlis' Father Dies Friday

George Milton Lawlis died suddenly at his home in Hamlin Friday night. He was the father of Ovid Lawlis of Bovina.

Funeral services were held at 2:30 p.m. Sunday in the Methodist Church in Hamlin.

A long-time resident of that community, Mr. Lawlis was a retired farmer.

Survivors include Mrs. Lawlis of Hamlin; one daughter, Mrs. Frances Raymond of Levelland; and two sons, Dr. Virgil Lawlis of Austin and Ovid Lawlis of Bovina.

Weather by Willie

The farmer's paradise -- no moisture in sight. ---Willie

QUEEN AND HERO -- Receiving the honors of Football Queen and Football Hero were Candy Fleming and Dean Stanberry in coronation ceremonies held during Homecoming activities here Friday night. They were selected for those titles by the Letterman's Club and Pep Club.

Letters To The Editor

San Antonio, Texas
October 19, 1966

The Bovina Blade
Bovina, Texas
Dear Dolph,

I have just completed reading several back issues of your paper and I can't resist getting out the old needle.

The Dodgers to win the series in 6 games or less because of superior pitching? Hal I only hope your political prognostications are as accurate. One thing I will give you credit for, though, you will stick out your neck.

According to you, things are all "sewed up" for the Democrats and I suppose there really isn't much use even going to vote on election day. However, I was in Austin on the date of the Democrat State Convention, and I seem to recall seeing quite a sizeable group of people up at the Capitol grounds who, as delegates to the convention, announced they would not attend. I believe this was the same group who boycotted the Waggoner Carr testimonial dinner the night before the convention and said they would not support or vote for him.

Even Senator Yarborough has all but endorsed Tower by several complimentary statements of late while remaining deftly quiet on any endorsement of Carr.

You seem to be saying that we should vote for Carr because he is a Democrat and because he is from Lubbock. That is about like voting for a man just because he parts his hair in the middle or wears purple socks. I really doubt that there is a great amount of difference in the political ideals of Carr and Tower except that, if elected, Carr will have to forget his ideals and go along with what LBJ dictates.

Whittlin' --

(Continued from Page 1)

another rough blow anymore than Texas needs a Republican senator or representative.

The whole story about the 1966 cotton crop won't be known until the cotton harvest and ginning season is over. It's a safe bet, though, that a later freeze date and a higher price would have helped the overall cotton situation.

I am sorry that I am no longer a subscriber to your paper but with the cost of living going up, up & up, I had to economize. I had to choose between renewing my subscription or making a contribution to Senator Tower. You lost. Now it your turn.

Very truly yours,
Paul C. Smith
206 San Pedro-Room 209
San Antonio, Texas 78205
(Editor's Note -- Tower could lose, too. Thanks for writing, DM)

Note to Moten:

As you may have noticed, I laid out of your football contest last week, as you did earlier in my contest, so I wouldn't have to embarrass you and win the Bovina contest. No extra charge for this service.

Bill Ellis, Editor
Priona Star

Dear Dolph:

We enjoy very much getting the Bovina Blade. It has been coming to the church address instead of our home address. Would you please change the address to 1808 27th St., Greeley, Colorado 80631?

I get a kick out of your editorials (slightly Democratically oriented). You'd go out of business fast in this Republican stronghold. Keep up the good work.

Sincerely yours,
Melvin Sudderth

For Third Year --

Greeting Card Fund To Promote Clinic

The annual Christmas Card Project, to raise money for the Bovina Clinic Fund, will be conducted again this year under sponsorship of Bovina Woman's Study Club.

It will be conducted in the same manner as last year, according to Mrs. Earl Stevenson, president of the Study Club. All Bovina area residents will be asked to contribute the amount of money extended for cards, stamps and effort to the project instead of buying and sending cards to friends in Bovina.

Theme for the Christmas card event is "Money in the bank for the Clinic Fund the day after Christmas instead of in the waste basket," Mrs. Stevenson said.

Mrs. Buck Ellison is chair-

man of the Christmas Card project, according to Mrs. Stevenson, and members are Mrs. Wayne Spears and Mrs. Harry J. Charles.

The Clinic Fund now has a total of \$4020.69. Until Wednesday the money was in five separate accounts. However, the Community Improvement Committee headed by Mrs. Jesse Walling and Chamber of Commerce President Leon Grissom were working toward combining the accounts so that more money can be placed on Certificate of Deposit so that it can draw interest until needed for the clinic.

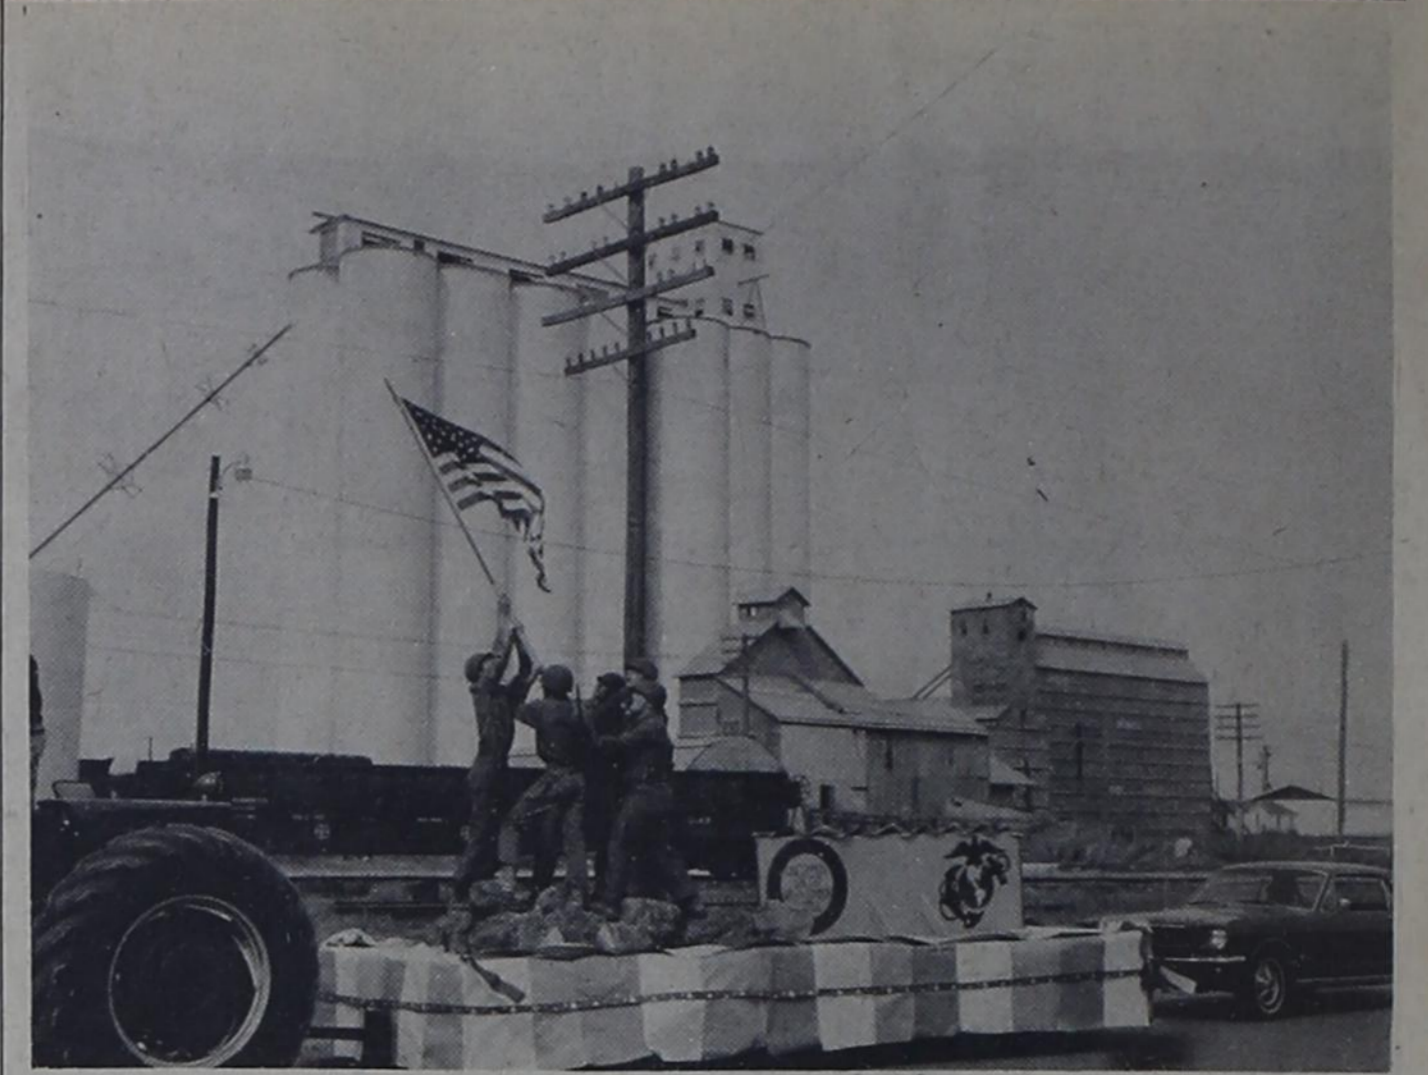

Those wishing to donate to the project instead of sending Christmas cards locally may do so by making a deposit at First State Bank of Bovina. There a

list will be kept of contributors, which will be published in The Bovina Blade in the form of one big half-page Christmas Card.

Until accounts were combined last week the Christmas Card fund contained \$1,042.45; the Jaycee Fund, \$469.08; Bovina Clinic Fund, \$1,221.36; another small fund, \$83; and already on Certificate of Deposit, \$1,204.80.

The rummage sales being held each Saturday for the Clinic Fund, also sponsored by the Study Club, are reported to be very successful although more items are needed for sale, especially bedspreads, quilts and blankets.

Other organizations are urged to volunteer to help with the rummage sales, members of the BWSC said.

IWO JIMA-FIRST PLACE WINNER -- The entry of the Junior Class took the \$25 first place in the Homecoming parade with members of the class dressed as Marines enacting the famous scene of World War II. Also shown is the Marine Corps emblem.

Sears-Roebuck Foundation --

Community Survey For Medical Clinic

Beginning this week, a Sears-Roebuck Foundation community medical survey will get underway for this community through Bovina Woman's Study Club.

Results of the survey will determine whether or not Bovina is eligible for a clinic and doctor made available by the Foundation.

If results are favorable, the Sears-Roebuck Foundation will equip a clinic and supply a doctor whose credentials are good. Bovina will be required to provide a building.

This could take several years, according to Mrs. Jesse Walling, chairman of the Community Improvement Committee.

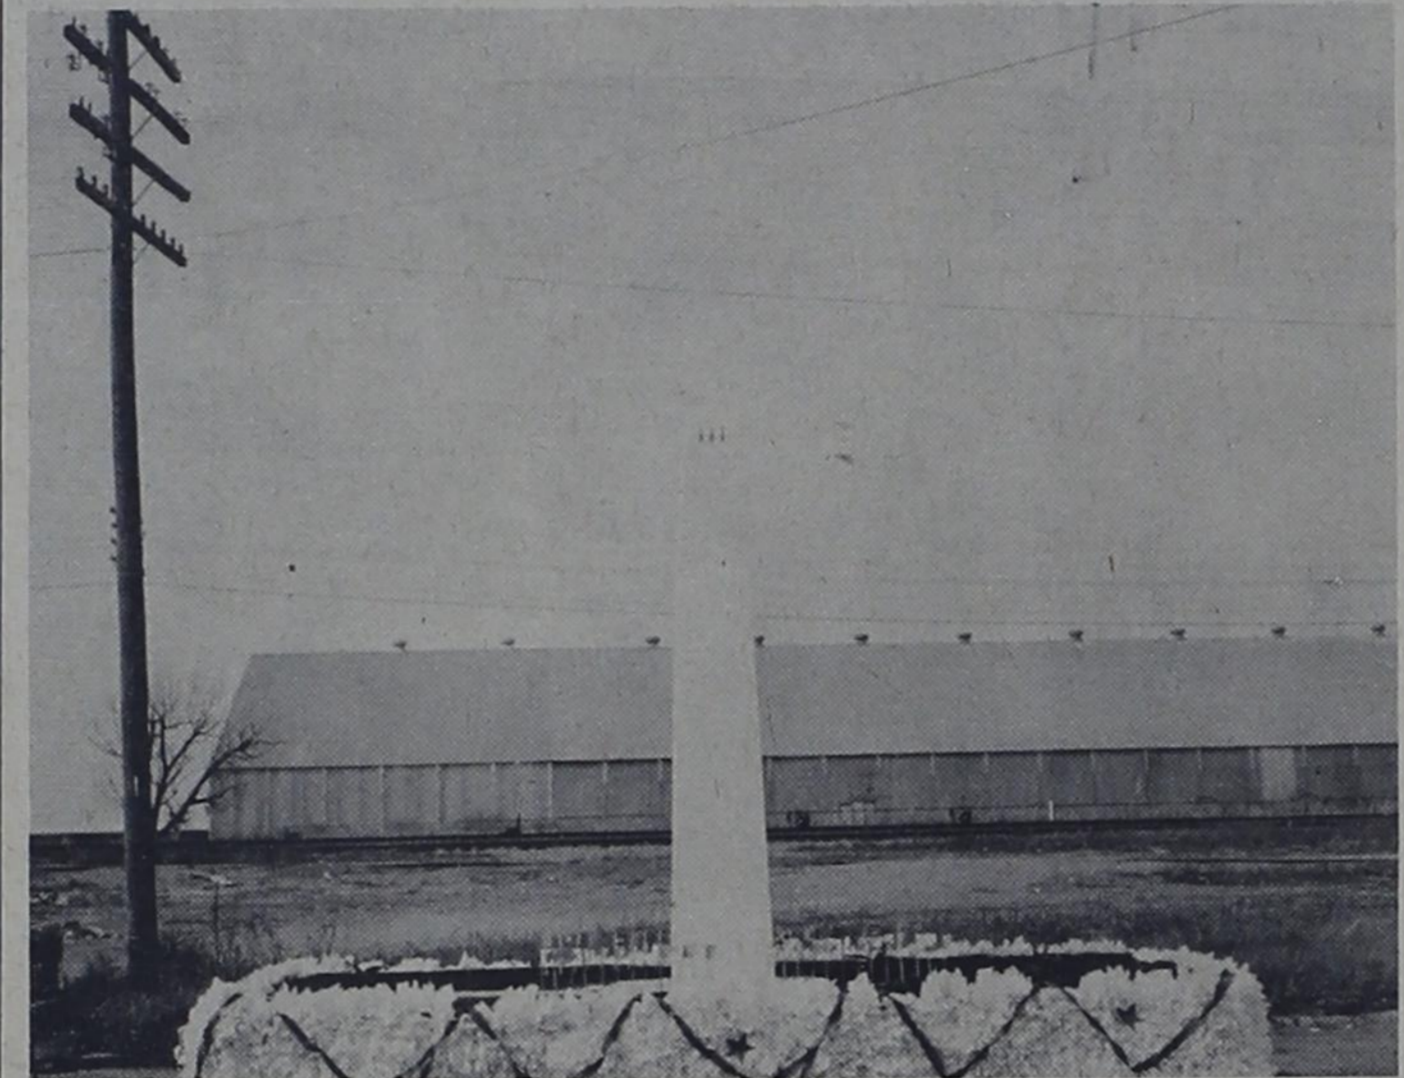

A list of families in the school district will be furnished the Study Club for the survey, the telephone list, and a school tax list will also be available. From these, 100 names will be drawn from a hat for the survey.

If it is found that \$25,000 per year is spent by people of this area for services of a doctor, Sears-Roebuck Founda-

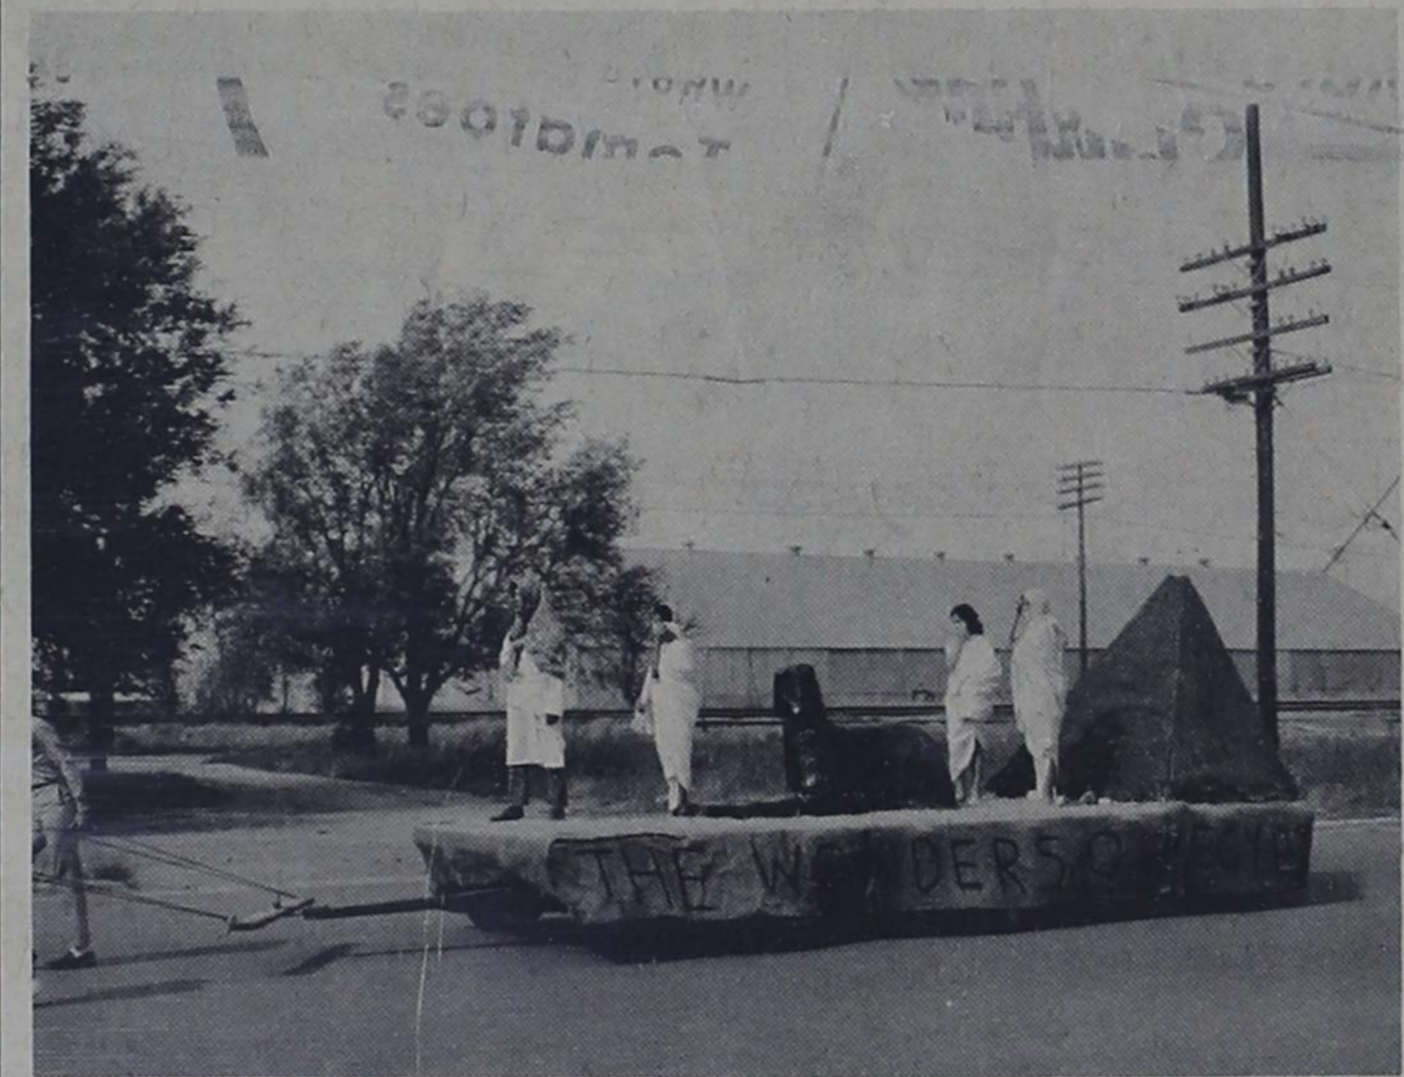

tion will take steps to install a clinic and secure a doctor.

The BWSC has been invited to visit the clinic at Claude, which was established by the Foundation.

Members of the Study Club emphasize however, that efforts must be continued to build up the Clinic Fund so that if the survey proves Bovina is acceptable for such a grant, money will be available for a building and other phases that can not be foreseen at this time.

WASHINGTON MONUMENT -- Entered by the Senior Class, the monument, surrounded by miniature flags of the world, won second place in the Homecoming parade and was awarded \$15.

WONDERS OF EGYPT -- The eighth grade float depicting the pyramids and sphinx was the third place winner in the Homecoming parade and recipient of \$10 awarded by the Student Council.

BEGINNER'S BAND -- One of three bands in the Homecoming parade was the Beginner's Band of the Bovina Schools, also under direction of Joe Wayne Harper. The unit has over 30 members.

Mrs. J. E. Sherrill entered Clovis Memorial Hospital Monday and was expected to undergo surgery Tuesday morning.

Mrs. E. R. Barry was released last week from Parmer County Hospital where she had been a patient.

Halloween Social Set

The Pentecostal Holiness Church in Bovina will have a Halloween social Saturday night from 7 to 10 p.m. in the church basement says the pastor, Rev. Floyd E. Gray.

He states that there will be entertainment for all. Prizes will be given for the best dress-

ed, both ladies and gentlemen. Prizes will also be awarded for some of the games being planned.

Those attending are asked to bring enough hot dogs for their family. Everyone is invited to attend, Rev. Gray said.

Clayton Gets Legislative Appointment

AUSTIN -- Speaker Ben Barnes has announced the appointment of Representative Bill Clayton of Springlake to serve as a member of the

House Interim Committee on the Feasibility of Establishing a Group Insurance Plan for State Officials and Employees. Rep. Clayton was elected to

the Legislature in 1960 and is now serving on the following Standing Committees: Chairman of Aeronautics; Conservation and Reclamation; Municipal and Private Corporations; Public Health; and State Affairs.

In appointing Clayton, Speaker Barnes commented: "I consider Mr. Clayton well qualified to aid the committee in arriving at a solution to this problem, and I have every confidence that the committee will be able to make worthwhile recommendations to the 60th Legislature."

Know The Truth
By Lavern Stewart

God dwells not in houses made with hands, Acts 7:48. For fifteen hundred years the people of God thought of Him as dwelling first in the tabernacle and then in the temple located at Jerusalem, but Jesus said this was to cease, John 4:21-24. He showed that true worshippers would not need to go to Jerusalem because where two or three met in His name, He would be present, Matthew 18:20. It was a blessing to the Christians that they did not have to meet in one temple for persecution scattered them so that they assembled in homes, upper rooms, or even caves. Even though they were doing so under threat of death, they continued steadfastly in their devotions, Acts 8:1-4; 20:7.

These passages show that God dwells within man: I Cor. 3:16; 6:19. "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" and "What? Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own." In the centuries that followed men forgot that God dwells in the bodies of Christians. They began to stress the place where Christians met and to build elaborate cathedrals, while multitudes were starving for bread and spiritual food.

The Lord has promised to dwell with that one who will separate himself from the unclean and lead a holy life, II Cor. 6:16-18. One must give Jesus a place in his heart, I Peter 3:15. The one who loves and obeys the word of Christ will be blessed by both Christ and the Father dwelling within him, John 14:23.

Of Interest To THE WOMEN

MRS. RICHARD GREEN

Jefferson, Green Wed In Colorado

Miss Sondra Jefferson and Richard Green exchanged double ring wedding vows at 7 p.m. Saturday, Oct. 15, in the Wheatridge Heights Church of Christ in Wheatridge, Colo.

The bride is the daughter of Mr. and Mrs. C. H. Jefferson of Bovina and the bridegroom is the son of Mrs. Madeline Green and the late Mr. Green of Wheatridge.

R. L. Lemely, minister of the church, read the marriage ceremony.

The bride wore a three-piece brocade blue suit with silver accessories. She carried a bridal bouquet of red sweetheart roses and carnations. For something new, the bride chose her wedding suit; something blue, wedding hat; something borrowed, a prayer book belonging to a friend, Miss Marlene Spano; and something old,

Bovina Girl Pledges Delta Zeta Sorority

Miss Sandi Patterson, daughter of Mr. and Mrs. Jack Patterson, has recently pledged Delta Zeta social sorority at West Texas State University.

Miss Patterson, a sophomore majoring in English, was also elected to the office of thwn cryer of her pledge class, according to Sandie Fincher, public relations director of the sorority. Miss Patterson is a graduate of Bovina High School.

Gleaners Class Holds Installation Service

The Gleaners Sunday School Class of First Baptist Church of Bovina held installation ceremonies in the home of Mrs. Richard Vaughn, north of Bo-

vina, Monday night. The theme of the service was a rose garden. Officers represented a bouquet of roses from the garden.

Mrs. Pierson Adams was the installing officer. Those installed during the service included Mrs. Arnold Hromas, teacher; Mrs. Vaughn, assistant teacher; Mrs. Ed Dandy, president; Mrs. Gail Clawson, vice president; Mrs. M. H. Carson, secretary; Mrs. Elmer McKay, assistant secretary;

Mrs. J. D. Stevens, class hostess and treasurer; Mrs. Jack Patterson, co-hostess and assistant treasurer; Mrs. Norvell Strawn, Mrs. Henry Minter, Mrs. Charles Hawkins and Mrs. Patterson, group captains.

The devotional was presented by Mrs. Johnnie Horn. Rev. and Mrs. Ralph Aday sang the class song, "How Great Thou Art," accompanied by Mrs. Weldon Moody. Rev. Aday gave the prayer of dedication.

Pumpkin dessert bread and spiced tea were served from a table centered with roses, the class flower. Mrs. Edwin Lide assisted Mrs. Vaughn at the serving table.

B. Johnsons Have New Son

Mr. and Mrs. Billy Johnson are the parents of a son born at 9:30 a.m. Friday in Parmer County Community Hospital in Friona.

He weighed seven pounds and has been named Charles Lee. The new boy has a brother, Scotty, who is four years old.

Widows Club Luncheon Held At Mrs. Gaine's

The Bovina Widows Club met Friday for a covered dish luncheon in the home of Mrs. J. Sam Gaine for its regular monthly meeting.

No program was held, however, and the meeting was dismissed at 1:30 p.m. so that

members could see the afternoon homecoming parade.

Attending the luncheon were Mmes. J. R. Glover, J. R. Caldwell, J. H. Steelman, W. M. Lloyd, Margaret Caldwell, Pearl Hastings, Lady Armstrong, and Mrs. Gaine, and Misses Betty Adams, sister of Mrs. Gaine, Ellen Remmsnider and Rita Caldwell.

Also invited were Mr. and Mrs. Pat Kunselman and Mr. and Mrs. S. A. Barbee.

This is the first meeting the club has held this fall since the ladies did not meet in September.

Next meeting will be the third Friday in November, Mrs. Hastings said.

MYF Plans CROP Drive

Members of the Junior High and Senior High Methodist Youth Fellowship will "trick or treat" for the Christian Rural Overseas Program Saturday night, according to Rev. J. B. Fowler, pastor.

The annual Halloween CROP drive will get underway after 6 p.m. Residents are urged to contribute to the program.

Proceeds will be used to "provide assistance, high protein foods, emergency supplies, agricultural tools, seeds, not otherwise available to the overseas program of the church."

Last Saturday night, the film, "Profile of Promise," presented by CROP was shown to members of the Methodist Church.

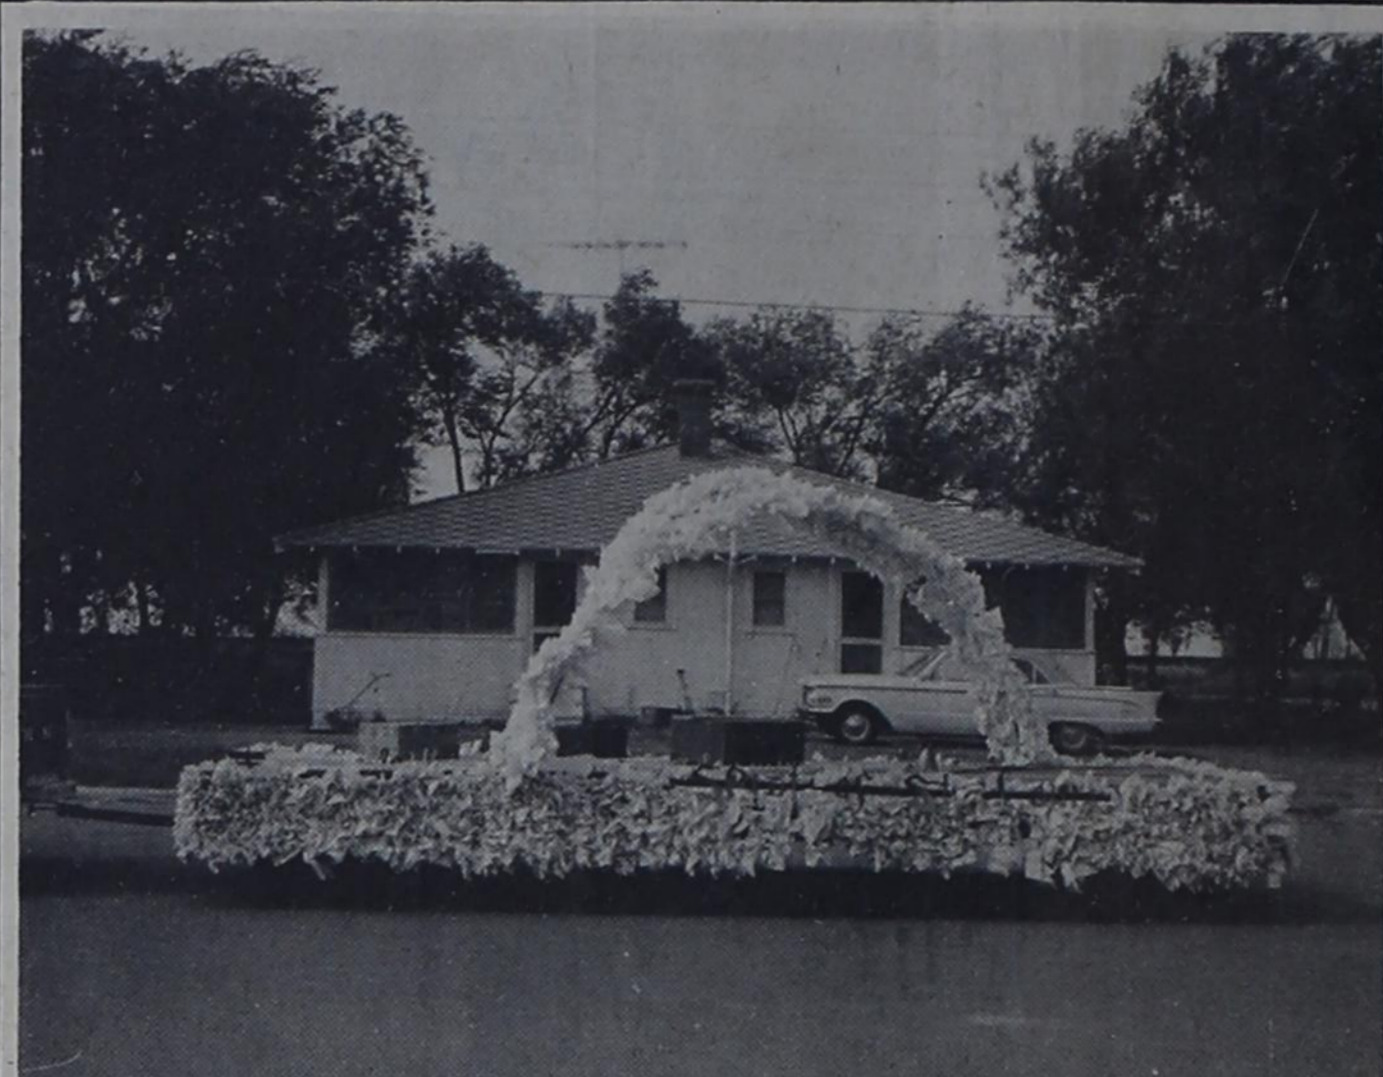

WSCS Fall Meet Thursday

Five Bovina ladies attended the Plainview District Woman's Society of Christian Service fall meeting Thursday held in St. John's Methodist Church in Plainview.

Mrs. Joe Fowler, Mrs. Billie Sudderth, Mrs. Mable Newberry, Mrs. L. M. Grissom and Miss Lola Grissom represented

the Bovina WSCS when Mrs. J. P. Elms of Lubbock, president of the Northwest Conference WSCS, was the principal speaker.

Theme of the meeting was "Christian Being and Doing." During the afternoon the ladies attended officers training meetings and the pledge service.

ARCH OF ST. LOUIS -- The newly constructed arch was the subject chosen by the Freshman Class for its entry in the Homecoming parade when the theme was entitled "Famous Landmarks."

Rainbow Girls --

Halloween Carnival Here Monday Night

A Halloween carnival, sponsored by the Order of Rainbow for Girls, will be Monday, Oct. 31, from 7 until 11 p.m. in the fire station, Mrs. Irene Spears, Mother Advisor, announces.

Boys and girls of all ages are invited to attend.

Proceeds from the carnival will help finance the Rainbows trip to Grand Assembly next summer.

Booths and those in charge of them for the carnival include cold drink and candy, Otis Spears, Harry J. Charles and Leslie McCain; fortune telling, identity not revealed; spook-room, Myrna Ritchie and Sheryl

Lane; cake walk, Sharon Hemke and Mrs. Gene Douglas; fishing pond, Brenda Dilger and Linda Langston; hit the bottle, Karen

Bell and Krita Morris; darts, Camille Hobbs and Pam Grisom; ring toss, Doris Corn and Vickie Kunselman; nickle pitch, Denise Clements and Joy May; old hat booth, Cindy Crump and Sherry Hutto; marriage booth, Truck Lusk and Debbie Gober; portraits, Joe Mesa, Jr.; photographer, Mrs. A. M. Wilson.

The Rainbow Halloween carnival will not only help the organization but will provide something for Bovina boys and girls to do on Halloween night.

Mrs. G. A. Bandy, a patient in Parmer County Hospital in Friona, was released Friday

Mrs. Green Shower Set

Mrs. Richard Green, the former Miss Sondra Jefferson, will be honored with a bridal shower this Saturday from 3 to 5 p.m. in the Bovina Church of Christ.

The couple married Oct. 15 in Wheatridge, Colo.

Hostesses will be Mmes. A. E. Steelman, Buck Ellison, Odie White, Troy Christian, Earl Stevenson, B. L. Marshall, Jesse Walling, Joe Pinner and Lloyd Killough.

Scoopin' Around

By Pat Jacobs

Judy Fillpot wonders what this world is coming to when a woman has a flat amidst all kinds of people and not a male in sight offers to help change the tire.

A. M. Wilson retaliates -- husband Bob neglected to follow the advice on TV and make sure his wife was thoroughly protected with a certain kind of tire -- and anyway, she was supposed to have the flat in the "loneliest place in the world," not downtown Bovina.

Bought a book the other day -- an 1849 edition of Godey's Ladies Book, the Ladies Home Journal of that era. It was purchased for the adorable Godey fashion plates -- but upon further examination, discovered I had a real jewel.

It contains, no less, two first publications of Edgar Allan Poe, one of Washington Irving and a couple of John Greenleaf Whittier. There are also letters, with signatures of Whittier and Poe, among lesser poets.

Poe expounded on his philosophy of poetry, which he said does not require meaning. To illustrate he submitted a poem, "The Lady Hubbard," a beautifully written verse of the nursery rhyme, which was the only time it was ever published, according to a 1907 researcher who left a note inside the book.

Down, book collectors -- it's not for sale... but would be glad to show it off to any of you interested in seeing it.

Speaking of poets, literature, and such brings to mind my favorite college English prof, Dr. A. K. Knott, whom we had the pleasure of seeing at West Texas homecoming.

Now head of the English department, he once taught some very green freshmen and sophomores. While trying to pound through the finer points of "Return of the Native" and "Hamlet," Dr. Knott also taught other things -- like the time a coed came to class in hair rollers. About to embark on his lecture, he stood and said, "When ladies roll their hair they are preparing to go somewhere. I am here to inform you that when you come to this English class, you are there."

And another time, Dr. Knott stopped in the middle of reciting, eloquently, a phrase of Shakespeare and said, "Perfume is no substitute for soap." -- then finished the quotation.

He's quite a man. Poster on a second grade school room door: "Twick or Tweet."

JUNIOR HIGH BAND -- Appearing in full uniform for the Homecoming parade was the Bovina Junior High Marching Band, with Miss Christi Mast as drum major.

GA Officers In Ceremonies

Installation services of Girls Auxiliary were held Monday night Oct. 17, in the First Baptist Church with Mrs. Ovid Lawlis, president of WMU, the installing officer.

Theme of the event was "GA Emblems," according to Mrs. Travis Dyer, reporter.

Girls attending were Rhonda and Rita Nuttall, Cindy King, Jana Barrett, Cathy Spurlin, Janee Russell, Rhonda Barbee, Brenda Dyer, Darlene Murphy, Twila Hutto, Nancy Hutto, Regina Kelly, Darla Hawkins and Sissy Minter.

Mothers at the installation included Mmes. Henry Minter, A. L. Nuttall, Sonny Spurlin, Jim Russell, J. B. Barrett, Ralph Aday, Charles King, Travis Dyer and Ovid Lawlis.

Church Chuckles by CARTWRIGHT

"Notice how he seems to have put on some weight since we increased our pledge to \$3 a week?"

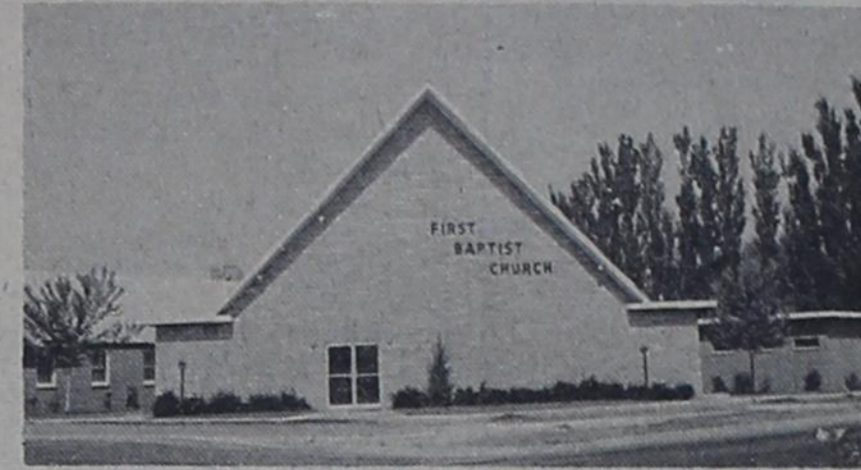

TO WHOM SHALL WE GO?
When we turn to Christ we find, like Peter that He has the words of eternal life. He has brought a new conception of life itself. That word "life" contains the master of our very existence. A book on medical psychology contains the statement: "The great difficulty is that we do not know what life really is, but we may hope that science will soon solve that problem."

Life brings science itself face to face with mystery, and at the top of the ladder of life is man. Compared with all other forms of life, how majestic he seems, he stands at the top of creation. Yet shadow of impermanence live over him and all his works--there is nothing lost. The individual vanishes after a few years and civilizations after a few centuries. However great life is it is incomplete. It hints at something beyond. "This is life eternal... (to) know thee the only true God, and Jesus Christ, whom thou has sent." John 17:3. If Jesus Christ is life eternal then I may invite the life eternal in. I may ask Him to dwell in me and be my life. All who have genuinely experienced this, finds it easy to feel the deep significance of life.

Two ways in which we can try to tell what Jesus means for the world and for ourselves. Only when you and I take the life of Jesus and set it to music of our faith and penitence and endeavor--that we really grasp the meaning of it. He knows the way to God, He lived the life right out and tries its issues right through. He shrank neither from life's pain, nor from its tragedy, but He never doubted its nobility. He revealed Divine Love and suffering and opened heaven by His cross. Whatever He touched He transformed, Jesus lived a life in its wholeness, He essayed the heights. He did not shrink from depths. Three years he lived before men--yet--"In that time he managed to let eternity brush through and lifted man's horizons to infinity. He took all that came to Him and turned it to purpose of his mission--circumstance--failure--disappointment and death. They gave Him a manger for a cradle, a bench for a pulpit, thorns for a crown, a cross for a thorne, but He took them and made them very glory for His cares. He turned sorry to joy, found strength in labor, peace in the storm, rest on the cross, life in the grave."

If we really believe this we shall put Him at the center of our lives, center of our social relationships, refuse every way of life but His, and say with Peter, "Lord to whom shall we go? Thou hast the words of eternal life, and we believe and are sure that thou art that Christ, the Son of the Living God."

GSPA Seeks '67 Feed Grain Changes

Representatives Ask For More Support

"The 1967 Feed Grain Program provisions as announced by Secretary of Agriculture Orville Freeman this past week will not maintain farm income to grain sorghum producers", according to Elbert Harp, president of the Grain Sorghum Producers Association.

Harp said that this conclusion was reached and confirmed by the executive committee of the Grain Sorghum Producers Association in special session immediately after the program announcement. Within 24 hours after the program was announced, Harp along with GSPA Executive Vice President Bill Nelson were enroute to Washington for conferences with administrative and Congressional leaders to point out this failure of the program and to seek corrective measures which would restore the producers income while bringing the requested formerly diverted acres back into production.

Analysis indicates that the farmer who has been complying with the program at the 20 per cent diversion level may actually have an income increase but the fallacy is that this is not the farmer that is being asked to bring acreage back into production—this will come from the farmer who has been diverting voluntarily a portion of his farm from 50 to 20 per cent. In most instances with normal production costs, a net farm income loss will be experienced. USDA in their projections were found to be using a grain sorghum cost of production figure of 70¢ per 100.

GSPA's proposal for restoring the income loss is (1) spread the 53¢ per 100 price support payment over the entire acreage planted on the farm instead of only 50 per cent as announced by USDA, or (2) increase the price support loan level from the announced \$1.61 to a level high enough to make up for diversion payments lost for a total of \$1.87 per cwt.

Nelson and Harp returned from Washington over the weekend for conferences with other area farm leaders and to assemble additional information before returning to Washington

Monday night for additional sessions with administration program and policy officials. In summarizing progress of the conferences underway Harp indicated that "We have been very successful in getting the attention and time of everyone

we have attempted to work with to hear and analyze the situation, but we have had no encouragement to indicate that program changes may be in order." He hastened to add, "Nor have we had any refusal to do so either."

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

Bovina 4-H'ers have plans for a lot of fun on Saturday, October 29th, when they will have their Halloween party. The party will be held in the Wayne Magness barn, with spoons and witches galore. Game committees, decoration committees, and about everyone in that club has been working to make this a big event.

4-H COUNTY COUNCIL—will also meet on the 29th at 10 a.m. in the Bovina Bank. This is the last meeting of the present Council members as the new Council will be made up of next year's membership. On the agenda will be plans for Achievement Night Banquet and election of officers.

Mrs. Earle Hise, 4-H Organizational leader, project leader, and 2nd grade teacher at Bovina School, seems to have time always for the things she wants to do. She has started work with 4-H girls in the Child Care project already. Of course this is in addition to her job as a homemaker, mother and all the many things that this involves.

Employed homemakers—those with many outside interests are seldom bored with household tasks -- they don't have time.

4-H ADULT LEADER SYMPOSIUM - to be held in Hereford on November 17th for the four County Area, Castro, Randall, Deaf Smith and Parmer.

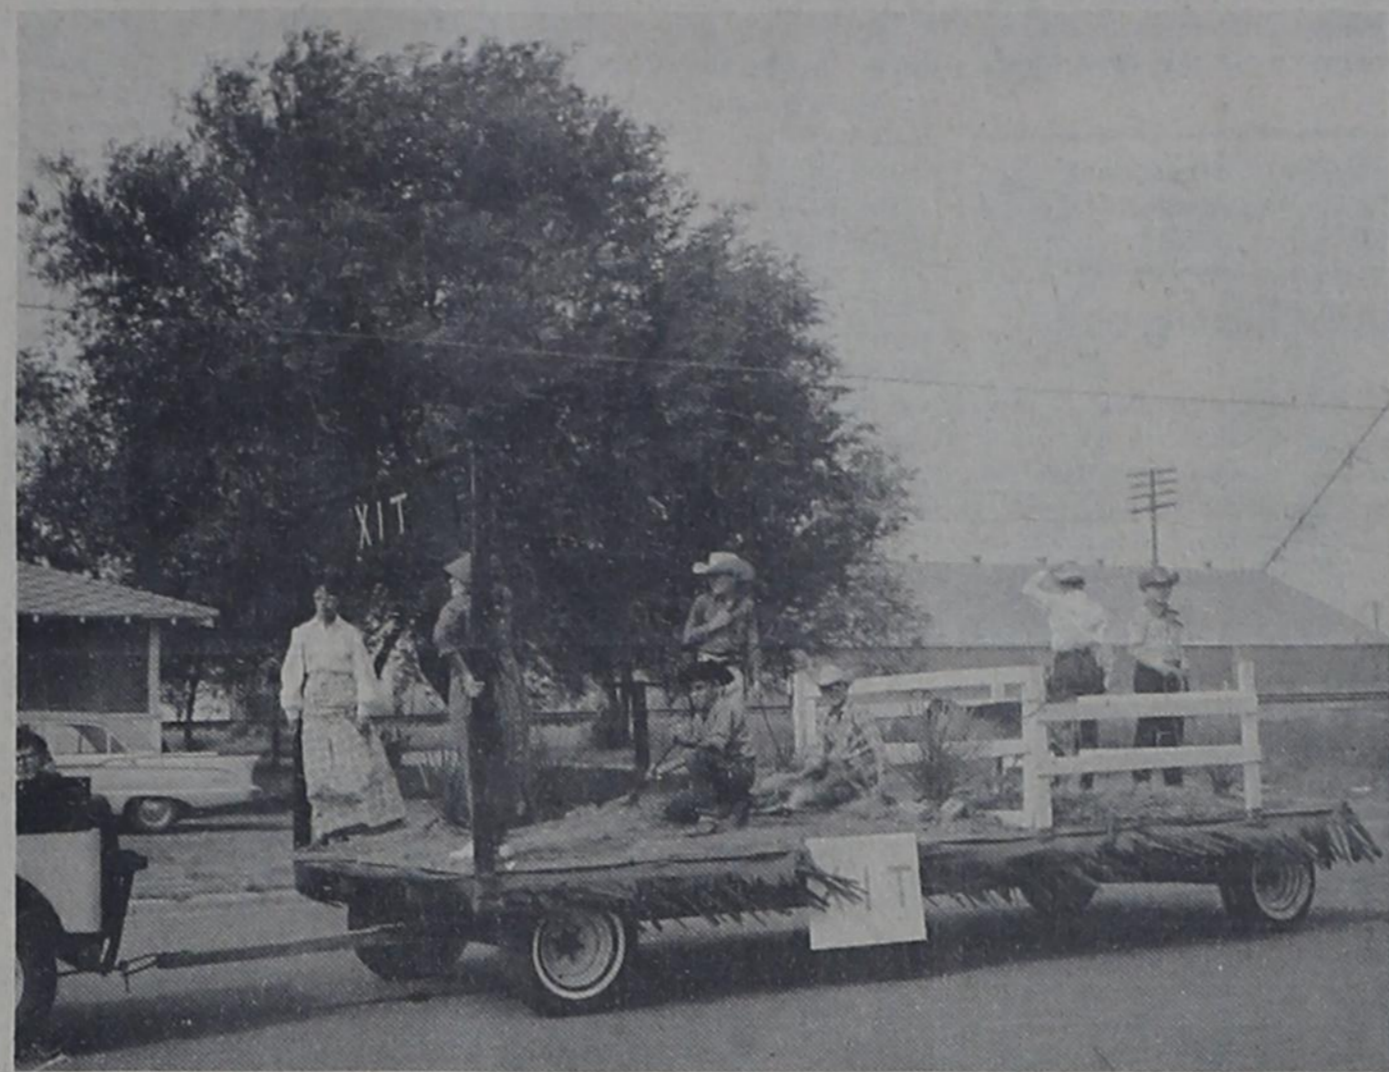

The idea is to make more efficient use of time and give better training to 4-H Project Leaders, and the meeting on the 17th is a most important one. Leaders and parents who may be considering being a leader will need to put this date on their calendar. Contact me here at the office for more information.

Find ways to do boring jobs faster so you can get to more interesting jobs; take a hard look at the way you work. What changes can you make?

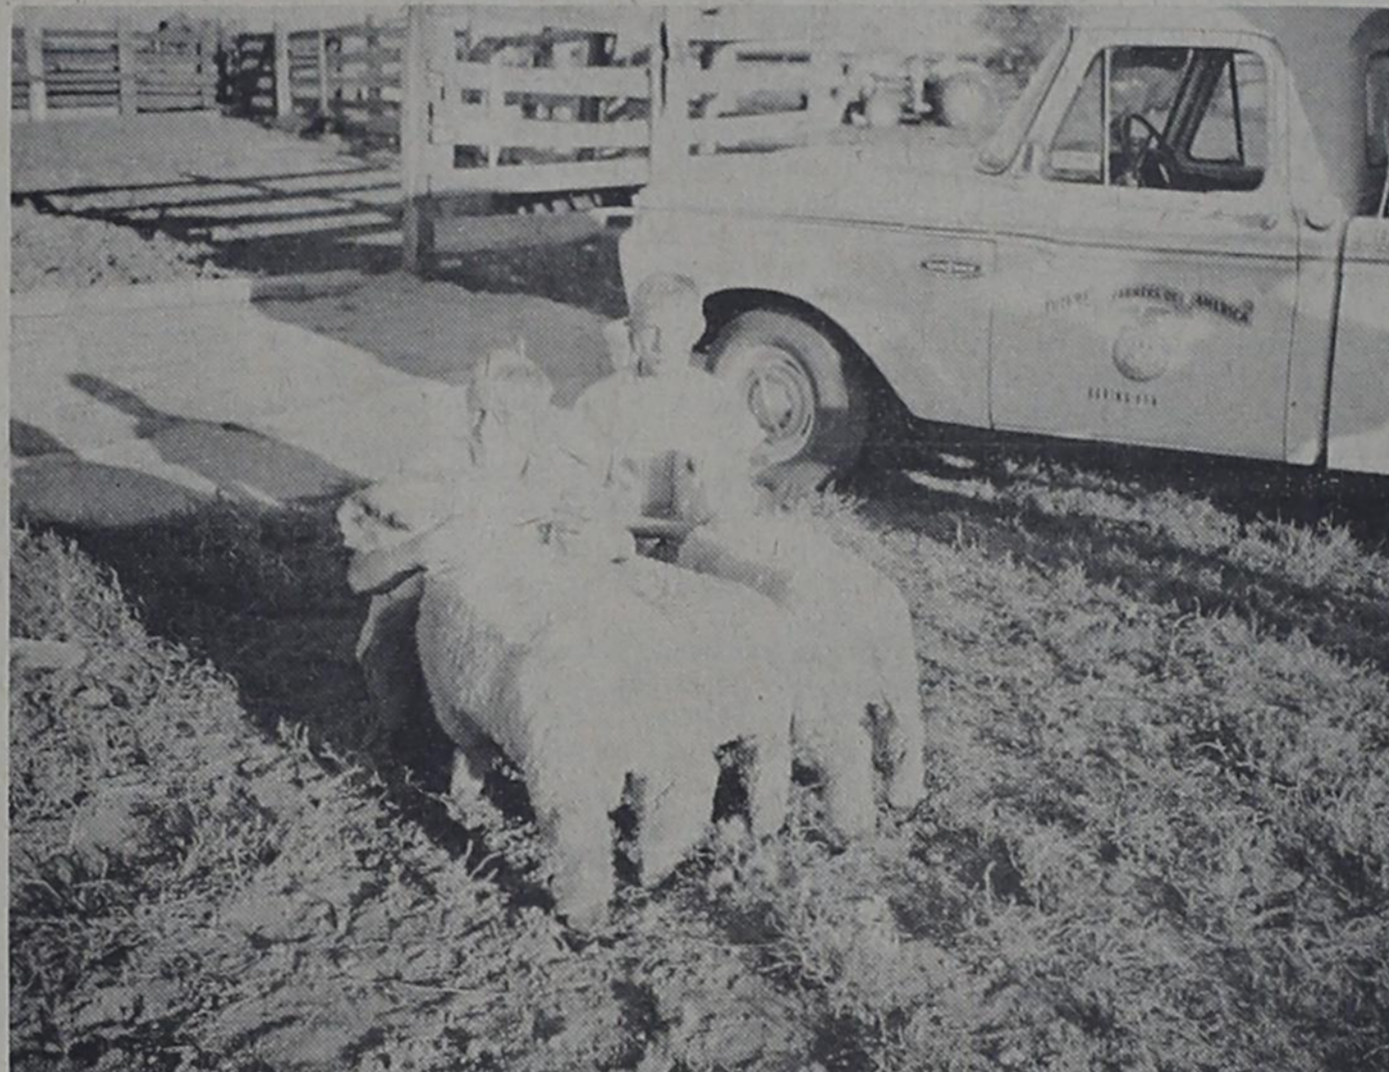

Big Doings are in store for two outstanding 4-H'ers here in Parmer County November 12th, the Gold Star 4-H girl and boy from Parmer County will be honored, at a banquet in Amarillo. After this they will be honored at the Parmer County 4-H Achievement Night also. Their names are still a big secret though.

Keep things within easy reach -- kitchen utensils stored at point of first use, duplicate cleaning materials kept in bath, ironing equipment close to where you iron, omit some steps in the job as draining dishes rather than drying.

Compete with yourself -- time yourself on a job. Try to beat your record. Alternate jobs - iron a while -- mend a while.

XIT RANCH -- Seventh grade entered this float of the famed XIT Ranch, complete with a calf inside fence. Class members were dressed as cowboys and early day pioneer women.

DRAGER BROTHERS -- Raymond, left and Curtis, sons of Mr. and Mrs. C. G. Drager are pictured with their Future Farmers of America projects, two Shropshire lambs and a Southdown, center. The boys, both students in Bovina High School, also plan to feed barrows this year. (Photo by John Paul Jones)

On The Farm In Parmer County

By RONNY McNUTT
County Agent

HELLO FOLKS
My wife and I would like to take this opportunity to say hello to all of the people in Parmer County. It is our aim to meet all of you in the near future.
It is a real privilege to be your County Agent and I am looking forward to serving you in this capacity.

This past Thursday I had the opportunity of meeting A. L. Hartzog, Mr. Hartzog was kind enough to take all Thursday afternoon and show me around the Bovina and Rhea communities. I also had the opportunity of meeting several people in these communities.

Also had the privilege of meeting Jack Patterson and Billy Sifford out in the Rhea community. Mr. Patterson is chairman of the Wildlife subcommittee of the Parmer County Program Building Committee. Mr. Patterson informed me

that the pheasant crop in the county is looking real good.

GRAIN SORGHUM DEMONSTRATION

We stopped by to meet and visit with Carl Schlenker also while in this part of the county. Carl was just finishing the harvesting of a grain sorghum variety and seeding rate demonstration in cooperation with the County Agent. There were 24 different varieties in the variety demonstration. Results of the yields on this demonstration will be published at a later date. On the seeding rate demonstration T. E. 88 was used on this test and it was double rowed. The seeding rates used were 5.6 lb/acre, 7.3 lb/acre, and 11.1 lb/acre. The moisture content was converted to 13% in determining the yield on these three seeding rates. Results of this test are as follows: 5.6 lbs/acre yielded 6,681 lb; 7.3 lb/acre yielded 6,960 lb; 11.1 lb/acre yielded 6,889 lb.

FERTILIZER DEALER SHORT COURSE

Fertilizer dealers, USDA Agency personnel, and County Program Building Committee members are invited to attend this short course in Muleshoe on November 1 at 7 p.m. and November 3 at 6:30 p.m. The meeting place is the Fellowship Hall, First Methodist Church, 507 2nd St.

Basic information on soil fertility and fertilizers will be presented.

A \$5 charge for registration includes cost of the dinner on the last meeting night, copy of presentations made, and a certificate of completion.

Hospital Notes

ADMITTED:
Juanita Claudio, Hereford; Leroy Johnson Jr., Hereford; Mrs. Leonard Haws, Clovis; Brenda Riddle, Bovina; Irene Trevino, Friona; Nina Moseley, Friona; Kenneth Barb, Madison, Kan.; Mae Miller, Bovina; Mrs. John Terry, Friona; John Benger, Friona; Soledad Bowery, Hereford; Mrs. Danny Smith, Clovis; Mernabe Aragon, Clovis; Dalia Quesada, Bovina; Mrs. Floyd E. Gray, Bovina; Mrs. L. B. McClain, Friona; Julia Settle, Amarillo; Ernestina Martinez, Hereford; Mrs. Glen Herring, Friona; L. R. Talley, Friona; Mary H. Tunnell, Farwell; Steven Spurlin, Bovina.

DISMISSED:
Edith Waller, Frances Spring, Melinda Garcia, Vera Stell, Bertha Drager, Juanita Claudio, Brenda Riddle, Mrs. John Terry, Dalia Quesada, Nina Moseley, Alpha Laney, Leroy Johnson Jr., Mernabe Aragon, Irene Trevino and baby boy, Mrs. Danny Smith and baby boy, Steven Spurlin, Mrs. Leonard Haws, Dwayne Bauer.

Robert Callaway is a patient in Northwest Texas Hospital in Amarillo, where he was admitted about a week ago.

Erith Hawkins has been released from Clovis Memorial Hospital, where he was a medical patient for a few days.

Boy Scouts Sell Candy

Boy Scout Troop No. 202 of Bovina is selling Halloween candy for the purpose of raising money for the local troop.

All proceeds from the sales will stay in the Bovina troop, according to Wayne Spears.

Sales began Monday night and will continue through Halloween. Bags of candy, weighing one and one-fourth pounds, are \$1 each. These can be delivered if those wishing to purchase candy will call Scoutmaster Glenden Sudderth, Tom Bonds, or Spears.

ANCIENT CHURCH

Qal'at es Salihige in eastern Syria, built in 232 A.D., is the oldest Christian church in the world.

PROGRESSIVE BUSINESS & CIVIC-MINDED PEOPLE OF HEREFORD AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Bovina Blade as he saw conditions. These people are all leaders in their various lines of endeavor and the cooperation of those citizens in Hereford who helped make this department possible is sincerely appreciated.

Wilbur D. Gibson

One of the better informed real estate and insurance executives of the city is Wilbur D. Gibson of the Gibson Insurance & Real Estate Agency.

He has been operating a complete service for his large clientele over a period of time, and during that time he has made a great many personal friends both for himself, and for the companies his agency represents.

Mr. Gibson has also contributed considerable of his time and energy to the growth and progress of Hereford and this district, and has been content to take his reward in the quiet knowledge of a work well done, and as a result, earned the respect and admiration of his colleagues. The value of such a man to the city and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate Wilbur Gibson on his splendid reputation, and wish for him a continued successful career in the real estate and insurance field throughout this region.

Sam Nunnally

Having a well-earned reputation for honesty, dependable judgment, and complete knowledge of the farm loan business far above the average, Sam Nunnally, representing Prudential in this region, merits a brief tribute in this Hereford review.

Without assumption, or seeking public acclaim, he has filled his place in the community as one of its solid citizens, performing his duties of citizenship quietly, yet efficiently.

As a leading and progressive business man, Mr. Nunnally holds a high position in the esteem of the public generally.

It is not only as a practical executive, whose sound judgment and far sighted planning have brought such fine things to himself, but it is because of his inspiring optimism and loyal friendship that Sam Nunnally is held in such high regard by the people of this district.

We gladly praise the successful record of this dependable Hereford business man.

Don R. Johnson

Hereford has attained a prominent position in the business and commercial life of this section of West Texas because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves. And a wide awake progressive man who justly should be included in this category is Don R. Johnson of B & J Irrigation Supply.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Johnson has earned the goodwill and respect of his fellow citizens for contributing his bit to the general welfare of the city, and the people as a whole.

It is our duty to include Don Johnson in that group of dependable and civic minded men who are doing so much for Hereford, and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

H. M. "Joe" Boozer

One of the more progressive real estate of this region, and one whose success can partly be attributed to a deep insight as to the direction in which the city of Hereford will develop is H. M. "Joe" Boozer of Boozer Real Estate. He has a sound basic knowledge of real estate values, and has turned that knowledge to the advantage of the people with whom he does business. And his aggressive methods, coupled with his sound and practical ideas, have made the services he has rendered to the people more valuable, and materially contributed to his well earned success.

Mr. Boozer is also civic minded, and has always shown a cheerful willingness to

contribute his share of time and energy to the promotion of community projects.

It is because of the activities of such dependable business men that year after year, Hereford continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to "Joe" Boozer for the part he is playing in the onward progress of this entire area.

Wayne and Glenn Hedrick

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement the ones we have in mind are two of Hereford's more dependable automobile sales, service and rental dealers, Wayne and Glenn Hedrick of Hedrick Dodge, who have a wide circle of friends and satisfied customers scattered throughout this entire region -- many of whom reside in our own community.

Their contagious optimism and freely expressed belief in the assured future prosperity of the people of Hereford and its metropolitan trading area, are characteristics which are to be appreciated in progressive business men. They have always taken an interest in community affairs, and have shown a willingness to shoulder their share of the civic load.

It is such men as Glenn and Wayne Hedrick who, because of the successful conduct of their business and private affairs, and their eagerness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay them this brief tribute.

Ginger Barela

A city grows and prospers by reason of the public spirited men and women who take an active interest in its development. Hereford has its share of these progressive and civic minded people, and one who is deserving of recognition is friendly, likeable, Ginger Barela of Ginger's Style Shop.

Her business ability, coupled with a sense of obligation to her many satisfied customers have been major factors in maintaining Ginger's Style Shop in a position of leadership throughout this area. She not only in her business activities, but also in her attention to civic duty, assumed an active part in community affairs.

She has always been ready and willing to contribute of her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of attention and support.

We congratulate Ginger Barela on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

Leon & Patsy Vogler Truman & Vivian McPherson

Leon and Patsy Vogler, Truman and Vivian McPherson are four of the more successful restaurant operators of Hereford who, by maintaining a constant standard of service, and high quality foods, has made Mac's Coffee House one of the more popular eating places in the community. We are glad to give them credit for their well earned success in a field which is so highly competitive.

It is also a pleasure to give them credit for taking part in community affairs, and lending their assistance to various activities and public projects. When to take part in such matters, they always do so without ostentation, but in a quiet manner which lends dignity to their cheerful acceptance of their share of the civic load. It is a pleasure to be associated in the promotion of community activities with such people as the Vogler's and McPherson's.

This review of progressive and civic minded citizens of Hereford would not be complete were we to fail to include them. Theirs is the kind of success

which deserves recognition, and we wish them many more years of the same.

Don Baugous

There are a number of business executives in Hereford who have gained recognition for their progressiveness, and a well-known insurance counselor who belongs in this category is Don Baugous, manager of the Hereford Insurance Agency, and Deaf Smith County Abstract Company, whose fair dealings with many of our readers has earned for the firm a host of friends and policy holders throughout this area.

He is well established in the forefront of the business and civic life of the city. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success.

In addition to his insurance activities, Mr. Baugous has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, Hereford is firmly established in the minds of the people as the logical business center for this section.

We congratulate Don Baugous for his success in business and civic affairs, and trust he will continue for many years to enjoy that success which he has so justly earned.

Opal Norton and Idie Gearn

It is appropriate that we include in this review of progressive Hereford business people, Opal Norton and Idie Gearn of the Knit'N House, who have many friends and satisfied customers, as well as students throughout this entire region. Furthermore, they are women who not only have reputations of being dependable, but also the added one of being willing supporters of many community affairs.

Aside from their business activities, Mrs. Norton and Mrs. Gearn have always shown an interest in the civic betterment and progress of the city, and have backed up their interest by their contributions to many projects which have benefited Hereford and the surrounding trade area. They are good and loyal citizens, and the full measure of their loyalty is most apparent because of their eagerness to aid community activities.

Their help along these lines have made of Idie Gearn and Opal Norton examples of the type of individuals we all appreciate. We congratulate, and extend to them on behalf of all those interested in better business and civic progress, sincere appreciation for their contributions to the general welfare of Hereford and vicinity.

Ray Suit

At the head of one of the district's more prominent wholesale automotive and tractor parts and supplies firms, and as a leader of recognized ability in community life, Ray Suit stands out today as one of the best liked men on the panorama of Hereford activity.

His friends are numbered by the hundreds, and all of them are of the lasting fibre which comes of worthwhile associations, both in the world of business, and in the realms of neighborhood life.

Suit's Auto Supply Company has been a strong factor in the growth and progress of Hereford; and Mr. Suit's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of this reliable company. The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire area.

Buddy Bloomer

Recognized as one of the more progressive business men of Hereford, Buddy Bloomer of White's Auto Stores Incorporated, performs a real service for the people of the city. And his contributions to civic bet-

terment are too well known to require repetition in these columns. His personal success has been achieved in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for White's Auto Stores Incorporated throughout this entire district.

Mr. Bloomer is deserving of praise, and this brief tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Buddy Bloomer on his splendid record, and trust he shall continue to serve the people of Hereford and vicinity.

C. N. McClure

We wish in this edition to pay tribute to C. N. McClure of the Soft Spru Car Wash, who has doubled the capacity of his operations, adding new space measuring eighteen by forty feet for drying purposes, for his many services to the city of Hereford and his splendid record of achievements in the business life of the city.

Mr. McClure probably has as wide a circle of friends as any other man we could name, because he is just naturally the kind of individual who makes friends with almost everybody, and always conducts himself in such a manner as to deserve the respect and good will of all who know him.

He is always ready and willing to lend his support to the promotion of any project which promises to benefit this entire district.

He may be depended upon, and his services to the people are too many in number to be described here. It may be sufficient to say that we consider C. N. McClure an asset to his community, and a progressive business man of whom his city may be proud.

Mr. and Mrs. E. M. Hoffman

In order to serve the public honestly, efficiently, and cheerfully, is the basic foundation many progressive business men and women of Hereford have found to be the shortest route to success. In making this statement, the two we have in mind are Mr. and Mrs. E. M. Hoffman of Hoffman's Poly Clean Center. The popularity and patronage enjoyed by their many services accentuates the ideals of courtesy and efficiency which they have consistently applied in the management of the business, and in the servicing of its customers.

The conduct of such businesses, and those who operate them, have done much to make Hereford the business center for many miles around. And it is fitting that we give credit where credit is due to such citizens as the Hoffman's for their part in the onward progress of the city. In doing so, we are merely putting into words the opinions of those who know them.

Mr. and Mrs. Hoffman have earned their success by the method in which they have served the public, and accepted both civic and business responsibilities, and we wish them every success in the future.

Don Cherry and Ronnie Walker

In every community, there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known individuals of Hereford who belong in this category are Don Cherry and Ronnie Walker of C & W Tile & Tops.

Their leadership in their line of business is recognized throughout this entire region. And their furtherance of civic activities, and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Cherry and Mr. Walker are men who are equally well liked and respected by their intimate friends and their customers. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Ronnie Walker and Don Cherry for being good citizens, dependable business men, and boosters of Hereford.

Glenn Watts

It is fitting in this review of dependable Hereford business men, that we acquaint our readers with the one to be credited with having maintained the Western Ammonia Corporation in the enviable position it holds in the business and industrial life of this area. That personality is Glenn Watts, the manager, whose genius for organization, and for converting new ideas into actual deeds, has played a vital part in the distinctive reputation which the corporation now enjoys throughout this entire district.

Mr. Watts has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which Glenn Watts and the Western Ammonia Corporation have rendered to this section of West Texas.

R. A. "Bob" Fullwood

In paying tribute to some of the more conscientious business men of Hereford, we would be remiss in our duty should we fail to include R. A. "Bob" Fullwood of Fullwood Electric Incorporated, whose business ability is no greater than the "know-how" and professional skill which has contributed to his well earned success in the electric motor repair and maintenance business.

He has also contributed generously to the welfare of the city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Fullwood is a man of wide acquaintance, whose many friends admire and respect in him, those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate "Bob" Fullwood on his splendid record of service, and trust he shall continue to assist us for many years to come.

Carl G. McCaslin

The progress of any community hinges to a great extent upon the activities of the more progressive men in the world of business. This is as true in this locality as in any other sector, and local leaders are to be congratulated for their part in the general advancement of this section of West Texas.

One of the more dependable lumber men of Hereford who should thus be congratulated is Carl G. McCaslin of the Carl McCaslin Lumber Company, who is widely known, and universally liked.

Few men have such a thorough knowledge of every phase of the lumber game, and to say that Mr. McCaslin knows the business from A to Z, is in no way an overstatement. The honesty which has always characterized his every transaction has gained for him the respect and confidence of the many men and firms with whom he does business.

The successful career of Carl McCaslin illustrates the merits of integrity, ability grounded in experience, and coupled with the added asset of a pleasing and sincere personality. We wish him many more years of continued success.

Neal Young

Successful business men as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact, otherwise a city would be lacking in that progressive element which advocates and develops various projects of a civic nature that are indicative of a progressive community.

And Neal Young, well known and completely reliable hauling and trucking contractor, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of Hereford and the adjacent territory.

Mr. Young takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing, recognizes his civic responsibilities

to the home community. It is such men as Neal Young who become acknowledged leaders in both business and community endeavors, and we compliment him on having attained that position in his city.

Myron E. Morgan

Every progressive and successful business man in Hereford contributes in some manner to the growth and progress of the city. And one who is always willing to do his bit in both civic and business activities is Myron E. Morgan, Executive Vice President of the Hi-Plains Savings & Loan Association, who is well known, and has a great many friends and business associates throughout this entire region.

The prominent part that the Hi-Plains Savings & Loan Association is playing in the business life of Hereford and vicinity, mirrors the dependability and honesty of such men as he. Moreover, Mr. Morgan has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions has lent his support to the successful promotion of meritorious civic projects.

Hereford and this district are fortunate to have such a man as Myron Morgan in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more conscientious business men.

Dick Jagels

In compiling this review of dependable Hereford business men, we have endeavored to select those citizens who, by the manner in which they have concluded themselves and their businesses, have earned for them position of leadership in their various fields of activities. Such a man is Dick Jagels of Hereford Feed Yards, who is well known, and has a great many personal friends and business associates in both Parmer and Deaf Smith Counties.

Mr. Jagels' main interests have not been solely confined to his own business and private affairs, but have also included his contributions in one form or another, to those projects of a civic nature which come within the scope of his activities.

Dick Jagels is a man of wide experience, whose exploits in the business and rural life of Hereford and vicinity, merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

R. A. Loomis

R. A. Loomis of Caprock Contract Carpets Incorporated has won universal respect and good will of the people of Hereford and the surrounding country for the progressive manner in which he has kept this reliable firm in the forefront of the business and commercial life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Loomis is not the kind of individual who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment,

whose opinions and advice are sought after and listened to with respect.

We compliment R. A. Loomis for the successful management of Caprock Contract Carpets Incorporated, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Mrs. Emmett Harper

Mrs. Emmett Harper of the Merle Norman Cosmetics Studio, has a well earned reputation for progressiveness because she has consistently forged ahead in her business, never letting up in her efforts to make the service she renders to the people more valuable. This invariable policy has made the Merle Norman Cosmetics Studio outstanding in its field, a fact that is well known to the women throughout this entire area.

But Mrs. Harper has accomplished much more than just making a success of her business and private affairs, and we take this opportunity to pay tribute to her for devoting what time she could spare to the general welfare, not only to the city, but this district as well.

It is such women as she, who are both successful in business, and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Mrs. Emmett Harper the credit for her accomplishments which her many friends and customers have so long accorded her.

H. J. Edwards

Recognized as an authority on all house moving contracting problems, H. J. Edwards of H. J. Edwards & Sons, has turned his knowledge to the advantage of the people of Hereford and vicinity. More than that, Mr.

Edwards is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Hereford owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, H. J. Edwards has become accepted as a progressive business man who is an asset to both the business and commercial life of the city, and we trust he will continue to serve the people of Hereford and the surrounding area in his present capacity for many years.

Jim Gammage

Jim Gammage, who just a short time ago assumed the management of the First Supply Company Incorporated in Hereford, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new position, and to conduct his affairs accordingly.

Although he has been the manager of the business for a comparatively short time, he has already made many new friends and satisfied customers for the First Supply Company.

Mr. Gammage is an active, energetic man, whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in this district. He has already taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

Jim Gammage deserves a word of praise for having so adequately established himself in his new position, and we are glad to give him this brief mention.

Pesticide Spray Disposal Problem

No home pesticide spraying or dusting job is completed until the pesticide container is disposed of, says Cricket B. Taylor, Parmer County Home Demonstration Agent.

No pesticide container is ever completely empty, reminds Mrs. Taylor.

When pesticide containers are "empty", the container has done its important job of holding the product used. Such "empties" should be kept in locked storage. The containers should never be used again for any reason, Mrs. Taylor said.

Pesticide materials, such as dusts or liquids, are often left over after the application season is past. The best way to dispose of them is to dig a pit, at least 18 inches deep, in an isolated area -- away from children, pets, and garden areas -- and carefully pour in the unwanted pesticides, she continued. Rubber gloves and any other protective clothing called for on the label should be worn. Fill the hole in with 12 to 18 inches of soil, then dispose of the container.

Mrs. Taylor will feature correct disposal methods in future articles. She emphasizes that aerosol "bug-bombs" require special handling. Pressurized containers should never be burned or punctured, because they will explode, causing droplets of pesticide and bits of sharp metal to travel great distances. Aerosol cans should be wrapped in several layers of newspaper and placed into the garbage can. If there is no

garbage service, they should be wrapped and buried in an isolated area, or taken to a nearby supervised sanitary land-fill dump.

Railroad Taxes Total \$34,515

Current annual taxes paid to the various government agencies in Parmer County totaled \$34,515, it has been announced by the Texas Railroad Association.

That amount was the county's share of the nearly \$10,000,000 the railroads paid in Texas on their own right of way and other property.

The biggest railroad contribution was to the school systems throughout the state. Large sums were also distributed to city and county governments and for road and bridge funds.

In addition, of course, was the large total in taxes the railroads' nearly 35,000 Texas employees contributed on their own property.

"With the future of our country and state depending to a great extent upon the education of our youth, I am delighted that nearly half of the taxes paid by the railroads go to support the schools," said Walter Caven, general counsel of the Texas Railroad Association. "Recognizing this need for education, many of the railroads operating in Texas also make scholarships available to a large number of students every year."

BIG LITTER BAGS -- This is one of two large litter receptacles installed recently at Bovina Schools by Bovina Wheat Growers, Inc. One is at the main entrance to the school and this one is at the entrance to the high school wing.

3-A Tilt --

Bovina Meets Kress There Friday Night

Bovina's Mustangs continue their District 3-A wars Friday night.

They journey to Kress to take on the powerful Kress Kangaroos in a game in which the host team will be the top heavy favorite.

The Kangaroos, who have built an enviable reputation in football circles during the past few years, are favored, along with the Sudan Hornets, to win the district crown.

Kress has suffered only one defeat in seven games this season. That was a disputed 8-6 loss to powerhouse Tahoka in a non-district clash of top teams.

The Kangaroos are strong in two suits. Those are "big" and "good."

"Their front four defensive men average better than 200 pounds each," Mustang Mentor Roy Stone points out, "and they have a lot of depth. With their size and depth, there's a possibility they can just wear us out and overpower us as the game progresses."

Kress has wins for the season over Idalou, Ralls, Petersburg, Happy, Silverton and Farwell. Their only District 3-A game to date was with Farwell, which went under, 19-12, last Friday night.

Happy is the only common foe for Kress and Bovina. The Cowboys won over the Mustangs, 20-16, while Kress handled the Happy team easily, 28-0.

This will be the first game out of the friendly confines of their own corral for the Mustangs in four weeks. Their last three games have been played here.

In regard to the Mustangs' game last week with Springlake-Earth, Coach Stone had high praise for four members

of his team, Eddi Corn, Kent Stanberry, Dean Stanberry and Carl Harris. "Those boys did a real fine job for us last week," he pointed out.

"It was the same old story for us against Springlake," he remembered. "We played pretty well, but we didn't win. We're just under the edge of

winning. We play hard and we try hard and we've been successful in making a game of it. But we don't play good defense. We are especially weak defensively."

Game time this week will again be 7:30.

After the Kress game, two games will remain on the

Mustangs' schedule. They will be with Farwell there November 4 in the final district tilt and against Seagraves here November 11.

In other 3-A action this week, Springlake-Earth meets Sudan in a battle of teams which are undefeated in district play. Farwell is idle.

WT Honors

Bovina Boy

Scotty Rundell, son of Mr. and Mrs. Tom Paine, a freshman student at West Texas State University, recently received the trophy for marching presented to the outstanding bandmen of the WT band.

He is attending the university on a four-year music scholarship.

In addition, Rundell is also a band representative, is a freshman senator on the Student Senate, student governing body of the college.

Recently Scotty appeared on television on an Amarillo channel in connection with homecoming celebrations.

He is a graduate of Bovina High School, where he was active in the band program, as well as athletics and other phases of school activities.

To Springlake-Earth --

Ponies Drop Second District Game, 37-20

Bovina's Mustangs put up a good fight throughout the game and enjoyed a first quarter lead before a homecoming crowd here Friday night before falling to the favored Springlake-Earth Wolverines, 37-20.

Bovina's Fullback Carl Harris made the visiting Wolverines sit up and pay attention some four minutes deep in the first period as he scampered 68 yards for a Mustang touchdown. Halfback Dean Stanberry blasted across right tackle to add on the two extras and the Maroon and White had an 8-7 edge over the Lamb County boys. The Ponies made the lead stand up until well into the second period.

The game marked the second District 3-A win for Springlake-Earth. The Mustangs are now winless in two starts. For the season, Bovina is 2-5.

Featuring the sharp, left-handed passing of Quarterback Doug Messer, the Wolverines got back in the scoring column in the second period. They racked up two touchdowns and a pair of extra points during the second 12 minutes to take a 21-8 halftime lead.

The outweighed Mustangs matched S-E touchdown for touchdown in the final two stanzas, but the damage had already been done.

The locals narrowed the gap to one touchdown shortly after the second half began. Harris raced 34 yards for his team's second TD of the evening. Lane Gober recovered a Wolverine fumble on the S-E 39 yard line to set the stage for Harris' second brilliant run.

Bovina's final score came with 2:05 in the game after the Wolverines had the game all but salted away. A 72-yard drive by Bovina was climaxed by a 32-yard scoring pass from Daryl Kirkpatrick, alternate quarterback, to Dean Stanberry. The drive was aided by two 15-yard penalties against the visitors.

Springlake-Earth wasted no time in getting its opening touchdown in the scoreboard lights. It came with 8:25 remaining in the opening period and it appeared at that point that the game might be a long one for Bovina fans. Halfback Terry Parish crossed the goal on a two yard plunge, ending a drive which had originated on the Bovina 48. Jose Triana kicked the extra point to make it 0-7 Springlake - Earth.

Gober returned the following kickoff from his five to the 32.

On the first play from that point, however, Harris, who was the game's most spectacular runner, was on his way to the enemy endzone. He circled his left end, got a couple of good blocks which sent him into the secondary and then tightroped his way down the west sideline to paydirt.

Stanberry powered for the extras and that gave the Mustangs the first lead they've had in District 3-A competition, which is now two games old.

During the remainder of the opening quarter, the teams battled on event terms. The Wolverines were unable to get their passing attack, which later proved fatal to Mustang hopes, warmed up and Bovina failed to generate a sustained drive.

The visiting team demonstrated its advertised power in the second stanza. They put an Alfred Stanberry punt, which had gone into the endzone, in play on their 20 and roared the 80 yards to their second touchdown in 13 plays. The drive was boosted by a 15-yard penalty against the underdog Mustangs which gave S-E a first down on the Bovina 33. The TD drive was highlighted by a 30-yard pass play from Messer to End Jimmy Stockstell. The pass put the Wolverines in business on the Bovina two. Halfback Logan Armstrong got the score from one yard away.

Mustang defenders halted a running attempt for the extras to leave the score 8-13.

The Wolverines got their third TD the next time they got the ball. An Alfred Stanberry punt rolled dead on the S-E 44 and the winners got to paydirt in three plays. Armstrong ran for eight and then Messer, who was evidently zeroed in on his receivers by this time, fired to Stockstell again for 42 yards and a first down on the Bovina six. On the first play from there, Messer tossed to Halfback Randy Washington for the counter. Messer then left-handed an aerial to Parish for the extras and the Wolverines were in command of an 8-21 lead.

Harris' 34-yard TD scamper put the Ponies back in the game early in the third period, but midway through the quarter, the winners tacked on TD No. 4 on a 28-yard pass from Messer to Fullback James Thomas.

Messer flipped to Washington

New Manager For General Telephone Co.

Gerald F. Kehoe of San Angelo will become the new Littlefield district manager for General Telephone Company of the Southwest, replacing Alan Waldrop, who is transferring to Broken Arrow, Okla.

Kehoe will assume his new duties Nov. 6 in the district which includes Amherst, Bovina, Earth, Friona, Littlefield, Olton, Muleshoe, Sudan, Spade and Whitharal.

A native of Rochester, N.Y., Kehoe received his education there in the public schools, Rochester Business Institute

Thursday --

Junior, 'B' Teams Lose To Springlake

Springlake "B" and junior high teams downed the Bovina boys in two games played there Thursday, the "B" game ending 42-0 and the junior high, 32-0.

and Rochester Institute of Technology and Washington School of Art.

He has been associated with General Telephone Company since 1959.

Although the "B" team played fairly well on offense, two sustained drives were halted by fumbles, according to Coach Roger Ezell. However, defense was weaker than had been displayed in previous games.

Rodney Murphy was the defensive standout and the offense was led by Stuart McMeans and Murphy. McMeans broke for 65 yards on a bootleg play and was tackled on the 15. Bovina lost the ball on a fumble the next play, Murphy

was the consistent ground gainer. The "B" team was playing without the services of Johnie Horn, Danny Stanberry and Phil Sorly.

The junior high team, in its second district game of the year, moved the ball well but couldn't control Springlake on defense.

Six boys were not playing and too many boys were filling positions that were strange to them, Coach Truck Lusk said.

Last Month --

County Has 12 Accidents

The Texas Highway Patrol investigated 12 accidents on rural highways in Parmer County during the month of September, according to Sergeant W. E. Wells, highway patrol supervisor of this area.

These crashes resulted in three persons injured, and an estimated property damage of \$9,455.

The rural traffic accident summary for this county during the first nine months of 1966 shows a total of 76 accidents resulting in two persons killed, 41 persons injured, and an estimated property damage of \$57,194.

From past experience, the month of October signals the increase of traffic accidents in Texas due to shorter days and longer nights. The increased hours of darkness will hide dangers otherwise visible during the daylight hours.

The Sergeant listed some factors why driving is more hazardous at nighttime than in daytime. (1) Reduced road visibility prevents drivers from seeing hazards. (2) It has been longer since most drivers have slept and the resulting fatigue increases perception reaction time. (3) More drinking drivers will be met. (4) It is eas-

ier for drivers to become confused in traffic and to panic. These factors in varying degrees coupled with high speed cause accidents that would not occur in daytime.

R. Sudderth Attends OST

Ronnie Sudderth from Bovina is enrolled at Oklahoma State Tech, Okmulgee, for the fall term in diesel mechanics.

Enrollment at the vocational-technical college has shown an increase of 70 per cent from September, 1961, to September, 1966. Current enrollment is 2,406.

The residential school, a branch of Oklahoma State University, is celebrating its 20th anniversary.

Mrs. Flossie Rhinehart and Mrs. Mary Ruth Martin returned home Tuesday night after spending 10 days visiting their daughter and son and grandchildren, Mr. and Mrs. Dick Martin, Becky and Kenda, in Salome, Ariz.

Mr. and Mrs. Bob Estes have been in San Francisco, Calif., the past week attending the American Bankers Association convention.

again for the points-after to boost the count to 14-29.

Springlake-Earth's final TD came on a 70-yard screen pass from Messer to Thomas. Messer again passed to Washington for the extras.

Handy Harris was the big gun in the Mustang attack with a total of 221 yards rushing, an average of 10 yards per trip in his 22 carries.

Dean Stanberry toted 12 times for a net of 36 and Lynn Murphy picked up 10 yards in seven trips.
