Denton - Sutton County Courthouse in Sonora has received a statewide award in the Best Restoration Project category of the Texas Downtown Association's Annual Awards program. The awards were presented in Denton this week in conjunction with TDA's Annual Conference. The honor recognizes the Sutton County Courthouse's high quality and its role in downtown revitalization. The Awards program celebrates people, projects and places that make Texas downtowns special.

Sutton County Courthouse was no different."

"Competition was tough this year, with 7 entries from 34 downtowns competing in eleven categories," said Karen Wunsch, of the City of Garland, co-chair of this year's awards program. "To be named a finalist is a great honor in itself so to be selected as a winner signifies how great these projects and programs truly are."

"There were so many high-quality projects this year that exemplified how hard public and private downtown groups and private business people are working to revitalize their downtowns. Projects were of an impressively high quality and

Added Ann Kay of Sonora, awards co-chair: "The partnerships evident in many of the projects show how people are really joining together to create or strengthen the spirit of their downtowns. That is what it takes to create and maintain a truly great downtown - partnerships, combined with vision. It was very exciting to see through this year's awards entries how the projects, programs and activities came together to make something really great happen."

At a special Finalists Breakfast held the morning of the awards ceremony, Judge Carla Garner have an excellent

## PTO to host School Board Members, Administrators and Kindergarten Students

The Sonora Schools PTO will have their second General meeting of the year on Monday, November 18, 2002 at 6:00 p.m. in the Elementary Auditorium. There will be a short business meeting to round out the remainder of the 2002 activities, including organizing some committees, as well as a final vote on our PTO By-Laws. There will be some discussions on the Children's Christmas Surprise, and our organization of the upcoming Tree planting project for the Elementary Playground.

The Kindergarten students will entertain us with a program entitled "A Tribute to the Native American", following the business meeting.

School Board/School

Officials will be on hand to meet parents and guests, and our Superintendent, Mr. Brant Myers, will give a brief update on the status of the Renovation Project for the Elementary School.

Parents and visitors will have an opportunity to ask questions of Mr. Myers, and learn more information on the Facilities Renovation Project. Come see how this project will affect the students of the lower elementary grades when the renovation process begins. The public is invited and encouraged to attend.

Refreshments will be served immediately following the meeting.

## Broncos Go Out Big

by Tryon Fields

To some a disappointment; To some - so what; and to some; those that know; Sonora's 5 - 5 season was a season of missed opportunities. When you are spoiled, and the last four years have done that, a couple of Quarter-finalist finishes, a Semi-finalist, and a State Championship will tend to make you think you are invincible. Considering all this, a .500 record seems to be a little lack luster.

No excuses can be made - sometimes seasons like this one happens. What we as fans need to remember is: the coaches and players did everything they could, but sometimes the ball does not bounce your way, it just off your finger tips, a referee's spot comes up just inches short, or the other team was just better that day, plain and simple. These young men may be disappointed in not reaching their goals, but they left everything on the field and for that reason, they do not have anything to hang their heads about. Keep your chins up Broncos, for life moves on and there are more mountains to climb.

Friday's season finale against Grape Creek was vintage Broncos playing at home. The Red Hosses, knowing that this was to be the final football game of the season, pulled out all the stops.

Grape Creek having had their problems all year rolled into Sonora last Friday hoping for the Broncos slide to continue. The only slide that continued was the Eagles slide toward

obscurity. With Sonora deferring after the coin toss, Grape Creek would receive the football to start the game. In the first half the Eagles would touch the football four times with each possession having the same result. The Eagles would either give the football up by punting after only gaining minimal yardage or turn the ball over on a fumble. The first two possessions were three and out. Grape Creek was able to get a first down on their third possession; however, it was due to a Bronco penalty that gave them new life. This possession would also end in a punt. The fumble came on the fourth possession of the half, as Bronco Trapper Valliant separated the ball from the Eagle quarterback on a bone crushing tackle. A dominating Bronco defense led by Thomas Bloodworth, Israel Arevalo, Emmanuel Lopez, Justin Sims, Diego Cardona, and Trapper Valliant would limit the Eagles to only 34 total yards and 2 first downs.

## Game Dinner Serves Up Good Food and Great Prizes

Ray Burrows was the big winner, taking home the Polaris ATV 4-Wheeler from the Sutton County Game Dinner.

The 36th Annual Game Dinner held on Saturday, November 9 proved to be a fun feast for all that attended. Over 50 guns were won by lucky winners from all over and one lucky winner, Ray Burrows, took home an ATV 4-wheeler to assist with his hunting.

It was a beautiful day for cooking and visiting, perfect for the outdoor portion of the 36th Annual Game Dinner. The Game Dinner Association worked hard setting up tables, chairs, and booths on the Sutton County Dance Slab, while volunteers cooked up the wild game out back. After feasting on a fine meal of Black-Buck Antelope, Brisket, Cabrito, Deer, Beef-o-lo, Cajun Jambalaya, beans, potato salad and more, visitors crowded into the Sutton County Civic Center to listen for their names to hopefully be called. This year's MC, Biscuits O' Bryan, entertained the crowd while Miss Sutton County, Koda Armke, drew the tickets from the rolling bin. The Sutton County Game Dinner proudly honored Dr. Jeff Laborde and Ralph Breaux of Laborde Diagnostics as the Outstanding Game Management Hunters for 2002. These gentlemen and their crew of hunters practice game management and have improved the quality of the game on the Valliant Ranch where they hunt each year. They have supported

many businesses in Sutton County, making it a policy to trade with local merchants whenever possible, including shopping for corn, groceries, supplies, hunting licenses, fuel and more in Sonora. Jeff and Ralph also help sponsor the annual Youth Hunters Safety Camp which is held at the McPherson Ranch each summer. They also participate in other local events, like the Annual Game Dinner where they bless visitors with their Cajun cuisine. With people like Jeff and Ralph hunting in Sutton County, who appreciate the

### Card of Thanks

It is with heartfelt sincerity that I thank the Downtown Lions Club for the generous \$500 scholarship. The scholarship will greatly assist with the expenses that I will incur in North Dakota while in Physician Assistant Training. Over the years, the Lions Club has demonstrated support for the community through many ways and I appreciate the confidence and support shown to me. I look forward to completing my P.A. training and beginning my practice in Sonora.

Diana Green, R.N.

Due to a need to prioritize our time, we found it necessary to discontinue Inspirations at 302 S. Concho. We desire to be a blessing to Sonora and this area and regret that we can't continue this avenue. We deeply appreciate everyone who contributed in any way to this endeavor. We love you Sonora! God bless you!

## Ask the Historical Society

by Jo-Ann E. Palmer,  
Secretary  
Sutton County Historical  
Society

Q. Do you have anything on the marriage of a Zoe Martin in March of 1897?

A. Devil's River News, March 20, 1897 Wedding Bells Black-Martin

At 8:30 o'clock on Wednesday evening, March 10th, the nuptials of Mr. Geo. Black, of Sonora, and Miss Zoe Martin were solemnized, at St. Peter's church.

The attendants were, Miss Bettie Rees, maid of honor, and Mr. J. Blanks, a handsome business man of Sonora, as best man; Miss Agnes Black of Ft. McKavett and Mr. Edwin S. Martin of our city.

The bride was beautifully dressed in white silk, entrain, with veil and orange blossoms. She looked queenly entering on the arm of her handsome father, who gave her away at the altar.

A number of invitations had been issued, and many of their friends had gathered to witness the ceremony.

The church was tastefully decorated with evergreens and flowers, and the music furnished by the choir made the beautiful Episcopal ceremony impressive. Mr. Black is a very prosperous cattleman of Sonora where he has lived for a number of years, and has a host of friends. Miss Martin is one of our most beautiful belles. Her brunette loveliness is of the rarest type. Her friends are numerous and had a special cause for devotion to their "Zoe." Scarce eighteen summers have blossomed for her, yet those who know her pronounce her a womanly woman, who will ever prove to her husband his good angel.

After the ceremony the bridal party and a number of their friends and relatives, made their way to the pretty

home of the bride's parents, where they partook of an elegant supper. They received a number of beautiful presents. We could not get an entire list, therefore we did not print it.

On Thursday morning they left for their new home in Sonora. - Kerrville Paper

In the same issue we found another wedding: Married at the residence of the bride's mother Mrs. Victoria Miers, on Wednesday March 17th, Theodore Savell to Miss Alma Miers, Rev. D. W. Matthews officiating. The bridesmaid was Miss Annie Caruthers and the groomsmen John Hurst. The wedding was a quiet one only a few friends being present. The happy couple left immediately after the wedding for San Angelo. The groom is a young man of good habits and one of the owners of the Sonora-San Angelo Mail and Express Line. The bride is a beautiful and vivacious daughter of Sonora with a host of friends and admirers. The Devil's River News wishes Mr. and Mrs. Savell much happiness. They will make their home in Sonora.

Mark Cowser and Miss Mintie Raynor were married at the Episcopal church in Junction City on March 10th, Rev. A. Rooney of Sonora officiating.

Alex J. Hamer and Miss Annie C. Braley were married at Junction City on March 10, Rev. A. L. James of the Baptist church officiating.

Doctors had a pretty busy week also: Born on March 16th to Mr. and Mrs. J. W. Smith a 12 pound boy. Born to Mr. and Mrs. H. Hughes of the North Llano, on March 1st a boy. Born to Mr. and Mrs. James Pettigrew of the North Llano on March 11 a boy. Born at San Angelo on Saturday, March 13th to Mr. and Mrs. D. W. March a daughter.

Dr. Wm. Daugherty of

Velma Chadwick, daughter of Jim and Sibyl Chadwick - B 1914, Sutton County @ Luckie Ranch.

Dallas, was in Sonora this week and gave a free exhibition of his mind reading powers on the street Tuesday afternoon. He also gave an entertainment at the court house that evening and satisfied the most incredulous that he possessed this great power.

Deputy Sheriff Caruthers arrested Bob Hines who has been working on R. F. Halbert's ranch on a capias from Mills county where Hines is charged by indictment with disturbing public worship. Hines gave bond and left Wednesday for Goldthwaite.

James Mc Lymont of Del Rio, bought from Roy Bean of Langtry, 220 head of muttons at \$2 a head. Dave Ogle the cattleman was in Sonora Monday. He sold 25 head of yearling steers to G. W. Whitehead & Sons at \$10 a head. E. S. Franks of the firm of Taylor & Franks of Val Verde county came to Sonora Monday and reports having sold 150 head of cows and yearling heifers at \$15 for cows and \$9 for the heifers.

A Confederate 5 cent canceled postage stamp sold recently in New York for \$576.

We are looking for your help again. Does anyone have a picture we can copy, or can send us a copy of Deputy Sheriff John Fulcher who served in approximately 1896 and Deputy

Sheriff James Caruthers from the same time frame? We are also trying to locate a picture of M. L. Taliaferro who was Constable of Precinct 1 in 1898.

We have most of the recent Sheriff's pictures, except Sheriff Fincher, but we have almost nothing on most of the deputies over the years, including the current deputies. We are also looking for photos of Sonora City Police, DPS, Texas Rangers, Highway Patrol and Border Patrol who have served in Sutton County. So please readers, dig out the albums and dust off some of those pictures and share them with us! We will display the photos in the new offices so that all of you may stop in and enjoy them.

If you have any questions concerning Sutton County history please send them to "Ask the Historical Society," P.O. Box 885, Sonora, TX 76950-0885 or e-mail them to schs@sonorax.net. You may call us at 915-387-5084 Mondays, most Tuesday mornings and Fridays. We are always happy to take people on tours of the Miers Home, or the Depot if it isn't rented, when the office is open. Which reminds me, greetings to the Babb sisters from Langtry, it was a pleasure meeting you ladies and taking you through the Miers Home.

## Sutton County Senior Center Is Keeping Busy

We have been very busy and short handed, so I haven't been able to write for a while - sorry! I can't believe it's already November and December is right around the corner.

We have the kindergarten classes coming to our center on every other Monday to play Bingo with our Sr. Citizens and it has been fun for all. Thanks to the teachers and helpers, it couldn't be done without all of your help: Mrs. Sara Wade, Mrs. Martha Perez, Mrs. Katie Meador, Mrs. Jimalee Dutton and helper Quirina Perez, and of course all the little ones!

We have some new volunteers at the Center and some new drivers that deliver meals to our homebound seniors: Kathleen & James Freeman, Torino Chavez & Maria Galindo, Brenda Criswell, and Virgil Poloczek. Thanks for helping make a difference and caring for our Senior Citizens.

Get Well wishes to Joe Longoria, Johnny Riggold, Horace Humphreys, Loyce Campbell, Lole Galindo, Vicenta Lopez, Elfida Martinez, Kathleen Moore, Aurora Bernal, Sheila Castro, Jesse Favila, Elvira Garcia. Hope you all are doing better and come to see us at the Center soon. Get Well also to our worker, Lesa Galindo, who had surgery and hopes to come back to work in about a month. Take care and take it easy while you can!!

In other news, Pablo Favala is now at the Crockett County Care Center in Ozona, Texas and Roy Lambeth has moved to Kansas with his son. We'll miss you both, take care and come visit us soon.

Our deepest sympathies goes out to the Maria Leija Family, Smith Neal Family, Marciela Family, and the Samaniego Family. On behalf of the staff at the Sr. Center our prayers are with you all at this difficult time and may your hearts find comfort during this time.

It's time to sign up for the Holiday meals. Thanksgivings meals will be on Thursday, November 28th or Friday, November 29th. Join us for Turkey and Dressing and all the trimmings on Wednesday, November 27th.

There will be sugar and blood pressure checks on the 2nd and 4th Wednesday of each month with Girling Home Health and Interlinks Home Health from 11:00 a.m. to 1:00 p.m. Call the Center for more information.

Holiday crafts will be on Thursdays after lunch, join us or volunteer to help out. We need new ideas now!

There will be a Life Line Screening "Protect your Health, Protect your Life" program on Friday, November 22nd. You need to pre-register. You can also register for 4 "free" screening certificates to be given out before November 22nd. The certificates are valued at \$40.00 each! Come by the center or call 1-800-407-4557 for more information.

The Birthday Party for November will be on Friday the 15th. The cake is being donated by Dairy Queen - Thanks JoAnna! Those celebrating in November are Maria Hollmig, Polly Covey, V.L. Chavez, Shala Cavaness, Ann Deel, Gus Eustace, Gene Tittle, Maria

Gutierrez, Ofilia Torres, Charles Howard, Joe Longoria, Fela Perez, JC Surber, Pauline Thompson, Antonia Branieba, Shelia Castro, Antonio & Maria Lira, Maria Ramos, Victorino Martinez, Lou Faulks, Lola Morales and Claudio Flores. Come party with us!

We need volunteers to help out delivering meals. Sign up now for the Knights of Columbus Annual Thanksgiving Meal at the Civic Center on Sunday, November 24th at noon. We will be providing transportation for our seniors - sign up with one of the staff or call us at 387-5657 or 387-3941.

We would like to welcome Lisa Marie Alvizo as our new worker at the Senior Center. Lisa and her husband Rafael have 4 children and she is also a grandmother. We hope that you are here to stay.

We sadly say "good-bye" to Lucy Ramos who has worked at our Center for 2 yrs. with Experience Works, Inc. (formerly Green Thumb, Inc.). She cannot work anymore because of her health. Take care and come eat with us. Thank you for all you have done to help at the Center.

Thanks to all of the ladies who helped with our King Size Quilt. I won't mention names because I don't want to forget anyone. We will start on a "new" quilt after the holidays, so plan to join us after lunch on Wednesdays.

Call the Center if you need a ride from the Sr. Center van. We do not take or pick up children to/from school or take people to work, sorry, our program is for Senior Citizens (60+). We don't need 24 hours notice, but

please call us early if you need rides to the Dr., drugstore, grocery store, bank, beauty shop or just to run errands and pay bills. The van also goes to San Angelo on the 3rd Wed. of each month. Medicals come first and we can only take 10 seniors, so first come - first served. Call 387-3941 for more information.

We have room set up at the Center for seniors who would like to come in and learn computers or do resource information on services available for seniors. The computer is also set up with Internet access. We have a brand new Dell computer with a printer, video's and books on Caregiver's Connection. This is all thanks to the Area Agency on Aging. Come by and check it out.

We also now have a new bilingual service for anyone needing help filling out applica-

tions for social security, SSI or other programs that are now being offered at the Sr. Center on the 3rd Wed. of the month, by appointment. Maria Carrasco will be available and we have had a very good turnout on this service so please call 387-5657 or 387-5941 Mon. - Fri., 8:30 a.m. - 4:30 p.m. for more information.

Come see us or volunteer to help at our Sr. Center and again "Thanks" to all who help out in every way (and those that donate "Bingo" prizes). On behalf of the staff and seniors - we appreciate all that is done!

Bye for now...

## News From the Hill

by Delyse Jaeger

Attention Birders! Eaton Hill's new birding stations are complete and benches await for your comfort. The secluded spots are located along a new trail which branches off from Zed's Cut on the north face. Other sites are located along Dry Devil's Trace, easily accessed from the trailhead on Water Street. The latest addition to our bird sighting is the pyrrhuloxia. This bird is very similar to a female or juvenile Northern cardinal and can be identified by its parrot-like yellow-orange bill. The cardinal's bill is a redder color. The male pyrrhuloxia is gray with a red crest and red on its face, wings, tail and under parts. Look for this beautiful bird on your next trip to Eaton Hill.

### Just finished benches are ready for watching birds.

Another addition which was completed this week is the flag crypt located eastward along the trail, past the flagpole. This attractive rock structure was created to house the ashen remains of the American Flags which have been properly retired in a ceremonious burning. Currently, the ashes from Sonora's September 11th flag ceremony are inside the crypt and future retired Eaton Hill flags will be placed here.

On a botanical note, several Texas wild plum seedlings have been transplanted along the trails. These beautiful, fruit-bearing trees will add to the incredible diversity of plant life on the hill. Right now is an excellent time to enjoy a hike and take in the fall colors on display. Our trails are designed for foot traffic, so please, no motorized vehicles. Eaton Hill Wildlife Sanctuary is a project of the Sonora Industrial Development Corporation. Everyone is invited to come out and enjoy the bounty of nature on Eaton Hill.

Retired flags are laid to rest in the crypt on Eaton Hill.

## It's Time To Complete Forms For Livestock Shows

Sutton County Extension Agent Preston Faris has announced that it is again time for local youth with livestock projects to complete forms for entry into the major livestock shows of Texas, including: Kerrville, Odessa, San Antonio, Houston, San Angelo and Austin. Entry forms are available at the County Extension office. Those forms must be completed and returned by no later than 5:00 p.m. Thursday, November 21, 2002. Members planning to enter just the Sutton County local show do not have to complete an entry form.

## Angelo State University To Offer "College Days"

Angelo State University will host its fall "College Days" program on Saturday, Nov. 16, to give prospective college students a taste, both figuratively and literally, of campus life at ASU.

In addition to sampling the various academic and extracurricular programs available at the University, students and their families will be treated to a free lunch and will be offered complimentary tickets to ASU's 2 p.m. football game against Texas A&M-Kingsville in San Angelo Stadium.

Activities will begin at 9:30 a.m. with check-in at the C.J. "Red" Davidson Conference Center in the Houston Harte University Center at 1910 Rosemont Drive. The program will begin at 10 a.m. in the Davidson Center with a welcome by ASU President James Hindman. Tours of the campus will be conducted next. The tour will include a stop at the Food Service Center for complimentary lunch.

After lunch, the students and their families will return to the Davidson Conference Center for the ASU Expo, where information will be avail-

able on academic programs, student organizations, extracurricular activities, financial aid, Carr Academic Scholarships, residence halls and other areas of interest to prospective students and their parents.

Special information sessions also will be presented for students interested in ASU pre-professional programs, including nursing, physical therapy, pre-law and pre-health professions.

Throughout the event, ASU faculty, staff and students will be available to welcome guests to the campus and to answer their questions about all aspects of student life at ASU.

College Days Coordinator Bonnie Stennet said the event is the major fall opportunity for prospective students to get acquainted with ASU, its faculty and the educational experience it offers. College Days programs also are scheduled Feb. 15 and April 5 during the spring semester.

For more information on College Days, contact the Office of Admissions and Retention at (915) 942-2058 or Christy Bell at 387-6533.

## White House, GOP Leaders Recognize Bonilla Effort

**Congressman Henry Bonilla** WASHINGTON, D.C. -- Top GOP leaders in Texas and Washington say U. S. Rep. Henry

Bonilla played a pivotal role in Texas' election day sweep.

Bonilla was Chairman of Texas Victory 2002, the state's GOP get out the vote effort, which broke records on several fronts. In this effort more than 420,000 Republicans were registered to vote. This registration drive was followed by an intense grass roots plan in the state's top 40 Republican counties. The grass roots plan included block walking and phone banks. In addition, requests for mail ballots by GOP voters reached a new high.

Texas Victory 2002 was a multi-million dollar project supported by the White House, the Republican National Committee, Gov. Rick Perry, senator-elect John Cornyn and David Dewhurst. In addition, Presidential adviser Karen Hughes, Commerce Secretary Don Evans and Karl Rove made appearances at fund raising events. On election eve in Texas President George W. Bush publicly recognized Bonilla for his leadership in Victory 2002.

"The 'Get Out The Vote' effort in Texas was historic and Henry Bonilla led the charge," said Karl Rove, Senior Advisor to President George W. Bush. "The state of Texas and the Republican Party are lucky to have Congressman Bonilla. I

know President Bush is thankful for his strong leadership and looks forward to having his close friend back in Congress."

Bonilla also successfully overcame a tidal-wave of Tony Sanchez supporters who turned out on the South West border. He retained control of the House seat that he has held since 1992 with an outstanding majority vote in 17 of his 24 counties.

"I am grateful for my strong district-wide support. More than 77,000 people took time out of their busy days to show support for my work in Congress. I thank every one of them for their dedication," said Bonilla. "I love my job in the House of Representatives. It gives me a real opportunity to make a real difference. I'm already looking forward to serving the good people of the 23rd Congressional District for another two successful years."

Congressman Henry Bonilla's congressional district is the largest in Texas. The district spans nearly 800 miles of the Texas/Mexico border, includes two time zones and three climates. Bonilla is a member of the powerful Appropriations Committee and is Chairman of the Influential Subcommittee on Agriculture. He was the only Texan selected by then Governor Bush to serve on his Presidential Exploratory Committee. Bonilla also served as Co-Chairman of the 2000 Republican National Convention. Bonilla has represented the 23rd Congressional District since his first election to Congress in 1992.

## Broncos from page 1

a screen pass to Rodriguez. Emmanuel Lopez would notch the second score on a one yard run at the 1:13 mark of the first quarter. The PAT by Snodgrass would split the uprights to give the Broncos a fourteen point advantage. Grape Creek 0 - Sonora 14. Sonora's third possession of the first half would begin on their own twenty-one. The big play on this drive was a 40 yard pass play from Scottie Moore to Dustin Martin. A couple of defensive penalties along with the running attack of Juan Rodriguez and Chris Martin helped the Broncos control seven minutes of the game clock. Scottie Moore would score the Broncos third touchdown on a one yard quarterback sneak with three minutes and nine seconds showing on the second quarter game clock. Once again Zedekiah Snodgrass would boom the PAT through the uprights to give the Broncos a twenty-one point advantage. Eagles 0 - Broncos 21.

The final possession of the half would also belong to the Broncos. With only fifty-eight seconds showing on the half time clock, the Broncos would start their fourth possession on the Eagle thirty. A personal foul on the Broncos along with a touchdown saving tackle by Grape Creek's Wes Doss would force the Broncos to attempt a forty-seven yard field goal. The attempt by Snodgrass would fall just short as time expired in the first half. Grape Creek 0 - Sonora 21.

The second half would be a carbon copy of the first with a few more miscues thrown in. The Broncos would start the second half in possession of the football. After an excellent return by Chris Martin, Sonora would start at the Eagle forty-seven. Once again the running attack of Juan Rodriguez behind the blocking of Brandon West, Israel Arevalo, Zedekiah Snodgrass, Trapper Valliant, Laramie Hall, and Wylie Wagoner would begin to chew up the yardage. A screen play to Rodriguez as well as a pass reception by Chris Martin would aide the running attack in advancing the football down the field. At the Eagle twenty-six, the Broncos were faced with a fourth and fifteen. Electing to go for it, the Broncos would suffer their first turnover of the game. Scottie Moore's pass would be intercepted by Grape Creek's Jarrod Fowler in the end zone. The three and out defense of the Broncos would continue, as the Red Hosses would force the Eagles to punt on their first possession of the third quarter.

A booming punt by the Eagles would push the Broncos back to their own twenty-nine. Juan Rodriguez keeping up the rushing pressure would rush for thirty-three of his game high 146 rushing yards on this drive. After a six yard run by Emmanuel Lopez, the Bronco Express would have a first and ten at the Eagle twenty-seven.

Scottie Moore dropping back to pass would find a new receiver. Bronco wingback, Landon Brockman, would break free in the back of the end zone and gather in the laser beam from Moore. Snodgrass would remain true and his PAT would increase the Broncos advantage: Grape Creek 0 - Sonora 28.

Grape Creek's offensive woes would continue on their next possession. On the second play from scrimmage the football would pop loose with the man of the hour, Landon Brockman, recovering the pigskin at the Eagle twenty-nine.

Combining the passing attack of Moore to Matt Glasscock and the running of Juan Rodriguez would move the ball to the Eagle twenty-six. At the twenty-six Scottie Moore would once again go to his new found hands; Landon Brockman would get his second catch, as well as his second touchdown, in as many catches. With Snodgrass' PAT, the Broncos would now have a commanding 35 to 0 advantage.

Grape Creek would get their third first down of the game on their ensuing possession.

However, it would be short lived, as the Eagles would suffer their third turnover. Bronco secondary back, Emmanuel Lopez, would intercept the Eagle pass at the Grape Creek forty-seven and return it to the Eagle thirty-six. A penalty against the Broncos and a loss of five more yards moved the ball back to the Eagle forty-six. Scottie Moore going to the air once again, found yet another new set of hands. This time, Bronco wide receiver, Jarrod Fowler, would

out, Caleb Gully, would take the reception and break tackles on his way to a forty yard catch and run. A procedure call against the Broncos on the next play would move the ball back to the Eagle eleven. After a one yard gain by Chris Martin, Bronco fullback, Diego Cardona would power his way into the end zone for the Broncos final score of the game. On the point after attempt by Snodgrass, Eagle rusher, Wes Doss would break through the Bronco offensive line and block the attempt. With ten minutes and forty seconds left in the fourth quarter the scoreboard would read: Grape Creek 0 - Sonora 41. For the remaining ten minutes and twenty-eight seconds; neither team could gain an advantage.

Sonora, going with its reserves, continued the defensive pressure on the Eagles. On offense, the Red Hosses used Shaun Ramos to pound the tiring Eagle defense. The 41 to 0 score would hold up as the Broncos final game of the 2002 season came to a close.

This game may have been the last game for the Broncos this year. However; it was a game that got the Broncos back on track for the season to come. It will help in dimming the pain of not making the play-offs for the fifteen Seniors who played their last game in a Bronco football uniform. These young men: Thomas Bloodworth, Israel Arevalo, Emmanuel Lopez, Landon Brockman, Juan Rodriguez, Justin Sims, Caleb Gully, Douglas Yocham, Dustin Martin, Luis Segura, Brandon West, Jared Parks, Wylie Wagoner, Seth Prather, and Matt Glasscock contributed greatly in the previous success of the Broncos and have nothing to hang their heads about. As mentioned before, these young men and the under classmen of Sonora High still have mountains to climb and honors to gain. So keep your chins up and represent the Tradition that you are part of!

Seniors Broncos - we'll miss you guys!

## 8th Grade Colts Bomb the Eagles 48 - 6

by Nancy Glasscock

The 8th Grade Colts used both an air and ground attack to easily defeat the 8th Grade Grape Creek Eagles 48 - 6 last Thursday night at Bronco Stadium. The game began with Agustín Vaquera getting a big gain. Then, on the next play, Vaquera scored the first Colt touchdown.

In the second quarter with the score still 8 - 0 in the Colt's favor. Lito Trevino picked off the Eagle quarterback's pass at the Colt 30. Colt quarterback, Caleb Ramos, ran the ball in for the second Colt TD. Vaquera ran the ball in for the two point conversion.

The Colts' defense led by Galindo, Vaquera and Steven Lozano stopped the Eagles again. The Colts, running Vaquera and Pedro Gloria, moved the ball down the field. Ramos ran the keeper for the touchdown. Vaquera got the two point conversion making the score at the end of the half 24 - 0.

Gloria added another touchdown early in the second half. Grape Creek still was unable to move the ball. Ramos threw a pass to Trevino on the Eagle 35. He went into the endzone untouched for the sixth Colt touchdown.

The final Colt touchdown was setup with runs by Justin Northcott and Jose Casillas. Ramos took the ball in to score from 20 plus yards out. As time was running out, the Eagles scored their only touchdown of the game. The 8th Grade Colts ended their season at 5 - 4. Great season Colts. Good luck next year on the JV team.

## 7th Grade Colts Trounce Grape Creek

by Nancy Glasscock

The 7th Grade Colts came on to the field ready to finish off the season with a decisive win before the home field crowd. The team did it in a big way by shutting out the 7th grade Eagles 44 - 0.

The Colts put 22 unanswered points on the scoreboard in the first quarter alone. Alonzo Peña scored the first two touchdowns of the game. His second touchdown came after an unintentional outside kick by Sonora. Zadrian McGee kicked the ball very high into the strong south wind. Victor Vaquera covered the ball for the Colts.

The Colts' defense was relentless and held the Eagles to zero first downs in the first half. Alonzo Peña, Aaron Gaytan, Zadrian McGee, Edward Garcia, and Victor Vaquera led the defense on their first series. On fourth down, McGee and Garcia tackled the Grape Creek punter who was trying to run after a bad snap.

The Colt offense took over on the Eagle 45 and quickly

went to work. Vaquera gained 22 yards on a counter play and then took the ball to the two. Nick Peña got the carry for the Colts' third touchdown.

After the Colts' defense held the Eagles to three and out, the Colts took over on the Eagle 49. Riley Sanchez took the ball to the 29 and A. Peña carried the ball the next two times for the fourth Colt touchdown. N. Pena took the ball in for the two point conversion to make the score 30 - 0.

On the Eagles' next offensive series, the Colts again held them. A. Peña took the punt in for the Colts' fifth touchdown.

The third quarter was scoreless. The fourth quarter began with another quick strike by the Colts. A. Peña took the ball in for the sixth and final Colt touchdown of the night making the final score 44 - 0.

The 7th Grade Colts finish the season with a 7 - 2 record. Great season 7th Graders! Your fans are looking forward to watching you next year to continue your winning ways.

Alonzo Peña scores big for the 7th grade Colts.

## J.V. Broncos Finish Season With Close Game

by Maray Cearley

The Sonora Junior Varsity Broncos ended their season with a loss to the Grape Creek Eagles with a battle of the Defenses.

Sonora went 3 and out on their first possession with Cullen Parker punting to the Grape Creek 36 yard line.

On the Eagles first possession Brian Payton caused a fumble that Jesse Galvan recovered at the 45.

Offensively the Broncos were unable to hold the Eagle rush and were forced to punt. After 2 great defensive tackles by Boomer Galindo the Broncos forced another turnover, a fumble in which Steve Duhon recovered.

From the Grape Creek 39 the Broncos started gaining momentum. Cameron Cox and Stetson Perez combined to move the ball on the ground, while Clint Cearley hit Duhon for a gain of 15. After short gains by Cox and Perez, the Broncos were faced with a fourth and short. Going to the air, Cearley found Duhon for a gain of 14. From the 6 yard line Cox had carries of 4 and 1 before he got the ball into the endzone. The extra point attempt failed and Sonora had it's first lead 6 - 0.

In the second quarter Anthony Longoria got his first interception of the game. The Broncos moved the chains once, but then the offense stalled and the ball was turned over on downs.

On their first down, the Eagles went the distance to tie the score. The 2 point conversion attempt was broken up by Parker, leaving the score 6 - 6.

The Eagles were successful on an on-side kick, but then turned the ball over on an interception, Longoria's second of the night.

On Sonora's next drive, Cearley had a completion to Austin Wagoner for a gain of 15. Cox then found a gap to a huge gain of 20. After another 5 by Cox, Cearley added 10 on the "Quarterback Keeper". Once in the red zone the Broncos couldn't cover the ball and it was turned over on downs.

Frank Gallegos, Payton and Wagoner lead the Broncos in holding the Eagles to only 4 yards and they were forced to punt.

From the Grape Creek 48, Cearley found Wagoner for a 30 yard completion. Cox added 6 and 2, with Perez gaining 6. Cearley then found Duhon in the endzone. The 2 point attempt failed, but Sonora took the lead 12 to 6, with only 26 seconds remaining in the first half. With time running out, Grape Creek committed their fifth turnover, with an interception by Embre Smith.

The 3rd quarter began with excellent defensive efforts by Hilton Bloodworth, Duhon and Payton. After holding the Eagles on a 4th dow, the Broncos were called for a Personal Foul, which gave the Eagles an automatic first down and new life in the Eagle offense. Grape Creek then tied the game at 12, but the 2 point attempt was stopped short of the goal by Bloodworth and Cox.

To begin the final period of play, the Eagles were in control of the ball, deep in Sonora territory.

After a face-mask call on the Broncos the Eagles got the ball into the endzone. After the 2 point conversion the score was Broncos 12, Eagles 20.

Sonora's next possession found them committing their first turnover, with a fumble leaving the Eagles with great field position. The Bronco defense then stepped up behind the efforts of Miguel Vaquera, Gallegos, Bloodworth and Wagoner who forced the Eagles to minus yards. Sonora took over at the 18 with runs by Cox and Perez. Cearley hit Wagoner for a big gain of 29. With the help of a personal foul called on the Eagles, the Broncos scored on a touchdown pass from Smith to Duhon. The 2 point attempt failed, leaving Sonora short and a very disappointing loss of 18 to 20.

The J.V. Broncos consisted of 6 Sophomores and 29 Freshmen and most teams they played this year consisted of Juniors and Sophomores. This group of young men always played with a lot of heart and desire and never knew the word quit.

Congratulations on a fine season and we all look forward to next year.

**Who's Baggin' The Big Bucks?**

Louis Balas started off hunting season right, by baggin' this 14 pointer at the Marvin Shurley Ranch on November 4th. Balas got the 124 lb. buck from about 225 yards out, with a 270 and scored a 164 1/8 on the Boone and Crockett scale.

**NAP Application Deadline Nears for Native Grass and Improved Pastures**

Sonora - Jan Wanoreck, County Executive Director for the Sutton County Farm Service Agency (FSA), reminds local farmers and ranchers that the application closing date to sign up for the Non-Insured Assistance Program (NAP) for native grass and improved pastures is December 1, 2002.

NAP covers crops damaged by severe weather that result in a loss of 50 percent or greater. Losses are generally determined by percentage of loss compared to the producer's actual yield history. Lost production eligible for payment is paid at 55 percent of crop value.

"Producers interested in obtaining crop insurance on perennial pastures should visit their local USDA Service Center as soon as possible to complete an application for their 2003 acres" said Wanoreck. "Producers with acres in multiple counties should be aware that carrying capacities for pasture acres covered under NAP

may vary by state and by county, so they need to check with their local FSA offices for details" she added.

NAP coverage is only available for crops where coverage is not available under the Federal Crop Insurance Program (FCIC). "For all native grass and improved pastures, producers must report acres and file notices of loss in a timely manner to insure eligibility. However, production evidence is not required for perennial pastures that are grazed only," said Wanoreck.

The December 1, 2002 deadline to purchase NAP coverage also applies to persons who have an existing policy and want to renew their coverage for 2003.

For detailed NAP information and applicant eligibility criteria contact the Sutton County office at 915/387-3111 or 915/853-3535 or visit FSA on the Internet at [www.fsa.usda.gov](http://www.fsa.usda.gov).

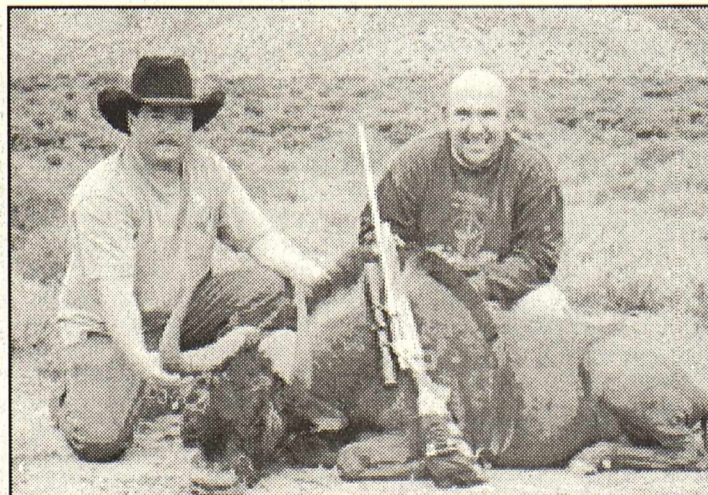

**M.D. Shurley Passes Judging Exam In South Africa**

Swinging his hat proudly, as Texans are known to do, M.D. Shurley stands with his class of 10 that recently took the judging test in South Africa.

M.D. Shurley recently returned from South Africa, where he was one of only 10 gentlemen invited to take the South African Boer Goat Association Judges Course. Shurley had to first complete six (6) years of criteria before taking the exam. The title, that will be formally announced in February of 2003, makes M.D. the only North American with such judging credentials and makes him ideal to judge any Boer Goat Association competition in the world. This completion also gives Shurley dual citizenship in South Africa, where he will be taking up temporary residence.

While in South Africa, M.D. did quite a bit of hunting on their rugged terrain, including Eland which looks like West Texas, bagging such trophies as this Wildebeest below. This beauty is listed in the top 30 of their record books.

**2002 Game Dinner**

Prizes lined the walls and filled tables at the 36th Annual Sutton County Game Dinner. Lucky winners took home great prizes all evening.

Alvin Hernandez and Julio Samaniego II cooked up some mighty big pots of beans to serve the hungry masses at the Game Dinner.

Local ranchers from Sutton County cooked up their famous Camp Bread that everyone loves, baking it in cast iron pots on hot coals.

Cajun cooks brewed up their special concoction of Jambalaya with Boar meat and other "secret" ingredients straight from Louisiana and filled the air with their foot-stomping Zydeco tunes - aa-ee-ee!

## Christmas Season from page 1

the Adopt a Tree Program several years ago to try to improve our Christmas light display. The Adopt a Tree Program has become a great way to add to the light display each year.

For this year's light display, the Chamber is selling a 12-foot tree of lights. The cost for adopting these trees is a 1-time fee of \$200. These trees will be placed on the courthouse lawn

each Christmas Season for years to come. You may adopt the tree in your name, your business name, or in memory of a loved one. The names will be added to the giant Christmas card to be displayed on the courthouse lawn. If you would like to adopt a tree, please call the Chamber office to reserve a tree in your name.

## Residential Repair Funds Available

The Area Agency on Aging is pleased to announce the availability of a limited amount of funding for residential repairs in the Concho Valley. In order to qualify for the residential repair program, the client must be 60 years of age or older, own his/her home with his/her name on the tax roll, and have property taxes paid up to date.

Repairs will be limited to minor plumbing, minor electrical, gas heaters, air conditioners, grab bars, modifications of bathrooms, ramps and handrails.

Major repairs of houses such as replacement of roof, floor or foundation are not permitted by this program.

Homes will be selected by those most in need and requiring reasonable repairs.

To apply for this program call Liz Elliott at the Area Agency on Aging 1-877-944-9666 toll free or 915-223-5704 for an application.

## Stargazer - Buying a Telescope for a Holiday Gift

Don't look now but the gift-giving season is just around the corner. If a telescope is on your gift list, that's one gift you might not want to put off until the last minute.

If all you're looking for is a small, inexpensive scope, then the last minute might be OK since many department stores carry them. And these small scopes can be fun if you're aware of their limitations and don't have unrealistic expectations.

But if you're looking to spend more for a higher quality scope (with an all-important sturdy mount), then you'll want to do some research. Ideally you will be able to visit a telescope dealer who can help educate you about your choices based on your intended uses. Dealers can offer a selection of types and price ranges, and give you instruction on using the scope you purchase.

Unfortunately, unless you live in or near a large city like Austin, San Antonio, Houston or Dallas, you're not likely to find such a dealer. So what do you do?

If your area has an amateur astronomy club, that can be a terrific resource. Attend one of their star parties where you can examine and look through a variety of scopes. Talk with the owners who don't mind questions like "How much did it cost?"

In central Texas, the Central Texas Astronomical Society is available. For contact information check their Web site at [www.centexastronomy.org](http://www.centexastronomy.org). If you live in another area, you can look for a club near you at [www.skyandtelescope.com](http://www.skyandtelescope.com), selecting the Resources bar, then Clubs and Organizations. And while at that site you can print out "Choosing Your First Telescope" by selecting the How To bar, then Telescopes & Binoculars.

Some department stores do carry more sophisticated (and expensive scopes) which is convenient, but don't be surprised if their personnel know little about the scopes they are selling.

PLANETS. Mercury is now in the Sun. Venus just passed between the Earth and Sun (called inferior conjunction) and is emerging as the "morning star." Mars rises about 4:30 a.m., Jupiter rises just after midnight, and Saturn rises around 8 p.m. Uranus and Neptune are both still in the evening sky in the constellation of Capricornus, nearly half way up in the south-

## Unclaimed Money Waiting For You!

Texas Comptroller Carole Keeton Rylander recently published the names of more than 142,000 unclaimed property owners in Texas newspapers. Rylander is holding at least \$100 million in forgotten wealth.

Rylander urges all Texans to check the Unclaimed Property List every year. "It's a completely new list each year," she said.

Residents from Sonora that made this year's unclaimed property list are:

Lee Bloodworth, Doug Bolding, Jason Chadwick, Melinda Crain, Thomas Dixon, Margaret Elliot, Mary Friend, Oralia Gander, Sylvia Garza, Epifanio Guerrero, Danny Hardin, Sam Nicholas, Virginia Palos, Manuel Patlan, Charles Poor, Professional Bullfighters, Stacey Reiner, Pedro Reyes, Gene Shurley, Sonora Outlaw Pro Rodeo, Wes-Tex Drilling Co.

## Back Talk

Chiropractic Care Questions & Answers

THERE ARE MANY TYPES OF HEADACHES

A frequent and overlooked cause of headaches is the malfunction of spinal bones in the neck and upper back. When bones of the spine lose their normal position or motion, sensitive nerves and blood vessels to the head can be affected. When spinal nerves and related tissues are stretched or irritated, they can produce throbbing headaches. Aspirin and medications may cover up these warning signs, but do not correct the underlying structural cause.

Many people find relief and correction with chiropractic care. If a thorough examination reveals reduced range of motion, loss of normal spinal curves, or mechanical restrictions, chiropractic care should be considered. After a complete explanation, you'll receive a care program designed for your unique spinal problem.

Many patients report headache relief. Others find that the correction of their problem takes longer because their spinal problem has existed undetected for many years. Every patient responds differently. Regardless of how you respond, enjoy the drug-free results millions have enjoyed by consulting a chiropractic doctor.
