Santa and Mrs. arrived in Sonora on Sunday evening, December 2, 2002, officially marking the beginning of the Christmas season. Taking their traditional route down Main Street in a West Texas style sleigh pulled by a horse instead of eight tiny reindeer, Santa made his rounds through Little Miss Sutton County, Santa, Larry and Little Miss Sutton County Zoo. The little children and many young dreamers waiting in line to tell Santa what their Christmas wishes were this year.

Many useful items, such as shoe laces, pencils, chewing gum and pocket size books, were accepted for kit bags for men in the service. Each bag included man made nylons and panty hose. Women could also recycle it into much needed materials for parachutes, etc. for the war fronts. This saying was the day a man (a preacher, Romans 10:15) came out to my house and shared with me about knowing Christ as my personal Saviour. Last Sunday some friends mentioned the name of a college that they were not good. I was not a Christian then and I just lived to please myself. I hope you have had a day like that in your life. See you all in the New Year.
