

Gentry Gets Confirmation From Senate

Fourth Selection Of O'Daniel Takes Office in Few Days

AUSTIN, May 18. (AP)—The long quest of Governor W. Lee O'Daniel for a new chairman of the state highway commission ended officially Wednesday when the senate confirmed Brady P. Gentry of Tyler for the important position.

A former county judge of Smith county and long active in highway matters, Gentry was the governor's fourth appointment to succeed John Wood of Timpan, whose six-year term expired February 15.

Carr P. Collins of Dallas and J. M. West Sr. of Houston were rejected by the senate while the nomination of J. C. Hunter of Abilene was withdrawn at the latter's request because of opposition within the senate.

The confirmation was at a brief executive session and the only announcement was that the appointment had been approved.

Reports were confirmation was by a big margin, some opposition, growing out of controversies over previous appointments, especially that of Hunter, having collapsed.

Confirmation of Gentry had been recommended by the senate committee on governor's nominations but that fact had not been considered conclusive indication of what the senate would do.

The committee also had recommended that Collins, Hunter and West be confirmed.

Immediately after the appointment was announced and the governor asked confirmation last week reaction among senators, on the surface, had been very favorable.

His experience as a county judge which brought him into contact with the highway commission they termed extremely valuable.

Informed of the senate's action in approving the Tyler attorney, Governor O'Daniel said:

"I have no comment."

Salary of the commission chairman is \$4,000 a year, same as that of the other commissioners.

Gentry succeeded yesterday as chairman although Bobbitt continues as a commission member. The governor has power to appoint the chairman as well as to name a commissioner.

Bobbitt was designated chairman by Governor James V. Allred, who also appointed him. The retiring Wood, who has continued to serve on the commission pending qualification of his successor, was an appointee of Governor Miriam A. Ferguson.

In addition to being county judge, Gentry, 43, also served as county attorney of Smith county, and was an unsuccessful candidate for congress last year, being defeated in a runoff primary by Lindley Beckworth.

Midland Group Back From Convention of WTCC in Abilene

Reporting a highly successful and well attended meeting, members of the Midland delegation to the 21st annual convention of the West Texas chamber of commerce in Abilene the first three days of this week returned to Midland yesterday last night. The Midland delegation was composed of Miss Edythe Gene Cole, Mrs. Frank Williamson, Marvin S. Park, M. A. Park, County Agent S. A. Debnam, Butler Hurley, Harry McClinton and chamber of commerce manager, Bill Collins.

Miss Cole participated as Miss Midland in the Twilight Trail Reunions on Monday and Tuesday evenings and Marvin Park was the Midland representative in the My Home Town speaking contest. Debnam represented Midland in the agricultural contest held in connection with the WTCC sponsored Soil and Water Utilization contest. The Midland representatives also participated in the Conservation and Industrial parade staged on Tuesday afternoon, one Midland car transporting Miss Midland and another car from Midland carrying the panel which depicted conservation practices carried on in Midland county during the past year. Collins, president of the chamber of commerce managers association of West Texas, was one of the speakers at the Tuesday luncheon for chamber of commerce executives and newspaper men of West Texas.

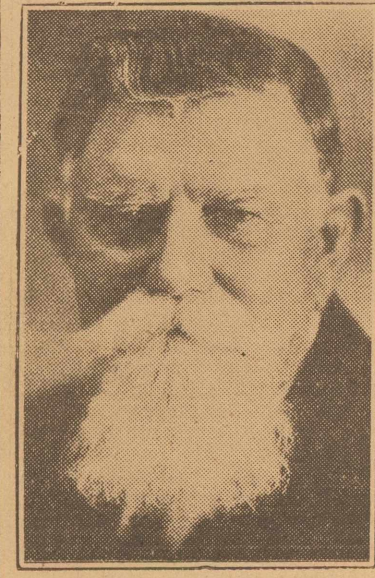

At the Monday afternoon transportation conference, at which Col. E. O. Thompson was the principal speaker, Ed M. Whitaker, president of the Midland chamber of commerce, was elected as one of ten directors in the Freight Rate Equalization Federation, organization of which was perfected at the conference.

Mayor M. C. Ulmer, Midland director in the West Texas chamber of commerce for the past several years, was re-elected to directorate of the regional organization. Ulmer was unable to attend the convention due to pressing business matters.

VISITS DAUGHTER.

Mrs. O. L. Hamlin of Fort Worth is the guest of her daughter, Mrs. Bernard K. Buffington.

WTCC President

E. K. Fawcett, Del Rio, who yesterday was elected president of the West Texas chamber of commerce.

Fawcett Declared Typical Pioneer Of West Texas

ABILENE, May 18. — E. K. Fawcett of Del Rio, new president of the West Texas chamber of commerce, is a typical West Texan.

For many years he has been one of the largest sheep ranch operators in Texas.

Mr. Fawcett has represented Del Rio and Val Verde county on the board of directors of the West Texas chamber of commerce for more than a decade. He was elected second vice-president of the regional organization in 1937 and was named first vice-president in 1938. He was elevated to the presidency at this year's WTCC convention which closed in Abilene Wednesday, May 17.

Although he has passed the age when many men retire, Mr. Fawcett is still active and hearty. Through all the years he has maintained an active interest in the welfare, not only of his home city and county, but of all West Texas as well.

He first arrived in Val Verde county on July 24, 1883, coming from Yorktown, Texas, in company with a group of other young men who drove a flock of 3,000 sheep into the Del Rio county section.

His land well improved and stocked, Dolan Creek, about 60 miles northwest of Del Rio, the party lived in a cave until a house could be built of sycamore logs.

Mr. Fawcett has prospered through the years and now owns 53 sections of land well improved and stocked with sheep and goats. He also has a home in Del Rio where he spends most of his time. He and Mrs. Fawcett have six children, Horace, Elmer, Walter, Lee, Mrs. O. D. Finegan and Mrs. F. C. Whitehead, all of Val Verde county.

Now president emeritus of the Del Rio chamber of commerce, Mr. Fawcett was active president of that organization for six years. One of his hobbies is city parks and many beautification projects in Del Rio have been carried out under his direction.

Another one of his keenest interests is the Boy Scouts. He is president of the Southwest Texas Council of Boy Scouts and has been awarded the Beaver Badge, highest honor that can be given a layman in Boy Scout work. The council's beautiful camp near Barksdale on the Nueces river was named "Camp Fawcett" in his honor.

He is chairman of the board of directors of Del Rio Wool and Mohair Co. and is past president of the Texas Sheep and Goat Raisers' Association.

Sadler Recommends Open Production

AUSTIN, May 18. (AP)—Wide open production for all Texas oil fields is recommended by the Texas oil industry after 40 days was recommended today by Railroad Commissioner Jerry Sadler if better cooperation in production was not forthcoming from other oil producing states.

Lindbergh Declares No Danger Of Bombing Attacks From Europe

WASHINGTON, May 18. (AP)—A congressional group heard from Colonel Charles A. Lindbergh yesterday an assertion that the United States had been outstripped by Germany in military aviation but was in no danger of aerial attack from abroad.

Testifying at a closed session of the house military appropriations subcommittee, the famous flier recommended increased aviation research to develop swifter, more efficient battle planes.

Members said that Lindbergh told them he did not know how many planes Germany had on hand, but estimated on the basis of personal observations that the reich had a productive capacity of 20,000 annually.

Committeemen quoted him as saying the German attack planes and light bombers were better than those of the United States, but were not long-range types and thus could not be compared to the army's "flying fortress" four-motored

King, Queen View Canada From Train

Start Trip West From Quebec; In Ottawa Tonight

THREE RIVERS, Quebec, May 18. (AP)—King George and Queen Elizabeth of England saw Canadian country for the first time through the valley of the St. Lawrence today as the royal train bore them west from Quebec.

At every village school children and townspeople frantically waved British, Canadian and French flags as the train rolled through.

During a brief stop here the royal couple was presented by Prime Minister McKenzie King to the mayor and other officials.

From here the king and queen traveled to Montreal for a 10-hour stop. Tonight they will depart for Ottawa.

Quebec yesterday gave the British sovereigns a great welcome, although one different from the massed demonstrations of London's teeming millions and different from the spectacular show of a Broadway ticker tape reception in New York.

The setting of the scene was too vast for that. All Quebec, and thousands of visitors, saw the white liner Empress of Australia round the bend of the river this morning with colors flying and move into Wolfe's cove, but the crowds merely dotted the great bluffs.

In a life time few Londoners see their king and queen with such freedom and ease as Quebec saw them today in spite of the tightest of military and police surveillance. The Royal Mounted police could device.

The crowds simply went out into the great open spaces along the river shore or on the cliffs above, into the parks or streets where the king and queen drove and had their fill of looking and cheering.

Father and Son Talk Made at Rotary by Sweetwater Speaker

Father and son relationship and the sponsorship by Rotary clubs of boys' work was discussed by Chas. Paxton, Sweetwater Rotarian, at an address at the local club's luncheon today. Describing the present day trend toward respect by boys for the law, as contrasted with former tendencies of youths to make heroes of the outlaws and gunmen, he said he believed such organizations as the Boy Scouts and others today where is adult sponsorship are having effect.

Mr. Paxton, manager of the Gulf Refinery at Sweetwater, is one of the active leaders in affairs of the Buffalo Trails Boy Scouts council and was here as guest of George A. Abilene who was chairman of today's program.

Visitors at the luncheon included Rotarians Alfred Stiles and Paxton of Sweetwater, Allen Cox of Big Spring and Louis Fishbein of El Paso, and Anton Thies of Midland. An announcement was made that Ollie B. Webb, assistant to the president of the Texas & Pacific Railway Co. of New Orleans, will address the club at its meeting next Thursday.

Three Youths Killed When 2 Cars Collide Near Weatherford

WEATHERFORD, May 18. (AP)—Three youths were killed and two injured today when two automobiles traveling in the same direction collided in a railroad underpass between here and Mineral Wells.

The deaths, Geo. Walker, 17, 18, J. P. Hill, Jr., 16, Charles Dudley, 20, all of Weatherford; Eugene Richards, Weatherford, seriously injured, David Mercer, Jr., slightly hurt.

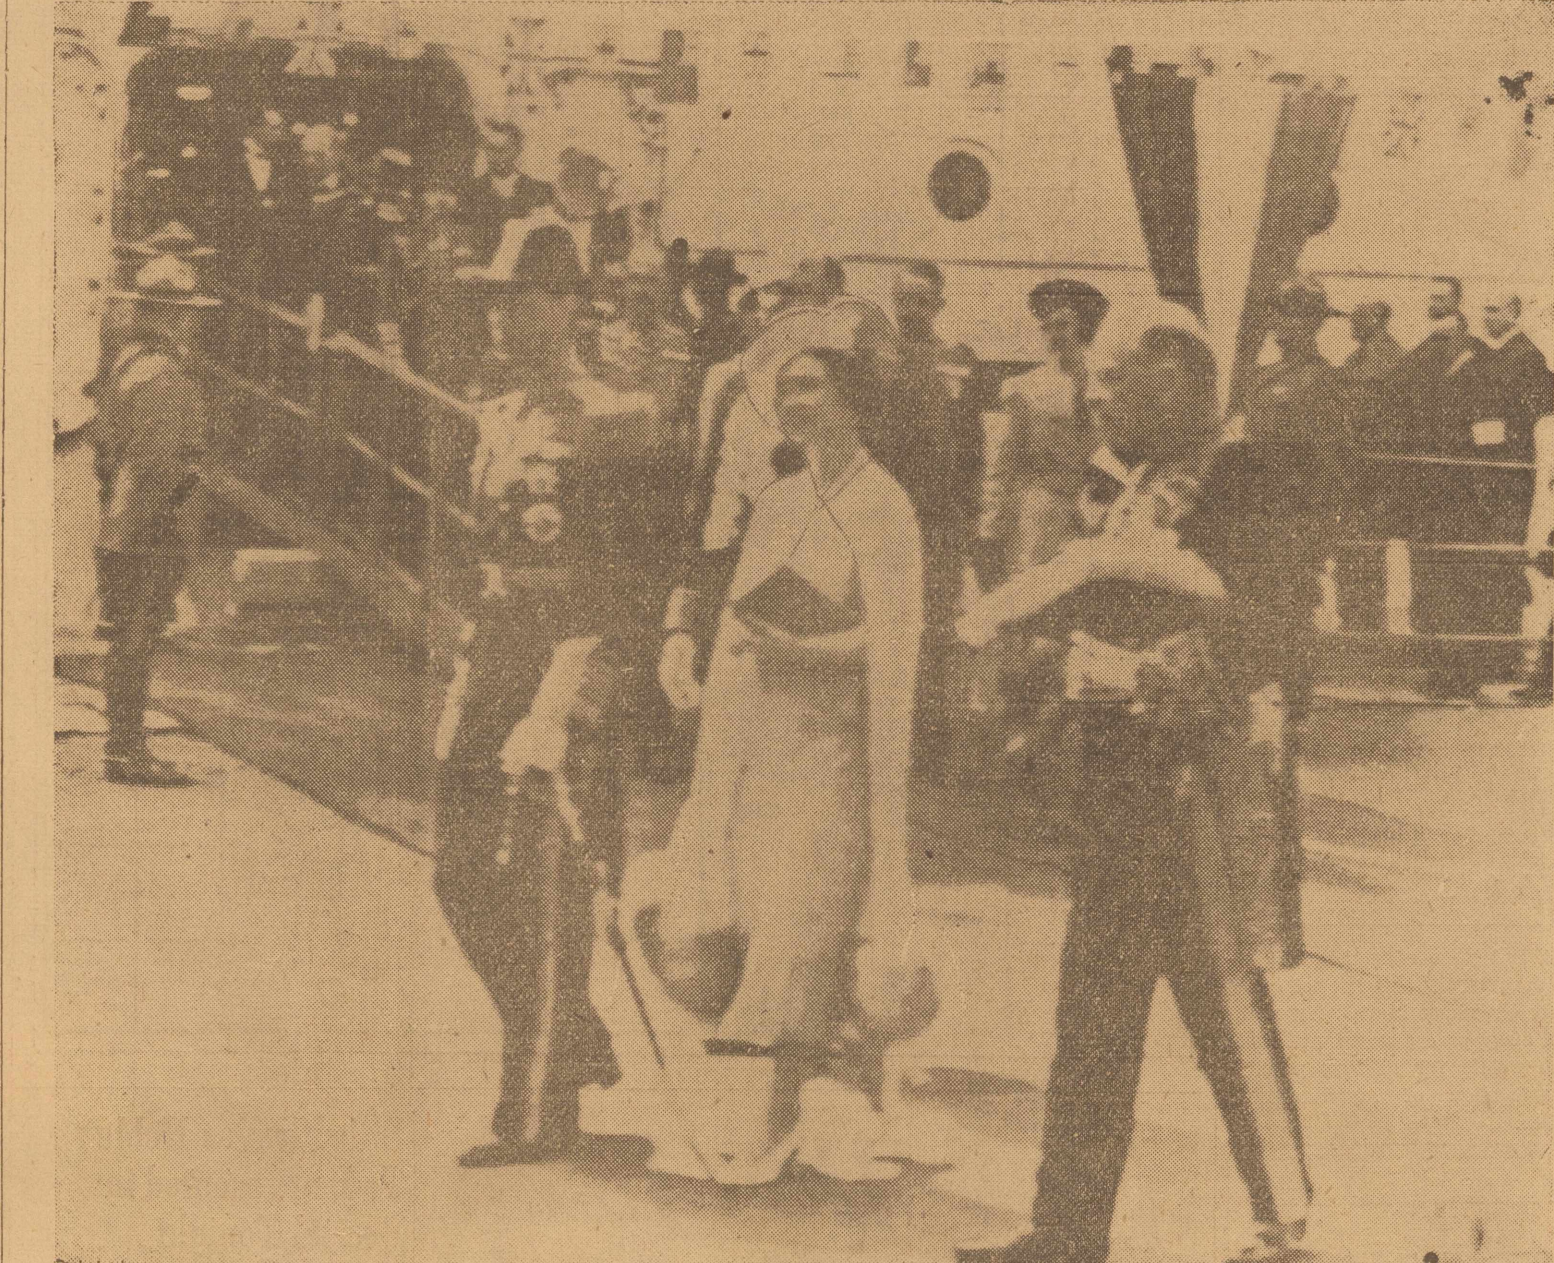

Remodeling Work on Llano Progressing

Work was started on the east side of the Llano hotel today, with special boarded safety walks being built for pedestrians. Business will continue as usual in the Midland National Bank, the Llano Barber Shop and the Popular Store, according to Felix Stonehocker, general contractor. Special safety walks are being built to the doors of each of those concerns.

NO HOPE FOR RECOVERY.

No hope is entertained for the recovery of Mrs. William Bryant ill at Cedar Hill, Texas, according to reports received by friends here. Mrs. Bryant, well-known in ranching circles of this area, is the mother of Bill, Buck, and Miss Georgia Bryant.

As King, Queen Arrived in Quebec for Visit Wednesday

The ruling monarchs of the great empire of the world as they were known set foot on American soil for the first time as this picture was taken of the docking of the Empress of Australia at Quebec yesterday. First to greet Britain's King George and Queen Elizabeth was W. L. MacKenzie King, prime minister of Canada, with hat off. Thousands of persons cheered the royal couple as they quit the ship for a visit to Canada and the United States.

Navy Forbidden to Buy Argentina Beef In House Measure

WASHINGTON, May 18. (AP)—A record peace time naval appropriation of \$73,049,151 reached the senate floor Wednesday bearing a committee endorsement of a house-approved clause forbidding the navy to buy Argentine canned beef.

By a 9 to 7 show of hands, the appropriation committee voted to retain the beef prohibition which resulted from the controversy between President Roosevelt and western legislators over a 48,000-pound order of the product.

Roosevelt described Argentine canned beef superior to American, and naval officials urged the senate committee to remove the restriction, inserted by the house before it approved the appropriation.

The senate is expected to give prompt approval to the huge supply bill, which contains funds for two 45,000-ton battleships, 21 other warships and auxiliaries and 500 fighting planes.

Other defense developments included:

1. The army announced that 1,000 enlisted men would be given a year's training in the use of modernized military schools to meet some of the immediate needs for aviation mechanics in the expanding air corps. Similarly, pilots will be given primary flying experience at nine private schools.

2. A report to the senate appropriations committee by naval officials showed construction of a new 14,500-ton aircraft carrier was lagging more than 16 months behind schedule. Work on most of 73 other ships was reported to be on time or ahead of schedule.

3. The army estimated that 293,996 regulars, national guardsmen, reserve officers, members of the student reserve offices training corps, and civilians would be given intensive summer military training in 132 camps. Last year, with more funds available, 298,153 were trained.

4. An order by Admiral Claude C. Bloch, fleet commander in chief, directed that unfavorable as well as favorable news on the fleet and shore stations be reported promptly.

All Ready for Lions Club Carnival Friday, Saturday

Plans have been completed and everything is in readiness for the second annual Lions Club carnival to be held here on Friday and Saturday evenings, committees in charge by tomorrow noon. A real carnival spirit prevailed among the amateur carnival workers as they went about their various tasks of getting ready for the big show. Those in charge of the affair promise a much bigger and better show than was staged by the club here last year. Entertainment for the

entire family is assured. Among the concessions and amusements are a fortune wheel, bingo, penny game, darts, Chinese dice, milk bottles, rat game, duck ring, fortune teller, weight guessing (Dr. J. B. Thomas chief weight guesser), and many other special attractions.

The ducking tank, which will likely prove to be the most popular entertainment on the midway due to the fact that various members of the club and others will be subject to a ducking in a tank of water if cash customers are successful in hitting a target at a minimum distance of 40 feet, arrived here this morning and was being set up on the midway this afternoon. The ducking tank and equipment was borrowed from the Lions Club of Colorado City.

Proceeds from the two-night carnival will be used in carrying on the blind and youth welfare projects being sponsored by the local Lions club.

Monahans Officer Succumbs to Wound Inflicted by Youth

MONAHANS, May 18. (AP)—Blood transfusions failed to save the life of Earl Burkett, 28, deputy city marshal, who was shot early yesterday morning as he was putting two youthful hitch-hikers in the city jail. Burkett died at six o'clock yesterday afternoon in a local hospital.

C. W. Ely, 18, of Jal, N. M., admitted in a signed statement to district attorney Bill Kerr that he fired the shot which killed the officer.

Ely was picked up a short time after the shooting in Wink, driving Burkett's automobile. Another youth with him at the time of the shooting is being sought by officers.

Funeral services will be held for Burkett Friday afternoon at three o'clock in Sweetwater. He is survived by his wife, Mrs. Helen Burkett, and two small children, and his parents, Mr. and Mrs. J. W. Burkett of Sweetwater.

Luncheon Will Mark Anniversary

As a part of the national celebration during this month of the twenty-fifth anniversary of the founding of extension work in the United States, a luncheon will be held in the assembly room of the courthouse Saturday at noon.

Reports of work for men, women, boys' and girls' clubs will be made. About 60 persons are expected to attend.

Business Boom, Demo Victory In 1940 Predicted by Farley

AMARILLO, May 18. (AP)—Postmaster General James A. Farley, the democratic party chieftain who has been frequently mentioned as a presidential possibility, predicted Wednesday a swift upward trend in business and a 1940 victory for his party.

Here for the dedication of a federal building, the man who guided the Roosevelt administration to two victories said confidence was all business needed and added without reserve the democrats would win in the 1940 campaign.

Farley made his prediction about business at a gathering of democrats from the Texas Panhandle, eastern New Mexico and western Oklahoma.

"There is every indication for an upturn in business," he said, adding that he based the forecast on observation during his widespread travels, his mail and the postal service's business.

"By the end of the fiscal year in June," Farley said, "the postal service's business will be more than 730 million dollars, the greatest in history. The postal service has always been a good business barometer. The service's business is good

Elusive "Kiss of Death" Woman Is Taken by G-Men

NEW YORK, May 18. (AP)—The elusive "kiss of death" woman, Mrs. Carina, known to have had at least five husbands, three of whom died under mysterious circumstances was arrested today by federal agents in connection with the Philadelphia investigation of a mass murder syndicate.

Philadelphia authorities named her one of the principal actors in the bizarre case. Police Captain James Kelly of Philadelphia described her as a "professional widow" used by the ring to trap prospective victims.

She was wanted, he said, on a warrant charging conspiracy.

Twelve widows linked with the ring have been arrested. Some 50 deaths have been attributed to "murder for insurance" conspirators.

Miners Fired Upon In Harlan County

HARLAN, Ky., May 18. (AP)—Brigadier General Elberse Carter reported today six miners ascending by cable car to the pit head of a coal mine 20 miles northwest of here had been fired upon.

He said militiamen fired back at the ambushed group but no casualties resulted.

A power line was dynamited in another section of the trouble area.

TO RED BLUFF

Dr. K. H. Campbell and De Lo Douglas will spend the week end at Red Bluff on a fishing trip.

Big Waddell Well

Large producer for the Waddell pool of northern Crane was registered by a 7,536-barrel daily potential based upon the last four hours six-hour test in Gulf Oil Corporation No. 17 Henderson. Bottomed 3,531 feet in lime, it had been acidified with 5,000 gallons.

A short north outpost to Church & Fields pool, east Crane, Magnolia Petroleum Company No. 19 Harwick-Universal drilling at 1,950 in salt and anhydrite.

Gulf No. 5 McKnight, west Crane wildcat, had reached 200 feet in lime, where it is prepared to set 8 5/8-inch casing to off upper water.

Gaines County Active

Two new producers are being completed by Continental Oil Company in the Wasson pool of northwest Gaines. No. 4-52 Wasson, which ped pay at 4,966 and is bottled in lime at 4,991 feet, flowed barrels daily on natural test.

It was increased to 396 a day acidizing with 1,000 gallons, a second treatment, of 3,000 gallons hiked output to 27 barrels an on three-hour test, flowing the 3/4-inch choke on 2-inch tubing with 455,000 cubic feet of gas.

The well now is shut in preparation for a new deal built in Amarillo, saw hundreds of cowhands ride in a parade and accepted a horse from Publisher Gene Howe. He mounted the spirited white Arabian steed and held a sixgun in his hand, but he didn't attempt to ride the horse.

Jews Protest Arabian Rule In Palestine

Demonstrations in Jerusalem Made as British Move Made

JERUSALEM, May 18. (AP)—Jews of all ages, estimated by leaders to be 175,000 strong, marched and shouted in demonstrations throughout Palestine today, protesting Great Britain's decision to establish an independent Palestine under Arab control.

Up to noon the demonstrations were free of disorders such as a clash last night at Tel Aviv in which 25 were injured.

Few Arabs appeared and non-Jewish traffic was diverted by police from the main streets.

The British government in a historic pronouncement of policy Wednesday night outlined plans for turning strife-torn Palestine over to its Arab majority, stinging Jewish leaders into bitter declarations of opposition.

A white paper setting forth Britain's final plan indicated Britain was disclaiming five years hence any obligation to facilitate the further development of the Jewish national home (in Palestine) by immigration.

Unable to obtain agreement between Arabs and Jews, Britain announced its own solution for the political future of the Holy Land, wracked by virtual civil war for three years.

Jews will be limited to one third of the population in the country which Britain wrested from Turkey during the World War and now controls under League of Nations mandate.

The proposal for establishment of an independent Arab state, the white paper said, was in line with cooperation with the council of the League of Nations with a view to the termination of the mandate.

Richardson Wildcat In Ector Tops First Marker Slightly Low

By FRANK GARDNER

S. W. Richardson No. 1-A TXL, one of a group of important wildcats now being drilled in Ector county, today was reported checking only slightly below normal of first marker, the anhydrite, which it topped at 1,518 feet, datum of plus 1,883. Operators last night shut the well down at 1,644 feet, anhydrite and salt and probably will run up cable tools to replace rotary. It is located 440 feet out of the north east corner of section 13, block 43, township 1 south, T. & P. survey two miles south and west of Goldsmith pool production.

Further southwest, in section 2, block 45, township 1 South, Barne Thomas and White No. 1 E. B. Thomas estate this morning was drilling at 3,820 feet in lime anhydrite. Richmond Drilling Company is contractor.

Sloan No. 1 Company and Ferris Dale Drilling Company No. 1 J. Johnson, three miles south of the North Cowden pool and a mile and a half northwest of Johnson are producing, is drilling at 1,505 feet in red rock. It is 380 feet out the southwest corner of section 13, block 43, township 1 south, T. & P. survey.

M. B. K. Drilling Company No. 1-B John B. Gist a quarter-mile north of the farthest east produce in the Foster pool of Ector, logs increased in pay from 4256-58, 800 feet at the latter depth, filled 300 feet with oil in three and one-half hours, from 3 to 6:30 a. m. day, after swabbing to bottom casing. It now is drilling above Shell Oil Company, Inc. No. 17. Foster pool well, is drilled past 3,340 feet in lime.

A short north outpost to Church & Fields pool, east Crane, Magnolia Petroleum Company No. 19 Harwick-Universal drilling at 1,950 in salt and anhydrite.

Gulf No. 5 McKnight, west Crane wildcat, had reached 200 feet in lime, where it is prepared to set 8 5/8-inch casing to off upper water.

Gaines County Active

Two new producers are being completed by Continental Oil Company in the Wasson pool of northwest Gaines. No. 4-52 Wasson, which ped pay at 4,966 and is bottled in lime at 4,991 feet, flowed barrels daily on natural test.

Farm Extension Work

(Fort Worth Star-Telegram)

The current week has been set aside in Texas for observance of the twenty-fifth anniversary of the signing of the Smith-Lever act, creating the Extension Service which has rendered invaluable aid to agriculture. Practically every rural aid community in the State is holding some form of celebration.

Although the law, which established extension work in agriculture and home economics as a definite division of the land grant colleges, was signed by the late President Wilson on May 8, 1914, advisory aid for farmers actually began in 1903. In that year the boll weevil was spreading across Texas, and the United States Department of Agriculture sent Dr. Seamon A. Knapp to see what could be done.

After a conference in Terrell in February, 1903, the first privately-owned and operated "demonstration farm" was established, and its success led to the founding in 1904 of the Farmers' Co-operative Demonstration Work in the Bureau of Plant Industry. The first county agents, 33 in number, were appointed by Dr. Knapp to travel from county to county and make demonstrations. The first county agricultural agent to work exclusively in one county was appointed for Smith county in 1906. Boys' corn clubs were established in 1908 and girls' canning clubs in 1912 as the forerunners of 4-H Clubs. By 1938, every county in Texas had an agricultural agent and 182 counties had home demonstration agents; white agents enrolled 24,970 club boys and 32,425 girls, and negro agents enrolled 4,423 boys and 6,327 club girls. Some phase of the extension program reached 336,713 white families and 23,521 negro families.

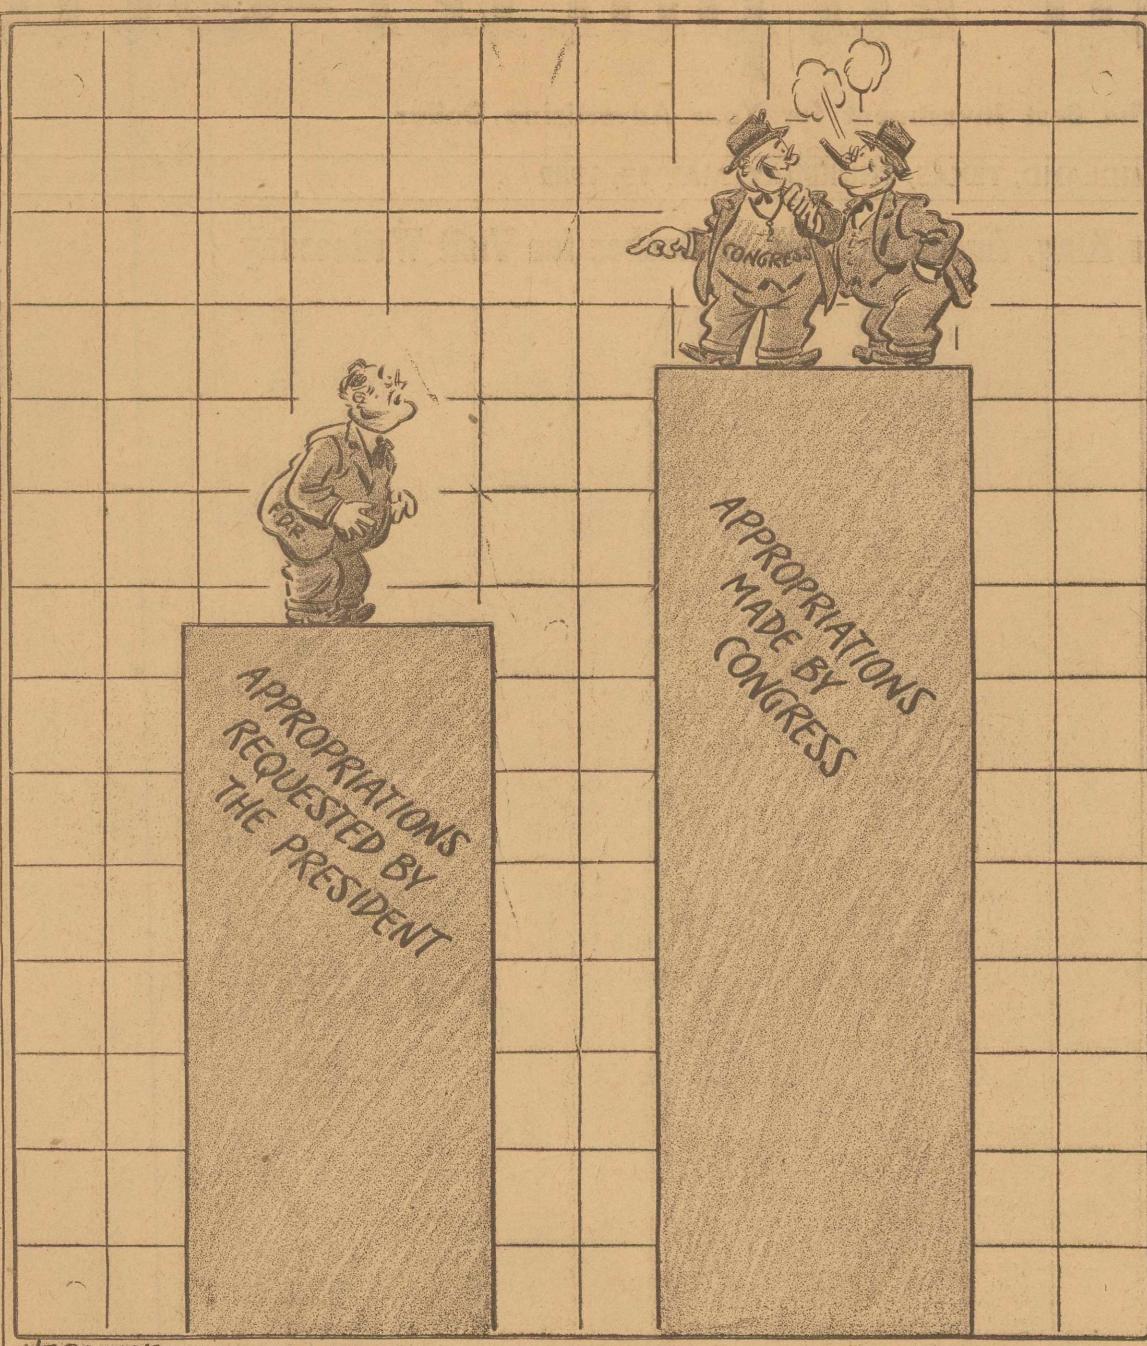

The quarter century of progress in extending helpful, scientific information to the masses of rural America through the Extension Service—in Texas under the auspices of A. & M. College—compares favorably with industrial and other achievement during the same period.

Midland Drug Observes Its Third Anniversary

Barney Greathouse, proprietor of the Midland Drug Co., will observe the third anniversary of his ownership of the business this week-

end. A full page advertisement carrying anniversary sale special items appears elsewhere in this issue. The druggist expressed gratitude to the public for making possible the expansion of merchandising facilities.

'We Sure Made Him Economize, Didn't We?'

"Wanta take my order now?"

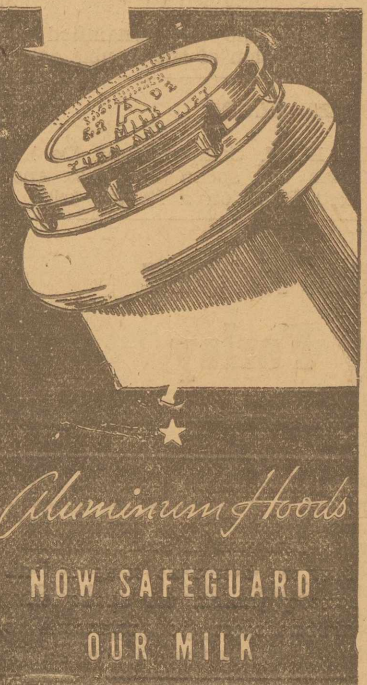

"... one quart with lots of cream on. And you better put on a shiny cap like on our bottles at home."

No new idea we ever adopted made a hit as quickly as our Aluminum Hoods. Everyone says it's great. This glistening, sanitary Hood completely covers the bottle top, keeps the lip absolutely clean. No contamination when you pour the milk.

SO EASY TO OPEN

The Hood comes off with magic ease. It goes back on just as smoothly by re-covering partly used bottles. When you contact our Aluminum Hoods with the ordinary way of sealing bottles, you'll realize they cost more. To us they do... not to you. Prices stay the same. If you're not using our milk... phone for a trial order.

The Jown Quack

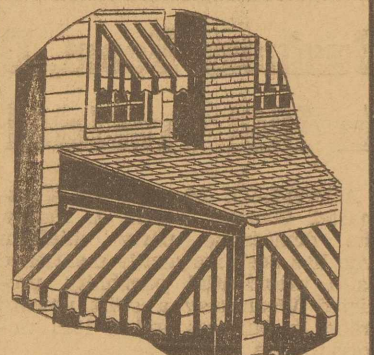

Anyway, he blew up completely and one evening he ran out of the house with an axe to cut the compressed air line that carries power to the machine itself. He had a fight with the workmen, actual bloodshed was narrowly averted and the physician was arrested and fined heavily in the police court.

Old Tack in the Amarillo Globe tells this:
Here is a newspaper story and there are some who insist it is true. It's an example of what publicity will do, some times.

Dr. Logan Clendening is a very highly esteemed physician who lives in Kansas City and he has the gift of writing very, very well. For some time he has been writing health articles for a syndicate of newspapers. His articles have attracted much attention, they are very well done and the syndicate has been paying \$25,000 a year.

Dr. Clendening has devoted much space to relaxation and to the mental side of keeping fit and well. He has urged folks to keep their temper and to be calm and to keep down their temperament. A fit of anger, he says, is as bad as a week's illness. If you keep calm and quiet and keep your mind under control, you will be much better off physically, according to what he writes.

Anyway, up in Kansas City the other day, Dr. Clendening was annoyed, terribly, by some men who were operating a pneumatic tat-tat-tat machine that breaks up concrete. They were improving the street for the city and worked in front of his house for several days. Dr. Clendening protested that the workmen were working the machine overtime and taking too long for the job.

Billy Graves Noble To Be Presented in Recital Tonight

Billy Graves Noble, valedictorian of the senior high school class of 1939, will be presented in piano recital at the First Baptist church this evening at 8 o'clock, under sponsorship of Wallace Wimberly.

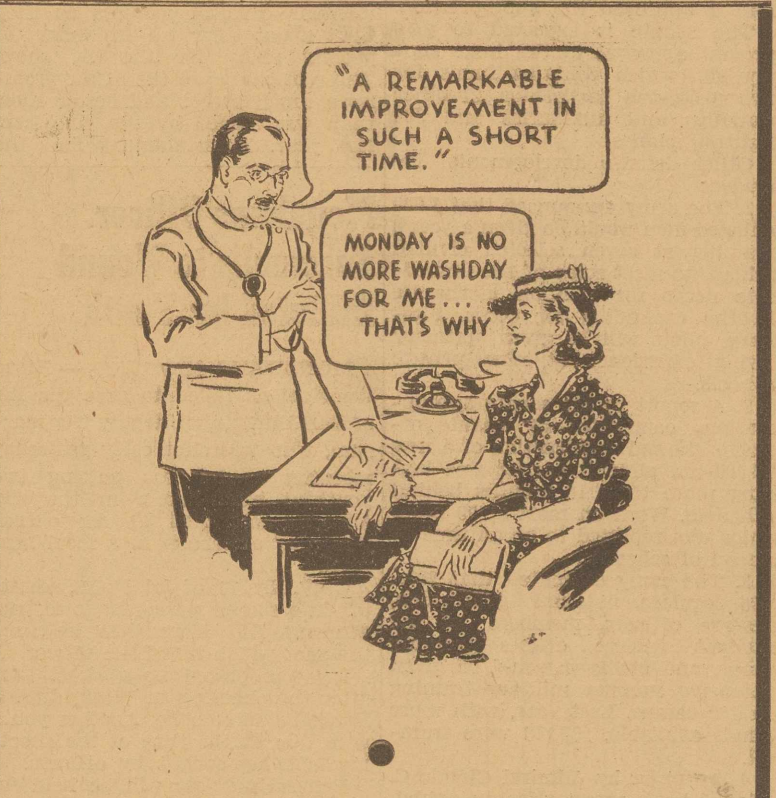

The public is invited to such masters as Brahms and Rachmannoff and Liszt, along with other composers will be represented on the program which will feature the difficult "Concerto in E Flat" by Liszt. For the latter number, Mr. Wimberly will play the orchestral accompaniment at the Hammond Electric organ.

Billy has had extensive experience in accompaniment for local singing groups and for the past year has been studio assistant and practice supervisor at the Wimberly school of piano.

He is the son of Mrs. Susie Graves Noble.

They would not have any further use for his services.

But lo and behold he got an airmail letter back from his publishers insisting upon a new 5-year contract, not at \$25,000 a year but at \$50,000 a year.

Run down? Losing weight? No appetite? Has the doctor said—"take it easy?" You invest in your health, when you let us do your family washing! Take the free day off, relax, have fun, do the little things the doctor advised for your own good. We call for and deliver your laundry—so you don't have a care in the world!

Luncheon at Hotel Scharbauer Marks Close of Year for Wednesday Club

A triple business, luncheon, and program meeting marked the close of the year's work for the Women's Wednesday club Wednesday afternoon at one o'clock in the private dining room of Hotel Scharbauer.

In the business session, half-a-dozen matters of interest to the group were discussed. Mrs. Fred Fuhrman, representing the Fine Arts club, explained the project of a day nursery and recreation building for girls. The club voted to cooperate in the nursery project.

The club voted to participate in presenting a gift from the eighth district Federated clubs to the Federation headquarters at Austin.

Mrs. W. T. Walsh reported on the City-County Federation and Mrs. Andrew Fasken on the student loan fund of the Federation.

Mrs. R. L. Miller read an invitation to attend the Far West Federation to be held at Van Horn, Texas, today.

Mrs. M. C. Ulmer, chairman of the yearbook committee, distributed the new yearbooks.

Mrs. Walsh was in charge of the program for the day. She presented an interesting review of Nora Walsh's "Reaching for the Stars." This book concerns the author's life in Germany and Mrs. Walsh emphasized the political aspect of the book in regard to the Germany of today and the Third Reich under the Hitler regime.

Mrs. George Glass, retiring president, turned the meeting over to Mrs. John Perkins, president for the coming year. Other club officers automatically assumed their duties for the new year.

Club colors of pink and white featured the table decorations for the luncheon. A centerpiece of a pink glass bowl filled with pink and white roses and yellow-centered daisies was flanked on either hand by matching bud vases holding rosebuds. Ivy trailed the length of the table, adding a cooling touch of green to the appointments.

Luncheon arrangements were in charge of Mrs. Fasken and Mrs. W. G. Whitehouse.

Members present of this concluding meeting were: Mmes. R. C. Conkling, J. M. Dearmond, Fasken, Glass, M. R. Hill, Miller, Eric Payne, Perkins, Ulmer, Walsh, Whitehouse, Ernest Sidwell, R. M. Turpin.

Home Art Club Closes Year With 42 Party Wednesday

Mrs. John B. Mills was hostess at her home on W Kentucky to the final meeting of the Home Art club for the season, with a 42 party Wednesday afternoon.

Clusters of roses were used in the party room where three tables were appointed for the games.

High score was held by Mrs. John Dunagan and low score went to Mrs. Paul Filson.

At the refreshment hour, tables were centered with vases of roses during the serving of a salad plate.

Mrs. H. C. Walker was a guest. Club members present were:

Mmes. Ernest Neill, C. M. Dunagan, M. D. Cox, John Dunagan, N. W. Bigham, E. C. Girdley, Iris N. Bounds, Guy Breneman, B. W. Reecer, Paul Filson, and the hostesses.

The annual club picnic has been omitted, the party taking its place, and the group has disbanded to meet again in September.

cut to Mrs. Robert T. Cox.

A party plate was served to the following guests: Mmes. J. Wray Campbell, Chanster, Harold Smith, Wallace M. Ford, R. J. Graham, Cox, M. M. Fulton.

EX-MIDLAND OIL MEN HERE
Joe Tompkins, San Antonio oil man, and Emmons Bahan, Fort

Worth, operator, are in Midland on business. Both formerly resided here where they were jointly engaged in Permian Basin exploration with Ray R. Rhodes, local producer.

IN THE COUNTY COURT OF MIDLAND COUNTY, TEXAS.

GUARDIANSHIP OF THE ESTATE OF THEO BRADLEY McQUERRY, GEORGE FRANK McQUERRY, VERNON MAXIE McQUERRY, and DORTHY MARIE McQUERRY, MINORS

TO ALL PERSONS INTERESTED IN THE ABOVE MINORS AND THEIR ESTATE:

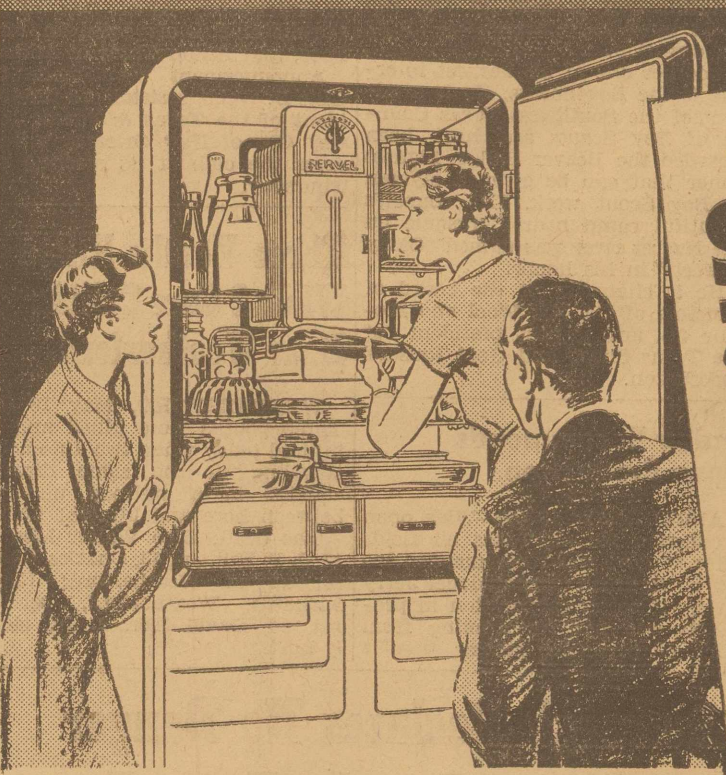

You are notified that I have on the 17th day of May, 1939, filed with the County Clerk of Midland County, Texas, an application under oath for authority to make to O. E. Price, as lessee, an oil and gas lease on that certain real estate belonging to the said minors, described as follows:

An undivided one-half (1/2) interest in and to the East Half (E 1/2) of the East Half (E 1/2) Section Seventeen (17), Block Twenty-eight (28), T1N, T&P Ry. Co's Surveys, Mitchell County, Texas, and containing 160 acres of land.

That Hon. E. H. Barron, Judge of the County Court of Midland County, Texas, on the 17th day of May, 1939, duly entered his order, designating the 1st day of June, 1939, at 10:00 o'clock A. M., in the County Court room in the Courthouse of said County, as the time and place when and where such application would be heard, and that such application will be heard at such time and place.

MRS. VERNA GERARA McQUERRY BELL, Guardian of the estate of Theo Bradley McQuerry, George Frank McQuerry, Vernon Maxie McQuerry, and Dorthy Marie McQuerry, Minors.

MORE THAN A MILLION USERS KNOW ITS Greater Savings

The New 1939 SERVEL ELECTROLUX Gas Refrigerator
NO MOVING PARTS IN ITS FREEZING SYSTEM TO WEAR OR MAKE A NOISE

SINCE THE YEAR the first Servel Electrolux was installed, more than a million families have learned its advantages and followed suit. And many of the earliest Servels are still serving silently and economically.

Thus, more than a million users also could tell you that Servel saves them money every month by providing better food protection... keeping leftovers fresh... permitting quantity buying.

These are savings you'd like in your next refrigerator, wouldn't you? You'll save more—and for more years—if you get all the facts first about Servel Electrolux gas refrigeration.

- NO MOVING PARTS in its freezing system
- PERMANENT SILENCE
- CONTINUED LOW OPERATING COST
- MORE YEARS OF DEPENDABLE SERVICE
- SAVINGS THAT PAY FOR IT

Millions Find **QUAKER OATS** OUTSTANDING IN 5* GREAT HEALTH BENEFITS

Learn What DELICIOUS QUAKER OATS Can Do For Your Family

Oatmeal richest thimby source of **THIAMIN** (VITAMIN B1) *Prevents Heart Disease*

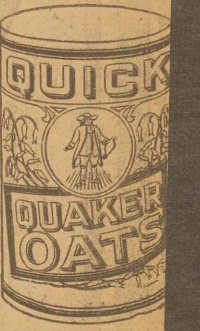

Excellent in ***PROTEINS** for body building

***IRON** for rich blood

***PHOSPHORUS** for sturdy bones and teeth

***FOOD-ENERGY** for lasting strength

GIVE your whole family the great benefits found in a daily breakfast of oatmeal. It is now known that Quaker Oats is rich in Thiamin (Vitamin B1)—a vital health food element. Thiamin is absolutely necessary to perfect health. It should be resupplied daily because the body cannot store it. Oatmeal stands out, too, in proteins, needed for developing muscles and firm flesh, not fat. Famous for important minerals, iron and phosphorus; and food-energy for tireless strength. Find out today what Quaker Oats can do for your family. So delicious, digestible. Saves money. Saves time. Learn why Quaker Oats is famed for outstanding healthfulness. Order a package right away at any grocer's.

LEGAL

NO. 3221
CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of MIDLAND County—Greeting: YOU ARE HEREBY COMMANDED, That you summon by making Publication of this Citation in some newspaper published in the County of Midland if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, once in each week for four consecutive weeks previous to the return day hereof, JUDGE SICKLES whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Midland on the 5th day of June, 1939, at the Court House thereof in Midland, Texas, then and there to answer a petition filed in said Court, on the 27th day of April A. D. 1939, in a suit numbered on the docket of said Court No. 3221, wherein Melvina Sickles is plaintiff and Judge Sickles defendant. The nature of the plaintiff's demand being as follows, to-wit:

That plaintiff and defendant are man and wife, having been married in February, 1926; that plaintiff is a bona fide resident of Midland County and has been for a period of more than six months next preceding the filing of the suit; that she is and has been for a period of more than one year preceding the filing of the suit an actual bona Texas; that from the beginning of their marriage defendant began a course of cruel conduct toward plaintiff which caused plaintiff to separate from the defendant on November 28, 1938, since which time she has not lived with the defendant, and that the cruel treatment of the plaintiff by defendant is and was of such a nature as to render their further living together as man and wife insupportable; that one child, Sherman Sickles, a boy eleven years of age, was born to their marriage. Plaintiff prays for a divorce from the defendant and exclusive custody of the minor child until he shall become 16 years of age.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court and issued at office in Midland, Texas, this 27th day of April A. D. 1939.

NETTIE C. ROMER
Clerk District Court, Midland, County, Texas.
(Seal) April 27-May 4-11-18

4-H Club Girls' Activities

Prairie Lee Senior 4-H Club.

"A salad a day goes a long way toward keeping the doctor away," Miss Alpha Lynn, county demonstration agent, told the Prairie Lee Senior 4-H club girls in a May meeting.

Swiss chard, mustard, spinach, tender greens, lettuce, and turn greens from Mary and Lymora Jungston's frame garden were used with radishes from Rosa Lee Hart's frame garden, to make a vegetable salad. Additional vegetables were cucumbers, sweet pepper, tomatoes. The salad was served with French dressing, also made at meeting.

Plans were made to send exhibit to Midland, Saturday, May 13, and also for making and serving cream at the next meeting of the club at which table serving will be studied. Members present were: Iola Livingston, Lymora Livingston, Iva Hart, Waude Lue Van Mary Nell West, Lucille Van Emma Marie Meisner, Leona beer, Pauline Cobb, Alyne and the sponsor, Mrs. E. A. Livingston.

(Iva Hart, reporter)

Prairie Lee Junior 4-H Club.

"Many grouchy dispositions be made happy by eating a balanced diet," said Miss Lynn to Prairie Lee Junior 4-H club in their May meeting.

A salad was made from lettuce, mustard, tender greens, spinach, radishes, and chard. These vegetables came from three frame gardens, those of Mary and Lymora Livingston, Rosa Lee Hart.

(Helen Ruth Harris, reporter)

Junior Students Guests at Picnic

Approximately 138 members seventh grade of Junior High School and about 50 guests, including family members, mothers, and of cars, were entertained with picnic at Cloverdale Park Wednesday evening.

The group gathered at High school and motored out to park.

Games of softball were played fore supper, with J. R. Kimb charge.

After the picnic supper, several sing-song was held.

Prin. A. L. Gilbreth was in of the foods committee.

Will Visit Here on Way to Kelly Field

Hoyt A. Baker will arrive to visit his parents, Mr. and N. G. Baker, for 10 days, his route from Fort Bliss to Kelly San Antonio, where he expects take an extended course in nautics.

Mr. Baker, an enlisted man United States army, has excellent rating and credits work and for this reason requirement of two years' unwork as prerequisite to enter air corps has been waived case, relatives have been informed.

HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. Most people pass about 3 pints a day or about 3 pounds of waste.

Frequent or scanty passages with smarting and burning shows there may be something wrong with your kidneys or bladder.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

Film Writers Gave 'Women' Pilots Some Tough Flying Solos

Scenario writers can get the goats of Hollywood's fearless stunt men with ease. They toss off a few words or a paragraph, blithely performing on paper feats that turn the stuntman's hair grey even in contemplating the ideas.

Landing a speed-record racing plane with one side of its undercarriage wrecked was a recent problem the boys had to worry about. High-speed flying "bullets" are dangerous to land under the best of circumstances, and when minus one wheel of the undercarriage they present a real problem for even the most reckless pilot.

The stunt occurs in Warner Bros. latest film, "Women in the Wind," which opens tomorrow at the Yucca theatre. The writers, Lee Katz and Albert DeMond, devised it for one of the many hair-raising in a story of record-seeking men and women fliers. Stunt fliers working in "Dawn Patrol" and "Wings of the Navy" were consulted about the possibility of doing the scene without some sort of "cheating," and they finally said it had to be done honestly to be good.

a hole drilled in the wall of a queenless observation hive, a glass tube had been inserted and each of 200 bees was marked with white chalk as it left the hive, in order to observe its flight.

The experiment was rudely interrupted when students discovered that approximately 1,000 alien bees had invaded the hive and were carrying off the honey. The queenless hive had lost its morale for lack of a leader, Howell explained.

57 Varieties of Tomatoes Raised

JACKSONVILLE (AP) — At the Texas agricultural experiment station here 57 varieties of tomatoes are being grown. The range from the ordinary tasteless and acidless white to brilliant red peculiar to Cherokee county.

New varieties are being developed under the direction of Dr. P. A. Young, in charge of the station.

Grand-daughter of Midland Woman Is Wed at Phoenix

Mrs. W. C. Cochran and Mr. and Mrs. J. O. Cochran have returned from Phoenix, Arizona, where they attended the wedding of the elder Mrs. Cochran's grand-daughter, Miss Nannell Dickey, last Saturday.

The following account of the wedding is taken from the Phoenix Gazette of last Sunday, May 14:

Wedding rites for Miss Nannell Dickey, daughter of Mr. and Mrs. Robert W. Dickey, and Dr. William Morse Ruckelbrod, Salt Lake City dentist, were solemnized at 8 o'clock last evening in the Chapel of the Palms of the First Presbyterian church by the Rev. Rollo C. La Porte.

The bride wore her mother's wedding gown of white brocaded satin and carried an old-fashioned bouquet of white rosebuds and lily of the valley.

Her only attendant, Miss Agnes Doyle, wore a pink net frock and carried a colonial bouquet of pink rosebuds.

The brother of the bride, Bruce Dickey, attended Dr. Ruckelbrod. After the ceremony, a reception was held in the home of the bride's parents, Fairview lane, for members of the couple's families. The reception room was decorated with sweet peas and roses. In the dining room, the refreshment table was laid with lace cloth and centered with a large wedding cake and bowls of white flowers.

After a wedding trip to the Pacific coast, the pair will go to Salt Lake City about June 15 and establish their home at 1631 Garfield avenue.

The bride attended Phoenix Junior College and the University of California at Los Angeles, where she was a member of Gamma Phi Beta sorority.

Dr. Ruckelbrod attended Westminster College, University of Utah, and the College of Dentistry at the University of Southern California. He is the son of Dr. and Mrs. W. G. Ruckelbrod of Salt Lake City.

The bride visited her grandmother and other relatives here last year. During her visit she was honored with a bridal shower given by Mrs. R. E. Estes, Mrs. W. C. Cochran, and Mrs. J. O. Cochran.

COWBOYS HANG 11-7 DEFEAT ON APACHES; PLAY TONIGHT

The Midland Cowboys climbed out of the cellar for the first time since the second day of the season last night when they came through with a 11-7 win over the Abilene Apaches.

Last night's victory was the fourth in a row for the team and the second in two nights for Oscar Tuero. The old timer went into the game in the fourth inning and after surviving a three hit attack in that frame had the Apaches eating out of his hand the rest of the way.

The two teams will meet again tonight in the second game of the series and the Cowboys will leave tomorrow for Lubbock and the first game of seven away from home.

Last night's game was particularly pleasing to the largest paying crowd since opening day, not only because the team managed to get out of last place but because the Cowboys defeated Fincher Withers, last year's manager here. Not only Withers, but several of the players on his team, formerly were here. All the players were given nice hands each time they came to the plate; the visiting manager was given the Bronx cheer more than a few times.

Dixie Swartz started on the mound for the Cowboys but he was as wild as mountain scenery. He walked three men in the first inning and two more in the fourth before he could be derickled.

The Cowboys set some sort of a league record by scoring in every inning, despite the efforts of four pitchers. Meanwhile, the Apaches managed to score in only one frame—the fourth.

Benny Franklin, with Midland last year, started on the mound for Abilene but he was jerked in the third and Charley Bryan took over. Franklin walked two and hit another in the first to let one Midland run in, gave up a double in the second after an error had placed one man on base for another run and was rapped for two more in the third before being taken out.

With the score 4-0 in his favor to start the fourth, Swartz ran into more trouble than England has had with Hitter Evans singled, Morris singled to send Evans to third, Festa had a passed ball and Evans came home, T. Kerr walked and another passed ball sent Morris home, Stewart walked, Christenson struck out but Potocar came through with a double to score two men and that was all for Dixie Bryan, first man facing Tuero, laid down a bunt that Kerr muffed long enough to let the visiting hurler reach first and Potocar come home. Barnhill then doubled, Hillin singled and Evans got his second single of the inning before Morris finally fouled out to DeNeff to end the inning.

The Cowboys picked up one in their half of the fourth, another in the fifth and two in the sixth, sending Bryan to the showers and bringing Reinold onto the scene. Reinold lasted until the middle of the seventh when he was jerked in favor of Baker. The latter managed to retire the Cowboys in the seventh, then gave up one run in the eighth on a single by Mort, Malvica was hit by a pitched ball, Everson bunted both up a base and Wooten hit a long fly to right, Mort easily scoring after the catch.

DeNeff and Mort paced the attack of the Cowboys, getting five of the ten hits acquired by the
