NUMBER TWENTY-FIVE

Two Brownfield Men Arrested Here

Two burglary suspects from Brownfield were arrested Friday in Haskell by Sheriff Garth Garrett and assisted by Highway Trooper Mike Humphrey.

The arrest came after Sheriff Garrett was notified by Brownfield authorities that the

Haskell Girls Attend Encounter

Three teens from the Haskell area participated in Encounter, the annual week-long youth lectureship and camp held on the campus of Lubbock Christian College June 6-12.

Activities included Bible studies, chapel services, chorus and recreational activities.

Speakers included Bobby Hise of Albuquerque, N.M.; Barrie Cox, Amarillo; John Paul Blankenship and Carl Cope, both of Lubbock; and John Rice, Hale Center.

The program is designed for persons between 12 and 18 years old. The teens live in dormitories at Lubbock Christian College and are supervised by college-age counselors.

This year's program, under the direction of Lubbock Christian College Admissions Director John King, drew 620 young people from Texas, Oklahoma, Kansas, New Mexico, Colorado, Arizona and Louisiana, and Alabama.

Attending were Shelly Long, 202 N. Av. I; Tammy Peiser, Route 2; and Ruth Simpson, 604 N. Av. H, all of Haskell.

suspects were last reported heading in the direction of Haskell. Within an hour after notifying selected business establishments to be on

New Editor Named For Free Press

Travis Carter has joined the staff of the Haskell Free Press as editor. His duties will range from news reporting, editing to photography.

Raised in the central Texas area, Carter attended North Texas State University in Denton. For eight years prior to returning to Texas a few months ago he worked in the Far East directing advertising, writing magazine articles and photography.

Carter is married, he and his wife Kay have four children, two sons Kevin, 12 and Kelley 6, and twin daughters Tara and Tracey nine months. The Carters are members of the Southwestern Baptist Church in Fort Worth. Carter is presently looking for a three bedroom house for his family.

Sidewalk Sale Coming

Retail Trade Committee merchants on the Square are planning a big sidewalk sale to coincide with the Wild West Show. The Sale is scheduled for June 26th with all kinds of reduced prices to help celebrate.

Lions Club Holds Annual Ladies Night

The annual Ladies Night for the Haskell Lions Club was well attended by its members and their wives to witness the installation of the new officers for the coming year.

Installed Tuesday night were: President, Jimmy Owens, First Vice-President, Jerry Sorrells, Second Vice-President, J. C. Yeary, Third Vice-President, Darold Roberson, Secretary-Treasurer, Don Comedy, Tail Twister, Joe Cortez, Lion Tamer, Oscar Toolez, Song Leader, Gene Long, Sweetheart Jo Ann Dean. Directors are: Wayne Lehrer, Dudley Bragg, Jerry Weatherly, and J. Wayne McDermott.

Awards were presented to three members, C. O. Holt and Bill Comedy who were presented pens for bringing in new members and V. W. Felker was awarded a pen honoring his twenty-five years as a member of the Lions Club.

Entertainment for the night was a skit put on by Doyle High and Gerry Covington depicting a press conference between President Ford and Don Lafter, which proved to be quite entertaining.

Rule Elevators Topple

Grain elevators belonging to the Rule Grain Co. toppled over Tuesday emptying over 170,000 pounds of wheat onto the ground.

Company spokesman suspect that the incident was caused by faulty material and high winds.

In a brief interview with Mr. W. T. Adkins, it was estimated that the damage will amount to between fifty and sixty thousand dollars plus loss of income until it is rebuilt. Asked when he will be back in business, Mr. Adkins said, he was hoping for everything to be in working order by maize season.

The main concern for Mr. Adkins, only a short time after the accident was getting the grain off the ground and into railroad cars and trucks to avoid losing any more of it to the high winds.

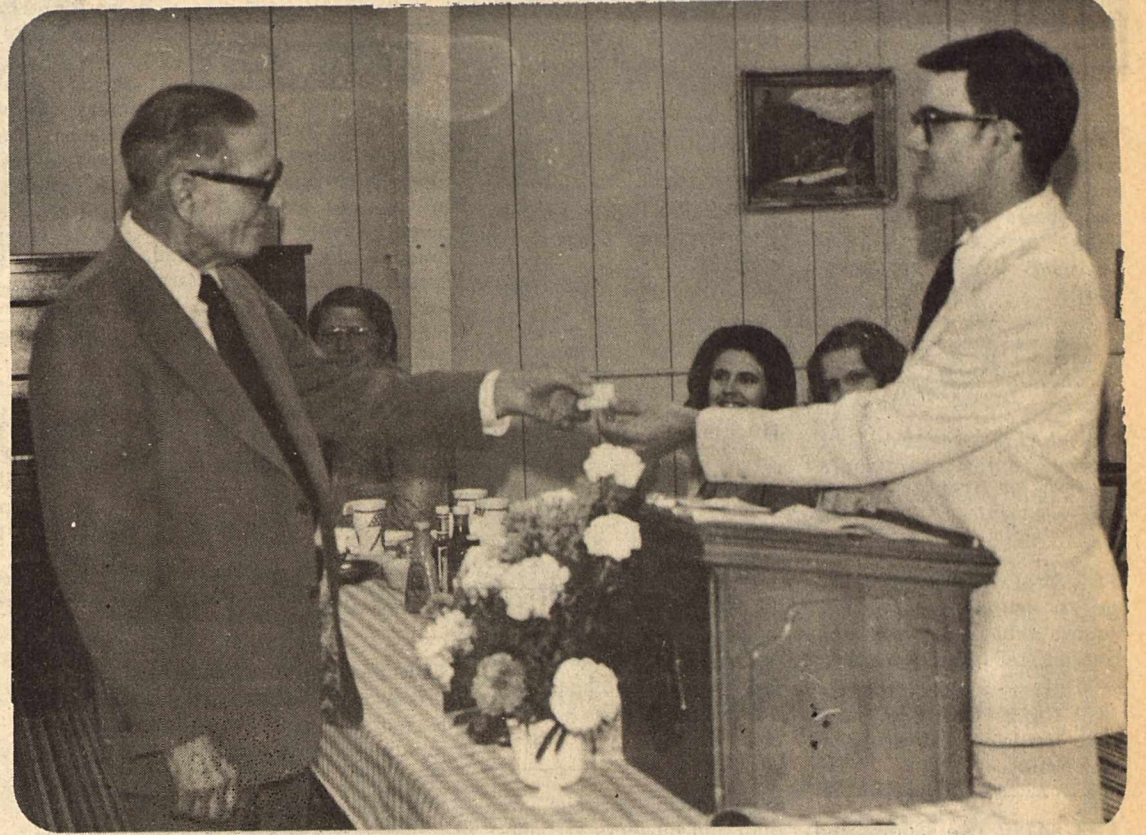

citizen and the Sheriff was notified.

The arrest was made at the Bailey Toliver Chevrolet Dealership where the suspects were attempting to get a safety inspection sticker for the 1976 Nova, stolen in Brownfield.

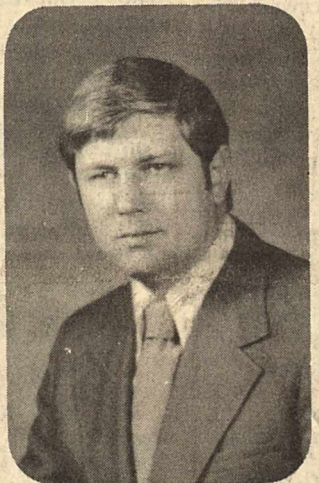

The suspects were brought before Justice of Peace Hubert Bledsoe and read their rights and charged with burglary of the Nova and over one thousand dollars in CB equipment.

Charged were Gordon Skiles, 17 and Michel Duane McNeil, 18 both of Brownfield.

All stolen property was recovered and returned to Brownfield along with the suspects. Each suspect was placed under a \$15,000.00 bond.

V. W. FELKER is pictured being awarded the Lions Twenty-five year pen by Lion President Don Comedy. The pen represents twenty-five years of service and membership given by Mr. Felker to the Haskell Lions Club.

REV. CHARLES GRAFF

New Minister At Methodist Church

Rev. Charles Graff has been appointed the new minister at the First United Methodist Church of Haskell and Paint Creek.

Rev. Graff grew up in Brownsville, Texas where he graduated from high school in 1960. He continued his education at Southmost College in Brownsville and Sul Ross State University where he received his Bachelor of Science Degree.

Having a law career in mind Rev. Graff attended the University of Houston, College of Law, where he received his Doctor of Jurisprudence Degree in 1966, and went on to practice law in Brownsville and Brownfield.

In 1970 Rev. Graff was converted to Christ and answered the call to full time Christian service. In preparation for his Christian service he received his theological education at Asbury Theological Seminary in Wilmore, Ky., where he received his Master of Divinity Degree. Before coming to Haskell Rev. Graff served as Associate Pastor of the First United Methodist Church in Lexington, Ky. while still in Seminary. Upon graduating he was appointed to serve the Pampa, St. Paul/Lefors charge, where he served for three years until his appointment to Haskell on June 1.

Rev. Graff is married to the former Barbara Craig of Ranger. Barbara is a graduate of Sul Ross State University and received her Masters Degree from Eastern Kentucky University in Richmond. She taught school for nine years but is now a housewife and mother. The Graffs have two children, Sarah age two and a half years and Mitchell age two months.

All Points Bulletin

Word has been received from reliable sources that Haskell County law enforcement officers are keeping a sharp look-out these days for two desperate characters known as "Black Bart" and "Brazos Bill." It is commonly known that trouble of a serious nature has been brewing for some time between the alleged outlaws and it is hoped that at least one of them can be placed behind bars before the Wild West Show gets underway on the dates of June 25th and 26th.

It is believed that both are armed and must be considered extremely dangerous, especially for each other. Persons aware of their whereabouts are urged to use extreme caution in attempting to

apprehend either of these western gun fighters.

Officials of the Wild West Show are especially interested that they be placed in custody in order to prevent what could be a case of needless blood shed should they happen to meet in the arena during the coming celebration.

Both have been heard to boast publically that this town, and no town in the Big Country is big enough for both of them. They further stated that they would shoot on sight with smoking six guns to defend the honor of the old gal the trouble is all about.

Every citizen is urged to cooperate to the fullest toward preventing such a deplorable occurrence at a time when folks are celebrating the 200th anniversary of the Nation.

Normal Wheat Crop This Year

Earlier this year everyone was talking about the prospects of a drought destroying this year's wheat crop, then the rains came. And so did the wheat.

In checking with several grain dealers in our area we found that though this wasn't a "bumper crop" it was a normal yield. The average yield this year was between 15 and 17 bushels per acre. The normal we were told is 16 and as of June 11, 90% of the crop had been harvested. The amount left should all be in by June 18.

Rumors Fly!

They say nothing travels as fast and sounds so different at the end of its trip as a rumor, this is the case of one of the most recent rumors about Mobil Oil moving out of the area.

In a telephone interview with Mr. Biggon Drinnon, manager of Mobil's area office, this rumor was discussed.

Mr. Drinnon said, to his knowledge Mobil has no intention of leaving this area. He did however make it clear that even should this remote possibility come about a dealer would be appointed to service Mobil's customers before they left.

In support of his belief that Mobil is staying, Mr. Drinnon said, Mobil is now in the process of renewing contracts, which does not sound like a company planning on making a move.

Mr. Drinnon attributed much of the confusion to a plan devised by the Federal Government referred to as the "disaster plan". However, this plan has been dropped by Congress, according to Mr. Drinnon.

Well so go the rumors!

No New Chief Yet

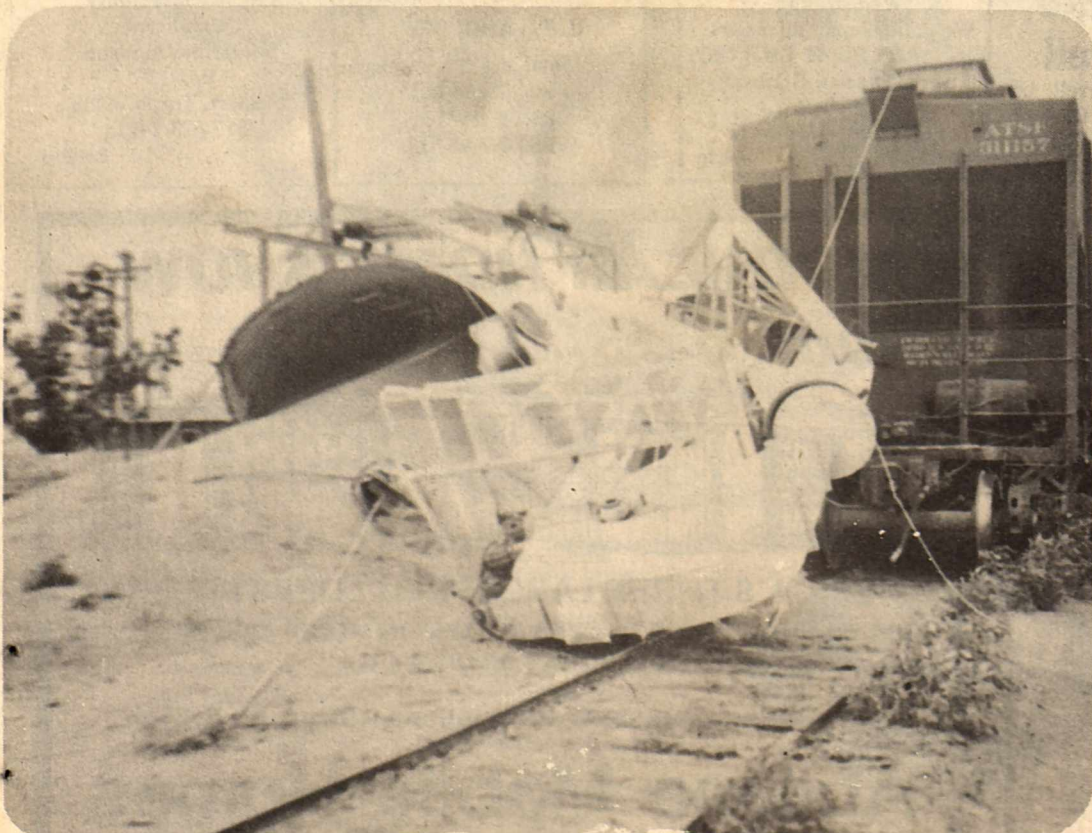

Mr. Loraine Johnson, Haskell Police Commissioner, commented Monday that they have several applications for the opening of Police Chief, however they are not ready to make any announcements at this time. When asked when an announcement could be expected Mr. Johnson replied, "I really have no idea since we are not that far along yet."

The Police Chief job will be vacant as of June 15 as noted in Mr. Tom Paul (Bull) Barnett's resignation submitted to the City Council at their June 8 meeting.

Ruth Class Holds Meeting

The Ruth Sunday School Class of the East Side Baptist Church met on Thursday evening in the church annex for the election of officers for the new church year. They are: Opal Rose, teacher; Wilma Bartley, assistant teacher; Maude Kuykendall, president; Viola Tidwell, Benevolence chairman; Gladys Carruth, assistant; Ella Howard, secretary; Mary Beth Russell, assistant; Neat Bevel, reporter. There were twelve members present to take part in the election and salad supper.

Sanders Reunion Gets Big Turnout

The twenty-eighth annual reunion of the Sanders family was held in the Seymour City Park June 12 and 13. The gathering is held the second weekend in June every year.

Some two hundred and thirty descendants of the late Semion Sanders came from as far away as Alabama, California, Colorado, Wyoming, Oklahoma, Michigan, Arizona, New Mexico, and throughout Texas.

All living relatives of the late Henry Sanders were present.

Ronnie McCullough of Luling, a grandson of the former Dollie Sanders and great grandson of the late Semie and Sallie Sanders, long time Haskell County residents, was elected president of next year's reunion. The out-going president was Bill Chetham of Breckenridge.

A family style supper was served and a barbecue lunch was served Sunday.

Volunteers Make Cancer Pads

A number of local ladies have volunteered their time and energy for the making of pads for cancer patients.

Meeting each Thursday from 2 until 4 in the afternoon, on the third floor of the court house they have contributed a great deal of time and effort to this project. The ladies ask only that people in need of these pads let them know how many and what size.

The workers for May were: Ethel Thomas, Laura Overton, Wilma Wallace, Grace Montgomery, Era Davis, Mae Brock, Maye Bledsoe, Florence Darden, Lucille McCurley, Dora Klose, Alice Mayes, Lela Mae Atchison and Laura Parker.

MRS. ROY GENE JOHNSON
...nee Lesa Beth Hise

Hise-Johnson Wed

Lesa Beth Hise was married to Roy Gene Johnson Saturday, May 30, at East Side Baptist Church. Rev. Jimmy Griffith officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Billy Hise of Haskell. The groom is the son of Mr. and Mrs. A. D. Johnson of Weinert. Mrs. Kenneth Jarred played the piano. Randy Hise, brother of the bride sang "The Twelfth Of Never."

Given in marriage by her father, the bride wore a traditional gown of white satin with chantilly lace on the bodice and puffed sleeves. The veil was floor length and made of tulle edged in lace. Her bouquet was of blue and white carnations.

Matron of honor was Mrs. Dickie Brendle of Lubbock, sister of the bride. She wore a blue knit gown with blue flowered organdy cape. She carried a bouquet of white carnations.

Joe Reyes of Wichita Falls, brother-in-law of the bride, was best man. The ushers were Ronnie Hise, cousin of the bride, and Dickie Brendle, brother-in-law of the bride.

Following the wedding ceremony the reception was held in the Fellowship Hall. The bride's table had white cloth with ruffled net and blue ribbons. A three tiered wedding cake topped with a bride and groom was center of the table, along with a bouquet of blue flowers and white daisies. Serving the cake was Miss Judy Morgan of Knox City. Miss Sherry Jackson of Knox City served the punch.

After a wedding trip to Fort Worth, Mr. and Mrs. Johnson are making their home in Wichita Falls where he is employed by Allis Chalmers.

We are glad to have J. M. Diggs and Pinkie Robertson home from their stay in the hospital. Now, Mrs. Ora McCollough is a patient in the Haskell Memorial Hospital. We hope she is soon well enough to return.

Sagerton News

A community picnic was held at Herman Baitz Park Sunday evening. Several games of volleyball were played and the young people played softball amid the trees which added more excitement to the game.

Joe Clark, chairman, conducted a short business meeting. Anton Teichelmann was elected as the new chairman for the year beginning July 1. Charles Clark will be vice-chairman, and Mrs. Buster Tredemeyer will be treasurer and Mrs. Zenor Summers secretary for another year. New chairmen were elected for the following offices: Beautification—Mr. and Mrs. Joe Clark, Community Center—Alvin Ulmer, and Social Chairmen—Joyce DeBusk and Joyce LeFevre, who were reelected.

The group voted unanimously not to enter the T.C.I.P. contest for this year, but everyone agreed that we would keep on with our clean-up work, our improvements on our businesses, our homes, and our community center, and to keep on with our get-togethers. Mrs. Joe Clark, who has been given the handle of "Hee-Haw Honey", agreed to again direct the annual Hee-Haw production.

We also agreed to continue helping our neighbors in surrounding communities in any way we can. The "Hee-Haw" musicians will take part in the Bicentennial activity at the Haskell Park on June 28 and 29.

We have found out how to work together for a common cause, and now we feel that we can keep up with our projects without having to meet a deadline. We are looking forward to new projects, some of which are already being planned. We sincerely thank everyone from the surrounding area who has helped us and made our progress possible.

Miss Kathy Cornelson of Lewisville spent Friday and Saturday with her grandparents, Mr. and Mrs. August Balzer.

Mr. and Mrs. Keith Whittaker and Kyle of Vega came after their daughter, Stacey, last weekend. She had been visiting here with her grandparents, the F. A. Ulmers. Guests in the home of Mr. and Mrs. Reece Clark Sunday were: Mr. and Mrs. Rayford Moore of Maxwell and Mr. and Mrs. Kirby Moore and children of Port Arthur. Other guests were: Mrs. John Clark, Mr. and Mrs. Charles Clark, Mr. and Mrs. Jack Kitley and Mrs. Glenda Terrell, Kay and Clark of Stamford.

Mr. and Mrs. Richard Peterson and son, Tony, of Waco spent the weekend with Mr. and Mrs. David Letz. They were here especially for the Letz-Riddle wedding.

Haskell Bicentennial Happenings

By Roxie Parker

Two nights of super entertainment are scheduled for June 28 and 29 when "America's Birthday Pageant" will be presented in Rice Springs Park.

Singers and dancers from over the county will depict the character of our nation's life during its first 200 years; narrator of the show will be Gerald McCoy, Haskell High School teacher.

As the young nation began to grow from the Thirteen Original Colonies and the pioneering spirit asserted itself in expansion to the West, certain customs became part of the life of the people.

In religion the camp-meeting and spiritual revivals were creating a great stir and the impact was felt in every community. A portrayal of this facet of early American life will be seen in the pageant.

Also as the new nation's children needed an education the one-room school became a reality in settlements that sprang up, and this important part of America's progress will be pictured.

The Negro Spiritual joined the staid hymns of the Quakers and the fervor of the Protestant church songs as the "Land of the Free" was being populated by those leaving oppression behind them in the "Old Country", as well as those who were brought against their wills to fell the forests and till the soil. The haunting music of the Spirituals will be heard as the story is told.

Also portrayed will be the highlight of the social gatherings among the pioneering women, the sewing circle; a time of working together for the common good, it also gave

the ladies an opportunity to gather the news and trade recipes.

As settlements grew into towns, the need for more entertainment arose; one of the most popular types was the medicine show which combined song and dance and jokes with a little high-powered peddling of remedies for varied ailments. (Word is out that you must not miss this portion of the show!)

Another type of entertainment that evolved was that of the travelling circus. Crowds gathered under big tents to watch the "Daring Young Man On The Flying Trapeze" and other breath-taking feats. It was a time to watch others perform with skill and precision and the audience will be treated to such action at the special birthday celebration.

From the aftermath of the Civil War the nation swung into the Gay 90's and people became restless and American society was on the move—it hasn't stopped since!

There is a lot of entertainment in store for us on these two nights; we've only mentioned a few of the treats.

A group of students from Ann Lichty's class in Rule will reenact the Signing of the Declaration of Independence. Musical selections will be

ATTENDING CLINIC—Cheerleaders from Weinert High School are among the 70 students enrolled for the third annual Cheerleader Clinic at Western Texas College in Snyder this week. Pictured above, they are Lisa Dutton, Deb Robertson, Reda Campbell, and Linda Yates. Instruction for the clinic is being provided by personnel from the Pepster All-Star Cheerleader Conference in Kansas City, Mo.

SS Checks Due Increase

A cost-of-living increase in monthly social security benefits will be included in checks delivered in July, according to Glyn Hammons, social security district manager in Abilene.

The increase will amount to 6.4 percent for most people getting social security payments. The cost-of-living provision was added to the social security law in 1972.

"People getting social security checks don't have to do anything to get the higher payments," Hammons said. "The increase will be added automatically."

The increase is based on the rise in consumer prices from the first 3 months of 1975 to the first 3 months of 1976.

With the cost-of-living increase, average social security retirement payments to retired workers will go from \$210 to \$224 a month. Average social security disability payments to disabled workers will go from \$228 to \$242 a month. Average social security survivors payments to widowed mothers or fathers with two children in their care will go

from \$479 to \$510 a month. Social security pays monthly benefits to over 32 million people. The payments are funded by social security contributions from employees, employers, and self-employed people. "Those figures remain unchanged," Hammons said. Employees and employers contribute 5.85 percent each of the first \$15,300 of yearly earnings from jobs covered by social security. Self-employed people contribute 7.9 percent.

presented by Alexia Mayfield of Weinert.

Included in the narration will be original poetry by Weinert High School students.

Mrs. Joe Clark will have a group from Sagerton; others from Rochester will be performing.

Among these from Haskell will be Tom Watson, Mrs. Laura Overton, Christi McAdams and many others.

Mrs. Bailey Toliver is emphasizing that this is to be a fun time of celebration, with ice cream and cake to be made available by the Young Homemakers. "It's a birthday party, and we want everyone to have a good time," she

said.

Co-chairman with Nancy is Mrs. Brooks Middleton; Bebe's concern is that people be informed there will be bleachers for seating and there'll be no problem there. She also said if there is an individual or group who would still like to be a part of the evening's entertainment that it is not too late. Call her at 864-2174 or Nancy Toliver at 864-2037. They don't want anyone left out who wants to participate.

Also all band members and ex-band members from the county are urged to contact David Hill at 864-3589 or Mrs. Toliver or Mrs. Middleton at one of the above listed

What you don't know about the cost of natural gas can hurt us all.

You know you're paying a lot more for natural gas, but you may not know why. The reason is basically simple:

The average price Lone Star has had to pay its 500 independent suppliers for gas we supply you has risen (about \$166,000,000 more in 1975 than in 1974^{**}). So we have to charge more.

If Lone Star were not able to recover these increased costs, we could run into some major problems.

First, we wouldn't be able to buy the gas this area needs. Short supplies of natural gas could handcuff industry.

When industry runs short, jobs begin to disappear. Production falls off. The tax base our cities, counties and school districts depend on begins to shrink.

That's why you need to understand how our industry works, why gas bills have to go up, and what Lone Star is doing to keep the increases as small as humanly possible.

Some important questions.

Here are some important questions and answers about our service.

1. *How do our gas bills compare to other cities?* Our customers pay less for natural gas than most cities, including other cities in Texas.^{**} We feel we're doing a pretty good job of selling natural gas at the most reasonable price possible.

2. *Does gas cost adjustment guarantee profits for Lone Star?* Not at all. In fact, the company has been forced to initially absorb 15 per cent of higher adjustments. This is a serious loss that must eventually be recovered if our cities are to have adequate gas supplies in the future, and if Lone Star is to have a fair return, to which it is entitled by law.

3. *Who checks on Lone Star Gas?* The Texas Railroad Commission, after a thorough investigation, sets our base (or wholesale) cost of gas. They set the rate of return on the pipeline system that brings the gas from the well to your city. They also monitor changes in the monthly gas costs of Lone Star, and this monthly gas cost information is filed with each city we serve in Texas.

4. *How high will gas bills go?* Today, your bill is based on the *average* cost of gas to Lone Star of a little over one dollar per thousand cubic feet. Gas bills will continue to rise in the years ahead, but probably at a much slower rate than recently. It appears that the field price of gas is leveling out so that increases will be much more gradual.

It's not all bad news.

Basically, all of those answers say that gas costs more than it used to, and it will continue to cost more.

But there is good news: As long as Lone Star is able to recover its costs, and as long as there is sufficient incentive for producers to drill for new gas supplies, we'll have the gas we need to keep this area moving.

All we ask is your understanding, and your cooperation, to make sure that happens.

If you have a question you'd like answered in an advertisement, write *Consumer Information, Lone Star Gas, 301 S. Harwood, Dallas, Texas 75201.*
