HASKELL, TEXAS, 79521, THURSDAY, JUNE 22, 1978

VOLUME TWENTY-FIVE

NO INJURIES were reported in this three car collision last Friday afternoon. Vehicles involved in the accident were: a 1967 Ford driven by Felton Everett, a 1969 Chevrolet driven by Tammy Lynn Gibbs, and a 1973 Pontiac driven by Sheryl Faye Story. Haskell Police Chief Wayne Merchant investigated the accident. (Staff Photo)

Bloodmobile Quota Is 80 Units

The Red River Red Cross Bloodmobile will be in Haskell today, June 22, from 1 to 6 p.m. in the Community Building of the Haskell National Bank.

Goal for the drive is 80 units and members of the Haskell Young Homemakers are acting as chairmen for the drive.

The goal of the Red River Red Cross Blood Program is to enable the community to meet the total needs for blood and blood products for all-residents of the 41 counties it serves in Northern Texas and Southern Oklahoma through the hospitals in the region.

To meet this need, which is currently 91 units of blood per day, Red Cross relies on the cooperation of the entire community for donor support. To do this involves the participation of organized donor groups among business and labor, industry, churches, schools, fraternal and civic organizations, etc.

Availability of blood to

patients is predicated only on need as prescribed by a physician. Neither the Blood Program, the attending physician, nor the hospitals require patients to replace blood used.

Fees connected with blood transfused reflect a processing charge to hospitals which includes Red Cross costs of collecting, processing, and distribution, as well as the hospital charge for transfusion

and laboratory series. These charges are covered, wholly or partially, by most health insurance plans. It must be emphasized that no cost is added for the blood itself and that replacement of blood by individual patients in no way affects either the availability of blood for transfusion or the finances involved in blood

usage in hospitals in the region.

These goals and policies enable persons to participate as donors, with the Red Cross serving as intermediary, in a unique human transaction. The only reason for giving blood is to support the survival of someone seriously ill or injured. Since persons in good health are the only source, we urge you to promote participation in the Red Cross Blood Program in your local community.

WTC Enrollment Reaches 580

Enrollment for the first summer session at Western Texas College has reached 580, Dr. Duane Hood, Dean of Student Services and Registrar, said.

He notes that this is the largest summer enrollment WTC has had, and surpasses by 7 the total of 573 who enrolled for WTC's first fall semester when the college opened in 1971.

Classes for both day and evening students have been offered on the Snyder campus during this initial session, with evening classes at the extension centers in Sweetwater, Haskell, Rotan and Crosbyton.

A second session of day classes will begin on the Snyder campus on July 13. This will be a six-week session, ending on Aug. 18. Fall semester classes begin on Sept. 7.

Counties represented by five or more students for the summer session in progress are Scurry with 149, Nolan with 144, Crosbyton with 68, Haskell with 51, Mitchell with 39, Jones with 33, Fisher with 31, Knox with 12, Dickens and Throckmorton with 9 each, and Kent with 7.

Granado Enters Guilty Plea

Jose Ricky Granado, 18, entered a guilty plea June 13, to burglary before District Judge William P. Ratliff.

Granado was charged with the May 21, burglary of the Pit Stop Grocery.

He received a two year probated sentence and was ordered to pay restitution for merchandise taken. He was represented by court appointed attorney Joe Williams.

District Attorney Joseph Thigpen represented the State. Joe Cortez served as interpreter.

ATTENTION AMERICAN AGRICULTURE

President Jimmy Carter will be in Fort Worth, Friday (tomorrow), June 23, at the Fort Worth Convention center from 12 noon until 2:00 p.m. AAM leaders urge all people interested in AAM that can go to meet at the Court House in Haskell at 7:00 a.m. Pack a lunch (but not of imported beef) and go. Since Mr. Carter has raised the imported beef limit 200 million pounds, Texas AAM would like to give him a reception in the Cow Town.

School Board To Re-value Property

At a called meeting, the Board of Trustees of the Haskell Independent School District awarded a contract to McMorries and Company of Hereford, to appraise all of the real and commercial personal property in the district for the year 1979.

The meeting was held June 13, and all members of the board were present. They voted unanimously to enter into the project.

A group was recently in Haskell and researched records of sales in the district and arrived at a fair market value for the district. It is now required that the district raise funds based on this value to pay the local share of operating the school.

To arrive at the fair market value of the district, the board could have used a percentage increase of all properties but they felt that this would only

increase the inequities which already existed.

According to local school officials, the recent legislative act requires the re-appraisal of properties by 1982. The act also says that checks will be made in every school district in the state to see that the values are equal and represent reasonable market value.

The contract price of the re-appraisal is \$33,600.00 and includes all labor and materials required in the project. The board has also agreed on a year-to-year program to keep the tax roll up to date.

According to McMorries, each appraiser will have at least five years of appraising experience and will be at least 30 years old. The appraisers will inspect each piece of

property in the district and will give consideration to the type of construction, age, condition, and location of the property. All rural lands will be inspected and graded by the use of an eight grade classing system of the type used by the Soil Conservation Service.

The appraiser will attempt to talk to the owner at the time they inspect the property. If the property is inspected and the owner is not home, a card will be left in the door or mailbox. If the property owner wishes to talk to the appraiser he may call the school tax office and leave his name and number and will be contacted by the appraiser. If necessary, the appraiser will make an appointment to go back for a talk with the owner.

McMorries stated that his firm would make every

attempt to satisfy the local taxpayers that the valuations were equal and uniform.

The actual inspection of local properties will begin about August 10 and will be completed by June 1, 1979.

Local school officials also added that the State Legislature will meet beginning in January 1979 and several school finance proposals will probably be presented. After the valuation program is complete, the board of trustees will meet and agree on the percent of assessed value and the tax rate that will produce the amount required to operate the school.

City Receives Sales Tax Rebate

State Comptroller Bob Bullock said Thursday that city sales tax allocations for the first half of 1978 are running a healthy 17.5 percent ahead of last year.

The City of Haskell has received a check in the amount of \$4,060.99.

Bullock announced that his office has sent checks totaling \$60.9 million to 900 Texas cities as their June share of the local option one percent tax.

The latest checks raise the cities' share to date this year to \$196.5 million, compared to \$167.2 million for the first half of last year. That's a 17.5 percent increase.

Of the state's larger cities, Houston continued to chalk up the biggest percentage in increase in city sales tax collections.

The city received a check for \$12,356,904, bringing its total for the year to \$40.8 million, a 20 percent increase over the same period last year.

City sales tax allocations for the year are up 11 percent in Dallas, 15 percent in Fort Worth, 10 percent in San Antonio and 17 percent in Austin.

The tax is collected by local merchants along with the state sales tax and is rebated to the cities monthly by the Comptroller's office.

SBA To Hold Drought Loan Program

The U.S. Small Business Administration will hold an informational meeting for farmers and others interested in SBA's disaster drought loan program at 7:30 p.m. on Friday, June 23 in Community Room, Haskell National Bank, Haskell.

A loan officer will be present to explain SBA's disaster loan program as it affects Texas farmers in the 106 drought-declared counties.

The physical disaster loan program includes unrecovered production costs on the 1977 crops at 3 per cent interest on the first \$250,000 and 6 5/8 per cent interest thereafter to a maximum of \$500,000. At least 50 per cent of the loan must be held for production costs in the new crop year, with the remainder available to pay outstanding obligations and for reasonable operating expenses including living expenses.

If you want more information about the Small Business Administration's disaster drought loan program for farmers and ranchers, attend this meeting or contact the SBA Disaster Branch Office at 1205 Texas Avenue, Lubbock 79401. The telephone number in Lubbock is 806-762-7454. Aspermont 817-989-3538.

Little League-Fire Dept. To Play Ball

Haskell Little League coaches will meet members of the Haskell Volunteer Fire Department in a benefit baseball game this Saturday at the Haskell Little League field.

Admission to the game is free and donations will be used to support the district Little League Tournament and other Little League activities.

Players for the two teams have not yet reached an agreement concerning the rules for the game and it is very likely that each team will play by a different set of rules.

The game was originally scheduled to last for six innings but there is some doubt if the players can last that long so fans are urged to be on hand for the 7:30 beginning.

PUBLIC HEARING

There will be a public hearing in Haskell on June 27 at 8 p.m. in the Community Building of the Haskell National Bank to discuss the Resource Conservation Act. Residents are urged to attend the meeting to develop a soil and water conservation program and to learn more about existing programs.

Art Exhibition - Sale To Begin July 1

The Old West as lived by the real life cowboys of yesteryear comes alive once again in Stamford, as the Stamford Art Foundation hosts the 5th Annual Western Art Exhibition and Sale to benefit the West Texas Rehabilitation Center.

Several hundred western art buffs and collectors will converge on this western Texas city to view and buy multi-media art valued at several hundreds of thousands of dollars. Thirty-seven of the top western artists in the nation will display their works in oil, water color and bronze in this extraordinary exhibit.

Artists showing this year include: Wayne Baize, Joe Beeler, Bill Bender, James Boren, Clark Bronson, Bill Chappell, Jerry Crandall, Bob Daughters, Juan Dell, Nicholas Firfires, Lincoln Fox, Jim Hamilton, John Hampton, Peter Hurd, Alan Kinney, John Kittelson, Bob Lee, Frank Liljegren, Robert Lougheed, Ted Long, George B. Marks, Pat Mathiesen, Clay McGaughy, William Moyers, Gary Myers, Gary Niblett, Tom Ryan, David Sanders, Bob Scriver, Bill Shaddix, Gene Stewart, Ron Stewart, Jack Swanson, Paul Tadlock, Ronald Thomason, Russ Vicars, and H.C. Zachry.

A special Collectors' Preview Party and Sale is set for 6:30 p.m. Thursday, June 29th at the John Selmon Memorial Art Gallery on the Texas Cowboy Reunion Grounds. The admission price of \$10 per person to the Collectors' Party entitles those

attending to a delicious chuckwagon style meal and first opportunity to purchase these outstanding works of art.

Those wishing to make reservations for the Collectors' Preview Party should write the Stamford Art Foundation, P.O. Box 609, Stamford.

79553, or phone (915) 773-3614.

Many of the artists in the exhibit will be on hand at the party to visit with the art patrons.

The Collectors' Preview Party comes on the eve of the opening of the Texas Cowboy Reunion which has been an

annual tradition in Stamford since 1930. The collection of art will be open for the general public to view and enjoy during this year's Texas Cowboy Reunion. All proceeds raised by the Stamford Art Foundation will benefit the West Texas Rehabilitation Center.

NEW OFFICERS were installed Tuesday at the Annual Ladies Night banquet of the Haskell Lions Club. The new officers are: (front row l to r) Brian Burgess, song leader, J.C. Yeary, past president, and Oscar Tooley, Lion Tamer. Second row, Joe Alves, secretary, Wayne Lehrer, director, and Bill Trammell, 3rd vice president. Back Row, John Sam Rike, 2nd vice president, Darold Roberson, president Aubrey Carroll, 1st vice president, and John Wayne McDermott, tail twister. (Staff Photo)

American Ag News

By Betty McBroom

In a front page story of the March 9 edition of the Queensland Country Life, an Australian Newspaper, the subheadline read "Australia will need big beef sales to Russia and Eastern Europe by the middle of this year to avert a serious price drop and oversupply when exports to the USA taper off to a trickle after May." This evidence

leads us to believe that the President, the USDA, and the Australians knew in March that the Australian cattle producers would be in trouble at the end of May if US import quotas were not raised.

Although Australian beef exports were up 15% over last year, Australians are eating 41,000 tons less beef. Perhaps this confirms the rumors of "meatless Tuesdays" so Australia can meet her export quotas. The Beef Fact Sheet presented to Carter before he made his decision to open the door to more beef imports to the US showed that the US gets about half its imported beef from Australia.

The President said he would only allow 200 million pounds to come into the US. Oddly enough, only a few days before the President's announcement, the USDA Farmers News Line released the fact that only 200,000 lbs were Available as additional imports. So, in other words, the President opened the door wide enough to let in all the meat available for import, yet tried to tell Americans he was not throwing the doors wide open. Many Congressmen and Senators have been very critical of the administration's actions to increase beef imports.

It disturbs me when the President and the administration takes meat off the Australian's tables in order to help the Australian farmer's and rancher's and yet they are cutting the American farmer's and rancher's throats. If the President and the Administration are true Americans, why aren't they trying to help us instead of making us dependent on another country for our food as they have done to us on oil?

Since Mr. Carter will be in "Cow Town" (Fort Worth) on Friday of this week, we are urging all interested in the American Agriculture Movement to go to Fort Worth and

let him know we are not pleased with the import quota raised.

The Haskell AAM will be gathering at the Court House at 7:00 a.m. and leaving at 7:30. We are asking you to pack a picnic lunch, and we will eat on the parking lot (Lot #4) of the Fort Worth Convention Center. We are planning to arrive well in advance of Mr. Carter's 12:00 noon arrival. He will be there only two hours, and we want to make sure he knows we are there. There will be no parade, but we understand there will be several horses there.

Lundy Is Promoted To Lt. Col.

Word has been received that James Lundy has been promoted to Lt. Col. in the U.S. Army. The promotion ceremony was held May 1, 1978 in Washington, D.C. Attending were Mrs. Lundy, the couples two children, Chad and Jennifer, and Lt. Col. Lundy's sister, Mrs. Elizabeth Messer. Lundy has served 16 years in the U.S. Army, including two tours of duty in Vietnam and one in the Panama Canal Zone.

After the promotion ceremonies, Lundy received the Legion of Merit Medal.

Lt. Col. Lundy is married to the former Suzy Redwine and is the son-in-law of Mr. and Mrs. Charley Redwine. His mother, Mrs. Avo Lundy lives in Euzala, Okla.

Since his promotion, Lundy has receive an honorable discharge from the Army. The family will make their home in Canyon. He taught ROTC at West Texas State University for four years and received a Masters Degree in Business Administration.

Card of Thanks

Divorce Is Not The Answer

By Aubrey Headstream
Director Mental Health Center

Divorce should not be seen as a panacea for marital conflicts. Parents who hold a troubled marriage together because of their children may do more psychological harm than if they divorce, according to a research study which made headlines in recent weeks.

The research team, from the University of Virginia, claims it has found statistical evidence (based on interviews with 96 white, middle-class families) that in the long run, it is not a good idea for parents to remain "in a conflict marriage for the sake of the children."

The results of this study appear to provide scientific support for the increasingly popular notion that divorce is the most desirable course of action for couples who are experiencing conflict in their marriages. According to this new philosophy, if a marriage is ill, a lot of unwanted pain can be avoided simply by ending it. "It is even better for the children," the New Virginia study seems to suggest.

Earlier generations in our society placed a dehumanizing stigma on divorce. The Motto their was "hold a marriage together, whatever the cost." I do not believe this attitude was healthy or realistic. Some marital situations are un-

doubtedly so destructive to all members of a family that divorce can only be considered the lesser of evils. And the Virginia Study is probably correct in suggesting that a marriage should not be held together solely for the benefit of the children.

I believe, however, that the growing attitude to want divorce as a panacea for resolving marital conflict is equally unhealthy and unrealistic. It turns the Marriage Commitment "until death do us part" into a temporary pact "until we decide to call it quits." And provides the marriage partners with a way to avoid dealing with the sources of their conflict.

There are no perfect marriages devoid of conflict and pain-just as there are no perfect human beings devoid of self-centeredness and inner struggle. Marriage is not a continuous romantic adventure, but a commitment of two persons to face life together "for better, for worse, for richer, for poorer, in sickness and health". Regardless of what scientific studies may suggest, I believe that most marriages are worth saving, and most marital conflicts can be resolved if the marriage partners take their vows seriously. And this is according to my own experience of almost twenty years of marriage and family therapy (and a lot more than 96 white

middle-class family interviews).

I also believe when commitment is made, and renewed from time to time, to grow-and overcome conflicts with mutual effort and understanding, seeking professional help if need be, God will make our homes "a haven of blessings and a place of peace."

Men In Service

Juan Lopez, son of Mr. and Mrs. Eusebio Lopez of Rochester, has been promoted to airman first class in the U.S. Air Force.

Airman Lopez, an aerospace photographic systems specialist, is assigned at Carswell AFB, with a unit of the Strategic Air Command.

The airman is a 1976 graduate of Rochester High School.

Tiempo

Steel Belted Radial

\$42

P185/75R13 whitewall (BR78-13) plus \$1.93 F.E.T. and old tire.

RAIN TIRE...SUN TIRE...ONE TIRE!

Tiempo is the one tire that's right for summer, because Tiempo gives you the right traction for almost any kind of road conditions. When it rains, Tiempo shines - with a unique tread design that helps channel water out from under the tread to help fight hydroplaning. On dry roads, the Tiempo tire gives you 10,000 biting edges for traction on curves and stops. You'll enjoy mile after mile of smooth, quiet-riding comfort... plus the strength of double steel belts. And the radial construction of the Tiempo tire helps save gas, too. Stop in today!

Conservation Viewpoints

USDA Soil Conservation Service
Assisting
Haskell Soil and Water
Conservation District

Public views on the future of the conservation, protection and enhancement of Texas' soil, water, and related resources will be sought at a meeting to be held in the Community Room of the Haskell National Bank in Haskell at 8:00 p.m., June 27, 1978.

The meeting is in response to President's Carter's signing of the Resources Conservation Act last November which requires an appraisal and evaluation of the state and nation's soil and water conservation program.

The RCA act authorizes and directs the Secretary of Agriculture to develop a national soil and water conservation program in cooperation with the public, our local soil and water conservation district, the Texas State Soil and Water Conservation Board, and the Soil Conservation Service.

This program will establish new direction for future soil and water conservation efforts in Texas based on current soil, water, and related resource appraisals. One point I want to make clear is that districts in their 40-year history have always assisted landowners with voluntary conservation programs on their farms and ranches. We do not advocate any other approach since farm and ranch land is privately owned and that the interests and welfare of the owners must be served and that programs must be acceptable to them.

Actions required by the RCA act include gathering data to appraise the condition and quality of Texas and the Nation's soil and water resources by 1979.

The act also outlines a 5-year plan for the U.S.

Department of Agriculture's conservation assistance to districts and requires and evaluation of the effectiveness and progress of ongoing programs. Reports will be made to the public and Congress.

Our meeting will primarily deal with discussions on soil and water resources in the Haskell district and how to conserve them. The public will also have the opportunity to learn more about the RCA act and the mission, relationship, and responsibilities of the district and Soil Conservation Service.

I want to emphasize that a grass roots, bottom-up approach is the key to this act. Our district and Soil Conservation Service will need to identify specific resource concerns and associated problems, if any, in addition to determining the extent and severity of these problems. We urge anyone with an interest in natural resource conservation to attend and air their views.

Again, the meeting will be held at 8:00 p.m., June 27, in the Haskell National Bank Community Room in Haskell.

Briles, Allison Exchange Vows

Jan Mabelle Allison became the bride of Arthur Ray Briles in a candlelight ceremony, June 3rd, in the First Baptist Church of Rule. Reverend Steve Cox of Abilene, read the wedding vows for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Wallace Allison of Rule, and the groom is the son of the late Mr. and Mrs.

Dennis Briles of Rule. The alter was centered with a large arched brass candelabra with large heart shaped candelabras on either side and greenery used with the candles. Centered in front was a brass stand holding the unity candle. Three branch candelabras lighted the bridal path with white satin bows marking the family pews. Soloist was Miss Wynette

Williams of Abilene, accompanied by Mrs. Edward Briles of San Antonio on the organ. Bob Bishop of Lubbock was the other soloist.

Presented in marriage by her father, the bride wore a formal gown of Quaine lavished with Venice lace on the scoop neckline and empire bodice. Victorian sleeves featured insets of lace and english net. The semi-flow skirt with lace, marked the hemline of the gown and chapel train. The bride chose a finger tip veil of illusion which fell from a bandeau hat. Venice lace edged the single veil enriched with motifs.

The bouquet was a cascade of apricot rose buds with greenery and ribbon streamers with a white orchid. For something old, she wore a wedding band belonging to her late grandfather Allison, something new was her dress, something blue was her garter and something borrowed was a diamond necklace belonging to her mother.

Cynthia Carroll of Lubbock was maid of honor and bridesmaids were Brenda Whitworth of Rule, Jodie Farris of Lubbock, Jackie Hickman of Denton and Mrs. Steve Anders of Mineral Wells. The bride's attendants wore floor length dresses of white eyelet, fitted bodices with wide ruffles around the scooped neckline, and a deep ruffle was at the bottom of the dress with insertion at the top of the ruffle with apricot ribbon running through it with a small bow on the side. They carried white lace fans with a large silk apricot rose adorned with ribbon and lily of the valley. They wore small hair pieces of silk apricot flowers.

Flower girl was Denise Carroll of Weinert and ring bearer was Craig Whitworth of Rule.

Eddie Briles, brother of the groom, was his best man. Groomsmen were Paul Humphrey of El Campo, Mike Cloud of Plano, Larry Barbee of Odessa and John Allison of Rule, brother of the bride. The bridegroom was dressed in a white tuxedo with white ruffled shirt. The groomsmen wore white tuxedos with ginger shirts. The father of the bride and ushers wore ginger tuxedos with ginger shirts. They all had apricot rose bud boutonnières. Ushers were Bubba McGallion of Silsbee, Kippy Grand of Ada, Oklahoma, and Gary Drake of Ft. Worth.

The mother of the bride chose a floor length dress of apricot chiffon over apricot crepe. The grandmother of the bride wore a floor length dress of blue and apricot floral. They both wore corsages of apricot rose buds.

Mrs. John Allison registered guests in the brides book at a round table laid with a white eyelet floor length cloth. A small brass trunk filled with apricot silk flowers and a brass candle stick decorated the table. Marisa and Michelle Allison handed out wedding programs.

Following the wedding a reception was hosted by the bride's parents. The cake, designed and baked by the bride, centered the table.

The punch table was laid with an apricot linen cloth with a white lace over skirt. The centerpiece was a silver candelabra. Appointments were of crystal and silver.

The groom's table was laid with a floor length apricot knit cloth. The two tiered chocolate cake, baked by the bride, was decorated with marzipan candy.

Miss Susan Lewis played musical selections during the reception. Other members of the houseparty were Mmes. Terry Weaver, Donnie Mack Bowles, Cecil Lewis, Tina Pendleton, J.R. Barbee, Ed Fouts, Joanne Carroll, Miss Quola Beuger, Miss Fran Wilson and Miss Katrina Cook.

The rehearsal dinner was hosted by the bride's parents in their home. After rehearsal, Eddie Briles, hosted the bachelor party at the Rule Recreation Center.

For her wedding trip the bride chose a two piece dress of light blue blouse and darker blue skirt with applique flowers around the scooped neckline and on the skirt pockets. Accessories were bone and she wore a white orchid corsage.

The bride, a graduate of Rule High School, is a senior Home Economics major at Texas Tech University in Lubbock.

The groom is also a graduate of Rule High School. He attended the University of Houston and is presently a senior Physical Education major at Texas Tech in Lubbock where the couple will be at home following a wedding trip to Padre Island.

Black, Hulsey Wed In Houston

Uvalde Baptist Church of Houston was the setting for the wedding uniting Miss Diana Kay Hulsey and Mr. Gary Franklin Black. The double ring ceremony was officiated by Reverend David Burkhalter on Saturday, June 3, at seven o'clock in the evening. A reception followed in the fellowship hall.

The bride is the daughter of Mr. and Mrs. Billy Gene Hulsey of Houston. The groom is the son of Mr. and Mrs. Robert Vannoy Black Sr., also of Houston.

Given in marriage by her father, the bride chose a gown in white Qiana combined with re-embroidered Alencon lace and bridal pearls. A high shirred neckline accented the closely fitted bodice of French

lace sprinkled with bridal pearls. Lace motifs and bridal pearls embellished the long tapered sleeves. A circular skirt flowed to slipper length and swirled to a train of cathedral length. Her cathedral length illusion veil was bordered with wide Alencon lace and was attached to a Juliet cap fashioned of lace. She carried a bouquet of white gardenias, fairy mums, baby's breath and yellow roses.

Maid of honor was Mary Brooks of Houston. Bridesmaids were Donna Watkins, Donna Greenlee and Linda Farrell, all of Houston. Attendants were gowned identically in floor length dresses of pale yellow silesta. Styled with a round neckline forming a capelet effect, ending in a simulated train. They carried bouquets of spring flowers with stems, tied with yellow ribbons.

Best man was Robert Vannoy Black Jr., brother of the groom of Bryan. Groomsmen were Mitchell Beebe, cousin of the bride, of Houston. Milton Schmidt of Lubbock, and David Watkins of Houston. Ushers were Dennis Brooks and Charles Larent, both of Houston.

Members of the houseparty were: Pat Vasey, Anne Turner Paula Light, Charlene Carter, Kathy Mehell, and Chris Fragnito.

Music for the occasin was provided by Carolyn Hill, pianist, and Sandy Shipp, organist, while Charles Morrison sang "Evergreen" and "Sunrise, Sunset."

The bride graduated from North Shore High School in Houston, and Sam Houston State College of Huntsville. She is a teacher.

The groom graduated from Memorial High school and attended South Texas Jr. College, both of Houston, then entered the U.S. Army.

The couple will make their home at Ft. Bragg, N.C. where the groom will continue his career in the U.S. Army Special Forces.

MR. AND MRS. JOE KIMBROUGH of Haskell announce the engagement and approaching marriage of their daughter Melissa Ann New to Jeffery Evan Teague, son of Mr. Vernay Teague of Haskell and Mrs. George Cunningham of Larengo. Melissa is a 1978 graduate of Haskell High School. Jeff is a 1976 graduate of Haskell High School and is now self-employed in farming. The wedding will be July 27, in the home of the bride's parents.

Stone, Cleveland Wed

Harriette Jeanne Cleveland and Samuel Ray Stone were united in marriage June 17 at 7:30, in the First United Methodist Church in Abilene with Dr. Charles D. Whittle, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Grover Cleveland of Abilene. The groom is the son of Mr. and Mrs. M.R. Stone of Lubbock.

Given in marriage by her father, the bride wore a dress of white polyknit with A-line

Empire waist. The fitted sheer V-yoke bodice was trimmed in Venise lace and seed pearls. The collar, long Bishop sleeves, cuffs and Watteau chapel train were trimmed in Venise lace. She wore a headpiece of Venise lace with a chapel length veil of bridal illusion adorned with venise daisy appliques. She carried a cascade bouquet of white and yellow daisies, yellow sweetheart roses, blue and white miniature carnations and

baby's breath.

Classical selections were played by Mrs. T. Ashby White, organist. "The Wedding Song," "The Lord's Prayer" were sung by Mrs. Edward James, soloist. Mr. and Mrs. Jud Powell sang "Watching the River Run," accompanied by Jud Powell on guitar.

Matron of Honor was Mrs. Clifford Clinton, sister of the bride. Bridesmaids were Mrs. Bill Bowden and Miss Lisa Grinstead. Flower girl was Jeanne Gilbert.

Best man was Robert Jones. Groomsmen were Bill Stone, brother of the groom and Roger Sosebee. Ushers were Mark Cleveland, brother of the bride, Dan Cogburn, cousin of the groom, and Tom Chaney.

A reception was held in the church parlor. After a brief trip the couple will be at home in Weatherford.

The bride graduated from Permian High School in 1970 and attended Cisco Junior College. She graduated from Pike's Peak Institute of Medical Technology in 1974.

The groom graduated from Haskell High School in 1969 and attended Plains Junior College, Hardin-Simmons University. He is employed by Grand Mud Company of Abilene.

MRS. JOEL KENT LEMLEY
...formerly Shirley Jean Duncan

Lemley, Duncan Vows Read

Miss Shirley Jean Duncan and Joel Kent Lemley were married at 8 p.m., May 27 in the courtyard of the Villa Del Sol. Rev. J.W. Farmer of Midland officiated the double ring ceremony.

Connie Stroud of Midland organist; and Sabria Husey of Greenwood, soloist, offered traditional wedding selections and "When I Love You," "Someone Loves You," "Theme from a Summer Place," and "You Are So Beautiful."

The bride is the daughter of Mr. and Mrs. R.D. Duncan of Midland. Mr. and Mrs. W.H. Rock of 1505 Cumberland, are parents of the bridegroom.

Presented in marriage by her parents, the bride wore a bouffant style gown of white silk organza adorned with thantilly scalloped lace and bridal pearls. The dress featured a fitted bodice, scoop neckline finished with a band of lace and lace fitted ruffle, long sleeves, and tiers of ruffles edged in lace and

sprinkled with bridal pearls formed the skirt and cascading cathedral train. Her three tiered veil, edged in lace, fell to fingertip length from a flowerette head piece designed with lace and enhanced with bridal pearls. She carried a white lace fan covered with a bouquet of red and white roses, accented with blue carnations and sprigs of greenery and lily of the valley. Blue and white steamers of love knots and sweetheart roses fell floor length from the fan.

Attending as maid of honor was Pamela Neeley of Round Rock. Other attendants were Karlen Irving of Austin, Sue Ann Morrow of Midland and Georgia Maddoux of Midland. Dee Morris of Midland was flower girl. Carrying rings was John Beauchamp of Rochester. Candlelighters were James Beauchamp of Rochester, Larry Arledge of Odessa and Duane Donaway of Odessa. Train bearers were Timmy and Chris Lemley.

Scott Stearns of Colorado Springs, Colo., served as best man. Groomsmen were Gerry Lemley of Lewisville, Drexel Lemley of Houston and Allen Stearns of Odessa. Seating guests were Roger Webb of Idalou, Mike Morrow of Midland, and Edward Phillips of Hereford.

A reception for the couple was held poolside at Villa Del Sol Garden following the ceremony.

Following a wedding trip to Las Vegas, Nev., the couple will be at home at 1710 North A Street.

The bride attended Odessa College and has her degree from Midland College. She is employed by Southwester Bell in Midland. Her husband attended Odessa College and West Texas State University at Canyon. He is employed by Coastal Plains in Odessa.

LET US HELP YOU with all your office supply needs. Haskell Free Press.

Marriage Announced

Mr. and Mrs. Bobby L. Howard, Sr. announce the marriage of their daughter, Ginger, to Jerre D. Cox, son of Mrs. Lillian B. Cox, of Bethany, Okla. and the late Rev. Ernest M. Cox.

The ceremony was read on June 8, in the Second Baptist Church, Amarillo. Rev. Charles Jones, pastor, performed the double ring ceremony.

Mr. and Mrs. Gary Jack Bain and Derek D. Cox, son of the groom, were the attendants. Also attending was Mrs. Bobby L. Howard Sr., mother of the bride.

The couple will reside in Amarillo where the bride is employed as a legal assistant for the lawfirm of Fairweather and Hale and the groom is employed as District Supervisor, Quality Control for Santa Fe Railway.

An ideal gift for kids of all ages, the Froggy by Papermate. It's a fun and bouncy pen holder with a fine quality, Papermate pen, perfect for home, school, or office. The Haskell Free Press.

CowBelles Honor Husbands

The Haskell Cowbelles met in the bank building for a covered dish supper on Monday night, June 19, to honor their husbands and their man of the year.

Snuffy Morales was named man of the year because of his support of Cowbelles, his many hours spent just "getting any job done the CowBelles needed him to do."

Twenty guests enjoyed a meal of beef dishes, salads, vegetables and dessert. The CowBelle prayer was ready by Jenny Brazell, and Jean Free gave a short report on the Texas Cattle Feeders comments.

Their next meeting in September.

Branding with confetti is making things rougher for grain thieves. Grain producers are picking up the old practice of marking small slips of paper with identifying numbers and mixing the confetti with their stored grain crop. According to producers who have been using the confetti method for some time, it takes only about seven pounds of the paper to adequately mark and identify 50,000 bushels of grain. Although the small slips of paper are virtually impossible for thieves to separate from the grain, mill operators report they have no problem in removing the confetti during their washing process. Agricultural authorities in areas where the grain identification program is used extensively report a remarkable decline in the number of grain thefts.

WASHINGTON As It Looks From Here'' Omar Burleson Congressman — 17th District

A UNITED STATES DISTRICT JUDGE has ordered the Attorney General, Griffin Bell, to divulge the names of secret informants on activities of the Socialist Workers Party. The Attorney General has thus far refused and is threatened with contempt.

THE SOCIALIST WORKERS PARTY and other subversive organization were at one time outlawed because of their clear intent to overthrow this Government by force and violence. In more recent years, the Supreme Court has said that unless there is an act committed which carries out this intent, the mere existence of these organizations is not in violation of either the constitution or laws enacted by Statute.

FOR YEARS OUR INTELLIGENCE AGENCIES, particularly the FBI, have sought to protect the interest of the Republic and its citizens by infiltration and by other

techniques, to learn the operations of these subversive organizations and to anticipate their threat in advance.

FOR AT LEAST THE LAST FIVE YEARS THIS AUTHORITY AND RESPONSIBILITY has been greatly diminished, stripped away by the Courts. We are in another era from the days when we could keep a watch on those who would destroy our Nation and now we are in a time when terrorism is practiced throughout the world. Who could be a better target for terrorism than the United States, which is held by these radicals as representing the heartland of imperialism, corruption, exploitation, etc.?

THERE IS EVERY REASON TO BELIEVE that we would be a most attractive and spectacular target for the revolutionists. A successful assault in the U.S. would have profound global repercussions and would lift the terrorist offense to its ultimate level.

IN THE MEANTIME, IT SEEMS THAT POWERFUL ELEMENTS in our Nation want to war against the FBI, CIA and other intelligence agencies instead of against preparing protective measures.

THERE HAS RECENTLY BEEN CREATED A COMMITTEE under the Executive Branch of Government to look into this situation and make recommendations on how to counter the tactics of the terrorists who will launch attacks in this Country when they think they have the ability for reasonable success. Those who have given study to this matter understand the absolute discipline of terrorists and know that it will take counteractions to safeguard our interests and that of our citizens.

IN THE PAST WE HAD SECRET SURVEILLANCE, infiltration, wiretaps, mail checks and files on millions of persons throughout the world. Now, the left-wingers bringing action in the Courts are getting decisions which will prevent this measure of protection.

CERTAINLY, WE MUST HONOR THE CONSTITUTION not to intrude upon the rights of others in their freedom of speech and movement. On the other hand, plans should be mustered to prevent crimes on innocent Americans and to recognize that self defense is an art. Unless we have the will and the resoluteness to prepare for every possibility, it may take a tragic circumstance to force us to do something. That "something" may have to be so drastic as to really violate some of the rights which opponents of such actions imagine have been violated. Opponents of such actions, including the courts, may find this "something" more repugnant than what we could and should be under calm resolve.

College News

West Texas State University has announced the students on the President's and the Dean's Honor Rolls for the spring semester, 1978.

Students named to the President's Honor Roll have earned a semester grade point average of 3.85 (4.0 - A) or higher for a completed minimum semester load in residence of 12 semester hours.

The Dean's List represents students who have a semester grade point average of 3.25 to 3.84 for a completed semester load of 12 semester hours or more.

Mona Bledsoe of Haskell made the President's Honor Roll. She is a music education major and will be a sophomore next fall. She lives on Star Route.

John Cox made the Dean's Honor Roll. John is a management major and will be a sophomore next fall. He is the son of Wallace Cox Jr.

More than 4,000 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the spring semester.

Among them were seven from Haskell. And one from Sagerton.

Robert G. Colbert of 707 N. Ave L, accounting, James K. Harkey of 901 N. Ave F., marketing, James C. Melton of 104 N. 3rd, secondary education, Jamie L. Mickler of Route 2, petroleum engineering, Connie A. Perry of Route 1, elementary education, Melissa Roberson, Box 727, health education, Cynthia S. Thomas of Star Route, Box 18, elementary education, and Carol A. Dudensing of Sagerton, Health Education.

To qualify for a dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as 12 semester hours of work.

Texas Tech University has an enrollment of more than 22,000 students in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education Engineering and Home Economics. There also are a Graduate School and a School of Law.

Gleaner SS Class Has Meeting

The Gleaner Sunday School Class of East Side Baptist Church met for a salad supper Tuesday night. New officers were elected for the coming year. Virginia Daniels gave the devotional. Secret Pals were revealed and the teacher Nialene Hall gave an interesting talk about her experiences on a trip she had just returned from.

Discussion topic for the evening was about ghosts and haunted houses.

Obituaries Russell Reising

Funeral services were held June 10 for Russell E. Reising, 77, of San Angelo in Johnson's Funeral Home Chapel with the Rev. Norman Roe of St. Luke's Methodist Church officiating. Burial was in Lawnhaven Memorial Gardens. He died June 8 at St. John's Hospital.

He was born Aug. 22, 1900 in Croydon, Ind., and was married to Anna Lee Seward Jan. 1, 1968 in San Angelo. He was the son of Mr. and Mrs. J.M. (Joe) Reising formerly of Rochester. He was a Methodist.

Survivors include his wife; one son, William Russell Reising of Sacramento, Calif.; one daughter, Mrs. Harold Barber of Chino, Calif.; two step-daughters, Mrs. Jo Ann Hammond and Mrs. Billie Long, both of Colorado City; two brothers, Hobert Reising of Plainview and David Reising of San Antonio; two sisters, Mrs. Clyde Gwyn of Midland and Mrs. Paul Flaughter of Borger; six grandchildren; and one great-grandchild.

A FATHERS DAY GIFT
The following poem was written by 11 year Belen Sanchez for her father, Victor Sanchez Jr. for Fathers Day.

MY DAD
My dad is big, my dad is strong.
He never does a thing that's wrong.
His voice is firm, his laughter gay.
I think of him throughout the day.
Oh, how lucky 'tis to be.
A part of such a man as he.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

(Editors Note: The following is a letter received recently from Griffin High. He is the son of Mr. and Ms. Joseph High of Stamford and the Grandson of Mr. and Mrs. E.C. Tidwell of Haskell and is currently living in Hamburg, Germany, where he is studying to become a florist.

sometimes its 100 acres of all one color. I thought I had found the end of the rainbow.

Denmark was equally as beautiful but some different. Denmark has big rolling hills and lots of trees. They grow wheat and oats mainly and during springtime you see cattle dotted out in the field grazing the young crops. It's a beautiful sight. In both Holland and Denmark I found the people to be extremely friendly. I think the American's have a lot to learn about how to treat people from other countries.

Soon I will be moving to Holland for a few months. I will let you know how things go there. Tell everybody hello and please save some catfish for me.

Love Griffin High.

Thought I would drop you a note. I haven't written in awhile. I've been pretty busy lately. My trips to Holland and Denmark were really nice. I spent 4 days in Holland and 2 days in Denmark. Holland was amazing with all of the tulips in bloom. They grow tulips just like we farm cotton in Texas. Imagine 20 acres of red tulips next to 20 acres yellow, next to 20 white, next to 20 orange, next to 20 pink and
