

INDIAN MONNIE HISE encounters tough going during last week's scrimmage at Spur. The Tribe scored three times and held Spur scoreless never allowing them across the 50 yard line. The Tribe will

scrimmage Archer City this Friday at Indian Field. The scrimmage will be followed by the booster club ice cream supper. (Staff Photo)

Ice Cream Supper Follows

Indians Scrimmage Archer City Friday

The Haskell Indians will scrimmage Archer City this Friday at Indian Field and local grid fans can enjoy a full afternoon of football with scrimmages beginning at 4 p.m.

The Haskell JV will scrimmage the Rochester varsity beginning at 4. The Haskell and Archer City Freshmen will scrimmage about 5:30 and the Indians will begin about 7:30 p.m.

The Iowa Park Hawks will scrimmage Sweetwater tonight, August 31, at Indian

field and local fans are invited to attend to be on hand at 7:30 for this match-up.

Last Friday the Tribe traveled to Spur and for their first scrimmage. The Tribe scored three times during their allotted 40 offensive plays and the defensive held Spur scoreless. The Spur team was

SBA Request Loan Application Information

Anyone who received an application for SBA Flood Disaster Loan who has not yet contacted the SBA office in the Jury Room on the third floor of the courthouse is urged to call the SBA at 864-2642 in Haskell and advise them if you plan to file the application. If you need assistance in completing the loan papers see them and they will be happy to assist until Oct. 3 when the office will close.

The office will be closed over the Labor Day weekend, Sat., Sun., and Mon. Sept. 2, 3 & 4. They will be open from then on weekdays only from 8 a.m. until 4:30 p.m.

Paint Creek Hires Operator

The Paint Creek Water Supply Corp. announces the employment of Wayne and Judy Routon. They will begin working Sept. 1978. Customers reporting leaks or desiring other assistance are asked to call Wayne at his home 915-773-3471. Judy is employed at the First National Bank in Stamford in the bookkeeping department and can be contacted at 915-773-3631. Customers are asked to make note of these two phone numbers for future reference.

Special Sales Set Saturday To Raise Funds

The Haskell Jaycees and Jaycee-ettes will have two fund raising projects, Saturday. Funds from the projects will be used to help defrayed medical expenses of 8 year old, Jimmy Mac Steadham, son of Mr. and Mrs. Jimmy Steadham of Haskell.

The Jaycees will sell donuts from 8 a.m. to 10 a.m. and the Jaycee-ettes will have a bake sale in front of Ben Franklin's. Steadham will check into Children's Hospital in Dallas next Tuesday.

DPS Urges Caution In School Areas

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety at Lubbock, said today, "There are hundreds of thousands of good reasons why Texas motorists should use extra caution while driving near schools this month.

"Many of our youngsters will be going to school for the first time and will not be aware of the many hazards existing on Texas' busy streets and highways.

"Precautionary measures, such as traffic signs and signals, safety zones and pedestrian crosswalks, are virtually useless if your children have not acquired good pedestrian safety habits."

Children's responsibilities to and from school include: observing all traffic signs and signals, walking against the flow of traffic when no sidewalk is present, crossing streets at designated crosswalks, and maintaining orderly conduct while enroute to and from school.

"As parents, we must be absolutely sure our children have a clear understanding of traffic dangers. In addition, as drivers, we must always be on the lookout for school children. It's our responsibility—as a parent—as a motorist—as a citizen," said Major Bell.

NOTICE DOGWOWNERS
The City Council of Weinert announces that Tom Hairgrove, D.V.M., will be in Weinert at the Community Center to vaccinate all dogs and cats for rabies Wednesday, Sept. 6 from 2:30 until 5:00 p.m.

Assistance Available

Governor Dolph Briscoe announced that President Carter declared Kerr, Bandera, Kendall, Shackelford, Haskell, Throckmorton, Young, and Stephens counties disaster areas due to severe rain storms and flooding during the period August 1, through August 3, 1978.

Disaster Centers were set up in affected areas immediately after the disaster. If you could not report to a Center for assistance at that time you may now contact your nearest Texas Employment Commission Office.

Applications for Disaster Unemployment Assistance must be filed within 30 days from the announcement date of August 21, 1978.

YOU MAY QUALIFY to receive disaster unemployment assistance if you:

- worked or were scheduled to work in the disaster area, either for yourself or for an employer, but because of the disaster, you (1) no longer had a job, or (2) no longer had a place to work in the area, or (3) could not get to your place of work because of the disaster damage;
- lived in the major disaster area and were unable because of the damage to get to the place where you worked in another area;
- were prevented from going to work by an injury or illness that resulted from the disaster;
- became head of a household and needed a job because the head of the household died as a result of the disaster;
- OR have other good reasons which you think could qualify you for compensation. Talk them over with the people at the local unemployment insurance office.

For additional information contact: Mrs. Patricia Boyd, Manager, Texas Employment Commission, 2222 Pease St., Vernon, Texas 76384, Telephone: 817-552-9381.

Members of the Booster Club will be selling memberships before the scrimmage and during the ice cream supper.

The Booster Club supports all athletic programs at Haskell and urge parents and fans to join in the fun.

During the ice cream supper, coaches and players will be introduced.

Water Superintendent Marvin Collins has announced that water in Haskell will be turned off tonight, August 31, from about 8 p.m. to about midnight.

The times are approximate as City employees are attempting to fix a leak and replace a faulty fire hydrant and will not know what kind of problems will be encountered until the project is underway.

All residents are requested to draw enough water for necessary use. The City regrets any inconvenience and appreciates the understanding and cooperation of all local residents.

WTC To Offer Management Courses

Labor statistics indicate there is a nationwide shortage of men and women qualified to fill management and supervisory positions, and Western Texas College is one of the growing number of colleges which train personnel for these positions through a Mid-Management program.

WTC will be offering Mid Management courses for students at the Haskell extension center this fall with Bob Hays and Jerry Schuchert as instructors. Hays, who joined the WTC faculty at mid-term last year, will be teaching Principles of Management (MGT 132) on Thursday nights and will also be the instructor for four internship courses at times to be arranged. Schuchert will offer Customer Relations (MGT 236) on Wednesday nights.

"I would like to meet and talk with people interested in

DPS Optimistic For Labor Day Holiday

Regional Commander, Major C.W. Bell of Lubbock Department of Public Safety Region 5, comprising of 60 counties, is optimistic for a safer Labor Day Weekend 1978. Last year, Texas lost only 27 in fatal crashes on the highways. This is the lowest number killed in traffic accidents on a Labor Day Weekend since 1966, when the death toll was only 23. Major Bell said, "Holiday traffic will be heavy near recreational areas such as lakes and camp grounds. The Texas motorist should be extra careful for children playing and for motorcycles. Both are

difficult to recognize by the motorist in these crowded places." Bell said that the drinking driver still poses a problem in traffic. He urges the motorists to cooperate with all law enforcement agencies in helping to reduce loss of life by being especially alert for the drunken driver.

The Texas Department of Public Safety will have its uniform personnel available around the clock during Labor Day Operation Motorcade 1978. These troopers will be on the lookout for the DWI and speeding driver, since these are two main causes of fatal accidents.

The past few holidays have indicated that another type of vehicle is a major source of death on the highways. This vehicle is the motorcycle. Motorcyclists are not wearing protected head gear, and the

loss is overwhelming when the helmet is not used.

The DPS is made up of people who care about saving human lives. This is their job. Also, the Texas motorist will find that the trooper is more than willing to assist in directing the lost motorist to the proper and safe routes available. The DPS encourages the stranded motorist to obtain help from its troopers on the rural highways in order to maintain proper security while traveling these long stretches of roadways during the Labor Day Weekend.

Major Bell concluded by saying, "More people are killed in Texas each year in traffic than are killed by the handgun. These traffic deaths are just as senseless, as needless, and as tragic as those by the handgun, but not nearly as well publicized."

AAM To Show Film

Haskell American Agriculture Movement members will present a film tonight, August 31, at the Elementary School Cafeteria, dealing with the economic situation that faces today's farmers and ranchers.

The film was produced by Gene Schroder, one of the founders of AAM. Schroder is a farmer from Baca County Colorado, and is a 31 year old veterinarian.

The film is one hour long and this will be the second time it has been shown in the state of Texas. Local AAM members are very pleased that they were able to obtain a copy of the film and invite everyone to attend the showing.

AAM members feel that by gaining a better understanding of the economic problems faced by farmers and ranchers, the people of rural America will be better able to assist agriculture leaders in reaching a solution which is fair to everyone concerned.

Rehab Center Names Round-Up Chairmen

With the approach of fall comes the 19th Annual Cattleman's Round-Up for Crippled Children which annually benefits the West Texas Rehabilitation Center in Abilene, San Angelo and Snyder.

The Center announced today the area chairmen who each year help the Center in this state-wide Round-Up that over the years has played such a major role in the building of this great humanitarian institution.

Announced as chairman for the Haskell area is James Powell.

Area chairmen will be contacting their friends and neighbors enlisting their donations of livestock and cash, looking to a special

auction—the Cattle Sale at 1 p.m., Monday, Sept. 25, at the Abilene Auction. The date of the Horse Sale has been set for Oct. 7 also at Abilene Auction, and the Special Sale in Coleman at 1 p.m., Wed., Oct. 4 at Coleman Livestock Auction.

The West Texas Rehabilitation Center is a private, non-profit out-patient treatment center which has invited a multi-faceted program of services to the handicapped of the Southwest for more than a quarter of a century.

The Center has a 1978 operating budget of \$1.8 million and will serve through its three campuses almost 7,000 handicapped this year. More than 60% of the Center's income is in the form of contributions. All patients are served without regard to race, creed, color, place of residence, or ability to pay.

Franklin pointed out that stock men anywhere in the state wishing to donate livestock should contact their area chairman or the Center's Central Office at (915) 692-1633. Arrangements will be made to pick up the livestock to be brought to Abilene for the sale.

Traditionally the annual Cattleman's Round-Up for Crippled Children has been the major fall fund-raising project to give the Center the last quarter boost necessary to finish the year on a sound financial footing. The goal for this year's Round-Up is a minimum of \$175,000.

City Water To Be Off For Repairs

Water Superintendent Marvin Collins has announced that water in Haskell will be turned off tonight, August 31, from about 8 p.m. to about midnight.

The times are approximate as City employees are attempting to fix a leak and replace a faulty fire hydrant and will not know what kind of problems will be encountered until the project is underway.

All residents are requested to draw enough water for necessary use. The City regrets any inconvenience and appreciates the understanding and cooperation of all local residents.

Jaycees Set Two Projects This Weekend

The Haskell County Jaycees and Jaycee-ettes will host two projects this weekend, a Labor Day Rest Stop and will answer phones and collect donations during the Jerry Lewis Telethon for Muscular Dystrophy.

The rest stop will be held on the courthouse lawn and will be open nightly, Friday, Saturday and Monday nights. The rest stop will be open Friday and Saturday from 8 p.m. to 6 a.m. and Monday from 8 p.m. to 2 a.m.

The telethon will be televised locally and local Jaycees and Jaycee-ettes will make telephone and pickup donations or deliver pledge cards. The project will be headquar-

tered at the Haskell Chamber of Commerce office and a special telephone will be installed to receive calls. The number of the phone is 864-2615.

The Jaycees and Jaycee-ettes will answer the phones beginning at 8 p.m. Sunday till 5:30 p.m. Monday.

Both the rest stop and the telethon are State Jaycee projects and Jaycees and Jaycee-ettes all over the USA will participate in the projects.

Haskell residents who plan to be away during the holidays are urged to stop and enjoy coffee, soft drinks and cookies with Jaycees or just stop for a short rest and stretch your legs while traveling.

EXTENSIVE DAMAGE resulted August 26, when this 1977 Ford Thunderbird struck the rear end of a 1973 Chevrolet pick-up. The accident occurred on U.S. 277 about 2 miles north of Stamford at approximately 5 a.m. Minor injuries were

sustained. Driver of the Ford was Timothy Ray Peterson of Snyder and driver of the pick-up was Aubrey J. Kerley of Carrollton. Citations were issued by DPS Trooper II Don Collins who investigated the accident. (Staff Photo)

PUBLIC HEARING NOTICE

The Texas Department of Water Resources will conduct a public hearing beginning at 1:30 p.m. - September 28, 1978 Brazos River Authority Board Room 4400 Cobbs Waco, Texas

in order to receive testimony concerning Volume II, Plan Summary Report, of the Water Quality Management Plan for the Brazos Basin. This document is the second of two volumes which comprise the Water Quality Management Plan for the Brazos Basin. Volume II, Plan Summary Report, presents the recommended plans for water quality management and the legal, financial, and institutional requirements of each plan. Also included in Volume II are descriptions of feasible alternatives, an environmental assessment, and a summary of the public participation activities conducted during the development of the plan. The Water Quality Management Plan for the Brazos Basin has been developed to satisfy the requirements of Section 26.036 Texas Water Code, as amended, and Section 208 of the Federal Water Pollution Control Act, and pursuant to Title 40 Code of Federal Regulations Parts 130 and 131 and the State of Texas Continuing Planning Process. The public hearing shall be conducted in compliance with Section 26.037, Texas Water Code, as amended.

The study area for this plan includes most of the Brazos Basin. This plan does not address the planning required in the Killean-Temple Designated Area-wide Planning Area; detailed planning within that area is being provided through the development of the Killean-Temple Area-wide Waste Treatment Management Plan and will not be considered at this hearing.

Copies of the Volume II, Plan Summary Report, are available for public inspection. Review of Volume II, Plan Summary Report, at one of the following locations is encouraged due to the limited number of copies available for distribution: Texas Department of Water Resources Office, Stephen F. Austin Building, 1700 North Congress Avenue, Austin, Texas; Texas Department of Water Resources District 1 Office, Amarillo Building, 301 S. Polk, Room 306, Amarillo, Texas 79106; Texas Department of Water Resources District 2 Office, 4819 Avenue Q, Lubbock, Texas 79412; Texas Department of Water Resources District 4 Office, 203 James Collins Blvd., Duncannon, Texas 75116; Texas Department of Water Resources District 7 Office, 2318 Center Street, Deer Park, Texas 77536; Texas Department of Water Resources District 9 Office, 133 West Concho, San Angelo, Texas 76903; Brazos River Authority, P.O. Box 7555, Waco, Texas 76710.

The public is encouraged to attend the hearing and to present evidence or opinions concerning Volume II, Plan Summary Report. The Department would appreciate receiving a copy of all written testimony at least five (5) days before the hearing. Requests for individual copies of the Volume II, Plan Summary Report, questions about the report or the public hearing, and copies of written testimony should be addressed to Jackson H. Kramer, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711, or call (512) 475-3454. When requesting a copy or sending a query by mail, please include your complete return address and telephone number.

The date selected for this hearing is intended to comply with deadlines set by statute and regulation. Any publication or receipt of this notice less than thirty calendar days prior to the hearing date is due to the necessity of scheduling the hearing on the date selected.

This public hearing may be continued in order to fully develop the evidence. Issued this 18th day of August, 1978. Emory G. Long, Director Construction Grants and Water Quality Planning 35c

Card of Thanks

Lamb, Jones Repeat Vows In Sagerton

Kara Rachele Jones and William (Billy) Ray Lamb were united in marriage August 19 in Faith Lutheran Church in Sagerton. William McKee officiated.

The bride is the daughter of Mr. and Mrs. Jack Jones of Old Glory. The groom is the son of Mr. and Mrs. Billy G. Lamb of Dalhart.

Organist was Mrs. Billy Jo Roberson. Sarah Cox was soloist and Kiersta Lane was flutist.

Given in marriage by her father, the bride wore a long dress with fitted bodice with pleated chiffon front trimmed with seed pearls. Her veil covered the whole train. She carried a bouquet of white roses.

Alrisa Cox was Maid of Honor. Bridesmaids were Billie Jo Baitz, Jami Pierce,

Beverly Davis, Celinda Allison and Lisa Smith. They wore long yellow dresses trimmed with white lace. They carried yellow roses and white daisies and wore white daisies in their hair.

Kodel Healin was flower girl. Ring bearer was Tye Barker.

Best Man was Kenny Boatman. Groomsmen were Mike Buckner, Poncho Morrow, Jacky Jones and Guy Callicoaite. Ushers were Thomas Heaglin and Jim Barker.

A wedding dance was held in Sons of Hermann Lodge in Old Glory.

After a wedding trip to Dallas the couple will reside at the Peace Pipe Ranch near Clairemont where the groom is employed.

BIRTHS

Mr. and Mrs. Bobby Lee Wolf, of Haskell, are the proud parents of a daughter, Amanda Gaye Wolf, born August 27, 1978 in the Haskell Memorial Hospital, weighing 7 lbs. 5 ozs.

MRS. ROGER HALLMAN
...formerly Mary Ann Meadors

Hellman, Meadors Wed

Mary Ann Meadors and Roger Hellman, both of Lubbock were united in marriage August 26, in the Garden of Park Terrace Apartments in Lubbock. Rev. Jerry Phillips officiated.

The bride is the daughter of the late V.W. Meadors, Jr. and Georger Meadors. The groom is the son of Mr. and Mrs. R.H. Hellman of Austin.

Music was provided by Craig and Cherise Folk Group.

Given in marriage by her uncle, J.A. Haddock, the bride wore a long voile dress in candlelight. The empire bodice was fashioned with a portrait neckline with a berth collar edged with open flower alencon lace. She wore a cornell of spring flowers in her

hair. She carried a spring bouquet.

Maid of Honor was her sister, Teresa Meadors of Dallas. She wore a waltz length voile dress in blue, mauve, and orchard shades. She carried a spring bouquet and wore spring flowers in her hair.

Best Man was James Robinson of Lubbock.

A reception followed the ceremony.

After a wedding trip to California the couple will reside in Park Terrace Apts. in Lubbock.

The bride attended TCU and Westmont College in Santa Barbara, California. She is a graduate of Texas Tech University.

The groom attended Concordia College in Austin and Texas Tech University. Mrs. Hellman is the granddaughter of Virgil Meadors, Sr. of Haskell.

Koslan, Blacklock United

Miss LeAnn Blacklock, daughter of Mr. and Mrs. Wayne Blacklock of Austin, became the bride of Mr. Jesse Lee Koslan, on Saturday, the 26th of August, at Windsor Park Baptist Church in Austin. Parents of the groom are Mr. and Mrs. Erwin G. Koslan also of Austin.

Music preceding the wedding was furnished by Mrs. Jim Crawford at the piano, and Mr. Ken Steele on the organ. "Claire DeLune" was presented by Miss Keri Lay on the Violin, accompanied by Mrs. Crawford. Soloist were Miss Polly Rethlake, Mr. Joe Shemfessel and Mr. Erick Blanchett.

The bride, given in marriage by her father, wore her Mother's wedding gown of ivory dutchess satin fashioned with a fitted bodice, full gathered skirt, extending into a cathedral train. Her veil was floor length. She wore her Grandmother's diamond and pearl lavalier, which her

ceremony in the church fellowship hall. The rehearsal dinner was held at El Chico Restaurant on Friday evening, hosted by the parents of the Groom.

After a wedding trip to the coast, the couple will live in Waco. Mr. Koslan is a graduate of T.S.T.I. at Waco and is now employed at Waco Ford Tractor Company. Mrs. Koslan attended Baylor University, and is employed as a secretary at T.S.T.I.

Those attending the wedding from Haskell were Mr. and Mrs. Hoyt Perry, grandparents of the bride, Mr. and Mrs. J.R. Perry and Ricky, Mr. and Mrs. Don Perry and Connie, Mr. and Mrs. Gene Perry of Stanton and Miss Amelia Rhaye Perry of Abilene also attended.

MRS. JESSE LEE KOSLAN
...formerly LeAnn Blacklock

MRS. WILLIAM RAY LAMB
...formerly Kara Rachele Jones

Around Town

Mrs. Ruby Smith of Haskell and Mrs. Hazel Womble of Abilene have returned from Chester, England where they lived for 4 months. While there they also toured Scotland, Wales and Ireland. They were on "stand-by" at Gatwick Airport, London, for 5 days-where they met a young man-Bill Overton from Haskell. Small world!

Kelly Watkins of Irving spent the weekend with Mr. and Mrs. R.L. Edwards. Kelly is the daughter of Mr. and Mrs. Ronnie Watkins.

Visiting in the home of Mrs. Colon Moody several days last week was her cousin Vivian Haley of Tulsa.

Mr. and Mrs. Richard Riley have returned from a very nice vacation to Ruidoso, New Mexico. They spent several days enjoying the races at Ruidoso Downs and visiting with friends from Leveand, Mr. and Mrs. Worth Green.

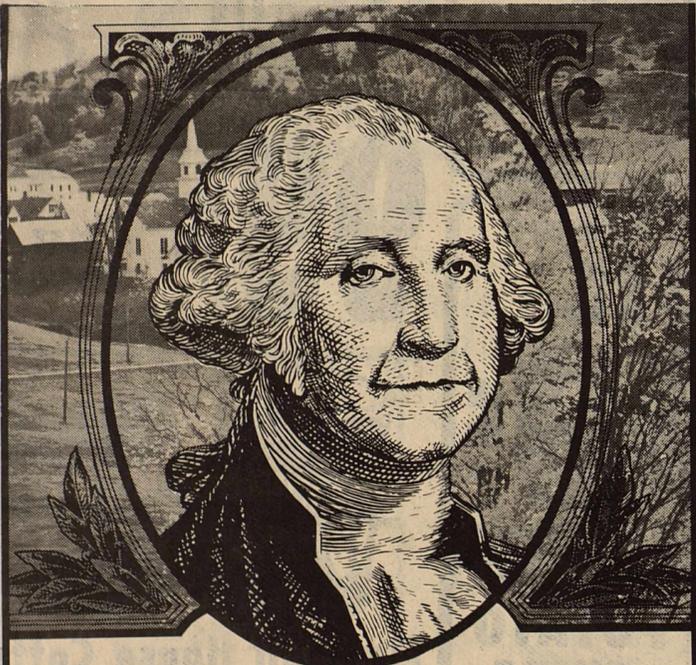

Mrs. W.H. Amonett and granddaughter Kayla Pannell

have returned from a month's vacation in Oakland, Oregon. They were visiting Mrs. Amonett's sister, Mrs. John Miller for the first time in 11 years. They enjoyed a trip to the ocean and lots of sight-seeing.

Mr. and Mrs. Bill Reeves attended the exercise at A&M University where Doug Armstrong, their son-in-law received his Doctor of Veterinarian Medical Degree. They were joined there by Mr. and Mrs. Mike Harrell and Robin of Houston. Also attending the exercise were Connie Frierson and John Wallace Cox, ex-students from Haskell who now attend A&M.

B & PW MEETING

Haskell B & PW Club will have its first meeting of the 1978-79 club year, Sept. 5th at 7:00 in the Community Room. All members are urged to attend.

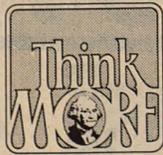

Save, America!

Together, let's invest time and effort... and money... now, so that we can look forward to the future.

Our contribution to your future is the high return that any of our more-for-your money savings accounts delivers.

We provide the opportunity for you to cash in on tomorrow.

MR. AND MRS. T.L. SOLOMON, SR.

Solomons To Celebrate Golden Anniversary

Mr. and Mrs. T.L. Solomon, Sr. will celebrate their 50th wedding anniversary Sunday from 2:30 until 5:00 p.m. at the Community Room. All friends and relatives are cordially invited.

Hosting the celebration will be their children Mr. and Mrs. Travis Solomon, Jr., Mr. and Mrs. Ernest Moeller (Zella Mae) both from Haskell. Mr. and Mrs. J.C. Solomon of Abilene, their 7 grandchildren and 1 great grandson.

Mr. Solomon was born May 18, 1902 in Haskell County. He has farmed most of his life, but from 1957 to 1965 worked at Market Grain Company

here in Haskell. Now retired he enjoys gardening and taking his daily walks. Mrs. Solomon, the former Essie Littlepage was born Nov. 9, 1907 in Young County near Graham, and came to Haskell at the age of 3 with her parents. They have lived in and around Haskell all of their lives.

The Solomons were married on Sept. 6, 1928 in the parsonage of the First Presbyterian Church in Haskell by the late Rev. M.L. Baker.

They are both active members of the First Assembly of God Church.

Peggy Harris To Lead Indian Band

Peggy Harris, a senior of Haskell High School, will be the Indian Band Drum Major for the 1978-'79 school year.

This will be her seventh year to be a member of the Haskell bands and thru the years she has played the following instruments; clarinet, contra bass clarinet, tuba, baritone, and bari-saxophone. The last two years she has been a member of the all district band playing the contra bass clarinet.

Peggy has recently returned from a two week band camp at Lubbock Texas Tech, where she attended drum majoring classes and was a member of the seventh band, playing the bari-sax. At the concert ending the scroll of honor from Tau Beta Sigma National Honoring Band Sorority for outstanding achievement by a band member during the summer camp experience.

Peggy is the daughter of Mr. and Mrs. Henry Harris.

Leisure Lodge News

We are happy that Raymond (Dutch) Wheeler is back after being in Hendrick's Memorial Hospital in Abilene for tests. He got a good report.

Mr. Sam Parks is a patient in Haskell Memorial Hospital this week. We wish for him a speedy recovery.

Mrs. Ivy Massie went out riding on Sunday with her sister, Mrs. Elmer Wheatley. Mrs. Dora Long, a former resident of Leisure Lodge was back visiting Clara Hendrix,

Carrie Edwards and others. Mrs. Long lives in Odessa.

Mrs. Carrie Edwards was invited out for lunch with Mrs. Ruby Matthews on Friday. Visitors of Mrs. Edwards were Edna Adkins, Mrs. Manford Reid of Rochester.

Kathryn Mitchell was in Stamford this week with her father-in-law Juel Mithcell, for a check-up. Mr. and Mrs. Lloyd Bradley from Goree visited his mother, Lillie Bradley.

Visiting Mary Ray were Mr. and Mrs. Thomas Corigliano, Almagorda, N.M., Gayla Ray from Helena, Ark., Mr. and Mrs. Mike Ray from Los Angeles, Calif., Mr. and Mrs. L.A. Ray of Stephenville, and Mr. and Mrs. Menard Field of Floydada.

Visiting Mrs. Lummie Westmoreland were Mrs. George Sanders, Weatherford, Mr. and Mrs. Newton Westmoreland, Mrs. Jone Sheid, Mrs. A.B. Arnet and Mrs. Clyde Franklin all of Rule.

Mrs. Ray Carter and Mrs. Buford Westmoreland of Rule visited Mrs. Donna Westmoreland. Mr. and Mrs. Sam West of Lubbock, Mr. and Mrs. Dennis Albuquerque, of Ft. Worth, Mr. and Mrs. Harold Buker, Graham, Mr. and Mrs. B.W. Webb and Matt of Jud, visited Mr. C.W. West.

Mr. and Harroll Crist of Pampa and Mr. and Mrs. Bill Hunt of Rule visited Mrs. Bessie Hokett.

Mr. and Mrs. Johnny Ringgold of Abilene, Mrs. Dorothy Glover of Rochester and Mrs. Oleta Whitt of Abilene visited Mrs. Cecil Whitt. Mrs. Eunice Strickland of Rochester was also a visitor.

Sunday services were enjoyed by the folks from the First Baptist Church at 10:20.

MEXICAN PLATE LUNCH

Members of St. Georges' Catholic Church will have a Mexican plate lunch this Sunday from 11 a.m. to 1 p.m. All funds will be used to pay for a recently completed parish hall. There will also be two special drawings at 1 p.m. A live hog ready for butchering and a quilt will be given away.

Rice Springs News

The First Baptist Church has been bringing the Sunday morning services for all the residents. All the residents have enjoyed these services.

Mrs. Jay Pumphery of Ft. Worth visited with Jonnye Pumphery.

Myrel Jordan of Ft. Worth visited with Annie Howard. Annie Jones welcomed a visit from Chess, Linda, Lane and Jessica Jones of Colorado.

Mrs. Garland Wood of Grand Junction, Colo., visited with her mother Mamie Alley. Dessie Marion welcomed a visit from Myrel Jordan of Ft. Worth.

Mr. and Mrs. Fred Kupatt of Sagerton visited with his mother Hilda Kupatt. Frankie Posey and Neta of Knox City visited with Edna Collins.

Visitors of Alvena Holle were: Mrs. Alvin Bredthauer of Sagerton, Mrs. Carl Druess-dow and Mrs. Emma Rappett of Stamford, and Steven Lehmann of Old Glory.

The Country/Western band from Stamford entertained the residents last Thursday night. All the residents enjoyed the music very much and look forward to their return.

Visitors of Charity Bradley included: Mrs. Peggy Kittley, Mrs. Mary Place, Mrs. Gerlene Pool, Mrs. Lucy Williams and Mrs. Clara Hines all of Rule, and Chaplin and Mrs. Robert Barnett of San Antonio.

Visitors of Trudie Bush were: Mr. and Mrs. Raymond Smith, and Mrs. Flora Smith, Mr. and Mrs. Hollis Rucker all of Rule, Robbie Harriss of Dallas, Sharon Smith of Ft. Worth and Ada Snyder of Seymour.

All the residents would like to welcome Claudine Chapman and Emma Puschel. Visitors of Maggie Martin were: Odessa Rucker, Lucy Williams and Clara Hines all of Rule, Robbie Harriss of Dallas and Ada Snyder of Seymour.

Mrs. Tommy Verner, Mrs. Lucy Williams and Mrs. Clara Hines of Rule visited with Alma Cole.

Ora McCollough welcomed visits from Hallie Morgan and Zina Bills of Rule, Mr. and Mrs. George Morgan of Houston, Claudia Keller of O'Brien, and Jack and Evelyn Green of Ft. Worth.

The ladies from the Haskell Church of Christ held their monthly birthday party Thursday afternoon. All the residents enjoyed the kinds of delicious cakes and punch. Those celebrating birthdays the month of August were: James Lewis, Ada Williamson, Martin Letz, J.W. Earp, Alvena Holle, Ora McCollough, Etna Duncan and Eunice Thornhill.

BIRTHS

Mr. and Mrs. Glenn Pogue of Haskell announce the birth of a son, John Clancey Pogue, born August 18, 1978 at 1:26 a.m. in Hendrix Medical Center in Abilene. He weighed 3 lbs. 12 ozs. and was 15" inches long. Paternal grandparents are Mr. and Mrs. Bud Pogue of Haskell. Maternal grandparents are Mr. and Mrs. R.G. Graston of Haskell.

Things happening in our community during the next few days are:

Thursday, August 31, the L.O.C. Home Demonstration Club will meet in the home of Joyce LeFevre. Mrs. Joanne James, the new Haskell County Extension Agent, will meet with the group. Visitors are welcome. The meeting begins at 2:00 p.m.

Sunday, September 10, has been set aside for the monthly singing at the Sagerton United Methodist Church, at 2:00 p.m. The singings were not held during the summer months, but they will now be resumed, and everyone is invited to come and join in the singing or just listen. They

especially welcome all groups from the surrounding area.

Melissa Nierdieck, daughter of Mr. and Mrs. Herbert Nierdieck, and a spring graduate of Stamford High School, will attend college at Tarleton State University in Stephenville this fall. Her name was omitted from last week's list of those attending college from our community in last week's paper. We are very sorry. It was not intentional.

Melissa was a very industrious student at Stamford High School. She was a member of the Bulldog Band and worked as a cashier and checker at J.R.B. as part of the diversified education pro-

gram. Mr. and Mrs. F.A. Ulmer went to Vega last week and took their granddaughter, Stacey Whitaker, home. They spent the night there with Mr. and Mrs. Keith Whitaker and Kyle.

Mr. and Mrs. Grady Laughlin of Fort Worth visited old friends here Saturday and visited with Mrs. Lillie Spitzer at Rice Springs Care Home in Haskell.

Mrs. Cliff LeFevre is visiting with relatives in Houston and Angleton. She went home with her sister, Mrs. Ladain Anderson, who lives in Houston and was out here visiting. Mrs. Lorena Emshaff, who was here visiting Mr. and Mrs. August Balzer, also rode with them to Brenham.

Mrs. M.Y. Benton, who has been visiting in Fort Worth, came home last weekend. Her son, Yater, Jr., brought her home.

Mr. and Mrs. Bob Clark and family of Abilene and Mrs. M.Y. Benton and Mrs. John Clark were guests in the Charles Clark home for lunch Sunday.

Guests in the home of Mr. and Mrs. Delbert LeFevre for lunch Sunday were: Kent LeFevre of Abilene, and Mr. and Mrs. Larry LeFevre, Shane and Larressa, and Jill. Jill left for college at McMurry after lunch.

There were a lot of reminiscing done of days gone by at the home of Mr. and Mrs. Joe Clark Monday night of last week when the following group gathered to visit with Rev. and Mrs. Juergensen from Humboldt, Kansas; Mr. and Mrs. Beno Erdman, Miss Lillian Neinst, Mrs. Emma Raphael, Mrs. Jack Jones, and Mr. and Mrs. Ervin Diers. Mrs. Juergensen's sister, Edna, also accompanied them. After supper and visiting, the group sang songs around the old pump organ that the Clarks have that was the original organ at the First Zion Lutheran Church here in Sagerton. The Juergensen's came here in 1927, and this was his first church.

Mr. and Mrs. Delbert LeFevre visited in Terrell Monday night with Mr. and Mrs. Mike Bailey and sons Rob, Rus, Brad and Brian.

Get well wishes to Mrs. Otto Lehrmann, who had gall bladder surgery at the Stamford Memorial Hospital last week. We hope she will soon be back home and feeling fine.

Conservation Viewpoints

Flooding Highlights Weaknesses

Flood-producing rains, such as those received in Haskell County August 3rd and 4th, highlight weaknesses in terrace systems and poor farming practices being used.

Contour Farming is not just a conservation practice recommended to add difficulties to farming operations and to sketch pretty designs on a field. Contour farming is recommended to help prevent excessive soil and moisture loss. Much of the rainfall received in the Haskell Soil and Water Conservation District fell faster than it could soak into bare ground.

Terraces and contour farming (running rows parallel to the terraces) allow rainfall more time to soak into the ground. Running rows up and down the slope of land and over terraces gives rainfall less time to soak into the land. In fact, water from hard

dashing rains will be lost so fast that only the top two or three inches of soil will be wet. Even more important, tons of topsoil can be carried off by fast moving water as it travels down slopes.

Rows running across terraces instead of with terraces, cause terrace systems to fail. Every time a terrace is crossed with tillage equipment, the height of the terrace is reduced. To work properly and give protection from water erosion, most field terraces need to be more than one foot high. When terraces are worked down below this needed height, a good rain causes them to break.

Another cause for terraces failure due to not practicing contour farming is the build-up of soil in the wrong places. As mentioned previously, water in rows running up and down hills will carry a large

amount of soil with it due to the speed at which the water flows. When this muddy water slows down, the heavier soil will drop or settle out. Terraces, ridges and grassed waterways slow the speed of runoff water. Therefore, silt bars form in terrace shannels and in water ways where there is a terrace outlet. These silt bars can cause terrace systems to fail.

Terrace systems are like a house or any piece of equipment—its life span depends on how it is used. Contour Farming and periodic maintenance are essential in keeping terraces systems functioning properly. Which way are the rows on your farm being run?

My thanks go to Wayne Wilcox, SCS Conservationist from Vernon for the above thoughts. Now I would like to add a few of my own

observations and thoughts concerning the recent flooding in Haskell County and the surrounding counties.

The practice of farming across the terraces has become, in recent years, a very discouraging sight to those of us in the field of conservation. I know that it is often too much trouble to follow terraces with the multi-row equipment in use today. But along comes a real gully washer, and who is the loser. Yes, some time and fuel has been saved by farming across terraces keeping the rows straight, not having any point rows to worry about. But what of the value of the topsoil that has been lost in one single night back at the first of this month? What about the expense of reclaiming that washed away field? What about the loss of production for several years to come from those gullied areas

in the fields? Untold millions of dollars worth of rich topsoil now rests at the bottom of some lake, farm pond, or silted up in the pastures.

However, there is one consolation. Even the farmer who contour farmed with his terraces lost in this month holocaust. But his losses is nothing to compare with that which can be seen all over Haskell County.

I hope to have more next week concerning all of the fine points and details concerning the Emergency Conservation Measures Program. Keep in touch with both your ASCS Office and your SCS Office in Haskell for the latest developments. We hope to be underway with repairs, hopefully by the time this goes to press.

J.C. Yeary, Jr.

Past Floods In Haskell History

Six Die In 1909 Flood

Haskell Free Press-June 10, 1909.

Electrical Storm visits Haskell and Surrounding Towns Thursday night at 8:30--Six Persons Killed

Haskell was visited by an electric storm Thursday night which lasted from about 8:30 till about 1 a.m. Out houses were torn up and electric wires blown down, and the South Ward School house partly unroofed.

Mr. R.S. Middleton who lives 3 1/2 miles northeast of town with his family went to his dogout, and during the storm it came in, killed his wife and four children and Miss Maggie Bishop a school teacher who was visiting the family. Mr. Middleton and his two little boys and a little girl escaped with slight injuries. The bodies of the victims were exhumed Friday morning and prepared for burial. We saw Mr. Middleton and his three children when they come to town for medical treatment. Their home was blown away and they lost everything they possessed.

Haskell Flooded water 3 feet deep in north east part of town several drowned

LATER-Friday evening Haskell County was visited by rain, hail and wind that went through roofs, blown in stone walls, killed people and stock, wrecked houses, destroyed crops, trees and every tiny living thing. The reckage around our homes and that of our employees precludes a detailed statement, besides we must go to press.

The Storm at WEINERT

The brick store of Jno. E. Robertson at Weinert was badly damaged. The northeast corner and part of the adjacent walls were blown down below the ceiling. The damage to his stock was slight.

Mr. Rickelman's ware house of that city fell in on his stock of buggies and damaged them considerably. Many

crops of cotton were destroyed by the high winds. Corn, Milo Maze, Sorghum and Kaffir Corn damaged.

The rain has been general over this county. It is reported here by phone that the Passenger train of the Orient was lifted off of the bridge Thursday and turned over, nothing but the engine left on the track. The engine cut loose and went to Knox City to get assistance. We learn that there were five persons killed.

Haskell Free Press-June 19, 1909

Following the storm Thursday night, almost the entire county was visited Friday by a hurrican, cloud burst and hail, for a strip about eight miles wide and across the county from northwest to southeast the hail beat the bark off the trees destroyed orchards and all field plants, killing poultry and stock breaking window lights to which it seemed screens were no protection, houses were unroofed, blown off the blocks and in some cases torn to splinters. There was the greatest rainfall ever seen by the oldest inhabitants, and it fell so quick it flooded houses and drowned poultry, dogs, cats, rabbits, and prairie dogs. There are probably fifty families that lost all they had. The people went to storm cellars where they stayed during the storm and many of the storm cellars were flooded and the people driven out, but in most cases this happened after the hail and hard wind had passes.

There were very few serious casualties, Mrs. Sallie Brooks who attempted to leave her home to go to a neighbors, died from excitement and shock.

Every merchant in Haskell had his stock damaged, stores were unroofed and in the dry good stores the damage was from \$1,000 to \$5,000. There are probably 50 families who lost everything they had and will need help and the balance of the people suffered such damage they will not be able to extend adequate aid to such sufferers, therefore we think it advisable to call for outside assistance. Mayor T.E. Matthews caused subscription lists for aid to be circulated and nearly everybody has contributed something but owing to the general conditions prevailing the contributions are inadequate to relieve the situation as it should be.

Local pride suggest that we do not call for outside assistance but conditions demand it the way the situation appears to us.

We could probably fill the Free Press if we undertook to give a detailed account of the damage, but we feel this would do no good. Let every body go to work with all their energy to repair the damage. There is still room to hope that cotton will put out new stems. We have been told by some who have had cotton beat down by hail before, that the plant will do this.

There is no need to replant and if it does not put out anew, there will be little cotton in the ruined district. There is time for maize, millet, June corn and there is a good market for these grains and the situation demands that every farmer get busy. The merchants have been hard hit and the bands are going to have a heavy burden to carry. Let no man sit down and trust to luck but get up and get a move on him. If the season is late the harvest may be the best we every had.

Five Drown In 1930

Haskell Free Press June 19, 1930

Rainfall of cloudburst proportions flooded this section last Friday evening when a total of nearly nine inches of rain was recorded here in the space of three hours, causing damage estimated at thousands of dollars to property and growing crops.

In Haskell dozens of homes were flooded, the waters rising so quickly that numbers of families feared for their safety. However, the peak of high water started falling within a few minutes after it had been reached.

With a total of 8.62 inches recorded at Haskell, reports of even heavier precipitation come from Munday and Goree, and near the latter place, the entire family of Oscar Tidwell were drowned when flood water of Miller Creek caused them to flee from their home. Mr. and Mrs. Tidwell and their son and daughter, age 10 and 8 and Mrs. Gilliland, the mother of Mrs. Tidwell, all lost their lives. The bodies were recovered Saturday morning by searchers within a few hundred feet of the site of their home. Funeral services for the five were held at Goree Sunday afternoon. Reports of further loss of life were prevalent Saturday and Sunday but so far as authentic reports could be had, no other persons lost their lives in this immediate section, although several narrow escapes from threatening waters were noted.

Haskell was without train and bus service throughout Saturday and Sunday, several bridges being washed out between Haskell and Stamford and between this city and Weinert. Several miles of track on the Wichita Valley railway was also washed out by the heavy rains, a section of several hundred feet going out just south of the station. Tracks were reported damaged in a dozen places both north and south of the city, and repair crews from Wichita Falls and Abilene started to work early Saturday morning repairing the damage, but not until Tuesday night could train service be resumed. Bus service was partially resumed Monday, highway crews having completed temporary bridges and marked detours on all highways out of the city.

Practically every street in Haskell was washed and damaged considerably, and several miles of sewer ditches were washed to a depth of from three to six feet. No breaks in either water or sewer mains were reported however, but

several days will be required to fill in the ditches and repair the streets for traffic. Cellars and basements in every section of town were flooded, with considerable damage resulting, and dozens of small wooden cluverts were floated away.

Ten or twelve bales of cotton from the yard north of town were floated from ten to twelve blocks, several bales being carried to the West Texas Utilities plant, about a mile from the cotton yard.

Estimates of the damage to growing crops vary greatly, with most farmers reporting from 25 to 50 percent loss on planted stuff. However very little damage is reported in the west part of the county, where the rain totaled only 2 inches. Heaviest rains extended from about three miles west of Haskell to the north and east, and in those sections fields were washed considerably.

Cattlemen report a heavy loss of stock, and damage of thousands of dollars to fences. On Ballard's Ranch fifteen miles east of town, one of the ranch buildings located near Paint Creek was washed away, and several miles of fences carried out by the overflow waters. On the X Ranch, water from Paint Creek rose to a height of seven feet in the large two-story ranch house occupied by John Culp, and headquarters on the ranch. Mr. Culp was in Haskell, Tuesday, and stated that between two and three thousand dollars damage was sustained at his place. Several small barns and outbuildings were carried away by the flood waters, including a new grainary. Mr. Culp stated that they had no

warning of the flood, as no rain fell in that section, while about ten miles northwest of his home a ten-inch rain was reported.

Three automobiles were submerged in the waters of Paint Creek, where several parties of fishermen were caught in the heavy rains and were unable to move their cars from the creek bottoms due to the rapid rise of the stream. All three cars were recovered Sunday however, when the waters had receded sufficiently for them to be towed out. One instance is cited of a Haskell resident living on a main street who became fearful of the rapid rise of water on his street and staked his car to a tree with a heavy rope to prevent it from being carried away, much to the amusement of passing motorists next morning. The citizens' reputation for sobriety is unquestioned-and anyway, he still has his Ford. Automobiles were stranded in all sections of town, and especially on the paved street leading to the Wichita Valley Station, where the water reached a depth of two feet in places. The buildings housing Porter, White & Trice, Texas Service Station, the Western Union, and Keys Confectionery were flooded with from two to ten inches of water, Mr. Trice reporting several hundred dollars damage to his stock of feed and to the Haskell Hatchery in the same building.

Old-timers consider Friday's downpour the most disastrous in the past forty years, citing the fact that in the flood of 1909 the rainfall was spread over two days, while Friday's precipitation was confined to about three hours.

Chambers Is AJRA Rookie Of Year

BY REX FELKER

Most anyone who has given any thought to the matter will readily agree that the calendar year of 1978 has been, to say the least, a most unusual one for the citizens of Haskell County. This is a direct result of our having what will probably go down in the record books as the worst drought in history, to be followed by the worst flood, and to experience an earth

tremor which shook things up like a cowboy's bowl of Jello. All three of these things made the National news on more than one occasion but still another thing was taking place sort of in the background which also merits National publicity.

Very few people are aware at this time of the fourth astounding thing, but it is true that Haskell is the home town of a rather enterprising young fellow who was recently

selected as the "Rookie of the Year" by the American Junior Rodeo Association. Shawn Chambers, eleven year old son of Mr. and Mrs. Eddie Chambers of Haskell has been participating in rodeos ever since he was about five or six years of age and has won countless awards and trophies. However, it was just this year that he decided to go all out and compete in the American Association where the action was and the competition the greatest in the World.

Having been selected as rookie of the year is no means accomplishment due to the fact that he missed the first five rodeos which, had he made them, could have easily won him the title of Worlds Champion Junior Cowboy. As it was, he took third place in the Worlds Optional races and fourth place all around world's champion. These titles were established at the recent national finals of the AJRA in the coliseum at Snyder, where he also received the honor of winning more money than any other rookie cowboy in the history of the American Junior Rodeo Association. The amount of money was approximately two thousand dollars, which is too much to keep in a piggy bank, as it would be tempting to burglars and also

to Dad who might need a little extra coffee money.

Shawn has pulled his trailer up beside the barn, unloaded and unsaddled his two rodeo horses and started to school Monday morning in the 6th grade at Haskell Elementary School. But, after a long hot, dry summer travelling to 30 rodeos over the Southwest where he won two saddles and nine belt buckles in the various events, he is still looking forward to the beginning of the 1979 rodeo season.

It has already been mentioned that he won two saddles with a combined worth of approximately \$900.00, coupled with his cash winnings and other trophies to make a rather successful summer for a rookie. One horse he calls Actron, is used for the time events as barrels, flags and etc. and the other is appropriately called Roper, being a specialist in the roping events.

It is true that to be named the "Rookie of the Year" in football would be more than likely be followed with offers from television and the other news media to advertise various products. However, he is not likely to be seen on the screen emulating Walt Garrison as he extols the virtues of Skole, Happy Day and

Copenhagen Snuff. Perhaps something in a lighter vein like soft drinks, hot dogs and chili which gives a young cowhand the energy to win, would be more appropriate.

Another honor which he prizes highly, won at the National Finals, was a Silver Nelson belt buckle presented by long time rancher and rodeo contestant Joe York, of Snyder. Mr. York has made this presentation every year since the organization of the American Junior Rodeo Association. His award of Rookie of the Year was due to his having won the most money in approved rodeos this summer, something over \$2000.

Shawn is the Grandson of Mr. and Mrs. Loyd Renfro of Haskell and Mildred Chambers of Rule.

Congratulations are certainly in order for this local young cowboy who is rapidly making a name for himself in the highly competitive sport of rodeo.

So if old Jack Frost will just hold off his appearance until the cotton has a belated chance to make and if the Haskell Indians will live up to their Horoscope of being number one in the state, we can truthfully say that we have had an exciting year.

ANGELO STATE YCC CAMP...Dwayne Landreth, Jerry Coker from Rule were among 120 students who took part in an eight week Youth Conservation Corps Camp at Angelo State University in San Angelo. The enrollees worked on federal property in the San Angelo area erecting shade covers, barricades, picnic areas and other general duty assignments. A joint program between ASU and the Department of Interior, students in the summer program spent about 25 percent of their time in ecological training.

SHAWN CHAMBERS...Roping at the National Finals where he won the AJRA title of Rookie of the Year. Chambers is the son of Mr. and Mrs. Eddie Chambers of Haskell and the grandson of Mr. and Mrs. Loyd Renfro of Haskell and Mildred Chambers of Rule.

American Ag News

By Bettye McBroom

During the fourth week of June, I wrote Ms. (as she prefers) Carol Tucker Foreman, Assistant Secretary of Agriculture for Food and Consumer Services. I requested a Biographical Summary, and specifically asked if she had a degree in Home Economics, and most importantly in the field of Nutrition. My interest in this information is that Ms. Foreman is planning your nutrition for the 1980's.

I waited three weeks and having heard no word from her office, I wrote to Congressman Omar Burleson requesting the same information if he could get it for me. Within a week I had three letters from Mr. Burleson, one a personal letter, one containing the Biographical Summary, and the third one containing the speech given by Dr. M. Rupert Cutler, Assistant Secretary of Agriculture for

Conservation, Research, and Education, "The Unexplored Frontiers of Nutrition in the 1980's."

The Biographical Summary confirmed what I had suspected for some time and what I had heard. Ms. Foreman received an A.B. from Washington University, St. Louis, Mo., and has extensive experience in government, including service with the U.S. Commission on Population Growth and the American Future, the Department of Housing and Urban Development, and was an aide to Senator John L. McClellan and Representative James Roosevelt. In 1964-66, she was director of research for the Democratic National Committee. She received an A.A. from William Woods College, Fulton, Mo., where she also taught American government, served as a member of the Advisory Committee on National Growth Policy Pro-

cesses and the Secretary's Advisory Council, U.S. Department of Commerce. She has been a member of the board of the National Committee on Household Employment, a member of the D.C. Committee on the Status of Women and was president of the Women's Equity Action League.

As Assistant Secretary of Agriculture for Food and Consumer Services and a member of the board of the Commodity Credit Corporation, Ms. Foreman directs the Food and Nutrition Service, which includes all of USDA's domestic food assistance programs, and the Food Safety and Quality Service, which has responsibility for meat and poultry inspection and for standardization and grading of meat, egg products, poultry, dairy and fruits and vegetables.

In reading the Biographical Summary, did you notice any mention of any training in nutrition? And yet, Ms. Foreman is planning your nutrition and mine. I hope she has someone on her staff who is doing the research and planning. Why was a person with no degree in Home Economics nominated to this position by President Carter (yes, Mr. Carter)? It makes me wonder who is dictating the nutrition plan.

When approach in January about the imported meat being sent to our schools, Ms. Foreman claimed she had no knowledge of it. And yet, shortly after this it was stated that no more imported meat paid for by our USDA would be sent to our schools.

Did I ever hear from Ms. Foreman's office? Yes, last week which was six weeks after I had written for the information. A copy of the same Biographical Summary was sent that Mr. Burleson had already provided to me.

This incident makes me question other appointments in our government. Maybe we should do some checking on other people in Washington, D.C., that are helping to run our business.

When your pump hits a slump . . .

CALL

LYNN ELECTRIC MOTOR CO., INC.
658-3511
YOUR JACUZZI DEALER!

When you're facing a contract completion date, you need a pump that works today. If it doesn't, you don't. And that means you're losing money.

After 40 years of leadership in manufacturing pumps, Jacuzzi knows how to keep them pumping when you need them.

Every Jacuzzi pump is pre-tested (against conditions worse than anything it's likely to meet in normal use), and carries a one-year warranty against defects in parts or workmanship. And every one is guaranteed to meet its specifications.

So when your pump hits a slump, call us—before you get caught with your pumps down.

Hearing Test Set For Haskell

Free Electronic hearing tests will be given at the Fieldan Motel, 115 S. Av E, Haskell, Tx, Friday, September 1, 9 a.m.-1 p.m.

Factory-trained hearing aid specialists will be at the Fieldan Motel to perform the tests. Anyone who has trouble hearing is welcome to have a test using the latest electronic equipment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained; and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better. The free hearing test will be given at the Fieldan Motel, Haskell, Texas. If you can't get there on Friday, call 864-2251 and arrange for an appointment at another time. In home testing is also available.

All former Scott Hearing Aid customers are welcomed to our service.

Fun Fly Held By Area Modelers

Area Modelers held a fun fly at the Haskell Airport Sunday. Events flown were for radio controlled model aircraft and were selected for fun and variety. Winners were Jim Cottingham, Munday, 1st; Mark Bailey, Haskell, 2nd; and Lee Roy Schaaque, Haskell, 3rd.

This contest was part of the activities being planned by the newly organized Model Airplane Club which is currently meeting at the City Hall. The club is for anyone in the area interested in Model Airplanes or any type. Flight and building instruction is available.

Next meeting is scheduled for Thursday, Sept. 7, 7:30 p.m. Officers of the club are Pres. Rodney Amonett, VP Ervin Frierson, and Sec. Treas. Frankie SoRelle.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

Dear Haskell:

I would like to say Thank You Haskell for the help and support you have given Rosemary Kimbrough, Miss Haskell, in sending her to the Miss Texas U.S.A. Pageant. The average cost per contestant to go to the Miss Texas Pageant is about \$2,500.00. The entrance fee is \$250.00, transportation expense \$200.00, gown expenses \$600.00, Hairstyling expenses \$75.00, clothes for parties, etc., \$1,000.00, mis. expenses, \$125.00. The \$250.00 entrance fee pays for hotel, food, and transportation for the entire week. Entrance fee also covers opening number costume, and swimsuit for competition. So you can see if your girl goes in style it does cost. I feel it is time girls in small towns have the chance to represent their home town and Haskell, thank you for supporting Rosemary, Miss Haskell. I would also like to thank the Haskell Free Press, KRBC Radio, KRBC Television, Natalie Powers for having the contestants on her show and KTXS Television and Sylvia's Chalet, for also having the girls on her show. Also a thank you to KFMN Radio and to The Abilene Reporter news for giving the contestants such good coverage.

I have worked with many towns and sent many girls to the Miss Texas Pageant in the past, but I must say I have never worked with so many nice television stations, Radio stations, and newspapers in my three years of working with the Miss Texas Pageant. West Texas people are very warm and I along with all area contestants say "WE LOVE YOU WEST TEXAS."

Sincerely,
Christi Harris
West Texas Area Director
Miss Texas, Universe

Dear Haskell:

I would like to express my sincere appreciation to all the residents and merchants of

Haskell who helped sponsor me to the Miss Texas U.S.A. Pageant. Without your help I would never have been able to compete in the contest. The knowledge and experience I gained from competing in the pageant will never be forgotten. The wonderful friendships I gained made all the hard work and long hours really worth it. I hope to be able to work with other young girls in our town so that they too might be able to compete in next years pageant. Every girl who is interested should be able to get the chance to experience competing in this wonderful pageant. Thanks again to all the great people in Haskell for supporting me.

Sincerely,
Rosemary Kimbrough
Miss Haskell

College News

Milford E. Mullins, formerly of Haskell, was among the 755 students who filed for diplomas awarded in summer commencement ceremonies August 19 at Southwest Texas State University.

The commencement address was delivered by State Treasurer Warren G. Harding, a former resident of Dallas.

Degree candidates included 227 seeking master's degrees, 722 seeking bachelor's degrees and 32 associate degree applicants.

Mullins, son of Mrs. Bessie Melton of 104 N. 3rd, Haskell, received a bachelor of science in education degree with a major in social science.

Mullins currently resides at 7018 Centergrove in San Antonio.

Kenneth Ray Alvis, Jr., grandson of Mr. & Mrs. Jim Alvis and Mrs. Clara Holt, is among approximately 835 University of Texas engineering students to be recognized as honor students for the 1978 Spring Semester by the Dean of the College of Engineering.

Alvis has now completed the summer semester with a 4.0 grade average also.

Obituaries

Raymond Melton

Services for Raymond Melton, 72, of Haskell were held August 28, at 10 a.m. in East Side Baptist Church in Haskell with Rev. Jimmy Griffith, pastor, and Rev. Hubert Segovia officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

He died in Leisure Lodge after a lengthy illness.

Born March 18, 1906 in Haskell County, he married Bess M. Mullins May 21, 1947 in Haskell. He was a life time resident of Haskell County and a retired farmer. He was a member of East Side Baptist Church.

Survivors include his wife of Vernon; two sons Ben of Lubbock and Clint of Houston; one step-daughter Mrs. Marie Ivey of Haskell; two step-sons, F.D. Mullins of Rotan and M.E. Mullins of San Antonio; two sisters, Mrs. Clarence (Ruth) Taylor and Mrs. Shelby (Vera) Harris, both of Haskell; three brothers, Thurman of Corpus Christi, Bob of Haskell and Ed of Abilene; 1 grand-daughter and 7 step-grandchildren.

Pallbearers were Ottilie Johnson, Wallace Bird, J.B. Dunnam, Herman Lacey, J.E. Walling, Othor Meeks, Buck Bland and Earl Wiseman.

STOCK MARKET

The market at Haskell Livestock Auction was active on a run of 889 head of cattle, 203 hogs, and 1 goat at its sale Sat., August 26 according to James Powell reporter.

Other comments: Market steady on cattle, hogs \$1.50 higher.

Butcher calves: choice, 53-55; good, 50-53; standard, 48-50; rannies, 20-48.
Cows: fat, 35-39; cutters, 33-37; canners, 25-33; stockers, 33-42.

Bulls: bologna, 40-50; stockers, 50-60; utility, 38-40.
Stocker Steer Calves: choice, 70-85; good, 60-70; medium, 55-60; common, 40-55.

Stocker Heifer Calves: choice, 65-70; good, 60-65; medium, 50-60; common, 45-50.

Feeder Steer Yearlings: choice, 65-68; good, 60-65; medium, 55-60; common, 40-55.

Feeder Heifer Yearlings: choice, 55-60; good, 50-55; medium, 45-50; common, 40-50.

Cows & Calves: good, 450-500; plain, 375-450.
Top on Hogs: 48.
Bulk of Butcher Hogs: 46-48.

Sows: 38-43.
Boars: 28-36.
Feeder Shoats: 38-50 by wt.
Pigs by head: 25-50.

JAMES MCCOY

James McCoy Elected ACU Captain

Three seniors and junior quarterback John Mayes have been elected captains of the 1978 football team at Abilene Christian University.

The seniors are tight end Kirby Jones, linebacker Reuben Mason and defensive end James McCoy.

ACU head coach Dewitt Jones announced the captains Saturday morning after a practice session which ended the first two weeks of pre-season training. The Wildcats open the season Saturday, Sept. 2, against East Central Oklahoma in Ada.

Mayes, junior two-year letterman from Fort Worth Eastern Hills, led NAIA Division I in passing last year. The 6-1, 175-pounder was also a captain in 1977 as a sophomore during ACU's national championship season.

Jones, 6-2, 210-pound two-year letterman from Plano, was first team all-Lone Star Conference and honorable mention Associated Press college division all-America last season. He was also NAIA all-district and honorable mention academic all-LSC.

Mason, 6-2, 217-pounder from Bryan, is expected to be one of the top defensive players in the LSC this season. He was honorable mention all-LSC last season and was voted Outstanding Defensive Player in the NAIA semifinal game. He has led ACU in quarterback sacks the last two seasons as a letterman.

McCoy is a senior two-year letterman from Haskell. The 6-3, 230-pounder transferred to ACU in 1976 from Texas A&M. He was a part-time starter as a sophomore and returns a full-time starter in the defensive line in 1978.

Cancer Center

The workers of the Cancer Center, will open for work Thursday, Sept. 7 at 2 p.m.

They need clean worn sheets, towels and blankets. Call one of the workers or bring to the kitchen on the third floor of the courthouse, or bring to the workers homes.

PLAYNIGHT

A playnight will be held Sat. Sept. 2 at 8:00 p.m. in the Knox City Arena. Barrels, flags and poles will be run in three age divisions. Trophies and ribbons will be given in each event in each age division. All around trophies will be awarded in each age division.

agri-facts

Pat Hale

... Ever grow a gallon of gasoline? Lots of folks are taking a hard look at that very thing. Well ... not gasoline ... but fuels distilled from grain. Not unlike the legendary white lightning ... a 200 proof product that will give nearly anything a start. There's no secret about the ability of alcohol to power combustion engines (the four cycle engine was invented for it) but the cost spread between alcohol and gasoline has made such uses obsolete for several years. Lately that spread has been noticeably thinner. Thin enough for a serious experiment with a product called gasohol carried out around Holdrege, Nebraska to get national attention. Use of gasohol (90% gasoline - 10% alcohol) in the Holdrege tests resulted in reports of 7% better mileage, better starts in cold weather, and exhaust emissions no worse than regular gasoline. Looks like the choice could come down to taking a drink or a drive.

Hill Supports Tax Amendment

Attorney General John Hill today urged agricultural groups to begin organizing support for the proposed tax relief constitutional amendment approved this week by the special legislative session for a vote by the people Nov. 7.

"One of the most important features of the proposed constitutional amendment adopted by the legislature Tuesday is tax relief for farmers and ranchers," Hill said.

"This same proposal, to tax agricultural land on the basis of its productivity instead of its market value, has failed when it came up for a vote before the same legislators only a year ago.

"Now that the proposal will be part of a package of tax relief for homeowners, elderly citizens and the disabled, as well as farmers and ranchers, I am very optimistic that the prospects for tax relief for our agricultural producers have changed from bleak to excellent in just one year.

"I am especially pleased that this tax reform for our farmers and ranchers was one of the key issues in my campaign for governor. By developing this issue during the campaign, I believe the drastic needs of farmers and ranchers for tax relief were given the additional push they needed to secure approval by the legislature.

"The next step is voter approval of the tax relief package at the polls in the

general election Nov. 7, and I urge all agricultural organizations to rally behind adoption of the amendment.

"The steps taken by the legislature during the special session were important first steps in a well-balanced attempt at tax relief, and I commend the legislature for its actions. But I plan to continue to push for expansion of the reforms next year."

HHS Classes

Elect Officers

Members of the Senior Class of Haskell High School met this week and elected the following class officers for the 1978-79 school year.

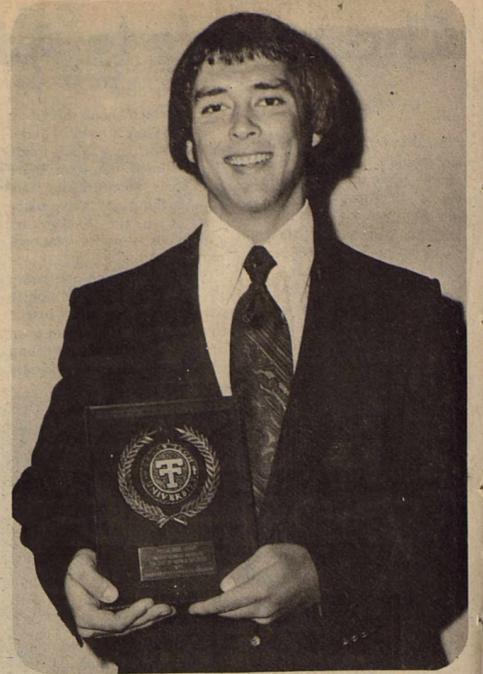

President, Frankie Moeller; vice-president, Todd Bragg; secretary-treasurer, Lindy Collins; reporter, Sarah Cox; Rotary Club chairmen, Katie Wooten and Jackie Steadham; and student council representative, Matt Langford.

The Junior Class of Haskell High School held their first class meeting on Monday, August 28 to elect class officers.

Officers elected were: Giles Kemp, president; Sonja Tidrow, vice-president; Vickie New, secretary-treasurer; Kirk Flippin, reporter; Cheryl Conner, student council representative.

The HHS Sophomores met the first day of school to elect their class officers.

The officers needed 3 qualifications to hold office (1) A or B grade average (2) responsibility and (3) have a lot of that great H.H.S. Spirit. The officers are: Leonard Howard-President; Cindy Ewert-Vice President; Sharon Turner-Treasurer; Janet Wallace-Reporter; Joseph Browning-Student Council Representative.

HIGHEST RANKING GRADUATE...Frank Paul Jircik has been awarded a hand crafted bronze plaque for being the Highest Ranking Graduate of the College of Arts and Sciences at Texas Tech University in 1977. Jircik's grade point average was a perfect 4.0. The award was presented by the Ex-students Association. Jircik is currently attending the University of Texas Medical School in Galveston. He is the son of Sgt. and Mrs. Frank Jircik. (Staff Photo)
