Hager, Lewis Take Top Show Honors

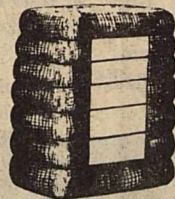

Stanley Hager and Russ Lewis took top honors in the Haskell County Junior Livestock Show last weekend. Hager exhibited the grand and reserve champion steers and grand champion heifer and also received the showmanship award in the steer division. He is the son of Mr. and Mrs. W.R. Hager of Weinert. The champion steer was bred by the Hagers and the reserve champ was purchased in Colorado. Lewis exhibited the grand and reserve champion lambs and the grand champion barrow. Reserve champion barrow was shown by Kerry Therwhanger. Showmanship award in the lamb show was presented to Carl Hopkins and David Lisle received the showmanship award in the swine show. Kerry Quade was presented the Top Hand Award for his assistance to others during the show.

Show Sale Sets New Record

The premium sale at the Haskell County Junior Livestock Show held last Saturday set an all time record with a total of \$18,357.50 paid in premiums. This was the fourth year for the sale to be conducted on a premium only basis. Last year the sale totaled \$17,340. Auctioneer for the sale was James Powell, co-owner of Haskell Livestock Auction. Five pens of rabbits received a total of \$315.00 and five pens of broilers received a total of \$340.00. Eighteen steers were sold for a total premium of \$9,125.00, 28 lambs sold for \$3,820.00 and 35 hogs sold for \$4,090.00. In addition to the totals listed above the Haskell County Farm Bureau agreed to pay an additional \$7.50 to each individual who sold an animal. A complete list of exhibitors who sold animals and contributors to the sale will be published next week.

Rochester Woman Found Following 12 Hour Search

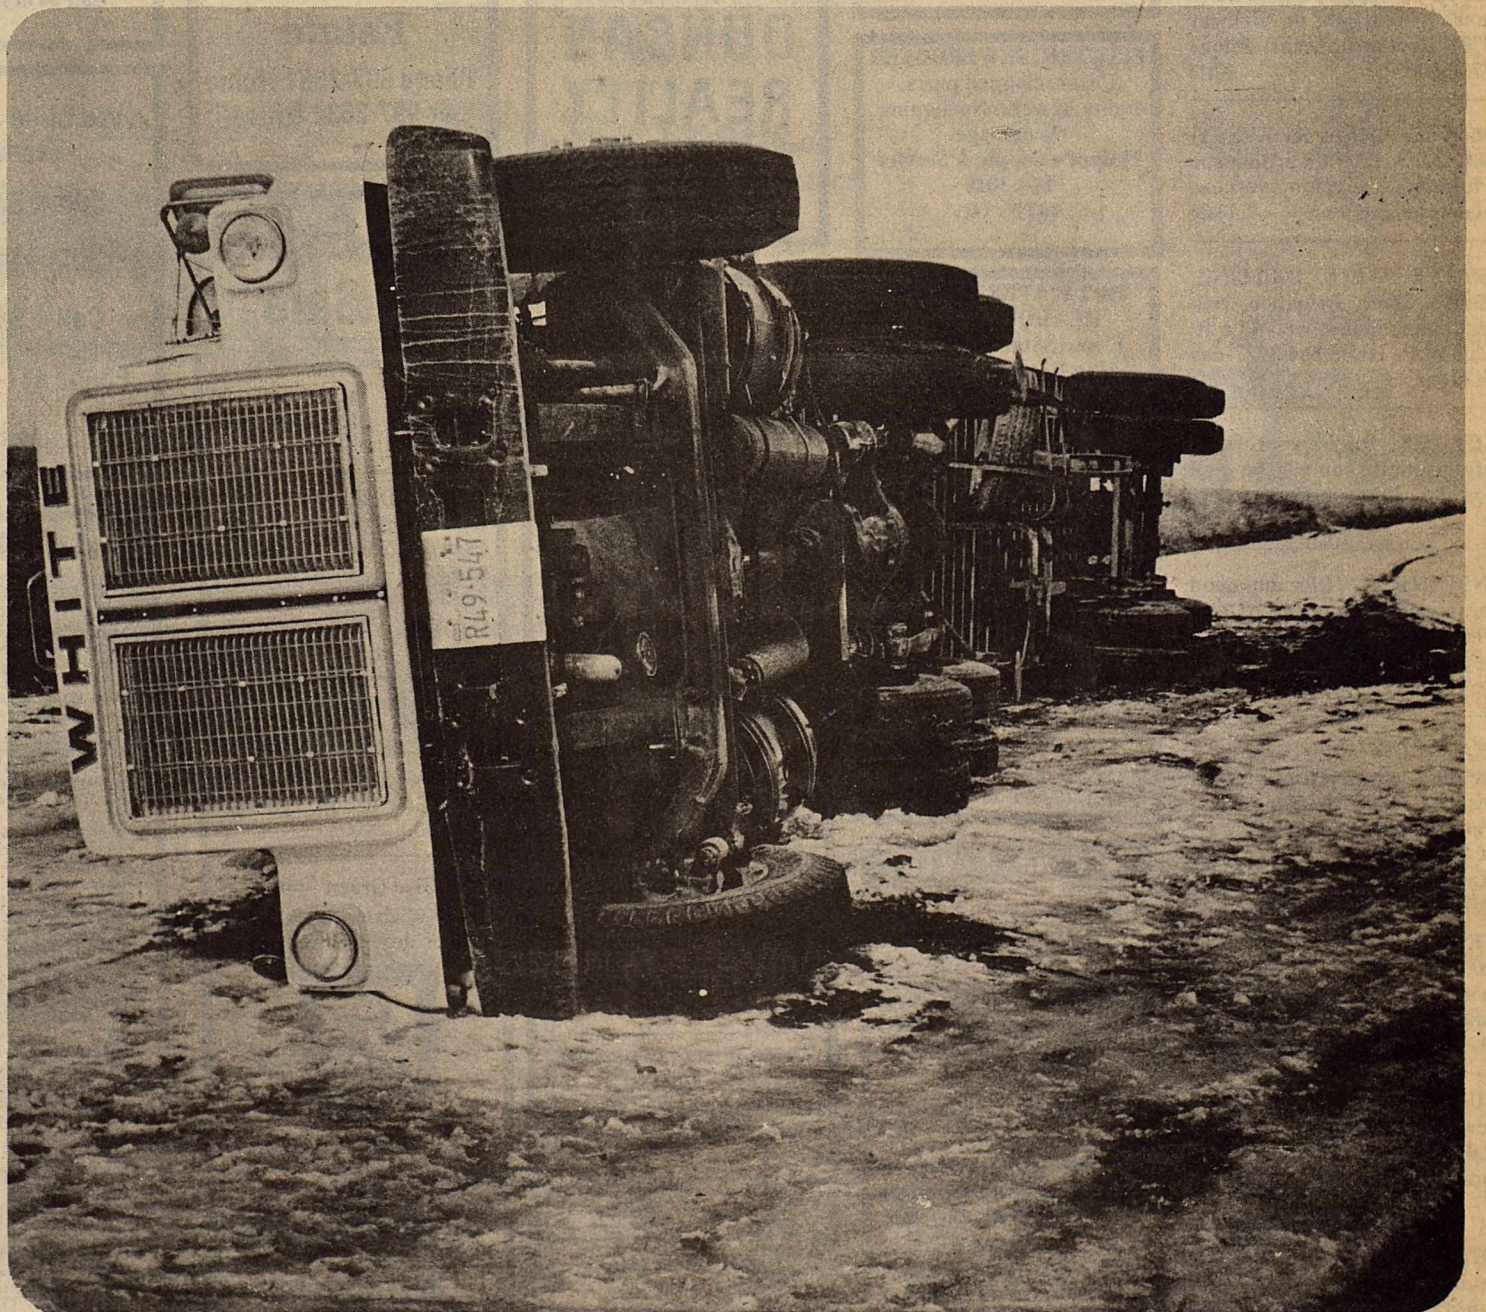

A twelve hour search ended Wednesday morning when Stonewall County Sheriff Marvin Crawford located Mrs. Pat Ballard of Rochester. Mrs. Ballard had been missing since early Tuesday evening. She was last seen and positively identified about 5:30 p.m. near Rochester. The search began early Tuesday evening and continued through the night. She was located Wednesday morning about 9:30, south of

Old Glory by a ranch hand on his way to feed cattle. He contacted Sheriff Crawford who had been involved in the search all night. Officers reported that she was cold but other than that seemed fine. Sheriff Crawford took her to Old Glory where she was taken to Knox County Hospital by Larry Beauchamp and family members. Beauchamp reported that Mrs. Ballard said that she was cold and hungry but was in good spirits. Apparently she had turned off the highway about one mile south of Old Glory and traveled along a dirt road for about ¾ mile before getting stuck and running out of gas. Participating in the search

were law enforcement officers from Haskell, Knox, Stonewall and Jones Counties, many volunteers and at least one airplane.

Sr. Play Scheduled January 22

Rain sleet or snow couldn't keep speech students from practicing nightly last week in preparation for their production of John Van Druen's classic American play, "I Remember Mama." The play is under the direction of Mrs. Kathleen Diggs, and will be presented January 22 at 7:00. "I Remember Mama" was first produced by Richard Rodgers and Oscar Hammerstein II at the Shubert Theatre, New Haven, Connecticut, in 1944. Tickets can be purchased from any senior at the price of \$1 for adults and 75 cents for students, or they can be obtained at the door for the same price. The play consists of 22 actors and actresses. It takes place around the year 1910. "I Remember Mama" deals with the struggles of a family of immigrants from Norway in the bustling town of San Francisco. The play is in two acts, and promises humor as well as heart-warming entertainment. Don't miss the fun and excitement of good American drama!

NO INJURIES were reported last Friday when this tractor-trailer hit a spot of ice, slid off the road and overturned. The accident occurred about 2.6 miles west of

Weinert on FM 617. Jessie Alvarado driver of the truck was going from Vernon to Rochester to deliver a load of cattle feed. (Staff Photo)

Booster Club

Sets Luncheon

The Haskell Booster Club would like to thank the football fans of Haskell for the support & donations given to the football team during the regular season & the playoffs. The Booster Club is having a Mexican luncheon Feb. 17. They hope everyone will back the club as the proceeds go to the All-Sports Banquet. Thanks again for all the help and support.

PHOTOGRAPHY CLUB

All area photographers are invited to attend a meeting next Monday at 8 p.m. in the kitchen of the courthouse for the purpose of forming a photo club. Purpose of the club will be to teach members to become more proficient with their cameras and assist with any problems they might have. All interested persons are urged to attend.

Alliance

Expresses

Thanks

The Haskell Ministerial Alliance would like to express its appreciation to the past president Bro. Jimmy Griffith, for his work and contributions to the alliance. We pray God's Speed to Jimmy and his family as they move to a new pastorate. The vacancy of the president's office will be filled by Tom Jones minister of the Haskell Christian Church. Phone 4-3550 resident 4-2445. Please send all correspondence to Chas. Kardokus, Sec. Treasurer of the Alliance, 504 N. Ave. F.

Obituaries

J.R. Bynum

Memorial services for J.R. Bynum, 68, of Dallas were held at 3:00 p.m. Jan. 12 in Holden-McCauley Chapel with Tom Jones, pastor, First Christian Church in Haskell officiating.

Mr. Bynum died Jan. 10 at 6:40 p.m. in Rice Springs Care Home after a stay of about 3 months.

Born December 7, 1910 in Pittsburg, he was a former Haskell County resident. He had lived in Dallas since 1935 and was a retired public relations man for Southern Union Gas Co.

Survivors include his wife, Mrs. Arles Bynum of Dallas; one son, Michel Bynum of Dallas; two daughters, Mrs. Conner (Linda) Lam of Grapevine, and Mrs. Carolyn Lambert of Austin; one sister, Mrs. LeRoy Colgan of Lamesa; two brothers, J.A. Bynum and Thurman Bynum both of Haskell; and 7 grandchildren.

Mrs. Edwards

Funeral services for Mrs. Carrie Edwards, 87, of Haskell were held Jan. 17 at 3:00 p.m. in First Assembly of God Church in Haskell with Rev. Thurel and Elmer Reid both retired Assembly of God ministers and Rev. J.C. Amburn, pastor, First Assembly of God Church in Haskell officiating.

Born Nov. 11, 1882 in Somerville Co., she married John Littleton Graham July 15, 1900 in Glen Rose. He preceded her in death March 10, 1960. She moved to Haskell in 1969 from Glen Rose. She was a housewife. She was a member of the Pentecostal Church.

Survivors include one daughter, Mrs. C.C. (Irene) Muse of Haskell; two sons, Odell Graham of Glen Rose, and Willie D. Graham of Lubbock; 11 grandchildren, and several great great grandchildren.

Amendments Change Benefits

The 1977 Amendments to the Social Security Act have modified the manner in which a person's entitlement to Social Security benefits is determined. The new Amendments have generally eliminated the payment of any benefits for any prior to the month of filing a claim with the Social Security Administration.

Under prior law a person might delay filing for Social Security benefits and then receive a benefit check for the past months for which he was entitled to receive benefits for up to a maximum of 12 months. Frequently this would result in a reduced monthly amount but would present the retiree with a single lump-sum payment and then monthly benefit checks.

The 1977 provisions provides that monthly benefits generally will not be paid retroactively for any months before the month in which a claim is filed if such payments would cause any reduction in the monthly rate of payment. An exception can be made if an unreduced dependent's benefit is payable in addition to the reduced benefit.

agri-facts
Pat Hale
Significant changes are on the horizon for researchers working on agricultural projects. Underlying factor for these changes is the growing consensus among scientists that current research with its aims at yield increases through better fertilization and cultivation technique may be nearing its peak. In short, there is a growing feeling that we are reaching the stage of making a plant produce all that is possible. That's the reason for the change in direction. Scientists are now beginning to experiment on changes in the biological potential of plants. Basic changes in photosynthesis are being considered. Methods of limiting a plant's respiration are under study and the strange yield increases of some plants when exposed to carbon dioxide are being examined. In short, the new direction for research involves changing the plant itself in ways which could develop new and much greater yield increases.

Mrs. Graham

Graveside services for Mrs. Clarissa Graham, 96, of Haskell were held Jan. 11 at Ward Branch Cemetery in Glen Rose, with Rev. David Milner, pastor, First United Pentecostal Church in Glen Rose, officiating. Burial was under the direction of Holden-McCauley Funeral Home.

Mrs. Graham died Jan. 10 at 8:05 a.m. at her residence in Haskell.

Born Nov. 11, 1882 in Somerville Co., she married John Littleton Graham July 15, 1900 in Glen Rose. He preceded her in death March 10, 1960. She moved to Haskell in 1969 from Glen Rose. She was a housewife. She was a member of the Pentecostal Church.

Survivors include one daughter, Mrs. C.C. (Irene) Muse of Haskell; two sons, Odell Graham of Glen Rose, and Willie D. Graham of Lubbock; 11 grandchildren, and several great great grandchildren.

Public Notice

HJR 1 provides a manatory residence homestead exemption from school taxes for all persons of all ages.

Texas law defines a residence homestead as the residence of the person claiming the exemption, or the former residence of the person claiming it and who intends to return to it and who does not claim another homestead elsewhere.

A rural homestead consists of up to 200 acres of land for a married couple and 100 acres for a single person. An urban homestead consists of a lot not exceeding \$10,000 in value.

One must look at the use of the land to determine whether a homestead is rural or urban. A person can claim a rural homestead if, as an agricultural producer, he resides on the land, and if he uses the land to conduct his agricultural enterprise.

Land claimed as a rural homestead may consist of several tracts not necessarily close to each other. The owner must, however, use all tracts for agricultural production and may claim up to 200 acres. Any homestead not used for agricultural enterprises is considered an urban homestead.

Public Notice

The only person who can claim a homestead is the one who has a taxable interest in it. Examples of taxable interest include undivided interests, life estates, tenancies in common, or rented premises if the tenant is liable for the taxes.

There is only one homestead per family per piece of property. Each person may receive only one. A single person may claim one homestead.

Temporary renting of a homestead will not affect its character as long as no other homestead has been acquired, and it is the intention of the homesteader to return.

Notice is hereby given that persons who own their residential homestead may apply for the Homestead Exemption in the amount of \$5,000 by mailing this affidavit to the office of the Tax Assessor-Collector, Haskell Independent School District, Box 666, Haskell, Texas, between the dates of January 1, 1979, and April 30, 1979. To qualify, applicants must subscribe to the following:

RESIDENTIAL HOMESTEAD EXEMPTION AFFIDAVIT FOR THE YEAR 1979 HASKELL INDEPENDENT SCHOOL DISTRICT

Owner: _____
Property Description _____
Address _____

"I, _____, do solemnly swear and affirm that I was the owner of the above described property and it was my residential homestead on January 1, 1979. Further, that I have not claimed a residence homestead on any other property for this year. Finally, that I understand that any person who makes a false affidavit shall be subject to the perjury laws of the State of Texas.

Pruett, Hollis Vows Read

The sanctuary of First Baptist Church Hamlin was the setting for the recent wedding of Debra Sue Hollis and Vernon Lance Pruet of Haskell.

The bride is the daughter of Mrs. S.C. Hollis and the late Mr. Hollis. The bridegroom is the son of Mr. and Mrs. E.W. Pruet of Haskell and the late Mrs. Joan Pruet.

The 2 o'clock ceremony was read by the Rev. John Holland, of Irvine, Calif., Foursquare minister and supervisor, uncle of the bride. Mrs. Marvin Carlton was

organist. Debra Sue Jay of Anson was soloist. The bride also sang "Wedding Prayer" at the close of the ceremony. The bride was escorted by an uncle, Woodrow Holland of Simi, Calif. As they approached the altar, they were joined by the bride's mother who gave her in marriage.

The bride wore a gown of white organza fashioned with Queen Anne neckline edged in silk Venise lace. The empire bodice, lantern sleeves and A-line skirt which extended to chapel length were enhanced with lace motifs and seed pearls. A Juliet cap of matching lace and seed pearls held the two-tiered lace edged veil of illusion which flowed into chapel length. She carried a cascade arrangement of crimson red roses.

Mrs. Raymond Jordan of Abilene was matron of honor. Bridesmaids were Belinda David of Lubbock and Mrs. Franklin Shearer of Lawton, Okla.

Attendants' gowns of Christmas red and white were fashioned with high ruffled collar and open tie neckline with matching ruffle at the wrist of the long sleeves. The waist was marked with a sash tied in the back. They wore white fur hats and carried white fur muffs accented with cascades of red silk roses and velvet ribbon.

Christie Manning, flower girl, was escorted by Cody Manning, both of O'Brien, cousins of the bride. Jacob Holland cousin of the bride was ring bearer.

Candlelighters were John and DeAnn Rackley of Bartlett, nephew and niece of the bride, and Joe Martin Hill of Lubbock.

Frank Clark of Lorenzo was best man. Tim Pringle and Rick Lehrmann, both of Lubbock, were groomsmen. They also served as ushers.

Guests were also seated by Debbie Edmiston of Portales, N.M., and Melissa Madden of Denton.

Cheryl Baker registered

guests.

The reception was given by the bride's mother in the fellowship hall.

After a wedding trip to South Padre Island, the couple will be at home at Southland Arms Apartments in San Angelo where he is employed by Armstrong, Backus and Baker accounting firm.

The bride, a 1976 graduate of Hamlin High School, is a junior at Texas Tech University in Lubbock. She will attend Angelo State University in San Angelo.

Pruett, a 1974 graduate of Haskell High School, received a BBA degree in accounting from Texas Tech.

The bridegroom's parents hosted the rehearsal dinner at Jordan's.

Williams Speaker For Young Homemakers

District Judge Joe Williams was the guest speaker Monday night, Jan. 15 at the meeting of the Young Homemakers. The program was entitled, "Wills and Estate Planning." During the presentation, Mr. Williams mentioned several unusual cases where individuals neglected to prepare wills, or else, if the will was made, proper procedures were not followed by the beneficiaries of the deceased. Several informative and beneficial points were also discussed, and the importance of will and estate planning was stressed for both young and old persons.

Following the program, Sheila McMeans conducted the business meeting. It was reported that bags of groceries were taken to homes of the elderly people chosen to be helped by the club for their Christmas project.

Hostesses for the meeting were Kay Perry, Deann Jordan, Marlon Sue Holt, and Sue Stewart.

Along with the hustle and bustle of December, Young Homemakers could also be seen going from one home to another December 18. This was the night of the Christmas Tour of Homes. However, they weren't hurrying for there were too many pretty things to see along the way. This year's tour included the lovely homes of A.C. and Becky Richardson, Wilda and Anita Medford, Danny and Sue Stewart, and Hollis and Judy Calloway. The trees were all trimmed, the fireplaces ablaze, and each home, with its best and prettiest Christmas decorations, was a delightful treat to see.

Around Town

Visiting in the home of Mr. and Mrs. W.H. Reynolds over the weekend were two granddaughters and their families, Mr. and Mrs. Dale Sager & son of Weatherford and Mr. and Mrs. David Delk of Mineral Wells.

Mr. and Mrs. Vern Foreman, John Davis and David Godfrey of Odessa and Mr. and Mrs. Charley Redwine flew to Yoakum Sunday afternoon to visit with the O.L. Bland family.

Flint and Monica Nanny of Odessa flew to Haskell Sunday to visit their father, Joel Nanny.

Stenholm To Sponsor Burleson Amendment

Congressman Charles W. Stenholm announces that one of his first actions in the 96th Congress will be to introduce legislation to extend the so-called "Burleson Amendment" to the Social Security Act, which expired December 31, 1978. The current law expired when the 95th Congress, in its final days, failed to conclude action on the Medicare Amendment legislation which contained a provision to make permanent the Burleson Amendment, originally designed to aid rural hospitals in meeting Medicare requirements for nursing staff.

Congressman Stenholm will push for early passage of this legislation which he feels is vital to rural area hospitals. The newly elected Congressman hopes to continue the leadership of his predecessor in the area of rural health care.

Mr. and Mrs. Clayton Hawkins and son Terry of Abilene visited in the home of his parents, Mr. and Mrs. J.W. Hawkins over the weekend.

Mr. and Mrs. Dewayne Vaughn & son Bo of Anson visited in the home of his mother, Mamie Vaughn over the weekend.

College News

Seven Texas A&M University students have been named recipients of Texas Aggie Rodeo Scholarships.

Awarded \$300 each were: Bobby Cobb and Glenda Gayle Chapman, Haskell; Joe Dutton, Junction; Beverly Acton, Cuero; Clayton Zwerschke, Bryan; and Dawn Higgins, Dallas.

Part of the scholarship money comes from over \$2,500 awarded to the association from the Copenhagen-Skoal Scholarship Awards Program.

This is the largest group of students ever to receive rodeo scholarships at Texas A&M, said Corky Sandel, Texas Aggie Rodeo Association sponsor.

Recipients are chosen on the basis of financial need, club participation, academics and how well they have been performing in rodeo events, Sandel noted.

The association, which helped found the National Intercollegiate Rodeo Association in 1949, has over 100 members. The next competition will be held Feb. 22-24 at the Southwest Texas State University Rodeo in San Marcos.

Rosalie Jones Gives CMS Program

The Christian Missionary Society met Tuesday evening, January 9, with Marjorie Pace as hostess in her home.

A short business meeting was conducted by Meralyn Sue Holt, the president.

Anna Mae Roberts gave a devotion on New Years prayers. Then Rosalie Jones discussed the lesson which was on "The Six S's" method of prayer. "The first 'S' is Subject by Subject"—praying in accord about one subject at a time. The second 'S' is "Short Prayers"—in small groups, each offering a one sentence prayer or only a few sentences. The third 'S' is "Simple Prayers" which will make it easier for those who have never prayed aloud before others to offer a simple prayer. The fourth 'S' is "Specific Prayer Requests"—specific requests listed and answers noted encourage continuing and expanded

prayer. The fifth 'S' is a "Silent Period" to listen for God's answer. Prayer is a two-way conversation with God. The sixth 'S' is "Small Groups"—meeting in small groups makes it easier for newcomers to participate. She closed her discussion by asking each one to offer a short prayer for someone who is ill or has some other problem.

The hostess served delicious refreshments.

Sir Winston Churchill of England was made an honorary U.S. citizen by an Act of Congress in April, 1963.

"It is the rare pleasures that especially delight us," Epictetus

Sagerton Community News

Christmas Eve guests in the home of Mr. and Mrs. Sam Neinast included Mr. and Mrs. Kenneth Neinast and Laura Kate of Emory, Mr. and Mrs. Roy McEwen and Daryl of Tuscola and Mr. and Mrs. Corrie Brown of Haskell.

Other holiday visitors included: Mr. and Mrs. Jack Muegge and children of Birmingham, Alabama; Mrs. Gary Muegge and children of Fort Worth, Mr. and Mrs. Bill Norman and children of Anson, Mr. and Mrs. Gayhart Muegge of Haskell, Mrs. Sylvia Crowe of Hillsboro and Mr. and Mrs. Duke Clark of Whitney.

Mr. and Mrs. Charles Diers and Kimberly and Mr. and Mrs. Melvin Baitz were supper guests in the home of Mr. and Mrs. Buster Trede-meyer on Thursday of last week.

Congratulations to the Sam Neinast's on the birth of a new grandson. Maybe your writer will have more details in the next column, and maybe with the help of everyone these news columns wouldn't have to be so short!

The Golden Age group will be treated by the Rule FHA girls on Monday, January 22. The girls will present a musical program to the senior citizens and then serve refreshments in the home-making room. Anyone interested in the fun should meet in front of the community center at 1:15. Rides

will be furnished for those who can't or do not want to drive. The Rule homemaking class and Mrs. Becky Baker, the homemaking teacher, are expecting and hoping for a good turnout.

Miss Kathy Cornelison of Lewisville was a weekend guest in the home of her grandparents, Mr. and Mrs. August Balzer.

Mr. and Mrs. Charles Diers entertained Mr. and Mrs. Buster Trede-meyer, Mr. and Mrs. Melvin Baitz, and Mr. and Mrs. Alden Lowack, Bobby and Ricky of Old Glory, on Friday night. The event was to honor Charles on his 33rd birthday. Miss Kimberly Diers was also a hostess.

Mr. and Mrs. Bill Hertel were supper guests in the home of Mr. and Mrs. Melvin Baitz Sunday. They also enjoyed several games of pinochle.

Mike Hertel and Cheryl Marquis of Rule took Mr. and Mrs. Fred Baitz out to supper Sunday night. Mike and Cheryl will be married in June and Mike will be the new water superintendent. Fred Baitz retired from the position effective this Wednesday.

Sunday dinner guests in the home of Mr. and Mrs. J.A. Hertel included Mr. and Mrs. Kenneth Hertel and Gail of Hamlin, Mr. and Mrs. Bill Hertel, Mr. and Mrs. Melvin Baitz, Mike Hertel, and Johnny Baitz. Mr. and Mrs. Fred Baitz dropped by for a

visit after dinner.

Miss Sharra Moore of Stamford and formerly a member of Faith Lutheran Church will be married to Mr. Tommy Samson of Clyde in Faith Lutheran Church this Saturday evening. A reception will follow.

Mr. and Mrs. Roy McEwen of Tuscola are the proud parents of Douglas Ryan McEwen born Saturday a week ago. Mr. and Mrs. E.J. Neinast are the maternal grandparents.

Get well wishes are extended to Mr. August Angerman who is recovering from a fall on the ice, and to Mrs. Helen Laughlin Grady of Fort Worth who had been in critical condition in a Fort Worth Hospital.

Mrs. Ladain Anderson has been visiting with her sister, Mrs. Alva LeFevre this past week. Mrs. Anderson resides in Houston.

Jill LeFevre returned to McMurry College last week where she resumed basketball workouts. McMurry's girls will be playing in Stephenville this weekend. Classes resumed this Monday.

Mr. Clyde Stegemoeller has returned to Texas Tech University for the spring semester. He is currently a business major.

Mrs. Meta Kupatt is now attending Western Texas College in Snyder along with Mrs. Jerry Saffel of Rule.

Your writer will resume studies at Abilene Christian University this week. He, also, is a business major.

Miss Vicki Hertel has returned to San Antonio where she is enrolled in the University of Texas at San Antonio as a physical therapist major. Her sister, Mrs. Sam Smith of Swenson Ranch is a Math Major at Hardin-Simmons University in Abilene. Mrs. Smith was recently honored with the Reid Mathematics Scholarship. This was the first year the scholarship has been presented. Mrs. Smith qualified by maintaining the highest scholastic average in the Math department. Many of you probably saw her on both KTXS and KRBC television recently. We extend our congratulations to her.

Miss Carol Dudensing has returned to Texas Tech University in Lubbock where she is a Senior Homemaking major.

Congratulations to Miss Kris Kupatt, Carl Stegemoeller, Wayne Stremmel, and Marc Thane who placed with their animals in the Haskell

County Livestock Show this past weekend.

Alvin Bredthauer and Kenneth Hertel conducted Worship services at Faith Lutheran Church Sunday in the absence of Pastor Steven Ritter who was ill.

Your Writer had three cheeseburgers and a Dr. Pepper for supper on Sunday night.

Reece Clark was honored with a birthday party in his home by his wife on Saturday night. Guests included Clarence Stegemoeller, Ladain Anderson of Houston, Mr. and Mrs. Antone Teichelmann, Mr. and Mrs. Fritz Stegemoeller, Mr. and Mrs. F.A. Ulmer, and Mr. and Mrs. Alvin Bredthauer.

All stockholders in the Sagerton Water Company are reminded that the annual meeting will be held in couple of weeks. Everyone should be sure and attend, if possible. Many of you have been wondering why the water

rates have been increasing so much lately, so this meeting will be an ideal time for you to find out why the water board was forced to hike prices. Your writer will try to have the exact time and date in the next column.

Mr. and Mrs. Melvin Baitz, Mr. and Mrs. Charles Diers, Mr. and Mrs. Fred Baitz, and Mr. and Mrs. Buster Trede-meyer butchered a hog Monday. The unfortunate little pig was survived by his mother and father, a paternal grandboar, and numerous guilts and barrows. The body will be in state in the deep freezes and memorials can be made at the Johnny L. Baitz Center For Underprivileged Bachelors.

Mr. Clarence Stegemoeller and his son, Marvin of Rochester, celebrated their birthdays at Clarence's home Sunday evening.

Those who attended the Stegemoeller birthdays included Mr. and Mrs. E.A.

Schaake of Paint Creek, Mr. and Mrs. David Letz, Walter and Erna Schaake and Emma Raphael of Stamford, Mr. and Mrs. Delbert LeFevre, Ladain Anderson of Houston, Mr. and Mrs. J.B. Toney and Bruce, Mr. and Mrs. A.C. Knipling, Mr. and Mrs. Otto Schaake, Mrs. August Balzer, Mrs. Louise Stegemoeller, Mr. and Mrs. F.A. Stegemoeller, Mr. and Mrs. Marvin Stegemoeller and Brenda of Rochester, Robert Ace Turner of Rule, and Mr. and Mrs. Leon Stegemoeller, Carl and Clifford.

Quick Action Required For Tax Relief During 1979

There won't be any "property tax relief" for Texans in 1979 unless the Legislature acts quickly to implement and fund the provisions of the Tax Relief Amendment according to a spokesman for Texans for Equitable Taxation, the statewide organization of property taxpayers.

In a recent report to TET members, Michael Moeller, the group's Executive Director, explained why he felt that implementation and funding of the Tax Relief Amendment should be TET's top legislative priority in 1979. According to Moeller early legislative action and full reimbursement to local governments for revenues lost due to the new exemptions are essential if there is to be any property tax relief this year.

"Implementing legislation," says Moeller, "Must be adopted and signed by the Governor by no later than March 1st. Most school districts won't accept renditions and exemption requests after April 30. The new exemptions for the elderly and disabled as well as the new valuation process for agricultural land will undoubtedly require some sort of applica-

tion by the property owner. If taxpayers are to receive the benefits of any new exemptions this year, the Legislature must complete the process of providing implementing legislation in time to allow for the preparation and distribution of the new applications and the education of the public and the tax assessors regarding the new exemptions.

"Perhaps even more important is the need for full reimbursement of all local revenues lost under the new exemptions. Unless local governments are completely compensated for these losses, local governments will have to make up the losses on their own and the only mechanism they have to do this is by increasing their ad valorem tax by adjustment of the rate or ratio or by expensive reappraisal. Failure to fully reimburse would have the effect of generating statewide property tax increases. Obviously, this is contrary to what the voters were asking for in November.

"Reimbursement won't be cheap, either. The \$450 million set aside by the Legislature for this purpose is about half the amount that will be needed in the coming

biennium to make up the losses caused by the homestead and agricultural exemptions. If the Legislature opts to exempt family-owned vehicles and various intangible properties, even more reimbursement funding will be necessary. The total required for the next biennium will greatly exceed \$1 billion if the Legislature exercises all the exemption options provided under the new law."

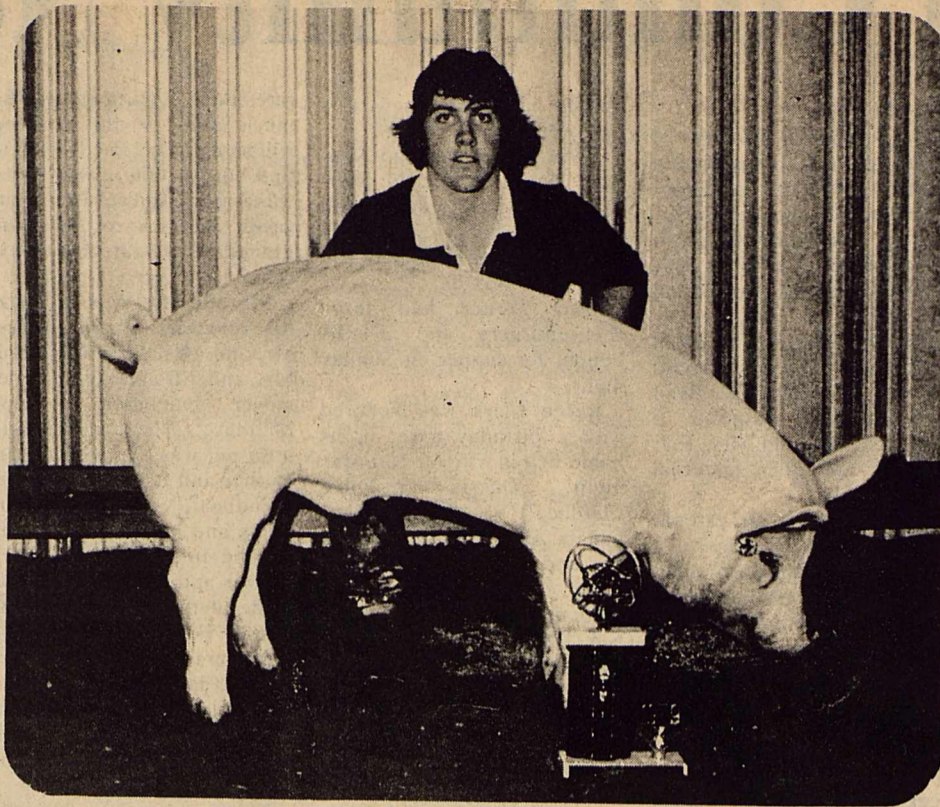

In addition, Moeller listed TET's other top priorities for the 1979 Legislative Session. He said that TET would oppose any increase in the State-mandated local share of the cost of the Foundation School Program and that TET would support continued progress toward full State funding of an adequate Foundation Program. He said that TET would increase the emphasis on alternative revenue sources for funding public schools such as the refinery tax, mineral severance taxes, and the State sales tax.

Harrell Named To Committee

John W. Harrell, President of First Federal Savings and Loan, has been named to the 1979 Legislative Committee of the U.S. League of Savings Associations, the trade group's President, Joseph Benedict, announced today.

The League's 4,400 savings and loan association members provide the bulk of home mortgages in the U.S.

The Legislative Committee considers proposed new laws and suggested amendments of older statutes to decide which merit S&L support as a means of improving the nation's home finance system. The committee will meet in Washington at the end of February.

STOCK MARKET

The market at Haskell Livestock Auction was on a run of 374 head of cattle, 118 hogs, and no sheep and goats at its sale Sat., Jan. 13 according to James Powell reporter.

Other comments: All classes selling higher. Hogs topping at 50c.

Butcher calves: choice, 65-70; good, 60-65; standard, 58-60; rannies, 45-58.

Cows: fat, 47-55; cutters, 43-50; canners, 35-45; stockers, 52-62.

Bulls: bologna, 55-63; stockers, 50-65; utility, 50-55.

Stocker Steer Calves: choice, 90-\$1.00; good, 80-90; medium, 75-80; common, 65-75.

Stocker Heifer Calves: choice, 80-85; good, 75-80; medium, 70-75; common, 65-70.

Feeder Steer Yearlings: choice, 70-80; good, 68-70; medium, 63-68; common, 55-63.

Feeder Heifer Yearlings: choice, 68-72; good, 65-68; medium, 60-65; common, 55-60.

Cows & Calves: good, 500-600; plain, 450-500.

Top on Hogs: 50.

Sows: 40-45.

Shoats: 50-55.

Pigs by wt.: 40-60.

Boars: 28-30.

Cotton Classing

Cotton prices dropped about 100 points on Thursday, according to Sidney Ferrell in charge of the Munday Marketing Services Office. Prices being quoted now range from 1000 to 1075 points above current CCC loan levels. Producer and buyer activity is very light.

Grade 42 was the predominant quality with 33 percent. Grade 41 accounted for 19 percent and Grade 51 was 15 percent. Grades 32 and 52 each accounted for 14 percent of the cotton classed during the week. About 35 percent of the cotton was reduced in grade because of bark or grass. Staple 32 continued as the predominant fiber length with 67 percent. Staple 31 accounted for 18 percent and Staple 33 was 15 percent. Micronaire readings continued to decline as only 69 percent of the cotton was in the base range of 35 to 49. Twenty-six percent tested in the 30 to 34 range and 5 percent was below 30.

About 9700 samples were classed during the week ending January the 12th bringing our season total to 48,000.

College News

West Texas State University has announced the students on the President's and the Dean's Honor Rolls for the fall semester, 1978.

Students named to the President's Honor Roll have earned a semester grade point average of 3.85 (4.0-A) or higher for a completed minimum semester load in residence of 12 semester hours.

The Dean's List represent students who have a semester grade point average of 3.25 to 3.84 for a completed semester load of 12 hours or more.

The student named to the President's Honor Roll from Haskell was Mona Bledsoe, sophomore performance major, Star Rt. Box 48.

Jr. High Basketball

The Haskell Junior High Maidens and Warriors plus the two freshmen teams combined to sweep 6 games from Stamford last Monday night. The 3 boys' teams traveled to Stamford. The Warrior 7th graders won their 2nd straight game by a score of 46-6. The 8th graders were extended in a close fought overtime battle, 36-33. The 9th graders also were involved in a close see-saw battle before clawing out a 38-34 victory. The 7th graders now have a season record of 5-1, the 8th graders 4-3, and the 9th graders 2-4.

The Maidens entertained Stamford at Indian gym. The 7th graders cruised to a 3rd victory of the season by a score of 33-13. The 8th grade also prevailed easily by a score of 33-13, while the 9th graders won by a score of 40-14.

Both 8th grade teams will travel to the Anson tournament this weekend. Next Monday the 7th boys and the two 8th grade teams will host Monday, starting at 5 o'clock. All 4 teams will be involved in the Haskell tournament next weekend, January 25 and 27.

College News

David Lee Criswell graduated Dec. 8 from Texas A&M University with a degree in Mechanical Engineering.

He is now going to Texas Tech University graduate school for a degree in business.

He is the son of Elmer Lee and Betty (Adkins) Criswell of Plainview and a Grandson of Mr. and Mrs. James Adkins of Haskell.

STATEMENT OF NONDISCRIMINATION

Stamford Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color, or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

TAX PROGRAM
There will be a tax relief program at the Seymour High School Sat. Jan. 20th at 7:00 p.m. This is sponsored by Farm Bureau and Sen. Ray Farabee will be their speaker. This is a 12 county deal and is located in Seymour. Everyone is invited.

FILLING CABINETS, large and small; also check files for those end-of-the-year records. Small fire resistant vaults to safeguard valuable papers. Haskell Free Press.

Water Study Results Available

Knox-Haskell Ground Water Release: The Texas Department of Water Resources and Mr. Rollen W. Hardin and Association Engineering Firm, Austin will release a 40-month study of the Seymour Aquifer at a meeting on Jan. 19 at 1:30 p.m. in the Munday Chamber of Commerce and Agriculture Office. The public is invited.
The study was begun by the Munday Chamber some 4 years ago when area residents became concerned with various types of pollution of the Aquifer.

Junior High Tournament Scheduled

The 4th annual Haskell Junior High School Basketball Tournament will be held January 25 and 27 in the Indian Gym.
This event is the highlight of the Junior High Basketball season. All four teams, 7th grade boys and girls, 8th grade boys and girls, are in action both days. Efforts are made to bring to the tournament three competitive teams in each bracket, to create, close, exciting junior high basketball.
Last year, the Haskell 7th grade girls won the division for the third year in a row; Seymour swept the other three divisions. Seymour is returning to defend the championship against Stamford, Knox City, and the host, Haskell. The 8th grade boys division should be particularly exciting with all four teams evenly matched and strong for junior high teams.
The junior coaches and players are looking forward to showing improved skills of the teams in two days of exciting competition, and they hope that local fans will turn out in good numbers to support the home teams.

City Receives Tractors Leave Sales Tax Rebate For Washington

State Comptroller Bob Bullock Monday said the January allocation of the local option one percent sales tax to Texas cities will exceed \$18.1 million.
This month's rebate is about \$300,000 less than the state paid to some 900 Texas cities during the same one-month period last year.
Texas cities received a record \$424.8 million during 1978 as their share of the city sales tax, an increase of 17 percent over the previous year, Bullock said.
Haskell received a check for \$2,741.55 which is a 7 percent increase over the same period last year.
Houston will receive \$3.5 million for this reporting period, an 11 percent drop compared to the city's 1978 payment for January.
Dallas will get a check for \$2.2 million, which is one percent less than the amount paid during the same period last year.
Fort Worth's check for January will be \$756,596 compared to \$761,375 received by the city during the first month last year.
San Antonio's rebate check is up by about seven percent over its 1978 January allocation. The Alamo City will receive \$1.05 million.
Austin will get \$641,992 this year, compared to a payment of \$600,346 for the same period last year.
The sales tax is collected by merchants and other sales tax permit holders along with the state sales tax and is rebated monthly to cities in which it is collected by the Comptroller's Office.

AND YOU THOUGHT YOUR'S WAS COLD! After about ten days of ice and snow and sub-freezing weather, the sun came out Monday and temperatures rose to about 50 degrees. Old timers in Haskell can recall more ice and colder temperatures but never such an extended period of ice. (Staff Photo)

Saving Graces

Budget-Stretching Ideas
SAVE ON FUEL
Set your home thermostat down 3 degrees. That will cost you nothing, and you'll save considerably on fuel bills, says the NAHB Research Foundation, the technological subsidiary of the National Association of Home Builders.

In the moderate climate zone—Baltimore, Philadelphia, Cincinnati, and Kansas City—savings will be about 10 per cent. The percentage will be higher in warmer climates, less where the weather is colder. Dollar savings will be higher in colder areas.
Lower temperatures don't mean that a well-insulated house will be less comfortable. By acting as a barrier to the loss of heat, fiber glass or rock wool insulation keeps the interior surfaces of ceilings, walls, and floors warmer. The Research Foundation says the indoor temperature can be reduced 2 to 4 degrees and still maintain comfort.
Mineral fiber insulation can usually be added to an attic floor by a do-it-yourselfer, following instructions available from a building material dealer. Or the work can be done by an insulation contractor, who can also insulate other, harder-to-reach parts of the house.

Conservation Viewpoints

USDA Soil Conservation Service
Assisting
Haskell Soil and Water
Conservation District

The Federal Water Pollution Control Act of 1972 provided local areas with a unique opportunity to plan and manage a comprehensive waste treatment program. Initiation of the program lagged somewhat because of the attention demanded by the permit program and construction grants program. During 1974, however, the program was launched with a \$1 million grant in Raleigh-Durham, North Carolina. At the close of the fiscal year 1974, there was 11 grants totaling \$13.5 million.

1975 marked the real growth of the program with the addition of 138 grants for \$150 million. Court rulings decreed that States were required to conduct a level of planning that would have been conducted by local agencies, were designated. Today there are 175 areas in 49 States doing 208 planning in the nation with approximately \$220 million of Federal assistance. Another \$79 million is currently available through September 1979.

"208" refers to the section of the Water Pollution Control Act. State 208 planning responsibilities have been given to the Texas State Soil Conservation Board under the leadership of Carl Spencer, Executive Director. Our local

representative on the State Board is Joe Antille of Abilene. The 1979 Federal Budget includes \$32 million.

Future funding will be provided to specific agencies to solve specific problems. Priorities identified for FY 1979 funding are non-point sources/water conservation, facilities planning, urban storm runoff and pretreatment. Successful work undertaken and completed to date has been certified by the State and approved by the Environmental Protection Agency.

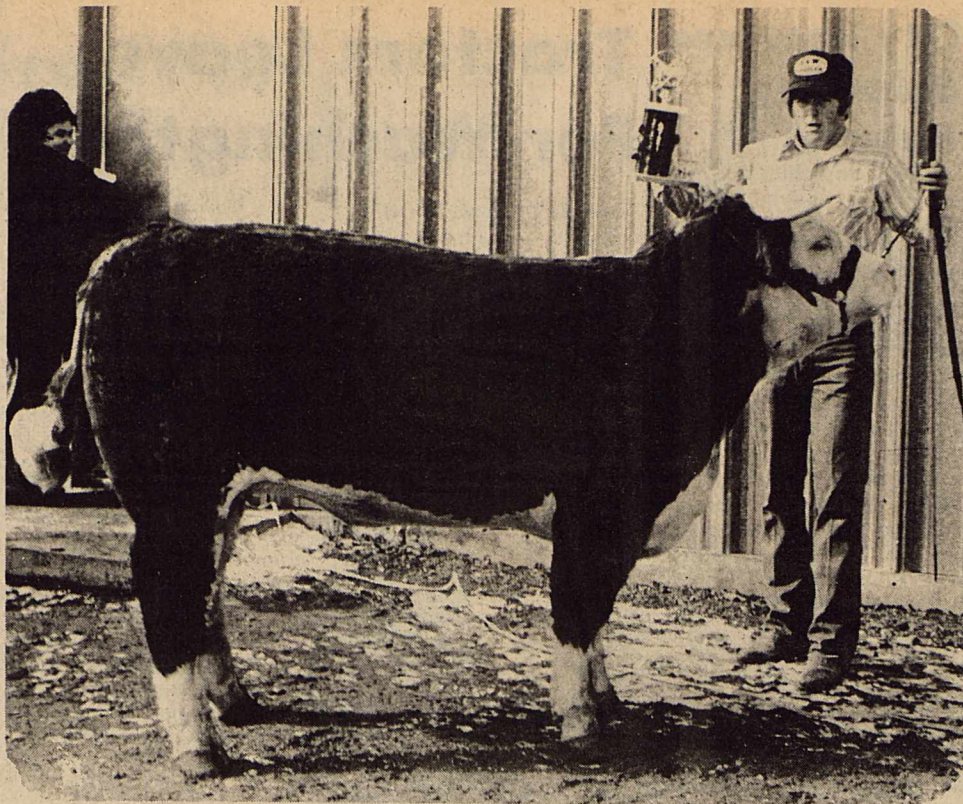

Of course the key to the 208 program is implementation. EPA has determined that beginning in FY 80 no funding will be provided unless some portion of the plan is being implemented.

All conservation planning and application, whether accomplished without assistance or cost-shared by the Agricultural Conservation Program (ACP), Emergency Conservation Program (ECP), or Great Plains Conservation Program (GPPC), accomplished in the Haskell Soil and Water Conservation District (Haskell County) has been done with an "eye" on the provisions of Section 208.

The field office staff of Haskell Soil Conservation Service will continue to assist all producers in Haskell County to reduce non-point as well as point pollution. We do not want our valuable top soil to leave the field. Every effort will be made to assist you, the producer, to plan and install the needed conservation measures for your farm to reduce soil and productivity loss to the lowest level possible.

J.C. Yeary, Jr.
District Conservationist

American Ag News

BY BETTYE McBROOM

Continued from last week's paper and taken from the January 2, 1979, issue of the AMERICAN AGRICULTURE NEWS.

THE BIG SWINDLE Copyright 1978 by Van Stafford.

The Federal Reserve Act is violation of the Monroe Doctrine. The Monroe Doctrine prohibits any Foreign or Equity Jurisdiction within these United States of America.

The question that we the people ask of Congress: How can you declare Federal Reserve Notes to be lawful money when, in reality, they are an evidence of debt owed to the Federal Reserve Bank? Congress on one hand declares them to be a debt obligation and at the same time lawful money, or an asset. The question we the people ask: How can you, Congress compel us to pay Income Tax on a debt obligation? How can you declare it to be an obligation on one hand and an asset on the other? We the People DEMAND an explanation. We want to know before April 15 whether it is an asset or an obligation.

We the people DEMAND TO KNOW what did the Federal Reserve Banks give us in return for the government bonds placed in their vaults? What thing of value or substance did the Federal Reserve Banks return in the exchange for the government bonds? This is the question we demand to be answered. The answer is NOTHING. The paper money in your pocket is merely a receipt or an evidence of debt or a claim ticket for the bonds in the vaults of the Federal Reserve Banks. These claim tickets are direct claims against the people's own property, substance, labor.

Now this so-called Lawful Money (Federal Reserve Notes) that Congress has seen fit to make lawful, is used by the Federal Reserve Banks as a base of the reserve of the National Banks to issue Demand Deposits or Check-

book money. Now remember, there are two kinds of money: (1) Federal Reserve Notes, issued by the Federal Reserve Banks as public money or public credit, (2) Checkbook money, taken out of thin air on the spot by the National Banks, which is private money. The latter is the kind you and I receive when going to the bank and making a loan. Now can you believe, when you go to the bank and make a \$10,000 loan, this is created out of thin air? The bank had neither the money nor the reserve at the time, but gave you a deposit slip and credited your account with \$10,000. The bank reserve requirement for making this \$10,000 loan is somewhere between \$625 and \$1,000. A ration of ten to one or sixteen to one! How sweet it is for the special privileged.

Article I, Section 10, of the United States Constitution states, "No state shall make anything but gold or silver coin a tender in payment of debt." This is what is known as the "Substance Clause" and it was placed there for a very good reason. It was for the people's own protection so that we could not be swindled or defrauded out of our substance unless payment is made with substance. This is very important to remember: In a trade or transaction, the important thing is whether you got PAID (money) or whether you got swindled out of your substance.

Now here comes the undeniable proof of the "Big Swindle." On June 5, 1933, Congress passed House Joint Resolution 192, which suspended the Gold Standard and placed a moratorium on payment of debt. This effectively put us into insolvency and bankruptcy.

By placing a moratorium on payment of debt, we were no longer allowed to pay or collect our debts at law with Standard Lawful Money (backed by gold or silver). At the same time, Congress granted the Federal Reserve Banks a special privilege (monopoly) to issue its own claim tickets (so-called money)

to discharge the obligation to pay.

The author would like to make a comment here. Was this necessary? Absolutely not! Congress could have made silver in addition to gold as the legal backing, as there was plenty of silver. In addition to silver, Congress could have had the US Treasury issue United States Notes, which is "We the People" money. By doing this, they would have prevented the "Swindle".

After being put into receivership to the Federal Reserve Banks, we were effectively put into what is called Equity Jurisdiction (a foreign or outside control, the private Law Merchant). You are no longer under the protection of the Constitution and the Bill of Rights, but at the mercy of the Federal Reserve (Equity Jurisdiction). Under Equity Jurisdiction you are no longer a sovereign citizen of the United States because your Bill of Rights has been abrogated. When? How? In 1933, when Congress declared it to be against public policy for you to be PAID for your substance. They thought it to be more convenient for the Federal Reserve Banks to be allowed to steal it through the camouflage of debt credit.

Thus, your Bill of Rights being abrogated, you are merely a public servant performing a deed or performance. Perform, Perform, Perform. Slave, Slave, Slave. For the special privileged.....

The last part of THE BIG SWINDLE will follow next week.

Barbara Clarkson Named Teacher Of The Year

Barbara Clarkson, vocational office coordinator for Monterey High School, Lubbock, recently was named High School Business Teacher of the Year for District 17 of the Texas Business Education Association. Mrs. Clarkson holds a Bachelor of Business Administration degree from Texas Tech University and now is working on her master's degree.

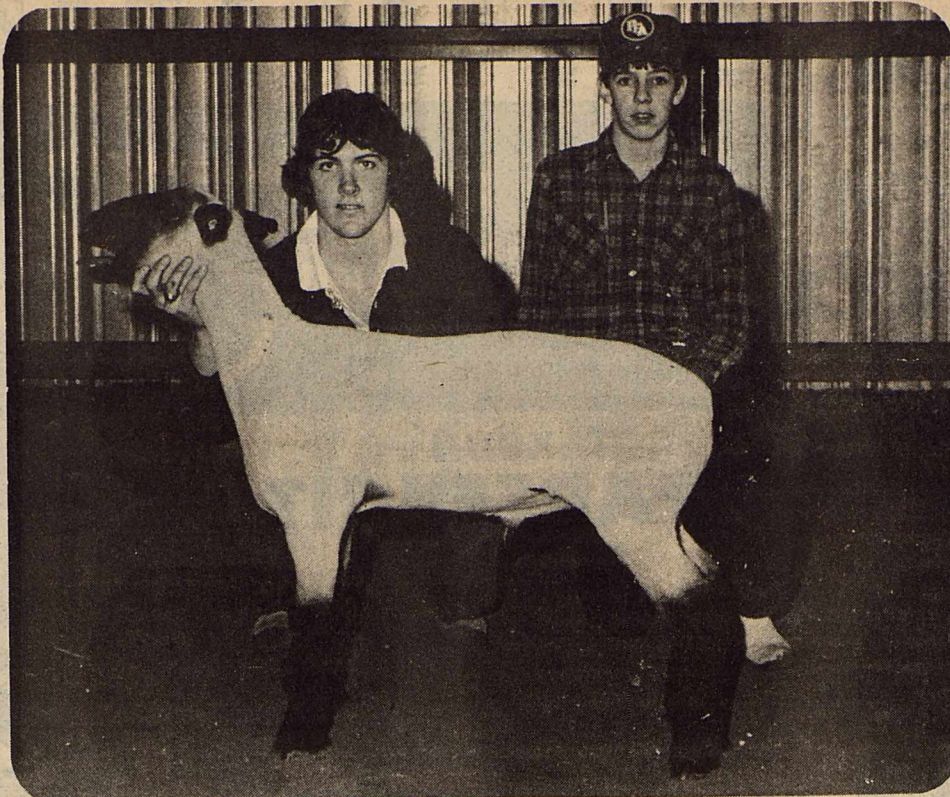

She also has attended Texas A&M, and has taught Business Education and Vocational Office Education for 19 years.

Mrs. Clarkson has served as local, area and state sponsors for Office Education Association activities and has taught the Leadership Workshop for Area IV OEA officers. She has served as Chairman of the District 17 Texas Business Education Association.

She is a life member of the Texas State Teachers Association, the National Education Association, and a member of the Lubbock Educators Association, Vocational Teachers Association, American Vocational Association and Classroom and Business Office Education.

A state high school business teacher and a state university business teacher of the year will be selected from the district nominees.

Barbara is the daughter of Mrs. J.W. Mullins of Haskell.
