"HASKELL—A GOOD PLACE TO VISIT; A BETTER PLACE TO LIVE"

VOLUME NINETY-THREE HASKELL, TEXAS, 79521, THURSDAY, MARCH 22, 1979 NUMBER TWELVE

Tornado Season Approaching

With the coming of spring months in West Texas comes the threat of possible tornadoes.

The tornado warning system in Haskell is a cooperative effort of local law enforcement agencies and the Haskell Fire Department.

Officers from various law enforcement agencies are stationed around the city anytime there is threatening weather. In the event any officer spots a tornado, the fire department is notified and the siren at the station is blown for about two minutes. In addition, volunteer firemen drive designated routes throughout town with sirens.

This warning is activated only upon sighting a tornado and all residents are urged to take shelter immediately when

Methodist Revival To Begin Friday

The First United Methodist Church of Haskell will hold a week of spiritual renewal March 23-28. Speakers for the week will be Dr. Ed Robb, Methodist evangelist, and Dr. Paul Morell of Tyler Street United Methodist Church in Dallas.

Music for the conference will be under the direction of The Putnam Brothers and Rev. J. Wesley Putnam, pastor of Lazbuddie United Methodist Church.

Youth ministry will be led by Jan and Denise Putnam of Dallas. They both currently work with youth at the Tyler Street United Methodist Church in Dallas.

A covered dish supper will be held at 7:00 p.m. March 23 followed at 7:00 p.m. by worship with Ed Robb and after-glow with The Putnam Brothers.

Saturday's schedule begins early with a 6:30 a.m. men's breakfast with Ed Robb followed by services from 7:00-7:45 a.m. At 10 a.m. The Putnam Brothers host a Youth Brunch and at 12 noon Mrs. Ed Robb hosts a women's dinner. The evening service begins at 7:00 p.m.

Sunday School begins at 9:45 a.m. March 25 with worship services starting at 10:50 a.m.

The schedule for Monday, March 26, through Wednesday, March 28, will be the same each day. Coffee and donuts will be served at 6:45 a.m. followed by services from 7:00-7:45 a.m. Evening worship services will begin at 7:00 p.m.

A nursery will be provided and the public is cordially invited to attend.

hearing the siren.

Although tornadoes are possible the year around, the peak months are April, May and June.

In addition to the local warning system, residents are urged to know the difference between 'tornado watch' and 'tornado warning' as used by the National Weather Service.

A watch, usually posted for broad areas spanning hundreds of miles, is issued anytime a squall line develops which has the potential of approaching tornadoes. It is not uncommon for a city or town to be included in a watch dozens of times without ever experiencing a tornado. For this reason, there is danger of becoming complacent. No matter how often a watch is posted for a community, residents should monitor broadcasts and be generally aware of the potentially threatening weather.

A warning is issued whenever a tornado is sighted.

Warnings are issued for much

smaller areas and may mean that residents have only a few minutes to take shelter.

If a warning is issued, persons in the affected area should immediately watch for danger and be ready to take cover at a second's notice.

The key word in taking cover is 'low'. The lowest floor in any building is the safest. Small rooms, such as the bathroom or a closet in the central part of the structure offer the best protection. If this hideout isn't available, taking cover under heavy furniture such as a tipped over couch is advised. Neither a mobile home nor building with wide, free-span roofs, such as auditoriums, are desirable shelters.

Fire Department officials urge all local residents to have a pre-planned place of cover, easily accessible, and do not hesitate to seek the shelter immediately when the local warning is issued.

Bass Tourney Set This Weekend

The Haskell County Jaycees Invitational Bass Tournament will be held this Saturday and Sunday, March 24 and 25 at Lake Stamford. Anglers from throughout the Big Country are expected to compete for cash prizes and merchandise in this annual event.

Registration will be held at Veda's Camp, tournament headquarters, beginning Friday afternoon and again Saturday and Sunday from 5:30 till 9 a.m. each day. Entry fee is \$10 per day, or \$15 for the two day event. Weigh in time is from 2 till 3 p.m. Saturday and Sunday with a 3 fish stringer, 15 inch minimum the basis for judging.

Saturday night all participants will be treated to a fish fry at Veda's Camp. Ronnie Reynolds will be the Chief Chef for this culinary delight and good eating is assured to all.

Cash prizes will be \$150 for first place, \$100 for second, and \$50 for third. Merchandise prizes will be given to other winners as they place in the competition. A pool will be held among the fishermen for the big fish.

Jaycees Charles Address, Bill Perry, Bill Trammell, and Ronnie Reynolds are expecting a fine tournament and invite all fishermen in the area to participate in the tournament.

Paint Creek Power Plant Honored For Safety Record

Employees at West Texas Utilities Co.'s Paint Creek Power Plant were praised Monday for establishing an outstanding safety record which includes having no lost-time accidents

since 1962.

Durwood Chalker, WTU president and chief executive officer, told the employees gathered at the plant for their regular safety meeting, that "no

Bloodmobile Visit Set April 2, In Rule

The Red River Regional Red Cross Bloodmobile will be in Rule on Monday, April 2 in the First Baptist Church from 2:15 to 5:45 p.m. The goal for the Bloodmobile has been set at 55 units. This goal has been carefully set to insure the blood and blood product needs of the county are met.

The Red River Regional Red Cross Blood Center is the processing site for 40 regional hospitals. Regular deliveries are made to these hospitals but when a special need arises at a hospital such as Haskell County Memorial Hospital, the Red Cross Center sends out the necessary units of blood.

Because blood can only be stored for 21 days, donors are always needed to replace the supply. A donor may give blood every 56 days if they are between the ages of 18 and 65, in good health and weigh at least 110 pounds. Seventeen-year-olds can give with written parental consent.

The actual process of giving blood only takes from seven to ten minutes but with the time for registration, the medical history and refreshments, the donor should expect to spend about an hour at the bloodmobile. A brief medical examination including blood

pressure, temperature, pulse and a hemoglobin test is given to every potential donor. These are some of the factors that determine if it is safe for the individual to be a blood donor and if the blood being donated is safe for a patient to receive.

One hour is not a lot of time when it could save someone's life. Blood cannot be made anywhere except in the human body and must be given voluntarily. It is truly the gift of life.

Anyone wishing to donate should drop by the First Baptist Church between the hours of 2:15 and 5:45 p.m. on Monday, April 2.

HEAVY RAINS...Haskell residents awoke Monday morning to thunder and heavy rainfall. Up to two inches were received in the immediate area causing some minor flooding. Water draining across U.S. 380 at

Avenue G was almost six inches deep. By noon Monday, most of the water across the intersection was gone, but several drainage problems still existed.

Bike-A-Thon Set April 7 To Benefit Childrens Hospital

During the coming weeks, riders in the (April 7th) St. Jude Children's Research Hospital Wheels for Life Bike-a-thon will be asking Haskell

citizens to back their efforts by pledging a contribution for each mile they ride.

Wheels for Life Chairman, Tom Jones, said the sponsors would be asked for their contributions only when the ride is complete and the rider's distance verified.

"Each rider will be given a lap card when they register at 'F' Ave. and 16th Street (Rochester Road), on Saturday April 7th", Jones said.

"Everytime they ride through the check points, we'll initial the card. At the end of the ride, we'll check it and sign it to show that the rider earned what the sponsor pledged." Riders will then return to the sponsors to collect the pledge. "The money our riders earn will help continue St. Jude's life-saving research that has become so important

to children all over the world," Jones said.

"We'll be showing that we care about children by helping this cause. Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over."

The ride starts at Ave. F and 16th Street at 1:25 p.m. on Saturday the 7th of April. The bike route will be two miles in length on the Rochester Road. All who are interested in riding in the Bike-a-thon please pick up your registration/sponsor forms at the office of the Haskell Elementary School, or the office of the Haskell Jr. High School. All who would like to volunteer to help with the Bike-a-thon please contact Tom Jones at 4-2445 or Mrs. W.L. Holt at 4-2937.

Chamber Banquet Set Friday In Rule

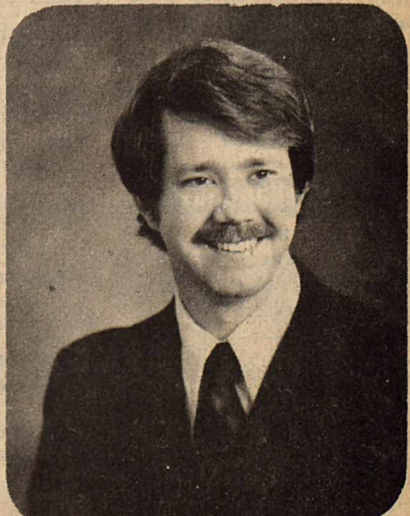

The annual Rule Chamber of Commerce Banquet will be held March 23, at 7 p.m. in the Rule School Cafeteria.

Speaker for the annual event will be Madison 'Mad' Crawford of Bettendorf, Iowa.

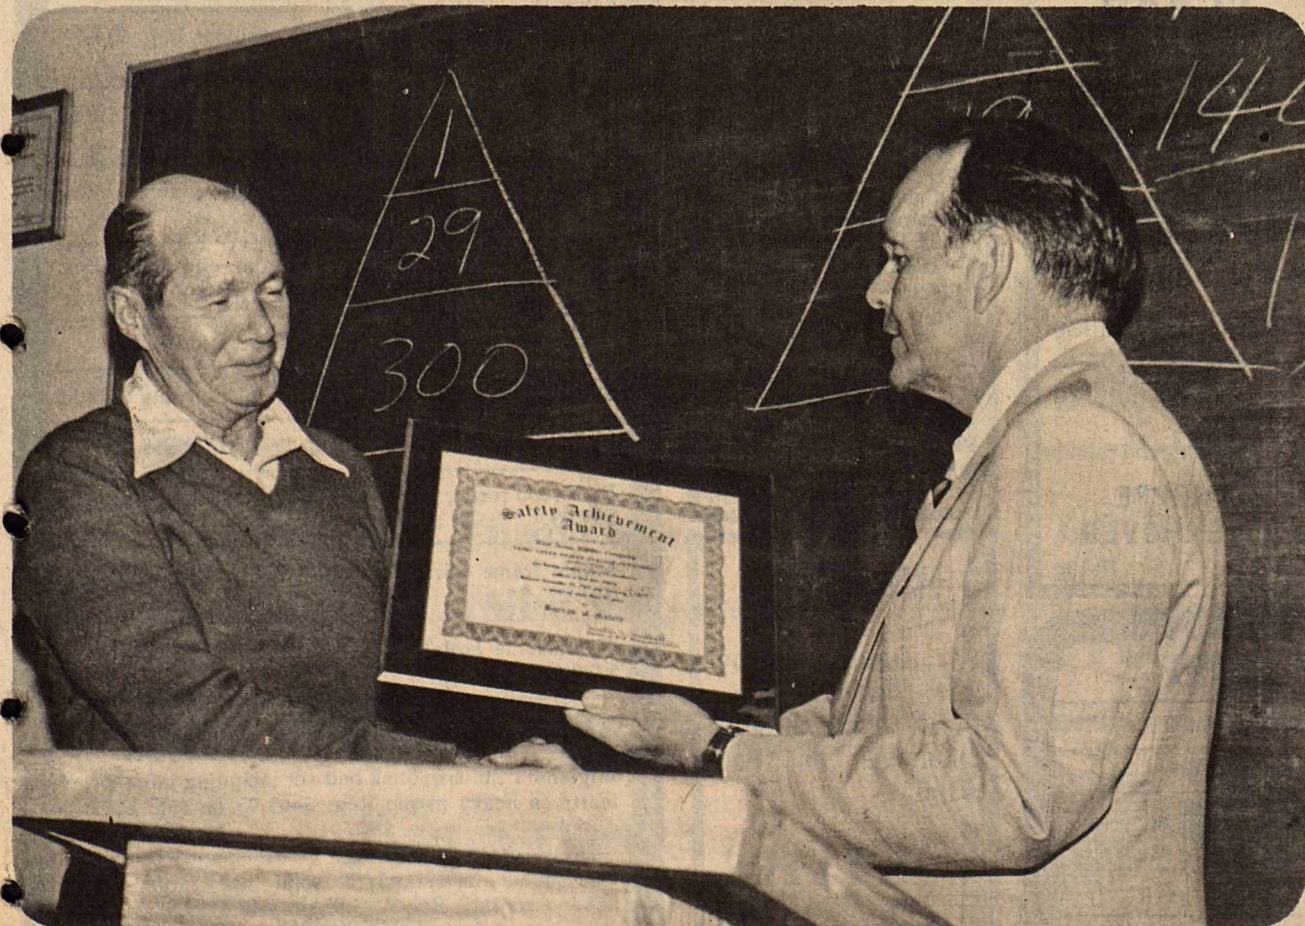

Crawford, the son of Mr. and Mrs. Maurice Crawford of Wichita Falls, and the nephew of Mr. and Mrs. Frank Campbell of Rule, is a humorist and motivator.

He is a graduate of Texas Tech University and is currently serving as a mathematical statistician.

Invocation for the banquet will be given by the Rev. Wayland Dowden and Weldon Norman will introduce guests. Bonnie Woods will provide organ music and entertainment will be provided by two different groups, one consisting of Tom Turner, Mike Fouts, Coleman Bivens, Todd Kinney, Darin Beakley, assisted by Bonnie Woods; and a quartet consisting of Tomi May, Elvin Kinney, Richard Mathis and Harold Woods, accompanied by Frances Davis.

MADISON CRAWFORD

WTU AWARD...Aubrey Carrol, supervisor at the Paint Creek Power Plant, accepts a Safety Achievement Award for over 16 years without a lost time accident. WTU President, Durwood Chalker, made the presentation and called himself a 'safety nut' saying to

those present, "You're not part of the problem, your part of the answer". He added that the safety record is continuing and urged all employees to reach the turn of the century with the record intact.

CARD OF THANKS

To our wonderful families and friends, thank you for all the sweet, loving things you have done for us these past weeks. The flowers, cards, gifts and food meant more than we can tell you. Dr. Thigpen and Dr. Cadenhead are just the greatest and the nurses couldn't have been more attentive and caring. We are so blessed to have them and our fine hospital. We appreciate all of you so much and wanted you to know that we do. With love, Marjorie and Lynn Pace. 12p

CARD OF THANKS

The family of Marion O. (M.O.) Brinlee wishes to express our sincere thanks and appreciation to our many friends who were so thoughtful of us during our time of sorrow. We deeply appreciated all the flowers, food, memorials and prayers. May God bless each of you. Mrs. M.O. Brinlee, Mr. Art (D.A.) Brinlee, Mr. and Mrs. Scotch (Ruby) Coggins and Mr. and Mrs. Curtis Cross (Son). 12c

NOTICE OF ELECTION

*County Water District No. 1

County of Haskell, Texas

To All Whom This May Concern:

It is hereby ordered, and notice is hereby given, that there will be an election on Saturday the 7th day of April A.D. 1979, in Election Precinct No. 8 of County Water District No. 1, County of Haskell, State of Texas, for the purpose of electing Directors.

All persons who are legally qualified voters of this State and of this County, and this said Water District shall be entitled to vote at this election, at the Weinert Community Center, Chet Forehand President,

Board of Directors Haskell County, Texas Attest Lowell McGuire Secretary, Board of Directors 12-13c

OBITUARIES

Gregario Pedroza

Funeral services for Gregario Pedroza, 72, of Haskell were held March 19 in St. George Catholic Church with Rev. Stephen White officiating. Rosary was held March 18 in St. George Catholic Church. Burial was in Willow Cemetery under the direction of Holden McCauley Funeral Home.

Mr. Pedroza died March 17 at 7:05 a.m. in Knox County Hospital.

Born May 9, 1906 in El Paso, he married David Villa April 1934 in Anson. He had lived in Haskell 35 years moving here from Gordon. He was a member of St. George Catholic Church and a retired farmer.

Survivors include: his wife; one daughter, Mrs. Raul Espinosa of Knox City; four sons, John of Abilene; Gregario Jr. of Ft. Worth; Daniel of Dallas and Randy of the home; two brothers, Valentine and Pedro, both of Abilene; two sisters, Mrs. Lusia Funetes of Haskell and Mrs. Cruz Gonzales of Greeley, Colorado; 13 grandchildren and 3 great grandchildren.

Pallbearers were Robert Espinosa, Raul Espinosa, Randy Pedroza, Richard Rodriguez, Johnny Pedroza, Joe Gutierrez and Oscar Gutierrez.

Hazel Wilson

Funeral services for Miss Hazel L. Wilson, 69, of Waco were held February 26 in Wilkinson-Hatch Funeral Home in Waco. Graveside services were held in Willow Cemetery in Haskell, February 27.

Miss Wilson died February 25 in a Waco hospital. She was a native of Haskell and attended business college in Abilene before moving to Waco in 1940. She was a secretary for Youngblood's Inc. for many years and later worked for Waco Hardware Co. She was a retired secretary, a member of Columbus Avenue Baptist Church and past president of the Toastmistress Club.

Survivors include one sister, Miss Eunice O. Wilson of Waco.

Tech To Honor Past Grads

U.S. Rep. Charles W. Stenholm of Stamford, Rancher Rob Brown of Throckmorton and General Manager E.C. Dick Weekley of the Houston Livestock Show and Rodeo will receive special recognition March 30 from the Texas Tech University College of Agricultural Sciences.

Each will be presented the Gerald W. Thomas Outstanding Agriculturalist Award.

Stenholm for agri-business, Brown for production and Weekley for public service. The award is named for a former dean of the college, now president of New Mexico State University.

Awards will be made at the sixth annual Honors Banquet-Pig Roast of the College of Agricultural Sciences. The event will begin at 7 p.m. in the Coronado Room of the Texas Tech University Center.

Stenholm has been a teacher, farmer and farm manager,

a banker and active in farm cooperatives--for nine years the general manager of the Stamford Electric Cooperatives. Elected to the 96th U.S. Congress last November, from the 17th Congressional District, he serves on the House Agriculture Committee with appointments to subcommittees on cotton, dairy and poultry, livestock and grains, and oilseeds and rice.

Brown, nationally recognized as a leading rancher and cattle breeder, operates the Crooked River Ranch and the R.A. Brown Ranch near Throckmorton and Brown Simmental Breeders, Matheson, Colorado.

In these cattle operations, requiring the management of more than 56,000 acres, he runs some 2,000 cows. The Crooked River Ranch is a commercial operation, the other two Simmental herds, R.A. Brown Ranch is a

recognized breeder also of quarter horses.

Weekley, formerly executive secretary of the Texas Association of Future Farmers of America, became general manager of the Houston Livestock Show and Rodeo in 1962. He is credited with contributing greatly to that organization's continuous and outstanding service to youth.

The Houston Livestock Show and Rodeo, operated annually by 3,000 volunteers, is committed to funding scholarships amounting to \$1.24 million for 248 college and university students. Last year it established an endowment of \$100,000 to support new scholarships in the Texas Tech College of Agricultural Sciences, in addition to 22 previously granted scholarships and some research funding.

Stenholm was graduated from Tarleton State Junior

College and holds the bachelor's and master's degrees from Texas Tech. He taught vocational agriculture for two years, 1962-64, and became a partner in L.W. Stenholm & Son Farms, was owner-manager of Stenholm Farms, 1969-76, and for the past two years was manager of Watson Farms and president of Double S. Farms, Inc. He was a director of First National Bank, Stamford, from 1975 to 1978.

In addition to community service, he has headed the Rolling Plains Cotton Growers, Texas Electric Cooperatives, the Quarter Horse Division of the Texas Cowboy Reunion and the Tri-Area Livestock Association. He has been vice president of the Texas Federation of Cooperatives and is a charter trustee of Cotton Incorporated.

Brown was active in a wide

variety of student affairs when he attended Texas Tech where he earned the bachelor's degree in 1958. He is Purebred Council chairman on the executive committee of the National Cattlemen's Association, a charter member and past president of the American Simmental Association, founding member of the World Simmental Federation, co-chairman of the Texas Experimental Ranch Committee, director of the Texas and Southwestern Cattlemen's Association, the American Quarter Horse Association and Southwestern Exposition and Fat Stock Show. He has been a director also of the Texas Society of Range Management.

City Sales Tax

Down From 1978

State Comptroller Bob Bullock Thursday said rebates to Texas cities of the local one percent sales tax for the first three months of 1979 have fallen slightly behind the first quarter of 1978.

The dip in city allocations as well as a similar drop in the collection of the state's four percent sales tax is not likely to affect overall state revenue this fiscal year, he said.

"However, I'll be watching tax trends and receipts closer than a hawk watches a sparrow and plan to give the Legislature an updated revenue estimate for the next two fiscal years in the next 15 to 20 days," Bullock said.

The City of Haskell received \$15,995.08 and is 4% below the same period last year.

Bullock said more than 915 Texas cities will share \$56.6 million in sales tax rebates during March.

He said 1979 rebate payments to cities from the first of the year total \$100.3 million, compared to 1978 payments of \$104.4 million over the same period.

Bullock said late returns

that have not hit the Comptroller's accounting system and not sluggish retail sales during the reporting period seem to be the chief culprit for the downturn in rebates.

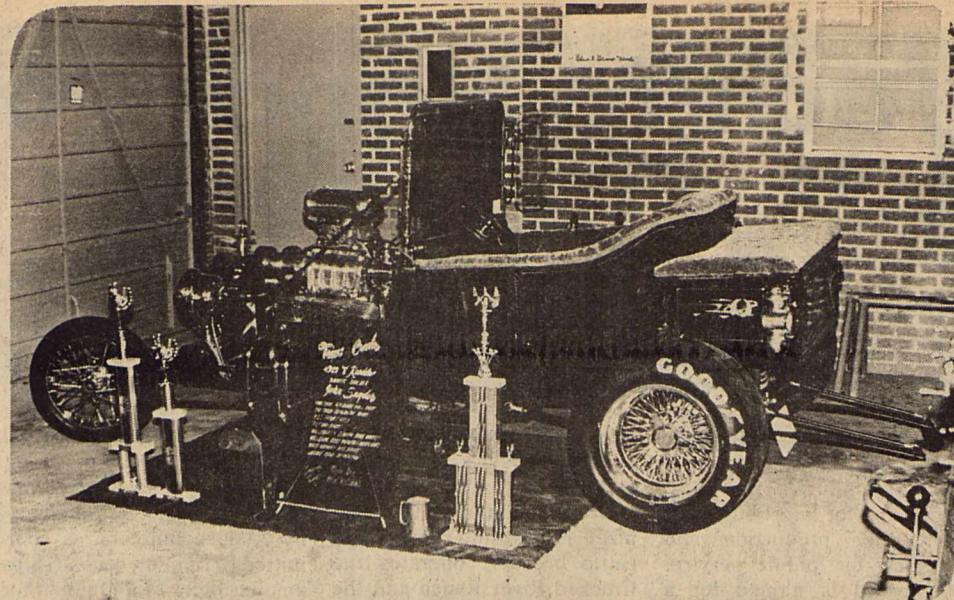

Bullock said the Comptroller's office had about 2,400 returns on hand that weren't processed for the March allocation.

Houston will receive \$11.2 million in rebates, bringing this year's total to \$4 million, or a 5 percent decrease over the 1978 payments to date.

Dallas will get a check for \$6.6 million, pushing the city's 1979 payments to \$11.3 million, a two percent drop in rebates over the same three-month period last year.

Fort Worth will receive \$2.3 million for March, bringing this year's total to \$4 million, or a 5 percent decrease over the 1978 payments to date.

The rebate check for San Antonio will total \$3.2 million. The Alamo City's 1979 total to date is \$5.6 million, compared to 1978 payments to date of \$5.8 million, or a four percent decline.

TEXAS CRUDE

Albany Car Wins Abilene Show Award

John Snyder's fiberglass reproduction of a 1923 Altered Street Roadster won its fifth trophy by taking first place in its class in the World of Wheels Show held March 2-4 at the Taylor County Coliseum in Abilene.

The entries are judged by a panel of judges on their

engineering, paint, interior, and the ingenuity of their theme.

One of sixty entries, it also won the People's Choice Award. This award is given to the car exhibited receiving the most votes from the people in attendance, designating their favorite car of overall show.

John showed and exhibited his "T" Roadster, and Connie Turnbow of Haskell helped with the set up and theme.

It has burnt orange crushed velvet upholstery, skillfully hand painted murals depicting the oil fields, tilt body, jaguar independent rear suspension, and a blown small block Chevrolet engine.

"Texas Crude" as John has named his Roadster comes from his working the oil fields to help supplement the cost of building it.

"Texas Crude" comes under the class of 1923 Altered Street Roadster, and in order to qualify in this class it has to be a street car. It has 1,350 actual miles.

John had an uncle and grandfather in the car business in Albany in the early "twenties". What could be of better remembrance than his 1923 Roadster.

He spent four years building the car from scratch. Taking time and a lot of patience, each part had to be specially made. He started working on cars when he was thirteen.

John says he wishes to express his thanks and appreciation to everyone who voted for "Texas Crude" in the People's Choice Award. John is the son of Mr. and Mrs. Buddy Snyder of Snyder Ranch in Albany.

DPS Accepting Applications

The Texas Department of Public Safety announced today that it is accepting applications for the position of State Trooper to fill existing vacancies. Applications may be picked up at any DPS office. Entrance exams began February 15, 1979, at the Lubbock, Wichita Falls, and Amarillo DPS offices. Testing will be performed each Tuesday and Thursday at 9:00 a.m. and last most of the day.

The recruit school will begin June 12, 1979, and last for 18 weeks. The students selected will attend their Basic Police Training at the Homer Garrison Junior Memorial Academy in Austin. The curriculum will cover some 850 hours of Law Enforcement classes on a wide variety of such subjects as criminal and traffic law, human and community relations, investigative techniques, marksmanship, pursuit driving and physical training. During the training period the recruit will be paid \$876.00 a month.

Major C.W. Bell, Commander of Region 5, said, "To meet the general qualifications, both male and female applicants must be 20 through 35 years of age; of good moral character; in excellent physical condition; weigh not less than two pounds nor more than three and one-half pounds per inch of height; possess visual acuity no worse than 20/40 correctable to 20/20; and be a citizen of the United States. Educational qualifications are a minimum of 60 semester hours of college. The Department, an Equal Opportunity Employer, has been successful in recruiting women and persons from minority groups".

Upon graduation, a Commissioned Trooper receives \$1,000.00 per month, and at the end of six months of active

duty, the officer gets a salary increase to \$1,068.00. State Troopers receive longevity pay for each year of service up to 25 years. Other benefits include 5.85% paid Social Security. Uniforms, weapons, ammunition and vehicles are furnished by the State of Texas. Life insurance and hospitalization are paid for the employee. Paid vacations, state holidays and sick leave are provided to all employees.

There are four uniformed services that the trooper is qualified to enter: License and Weight, Drivers License, Motor Vehicles Inspection, and Highway Patrol. Experienced uniform troopers may apply for positions in the Narcotics, Intelligence, Texas Rangers, and Motor Vehicle Theft Services when openings occur.

Contact your nearest DPS office for job applications to begin a new and exciting career in Law Enforcement. Remember, training in Austin begins June 12, 1979, and applicants can begin their testing each Tuesday and Thursday.

SBDC Grant Announced By Stenholm

Congressman Charles W. Stenholm announces the approval of a \$15,524.00 grant to the Aspermont Small Business Development Center Incorporated serving Jones, Haskell, Fisher, Stonewall, Kent and Knox Counties of the 17th Congressional District.

These funds will be used to assist eligible families who experienced serious difficulties due to winter related energy emergencies.

Leisure Lodge News

Administrator, Lorene Beason, attended an NHA meeting in Waco. We are glad that Mr. Juel Mitchell and Mrs. Gussie Stone are back after being in the Hendricks Memorial Hospital in Abilene. Mr. and Mrs. Harroll Crist of Pampa visited her mother, Mrs. Bessie Hokett. Terri Martin of Sweetwater visited Mr. Sam Parks. Oleta Jackson of Rule visited Mrs. Lummie Westmoreland. Mrs. Eva White and Mrs. Ivy Massie. Mr. and Mrs. Junior Camp visited Mr. and Mrs. Ray Oliphant. Edna Adkins and Ermine Mullino of Rochester visited Mr. Sam Parks.

Visiting Mrs. Eva White were, a nephew, Mr. and Mrs. Morris Scruggs of Ft. Worth. Mr. and Mrs. Carl Baugh, Rule, Mardell Roberson and Myrtle Townsend of Rochester, Mr. and Mrs. Gordon Timms of Lubbock and Mattie White of O'Brien. Ivy Massie spent the day with her sister, Mrs. Maymie Wheatley on Sunday. Mr. and Mrs. Lloyd Bradley of Goree visited his mother on Sunday afternoon.

Visiting Mr. Joe Larned were, Kenneth Larned of Port Arthur and Mr. and Mrs. Jerry Larned and daughter, Pam of Monahans. Mrs. Anselmo Camacho and Eddie of Abilene and Manuel Flores of Rule visited with their mother, Mrs. Nolberta Flores. Dorothy Spann of Munday visited Mrs. Tommie Hawkins. Mrs. Melvin Sharp of Rule visited with Alpha Dyches.

Visiting Mary Alice Smith were, Mrs. Fronia Sanders, Mr. and Mrs. Alton Sanders, Mr. and Mrs. George Gray from Weintert, Mrs. Pauline Gruben from Weatherford and Mrs. Billie Hubbard from Mineral Wells. Visiting Ned West were his brother, Mr. and Mrs. Sam West of

Lubbock, Mrs. C. E. Ray of Rule and Mr. and Mrs. James Ray of Topeka, Kansas. Eldon Sanderson of Brownwood visited his sister, Kathryn Mitchell on Sunday and went over to Rule to visit with Mr. and Mrs. M. L. Cook. Mr. and Mrs. Stacy Connor and Kathryn of Denton, and Mr. and Mrs. Glen Blankenship visited Mrs. Claudia Blankenship. Glen and family are from Seven Points. Gaylon Parris of L.A., California, and

Mrs. Maida Scott of Albany visited with their mother, Mrs. Eron Boykin.

Visiting Mr. and Mrs. Jeff Smith and Mr. W.O. Lewis were Mr. and Mrs. Alton Sanders and Mrs. A.V. Sanders. Mr. and Mrs. G.C. Brockett of Weinert, Mr. and Mrs. W.C. Nance of Uvalde and Mrs. Dana Jo Kubeczka of California. Mrs. Vada Smith and daughter, Peggy, and son Billy of Ft. Worth, and Mrs. Don Coffman of Goree.

The top 3 sorghum hybrids for the Rolling Plains are all from Pioneer.

That's a mighty bold claim, we admit. But in farmers' fields, county agent test plots, wherever they're grown in Central Texas, these grain sorghum hybrids from Pioneer consistently out-perform competitive hybrids. Each of our hybrids is bred to meet specific growing conditions. When thoughtfully selected and managed to meet the conditions, Pioneer brand sorghums deliver winning performance.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area. You'll see for yourself, the consistent performers on the Rolling Plains are all from Pioneer.

846 Still a favorite after all these years! Drouth tolerance puts 846 ahead of the pack under stress conditions. It doesn't have all the disease tolerance of some newer hybrids, but where it can be grown, 846 is the hybrid many farmers stick with.

8501 Drouth tolerance with high yield potential. Hard textured, heavy test weight grain. Hard seed coat provides excellent weathering qualities. Some greenbug tolerance.

8451 Greenbug tolerance without sacrificing yield! Better early-season vigor than many competitive greenbug tolerant hybrids. Excellent stress tolerance makes 8451 a good choice for dryland.

Ask your Pioneer dealer about them **NOW**.

Sr. Girls Honored With Breakfast

Early Monday morning (7:00 a.m. to be specific) many residents of Haskell were surprised by a raging thunderstorm with thunder, lightning, rain, wind and hail. The most surprised of all residents, though, were the Haskell High School girls of the Senior "Class of '79". These girls were not awakened by the storm, but by Pam Gibson, Pat Mickler and Pansy Harris who transported them to the Gibson home for a surprise "Come as You Are Breakfast".

Each honored graduating girl registered on a paper doll, which was presented to the hostesses sister, Peggy Harris.

The breakfast table was covered in a white linen and lace cloth with a spring floral centerpiece. Orange fruit punch, sausage balls, blueberry muffins, banana nut bread, strawberry bread, green grapes and frosted fresh strawberries were enjoyed by the following sleepy-eyed girls:

Patricia Arredondo, Vicki Bledsoe, Sylvia Chaves, Lindy Collins, Sarah Cox, Kelly Croft, Carol Dean, Karon Gray, Sharon Gray, Mary Lou Gonzales, Vicky Hill, Jackie Mayfield, Renae McBroom, Debra Morris, Tammy Roberts, Tammy Shipman, Tamara Sorrells, Katie Tatum, Terri Therwhanger, Jo Ann Weise, Peggy Weise, Peggy Harris and her grandmother,

Betty Helweg. The five girls of the class unable to attend were: Debbie Aycock, Kay Campbell, Kerry Kemp, Katie Wooten and Tammy Young.

The hostesses, Pam Gibson and Pat Mickler, presented each senior girl with a desk organizer and many congratulations for the completion of the first 12 years of their education.

Hospital Notes

ADMISSIONS
MEDICAL: Mae Jackson, Haskell; Olen Dotson, Haskell; Lillian Garner, Old Glory; Reatha Mullins, Haskell; C.H. Massie, Haskell; William Throneberry, Haskell; Mary Strickland, Haskell; Mary McCollum, Haskell; Lance Pinkard, Rule; Nene Comedy, Haskell; V.P. Terrell, Haskell.
SURGICAL: Donna Lindsey, Hamlin; Christyne Green, Haskell; Leslie Vassar, Knox City; Christina Dean, Rule.

DISMISSALS
 Maggie McKinney, Loretta Gray, Evelyn Moeller, Albert Holley, Ramona Abila, Birdie Vandever, Linda Chapman, Alber Branch, Martha Cornett, Betty Wainscott, T.V. Burson, Clovellica Thompson, Ella Peiser, Earl Little, Dorothy Raughton, Chris Shahan, Bobbie Bragg, Gavino Ortiz, Jr., Angie Mullins, Rucker Adam.

Mr. and Mrs. Marvin Stegemoeller of Rochester and Mr. and Mrs. Sam Turner of Rule announce the engagement of their children, Brenda Lou and Robert Ace. The wedding is being planned for June 8. Vows are to be exchanged at Faith Lutheran Church in Sagerton. Brenda is a Senior at Rochester High School and is employed by Twin Cities News of Rochester. Robert Ace is a 1977 graduate of Rule High School and is engaged in farming in Rule.

Reunion Set

March 31

For Communities

It's time again to make plans for the Annual Pinkerton, Whitman and Foster reunion.

It will be held in Haskell on Saturday night, March 31, at the Community Building of Haskell National Bank.

The crowd will gather at 5 p.m. with the meal being served about 6 p.m.

Everyone attending will need to bring a basket lunch for their family.

These three communities are long extinct, but are remembered by the old timers as thriving communities in the horse and buggy days.

People come from far and near to attend these meetings, and to greet old friends as well as the new.

A.B. Cox is president, Mrs. A.B. Cox is secretary and Mrs. Delia Ashley is reporter.

COWBELLES

Haskell CowBelles will meet Monday night, March 26, at 7:30 p.m. in the home of Mrs. Bob Free, Paint Creek Road, for an installation party and desert supper.

BIRTHS

Mr. and Mrs. David Follstaedt of Albuquerque, New Mexico, announce the birth of a son, Andrew Martin, on March 7, 1979. The baby weighed 6 lbs. 7 oz. Grandparents are Mr. and Mrs. Joe Battig of Stockton, Illinois, and Mr. and Mrs. Martin Follstaedt of Haskell.

Mr. and Mrs. Ruben Davillo Saucedo, of Rochester, announce the birth of a son, Joey Rene Saucedo, born Saturday, March 17, 1979. Joey weighed 7 lbs. 1 1/2 oz.

Mr. and Mrs. Calvin David King, of Stamford, announce the birth of a son, Callin David King, born Monday, March 19, 1979. Callin weighed 6 lbs. 7 oz.

Joseph Sterling Hannsz was born at 8:26 a.m. March 10, 1979 at Hendrick Medical Center in Abilene. He weighed 8 lbs. 11 oz. Sterling is the son of Mr. and Mrs. Jerry D. Hannsz, Rt. 1, Haskell. His maternal grandparents are Mr. and Mrs. William B. Cochran of El Paso. Paternal grandparents are Mr. and Mrs. A.R. Hannsz of Haskell. Big brothers Cary Dean and Casey, ages 16 and 15, were on hand to greet the newborn the morning he arrived.

Sterling is named for two of his mother's beloved uncles, Joseph Wallace Fields and Sterling O. Roberts, both of whom were born in Haskell and lived here many years before moving to Clint where mother Maxine grew up.

Young Designers

Haskell County youth participating in the Young Designers Event are reminded to turn in their visual presentations by Wednesday, March 28. These can be turned in at the County Extension Office, the Homemaking Department to Mrs. Jeter in Haskell, or the Homemaking Department to Mrs. Baker in Rule.

The materials needed to participate in this contest are still available at the Extension Office. All high school age youth are encouraged to participate.

Artist Gives Brazos West Program

The Brazos West Art Association met Monday night in the Haskell National Bank Community room.

Thelma Ballerstedt, a well-known artist and art teacher of Seymour, was the guest demonstrator. She showed the members one of the newer methods of "tole painting" and had on display several pieces that she had completed in a recent class in Abilene. She painted a bird and a butterfly using the new strokes.

Lorain Rains of Childress will be the guest artist for the April meeting. She will paint yellow roses and on the 10th, 11th, and 12th of April will conduct a workshop in Haskell. Contact Iva Lee Gibson if you are interested in attending this yellow rose workshop.

Esme' Glen of Abilene will conduct a three day workshop on April 3rd, 4th and 5th. Contact someone at the Wigwam Crafts if you are interested in this workshop. The Association voted to have an art show in connection with the Frontier Day Celebration the later part of May. Plans will be finalized by the April meeting.

Hostesses for the March meeting were: Doris Moore, Martha Sampson and Iva Lee Gipson.

LUNCHEON
 There will be a covered dish luncheon at the CAP Center, 706 N Avenue DE Monday March 26, 1979, 12:00 noon. Everyone is invited to come and bring a dish and have fellowship together. At 1:30 p.m. a program will be presented by the Josselet HD Club on consumer buying budgets and how to save on your grocery bill. We feel that this will be a very helpful and informative program and hope that many will take advantage of what is being offered. If you would like to come and do not have a way, please call the CAP Center, 864-3053 by 10:30 and someone will come after you.

All-American

Tommy Robison, AAA All-State football player and track star at Gregory Portland, has been named an All-American Athlete for the 1978-79 school year. Tommy is the son of Tom and Patsy Robison and the grandson of Mr. and Mrs. John E. Robison of Haskell.

Open House

Friday & Saturday
March 23 & 24

We have remodeled and would like for you to come see our new carpet and private fitting rooms. Come have punch and cookies and register for the many things to be given away.

While in our store, we would like for you to look at all the pretty new Spring clothes that have just arrived. And, of course, we couldn't have *Open House* without sale items!

Come help us celebrate.

HERE'S TO YOUR HEALTH

from Kenneth Jones

Every year many people are electrocuted in their bathtub by electrical appliances falling into the tub. This includes electric heaters, hair dryers, razors and radios. Using a portable hair dryer while doing the laundry or dishes is also dangerous. If a 'ground', such as faucets or water in the sink or tub is touched, a fatal surge of electrical current can result. Keep electrical appliances away from bathtubs, showers and sinks.

Frigidaire Jet Cone Washers.

Every laundry day, you'll be proud of the way they get your clothes clean.

Soften your fabrics while they wash. Automatically. The Fabric Softener Dispenser adds softener during the rinse portion of the Permanent Press and Knit cycle, as well as during the Regular wash cycle. Available at extra charge.

Clothes need to get to the bottom of the tub where cleaning power is greatest. Frigidaire's exclusive up-and-down agitator action effectively circulates clothes.

Depend on Frigidaire to keep lint from settling back on your clothes. The Jet Flow Lint Filter traps lint, yet lets water recirculate back into the tub. Snaps in and out for easy cleaning, too.

Frigidaire Automatic Dryers.

They offer care for today's fabrics, backed by the 59-year Frigidaire tradition of craftsmanship.

For uniform drying without damp spots, smooth Sorting Fingers keep clothes opened up... separate... and tumbling freely.

Oversize door opening — one of the largest in the industry — is positioned a comfortable 19 inches off the floor.

Help keep wrinkles from setting, and cut down on ironing time. Thanks to automatic cooldown, clothes tumble without heat during the last 5 to 10 minutes of each cycle.

Congressional Comment

Taiwan Endangered By Policy

On December 15, President Carter announced that he had decided to establish diplomatic relations with the People's Republic of China and break our mutual defense treaty with Taiwan. In negotiations with the communists the United States did not get a guarantee from them that they would not seek the reunification of China

by military force. Despite this fact, the State Department has tried to convince the American people and our allies that this new policy will not endanger the security of Taiwan.

Certainly it is very difficult to analyze the current intentions of the Chinese government, but we can learn from history. In 1950, the then

Secretary of State, Dean Acheson, made a speech before the National Press Club in Washington delineating the U. S. defense perimeter for Asia leaving out South Korea. Several weeks later, South Korea was invaded by communist forces aided by China.

In that same year the Chinese ruthlessly put down a revolt in Tibet. In 1954 the Reds invaded and captured several islands held by Taiwan. In 1958 the communists shelled the islands of Quemoy and Matsu, which were very close to Taiwan. They withdrew after the U. S. government threatened armed intervention.

From 1959 to 1962 there were repeated border wars with India. During the Vietnam conflict, the Chinese supplied North Vietnam with military supplies and some troops. Recently they have had repeated border disputes with the Soviet Union and have set out on an invasion of Vietnam. While trying to analyze the reasoning behind current Sino-American relations, one question repeatedly comes to mind: How can we be so naive?

Certainly there are some well founded justifications for the recognition of China. Trade between our two countries would be of great benefit. China desires to buy agricultural products and high tech-

nological equipment. They have great quantities of oil to sell. Also, improved Sino-American relations could enhance the split in the communist world. The Chinese have been facing heavy Soviet military pressure since the Sino-Soviet border clashes of 1969. By the 70's they viewed the Soviet Union as China's major adversary and saw the United States as a source of useful leverage against the Soviet "threat."

Thus it is the Chinese that most desperately need improved relations, not the U. S. Despite the positive reasons for the recognition of China, the long term repercussions of this policy could be disastrous. Our failure to get a guarantee that the communists will not invade Taiwan could endanger the security of this long standing friend. Also the credibility of the U. S. is damaged by our unilaterally withdrawing from the mutual defense treaty. How good are our promises if we do not honor our commitments? This perception could endanger our relationship with Western Europe, Israel, and other friendly nations. A former Congressman once said that American foreign policy seemed designed to make friends out of our enemies and enemies out of our friends. Clearly this is the case in our relations with communist China and Taiwan.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

Dear Bill,
I would like to say something about this small town we live in. Two years ago when Kay and I moved here, I really had no intention of staying. But we've been here two years now and since Sunday night when we had our fire I don't think ya'll could run us off. If anybody thinks our Fire Department is inadequate, just send them down here to me. They are unbelievable. And Haskell National Bank, boy, they truly are "The Old Reliable". When we were standing in our yard watching everything we had go up in smoke, it looked pretty hopeless. But that was when Haskell got in gear. Kay and I have lived in a big city, but there is no city in Texas that would have done for us as you people of Haskell have. I am proud that I've brought Kay

and Sam here to live. And I'm proud of all of you that have come to our aid when we needed it the most. Bynam's and the Haskell County Jaycees and Jaycee-ettes completely refurbished our living room with beautiful new furniture. It's just unreal, and we thank each and every person that has helped us in anyway. That's something we will never forget. Thank you Haskell.

Love,
Mike, Kay and Sam Cook

We would like to take this opportunity to thank all who have been involved over the past several months with the used clothing store. We felt that this served a need that was an emergency following the flood last August. Many were involved over the past months making it impossible to name each individual or groups who helped us with the used clothing.

Our thanks to the County Commissioners and to Mr. Garrett for the buildings, time, advice and assistance in so many ways. Our gratitude to all the ladies from many of the area churches who worked so hard at sorting, folding, and keeping the clothing and the store operating each Monday. We thank them for the cleaning on the buildings. Again thank you for all you've done. Indeed a job well done, and May God Bless each of you.

Haskell Ministerial Alliance

Micklers To Return To Hawaii

Pat Mickler and son "J" will depart from Haskell on April 3rd to join 1st Lt. Jim Bob Mickler in Honolulu, Hawaii.

Lt. Mickler is a member of the U.S. Marine Corp and has been on a float for the past seven months touching port in the Philippines, Korea and Japan. He has served as legal officer most of the time out. They will make their home in Kaneohe, Hawaii for the next two years.

Pat is the daughter of Mr. and Mrs. Henry Harris of Haskell and has been visiting with them since September. Mr. and Mrs. James Ross Mickler, former Haskell residents, are Jim Bob's parents.

CITY STREET COMMISSIONER Guy Kennedy had his own problems with city streets Monday afternoon. Kennedy

became stuck in this hole in Avenue D near N. 11th Street and had to be pulled out. (Staff Photo)

Tri-County Rally Day Set March 29

Extension Homemakers from Baylor, Knox, and Haskell Counties will be participating in the annual Tri-County Rally Day on Thursday, March 29. It will be held at the Haskell National Bank Community Building with registration beginning at 9:30.

Mrs. Tom Yates, chairman of the Rally Day events, will be serving as the MC. Musical entertainment will be given by the Doyle High family. The day's events will also include a program on ceramics given by Mrs. J.A. Hertel of Sagerton, a program on new craft ideas by Mrs. Abe Turner and Mrs. Don Nanny, and a "Show and Tell" time and skits to be presented by club members from the three counties.

A covered dish luncheon will be served at noon. All interested persons are invited to attend the day's events. Just bring a covered dish, 50c for registration and any new craft and creative art ideas you want to share.

CAR WASH

The boys High School Track Team will sponsor a car wash this Saturday from 8:30 a.m. to 5 p.m. at the Kwick Kar Wash on the Throckmorton Highway. Cecil Hindman, owner, has donated the car wash to the team which is trying to raise funds to attend the San Angelo Track Meet. Wash jobs will be \$5.00 for cars and pick-ups.

NOTICE

There will be a softball meeting at the softball field Thursday, March 22 at 8:00 p.m. All persons interested in participating in softball need to be there.

SIGNS OF SPRING...Fruit trees around Haskell have been in full bloom for over a week and most old-time residents are concerned that there will still be a killing frost before spring completely arrives. In addition to the blooming fruit trees,

many other trees have started to bud. The long-time weather forecasters say that the danger of a killing frost has not passed until mesquite trees begin to bud, and that has not started to happen yet. (Staff Photo)

Rice Springs News

The residents have been enjoying the services brought by the Foursquare Church.

Ruth Williams of Sagerton visited with Angeline Threet. Mr. and Mrs. Manley Branch enjoyed visits from Mr. and Mrs. Jerry Stewart of Abilene.

Mrs. Annie Fry of Abilene visited with Annie Jones. Evelyn Green of Ft. Worth and E.O. and Hallie Morgan

of Rule visited with Ora McCollough.

Hilda Kupatt enjoyed visits with Mr. and Mrs. Fred Kupatt of Sagerton, and J.D. Kupatt of Rule.

All the residents would like to welcome Lottie Cook.

Mr. and Mrs. O.O. Posey and Neta of Knox City visited with Edna Collins.

Hazel Letz of Old Glory visited with Martin Letz.

The Sweet Home Singers came over Wednesday night. The residents reported a very good turn out, and are looking forward to their return.

Visitors of Alma Cole included: Mary Sue Henry, Rev. Waylon Dowden, Mrs. J.C. Lewis, Mrs. O. G. Lewis, Mrs. A.K. Eaton, Mrs. Charlie Jackson, Mr. and Mrs. John Estes, and Hazel Lewis

all of Rule, Mrs. Bob Clark, Evangeline, Kyle, and Judson of Abilene, and Ralieg Brock of Ft. Worth.

Trudie Bush welcomed visits from Neda and Judy Threet, Grady and Gracie Bristow of Rule, Hazel Lewis of Old Glory, and George and Vennie Rexroat of Woodson.

Mrs. Nig Henry and Mrs. Winifred Cole of Rule, Bill Jones of Stamford, Wendell Rose of California, and Elsie Eastland and Jan of Abilene.

Little Dribblers Name All-Stars

The Haskell Little Dribblers Boys' Leagues climaxed their season last Friday night by announcing the all-star teams. The War Whoops, coached by Billy Mitchell and assisted by Sam Watson, swept to victory in the younger league. The Apaches, coached by Jerry Hadaway and Eddie Chambers, emerged as the 1st place team in the older league.

The girls will kick off their season with tryouts next Monday, March 26th. The 9-10 year old girls will try out at 5:00 followed by the 11-12 year old girls at 5:45.

9-10 Year Olds: Paciano Lopez, Mickey Dunnam, Kelly Klose, Billy Shelton, Steve Rodriquez, B.J. Mitchell,

Robert McAdams, George Watson, Mark McAdams, Casey Reed, Jeff Baum, Wayne Geilhausen.

11-12 Year Olds: Steven Boyd, David Adams, Robert Ivey, Lex Weatherly, Randy

Roewe, Todd Harris, Andy Griffith, Shawn Lane, Shawn Chambers, Shane Hadaway, Doug Starr, Scott Schaaake.

The playoffs will be at Breckenridge on April 6th and 7th.

Conservation Viewpoints

USDA Soil Conservation Service
Assisting
Haskell Soil and Water Conservation District

The Haskell and California Creek Soil and Water Conservation Districts conducted their Land; Range and Pasture Judging Contests, March 15. A number of students throughout Haskell and Jones Counties participated, despite the unfavorable weather.

The Contest was set up according to the State Rules, thus giving the students a chance to have a practice meet before the Area Contest in Sweetwater.

The results of the Contest are as follows; Hawley took first in both the Land; Range and Pasture Judging. Anson placed second in Land Judging and also the Range and Pasture Judging. Rule placed third, Haskell was fourth, with Paint Creek fifth in Land Judging. Danny Bristow of Hawley was the High Point individual in this portion of the Contest.

The remaining placings of the Range and Pasture Contest were; Stamford third, Haskell fourth, Paint Creek fifth, and Haskell's alternate team placed sixth. The High Point individual in the Range and Pasture Contest was Tim Laws of Anson.

The members of Haskell's Range and Pasture team were; Leonard Howard, Carl Hopkins, Carl Mayfield, and Mike King. Their second team consisted of Todd Hoisenton, Jackie Escobedo, and Ronnie Bailey. The Land Judging members were Ted Hairgrove, Joe Wheatley, Yvonne Howard, and Kirk Markey.

Paint Creek's Range and Pasture team consisted of Julie Patty, Ruth Garica, Dee Ann Pendergraft, and Linda Fischer. While Gena Fischer, Debra Wells, Becky Buerger, and Brian Middlebrook were on the Land Judging team.

Rule and Weinert both had a Land Judging Team. Rule's team members were Rock Petty, Dan Stephens, and Donald Adkins. Weinert's team consisted of Todd Herricks, Wayne Hutchinson, Brian Adams, and Bennie Bredthauer.

It is rewarding to see that

these students take the initiative to learn about the different grasses and soils which do occur. Many of these same students will become farmers and ranchers some day. Hopefully, the knowledge they acquired will be of some benefit to them.

These young men and women are to be commended on the fine job they did. This was the first year the contest was conducted in this manner. We hope for the contest to improve every year.

Jim Pippin Participates in Campbell Day

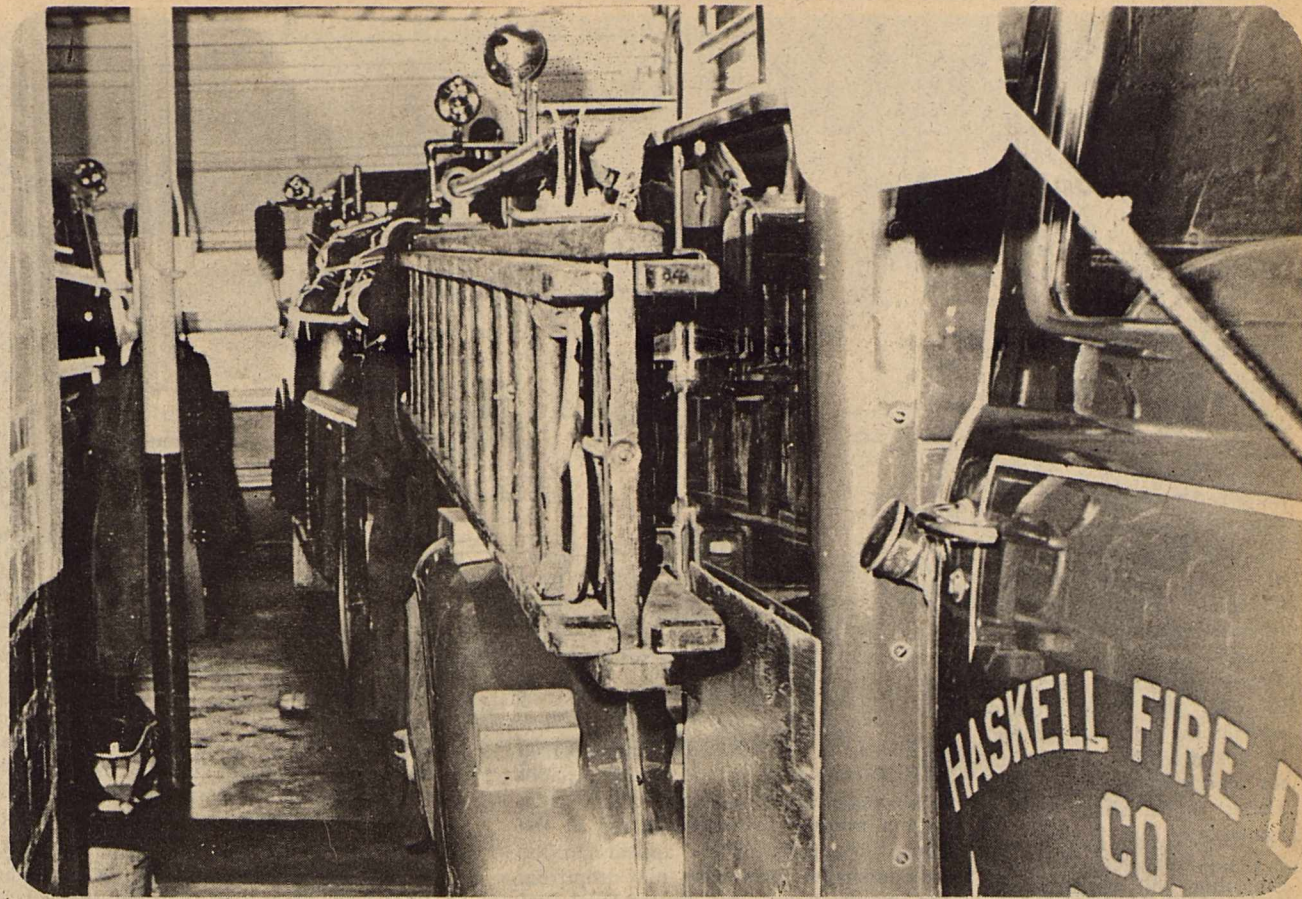

Jim Pippin, aide to the Chief Clerk of the House of Representatives, and student at The University of Texas at Austin, remembers Monday, March 12 as a very special day.

The Texas Legislature honored Earl Campbell, Houston Oiler rookie of the year and former star of the Texas Longhorns. The day was especially memorable for Jim, a 1975 Haskell High School graduate, as he was chosen to place the seal on the resolution which was presented to the University of Texas Heisman Trophy winner proclaiming March 12, 1979, "Earl Campbell Day".

Earl presented Jim with a two-year old rose bush which was grown at his Mother's rose farm in Tyler. The rose bush arrived in Haskell by bus on Wednesday and was planted by Carolyn Pippin at 600 N. Fifth. When asked if the rose is a "burnt orange" color, Carolyn says she thinks it is a rose pink, but growing where it does, it just may turn out to be orange with a touch of white on the petals.

LITTLE LEAGUE WORKDAY

There will be a workday at the Little League field this Saturday beginning at 1 p.m. All fathers with boys participating in the Little League program are requested to be present for the workday.

EXISTING FACILITIES at the Haskell Fire Station allow narrow walkways between trucks and walls. Plans for a new fire station will allow adequate room for maintenance and

accessibility to all equipment. A fund drive to secure funds for the new station will begin next week.

Education Grant

Received By

Haskell County

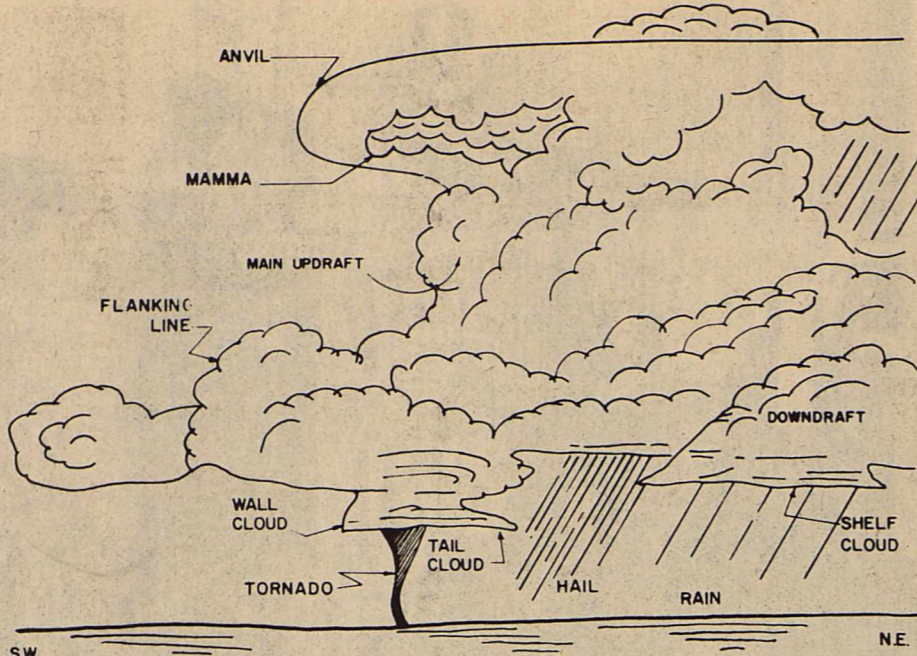

Congressman Charles W. Stenholm announces the approval of a \$198,093.85 Office of Education grant to Haskell County. The allotment of these funds for school year 1979-80 is under provisions of Title I of the Elementary and Secondary Education Act as amended by Public Law 95-561. These funds will provide services for children residing in low-income areas and institutionalized neglected and delinquent children in State-operated or supported schools who have need for special educational assistance in order that their level of educational attainment may be raised to that appropriate for children of their age. These funds shall become available on July 1, 1979.

The State Department of Education will distribute the funds to the school districts based on the best available data which reflect the current distribution of children in low-income families.

Rule City Election Set April 7

Three aldermen will be elected on April 7, 1979. Election will be held at the Rule City Hall. Hours are from 8 a.m. to 7 p.m. Bill Dunnam is election Judge.

Filing for seats on the council are Joe Minefee, Ronnie Miller, Earl Spyras and Derrell Sorrells. Holdover members are Joe Stulir, Gary Fannin and Mayor Tom Kutch.

TYPICAL TORNADO-PRODUCING CLOUD--The form of the usual tornado-producing cloud is anvil-shaped at its crest with a rougher overshooting top at the dome. Mamma, which appear to be balloon-shaped formations, may drop from the anvil shape. At ground-level the common appearance is rain falling from a shelf cloud, usually in the northeastern portion of the parent cloud. Southwest of

this there will be a wall cloud, sometimes with a horizontal tail cloud at the forward or northeast lower portion of it. This tail cloud is not the tornado. The tornado itself forms typically at the southwest lower edge of this wall cloud. Behind the tornado there is not likely to be rain, but, instead, a precipitation-free cloud base. (Drawing Courtesy Texas Tech University Institute For Disaster Research)

Rising Costs Cause Deductible Increases

Because of the rising cost of hospital care, the hospital insurance deductible and daily co-insurance amounts under Medicare have been increased for 1979.

The law requires an annual review of hospital costs under Medicare and an adjustment of the hospital insurance deductible when costs have risen substantially. The

amount of the deductible represents the average cost of one day of hospital care, which is determined by a formula provided in the law.

Effective January 1, the hospital insurance deductible was raised to \$160, up from \$144 for 1978. This means that for the 1st through 60th day of inpatient hospital care in each benefit period, Medicare hospital insurance will pay for all covered services except for the first \$160.

The higher deductible amount for 1979 applies only to benefit periods which start in or after January 1979. The 1978 deductible, \$144, applies to benefit periods which started in 1978. This is true even if you entered a hospital in 1978 and were still an inpatient after January 1.

When the hospital insurance deductible changes, the law requires comparable changes in the daily dollar amounts (co-insurance) that Medicare hospital insurance does not pay.

For the 61st through 90th day of inpatient hospital care in each benefit period in 1979, hospital insurance will pay for all covered services except for \$40 a day (up from \$36).

If you need to be in a hospital longer than 90 days in a benefit period, you can use

the inpatient hospital reserve days provided by hospital insurance. For each reserve day used this year, hospital insurance will pay for all covered services above \$80 a day (\$72 a day in 1978).

For the 21st through 100th day of posthospital care in a skilled nursing facility, hospital insurance will pay for all covered services except for the first \$20 a day (increased from \$18). Hospital insurance pays the full cost of covered services for the first 20 days of care in a skilled nursing facility.

After a stay in a hospital or skilled nursing facility, hospital insurance can cover home health care from a participating home health agency.

Hospital insurance can pay the full cost of up to 100 home health visits in the 12-month period after the start of one benefit period and before the start of another.

Although hospital insurance does not pay all your health care costs, it does provide basic protection against the high cost of illness at a time when you need it most--after you are 65 or while you are severely disabled. More information about hospital insurance is given in "Your Medicare Handbook." The handbook also explains the medical insurance part of Medicare, which helps pay for doctors' services and many other services and supplies not covered by hospital insurance. If you don't have a handbook, you can get one at any social security office. If you have one dated earlier than January 1979, you may want to clip this article to update the deductible and coinsurance amounts shown in your handbook.

Rehab Center Foundation Annual Meet

The West Texas Rehabilitation Center Foundation Board of Trustees held its annual meeting in the Gist Memorial Center at the West Texas Rehabilitation Center today.

Business carried forth by the Foundation Trustees included the re-election of the following officers: John A. Matthews, Chairman; Harwell Barber, Vice-Chairman; Allen Baird, Vice-Chairman; Judge Raleigh Brown, Secretary; Robert Sayles, Treasurer; Fred Henry, Asst. Treas. (Special Appointee); and Shelley V. Smith, Executive Director.

Also, the announcement was made by the Board that the present market value of WTRC Foundation assets is \$1,440,001,* listed as follows: land and building, \$402,680; unitrusts, \$87,000; corporate stocks, \$45,960; negotiable securities, \$868,000; accrued interest receivable, \$30,057; and cash, \$6,304. (*Based on current valuation)

John A. Matthews, chairman of the Trustees, pointed out that the WTRC Foundation does have funds to participate in a deferred gifts program and lifetime annuity. He stated he hoped that individuals would realize that the WTRC Foundation is now capable of entering into long-term contracts and various and sundry types of gifts and annuities.

Other members of the Foundation Board of Trustees are Oliver Howard, A.B. Shelton, and Frank W. Meyers, Jr., all of Abilene; Roff Hardy of Corpus Christi; Phillip Pitzer of Breckenridge; and Frank Junell and Marcus Cheaney of San Angelo.

CORRECTION

Last week's edition of the Free Press contained an article about the Commissioners Court meeting. The article incorrectly stated that the court agreed to allocate \$2,750.00 in Revenue Sharing Funds to the Rochester Baseball program. The correct amount agreed on by members of the court was \$275.00.

Sagerton News

The community was saddened at the parting of long-time friend and resident, Otto Schaake. Mr. Schaake died last Tuesday just a few days after suffering a stroke. He was 83 at the time of his death and had spent over 70 of those years in the Sagerton area. We will miss him and we extend our condolences to his wife, Lena.

Mr. and Mrs. Fred Baitz and Kacy, and Johnny Baitz were Sunday dinner guests in the home of Mr. and Mrs. Melvin Baitz.

Several college students are home for spring break this week. Vicki Hertel is home from University of Texas at San Antonio. Carol Dudensing and Clyde Stegemoeller are home from Texas Tech Uni-

versity. Jill LeFevre will take a week off from studies at McMurry College in Abilene and your writer will get a week off from Abilene Christian University.

Some students were off last week and will be resuming classes.

A large crowd attended worship services at Faith Lutheran Church Sunday.

Some 93 million Americans, or 43 percent of the nation's population, are potential recipients of Veterans Administration benefits.

The Veterans Administration plans to guarantee 380,000 home loans valued at \$17.7 billion for eligible ex-service members and active duty personnel this year.

Next Sunday will be film Sunday for the Sunday School kids and the adult Bible class. Lenten services will continue each week until Easter. The services are held on Wednesday nights at 7:30 p.m.

We had from a trace to over 1/2 inch of rain in the area this past weekend. The moisture was enough to keep the farmers out of the field but most will agree that it fell at a very beneficial time for the small grain crops.

Mrs. H.C. Raphelt of Stamford was a Sunday dinner guest in the home of Mr. and Mrs. Leon Stegemoeller and family.

Mr. and Mrs. Melvin Baitz were guests of Mr. and Mrs. Buster Tredemeyer Saturday evening.

SPRING BUYS

We have one table of dress pants and short sleeve dress shirts. There are a good run of sizes left in the dress pants and lots of colors. \$25.00 values, All for \$9.99. We have a large group of dress shirts on this table in all colors and sizes. Closing them out--1/2 price.

There is a rack of pull over sport shirts in the back by the blue room that is on for 1/2 price. Some are long and some are short sleeve. Good buys.

Our Boot Sale continues. Prices have been slashed to close out these odds and ends. 1/2 price or \$33.00 per pair. Great buys.

Among the others we have a group of belts for 1/2 price.

No Sale Too Large or Small

American Ag News

BY BETTYE McBROOM

If it is inflationary for the farmers to receive 100 percent parity in the marketplace as President Carter and his administration have indicated, then what do you call sending \$5 billion dollars of the taxpayers money to Israel and Egypt so they will sign a peace treaty? The U.S. is planning to send \$3 billion to Israel to build air bases, and Israel wants \$3.4 billion. The U.S.-Israeli agreement that is to accompany the treaty was being held up because the cabinet considers American offers of military and economic assistance to be inadequate. What has been promised?

In recent weeks there has been mounting talks of activating the draft in the United States. Why do you suppose the government has decided to start the draft again right now? It bothers me because we have a son who will be on draft age in several years, and some of you do too.

President Carter should try and settle the unrest in America before he goes off somewhere else. In several years he will not have to worry about the peace in America because another country will come in and settle it for us.

The farmers have not asked for \$5 billion from the government, but they have asked for parity prices in the market place so they will be able to at least make the cost of production and keep producing food to feed the American people and other people around the world. The

farmers have not asked for the draft again, but they have pointed out that they were the ones who helped in the past wars and would do so again to keep America free.

Why is it that President Carter will travel half way around the world to talk to leaders to help settle strife in their country and he will not even sit down with the farmers to hear their story and what they want? Yes, he knows the situation that agriculture is in today, but then he has been instructed not to try and reach an agreement with the farmers and ranchers.

With so many starving people in other countries, again I will state that we should send them grains and food rather than money. The money will not help fill the stomachs of the starving people and the food will if distributed right. And too, if the two countries are to sign a peace treaty, why do they need air bases and military assistance?

The American Agriculture Movement is still working in trying to get the amendments to the 1977 Farm Act passed in the committees. The three from Texas on the House Agriculture Committee are Charles Stenholm, Mr. De La Garza, and Kent Hance. Send them a telegram or call them and urge them to vote for the passage of the amendments. The amendments are asking that the 1977 Farm Act be implemented to it's fullest in that the farmers would receive 90 percent of parity which is more than we are receiving now.

Family Night this Thursday night, March 22, at the Haskell National Bank Community Room. Big puppet show set up for all the kids. Pot Luck supper, bring a dish (of food) and the family for a really great time and some fine family fun. It will begin at 7:30. See you all there.

Bass Tournament this weekend. All you would-be world champions come out and make this project a big success—we're counting on you! See Charles Address, Bill Perry, Bill Trammell or Ronnie Reynolds for more info.

Record book seminar in Midland this Saturday the 24th from 10 till 3. Will be taught by "Mr. Record Book" George Partin of Abilene. We need at least 4 Jaycees to attend. See Charles Thornhill for more info.

The creek project is at a standstill due to the rain, but we'll be back there as soon as weather permits. Don't forget, May 3 is the deadline to complete this work!

The shower for Mike and Kay Cook was a big success. The Jaycees and Jaycee-ettes gave them a beautiful living room suite, thanks to some help from Jimmy Bynum. Hope we can help them get back to a normal life soon.

Election time grows ever nearer and some of you are still holding back in announcing for office. To date, the only announcements are President, Charles Address; Vice-Presidents, Bo Owens and Mike Jordan; Treasurer, Ronnie Reynolds; State Director, James Davis; Directors, Gwynn Butler, Jack Martin, Randy Martin, and Robert Slayton. Why don't you get really involved and run for office? Get to be a part of this great organization and help in the direction the club will take in the coming year. Election night will be April 12, preceded by a "Political Blast" on Saturday, April 7.

Other dates to remember: March 31-April 1, Creek Clean up; same weekend, Area IV convention in Irving; April 21, Super Kids; April 28, Casino Night; May 5 and 6, Roc-Tap Judging in Lake Jackson; May 10, 11, 12, State Convention in El Paso; May 17th, Installation of new officers; May 24, 25, 26, Jaycee Rodeo—and the new Jaycee year will be on the way.

Extensions are happening for the Haskell County Jaycees. Great response from Anson. Hope to have it done Thursday night, March 22. Three more looking very favorable! We have 30 days—lets do it now!

Throckmorton Jaycees Charter night was a big success, although the crowd was not as large as anti-

ipated. President Elvin Wilson made a fine address and Lynn Smith and Bo Owens presented the Charter and member pins to each members.

As we look back over the past 11 months and consider what we have accomplished, let each of us consider the many things that still need to be done. There are still people out there who need our help, physically, financially, spiritually and lets consider the tenants of the Jaycee Creed and show the world that "Young Men Can Change the World". As we go through our Jaycee and Jaycee-ette careers, we will find many opportunities for service, most of them dressed in coveralls and going by the name of hard work. We have the opportunity to win many awards this year and in the coming years as Jaycees and Jaycee-ettes, but the real award is the reward for a job well done, for serving your community and your fellow man, for getting the job done when "they" said it couldn't be done.

Give a young man the opportunity you had—ask him (or her) to be a Jaycee or Jaycee-ette. Show them that you care.

BIRTHS

Mr. and Mrs. Richard Shea of Mineral Wells are proud to announce the birth of their first child, Lindsay Jean.

Lindsay was born March 2, 1979, 1:52 p.m. at the Palo Pinto General Hospital. She weighed 7 lbs. 15 oz. and was 21 inches long.

Paternal grandparents are Mr. and Mrs. Bob Shea of Jacksboro. Paternal great-grandmothers are Mrs. P.O. Price and Mrs. John Shea of Perry, Oklahoma.

Maternal grandparents are Mr. and Mrs. Roger McClanahan of Graham. Maternal great-grandparents are Mrs. G.L. Miller and W.R. McClanahan of Graham. Maternal great-great-grandmother is Mrs. Ida Miller of Fort Stockton.

Richard Shea was a graduate of Haskell High School. His parents are former residents of Haskell.

Domino Tournament Set March 30

The Ladies Auxiliary of the Haskell Volunteer Fire Department will sponsor a domino tournament Friday, March 30, at the Corral Building in Haskell.

The tournament will start at 6 p.m. and deadline to begin playing is 8:30 p.m. Entry fee is \$2.00 each and teams will play the best two of three games in the single elimination tournament.

Prizes will be given for first and second places.

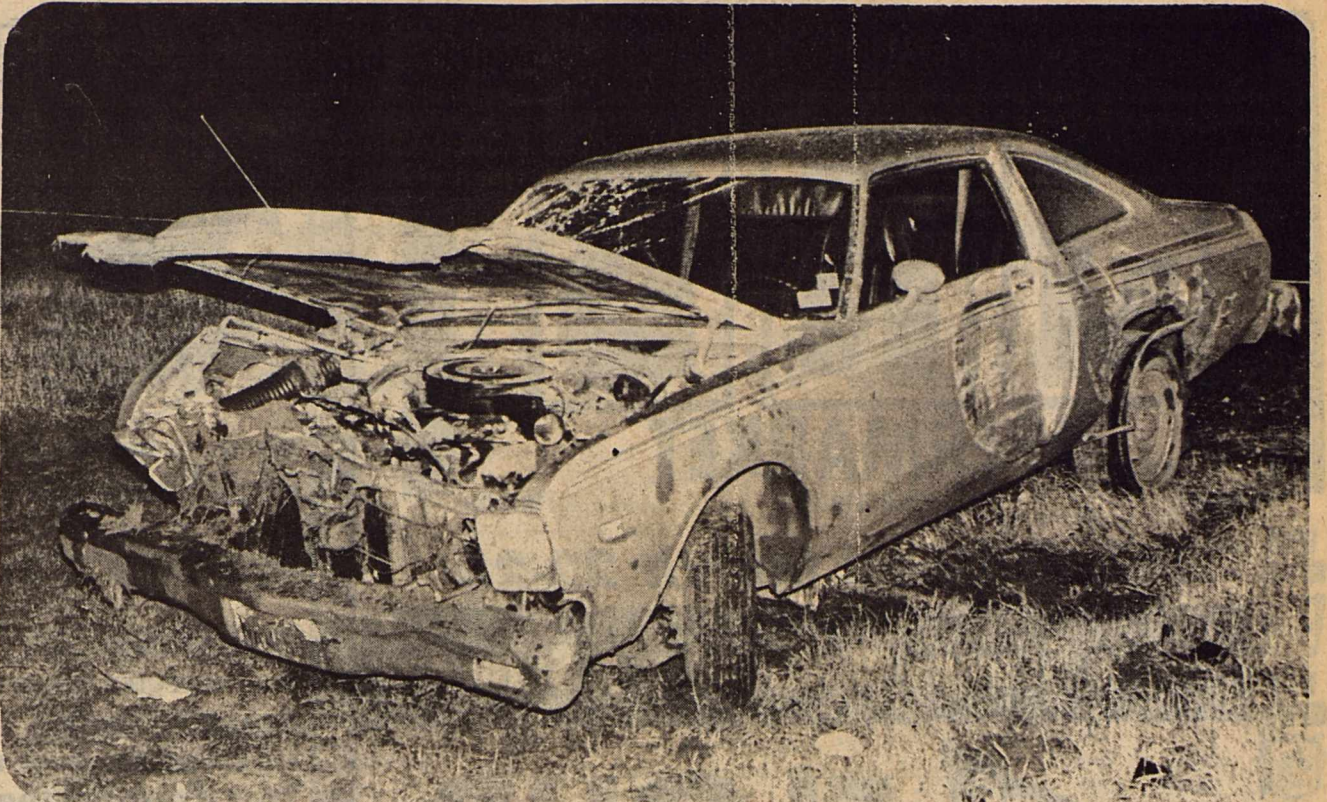

After a team loses, the players are welcome to continue playing if space is available for 15c per game.

agri-facts

Pat Hale

Just how significant is the wheat producer in terms of world trade? Statistics provide a pretty solid answer. Although U.S. wheat production still ranks behind Russia and Western Europe in terms of total output, it has been the American wheat producer who has most successfully responded to meeting the growth in world demand. Only five years ago our wheat exports totaled just over 17 million tons . . . about 30 percent of the world trade. This marketing year United States exports of wheat will top 37 million tons and account for nearly one-half the world wheat trade. In just five years that represents an increase of more than 115 percent in volume and nearly a 70 percent increase in the share of the market. Well done wheat growers!

KAREN DARLENE WHITAKER, driver of this 1977 Dodge, was still hospitalized Wednesday morning at press time following this one-car accident which occurred about 5 a.m. Sunday. Tanya Whitaker and Martin Randle, Jr., both of Haskell, received minor injuries in the accident and had been

released from the hospital. The accident occurred about 8 miles south of Haskell on U.S. 277, when the Whitaker car failed to negotiate a curve and left the roadway. DPS Trooper, Don Collins, investigated the accident. Citations were issued. (Staff Photo)

Easter Seals Provide Rehab Center Funds

Easter Seals will be received by 45,000 households in the Big Country area during the next few days.

Contributions may be sent to the West Texas Rehabilitation Center where they will be used to benefit crippled children and adults. All funds will be used in local treatment programs.

"Easter Seal funds have helped provide services at the West Texas Rehabilitation Center since we opened our doors in 1953," executive director Shelley V. Smith said. "Since that time, our budget has increased from less than \$10,000 a year to almost two million, so the need for these funds is greater than ever."

In 1978, WTRC served more than 6,000 patients without charge for treatment.

Easter Seal appeal letters have been mailed to persons in these counties: Callahan, Fisher, Haskell, Jones, King,

Knox, Nolan, Runnels, Shackelford, Stonewall, and Taylor.

Easter Seal contributions may be sent to the West Texas Rehabilitation Center, 4601 Hartford, Abilene 79605.
